## REPORT OF THE EXECUTIVE COMMITTEE.

Information having been received of the opening of an Industrial Home in Tokyo for poor children, a resolution of approval was passed; and as the Council did not consider another magic-lantern necessary, Mr. Roundtree was asked to allow the \$80 donated for that purpose to be applied to the support of the Industrial Home.

A communication was received from the Literature and Publication Committee. Questions asked were replied to as follows:

That a sample copy of *Palm Branch* be sent to each Auxiliary and Band, and orders solicited. That if less than 500 copies be ordered, its publication be discontinued. That the name of the Society be put on the door of Room 20. That Room 20 be closed during the month of August.

Miss McGuffin tendered her resignation as editor of our column in the *Guardian*. This was accepted with regret, and a resolution was passed expressing appreciation of Miss McGuffin's efficient services in the past. Miss Firstbrook was appointed to the position.

The Committee consented to the marriage of Dr. Retta Gifford and Dr. Kilborn, Dr. Gifford to continue in our Society for her term of five years if her full time can be given to medical work among the women and children of Chentu, her salary after marriage to be \$300, according to Dr. Sutherland's recommendation.

A communication was received from the Secretary of the Students' Volunteer Movement giving notice of a convention to be held in Detroit in February. The names of our returned missionaries were forwarded, and the President was authorized to represent the Society at the convention.

Auxiliaries were requested to hold an Easter thank-offering service, the proceeds to be applied to hospital work for women in Chentu, China.

An offer from Mr. Thornley, of London, of \$25 a year, for the support of a girl in the Chinese Home, was gratefully accepted. A donation of \$50 was received from Mr. Dillon, of Montreal, for additional furnishings for the Chinese Home.

An invitation to affiliate with the National Council of Women was left over for the consideration of the Board, and Auxiliaries were requested to be guided by this action.

The following were appointed to confer, if necessary, with the General Conference in relation to the Woman's Missionary Society and its work: Mesdames Gooderham, Strachan, Carman, McKay, Burns, Cunningham and McMechan.

The Committee on French Work reported the need of a better building for the school in the East End, Montreal, and was authorized to take steps toward securing a permanent place for the school, subject to the approval of the Board or its Executive. Funds being exhausted, the Treasurer of the French Work was authorized to draw on the Treasurer of the Woman's Missionary Society to the amount

of one-half of the estimates for the French Institute, one-third only having been appropriated.

On recommendation of Western Branch, Miss Dingman, for some time teacher in Bishop Taylor's Mission in Africa, was accepted and appointed to Port Simpson, to the position made vacant by Miss Caldwell's resignation. Before Miss Dingman had received notice of her appointment she was suddenly called to the home above. Miss Caldwell was requested to remain until a substitute could be secured, but none was available; and as it seemed desirable that Miss Caldwell should remain, she has done so.

Miss Ford (Western Branch), a trained nurse, was accepted and appointed for Chentu, China, but not to go until advised by Dr. Hart.

Miss Paul, of Newburgh (Bay of Quinte Branch), an applicant for missionary work, was appointed to attend the Deaconess Training Home in Toronto for a time.

Miss M. Lambly, of Bloomfield (Bay of Quinte Branch), and Miss A. E. Belton, of Clayton (Eastern Branch), were accepted and appointed to Japan. They accompanied Miss Munroe, whose restored health permitted her to return in August.

Mrs. Burns was requested to procure from Dr. Eccles a proper form of health certificate, as the one now in use is defective.

The Committee, Mrs. Dixon, Dr. Carman and Principal Austin, appointed to arrange for examinations in Theology, recommended the following:—

1. Doctrines:
  - (a) Manual of Methodist Doctrines (Galbraith).
  - (b) Wesley's Sermons, as follows:
    - (1) Salvation by Faith, 1.
    - (2) Justification by Faith, 5.
    - (3) Witness of the Spirit, 10.
    - (4) Sin in Believers, 13.
    - (5) Law Established through Faith, 35.
    - (6) On Christian Perfection, 40.
2. Bible Study:
  - (a) Bible Outlines (Vincent).
  - (b) Epistle to the Romans.
3. Catechism (No. 2, or that adopted by the General Conference).
4. Discipline of the Methodist Church relating to Polity and Economy.

Examiners to be chosen for the Branches by their Presidents and Corresponding Secretaries.

The Committee appointed to act in regard to the Coqualeetza Home reported that the joint Committee had met and adopted regulations for the management of the institution.

Invitations for the annual meeting were received from the Auxiliaries in Guelph and in Cobourg. The invitation from Cobourg was accepted.

The meeting was opened with devotional exercises conducted by the President.

The President introduced to the audience our four returned missionaries. These ladies were invited to occupy seats with the delegates.

The minutes of the Executive meetings held during the year were read and confirmed.

The report of the Corresponding Secretary was read and adopted.

The report of the Treasurer, which was presented by Mrs. Thompson and adopted, showed the receipts for the year to be \$39,808.33, an increase of \$1,834.17. The doxology was sung, and prayer for guidance and wisdom in appropriating the money, was offered by Mrs. Ogden.

The President then gave her annual address, of which the delegates expressed their appreciation by a standing vote

Reports from the Branches were read by the respective Corresponding Secretaries.

Mrs. Cunningham, Corresponding Secretary of the Western Branch, reported the division of that Branch into the Hamilton Conference and London Conference Branches. This action was endorsed by the Board. The Auxiliaries in the Owen Sound District were transferred to the Toronto Conference Branch.

Reports from separate Auxiliaries were read by Mrs. Strachan, Corresponding Secretary.

Reports from the different mission fields were read and adopted.

The report of the Supply Committee was read by Mrs. Briggs. A very hearty vote of thanks was tendered to the Committee, and especially to Mrs. Briggs.

The report of the Literature and Publication Committee was presented by Mrs. McKay, and the financial statement by Miss Ogden. A resolution was passed, expressing high appreciation of the labors of the Committee and sincere thanks to Miss Ogden for her unwearied devotion to our work and gratuitous services in "Room 20," and to Miss McCallum for the excellent and carefully-prepared "Suggested Programmes."

In the absence of Mrs. Parker, editor of our department in the *Outlook*, her report was read by Mrs. Strachan. The following was carried by a standing vote: "That we as a Board express our extreme regret at the absence of the editor of our department in the *Outlook*, and of our most hearty appreciation of the untiring, efficient service rendered by her in her capacity as editor of our official organ."

Miss Smith, of St. John, N.B., editor of *The Palm Branch*, was introduced to the meeting, and several delegates spoke in high appreciation of the paper.

The resignation of Miss S. Hart (now Mrs. Spencer) was received and a report of the work done during furlough. Miss Hart had addressed sixty-four public meetings and several Mission Bands. The following was carried by a standing vote: "That we extend our congratulations to Mrs. Spencer on her marriage, and assure her that we shall follow her course as a minister's wife with deep interest, and with strong desire that she may be as successful a worker as during her term of service in our W. M. S."

After some discussion on Dr. Gifford's marriage, the following resolutions were passed:

*Resolved*,—That this Board, while not approving of Dr. Gifford's hasty action in marrying before receiving the decision of the Executive, confirms the action of the Executive in consenting to her marriage and in continuing her on our roll of missionaries; that we reaffirm the grant of \$300 for the current year.

*Resolved*,—That the granting of permission by the Executive to Dr. Gifford to be married does not cancel clause No. 3 of "Requirements for Missionary Candidates."

*Resolved*,—That we accept the proposition of Dr. Hart that we meet the expenses incurred in connection with carrying on women's medical work in Chentu, but that after this year we will not be responsible for Mrs. Kilborn's salary.

*Resolved*,—That the Executive be authorized to send to China, during the year, a medical missionary, a nurse and a teacher.

*Resolved*,—That Miss Ford be sent to China as soon as practica-

ble. [Miss Ford sailed from Vancouver for China on December 10th.]

*Resolved*,—That \$1,500 (in addition to the appropriation) be at the disposal of the Executive for buildings in China, if required.

The report of the Committee on Indian Affairs, presented by Mrs. Burns, was adopted. It recommended:

That the British Columbia Branch of the Woman's Missionary Society petition the Provincial Government to urge the Dominion Government to provide for Indian women legal protection from the demoralizing treatment to which they are subjected.

That the British Columbia Branch procure from the Conference authorities their written approval of the opening of new Indian homes at certain places, that the Committee may petition the Dominion Government for an appropriation for building and maintenance.

That the British Columbia Branch petition the Provincial Government for a grant towards the support of the Chinese Home in Victoria

That no children having contagious diseases, or those with impaired intellects, be admitted into homes receiving aid from this Society.

That when the Indian parents are able to pay towards the education of their children they be required to do so.

Instead of having the usual committees appointed, it was decided to do all the committee work, except that of the Candidates Committee, as last year, in a business session of the whole. Memorials and communications were presented, and the following resolutions were carried:

That a larger space be asked for in the *Guardian*, and that it be used to give missionary information instead of long auxiliary reports.

That the names of auxiliary members be printed in the annual report, and that the price of the report be 10 cents.

That the list of auxiliaries be printed in districts and the statistical tables in alphabetical order.

That no change be made in the date of closing the financial year.

That auxiliary members' names be counted where they have lived the greater part of the year, and where they have paid their fees.

That the price of *The Palm Branch* be 10 cents a copy in clubs of ten; single copies, 15 cents.

That the Literature and Publication Committee issue postal cards for Mission Band quarterly and annual reports, similar to those in use in the Western Branch.

That the Scattered Helpers' Scheme be more faithfully worked.

That the basis of representation for Mission Bands at the Branch Annual Meetings be made broader.

That a Committee be appointed to confer with the Executive of the Young People's Association, and formulate a basis of representation to meet the requirements of Bands and Leagues.

That Dr. Bolton's request for an assistant nurse for the Port Simpson Hospital be granted, the nurse to be chosen by Dr. Bolton and the Executive Committee. [Miss Emily Laurence, of Victoria, B.C., has been engaged as assistant nurse.]

That the Committee on Indian Affairs consider the establishing of new homes for Indian children in British Columbia and report to the Executive, and that the Executive make the necessary appropriation.

The Council in Japan recommended :

1. That as they have not been able to open work in Nagano there be no appropriation for that place. This was accepted.

2. That owing to the favorable rate of exchange the salaries of the missionaries be correspondingly lowered. This was not approved, the rate of exchange being variable.

The work in Japan received much careful consideration, the final decision being to leave the matter in the hands of a Special Committee to meet with a Committee from the General Society and look fully into all phases of the work.

The Executive was authorized to send a teacher of vocal music to Japan during the year.

The Committee on Candidates—viz., the officers of the Society and Mesdames Dixon, Fowler, Gayfer, Phelps, Jackson, Briggs, Ogden, Langford, Platt, T. G. Williams, Hughes, Bigelow, J. W. Smith, Whiston, Bolton, and Misses Wiswall, Smith and Stewart—had considered the application of two ladies, but did not recommend their acceptance.

The form of health certificate for missionaries prepared by Dr. Eccles, of London, was accepted. Dr. Eccles recommended that a medical referee be appointed, to whom the certificates shall be sent for final decision.

It was decided that Miss Caldwell should remain at Port Simpson.

The Executive was authorized to provide for any more children that may be admitted to the Port Simpson Home during the year.

A letter was received from the Secretary of the National Council of Women inviting the Society to affiliate with the Council. After some discussion, it was decided not to affiliate with the Council. The following resolution was carried :

"While it is not deemed expedient for the Woman's Missionary Society to affiliate with the National Council of the Women of Canada, yet, as a part of the Christian womanhood of our Dominion, we express our appreciation of Lady Aberdeen's true womanly influence, and that the wife of our Governor-General so beautifully exemplifies Tennyson's words, 'Kind hearts are more than coronets.'"

A letter was received from Mrs. E. T. Pritchard, of the National W. C. T. U., urging the formation of a department of "Systematic Giving." Owing to lack of time for its consideration no action was taken.

A by-law was adopted providing that the funds of the Society shall always be deposited in a chartered bank. (See By-law No. 10.)

Before the election of officers for the ensuing year, a few moments were spent in silent prayer, after which the meeting was led in prayer by Mrs. J. A. Williams, and the election was proceeded with by ballot, resulting in the re-election of the former officers, viz.:

<i>President,</i>	- -	Mrs. James Gooderham, Toronto.
<i>Vice-President,</i>	- -	Mrs. (Dr.) Carman, Belleville.
<i>Recording Secretary,</i>	-	Mrs. (Dr.) J. B. Willmott, Toronto.

- French Work—Mrs. Torrance.
- China—Miss Brackbill.

Mr. G. P. McKay was appointed Auditor, and thanked for his services in this capacity last year.

Miss Marcella Wilkes was requested to act as Auditor for the Literature and Publication Department.

Notices of motion :

Whereas, through overwork or change of climate, our missionaries are liable to become permanently laid aside,

*Resolved*,—That a Superannuation Fund be formed for their benefit, the plan suggested being that one cent per month be contributed by members of Auxiliaries. (This will be brought before the Auxiliaries.)

That By-law No. 10 be changed to allow only one delegate to be sent from each Auxiliary to the Branch Annual Meeting.

That Article 5 of Constitution be changed to read : "Delegates from each Branch in the proportion of one to every *six* hundred members," etc.

That where there are two Bands, neither having a large enough membership to be entitled to send a delegate to Branch meeting, they be allowed to unitedly send one delegate.

The thanks of the Board were tendered to the pastor, trustees and choir of the Church, for their assistance so kindly and cheerfully given ; to Miss Kerr, for her faithfulness in attending to postal matter ; but, above all, to the kind hostesses who spared no pains to make their guests enjoy their visit to hospitable Cobourg.

The Committee on Courtesies presented the following greeting to our missionaries :

*To the Thirty-two Missionaries of the W. M. S. "which are scattered abroad, greeting":*

We, the members of the Board of Managers, desire to express our high appreciation of your "labors more abundant" on the mission field. We have watched with intense interest every step of your way, noting the nobility of action displayed, the self-denying devotion manifested and the heroic courage shown by you in overcoming difficulties to human eye insurmountable. But thanks be unto God, which hath given you the victory through our Lord Jesus Christ. We extend to you our heartfelt sympathy in the severing of every home tie and in the complete isolation from the old life in the dear home land, which was so replete with sanctuary privileges and early friendships, and in entering upon this new life, with its many

privations, its arduous toil and its intense longings; but we call to your remembrance that

“He who hath never a conflict hath never a victor’s palm,  
And only the toilers know the sweetness of rest and calm.”

As we sympathize with you in your daily conflicts and trials, so we rejoice with you in every triumph and success, and we assure you that our earnest prayers will continue to ascend to our Father, and your Father, that His benediction and richest blessing may follow you in your work of faith and labor of love.

Finally, beloved workers, we greet you with this salutation and prayer :

“The Lord bless thee and keep thee;  
The Lord make His face to shine upon thee and be gracious unto thee;  
The Lord lift up His countenance upon thee and give thee peace.”

On Tuesday evening the ladies of the two Cobourg Auxiliaries tendered a reception and tea to the delegates, after which a public meeting was held—the pastor, Rev. T. W. Jolliffe, B.C.L., presiding. An address of welcome was given by Miss Brooking, and responded to by Mrs. (Dr.) Bolton, of Port Simpson. Greetings from the Presbyterian Woman’s Foreign Missionary Society were presented by Mrs. McMachton. The report of the Corresponding Secretary was read by Mrs. Strachan, and addresses, replete with interesting information, were given by Misses Hargrave, Blackmore and Nellie Hart, our missionaries recently returned from Japan.

On Thursday evening the prayer-meeting of the King Street Church was withdrawn that the members of that church might join with those of the Division Street Church in the Thanksgiving and Memorial Service of the Board, which was led by Mrs. Whiston. A tender and loving tribute to the memory of our departed sister, Miss Hannah Lund, was read by Mrs. Jackson, of Caledonia, and an hour was profitably spent in testimony and consecration.

The motto for the year was not changed. Read Mal. iii. 10; Matt. ix. 37, 38.

Invitations for next annual meeting are to be sent to the Executive.

## PRESIDENT'S ADDRESS.

DEARLY-BELOVED SISTERS,—There is much cause for gratitude and praise to God for His goodness to us through the labors of another year. The prosperity which has attended the efforts made in the various departments has been remarkable, and should be an inspiration to faith and hope as well as an incentive to greater fidelity for the future in the interests of this Society.

“Not to our names, thou only just and true,  
Not to our worthless names is glory due ;  
Thy power and grace, thy truth and justice claim  
Immortal honors to thy sovereign name.”

The past year has not been free from anxieties and perplexities ; these seem to be the common lot of societies as well as individuals. “Now no chastening for the present seemeth to be joyous, but grievous, nevertheless afterward it yieldeth the peaceable fruits of righteousness unto them which are exercised thereby.”

For the first time we have the sad duty to perform of recording the departure of one of our beloved missionaries. Early in March last, Miss Hannah Lund, after five years of faithful service in the foreign field and more than one year at home on furlough, fell asleep in Jesus. She was highly esteemed and loved for her own and for her work's sake, and was a successful missionary. “Blessed are the dead who die in the Lord, for they rest from their labors and their works do follow them.” But we shall hear further of the labors of our departed friend at the memorial service.

Miss Dingman, who had been appointed to Port Simpson, suddenly entered into rest before the intelligence of her appointment had reached her. These deaths were unexpected, and lead us to inquire who will accept the challenge which these removals throw down—who will fill up the ranks in the place of those who are gone ?

There is good reason for believing that the subject of Christian missions is occupying the attention of the Church more and more every year. A deeper and more abiding sense of personal responsibility is perceptible, and the obligation to maintain and extend the missionary enterprise is more generally acknowledged. The necessity for increased spiritual power at home and on the mission fields is also realized. “Not by might nor by power, but by my Spirit, saith the Lord of Hosts.” Possibly we are in danger of fixing a higher standard for Christian living for those on the mission fields than we do for ourselves at home, where the conditions for maintaining spiritual life are more favorable because of our Christian civilization,

Christian ordinances, public and social means of grace, and the manifold environments of Christian homes and institutions. Foreign missionaries especially are exposed to numerous and subtle forms of temptation, occupied with the temporalities of mission work, eager, almost impatient to begin real mission work, and speak to the people in their own tongue "the wonderful works of God;" they find themselves confronted by such barriers as false faiths, hostile and hoary with age, as well as the depressing influences of superstition and idolatry. I listened to the testimony of many experienced missionaries at the last Student-Volunteer Convention in support of this statement. Dr. Hudson Taylor and others confessed that they were never in such peril of losing their hold on spiritual verities as when they were on the mission field. This information made a deep impression on my mind and led me to the conclusion that the request coming from our missionaries, "pray for us," has greater significance than we are apt to attach to it, and deserves more than a passing consideration.

A wide door of usefulness is open to the Christian women of this generation. Not a few have recognized the truth that "we are created anew in Christ Jesus unto good works, that we should walk in them;" but some are "at ease in Zion," others limit their activities to local church and benevolent enterprises, and stand aloof from our Woman's Missionary Society. The command, "Go, teach all nations," finds little response in their hearts. Whatever causes this indifference, we are concerned to have all the prejudices and stumbling-blocks removed out of the way, so that all may participate in the endeavor to send the Gospel into "the regions beyond." Something has been accomplished by circulating missionary facts, and a little has been undertaken preparatory to the establishing of Missionary Lending Libraries, believing that many would contribute to such an object as would help to arouse the slumbering members of the Church to a sense of the spiritual destitution of the majority of the human race.

Medical missionaries, especially women, will be in greater demand as the need is realized. The appeals from Mrs. Isabella Bird Bishop, after four years in Asia, where she witnessed the sorrows, seclusion, superstition and ignorance of the women, will not be in vain. The terrible facts published in *Murdered Millions* cannot pass unheeded. So long as the average in heathen lands is one skilled physician to three millions of people, so long the Saviour's words must have some bearing upon their case: "I was sick, and ye visited me not." Young persons having no definite purpose in life may well inquire, Does not the path of duty point in this direction? And is there not a voice speaking to the missionary societies of this day, "Go not only to those who need you, but to those who need you most."

The war in the Orient will probably be the means of throwing the doors open wider to Western civilization. Will the Church prove herself equal to her opportunity and send the heralds of the Cross in as large numbers as the need demands, so that the advance of the kingdom of Christ will be more rapid than hitherto? In the words and spirit of Carey, "Expect great things from God, and attempt great things for God."

The excellent report of our work, prepared and read by the Corresponding Secretary at the General Conference, was called for at an early hour in the morning before all the members had taken their seats, and when very few visitors were present. The Conference ordered the report to be sent to the Committee on Missions, and it was recommended to be published in the General Conference Journal.

A good deal of anxiety was expressed by some persons lest the legislation of the General Conference would affect the freedom of the Woman's Missionary Society on some lines of work; the liberty of our Society was not restricted, but wise measures were adopted to conserve the resources of the Church, and prevent the waste resulting from divided interests. Kindly reference was made by members of the Conference to the excellency of the methods in use by the Woman's Missionary Society. Special allusion was made to the prominence given to prayer in the monthly meetings, the circulation of missionary literature, and the training of the young in missionary zeal and enthusiasm, as the best means of providing for a Missionary Church in the future. I embrace this opportunity to acknowledge the graceful references to our distinctive methods of work, and to express the hope that the action of the Conference in ordering the appointment of a Missionary Lord's Day and a monthly prayer service for missions will result in showers of spiritual blessings and liberal gifts for the extension of the Redeemer's kingdom. May the spirit of prayer be given to the Church for the laborers necessary to cultivate the fields and "gather in the sheaves," in obedience to the Divine command!

"O fill thy Church with faith and power!  
Bid the long night of weeping cease;  
To groaning nations haste the hour  
Of life and freedom, light and peace."

We welcome to-day, to the privileges and responsibilities of this Board meeting, a delegate from our most distant Branch. Mrs. Bolton is not only a delegate from the British Columbia Branch, but she is also the wife of a medical missionary to the Indians in that Province, and she can tell us something concerning the mission field as well as of the work of the Branch.

We have several members of the Japan Mission with us. The names of the Misses Nellie and Lizzie Hart, the Misses Hargrave and Blackmore, have been household words for five years, while they

have been laboring in the foreign field. It is not difficult for me to recall the circumstances of my last interview with these missionaries, when I bade them farewell on the mountains in Karaigana. If I ever entertained sentimental dreamings of the romance of Foreign Missions they received a great shock, and they were effectually corrected and forever dissipated by my experiences to and from that summer resort. "Iron sharpeneth iron, so a man sharpeneth the countenance of his friend." May we not hope that the delegate and visitors from the mission fields will derive all the inspiration, pleasure and profit from this gathering of Christian women which they anticipated. "We are laborers together with God." "So then, neither is he that planteth anything, neither He that watereth; but God that giveth the increase." "Power belongeth unto God."

Our duty is to stand at the post where He has stationed us. If we become discouraged, is it not because we trusted in human power rather than in God's omnipotence? Temptations of a peculiar form assail the active Christian worker, and we must needs feed upon Christ as well as abide in Him, or we will suffer loss.

Let us "walk worthy of the vocation wherewith we are called, with all lowliness and meekness, with long-suffering, forbearing one another in love, endeavoring to keep the unity of the Spirit in the bond of peace."

"Go, labor on, 'tis not for naught,  
Thy earthly loss is heavenly gain;  
Men heed thee, love thee, praise thee not;  
The Master praises; What are men?"

S. K. GOODERHAM.

### THIRTEENTH ANNUAL REPORT OF THE CORRESPONDING SECRETARY.

Another year, with its planning and working, its praying and trusting, its receiving and bestowing, having its anxieties and encouragements, but, above all, its abounding reasons for thanksgiving, brings us to our thirteenth anniversary.

Humility and adoration become us as we review what God has wrought through our feeble efforts.

In spite of prevailing depression, we are permitted to record advance, both in numbers and income, and we hope this has now become an established custom, never to be reversed.

As the women of our Church awaken more fully to their grand opportunities and responsibilities in regard to their heathen sisters, they will surely hasten to unite their efforts in bringing them to Jesus for His healing, saving touch.

Detailed reports from each of our fields will be presented, so that a mere outline need now be given.

## JAPAN.

In Japan there has been continued, steady, faithful seed-sowing and cultivation; some precious fruit has also been gathered, souls having been converted and received into the Church. A very marked feature has been the training and development of Japanese Christian workers, several of whom are giving grand service, not only as assistants or interpreters, but as personally responsible for the conducting of meetings, visiting the sick and in other ways of usefulness. A native pastor remarked, "I do not know how it is done, but you ladies have the faculty of turning out fine workers." We rejoice very much in this that success has crowned these faithful efforts to produce *character* such as shall be true, reliable and helpful when no eye is watching and instructors are far away.

Our indefatigable missionaries, watching the openings of Providence, have been permitted in many places to open little Sunday Schools among neglected children, leading, in some cases, to meetings for the mothers, thus adding to the membership of the Church.

Orphanages also, in a humble way and at small expense, have been opened during the year in Tokyo and Kanazawa, giving shelter and instruction to twenty-two needy ones.

The three boarding schools in Tokyo, Shizuoka and Kofu continue in efficiency, and with slightly-increased numbers. More than two-thirds of the pupils are Christians, enjoying the class and prayer-meeting, also the Bible lessons, from which they gather truth to distribute to others.

Many of them are also banded together as King's Daughters, who support a school for poor children in Tokyo, the average attendance of which is forty-two, and who give a certain time each day in special work for others less favored than themselves.

Not only are they showing charity at home, but one-tenth of their scanty earnings and savings are contributed towards sending the Gospel to distant West China.

In Kanazawa we have two day schools for poor children and one small orphanage. Industrial classes have also been formed, in order to reach a very desirable and needy class. Continuance in this line of work may depend largely on the practical support given it in Canada.

In addition to the work of the schools, there is that more especially (though not more truly) called *evangelistic*—the instruction of the women in meetings, either in the churches or in private houses, the visits made by the missionaries or by the Bible-women, of whom there are twelve. Besides these there are several well-trained assistants, graduates from the school in Tokyo, who are now grandly and joyously giving out what they have received, twenty workers going out each Sunday from the Azabu School alone and reaching two

hundred women and children. During the past summer's vacation only two of the supported girls remained in the school, the others being sent with schoolmates to the different villages and towns to do evangelistic work among the women and children.

In temperance lines, also, influences have been set in motion which already have had very encouraging results.

Four of our missionaries from Japan (Misses Hargrave, N. G. Hart, L. Hart and Blackmore) have this year returned on furlough, which was well merited and greatly needed.

Misses Munro and Preston have gone back to their loved work, accompanied by Miss Belton and Miss Lambly, who are just entering upon their life in a foreign field.

In connection with Japan we have the sad duty of recording the death of Miss Hannah Lund, of Woodstock, Ontario, the first one of our loved missionaries called home to her reward. After five years of earnest, faithful and successful labor among the women of Tokyo, she returned to Canada for rest and recuperation; but it was said to her, "It is enough, come up higher," and leaving her testimony of conscious, blissful abiding in Christ, she has gone to be "forever with the Lord."

#### FRENCH.

Seventy-nine pupils have been registered in the French Institute, Montreal, of whom thirty-two were girls. Of the total, twenty-five were from Roman Catholic homes.

Advance in studies, improvement in deportment and spiritual growth are the glad record. Several conversions took place during the session, and much good is being accomplished through the faithful labors of the professors and teachers.

Two day schools have been carried on in Montreal for very poor children, sometimes amidst great difficulty and discouragement, yet it is believed much good has resulted, and also from the visits of two Bible-women. Financial aid has been given to two schools in the country.

#### INDIAN WORK.

In our Home at Port Simpson, B.C., there are about thirty Indian girls who are progressing in their studies, and many of them giving evidence of their faith in the Lord Jesus. Some have been removed during the year owing to the opening of a school in the neighborhood of their homes; one has been married and two have been called away, we trust, to the better land.

In Dr. Bolton's Hospital, Miss Spence has given valuable and exhausting service in the care of the sick.

At Chilliwack, on the Fraser, the event of the year was the taking possession on February 9th of the new and commodious Institute, erected and maintained jointly by the General Missionary Society and the Woman's Missionary Society. Seventy-three children are now in residence, with a prospect of more being admitted.

## CHINESE HOME.

VICTORIA, B.C.

There is but little to chronicle during the year in this field except "patient continuance in well-doing," with considerable affliction in the case of one or two in the Home; but the grace of God has been found sufficient both by teachers and pupils.

There are now eleven in the Home. The seed cast "upon the waters" in the visits made through Chinatown will, no doubt, be found "after many days."

It is very gratifying to record the entrance upon District Missionary work of one who for some years has had the shelter and culture of the Home. Having married Chue Tong Tom, Gertie and her husband have been sent by the parent society to Nanaimo, where they are striving to lead their countrymen to the Saviour of the world.

## CHINA.

Our two representatives to West China, after a tedious river journey of over five months, during which they were shipwrecked, suffering considerable loss and discomfort, reached the city of Chentu early in March, and received a most hearty welcome from the missionaries of our Church already stationed there.

Their time has been spent principally in study and preparation for future work.

Meantime our Medical Missionary, Dr. Gifford, has married Dr. Kilborn.

Although a Hospital is not yet provided, an estimable young woman has been secured, well trained as a nurse, who is only waiting a safe and suitable opportunity of proceeding.

## NEWFOUNDLAND.

A grant from this Society to the Methodist Orphanage, St. John's, Newfoundland, has been very cordially acknowledged by its Directors and assurances given of the substantial good accomplished by this Institution.

## SUPPLY COMMITTEE.

In addition to the more direct work of spreading the Gospel, our Society, through its Supply Committee, has ministered to the material comfort of numerous needy ones in our Domestic and Indian missions, distributing goods to the value of \$3,000, thus gladdening the heart of missionaries and their flocks in many lonely stations of our own land.

The Literature and Publication Committee has done much to arouse and maintain the interest of our members, issuing thousands of leaflets and publishing each month letters from our missionaries,

thus keeping us in close touch with them, and stimulating prayer in behalf of the various needs arising.

Our Auxiliaries have done much towards increasing the circulation of *The Missionary Outlook*, a good portion of which has been allotted to the use of our Society. Both departments in this periodical furnish desirable information that our people may be intelligent as to the work of the General Society and the Woman's Missionary Society, the one being incomplete without the other.

The missionaries representing us now number thirty-two. Of these sixteen are stationed in Japan (five of whom are in Canada on furlough), seven are in the Indian work in British Columbia, two among the Chinese in British Columbia, five among the French in Montreal and two in China.

A summary merely has been given of the operations of this Society. Details occasionally reach us of lives more or less remote from our pupils, who through them hear the truth, perhaps for the first time, and with obedient hearts, seeking to learn more, are led into the blessed experience of the children of God.

We rejoice in the privilege of thus having any part in hastening the day when "all shall know the Lord."

The following is a numerical statement of the Society's standing:

ENTERED INTO REST:

Miss Hannah Lund—Mission Field, Tokyo, Japan. Died at Woodstock, Ont., March 18th, 1894.

IN MEMORIAM.

(Written by Mrs. T. W. JACKSON, Caledonia, by request of the Board.)

MISS HANNAH LUND.

Having received the last communication written by our late beloved missionary, Miss Lund, I wish to add this humble tribute to the memory of one whom to know was to love. Miss Lund was born in the township of East Oxford, and though she had travelled several thousand miles in the interim was laid to rest at Zion Cemetery, within a mile of where she was born. She was converted very early in life, no particular circumstance marking definitely the time or place. She united with the Church at eleven years of age under the ministry of Rev. Shem Blanshard. Our acquaintanceship was formed in 1874 when my husband became pastor of the Oxford Centre Circuit. It was my privilege to be Miss Lund's S. S. teacher for a short time. She was then a bright, clever, thoughtful Christian girl, with an insatiable thirst for education, every opportunity being eagerly seized upon by her for self-improvement, and thus she developed into a beautiful womanhood.

When we learned that she had given herself to our Society for Japan, we could but rejoice and thank our Heavenly Father for the choice which she had made, knowing how eminently she was fitted, both by natural ability and divine grace, to labor for Him to whom her life was fully consecrated. Just here we give an extract from her diary. "Father, take Thou 1888 and help me to consecrate each day, each hour, each minute to Thy service. May I never forget that Thou hast said, 'If any man lack wisdom let him ask of God that giveth to all men liberally, and upbraideth not, and it shall be given him,' and oh, help me to ask in faith, nothing doubting. Father, I commit the year's study to Thy guidance. Help me in the study of it, and may that very study draw me daily nearer to Thee, who hast bought me with a price. Father, help me to let my 'light shine,' and may I never let an opportunity of speaking the 'Word' in season pass by unimproved. Each day may I know that I am only a 'worker together with Him,' and, Father, may it be my greatest joy 'To tell the story, to show the glory, when Christ's saints enter in.' And, Father, help me to pray unceasingly, and may each task be done as unto Thee, not as mere routine. May this year make me a purer, truer, more Christ-like Christian, is my strongest cry. Amen."

Nov. 20th. "The flame shall not hurt thee; I only design thy dross to consume and thy gold to refine." God sends little troubles

to purify us, and make us clean and fit for His presence when He shall come to us with the "Come up higher! Amen." These are but samples of those passages throughout her entire journal that breathe the true spirit of zeal and consecration. When in the foreign field we read her letters with the deepest interest. The last two years in Japan she was able to speak and sing in the native language. Again and again she said "I thank God for the gift of song; it was such a power for good among them." She was engaged in the evangelistic department, and was "in labors more abundant." Our acquaintanceship was again renewed when the Hamilton District Convention was held in Caledonia one year ago last January. Miss Lund was our guest for several days. Her stay was a benediction, a feast of spiritual things, for she was dwelling in the secret of His presence. We heard from her frequently during the year, and last January we were again privileged with her presence in our Home for two weeks. We shall never forget those weeks while memory lasts; they were seasons of refreshing. She was like a beam of sunshine, a ministering angel, just waiting the bidding of the King. While with us one Sunday evening she addressed a large and appreciative audience, who listened with most intense interest to her helpful and inspiring words, little dreaming it was her last message to them. While speaking her face was illuminated with that holy joy which comes through abiding in Christ; yes, resting in Him whom she loved better than life. Her chief aim was to please the Master and live to win souls for Him. Her last letter told of the peace and joy within. It was full of the "Great Student Missionary Convention," which she had been privileged to attend at Detroit. On Sunday, March 11th, she attended public worship in Woodstock, but during Dr. Briggs' sermon in the morning was compelled to retire through illness. That was the last sermon she ever heard, and which she referred to on her death-bed as proving a source of great comfort. At the Students' Convention much was said about "abiding in Christ." This phrase sank deeply into her heart, so that, when free from delirium, she would whisper, "it's all right; abiding in Christ." She got a new glimpse of the King in His beauty, and the following Sabbath she was not, for He had said, "Faithful servant, well done; enter into my joy and sit down on my throne." Thus has fallen one of our most faithful, successful and consecrated workers; the influence of her holy life we feel, and it will reach into eternity. She is now in the immediate presence of the King, wearing Jesus' star-crown, wondrous bright. Could she speak to us, this would be the message:

Work, for time is flying;  
 Work with hearts sincere;  
 Work, for souls are dying;  
 Work, for night is near.

### REPORT OF THE LITERATURE COMMITTEE.

This Committee has met at Room 20 thirty-eight times. The arrangement of the Monthly Letter from manuscript, sent by Mrs. Strachan, is its first business. One member, Miss McCallum, has prepared the suggested programmes, which we know have been a great boon to President's and Programme Committees.

A Calendar for 1894, prepared by Mrs. Walker, of Glencoe, Western Branch, was published by the Committee, and one thousand copies readily disposed of.

Mrs. Dickson's "Appeal to the Women of the Methodist Church" was, by order of the General Branch, added to the list of free leaflets, and "Christian Giving," which has always been received free, was placed on paid list, because the Committee considered the author had already been sufficiently generous. Our work series has received additions as follows: No. 3, "Our Work in Japan;" No. 4, "Medical Work," by Miss S. E. Smith, with supplement "Dr. Bolton's Medical Work at Port Simpson," written by Mrs. Dickson; No. 5, "Manners and Customs of Port Simpson Indians," by Rev. D. Jennings, of Port Essington, B.C.; "Methods of Work for Circles and Bands," by Mrs. B. Dickson Daly; "Helps Over Hard Places" has been revised by its author, Mrs. McMechan. Hundreds of sample leaflets have been read by the Committee, and nothing is placed on the list without careful consideration.

A new chapter has been added to "Why Are We Protestants?" by its author, Mrs. John Ross, and a second edition issued. "Duties of Auxiliary Officers" has been revised, and Scattered Helpers' Card put in a more attractive form.

Cotton maps of British Columbia, Japan and China, so essential in the study of these countries, may be rented for 25 cents each, the Committee paying postage one way. They must be carefully wrapped up and returned the day after using.

Formerly the Annual Reports were sent out from the Book Room; this year they were mailed from Room 20, effecting a saving

of \$11.00. By taking a larger quantity of pyramid mite-boxes at one time, a saving of \$20.00 was gained. Two thousand five hundred and sixty-seven parcels have been mailed from Room 20, and letters and post cards without number.

*Palm Branch* has been ably edited by Miss S. E. Smith, of St. John, N.B., and printed there, subscriptions passing through Room 20. It has reached a circulation of 1,407 copies.

## REPORT OF THE SUPPLY COMMITTEE.

The confidence which we felt and expressed last year in the generosity of our Auxiliaries and Mission Bands was not misplaced. Each year is better than the last, not only in the increasing value of the gifts, but for the greater number who are engaged in this work of love. Words fail to express how helpful these gifts are, and what comfort and cheer is dispensed by them. If we could only see for ourselves the deep gratitude upon the faces of the recipients, we would all feel amply repaid for any act of self-sacrifice or trouble in preparation.

One of our valued workers in writing to your Secretary said: "How nice it is that in our loved work there are so many ways of helping—that even an old lady can serve with her needle and thread, the little child with its pennies, and we, busy housekeepers, with what time and talent we have to spare, and ladies in prominent positions

of influence and power; all working together with our dear girls who consecrate their lives. If each does what she can, we shall hear the Master's 'Well done' at the last."

This year we rejoice in the knowledge of the great help we have been able to give to many missionaries' families. It had come to our knowledge that in some homes in the North-West the winter was likely to be a very trying one, because of the scarcity of money and the high prices which prevail in that part of the country, where, for want of a sufficient quantity of bedding, on cold nights, with the thermometer 30° below zero, rugs, overcoats and all other clothing were piled upon the beds.

The members of this Committee had visions of the joy and comfort that they could bestow upon the brethren by carefully-prepared cases of goods as Xmas gifts. With that end in view they became active in their canvassing for contributions, with a result which far exceeded their anticipations, and not only filled their hearts with joy, but brought happiness and comfort to homes that otherwise would have suffered for want of such necessaries. Let me tell you of one of the homes which received a magnificent box of presents.

In it there were seven children, just recovered from an attack of measles, all down at once, and the father laid up with a severe attack of la grippe. Everything looked dark to them when a letter from your Secretary arrived asking if a box of supplies would be acceptable; the offer was most thankfully received.

Some days later the children asked if Santa Claus was to visit them; the answer was "Yes, but, as he was coming from the E., he might be a little late." To their surprise on the Saturday before Xmas the case was landed at their front door. The windows being frosted, one little girl was peeping out and she espied it, and soon the cry was heard, "Santa had come."

The smaller members of the family expected to see Santa jump out of the box when the coverings were taken off.

The unpacking was postponed until the children had been put to bed. The father and mother cannot tell how thankful they felt when one article after another came out to view. Not one article was out of line with their wants; the case contained the very articles they needed. Things were left untouched till Monday, with the exception of several articles of underclothing so badly needed by two or three of the little ones that on Sunday morning the wants were supplied, and their hearts filled with gratitude to see the dear little ones warmly clad.

The scene on Xmas morning when the children came down could not adequately be described by the writer; beautiful warm clothing for each member of the family, and books and dolls in addition for the children. The mother appreciated the gifts more than anyone, as on her devolves the responsibility of making a little go a long way;

so you will not wonder that she shed many tears of gratitude over the welcome box sent "in His name" by loving, sympathizing hearts of our dear sisters of the Woman's Missionary Society.

The Chairman of another District writes: "One cold, blustery day in December we heard the creaking grind of a heavy sleigh as it crushed its way through frozen snow up to the parsonage door. In a few minutes the two cases so kindly sent by the Woman's Missionary Society were in the house. No time was wasted in speculation as to contents, but the lids were pried off and the opening was a constant surprise. Things new and useful in abundance greeted our vision. My wife and I spent most of two days dividing up the varied contents for the ministers, their wives and children, nor were the young men forgotten, and all were made more comfortable and better able to resist the sharp attacks of King Frost. Everything—clothing, books, papers, boots, hats, even the dolls and candies—made somebody glad. My district is large, and the brethren warmly appreciate the kind and ample generosity of the Supply Committee, for such evidences of love warm our hearts as well as our bodies, and we feel that God's hand had not only led us but also led you in the choice of the very things that were needed."

I must not take up more of your time in recounting other instances in which our help seemed to be God-given. Suffice it to say that, in many hearts and homes in the North-West and in Ontario, blessings and prayers have been poured out on the Supply Committee of the Woman's Missionary Society. Nearly 150 Auxiliaries and Mission Bands have aided in this benevolent work during the year, and the aggregate value of the contributions has been nearly \$3,000. The Indian Department has refunded to Auxiliaries the sum of \$19.87, which had been paid on freight to Indian Missions in the North-West. †

With renewed confidence in the various branches of our Society we look forward to a happy and busy year.

The following places received gifts of clothing and bedding:

McDOUGALL ORPHANAGE—Received a box of clothing made by members of the Epworth League, Winchester, valued at \$25.00; from Newmarket, goods valued at \$44.50; W. H. Doel, Esq., sent \$10.00; Orphans' Friend, Iowa, \$5.00; parcel of cotton and print, from Hamilton, per Mrs. (Dr.) Rosebrugh; \$18.00 worth of cotton print and hats from P. E. I. ## REPORTS FROM MISSIONS.

### THE JAPAN WORK.

The seventh Annual Meeting of the Japan Council of the Woman's Missionary Society was held in Karuizawa, July 10th, 1894. The following members were present: Mrs. Large, Misses N. G. Hart, Blackmore, Robertson, Cartmell, Veazey, Alexander, Cunningham and Crombie.

The devotional exercises were led by Mrs. Large. Owing to Miss L. Hart having returned home, her place as Recording Secretary was filled by Miss Robertson.

Reports from the Branches were received as follows:

#### TOKYO BRANCH.

*School.*—The year has been full of encouragement, and we are truly thankful to our Heavenly Father for the rich blessings which have come from His hand.

There have been eight baptisms, the tinsmith and man-servant being two; the latter has shown a marked change in every way since his baptism. In our December report we spoke about the girl whom God wonderfully restored to health; her brother has been baptized and desires to enter the ministry.

The attendance has averaged seventy-three. Two students graduated at Christmas, both of whom are earnest Christians.

Twenty workers go out from the school each Sunday, reaching over 200 women and children.

The Sunday Schools of Azabu District, in charge of our girls, have had an average attendance of ninety-five.

The Wednesday Normal Class has increased in interest and benefit to our workers. They are growing steadily and surely in the wisdom and knowledge of Christ.

The King's Daughters' School has had an average attendance of forty-two. The running expenses are met by the King's Daughters' Society; each member gives fifteen minutes a day to special work, by which she can make money for the society. They have undertaken to support a little girl in the "Orphanage." One-tenth of their earnings is given to the mission work in China; it amounted this year to \$4.75. The love of reading good, pure literature has greatly increased. There are so many who understand English that we have found it very difficult to supply sufficient books. No books are put into their hands without our knowing the contents.

Once a month we have had educationalists from outside to lecture before our Literary Society upon subjects which have helped to broaden and develop the girls.

The receipts received from the Industrial Department are yen 87.66 ; expenditure, 96.54. With the stock on hand and the work sent to Canada, there will be a profit of about yen 50. Six girls will graduate from this department at the close of this year.

Thirty pupils are being supported in the school, either by the Woman's Missionary Society or private contribution. During the summer vacation, only two of the supported girls will remain in the school, the others being sent with schoolmates to the different villages and towns to do evangelistic work among the women and children. The girls seem so anxious to do all they can to further Christ's kingdom, and our hearts rejoice to know that laborers are being raised up to carry on His work in this land.

*Evangelistic.*—We began work in September with nine Bible-women, in April they numbered ten. Miss Cartmell's work has been in Azabu, Ushigomi, Kakigara-cho and Kobiki-cho. Miss L. Hart's in Shitaya, Negishi, Komagomi and Koishikawa.

The Charity School at Shitaya has had an average attendance of twenty-two. Three hundred and twenty-five meetings have been held. The average attendance on week-days has been six women and six children ; on Sundays nine and twenty-nine children. Four thousand five hundred and sixty-three visits have been paid ; 6,545 people talked with, 365 of whom heard the Word for the first time. Seventeen have requested baptism.

The Monthly Workers' Meeting has been a great help to all. The year has been full of encouragement. The Father has caused His light to shine into some of the dark places, and some souls are nearer the light and more Christ-like because of the year's work.

*The Orphanage.*—Growth in the children and faithfulness in the matron have given great satisfaction to the Committee. God wonderfully opened our way to work among the soldiers. We feel that this departure from our work for women needs more space than can be allowed here ; suffice it to say that, where three months ago there were but three Christians and four total abstainers, there are now two desiring baptism, thirty daily readers of the Bible and about 150 pledged total abstainers.

Another department, that of Refuge for Incurables, has been forced upon us. Two have been cared for ; one, the mother of a child in the Orphanage, passed away a few days ago.

#### SHIZUOKA.

*School.*—During the year thirty-three names have been registered ; twenty-five are now in attendance.

The work of the year has been fairly successful. In the spring we

published a little pamphlet, setting forth the interior working and aim of our school; but so changed are the sentiments of the people that a school where no English or Bible lesson is taught is much preferred. Most of our pupils come from Christian homes and receive more or less pecuniary aid, their aim being to prepare themselves for future usefulness. We have only three girls now who have not been baptized.

Two pupils were graduated in Japanese and one in English. The latter's home being in Shizuoka she continues to attend the Saturday morning Bible-class, when all the girls engaged in Sunday School work meet to prepare the lesson. The other returned to the school to continue her English and strengthen her Christian character. Most of our senior girls have been self-supporting, and withdrew from the school after graduation.

The King's Daughters' Circle are really learning the true meaning of the name they bear.

A number of Japanese books have been added to the library. We hope to develop a taste for pure and excellent literature.

The Sunday School has been remarkably well attended, the number being as high as eighty one or two Sundays. Work was also opened among the parents; but during the last few months a change has come, another mission having opened a Sunday School very near, which has lessened our numbers.

*Evangelistic.*—Meetings have been held twice a month at six towns outside of Shizuoka, and lately two new places have been opened. These places have been visited by the Bible-woman. Several new houses have been entered and a few women have asked for baptism. She has asked permission to hold meetings in the homes, and a little band of faithful Christian women have always been ready to accompany her at such times. The women of the neighborhood have been invited in, and some came who heard of Christ for perhaps the first time, and gladly consented to her proposal to visit them in their homes. She has entered homes through calling to enquire about Sunday School children. There have been three baptisms in Shizuoka, and one woman who lives in Kanaya went to Shimada to receive baptism.

The evangelistic worker in charge visited six towns outside of Shizuoka twice a month for some months, until a passport was asked for. She had then to leave outside work to the Japanese and spend her time in work in Shizuoka. She now holds a weekly meeting alternately in two adjoining villages which can be reached by jinrikisha; visits regularly with the Bible-woman, teaches a class of young girls in the church Sunday School, and attends the women's meetings connected with the church. The work in the outside towns is carried on by our Japanese helpers from the Azabu School, the Bible-woman and one of our own senior students.

Three Sunday Schools are carried on by the pupils of the school,

at two of which the attendance has been very good. Probably not less than one thousand children in our Sunday Schools and various towns have received Christian instruction during the past year. The average attendance at the women's meetings has been very good.

Number of meetings held, 80; children's meetings, 49; average attendance at Sunday School, 89; number of visits paid, 1,047; new homes reached, 37; visits to seekers, 33; baptized as a result of Bible-woman's work, 4; candidates for baptism, 7; Bible-woman's meetings, 84.

Everywhere we meet with kindness from the pastors or evangelists in charge, who do what they can to help us. Every Monday evening a workers' meeting is held at our pastor's house, which we attend regularly, giving our reports with the others.

The year's work, in both school and evangelistic departments, has not been all we had hoped or could desire; but despite the "seeming" discouragements and much indifference, it has been a "good" year in many respects. We have realized our Father's presence among us, sustaining us when tried and smoothing the way in times of difficulty. We have tried to do our best; we give the year's work into His hands, and we know it will yield fruit in His own good time.

#### KOFU.

*School.*—We have thirty-seven enrolled. This year the majority come from Christian homes. Parents are awakening to a sense of duty to their children in this respect, and we feel the increase in our school marks the growth of practical Christianity amongst the Lord's people. Some have come to us from homes where the parents know enough of Christianity to be glad to give the training of their children into the hands of Christians; and others there are who neither know nor care about the religion we teach, but send their daughters to us solely for the advantage of a secular education. Whatever motive brings them to us we hope to see "all" members of Christ's kingdom and to send them out earnest workers in His vineyard.

The older girls are doing work in six little Sunday Schools under our care. The total average attendance at these schools has been 165. Early in June we were obliged to give up work in two schools owing to smallpox in the district. One of the women, hearing this, asked that we open a Sunday School in her house. We did so, and hope that in September we may have enough workers to carry on the seven schools.

Our prayer and class-meetings show that a deeper realization of what it means to be a Christian is growing in the hearts of our girls. We have twenty-four boarders; of these twenty attend class-meeting.

*Evangelistic.*—This has been a busy, happy year. Throughout the province a general interest in Christianity is manifested, very different

from the attitude of two years ago. The seed which was then sown perseveringly and faithfully in the midst of discouragements is beginning to take root. New doors are being opened. Early in January a woman's meeting was opened at the home of two sisters who were formerly pupils of the school. This is the only Christian service in that village. Another meeting has just been started in a village near us; this also is the only Christian service in that village. The Sunday Schools give us opportunities for establishing meetings for parents who have become interested through their children, and open the homes for visits by the Bible-woman.

Two weekly and eleven semi-monthly meetings have been held in Kofu and surrounding villages.

## KANAZAWA.

Our work in Kanazawa has been along the lines of developing the two Industrial Schools so successfully established last year, and in extending our borders by opening an Orphanage to provide home care for destitute children, whose needs the schools were unable to meet. The two regular woman's meetings have been held weekly, the average attendance being about seven, and a third meeting has been opened in the Daijime District in the house where we have our poor school. The attendance has been most encouraging, there being frequently from twelve to twenty women present, and more than that number of children. The average attendance has been forty-two.

Another meeting of a semi-literary character, held twice a month, has been the means of bringing in a few whom the ordinary meetings failed to attract, and two or three of these have become regular attendants at the weekly meetings. These four meetings, with two for children, one of which is held at the Orphanage; our two Sunday Schools, and teaching in the two church Sunday Schools; four Bible lessons each week given at the two poor schools, and the house-to-house visitation among the mothers of the pupils, have more than filled the time of all our workers, and have, we trust, been the means of much seed-sowing. Of direct fruit there has been a little ingathering, two of our women and three of our children from the Orphanage having received baptism, and several other women indicating their acceptance of Christianity. The marked improvement, also, in the conduct, attendance and cleanliness of the pupils at the schools, and the growing friendly feeling toward Christianity on the part of the mothers, has been a cause of much joy to all. Seven hundred and seventy visits have been made, eighty-one homes being visited, thirty-eight of them for the first time.

In the Daijime School the match-box work is still carried on; and though the children can earn at most but three sen a day, and many of them less than one-half that amount, yet the numbers have increased from ten to seventeen, all of whom attend night and

Sunday School. This Sunday School has about fifty enrolled at present, the average attendance being thirty-three. The conversion of the Daijime teacher, who, with his wife and child, was baptized in March, makes us glad with the thought of the harvest to come, this being the first Christian family in that densely-peopled district.

Our Orphanage has been a source of much satisfaction from the first; the improvement in the children has been so very marked, and the influence of the Home upon the neighborhood so helpful. It was opened on December 6th, 1893, with four children. We have now twelve—eight girls and four boys, ranging in age from six to fifteen. Four are without either parents or relatives; two have both parents living, but the fathers had deserted the families, leaving them in want. The others are the children of widowed mothers, most of whom had made arrangements to sell their daughters, so that in giving them to us they feel that they are making a sacrifice, and we, therefore, had to assume the entire support of the children, which averages a little less than two yen a month for each. The children themselves earn a little towards this by their embroidery work, and as they become more skilful will earn more. When they prove studious and diligent they are sent to school, and we are favored by being in the neighborhood of the Presbyterian mission-school, which gives excellent instruction to day pupils, from the kindergarten upward. Six are now attending school; the others are being taught at home for the present by the matron, who is a woman of good education and well fitted for her position.

A King's Daughters' Society, recently organized among our women, has undertaken the responsibility of clothing a number of the children and also of providing their school fees.

We trust that the coming years may see some of these young girls develop into Christian workers, who will help carry the Gospel message to others of their class. The opposition which met us when first we tried to rescue girls such as these has to a great extent disappeared, and recently we have had applications to take many more than we have room for.

Miss Hargrave, being obliged to leave us in April, left a gap which we felt it would be hard to bridge, but God has been with us; the Japanese helpers have been faithful and earnest, and present strength for present need has been given. The following is Miss Hargrave's report of the work in Kawakami District:

"On returning in September we found, as is often the case, our absence during the summer vacation seemed in one way to have proved a loss. Our pupils were scattered here and there; most of them had taken positions as nurse girls and errand boys. However, by extending our industrial work, the way was opened to reach the older sisters of our former pupils—girls between sixteen and twenty-three years of age—a class we had often longed to reach, but their poverty

compelling them to work from early morning till dark every day of the month made it impossible for us to meet them even when we visited the homes.

Here we had to assume the responsibility of disposing of the embroidery work ; so we placed the limit of entrance to the Industrial School at twenty, as that number opened all the homes we had time to visit.

We require the girls to rest on Sunday, attend our night school four nights in the week, not to take work from other places, and to attend Sunday School and Monday evening preaching service. We pay them for their work, so that they can afford to rest on Sunday. So far the work has proved very promising ; we feel we are getting a hold on the hearts of the girls, and some of the mothers. As they hear more of the truth they have less of that blind hatred which possessed them at first.

It has been a joy to us to see in more ways than one their appreciation of the one rest day, and other advantages the school gives them. Our continuing this work as it is now depends on our being able to dispose of the work they do.

On special occasions where there is an educative element we bring the girls out. Three such have marked the year : our Sunday School Christmas entertainment, the celebration of the Imperial silver wedding, which we made the occasion to present the girls with Bibles and ten sen in silver, and our special Easter Sunday service, when for the first time they witnessed the ceremony of baptism.

At this school we still have the envelope work ; ten boys and three mothers have attended. The teacher in charge, Mr. Miyae, has proved very faithful and satisfactory. He is able to take charge of the Bible lesson at the night school, help in the Sunday Schools and has charge of one preaching service."

In looking back we feel there is much to be grateful for. God has indeed owned and blessed our efforts ; already our building has become too small for present requirements. Though the way has not all been sunshine, His grace has been suited to the trials of the hour, and we have realized :

" Christ leads us through no darker rooms  
Than He went through before."

Here where we daily, yes hourly, hear the temple-gong, which tells us an immortal soul is bowing before images made with hands, lighting their candles and burning their incense to imaginary gods without number, thus seeking to appease the longings of their hearts, which go out instinctively in worship, we pray often that the God of the harvest may claim His own, those He would have to come as His messengers to tell of the revelation and salvation provided through the life and death of Christ Jesus.

Three hundred and thirty yens' worth of embroidery has been sent to Canada, for which the cash has not yet been received, but making with the finished work now on hand a net profit of upwards of one hundred yen for the year.

The following committees were appointed: Miss Munro to take Miss L. Hart's place on the Furnishing Committee; Mrs. Large, Misses Robertson and Veazey, Building Committee.

The Japan Council of the Woman's Missionary Society sent greetings to the members of the Woman's Missionary Society in Canada. (Isaiah xxvi. 3, 4.)

The appointment of a Recording Secretary for the year was left in the hands of the Executive.

After singing and prayer and confirmation of the minutes of the closing session, the Seventh Annual Meeting closed.

The usual hour of prayer and praise at the close of the Annual Meeting was this year changed to the Sabbath preceding.

## THE FRENCH WORK.

### REPORT OF COMMITTEE ON FRENCH MISSION SCHOOLS, 1893-94.

With thankfulness for the past and hope for the future, we present our report. The work entrusted to your Committee has been carried on with as much wisdom and care as twenty-two ladies could put into it.

At the East End, where our school has been kept in one house for two years, the French landlord refused to allow us to keep it longer, which made it necessary to remove at the end of April. After several weeks of careful inquiry, it was found impossible to secure a house within any reasonable distance from the church, so the school was removed to the basement of the church, and the teacher (Miss Matthieu) and Bible-woman (Madame Morin) had to

board, while the furniture is stored for future use. The school, however, does not seem to have suffered, for the members are now thirty. Madame Morin retired from the work at the end of the year (school closing June 30th), and our teacher, Miss Matthieu, whom we highly value for her many virtues, good scholarship and sterling Christian character, volunteered to act as Bible-woman during the month of August, opening the school September 1st. The school is still held in the church. We must not permit the name of Madame Morin to pass out of our records without giving our cheerful testimony to her earnest Christian character and eager desire to see sinners converted from error to righteousness.

Our West End school, under the care of Miss Jackson, our former teacher, assisted by Miss Anderson, our veteran Bible-woman, is as flourishing as ever. There are about eighty names now on the roll. A new feature among the smaller children is the introduction of a few of the simpler features of kindergarten work. This was proposed and undertaken by Miss Anderson, whose burden of years does not cool her ardor for the benefit of her class of infants. It is perhaps necessary to explain that Miss Anderson assists in the school by teaching the smallest scholars who are kept only half a day. Why should she trouble herself about the kindergarten? may be asked. Because it attracts the children and their mothers, and having them there they are taught Bible words and truths while they are young. Many of these are from Roman Catholic families who would not send older children. One discouragement I will mention, in hope that a remedy may be provided. Several clever children belonging to two families have lately been induced to enter a rival institution where they are boarded and taught free. There is no provision for such children at our French Institute, in which it is required that every scholar in the Institute must pay some amount towards expenses, and these children cannot do so; and another reason is that they are under the age admitted, twelve years. The mother of one family is a widow doing day's work. As to results, we cannot expect to trace all, for much of the seed sown will influence the future beyond our knowledge, but one sentence from one of the monthly reports may encourage us: "I can safely say that a few of my pupils are little Protestants at heart, and were it not for their home and Church severance they would gladly join us in faith. Oh, for courage to do right!"

The grants of \$50.00 are still continued to the schools at St. Théodore and St. Faustin. The attendance varies. The largest number at each school is fifteen, and the children are kept out of school, spring and fall, when the farm work requires them; so amid sunshine and cloudy weather the seed is being sown. This is *our* duty; results are with the Lord of the harvest field.

S. SHAW, *Secretary.*

## FRENCH METHODIST INSTITUTE.

Our fifth session was closed on the evening of April 26th, 1894, when our spacious chapel was crowded to the doors by friends of the Institute, who had gathered to listen to the report of the winter's work, and witness the distribution of prizes, kindly donated by directors and friends.

There were present representatives from all the mission schools—Sabrevois, Grande Ligne and Pointe aux Trembles, which was very gratifying to us as proof of the strengthening of harmonious relations among these different schools. Roman Catholics are continually asking as an objection to Protestantism: "Why are you divided into so many sects? Some of you must be wrong, so we may as well remain where we are, at least, united under one head."

As we compare the work of one session with that of the preceding one, there seems to be no striking progress nor marked change to chronicle, but in looking back from 1894 to 1889 we realize that we have indeed cause for much encouragement.

There were 114 applications for admission and 79 students in attendance at the Institute in 1894, as compared with 43 in 1889, and this is only one of the changes we may note. The cheerful obedience and strong loyalty of the students of 1894 were in equally marked contrast to the disposition shown by those of 1889.

Our 79 students of the past session were composed of: Indians, 5; Italians, 5; Swede, 1; English, 19, and French, 49. Of these, 25 come from Roman Catholic homes.

We were fortunate in having with us again as headmaster Mr. Alfred Rivard, who was at the Institute during the session of 1890 and 1891. Miss Borlorz, one of the Actonvale students, returned to us as assistant-teacher, and the musical department was continued as before under the direction of Miss Hall and Mr. Marceau.

The lessons in practical dress-cutting, fitting, etc., given weekly at the expense of the Woman's Missionary Society, were very highly appreciated by the girls, and we are glad to be able to state that arrangements have been made for their continuance during the session of 1895-96.

The Committee on Domestic Management has also directed that each of the older girls is to receive a week's lessons in plain cooking, in addition to the usual training given them in the domestic department.

As in former years, we have had voluntary assistance in conducting classes in drawing, hygiene and calisthenics, thus affording the students advantages which would otherwise have been impossible with our limited staff of teachers.

The usual Thanksgiving treat and Christmas tree were provided by the Douglas Mission Band, and were just as thoroughly enjoyed as during past years.

THE FRENCH WORK.

At the beginning of the New Year special services were held for a fortnight, and many of our students gave evidence of their earnest desire to lead changed lives, the reality of which was satisfactorily proved to us in most cases by their conduct in the schoolroom, as well as by their taking part in the prayer-meetings.

Our earnest prayer is that the seed sown may continue to take deeper and firmer root, until the influence radiating from our Institute may be felt throughout the length and breadth of this darkened Province.

There are no new names added to the list of inmates in the Home this year. No doubt this is partly owing to the vigilance exercised last year respecting the importation of Chinese girls to this place; but there are still some in Chinatown that we hope to reach.

Two of the number reported last year have since married. Gertie, who is now the wife of Tong Chue Tom, is the firstfruits of this Home to enter into a life of mission work. Her husband and she have been sent to Nanaimo, where there are about five hundred Chinamen and no other mission has yet been begun. Very encouraging accounts come from these young beginners in the work, and their letters express thankfulness for the acceptance they have found among their own people.

There has been one severe case of affliction in the Home during the past year. Mary, one of the older girls, suffered for some time intensely with acute inflammation and granulation of the eyelids. She has undergone three operations, and now that five months have passed she is able to be about with dark glasses, but not to sew or to read for more than a minute or two at a time. I am thankful that she is so far recovered that her sight is spared, and that now all are in a good degree of health and comfort.

Nun Yeo, who came in last September, was baptized with the little girl, Yuet Lin, into the Christian faith last May, and I believe her to be a true convert. She married last June, and so far as I can see is going on well. She still treasures in her memory the verses of Scripture she learned while in the Home.

A girl was brought over on the *Empress of India* a day or two ago under false pretences—that she was to be married on arriving here—instead of which she was taken to a house of ill-fame, altogether against her will. Fortunately for her she belongs to a caste called Seeapp, and the men of this tribe heard of it and got the chief of police to get her out and bring her here. God grant that here she may not only find friends and protection, but the Pearl of great price.

The thanks of the Home are heartily due to Messrs. Hall and Ross for their generous donation of rice; to Dr. Ernest Hall, who has attended Mary so kindly and so long, and others, as well as to our friends in Prince Edward Island, who sent us a box of useful material.

As we review the past year we are greatly encouraged. The work has been steadily progressing in each department, and we are pleased to see the spiritual life of the girls deepening day by day; and as we watch them trying to leave off old habits and conform more to the example of Christ, we are led to exclaim, "How wonderful are Thy ways, O Lord!" And even when the angel of Death entered our home and claimed two of our number, we felt that we could rejoice in the midst of affliction, for both girls had given strong evidence of their acceptance with Christ, and our loss, we feel assured, has been gain to them.

We have rejoiced in the conversion of one of our older girls, who has had a long and hard struggle to give up sin. When she first came to the Home, she had never heard the name of Jesus, and asked at close of first day if that Jesus to whom the teacher was talking lived in this Home; but now she assures us that He lives and reigns in her own heart. How often we are reminded that "Jesus is mighty to save!" Special and earnest prayer had been offered for Olive for some time past, as she had repeatedly told us it was no use for her to try to be good, for God never answered her prayers. But now how changed! Again we are led to praise the name of Jesus. May she be kept faithful.

To-day we have taken in a new girl only ten years of age, who speaks English very well, and seems to be a nice, bright child. She

had been at school in Victoria for a short time, but was so persecuted by the white children that she could not remain there. Her parents seem very anxious about her, as she is the only one living out of eight children; they fear to keep her at home lest she be taken also. We are pleading that she may be spared for a life of usefulness.

We miss the doctor and family very much, especially when sickness comes. Miss Spence is kept very busy during doctor's absence, as there are so many sick in the village, and we also give a good part of our leisure time in visiting among the sick and aged, giving a little assistance wherever we can, and how often while trying to comfort and cheer others our own souls have been blest, and we have obtained fresh strength for the work.

#### REPORT OF COQUALEETZA INSTITUTE.

The past year has been one to be marked and remembered in the history of the school at Chilliwhack. The "Coqualeetza Home" has developed into the "Coqualeetza Institute," with a beautiful and commodious building and an attendance of seventy pupils, forty boys and thirty girls.

The staff consists of moral governor, teacher, matron, assistant matron, sewing teacher, and farm and trades instructor.

In the different departments, work has been conducted on similar lines as formerly, and good progress has been made.

The missionary societies have done nobly for us, and though the management has passed into the hands of the General Board we know the Woman's Missionary Society is still interested in us, and contributes largely towards the support of the Institute.

We would not forget to thank the kind friends who have sent us so many useful and pretty articles. Their gifts have been a great help to us, and the Lord will surely reward them for their loving service.

Good health has been the rule. There has been mental development, and we trust the truth we have endeavored to teach has been blessed to the hearts of the pupils.

During seven months of the year we were compelled to remain in Shanghai. While there I saw all I could of hospital and dispensary work among the Chinese. During the heat of summer, while many of the mission doctors were away for a change, I did a little medical work, but not much. A part of the summer, for two evenings a week, I taught a class of Japanese young men Bible lessons in English. I found this very interesting work, and pray that some seed may have been sown. Sunday mornings Miss Brackbill and I each had a class of Chinese boys in the American Methodist Sunday School; the lessons were taught in English. It was a difficult matter to teach them, as their knowledge of English was limited, but we did the best we could. Miss Brackbill also saw much of the school work of Shanghai; the insight we both gained into medical and school work will be of great benefit to us in the future. The next five months were spent reaching our destination; we were able to do considerable study on the way. On reaching Chentu, we decided not to go into work at once, but to spend some more time on the language. We were led to this decision by the advice of not only the older missionaries we met in Chentu, but of many old workers we had met at the coast. However, I saw a few cases, and we also tried to talk to the women on Sunday after service.

The prospects for a successful work in Chentu are good, both for school and medical; the people are not afraid of us, and the women and children turn out well. If work could also be opened here in Kia-ting, there is every reason to believe that a most successful work could be done. Outside of our mission there is no doctor in this city, and the women go about with much more freedom than in any place away from the coast.

We want more workers. Truly God is with us here. We have been kept in health and preserved in danger, and our hearts are filled with thankfulness.

## REPORTS FROM BRANCHES.

### WESTERN BRANCH.

#### CORRESPONDING SECRETARY'S REPORT, 1893-94.

The Western Branch, in presenting this, its last report, is thankful to be able to say that from the beginning of our work till now each year has brought an increase in membership, in funds raised, in interest in our work and in great spiritual blessing to the workers. We are thankful that this last year has been no exception to this rule.

When at our Branch meeting just held we felt that in the interest of the work the time had come for us to divide, it was done with sincere regret, and it was only because we felt it would be for the best that we at last brought ourselves to do so.

We report 177 Auxiliaries, increase 18; annual members 4,030, increase 330; life-members 240, increase 17; total membership 4,270. Mission Bands 58, increase 8; members 1,895, increase 164. Total raised by Bands, \$2,388.03. Total received by Branch Treasurer from all sources \$11,178.93, increase \$662.72; sent General Treasurer \$10,989.45, increase \$630.29.

In the division the London Branch will have 83 Auxiliaries, the Hamilton Branch 89, while 5 Auxiliaries go to the Toronto Branch.

Auxiliaries have been organized at Brownsville, Chatsworth, Canboro', Delhi, Eastwood, Flesherton, Fairfield; Grand Valley, Hamilton (Hannah Street), Hensall, London (Centennial), Lucan, Mootes, Princeton, Rochester, Staffordville, Thorndale and Woodslee. Some have organized lately, ready for work next year: Claudeboy Nursery, Crediton, Durham, Holland Centre and Reinhart.

E. CUNNINGHAM.

EMMA E. WILLIAMS, *Treasurer.*

ANNUAL MEETING OF THE WESTERN BRANCH.

The twelfth annual meeting of the Western Branch of the Methodist Woman's Missionary Society convened at the Front Street Methodist Church, Strathroy, at 2.30 o'clock, October 2—Mrs. Burns, St. Thomas, President, in the chair. Mrs. Jackson, of Caledonia, conducted the devotional exercises, after which the 122 delegates answered to the roll-call, together with five visitors.

A tender and solemn memorial service was conducted by Mesdames Hardy, Bollert and Scatcherd, each speaking of the deceased members in her own conference. Twenty-five have died during the year.

The session closed with the administration of the communion by the pastor, Rev. Jasper Wilson. All felt this to be a most appropriate service.

The public meeting in the evening was conducted by the ladies, and an interested audience of delegates and friends listened to a thoughtful review of work, aims and methods given by the President, Mrs. Burns.

An address of welcome was given by Mrs. Wilson, and replied to by Mrs. Garret, of Owen Sound. Miss Hargrave, our returned worker, then told of the Industrial work in Kanazawa, Japan. Her address was full of interest and information.

Greetings were presented in person and by letter from the Presbyterian, Episcopal and Baptist societies. Mrs. Cuyler, who spent several years on the Pacific coast, gave a number of interesting and thrilling incidents in the Indian work.

The second day's session included the reports of Conference organizers and committees. The Conference organizers have done good and faithful work, and their accounts of increase and progress were received with signs of appreciation.

A most interesting conference of workers, led by Mrs. Wright, brought out many useful suggestions as to the management of auxiliaries. The keynote of all success appeared to be prayer. Some touching accounts were given of struggles and victories in the direction where timid women had learned to use their voice in this branch of the Master's service.

#### WEDNESDAY EVENING.

The church was filled with delegates and friends to listen to the work of the young people, in whose hands the principal portion of the programme had been placed. This trust they discharged with fidelity and credit. On the platform the Mission Band of the church were seated, and led the service of song most delightfully.

The Chairman, Rev. Jaspar Wilson, spoke some cheering words with regard to woman's work in the mission fields.

The report of the Branch Corresponding Secretary, Mrs. Daly, of London, showed that the Branch had made rapid progress, and that the work of the Woman's Missionary Society among the young people was of a character to command earnest attention.

The prize banner was awarded to Teeswater, and received for them by Mrs. Gillies. The President, Mrs. Burns, spoke a few graceful and kindly words in presenting it, and Mrs. Phelps replied for the Band, explaining the good done by the banner competition. Rev. Mr. Cassidy followed with an address full of praise of the Japanese as a people, and of the work of our ladies among the women and girls. A touching reference was made to Miss H. Lund and her valuable work in that interesting and promising land.

### REPORTS OF COMMITTEES.

#### ORGANIZERS' COMMITTEE.

Your Committee recommend :

1. That a correspondence be kept up quarterly or half-yearly between District Organizers and Corresponding Secretary of each Auxiliary.
2. That new Auxiliaries report to the Branch Corresponding Secretary, through their own Corresponding Secretary, immediately upon organization of Auxiliary, and thus open up communication with head-quarters.
3. That the duty of District Organizers to hold District Conventions be emphasized.
4. That District Organizers be responsible, where possible, for the observance of Woman's Missionary Sunday on their Districts.
5. That District Organizers be nominated at Branch Meeting.

MISSION BAND COMMITTEE.

1. Your Committee recommend that in each Circle and Band a member be appointed to present the claims of the *Palm Branch*, believing that the urgent appeal of the editor should be brought before them, and that where there is no delegate from the Circle or Branch the delegate from the Auxiliary be asked to see that an appointment be made.

2. Your Committee, having recognized the need for personal consecration for service, recommend that all Circles and Bands organize for the devotional as well as for the business and literary departments of the work. As a Branch, we discourage the charging of admission fees, and also the giving entertainments which are not of a missionary character and of all costuming at such entertainments.

MODES OF WORK COMMITTEE.

That Auxiliaries hold more public meetings; that they keep a supply of missionary literature on hand to distribute through the pews; that the programme published in the *Monthly Letters* be used, and each member encouraged to take part; that missionary literature be scattered broadcast; maps recommended for public meetings; and that the W. M. S. request that their representatives at the Annual Conferences be received at an evening meeting instead of the afternoon.

The memorials appear in the report of the General Board.

A memorial from Brantford Auxiliaries, to divide the Western Branch into two, was accepted, and the division took place according to the division of the three Conferences decided upon by the General Conference.

We separated from each other with sad hearts, after eleven years of harmonious and affectionate association. It was an occasion of deep feeling when we realized that this was the last meeting of the "Western Branch." A most cordial vote of thanks to the old officers was presented by those going out from us into the Hamilton Branch. It was received with profound emotion.

The election of officers for the two Branches was proceeded with, resulting as follows: For London Branch—Pres., Mrs. (Dr.) Burns, St. Thomas; 1st V.-Pres., Mrs. Fowler, London; 2nd V.-Pres., Mrs. Dickson, London; 3rd V.-Pres., Mrs. Hadley, Chatham; Rec. Sec., Mrs. McMechan, London; Cor. Sec., Mrs. Cunningham, St. Mary's; Treas., Mrs. M. J. Gardiner, Chatham; Mission Band Cor. Sec., Mrs. F. W. Daly, London; Conference Organizer, Mrs. Bond, Petrolia.

An invitation from St. Thomas to hold the next Branch meeting was accepted. Representative to the Annual Conference—Mrs. McMechan, London.

## REPORT OF MISSION BAND CORRESPONDING SECRETARY.

We have always heard that "a broad outlook is an essential of progress." When we come to consider the outlook of our Woman's Missionary Society, embracing, as God's command to us expresses it, "all the world" and "every creature," we realize that our Society has at least one essential of progress—a broad outlook.

There can be no standing still; so a constant forward movement must prevail or a falling behind will result.

The Mission Bands of the Western Branch have worked bravely through the past year, which has not been a season of smooth sailing, for "hard times" and "financial depression" are words that do not belong exclusively to the world of trades and professions. However, some of the apparent obstructions to progress have, we believe, led to a deeper development of the missionary spirit, which is the prime object of our young people, and in this way they have been brought more into touch with the work, its needs and their resultant responsibility.

Fourteen new Bands have reported this year—Cainsville, Christie (West Flamboro'), Dereham Centre, Dunnville (Moote's Appointment), Galt, Grimsby, London West, Mount Zion, Muncey, Macville, Niagara Falls South, Owen Sound, Owen Sound (juvenile) and Palmerston.

In addition to these, eight Bands have reported as organized ready for work this year—Anderson, Copetown, Cheapside, Fargo, London (Colborne St.), Markdale, St. Thomas Central and Strathroy (juvenile.)

Five Bands have dropped out of the work, which lowers the increase.

Total number of Mission Bands 58, an increase of 8; number of Mission Band members 1,895, an increase of 164; amount paid to Auxiliary Treasurer \$2,388.03, an increase of \$234.09.

We submit this report with grateful recognition of the past year's work and in hopeful anticipation of a future of increased usefulness on the part of the young people of our Woman's Missionary Society.

## TORONTO CONFERENCE BRANCH.

### CORRESPONDING SECRETARY'S REPORT, 1893-94.

This Branch is composed of thirteen districts, three of which are mainly missions, so that we get no support from them. The other districts are slowly realizing that they have responsibilities in connection with this work.

The majority of the reports from the Auxiliaries speak hopefully of the coming year, while all unite in their testimony as to the blessing the meetings have been to the members of each society. Our organizers have labored faithfully, notwithstanding many discouragements, and we hope to see the result of their efforts during the coming year in the organization of many societies.

Nine Auxiliaries were formed during this year, but only five can be reported, as the others did not continue their meetings. Two have been dropped from the list of last year, but we have strong hopes of regaining them in a short time. The new Auxiliaries are at Mimico, Crown Hill, Inglewood, Palgrave and Claremont.

### FIRST ANNUAL MEETING OF THE TORONTO CONFERENCE BRANCH.

The Annual Meeting of the Toronto Conference Branch was held in the Dunn Avenue Church, Parkdale, October 2nd, 3rd and 4th.

As this was the first Annual Meeting since the division of the Central Branch, some faint-hearted ones feared that the comparative smallness of numbers would have a depressing influence; but though many old friends and former fellow-workers were missed, the meeting was pleasant and profitable. Eighty-two delegates were in attendance, besides a large number of visitors.

The President, Mrs. Williams, occupied the chair, and the opening devotional services were conducted by Mrs. W. W. Ogden, followed by an impressive memorial service, led by Mrs. Langford.

On Tuesday evening a reception and tea were given to the delegates and friends by the hospitable ladies of the Parkdale Auxiliary, after which a public meeting was held, presided over by the pastor, Rev. E. E. Scott. Interesting addresses were delivered by Rev. J. Goforth, of China, and Dr. Bolton, of the Port Simpson Hospital.

On Wednesday a Mission Band Conference was presided over by Mrs. Bascom, a valuable paper entitled "Mountain Peak Glimpses" being contributed by Miss Webber. An "Open Conference for Discouraged Workers" was conducted by Mrs. Willmott. Many encouraging thoughts were so beautifully brought out by the leader that discouraged ones took fresh courage, and more earnest prayer and work is anticipated for the coming year than ever before.

This was suitably followed by a consecration meeting, led by Mrs. D. G. Sutherland, when several in the audience consecrated themselves to missionary work, who confessed that they had hitherto felt comparatively little interest in it.

A Round Table Conference, of especial interest to Mission Band workers, was conducted by Miss McGuffin.

The following resolution was carried with much enthusiasm: "That as our beloved President, Mrs. Williams, feels compelled to retire from the position which she has so long and ably filled, we cannot allow her to do so without expressing our appreciation of her valuable services. She has, by her patient, loving administration, endeared herself to every one who has been privileged to attend the meetings of the Branch. While regretting that failing health renders it necessary that she should give up the more active duties of President, we still hope to retain her in our councils. We shall always welcome her presence at our Branch meetings, and we pray that she may long be spared to bless the Church she so dearly loves."

An invitation from Broadway Tabernacle for the next Annual Meeting was accepted.

#### BY-LAWS.

The following by-laws were adopted by the Branch:—

1. The Election of Officers in Auxiliaries and of Delegates to the Branch meeting shall be by ballot without nomination, and a majority vote required.
2. That Organizers and Officers be required to send in a statement of their expenses before September 15th of each year, as the Treasurer of the Branch is obliged to close her books on the 20th.
3. That District Organizers be *ex officio* members of the Branch meeting, and have all the privileges of delegates, and that their expenses be paid by the Branch meeting.
4. That, in the case of new Auxiliaries organized late in the year, the Treasurer and Corresponding Secretary be instructed to mention the organization of Auxiliary, with the money that has been sent, without stating the number of names.
5. That the reports of Auxiliaries be given by the District Organizers.
6. That District Organizers be nominated by the Branch Corresponding Secretary and elected by the Branch meeting.
7. That Auxiliaries provide for the expenses of their delegates to the Annual Branch meeting. The Auxiliary Treasurers, in making returns to the Branch Treasurer, shall state the net sum received, and the amount paid for delegates' expenses, and transmit the balance to the Branch Treasurer. The Branch Treasurer, in preparing her report, shall credit the Auxiliaries with the full amount of their contributions and charge the expenses of delegates to the General Fund.

### REPORT OF MISSION BAND CORRESPONDING SECRETARY, TORONTO CONFERENCE BRANCH.

The division of the Branch took from us some of our best Bands and most efficient workers. We deplore their loss, but trust it may result to the good of the work. Thirty Bands remained to us with a membership of 962. Of these—Aurora Sunshine Workers have become discouraged; Bell Ewart, Bracebridge, Dunkerron, Glen Orchard and Honeywood have disbanded. New Bands have been organized in Burk's Falls, Claremont, Eglinton, Orillia, Port Perry, Tottenham, Tuam, West Toronto Junction, Central Church (Toronto), New Richmond (Toronto), Dunn Avenue (Parkdale), St. Alban's (Toronto). To sum up, the outcome of this year's work is thirty-four Bands, with a membership of 882.

The Secretary desires to acknowledge the faithful work of the Organizers in most of the districts. Mission Band workers feel the stringent times as much as older workers, and the scarcity of employment affects the children's power of giving.

When we think of the large number of Sunday School scholars in the Methodist Church who are still uninterested in missions, we feel there is much ground yet to be occupied, and we wonder if our Methodist women are true to the missionary spirit of their Church in training the young people.

A. M. BASCOM, *Secretary.*

## BAY OF QUINTE BRANCH.

### FIRST ANNUAL REPORT OF CORRESPONDING SECRETARY.

In many respects our first year has been a good year, bringing us cheering evidences of the permanency of our work and of growth from within. Here and there throughout the Branch are churches in which the Auxiliaries are centres of spiritual life, the members regarding this work not only as an obligation resting upon the Church and the Society, but as an opportunity of paying a personal debt to Christ.

Organizers have not found it a good year for extending the work. Hard times and the pressing needs of the parent Society have closed their lips on some occasions; but prayers have been offered and busy brains have planned, and willing hands have gleaned a little here and there.

The District Convention is coming to be a regular institution, and to many of our workers is *the* annual meeting of the year.

Two of our young ladies, Miss Lambly, of Bloomfield, and Miss Paul, of Newburgh, have been accepted as missionaries, and the former has already entered upon her term of service in Japan. Miss Hart has been permitted to return to us for her well-earned rest, and Miss Munro, of Peterboro', after a year's furlough, has entered upon her second term in Japan. May these "living links" be greatly increased in numbers and efficiency.

Early in the year four new Auxiliaries were formed: Zephyr, Eden, Newtonville and Wooler. In April, Omeme and Bobcaygeon were added to our list, and, still later, Consecon, Hillier, Cherry Valley, Mountain View, Demorestville (reorganized) and Wesley.

We report:

### ANNUAL MEETING OF THE BAY OF QUINTE BRANCH.

The first Annual Meeting was held at Port Hope, October 2nd, 3rd and 4th, 1894, Mrs. (Dr.) Carman, President, in the chair. 107 delegates were present. The memorial service was conducted by Mrs. (Rev.) J. C. Wilson, of Tweed, a large number of ladies taking part. The names of thirteen departed sisters were read by the Secretary, and the testimonies in reference to them prove that "our women die well."

The organizers reported for their districts, the reports showing advancement all along the line.

Wednesday afternoon's discussion on "Our Work" was introduced by Mrs. Bowerman, of Napanee, in a paper entitled "A Model Auxiliary." "A Model Mission Band," by Mrs. H. A. Crosby, of Uxbridge, followed. These papers, with the one read by Mrs. Yarwood, Tuesday evening, on "Self-denial or Thank-offering," will, by request of the Convention, be sent to the *Outlook* for publication.

It was decided that our Branch Executive make arrangements to have a supply of literature and mite-boxes on sale at future Branch meetings.

An appeal was read from the editress of *Palm Branch*, asking for the practical sympathy of the ladies in carrying on that paper.

A public meeting was held Tuesday evening, after a very pleasant reception tendered by the ladies of Port Hope. Rev. Mr. Crothers occupied the chair and gave the address of welcome. A very fine musical and literary programme followed, provided by Port Hope Auxiliary and Band; also, report of Corresponding Secretary.

On Wednesday evening we listened with great pleasure and profit to Dr. Bolton, of Port Simpson, B.C. A report of the Supply Committee had been kindly furnished by the Secretary, Mrs. Briggs, and was listened to with marked attention. On both evenings the music furnished by the choir of the church was exceptionally fine and is deserving of special mention.

It was resolved that in future organizers have ten minutes in which to report their districts; also, that each Auxiliary furnish organizer with total amount sent to Branch Treasurer during the year, total number of members in Auxiliary, number of *Leaflets* and *Outlooks* taken, what other missionary paper, if any, and the best methods of conducting monthly meetings.

REPORT OF MISSION BAND CORRESPONDING SECRETARY,  
BAY OF QUINTE BRANCH.

In presenting the first Report of Mission Bands to this Annual Meeting, I do so with gratitude to our Master for the growing interest we have been permitted to see in this department of mission work. All the ardent desires expressed at the opening of the year have not been realized, but we rejoice that the missionary spirit is being more widely diffused among our young people, the hope of our future Missionary Society. Figures do not by any means represent the work done, because many of the Bands have contributed to the comfort and convenience of the inmates of the different homes through the Supply Committee ; also, aided educational interests peculiar to their taste. While sympathy and help have gone abroad, the home work has not been ignored ; many sick and suffering ones have received substantial aid.

Letters received by the Secretary have borne the most earnest and loyal spirit to our Society. We are indebted to organizers for ten new Bands. There are 640 regular members and eighteen life-members. Cobourg alone has dropped from our ranks. Bands organized this year are—Peterboro' (Charlotte Street), Picton (The Nellie Hart Circle), Napanee Circle, Napanee Junior Band, Stirling, Sidney Crossing, Springbrook, Kingston Road, Oakwood, Wellington. Our report is as follows: Forty-three Bands, 640 members (including life-members), and \$659.81 sent Branch Treasurer.

## EASTERN BRANCH.

### REPORT OF THE CORRESPONDING SECRETARY OF THE EASTERN BRANCH.

We have come to another landmark in our missionary work where we take a retrospect of the year that is gone with its many changes, its hopes and fears, and as the sheaves have been garnered we anxiously await the results as far as they may be ascertained. Through the good providence of God, we report some growth and a deeper interest in the extension of His Kingdom. We also rejoice that one of our number has responded to the call of the Master and has gone to labor in Japan, bringing that nation nearer than ever before in our sympathies and prayers. Seven Auxiliaries of last year have not reported to the Corresponding Secretary or Treasurer, reducing our increase to one, while we report seven new Auxiliaries. They are: Maxville, Magog, Manotick, Kars, George Street (Brockville), Lennoxville and Forfar.

### REPORT OF ANNUAL MEETING OF EASTERN BRANCH.

The eleventh Annual Meeting of the Eastern Branch was held in the Methodist Church, Vankleek Hill, October 3rd and 4th, 1894. The President, Mrs. W. E. Ross, occupied the chair, and fifty-nine delegates answered to their names. An impressive memorial service was held, in which touching reference was made to those who had been called home during the year, special mention being made of our devoted and much-loved missionary, Miss Hannah Lund.

The President's address, which was full of information, was listened to with interest and profit by all present. The reports from Auxiliaries were encouraging, and, notwithstanding hard times, an increase in funds and membership was noted.

Three very excellent papers on "How to Make Auxiliary Meetings Successful" were read. The first, as to Programme, by Miss Knox, of Montreal; second, as to Attendance, by Mrs. Conklin, of Iroquois; third, as to Finances, by Miss Nellie Service, of Aultsville. All of these were replete with information on the points referred to.

The Organizers' Conference, led by Mrs. Bigelow, was one of the most interesting parts of the meeting, as all present seemed to realize the great amount of work that may be accomplished by faithful, persistent work.

A very instructive paper by Mrs. (Dr.) Shaw, of Montreal, on "Scattered Helpers," was read, also an appeal from *The Palm Branch*.

Reports were given of the French work and of the Supply and Literature Committees. It was moved by Mrs. Morton, seconded by Mrs. B. O. Britton, —That a most hearty vote of thanks be sent Miss Ogden and the Literature Committee for the prompt, courteous, painstaking manner in which they had performed their duties during the past year.—Carried unanimously.

The Corresponding Secretary gave extracts from a letter she received from Miss Alice Beltin, the first missionary sent from this Branch. Greetings from the Baptist Society were given by Mrs. Peter McLaren, and from the Presbyterian Society by Mrs. McLeod.

The attendance at the public meeting was very large, and all listened with rapt attention till its close. The President occupied the chair and gave a short interesting account of the work, and was followed by the Treasurer, Mrs. McRossie, who has held that office ever since the Branch was formed, and has been able every year to report an increase in the funds. The Corresponding Secretary gave a short pointed address, emphasizing the value of little things. Very cordial words of welcome were given by Miss Cross and replied to by Mrs. J. S. Atkinson. Mrs. Bigelow gave a very effective address, showing how the women in the Bible were honored in their time, and Mrs. Bannell Sawyer gave one of her well-prepared, eloquent addresses, which was much appreciated, and the choir of the church enlivened the proceedings by singing several choice selections very charmingly. Rev. Mr. Treadrae closed with prayer. An invitation to hold the meeting next year at Iroquois was accepted.

The election of officers resulted as follows:

<i>President</i>	- - - - -	Mrs. W. E. Ross, Montreal.
<i>1st Vice-President</i>	- - - - -	Mrs. Bigelow, Aultsville.
<i>2nd Vice-President</i>	- - - - -	Mrs. Sawyer, Montreal.

## NOVA SCOTIA BRANCH.

### ELEVENTH ANNUAL REPORT OF THE CORRESPONDING SECRETARY.

Although we have no great things to record of the past year's work, the year may still be regarded as one of encouragement and success. For this there is manifest throughout the Branch a general feeling of thankfulness and a general determination to persevere in the work.

The faithful efforts of our District Superintendents have resulted in the addition to our numbers of two Auxiliaries and nine Bands. The Auxiliaries are Granville Ferry, which has been resuscitated, and Barton. Two very successful District Conventions have been held—one at Bridgetown, the other at Bridgewater.

We regret to have to drop two Auxiliaries—Cheverie and Gabarus Cape. The former, finding its membership too small to work properly as an Auxiliary, has united with the Mission Band. We are thus left with the same number of Auxiliaries as last year.

Miss Sadie Hart's tour during the winter was a means of great help and inspiration to all who were favored by hearing her. Her future life as Mrs. Spencer will be watched with loving, prayerful interest by her many friends in the Nova Scotia Branch.

The Easter offerings proved a fruitful source of income, and the service prepared by our President was highly appreciated.

Deeply grateful to our Heavenly Father for His help and guidance during the past year, we enter upon the new one with renewed determination and confidence, feeling assured that

" So long His power hath blessed us, sure it still  
Will lead us on."

ANNUAL MEETING OF NOVA SCOTIA BRANCH.

Our eleventh Annual Meeting, which was held at Dartmouth, September 18th, 19th and 20th, was, in point of interest and profit, quite up to the average. The President, Mrs. Whiston, occupied the chair, and the opening devotional exercises were conducted by Mrs. Ainley.

Forty-nine delegates answered to the first roll-call. We were also favored with the presence of three of our returned missionaries—Miss Blackmore and Miss Lizzie Hart, from Japan, and Miss Leake, from British Columbia. At the reception the first evening, Mrs. D. W. Johnson, in a very pleasing manner, extended to the visitors, on behalf of the ladies of Dartmouth, a cordial welcome, and greetings were also presented from sister organizations of the Presbyterian and Baptist churches. All were replied to by Mrs. Whitman, of Canso.

The general tone of encouragement in reports from Branch officers was very gratifying, while reports from Auxiliaries and Bands gave evidence of increasing effort and interest on the part of all our workers.

Among interesting and profitable features of the business meetings may be mentioned a paper by Mrs. DeinStadt, of Shelburne, on "General Features of Missionary Work;" an interesting discussion on "Methods of Work," and "An Hour with our Missionaries," when each told of the work in her respective field of labor—Mrs. Ross, of Montreal, following with a short account of our French work in Montreal.

Invitations for next Annual Meeting were received from Canso and Liverpool, but it was deemed wisest to accept one standing over from Wesley Church, Yarmouth.

Greetings were received from the Presbyterian W. F. M. Society in session at Truro, and from the Maritime W. C. T. U.

96 REPORT OF MISSION BANDS, NOVA SCOTIA BRANCH.

A new and very successful feature of the public anniversary meeting was an anniversary hymn, and a responsive Scripture reading, compiled by our President.

The Dartmouth Mission Circle and Band rendered valuable assistance on "Mission Band Evening" by supplying prominent parts of the programme.

A very impressive consecration service, led by Mrs. Prestwood, closed the session. Following is the result of the election of officers :

President	- - -	Mrs. Whiston, 297 Brunswick St., Halifax.
Vice-Presidents	- -	Mrs. E. E. Hart.
	- -	Mrs. Tuttle, Berwick.
	- -	Mrs. Downing, New Germany.
Corresponding Secretary	- - -	Mrs. Brownrigg, 35 Carleton St., Halifax.
Recording Secretary	- - -	Miss Belle Wiswall, South Farmington.
Treasurer	- - -	Miss Mary Ray, Halifax.
Auditor	- - -	Miss Louisa Ray, Halifax.

REPORT OF MISSION BANDS, NOVA SCOTIA BRANCH.

A review of our Band work impresses one with the fact that one great need in this direction is competent, faithful leaders. In many places the work is either not what it ought to be or entirely at a standstill, owing to this lack.

Realizing the possibilities that lie in our boys and girls, and that the responsibility of their training in missionary matters rests largely upon our Auxiliaries, we urge that each Auxiliary do its utmost, during the coming year, to promote the interests of its Band, and may there go up to the "Lord of the Harvest" a united prayer for efficient, consecrated laborers in this department of His vineyard.

As we only count as members those who pay the annual fee of twenty-five cents, our membership is somewhat reduced. We trust all our workers will remember in future that the number of members must correspond with the amount sent as annual fees.

The *Palm Branch* has been hailed with delight, and we hope no Band will be without its club hereafter.

Nine new Bands are reported. They are: "Wayside Gleaners" Circle, Annapolis; "Golden Rule" Circle, Dartmouth; "Lone Star," Bermuda; "North Sydney" Band, North Sydney; "River Jordan," Jordan; Barton, Lockport and Sydney Bands, and "The King's Own" at Avondale. The latter has been organized since our Branch meeting. Owing to three bands having dropped out, our increase is but six.

We thus report: 48 Bands, net increase 6; number of members 857; life-members 47, increase 7; amount raised by Bands \$1,258.17.

## NEW BRUNSWICK AND PRINCE EDWARD ISLAND BRANCH.

### NINTH ANNUAL REPORT OF THE CORRESPONDING SECRETARY OF NEW BRUNSWICK AND P. E. ISLAND BRANCH, 1893-94.

In reviewing the work of the past year, with its lights and shadows, records of earnest toil and self-sacrificing effort, we gratefully recognize that the loving hand of our Father has been upon us, and that as a Branch we have been wonderfully blessed. For the first time in our history we are obliged to report a decrease in membership; ranks have been broken by removal of families, in a few cases by withdrawal, while several who filled important posts of trust and usefulness have been called into the presence of the King; but, notwithstanding there have been fewer workers, and that the financial depression has seriously affected certain districts, we are able to report an increase in funds, which gives evidence that noble painstaking work has been done. The presence of Miss Sadie Hart, visiting many of our Auxiliaries, was a delight and assistance, and we labor more lovingly when we have looked into the faces of our returned missionaries. While no eye but the Infinite can watch and see the varied avenues of labor, we can try and glance at the little company in lands afar and fields at home, and give thanks to the Father who protects, guides and blesses all.

Four new Auxiliaries report this year, viz.: West Devon, Montrose, Jerusalem and Lakeville Corner, while three others are ready for work. One has died, so we have only a net increase of three. At the following places Mission Bands have been organized: Benton, Cape Traverse, Highfield, Oromocto, Carmarthen Street, St. John. The Mite-box has found its way into over one hundred new homes, and a larger number of our women subscribe to the *Outlook*. We can only give facts as to the visible side of our work, for the other we must await developments. May we realize the deep responsibility of maintaining with vigor and determination the special work God has committed to us; and turn hopefully, trustfully, to renewed efforts, feeling sure that each revolving season brings us nearer to the ultimate reign of righteousness and peace, when all the ends of the earth shall see the salvation of our God.

NINTH ANNUAL MEETING OF THE NEW BRUNSWICK  
AND P. E. ISLAND BRANCH, 1893-94.

The ninth Annual Meeting of the New Brunswick and Prince Edward Island Branch was held in Summerside, October 2nd, 3rd and 4th—Miss Palmer, President, in the chair. Sixty-eight delegates and many visitors were present.

Papers were read on the following subjects: "Parlor Meetings," "Discouraged Workers," and "How to Treat a Returned Missionary." The discussions which followed were of great practical benefit.

The public services were made doubly interesting by the presence of Miss Blackmore, and her clear statement of facts will undoubtedly stimulate our Auxiliaries and Bands to greater efforts for the coming year. We were also glad to welcome Mrs. Whitman, who brought us greetings from the Nova Scotia Branch.

For this year committees were dispensed with and the business transacted in a committee of the whole. This was thought to provoke a better discussion and to educate more thoroughly the greater number.

The Mission Band Banner was awarded to the "Sunbeam" Mission Band of Margate, for the best answers to questions on "Our Fields."

The following officers were elected :

<i>President</i>	- - -	Miss Palmer, 29 Queen Square, St. John, N.B.
<i>1st Vice-President</i>	- - -	Mrs. J. D. Chipman, St. Stephen, N.B.

<i>Recording Secretary</i>	- - -	Mrs. C. E. McMichael, 17 Orange St., St. John.
<i>Treasurer</i>	- - -	Mrs. C. W. Strong, Summerside, P.E.I.
<i>Mission Band Cor. Sec.</i>	- - -	Mrs. E. C. Turner, Pownal, P.E.I.
<i>Auditor</i>	- - -	Mrs. F. Stewart, West Cape, P.E.I.

District Organizers :

## BRITISH COLUMBIA BRANCH.

### THIRD ANNUAL REPORT OF THE BRITISH COLUMBIA BRANCH, 1893-94.

The third Annual Convention of the British Columbia Branch was opened by a public meeting in Homer Street Church, Vancouver, Sunday, May 13th. As the Conference was sitting, we were favored by the presence of the wives of the missionaries.

Mrs. Crosby, of "Glad Tidings," gave a sketch of their missionary efforts among the Indians, particularly in the way of Homes on the northern coast. For twenty long years the struggle had been carried on in loneliness and isolation. In the early days she had been the only white woman in that part of the country, and a brief visit from Mrs. Tate was an event never to be forgotten. At present they have two Homes for the children.

Mrs. Tate traced the history of the Coqualeetza Home from its early beginning some years ago, when a few Indian children were received in their own house, down to the present Home but lately opened. The work had been long and not always hopeful, but the results were now no less gratifying than beneficial.

The President, Mrs. Sexsmith, referred in her address to the great privilege we had in the presence of so many missionaries. The meetings were presided over with ability and tact, the business being despatched with little loss of time. Mrs. McCraney, in a suitable and hearty address of welcome to the delegates, expressed a desire that we, in this Province, might be foremost in mission work. Mrs. Chapman, in replying, spoke of the pleasure she had at the cordial reception of the delegates.

Mr. Gardener, in a short address, referred to the good work that was being done in Victoria by our missionaries. They had many comfortable, Christian homes among the Chinese there, and the good work through these converted in Victoria had spread to China.

A very touching address was given by Mrs. Raley, of Kita-maat, which has more children, for its size, than any other place on the British Columbia coast. They had started a Home at their own expense, having twenty-three children in residence. Their school had been very successful, although they had to work under great disadvantages, and they hoped that their Home would ere long be as satisfactory as the one at Chilliwack.

On Tuesday afternoon a very interesting paper on "How best to interest Auxiliaries in our own work" was read by Mrs. (Rev.) C. Watson.

A paper on "The Lord's Tenth," read by Mrs. Nicolls, was followed by a short discussion on "Systematic-Giving."

Miss Buttimer gave an interesting account of the Princess Street Mission Band, and the various methods by which they raised money.

The Committee on Modes of Work urged the importance of each Auxiliary appointing one person to distribute leaflets and try to secure new members.

For the same reason, it was resolved to hold monthly missionary prayer-meetings and "at-homes." A Supply Committee was formed, composed of the following persons:—Mrs. Teague, Victoria; Mrs. Peers, New Westminster; Mrs. Shannon, Vancouver; Mrs. Wells, Chilliwack. Mrs. Nicolls was appointed District Organizer. The various collections amounted to \$33.30.

124 STATISTICAL REPORT OF BRITISH COLUMBIA BRANCH.

The shifting character of the population will account to some extent for the decrease in several of our Auxiliaries, but we believe where the missionary cause is laid on the heart there will be a corresponding sense of responsibility, which will result in earnest prayer and successful effort. God help us in the future to be "steadfast, unmoveable, always abounding in the work of the Lord!"

## SEPARATE AUXILIARIES.

### ST. JOHN'S EAST, NEWFOUNDLAND.

We are thankful to report that the past year has been one of the most successful in our history as an Auxiliary. Our monthly meetings have been unusually well attended, and have been both interesting and profitable. During the year mite-boxes were distributed amongst the members, from which source our funds were largely supplemented. We enter upon the duties of the coming year with renewed zeal, realizing that we are "workers together with Him."

Pres., Mrs. Burchell; 1st V.-Pres., Miss Bridgeman; 2nd V.-Pres., Mrs. Greaves; Rec. Sec., \*Mrs. Peters; Cor. Sec., C. March; Treas., Mrs. Saint Hill. Mesdames Morton, Storey, Reay, \*Burns, Bishop, March, Chaplin, Pippy, Woods, Leard, Adrian, Hudson, Campbell, Scott, Sparks, Tuck, English, Tait, Hutchings, Olsen, Johns, Soper, Dawe, Bemister, Robinson, Watson, Taylor, Martin, Trim, Codner, Babstock, Simmons, Noseworthy. Bumsey, Benson, Morgan, Taylor; Misses Squires, Mannel, \*Ida Burns.

### "GLADY'S" MISSION BAND, ST. JOHN'S EAST.

The "Gladys" Mission Band is still at work for the Master. Sick visitation during the past year has been of real help both to visited and visitors. Our "talent" money was devoted to a worthy cause, that of procuring nourishment for the sick in need, and of giving proper apparel to children detained from Sabbath School through lack of it. We have thirty-one names now on our roll.

### ST. JOHN'S WEST, NEWFOUNDLAND.

It is with pleasure and gratitude to the goodness of God that we come to the close of another year. Our Father's smile has rested upon us. Meetings held regularly every month; all most interesting, especially public ones; collections good; several new members. It is with a degree of sadness that we have lost as our President Mrs. Steer. Owing to trying afflictions, she felt it more than she was able to be, and could not longer fill so important and public a position in connection with our Society. May God's blessing rest upon her. Mrs. Steer has been President since ever the Society started.

We were delighted to hear through the year from Miss Hart, Japan, and our girl, O'Leyi Aruga. We have a very interesting and flourishing Mission Band.

## WINNIPEG, GRACE CHURCH.

The Grace Church Auxiliary is glad to report a successful year. The entertainments held have been of an instructive nature and were generally appreciated. The Auxiliary welcomed with joy Miss Hargrave, who, after five years of faithful labor in Japan, was permitted to return in safety to her home for a well-earned rest.

9. Have you a knowledge of music, either vocal or instrumental?
10. What is the condition of your health?
11. Are you engaged to be married?
12. Have you ever been married? If so, is your husband living?

## INSTRUCTIONS TO MISSIONARIES.

They shall incur no expense during the year to be met by this Society for which estimates have not previously been submitted to, and approved by, the Board of Managers at its Annual Meeting, or by its Executive Committee.

They shall credit to the Society all donations received for the support of their work, and annually report the same with their financial statement.

All solicitations for funds for special work must be made through the proper official authorities, and missionaries are requested not to apply to private sources for aid for support of their work.

A medical missionary shall keep an itemized account of all receipts and disbursements. Such receipts may be used for necessary expenses in the medical work, and any surplus shall be credited to the Woman's Missionary Society, and her medical outfit shall be the property of the same.

We recommend that, when practicable, such arrangements shall be made for the duties of our missionaries, during their first year's service, as shall allow them considerable time for the study of the language, and that during the first year of service their salaries shall be two-thirds of the fixed salary. But medical missionaries shall from the first receive full salary.

Our missionaries to foreign fields shall be allowed one hundred dollars (\$100) for personal outfit, and \$100 for house furnishings, when necessary—the latter to be the property of the W. M. S.

If there prove manifest unfitness for missionary labor, the Board of Managers may cancel its obligations to a missionary whom it has appointed—three months' notice having been given to such appointee by the Board or its Executive; return expenses to be paid by the Society, provided she return at the expiration of the three months.
