AUSTRALIAN PACT NOT LIKELY SOON

Some Consideration Expected to be Given at Present House Session.

OTTAWA, June 19—While the Prime Minister's announcement here yesterday indicates some consideration of the Australian trade pact during this session, it is believed that agree-ment cannot come into full effect at once, unless the Dominion government introduces legislation to increase the tariff on several commodities affected by the agreement. This increasing legislation, it is stated, unofficially, will not likely be brought down this year, the annual budget having been disposed of long ago.

of long ago. Since some of the proposals in the Canada-Australia treaty implies an in-crease in the Canadian tariff, it is be-lieved therefore that the agreement will be only partially ratified at this session of Parliament.

YORK GIANTS BREAK LOSING STREAK AND DEFEA Thousands of Rowing Enthusiasts Gather For Big Aquatic Regatta FIRST VICTORY

IN SEVEN STAR Took 13 Innings To Win-Gain On Pirates

10

NEW YORK, June 19-Giants and Robins are making desperate efforts to regain lost ground before the trips west

President Robinson of Brooklyn oc-cupied the bench yesterday as the skid-ding Dodgers spiked the winning streak of the Pirates, 6 to 2. Dazzy Vance fanned seven Pirates, bringing his strikeout list to 90 in 99 innings.

Brooklyn Gaining.

After losing six straight, the Giants came out on the long end of a 4 to 8 score, in a 13-inning brush with the

score, in a 13-inning brush with the Reds, which widened the distance from the Pirates to two and one-half games. Brooklyn now is within half a game of the Reds, who hold third place. The Phillies tasted a 5 to 1 victory over the Cubs after having lost 11 games in a row. Jimmy Ring limited Chicago to five bingles. The Cards had a 4 to 8 triumph over the Braves. It was the sixth consecu-tive win for St. Louis.

Had Perfect Day.

Cobb had a perfect day at bat with four clouts, one of which went down for his tenth homer, as Detroit tagged another defeat on the Yankees, 6 to 3. Four runs in the ninth inning shat-tered an even score and Cleveland bowed before the Mackmen, 6 to 2. Umpire Geisel was carried from the field, after being hit on the instep by a foul tip. foul tip.

Players Are Traded.

Everett Scott, late of the Yankees, made his debut in a Washington uni-form at short. The champions lost to be Browns. 9 to 6. Southpaw George dogridge and Catcher Walter Hargrave of the Senators have gone to the Browns in exchange for Catcher Hank Severeid.

Along The Sport Trail THE PROPOSED elimination race to select a representative for Saint John at the Canadian National Regatta at St. Catharines

is certainly causing a stir among lovers of this sport. Speculation is rife and from all indications some money is bound to change hands when the trio of single scullers meet. Hilton Belyea, former Canadian and United States National champion, has a host of friends who are eager to back him to win, while others are picking Harry Giggey, present Maritime champion, who has the advantage of youth in his favor. Again there are some who want to place an odd greenback on a sculler named Jack Ward, who is said to be a real "find." In addition to this big senior event there is some rivalry being worked up between Willie Logan, Anthony Belyea and Grenville McCavour. Many of those "in the know" say to watch young Belyea, while others are confident of their favorites winning. There is one thing certain if the races materialize they will be teeming with interest.

AN EFFORT to keep alive interest in harness racing is a

commendable one and deserves the support of fans in general. This sport, if conducted along proper lines, is thrilling. In other centres it is one of the most popular of all summer

THE RESULT of Gertrude Ederle's attempt to swim the English

Channel late in July or early in August will be awaited in Saint John with more than ordinary interest due to the fact that she is so well known to local followers of aquatic sports. This 19 year old mermaid only recently established a new world's record for 150 yards and is now bent on winning the honor of being the first woman to swim the channel. She will start training as soon as she arrives in England so as to get accustomed to the cold, turbulent water and strong currents. It will be recalled that Annette Kellerman, the famous swimming star, failed in an attempt to swim the channel. In 1928 Harry Sullivan was the first citizen of the United States to successfully accomplish the feat and a week later Tirabocchi swam from Calais to Dover.

TO WIN CLASSIC OVER HAR Oarsmen In Crimson,

Conceded a Chance To Win

NEW LONDON, Conn., June 19-More than 50,000 rowing enthusiasts were assembled here today for the 58th regatta of Harvard and Yale Universities on the Thames River.

Odds On Yale.

For the first time since a Harv rd eight last won the classic in 1920, the Crimson oarsmen are conceded a chance to win the varsity event. The betting odds favor Yale at six to five, but there is plenty of Harvard money.

Conditions. Are Ideal.

All crews were pronounced fit after final workouts yesterday. The Blue has a slight edge in weight in the Varsity event, averaging 180 pounds to the man against 178 for the Crimson. The four-mile grind upstream will start at five p.m. castern standard time. The pre-liminaries will be the Freshman and Junior Varsity races at 945 and 10 30 Junior Varsity races, at 9.45 and 10.30 a.m. respectively over a two-miles course downstream. Bright sunshine and calm in the early hours gave promise of ideal conditions for the big race.
