ST. JOHN, N. B., TUESDAY, MARCH 3, 1914

TEN PAGES—ONE CENT

New York Loss By Storm Millions

Fifty Thousand Men Clearing Streets and Tracks

THIRTY-SIX HOUR BLIZZARD

Famine in Some Lines Was Threatening But Change Has Averted It—In Philadelphia and Vicinity Storm Toll Was 11 Lives

(Canadian Press) New York, March 3.—New York to-day began to dig itself out of the snow. The weather is fair and the temperature rising with warmer days in prospect to aid the army of snow shovellers at work in the streets and on the railway in the storm area. With a foot of ice and snow packed hard upon the heavy coating of snow left by the two previous storms, the city today is assuming something like normal conditions after thirty-six hours of blizzard weather. The removal of snow from streets and sidewalks is the chief occupation of practically every person not otherwise employed.

It was estimated that in New York and vicinity, including the employees of the railroads an army of 60,000 men is engaged in raising the snow embargo.

Transportation Better Street car and railroad traffic improved today. All trunk lines with terminals in New York, Jersey City, Hoboken and Westchester began moving trains to distant points for the first time in two days and hundreds of passengers marooned in stations resumed their journeys. Commuters who were kept away from their business yesterday, were able to leave their homes today.

Mails that have accumulated began moving and the local telephone service was almost normal. With the resumption of railway traffic, the threat of milk and meat famines passed, and it was believed that the supply of coal would be sufficient because of warmer weather. Difficulty in moving several days, especially among the poorer classes, inability to make deliveries also created a shortage of beef. This condition was not expected to continue long.

The storm caused much trouble to shipping, the harbor being filled with ice, while the almost constant high winds menaced all vessels. In-bound liners which had been waiting at the outer harbor, ventured out yesterday and today. Off Fire Island yesterday, eight barges, laden with coal, were adrift by tugs towing them. Each had four men aboard, and it was feared they would drag anchor and dash to pieces on the shoals.

The tugs are standing by to pick up the barges as soon as the weather moderates sufficiently. Loss is millions. The loss to business, in business railroads and the city and public and private corporations and companies for snow removal, will run into the millions. Wire communication with points north and west, while far from normal, has improved today.

The danger of a conflagration here has been the greatest in years, owing to fire alarm telegraph system being interrupted in some sections. Seven fire-dreaded men were assigned to patrol the unprotected districts yesterday.

The first serious street car accident of the storm here occurred late last night when a trolley snow sweeper ran into the rear platform of a surface car. An unidentified man was crushed to death and two persons were injured. One telegraph company's loss is estimated at \$300,000 for this vicinity.

Refused 20 Cents An Hour While the city, railroads and private companies are seeking men to remove snow, there are nightly meetings by small groups of self-termed unemployed, who assert their need of food and a place to sleep. Last night in St. Mark's Protestant Episcopal church, 200 of these men were fed and offered work at twenty cents an hour shovelling snow. They refused to work at that price, demanding fifty cents an hour.

Representatives of labor unions and socialist and fraternal organizations met last night and arranged for a general conference tomorrow night, when plans will be made to assist the unemployed. Arrangements also were made for a mass meeting of the unemployed at noon on Saturday in Union Square.

Eleven Deaths Philadelphia, March 3.—Eleven deaths this due to the storm were reported from this city and nearby sections. Four (Continued on page 7, seventh column).

WEATHER BULLETIN Issued by authority of the Department of Marine and Fisheries, H. F. Stupart, director of meteorological service.

Synopsis—Pressure is highest over the Middle Pacific States and still very low over the maritime provinces. The storm is now practically subsided from Ontario to the Atlantic coast, while in the west the weather remains fair and mild.

Rain or Snow Maritime—Strong breezes to moderate, northerly; occasional rain or snow.

Heavy Storm Delays I. C. R. Traffic Maritime Half Day Late—Sixty Mile Gale Between Campbellton and Lewis

(Special to Times) Moncton, N. B., March 3.—Traffic on the Intercolonial particularly on the northern division has been seriously interrupted by the storm. The maritime express due here at 7:15 this morning is reported twelve hours late. A fast freight met with an accident yesterday between Lewis and Hiram. Du Loup. Three cars left the track and were replaced with difficulty. There is heavy snow along the Transcontinental and traffic is tied up. A snow plow left here last evening to clear the line.

SIR EDWARD GREY ON MEXICAN SITUATION

London, March 3.—Sir Edward Grey, the British foreign secretary, made an important statement on the Mexican situation in the House of Commons today. In reply to a question as to the investigation of the death of William S. Benton, Sir Edward said in part: "All the efforts that have been made hitherto have failed to secure an investigation into the facts respecting the death of Wm. S. Benton. The persistent difficulties put in the way of such an investigation create the strongest presumption of a crime and an intention to conceal the truth on the part of those in Mexico who are responsible for what has happened."

"Communications with the government of the United States are still proceeding, but I would repeat what I said last week that these communications do not imply that the government of the United States has any respect for any action that the United States is prepared to take to secure justice, we have no title to demand as a right that the United States should itself resort to force."

"One can demand that another government should go to all lengths to secure reparation for a crime only when one holds that the crime has been committed. While, therefore, we welcome any action that the United States is prepared to take to secure justice, we have no title to demand as a right that the United States should itself resort to force."

CONDENSED DESPACHES

The Chinese government has served notice that rebel agents are putting on the market unauthorized bonds, purporting to belong to the recent issue of the 8 per cent. Nanking military loan. Arguments both for and against giving women the right to vote, were made before the house judiciary committee in Washington today. There were prominent speakers from all parts of the country.

A woman's jury at Fisk, Ga., declared that Lee Quen, whose throat was slashed in his laundry adjoining the post office, was killed by unknown persons.

Cardinal Kopp, the highest dignitary of the Catholic church in Germany, is seriously ill. He is 77 years old. His last sacraments were administered yesterday.

Cardinal Parley is to go to Rome after Easter.

THE LATE MRS. MARKHAM Vancouver World, Feb. 24.—Friends from coast to coast sincerely mourn the death of Mrs. Markham, the wife of Col. Alfred Markham, of Strathcona, which took place in Nicola street hospital on Saturday morning. Though in feeble health for some time, Mrs. Markham's condition did not cause alarm until about two weeks ago, when her physician recommended her removal to a hospital near her daughter's residence. Mrs. Markham was the daughter of John E. Fumham, a well-known manufacturer of St. John, N. B., where the deceased lady spent her early years.

Besides Colonel Markham, a son and daughter accompanied her husband to Vancouver. Mrs. J. B. Secord still lives in St. John; and Capt. Ralph Markham, Mrs. J. J. Fote, Mrs. Philip Betterton and Miss Edith Markham, of this city, are left to mourn their loss. Rev. Prof. Trumpener, of Latimer College, relative of Mrs. Markham, conducted the funeral services from Harmon Bross' undertaking parlors, 1034 Granville street, at 10:30 o'clock Monday morning.

TAKEN TO DORCHESTER Giovanni Bombacci, an Italian, who broke into A. V. Peterson's store in Main street, and Simon Landry, who robbed a young woman in Canterbury street were taken to Dorchester this morning in charge of Turney G. P. Cunningham. They will both be lodged in the penitentiary to serve two years each.

ROUT OFFICIALS OUT OF BED TO FILE FREEDERICK NOMINATION

(Special to Times) Fredericton, N. B., March 3.—At eleven o'clock last night George Macknight was nominated as alderman candidate for Kings Ward in opposition to Ald. W. G. Clark and John A. Reid. City Clerk McCready and City Treasurer Perkins were routed out of bed to receive the nomination papers. This makes contents in three out of five wards. The contingencies committee of the

legislature met this morning and voted the usual adjournment to members for postage, stationery, etc. The board of trade next week will devote some attention to the city's housing problem.

The Farmers' and Dairyman's Convention is being held in the city. The exhibition building during a demonstration in judging of dairy cattle was given. Nelson Everleigh and others took part in a discussion which followed.

Washington, D. C., March 3.—With a record thirty-seven years of faithful service to his credit as a messenger and door keeper in the office of the secretary of the navy, during which his superiors became very much attached to him, William H. Wilkes, aged seventy-one, died here last night. He was one of the oldest government employes and had received many testimonials from secretaries of the navy.

THE OUTLOOK FOR BUILDING IS CHEERFUL

With the approach of milder weather builders are beginning to discuss the prospects for construction work during the coming season and at present the outlook is regarded as encouraging. Last year considerable work planned was held up owing partly to the scarcity of money and also because of the uncertainty regarding the price of labor. It is believed that conditions will be more settled during the coming season and this will make building less of a gamble.

MURDEROUS BLOW ON DAY HE LANDS

Young Scotchman Killed by Man He Met on Ocean Voyage—Wife and Babies Left on Pier Campbellford, Ont., March 3.—A terrible catastrophe occurred early this morning at Henly Falls, six miles north of here, when two Austrians, Peter Bonavent and his wife, were burned to death in a fire which destroyed their boarding house. Twenty fellow countrymen employed in power construction, were occupants of the house and escaped in their night clothes. About 1:30 a. m. Bonavent discovered the place to be on fire and hastened to arouse the inmates and give the alarm. His then re-entered the burning building for his wife, but the fire had gained such headway that their escape was cut off and only the charred trunks of their bodies were found in the ruins.

YOUNG SCOTCHMAN KILLED BY MAN HE MET ON OCEAN VOYAGE—WIFE AND BABIES LEFT ON PIER

Newton, Mass., March 3.—The death of William F. Chapman at the home of his wife's sister, Mrs. Sarah G. Corbett, here brought to light the sad fate of an ambitious Scotchman who was waylaid by a supposed friend in New York on Nov. 19, receiving a fractured skull, which was the direct cause of death.

MINE FLOODED; SEVEN MEN DROWN

Brussels, Belgium, March 3.—Seven miners were drowned today in a mine at Braquegnies, by the bursting of a subterranean stream into one of the galleries. The danger signal was promptly sounded throughout the mine and hundreds of employes escaped.

MAY TAKE SOME BOOKKEEPING TO MAKE HIS STATEMENT GOOD

Hon. Mr. White Would Like To See Expenditures Show Less Than Revenue (Special to Times) Ottawa, March 3.—A statement attributed to Hon. Mr. White, finance minister, that the revenue of the present fiscal year will meet all expenditures on both current and capital account for the year should be taken with a grain of salt. The total revenue for the year ending with the present month is expected to be about \$169,000,000. The total expenditures, exclusive of railway subsidies, and the special statutory appropriations of last session, will, according to present indications, exceed that amount by some \$10,000,000.

MISS MAY E. TURNBULL PASSES AWAY IN DIGBY

(Special to Times) Digby, N. S., March 3.—Miss E. Turnbull, eldest daughter of the late George Henry and Emma Turnbull, died at the home of her brother, A. E. Turnbull, last night of typhoid pneumonia, aged thirty-five years. She was a member of the Methodist church, the Epworth League, and one of the librarians of the Sunday school. Her death is keenly felt by her relatives and friends and will cause a vacancy which will be hard to fill.

MOTOR CYCLES FOR FIREMEN

Hamilton, Ont., March 3.—Fire Chief Ten Eyck is planning to add a squad of motor cyclists to his department, figuring on sending out to each fire a dozen or more firemen on motor cycles ahead of the regular apparatus so as to clear the way. The squad will also act as a special police force.

THIRTY-SEVEN YEARS SERVICE IN CAPITOL

Washington, D. C., March 3.—With a record thirty-seven years of faithful service to his credit as a messenger and door keeper in the office of the secretary of the navy, during which his superiors became very much attached to him, William H. Wilkes, aged seventy-one, died here last night. He was one of the oldest government employes and had received many testimonials from secretaries of the navy.

GIVES LIFE TRYING TO SAVE WIFE Fire Burns Boarding House -- Proprietor Rushes Back to Save Wife; Both Perish

Campbellford, Ont., March 3.—A terrible catastrophe occurred early this morning at Henly Falls, six miles north of here, when two Austrians, Peter Bonavent and his wife, were burned to death in a fire which destroyed their boarding house. Twenty fellow countrymen employed in power construction, were occupants of the house and escaped in their night clothes. About 1:30 a. m. Bonavent discovered the place to be on fire and hastened to arouse the inmates and give the alarm. His then re-entered the burning building for his wife, but the fire had gained such headway that their escape was cut off and only the charred trunks of their bodies were found in the ruins.

CALGARY FIRE BURNS AUTOS WORTH \$40,000

Calgary, March 3.—Forty thousand dollars worth of automobiles owned by twenty individuals were destroyed last night when the Mount Royal storage garage was burned. The building was an old frame structure probably worth \$20,000. The loss is fairly well covered by insurance.

HOME RULE ANNOUNCEMENT FOR ST. PATRICK'S DAY

Redmond Would Like It—New Declaration Milder Than Ulster Covenant London, March 3.—T. P. O'Connell, John Dillon and Joseph Devlin had long interviews with the prime minister yesterday and the inference is that the Irish leaders met to confer on the government's proposals with regard to Ulster. Mr. Redmond is anxious that the announcement of the government's proposals should coincide with the St. Patrick's day celebrations.

WHITE SLAVE CASE IN TORONTO; TWO ARRESTS AND MAY BE MORE

Toronto, March 3.—Charged with attempting to procure a young Russian girl, Samuel and Annie Carnwiler, alias Cohen, were arrested yesterday afternoon. Cases of this nature are said to be prevalent in the old St. John's ward of the congested foreign quarter near the city hall. There may be more arrests if the police are diligent.

FRENCH SAILORS VICTIMS OF CANNIBALS IN NEW HEBRIDES

Sydney, N. S. W., March 3.—Three French sailors from the French letch Godouville were eaten by natives of Malakula, New Hebrides, recently according to the story of the master of the vessel, received here today.

ROYAL GEORGE TOMORROW NIGHT TO BE LABOR MEN

Vancouver, B. C., March 3.—Speaking to the members of the government regarding the federal appointment of three new senators for British Columbia, the premier, Mr. Bennett, said that he had selected from the ranks of labor, was introduced by Parker Williams, a Socialist member. Mr. Bennett said that the suggestion would be taken into consideration.

NEW UNIFORMS AND NEW CODE FOR W. U. SPEED BOYS

The Western Union messenger boys have been furnished with new uniforms and caps and present a very neat appearance in their spring suits. The uniform is of dark blue with light blue facings with the monogram of the company on the sleeve and the letters W. U. on the brass buttons. The caps are of the modern military peaked style with plate in front bearing the name of the company and the arrow indicating the swiftness of the messengers. The plate also bears the messenger's number so that he may be identified easily if he happens to be lost or mislaid.

SAND POINT ACCIDENT

Martin Templeton, a trucker in No. 1 shed, Sand Point, received painful injuries last night about 11:15 o'clock, which will confine him to the house for some time. He was crossing one of the iron piles in the shed when he slipped and the truck which he was wheeling fell heavily on his left foot. He was hurried to the Emergency Hospital where he was attended by Dr. F. L. Kenney and then taken to his home in Brussels street in a coach.

He May Yet Take Drastic Action

Wilson Does Not Think Time For That Yet Here CALM AND PATIENT COURSE Certain eventualities, however, will mean a change—Something Depends on Britain's Attitude—Meanwhile No View of Benton's Body (Canadian Press) Washington, March 3.—President Wilson revealed to those who discussed Mexican affairs with him yesterday that he fully realized the gravity of the situation resulting from the killing of William S. Benton, a British subject, the reported murder of Gustav Banach and Clement Vergara, American citizens, and General Carranza's denial of the right of the United States to look after the interests of foreigners generally in Mexico. The president spoke deplorably of armed intervention, but at the same time referred pointedly to the time and power of a country like the United States as being sufficient warrant for a calm and patient course, while compliance with the American demands was being sought.

Much Depends on Britain

Callers got the impression from the president that he was determined to try every peaceful means to solve the Mexican problem, but that he considered certain eventualities might mean a drastic course. He spoke with a firmness that his determination not to be stampeded into action by radical speeches in congress, but with a hint that when the necessity arose the American government could be expected to move decisively and effectively.

General Carranza's Declaration That Foreign Governments Should Address Themselves to the Welfare of Subjects Led to a Visit to Secretary Bryan by Sir Cecil Spring-Rice, the British ambassador, and Senor Riano, the Spanish ambassador. Both Great Britain and Spain have recognized the Huerta government, and there is every indication that the course will be continued, and it is clearly established that Carranza's manoeuvre will not lead the British government into any recognition of other dealings with him.

Sir Lionel Carrion, British minister to Mexico, reached Washington last night on his way to London. He was expected to see President Wilson today. Members of the Benton investigation commission, did not know today whether they were to proceed to Chihuahua or not to view Benton's body. They waited instructions from Washington. It is the belief of many here that if the body is not in an advanced state of decomposition, it probably has been mutilated by chemicals.

THIRTEEN DROWNED Went Down When Norwegian Bark Capsized in North Sea

Cuxhaven, Germany, March 3.—Thirteen members of the crew of the Norwegian bark Teaman perished yesterday in the North Sea when the bark capsized. A fishing steamer has reached here with six survivors.

DEBATE SOCIALISM THEN ASSAULT BY ONE ON OTHER FOLLOWS

Hartford, Conn., March 3.—After a debate on Socialism in Unity Hall, here last night, the debaters, Rev. Dr. John Wesley Hill and Rev. J. C. Hogan, of Monroe, N. Y., engaged in a heated argument in an ante-room, during which Doctor Hogan says Doctor Hill struck him with his fist. Friends separated the two and the police were called. No arrests were made.

During the debate the Rev. Dr. Hogan produced what was purported to be copies of court records of cases in which Doctor Hill had figured. The argument in the ante-room started, it is said, when Doctor Hill tried to secure possession of the documents to prevent publication.

DEATH OF GEORGE B. NORTHROP

George B. Northrop died yesterday at the residence of his son-in-law, Thomas Henderson, Golden Grove, aged eighty-eight years. Mr. Northrop is survived by three sons, Ernest, of Wellesley, Mass.; G. Ira, of Saskatchewan, and Von E., of Colorado. He also leaves one daughter, Mrs. Henderson.

THE REFINERY

E. G. M. Cape, Montreal, head of the E. G. M. Cape Co., Ltd., contractors for the superstructure of the Atlantic Sugar Refinery at the Ballast wharf, was in the city today, at the Royal. Mr. Higginson and Mr. Kent, of New York, architect and mechanical engineer for the works, were also in the city. Mr. Cape said he was well pleased with the progress of the work. He and the other two officials made an inspection of the building.

Mrs. Ross, wife of A. P. Ross, ex-M. L. A., of Cornwall, Ont., died on Sunday, aged 78.

"The Beverage of the Old Country"

For you who love good tea

—and who know how delicious a real English-blended tea can be—here is a famous tea just out from England—

**DICKESON'S TEA**  
The Beverage of the Old Country

Dickeson's Tea gives a rich yet delicate infusion, deliciously stimulating and exhilarating, because only choice young leaves from the finest growths of Indian and Ceylon tea are selected. These are then accurately blended in order to give the most perfect results.

PACKED in light, silver pure aluminum packets, air proof and damp proof, preserving all the exquisite qualities of this favorite beverage of the Old Country. Ask your grocer.

DICKESON'S TEA is the BEST TEA.

The Original Aluminum Packets

Stock: Dickeson & Co., Limited, London, Eng. (Est. 1849)

**POTATO RULES IN FORCE NOW IN MAINE**

Regulations Adopted For Inspection of Aroostook Shipments to go into Effect

(Bangor Commercial)

August 28, 1913—Hon. John A. Roberts of Norway, commissioner of agriculture, returned Saturday from Washington where, with Dr. Charles E. Woodworth, director of the Maine Experiment Station at Orono, and William A. Martin of Houlton, a prominent potato grower, he conferred with the federal agricultural board in relation to the powdery scab potatoes in Aroostook.

The officials of the agriculture department informed this committee, which was appointed by Governor Haine, that there would be no quarantine for the present and that the state inspection will be aided from Washington.

The horticultural board at Washington will send four plant pathologists into Aroostook county at once to work in conjunction with the state department. Rules adopted by the state department were accepted by the authorities at Washington. These rules are as follows:

**RAILROADS**

(1) To agree definitely to accept for carriage only potatoes that are certified by the proper authorities of Maine.

(2) To report daily to the commissioner of agriculture of Maine and the federal horticultural board of Washington the origin, the car number and the destination of the car, indicating whether the potatoes are for seed or for table purposes.

(3) In case knowledge comes to the railroad later of any diversion as to the destination of these cars both the commissioner of Maine and the federal horticultural board shall be notified as soon as that information comes to their knowledge.

(4) The railroads are to load potatoes only from regular houses and not directly to the vehicles.

The state of Maine will inspect all potatoes for shipment at the warehouses. Certification of seed only such as are believed as a result of inspection to be free from powdery scab or from contamination with powdery scab.

All such potatoes to be shipped in sacks with label showing number of certificate to be attached to each sack. All potatoes under any suspicion of contamination will be certified for table stock only and no potatoes infected with powdery scab will be certified for shipment out of the state.

**CERTIFICATION**

Reasonable effort will be made by the Maine authorities to secure the disposal of possible contaminated potatoes at such centres of consumption as will eliminate as far as possible the use of such potatoes for seed stock.

**RECENT WEDDINGS**

The marriage of F. H. Colpitts of Moncton to Mrs. F. E. Freeman of Moncton, took place in St. John on February 26. Rev. W. H. Barreclough, R. A., officiating. Mr. and Mrs. Colpitts will reside in Moncton.

The wedding of Joseph C. Dever, C. E., formerly of Fredericton but now of Vancouver, B. C., and Miss Clarence Theresa Flanagan, daughter of Mr. and Mrs. James Flanagan of Moncton took place in Vancouver on February 20.

**ENGAGEMENT ANNOUNCED**

The engagement of Archie Shaw, of Woodstock, N. B., and Miss Mary Johnson, Los Angeles, Cal., is announced.

**HERPICIDE IS THE "ORIGINAL DANDRUFF GERM DESTROYER"**

Just because you happen to see or hear the statement somewhere that another preparation will kill the dandruff germ, stop falling hair and is just as good as Herpicide, don't be fooled and allow yourself to be swindled out of your money.

You want Newbro's Herpicide, the remedy that has been tried, has stood the test of time and now has more satisfied users than all other similar preparations combined. An attempt to sell you something else is merely another effort to profit from the good name established by the only genuine dandruff germ destroyer.

Herpicide adds gloss and beauty to the hair, keeps the scalp free from dandruff and prevents the hair from falling out. It stops itching of the scalp almost instantly.

It may be claimed that other hair remedies will do the same things, but Herpicide really does them. Its years of success prove this.

Send 10c in postage or silver for sample and booklet to The Herpicide Co., Dept. R, Detroit, Mich.

Newbro's Herpicide is 50c. and \$1.00 sizes is sold by all dealers who guarantee it to do all that is claimed. If you are not satisfied your money will be refunded.

Application may be obtained at good barber shops.

Instantaneous Lunch, Invigorating.

The Food-Drink for All Ages—Highly Nutritious and Convenient

Rich milk, with malted grain extract, in powder form—dissolves in water—more healthful than tea or coffee. Used in training athletes. The best diet for Infants, Growing Children, Invalids, and the Aged. It agrees with the weakest digestion.

Ask for "HORLICK'S"—All Chemists, Hotels, Cafes and Stores.

Don't travel without it. Also keep it at home. A lunch in a minute. In Lunch Tablet form, also, ready to eat. Convenient—nutritious.

**WHITE SLAVERY A VAST BUSINESS**

Commission Reports to Massachusetts Legislature

**RESULTS OF INQUIRY**

No Other Law Violation so Widespread and Open—Financial Profit, It is Declared, is the Principal Reason For Traffic

Boston, Mass., March 2.—The financial profit of the business of prostitution is the principal reason for its existence and continuance. Other forms of criminal offense or violation of law so flagrant and open and so harmful to the community would be tolerated for a day in this state.

These declarations are made in a report submitted to the legislature by a commission appointed by the government and council under a resolve passed by the last legislature, to investigate the white slave traffic, so called in this state. The members of the commission are Walter E. Fernald, Chas. W. Birtwell, Lucia L. Jacquith and Edwin Mulready.

The commission has conducted an investigation in seventy-nine cities and towns including all the large cities and the more important ones. It has held women under arrest or serving sentences in penal institutions and reformatories. The commission has also held a series of public hearings in all the cities. "While the officials in no city in the state have openly adopted the policy of segregation and toleration," says the report, "yet it is a fact that in certain cities there are streets where there are many houses of ill fame. In these cities the business is conducted in much the same way as in cities in other states where segregation and toleration is the accepted policy.

"In the larger cities the most flagrant aspect of prostitution is in connection with certain cafes and saloons. These places are known to be enormously profitable from a commercial point of view. The police take the position that they have no right to interfere if the letter of the law is observed, but it is difficult to understand why these immoral cafes and saloons are tolerated as the licensing authorities have full power to cancel the license. There is an intimate connection between certain phases of the liquor traffic and prostitution. It is probable that the men engaged in legitimate liquor business would co-operate to dissuade this alliance in Massachusetts.

"The commission has received no evidence which would show that any organization exists in this state for the purpose of trafficking in women for commercial purposes. Nevertheless the report says millions of dollars are invested in the traffic, and that prostitution in all its ramifications constitutes a vast business extending all over the state.

"The commission has no knowledge," the report says, "of any organized connection of the police with the business of prostitution in most of the large cities in the state. In some instances revealed in recent vice investigations in other states."

The commission declares the danger in unregulated lodging houses, public dance halls and recreation parks.

The commission has found "widespread evidence of a strong public sentiment against the continuance of conditions it has found to exist in this state. It presses the conviction that 'this evil is susceptible of successful attack and eradication by the people of this state. The fact that one-half the women examined were actually feeble-minded,' the report says, "clearly shows the need of successful treatment of this portion of this class. The mental status of prostitutes under arrest and such of them as are found to be feeble-minded or defective delinquents should be placed under custodial treatment. The recognition of feeble-minded girls at an early age in the public schools and proper provision for their protection in the community or custodial care in an institution would prevent much of the observed immorality among young girls and the resulting temptations to boys."

The commission commends the appointment of "well qualified women with the proper authority as adjuncts to the police systems of the larger cities to aid in reaching and influencing 'reckless and unrepentant girls' who are the cause of much of the health care cognizance.

The commission submits acts embodying its recommendations for the suppression of houses of ill fame, for better supervision of hotels, lodging houses and dance halls, for control of cafes and saloons and for the facilitation of law enforcement.

**It is of Interest To Every Woman**

**HOW DODD'S KIDNEY PILLS CURED MRS. LANCE.**

Pembroke, Ont., March 2.—(Special) Of peculiar interest to women is the story of the cure of Mrs. Morlie Lance, well known and highly respected here. Let Mrs. Lance tell that story in her own words.

"For about fifteen years I was a very sick woman," she says. "My sleep was broken and unrefreshing and I had a bitter taste in my mouth in the morning. I was often dizzy and flashes of light floated before my eyes. My limbs were heavy and I had a dragging across the loins. At last rheumatism was added to my troubles and I also suffered from lamboago. I felt that I was getting on my knees and decided to try Dodd's Kidney Pills. From almost the first they did me good, and after taking twelve boxes I am again a well woman. Women who suffer should learn that the cause of their troubles is bad kidneys. Having learned that, the rest is easy. Thousands of Canadians will tell you out of their own experience that Dodd's Kidney Pills always cure bad kidneys."

**MILLIONS SOME DAY FOR THIS LITTLE GIRL**

New York, Mar. 2.—Mr. and Mrs. Howard Price Benbow of 118 East 28th street are receiving congratulations on the arrival of a daughter, Mrs. Benbow having been born on Feb. 27, at a \$15,000,000 home, and daughter of Mrs. Cyril P. E. Dugmore, who now becomes the beautiful Miss Lilla Gilbert, a \$15,000,000 heiress, and mother of the Duke of Marlborough, who married Consuelo Vanderbilt.

**BREAK WHISKY'S GRIP ON YOUR LOVED ONES**

Drunkards will tell you with the assurance that they do not want to drink. The craving coming from the inflamed membranes of the stomach drives them to it.

Alcure will soothe the trembling nerves and remove the craving that is ruining your home and stealing an otherwise kind husband or father from you. It costs only \$1.00 per box and if it does not cure or benefit after a trial it is refunded.

Alcure No. 1 is tasteless and can be given secretly in Tea, Coffee or food. Always can may be obtained at our Store. Ask for Free Booklet telling all that Alcure can do for you.

E. Clinton Brown, druggist, St. John, N. B.

**"THE SERVANT GIRL PROBLEM"**

Here's a Proposal to Have Working Hours Regulated

Philadelphia, Mar. 2.—The passage of a law regulating the hours and working conditions of cooks, nursemaids and other home servants, in addition to the women workers now protected by legislation, was advocated at a meeting of the State Industrial Commission here. Manufacturers, labor leaders and representatives of various societies interested in child and woman labor legislation were present, and many suggestions were made.

William P. Long of Pittsburgh, president of the State Laundresses' Association, declared that "it is inconsistent for the law to protect the girl in the factory and permit the domestic to be 'worked to death.'"

James Maurer, president of the State Federation of Labor, said it would be better for a girl to work twenty hours a day in a factory than ten hours in some household "with a nagging mistress and children getting on her nerves."

Mrs. R. P. Bradford, a social worker, said that girls are "worked to death" in homes, and contended that the house servant has more money at the end of the year than the factory worker who receives twice as much money.

**ANYONE CAN DYE THEIR CLOTHES WITH DYOLA**

The Dye that colors ANY KIND OF CLOTH PERFECTLY, WITH THE SAME DYE.

No Chemicals. Clean and Simple. Ask your Druggist or Dealer. Send for Booklet. The Home-Made Dye Co., Limited, Montreal.

**WHAT IS MENTHO-LAXENE? WHAT IS IT COMPOSED OF?**

Why Does it Surely Check Colds, Overcome Coughs and Banish Catarrh So Quickly?

21-2 Ounces, Concentrated, Will Make a Pint of Effective, Home Made Remedy.

Mentho-Laxene, a pure essence, is composed of Japanese anethol, Wint Cherry, Tolu, Grindella, Anionium Chloride, and alcohol, to retain all in solution. The proportions are just right and the action is almost scientific—so near so that we guarantee money back, where the results are not satisfactory. You can just take one dose, and once you feel the beneficial effect, it goes right to the roots that are inflamed and morbid—you actually feel penetrating the passages by inhalation, and then it keeps up the good work through the stomach, bowels and blood. The cold, cough and catarrh quickly disappear to your great relief. Send for a bottle now—your druggist has it or can get it.

**FEDERATION'S COUNCIL**

Fredericton, N. B., March 2.—(Special) Nominations for the civic elections to be held here on Monday next closed tonight. Six aldermen are elected by acclamation. Confests will take place in two wards and for the mayoralty. Those placed in nomination are as follows:

**LIVER PILLS**

Sugar-coated and all vegetable. Dose, only one pill at bedtime. For constipation, bilious headache, indigestion, Ager's PILLS. Sold for 60 years. Ask Your Doctor.

**APOLISTEED PILLS**

For the relief of all forms of constipation. Recommended by the Medical Faculty of the University of Toronto. No harmful ingredients. Sold for 60 years. Ask Your Doctor.

**Try This Home-made Cough Remedy**

Costs Little, But Does the Work Quickly, or Money Refunded.

Mix two cups of granulated sugar with 1 cup of warm water, and stir for 3 minutes. Put 3/4 ounces of Pinex (fifty cents worth) in a 16-ounce bottle; then add the Sugar Syrup. Take a teaspoonful every one, two or three hours. You will find that this simple remedy takes hold of a cough more quickly than anything else ever used. Usually ends a deep-seated cough inside of 24 hours. Splendid, too, for whooping cough, croup, chest pains, bronchitis, and other throat troubles. It stimulates the appetite and is slightly laxative, which helps end a cough. This recipe makes more and better cough syrup than you could buy ready made for \$1.00. It keeps perfectly and tastes pleasantly. This plan of making cough syrup with Pinex and sugar syrup is the most valuable concentrated compound of Norway white pine extract, and is rich in vitamin as all the medicinal plants and Canada that it is often initiated. But the old, successful formula has never been equaled. A guaranty of absolute satisfaction or money promptly refunded, goes with this recipe. Your druggist has Pinex or will get it for you. If not send to The Pinex Co., Toronto, Ont.

**Quality, Taste and Low Prices**

**FALLS HUNDRED FEET WITH DYNAMITE STICK**

Elk Lake, Ont., Mar. 2.—James Dunn, a miner at the Gowganda was killed the other day. He had loaded a round of hples, and was ascending in the bucket when the loading stick caught in the side of the shaft and Dunn was tipped out, falling to the bottom of the 100-foot shaft. An explosion occurred and Dunn's body was blown to pieces.

**LOW SPIRITS FROM WEAK NERVES**

Low spirits, depression, discouragement are a form of nervous disease. You worry over little things, and at the slightest ailment apprehend the gravest dangers and diseases. You form the habit of looking at the dark side of things. Indigestion is a frequent accompaniment, and you probably do not sleep or rest well. The cause of the trouble is to be found in the exhausted condition of the nerves. To get well you must build up the feeble, wasted nerve cells by use of such treatment as Dr. Chase's Nerve Food.

This great food cures nerve, rich blood, and thereby nourishes the nervous system back to health and vigor. There is nothing like new nerve force to bring back hope and confidence to the weak and discouraged. This treatment works in natural ways to restore health and, therefore, cannot fail to prove of benefit to you. Put it to the test and you will be surprised with the building-up influence that will result.

**PREMIER DECLARES THE MUNICIPALITIES MUST PAY**

Fredericton, March 2.—The house met at 8:45 p. m.

Mr. Baxter presented a petition in favor of a bill relating to the harbor of St. John; also a petition of the trustees of school district No. 2 in the parish of Lancaster in favor of a bill authorizing them to issue debentures.

Hon. Mr. Wilson presented the petition of the city of St. John in favor of a bill to consolidate the law relating to sewer and sewerage in St. John.

Hon. Mr. Fleming introduced a bill to amend the general statute act, 1912.

Hon. Mr. Clarke introduced a bill to legalize certain marriages; also a bill to amend a certain error in the municipalities act 3 Geo. V., 1912.

Hon. Mr. Fleming said that the government had no intention of changing the law passed at the last session providing that each municipality should pay \$1 a week for each of their patients in the provincial hospital. He said that a Nova Scotia each municipality paid \$2.50 head and he thought that \$1 per head was not an injustice.

The house went into committee with Mr. Woods in the chair, and agreed to the bills to legalize certain marriages and respecting the Jordan Memorial auditorium repairs.

Hon. Mr. Fleming, in explaining, said the latter bill provided for the payment of \$10,000 additional for permanent work at the institution. The amount of unpaid bills at the present was only \$2,000 and \$6,000. The amount provided for in the bill would be sufficient for all work now in contemplation. The house adjourned at 9:30 o'clock.

**SUFFERED EVERYTHING**

For Years, Restored To Health by Lydia E. Pinkham's Vegetable Compound.

Canadian women are continually writing us such letters as the two following, which are heartfelt expressions of gratitude for restored health:

Glanford Station, Ont.—"I have taken Lydia E. Pinkham's Vegetable Compound and never found any medicine to compare with it. I had ulcers and falling of womb and doctors did me no good. I suffered dreadfully for years until I began taking your medicine. I also recommend it for nervousness and indigestion." — Mrs. HENRY CLARK, Glanford Station, Ont.

Chesterville, Ont.—"I heard your medicines highly praised, and a year ago I began taking them for falling of womb and ovarian trouble.

"My left side pained me all the time and just before my periods which were irregular and painful it would be worse. To sit down caused me pain and suffering and I would be so nervous sometimes that I could not bear to see any one or hear any one speak. Little specks would float before my eyes and I was always constipated.

"I cannot say too much for Lydia E. Pinkham's Vegetable Compound and Liver Pills, for there are no medicines like them. I have taken them and I recommend them to all women. You may publish this testimonial." — Mrs. STEPHEN J. MARTIN, Chesterville, Ontario, Canada.

**Don't Put Off**

seeking relief from the illness—caused by defective action of the organs of digestion. Most serious illnesses get their start in troubles of the stomach, liver, bowels—troubles quickly, safely, surely relieved by

**INQUEST INTO FATAL FIRE AT GRAND UNION**

**Witness Tells of Unsuccessful Efforts to Save Lives—Jury Interested in Provisions For Exits and Fire Escapes**

The question of providing better equipment for guarding the lives of boarders at hotels in case of fire, was considered last night at the opening of the inquiry into the deaths of Frank Blanc and Alfred Johnston, who were suffocated last Tuesday night in the fire in the Grand Union hotel. Several witnesses were examined and an adjournment was made until Wednesday night, when it is probable that the inquest will be completed. Among other things, it is probable that the jury will recommend amendments to the law which provides for hotel equipment of this nature.

W. A. Wetmore questioned Factory Inspector Kenney concerning a plan in the city employing thirty girls, which he said, was not equipped with more than direct the guests to the fire escape. The inspector said he knew nothing of the case.

The coroner asked Mr. Kenney if he would consider himself responsible if a disaster should occur at that building as a result of its not being properly equipped for fire emergency. The inspector replied that he would consider himself responsible to some extent at least.

Coroner Roberts presided over the inquiry and the jury who heard the testimony of the witnesses was as follows: R. T. Hayes, foreman; W. H. White, Edward Bates, W. A. Wetmore, F. S. Thomas, James Lewis and R. J. Walsh.

Wm. McQuade proprietor of the hotel told of being summoned to the fire and descending the stairs to answer to the coroner he said he had had no person in charge of each floor, but thought it practicable to do so. He could accommodate seventy-five persons in the hotel.

With respect to the means provided for the boarders to escape in case of fire, the witness said that there was a rope in each of the rooms, sufficient length to reach to the ground. He said that there were no lights or anything else to direct the guests to the fire escape. The law did not require such, he said, but at the same time, he thought it a good idea. A fire man in the building to awaken the guests, he also thought a very practicable arrangement.

The witness said that no one had told him that the little Johnston boy was in his room, but he understood that the boy's mother had said so, in the other room before he had arrived. Mr. McQuade said that he was quite satisfied that the firemen and all concerned did their very best after the time he arrived. Several of the jury asked questions of the witness. In answer to one of them Mr. McQuade expressed it as his opinion that Le Blanc died of heart failure.

**Attempt to Rescue Lad.**

Ezzy L. Levers, a cook in Wanamaker's told of the young Johnston boy being at his house, near the hotel on the night of the fire. The boy had returned to his home about 9 o'clock, and about half an hour later the fire started. The witness said that he rushed into the hotel at once, because he knew the lad would be asleep. At the second floor, he said, he met a fireman, and told him of the boy being in the room. The fireman assured him he would do something, but he was not satisfied with the answer he went to Policeman Gibbs and told him the boy being in danger. The policeman, he said, told him that that was the salvage corps' work. Witness said he had seen similar evidence was given by the boy and Lucas had promised to find out about him. The witness said that he himself made several efforts to get beyond the first floor to rescue the boy but was held back by the firemen. He could not remember the names of the firemen he reported the matter to. The witness said that he did not get near enough to the actual blaze to judge whether it was possible or not to rescue the boy.

**THINKS THIS IS WORLD'S RECORD FOR STEAM SHOVEL**

Spokane, Wash., Mar. 2.—Moving 288,000 yards of earth and rock in thirty days, a steam shovel operated by the Oregon Washington Railroad and Navigation company in connection with its Spokane terminal work is credited by J. R. Holman, vice-president and chief engineer of the railroad, with breaking a world's record. The material was moved for a big fill being made parallel to the river in the west end of the city.

The company is handling here one of the largest pieces of construction work in the west, including a big steel bridge across the falls in the heart of the city, also a union passenger station to be shared with the Chicago, Milwaukee and St. Paul. Construction of the bridge will be started on March 1, and Mr. Holman believes the entire terminal work will be completed by June.

**TO BAR ARBOOSTOK POTATOES**

Fredericton, N. B., March 2.—The thirty-eighth annual meeting of the Farmers' and Dairymen's Association of New Brunswick opened tonight in the city council chambers with a large attendance. The sessions will continue three times daily, until Friday afternoon when the meeting will close. Demonstrations of various kinds will be given at the exhibition building during mornings and evenings.

A seed fair will be held there on Thursday and Friday.

President W. H. Moore delivered the opening address tonight. Mayor Hooper welcomed the visitors on behalf of the city of Fredericton; H. H. Smith responded on behalf of the association; Hon. J. A. Murray, M. P., minister of agriculture for New Brunswick, delivered the address of the evening in which he reviewed what his department had done and what it proposed to do.

In his address Mr. Murray dealt with the matter of the United States embargo upon Canadian potatoes, and said that the New Brunswick department of agriculture had opened negotiations with the department at Ottawa for an embargo to be placed on potatoes from Arboostok county, N. B., by Canada.

When a trolley running into Lowell was stalled in the snow one day recently several of the men passengers stopped a farmer who appeared from the direction of Lowell, driving a long wood sled, and made him drive them to town against his wishes. He later allowed that the 88 they gave him as fares was more than he had expected to earn that day.

**WEAKNESS AND PALPITATION OF THE HEART.**

When the heart begins to beat irregularly, palpitated and throbs, skips beats, and sometimes seems to almost stop, it causes great anxiety and alarm.

Many people become weak, worn and miserable, and are unable to attend to either social, business or household duties. Milburn's Heart and Nerve Pills are a specific for all weakness and heart disorders, and are recommended by us with the greatest of confidence that they will do what we claim for them.

Mrs. George Rurridge, Coboconk, Ont., writes—"Just a few lines to let you know what Milburn's Heart and Nerve Pills have done for me. I have been troubled with weakness and palpitation of the heart. I tried many remedies but got none to answer my case like your pills did. I can recommend them highly to all with heart or nerve trouble."

Milburn's Heart and Nerve Pills are 50 cents per box, or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

19 WATERLOO STREET

**RECENT DEATHS**

Friends of Mr. and Mrs. Alton L. Mills will sympathize with them in the loss of their daughter, Isabella, aged four years. The death occurred at the home of Mr. and Mrs. H. A. Chandler, 88 Wright street, and the funeral will be held there tomorrow afternoon.

Mrs. Elizabeth A. Murray, widow of David Murray, died at her home at Bellside Creek last Saturday. She leaves six children, two brothers and two sisters.

John McKenzie died on Saturday at his home at Mascarene near St. George's. He was seventy years of age and leaves his wife, one son and two daughters.

The death of Mrs. Matthew Wood occurred at her home in Macaan recently. She was the only surviving member of the family of the late Edward Brownell, of Joliette, and was in the 80th year of her age. She left a husband, two sons, Carriette, of Macaan, and James in Vancouver, B.C., also a daughter, Miss Lily, of New York.

The death of Albert Boone, aged 73 years, occurred at the home of his son, George Boone, at Joliette, Quebec, on February 21. He was a pensioner of the C. P. R., and had made his home at McAdam Junction for many years. The late Mr. Boone was connected with the C. P. R. since it first opened for traffic 45 years ago. He was a native of Geary, Sunbury county, besides his wife, eight sons, Walter H., and Byron E., of McAdam Junction; William, of Geary; Dow, of Arrowsbrook; Beverly, of Montreal; Charles, of Fredericton; John, of Portage, and George of Joliette, P. Q., and three daughters, Mrs. George Guen and Mrs. Arthur Morecraft, of McAdam Junction, and Mrs. Louise Vall, of Flume Ridge, Charlotte county, survive. One brother, Mr. Alex Boone, of North Lake, York county, also survives.

**TOOK SEVERE COLD.**

**Left A Terrible Hard Cough And A Nasty Ticking Sensation In The Throat.**

A bad cough accompanied by that distressing, tickling sensation in the throat is most aggravating.

Dr. Wood's Norway Pine Syrup is rich in the lung healing virtues of the Norway pine tree, and for this reason it will stop that tickling in the throat which causes that dry hard cough that keeps you awake at night.

Mr. Sanford Roodie, Antrim, N.S., writes—"Last fall I took a severe cold which left me with a terrible hard cough and a nasty tickling sensation in my throat. I tried many cough medicines, but they did not help me so I got a bottle of Dr. Wood's Norway Pine Syrup, and before I had used half of it the cough had left me, and the next one made a complete cure, and I will recommend it as the best cough medicine on the market."

See that you get "Dr. Wood's" when you ask for it. Do not accept any imitation. The genuine is put up in a yellow wrapper, three pine trees the trade mark, price, 25 and 50c., and manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

**OFFICER, it's very cold aboard this ship. It'll be better soon. We're giving her a new coat of paint."**

The Evening Times and Star

The St. John Evening Times is printed at 27 and 29 Canterbury Street every evening (Sunday excepted) by the St. John Times Printing and Publishing Co. Ltd., a company incorporated under the Joint Stock Companies Act.

THE PAVING BILL

Commissioner Agar was perhaps wise in withdrawing the proposed paving bill, rather than have it go to the legislature to be opposed there by a majority of the members from St. John, and by a petition having three thousand signatures.

THE ARTFUL DODGER

The Gutelius agreement has become a famous document. Its elusiveness outwits that of the proverbial flea. The St. John delegation to Ottawa could not catch it. Neither could the St. John city council, nor board of trade, nor the suburbanites.

SOCIAL SERVICE

The Social Service Council of Canada is in session at Ottawa today, with delegates from many parts of Canada and some from the United States.

WHERE IT IS COLD

Where the rivers freeze to the bottom and small trees snap off from the biting force of the cold, stands the coldest inhabitable city in the world—Verkhoyansk, in North-Eastern Siberia.

health of women in industrial life; for the adequate protection of working people in case of industrial accidents and occupational diseases; for the Sunday rest for every worker; for conciliation and arbitration in industrial disputes; for proper housing; for the adequate care of dependent and defective persons; for the reformation of criminals; for wholesome recreation; for the protection of society against contagious diseases; for international peace.

The news that Hon. Dr. Pugsley hopes to be in parliament during the latter part of the session is welcomed by Liberals throughout Canada, but especially by the Liberals of New Brunswick.

The suburban service has been restored, and it has been fully demonstrated that when people forget their political leanings and go after a measure of justice their chances of success are excellent.

Mr. Sinclair of Guysboro appears to be kept fairly busy correcting statements made by Mr. Hasen. The latter had declared that fish was going forward from the Atlantic ports to the Montreal market at one-third of the charges prevailing when the Laurier government was in power.

It is expected that the legislature at Fredericton will amend the Child's Protection Act at this session, to provide for the incorporation of Children's Aid Societies, and especially the society which has already been organized and ready for work in St. John for a year past.

In 1888 there were nearly 2,000 bobbin-net machines in Flanders and France, producing eleven million yards per annum.

Four Winters of Rheumatism

Cured of Sciatica and Muscular Rheumatism By "Fruit-tives"

Ridgetown, Ont., May 21st, 1913. "Fruit-tives" cured me of Rheumatism. It was the only medicine that made any impression on me. I was a terrible sufferer from Rheumatism. I was laid up for four winters with Sciatica and Muscular Rheumatism, and was completely crippled.

BIRTHDAYS OF NOTABILITIES

TUESDAY MARCH 3 W. S. Calvert, formerly a prominent Liberal member of the House of Commons, celebrates his fifty-fifth birthday today.

LIGHTER VEIN

"Young Blivins is very well developed, isn't he?" "Yes, his father was a photographer."

"We do our best to serve the public," the proprietor of the corner drug store told us, "but we can't please everybody, try as we may."

An old farmer was skeptical as to what people who were miles apart could really talk to each other over a telephone wire.

Just then a flash of lightning, caused by the heat of the summer day, struck the wire, and he fell sprawling to the floor.

"It's wonderful! That was Jane all right!"

Acid Stomachs Are Dangerous

Nine-tenths of All Stomach Troubles Said to be Due to Acidity

A famous physician whose successful researches into the cause and cure of stomach and intestinal diseases have earned for him an international reputation, said in the course of a recent lecture that nearly all intestinal troubles, as well as many diseases of the vital organs, were directly traceable to a deranged condition of the stomach, which in turn was due to the presence of ten to twenty per cent of acid in the stomach.

## AMUSEMENTS

### ANOTHER GOOD PLAY BY STOCK COMPANY

Elevating a Husband Provides Amusement and Also Matter For Reflection

When a determined woman sets her mind to accomplish a certain object it is generally taken for granted that she will succeed if given a fair chance. This was seen last night at the Opera House in the presentation of Louis Mann's great starring vehicle, "Elevating a Husband" by the Thompson-Woods Stock Company, given before an audience which appreciated it thoroughly and were generous with hearty applause. But when Mrs. Sample, wife of Charles Sample, owner of a chain of nickel and dime department stores, set herself to the task of raising him to what she considered should be their proper social level she little realized what a gigantic work she had outlined for herself. Nor did she think that it would be wrought with such exciting and amusing incidents. But it was, and that was where the enjoyable part of the affair came in. In Mrs. Sample's scheme for her better half he does not take kindly to the lofty idealistic and philosophic discussions of the "lady professors" as he calls them. Then a man whom he had befriended, Herbert Duncan, intrigues against his business and tries to rob him of his wife's love. For two years Sample seems to be out of the running, but he shows his grit by setting himself to the task of self-elevation, and his efforts are crowned with success in every way; his wife has been attending to business for him, and she is his thought he thought differently.

Mr. McHarry and Miss Brandt bore the brunt of the piece in the roles of Mr. and Mrs. Sample and brought out the best points in each character and added further honors to the many they have won. Miss Bridges made music the fun of the evening, which was also shared in by Messrs. St. John, Fleming and Hodges as the professors. Miss Davis was fetching in the part of Florence Elwood, while Miss Derby was lovable as the mother of the sample. Codd Drummond played with cleverness in the part of Herbert Duncan while Mr. Weyler as the poet and McCloskey as the butler aided in the success of the play, which abounded in comedy of a wholesome and lively nature, but which also provided food for thought, and gave an interesting study of the frailties of human nature. It was one of the most pleasing plays of the season.

The scenic efforts were particularly deserving of credit, the play being staged and nicely mounted. To Mr. Pagar as stage director each play brings further honors, and the same is true with regard to Mr. Valerio as scenic artist and Mr. McCloskey as master of properties.

### BRITISH PICTURE AN IMPERIAL THEATRE HIT

Fine Musical Novelty, Good Singing, Extra Good Two Part Feature

Those who attended the Imperial yesterday certainly got a good deal of British pictures, the real genuine topical ones showing British life and the sailor boys of the training ships, Prince Louis of Battenburg, the Lord Mayor's Inaugural, Troops at Aldershot, Trafalgar Day Celebration, etc. It was a budget of fine English subjects taken by the Kalem people and Lloyd-Greco, the little Welsh parliamentarian, was in it too, receiving much applause by the way. The Selig people offered a two-reel drama entitled The Cypher Message, the Vitagraph Co. presented "Dr. Crathern's Experiment," and the comedy was entitled Only One Shirt.

Luce & Luce, a very showy and spirited musical act, seemed to catch the people's fancy and their whirlwind finish in which they put on "A Hunting Scene" with realistic "effects" in view of the audience was a new thing to St. John. The lady threw tin whistles into the audience as the new rage Rover was being played. Needless to state those capturing the whistles joined in the chorus. Betty Donn was at her best in a French love song Just a Little Love, a Little Kiss, which was demanded over again. The Imperial Photo-News paper of local subjects again proved a hit and is already a popular item in the regular bills.

Tomorrow the pictures will be changed and the specially good number for that programme is to be a two-part drama of the San Francisco earthquake. When the Earth Trembled. This is by the Lubin Co. and very fine, the critics say. Friday and Saturday the Power of Print is to be shown, a Pathe newspaper melodrama. Next week two famous melodramas in musical act, Mary Pickford in The Bishop's Carriage, and other good things.

### THE MASSACRE AT BIG HORN FEATURE PICTURE AT GEM

Programme Includes Other Interesting Films and Strong Musical Programme

A story which for years has occupied a prominent place in the history of the southwest, "The Massacre at Big Horn" was the picture offered as a feature at the Gem Theatre yesterday by the Kalem Co. and it afforded hearty satisfaction to all who saw it. The subject was rather gruesome, but the manner in which it was worked out was in careful accord with historical annals and the circumstances leading up to the fearful event were in the nature of an appealing love story at the nearest military fort. Three hundred persons were used in the production and two hundred horses, and the battle scene was the most thrilling shown here for some time. The Gem orchestra, under direction of H. W. Burnham, with Kubell reinforcing it, had a fine programme. Comedy was supplied in "Doings at Lonely Ranch."

### COLD CREAM SEASON

As there with its high winds, making the skin raw and uncomfortable, NAY DRUG CO. RED ROSE COLD CREAM is an ideal remedy for these conditions.

25c and 50c The Jar. S. H. HAWKER'S DRUG STORE Cor. Mill St. and Paradise Row

and there was a stirring story of a convict's career with Crime Wilbur in the lead. "The Shadow of Crime" Gus Carney will be seen tomorrow in an Eassey fun-special "The Awakening of Susarville," and the first of the Chronicles of Cleek, Scotland Yard detective, are to be shown on Friday.

### FEATURE AT UNIQUE

Although the wind blew and the rain fell fast, the Unique theatre held its own against the antics of the weather man yesterday, and those who were attracted by the bill of fare at the cosy house could hardly regret their having braved the elements.

The Power of Light was the feature offering of the programme, a production of the American Co. It is a dramatic story, illustrating in a forcible manner the transgression of the law is frequently not due to the deliberate intention of infringing upon the rights of others but to misapplication and lack of understanding. The production provides excellent opportunity for portrayal of life and conditions in a moonshiner's camp. Sydney plays the part of the boy, who through a mixed sense of fear and devotion aids his father and the latter accomplishes in operating an illicit still, yet prompted by an alert conscience resolves to seek a remedy other than the aid of the law. His determination enables him to succeed for he brings intellectual light to a people blinded by ignorance. Jack Richardson does good work as the moonshiner and Miss Cook as the moonshiner's wife. The interpretation of his timid wife, Vivian Rich and Charlotte Burton, as rivals for the love of the boy, is a realistic touch. The Maelic Co. offer many opportunities to laugh in a pleasing fast playing comedy, Mrs. Brown's Burglers. The bill is a good one.

### THE LYRIC BILL

Another one of those enjoyable feature programmes characteristic of the Lyric theatre was presented yesterday to be repeated today and tomorrow. The vaudeville numbers were pleasing. The Crowdens, a lady and gentleman, were not long in finding favor with the audiences yesterday, and their witty conversations, coupled with the latest Rag and Popular Song Leads, forms a pleasing entertainment. A novelty is introduced in The Kitchen Rag, a non-sensical yet amusing song rendered as a sort of duet as the finale of the act. Miss Della Arlington displays no little ability as an exponent of the art of dancing. Everybody's Doing It at the Seaside—a catchy melody—is Miss Arlington's first offering which is followed by a buck-dance, a feature that proved most enjoyable. A quick change of costume brings the dainty Miss Arlington before the footlights as a highland lassie, and to the strains of different Scotch dancing she dances the Highland Fling. The Black Sheep, a two-part subject by the Broncho Co. holds first place in the picture programme. It is a melodrama of the west and contains much to interest and excite. The Weekly News brings as usual before the audience many of the more startling incidents of life in sister countries.

LINEN ROOM

## Manchester Robertson Allison, Limited

An Amazing Experiment. The possibility of withdrawing all the blood from the body of a living creature, purifying it, and returning it to the still living body is stated to have been conclusively demonstrated in Philadelphia by Professor John Jacob Abel, an eminent pharmacologist of the Johns Hopkins University, Baltimore, assisted by collaborators attached to the staff of the

university. The object of the demonstration was to show that every drop of blood can be withdrawn from the body into tubes through which it will be propelled by the force of the heart beats, though it were still in circulation in the arteries and veins. During the passage of the blood through the tubes, the length of which is varied according to the subject experimented upon, it is possible, according to Professor Abel, to rid it of all the bacilli which may have been threatening the body with disease or death. In this purified state the blood is returned to its proper channels, the heart beating throughout without cessation. For the purpose of the demonstration, it is said, a dog was employed, and the blood was drawn through fifty feet of coiled tubes.

SPORT NEWS OF A DAY, HOME AND ABROAD

BOWLING. Morris Garvin won the weekly roll-off at Black's alleys last night with a score of 99.

Archie Walsh, the Boston bowler who is now in the city, offers to play any St. John or New Brunswick player a twenty-string match, with 100 pins handicap for anything up to \$50, ten strings to be played at Black's alleys and ten elsewhere.

In the City League tonight, Ramblers will roll against Pirates. In the Commercial League, W. H. Thorne & Co., Ltd., will meet Emerson & Fisher, Ltd.

Five Men League. No. 1 team took three points from No. 8 on the Victoria alleys last night, 1889 to 1890. March, for the winners, rolled an average of 98.

Commercial League. In the Commercial League fixture last night, the T. McAvilly & Sons' team took four points each from M. R. L. L., and Ames-Holten, McCready & Co. The scores were 1940 to 1184, and 1933 to 1188 respectively. Ramsay, on the winning team, had the best average for the evening, 92.

HOCKEY. Moncton Coming. On account of arrangements for a game with the Halifax team having fallen through, the St. John Hockey team have arranged a match with the Moncton team here.

BILLIARDS. Local Tournament. On Friday night in the Ideal Parlors J. Knud defeated J. Hill, 200 to 182 and G. Sherman won from H. Moore, 200 to 186.

Tournament Started. An interesting pocket billiard tournament was started last evening in the Ideal Billiard parlors, Charlotte street. There are eight entries, and each competitor will meet every one of the other entrants. Two matches were played last night. J. Butler defeated H. McCleod, 100 to 93, and M. Stephens won from E. Thompson, 100 points to 84. Each game is for 100 points and suitable prizes will be given to the winners.

Hoppe Beats Yamada. Chicago, March 2.—Willie Hoppe, tonight defeated Koji Yamada, 500 to 114, in the first match of the five man 152 billiard tournament.

BASKET BALL. Halifax Tec. Beats U. N. B. After winning from the Dalhousie University team on Saturday, the U. N. B. basketball team was defeated by the Halifax Technical school team in Halifax last night, 27 to 17.

ATHLETIC. New World's Records. Five championships records were broken and two equalled in the indoor national championships of the A. A. U. in New York last night. Two new world's indoor marks were established, for the 600 yard run by Thos. J. Halpin, 1:15.2-5, and for the 800 yard run by Alvin T. Meyers in 2:15.1-5. The championship records made were:—Two mile walk, R. F. Remer, 14:21.4-3; 1,000 yards run, A. R. Kiviat, 2:12.2-5; one mile run, H. J. Smith, 9:18.

THE TURF. New Trotting Record. In ice races of the Portage Driving Club, Portage La Prairie, Man., last week, the world's half mile record was broken twice in the free-for-all.

In the first heat Hal D., owned by Iuss McClure, of Edmonton, led the half mile in 1:01, thereby beating the record held by George Gano, of Minneapolis, which stood at 1:01 1/2, by one-half second. In the fourth heat, however, Hal D. beat his own record by another second, the time being given at one strait.

In addition to the two heats in the free-for-all mentioned the time of 1:01 was given in two other heats during the race. Hal Chief being credited with the performance. This horse secured first money and the Empire Cup.

Falls From Sulky and Dies. Kingston, Ont., March 3.—On Monday afternoon at Collins Bay, Frank Truedell, well known on the Eastern Ontario race tracks, was stricken with paralysis and was found on the ice. A search was instituted for him, for his horse, which he had been riding for an ice meet, arrived home without a driver. Mr. Truedell had fallen off the sulky unconscious.

AMERICAN AND BRITISH INVITED. New York, March 2.—The Royal Canadian Golf Club Association is anxious to have American and British players take part in the Canadian amateur championships at Ottawa during the week of June 28. M. W. Mackrell, the secretary has sent a letter to John Reid, Jr., secretary of the United States of Association, in which he extends the invitation of his association for American entries.

UNION. Bout Tonight. Jack Reed vs Fred Halshand and W. Woods vs Terry Brooks, Thornton, N. Y. Tom Kennedy vs Jack Fitzgerald, New York. Jack Dillon vs Jim Flynn, Kansas City. Bombardier Wells vs Bandmaster Blake, London, Eng. George Chaney vs J. Martin, Baltimore.

Bout at Glace Bay. The Boston American says that Mike "Twin" Sullivan has been matched to fight at Glace Bay.

Baseball invaded at least one school ground in England last week. Youngsters in one of the London County Council schools sought to emulate the Glants and White Sox. With the aid of a diamond and a more or less accurate description of the game cut from the papers, they equipped themselves for the fray. A piece of broomstick served as a bat. In stern adherence to the rules of the game the pitcher provided himself with a hard heavy ball also. He understood it to be his duty to hurl it as fast as he could. Unfortunately the players were not able to perform the miracle of the American champions and at the end of ten minutes the catcher was weeping and the first baseman was stanching the flow from his wounded nose, while centre field was hopping around on one foot. Baseball is off for the present in that school.

The Scene of the Balkan War will be moved to St. John, when Jim Patterson, of Bulgaria, will meet Michael Julius, of Greece, in preliminary of the championship match in York Theatre, Saturday night. A very hard one is expected as they are two good men and fairly good wrestlers.

Jeff Has Troubles Even While He Sleeps By "Bud" Fisher

A Coming Featherweight Star

(FROM T. S. ANDREWS)

WILWAUKEE Wis., Feb. 29.—Milwaukee has turned out some high class fighters in the past, but during the last two seasons the boxers of class have not been very much in evidence.

Jimmy Clabby, who was practically a Milwaukee product, has reached about the top of the middleweight ladder and Bob Moha, who promised to make things run for a time, eased off a bit and missed a chance, but now comes Bill Mitchell, a young featherweight who looks as though he will shine as brightly as any of them.

Mitchell is only a youngster and a newcomer to the game, having had only about twelve contests, but he has learned a lot and looks well to his friends. He had a real try-out the other night when he met a veteran, Patsy Branigan of Pittsburg. For ten rounds Patsy tried every trick of the trade to get the

youngster, but when the final bell rang there was only one decision—Mitchell had beaten the experienced Branigan. The youngster was shifting on his feet and used good judgment in fastening his head out of reach of swings, besides using both hands to perfection in countering Patsy's attacks. The boy looks like a comer.

It has been mentioned that Jimmy Clabby of Pittsburg must have something up his sleeve in matching a practically unknown lad named Billy Murray against the husky Leo Houck, a middleweight who has met the best and defeated most of them. It was correct—Jimmy did have something up his sleeve—for Murray proved a tartar for Houck. He fought cleverly and had a punch and at the end of the fourteenth round the referee stopped the contest when Leo was helpless against the ropes and gave the newcomer the benefit of a knockout.

Tom Jones, who is handling Al West, says that he had Murray out west for some time and had him fight Kid George and others in Reno; that he is a good middleweight and ready for the best in the division.

PREACHED ON HELL

Bible View Subject of Evangelist McPherson Last Evening

The Bible View of Hell was the subject of last evening's sermon in the Coburg Street Christian Church. Evangelist Lowell C. McPherson read a part of Matt. 10, and used verse 28 as a text.

"And be not afraid of them that kill the body, but rather fear him who is able to destroy both soul and body in hell." In part the evangelist said:

"These are solemn words of Jesus to His disciples. And no one could ever make more than does He.

"When the revised version of the Bible was sent forth, many asked 'Has the Bible done away with Hell?' Newspapers discussed the question and it was the talk in common conversation. It was not only that deliberate drunkards and libertines and many others similar were glad, but supreme selfishness everywhere was congratulating itself, and some pulpits took up the note of 'eternal hope' in the unbiological sense seemingly for sensational popularity, and there are some authors who seem to think that the mention of the subject by preachers is rubbish and of antiquated custom.

"But the supreme question that should have been, as it should be now, 'What does the Bible truly teach, and what are the facts?' Mankind should not be deceived either way. Man's views may change but eternal verities cannot. A body of ecclesiastics can no more change the truths of God and His revelation than they by a vote of the majority, can make the earth flat instead of round, which was once the idea of all. Conscience, knowledge of good and evil and God's judgments remain in spite of the worldly wisdom and likings of men. The Christian scholars who revised the Bible to accord with the changing English which is not what it was 400 years ago, did not and could not change the Hebrew Old Testament nor the Greek New Testament—the languages in which those documents were originally written—but they conferred a blessing on this generation by making the English Bible better understood. No, the teaching of Jesus Christ concerning the destiny of those who live lives of rejection of Him and insult to Him can not be changed by man."

"There followed this introductory of the sermon an exposition of the uses of the word 'hell' in both the old and new testaments. Mr. McPherson said that the common idea of hell was not known

in the Old Testament. That book was not a complete revelation concerning the future, Jesus Christ revealed in the New Testament. And while the destiny of the wicked was not a single teaching of His, His warning concerning it was most solemn, direct and loving, as man's best friend on earth would not shrink from warning him of danger. "Why should I say 'Depart from Me, ye cursed, into everlasting fire, with the devil and his angels?'"

MORNING NEWS OVER THE WIRES. The Salisbury and Albert Railway trackmen have completed repairs to the bridge wrecked on Friday morning and an all-rail service is again being given over the road.

The London Daily Chronicle says that Premier Asquith in introducing the Home Rule bill for the last time will make concessions to Ulster but will propose that education, licensing policy and the post office will be under control of the imperial parliament.

FOUNDER OF YALE. Wrexham, Eng., prides itself on its association with Zilhu Yale, founder of the famous American college. His grave in the God's Acre attached to the parish church is an object of great interest to American visitors, and a substantial sum was given some years ago by Yale College towards the restoration of the church. The Yale family came from Plas-y-Yale, and the old church at Bryn Eglwys, hard by, contains memor-

ials of the family. The hall itself is now, or was until recently, uninhabited, the owner living in Carnarvonshire. Zilhu Yale was a great traveler, as the flying inscription on his tombstone in Wrexham churchyard testifies:

Born in America, in Europe bred, In Africa traveled, and in Europe wed, He died in London, and his body was brought to Wrexham for interment.

LOCAL NEWS

IMPROVING

It was said at the Isolation Hospital this morning that the patient who was taken there on Saturday suffering with smallpox was doing nicely.

FIRE LOSSES NEARLY \$2,000

The loss in the C. H. Ramsey fire in Moore street has been appraised at \$1,080 on the building, and \$900 on the furniture.

FOR THE ORPHANS

The treasurer of the St. John Protestant Orphans' Home thankfully acknowledges the receipt of \$24.07 from Centenary Methodist church, the proceeds of a collection at their watchnight service.

THE ISLAND STEAMERS

In a wire received at the L. R. office this morning it was reported that the steamer Earl Grey from Picton yesterday was fast in the ice about six miles east of Cape Bear. The steamer Minto left Picton today for Georgetown.

FLOUR HIGHER

The flour market at present is unusually strong and following an advance of fifteen cents in Ontario patents a few days ago, came an increase of twenty cents this morning in Manitoba brands. Scarcity of deliveries is the reason given for firmness. It is thought by some that the farmers in the west are holding back stocks while others say that most of the western wheat was marketed early, and those elevators holding for the purpose of collecting storage. It is possible that there may be an even further advance, but it is not expected immediately.

BURIED TODAY

Many friends attended the funeral of Miss Mary Brown, which was held this morning from her residence, 619 Main street. The body was taken to St. Peter's church where solemn high mass of requiem was celebrated by Rev. Simon Grogan, C. S. R., assisted by Rev. J. H. Borgman, C. S. R., as deacon, and Rev. E. J. Walsh, C. S. R., sub-deacon. Six nephews acted as pall-bearers. Interment was in the old Catholic cemetery.

The funeral of Edwin Hornsby was held this afternoon from his late residence, 24 Main street. Services were conducted by Rev. J. A. MacKichan and Rev. G. A. Kuhring. Interment was in Fernhill.

The funeral of Mrs. John Dunleavy was held this afternoon from her late residence, 68 Elm street, to the Catholic cemetery. The funeral service was read by Rev. M. O'Brien. Interment was in the new Catholic cemetery.

The funeral of Nathaniel Maguire, which was to have taken place today, has been postponed until tomorrow afternoon.

GOLF CLUB ANNUAL MEETING

The seventeenth annual meeting of the St. John Golf Club was held last evening at the club house. The report showed that 1913 had been a successful year and that the outlook for an enlarged membership during the present year is good. In the absence of President H. B. Schofield the chair was occupied by the vice-president, James U. Thomas.

The following officers were elected for the present year: President, James U. Thomas; vice-president, J. G. Harrison; treasurer, F. A. Peters; secretary, J. T. Hart; managing committee, Andrew Jack, F. W. Fraser, E. W. McCready, A. C. Skelton, J. M. Magee.

This is the last year for which the club has a lease of the present grounds. It is expected that the golfers will remove to Riverside in 1915.

At last evening's meeting a strong resolution was passed expressing regret at the retirement of H. B. Schofield from the presidency and expressing the warmest appreciation of his value to the club.

SONS OF ENGLAND SMOKER

An enjoyable smoker was held last evening by the new lodge of the Sons of England, "New Brunswick, No. 828," in their comfortable lodge rooms in Clayton's hall, Brunel street. After business, smoking materials were produced and the gathering of about 100 members and friends proceeded to the enjoyment of the programme which had been prepared.

Worthy President R. H. Irwin presided and congratulated the lodge on the excellent showing made since their organization. Speeches were made also by L. A. Belyea, acting district deputy; Past President Clayton, Vice-President Barker; Worthy President A. E. Logan; R. T. Carliss, past D. D.; Past President A. Webb, Vice-President London, Mr. Scribner and others. The programme also included a glee chorus by several of the members, mandolin solos and a vocal concert solo, Mr. Gibbs; banjo solo, Mr. Pearson and comic song by Joseph Wilson. Mr. Moore acted as accompanist. Regrets at inability to attend were received from R. W. Wigmore and Postmaster Sears. Several applications for membership were received. Refreshments were served at the close of the evening.

VALUE OF ENGLISH COINS HERE

A correspondent has written to the Times asking for Canadian valuations of English currency as he says that there are times when British money is presented here and the equivalent in Canadian currency is not always certain. A local bank manager said today that most of the old country coins which came to St. John found an entrance at the West Side and the bank branches there frequently had large quantities of it on hand.

The halfpennies he said generally passed for a copper, while for six pennies three cents was usually given. Three-pence 10 cents; a shilling 20 cents, a half-crown, fifty cents; ten shillings, \$2.50, and £1 \$6.25. These were the most common pieces of English coinage which were presented here and this was the average schedule of exchange.

PRENTICE BOYS' FAIR

The King Edward Lodge No. 30, Prentice Boys, opened their fair in their hall on the West Side last evening. There was a good attendance and all the features were well patronized. The following were the prize winners: Ladies' bean toss, Miss Belyea; men's bean toss, Mr. Campbell; nine pins, Mr. Campbell; air gun, W. Purdy's excelsior; David Wells; door prize, cut glass pitcher, R. Jonea.

SUBURBAN TRAIN IN OPERATION AGAIN

This Morning People Along I. C. R. Reached The City on Time

There was joy in the hearts of suburbanites this morning—they reached the city on time and were not required to ride in passenger cars behind a string of freight cars. The changes promised yesterday in the suburban schedule went into effect today so far as the morning train was concerned, but it is thought that it will be at least a week before the change in the 8:15 express is made operative. It will be necessary to make the announcement of the change of time in the running of the Quebec express twenty minutes earlier.

In yesterday's Times in the report of the suburbanites' meeting it should have been stated that the noon train left at 12:15 instead of 10:15, printed through an error.

McAVITY NEGOTIATIONS ARE DELAYED PENDING SPIR LINE ARRANGEMENT

The agreement between the city commissioners and T. McAvity & Sons, Ltd., regarding the concessions asked for in consideration of their erecting a large modern plant, has not yet been completed. The negotiations between the city and the company are at a standstill until the company can complete their arrangements with the I. C. R. for a spur railway line from the main tracks across the Marsh creek and Rothery avenue. Mr. Gutelius has promised to send an engineer to St. John to report upon the matter and until his report has been submitted and acted upon the negotiations with the city will be held up.

COMPLAIN OF UNWELCOME CALLERS AT HOMES OF WRIGHT STREET PEOPLE

Several people living in Wright street and vicinity have been visited frequently of late by men begging from door to door and they complain of the absence of policemen.

About ten o'clock on Sunday morning an able bodied young man knocked at the door of a house in this locality and asked for a lunch. The housewife took pity on him and put him up an extra lunch. The unsolicited guest became quite indignant at this and said that he would have to go elsewhere for it. He left in a rage, insinuating that his would-be host was not very hospitable.

About six o'clock that Sunday evening another man called at the house of the lady who had given out the lunch in the morning and he was given a good meal. He was evidently a drunk and was seen to cross the street and knock at the door of the same house at his predecessor had done in the morning. It is said that a policeman had been seen in that district one afternoon last week but only for a few minutes.

ANOTHER PLAN TO SIDETRACK ST. JOHN?

It has been reported for some time past that application will be made to the legislature for a subsidy of \$20,000 or \$25,000 a mile for a railroad from Fredericton to L'Etang and that the C. P. R. is back of the project. The promoters profess to have assurances that the C. P. R. would utilize the road. It is thought the government will hesitate about spending public money on a road that would divert traffic from the Valley railway and the N. T. C. line, both of which are built by public money. There is already a charter for a Fredericton-L'Etang line, but there never has been any sign of money to build it.

HOSPITAL COMPLAINT AND ANSWER

The Times has received a letter from Max L. Levine, complaining that his mother was not well treated in the General Public Hospital. He says she went there on Tuesday of last week and remained some days, at the end of which time he took her away worse than when she went there, on account of treatment she received. He says that things taken there for her would either be kept two or three days or not given to her at all, and that when she asked one of the nurses for a cup of milk, the latter said, "Oh you people are too funny."

Mr. Levine appears to think that race prejudice had something to do with the alleged lack of care, and makes some comparison between St. John and Russia in the matter of civilization.

Dr. D. C. Malcolm, superintendent of this hospital, when asked about this case, said that this was a nervous case. The patient, he said, he told him that she had given to nearly every doctor in town without getting any relief, and she was admitted to the hospital, and was discharged on her own request. Doctor Malcolm said he had questioned the nurses about the case and they had said that the patient had received every attention. On one occasion only was the food that was brought for her not given to her immediately, and at that time it was left in without a name, and the patient did not get it until the following morning.

This case was in a ward, the superintendent said, with five other patients. One of these said to him yesterday that she thought Mrs. Levine received good treatment at the hands of the nurses.

\$1.50 EACH Great Bargain Sale of Ladies' Umbrellas \$1.50 EACH Sale Commences Today, Tuesday, March 3

Through the recent dull spell in the West many houses were compelled to cancel numerous quantities of their purchases. Consequently the manufacturers got stacked up with large quantities of materials which they have been unable to dispose of consequently it devolves upon them to turn such into cash rapidly, so to accomplish this they are offering their goods at a great loss. The same has applied to these Umbrellas. The manufacturer had an overstock of this splendid quality, Gloria, which he was compelled to get clear of, and offered a small quantity to us of the made-up article at a clear-up cash price which enables us to remit the bargain to you. There are

25 Dozen Only Ladies' Umbrellas Made on steel tube and gascon frame with ball runner, and covered with a high-grade Silk and Wool mixture or Gloria, with either deep tape edge or hemmed edge. Every umbrella in this lot being made of the one grade of cloth could not be purchased in the ordinary way for less than \$3.00 each. The fancies are most varied, and include natural wood crooks, mission wood, gun metal, silver, horn, gilt, or fancy effects.

WHITESTOKE LINEN MESH UNDERGARMENTS

Dr. A. P. Luff, F.R.C.P., London, physician to St. Mary's Hospital, writes in the London "Lancet" of March 12, 1910; "Woolen garments are a frequent cause of many of the forms of chronic rheumatism."

Dr. H. L. Deimel, in his paper on the "Protective Feature of Underwear," writes: "All those who wear wool next to the skin are very prone to contract colds."

The requirements of the right kind of undergarments are as follows: They should protect the body, absorb the perspiration and dry quickly, be agreeable to the skin, causing no irritation whatsoever, should neither be dyed nor dressed, but be naturally white, stand washing in boiling water without shrinking, and be durable, and moderate in price.

The Whitestoke garments fulfill these requirements in every respect. The material of which the garments are made is woven in a porous way, though not too open, and is thoroughly protective against sudden changes in the weather. The thread used is of linen and lisle, and possesses great absorbent and drying powers. The garments are very comfortable to wear, giving a feeling of absolute comfort. Instead of weakening the skin, like all flannels do, they tend to invigorate it. They are produced in two weights, light and medium; they are made in all sizes, with no extra charge for larger sizes.
