thing in good order for the bride.' steps. Although here, had he known it, Miss Susan, was tempering the wind for her shorn lamb, for, Janet's speech had really been too caustic for repetition. At last the day came—a dark Whooping Cough and Croup.

An and gloomy day in November.
Miss Susan drove with her brother to the little English church at Pittenweem, in which the marriage was to take place; doing her best on the way to cheer his mind, always liable to be depressed and bewildered in unwonted circumstances. The more delightful and companiondid her brother realize how much he | Wednesday of last week. would lose when she foresook him; and it was not until they took their places in church, and he saw his bride, beautiful beyond all his anticipations in her bridal dress, that I take the earliest opportunity of notifying all Licensees that the Stumpage Regulations prohibit the cutting of small Spruce lumber for palp purposes and any person or person or person that cut this description of lumber from Crown Lands will be dealt with use the law directs and their license forfeited.

Death of Arthur Johnston, Sr.

One of the oldest and best known resi dents of Chatham-Mr. Arthur Johnston-He had carried on for a great many years a died on Tuesday morning about six o'clock, shipping and mercantile business, and was at the age of 73. Mr. Johnston served for wenty-one years and six months in the British army, in the second regiment, and had three good conduct and service medals, Times is responsible for the statement that his services being chiefly in India. He has lived for more than thirty years in Chatham and drawn the pension to which he was entitled during that time. He was a much respected citizen.

A New Departure.

Mr. R. Fairm in of the Newcastle foundry had a fine pig in his possession last week. There were no bones in it however, for it was a pig of lead of his own make, but day: shaped on lines beyond his control, the pat tern and lead being furnished by John C. Miller, Esq., of Millerton who is addressing his well-equipped mind and mechanical Kay, N. M. Bateman, Stockton Barberie, genius to the work of producing a yacht on W. G. Disbrow, M. D., and Capt, C. Powell, the most approved modern lines. The lead pig was cast by Mr. Fairman and, it is said he has made a good job of it, and that is on Monday by the schr. Frank, Capt. saying a good deal for a solid piece of that heavy metal 13 feet long and 15 inches deep, and Alex McKay, substitutes. with a width of 7 inghes in the centre and four inches at each end, the weight being public temperance meeting in the Temper- given as 5,000 lbs. Pearlin' Jean

'Ay, it's me. I has come to see ye mind I said I wad be; or has ye forgotten that as weel?'
The bitterness of his tone struck terror into her. He was very tengry; he would never forgive her. She stood silent and trembling.

Weel, he continued; 'are ye no'

Weel, he continued; 'are ye no'

across the gravel, and burying the border of withered sea-pinks in quivering foam. Jean shivered as she stood watching. The outlook was inexpressibly dreary. Sea and sky were blurred together in the driving rain, and, except the garden walls on either side, and the small strip of ground below the windows, she could see nothing but the heaving expanse of water was here' she explained briefly. Weel, he continued; 'are ye no' the heaving expanse of water, was here,' she explained briefly, whose cold wild waves seemed seeing Jean pause, 'he shot himsel

Weel, he continued; 'are ye no' glad to see me?'

She dared not speak.

The last time I saw ye, he said hoarsely, 'ye gied me a kiss; was that a lee? An' ye said ye lo'ed me; was that a lee? Speak, canna ye?'

Terrified by the strange roughness of his manner, she could scarcely answer. 'O Robin! forgive me; I'm sorry!' she said at last.

That's easy said, he replied but it's no sae easy done as ye think. Jean, when my faither wrote word that he had seen ye and what ye had said, '—he drew a long breath and looked at her. 'What garred ye?' he cried broken ly. 'O Jean! ye dinna care though yo break my heart!'

He leant across the gate. She could perceive, even in the dim light, the haggard look on his face, and his voice sounded as though he were weeping; but the anger in it was gone.

Her courage came back a little. Tm real sorry for ye, Robin; I am, she said again. 'You mustna mindony mair,' and she laid her hand on his arm.

Kneeling on the floor, surrounded

the heaving expanse of water, whose cold wild waves scemed ager to engulf the house itself. She house could wild waves scemed and turned away, for the little garden in its desolated and turned away, for the little garden in its desolated her unexpected meeting with Robin last night by that very gate, and all the hard they carried him in here.'

Jean would have shrunk back from the keen edge of pain the old woman's words unconsciously had for her; but she knew she must go on, round the end of the ccttage, into the little garden. She was powe was dove the was doing to day, and hoped he would soon go and head was a little and hoped he would soon go and head and here with the cook, she succeded in dismissing him from her thoughts; for, searching in the key-back, wife the bride of that memorable day, met them at houghts; for, searching in the key-back and hailed with relief so end his voice sounded as though he were weeping; but the anger in it was gone.

Her courage came back a little. Tm real sorry for ye, Robin; I am, she said again. 'You mustna mind only ma
