PREFACE.

The Publishers in presenting to the public the fifth edition of the St. John City Directory hope the public will find it equal to any former edition, neither expense or trouble having been spared to make it so.

The same complaint we are sorry to say the Publishers have to make every year, viz., the want of numbers on the houses, they, however, hope that the efforts now being used by some members of the Corporation will be appreciated by the full council, and that the next year's Directory will have the new numbers, and thereby the Public in general benefited. It is utterly impossible to make a satisfactory book when the numbers have to be guessed at as it now requires.

The Street Directory is as complete as it can be made under the circumstances, but the Public will find by giving their attention to this portion of the work, and comparing streets, the position of a given number on a street can be easily ascertained.

On account of recent fires there may a difficulty arise as to where the persons burnt out are located, but the Publishers think the largest portion of those have been obtained. The exception, if any, will be in the town of Portland, but even with those care was taken to obtain all information.

To the Advertisers and Subscribers, and all who in any way assisted in obtaining information the Publishers tender their sincere thanks, but they are sorry to inform the Public that the support this year has fallen off fully one-fourth from that of last year's work.

Testimonials of Waters' Celebrated Pianos, Concerto and Orchestral Organs.

REV. BARNAS EARS, D.D., Ex-President of Brown University, Providence, R.I., and agent for distribution of the Peabody Educational Fund in the South, in answer to inquiries of Jacob Echols, of Lynchburg, Va., about the Waters Pianos, writes the following:

TAUNTON, Va., March 12, 1872.
—Mr. Jacob Echols, Dear Sir: My daughter, who is a good judge, says her piano (the Waters) is a fine one, and has been pronounced so by the German teacher of music; and by the Baltimore Tuner, much superior to the Baltimore pianos. Mr. Waters is a wealthy Christian gentleman. I put entire confidence in him as a business man.

Yours truly,

B. SEARS.

MONTREAL HOUSE,
CUSTOM HOUSE SQUARE, MONTREAL, DECKER & CO., Proprietors.

C. B. CLEVELAND and N. E. VINCENT, Clerks.

Is the neatest, cosiest, best furnished, most pleasantly situated, and has more Front Rooms, for its size, than any Hotel in the Dominion of Canada.

The Hotel has a frontage of 180 feet on the Square, and 120 feet on Commissioners Street, with an entrance on both, overlooking the Harbor, and affording a most picturesque view of the River for miles above and below the Victoria Bridge.

It is under the supervision of the undersigned, whose success for the past 20 years at the Albion Hotel in this city encourages him to hope that he may receive as liberal patronage in his new enterprise, while special effort will be made on his part to make the Montreal House a favorite with Tourists and pleasure seekers. He will at the same time spare no pains to make it equally attractive to local custom and the general Travelling and Commercial Public.

It possesses every convenience a travelling community may require, and he trusts that his large experience in Hotel life will give confidence to his friends that they will enjoy at DECKER'S all the advantages of a first-class House. Rates, \$2.50 per day.

Government Marine School,

No. 53 Water Street, ST. JOHN, N.B.

CAPTS. CONNOLY & OLRURN, PREPARERS OF Masters and Mates, FOR THE LOCAL MARINE BOARD EXAMINATION.

All parts of Navigation, Nautical and Mathematical Astronomy thoroughly instructed under the constant attention of careful teachers, having a thorough knowledge of the requirements at the examinations, and thereby can confidently offer every facility, success and satisfaction to those desirous of obtaining Certificates of either Competency or Service.

We have adopted the system of teaching out of all the different works and series on Navigation, such as Nories', Bowdich's, Raper's, Rosser's, Griffin's and Riddle's,—and have passed to them to follow the same without taking before them new and strange works. Our chief aim is to prepare the pupil in the shortest time possible, and everything provided for a thorough instruction and speedy preparation.

We have provided a large number of Examination Forms, which are in every shape similar to those at the examination, which the pupils work through daily and go through similar performances as if in the course of their examination; so that nothing remains to surprise them when presenting themselves at the examination, but what they have already seen and gone through before.

Seamanship as well as Navigation in all its practical departments carefully attended to. Masters wishing to acquire a knowledge in the higher branches of Nautical Astronomy, such as Lunars, Great Circle Sailing, Double Altitudes, Sumner's Methods, Marine Surveying, Laws of Storms, Hurricanes, Cyclones, &c. &c., will be promptly attended to. Masters can have Great Circle Tracks laid on their Charts by presenting them at the School Room, free of charge.

MARGESON'S CALCULIFUGE

CURES

**Gravel, Stone in the Bladder Dropsy,
and all Diseases of the Kidneys.**

DIRECTIONS.—One wine-glassful in as much water, each morning, noon and night.

In all ordinary cases one bottle is sufficient, except for a beast, when two or three may be required.

The Proprietors can highly recommend this medicine, as it has been the means of curing over 200 persons before placing it on sale, where it now can be had for \$1.50 per bottle. ADDRESS,

R. C. MARGESON & CO.,

HALIFAX. N.S.

~~~~~  
CERTIFICATES.

MESSRS. R. C. MARGESON & CO.,

CHEZZETCOOK, March 3, 1873.

DEAR SIRS,—Please accept this testimony from one who has been suffering for upwards of five years from Gravel and Stone in the Bladder; and was advised by my friends to try your Calculifuge. I did so, and am happy to say that after using the two bottles you sent me last summer, it *entirely cured me*. I passed five stones, the size of small peas, and upwards of a wine-glassful of smaller ones and gravel, and will send them to you by the first chance. I would advise all that are suffering with the same complaint to secure your valuable medicine at once, as it has been the sole means of curing me. I will take pleasure in giving all the information I can to any that will call to see me at my house,

I remain yours,

ANDREW CRAWFORD.

MESSRS. R. C. MARGESON & CO.,

HALIFAX, July 28, 1873.

DEAR SIRS,—It is a pleasure to add my testimony to the virtues of your Medicine. My little daughter, three years old, was a great sufferer of Urinary Retention, sometimes four days at a time. Her sufferings were intense; all medicine failed to give her much, if any, relief. I procured a half-bottle Margeson's Calculifuge. After taking three doses, she got relieved, and is now as well as ever. This you can make known in the papers if you choose, as others may be affected in like manner.

## CITY OF FREDERICTON, S.S.

To all whom it may concern :—

**K**NOW YE,—That the Mayor, Aldermen and Commonalty of the City of Fredericton did, in the year 1873, purchase from **R. FLAHERTY & CO.**, of Saint John, a double door **Fire-Proof Safe**, handsomely painted and well finished in every respect, which Safe was placed in the City Clerk's office, City Hall, and in which were stored the principal part of the *CITY RECORDS*. That the said City Hall was destroyed by *FIRE* on the 25th January, 1875, and that the Safe above mentioned fell in the ruins, from the City Clerk's Office to the basement, being a height of seventeen feet, and remained in the ruins among the hot bricks, at a white heat for Forty-four Hours, when it was opened and the papers and records therein contained, found **undamaged, undefaced, and in a good order**, and the cabinet lining of the Safe with even the varnish perfect.

We the Mayor, Aldermen and Commonalty, of the City of Fredericton do therefore hereby certify, that the Safe purchased by us from **R. FLAHERTY & CO.**, of Saint John, has fully met every guarantee made to us by the **Manufacturers** in regard to superior finish and painting, strength of workmanship, and fire resisting power, and we do most heartily accord to **Messrs. B. FLAHERTY & CO.** this **TESTIMONIAL** of our esteem for this wonderful proof of the superiority of provincial Manufactures in general, and of **Messrs. R. FLAHERTY & CO.** in particular.

In testimony whereof the said Mayor, Aldermen and Commonalty of the City of Fredericton, have caused their common seal (L.S.) to be affixed hereto, and signed by the proper hand of the Mayor, of the said City, this Sixteenth day of February, A.D., 1875.

E. L. WETMORE,  
Mayor.

CHAS. W. BECKWITH,  
City Clerk.

SPENCER'S Vesuvian Liniment!

JOHN SPROUL,

Proprietor of that Popular Hotel, the OLIVE HOUSE, Sussex, N. B.,
Writes that after being disabled for many months by **RHEUMATISM**, he
finds himself totally cured by the use of one bottle of

SPENCER'S VESUVIAN LINIMENT.

GEORGE HUME,

Proprietor of Long's Hotel, Fredericton, N. B., says :
"I have used all the various Liniments in the market, all that are advertised,
all that have been generally recommended, but I have found none so good for
Sprains, Bruises, Harness Galls, Cuts and Lameness as

Spencer's Vesuvian Liniment."

Mr. Hume has been engaged in Staging for many years, and he knows whereof
he speaks.

Anthony Harding, of St. John, N. B.,

Certifies that after years of suffering with **RHEUMATISM** he has been radi-
cally cured by a few applications of

SPENCER'S VESUVIAN LINIMENT.

He also certifies that it is a positive cure for **PILES**, and the best remedy for
Cuts, Bruises, etc., that has come under his observation.

DUNCAN McISAAC, Little Judique, C. B.,

testifies that Spencer's Vesuvian Liniment is the **BEST REMEDY FOR RHEU-
MATIC COMPLAINTS THAT CAN BE HAD.** He writes for a supply in order
that his neighbors may be benefited, as he has been by its use.

WM. H. ADAMS, St. John, N. B.,

has no hesitation in saying that Spencer's Vesuvian Liniment is all it professes to
be. One 30 cent bottle has accomplished in his family what the Doctors could not
effect. **PAIN, TIME AND MONEY** are saved by its use.

SPENCER'S VESUVIAN LINIMENT

Is put up in bottles at 20 cents, 30 cents, and 40 cents each, also in large bottles
at \$1.00 and \$2.00 each.

Spencer's Aniline Dyes.

Every packet of my Dyes is accompanied by full directions for use, and when
those directions are followed success is guaranteed. The colors are: **Roseine,
Ponceau, Scarlet, Napoleon Blue, Peacock Green, Bismarck Brown,
Orange, Purple, and Violet.**

Dealers in remote sections of the Maritime Provinces will be supplied by mail
at lowest prices without charge for postage.

H. L. SPENCER, 20 Nelson Street, St. John, N.B.

SPENCER'S ARNICA COURT AND SURGEONS DRESSING PLASTER
Cannot be removed by ordinary washing, and its healing properties are truly re-
markable. Every packet of one dozen contains more than **300 square inches**
of Plaster.

Travelling Agents and Peddlers can do well with these goods.

H. L. SPENCER, Medical Warehouse,
20 Nelson Street, St. John, N. B.

Ashcroft's Patent Balanced Furnace Doors.

Front view, showing the Balanced Door and Grate Bars applied to a Steam Boiler in the Navy Yard, Washington, D. C., on which the trials were made, and referred to in the Engineer's Report, from which the extract below is taken.

MADE TO SUIT
Every kind of
FURNACE.

THOUSANDS of them are now in use in
GREAT BRITAIN
With the Greatest Success.

CHIEF ENGINEER'S OFFICE, UNITED STATES NAVY YARD,

Washington, Nov. 9, 1874.

SIR: In obedience to your orders of October 8 and 24, 1874, to carefully and thoroughly test the patent furnace-door furnished by Mr. E. H. Ashcroft, we have the honor to submit the following report:

The results of the trials, in tabulated form, are herewith forwarded, with the logs appended, which show a percentage in favor of the patent door, using bituminous coal, of 23 1/11, and with anthracite coal of 15.41.

In addition to the economy of this door in the consumption of fuel, it possesses several other advantages, viz.: The facility with which it is opened and shut, and, being counterbalanced, will remain in any desired position in marine boilers when the vessel is in a seaway; the facility with which the fires can be sliced or raked without a full opening of the door; and its lightness, cheapness of construction, and durability.

In the opinion of the board, the adoption of this door would produce a great saving to the Government.

Very respectfully, Your obedient servants,

EDWIN FITHIAN, *Chief Engineer U. S. N.*

DAVID SMITH, *Chief Engineer U. S. N.*

WM. S. SMITH, *Passed Assistant Engineer U. S. N.*

Commodore THOMAS H. PATTERSON, *U. S. N., Commandant.*

The NAVY DEPARTMENT has ordered the Patent Furnace Door and Grate Bars to be attached to the Boilers of the U. S. Steamships *Tennessee, Nipsic, Marion, Tallapoosa, Lackawana, Monterey, Rocket, Catalpa*, and to Stationary Boilers in the Brooklyn, Washington and Boston Navy Yards.

For Prices and Particulars apply to E. H. ASHCROFT, 55 Sudbury st., Boston JOHN ASHCROFT, 14 Broadway, N. Y.

Margeson's Calculifuge.

CURES

**Gravel, Stone in the Bladder Dropsy,
and all Diseases of the Kidneys.**

DIRECTIONS.—One wine-glassful in as much water, each morning,
noon and night.

In all ordinary cases one bottle is sufficient, except for a beast, when
two or three may be required.

The Proprietors can highly recommend this medicine, as it has been
the means of curing over 200 persons before placing it on sale, where it
now can be had for **\$1.50** per bottle. ADDRESS,

R. C. MARGESON & CO.,

HALIFAX, N.S.

CERTIFICATES.

MESSRS. R. C. MARGESON & CO.,

CHEZZETCOOK, March 3, 1873.

DEAR SIRS,—Please accept this testimony from one who has been suffering
for upwards of five years from Gravel and Stone in the Bladder; and was advised
by my friends to try your Calculifuge. I did so, and am happy to say that after
using the two bottles you sent me last summer, it *entirely cured me*. I passed five
stones, the size of small peas, and upwards of a wine-glassful of smaller ones and
sgravel, and will send them to you by the first chance. I would advise all that are
suffering with the same complaint to secure your valuable medicine at once, as it
has been the sole means of curing me. I will take pleasure in giving all the infor-
mation I can to any that will call to see me at my house,

I remain yours,

ANDREW CRAWFORD.

HALIFAX, July 28, 1873.

MESSRS. R. C. MARGESON & CO.,

DEAR SIRS,—It is a pleasure to add my testimony to the virtues of your
Medicine. My little daughter, three years old, was a great sufferer of Urinary
Retention, sometimes four days at a time. Her sufferings were intense: all medi-
cine failed to give her much, if any, relief. Her sufferings were intense: all medi-
cine failed to give her much, if any, relief. I procured a half-bottle Margeson's
Calculifuge. After taking three doses, she got relieved, and is now as well as
ever. This you can make known in the papers if you choose, as others may be
affected in like manner.

REGISTRATION.

Letters for registry must be posted fifteen minutes previous to the closing of the mail by which they are to be sent. The postage, as well as the registration fee *must be prepaid*. The registration of a letter addressed to any place in New Brunswick or the Dominion is 2 cents, to the United States 5 cents, to the United Kingdom 8 cents, to Australia and all other places, when passing through the United Kingdom, a fee equal to one rate.

Registration is applicable to letters and parcels, whether they contain articles of value or not. Registration is not an absolute guarantee against the miscarriage or loss of a letter; but a registered letter can be traced when one unregistered cannot, and the posting and delivery or non-delivery can be proven. A registered letter is thus secured against many of the casualties which from incorrect address, forgetfulness of the receiver, or other error, may affect an unregistered letter. "Moreover the safety of an unregistered letter is dependent on the integrity of a post-office clerk during the whole time it remains in his custody, frequently for hours, and even days; whilst a registered letter will almost invariably have to be acknowledged at the moment of its passing into an officer's hands, and cannot therefore be suppressed without leaving him individually accountable for its disposal." "If the consequences were limited to the mere risk of the loss of the money so sent, the senders of money in unregistered letters might reasonably urge, that if they choose to encounter the risk, they should be free to do so; but higher considerations are involved in the question, and the chance of loss to the careless remitter is really but the smallest part of the evil associated with the practice." The attentive perusal of the above remarks by those who are in the habit of sending money by mail in unregistered letters is strongly recommended, and it is further suggested that letters containing money should invariably be secured with wax, and not by the usual method, by mucilage, or self-sealing envelope.

To enable the public to prepay conveniently by postage stamps the foregoing rates, the following denominations of postage stamps for use throughout the Dominion have been prepared, and will be supplied to postmasters for sale:—

The word "Newspaper" means any publication issued not less frequently than once a week, and containing notices of passing events; and the word "Periodical" means any publication issued at regular intervals, but less frequently than once a week.

Masters of vessels are entitled to receive for each letter they may deliver when inward bound, 2 cents.

All letters and communications on the business of the post-office department, intended for the post-office department at Ottawa, should be invariably addressed to "The Postmaster-General." The branch of the department for which the letter or communication is intended should be written on the left-hand upper corner of the letter, thus:—

- "For Accountant,"
- "For Secretary,"
- "For Money-Order Office,"
- "For Savings-Bank Office,"
- "For Dead Letter Office," or
- "For Cashier,"

as the case may be, but the main direction must be to the Postmaster-General or Deputy Postmaster-General.

The Street and Hotel letter Boxes in St. John and Portland are visited twice daily.
