UNFAILING EYE PRESERVERS

LAZARUS, MORRIS & CO'S
 CELEBRATED
Perfected Spectacles!
 AND EYE GLASSES.

The large and increasing sales of these PER
 FECTED GLASSES is a sure proof of their su
 periority. We were satisfied that they would be
 appreciated here as elsewhere, and that the reality
 of the advantages offered to wearers of our beau
 tiful lenses, viz: the ease and comfort, the assured
 and readily ascertained improvement of the sight,
 and the brilliant assistance they give in all cases
 were in themselves so apparent on trial, that the
 result could not be otherwise than it has, in the
 almost general adoption of our **Celebrated**
Perfected Spectacles by the residents of
 this locality. With a full knowledge of the value
 of the assertion, we claim that they are the most
 perfect optical aids ever manufactured. To those
 needing Spectacles, we afford at all times an oppor
 tunity of procuring the best and most desirable.

PRESENTATION.—On the evening
 the 10th inst., Mr. W. W. Winfield, t
 W. P. M. of the St. A'ber's Lodge, N
 206, Mount Forest, was presented by 1
 fellow Masons with a Past Master's jew
 bearing a suitable inscription, and acco

 of the estimation in which the brethe
 hold his efforts in establishing the lodg
 and in advancing its interests since i
 formation.

IN QUOD.—Our friend Jerry Conn
 met with an accident on Saturday aft
 noon, to wit, he was sent to gaol fo
 twenty-one days for vagrancy. The Chi
 Constable found him on the street
 bumming round as usual, and Jerry n
 being faithful to the promise given t
 him the last time he was at the Poli
 Court, viz:—that he would go work, h
 was taken swearing to the lock-up, an
 thence sent to be cared for by M

BRIDGES LET.—On Saturday last, say
 the Elora Observer, the commissioners a
 pointed to manage the County Roads
 this locality met to receive tenders fo
 the construction of the bridges whic
 were to be let on that day. Several o
 fers were received, but those for th
 bridge over the creek immediately nort
 of Ewing's tavern, between Elora an
 Alma were all considered too high, an
 the work was allowed to stand over. Th
 bridge at Hirst's hollow is to be raise
 for a nine feet opening, sixteen feet i
 width, with eight feet wings all of ston
 with timber and plank covering, was l
 to Mr. McIntosh for \$220. The bridge
 Felix McGinn's will have abutment
 thirty-two feet long, with six feet wing
 and the wall's six feet high, all of ston
 and covered with timber and plank
 which the same contractor tendered fo
 at \$115. The committee were under th
 impression that the pri were too
 high, but the other tenders were at
 much higher figure.

SURVEY OF THE NORTH WEST.—The
 Globe is happy to learn that Mr. Stoug
 ton Dennis has been employed by th
 Dominion Government to make arrang
 ments for the first survey of lands in th
 North-West Territory. He is to repor
 on the best method of survey, choosi
 between our own of concessions and lots
 and the American, of section and quarter
 section. He will examine the Americ
 system in Minnesota on his way to th
 Territory, and will almost certainly adop
 it. Practical surveyors invariably prefer
 it, and it has been employed in the recent
 surveys in Algoma. Mr. Dennis will
 make his headquarters at Fort Garry;
 select, after enquiries, the first place for
 settlement; settle on his meridional end
 base lines, and lay out at once enough
 land for the occupation of the emigran
 of next season. Mr. Dennis has had long
 experience in Canada, and is well qua
 lified for the work which he has under
 taken.

DROWNED IN A WELL.—A young man
 named George Chandler was drowned in
 a well, in Toronto, on Sunday morning.
 He went to draw a bucket of water, an
 being subject to epileptic fits, took one
 of them at the well and fell in—a di
 stance of fifteen feet. His skull was fr
 actured in falling, so that it is believ
 ed he must have been almost dead before h
 reached the bottom.

SHOOTING CHALLENGE.—Joe Taylor
 has accepted Ward's challenge to a
 pigeon match, to come off in August, fo
 the championship of the Dominion.
