LESTER B. PEARSON BUILDING

The **ALARM** Signal

The intermittent ringing of the bells on a floor at a rate of **120 beats per minute** or two strokes per second indicates that all occupants on the floor are to immediately evacuate to a minimum distance of 100 m (300 ft) from the building.

The **ALERT** Signal

The intermittent ringing of the bells on a floor at a rate of **20 beats per minute** or one stroke every three seconds indicates that all occupants on the floor should prepare to evacuate and follow the instructions announced over the Public Address System.

Introduction

This Telephone Directory produced by the Department of Foreign Affairs and International Trade includes personnel at headquarters. It was generated from the Department's electronic Data Warehouse, which reflects information entered by each individual. It is also available electronically to departmental staff on our Intranet site. A less detailed version is available to the public via the Internet at www.dfait.maeci.gc.ca

The letter code (S) in the listing of the Directory indicates secure communications is available.

This publication is also available in French.

“Register Right!”

It is important for everyone in the Department to keep their individual profile updated on an on-going basis. The information is used to produce the printed telephone directories, as well as the Intranet and Internet directories. If you have any questions regarding the use of DFAIT's Corporate Applications, please contact your local Systems Administrator. If you are located at Lester B. Pearson Building, contact the SIGNET Call Centre at 944-1776.

Comments

If you have comments about this telephone directory, send them by e-mail to the following mailbox:
SIGNET SUGGESTIONS.

If you are outside the Department, e-mail your comments via the Internet to:

Departmental Mandate

The Department's mandate, as set out in the *Department of Foreign Affairs and International Trade Act*, RSC 1985, c. E-22, is to:

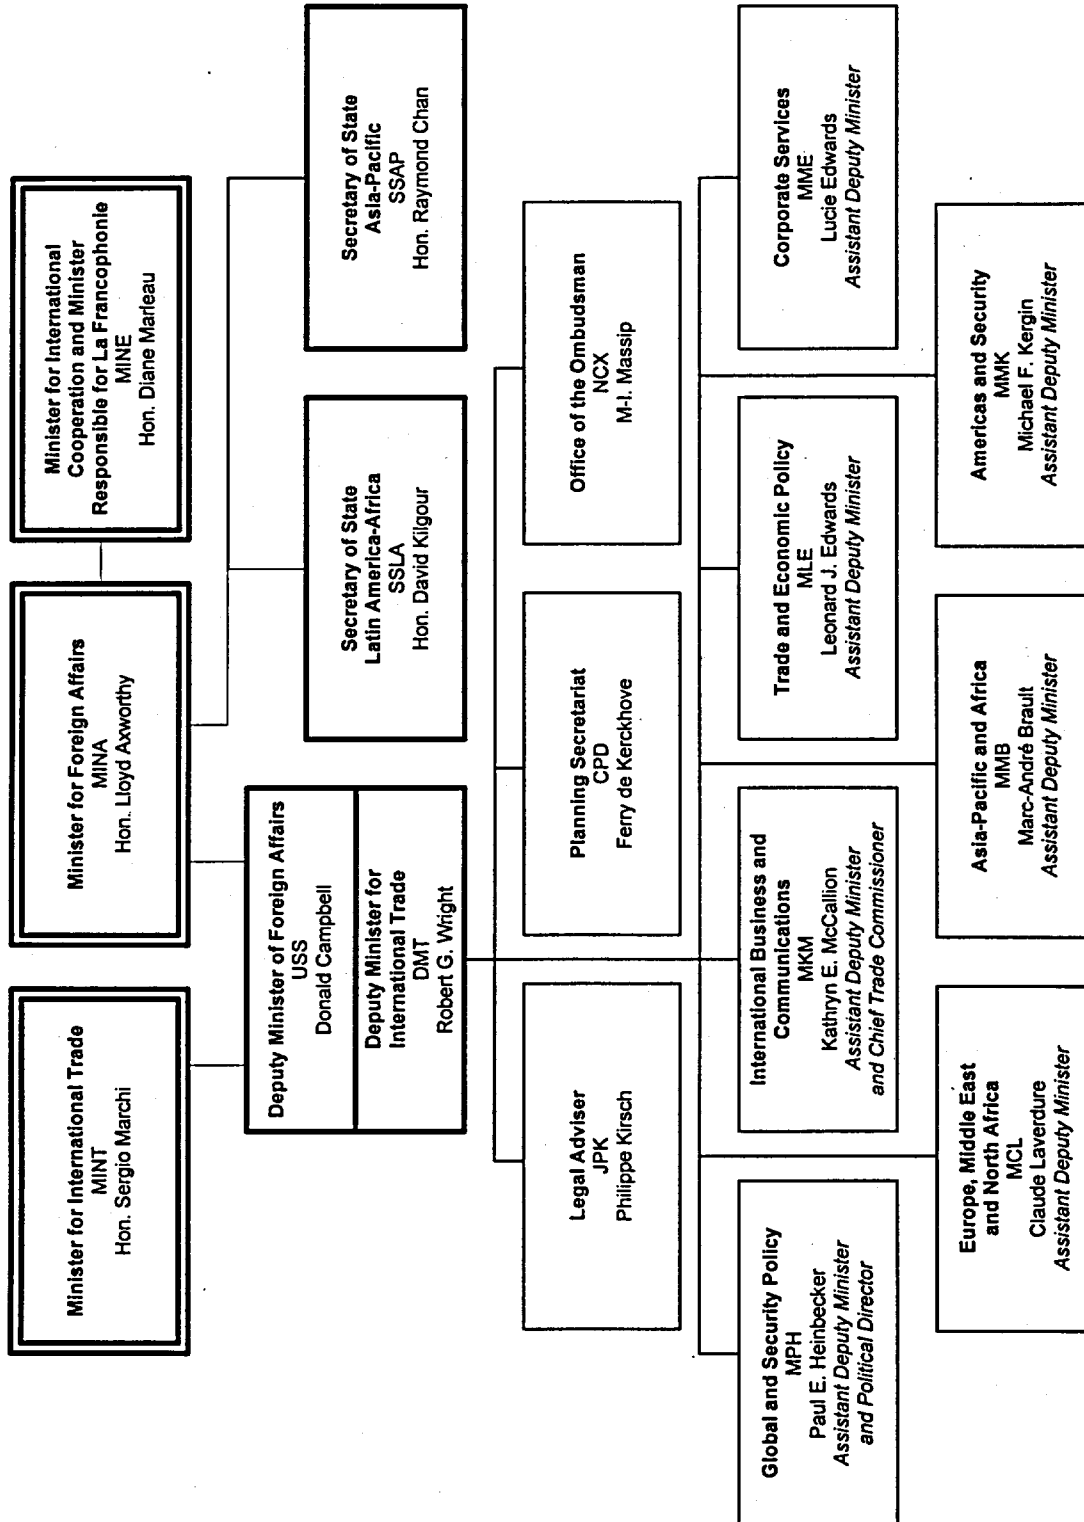

- conduct all diplomatic and consular relations on behalf of Canada;
- conduct all official communications between the Government of Canada and the government of any other country and between the Government of Canada and any international organization;
- conduct and manage international negotiations as they pertain to Canada;
- coordinate Canada's economic relations;
- foster the expansion of Canada's international trade;
- coordinate the direction given by the Government of Canada to the heads of Canada's diplomatic and consular missions and to manage these missions;
- administer the foreign service of Canada; and
- foster the development of international law and its application in Canada's external relations.

The Minister of Foreign Affairs is also responsible for the *Export and Import Permits Act*, RSC 1985, c. E-19, which authorizes the government to control and monitor the transborder flow of specified goods, and for the *Special Economic Measures Act*, 40-41 Elizabeth II, c. 17, which authorizes the government to apply economic sanctions in response to a serious threat to international peace and security.

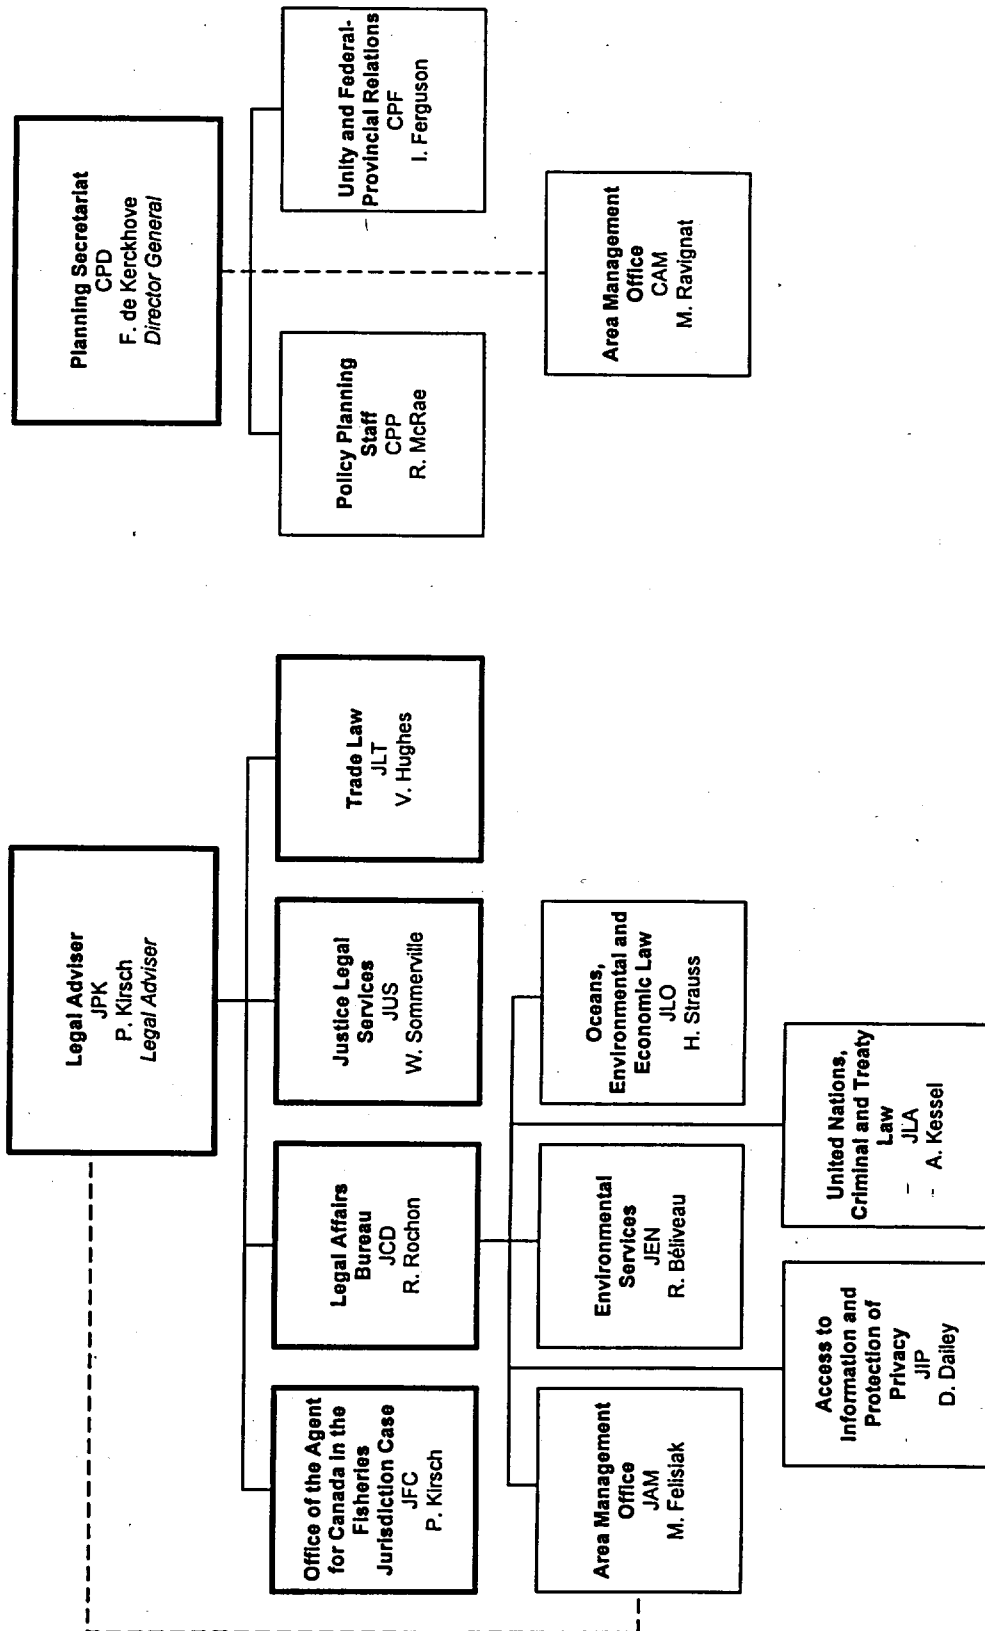

The Department also provides administrative support to other government departments with personnel abroad.

Organization Charts

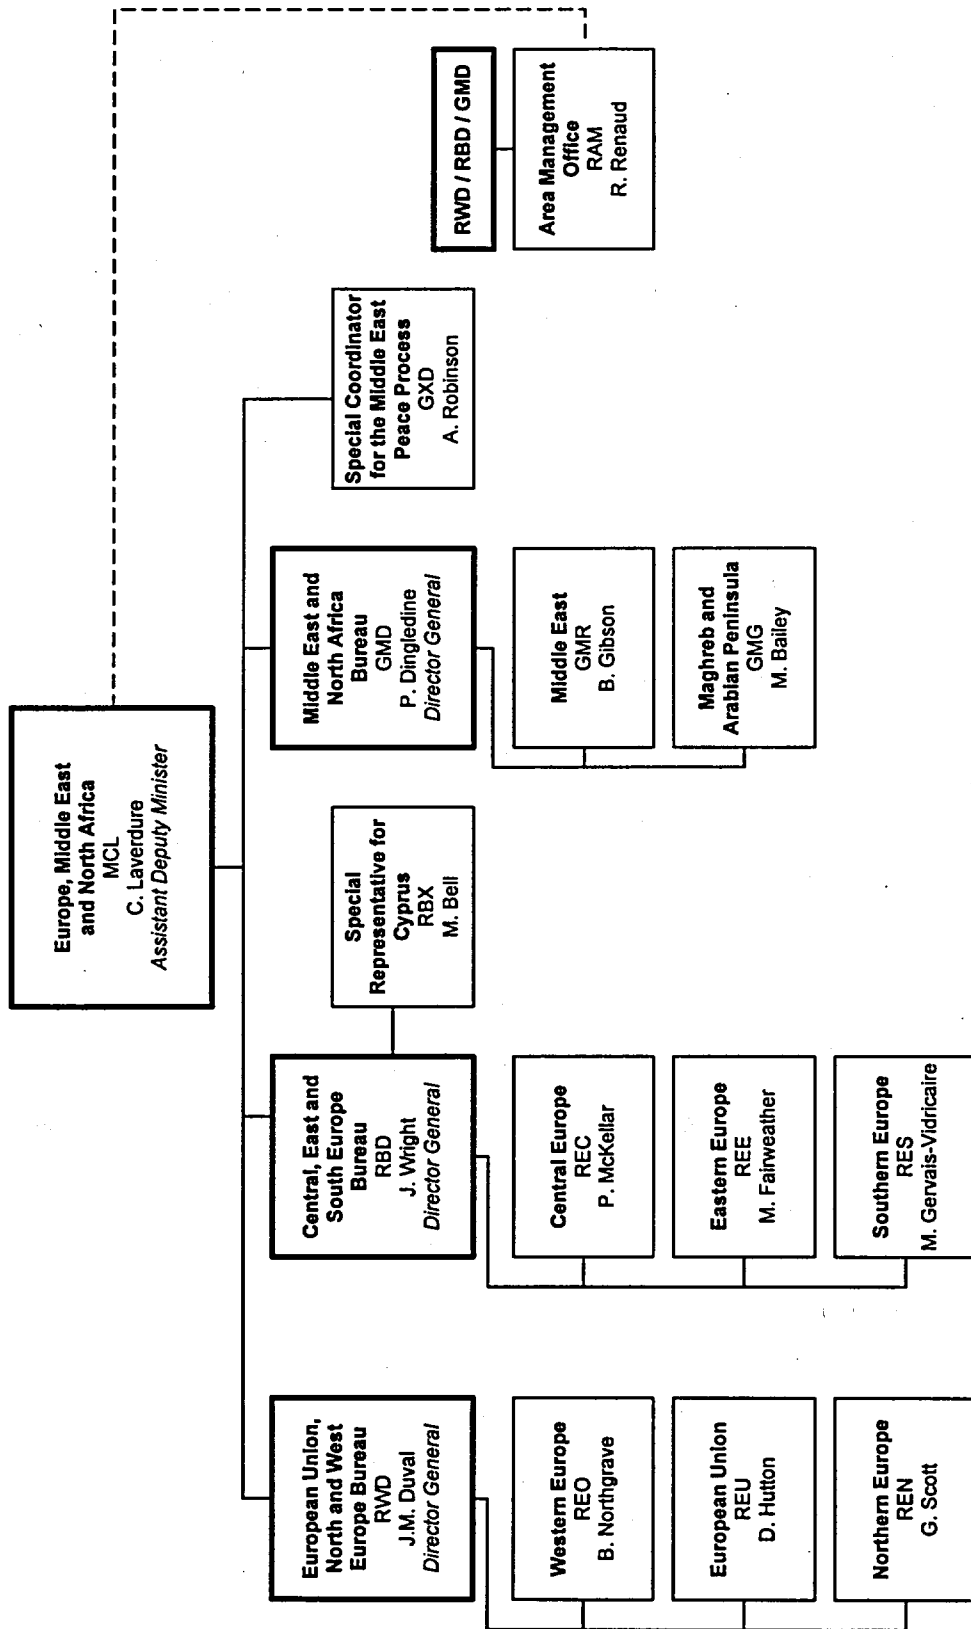

The format of the Directory reflects the organization of the Department at the time of publication. The chart below shows the organization above the Director General level. The charts on the following pages show the areas of responsibility for the Legal Adviser, the Planning Secretariat and each Assistant Deputy Minister and the organization within these areas from the Director level up.

JPK - Legal Adviser and CPD - Planning Secretariat

MCL - Europe, Middle-East and North Africa

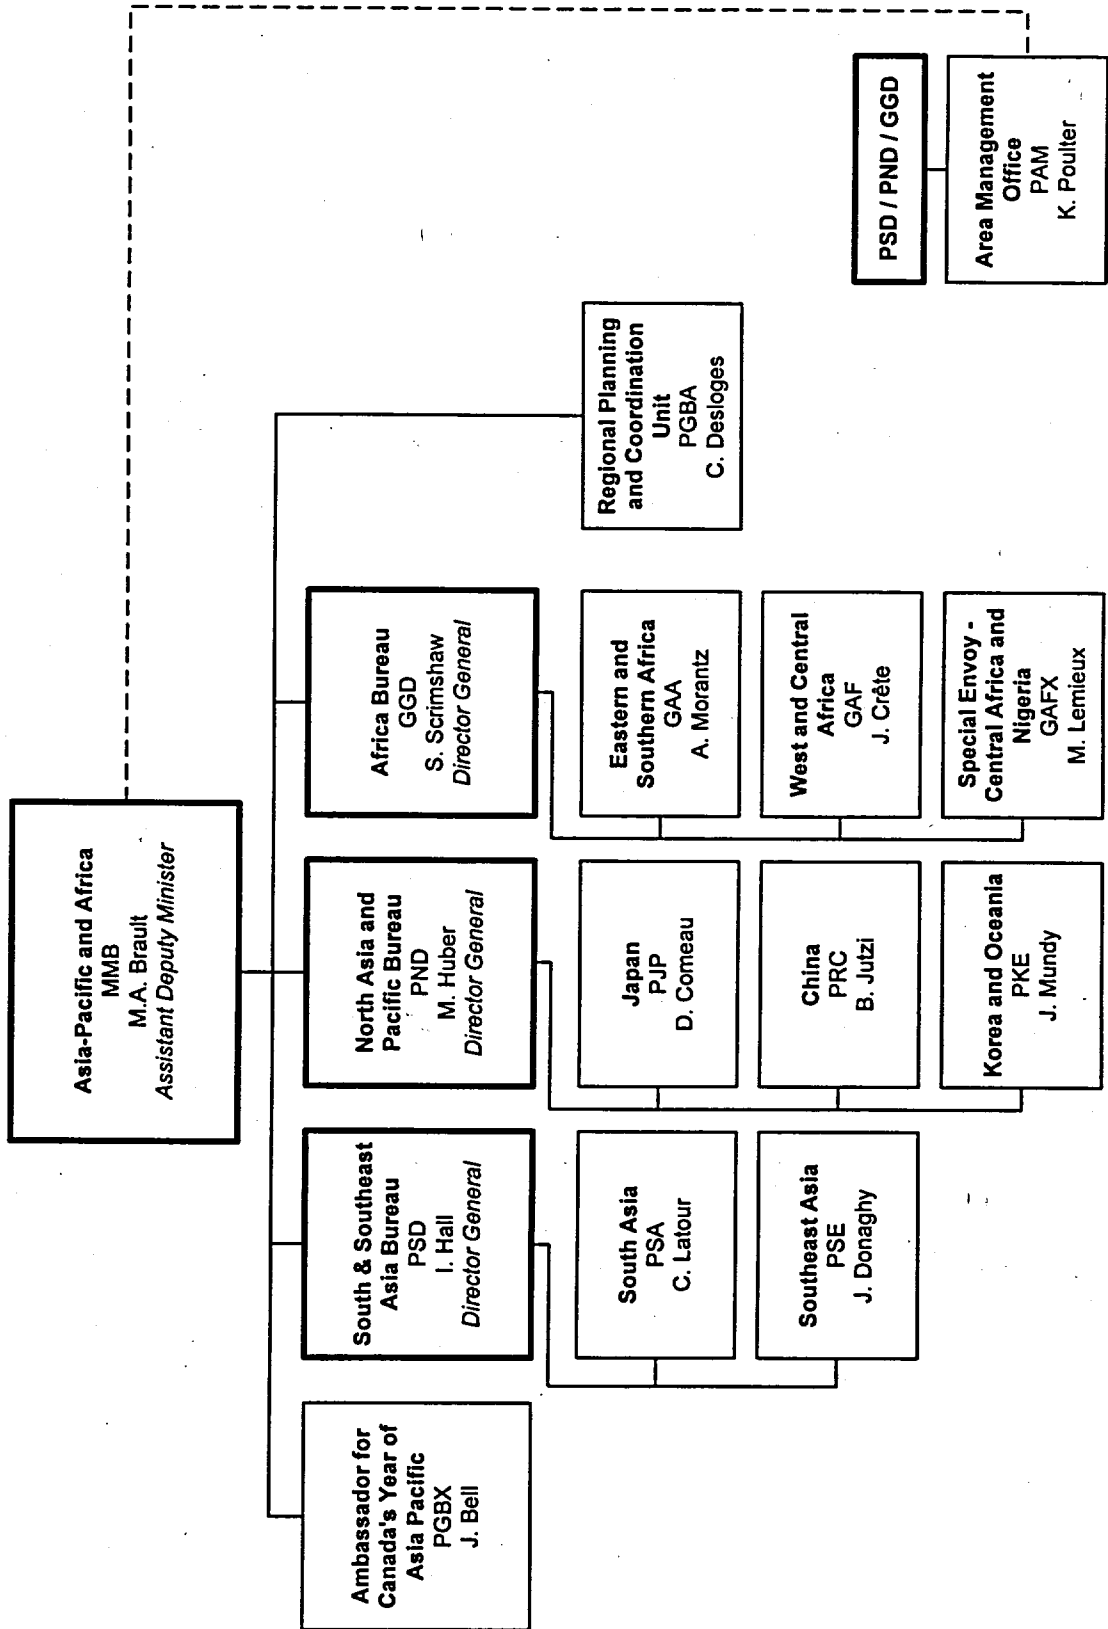

MKM - International Business and Communications

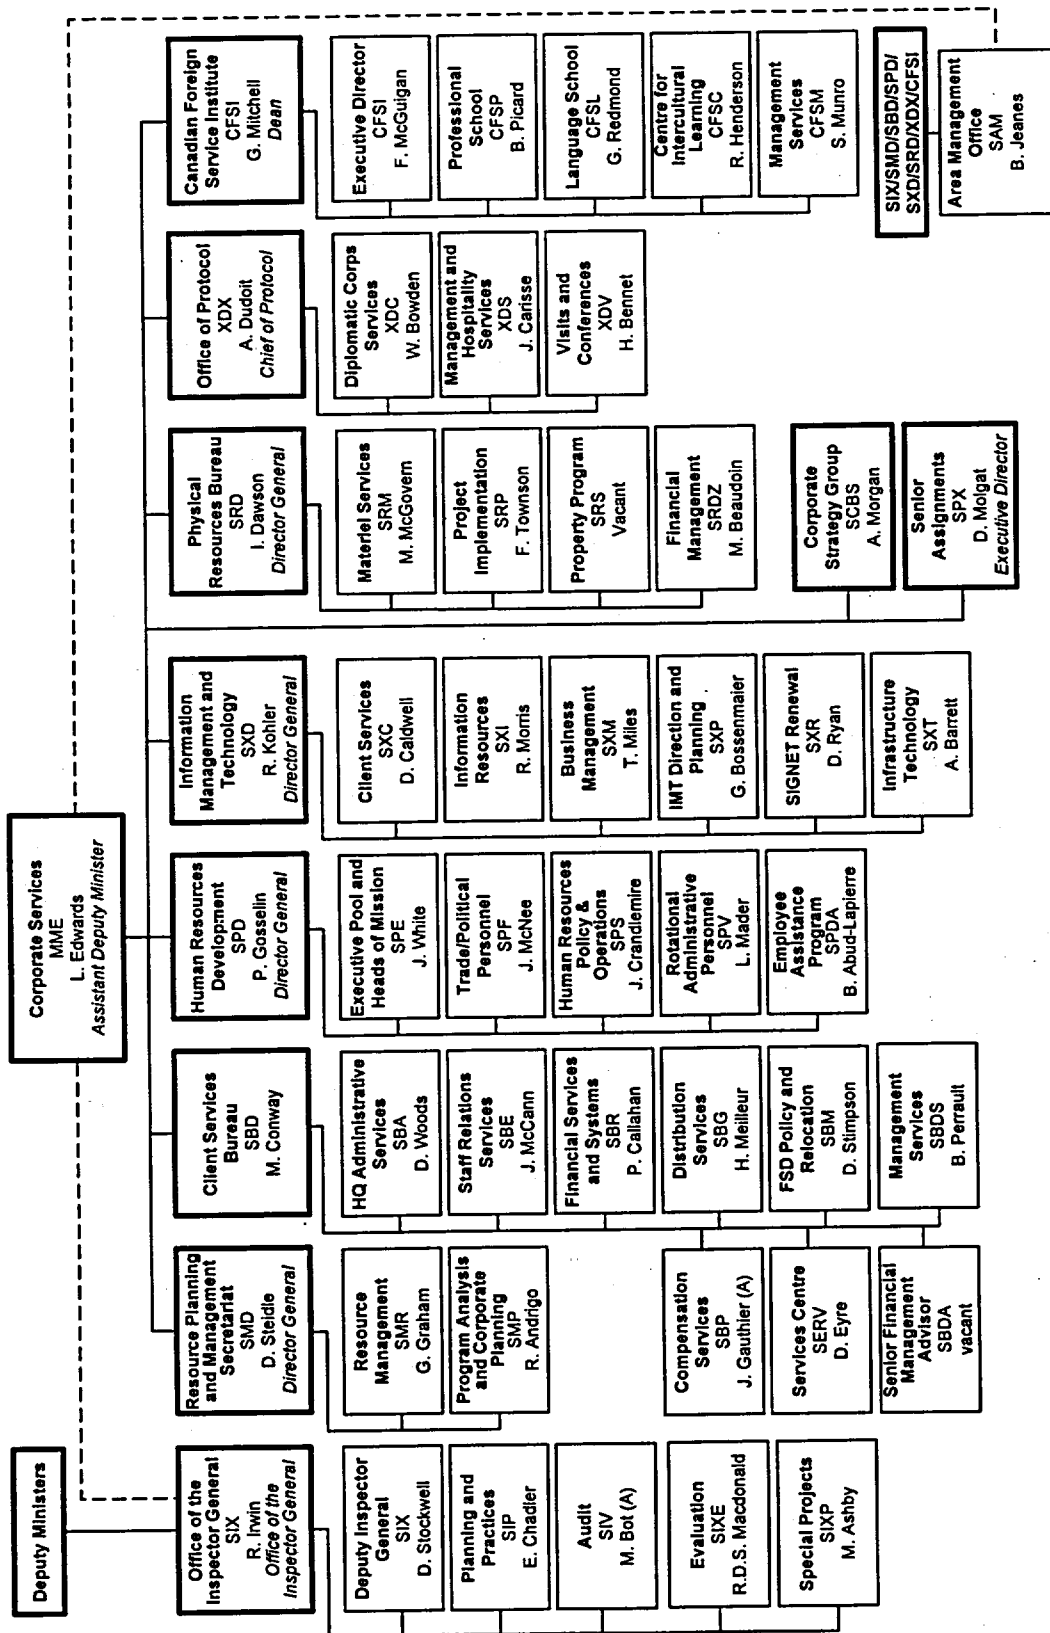

MLE - Trade and Economic Policy

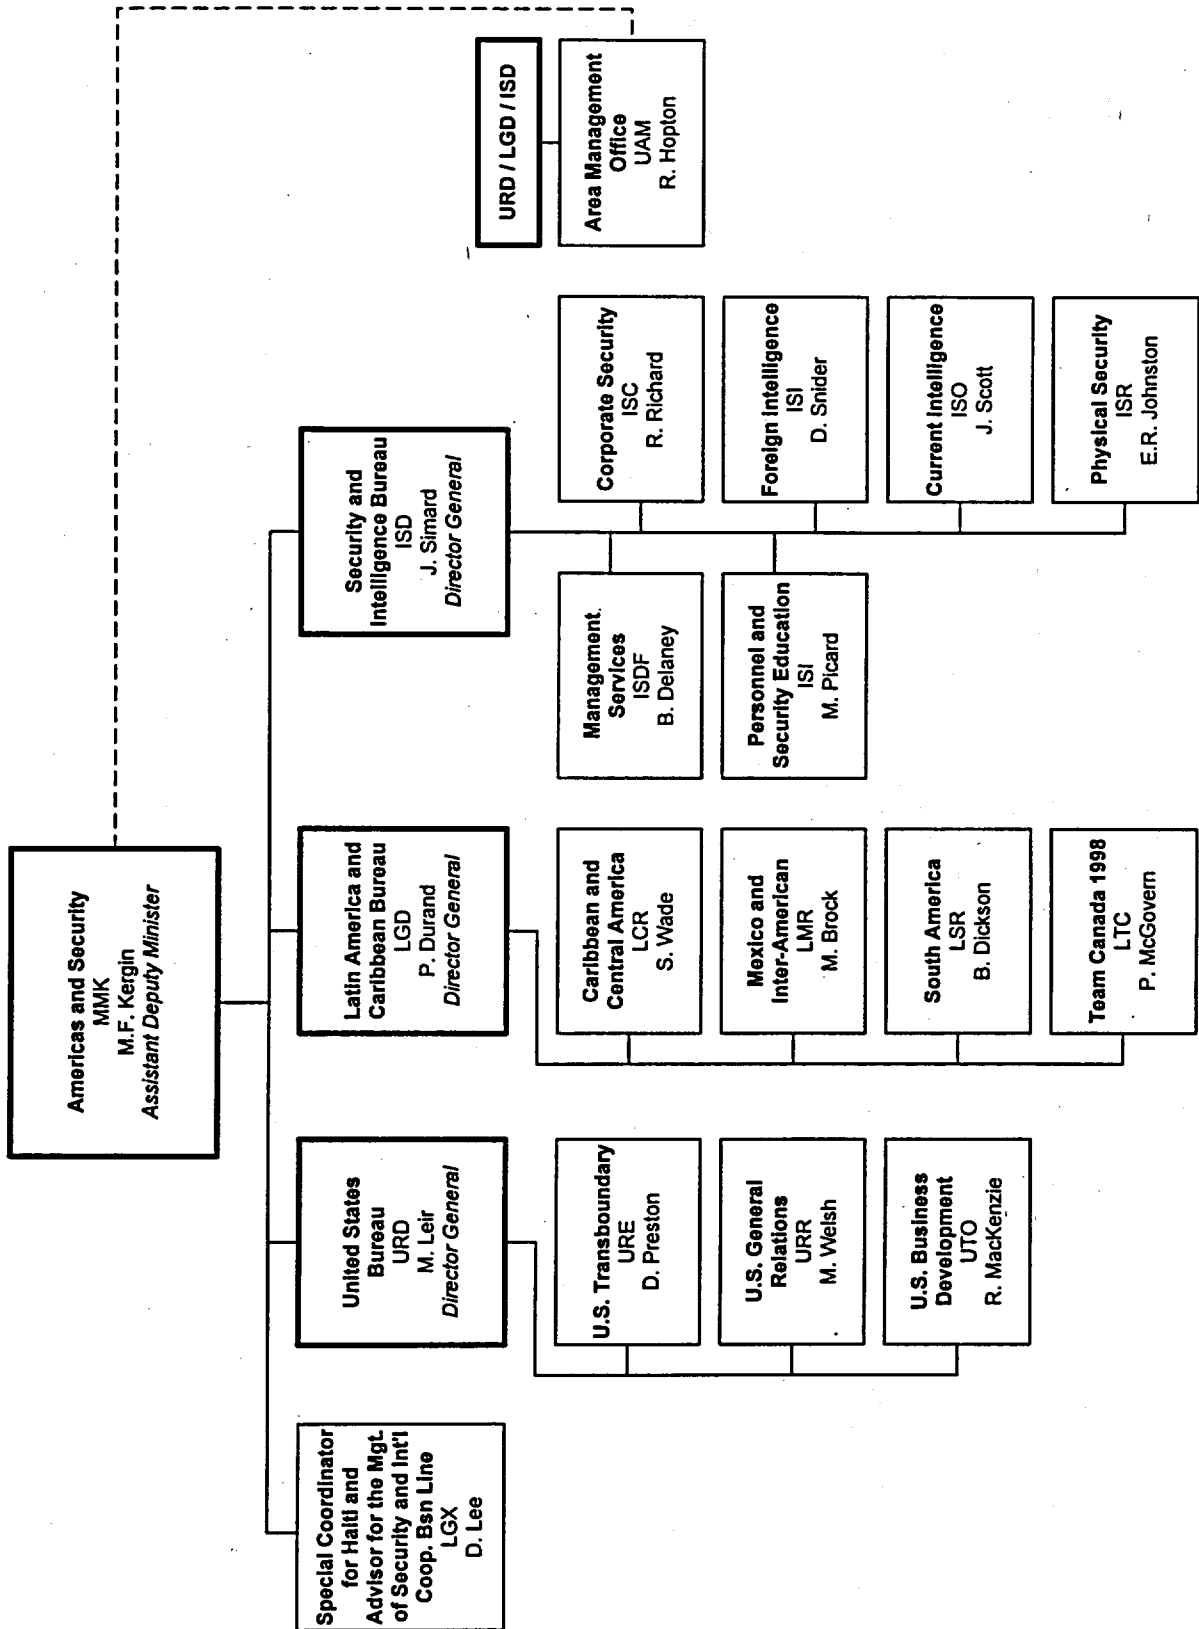

MMB - Asia-Pacific and Africa

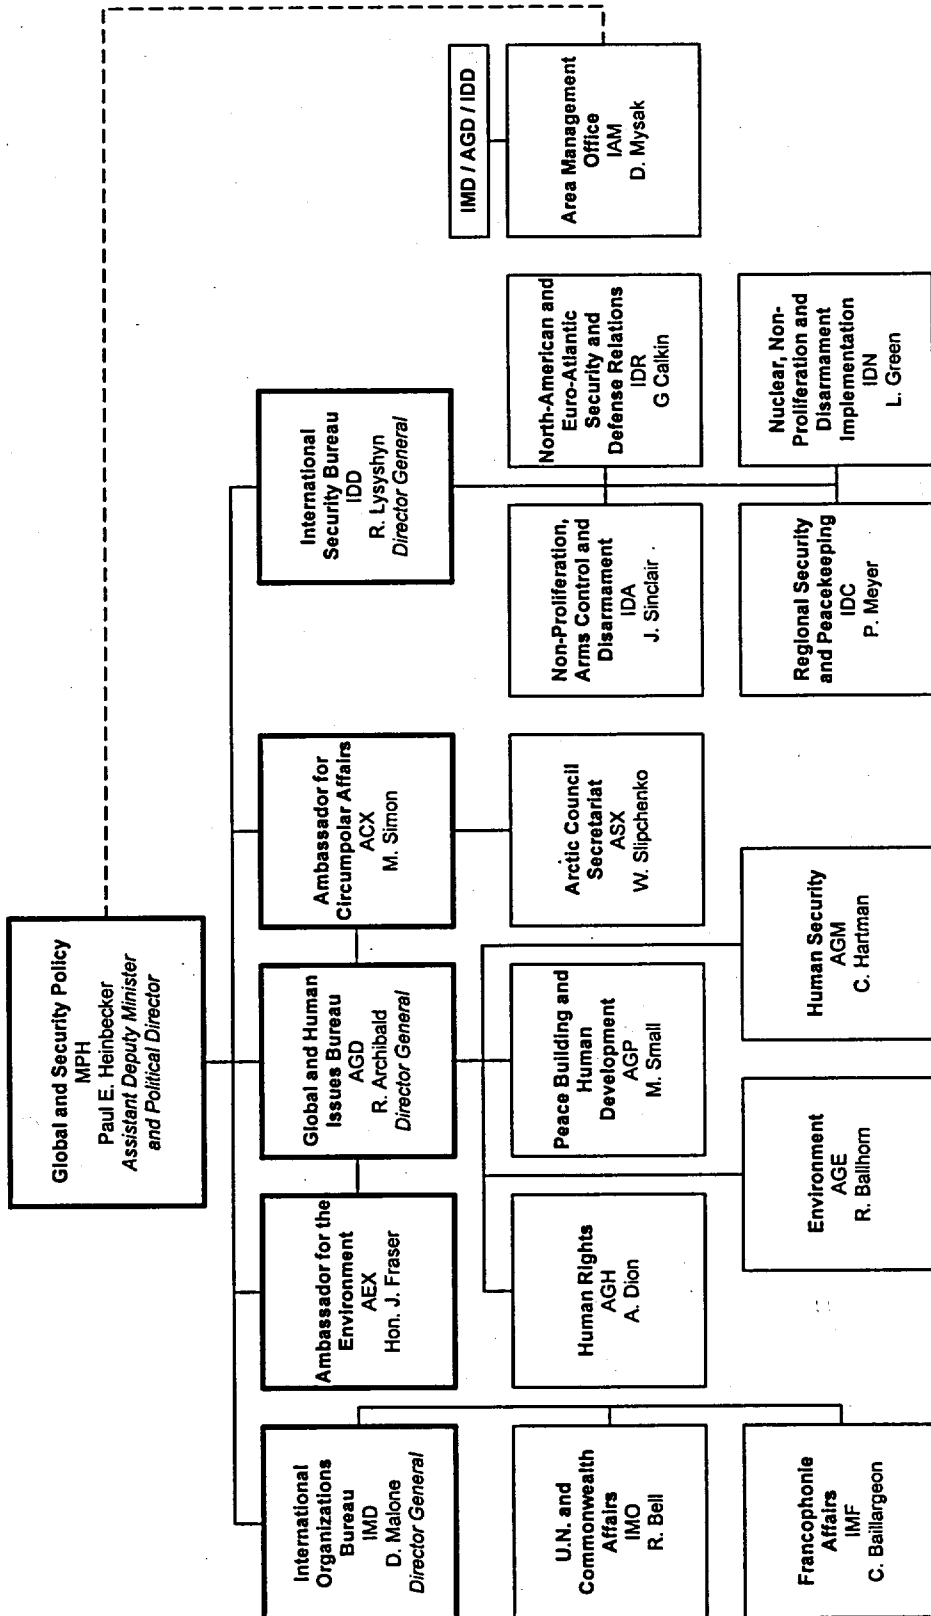

MME - Corporate Services

MMK - Americas and Security

MPH - Global and Security Policy
