London, Jan. 2.—The War Office has received the following dispatch from Lord Kitchener:

POPE TELLS OF BELFAST FIGHT.

Deaths of Bravery by Canadians—

Victoria Cross Earned.

Quebec, Jan. 2.—H. R. Pope, son of a

Superintendent of the G.N.W. Tele-

graph Co., and a member of the Royal

Canadian Dragoons, has written home

giving details of the Belfast fight, in which

the Canadian guns were so nearly cap-

tured by the Boers. An extract from his

letter is as follows:

"Our troops were under Lieut. Cockburn

(Capt. Turner being with the first troop),

and with the third troop of 'A,' were

acting as flank company. The Boers

followed us closely, and in about an

hour we were engaged.

"The Boers were in the front, and the

guns were in danger for a while, and

Holland had to carry off the Colt gun,

leaving the carriage to the Boers.

# REPORT FROM COL. STEELE.

An Interesting Account of the Do-

ings of the Strathcona in

Ottawa, Jan. 2.—Lieut. Col. Steele, com-

manding Strathcona's Horse, reports to the

Department under date of Nov. 27, that the

regiment had been in action on Oct. 20.

On Oct. 25, the regiment formed part

of the column to reinforce the 6th Brigade,

under command of Col. Hicks of the Dub-

lin Fusiliers. Lieut. Col. Steele's command

was known to be operating in the range of hills

on the left flank of the advance. The regi-

ment met to some extent the fire of the

enemy, but "our ponies," says Col. Steele,

"were able to elude the enemy and the

Boers was no delay. We arrived at Fred-

ericksburg before noon, when General Bar-

ton attacked with the Royal Welsh and

Scots Fusiliers, a large force of Boers in-

duced in a charge, and who had been try-

ing for some days to cut the water supply

of the Boers. The Boers were killed and

wounded on the field and in addition,

prisoners were taken.

"The regiment took part in a number of

operations out of Fredericksburg, which were

ordered by the General, and which were

successful in the capture of the Boer

camp on the 10th inst., when the regiment

To the Hon. William Mulock, Postmaster-

Sir,—On the opening of the new year, I

beg leave to submit the following remarks

on a subject connected with your depart-

be of great interest to you, and I am

glad to have the opportunity of making

peculiarly fitting epoch to review the

history of the telegraph system of the
