## Amalgamated Stockholders WARNING

rom the creation of Amalgamated I have conns<br>to make up the Amalgamated Com-

Henry H. Rogers alone knew absolutely their values.
Henry H. Rogers associates took his word for them.
While they cost Messrs. Rogers, Rockefeller and associates only $\$ 39,000,000$, we all believed they were worth more than the 0 at which they were sold to the public.
Shortly after the public flotation at $\$ 100$ per share the stock cropped to 75 . I did all in my power to prevent the decline, los
ons in the effort, but I retained my faith in the real worth of the property.
Some of the insiders made millions; the public was fleeced of millions.
still refused to be discouraged. I urged Messrs. Rogers and Rock
nally, they consented. The stock advanced until it sold at 130 .
At the hightest price I .was still buying and advising its purchase. Then there
I lost enormously; insiders made vast profits. The public was again fleeced.
At 33 I began a new campaign to induce my followers and the public to buy. As a result there were purchased by hundreds of people all wer the country, directly and indirectly through me, rising 200,000 shares, al an average 10 the h , ad This campaign I have prosecuted incessantly up to the pre sent time, until now I estimate the public, holds $1,000,000$ share When my story, "Frenzied Finance," began, I advertised that it could do no damage to Amalgamated stock, but would help it Hoping to divert the dangerous disclosures I threatened, the leading attorney of Messrs. Rogers and Rockefeller askied for a ce. At it he demanded of me what I expected to accomplish. Ireplied: "One thing, at

The market "came in." I did all in my power to assist in raising the price of Amal gamated.
To-day's situation is the same as that of Igor.
"Frenzied Finance"s stock gamblers have accumulated imme ense lines of Amalgamated. The saine sensational rumors of a great

Boston, Decomber 6, 1904.

[^0]:    Since Copper Range Cons
    dvice have made immense profits.
    Copper Range has 38,000 shares; Amalgamated, $1,550,000$
    Copper Range is a new property at Lake Superior, consisting of three immense mines and a railroad, wwith the latest and most inplete plant in the world, including its own smelters. It is the largest and ricliest copper mine discovered and developed in the past
    enty years. It is producing now $40,000,000$ pounds of copper an nually, and it will in the near future become the laggest producer in the world. Amalgamated pays 2 per cent. in dividends. Copper Range win pay
