

PREMIER MEETS MINERS THIS MORNING FOR TALK ON RUNNING THE PUMPS

Eleventh Hour Intervention by Lloyd George May Lead to a Settlement of the Great Struggle—All Parties Working Together to End the Trouble—Railway Men Decide to Give Full Support to the Strikers, Claiming Pitmen Justified in Walking Out.

London, April 7.—A day of port of today's negotiations for the peace of the coal industry... The result of the day's work is that the government has agreed to a general attack on workmen to discuss with the government and attempt to bring about the standard of living that prevailed before the war...

Turns on Pumping... Informal conference continued this morning... The council of the independent labor party called upon all its members to support the miners by every means in their power...

Fight it Out Now... In announcing the decision of the railway men today to give their support to the miners, J. H. Thomas, the secretary of the railwaymen's general secretary, said that the government had agreed to a general attack on workmen...

Labor Leaders Caught... What steps exactly had led up to this change of front are unknown... Arthur Henderson, who rose to safety workers as a preliminary reply to the premier, was clearly not pleased...

No Negotiations... "I am not an extremely hot-headed man, but I would rather capitulate so completely than enter into negotiations with a condition of that kind laid down beforehand..."

THIEVES GOT ABOUT \$500,000

Four Bandits in Cincinnati Hold up Postal Truck and Get Registered Mail.

Chicago, April 7.—Special investigators sent from Washington in connection with the theft yesterday at the Dearborn street station of mail pouches containing cash and securities believed to total more than \$500,000 thought were proceeding on the theory that the robbery had been carried out by a national gang of mail thieves who obtained advance information of money shipments from postal employees.

Stole Registered Mail... Cincinnati, O., April 7.—Four men in an automobile tonight held up and robbed a United States post office mail truck near the west end station of the Baltimore and Ohio railroad here.

Committee Named in Grand Falls Trouble... Fredericton, N. B., April 7.—Premier Foster, Hon. C. W. Robinson and Hon. J. B. M. Baxter were named this morning by Chairman Robichaud of the corporations committee of the Legislature as a sub-committee to consider this afternoon with the promoters and opponents of the bill to extend the Grand Falls Company's rights in the water power at Grand Falls for a period of two years.

Faithful Unto Death... Melbourne, Que., April 7.—Because she refused to abandon her brother who is deaf and blind, Miss Georgiana White, 74, and Finch J. White 33, both perished in a fire here last night which destroyed their home.

MUNGABAN MINISTER QUILTS... Blida Fort, April 7.—The ministry of Count Potholoy has resigned. The collapse it is understood was brought about by the firm attitude of the legitimate farmers against the illegitimate government.

NINE WORKMEN BURIED... Detroit, April 7.—Nine workmen were buried under from ten to eight feet of earth when a cave-in occurred in a sewer excavation on the northern outskirts of the city late this afternoon, according to a report to the police. Ambulances were rushed to the scene.

Rupprecht Marries... Berlin, April 7.—Former Crown Prince Rupprecht of Bavaria who commanded the German army on the northern front in the Western theatre of the Great War, and Princess Annetta of Luxembourg were married today at Hohenberg Castle in Upper Bavaria.

Clara Steeves Married; Ceremony At Prison

Unique Place Chosen So Father, Held on Murder Charge, Could be Present.

Special to The Standard... Moncton, N. B., April 7.—If O. Gains Steeves, incarcerated in the county jail at Hopewell Cape, awaiting his trial on the charge of murdering his wife and five children at Fine Glen, Parish of Albert county, in February, had temporarily been forgotten by the public, interest in the tragedy has been revived by the marriage of the accused's only surviving daughter, Clara Steeves, who was living in Moncton at the time of the tragic death of her mother and five brothers and sisters. The wedding was celebrated in the presence of her father in the jail at Hopewell Cape on March 25, to her cousin, Benjamin Steeves, of Elgin.

CONFESSION OF ALLEGED SLAYER MAY BE DENIED

Alienists Examine Prisoner for Elwell Shooting and Find Him Normal.

LIVED IN ONTARIO BEFORE THE CRIME

Doubt Possibility of One Man Recently Released from Jail Being Involved.

Bridgeport, Conn., April 7.—Additional doubt was cast today on the "confession" of Roy Harris in Buffalo yesterday to complicity in the murder of Joseph B. Elwell, Bridgeport, in New York last June. The Bridgeport police announced this afternoon that William Duken, believed to be the "Dunkin" alleged by Harris to have fired the shot that killed the sportsman, had only been released today from the Chenango reformatory, after having been sentenced to that institution in 1919 for theft.

Lived in Ontario... St. Catharines, Ont., April 7.—Roy Harris, who confessed the Buffalo police that he murdered Joseph Elwell, New York tariff man, lived in St. Catharines for several months with his wife, under the name of Leonard Leclair, and Mrs. Leo Wright, with whom he resided, this morning volunteered the statement that "Benny" was a nice boy.

Too Busy To Keep Seat in Commons... Sir Thos. White Declares G. T. R. Case Makes Membership Impossible.

Railroad Unions To Accept Harding Plan... President Will Call Conference of Both Sides to Hear About Rules of Working.

Sensational Story in Stillman Case... Student Alleges Canadian Guide Spoke of "Wife and Babe" in New York.

Col. Geo. H. Pick Dead At Moncton... Fenian Raid Veteran Passes Away After Long Career in Railway Work.

Hon. Geo. P. Graham Is Not Leeds Nominee... Brockville, Ont., April 7.—"Never heard of it," was the comment of Hon. Geo. P. Graham, ex-minister of railways and coast, this afternoon when shown a Belleville despatch stating that he was likely to be the Liberal candidate in the riding of Leeds and Brockville left vacant by the resignation of Sir Thomas White. Hon. Mr. Graham will be the Liberal candidate in South Essex at the next general election.

IRISH PARTIES UNITE... Dublin, April 7.—Joseph Devlin, Nationalist member of parliament for Belfast, and Edmund De Valera, one of the prime movers in the Irish Republican agitation, have ratified the agreement of last month under which the Sinn Fein constitutional and nationalist parties will present a united front to the Unionist forces in the coming elections in the North of Ireland.

WORLD NEWS TODAY

NEW BRUNSWICK... New Brunswick auto owners ask for the right to the right rule for the province.

MAXWELL CAR CONTEST END IS NEAR AT HAND... Only Three More Days of the Last Special Prize Offer in The Standard's Contest.

CONTESTANTS SHOULD MAKE MINUTES COUNT... It Will be Better to Have Too Many Votes at End of Contest Than Not Enough.

CLAIM PROVINCE IS "WIDE OPEN"... Geo. B. Jones Alleges Prohibition Act Enforced for Political Purposes.

CONFESSION OF ALLEGED SLAYER MAY BE DENIED... Alienists Examine Prisoner for Elwell Shooting and Find Him Normal.

LIVED IN ONTARIO BEFORE THE CRIME... Doubt Possibility of One Man Recently Released from Jail Being Involved.

Too Busy To Keep Seat in Commons... Sir Thos. White Declares G. T. R. Case Makes Membership Impossible.

Railroad Unions To Accept Harding Plan... President Will Call Conference of Both Sides to Hear About Rules of Working.

MAXWELL CAR CONTEST END IS NEAR AT HAND

Only Three More Days of the Last Special Prize Offer in The Standard's Contest.

CONTESTANTS SHOULD MAKE MINUTES COUNT

It Will be Better to Have Too Many Votes at End of Contest Than Not Enough.

Just a few more days remain of the big Maxwell Touring Car offer. Today, Saturday and Monday are the last days.

The offer ends at 6 o'clock sharp Monday afternoon. The contestant who turns in the greatest amount of subscription money during a three-week period ending 6 o'clock Monday, April 11th, will be awarded the special Maxwell.

Close Race... The race for the Maxwell is a close one up to the present time, and the work done during these closing days of the offer will undoubtedly be the deciding factors in the close race.

Quadruple Votes... Four times the regular number of votes are being given on the last vote schedule of the contest. The last schedule is in vogue this week and also next week.

By securing every possible subscription this week, contestants will have their subscriptions count on both of the big offers—the special Maxwell offer and the Quadruple vote offer.

Be the Winner... No matter how many votes you have—secure more! It will be far better to have too many votes or too much subscription money to your credit than to not have enough.

AT THE IMPERIAL TODAY... Charles Ray in "The Village Sleuth."

AT THE QUEEN SQUARE TODAY... "Heliopole" with an all-star cast.

AT THE UNIQUE TODAY... Tom Mix in "The Road Demon."

OPERA HOUSE, TODAY... Vaudeville and feature picture.

Two of the prizes to be given away in The Standard's big contest are opportunities to become Movie Stars with the University Film Company, Fredson's largest and most important Moving Picture Company.

PACKERS START GREAT ACTION

Suit for \$3,350,000 Against United States Government Being Argued Now.

Washington, April 7.—Arguments were made in the United States court of claims today in four test actions known as "the packers' cases" to recover from the government approximately \$3,350,000 for damages sustained. It is alleged, by refusal of the war department to accept \$5,000,000 pounds of beef and bacon ordered by the United States food administration in December, 1918.

The actions have been brought by Armour & Co., Swift & Co., Miller & Canning & Co., and the decision is expected to affect a number of other suits contemplated by packers involving an aggregate of over \$5,000,000.

Australia Needs United States Aid

Cannot Make Enemy of America for Friendship of Japan Says Australia.

London, April 7.—A Melbourne, Australia, despatch to the London Times, says that in a speech in the House on the forthcoming Imperial Conference, Premier Hughes declared with respect to the Japanese treaty that Australia could not make an enemy of the United States to secure the friendship of Japan, and that the treaty must be renewed in modified form, but satisfactory to the United States. He asserted that there was great danger of such rivalry in the Pacific as would drain the finances of the nations and have a vexatious influence on the whole world.

Hon. Geo. P. Graham Is Not Leeds Nominee

Brockville, Ont., April 7.—"Never heard of it," was the comment of Hon. Geo. P. Graham, ex-minister of railways and coast, this afternoon when shown a Belleville despatch stating that he was likely to be the Liberal candidate in the riding of Leeds and Brockville left vacant by the resignation of Sir Thomas White. Hon. Mr. Graham will be the Liberal candidate in South Essex at the next general election.

IRISH PARTIES UNITE... Dublin, April 7.—Joseph Devlin, Nationalist member of parliament for Belfast, and Edmund De Valera, one of the prime movers in the Irish Republican agitation, have ratified the agreement of last month under which the Sinn Fein constitutional and nationalist parties will present a united front to the Unionist forces in the coming elections in the North of Ireland.

Convict Waiter In Trouble For Giving Brindell Fine Feed

High Salaried Labor Prisoner Had Ham and Eggs While Others Got Plain Hash.

Quosting, N. Y., April 7.—Hasi on the dinner menu tonight at Sing Sing prison, but Robert P. Brindell, high salaried labor leader, who began a five-year sentence Monday for extortion, ate ham and eggs. Charges for violation of the prison rules are facing him. The waiter, another convict, from whom Brindell said he had obtained the delicacy, was deprived of his usual privilege and locked in a cell. Officials said the waiter probably would be sent to Clinton prison. The only inmates of Sing Sing who are permitted to eat eggs are patients in the hospital.

LOSS OF NEARLY SIXTY MILLIONS ON THE C. G. M. M.

Such is the View of Wm. Duff Expressed in Attack on Policy.

HON. MR. BALLANTYNE CLAIMS A SUCCESS

Sharp Division in Commons on Question of Vote of Interim Supply.

Ottawa, April 7.—Canadian government merchant ships were under severe fire in the House of Commons today. It was charged by the opposition that the vessels, instead of showing an operating profit last year, were operated at a deficit. Wm. Duff (Lanenburg) who led the opposition attack, claimed that loss to the country in the value of ships and in operation was already \$5,568,962. In this, he estimated depreciation in value alone at \$3,967,450. "The prime minister," declared Mr. Duff, "did not know what he was talking about when he said that the financial condition of the government merchant marine was fair and satisfactory."

Against Government Ships... Mr. Duff favored a Canadian merchant marine but not one operated by the government. As soon as the estimate was signed, the minister of marine should have abandoned his shipbuilding programme.

Mr. Duff dealt with the steel plate contracts and declared that the government was facing a law suit for \$15,000,000 or \$18,000,000 as a result of bad management. Contracts had been cancelled after a steel company had erected a plate mill and that company would bring a suit for damages.

Mr. Ballantyne Objects... Hon. Mr. Ballantyne interjected that the government had no claim whatever from the Dominion Iron and Steel Company. The Exchequer Court would decide the amount to which the company was entitled by way of compensation for the cancelled contracts but it would not be anywhere near \$15,000,000.

Mr. Duff's attack followed a lively passage over the introduction of an interim supply resolution for \$71,498,703 being one-sixth of the estimates tabled.

Against Blind Voting... Hon. W. L. Mackenzie King, Liberal leader, strongly protested against voting money "blindly." Sir Henry Drayton, minister of finance, replied that voting interim supply was a practice of many years standing.

Col. Geo. H. Pick Dead At Moncton

Fenian Raid Veteran Passes Away After Long Career in Railway Work.

Moncton, April 7.—Moncton lost one of its oldest landmarks this evening in the death of Colonel Geo. H. Pick, one of the best citizens. Col. Pick was a former well known official of the old I. C. R., but he had been on the pension about fifteen years. For many years he was assistant to the late George Taylor, general freight agent I. C. R., and later was weighing inspector for some time prior to his retirement. He was well known to railway men all over the maritime system of government railways. He was a native of Fredericton, but had resided in Moncton the last half of his life. In his younger days he took an active part in the militia and participated in the defence of the province at the time of the Fenian raid. He was a prominent Mason and Sons of England.

He is survived by his second wife, who was formerly a Miss Rogers of Amherst. A. P. Mitchell, of the C.N.R., R. Campbellton, is a nephew.

ASK FOR KEEP TO RIGHT LAW FOR PROVINCE

Delegation to Capital is Promised Consideration After Arguments Are Presented.

Special to The Standard... Fredericton, April 7.—The Provincial Opposition party executive held a conference this evening at the hotel. A representative, harp monious and enthusiastic meeting, said Hon. J. B. M. Baxter, leader of the Opposition party at the conclusion of the conference, that the organization matters were considered. No other statement was given out.

Turn to the Right... A delegation from the New Brunswick Association and other organizations, headed by President T. P. Regan, of St. John, interviewed the provincial government this evening and urged that the necessary proclamation be issued for the adoption of the new road law. The provincial government, which was often called and sometimes met the loss of human life, by automobilists from the United States and Upper Canada coming into this province, especially along the State of Maine boundary, and becoming confused of the changing rules of the road.

Nova Scotia Ready... It was said that the Province of Nova Scotia stood ready to adopt the "Turn to the right" rule of the road just as soon as New Brunswick did so, thus making for uniformity. No definite reply was given to the delegation by the government, who promised that the matter would have further consideration.

Against Changing Season... A delegation from New Brunswick Guides' Association also appeared before the government and protested against the proposed change in the open season for hunting big game in New Brunswick, being curtailed this year because of the large number of hunting parties already booked, many of whom had completed all arrangements to be here during the last two weeks of September, which it was now proposed to cut off the open season by making October the first of the opening day. They asked that the change be not effective until 1922, thus giving one year's notice. They were strongly in favor of the legislation to prohibit the sale of game meat and to advance the resident's license fee for hunting big game from \$2 to \$5, expressing the opinion that the latter was not unreasonable amount.

President W. Harry Allen and Arthur Prince, of Stanley, were among the speakers on behalf of the Guides' Association delegation, who also were promised favorable consideration of their request.

FIGS AND TEA GROWN NOW ON VANCOUVER IS.

Bamboo for Fishing Baskets and Poles Flourishing Along Pacific.

ORIENTAL NUT TREES IN BLOOM

No Longer is Canada a Land of Snows Declares Hon. Mr. Tolmie.

Ottawa, April 7.—That there are now being successfully grown on Vancouver Island, and for the first time in Canada, both tea and olives, was the information given here tonight to a banquet of local horticulturalists by Hon. S. C. Tolmie, federal minister of agriculture. This year, too, on Vancouver Island, there will be a good fig crop. Filbert and almond trees are in full bloom and the bamboo crop is large enough to harvest for baskets and fishing poles, he added.

"This is an astonishing statement to those without our borders, who are prone to think of Canada as a land of snow banks and wild country," he said.

Flowers for Canada... Dr. Tolmie also thought it would only be a matter of time until Canada is able to buy its roses from Pacific Coast towns and cities within her borders rather than import stock from Great Britain, Ireland and other countries.

While in ordinary truck farming, the Oriental should be an aggressive competitor of the Anglo-Saxon, he had not been able to successfully compete with white growers in flowers, Dr. Tolmie stated.

ASK FOR KEEP TO RIGHT LAW FOR PROVINCE

Delegation to Capital is Promised Consideration After Arguments Are Presented.

Special to The Standard... Fredericton, April 7.—The Provincial Opposition party executive held a conference this evening at the hotel. A representative, harp monious and enthusiastic meeting, said Hon. J. B. M. Baxter, leader of the Opposition party at the conclusion of the conference, that the organization matters were considered. No other statement was given out.

Turn to the Right... A delegation from the New Brunswick Association and other organizations, headed by President T. P. Regan, of St. John, interviewed the provincial government this evening and urged that the necessary proclamation be issued for the adoption of the new road law. The provincial government, which was often called and sometimes met the loss of human life, by automobilists from the United States and Upper Canada coming into this province, especially along the State of Maine boundary, and becoming confused of the changing rules of the road.

Nova Scotia Ready... It was said that the Province of Nova Scotia stood ready to adopt the "Turn to the right" rule of the road just as soon as New Brunswick did so, thus making for uniformity. No definite reply was given to the delegation by the government, who promised that the matter would have further consideration.

Against Changing Season... A delegation from New Brunswick Guides' Association also appeared before the government and protested against the proposed change in the open season for hunting big game in New Brunswick, being curtailed this year because of the large number of hunting parties already booked, many of whom had completed all arrangements to be here during the last two weeks of September, which it was now proposed to cut off the open season by making October the first of the opening day. They asked that the change be not effective until 1922, thus giving one year's notice. They were strongly in favor of the legislation to prohibit the sale of game meat and to advance the resident's license fee for hunting big game from \$2 to \$5, expressing the opinion that the latter was not unreasonable amount.

President W. Harry Allen and Arthur Prince, of Stanley, were among the speakers on behalf of the Guides' Association delegation, who also were promised favorable consideration of their request.

FARMER DENIES KILLING NEGROES

Absolutely Innocent Says Georgia Man on Whose Farm Bodies Were Found

Covington, Ga., April 7.—John S. Williams, plantation owner, on trial for the murder of eleven negro farm hands, alleged to have been killed through fear of exposure of peonage conditions on his farm, took the stand here today in his own behalf.

"Like most farmers," he said, "I have bonded out negroes and worked them," adding that "most Georgia farmers" were technically guilty of peonage under definition of that term given him by federal agents.

The witness denied all knowledge of the killing of Peterson, Preston and Price, three of the dead farm hands said by Clyde Manning, Williams' negro farm boss and star witness for the state to have been bonded and thrown into a river with sacks of rocks tied to them by Williams' order. Manning testified yesterday that Williams drove the motor car in which the men were taken to a bridge and helped put them over the rail. Williams testified that the last he saw of the three negroes was when they came to him the night before they disappeared and said they wanted to visit their homes but would return. He gave them \$5 each, and also gave Charlie Chisholm, another negro employee and Manning fifty cents each, the five negroes going off together.

Absolutely Innocent.

"That was the last I ever saw of those boys," he said referring to Peterson, Price and Preston.

"Whoever put the bodies in the river did it for a purpose," he said. "I had done this crime gentleman. I would have had plenty of time to get where they could not put their hands on me." Williams asserted he was falsely accused and added, "what they have done to me (Manning) to make him accuse me, I don't know."

"I did not know what he was going to say till we heard him on the stand," he said. "As far as this case is concerned, I am absolutely innocent," continued Williams. "That's about all I can say." The defence rested without calling any other witness.

Speaker's Ruling Sustained in House

Halifax, N. S., April 7.—Another attempt was made by H. W. Corning, in the legislature today, to introduce a resolution that the government should vote an "advanced supply bill" to provide the municipalities with money to proceed with road work. He stated that the resolution was differently constructed from the one that he introduced earlier in the session. The speaker ruled the resolution out of order. Mr. Corning appealed from the ruling of the speaker. On appeal being taken, the ruling of the speaker was sustained on a vote of 21 to 11.

INCH ARRAN HOTEL BURNS

Dalhousie, April 7.—A disastrous fire occurred here this afternoon. The Inch Arran Hotel, a popular summer resort, caught fire and was burned to the ground.

A Bit of History

The "London House" was started in 1831 by Matthew Holdsworth and Thos. Daniel, both coming from London in 1830 under the firm of Holdsworth & Daniel and name of the "London House." They were burnt out in the great fire of 1839—Mr. Holdsworth being killed during the fire by falling down a hatch in the warehouse. After this Mr. Thos. Daniel bought land on Market Square and built store and warehouse, there he carried on business until 1847 when he retired and was succeeded by his nephew, Mr. Thos. W. Daniel—the firm name becoming T. W. Daniel & Co. Mr. John Boyd was taken into partnership in 1862 and the firm was subsequently changed to Daniel & Boyd, who did a very large wholesale and retail business, at one time their yearly sales reaching the sum of nearly \$2,000,000. At the time of the great fire in 1877 they lost very heavily through large credit accounts given to firms in the city. The retail portion of their business was bought out by E. W. Daniel, son of Thos. W. Daniel of Daniel & Boyd in 1889 and this is the present "London House" which has been carried on with increasing favor and prosperity ever since.

Cut In Lake Coal Rates Is Sought

250 Mine and Dock Operators to Ask Eight Railroads to Reduce Freight Schedule.

Cleveland, April 7.—A committee representing 250 coal mine operators in this section and dock operators of the northwestern lake region, will personally appeal to the presidents of eight railroads carrying coal from mines to lake ports to urge them to reduce freight rates on coal.

The railroads will be asked to wipe out the differential between rail and water rates from Ohio mines to Wisconsin and Minnesota docks and all rail rates from Illinois mines to the same docks. This difference is fifty-eight cents a ton, and has resulted in northwestern dock operators, placing no contracts with Ohio and Pennsylvania mine operators this year.

N. S. Schooner Burns

Parsons, N. S., April 7.—The Nova Scotia tern schooner J. L. Ralston, has been burned at sea, according to a cable received here this afternoon. The vessel was bound from St. Domingo to this port in ballast.

CIGAR MAKERS RETURN

London, Ont., April 7.—Striking cigar makers in seven of London's factories decided today to return to work on Friday morning, agreeing at the same time to accept a wage cut equal to the raise they received last September. Workers in three factories declined to accept proposals offered and are remaining out.

Merino City, April 7—Firing squads at dawn within the past few weeks have carried out deadly work among revolutionary leaders who have been active in various parts of the republic.

Merino City, April 7—Firing squads at dawn within the past few weeks have carried out deadly work among revolutionary leaders who have been active in various parts of the republic.

Merino City, April 7—Firing squads at dawn within the past few weeks have carried out deadly work among revolutionary leaders who have been active in various parts of the republic.

To Those Who Do Not Know THE UNIQUE QUALITIES OF "SALADA" TEA

We would say: Send us a postal card for a trial packet and your own teapot will then demonstrate why this is the largest selling tea in America. Address your card "Salada", Montreal.

Ratify Merger Deal

New Glasgow, N. S., April 7.—At the meeting of the common shareholders of the Nova Scotia Steel and Coal Company at Trenton today to ratify the agreement between the British Empire Steel Corporation, Limited, and the directors of the former corporation, the vote in favor of ratification was practically unanimous, 88,454 voting in favor and only one shareholder holding 200 shares voting against.

Life And Works of John Drinkwater

John Drinkwater, his life and works, was the subject of a very fine programme arranged for the regular meeting of the St. John High School Alumnae held last evening at the residence of the president, Miss Grace Campbell, 41 Hazen Street, Miss Jessie Lawson was in charge of the evening and the entertainment was a rare treat of literary interest.

YOUNG PEOPLE ARGUE QUESTION OF SPORTS

The Young People's Society of St. Columba's Church, Fairville, held a debate which was of great interest to the large number present in the School Room last evening. The question argued was "Why are winter sports preferable to summer sports?" Rev. William Townsend was the judge and such good arguments were presented on both sides that he declared it a tie. Arthur Doherty captained the side for winter sports, Harper Henderson captained the summer sports side. For novices in the art of debating the speeches made were excellent.

HUNTING C. N. R. LEAK

Ottawa, April 7.—Canada's railway problem was discussed in the Senate today by Senator J. P. B. Casgrain, who declared that the amount involved by the problem exceeded the total expenditure of the Dominion in the war. He said that, surveying what facts were available, he could only conclude that there was a leakage somewhere in the national line, and he urged that there be an investigation.

HUSBAND DEAD; WIFE ILL

Fredericton, April 7.—John R. Walker, sales manager of the John Palmer Co., Ltd., died tonight after a short illness of pneumonia. His wife, who is seriously ill with pneumonia, two sons and one daughter survive. He was aged 41 years and prominent in the Masonic Order.

CANADA STEAMSHIP FIGURES

Montreal, April 7.—Preliminary figures of the Canada Steamship Lines, Limited, for the year to December 31, 1920 indicate that net earnings will be slightly in excess of \$4,028,000 against \$4,580,372, in 1919. After deducting fixed charges, interest, depreciation and other charges, amounting to nearly \$2,100,000 against \$2,435,883 a year ago, the 1920 net profit amounted to somewhere in excess of \$1,900,000, compared with \$2,152,679, in 1919.

Grand Falls Conference

There were some conferences this afternoon between the committees representative of the Grand Falls Company, Ltd. and the town of Grand Falls relative to the terms of extension of the rights of the company for two years as provided in the bill before the legislature, but so far no decision has been reached, it was said late tonight.

Dominion Revenue For Year \$451,366,029

Exceeded Ordinary Expenditure by More Than Ninety-Four Million Dollars.

Ottawa, April 7.—During the fiscal year which ended on March 31, ordinary revenues of the Dominion exceeded ordinary expenditure by over \$94,000,000. Despite the decline in customs and excise revenues, noticeable in the last few months, revenue for the twelve months period was \$451,366,029, as compared with \$357,359,597 in 1919. Ordinary expenditure in 1920-21 was \$357,515,278 in comparison with an ordinary expenditure of \$340,880,668, in 1919-20.

ENTERTAINMENT AT OLD LADIES' HOME

A delightful entertainment was given by a number of Young People from Centenary Church at the Old Ladies' Home, Broad Street, last evening. The programme was as follows: Vocal solo—Mrs. Frank Fraser. Piano Solo—Miss Lilian Clark. Piano duet—Miss Mariet Curran, Miss Gloria Logie. Reading—Mrs. Irvine. Vocal duet—Mrs. Logie, Mrs. George Moore. Miss Alice Hea and Frank Fraser were accompanists.

PILES

Do not suffer another day with itching, bleeding, protruding Piles. No surgical operation required, and almost instant relief. Dr. Chase's Ointment will relieve you in a few days. Sample box free if you mention this paper and enclose 1c stamp to pay postage.

The Dread Pyorrhea Begins With Bleeding Gums

Pyorrhea's infecting germs cause many ills. Medical science has proven this.

Disseas conditions, which not long ago doctors were unable to trace to a cause, are now known often to be the result of Pyorrhea germs that breed in pockets about the teeth. Rheumatism, anaemia, nervous disorders and other diseases have been traced in many cases to this Pyorrhea infection.

Don't let Pyorrhea work its wicked will on your body. Visit your dentist frequently for tooth and gum inspection.

And watch your gums yourself. Pyorrhea, which afflicts four out of five people over forty, begins with tender and bleeding gums; then the gums recede, the teeth decay, loosen and fall out, or must be extracted to rid the system of poisons generated at their base.

Forhan's For the Gums will prevent Pyorrhea—or check its progress, if used in time and used consistently. Ordinary dentifrices cannot do this. Forhan's keeps the gums hard and healthy—the teeth white and clean. Start using it today. If gum-shrinkage has already set in, use Forhan's according to directions and consult a dentist immediately for special treatment.

35c and 60c tubes in Canada and U.S. If your druggist cannot supply you, send price to us direct and we will mail tube postpaid.

Forhan's For the Gums Checks Pyorrhea

Forhan's, Ltd., Montreal

FUNERALS

The funeral of Thomas A. Dunlop was held yesterday afternoon from the residence of his nephew, John R. Dunlop, 149 Waterloo street, to Fernhill. The service was conducted by Rev. J. A. MacKelgan.

The funeral of William H. Cox was held yesterday afternoon from the residence of his son, 381 Ludlow street, West St. John, to Greenwood. Service was conducted by Rev. Isaac Bradbury.

The body of Joseph Merritt was taken to Digby yesterday morning for interment. Service was held last evening at the home of W. K. Ganong, 365 Union street, conducted by Rev. Canon G. A. Kahring.

The funeral of Mrs. Edward Walsh will be held from her home, 182 Rockland road, at 8:15 on Saturday morning to Holy Trinity church where a solemn requiem mass will be celebrated.

The body of Joseph Merritt was taken to Digby yesterday morning for interment. Service was held Wednesday evening at the home of W. K. Ganong, 365 Union street, conducted by Rev. Canon G. A. Kahring.

"HUMMING"

FOX TROTTERS will appreciate this wonderful new selection for it has every qualification that go to make a pleasing dance number. It is musical, melodious and peppy played by the Rega Orchestra, who are becoming more popular every day.

"Laughing Vamp" (Introducing the "Vamp") is one of those irresistible One-Steps played by the Venetian Garden Orchestra.

Our Annual Celebration

Saturday, April 9th, to Saturday, April 16th

We have left behind us many successful years, thanks to the generous support of St. John shopping public. To show our appreciation and commemorate this achievement we are going to offer in this sale all our large stocks of new Spring merchandise which are just the things you most desire right now for your Spring wardrobe, at very opportune prices for these seven days of selling.

REMEMBER

this is not an ordinary price-cutting affair on a few special lines but an all round "something on every purchase" for the seven business days, April 9th to April 16th.

How we are enabled to give such wonderful values.

By Special Prices secured from manufacturers carrying on during dull times.

By turnover; splendid lines of new Spring merchandise sold at very low margin for the period of one week.

Government Promises An Investigation Into the Soil and Mineral Rights of the Province Within the Next Year—Pensions for Widows Favored by Mr. A. C. Fawcett.

Fredericton, N. B., April 7.—The House met at 3 o'clock this afternoon when Mr. Robichaud presented the report of the Committee on Corporations and Mr. Wetmore presented the report of the Committee on Agriculture. Hon. Mr. Hynes introduced a bill to enable the Hon. the Catholic Bishop of Chatham to sell certain lands in the County of Gloucester and Mr. Curran introduced a bill to regulate the practice of Opium.

Mr. John L. Peck, pursuant to notice, moved the following resolution, seconded by Mr. Young: Resolved—that in the opinion of this House it is desirable that the Government will take such action as will make it clear that the legislation enacted in the year 1915, shall not be deemed to interfere with the existing rights of the owners of the soil under grants from the Crown.

It is stated that when the question was before the House in 1915, it was decided that the oil belonged to one company and the shale to another. Mr. Hynes and Mr. Wetmore expressed their views on the question, and Hon. Mr. Pugsley who had framed the original Bill, was quoted as saying that one company was to have a lease of oil lands and the other a lease of the land containing shale deposits. The New Brunswick Petroleum Company had had its rights nullified by subsequent legislation. Its interests were now in the hands of the Maritime Oil Fields, Ltd., while the Anglo-Peruvian Oil Company was developing the shale deposit. The latter company had expended about \$400,000 in a plant at Rosedale for the purpose of testing as to whether oil could be extracted from the shale.

Some Work Performed The Maritime Oil Fields Ltd., had expended about \$1,000,000 in development work, and was receiving some returns from the sale of gas and oil. As to the shale deposits he was informed that these in this province, were the finest in the world. They exist in great quantities and are found to a depth of 3,000 feet. The oil is said to range from thirty to fifty gallons to the ton of shale.

Referring to the operations of the Maritime Oil Fields, Ltd., he said that the company's operations were steadily increasing and it had paid in royalties to the province so far, the sum of \$33,374.

A Question of Law Experts were at work in connection with the shale deposits and borings had been made in different parts of the province under the direction of the company. He did not think it could be said that the companies had not fulfilled their agreements; in fact he thought they had done a good deal more than they had agreed to do. The principle of the law placed on the statute books in 1915 had been accepted and the question was to ascertain if anybody had suffered loss or injustice by that law. Frankly he would say that he thought a mistake had been made in giving so much territory to any one company. Capitalists who went to Ottawa for information were told that it would be a waste of time to attempt anything in the way of development in New Brunswick. He hoped that the House would decide upon a full investigation of the whole matter.

He suggested an investigation by a legislative committee, an independent

The Terrible Tempered Mr. Bang

tribunal or by the Department of Lands and Mines.

Albert Deeply Interested Mr. Smith (Albert) said the people of his county were deeply interested in this matter. Albert and Westmorland were well situated in the matter of attracting capital. Careful consideration of this point on the part of the House was demanded. He called the attention of the House to remarks made by the Premier at Hillsboro, in October last, to the effect that he would ask his Minister of Lands and Mines to investigate the claim that owners of land had rights to oil and gas, and to restore those rights if they existed. That was what the people of Albert and Westmorland wanted. He was against the hasty passing of the resolution, but wanted an investigation held and the people satisfied.

Hon. Mr. Foster said the Government would investigate the matter, as there was no desire to deprive any person of rights. However, it seemed to him remarkable that in all these years nothing had been done by all these people to have their rights restored. No great delegations had appeared before the House to press this matter. The delegation which had appeared was not composed of owners of land, but of two or three men who could be described as promoters. On behalf of the Government, he would promise an investigation.

Hon. Mr. Michael said the more he heard on this subject, the greater was the need, he believed, for special consideration.

Resolution Withdrawn After more discussion, the resolution was withdrawn when the Hon. Mr. Foster announced an investigation and a report to be placed before the House.

Mr. Baxter said he had understood the Premier to say that if a wrong had been committed it would be righted.

Hon. Mr. Foster said that an investigation would show whether a wrong had been committed. He would expect that the leader of the opposition would be in accord with the government in readiness to right any wrong.

Trade With West Indies Mr. Magee, pursuant to notice, seconded by Mr. Baxter, moved: Resolved, whereas a preferential trade agreement between the British West Indies and Canada is about to be completed by the Federal House; and whereas such agreement is of vital interest to the people of the Maritime Provinces.

Therefore, be it resolved, that this House express itself as being favorable to such preferential tariff being limited as soon as possible, only to imports as come through Canadian ports.

Mr. Magee said that in June, 1920, a trade agreement had been drawn up between nine colonies of the British West Indies and the Dominion of Canada. By that agreement a preference of fifty per cent. was offered by Canada and a preference varying from ten to fifty per cent. was offered by the West Indian colonies. The agreement was for a period of ten years and could be terminated on one year's notice. Each year Canada bought tropical products to the value of \$100,000, 000, but of those only \$7,000,000 worth came from British colonies.

Funds From Canada In 1920 Canada had supplied only

thirteen per cent. of the cocones consumed in the British West Indies, twenty per cent. of the paper, five per cent. of the coal, and three-quarters of one per cent. of the meat. But in fish, Canada supplied sixty-two per cent. The bulk of that went from the Maritime Provinces. The fishing industry of the provinces was well organized, and the preference would not be likely to assist it. There were two million British subjects in the West Indies and eight or ten million in Canada. The idea of inter-colonial preference was not new. Great Britain had recognized it by giving a preference to West Indian sugar. France and Spain also had applied the principle to their colonies. Although Canada at the present time consumed fruit from the British West Indies, it was imported by way of Boston and New York. Direct importation through Canadian ports was wanted. A preference would mean more trade, more steamers at Canadian ports, particularly St. John and Halifax, more freight for the railways, more employment, wider markets and addition a marked sentimental value.

Hon. Mr. Baxter said the trade agreement between Canada and the British West Indies looked towards the establishment of an excellent passenger service and a fortnightly freight service on a larger scale. The introduction of a resolution before the legislature and others in the Maritime Provinces would assist in creating a spirit not hostile to Canadian nationalities, but in support of the knowledge that the Maritime Provinces contained one-third of the population of the Dominion of Canada, and should have their reasonable demands recognized and granted. Provision was made in the treaty to have a limitation of the preference applied to imports through Canadian ports as soon as possible.

Resolution Adopted Mr. Hayes of St. John recognized the importance of trade within the Empire but said that in past years from one to two thirds of the trade passing through St. John port had originated in the United States. He was disposed to be cautious about anything that might start a trade war.

After Mr. Fawcett had spoken the resolution was adopted.

Then the House went into committee with Mr. Hayes in the chair. Hon. Mr. Baxter asked for an explanation of \$50,000 for public wharves. Hon. Mr. Veniot replied that it was in connection with repairs of wharves in tidal waters of the province. Negotiations had been in progress since 1915 to have these taken over by the Federal Government but they had been delayed until money was needed for necessary repairs. When they are handed over to the Dominion the money will be refunded.

Mr. Veniot told Mr. Richards that the D. J. Puddy on the St. John-Bedford route had been subsidized last year to the extent of \$1,500 and \$800 had been paid for another steamer of the same company belonging to Mr. Baxter. Mr. Veniot said that an investigation was under way to see what aid should be given a ferry between Chatham and Douglastown.

Southampton Railway Mr. Pinder, speaking on an item of \$175,000 for ordinary bridges, asked for explanation. He wished to make reference to another matter, and that was a reference by the Premier to the

had been as unsuccessful as that of the Southampton Railway, the proportion of earnings payable to the province would have been \$120,000 instead of \$59,552. He believed that the Southampton Railway compared very favorably with the Valley Railway. Through the action of a friend the Premier had been able to get rid of his railway and the Dominion Government had been the victim.

Hon. Mr. Veniot said that his friend had asked for an explanation on the estimate of \$175,000 for ordinary bridges. It was hard to tell where it would be spent, as repairs would have to be made on wooden bridges wherever needed. He could say, however, that last year one-twelfth of the expenditure on ordinary bridges had been made in York county.

School Books Mr. Fawcett, speaking on the item of \$46,000 for school books asked if the increase was for the purpose of making allowance for increased prices. Hon. Mr. Foster said it was. Receipts for school books totalled only \$30,000. That meant that the province was contributing about \$20,000 out of provincial revenue towards the cost of school books.

Mr. Foster said the price was fixed by the government. For text books for the primary grades the profit was eliminated. The vendors were allowed fifteen per cent. profit, the system having been changed a few years ago. Mr. Jones said he noticed the government had gone out of the business of handling scribbles. That was an important item, as pupils must pay more now for scribbles.

Favors Widows' Pensions Mr. Fawcett spoke of pensions for widows. Earlier in the session a bill had been put through to provide a pension for a retired school inspector. It should be remembered that school inspectors, school teachers and civil servants in general, were better paid than people in many other walks of life. He considered the widows of laborers and of farmers in back districts, particularly deserving. He had a letter from a gentleman belonging to Adamsville, the name he believed was Telesphor Amassak. That man had received a letter signed by P. P. Melanson requesting him to tender his resignation as Labor Act Commissioner. The reason for his removal had been his election as President of a farmers' organization which had not been regarded with favor by some of the members for Kent.

Mr. Smith (Carleton) said that rumors were current that the New Brunswick Railway Company had sold 234,000 acres more than it was entitled to. Hon. Mr. Robinson said that representation had been made to the government that errors had been made in connection with the grant of land to the New Brunswick Railway Company. In fact, it had been stated that one surveyor had used a six-foot chain instead of the required four-foot chain, and the six-foot chain had actually been produced.

A report on the lands of the New Brunswick Railway Company had been prepared, and a surplusage of 30,000 acres had been shown. When allowance was made for lakes, roads, etc., the total was about as it should be. That report had been compiled from plans in the department. The deputy minister had said that if further information was needed an actual survey must be made.

Land Surveys Mr. Fawcett said that he understood that an admission had been made that the company was in possession of 50,000 acres of land to which it was not entitled. Mr. Robinson said that it was only a rumor.

Mr. Fawcett said that the impression prevailed in the country that the company had more property than belonged to them.

Mr. Baxter said that he had sympathy with the government, believing that it had plenty to do without following up the fairy story about the chain. He had been shown a map where the shaded area denoting the company's lands seemed to indicate that the company was in possession of more land than was intended they should have. It might be good business for the government to have a survey made and take over the excess if any. The question was one which cast no reflections on past administrations as in the early days an acre of land was not valued such as it was today.

Hon. Mr. Robinson said that as was quite willing, with the support of the government, to have a survey made of a portion of the land.

The Committee rose and reported progress and supply was made the order of the day for Monday evening at 9 o'clock.

Hon. Mr. Baxter moved that the bill incorporating the St. Martin Mach Company, be referred to the Law committee.

Hon. Mr. Foster moved that the time for introducing bills be extended until Monday next.

LOSS OF NEARLY SIXTY MILLIONS ON THE C. G. M. M.

Such is the View of Wm. Duff Expressed in Attack on Policy.

HON. MR. BALLANTYNE CLAIMS A SUCCESS

Sharp Division in Commons on Question of Vote of Interim Supply.

(Continued from page 1) Hon. W. S. Fielding suggested that the money asked for might be granted by unanimous consent on the understanding that it be applied solely to salaries and wages of civil servants. The opposition had no desire to embarrass servants of the government, who were dependent on the amount which they received monthly. He protested against the introduction of the motion without notice being given to the opposition.

Only Unanimous Consent

Sir Robert Borden agreed that the amount asked for could only be granted by unanimous consent. He emphasized the point that the granting of the interim supply did not in any way prejudice the right of the opposition to attack any item in the estimates. He remarked that, on one occasion when leader of the opposition had tried blocking an interim supply bill, with the result that he heard about it from all quarters of the dominion. Mr. Fielding then raised another point. The House, he said, might go into supply on Thursday and Friday without any delay. But there was a condition attached to that, on those days, the estimates could not be taken up of any department which had not previously been under consideration. A motion of this kind, therefore, Mr. Fielding submitted, could only be adopted by general consent.

On one point the chair ruled against the opposition on another, in the favor and at length the resolution was withdrawn. It will be re-introduced later.

Defends the Course

Hon. Mr. Ballantyne, minister of marine, replied at some length to objections made by Michael Clark (NSD Deer) and Hon. R. Lemieux (Maison-neuve). Dr. Clark, the minister said, had stated that the amount contracted for in shipbuilding by the government up to and including Armistice Day was \$60,000,000. This was an error. The amount of commitments on that date was \$45,000,000. Of this \$25,000,000 of contracts for ships had been signed and \$16,000,000 had been approved, but not actually started.

Has Poor Memory

Hon. R. Lemieux had stated that he favored shipbuilding for war purposes only, and that when the Armistice was signed the government should have cancelled all outstanding contracts. The blame for continuing with the building of steamships, Mr. Lemieux had placed upon "the pig-headedness of the minister of marine." Apparently Mr. Lemieux did not have a good memory. In May, 1918, when he had had ample opportunity to register a protest against the government's shipbuilding programme, he had spoken strongly in favor of the \$60,000,000 appropriation for that purpose. Mr. Ballantyne defended the service which the Canadian Government Marine is rendering between Halifax and Newfoundland. He stated that the ships on this route were turning in a profit.

ACCEPT WAGE CUT.

Chatham, Ont., April 7.—Employees of the Canadian-Wilson Packing plant who have been on strike since last Monday on account of the 12 1/2 per cent cut in wages will return to work tomorrow morning. The men decided to accept the reduction and go back to work at a meeting last evening.

SIX ARE DIVORCED

Ottawa, April 7.—Six divorce bills were passed by the Private Bills Committee of the House of Commons this morning in the length of time originally required by the principals in each case timely to venture "I will." Two ladies and four gentlemen are to be granted relief, should the House give the bills a third favorable reading.

Boils So Bad HAD TO GIVE UP WORK.

From the days of Job, up to the present time, boils have been one of the afflictions of the human race. All the goodfearing and loving you may do will not prevent them from breaking out again. Boils are simply caused by the bad blood running out; and the bad blood must be made pure before the boils will disappear. Back Blood Bitters, which has been on the market for over forty years, is well known as the greatest blood medicine procurable. It purifies the blood by removing every particle of foul matter from the system, and by doing this the boils vanish, and you should never be troubled again. Mr. James Hubby, Newport Island, Canada, writes: "I was troubled with boils on my back and neck, so bad that I was obliged to give up work. I tried several remedies, but got no relief. Finally I went to a doctor, and he advised me for several weeks, and all without benefit. At last a friend told me of Back Blood Bitters, so I decided to give it a trial. I got three bottles, but before I had taken two the boils were all gone. It is eight months now, and I have had no return of the old trouble, and have never felt so well."

Back Blood Bitters is sold only by The Standard Co., Limited, Toronto, Ont.

Teeth Punched Out Because He Sneezed

Man Attacked by Stranger Who Claimed He Had Been Insulted.

New York, April 7.—Andrew Pertuso, 60, of 1747 Blooming street, Ridgewood, was walking near his home yesterday when he was seized with a fit of sneezing. His first sneeze had just stopped, echoing around the corner when a stranger walked up to him and demanded that he quit making so much noise. He sneezed again. "I'll teach you to sneeze at me," cried the stranger, punching Pertuso on the nose. And when the old man continued to sneeze the stranger hit him again, knocking out several teeth. Later in the Glendale station, where the stranger had been taken under arrest, he described himself as Joseph Sage, 46, of 1719 Harvard street. Magistrate Doyle in the Jamaica Court committed Sage to the observation ward of Kings County Hospital, and he was taken there in a straitjacket.

"Anybody hurt in the wreck?" "One gentleman, I believe." "Name him?" "None broken."

"I think it was his heart. He sat down by a leaking suitcase and shed tears."

Implement Makers Oppose Standard Parts

Big Companies Declare It Would Rob Industry of Its Greatest Impetus.

Ottawa, April 7.—The standing committee on agriculture and colonization met this morning to consider a report of the sub-committee on standardization of parts of agricultural machinery and to meet a delegation of manufacturers. The Massey Harris Company president already deplored any such legislation as was proposed as it would be a retrograde movement and tend to check that initiative which has developed the agricultural implement to so high a point. Mr. Upton, of the International Harvester Co., said the statement of the Massey Harris Co. fairly represents the case.

CREW STILL ON SHIP

Halifax, April 7.—According to a radio from Captain Finlay, of the steamer Royalite tonight, he has decided not to take the crew off the steamer Linpop, stranded on Blonda Rock, until tomorrow. The wrecking steamer Maggie Marshall, which has been ordered to the scene of the wreck, will not leave here until tomorrow morning.

Irish Raiders Robbed Bank And Post Office

Dublin, April 7.—Dublin Castle tonight reported that at midnight Wednesday midnight men held up the manager and the assistance manager of the Irish Bank in Charlestown, took from them the keys of the safe and made off with 5,000 pounds sterling. Simultaneously other persons raided the Charlestown post office and took away all the letters except those that had been registered.

FORMER PICTOU WOMAN DEAD.

Montreal, Que., April 7.—The death occurred yesterday of Mary L. Anderson, daughter of the late W. J. Anderson, of Quebec, and widow of the late Dr. Geo. A. Dickson, in her eightieth year. She had been ill for the past two years. Mrs. Dickson was born in Pictou, N. S., and had resided in this city for about 40 years. She is survived by her brother and sister, Mr. W. J. Anderson and Miss Mrs. Anderson.

BIG STRIKE THREATERS.

Buenos Aires, April 7.—Complete paralysis of the port of Buenos Aires is threatened by the port workers' union as a result of developments growing out of the employment of non-union labor.

Night Honking of Auto Horn Alleged

Wife Cites This as Cruelty in Suit for Separation from Husband.

New York, April 7.—For the first time since the original bell mouthed brass horn boomed its way into prominence on the fronts of all well appointed automobiles one of the instruments was named yesterday in the Supreme Court, Brooklyn, as a means whereby cruelty is alleged to have been administered. In a complaint in an action for separation from Wm. J. Bowman, accountant, with offices in the Woolworth Building, Mrs. Hazel M. Bowman of 475 Monroe street, that borough, mentioned the tooting of the horn of Mr. Bowman's machine and made it the basis for allegations of cruelty.

While she and Mr. Bowman were living in 1478 East Ninth street, Flushing, Mrs. Bowman complained, Mr. Bowman charged that following a trip sounded the automobile horn, disturbing the neighborhood. Aside from the charges concerning cruelty as it comes from the mouth of a horn Mrs. Bowman charged his following a rip she made to Buffalo her husband, refused to let her return to their home, notifying her to that effect in a letter

DANCED WHILE AWAITING DEATH

Bride Took Poison and Then Danced With Friends Until End Came.

Kalamazoo, Mich., April 7.—While the deadly poison, which she had swallowed slowly drove life from her frail body, Mrs. Nora Fraser, 18, a bride of a few weeks, performed a veritable dance of death in the midst of a company of invited friends here last night. At length the girl swooned and fell dead before her horrified guests. Excusing herself, she went to her room and took a few grains of strychnine. She returned to her friends a moment later and chatted on for a sent through his attorney. Another letter sent through the attorney, she alleges, directed her to consult the lawyer.

MORE IRISH ARE KILLED.

Dublin, Ireland, April 7.—Charles Stevin, John Devine and Daniel Doherty, residents of Drogheda, County Tyrone, were removed from their homes last night, by armed men, and their bodies were found outside the village this morning.

while until she fell too sick. She then walked over to the phone booth and started dialing "2111 West Agate" explaining that was the place played at the dance of which she had met her husband. Her friends were still oblivious to the tragedy that was taking place when she began dancing to the music, but before the last bars of the waltz had died away, the little party saw her fall in a crumpled heap on the floor. Death sealed her lips before she could give an explanation of herself. To some of her friends she had confided domestic troubles had started because her husband insisted on her living at his mother's home, despite her wish to have a home of her own.

CLOSE GUARD ON PRISONERS.
Cork, Ireland, April 7.—Nine survivors of the hunger strike conducted for a time in the Cork Jail by Sinn Fein prisoners last autumn, but which was abandoned when the prisoners realized its futility, have been removed from the jail to the detention barracks connected with military headquarters. This step was taken by the authorities because of the sensational attempt about two weeks ago to rescue some of the men.

MORE IRISH ARE KILLED.
Dublin, Ireland, April 7.—Charles Stevin, John Devine and Daniel Doherty, residents of Drogheda, County Tyrone, were removed from their homes last night, by armed men, and their bodies were found outside the village this morning.

GIN PILLS

If you find medicine does not relieve you of kidney trouble, you should benefit by the experience of Alexander LaBue, aged 72. For years, Mr. LaBue suffered with kidney afflictions, and he finally sent for two boxes of Gin Pills. He writes: "They did me more good than all the medicine I had taken." Why suffer longer? Gin Pills are sold by all druggists and dealers. 50c a box. Remember our guarantee—Satisfaction or your money back. Write for a free sample to National Drug & Chemical Co. of Canada, Ltd., Toronto, Ont. U. S. Address: Na-Dru-Co., Inc., 202 Main St., Buffalo, N.Y.

More Danish Butter Unloaded On Market

New York, April 7.—More Danish butter was unloaded on this market yesterday, it being the third shipment of the kind to reach New York in ten days. The second largest cargo of Danish butter to reach this country came in on the steamer Oscar II. The amount was 2,123,088 pounds. It included 405 packages of 112 pounds each for the Philadelphia market. Another shipment was of 6000 casks, or 739,200 pounds. The Danish butter with comparatively few exceptions, has been excellent in quality. At times entire shipments of Danish butter have scored extras of 95 points, some scoring as high as 94 and 95 points.

MINERS REFUSE TO LEAVE GOOD MEN AT PUMPS

Negotiations Between Parties to Dispute Are at Dead-lock Again. RAILWAY MEN TO SUPPORT STRIKERS. Naval Men Being Held in Readiness for Any Emergency Work.

London, April 7.—A complete break-up of the conference between representatives of the miners, the owners and the government with the view to settling the coal strike, was announced in the House of Commons by Premier Lloyd George this afternoon. The National Union of Railwaymen today unanimously decided to support the coal miners in their strike. Refuse to Leave Pumps. Leaders of the miners' union, who conferred with Premier Lloyd George this morning, refused to order pumpmen and engineers in mines affected by the strike, to resume work, pending negotiations with the mine owners.

Trouble in Scotland. New disturbances occurred in the town of Cowdenbeath, Scotland, last night. During the disorders a shop window was broken and the contents of the place were carried away. The police dispersed the crowd with their clubs, according to a Central News despatch from Dunfermline. Transport workers of British fleet in the Fifth and Fourth have been given sleeping berths on board "Zee" and "Green" and "Rosyth". Double guards have been placed on all seasons on the Fourth area.

Hold Navy Ready. Queenstown, Ireland, April 7.—Naval units here and at other home ports have been instructed, as a result of the strike of British miners to hold themselves in readiness for emergency services. Shore leave has been curtailed, even officers being required to return to their ships by 8.30 o'clock in the evening. Naval officials view the situation as being filled with the gravest possibilities.

The question of shifting large numbers of the crown forces in Ireland to England, if disorders ensue, has been fully considered, it is understood, and if such steps should be taken, it is said, the forces will probably include many auxiliaries regarded as especially qualified by their experience in Ireland to deal with elements seeking to stir up trouble. Officials, however, are aware of the possibility that the Sinn Feiners may take advantage of the opportunity offered by disorders in England and military authorities are reluctant to decrease the forces in Ireland.

London, April 7.—Reports from many strike centres today, said the strikers were adopting a more aggressive attitude to make volunteers cease the work of keeping the collieries free from water. In numerous instances force was used. At Garrow-Stonemann, Scotland, miners today threw bombs at a pit head in order to intimidate volunteer workers in the mines. No material damage was done.

WEDDINGS. Haines-Sturgeon. Frederickton, April 7.—Earl J. Haines of Durham Bridge and Miss Violet H. Sturgeon of Doaktown were married in the George street Baptist Parsonage by Rev. Z. L. Nash on Wednesday afternoon.

Manzer-Zypher. Last evening a quiet wedding took place in the Main street Baptist parsonage when Scott Zypher, of St. John was united in marriage to Miss Inez Manzer, of Weymouth, N. S. The ceremony was performed by Rev. Dr. David Hutchinson. The couple were unattended and will make their home in the city.

SPRACKLIN SPEAKS. London, Ont., April 7.—Rev. J. O. L. Spracklin, of Sandwich, last night addressed an audience in the Hall Street Methodist Church in support of the prohibition referendum. In the audience were two uniformed policemen and several plain officers, their presence probably being due to a threat which the chairman read to the effect that there would be trouble if the Sandwich clergyman spoke.

ROBBERY MORE EXTENSIVE. Chicago, Ill., April 7.—An abandoned mail sack found by the police early today and believed to be the registered pouch stolen by bandits from a mail truck late yesterday, contained wrappers for money which the police said showed that from \$500,000 to \$750,000 was obtained by the robbers.

A dressing of Zam-Buk takes out all fiery pain and soreness. It ensures your burns healing quickly and perfectly without festering or disease infection. The secret of Zam-Buk's wonderful healing, soothing and antiseptic power lies in the blending of certain rich herbal essences whose effect stimulates and hastens Nature's own healing. Zam-Buk is 100% medicine. It contains none of those animal fats or mineral impurities which clog pores in common salves and ointments. As a "first-aid" for injuries, and as a remedy for eczema, ringworm, ulcers, and other obstinate skin diseases Zam-Buk is absolutely reliable. It's the purest and most valuable healer in the universe.

Delegations Heard At Council Meeting

Removal of Rails on Queen Square West to be Considered Soon.

Delegations were in order at the committee meeting of the Common Council yesterday morning. A representative of the New Brunswick Telephone Co. told why they desired to rebuild their line to Millidgeville and the New Brunswick Rolling Mills advanced reasons why they desired for a lower valuation should be granted. Mayor Schofield reported that he had received the copy of Mr. Kenait's report on the cost of power and it would be discussed with the Government on Saturday. The report on the disposal of wires in other cities was presented by the Mayor and laid on the table for further discussion.

F. J. Nesbit, traffic superintendent of the New Brunswick Telephone Co., was heard in regard to their request for permission to re-route the line to Millidgeville. He explained that it was necessary in order to serve the people in that vicinity to extend the line and the company wished to get the work done before the first of May rush set in. Action on the request was delayed until the next meeting of the Council.

Wants Lower Valuation. J. H. A. L. Fairweather, solicitor for the New Brunswick Rolling Mills, and H. J. Garson, Joseph Garson of the board of directors, and C. H. Lisimore, superintendent and manager, appeared in behalf of their request for a lower assessment valuation. The valuation under the assessment of 1911 was \$64,000, they were willing to have the land valuation remain the same, but wanted a reduction of \$20,000 in the valuation on buildings and machinery, bringing the total down to \$44,000, as two-thirds of the plant had been scrapped. Their request was promised consideration.

Kenait Report Received. Mayor Schofield reported that he had received the report of H. E. M. Kenait, who had been engaged to make an investigation into the cost of producing electric current by the New Brunswick Power Co., but had not had time to look it over. He read a letter from Mr. Kenait in regard to furnishing the power company and the public utilities commission with copies of the report. No action taken. His Worship reported that he had not heard from the Power Company with regard to the one-man car matter and read a letter from F. R. Taylor in which Mr. Taylor disclaimed any credit for the Government referring the publicists matter to the City Council.

The application of Daniel Monahan for permission to erect an electric sign over his premises on North Market street was referred to the Commissioner of Public Works and City Engineer.

Commissioner Prink reported that he had been informed by the New Brunswick Power Co. that the matter of removing the rails from Queen Square, West, would be taken up at their next meeting.

The Mayor read a communication from the electricians in which they withdrew their objection to a certain section of the electrical by-law, and this was referred to the Commissioner of Safety.

The Mayor read the letter sent to G. S. Cushing by Col. Monarrat re the raising of the new bridge. Mayor Schofield reported in connection with planning wires underground in other cities. In the city of Montreal they had a commission of three men and these had charge of all the conditions. The city built the conduits and charged a rental. He also submitted a report from the city electrician and city engineer, in which these officials recommended action along the lines followed in Montreal but instead of a permanent commission, an advisory board composed of the city electrician and the engineers of the various utilities being wired and charged a rental. He also submitted a report from the city solicitor along these lines.

On motion of Commissioner Prink the report was laid on the table for further consideration.

Our First Birthday Sale On Charlotte St.

It's just a year since the Semi-ready Store came to the higher level on Charlotte street, and my patrons look to me to give a real Business Birthday Celebration.

Here's a fortnight Festival of Bargains in the new Semi-ready Suits and Top Coats—the very latest designs and models in the newest cloth patterns. Figures talk—and the label in the pocket tells the real value of the garment.

OBITUARY.

Henry Allen. Great Shemogue, April 7.—The death occurred on Monday morning of Mr. Henry Allen, an aged and esteemed resident of this place. The late Mr. Allen was 81 and is survived by his wife, formerly Miss Elizabeth Crawford, and five children. The sons are Victor in the Canadian West; Frank and Clark, at home. The daughters are, Mrs. Robert Taylor, of St. John's, and Miss Ethel, at home.

ANNIVERSARY SALE

According to the Wiles of Fashion Fifty-Five Years Ago Today

A Facsimile of a Piece Published in the Morning Journal in April 1866.

Paris Letter.

The Parisian fashion is engaged trying to raise the curtain which hides femininity, in order to discover what fashions the Spring will bring us. Our fashions now that no parades will be worn, but long cascades for rather "dressed" toilets, and short paletots for "undress" toilets, cascades and pelotes being made of the same material with the skirt. Short paletots will be the favorite costume for travelling and for country life; while long cascades will be worn chiefly in town. While brilliant as to all continues in great favor at evening parties, promenade dresses are becoming daily more "dressed-up." The only colors which will be worn this spring are black, black and white, all the shades of grey, and taupe. The materials in favor will be plain or dotted mohair and pelt de chèvres. It is still questioned whether crinolines will be definitely abandoned; for though steel hoops were not seen during the carnival, dresses were none the less voluminous. Instead of steel hoops ladies wore twelve skirts of silk muslin, each having three bouffes one above the other perpendicular, making in all thirty-six bouffes in the twelve skirts. As it is very certain that every woman cannot afford this quantity of muslin, the poorer ladies of fashion will remain faithful to the crinolines. It may not generally be known (it is, nevertheless, true), that the French Empress and the Russian Czarina, the Princess de Metternich, the Agudone, the Rothschilds, the Fourtales, have never worn crinolines. They wore a great many starched petticoats, which gave their dresses the fashionable dimensions, but secured important gains on the frontier. It was horribly expensive in prime cost and in washing, but their long purses have been filled by larger incomes without feeling the loss. Crinolines has, of course, always been barred the ballet corps; the dancing girls attained the desirable circumference by wearing twelve, fifteen, and even twenty-six skirts of tulle. Trimmings of walking dresses will be simple this spring; they will consist entirely of bias, or flaps of plain tulle on striped or figured material. The wearer may match the tulle with the ground color of the material, or with the color of the figure. If the tulle be matched with the ground, it should be trimmed with a soutache, or a border matched with a soutache. — *Parisian Cor. Philadelphia "Times Weekly."*

Very Important News Fifty-Five Years Ago Today.

CONFEDERATION TRIUMPHANT AT ST. STEPHEN!

Many persons fancy that St. Stephen is a seat of Head Centre of Anti-Confederation; but this is quite a libel on that fair town. From the Courier and other sources we learn that the subject was recently discussed at their Literary Association, Messrs. F. H. Todd and A. H. Thompson opposing Confederation, and Messrs. Dow, Rose, Holton, and Watson speaking in favor of the advantages of "Confederation under the Quebec Scheme." James G. Stevens, Esq., occupied the chair, and took no part in the debate, which was carried on with great ability on both sides, but they divided 12 to 4 in favor of Confederation! The Courier states that "upon the general issue of the meeting being taken the division stood in about the same proportion! This shows how public sentiment is beginning to run at St. Stephen, even though one of the papers published there has been against union, and the other has not, as yet, entered upon the discussion of the subject."

Ribbons!

Here's a chance to buy Children's Hair Bows, Lingerie Ribbons and Ribbons for hosts of other uses — At Anniversary Sale Prices.

FOR WOMEN

AMUSEMENTS

Hear of Work Among Fijis

Interesting and Instructive Meeting of Women's Missionary Society.

Members of the Women's Missionary Society of Carmichael street Methodist church, held their annual Easter gathering last evening at which the offering amounted to over \$40, with more to come. In the absence of the president, Mrs. Fred Morrison, the vice-president, Mrs. Henry Penna, presided.

After the opening hymn and repetition of the Lord's Prayer in concert, a Scripture reading was given by Mrs. Styles, followed by a vocal solo by Miss Earle. The Mission Band of the church then gave a selection entitled "Little Lights," in which different countries were represented by the young girls taking part. An address of much interest was that delivered by Mrs. E. G. McAfee, who, with her husband, was a lay missionary in the Fiji Islands. They were working under the auspices of the Canadian Presbyterian church in Fiji, teaching in a four years' course in English at a school. The text-book used was the Bible, and thus Christianity and the English language were learned simultaneously by sons and daughters of former cannibals. Mrs. McAfee had with her last evening a number of curious made of shells and woven grasses. She explained that the art of making many beautiful things is being lost as these articles were connected with idol worship, and since the introduction of Christianity, the natives have given up their manufacture.

A vocal solo by Mrs. Brentana was rendered. Mrs. Penna then gave a reading, which described the following characters:—The Women who was going to join; the Woman who made opportunity; the Girl who was too young; the Girl who did join; the Woman whose feelings were hurt; and the Woman who changed her mind.

A piano solo by Miss Fox, a vocal

Arrangements Made For Rosebud Day

To Be Conducted to Further Aid the Fund for Children's Aid Society.

Arrangements for Rosebud Day were completed at a meeting of co-operators of committees held yesterday morning at the Children's Aid, Gardner street. Attractive posters, drawing attention to the fact that the Day is for the Children's Aid, an institution which cares for homeless and neglected children have been placed in many prominent places. All members of the Local Council of Women and other organizations who are assisting in collecting for the children, are hoping that Saturday's weather may be favorable and that a generous response will be made to the tappers. Those responsible would be unable to finance the Children's Aid without the sum which has annually been raised by an appeal to the public, and in past years a substantial amount has been realized to help this worthy object.

ANOTHER HALIFAX ARREST.

Halifax, N. S., April 7.—Harry Bennett, manager of the delivery department of the Robert Simpson Company (Eastern) Ltd., was arrested this morning by Detective Chase, Aldermere street, on five charges, on five charges, presumably in connection with the recent wholesale thefts from the Simpson Company, amounting to the aggregate to some thousands of dollars. He was released on \$3,000 bail.

LAUNCH CHATHAM FERRY.

Chatham, April 7.—The steam ferry was launched today. Ice in the slips may prevent her running for a day or two afterwards.

Just by Mrs. H. Bernard and Mrs. Taylor, a vocal duet by Miss Foster and Leonard Roberts were included in the programme.

Chipman Memorial Seeks More Grant

Special to The Standard

Fredericton, N. B., April 7.—A delegation composed of Mayor Johnston, John Clark and J. F. Whitlock, of St. Stephen, appeared before the Provincial Government today and urged an increased grant to the Chipman Memorial Hospital. Consideration was promised the delegation's request by Premier Foster.

OBITUARY.

James D. McAfee.

Although he had been in failing health for some years, friends of James Daniel McAfee were shocked to hear of his death, which occurred Wednesday evening about eight o'clock at his residence, 58 Kennedy street, after a severe illness, which covered about four weeks. He was in his seventy-third year and was a native of Queens county. He came from there to reside in the city some thirty-five years ago. He leaves to mourn his wife, one son, Harry, of Jordan Falls, N. B.; one daughter, Mrs. C. B. Ridout, of this city; two brothers, William, in Maine, and John in Queens county; one sister, Miss Mary McAfee, in Queens county, and three grandchildren.

The death of Gilbert I. Crawford occurred Wednesday in the General Public Hospital after a lengthy illness. He was a native of St. John and leaves to mourn his mother, Mrs. Elizabeth Crawford, of this city, Mr. J. four brothers, Charles A., of Amherst; Wentworth C. D., of Moncton, and George W. and Beverly L. of this city. The funeral will be held from his late residence, 29 St. Paul street, on Saturday afternoon at two o'clock.

Mrs. James Davidson, of Willow Grove, died Wednesday at the home of her daughter, Mrs. James K. Daly, Gardner's Creek. She was eighty-seven years of age, and is survived by two daughters and five sons. Her funeral will be held on Friday morning, and interment will be in the Bon Leonard burying ground.

REFLECTIONS OF A BACHELOR GIRL.

By HELEN ROWLAND (Copyright, 1920, by The Wheeler Syndicate, Inc.)

At this irresponsible time of year, it might be wise for a wife to tie a string around her husband's finger before sending him down to the office, mornings, just to remind him that he is married.

"Never too old to learn" has been changed, in this startling generation, to the snappier slogan, "Never too old to learn to love!"

To a woman, the continued devotion of "the man just before" is a tribute to her charms; but to a man the devotion of "the girl before the last" is merely a nauseating reminder of his folly.

A modern youth's idea of proposing is merely to drop a carefully veiled hint and then let the girl assume herself working out the consummation.

It is a sad, sad fact that a woman seldom finds real love and true devotion, until she has wearied of looking for them, and has begun to look around for a little diversion.

Marriage may sometimes lead to a sort of sleeping sickness of the emotions and the imagination; but even that's better than staying single and acquiring paralysis of the heart and dyspepsia of the viewpoint.

As long as it is considered wicked to be gay and happy, the crown of virtue will never stand a ghost of a chance against the smile of sin.

When a man asks a girl to change her name, somehow, he never mentions the other things he expects her to change—her hours, her meal hours, her doctor, her lawyer, her politics, her opinions, her habits and her favorite color!

Plainly of the Modern Romeo: "Oh, that I were a rouge-stick in that hand, that I might touch that cheek!"

Beautiful Actress Attributes Her Wonderful Success to Her Famous Complexion

Tells How You Also May Have One

DOROTHY DALTON

New York — When Miss Dorothy Dalton, the beautiful actress, who was selected for the leading role in that mammoth New York production, "Aphrodite," was questioned as to the secret of her phenomenal success, she unhesitatingly said, "My complexion." When asked further details she explained: "Every one of my friends always raved about the texture and coloring of my skin, and I have no doubt but that my first engagement was made possible through the reputation I had acquired for a beautiful complexion. Managers are like ordinary mortals, they admire a beautiful skin as much as anyone, and in selecting their casts they naturally prefer those whose complexions are attractive."

Managers are like ordinary mortals, they admire a beautiful skin as much as anyone, and in selecting their casts they naturally prefer those whose complexions are attractive. I think the best asset any girl or woman can have is a beautiful skin and complexion. It is easy to have this if one will spend only a little time in taking care of the skin. A girl may have irregular features, but if she possesses a beautiful complexion she will attract attention anywhere. I am always glad to tell any girl or woman just how she may possess a skin like mine. Here is the recipe: Night and morning cleanse the skin first with warm water, then apply a good gold cream—(Laska cold cream I have found to be the best) after massaging it into the skin take off the superfluous cream with a soft cloth. Then before going out during the day or evening I apply Derwillo, a simple toilet preparation which can be purchased at the toilet counter of any up-to-date drug or department store. The first application of this wonderful Derwillo will astonish you. It imparts instant beauty to the skin and makes a rosy-white complexion—every one will talk about it. I find it excellent for my complexion, as it protects my skin in all kinds of weather. That's why I prefer it to all other toilet preparations and am never without it. Now that short sleeves are in vogue you will want beautiful hands and arms. There is nothing like Derwillo for this purpose. Many of my professional friends to whom I have recommended Derwillo use it in preference to all other face powders or beautifiers." Just try it once before going to the theatre, dances, parties or an afternoon call and note the favorable comments of your friends. Derwillo instantly puts a life-like tint on your cheeks which defies detection. It takes the place of face powder and stays on until you wash it off. Perspiration does not effect it nor will it rub off on clothing; it also prevents the nose and face from shining. It's wonderful for a dark, sallow, rough skin, black-heads, coarse pores, oil skin, freckles, tan and for the instant beauty it imparts. Over 500,000 girl-and-woman are using it. It's absolutely harmless to the most sensitive skin. Just try it once and you will need no further argument to convince you that there is nothing "just a good" better, or "just like me" than Derwillo, then you will not be disappointed.

NOTE:—Druggists and department stores everywhere sell Derwillo with the guarantee that if you don't like it you get your money back. It is the one beautifier that gives satisfaction at all seasons of the year. You can secure it at all toilet counters in the city, including the Roes Drug Co., 100 King street, St. John, N. B.

Junior Red Cross Fully Explained

S. B. McCready of Toronto Delivered Interesting Address in High School.

The Junior Red Cross will vitalize the teaching of hygiene in schools and thus help to build up a more healthy nation in Canada. This was one of the strong arguments used by S. B. McCready, of Toronto, speaking at a public meeting held in the High School yesterday afternoon. Mr. McCready, who came to the Maritime Provinces at the invitation of the N. B. Division of the Canadian Red Cross, has recently interviewed the Provincial Board of Education upon the subject of Junior Red Cross, and the board is now considering whether it is possible to introduce it into the school system.

Mrs. John A. McAvity, vice-president, presided, and with her on the platform were: Mrs. Frank S. White, president of the local Red Cross, and Mrs. G. A. Kuhring of the Progress and Activities Committee of the Provincial Branch. Mrs. McAvity explained that E. T. Hayes, M.P.P., president of the Provincial Branch, was called out of the city. She welcomed all teachers present and called on Mrs. Kuhring to explain the object of the meeting.

Spread Health Ideas

Mrs. Kuhring, in expressing her sense of gratitude to all teachers, asked them to consider with the Red Cross the best means of spreading health ideas among children. She cited the discovery made during the war that one-half the men called were physically unfit for full military service. The five nations in council had appealed to the Red Cross to grapple with this problem, and in Article 25 of the League of Nations it states that the Red Cross is pledged to three aims—the promotion of health; the prevention of disease; and the mitigation of suffering. Canada signed the League of Nations, and the Canadian Red Cross has bravely taken up the task of finding the best means to carry out this programme. Mr. McCready is, Mrs. Kuhring said, one who has found a good way to work, and he would tell what has been done elsewhere. The Red Cross stands back of the scheme and will give financial assistance, publicity and co-operation.

S. B. McCready

Introduced by Mrs. McAvity, Mr. McCready told of his meeting with the Provincial Board of Education, saying that the plan is not yet authorized. The Junior Red Cross is a new idea in health education. An American educationalist has said the Junior Red Cross is one of the great discoveries of the war.

The Junior Red Cross is useful in three ways. It can help to bring about the brotherhood of man by a practical method of working out the League of Nations. It is a means by which boys and girls can learn a better appreciation of Canadian citizenship, and it offers a means of teaching health in an up-to-date, sound, pedagogic way.

Both Stocks Active But Trading Was at a New Low Price.

Montreal, April 7.—Active trading in Canada's stock exchange today subsided and was replaced by dealings in Liverpool. The drive on the stock forces the price down to 29 1/4, and it later called to 28 1/4, the low for the day being a new low for the stock. Steamship common closed 1 1/8 points to 34, while the preferred raised, between 54 1/2 and 51 3/4, the latter being two points up from yesterday's low. The closing price of 52 3/4 showed a net rise of 1 1/4 points since the close of 51 1/4 shown for the day.

Although over a thousand shares of iron changed hands, the price movement was extremely narrow, the high and low for the day being separated by but 5/8 point. The close at 49 3/4 showed a net fractional gain.

Pape's Are Irregular

Abitibi finished strong at 28 1/4 unchanged. Smelters also heavily dealt in showed a fractional loss to 15, a new low for the year.

The papers as a group were again irregular with Spanish preferred, Waygamack and Abitibi leading their ground. Brompton and Laurentide each fractionally up; Riddon down a point and Spanish common down 1/4 at 71 1/2.

WEATHER STOKES TOOK IN GENERAL

Weather stocks took in General Electric down a point at 107, and Steel of Canada down one at 59 1/2.

Total sales, listed, 12,037; bonds, \$1,875,000.

ALGERIA ON NEW YORK GLASGOW ROUTE

The Anchor Line announces that the S.S. Algeria, which they recently purchased from the British Ministry of Shipping, will be used on the New York-Glasgow route, instead of the Cameronia, which has been delayed in sailing owing to the unsettled labor conditions. She will alternate with the Columbia, and will later be joined by the Assyria, as soon as that vessel is completed. When the new building programme is concluded the Algeria will be taken off the New York-Glasgow run and used in the Eastern service, as she is excellently adapted for tropical seas, having been built for "around Africa trips."

The Algeria is 475 feet long, 55 feet beam, and draws 20 feet of water. Her gross tonnage is 8,156. She has accommodations for 297 cabin and 118 stowage passengers. Her finishings and interior decorations represent the latest word in steamship construction, and nothing has been left undone to add to the comfort and luxury of the passengers. She was built in 1914 for the German government and has had a stirring history. During the war she was used by the Germans to carry troops to Russia, and was later fitted out for the proposed invasion of England, having a capacity for 8,000 troops. During the operations at Kiel several German naval officers were hanged from her signal yards. After the war she was allocated to Great Britain, and was used to carry German prisoners to their homes.

New York, April 7.—Raw sugar was quiet early with Cuba quoted at five cents net and freight, equal to 6.02 for centrifugal.

No sales were reported, but it was rumored that some uncontrolled Cubas were sold at 1-8 cent below the committee's quotation.

In refined the demand showed no improvement and while list prices were unchanged at 3 cents for fine granulated, it was said that second hand sugars were offered at 2 1/2 cents.

Sugar futures were unsettled. After an early break of six points under liquidation, prices rallied sharply on covering and buying of Cuban inter-continental. At mid-day, values were 2 to 2 1/2 cents, net lighter.

Conference of Boys and Girls A Success

Hillsboro Youth Received Inspiration from Gathering—Many from Other Sections.

Hillsboro, N. B., April 7.—A joint boys' and girls' conference was held in the First Baptist Church, Hillsboro, on April 1, 2 and 3. It was conducted under the leadership of Mr. A. M. Gregg and Miss Mary Allison, who are the leaders of the Canadian Standard Efficiency Club of the province.

The registration was about 70, in addition to local boys and girls, there were others from Carryville, Hopewell Cape and Albert. The first conference of this kind was held here about a year ago. The leaders of the local camps of Canadian girls are Miss Flora Peck, Miss Ina Sivoev and Mrs. A. S. Bishop. The leaders of the boys is the pastor, A. S. Bishop. The boys' work at present centres in the Boys' Scout.

Impressive Meeting. The closing meeting Sunday evening was interesting and impressive. One of the girls, Miss Christina Colewell, presided, and two others were with her on the platform, Miss Helen Lewis and Lloyd McPherson. These were the president, vice-president, and secretary of the conference. The young people marched into the auditorium to the music of the pipe organ and singing of "Onward Christian Soldiers" by the choir. Mr. A. M. Gregg gave the principal address. Miss Allison gave a closing message to the girls. These two addresses meant much to all who were interested in the young people. The resolutions presented by the different groups were read by one of the members of each group. Miss Helen Lewis read an account of the work accomplished and exceedingly well read. Then followed the fellowship circle. The large audience will long remember the Miss Lewis' account was complete and exceedingly well read. Then followed the fellowship circle, and of what young people themselves can do. Miss Lewis' account was complete and exceedingly well read. Then followed the fellowship circle, and of what young people themselves can do.

THE WEATHER

Toronto, April 7.—The eastern high pressure is now passing to the Atlantic... The weather today has been cold in Quebec and the Maritime Provinces...

AROUND THE CITY

SOLDIER'S BUTTON. A class badge, belonging to a returned soldier, was picked up in the street and handed to the mayor's clerk at city hall yesterday.

TAKEN TO PENITENTIARY. George Drew, who was sentenced to life imprisonment, and William Neary, sentenced to four years with eight lashes, were taken to the Maritime Penitentiary at Dorchester yesterday morning by Deputy Sheriff Clifford and Policeman Garnett.

TROUBLE AT RESTAURANT. A prominent barrister of the city thought he was being overcharged for a feed at the King Cafe last night, and indulged in some loud talk. The police were summoned, quelled the turmoil and straightened out accounts.

INSPECTION TOUR. J. M. Woodman, general superintendent of the C.P.R., New Brunswick district, left yesterday morning for McAdam where he met A. Price, general manager of the C.P.R., Eastern lines. They left in the afternoon on an inspection trip to Woodstock and thence to Fredericton.

ROSE OF KILDARE. A three act Irish comedy drama, which was presented in St. Vincent's Auditorium recently under the auspices of the Dramatic Committee of the Y.M.C.A., was staged in the Imperial Theatre, Sussex, last evening. The proceeds are for Rev. Father McDermott's church fund.

RETURNED WITH PRISONER. Mrs. Louis Hensert returned to New Glasgow yesterday in the custody of Police Constable William Little to face the charge of theft of \$600. The woman was arrested by local authorities at the request of the Chief of Police of New Glasgow.

SUCCESSFUL OPERATION. Edward Ryder, who was injured Wednesday afternoon when he fell on the C.N.R. tracks near the Union Depot, fracturing his jaw, was operated on yesterday morning at the General Hospital. The operation was successful and the lad's condition is satisfactory.

MUNICIPALITY BONDS. Snapped up at par was the result attained in an offering yesterday morning by the Municipality of the City and County of \$100,000 in 4 per cent bonds for the Nurses' Home. The purchasers were J. M. Robinson Sons, W. F. Mahon & Co., Eastern Securities, Limited, and the Royal Securities Corporation, Ltd.

THE INSURANCE. In connection with the fire loss of Mrs. Sarah Senor, of Fairville, whose two dwellings were burned Wednesday morning, there was only \$1,000 each on the dwellings and \$400 on the furniture, all of which was practically totally destroyed. The insurance was in the Western Fire Insurance Company.

PRIMARY DEPT. PARTY. The primary department of Centenary Sunday School held a party in the school-room yesterday afternoon. About sixty-five children between the ages of three and nine years were present and enjoyed kindergarten games. At six o'clock supper was served by a committee of mothers and the tables prettily decorated with daffodils and surrounded by a happy throng of youngsters made a delightful scene.

Fine Programme Given At St. Jude's

Junior Branch of Women's Auxiliary Gave Delightful Entertainment Last Night. The St. Jude's Junior Branch of the Women's Auxiliary gave a delightful entertainment in the church school room last evening before a large audience. Thirty juveniles took part in the programme under the direction of the superintendents, Mrs. Griffiths and Mrs. Seeler. The whole piece reflected great credit on the officers and members alike. A number of songs and recitations and a piano duet were given.

A special feature was a missionary talk on the Junior Branches' object by eleven of the girls. A pretty drill exemplified the work of the Junior Branches, as well as the American Indian and Eskimaux were represented by members dressed in native costumes and introduced by others garbed as Eskimaux. Rev. J. H. A. Holmes presided at the entertainment and Mrs. R. E. Smith acted as accompanist.

Fire Destroyed Three Motor Cars

Shed of St. John Dry Dock Burns Destroying Contractors' Supplies and Autos. Three motor cars and a quantity of contractor's supplies were destroyed when the shed in which they were stored on the St. John Dry Dock plant at East St. John was consumed by fire yesterday afternoon. The origin of the fire is unknown. It was first noticed at about ten o'clock. Part of the building was occupied as a dwelling, and the inmates thereof were able to salvage the greater part of their household effects, as well as some of the supplies stored in the other part. The fire broke out in the section of the building used as a garage. One car was brought as far as the doorway, but the flames gained too great a headway to admit of its being salvaged. One Reo seven-passenger car, as well as two lighter ones, went up in smoke. The Reo and one of the other cars were owned by the Bedford Construction Co., the other car belonged to Mr. Ellis, an employee. The cars, building and supplies were insured. Although the fire was stubbornly contested by a volunteer fire brigade, it was of such nature as to render their efforts useless. A hose cart arrived from the city, and although too late to check the destruction, rendered valuable assistance in bringing the fire to an end.

Board of Health Has Modest Programme

Wants the City to Spend Large Sum in Extending Sewers and Protecting Water. The Board of Health made a very modest demand on the city council yesterday for the expenditure of anywhere up to half a million dollars, as they protest, make living conditions better in the city, and secure a purer water supply. During the debate a tilt between Commissioners Bullock and Jones ensued, proceeding a little. Dr. William Warwick, sub-district health officer, presented to the council a list of the things the board wanted done to protect the public health, which they claimed was in danger unless their wishes were complied with.

Sewers Wanted.

First he asked for a sewer on Clarence street, west, to serve two houses from which the sewage ran down the street and was a menace to the health of the community, particularly in the summer time. Next he asked for a sewer through Barker and Kitchener streets to Rockland road, where sixteen families had to use the old fashioned privies. The third place he wanted a sewer was at the end of White street to serve six families. This was all he asked for in the way of sewers.

Commissioner Thornton asked Dr. Warwick if he had made any investigation into conditions at Visart street, where the people were without sewers and he replied that he had not. Commissioner Bullock wanted to know if the Board of Health had any recommendation to make in regard to the Carlton Millpond. Dr. Warwick said not.

Want Land Expropriated.

The next item referred to by Dr. Warwick was protection for the water supply, and he asked that the city buy all the foreshore on both Spruce and Lock Lomond lakes. At Spruce Lake, he said, there were nine camps on the shore, and these were all a source of contamination. At Lock Lomond he recommended the expropriation of all the land on the western end of the lake. He declared the septic tank at the Barker House was not sufficient safeguard, and building should be closed altogether. The Johnston House, he said, was not nearly as dangerous as the Barker House.

Commissioner Jones expressed the opinion that these matters should first have been submitted to him so that he and the engineer could go over them and bring in recommendations. Commissioner Frink asked if the Board of Health realized that what they were asking meant in the way of expense and the possible boosting of values for lands.

Will Present Recommendations. Commissioner Thornton suggested that the Board of Health send in a formal resolution embodying what they wanted done and then it could be taken up by the council. Dr. Warwick agreed to do this. After Dr. Warwick had retired Commissioner Bullock brought up the matter of the Clarence street sewer and moved the commissioner of water and sewerage be asked to bring in a report on the state of affairs there and the cost of putting the sewer through. Commissioner Jones said there was no need of a motion as he would bring in a report when the Board of Health had presented their demands. Commissioner Bullock said he wanted action on the sewer before that, and Commissioner Jones retorted that he would not get it. The motion passed.

PLEASANT EVENING ENJOYED BY SCOUTS

The Boy Scouts Troop No. 4, First Presbyterian church, West Side, entertained the troop from St. Jude's church, at supper last night. There was a large attendance of boys. After supper there was a musical programme, the following taking part: church; violin solo, Scott Allen, of Presbyterian church; piano solo, Miss Thompson; solo, E. Allan. Mr. Olive addressed the boys on First Aid. The affair was under the direction of Scout Master Allingham and Asst. Scout Master Williams. The troop is showing great progress.

Management Puts One Over On Crowd

Employees of Maritime Nail Works Sent Home Half Hour Early. The demonstration in front of the plant of the Maritime Nail Works was continued last night, the crowd gathering a little before six o'clock, as was the rule on the two previous nights, for the purpose of discouraging the workers, employed at the plant, when they left for their homes. The management put one over on the crowd last night. They arranged that their employees quit work for the day yesterday at 5:30. The men were at their homes before the crowd gathered. About a thousand men, women and children assembled a few minutes before six o'clock. When the whistle blew for the "knocking off" hour the faces of the crowd lit up with expectancy and they prepared to start. Assistant Manager Marvin, as usual, since the demonstration against the plant was inaugurated, took his walk from the office through the crowd to the top of the hill. Few remarks were made to him, not so many or insulting as on the previous occasion. Commissioner Thornton and the police were on hand to see that law and order were respected. They had but little to do as there were no attempts made to start anything. It was noticeable last night that those who have been leaders among the demonstrators were not present. There was also an absence of the men concerned in the lockout.

Thankful He Is Not A Canadian

Man Charged With Threatening Life of Citizen Makes Remarks in Police Court. "Thank God I'm not a Canadian!" was the statement made by William Shannon in the police court yesterday afternoon after pleading guilty to a charge of threatening to take the life of Matthew Harding. "What's that," said Magistrate Ritchie, the prisoner repeated his statement. "There are nine millions of us who thank God for that privilege," said the magistrate. "We pride ourselves on a country where the law protects the life of all, and every man enjoys religious and political freedom. 'What country do you come from?' "From Belfast, Ireland, your honor, the freest country in the world, 'free earth.'" As Shannon went down stairs in the company with a drunk and a vagrant, he turned to the magistrate and said, "Nice specimens of Canadian." The crowd's attention afforded considerable amusement to those in the court room. Shannon who is forty-five years of age, was arrested at noon yesterday by Sergeant Rankin and Policeman Sheehan, on a charge of threatening to take the life of Matthew Harding, at the corner of Main street and Paradise row.

Daring Breaks On Prince Wm. Street

Three Offices Entered, Desks Opened, Papers Scattered About and Cigars Stolen. One or more thieves were busy on Prince William street early yesterday morning on the second floor of the Armstrong and Bruce building were broken into. The entry into the offices of the Maritime Freight Bureau and private offices of the Customs was made by breaking glass in the door so the lock could be turned. Two boxes of cigars were taken from the Freight Bureau office and desks of the Customs were broken and papers thrown about. The L. B. Steel Corporation office in the Globe Atlantic building was entered through a window, the thief having walked along a ledge. The residence of George S. McBeth at Riverside was entered early Wednesday morning and an overcoat and some other articles stolen.

MAKING PROGRESS.

Two members of the firm of Mitchell Bros., Toronto, consulting electrical engineers for the N. B. hydro commission, are due here on Wednesday next to discuss matters relating to the power development on the Musquash. The changes in plans for the power house are to come up. The question of the substitution of Fairville has not yet been finally disposed of, but it is officially stated that the building will be constructed of plain concrete blocks. Good progress is being made in the construction of the dams on the Musquash. There are two saw mills in operation on the watershed, getting out birch and other timber for the forms, etc.

ARRESTS.

But one arrest was made by the police last evening. H. McHugh was taken into custody for being drunk and having liquor in his possession. There were no protectionists registered. Titus Smith was picked up on a warrant issued for assault.

RETIRES FROM ARMY.

Lieutenant W. G. Monahan, who has been employed at local military headquarters, has been granted three months leave, pending retirement from the army.

Remember the children on Saturday April 10th.

ROSE BUD DAY.

Remember the children on Saturday April 10th.

EASTER OFFERING.

At a meeting of the Star Mission Circle of Exmouth Street held recently at the residence of Miss Mary Simons, Wright Street, the Easter offering amounted to sixty dollars.

Court of Enquiry To Assemble Here

Will Investigate Circumstances Surrounding Wreck of S. S. Impoco. John C. Chesley, agent for marine and fisheries, received a request from the Imperial Oil Company yesterday to stand by the Impoco, now stuck hard and fast on Middle Rock ledge, so that their own boats standing by could go about their business. If the Aberdeen failed to stand by during the night it would be necessary according to the request, to take the crew off. Mr. Chesley thought it quite as important for the Aberdeen to go about its business as it was for the Impoco to stand by, and he failed to see the logic of the request. According to reports received by the marine department here a wrecking crew from Halifax was expected to reach the stranded steamer last night. However, there is practically no hope of saving the steamer and its cargo of gasoline. The marine agent has been notified by Capt. Demer, chairman of the wreck commission, to get the crew here as soon as possible for a court of inquiry to examine into the circumstances surrounding the accident and place the fault, if any.

Many Cases Before The Police Court

Frank Hoffman Fined \$200 on Liquor Charge—Eight Prisoners Remanded. A charge of carrying concealed weapons on his person was preferred against Harry Hoop in the police court yesterday afternoon and he was remanded to admit of his case being investigated by the detective department. Hoop, who is twenty-one years of age, was arrested by Policeman Donohue at Drury Cove yesterday morning when he found him acting in a suspicious manner. Given The Limit. "Two hundred dollars or six months" was the sentence meted out to Frank Hoffman, Main street, who was charged with selling liquor unlawfully. The magistrate reminded the accused that it was the third time he had been brought before the court on the charge, and warned him that he would be given a sentence of one year in goal if he did not pay the fine. If so was found violating the liquor law any more. The defendant maintained his innocence of the charge. W. M. Ryan conducted the prosecution. Other Cases. Pascal Gallant, aged 16, pleaded guilty to a charge of furiously driving a horse on Douglas avenue, Wednesday at 3 p.m. Accused was given in charge by Officer Howard. Remanded. David Murdoch, arrested by Detective Biddiscombe on suspicion of stealing a revolver, valued at \$25 from C. P. R. Policeman J. L. Armstrong, between March 1 and March 11 Remanded. George Selner, Russian, charged with being drunk and having liquor unlawfully in his possession, pleaded guilty, remanded. Joe Lyons, charged with trespassing on C. N. R. property, Policeman Barton conducted, remanded. Pedro Meyeoto arrested for wandering around without sufficient reason, on Main street. Remanded. John T. Gardner, charged with non-support by wife, remanded. One drunk pleaded guilty, remanded.

GERMAIN STREET IMPROVEMENT ASSN.

The Germain Street Improvement Association held the annual meeting in the Board of Trade rooms last night. Reports received showed that the Street had been kept in a most satisfactory condition and it was decided to plant some ever trees to replace those that were in bad condition, and keep the street in its usual attractive state. The officers elected were—L. G. Crosby, president; Col. E. T. Sturdee, vice president, and Victor F. Crosby, secretary-treasurer.

RETIRED WITH LIGHT HEARTS

Quarantined Passengers on Partridge Island Happy That No Signs of Smallpox. The quarantined passengers of the Scandinavian, marooned in Partridge Island, retired last evening with light hearts for another day has passed without a sign of any new cases of the dread disease, smallpox. The bright sunshine and exercises in the open air was responsible for a clean bill of health for all, so that even the sore throats of the day before were quite all right again. Dr. Brown, the island's genial physician, enacted the role of Santa Claus when he distributed a number of t-shirts and books sent down by the I. O. D. E. The child spirit burst forth in all, and adults vied with little tots in crowding in on a much overworked Santa, for their share of the treat.

Our advertisement can only give you a slight idea of how remarkable the daily savings will be. Watch our store news regularly. Each day will unfold an Economy Story. Manchester Robertson Allison & Co. KING STREET GERMAIN STREET MARKET SQUARE

FINES IN OLIVE OIL CASE. The case of alleged handing of olive oil from a steamer here without it being passed through the customs was completed by Collector Lockhart yesterday morning. The man who purchased the oil was fined \$100 for employing a man to help him. He was also required to pay the duty and value. In connection with the same ship, the chief engineer was fined \$100, the second engineer \$100 and another member of the crew arrested by the police on Sunday night for having liquor in his possession, \$50 for smuggling liquor.
