The copy filmed here has been reproduced thanks to the generosity of:

Library of Parliament and the  
National Library of Canada.

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

La Bibliothèque du Parlement et la  
Bibliothèque nationale du Canada.

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

The *Field of Play* must not exceed 110 yards in length, nor 65 yards in breadth, and should be as near those dimensions as practicable.

## THE LAWS OF THE GAME.

---

1. A **DROP KICK** or **DROP** is made by letting the ball fall from the hands, and kicking it the very *instant* it rises.

2. A **PLACE KICK** or **PLACE** is made by kicking the ball after it has been placed in a nick made in the ground for the purpose of keeping it at rest.

3. A **PUNT** is made by letting the ball fall from the hands and kicking it *before* it touches the ground.

4. A **FLYING KICK** is made by kicking the ball from the field of play, without touching it with the hands.

5. **EACH GOAL** shall be composed of two upright posts, at least 13 feet in height from the ground, and placed 18 feet 6 inches apart, with a cross-bar 10 feet from the ground.

6. A **GOAL** can only be obtained by kicking the ball from the field of play direct (*i. e.*, without touching the ground or the dress or person of any player of either side) over the cross-bar of the opponents' goal, whether it touch such cross-bar, or the posts, or not; but if the ball goes directly over either of the goal posts it is not a goal. A goal may be obtained by any kind of kick except a *punt*.

7. The ball is *dead* when it rests absolutely motionless on the ground.

8. A TOUCH DOWN is when a player, putting his hand upon the ball, on the ground, in touch or in goal, stops it so that it remains dead, *or fairly so*.

9. A TRY is when a player makes a *touch down* in his opponents' goal.

10. A ROUGE is when a player makes a *touch down* in his own goal, or when the ball goes into touch in goal. (See Law 23.)

11. A SAFETY TOUCH is when a player kicks or carries the ball from the field of play, and he or one of his own side *rouges* it.

12. A match shall be decided by a majority of points. A goal kicked from a try shall count 8 points, and from the field 6; a try shall count 4; a safety-touch 2; a rouge 1. A majority of 2 points to decide a match, but if only *rouges* be scored there must be a majority of 4 points.

13. A TACKLE is when the holder of the ball is held by one or more players of the opposite side.

14. A SCRIMMAGE takes place when the holder of the ball, being in the field of play, puts it down on the ground in front of him, and all who have closed round on their respective sides endeavour to push their opponents back, and drive the ball with their

feet in the direction of the opposite goal line. (See Law 51.) A scrimmage ceases to be a scrimmage when the ball is in touch or goal. Passing back through the scrimmage shall not be allowed, but shall count as an *off-side* play.

15. A Player may *take up* the ball whenever it is rolling or bounding, except in a scrimmage.

16. It is not lawful to take up the ball when *dead* (See Law 7) (except in order to bring it out after it has been touched down in touch or in goal) for any purpose whatever; whenever the ball shall have been so unlawfully taken up it shall at once be brought back to where it was so taken up and there put down.

17. In a *scrimmage* it is not lawful to touch the ball with the hand under any circumstances whatever.

18. It is lawful for any player who has the ball to run with it, and if he does so it is called A RUN. If a player runs with the ball until he gets behind his opponents' goal line and there touches it down, it is called a RUN IN.

20. The goal line is in goal, and the touch line is in touch.

21. In the event of any player holding or running with the ball, being tackled, and the ball *fairly held*, he must at once cry *down*, and immediately put it down. The ball is *fairly held*, (1) when the holder cries *down*, (2) when it is not moving, (3) when more than two hands of the opposite side are on the ball. In any of these cases the ball shall be at once scrimmaged at the place where it was so held.

22. If when a player is holding or running with the ball, the ball is *held* inside his opponents' goal line before he touches it down, he shall score a *try*; if inside his own goal line it shall count a *safety touch*. A goal cannot be kicked from a try so scored, and the ball shall be returned into play, as provided by law 42.

23. TOUCH IN GOAL (see plan.) Immediately the ball, whether in the hands of a player or not, goes into touch in goal, it is at once *dead* and out of the game, and must be brought out as provided by laws 41 and 42.

24. Every player is *on side*, but is put *off side* if he enters a scrimmage from his opponents' side, or being in a scrimmage gets in front of the ball; or when the ball has been kicked, touched, or is being run with by any of his own side behind him *i. e.*, between himself and his own goal line. No player can be *off side* in his own goal.

25. Every player when *off side* is out of the game,

and shall not touch the ball in any case whatever, either in or out of touch or goal, or in any way interrupt or obstruct any player, until he is again *on side*. In case any player plays the ball when he is off side, the captain of the opposite side *may* claim that the ball be taken back and put down at the place where it was last played before the *off side* play occurred.

26. A Player being *off side* is put *on side* when the ball has been run five yards with, or having been kicked by, or having touched the dress or person of any player of the opposite side, has moved five yards; or when one of his own side has run in front of him either with the ball or having kicked it when behind him.

27. When a player has the ball, none of his opponents who at the time are *off side* may commence or attempt to run, tackle, or otherwise interrupt such player, until he has run five yards or taken his kick. But if any player when *off side* tackles, or in any way interferes with an opponent who has the ball before such opponent has run five yards or taken his kick, the captain of the opposite side *may* claim a *free kick* for the player so interfered with; such *free kick* shall be either a *punt* or a *drop-kick* from the place where the interference took place, and shall be taken in accordance with conditions in Law 44. Such *free kick* shall not count a goal.

28. **THROWING BACK.** It is lawful for any player who has the ball to throw or pass it to any player of his own side who is at the time *on side, i.e.*, not in front of him.

29. **KNOCKING ON, i. e.**, hitting the ball *forward* with the hand, and *throwing forward, i. e.*, throwing the ball in the direction of the opponents' goal line, are not lawful. If the ball be either *knocked on* or *thrown forward* the captain of the opposite side *may*, unless a fair catch has been made (as provided by the next law), require to have it brought back to the spot where it was so *knocked or thrown* on, and there put down.

30. A **FAIR CATCH** is a catch made direct from a kick or a *throw forward*, or a *knock on* by one of the opposite side provided the catcher makes a mark with his heel at the spot where he has made the catch, and no other of *his own side* touch the ball. (See Laws 43 and 44.)

31. **TOUCH** (see plan.) If the ball goes into *touch*, a player on the side other than that whose player last touched it in the field of play must bring it to the spot where it crossed the touch line; or if a player when running with the ball cross or put any part of either foot across the touch line, he must return with the ball to the spot where the line was so crossed, and thence return it into the field of play in one of the modes provided by the following Law.

32. He must then himself, or by one of his own side, either (1) bound the ball in the field of play at right angles to where it crossed the touch line, and then run with it, kick it, or throw it back to his own side; or (2) throw it out at right angles to the touch line; or (3) walk out with it at right angles to the touch line, any distance not less than *five* or more than *fifteen* yards, and there put it down, first declaring how far he intends to walk out.

33. If two or more players holding the ball are pushed into *touch*, the ball shall belong *in touch* to the player who first had hold of it in the field of play, and has not released his hold of it.

34. If the ball be not thrown out straight, the captain of the opposite side *may* claim to bring it out as in Law 32.

35. A catch made when the ball is thrown out of touch is not a *fair catch*.

36. KICK OFF is a place kick from the centre of the field of play, and cannot count as a goal. The opposite side must stand at least *ten yards* in front of the ball until it has been kicked. If the ball pitch in touch, the captain of the opposite side *may* claim to have it kicked off again.

37. The ball shall be *kicked off* (1) at the commencement of the game, (2) after a goal has been obtained, (3) after change of goals at half time.

38. Each side shall play from either goal for an equal time.

39. The captains of the respective sides shall toss up before the commencement of the match. The winner of the toss shall have the option of the choice of goals, or the kick off.

40. Whenever a goal shall have been obtained, the side which has lost the goal shall then kick off. When goals have been changed at half time, the side which did not kick off at the commencement of the game shall then kick off.

41. KICK OUT is a *drop-kick* by one of the players of the side which has had to touch the ball down in their own goal or into whose touch in goal the ball has gone, (Law 23) and is the mode of bringing the ball again into play, and cannot count as a goal.

42. KICK OUT must be a *drop kick*, and from not more than *twenty-five yards* outside the kicker's goal line; if the ball when kicked out pitch in touch, the captain of the opposite side *may* claim to have it kicked out again. The kicker's side must be behind the ball when kicked out; and the opposite side may not obstruct such kicker within *25 yards* of his own goal line.

43. A player who has made and claimed a *fair catch* shall thereupon either take a *drop kick* or a *punt*, or *place* the ball for a place kick.

44. After a *fair catch* has been made, the opposite side may come up to the catcher's mark and the catcher's side retiring, the ball shall be kicked from

such mark or from a spot any distance behind it in a straight line, parallel with the touch lines.

45. A player may touch the ball down in his own goal at any time.

46. A side having touched the ball down in their opponents' goal, shall *try at goal* in the following manner. One of the players shall bring it up to the goal line in a straight line (*i. e.*, parallel to the touch lines,) from the spot where it was so touched down, (unless between the goal posts, in which case he shall bring it up to either post,) and then make a mark on the goal line, and thence walk out with it in a line, not more in front of the goal than his mark, and then *place* it for another of his side to kick.

47. The defending side may *charge* as soon as the ball touches the ground, the kicker's side must remain behind the ball until the try has been decided. If a *goal* be kicked, the game shall proceed as provided by Law 36, but if only a *try* be kicked, or if the bringer-out fail to make a mark on the goal line, or any of his side touch the ball before it is kicked, the ball shall be *dead* forthwith, and the game shall proceed by a *kick out* as provided by Law 42.

48. CHARGING, *i. e.*, rushing forward to kick the ball or tackle a player is lawful for the opposite side, in all cases of a *place kick* after a *fair catch* or upon a *try at goal*, immediately the ball touches or is placed on the ground: and in cases of a *drop kick* or *punt*

Except in a scrimmage it is not lawful for a player to charge against or obstruct any opponent unless such opponent is holding the ball, or such player is himself running at the ball.

49. In case of a *fair catch*, the opposite side may come up to and *charge* from anywhere on or behind a line drawn through the mark made by the player who has made the catch, and parallel to their own goal line. In all cases the kicker's side must not be before the ball when it is kicked, and may not *charge* until it has been kicked. If after a fair catch, more than one player of the attacking side touch the ball before it is kicked, the opposite side may charge forthwith.

50. If a player *charge* before he has a right to do so, and by so doing has in the opinion of the Referee affected the kick, the kicker may have his kick over again.

51. NO HACKING or HACKING OVER, or TRIPPING UP or SCRAGGING shall be allowed under any circumstances, and no one shall intentionally tackle another below the knees. No one wearing projecting nails, iron plates, or gutta percha on any part of his boots or shoes shall be allowed to play in a match.

52. In case of any law being broken or any

irregularity of play occurring on the part of either side, not otherwise provided for, or any case arising which it is impossible to decide either way, the Referee shall order such compromise to be made as he may see fit.

53. If any player persistently violates any of the laws of the game or makes any unfair or rough play, the Referee shall warn him, and if he continue the Referee may rule him out of the game, and no substitute shall be allowed.

54. In matches where Umpires or Referees are appointed, it shall be their duty to decide any disputes which may be referred to them, but they shall not in any way interfere with the players or give any decision *unless appealed to*. When the Umpires disagree, the Referee shall be appealed to, whose decision on points in the game shall be final. If the Captain of either side challenge the construction placed upon any law, he shall have the right of appeal to the CANADIAN RUGBY FOOTBALL UNION.

55. Neither half-time nor no side shall be called until the ball is fairly held or goes out of play, and in the case of a *try* or a *fair catch*, the kick at goal only shall be allowed.

---

THE CANADIAN RUGBY FOOTBALL UNION view with grave apprehension the fact that a number of clubs now seem to make a point of playing according to the letter instead of the spirit of the law, and at the same time recognise that it is impossible, and ought to be unnecessary to legislate against this evil. They earnestly appeal to the different clubs in Canada to unite in an effort to suppress this quibbling spirit, leaving laws for the book, when their absence does not interfere with the real intention and spirit of the grand old Rugby Game.
