The copy filmed here has been reproduced thanks to the generosity of:

Musée du Château Ramezay,  
Montréal

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Musée du Château Ramezay,  
Montréal

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

## EXTRACT FROM SERMON

*Preached December 8, 1889.*

BY THE

REV. J. G. NORTON, D. D.,  
RECTOR OF THE CATHEDRAL CHURCH.

"And now a word as to our own Church, whose centennial we shall, God willing, celebrate on Sunday next. I would remind you that from 1766 till 1789, the few Protestants of various denominations then in Montreal worshipped as one small congregation, and were ministered to by the Rev. David C. Delisle, a Church of England clergyman, in the Recollet Chapel, which was most kindly lent to them by the Roman Catholics, at hours when it was not required for Mass. In 1789, the Governor, Lord Dorchester, granted to the Church of England the use of a Church which had become Crown property. On the suggestion of the Bishop of Nova Scotia, it was called 'CHRIST CHURCH,' and was dedicated on December 20th, 1789. It was destroyed by fire in 1803; from which year, till the new Christ Church in Notre Dame street was opened in 1814, the congregation worshipped in St. Gabriel Church, which was generously lent to them by the Presbyterians. In 1820, Christ Church was duly constituted a Statutory Parish Church (on the English model), for the Anglican Parish and Rectory of Montreal. In 1850, the Church was raised to the dignity of a Cathedral, by a Royal Patent, which fixed in it the Episcopal Cathedra or throne. By the same Patent, the Diocese of Montreal was created, and the town of Montreal

was advanced to the rank of a City of the British Empire. In December, 1856, Christ Church Cathedral in Notre Dame street was burned down, and the present beautiful Church was opened in 1859. Upwards of ninety-five per cent. of the total outlay had to be met by the Cathedral congregation and their friends, and the result has been that for 30 years the congregation has been heavily pressed with the cost of building and maintaining a Church worthy of its position as the Cathedral and Mother Church of the greatest City in the Dominion of Canada, and of a Diocese with nearly a hundred Parishes and Missions. In the old country, this cost, so largely incurred for the good of all, would not have been thrown so exclusively upon the congregation of the Mother Church. However, the Cathedral congregation have made noble efforts, and the result is, that there is now no debt in connection with the Cathedral, except a Mortgage for \$10,000 on the Rectory and the adjoining house. Your centennial Offerings will be for the reduction of this debt, which is the only blemish on the fair fame of a Church of which our City and Diocese are justly proud.

I rejoice to say that the Centennial finds us with a most united and devoted congregation, with beautiful and true Church of England Services, and with flourishing Sunday Schools and other Parochial organizations, which are not only admirable and efficient, but full of Christian love and devotion. May this Centennial be a time of much special prayer for a large outpouring of the Holy Spirit's Unction upon our Church and Diocese."
