The copy filmed here has been reproduced thanks to the generosity of:

D. B. Weldon Library  
University of Western Ontario  
(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol ➡ (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

D. B. Weldon Library  
University of Western Ontario  
(Regional History Room)

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole ➡ signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

LONDON, August 1st, 1876.

To obviate the necessity for calling a general meeting of representatives of clubs forming the Canadian Association of Base Ball Players, it has been deemed expedient by the President to submit certain amendments to the rules which if adopted will, it is believed, prove an advantage to Canadian Ball Players.

FIRST.—That Section 6, of Rule IV., regarding called balls, shall be amended so as to conform with the rule in use by American amateurs and professionals, by substituting the word *third* for *second* in the fourth line of said section.

SECOND.—That Section 7, of Rule V., be amended to conform with the American rules, by substituting the following: Should a batsman fail to strike at a ball sent in by the pitcher over the home-base, and within the specified reach of the bat, the umpire shall call "one strike," and when two such strikes have been called, the umpire, on the delivery of the next fair ball, shall warn the striker that he will call the third strike on the next fair ball delivered, at which time (viz., when the third strike is called) the batsman must run to first base, as in the case of hitting a fair ball.

— THIRD.—That Section 9, of the Championship Code, be erased.

It has been found that the rules regarding "called balls," and "strikes," are too favorable to the batter, and that Canadian Games, as a consequence, do not compare on the record with American games of the same class, played under American rules. Playing under different rules also leads to confusion, and a change is very desirable.

The clause in the championship code is also considered needlessly oppressive, and should be expunged.

Your club is earnestly invited to discuss the amendments offered, and give their judgment upon them, which you will please forward to me AT ONCE, in the form of a direct "yea" or "nay" to each of the three amendments. I would like to have replies by Saturday, 5th August, at farthest, so that the result may be announced in next week's issue of the CANADIAN SPORTING TIMES, and NEW YORK CLIPPER.

Yours truly,

H. GORMAN,  
*Sec. Can. Ass'n B. B. Players.*
