THE SIXTY-SEVENTH ANNUAL REPORT OF THE MONTREAL GENERAL HOSPITAL.

The Sixty-Seventh Annual Meeting of the Corporation of the Montreal General Hospital was held in the Governor's Hall of the Institution on Tuesday, the 21st May, 1889. Mr. JOHN STIRLING, Vice-President, in the Chair.

The Secretary read the following report, which was adopted, and ordered to be printed for circulation amongst the subscribers :

GENTLEMEN OF THE CORPORATION OF THE

MONTREAL GENERAL HOSPITAL :

I have the honor to present a brief report of the receipts and expenditure of the Hospital, and of the proceedings of the Governors during the year which terminated on the 30th April, 1889 :—

The expenditure of the year was.....	\$50,637.41
And the income.....	42,161.69

Showing an excess of expenditure over income of.....	\$8,475.72
Comparing the expenditure of 1888-89.....	50,637.41
With that of 1887-88.....	41,485.39

The former exceeds the latter by.....	\$9,152.02
---------------------------------------	------------

An analysis of the year's outlay shows that the chief items in which there has been an increased disbursement are the following : groceries and provisions, \$565.56 ; drugs and medicines, \$1464.84 ; instruments and repairs, \$808.49 ; dry goods and bedding, &c., \$463.67 ; coal and wood, \$246.72 ; insurance and law charges, \$804.59 ; repairs, \$3851.15 ; temporary wooden building, \$637.81.

There has been a diminished expenditure on the following items : soap, oil and candles, \$132.16 ; workmen's wages, \$284.96 ; medical officers' salaries, \$541.68.

Comparing the Income of 1888-89.....	\$42,161.69
With that of 1887-88.....	42,436.93

The latter exceeds the former by.....	\$275.24
---------------------------------------	----------

There have been received in legacies during the past year the following sums:

From Executor Late James Galvin.....	\$100 00
" " estate late Hon. Jas. Hamilton.....	20,000 00

\$25,323.33

On the 30th April, 1889, there was at the credit of the Surgical Fund account, a balance of \$5392.81. The sum drawn from this account during the year was \$905.70.

The total number of indoor patients treated during the year just ended was 2553, an increase of 267 over the number of 1887-88. Of these, 142 remained from last year, and 2411 were admitted during the year 1888-89.

There were discharged:

Cured.....	1,668
Improved.....	424
Unimproved.....	113

There died in the Hospital.....	2,205
Making the total number of indoor patients treated to a con- } clusion in the year.....	196
There remained in the wards on 30th April, 1889.....	2,401
	152

2,554

Of the above deaths 54 occurred within 3 days after admission, several being moribund by the time they reached the Hospital.

The average daily number of patients in the wards during the year was 156, the average time of each patient in the Hospital was 22.9 days, being within a fraction the same as last year; and the aggregate number of days spent in the Hospital by all patients was 55,211, an increase of 1,932 over last year.

Of the indoor patients treated to a conclusion there were:—

Males.....	1,431	Roman Catholics.....	961

The percentage of deaths to the whole admission is 8.12—and if the 54 cases in which death occurred within three days after admission be omitted, the rate of mortality falls to 5.9 per cent—a very favorable record, when the acute character of the cases and the severe nature of the injuries admitted is taken into account.

Of the 196 deaths from all causes, 41 were due to Diphtheria, or 21 per cent. of the whole mortality. From Typhoid Fever, there were 25 deaths, or 12.5 per cent. of the total mortality. Thus of the 196 deaths, 66 were caused by these two affections, or 33.5 per cent. of the whole.

There were 16,578 consultations in the general out-door department, and 6436 new patients. In the Eye and Ear department, 6521 consultations and 1592 new patients. In the Gynæcological department, 2203 consultations and 402 new patients. In the Laryngological department, 1154 consultations and 428 new patients. In the children's department, 1809 consultations and 962 new patients. The nationality and religion of all the patients will be found in the table annexed to this report.

During the past year six Life Governors have died, viz., Hon. James Ferrier, Messrs. John Ogilvie, Wm. E. Mackenzie, Samuel Greenshields, Alexander Murray, and Dr. K. P. Howard. Of these, several took a life-long interest in the welfare of this Institution, and Mr. Alex. Murray bequeathed to it a very handsome legacy. In Dr. R. P. Howard, the Hospital has lost its chief medical adviser and one of its warmest friends. As attending Physician for 22 years, and subsequently as consulting Physician and Chairman of the Medical Board, Dr. Howard rendered invaluable services to this charity, and it is well known how efficiently and zealously the important duties of Secretary to this Board were performed by him for 30 years. His untimely death is indeed recorded with great sorrow and regret.

The following gentlemen have been constituted Life Governors during the year: Messrs. Robert Anderson Allan, Robert Cowans, James P. Dawes, George Hague, Charles B. Morris, E. Goff Penny, Peter W. Redpath, Robt. S. White, M.P. R. Stanley, C. Bagg.

Some important works have been carried out with a view of increasing the efficiency of the administration. The chief amongst these has been the entire remodelling and restoring of the infectious wing. The arrangements at present are such that perfectly distinct and separate wards are provided for the treatment of Scarlatina, Diphtheria and Measles. Each department including male and female wards, kitchen, scullery, closet, baths, &c. Separate nurses are in charge of each department, and effectual isolation is carried out. A physician, Dr. Corson, a former Resident Medical officer, has been specially engaged to attend all patients in this wing, and thus relieve the attending physicians and assistant medical officers from these duties and to remove the risk of carrying infection into the general wards. In order to carry out these improvements, it was necessary to provide lodging for a number of new servants; and a roomy wooden structure was erected in the Hospital-yard for this purpose.

A system of Telephones has been introduced throughout the Hospital proper and the infectious wing. This has been found of great service in a variety of ways. To the patients with infectious diseases it is a special boon, as convalescents can converse with their friends without any fear of contagion.

A considerable sum—nearly \$1000, part of the surgical ward fund raised by a number of ladies at a bazaar held the previous year,—has been devoted to the purchase of an extensive out-fit of surgical instruments and appliances. This much needed addition to the apparatus of the Hospital has now placed that department in a very efficient condition.

The subject of amalgamation of this Institution with the Royal Victoria Hospital has received considerable attention during the year. A special meeting of the Governors was held on the 18th April last, to receive a report from the Committee of Management on this subject. This report said: "Every endeavor, therefore, ought to be made to bring about a fusion upon such equitable terms, as will secure to the Governors of the old Institution all reasonable rights and privileges, and at the same time perpetuate the name of the Montreal General Hospital and the good work it has carried on in the City of Montreal for nearly seventy years;" and suggested that six Governors should be elected to act with the Committee of Management in their endeavors to arrive at a finished settlement of the question. were elected to act in this capacity, viz., Messrs. Hon. G. A. Drummond, E. B. Greenshields, D. A. Watt, Jonathan Hodgson, W. C. McDonald and Richard White. This joint body has the matter in its hands, and expects soon to report the result of its own deliberations and its conferences with the authorities of the Royal Victoria Hospital.

No steps have been taken towards erecting buildings on the property belonging to the Hospital, it not being considered prudent to move further in this direction, pending a decision on the question of amalgamation with the Royal Victoria.

In the Kitchen department, a great improvement has been effected by doing away with a large and cumbersome range which was extravagant with fuel, and replacing it by a complete out-fit of copper kettles for all cooking purposes. These are heated by steam, are very satisfactory, and, it has been proved, also economical. The Laundry has been fitted up with new machinery worked by steam, and is now very effective and well managed. The main building having become so worn by age, a large amount of repairs—carpentry, painting, &c.—has been required, but no extensive or new work has been undertaken.

The Medical Superintendent, Dr. Kirkpatrick, has during the year administered the affairs of the Hospital faithfully and to the entire satisfaction of the Governors. The Resident Medical officers have been efficient and zealous, and, in all the departments, have served the Hospital faithfully and well. At times, their duties have been extremely onerous, owing to the crowded state of the wards and the illness of several of their members. The Lady Superintendent has conducted the nursing department with ability, and the nurses are kind, faithful and skillful. A special and experienced nurse has been detailed to assume entire charge of the operating theatre and the surgical instruments, and the new arrangement has given great satisfaction to the medical staff.

Dr. R. C. Kirkpatrick, the Medical Superintendent for the past year, has been re-appointed. The vacancies arising out of the termination of the year of office of Drs. W. G. Stewart, John A. Springle, and J. H. Bell, "Resident officers," have been filled by the election of Drs. W. G. England, G. G. Campbell, and W. A. Brown. The Medical Board having strongly urged the necessity of increasing the number of Resident Medical officers, two more

were added to those mentioned, viz., Drs. J. S. Booth and J. McG. Potts. The non-resident clinical assistants to serve alternately for six months in the out-door and gynæcological department are Drs. D. Low and H. N. McDonald.

The following gentlemen have acted as collectors in the different wards of the City during the year ; and to them the Governors feel much indebted for the valuable assistance they have thus rendered viz. : West Ward, Wm. T. Costigan, Theo. Lyman and John Taylor. Centre Ward, Wm. E. Cheese and John Beattie. East Ward, Walter Drake. St. James Ward, Wm. R. Salter. St. Mary's Ward, Edward Rennick. St. Louis Ward, Joseph C. Wray. St. Lawrence Ward, Wm. E. Chester and John. N. Fulton. St. Antoine Ward, Jas. Moore, E. E. Shelton, P. Nicholson, E. F. Ames and Jas. Linton. St. Ann's Ward, Wm. Masterman, and J. E. Kirkpatrick.

The printed report, in addition to the names of subscribers and donors of money, will contain a list of the many friends who have contributed in so many various other ways to the support of the Hospital and the comfort of the patients.

ANNUAL MEETING OF GOVERNORS.

The Annual Meeting of the Governors of the Montreal General Hospital was held on Thursday, 23rd May, 1889.

The Vice-President, Mr. John Stirling, occupied the chair, and read a letter from the President, Mr. Andrew Robertson, tendering his resignation on account of ill-health. It was moved by Mr. Stirling, seconded by Hon. A. W. Ogilvie, That the members of the corporation of the Montreal General Hospital have received with very great regret the resignation of the President, Mr. Andrew Robertson—a regret intensified by the cause which has rendered such a step necessary, his failing health. The members of the corporation desire to express their heartfelt appreciation of the devoted services rendered to the institution by Mr. Robertson, during the seventeen years in which he has filled the important offices of Treasurer, Vice-President, and President. The members of the corporation would further express their fervent hope that Mr. Robertson may be restored to full health and vigor, and that he may live long to befriend the Montreal General Hospital, and aid the management as he may with his good counsel and advice.

The chairman then appointed Messrs. D. A. Watt and Richard White, to act as scrutineers. The meeting then proceeded to elect officers for the year. On completion of the ballots, and announcement made of the results of the election.

The following resolutions were then severally submitted with appropriate remarks and unanimously passed:—

Mr. JONATHAN HODGSON moved, seconded by Mr. R. WHITE,

That the thanks of the Governors are due and are by this resolution tendered to the Committee of Management, for their administration of the affairs of the Hospital during the past year.

Mr. D. A. WATT moved, seconded by Dr. A. L. SMITH,

That the valuable services of the Medical Board during the past year deserve the thanks of the Governors, which are by this resolution presented to them.

Mr. THOS. DAVIDSON moved, seconded by Mr. GEO. SUMNER,

That the Governors, recognizing the importance of the services rendered to the Hospital by the several gentlemen who have, during the past year, called upon the citizens for their subscriptions, beg to tender them their warmest thanks.

Mr. T. D. HOOD moved, seconded by Mr. CHAS. GARTH,
That the Governors desire by this resolution to express their thanks to the
employees of the various mercantile and manufacturing establishments who have
subscribed to the support of the Institution during the past year.

Mr. R. WHITE moved, seconded by Mr. C. ALEXANDER,
That the Governors have much pleasure in conveying, by this resolution, their
thanks to the clergymen and congregations who have made collections for this
charity during the year just ended.

The meeting then adjourned.
