

SOLDIERS ARE MURDERED IN DUBLIN STREET

Five Killed and Eleven Wounded When Attacked by Armed Civilians.

CROWDS AT GATES WHEN IRISH DIE

Tank Kept Guard When Six Sinn Feiners Were Executed in Prison.

Dublin, Feb. 28.—At least five soldiers were killed and eleven wounded at 9 o'clock this evening in Cork when the yewer attacked by armed civilians, says a military communication issued tonight. The soldiers are declared to have been unarmed and walking along the street when the attack was made.

Scenes at Cork

Cork, Feb. 28.—Pathetic scenes were enacted outside the Victoria barracks, where the executions took place this evening of six Sinn Feiners found guilty of levying war against the Crown forces.

A great crowd assembled early, including a number of women, religious bodies, and the widow of the late Mayor MacCurtain, bearing the Sacred Heart and other emblems. A tank with guns prevented anyone from approaching nearer than fifty yards.

All Were Brave

At the stroke of eight there was a volley of rifle fire, then silence, and the watchers dropped on their knees, holding aloft the emblems and lighted candles, and recited the Libany for the dying. It was then thought all was over, and the people were about to disperse, when a second volley was heard and a similar scene was enacted, and then again a third volley.

The tank and soldiers withdrew, and the crowd slowly dispersed. Canon O'Sullivan, who attended the doomed men, said they went bravely to their death, "like schoolboys on a holiday."

BANK TELLER UNDER ARREST

Charged With Theft from Bank of Montreal Branch in Toronto Last Thursday.

Toronto, Feb. 28.—Edgar Brown, receiving teller in the head office of the Bank of Montreal here was arrested at 9 o'clock tonight on a charge of theft in connection with the robbery of the Bank of Montreal last Thursday morning, when \$11,200 in cash and \$10,000 in clearing house certificates mysteriously disappeared. Brown who is 27 years of age, was taken while at work in the bank. He is spending the night in the police station, and tomorrow morning will appear at the police court. The charge against Brown is that he stole \$21,400.

Customs Receipts Show A Decline

Drop in February is \$4,750,000 from Figures of Same Time One Year Ago.

Ottawa, Feb. 28.—A decrease in customs for February as compared with the same month of last year, receipts of more than \$4,750,000, are shown by the customs statement for February issued today. In the total customs and inland revenue receipts for the month there is a decrease of \$1,535,381, from February receipts of last year. Total receipts for the month ended tonight were \$13,776,483.93 as compared with \$15,311,864.70 for February, 1920.

Disputes Judgment In Mason Charge

Montreal, Feb. 28.—Judgment was reserved today in the court of review in the case in which Joseph Begin, editor of La Croix, is appealing from the judgment of Mr. Justice Martineau, rendered at St. Hyacinthe, condemning appellant to pay \$100 damages to T. D. Bouchard, mayor of St. Hyacinthe and former member of legislature for that division for publishing a statement in his newspaper that Bouchard was a Free Mason. Bouchard claimed \$999 damages.

HOTEL JANITOR RELEASED

Sydney, N. S., Feb. 28.—Wm. Devon, janitor of the Glace Bay Hotel, which was burned to the ground one night about a month ago has been released after being detained as a material witness in the fire investigation. Detective Kennedy, of Halifax, who conducted the last phase of the enquiry expressed his belief that the fire was accidental in its origin.

Favors Bigger Navy For United States

New Secretary for the Navy Declares One is Required Second to None in World.

Detroit, Feb. 28.—A United States navy, second to none, trained to the minute and equipped with the best material, will be the objective of Edwin Denby, newly appointed secretary of the navy, he said here today. The statement was made upon his return from St. Augustine, Fla., where he conferred with President-elect Harding.

AMENDMENT TO PRODUCE MORE LONG SPEECHES

Members Who Have Spoken on King Amendment May Speak on Campbell's Too.

PREMIER EXPECTED TO GIVE ADDRESS

Hon. Mr. Crerar Credited With Having Planned to Offer Such a Resolution.

Ottawa, Feb. 28.—Mr. J. A. Campbell, of Nelson, who was a Liberal Unionist, and is now a Cross-Bencher, today introduced a new element in the debate on the address by moving an amendment to the amendment. Mr. Nelson, like Mr. King and Mr. Crerar, wants an election, but he wants redistribution first. His proposal is that parliament vote supply and deal with other essential matters, adjourn while a census is being taken, meet again in the early fall and pass a redistribution measure and then deal with the election. The proposal is not entirely new. Mr. John W. Duxford has been advocating such a plan in Manitoba, and it is understood that Mr. Crerar came down to Ottawa with half a notion to move such an amendment himself, but changed his mind.

Starts More Talk

The amendment, however, will produce a new crop of talk. Members who have spoken on the King amendment can now speak on the Campbell amendment, and it is not unlikely that several, including the premier, will do so to advantage. Today's debate was by no means imposing. It began rather well with a good speech by Dr. Manion, whose prospects for a portfolio least addition, all interest to what he said, but rapidly degenerated into a monotonous procession of drab utterances of the orthodox partisan kind.

No Clue Yet In Yarmouth Murder

Inquest is Postponed Another Day to Give Officers A Chance to Investigate.

Yarmouth, N. S., Feb. 28.—The inquest into the tragic death of Captain George Henry Perry was resumed in the court house tonight. The witnesses heard were Mrs. Perry, the widow, recalled; Doctor C. A. Webster, who was summoned at the time Captain Perry was found; Doctors C. K. Fuller and A. H. Campbell, who today held an autopsy; Miss Eleanor Perry, the daughter; Mr. and Mrs. Milledge Nickerson, the ladies having spent Saturday evening at a neighbor's where Captain Perry had been until about ten o'clock, while her husband was at the G. W. Y. A. Hall, and Hattie Rose, Miss Eleanor's friend. It was brought out at the inquest that Captain Perry had been left lying in the yard half an hour before he was removed to the house. The doctors stated that his skull was fractured and that the wounds could not have been self-inflicted. The inquest was adjourned until tomorrow night.

Milk Drops Two Cents Per Quart

Distributors Make As Much Profit as the Farmers Who Produce the Milk is Claim.

Montreal, Feb. 28.—That milk distributors in this city make as much profit as the farmer who produces the milk, is the statement of W. L. Carr, secretary-treasurer of the Montreal Milk Producers' Association. This statement was made today in connection with the reduction in the price of two cents a quart operative as from tomorrow, March 1. The dealers have decided to pay 23 cents a gallon to producers in place of the former 27 cents, and have refused to discuss the reduction with the Milk Producers' Association.

EARLY STARTS BIG FACTOR IN FORD CONTEST

Those With Early Start Will Stand Best Chances of Winning Free Ford.

WILL BE GIVEN AS SPECIAL PRIZE

For the Best Work Done During Three Week Period Which Began Yesterday.

An early start is half the battle in a competition of any kind. And an early start will be an important factor in the special prize Ford car which is in vogue in The Standard's contest at the present time. A five-passenger Ford Touring Car is offered for the best work done during a three week period which began yesterday, Feb. 28, and which will end Saturday March 19th, at midnight.

An Assistance

To aid the contestants in getting an early start for the special Ford Touring Car, a bonus vote ballot good for 300,000 extra votes is being given for each and every \$50 worth of subscription raised during this week, up to 8 p.m. Saturday night, March 5th. The vote offer given above is for this week only. All votes and extra votes secured while working for the Special Prize Ford will count towards the big Studebaker, the Gray-Dort, the regular prize Ford, the Movie Star prizes and the other regular prizes which will be given away.

New Contestants

It is not too late to enroll in the contest. Everyone starts out equally for the special Ford. Work done previously in the contest does not count on the Ford Special. New contestants and those low in the list should get busy on the Ford without further delay.

AT THE IMPERIAL TODAY—All star cast in "A Beggar in Purple."

AT THE UNIQUE TODAY—Alice Joyce in "The Vice of Foots."

AT THE QUEEN SQUARE TODAY—Lucas Haff in "Dangerous Paradise."

AT THE OPERA HOUSE TODAY—High class vaudeville and feature pictures.

Two of the prizes to be given away in The Standard's big contest are opportunities to become Movie Stars with the Universal Film Company, Filmdom's largest and most important Moving Picture Company.

Spracklin Tells Church Glad All is Over

From Pulpit Thanks All Who Stood by Him in His Difficult Time.

Sarnia, Ont., Feb. 28.—Rev. J. O. L. Spracklin, acquitted at Sandwich last week of manslaughter, in connection with the death of Beverly Tremble, yesterday spent a few words in Devine street Methodist church. It was anniversary Sunday, and Rev. Dr. Chown, superintendent of the Methodist church in Ontario, was down to preach the sermon. In the morning he accented the pulpit with Mr. Spracklin, and when he concluded his sermon, he called upon Mr. Spracklin to say a few words. The Sandwich clergyman was brief. He said he was glad it was all over, and thanked those who stood by him in his trouble. It is supposed he came here to confer with Dr. Chown.

SOVIETS REBEL IN PETROGRAD?

Rips, Feb. 28.—Remors that the Soviet authorities in Petrograd, have been overthrown are in circulation in Moscow, says a report from the Russian capital received here today.

The workers in the Putiloff Iron Works are declared to have killed the entire communist shop committee. The tenth reserve regiment of the Red Army is reported to have revolted and later been sent to the Caucasus front.

Fierce fighting is said to have taken place on Vassily Island, which is declared to have been the centre of the revolt. Artillery and machine guns were sent there to suppress the disorders. The island was besieged by communist detachments for several days.

K. O. P. COLLECTION

H. C. Rankin, treasurer of the Protestant Orphans' Home, has received from the Knights of Pythias the large sum of \$640, the gross amount of the collection taken at their anniversary service in Main St. Baptist Church on Sunday, Feb. 28.

WORLD NEWS TODAY

CANADA

Registrar will give his decision in the Steeves case at Montreal, N. B., this morning. British member makes a second amendment to the speech from the throne demanding a census and a redistribution before general election. Daylight saving carried in St. John, N. B., by 1,310 majority. Chatham, N. B., Board of Trade decides in favor of the town manager system of government.

UNITED STATES

New secretary of the navy wants a bigger navy and modern equipment. Latest list of victims in the train wreck near Oshkosh contains 57 names.

THE BRITISH ISLES

Six Irishmen executed in Cork prison. Rumors that men who killed British officers in Dublin two months ago have paid excessive penalty also. Five British soldiers shot down in Dublin and eleven are wounded.

EUROPE

Reports current that a revolt has broken out in Petrograd against the Soviet rule.

TOWN MANAGER IS FAVORED BY CHATHAM BOARD

Committee Chosen to Lay New Scheme Before the Town Council.

BOARD OF TRADE HAS GOOD YEAR

Plans Much Work for Merchants to Do in Interests of Chatham.

Special to The Standard, Chatham, Feb. 28.—The regular monthly meeting of the Board of Trade was held in the Town Hall committee chamber this evening. E. W. Jarvis, manager of the Bank of Montreal, presided. Judging from the large attendance of members, the number of new members joining and the enthusiasm manifested in the discussion of the matter taken up, this organization which has been in a semi-dormant state for some time has taken a new lease of life and the indications are that under the direction of the present officers and council the Board will get results for the betterment of conditions in this community.

Sixty Members Now

The various matters brought before the meeting were given careful and businesslike consideration by the leading business men of the town present. The treasurer's report showed that over 60 citizens of the town had paid their 1921 membership fee and that there was a credit balance of nearly \$100 on hand.

The principal question brought before the meeting was the town manager system. President Jarvis submitted a large amount of data and gave considerable information regarding the origin, growth and success of the system over the council and commission plans. He showed that though only a few years had elapsed since its introduction over 300 towns and cities in Canada and the United States had adopted this form of civic government and not one had returned to its former system of management.

A general discussion of the merits and faults of the proposed change followed, and the resolution was carried almost unanimously. "It is in the opinion of this Board of Trade it is highly desirable that in carrying on the business of the town of Chatham, the system known as the town manager system shall be adopted at the earliest date possible."

"And, further resolved that a committee be appointed to interview the town council and with them investigate as to what is necessary to be done preparatory to the adoption of that system of town government."

Talk of Ferry Service

Among other matters considered was the ferry service between Chatham and Ferryville, the down river passenger and freight service, the placing of a Y on C. N. R. at Derby St., the removal of the public works department offices from Chatham to St. John, the inadequate passenger car service on the Newcastle-Loggieville route and the installation of a more up-to-date telephone service in Chatham.

FOUND MOTHER MURDERED

Newark, N. J., Feb. 28.—After finding the body of their mother in the kitchen, her throat cut, her head battered and her body hacked, Emmalee and Eleanor Wasky, 18 years old, twins, rushed into the parlor to find their father with a knife wound in his stomach. As they entered, the father, according to the police, declared: "I killed her; you can now kill me. It was all my fault; she was so tired."

THIRTY SEVEN BODIES TAKEN OUT OF WRECK

So Horribly Mutilated That Coroner Finds it Difficult to Decide on Exact Number.

FOUR CANADIANS AMONG THE VICTIMS

Towerman Claims Distant Block Was Set to Prevent Such An Accident.

Porter, Ind., Feb. 28.—A complete check-up by railroad officials and the coroner of the bodies in the Chatterbox wreck at 9 o'clock tonight revealed that there were not more than thirty-seven known dead in this Michigan Central-New York Central wreck last night.

The discrepancy between this count and the one of more than forty previously announced by Coroner H. O. Seipel, was found to be due to the mutilated condition of some of the dead. In some cases a body hardly mangled had been counted as two.

Some Canadians Killed

It was a diamond-shaped crossing, permitting the New York train, which struck as the other approached, to cross the intersection, to raise two Michigan Central cars instead of cutting them at right angles.

Several Canadians were among the victims, Canadians identified today were: J. Collins and wife, London, Ont.; Gordon Campbell, Rossford, O. C.; Peter Kane, Regina, Sask.

Bodies Under Engine

Bodies of Engineer Claude Johnson of Elkhardt, Ind., and Fireman George Deland of Elkhardt, engine crew of the New York Central train, were recovered from beneath the tangled mass of twisted Canadian, their cars being held by the impact.

Engineer W. F. Long of Jackson, Mich., and Fireman George Block of Michigan City, Ind., were able to save themselves, their engines were reduced by the impact.

Cook said at his home in Chatterbox early today, "I threw the distant block against the Michigan Central train. I threw the block two miles back from the crossing. I do not know why they failed to catch the signal."

The coroner said that he did think more dead would be taken out of the wreck, but that that was possible. The morgue was closed for the night at 9 p.m., and no further identifications will be made until tomorrow.

MARRIAGE IS ANNULLED

Montreal, Feb. 28.—Mr. Justice Brunet in the Superior Court this afternoon granted the petition of Dame Claire Clavins Cadeux de Courville, asking that her marriage to Rene Savoy be annulled on the ground that at the time of the ceremony her first husband was still living. She had married again last November in the belief that her first husband was dead.

Dismissed C. N. R. Man Not Re-Installed Yet

Toronto Employee Who Meddled in Politics and Was Discharged is Still Out.

Toronto, Feb. 28.—James Higgins, former C. N. R. employe, who forfeited his position to contest the Northeast Toronto Provincial by-election is still awaiting re-installment, as are Messrs. Moore and Palmer of Manitoba. A.H. Higgins, President D. B. Hanna said he knew nothing of the matter, that it was in the hands of Vice-president Hunsberger, in charge of operations, who has his instructions what to do.

SENATE ADOPTS FORDNEY BILL

Washington, Feb. 28.—The Senate late today approved the Fordney Emergency Tariff Bill as amended in conference with the House. The measure now goes to the President. The vote was 49 to 36. Eleven Democrats voted with the Republicans, while four Republicans were recorded against the measure.

Shoot Prisoners Who Kill British

Several of the Irish Who Murdered Officers Have Paid Penalty of Crime.

London, Feb. 28.—A number of prisoners court-martialed in connection with the assassination of fourteen British officers in Dublin on November 21 last, were executed this week, says a Central News Dispatch from Dublin today.

BETTER WAY TO SHIP POTATOES FROM ST. JOHN

T. W. Caldwell, M. P. Trying to Secure Better Facilities for Trade.

WANT DUTIES ON FERTILIZERS REMOVED

Claims it Makes \$15 Per Ton Difference to the Farmers of Province.

Ottawa, Feb. 28.—In an effort to bring about better conditions for agriculturalists who use commercial fertilizer and to remove the disparity between the United States and Canadian prices, which is stated at present to be in the neighborhood of \$15 per ton, T. W. Caldwell, M. P., for Carleton-Victoria, N. B., has taken up with the minister of customs the matter of abolishing the customs duty on this commodity.

The minister, it is stated, is in sympathy with the request of Mr. Caldwell, but the matter will have to come before the cabinet and some doubt is felt as to whether or not the action sought can be put through without prejudicing the Government's position of the tariff later. Mr. Caldwell has also taken up with the department of trade and commerce and with the department of marine, the need of better shipping facilities between the port of St. John, N. B. and Havana, Cuba, especially for potatoes.

Case of Potatoes

At the present time, Mr. Caldwell stated, potato shipments from New Brunswick to Cuba go via Boston, as there are no facilities for the handling of potatoes at St. John, and no regular sailings between that port and Cuba. Maritime shippers are therefore compelled to pay the freight charges all in United States funds, instead of in Canadian as would be the case with shipment from St. John.

Identical shippers, Mr. Caldwell stated, claim that if they had a good steamship service from St. John they could pay the farmer from \$1 to \$1.25 more for their potatoes than under the present conditions, and that there would also be an advantage to Canadian railways and steamship lines in having the extra freight to handle.

Suggests Committee To Study Waterways

Port Arthur Asks Government to Probe Great Lakes-St. Lawrence Route.

Ottawa, Feb. 28.—F. H. Keefer, (Port Arthur) has given notice that he will move in the Commons for the appointment of a special committee to investigate the benefits of a deep waterway between the Great Lakes and the sea by way of the St. Lawrence River.

Mr. Keefer asks that the committee have particular regard to benefits arising from both increased navigation facilities and the utilization of the hydro-electric energy of the St. Lawrence and that the special committee hold sessions in Ottawa or elsewhere during the recess and lay power to call persons, papers and records and report to the House.

Cock Fighting Not A Serious Crime

Ottawa, Feb. 28.—Recorder Deejardines of the city of Hull police court, does not consider "cock fighting" a very serious offence, according to a statement made today after he had imposed light fines on 36 residents of Hull caught in a cocking gain on Sunday afternoon.

"In view of the fact that Hull has been engaged in endeavoring to secure the Dempsey-Carpenter fight here, I do not see how I could treat this cock fight as a serious offence. It is sport just the same as the other fight," he said. "Albert Maroux, who conducted the main, was fined \$22 and costs, while thirty-five spectators were fined \$10 and \$2 as frequenters."

"The police when they raided the premises on Notre Dame avenue, found thirteen live roosters and eight dead ones. The live birds were ordered by the police to be sold for the benefit of a local charity."

New Department To Govern Middle East

London, Feb. 28.—The prime minister in the House of Commons set at rest a question which has caused considerable public discussion. It was whether Winston Spenser Churchill, secretary for the colonies, would in the future have charge of Egyptian affairs. The prime minister announced that the administration of Palestine, Mesopotamia, Aden and areas within the British sphere of influence would be transferred to the new middle east department of the colonial office after March 1. Egypt, the Sudan and the Hedjaz would remain under the foreign office.

SMALLPOX IN N. ONTARIO.

Englehart, Ont., Feb. 28.—D. W. B. George, North Bay district medical officer of health was in town today in connection with an outbreak of smallpox at Tomstown, east of here. About 150 patients have the disease, he said, but only one serious case is reported. There have been no deaths from smallpox in Temiskaming this winter, Dr. George stated.

WESTERN COAL ESSENTIAL.

Montreal, Feb. 28.—That Western coal is the guarantee of our national independence was the declaration made today at the Canadian Club luncheon by F. W. Gray, editor of the Canadian Mining Journal, who was speaking on "The Commercial and National Aspects of the Canadian Coal Supply."

CLARA STEEVES NOT CALLED; MAGISTRATE WILL GIVE HIS DECISION IN TRAGEDY TODAY

Provincial Analyst Finds No Trace of Poison in Burned Organs of the Bodies He Examined—Blood Stains Are Discovered But He is Unable to Swear That They Were of Human Origin.

Special to The Standard
Moncton, N. B., Feb. 25.—The preliminary hearing in the case of the King vs. O. G. Steeves charged with the murder of his wife and five children on the morning of February 19, came to a sudden conclusion this afternoon about 4:30 o'clock when the Crown prosecutor, Jas. C. Sherrin, announced to Magistrate John W. Gaskin, before whom the hearing has been conducted, that no more witnesses would be called.

The evidence of Miss Clara Steeves, daughter of the accused, who was arrested in Regina as a material witness on the information of her grandfather, Joseph Steeves, was not taken as was expected. Mr. Sherrin stated that as the counsel for the defence had been in conversation with her that day she did not wish to call her as a witness for the Crown.

Urged a Dismissal
After counsel for the defence, Jas. Friel, K.C., asked for the dismissal of the accused, Mr. Sherrin claimed that the circumstances of the case were of sufficient strength to warrant the sending of the accused up for trial. Magistrate Gaskin, after conferring with H. Lester Smith, clerk of the peace for Albert county, announced that he wanted to look carefully into the evidence and adjourned the hearing until nine o'clock Tuesday morning when a decision in the case will be given.

Crowd Bigger Than Ever
Owing to the fact that it was expected Clara Steeves would be called to give evidence during the day, the throng of spectators attending the hearing was much larger than on any previous day. Not only was the Union Hall, where the hearing was held, jammed to its utmost capacity, but several hundreds were unable to gain admittance to the hearing. The hearing was adjourned for lunch. Counsel for the Crown hinted that Clara Steeves would be called next, and asked that the evidence given by her be heard behind closed doors. Magistrate Gaskin concurred and announced that when the hearing was resumed at one o'clock, no one would be admitted.

Behind Closed Doors
This order was carried out, but after hearing further evidence of Curtis Steeves, son of the accused, who was recalled, Mr. Sherrin announced that the Crown would not place Clara Steeves on the stand. Mr. Friel urged that this witness be called owing to the fact that she had been arrested as a material witness. Mr. Sherrin contended that he had not had Clara Steeves arrested, the action being taken on the strength of a warrant sworn out by her grandfather, Joseph Steeves, of Moncton.

Magistrate Gaskin declined to call Clara Steeves on his own responsibility.

Analyst's Statement
Great interest was shown in the evidence of Dr. M. V. Padlock, Provincial Government analyst, who came from St. John to give evidence with regard to the condition of the vital organs of a number of the victims, and also regarding a small quantity of supposed dried blood found in the ruins. The witness swore the sample sent him was blood, but whether it was that of a human being or not he would not say. He was positive there was no trace of poison to be found in any of the organs submitted for his examination. Other witnesses called were Lawrence Ayles, Dr. R. L. Botsford, Chief of Police Hutchinson, Police Officer Mac-

Donald, and Constable Walter Chappell, so-called, who was with Mr. Drayton at the ruins of the fire. He noticed a patch about half the size of his hand and other small pieces around.

Pieces of Clothing
This was on a Thursday morning after the fire. He picked this up and gave it to Constable Dryden. This lay directly under the first body—that body supposed to be Mrs. Steeves. He found some clothing there and thought they bore the same stains. He gave the clothing to Mr. Drayton.

Provincial Constable Dryden told of the fire; of his being handed some stuff of a reddish color by Mr. Chappell. This he delivered to Chief Hutchinson. Since that time he looked over the site for other things. He observed other reddish earth at the site. A piece of mattress, he stated, is now in the hands of Chief Hutchinson.

Provincial Analyst
Provincial Analyst Myles V. Padlock of St. John, was the next witness. He stated that he got four jars and a small bottle from Dr. R. L. Botsford. He made an examination of the bottles—one marked organs of Mrs. Steeves, contained the heart and liver. He examined both organs, but found nothing there. He believed that after a body was heated no trace would be left as the result of death by certain poisonings. If death was from strychnine, blood in the heart would be all dark—something like death by drowning. He believed death was not due to morphine. In the case of the Steeves fire he stated he could not say that there was external effusion. As far as his examination went, there was no poisoning. In the other parcel he tested, that of the package of reddish earth sent him, he found this to be blood. He could not swear as to this being human blood.

Son's Sensational Story
In the afternoon Curtis Steeves was recalled by the Crown. He stated he heard his mother accuse his father of wrong relations with Clara. This, he said, was about two weeks before Christmas. His mother also accused his father of being too friendly with a Moncton girl. He heard his mother on one occasion state she would leave her father on account of his being too friendly with the girls mentioned. He heard Clara state once she would pack up. There was an argument about

two weeks before Christmas between his mother, he said, and Clara as the result of his mother's accusations. Clara, he said, left and went to his grandmother's. He stated his father told Clara it would be better to leave and if she had no money he would find a way to get it.

He alleged she accused told his mother he would cut her throat and watch the black blood run, and at another time, following a row, accused shook his fist in his mother's face, he said, and threatened to put her eyes out. At another time, the witness said, the accused sent some biscuits home with instructions to his mother not to put a tooth in them. His mother, he swore, at one time said to him (witness) that she would put it past Clara and his father to poison her.

Hated by Father
The witness stated he thought his father hated him. The witness told of his father hitting his mother one time while she was sitting in a rocking chair. His father, he said, at that time choked his mother. The little children heard the racket, witness said and cried. He heard no threats at or about that time. The accused, he alleged then went to the barn saying "he had a good mind to leave her so she couldn't get off the chair." About two weeks before the fire, the witness said, Clara ceased going home. To Mr. Friel the witness stated that the quarrels between his mother and the accused were not on account of women. Sometimes they were on account of booze. On the morning after the fire, the witness stated, he purchased a pair of trousers for his father. He could not say his father was drunk at the time he threatened to beat his mother's eyes out. At the time of the threat of his father to cut his mother's throat, the witness stated his father was drunk. On the Saturday previous to the fire, he said, he said, had made some cakes, puffs, etc. to take out to the restaurant. He believed that his father said he would send Clara to the States so as to stop Clara from fighting with his mother.

Mother Made Threats
He heard his mother at one time

threaten to burn the house down. He did not think she would, no more than his father. He heard his mother again threaten to take the children away from home. His father, he said, was good to him until recently. A fight arose over his not cutting wood on the accused's wood lot. His father was also cross at him for not bringing any money home. Sometimes, witness said, his mother could take care of herself. He saw her throw a stick of wood at the accused. He did not see her knock accused down and jump on him.

FLOODS IN HALIFAX
Halifax, N. S., Feb. 25.—A heavy wind and rain storm swept over the city tonight and the streets on the lower section of the city were turned into rivers of water. During the height of the storm there was one vivid flash of lightning and a crash of thunder.

FIFTY-FIFTY
The code at the central police station were kept on an even keel last night, with two drunks located in one suite and two protectionists in another.

Rare Presence of mind of the Anti-Prohibitionist —

Mrs. S. S. Burpee Is Dead At Edmundston

Edmundston, N. B., Feb. 25.—The death of Mrs. Janet Burpee, widow of Samuel S. Burpee, from pneumonia, took place at the home of Mr. and Mrs. Aaron Lawson, with whom she resided for several years. She was in her eighty-sixth year, and survived her husband about seven years. Until one week ago she enjoyed remarkably good health and had full control of her faculties and daily performed many household duties. On Thursday she was taken with a severe cold of her and death followed.

She is survived by two sons, Charles W. Burpee, McAdam Junction, N. B., and Samuel E. Burpee, of this place; and four daughters, Mrs. F. K. Holmes, Sanguville, Maine; Mrs. Tyler C. Burpee, Sheffield, N. B.; Mrs. Aaron Lawson and Mrs. Frank S. March, of this town. There are eleven grandchildren and five great-grandchildren. George Mitchell of Kenwick Ridge, N. B., and William Mitchell of Souris, Manitoba, are brothers, and Mrs. Mary Ann McKee, of Trip Settlement, N. B., and Mrs. Fannie Christy of Walker, Wisconsin, are surviving sisters. The late Hon. James Mitchell one time premier of the province, was a brother.

Mrs. Burpee was the eldest child of the late William Mitchell and was born at Scotch Settlement, York county. Her mother died in 1885 at the age of 93. She came to Edmundston in the year 1877 upon the completion of the New Brunswick Railway, her husband being the first station agent of the road here, retiring in the year 1888.

Liberal Party Chief Arrives from Ottawa to Consult With Local Leaders Regarding York-Sunbury

Fredericton, N. B., Feb. 25.—Andrew Hayden of Ottawa, general secretary of the Liberal party of Canada, arrived in the city of C. P. R. at noon today for a conference with the executive of the Liberal party of York-Sunbury in connection with the coming by-election in this constituency to fill the vacancy in parliament caused by the death of the late Col. Harry F. M. Loom.

Mr. Hayden was met upon arrival by Nelson W. Brown, candidate of the Liberals in the last general election, and was driven to the Queen Hotel. He will meet the executive when he is expected to express the wishes of the party's national organization and listen to what the local leaders of the party have to say. It is understood the visit of Mr. Hayden is the sequel to a message which was sent to Ottawa from here stating that the Liberal executive here were opposed to placing a Liberal candidate in the field in this by-election and preferred to have no action taken until the general elections take place.

HALIFAX APPLE SHIPMENTS
Halifax, N. S., Feb. 25.—Apple shipments from Halifax for February totaled 107,000 barrels. The shipments from this port this season so far total 536,606. This is double the quantity shipped last year.

Asking Information About N. B. Railways

T. W. Caldwell, M. P., Complains, Too, of Cutting off Fredericton-Centreville.

Ottawa, Feb. 25.—T. W. Caldwell, (Carleton-Victoria) is asking what guarantees the Dominion Government of the province of New Brunswick that there would be an adequate train service maintained on the St. John and Quebec Railway, when the Dominion entered an agreement with the Province to operate the road. Mr. Caldwell complains that the passenger service on the Fredericton-Centreville section has been cut to a tri-weekly service, which, he says, is altogether inadequate to accommodate the traffic.

OLIVEINE EMULSION

is back to the old price—**\$1 a bottle**

The pure drugs and oils used in preparing OLIVEINE EMULSION have been about the last commodities of trade to be affected by lower prices. For instance, the best Quinine comes from Peru, South America; and the highest grade Cod Liver Oil comes from the Lofoden Islands, off the coast of Norway. All the other ingredients are of the same high standard, and until now it has been impossible to lower the price of OLIVEINE EMULSION without lowering the quality. But just lately, prices have fallen, and we are now able to prepare OLIVEINE EMULSION according to the original prescription and sell it at the old price of \$1 a bottle. If you have a stubborn cough or cold that has bothered you for months—if you are not eating or sleeping well—if you are bothered with Nervousness, Dyspepsia or Indigestion—if the blood is thin and you are all run-down—get OLIVEINE EMULSION, the great health restorer. Now, only \$1 a bottle.

BEWARE OF BRONCHITIS.

Bronchitis is generally caused by affecting a cold, or exposure to wet and inclement weather. It begins with a tightness across the chest, difficulty in breathing, and a wheezing sound comes from the lungs. There is a raising of phlegm, especially the first thing in the morning. This is at first white, but later becomes a greenish or yellowish color and is occasionally streaked with blood. On the first sign of bronchitis you should check it immediately by using Dr. Wood's Norway Pine Syrup, thereby preventing it becoming chronic, and perhaps developing into some more serious lung trouble. Mrs. Bruce Culham, Sheffield, Ont., writes:—In December, 1918, I was very sick with bronchitis, and had to stay in the house all winter. One day I saw Dr. Wood's Norway Pine Syrup advertised, so I got a small bottle, which helped me very much. I then got a 6c size, and it completely relieved me. I cannot praise Dr. Wood's enough for what it did. Two of my neighbors are now using it for colds. Don't accept a substitute for Dr. Wood's Norway Pine Syrup; the genuine is put up in a yellow wrapper; three pine trees the trade mark, price 35c and 6c; manufactured only by The F. J. Johnson Co., Limited, Toronto, Ont.

EXPOSURE ACHES — RHEUMATIC PAINS

Sloan's Liniment, kept handy, takes the fight out of them. SLOSHING around in the wet and then—the dreaded rheumatic twinge! But not for long when Sloan's Liniment is put on the job! Pains, strains, sprains—how soon this old family friend penetrates without rubbing and helps drive 'em away! And how clean, too—no muck, no bother, no stained skin or clogged pores. Muscles limber up, lumbago, sciatica, neuralgia, backache are promptly relieved. Keep a bottle handy. Get one today if you've run out of Sloan's Liniment, it's so warming. All druggists—35c, 70c, \$1.40. The largest bottle holds six times as much as the smallest.

Sinn Feiners Are Executed At Cork

Appeal for Clemency from Cork Corporation is Refused and Six Are Shot.

Cork, Feb. 28.—Six Sinn Feiners held in the jail here, who had been found guilty of levying war against the Crown forces and were condemned to death, were duly executed by the military today. The men were shot in batches of two each at intervals of 15 minutes. An appeal for clemency had recently been made by the Cork corporation. The men executed were: Timothy McCarthy, Thomas O'Brien, Patrick Mahoney, John Lyons, Daniel Callaghan and John Allen.

Crime Paid For.

The first five were condemned early this month for an attack upon the Crown forces at Drisbeg, County Cork, in January. Allen, whose home was in Tipperary, was sentenced by court martial for possessing a revolver and ammunition. It was this sentence which the Sinn Fein bench confirmed on Feb. 24, in deciding that a state of war existed in Ireland, giving the military full power to act without interference by the civil courts.

The clemency appeal for the men was adopted by the corporation Saturday and sent to General Sir Neville Blore, commander of the troops in Ireland.

Sent To Workhouse, Preferred Sing Sing

Parole Snatcher Made Strong Plea to be Sent to Penitentiary—Judge Refused.

New York, Feb. 28.—The craving of Donald McFayden of 308 Eighth avenue for lodgment at Sing Sing prison went unattended, although Georgians Wolf of 27 Lowell street, Waterbury, Conn., pleaded with Magistrate Court in his name in Jefferson Market Court to send him there.

The complaint said that she was on a shopping trip here when McFayden stole her purse. As a result the shopping trip had to be abandoned temporarily and she became furious. McFayden nodded wisely when Sing Sing was mentioned.

"Send me there, Judge," he said. "They give you a piece of change and a new suit when you get out. Now, over on the island it's different. The last time they turned me out with only a straw hat." Assistant District Attorney Dirksen suggested McFayden might like it at the Ritz or the Waldorf, but Magistrate Rosenblatt made six months in the workhouse.

"If you get a straw hat when you leave this time don't kick," he said. "They'll be wearing them then." "All right if you say so," remarked McFayden, "but I'm going to get that suit of clothes from Sing Sing yet."

NEW BRUNSWICK WILL NOT HAVE CROSS BENCHES

Farmers, Labor and Independents Expected to Sit With Opposition.

CABINET IN SESSION ON HOUSE BUSINESS

Rumor Says Northumberland Four Will Sit on Government Side of House.

Special to The Standard. Fredericton, N. B., Feb. 28.—Word has been received by George Stack of this city, of the death of his sister Mrs. William Dalton of Lynn, Mass., while visiting in Toronto. She was taken with a paralytic stroke on Sunday last and never rallied, passing away on Friday. She was 60 years of age and is survived by her husband, two sons, George of Hartford, Conn., a marine engineer of the U. S. Navy, Arthur of Ohio, one daughter, Mrs. Jean Gordon of Lynn, Mass., three brothers, George Stack of this city, Thomas Stack of Kansas City, Missouri and Alex Stack of Acton.

Assets Are Small. At the meeting of the creditors of George B. Hawland, truckman, 44 Devon, which was called for today by Sheriff John B. Hawthorne, the assignee, did not materialize as representatives of only two of the creditors were present. The liabilities amount to upwards of \$2,300 including a bill of sale constituting a prior claim for \$425 held by the estate of the late H. J. Morgan, while the nominal assets are about \$1,200. Doubt was expressed this morning whether the creditors would receive more than 25 per cent of their claims.

Condition Very Critical. Word has been received here that William H. Rideout, formerly of Marysville, who was seriously injured some time ago by falling down a shaft in the paper mill at Rumford, Maine, is in a critical condition and that slight hopes are held for his recovery. His relatives have been summoned to his bedside.

Sir Douglas Hazen, Chief Justice of New Brunswick, is expected to preside at the sitting of the Chancery Court here tomorrow morning. The only case on the docket is that of Nelson et al vs Norton et al, a partition of lands in Carleton County.

Cabinet Meeting Called. The Provincial Government will begin its regular monthly meeting here Tuesday night and probably will be in session several days as this will be the last regular session before the opening of the session of the Legislature on Mar. 17 next. It is expected that the Government will meet again here in special session a few days before the opening.

H. C. Rutter, Sergeant-at-Arms of the House of Assembly said this morning that the opening arrangements of the new Legislature have not yet been completed. He said, however, that there would be no cross benches, the original arrangement of seats being adhered to. This will make it necessary for the Opposition and the third party led by A. C. Fawcett, M. L. A., including United Farmers, Laborites and Independents, to sit together on the Opposition side on the left of the Speaker.

Although there is no indication yet in the provision of seats where the members for Northumberland will sit, it is reported and the report is based

A. C. BILLMAN, of Indiana, As who says Tanlac is unquestionably the greatest medicine he ever heard of. "It put me back on my feet after I had practically given up all hope of ever being well again" he states.

"Tanlac is unquestionably the greatest medicine I ever heard of. After I had practically given up all hope of ever being well again, it put me back on my feet, and I feel one hundred per cent better than I have for twenty years. I have gained ten pounds in weight, and everyone says I don't look like the same person. I've been several months (suffered from a serious stomach disorder. I had no appetite and couldn't eat enough to keep up my strength. Very often when I went down to a meal I would leave the table without touching anything scarcely, as I could not bear the sight of food, much less eat it. I was losing in weight and my friends would often ask me: 'What is wrong with you? Why are you looking so thin?'"

"I also suffered terribly with pains across the small of my back and over my kidneys. It was almost impossible for me to get out of bed in the morning, as my back would pain me so I would almost fall over when I would first stand up in the morning. At night my back pained me so it was when I lay down for me to sleep I would lie first on one side and then on the other, and would roll and toss all night long. I had almost given up hope of getting well, but I was against me, as I had taken so many different kinds of medicine without result."

"My first bottle of Tanlac didn't help me much, but I made up my mind to give it a fair trial. After starting on the second bottle I began to feel better. My appetite returned and it just looked like I could hardly wait for meal time to come. In fact, I was hungry all the time. "My back and kidneys don't bother me any more and I can sleep like a log now. Tanlac has just simply made a new man of me, and any one living in this county can tell you the same thing, as everybody knows me and knows the shape I was in."

The above statement was made recently by A. C. Billman, of Legionaire, who resides in the town of St. John, New Brunswick, and is a well-known and highly-respected citizen of that county.

Tanlac is sold in St. John by Ross Drug Co., E. W. Munro and by T. H. Wilson, Fairville, N. B., and R. D. Wetmore, Perry's Point, N. B., under the personal direction of a special Tanlac representative.—Adv.

WEDDINGS.

Clarke - Winter. An interesting event took place yesterday at 12 o'clock in Trinity Church, when Miss May Winter, second daughter of the late Charles T. Winter, and Mrs. Winter, was married at Saint George's Church, formerly of the City of Montreal, now of Calgary. The ceremony was performed by the Rev. Canon R. A. Armstrong, in the presence of a few intimate friends. The wedding was noted on account of the death of the bride's father, William Gilchrist gave the bride away. She was attended by Miss Edith Nash, and the room was supplied by Henry Mercer. Mr. and Mrs. Clarke will reside in Calgary.

OBITUARY
 Michael Landers Dead. The death of Michael Landers, who had been ill only about one week, occurred yesterday morning. He was a well known resident of St. John and for many years had been in the city market, conducting a wholesale meat business there. He is survived by his wife, one son, Charles, of this city; one daughter, Mrs. J. P. McGregor, of Boston; a grandson, Eric, and a brother, Charles, of this city.

Maxim Thibodeau. In this city on Sunday, after a lingering illness, Maxim Thibodeau passed away in the seventy-fifth year of his age, leaving to mourn his wife, Mary, two daughters, two sons and one brother. The daughters are Mrs. Eddie White, of West Virginia, and Mrs. Thomas Woods of Everett, Mass. The sons are: Joseph of Nova Scotia, and George of the West Side. The funeral will be from his son's residence, 95 Union street, at the Church of Assumption on Tuesday morning at eight o'clock for high mass of requiem. Interment will be made in the Holy Cross cemetery.

William Stafford. The death of William Stafford, of Hampton Village, took place suddenly on February 24, as the result of paralysis. He is survived by his wife, one sister, five daughters and one son. The daughters are Mrs. William McLeod and Mrs. George Marr, of St. John, Mrs. Yeomans of St. Martins, Mrs. Frances Wallace of Waterford, and Mrs. Anita, nurse in the St. John County Hospital. The son is William Stafford. The burial took place at Sussex.

upon good authority that the four members for Northumberland will be seated upon the Government side of the Chamber and will vote with the Administration. The usual closing and other preparations for the Session will soon be under way at the Parliament buildings.

Many Attend Funeral Of Rev. J. C. Berrie

Public Service in Centenary Church—Citizens Pay Last Tribute of Respect.

Many of the friends of Rev. J. C. Berrie gathered in Centenary Church yesterday afternoon to pay their last tribute of love and respect to his memory. Notwithstanding the inclement weather the attendance was large, and men, women and children listened, many with tear dimmed eyes, to the eulogy of praise and appreciation of the venerable man who so lately took a prominent part in the church life of the city. A private service was conducted at the home, 69 Carleton street, at 2:15 o'clock, at which Rev. N. MacLaughlin officiated. Service in the church was in charge of Rev. D. St. Chown, president of the N. B. and P. E. I. Conference. It opened with the reading of "O Lord, Rest in the Lord, from Elijah," by the organist, Miss Alice Hea, following which a hymn, was sung, "When the Song of Praise Shall Cease." Prayer was offered by Rev. Robert Crisp, who is one of the four remaining members of the twelve clergymen who came to Canada at the same time as the deceased. Scripture reading followed by Rev. John Pinkerton, after which Mrs. George Lockhart rendered a solo, "Father to Thee We Look in All Our Sorrows," which was the favorite selection of the deceased. A brief address by Rev. D. R. Chown, president of the Conference, followed, in which he referred touchingly to the many fine qualities which had endeared Mr. Berrie to all his parishioners.

Rev. A. A. Goodwin paid an eloquent tribute to the worth and life of the deceased clergyman. Rev. A. Albert Moore, D. D., secretary of the General Conference, spoke briefly of his personal friendship with the deceased. He had met him twenty years ago and a warm friendship at once sprang up between them. Of recent years he had received many letters of encouragement and sympathy from him, and he felt that he had lost a valuable friend. He regarded deceased as a splendid example of a Christian gentleman, as well as a devoted minister of the Gospel.

Rev. E. E. Styles led in prayer, and the service closed with the singing of "Jesus, Thy Blood and Righteousness." As the funeral cortege passed out, Miss Hea rendered the Dead March in Saul. Many people followed the remains to their last place of rest in Foxhill.

In addition to the other relatives mentioned yesterday, Mr. Berrie is survived by one brother and three sisters in England. At the police court, Police Magistrate Ritchie made a reference to the loss sustained by the community by the death of Mr. Berrie.

IN TIMES LIKE THESE

A medicine that costs only 5 Cents A Day

or \$1.50 a month, should be thoughtfully considered. We know of only one that does this, namely, Hood's Sarsaparilla

which has a half century record of efficiency and worth. It creates an appetite, aids digestion, makes food taste good, purifies and vitalizes the blood, makes the weak strong, eliminates the poisons of eczema, scrofula, rheumatism, fortifies the body against infectious diseases, cures grip, influenza, etc. Hood's Sarsaparilla today. Hood's Pills are a fine laxative.

FINE MANY COMPANIES.

Montreal, Feb. 28.—A special session of the police magistrate's court was held today at which 35 charges against corporations and individuals carrying on business in the district of Montreal, brought by the bureau of statistics of the federal government in connection with failure to furnish data as required by law, were heard and a few of the defendants were condemned to pay fines of \$20 and costs with the option of a month in jail.

"They WORK while you sleep"

Take one or two Cascarets occasionally to keep your liver and bowels active. When bilious, constipated, headachy, unstrung or for a cold, upset stomach, or bad breath, nothing acts so nicely as Cascarets. Children love them too, 10, 25, 50 cents.

FOR WOMEN AMUSEMENTS

NOVA SCOTIAN SOLDIER SEEKS \$3,000,000 FARM

Lost in First Part of Action to Recover Valuable Farm Property.

G. W. V. A. TO HELP HIM IN FIGHT

Supreme Court of Nova Scotia is Ready Now to Re-open the Case.

Ottawa, Feb. 28.—Through the efforts of the Dominion Command of the G. W. V. A., D. Stanley MacNeil, a young Canadian Expeditionary Force soldier, now in Edmonton may come into some \$3,000,000 worth of property.

Before the war there existed in Montreal a contracting firm of Sparrow & MacNeil. The firm purchased for \$2,000 a farm at Island Point, Cape Breton, the MacNeil in the firm being an older brother, D. Stanley MacNeil. Under a family agreement the farm was to come into the possession of D. Stanley MacNeil when he was 21 years of age.

Before the war there existed in Montreal a contracting firm of Sparrow & MacNeil. The firm purchased for \$2,000 a farm at Island Point, Cape Breton, the MacNeil in the firm being an older brother, D. Stanley MacNeil. Under a family agreement the farm was to come into the possession of D. Stanley MacNeil when he was 21 years of age.

The war came on and the firm of Sparrow & MacNeil became insolvent. The farm having been purchased with firm money was seized by the administrator, F. W. Sharpe, of Montreal. But in the meantime a discovery of from ten to twelve million tons of gypsum had been made on the farm and experts stated that the farm was now worth about two and three quarters millions.

Easy to Mine. The gypsum was easily mined and close to transportation. The family tried to regain the farm. The case came before the Nova Scotia county courts who held that it was the property of D. Stanley MacNeil. An appeal by Sharpe was refused by the Nova Scotia Supreme Court, which reversed the County Court decision, giving the farm to the creditors. The Supreme Court of Canada upheld the Supreme Court of Nova Scotia. However, the G. W. V. A. took the matter up and this morning the Dominion Secretary, C. Grant MacNeil—who is no relation of the other MacNeil, filed an appeal with the Supreme Court of Nova Scotia was now prepared to reopen the case.

Favors Women in Political Arena

Montreal, Feb. 28.—Hon. Martin Burrell, ex-minister of agriculture and director of the Montreal Women's Club this afternoon on "Citizenship."

He said many men were deterred from entering politics by the candid criticism directed against public men and the vulgarity of politics. He thought the entry of women into the political arena would be a strong forcing force in the right direction.

NUXATED IRON Helps make rich red blood and revitalize weak nerves

YOU MAY BE A BETTER MAN AT 45, THAN THE YOUTH OF 25

If you keep your blood rich in iron you give you plenty of "stay there" strength and endurance.

In an account of a severe mountain climbing test, a New York newspaper states that 20 per cent. of those who accomplished the feat were 44 years and over. It is therefore shown that you may be a better man at 45 than the husky strapping of 25 if you take care of yourself and keep your blood filled with iron. Prize fighters, wrestlers and athletes have learned the value of plenty of plain coarse foods in their training as such a diet helps supply their blood with iron. Nature puts plenty of iron in the husks of grains and the roots of vegetables to enrich your blood, but modern methods of cooking throw all these things away hence the alarming increase in recent years in Anemia—iron starvation of the blood, with its devastating weakness, nervousness and other attendant ills. If you are not strong and well, if you lack bodily and mental vigor, do not wait until you go all to pieces and collapse in a state of nervous prostration or until you contract some serious disease, but take some orange from the NUXATED IRON at once to help enrich your blood and revitalize your worn-out exhausted nerves.

Orange Nuxated Iron is like the iron in your blood and like the iron in spinach, lentils and apples. It will not injure the teeth nor disturb the stomach. You can even eat it if you wish. It often increases your bodily and mental vigor in two weeks time. Your money will be refunded by the manufacturer if you do not obtain satisfactory results. Beware of substitutes. Look for the word "Nuxated" on every package and the letters N. I. on every tablet. At all druggists.

STOPPED HER HEADACHES

Years of Suffering Ended By "Fruit-a-tives."

112 Essex St., St. John, N.B.

"It is with pleasure that I write to tell you of the great benefit I recently derived from the use of your medicine 'Fruit-a-tives,' made from fruit juices. I was a great sufferer for many years from Nervous Headaches and Constipation. I tried everything, consulted doctors, but nothing seemed to help me until I tried 'Fruit-a-tives.' After taking several boxes, I was completely relieved of these troubles and have been unusually well ever since." Miss ANNIE WARD.

50c a box, 4 for \$2.50, trial size, 25c. At all dealers or sent postpaid by Fruit-a-tives, Limited, Ottawa.

Liquor Case In The Police Court

Preliminary Hearing on Charge of Theft Against Pelky.

William H. McAndrews pleaded not guilty to having liquor in his possession unlawfully in his beer-shop, 20 Bond Street, when the case was taken up in the police court yesterday afternoon.

Sub-inspector Semset Jernegan, the first witness called by the prosecution, stated that he searched the shop of the accused at 11 o'clock Saturday morning, accompanied by Inspector Collins. Nothing was found in the shop but on entering the woodshed attached to it he remarked an empty square face lying on a shelf. On investigation he discovered that a brand about the bottle was loose, and on prying it open found five bottles of malt whisky, six gin, four Scotch, a bottle of ginger beer and a can of alcohol. On one of the bottles perched an egg cup. It was wet and smeared with gin. The pieces of several gin cases marked John H. Kuyper had been broken up and lay about the shed. Witness stated he had searched the premises since it had been acquired by the accused, but he was unable to find any liquor before.

After the liquor was found the defendant was notified to appear in court.

Questioned by J. B. Dever for the defence, the witness stated that the liquor had been between the walls of the defendant's woodshed and a house owned by Mr. Sims, now out of repair and vacant. No charge had been preferred against Sims by the inspector, and he did not know of the police ever having raided his premises. On being more closely questioned by the prosecution the witness said that in his opinion he would say the liquor had been found on the Sims property.

In answer to W. M. Ryan for the prosecution witness said he did not know whether Sims was the owner of the property occupied by McAndrews or not. When he questioned McAndrews as to the liquor the defendant replied that he knew nothing about it. The case was adjourned until this morning at 11 o'clock. The defendant was granted his liberty on a deposit of \$200.

Preliminary Hearing The preliminary hearing of Arthur and Emma Pelky charged with the theft of bedding and clothing from Arthur Adams, Dorchester street was resumed. Detective Biddesscombe stated that after the theft was reported he found the bedding described by the complainant in Gilbert's second hand store on Hill street. The Pelkys were arrested by the Portland, Me., police at the request of the St. John chief, and witness was sent to bring the two back to the city for trial.

He arrived in Portland on Saturday and found the accused under detention. After some hesitation they consented to waive extradition, and accompanied witness back to St. John. Mrs. Pelky was wearing a leather coat in Portland similar to that described by Mr. Adams as having been stolen from him, and witness took it from her. On the train she complained of being cold and asked if she might use it as a wrap and was allowed to do so.

Lost a Coat During the trip she visited the laboratory and was gone for a considerable time. The detective kept an eye on the door and knowing her whereabouts did not molest her. On returning to her seat some time later, she remarked that she had been locked in by the conductor. Witness knew this was not the case. His suspicions having been aroused he interviewed the conductor, who searched the lavatory but found nothing. On nearing the city Mrs. Pelky stated she had lost the coat and the detective corroborated her saying that she had thrown it off the train.

J. Starr Hall cross-examined witness for the defence and the case was set over until this morning at 11 o'clock.

Other Cases A case against Captain O. O'Brien, of the S.S. Tanja, charged with dumping rubbish into the harbor was allowed to stand till today.

Pasquale Fotino, charged with damaging a scale in restaurant owned by Louis Pannette, pleaded guilty. The case is adjourned till today.

White in the shop, being entered and wanted a cigar. On being told by Pannette that he had no permit to sell on Sunday, smashed the scale. He also struck the owner and his wife. The accused was sent below on refusal to pay fine.

Percy Laird and two juveniles charged with trespass and stealing coal, pleaded guilty. They were remanded till their fathers could be called.

Two men charged with fighting in the United Cafe were fined seven and one half dollars for property destroyed in the scuffle.

MRS. SOLOMON SAYS:

By HELEN ROWLAND (Copyright, 1920, by The Wheeler Syndicate, Inc.) Being the Confessions of the Seventh-Hundredth Wife.

My daughter, who is the most dangerous of men! For, lo, not all the VAMPS wear long earrings, and not all the hypocrites a permanent wave. And there are seven deadly varieties of masculine-vamps, of which I charge thee, beware!

Behold, there is the "Devotion." He is SO impetuous. He takes thee by surprise. He smothereth thee in his arms and smother thee without warning. He graspeth thee to his bosom, with much fervor. He is an "overcome" by thy beauty.

But, be not deceived; for he is easily put down. And his exit is faster than a blue Law Sunday. And there is the "Subtle-Vamp." He playeth the "distant," and the "reserved." He steeleth away, and talketh of love—in the ABSTRACT. He toucheth unseemly things, and toucheth but the tips of thy fingers.

For he believeth in his heart, that no man need pursue a woman, if he be wise enough to make her pursue HIM. And there is the "Impressionist." He playeth the frankly devoted. He doeth the "thoughtful" thing. He holdeth the umbrella over thee, protectingly. He kneedeth to put on thy rubber. He carryeth thy handkerchief over his heart, with much ostentation. The look of adoration is always in his eye; the "I'll take-care-of-you-thing" is done each morning with his linen collar.

He LOVETH his own acting! He "starreth" himself, continuously. And there is the "Chummy-Vamp." He smothereth thee with dreams of yachts and motor-cars, and sables. He toucheth thee to play golf—and to swim—and to fox-trot.

He saith "How foolish are the romanticists! But for me, my motives are altruistic. And mental companionship is all that I desire!" Yet, I charge thee, trust him not, in a dim corner on a moonlight night. For there cometh, always, "a time WHEN—" And there is the "Appealing Vamp." He "suffereth" from soul-sickness and yearneth for sympathy. He telleth thee his "troubles" and sigheth to be consoled. He permitteth thee to comfort him—and to hold his hand. He calleth upon thee to "mother" him—and to smooth his forehead.

And there is the "Spurious-Artist." He talketh in "big figures," and dazzleth thee with dreams of yachts and motor-cars, and sables. He toucheth thee to be called a "Spender," and desireth to shine in a restaurant. He knoweth the French names of all the dishes. He would have to pawn his dinner-plate. But the Vamp-of-Vamps is the Romanticist.

He doeth the "Prize Charming," and talketh in fairy-tales and in poetry. He maketh thee to see stars. His murmureth of love in a Greenwich Village attic, with kisses for phylaxium, and wine-o'-dreams. Lo, he is, unto all the others, as champagne unto home-brew!

Verily, verily, every masculine vamp hath a "method," and a particular stunt; and that stunt which he upon every damsel, in turn. And each woman shall say in her heart, "Lo, I am IT!" And, unless she be wise, she shall "fall for him!" Behold.

For real "honest to goodness" value you will use Red Rose Tea. The same good tea to-day as for over 26 years.

League Answers U. S. Note About Mandates

Expected to be Handed to Ambassador at Paris Some Time Today.

Paris, Feb. 28.—The Council of the League of Nations this afternoon decided on the terms of the reply which is to be made to the note of the United States Government, concerning mandates.

The reply will not be finally approved until tomorrow morning, and it probably will be handed to United States Ambassador Wallace some time during the day. Until a pertinent time has elapsed for the note to be delivered to the State Department at Washington.

Welfare Worker To Visit In Canada

Lady Stout of New Zealand Interested in Better Conditions for Women.

It will be interesting news for welfare workers to learn and know that next May Lady Stout of New Zealand, who has been president of the Society for the Protection of Women and Children for twenty-three years, and vice-president of the Wellington Branch of the National Council of Women, will visit Canada. She will accompany her husband, Sir Robert Stout, Chief Justice of New Zealand, and chancellor of New Zealand University. They are to be guests in the States of Dr. Starr Jordan, of the Leland Stanford University, at Palo Alto, California.

New Zealand has for years been hailed as world leader in the fight for a law which would make a woman a lady. It is a very public-spirited woman.

Milk Macaroni With Broiled Tomatoes. Half package milk macaroni, one can of half tablespoon butter, two ounces cheese, three tomatoes, three tablespoons buttered crumbs, salt and pepper.

Cook milk macaroni in boiling salted water until tender. Drain, add butter and grated cheese. Cut tomatoes in half, season with salt and pepper; cover with buttered crumbs. Boil for ten minutes. Serve with milk macaroni.

Municipal Chapter L.O.D.E. In Session

Nine Primary Chapters Contributing Towards Kindergarten Teacher's Salary.

It was stated at the regular monthly meeting of the Municipal Chapter L. O. D. E. held yesterday afternoon in the Government rooms, Prince William street, that nine of the Primary Chapters are now contributing towards the salary of a kindergarten teacher at the East St. John County Hospital.

The secretary was requested to convey the good wishes of the Municipal Chapter to the newly organized Fundy Chapter.

GIVEN A SOFA. Sussex, N. B., Feb. 28.—Friends of F. W. Wallace, veteran funeral director and editor of the Funeral Director's Journal of the Maritime Provinces, called on him at his office on Friday night, where pleasant hours were spent in social intercourse. During the evening an address was read by George B. Jones, M. L. A., and Mr. Wallace was made the recipient of a handsomely upholstered sofa.

When the liver becomes torpid and inflamed, it cannot furnish sufficient bile to the bowels, thus causing them to become constipated.

The stomach is also affected. In the case of heartburn there is a gnawing and burning pain in the stomach, attended by disturbed appetite, caused by great acidity. Whenever too much food is taken, it is liable to ferment, and become extremely sour, vomiting often occurs; and what is thrown up, is sour and sometimes bitter.

Other liver trouble symptoms are pain under the right shoulder, yellowing of the skin and eyes, floating specks before the eyes, coated tongue, bad taste in the morning, foul breath, water brash, jaundice, constipation, etc.

Keep your liver active by using Milburn's Lax-Liver Pills and you will have no heartburn or other liver troubles. Being purely vegetable they do not grip, weaken or sicken like the old-fashioned purgatives generally used.

Mrs. Mary Strom, Glamevin, Sask., writes: "I have used Milburn's Lax-Liver Pills, and they have cleared me of heartburn and liver trouble. I don't think they can be beaten by any other medicine, and I can highly recommend them."

Price 25c a vial at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Use Headlock Or Retire, Says L

In Upholding Hold He F to "Kindergarten" V

Following Feb. 27.—"Certain and my title against any 'the world,'" declared Dr. (St. John's, heavy-weight champion, in his address to the press.

"But please understand that Lewis' known knock: 'I'll headlock in all 415 bouts. My boy near any one else can't do it," said the champion.

"I have never professional Gwynn or Fletcher's editors, and my's column in 'The words of death' as a punishment."

"I threw men with the 'I don't simply tortured them as well as the boys."

"No, sir, I'll wrestle with a hook or retire and take the championship title, and those little sweeties can play their game to their hearts' content."

South End Rink Closed For Season

If Weather is Favorable Ice Good Races Will Held on Lily Lake

The South End open air rink closed last night for the season had been the intention of White to finish a race prior to the closing of the rink.

The plan from being carried out if all is favorable next afternoon Mr. White intends the race on Lily Lake, and include three mile, half mile as some other races. Charles Frank Gannett, Hilton Bell and other stars will be on hand that is wanted in line with good ice to attract a large crowd.

THE STANDARD'S SPORTING SECTION

Use Headlock Or Retire, Says Lewis

In Upholding Hold He Refers to "Kindergarten" Wrestlers and "Parker Rules"

February 28.—"Certainly I'll use my title against any wrestler in the world," declared Ed (Strangler) Lewis, heavyweight champion, here tonight.

"But please understand that," and Lewis's brow knotted: "I'll use the headlock in all 210-pound bouts, just carry over any one else carry a decision against that hold. It's a legitimate wrestling hold, and simply because I've specialized in it and made it an effective weapon as well as a defensive shield they are trying to bar me.

"No one ever professional Gosh's too hold of Lewis's shoulders, and Strangler's shoulders is far worse than any headlock as a punishment.

"I show men with the headlock, Gosh simply tortured them until they quit with the two holds.

"No, sir, I'll wrestle with the headlock or retire and take the championship with me, and those kindergarten wrestlers can play their game according to park rules if they care to."

Basketball At Y.M.C.A. Tonight

City League Winds up Season at Y. M. C. A. With Three Games.

The City Basketball League will wind up their games on the Y. M. C. A. floor tonight with the following teams taking part:

The Senators will be the first game on the program, Alerts vs. Y. M. C. I. at 7:30.

German street English will play St. John's at 8:30, and High School vs. Orioles at 8:30. This will wind up the games as far as Y. M. C. A. floor is concerned and a great deal of interest is centered around the date of the Intermediate series, and the probability is that High School, Y. M. C. A. and Y. M. C. I. will finish in a three-cornered tie.

The Y. M. C. A. Intermediates were defeated by the High School Sharks in a preliminary to the Wanderers' game last Saturday night. Fresh with their success, the Sharks have made a challenge to the winning team of the Intermediate League. If this game is pulled off, it should prove an interesting one.

Chatham Was Again Victorious

Defeated Sackville Team Last Night by a Score of Seven to Two

Speech to The Standard.

Chatham, Feb. 28.—Chatham's victory added another game to their long string of victories at the College rink here tonight. Defeating Sackville members of the Western League by the score of seven to two. The ice was in fairly good condition and good, fast, clean hockey was witnessed throughout.

During the entire game Father Spratt played his usual fast game, being "Johnny on the spot," whenever needed and with McMahon and Keough on the wings in good condition some fine combinations were in evidence.

Povler for Sackville played a star game, while Tracy in the nets kicked out all the possible shots. Currie and Crisp on the Chatham side put up a fine exhibition of hockey.

The line-up:

Chatham	Goal	Sackville
Carroll	Defence	Tracy
Currie	Centre	Amos
R. Crisp	Left Wing	Copp
Spratt	Right Wing	Povler
McMahon	Naal	
Sparrow-Mills, McAllister, Gilliver, Legere, D. Martin, D. Crisp, Scott.		

The score by periods resulted as follows:

First Period—Chatham 4; Sackville 1. Second Period—Chatham 4; Sackville 0. Third Period—Chatham 3; Sackville 1.

Penalties.—Chatham 5 minutes; Sackville five minutes. Referee, T. Gilbert.

City Wrestling Tournament

Interesting List of Entries for Bout to be Held at Y. M. C. A. Tomorrow Evening.

All arrangements are completed for the opening of the City Wrestling Tournament to be held at the Y. M. C. A. on Wednesday evening at eight o'clock. There is an interesting list of entries, including championship title-holders in all branches from 110 to 165 pounds, which will assure some fine bouts.

A group of local boys are in hard training for the opening provincial championship to be held in Fredericton early in April. These boys will compete in the bouts on Wednesday.

Good class matches with scroll design, "wrestling" classes, are now on exhibition in the King street windows of Ferguson & Page. First and second prizes will be given in every class where there are four or more entries and a first prize will be given for entries under four. Walker O'Toole, local veterinarian, will act as referee. There is a limited number of ringside seats still to be had.

Athletics In West St. John

Enthusiasm and Satisfaction Shown at Meeting of St. George's Athletic Club.

Enthusiasm and satisfaction over several prospects of good showing in athletics was displayed at the last meeting of the St. George's Athletic Club held last night. Leonard J. Maxwell presiding. The report of the Carnival Committee was most satisfactory as it was stated that a successful carnival had been held on the West End rink and that a good balance reported in the bank after all bills had been paid. The Boxing Committee reported that the class is making good progress under the instruction of William Bohare. The club will have four entries in the Maritime Championships to be held at the Y. M. C. A. in the near future. Horace Bedford, R. Mahony, A. Roman and Harold Givell. The Wrestling Committee stated that H. Perry and R. Mahony will enter in the City Championship to be held at the Y. M. C. A. this week.

The Volley ball Committee stated that three teams had been formed and a number of good games played.

A strong committee was formed to organize an intermediate base ball team as the club and they are determined to use every effort to have a fine team.

Athletes Get Ready For Meet

Much Activity at Y. M. C. I. "Gym" for Physical Demonstrations to be Given.

An unrecited activity is apparent in the Y. M. C. I. gymnasium, both in the afternoon and evening of late. Squads of athletes may be seen going through their paces in preparation for a big physical demonstration to be given about the middle of April.

All the "gym" classes have been filled to capacity this winter, and under the capable and inspiring direction of their physical instructor, W. K. Stirling, both the junior and senior classes, whether boys or girls, have made much progress in the science of physical culture. The big demonstration should prove well worth watching, and the Y. M. C. I. squads means to do all in their power to give a good exhibition of the work their winter programme has accomplished.

BOHSPEL POSTPONED

On account of the weather it was impossible to hold the Bohspel planned by the St. Andrew's Luther-Caring Club. Matches will be played on the first cold day.

South End Rink Closed For Season

If Weather is Favorable and Ice Good Races Will be Held on Lily Lake Saturday

The South End open air rink was closed last night for the season. It had been the intention of Frank White to finish a race programme last evening but weather prevented the plans from being carried through.

If all is favorable next Saturday afternoon Mr. White intends to hold the races on Lily Lake, and the events include three mile, half mile as well as some other races. Charles Gorman, Frank Gamett, Hilton Bejaya and other stars will be on hand and all that is wanted is fine weather and good ice to attract a large crowd.

Carpenter And Dempsey July 2

Tex Rickard Takes Over Brady and Cochran Interests—Location Not Selected

New York, Feb. 28.—Tex Rickard, boxing promoter, today took over the interests of Wm. A. Brady, of New York and Charles R. Cochran, of London, in the world's heavyweight championship match between Jack Dempsey and Georges Carpentier which the three promoters originally agreed last November to stage in 1921.

At the same time that Rickard handed to Brady, Cochran's New York representative, a check for \$66,666.66, representing Brady's and Cochran's share of the \$100,000 posted by the promoters on signing the papers, he announced officially that the match would be held Saturday, July 2.

Rickard announced, however, that the location for the bout which was to have been made known tomorrow, had not yet been selected, and that he had asked the two boxers for a thirty days' extension.

Rickard's action today in taking over the other promoters' interests followed a controversy over the question of whether all parties to the contract had posted forfeits. This controversy subsequently gave way to the question of whether Brady and Cochran desired to go through with the deal, and Rickard's announcement that he stood ready to relieve them of their obligations if they so desired.

Canadiens After The League Title

St. Patricks of Toronto Were Whitewashed at Montreal, Canadiens Scoring 4 Goals.

Montreal, Feb. 28.—By whitewashing St. Patrick's of Toronto in the National Hockey League fixture here tonight, four to nothing, Canadiens have rather better than an even chance of securing the league title and representing the eastern circuit in the Stanley Cup series. Ottawa Senators, losing their fifth straight game Saturday night, by a score of 1 to 0, and appearing to have slipped so far from the form of the early season that they will apparently offer but nominal opposition in the play-off to the team which secures the vacant half, particularly now that that team is the Canadiens.

The game was one of the most brilliant exhibited in the history of hockey in Montreal this season. Canadiens had a distinct edge on their opponents throughout the play. They led at the end of the first period, 2 to 0, and at the end of the second by 3 to 0. The game was played over a heavy sheet of ice that made it difficult for the players to control the puck. The goalkeepers both played brilliant hockey by their efforts. St. Pat's were short of substitutes, while the team was almost without the services of Desnoy.

Military Camps Are Assured This Season

Col. A. J. Markham Returns from Annual Convention of Canadian Cavalry Assn.

Col. A. J. Markham of the 8th Princess Louise Hussars returned to the city yesterday after attending the first annual convention at Ottawa of the Canadian Cavalry Association held since the war.

Strong Attendance.

Col. Markham states that the convention was marked by a strong attendance of cavalrymen from one end of the Dominion to the other, and that much enthusiasm prevailed all being of the opinion that this branch of the service was about to enter a new era of development. The fact that the pay being offered troopers will be double that of pre-war days is well felt and is a great boost to cavalry training.

Sir Hugh Guthrie, Minister of Militia, was elected honorary president of the association and Brig. General Patterson of Winnipeg, president. The other officers elected were, Lt. Col. Munroe, Prince George; Dragon Guards, Ottawa; secretary, Lt. Col. Courtney, P.E.I.D.G.; Ottawa, treasurer.

Military Districts.

It was decided to divide the association into geographical or military districts by sub-associations consisting of a vice-president and secretary each district to elect a representative to attend the annual meeting to be held in Ottawa, Nov. 18, 1921.

Nearly every one of the 23 cavalry units in Canada were represented at the recent Ottawa meeting, the most successful in the history of the association. All the different representatives were optimistic in regards to future training, in view of the fact that the pre-war scale of pay is to be doubled, a schedule having been worked out to apply to all ranks, with a special extra allowance for returned men.

Allowance For Horses.

The allowance for horses is to be increased from one to two dollars per diem. Col. Moss of Ontario an expert horseman has been working on the recent question and arrangements are suggested for placing in Districts the best stations to raise good general service and saddle horses.

The Camps.

It is assumed that camps will be held, the date to be determined by the D. O. C. Military Districts to suit local conditions. The Cavalry of N. B. will probably go for training about the 22nd of June next.

The senior officers of the regular Canadian army were in attendance at the meeting including Major General J. H. MacBrien, Chief of General Staff, General Bursfield, Inspector General, Brig. General Macdonnell, M. D. No. 7; Brig. Gen. Theacker, M. D. No. 6; Brig. Gen. Williams, M. D. No. 2.

Quite recently.

L. A. Conlon appeared for the prosecution. The accused was remanded.

Hamilton Sprung Surprise On Ottawa

Senators Lost Professional Game at Hamilton by Score of Five to Two.

Hamilton, Ont., Feb. 28.—Hamilton professional defeated Ottawa for the first time this season here tonight, the score being Hamilton 5, Ottawa 2.

The Hamilton team was always beat except for a draw in the second period. The Ottawa showed flashes of the form which won them the championship of the first series. The game proved costly to Hamilton, despite the victory, for just before the game closed Joe Matte was hit in the leg by the puck while stopping a shot and his leg was broken.

DETECTIVE POWERS TO GIVE EVIDENCE

Will Appear Today in Dorchester Court in Mail Robbery Case.

Sergeant Detective Powers is leaving on the 7:10 train for Dorchester this morning where he will give evidence in the case of Gordon Reid, charged with theft from His Majesty's Mail at the Moncton post office.

Reid was recognized on the train by Post Office Inspector Woods, who had him arrested and lodged in the local lock-up, from where he was later taken to Moncton for preliminary examination.

There have been a number of implications in the Moncton post office robbery. The first man arrested, though a married man with a large family, was given a prison sentence, one of the younger single men has been acquitted, Reid and Dow, along with several others are yet to be tried. The majority of the thefts are alleged to have been in connection with mail orders from the T. Eaton branch at Moncton.

Local Bowling

INDUSTRIAL LEAGUE.

In the Industrial League McAVITY's won four points from the Nashuank Paper Co. Individual scores follow:

McAvity	101	95	107	299	97.25

Poland Champion Won From Peters

New York, Feb. 28.—Stanislaw Zbynski, of Poland, defeated Charles Peters, of Nebraska, in a catch-as-catch-can wrestling match here tonight in 48 minutes and 54 seconds. Zbynski was announced to meet Joe Stecher here on March 14 in a finish match.

Zbynski won with a combination of hold, head, shoulders and wrist lock. Peters displayed agility and had a good attack and defence. He broke many of Zbynski's holds and was top man several times. The experienced veteran finally wore down the Westerner.

Don't Keep The Bride Waiting

"It doesn't do to keep the bride waiting, even if it is some one else's bride," seems to have been the motive that inspired James Vermer who was before the police magistrate yesterday charged with assault by his wife Josephine.

Mrs. Vermer was present to present her side of the case and did so most eloquently. She stated that she lived with her mother at 378 Brussels street and that on Jan. 29th her husband came in about 9 p. m. and insisted on her going to a wedding with him. She took about ten minutes to get ready which tended to annoy her spouse. He admonished her to accelerate her actions with a few pet words of a particularly naughty vocabulary, and then gave her a love tap over the head, and chased her down the stairs. The complainant then called the police and had him ejected and advised him to stay away from the premises altogether. Shortly afterwards she learned he had departed for the lumber woods. His return to the city occurred quite recently.

L. A. Conlon appeared for the prosecution. The accused was remanded.

CRICKET CLUB MAY BE FORMED

In answer to a letter published in the newspaper asking those interested in the good old game of cricket to apply to the secretary of the Old County Club, F. S. G. Horse is receiving a number of letters from players who are anxious once more to handle a cricket bat or field a ball. The prospects for forming a cricket club are excellent and it is hoped that interest will be aroused in other places so that matches may be arranged.

WANTS A RACE.

M. J. Perry, of Moncton, who could not get a place here recently against Charles Gorman in the championship race is out with a challenge for a one mile opposite side race in the Moncton Arena, and says the offer will remain open until March 6th.

Senators Lost Professional Game at Hamilton by Score of Five to Two.

Hamilton, Ont., Feb. 28.—Hamilton professional defeated Ottawa for the first time this season here tonight, the score being Hamilton 5, Ottawa 2.

Overland

SEDAN

IN the Overland Sedan both economy and comfort are attained in a superlative degree.

Twenty-six to thirty miles per gallon is no longer considered a remarkable record, but the every-day-average of the Overland owner.

Overland "saving way" on gas, oil, and tires has an added attraction in the "smooth way" in which you ride on its Triplex Springs.

See this car—so light in weight; so slight in upkeep.

AROUND WORLD'S PORTS

"Bismarck" Will Be Called The "Majestic"

Former German Liner to Get An English Name When She Goes to White Star Co.

New York, Feb. 28.—The former German liner Bismarck, the largest ship in the world, recently purchased by the White Star Line from the German government, is to be renamed the Majestic.

She will be the second notable vessel to fly the British flag. The original ship of the name—and a queen of the sea in her day—was launched in 1839 and broken up in 1914, her hull and machinery going to the manufacture of war munitions.

The new Majestic, 56,000 tons, is about five times the size of her predecessor. She is now being made for her new owners by German workmen in the Hamburg shipyards, in compliance with terms of the peace treaty. She will carry about 3,500 passengers.

The Majestic exceeds the tonnage of the Leviathan by 1,800 gross tons, the latter being registered at 54,200 tons. She was recently purchased by the Cunard Line, at \$2,022,000.

Airplanes Can Put Battleship On Blink

Tests by United States Army Fliers Demonstrate Possibility of Destroying Ships.

Washington, Feb. 28.—Tests to determine the ability of army fliers to drop bombs on moving objects have recently been held at Langley field, Virginia, with results which are maintained by officials of the army as supporting the contention of the chief of the navy that capital ships can be put out of commission from the air.

Army fliers at Langley field, using a row boat, sixteen feet long and four feet wide, which was towed at a rate of twelve knots an hour, dropped forty twenty-five pound bombs, and made one direct hit on the boat, and placed the remaining thirty-one bombs well within the danger zone had the object been of the size of a capital ship.

Similar tests have been made by the aviation service of the navy department, but the results of the bombing exercises being withheld until the army and navy joint board definitely adopted a programme for the official bombing experiments recently suggested by Secretary of the Navy Daniels.

To Make Further Tests

Further tests by the army aviation service are soon to be made at the proving ground at Aberdeen, Maryland, to which planes four army aviators were ordered today to take a special course of instruction in bombing in preparation for participation in the joint experiments to be held by the army and navy.

The results of the tests at Langley field were declared today by army aviation officials to be most satisfactory. These officers pointed out that the accuracy of the experiments had decided that the tests should be raised to 100 per cent. because of the fact that all the bombs were dropped within a radius of sixty feet, the width of a capital ship. Army fliers declare that actual battle bombs of 2,000 pounds been employed throughout the demolition of the navy target would have resulted. The bombs were dropped at an altitude of 4,000 feet.

Provided His Own Gland For Operation

Patient Comes to Hospital Leading Baboon from Which Gland Was to be Taken.

London, Feb. 28.—A Johannesburg cable to the Evening News reports that a patient capturing his own baboon preparatory to an operation to restore his youth.

Ben Knott, an aged and wealthy farmer, arrived at the office of Dr. Clarence Andrew of Johannesburg, Northern Transvaal, leading an immense baboon by a chain. He asked the physician to perform Versey's gland operation.

Dr. Andrew took Knott to the operating room, where the nurse administered chloroform. The doctor shot the baboon, removed the gland and injected Knott, who now is fully recovered.

He declares he not only feels young but that his fading eyesight has been restored.

NOSE CLOGGED FROM A COLD OR CATARRH

Apply Cream in Nostrils To Open Up Air Passages.

What relief! Your clogged nostrils open right up, the air passages of your head are clear and you can breathe freely. No more snoring, snuffing, mucous discharge, headache, dizziness—no struggling for breath at night, your cold or catarrh is gone.

THE WEATHER. Toronto, Feb. 28.—A moderate disturbance which developed on the Middle Atlantic coast last night is centered near the Bay of Fundy causing snow in Quebec and strong winds and rain in the Maritime Provinces. The weather has been fair and quite mild throughout the West.

AROUND THE CITY

FIRE UNDERWRITERS. The semi-monthly meeting of the N. B. Board of Fire Underwriters was held yesterday morning in the board room, Princess street, with the president, M. B. Edwards, in the chair. Matters of a routine nature were discussed.

LACK OF HORSES. An interesting fact was brought to light during the annual meeting of the Cavalry Association of Canada at Ottawa last week, when one authority stated that there were 100,000 less horses in Canada at the present time than there was before the war.

TO EXCHANGE PULPITS. Main street Baptist Church will next Sunday begin a series of special meetings. Rev. Dr. Bowley Green, of Montreal, will be the speaker at these services, and his pulpit on the 6th and 13th of the month will be filled by Rev. Dr. Hutchinson, pastor of the Main street church.

VOLE OF SYMPATHY. At the Dorcas meeting of the St. John's (Stone) church Women's Auxiliary yesterday afternoon, a vote of sympathy was passed to Mrs. John A. McAvity in her recent bereavement. Mrs. Alfred Morrison presided and tea hostesses were Mrs. A. E. Flemming, Mrs. C. deForest and Miss Edith Skinner.

ENJOYABLE ASSEMBLY. Carleton Union Lodge No. 8, F. and A. M. held a delightful informal assembly last evening at Masonic Hall, West St. John, at which about one hundred guests were present. The committee in charge were H. S. Blissett, chairman; G. H. Allan, J. W. Nylen, Brittain, D. P. Brown and J. W. Nylen. Miss Kinsman's orchestra furnished music for dancing.

ESSAYS WERE GOOD. R. E. Armstrong, president of the Navy League, yesterday received the official report of the committee which made the awards in the recent essay competition. Speaking of the essays submitted, Mr. Custell Hopkins says they all, without exception, revealed exceptionally high intelligence on the part of the young writers and the work of judging was very difficult on that account.

ELOCUTIONARY CONTESTS. Centenary Young Peoples' Society held one of their entertaining elocutionary contests last evening. Owing to the storm there were not so many entering as usual but those giving readings did so well that it was a difficult matter for the judges to decide the winner. Finally Miss Calkin was awarded the prize. Others taking part were Miss McAlpine and Miss Currie. Judges were Messrs. Henry Clark, George Henderson and J. Barker White. W. Grant Smith, president, presided.

Novelty Band From Minnedosa. Concert Given at Seamen's Institute Greatly Enjoyed by Large Audience. There have been many good concerts at the Seamen's Institute this season, but the general verdict of a large and appreciative audience which gathered to hear the Minnedosa Novelty Band last evening was that they had been well repaid for braving the storm in order to be present.

Hard Experience By Wrecked Seamen. Captain, Mate and Five Men of Newfoundland Here En Route to Their Homes. The captain, his mate, and five men of the Newfoundland schooner Sparkling Blanche, passed through the city yesterday on the last stage of their homeward journey after being picked up in mid-ocean. The schooner was outward bound for Portugal laden with fish and encountered heavy gales from the commencement of the voyage. The sails were torn to ribbons before they could be furled, the masts went by the board and the timbers being driven the ship foundered, while the men who had braved the elements were fortunately picked up by the American steamer Liberty Land and taken to Bermuda. They came here on the Chaudiere. The party were entertained at the Seamen's Institute until the departure of their train. They are en route to Bellona, Newfoundland.

DAYLIGHT SAVING TIME WON BY GREAT MAJORITY

Only 3,826 Electors Out of About 16,000 Went to Polls Yesterday—2,568 Favored Extra Hour of Daylight, 1,258 Against—Remarkably Small Vote Cast.

In one of the deadest elections ever held in the city, daylight saving secured a victory of two to one in the plebiscite taken yesterday, the vote standing 2,568 for daylight and 1,258 against it. In only one ward of the city did the vote go against daylight time, Stanley, where the vote stood 13 for and 35 against. Queens ward was the banner one for the friends of the fast time, they polled a vote of 378 for to 43 against. This vote, while small as compared to the total vote, should settle the vexed question for all time.

A Small Vote. The list on which the vote was taken contains about 16,000 names, and of this number less than 4,000, counting spoiled ballots and all, took the trouble to go to the polls and register their opinion on the question. This means that less than twenty-five per cent. of the electors used their franchise. While, no doubt, the disagreeable weather had something to do with keeping the vote down, the vote reveals that the great mass of the electors had no strong feeling on the matter one way or the other.

Busy Afternoon. The heaviest voting was done in the afternoon; but in no ward was there at any time a rush which kept the officials busy. The North End, and West End polled an exceptionally light vote. Judging from the vote polled the laboring men could not have been as much against the movement as they were supposed to be.

At least two persons lost their vote in Lorne ward, arriving just as the key was turned in the lock. One of these was a well known printer and the other an employe of the Sugar Refinery. Both, no doubt, said things about the street car service, the car which would have reached Indian town at five minutes to six not getting there until one minute after.

Daylight Workers. The friends of daylight saving were

Table with 2 columns: Ward Name and Vote Count. Lists wards like Guys No. 1, 2, 3, etc., with corresponding 'Yes' and 'No' votes.

Trade Conditions In West Indies

E. J. Terry Says Trade is Quiet in the Islands—T. H. Estabrooks Delighted.

E. J. Terry, manager of the local branch of the James Robertson Co., and Mrs. Terry, with T. H. Estabrooks and Mrs. Estabrooks were passengers on the R. M. S. P. Chaudiere which docked here yesterday from Bermuda. The St. John party have returned after a six weeks cruise through the West Indies.

Mr. Terry stated last evening that he found trade conditions very quiet in all the islands he visited which included practically all the British possessions, amongst others, St. Kitts, Antigua, Dominica, Barbados, Grenada, St. Vincent, St. Lucia, Trinidad and Demerara.

Although the trip was primarily a pleasure trip, Mr. Terry took occasion to look into the possibilities of developing a West India trade for his company. He found that owing to the climatic conditions prevailing, hot weather being the only kind experienced on the islands, the plumbing systems employed differed somewhat from that in use in Canada.

He was of the opinion, however, that much trade could be developed if a better and faster steamship service with Canada could be secured for the traveling public at a more reasonable rate.

Commercial Men's Opinions. A number of the commercial men of the different islands visited expressed the opinion that representatives of the Canadian Government who had been sent to the West Indies to investigate conditions there, had only come in contact with the steamship's own agents, and had therefore not secured a correct idea of the islands' requirements. Another opinion was that the different steamships were too closely interlocked and formed more or less of a combine.

Mr. Terry spoke very highly of the hospitality extended to the St. John party during the trip, by the merchants of the different islands, who furnished the motor cars and chauffeurs at their disposal and thus enabled them to see a very considerable part of the country. The West Indians at all times seemed most anxious to do all they could to entertain their visitors.

T. H. Estabrooks. T. H. Estabrooks was much enthused over the West Indian trip which he thought was much to be preferred to a trip to California, and was in fact the trip of a life time.

A great many Canadians who were influenced by the adverse exchange rate prevailing in the States, to try out a West Indian trip in preference to one to California or Florida this year, were of the same opinion.

Citizens' Research Institute of Canada Held Annual Meeting at Toronto Yesterday.

After reviewing the year's work, the citizens research institute of Canada at its annual meeting in Toronto yesterday elected F. Barry Hayes and Oliver Haslewood, both of Toronto, as treasurer and president respectively.

Among those appointed to the national board of trustees were Reg. V. Harris, Halifax and T. H. Estabrooks, St. John, N. B.

Something New in Underskirts—They Look Like Silk, But Wear Longer. The F. A. Dykeman Co. have now on display on their popular third floor a special line of novelty underskirts. These skirts are really made of the finest Egyptian Cotton, but have the appearance and finish of expensive Pique-de-Sole Silk.

CLIFTON HOUSE, ALL MEALS 60c. CHRISTIAN SCIENCE LECTURE IN IMPERIAL NEXT EVENING. A lecture on Christian Science will be delivered in the Imperial Theatre Sunday, March 6, by Willis F. Gross, C. S. B., a member of the board of lecturers of the First Church of Christ Scientist in Boston (Mass.) under the auspices of the local church of the denomination. The lecture will begin at 8 p.m. and will be free to the public.

RAINCOATS. Black Rubber and Oilskin Coats, Rubber Boots and Hats, for Firemen, Sailors and workmen. Entry & Co., 49 Dock street.

Centenary Sunday school concert repeated Thursday, 8 o'clock.

First Showing of Authoritative Millinery. Embracing New and Charming Spring Styles. Tuesday and Following Days. You are cordially invited to come in and view these newest styles which comprise a very attractive selection of moderately priced hats ranging from tailored and semi-tailored models to the more elaborate kinds for street wear. All the latest style twists for Spring are evident, Turbans in variations of Russian and Hindoo influence; Up-turned shapes; Tri-corner; Sailors and large drooping affairs. Particularly prominent are the hats of simple lines, so suitable for first wear in the early Spring. Gay color, smart ornaments and ribbon fancies are cleverly combined to add to their modishness. Georgette, Cere, Cellophane and Silks are all among the favored fabrics for foundations and trimmings. Selecting a hat for one's varied Spring needs is fascinating when one may choose from such a variety of lovely and moderately priced models. (Showing in Millinery Salon, Second Floor.)
