(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

B5. The Summary of Evidence is marked Ex. A, initialled and read aloud by the President.(1)
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(F). Plea of Mitigation WS

This re in re to B71483 Pte Smith R.

This soldier joined up Aug 9 1940 and came to England in 1942 as a reinforcement He was sent to the Essex Scottish and served faithfully with this regiment throughout the campaign He landed on the continent on the 6th of June 1944 as a member of the 1st Brand of the Reg. and served as a member of this brand until the cessation of hostilities. To day he is the only living member of his original lot he.

Gentleman this soldier has been guilty of an A.W.L. charge and I know there is no excuse for such deliberate breaking of rules but I would like to point out to the court the reasoning of the soldiers mind, which will account for his actions.

At the time of his original regiment move towards repat he was transfered to the R. H. Rly ~~[illegible]~~ in order that he might be repated to his home military district.

The lad applied at his former Reg. for permission to marry but was told he would have to wait until he joined the new Reg.

When he reached the R. H. Reg he again applied for permission to marry and was told it was to late. He then requested to remain on the continent and again was told it was to late. He as his last resort he applied for service with C. A. O. F. and again was refused on the excuse that there were no vacancies.

Gentlemen you can easily see that this soldier had tried to act in the proper manner, but had been frustrated in his every attempt to do so, by lack of interest on the part of his superior officers.

It was natural therefore being been refused help on every hand, that this soldier tried to help himself. He met A. W. L. but found that he was unable to help himself being out of touch with military authorities & he therefore surrendered himself. He now repents and wishes to pay his penalty and have his affairs straightened out

In view of the circumstances of the case I would ask that the court be as lenient as possible in determining the cost which this soldier must pay for his seemingly wilful disobedience.

SUMMARY OF EVIDENCE
in the case of

D81836 Corporal SMITH, R., Administration Wing, No. 2 Canadian Division Infantry Reinforcement Unit, a soldier of the Canadian Army (Overseas)

Evidence taken under oath by direction of the Commanding Officer.

FIRST WITNESS PROSECUTION — Captain F.B. Creasy, D.A.P.M., C.R.U., Aldershot, having been duly sworn, states:

"I am Captain F.B. Creasy of C.R.U. Aldershot. On the 10th April 1942 at about 2130 hours Corporal Smith was brought to me, having been placed under arrest by Sgt. Hewett. I placed him in my station wagon and drove to No 2 C.D.I.R.U. Detention Barracks. Prior to placing him in Detention, I had him searched. There were found in his possession three £1 Notes U 66 D064220, U66 D064221 and U66 D064222, also two two-shilling pieces and a slip of paper bearing the address S.L. Johnston, 63 Bridge Street, Guildford 872, on the reverse side of which was written: Socks 2/- Scarf 2/- Boots 15/-, Shirt 5/-, Vest 2/6, Drawers 2/6. I took possession of the above articles and placed Cpl. Smith in detention.

F.B. Creasy Captain
(F.B. CREASY)

The accused declines to cross-examine this witness.

SECOND WITNESS PROSECUTION — K85437 Sgt. S.L. Johnson C.R.U. A statement of this witnesses' evidence purporting to be signed by him has been read to the accused, and is included in the Summary of Evidence. Having regard to the expense and loss of time involved, the attendance of this witness at this Summary of Evidence cannot, in my opinion, be readily procured.

I.H. Lousson Lieut
(I.H. Lousson) R.H.C.

THIRD WITNESS PROSECUTION — E5481 Pte. McGregor, C. Administration Wing, 2 C.D.I.R.U having been duly sworn, states:

"A few days ago Cpl. Smith asked me if I could get him some scarfs and socks. I said I would try to get them. Cpl. Smith told me he could give me one shilling per pair for the socks and one shilling each for the scarfs. I took 10 or 12 pairs of socks from the Red Cross barrel and put them in a cardboard box. I also put 2 packages of mufflers in the box. I think each package contained 10 mufflers. Wednesday or Thursday, Cpl. Smith and another man came in to collect salvage. I gave them the box of wool and they took them out. They did not tell me when they were going to sell these, but I expected to receive 32 shillings from them when they were sold.
R.Q.M.S. Sommers did not know anything about this deal.

C McGregor Pte
(C. McGregor) E5481

The accused declines to cross-examine this witness.

The accused having been duly cautioned under R.P. 4 (e) elects to make the following statement:

"Pte. McGregor who works in the Q.M. stores asked me if I could get rid of a few things for him. I told him I did not know how to do it but that I would see Pte Boden and find out how to sell it. Pte. Boden said he would make arrangements and later introduced me to S.L. Johnson. I approached Pte. Boden and asked him to sell it for me.
I sold rags from the salvage to the junk dealer on the back road. Pte. Boden went down the next day and collected the money. Pte. McGregor is the man who asked me to sell this stuff. We collected salvage once a week. This stuff was carried out of the Q.M. stores in daylight in a cardboard box. This box was given to me by Pte. McGregor. Pte. McGregor said he wanted 1 shilling per pair for the socks and 1 shilling each for the scarfs. I sold them for 2 shillings each and made the extra profit for myself.
On Thursday April 9, 1942, we (Pte Garceau) went to Tongham salvage yard with a load of burnt tin cans. We returned to the incinerator and loaded up 2 bags of rags and some bottles. We left Garceau in camp. Boden and myself went down to a junkyard back of Witley Camp. Boden went in to see the boss. I sat in the truck; the boss was not in. We left the bags inside the gate of the junkyard. On Friday Boden went to the junkyard to collect. On his return he took me to the N.A.A.F.I. and bought me two beers and gave me a shilling.

ILLEGAL SALE OF RED CROSS GOODS THAT HAD BEEN SENT FOR DISTRIBUTION TO H.M. FORCES.

1. With reference to the above I beg to report that at about 1730 hours 10 Apr 42 I proceeded to Laurentide Camp, Witley where I contacted Pte Boden No.2 C.D.I.R.U. who told me he would introduce me to a Cpl.Smith who had several pairs of socks and several mufflers for sale. At about 1800 hours 10 Apr 42 Boden in company with Cpl.Smith approached me on the Barrack square where I was introduced to Cpl.Smith as Mr.Johnson from Guildford who would purchase any articles he had for sale. Cpl.Smith then told me that he had several pairs of socks and mufflers locked in the incinerator and that we could go along and see them. We proceeded to the incinerator where Cpl.Smith unlocked a door on the left side of the incinerator and we went inside. Just inside the door was a large cardboard box containing 12 pairs of socks and 20 mufflers. Cpl.Smith asked for 2 shillings each for the socks and mufflers but stated that he did not want to carry them across the open field in daylight and asked me to return at 2100 hours at which time he would have them put into sacks and would deliver them to me on the road, he then said that he was able to remove rags, wool and bottles in the salvage truck without being noticed. I asked him where he sold these rags and bottles and he stated that they were sold to a junk dealer below the camp and that he received 1d per pound for rags and 5d per pound of wool, he stated that he had sold this dealer 40 pound of rags on Thursday.

2. Cpl.Smith asked that I furnish him with my address and phone number and a list of prices so that he could do business in the future. At 2100 hours 10 Apr 42 I again contacted Cpl.Smith and was told by him that he had put the articles in two sacks and would bring them to the road if I had the money ready. Cpl. Smith brought two sacks containing 12 pairs of socks and 20 mufflers to me on the road below the incinerator and I handed him three one pound notes and two - two shilling pieces. The numbers of the notes were U 66 D 064220 - U 66 D 064221 - U 66 D 064222. At the same time I gave him a slip of paper with the following particulars S.L.Johnson, 63 Bridge Street, Guildford 872., Call and ask for Sam or Frank. On the back of the paper was this list of prices. Socks 2/, Scarf 2/, Boots 15/, Shirt 5/, Vest 2/6 Drawers 2/6.

3. After Cpl.Smith had accepted the money he started to walk down the road with me. About 50 feet from where the sale had been made Sgt.Hewett No.2 section L.of C. approached us and asked what we were carrying. Cpl.Smith said just some wool which I have just sold to this gentleman. Sgt.Hewett informed Cpl.Smith that he was under arrest and signaled for the station wagon. Cpl Smith was returned to Camp 102 where he was lodged in the Guardroom by Capt.Creasy. On being searched by Capt.Creasy the three one pound notes and the address were taken from his pockets. Cpl.Smith stated that he was not alone in this and some others would be involved.

Defense objects to present court on following grounds:-

Present court has heard former trial in which Sgt Stockwell was the accused, which charge came out of a series of facts which are identical ones with which present one comes on.

The present assertion is based on fact that same witnesses appear on both charges, summaries of evidence are the same, & it has been brought out in Stockwell case that he was one of the trio of NCO's arrested 2 a Nov 42.

There is no doubt but what evidence will be the same, & the court having passed judgment on the evidence, I submit that it is a necessary conclusion that it will come to the same judgment in present instance, otherwise the court would not be consistent with itself, which cannot be admitted.

Essential principle of law accused when having to trial, is that he is presumed innocent until proved guilty. The accused in present case, if tried by present court will be deprived of that essential principle, & will be prejudged throughout his whole defence.

I wish to point out that these remarks apply to the court as a court, not to the members.

To sum up. It would be humanly impossible for each officer to know of a series of facts & not to know about them at the same time.

For these reasons, the accused respectfully requests that Convening Officer appoints a new court to try the charge accused

court as rules that as this was not a plea to give jurisdiction nor plea to bar of trial, objection will have to be made to individual officers.

11

Pointed that objections must be made by individual members of the court.

Objections taken to Pres. on grounds of prejudice for reasons given in previous argument.

Court re-opened + objection disallowed (reason).

Defence raised objection to junior member of court for same reasons as originally.

Court re-opened + objection disallowed (reason).

Reasons for not allowing -

- evidence as to charge (drunkenness) was not given specifically about previous accused, + reasons given explains, the evidence were specific reasons with regard to previous acc, + were not applied to present accused, or to any group of which he was the accused

- #6 Provost Coy
- recognize accused
- 20 Nov 42 - 1500 hrs - Sgt Gardner met acc + 2 other soldiers, hanging on to each other, clothing unbuttoned + disarranged, singing + shouting
- approached + asked them to straighten themselves up + behave properly
- asked when supt met them? - replied - 15 min. later
- attendant at B.C. asked me to come on + at S mess Bar, accused + others were in bathroom.
- on being called to B.O. we proceeded to P130 where acc + others were shoving people around + yelling + shouting
- action taken by you? asked him + 2 others to accompany me to office downstairs. While there, acc. repeatedly told Lt. [illegible] Capt Stockwell to order [illegible] to stand to attn. when talking to a Sgt.
- [illegible]
- when was arrest made? In office when we took them downstairs
- Why? - accused was drunk + disorderly
- Why was acc. drunk in your opinion? - he could [illegible]

stand up properly & couldn't answer questions put to him properly. Breath smelled strongly of liquor. The accused also repeatedly told Sgt. S. to order me to stand to attn when talking to a Sgt.
- Why didn't you arrest him upstairs? We intended letting him go.

Cross Ex -
- when you saw acc. first time was he alone?
- No - he was in company with 2 others
- Was he in middle, inside, or outside of pavement?
- I couldn't tell you, sir, I don't pay that much attn. to whether the men are standing.
- Did he have his cap on?
- Yes, he had his cap on.
- Did he have his tunic on?
- Yes
- Was it buttoned
- No, it wasn't.
- Was that of other 2 NCO's buttoned?
- No, they were all unbuttoned.
- Did they have gt. coats on?
- The accused had gt. coat on.
- How far were you from acc. when you first saw him?
- About 50 ft.
- Were you facing him, or the back of him?
- Facing him when they came in the gate
- ~~were they~~ the acc singing at that time?
- ~~they were creating a disturbance~~
- I couldn't say if the acc. was singing at that time.
- When was acc. singing?
- I have already stated they were 50 ft. away when I first saw them, they were all singing, he might have stopped for air.
- Did you not say before that the acc. was not necessarily singing but creating a disturbance?
- I said the acc. was singing & shouting & hanging onto the other 2 soldiers.

- What was he singing?
- I never paid no attention. To what they were singing.
- Would it be possible that only 2 of these chaps were singing?
- The three of them were singing + shouting
- When you asked them to show passes did they comply?
- Yes, they did
- There was no reason to detain them then?
- No, other than to ask them to straighten their clothing which they did
- Did they walk properly to Leamington?
- They straightened their clothing + walked to B.C.
- Did they walk properly when they left you?
- They must have walked properly as we would have checked them up.
- Don't you remember?
- Yes, they walked in an orderly manner into B.C.
- Like any ordinary soldier?
- They walked into B.C. like any ordinary soldier.
- Did they talk normally when you questioned them?
- No, they talked as though they'd been drinking but they gave me no reason to believe that they were drunk at that particular time.
- When the acc. + his companion said that they'd behave, did you think they would behave like sober people?
- They had been drinking
- Did you think that they talked like people who were drunk?
- They were not drunk when we were talking to them
- At that particular time what was the behaviour of acc?
- Boisterous
- About how long after we you called to B.C.?
- Approx. 15' min
- You moved over to S.B.?

Dwell

V

- We went upstairs to SB
- Did you have intentions of arresting anybody there?
- No, we never have intentions of arresting anybody unless the cause is a just one, or something to that effect.
- And you asked the accused to come downstairs?
- To come down stairs
- Who did you ask first to come downstairs?
- I asked the acc., Cpl Smith
- Who did you ask his companion?
- We asked Sgt S. at the same time
- And they came down together?
- Yes they came down together
- And did they put up any objection?
- They talked a lot about not going down, but Sgt. convinced the acc. that they should go downstairs. The Sgt passed remark that he'd fix things up.
- At that special moment, who the acc. & his companion were coming down the stairs, you had no intention of putting them under arrest?
- No
- Who was interrogated first - the acc. or Sgt. S.
- Sgt. Stockwell questioned first
- What was asked to him?
- There wasn't much asked. We intended talking to them when the acc. kept ordering the Sgt to tell us to stand to attention, & the Sgt started pushing around. They were both using profane language at this time so I arrested them.
- In other words you arrested them because they were using profane language?
- ~~That was one of the reasons~~ Because they were drunk & disorderly.
- Were they drunk before they got to the officers downstairs?
- Yes, they were.

Recess

- Were they drunk coming downstairs from cantina to office?
- Yes
- Were they drunk in the S.B.?
- Yes.
- Were they drunk on the street?
- I cannot say
- Why didn't you arrest them in the S.B.?
- There were too many people around. On anything like that we try to get as much little bad publicity as possible.
- Then you would have arrested them in the S.B.?
- If I couldn't have talked to them
- Why did you have the intention of letting drunk people go. Is that the way you proceed?
- No. That isn't the way we proceed.
- Why did you have the intention of letting them go then?
- Because if they had only been drunk & were just noisy we wouldn't have had ~~to~~ arrested them, or had any intentions of arresting them
- So the accused was not drunk in the S.B.
- Yes, he was drunk.
- You just said previously that if they were had only been drunk & noisy you would not have arrested him. Therefore your ~~conduct caused~~ decision whether or not he was drunk in the S.B?
- Not till we decided to take them downstairs
- You told the court that going down the stairs from S.B. to office you didn't have any intention of arresting the acc. Do you persist in that statement?
- Yes

Mac

- You further said that it is not the habit of your corps to let drunk people go, is that right?
- Yes.
- You explained when asked why you had not arrested the acc. & had merely taken him of during so while going down the stairs, was because the acc. might have only been drunk & noisy. Is that a fact?
- That is correct.
- Then how can you swear he was drunk in the S.B?
- By his actions.
- How do you reconcile the two versions you gave, Which one do you choose to give to the court?
- ~~If a person~~
If a person is just drunk we can talk them into going home to bed until they sober up. That was why we took the down stairs
- In one part of your testimony you swore under oath that acc was drunk in S.B., do you admit that?
- Yes
- Immed. afterwards you implied that ~~he was~~ you admit how whether the acc, was drunk or not by saying that if he had been only dirty & noisy you would have had no intention of arresting him?
- Yes.
- Do you understand me?
- Yes.
- You come here & swear that these fellows were drunk ~~in the S.B~~ from the time ~~they~~ you first saw them in the S.B.
- ~~When~~ When we entered the canteen we didn't know if they had been drinking & were just noisy & after questioning ~~them~~ I asked them to come down stairs with me as he was drunk.

VIII

- So the questioning took place upstairs & not downstairs?
- We asked them a few questions upstairs
- Why didn't you state that before in your statement?
- You didn't ask me.
- As a matter of fact when the arc. went down stairs you didn't have any intention of arresting him.
- Not if I could have talked to arc. to see if he wouldn't straighten out & go home to bed till he straightened up.
- Isn't it a fact that if dec had not ordered Sgt. St. to tell the L/Cpl. to stand to attn. while addressing the Sgt. you wouldn't have arrested the arc. & his companions?
- That was one of the reasons I arrested him.
- I put it to you that you were sore about the arc ordering Sgt to tell L/Cpl. to stand to attn
- No.
- Then you arrested the arc. because of above order?
- I couldn't say, he repeated it so often. A Cpl. in who had been drinking a reason a state that was not fit state to walk around. He was drunk.
- That was main reason you decided he was drunk?
- One of the reasons.
- If arc. had not said that he wouldn't have been free?
- I can't answer that

Prosecutor questions.

Address by Defence Counsel.

All the arguments put forth in my argument in support of No Prima Facie case, submission applies here.

The Court has to choose between the version of the Provost and Defence. Unless the evidence brought by accused in cross examination is destroyed the Court is bound to give it full value. The same applies to the other two witnesses who are not to be considered accomplices. The weight of evidence favours the defence, three witnesses against two.

L/Cpl Shields testimony contains contradictions on essential facts like time of arrest, who was in charge of accused and his companion Sgt. Stockwell. There is also contradiction when he states accused was drunk in the Snack Bar and then says he could walk properly down stairs.

When asked to give his reasons as to his opinion of drunkenness, the very last one he gives is the fact that accused could not stand properly any ordinary man would have given that as the first reason.

L/Cpl Mavis does not even mention that fact.

All the explanation given by the two witnesses for the prosecution to justify their assertion that accused was drunk, does not necessarily conclude to drunkenness and they must do so to justify a conviction of drunkenness.

We submit that the reason for the arrests was the antagonism which developed between accused and his party with the provost following an argument about their dress and behaviour and way of talking to the Provost.

Prosecutor being sworn presents the following documents.

MFM 355 being a statement of charachter and service of the accused.

MFM 6 of accused. Prosecutor pointed out that this document contained six entries that did not bear the signature of the officer making the award and suggested these entries should be disregarded.

Court considered this matter and directed the Prosecutor to rule out the entries that were not properly signed.

The MFM 6 was then accepted by the Court.

Q. Do you know the accused?
A. Yes.
Q. State his character.
A. I have known accused for six months, I have had no trouble of any kind with him.

mca

Court Closed to consider findings.

Court re-opened.

Defence Counsel makes statement in mitigation of punishment.

The accused deserves the gr ates leniency, he has been a good soldier and on this occassion was on leave after a spell of hard work. He was not concerned with anything serious, you might call it an escapade. I would ask the Court to give him the utmost clemency.

Note:

The Court found accused guilty and sentenced him to be severely reprimanded. The punishment was not made more severe because it was felt a large part of the reason of accused being arrested was due more to his argument with the Provost rather than his drunken condition. Accused was not charged with being disorderly but with drunkenness, the Court therefore feel that his drunkenness was not sufficiently serious as to merit severe punishment.

The accused makes the following statement:

"I am L1316 Cpl. Smith, R. of C.M.S.C. at Headquarters First Cdn Army. On the 20th day of November, at about 1510 hrs, in the company of a Sgt. and L/Bdr., I was proceeding along Spring Gardens to the Beaver Club. We were stopped by the Provost and asked for our passes. We were then allowed to proceed on into the Beaver Club. While we were in the Snack Bar, apparently we were making too much noise and the Provost came up to us and took us down to the lobby. After the Provost had spoken to me I returned upstairs. When I came downstairs again a few minutes later, the Provost were still talking to Sgt. Stockwell. I took offence to the manner of the Provost who was talking to Sgt. Stockwell and remarked about it. I was also then placed under arrest and taken to H.Q. No. 6 Cdn Provost Coy, in the van.

CASE OF

SPR. SMITH R. B- 88279

RA
27 Apr 43

President and Members and Clerk of Court were sworn in and The Summary of Evidence read. Charge is Read. Accused plends "Guilty".

President
Maj. R.J.Smallian — Do you wish to give evidence on behalf of the accused ?

Defence
Lt. F.J.Stephenson — Yes, I will call Major Watson and C.Q.M.S. Cowan.

Major H. Watson, Commanding Officer, #1 Cdn. Tunnelling Coy., R.C.E. is called.

Defence — Will you be good enough to tell the Court as to the behaviour of Spr. Smith?

Major Watson - — Spr. Smith is one of the original recruits in this Company and to my knowledge his general character has been good. I consider him a valuable soldier in the Company.

Defence — To your knowledge has he ever been absent without leave before, Sir?

Major Watson - — I am not certain, I understand his only crimes in the Army were one or two A.W.L.s, just minor absences.

Defence — Do you consider Spr. Smith to be a good tradesman?

Major Watson - — He is a valuable tradesman.

Defence — That is all Sir.

C.Q.M.S. Cowan, A., B-73399, #1 Cdn. Tunnelling Coy., R.C.E. is called.

Defence — Sergeant Cowan I want you to tell the Court the conduct of Spr. Smith while in the Shetland Islands.

C.Q.M.S. Cowan — I had a detachment of twenty nine men in the Shetland Islands, during that time Spr. Smith was employed in the kitchen which entailed long hours of duty. It was a very isolated spot and all through Spr. Smith did his best to keep up the morale of the men, which was very necessary in such an isolated spot. Previous to going to the Shetlands, I have had Spr. Smith in my charge on various occasions and I can truly state that he has always been a good and efficient soldier.

President — Have you the statement of character and a certified copy of the NFM 6?

Defence — Yes, Sir.

Court is adjourned for five minutes.

Court is opened.

President — Are there any further witnesses as to character?

Cowan I first met the accused three years ago and worked with him in the field when I was an N.C.O. I always found him a good soldier, possessing initiative, and always a good example to men in his sub-section. That is all Sir.

President — Do you wish to address the court in further mitigation of punishment?

Defence — No, Sir.

President — The Court is now closed to consider sentence.

Court closed at 1130 hours April 20, 1943.

The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(1. *RP 35 fn 3.* 2. *MML p 54 para 47.*)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement? Ans NO (5)

(1. *Court may hear evidence to consider the statement, or any part or whole of it.*)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records findings of Guilty in Part I of the Schedule.(1)
(1. *RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex A, initialled and read aloud by the President.(1)
(1. *If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3.* RP 37(D).)

Case of

Sgt Smith. 6/9/41

Sgt Smith has been in this country for 4 yrs and during this time met a married woman, Mrs. Lewis who had 3 children and was separated from her husband. In due course, this friendship ripened into love. Mrs Lewis' husband appeared to be ~~[illegible]~~ willing to consent to an uncontested divorce in favour of his wife.

Smith was advised by the Legal Aid to let matters rest for the time being. In the meantime the husband changed his mind and served divorce proceedings on his wife, naming Smith as co-respondent. He obtained a court order to take the children away from the custody of Mrs. Lewis on the grounds that she was no longer capable of

serving for them. He then turned her out of her home. She tried to commit suicide being prevented from doing so on both occasions by Smith. While he was absent he found a home for her. He was the only one she could turn to for assistance.

Smith was waiting for a court order to release the children to her care, but when it did not materialize after 73 days decided to surrender himself to the authorities. Smith would absent only for the reasons I have just stated, not because he was being badly treated by the Army or any similar reason. He has learned his lesson and will be a good soldier in future. All the offences on his sentence sheet relate to the same circumstances

1ST WITNESS FOR THE PROSECUTION:- Lieut. J. Foxe C.P.C., having been duly sworn, is EXAMINED BY THE PROSECUTOR:-
Q1:- You are an officer of the C.P.C. ?
A1:- Yes, sir, at H.Q. C.M.U. I had occasion to inspect the arrangements at No. 1. C.G.P.C. at approximately 1430 hrs. on December 3rd. It was a routine inspection, to help the unit, and to see that there were no irregularities.in handling. It was obvious from the first that there were grievious irregularities. First that mail that should have been forwarded was being held. Second, letters intended for delivery within the unit were being retained. Next, that letters intended for personnel now no longer with that unit were not being returned to the P.P.O. Fourthly, that there was a discrepancy in the handling of cigarette parcels, and that records did not check. Nor was there any evidence to show that certain parcels had been delivered. Firtnly that official register slips were found in the ash box, and one mailed by Major Woods was also found in the ash box. It was obvious that irregularities were present. I asked permission of the adjutant to have the postal orderly kit inspected. We accompanied Sjt. Smith to his billets, he laid out his kit, and produced a quantity of letters from the bottom drawer of his cupboard. I saw that these were letters which had been handed to the accused for air-mail transmission. The majority were air mail letters that would cost 1/3 to transmit.
Q2:- I produce an envelope of various postal records, can you identify them ?
A2:- I can, they are postal records, which have been checked by me. Unit Postal Parcel Records submitted by the prosecutor, admitted as evidence, and marked exhibit 1.
These are the various records concerning receipt, issue, and re-shipment of parcels.
Q3:- I produce to you a parcel addressed to Mrs. Burton, do you identify it ?
A3:- I do. We found it buried in a cupboard in the unit mail room. I found it in company with Captain Todd, when we were investigating.
Parcel addressed to Mrs. G.S. Burton marked exhibit 2.
Q4:- I have here a parcel addressed to Mrs. W.A. McGovern, do you identify it ?

A4:- I do. On the morning of December 4th I found this parcel when in company with C.Q.M.S. Tanner, in one of the cupboards in the unit mail room.

Parcel addressed as stated marked exhibit 3.

Q5:- I have here a rolland flat parcel tied together. Do you identify them ?

A5:- I do. They were discovered in the mail room. The flat roll if a book I think. I submit here two out going parcels, one from Major Woods, and one from Lt. Travers.

Parcels marked exhibit 4.

Q6:- I have here a bundle of 10 letters, have you seen them before ?

A6:- I have. I saw them at approximately 1430 hours on December 3rd., in company with S.M. Tanner and the accused. The accused produced them from the lower drawer in his billets.

Bundle of letters marked exhibit 5.

Q7:- The majority are out going air-mail letters, which have not been mailed. I have here a package of air-mail letters, out going, have you seen them before ?

A7:- Yes, sir. at approximately 1630 hours on December 3rd, in Sjt. Smith's billets, when I insisted he turn out his pockets, he produced these.

Five blue armed forces air-mail letters at mailing price of 6d. each marked exhibit 6.

Q8:- I have here a newspaper, 10 letters, and 2 photographs, have you seen them before ?

A8:- Yes, on December 3rd, about 1500 hours, we collected these from various dust corners, unused pigeon holes, etc., in the presence of the accused. They are mostly ordinary letters for transmission to Canada, and a few blue armed forces air-mail letters.

Miscellaneous letters marked exhibit 7.

Q9:- I also have a bundle of 41letters, 3 of which are air-mail letters, and one ordinary air-mail letter have, you seen them before ?

A9:- These items were produced from the accused's pocket on December 3rd, at 1630 hours, in his billets, in company with C.S.M. Tanner.

Bundle marked exhibit 8.

Q10:- I have here tobacco advice slips, 4 white and four blue, have you seen them before ?

A10:- The blue ones, tobacco advice slips, are put in the bags in Canada. They were found in the unit mail room. I did not find them myself.

Q11:- I hand you 4 blue tobacco advice sheets, and 4 white advice tobacco slips, what are these ?

A11:- The blue ones are despatches direct from Canada to the unit. The accused signed for certain parcels at the F.P.O., copy being retained by the F.P.O. with the accused's receipt thereon. These were obtained from the F.P.O.

Tobacco advice slips marked exhibit 9.

Q12:- Do recipients sign for their parcels on the white advice slip ?

A12:- No, they sign in the parcels record book (exhibit 1).

Q13:- Did you find that some of the parcels listed in exhibit 9 are not signed for in the receipt book exhibit 1, by the recipients. ?

A13:- Yes, sir.

Q14:- I produce to you 3 acknowledgment cards of the type contained in each parcel of cigarettes, do you identify them ?

A14:- Yes. They were produced by the accused about December the 3rd from the lower drawer of his cupboard.

Acknowledgment cards marked exhibit 10.

The number on each card is the order number of the parcel of cigarettes sent out by the tobacco company.

Q15:- Does the number on this card, JYA 69709 appear on any of the exhibits submitted ?

A15:- Yes, sir. It is referred to in one of the white receipts in exhibit 9. as having been received by the accused, on behalf of the unit It was received on the 21st of September 1942. This indicates that the said card had been contained in a cigarette parcel received by the accused for unit on the 21st of September, 1942.

Q16:- I now show you the unit parcel book record, contained in exhibit 1, was this parcel entered in that book ?

A16:- No, sir. I have carefully searched for the entry, nor is there any record of this parcel having been returned to the F.P.O.

Prosecutor:- This is the parcel referred to in the 4th charge and its alternative.

Q17:- I produce another cigarette acknowledgment card, "umber AUA14687 will you tell us if it appears in the records exhibited ?
A17:- I found record of that parcel as having been received for the unit by the accused on the 27th of September, 1942, on the tobacco advice list from the F.P.O. It was not delivered. I find no record of the parcel having been entered in the parcel record book, nor any record of its return to the F.P.O.
Prosecutor:- This card relates to the first charge and its alternative.
Q18:- With respect to the first and fourth charges, and in view of the evidence thus far, is there any other possible disposition that could have been made by the accused, in pursuance of his duties ?
A18:- I would say he was very negligent in his duties at the very least, and I know of no other proper disposition he could have made of them.
Q19:- Did you have any conversation with the accused in connection with the alleged irregularities ?
A19:- Yes, That was on December 5th, I believe, in S.M. Tanners' office. The accused at that time was under escort. I asked permission of Major Woods to interview the accused. When permission was granted, I, in company with S.M. Tanner and Cpl. Massel interviewed the accused. There was no one else present. I explained to the accused that he had made a voluntary confession of stealing approximately 4000 cigarettes, and that I had documentary evidence with me to show that approximately 1000 cigarettes could not be accounted for. He decided to make a clean breast of his dealing with the mail. He furnished us with names, amounts, and dates of the parcels which he had appropriated for his own use. The accused was properly warned. I explained that any statement he might make would be used as evidence, and we then asked him if would sign a statement in the presence of his commanding officer.
Q20:- Were there any inducement, promises, or threats ?
A20:- "o, sir. I explained to him that no promises could be made to him on any condition, I also explained to him that we did not want to prosecute for more than was actually taken. I asked him for the full details of the parcels. I mean by this that I wanted the details of the parcels taken within his own recollection. I also meant that there irregularities, and that a great number of parcels appeared to be unaccounted for, and that it would take weeks of checking to establish the parcels that actually were handed in to the unit for delivery, therefore I requested his assistance.
Q21:- Was there anything that would indicate to the accused tht this statement was an inducement for him to make a confession. ?
A21:- No, sir. He readily assented. He furnished names and addresses of parcels he had appropriated, and approximate dates of appropriation. He rendered every assistance in fixing even the number of cigarettes and what he had done with them to the best of his recollection.
Q22:- Did he at tht time make a written statement ?
A22:- He signed a written statement under oath, in the presence of the C.C. Major Woods.
Q23:- Which statement are you referring to now ?
A23:- The one in the handwriting of Cpl. Massell, of the provost corps.
CROSS-EXAMINED BY THE DEFENDING OFFICER
Q24:- Are you certain both these statement were made on the same day ?
A24:- I cannot state definitely, I am almost s
Q25:- Do you recall having heard the words " I name two persons who have bought cigarettes from you, tne number of prospective charges will be reduced. If those names are not submitted, the company will be called on parade, including out-lying work parties, if necessary, and questioned regarding the sale of cigarettes ?
A25:- I do not.

In order to take the evidence of the officers and other witnesses, so tht they can be released for duty, the balance of the evidence from Lieut. Foxe will be taken after their testimony.

The president complied with M.F. 40(A) note 2 and the accused stated that he had nothing to say, neither did he wish to call any witnesses on his behalf.

Closing address by the Prosecutor:-
I submit sir, that we have established a prima facie case on all charges against the accused in connection with the stealing of cigarettes, and in some cases, of the other charges. He pleaded guilty to the charge of selling cigarettes. The charge of neglect, thus causing delay in the posting of letter, is covered by Lieut. Foxe's evidence. To my mind, the charges have been amply proven.

THE COURT IS CLOSED TO CONSIDER ITS FINDING.

The court re-opens, finding the accused not guilty of (1) all the alternative charges, (2) not guilty with respect to the 5th, 8th, 11th, 13th, 17th, and 21st. charges.

Sgt. Smith, Ronald Emerson.

Born May 1, 1907, at St. Johns' N.B. Attended school at Consolidated Schools, Florenceville, N. B. until 1917.
1 Year At Charlotte Street School, Frederickton, N. B.
1919 1 Year At School in St.Stephen, N.B.
1926 to Horton Academy, Wolfville, N.B.
2 Years at Acadia University, Wolfville, N.S.

In 1929 worked in a clerical position in a general Store. Government gravel contract for himself in 1930. In 1930, that fall, became general mamager: St. John's Valley Produce Exchange.

In 1933 became outside superintendent in charge of all warehouses. 1935 Investigator for the Eastern Canada Marketting Board, City of Ottawa.

1935 worked in Government Fish Hatchery. 1936 Salesman Building Products, Montreal.

1937 went to B.C. and remained there milling lumber until date of enlistment, 1st day of September 1939--with the Rocky Mountain Rangers. Transferred the 27th November, 1939, to the Seaforth Highlanders of Canada. Became Transport clerk.

September 1940 came to 3. C.I.H.U., where he went to work in the pay office. On Dec 1st, 1941 he went to 2 C.D.I.R.U. receiveing a promotion to Corporal. Transferred from Seaforth Highlanders of Canada to the Queens Own Cameron Highlanders of Canada in January 1942.

In may was promoted to acting Sgt. and transferred to # 1 Cdn. Gen. Pioneer Coy. in the Pay Services.

Itwas in 1940 that the difficulty of a trouble home life began. Letters were very infrequent and off hand.

From Dec. 1940 until Dec. 1942. He received only 10 letters. (Please see exhibits July 22, 1941.)

Mail job came up when I relieved postal Orderly from 22nd of June until the 29th of June. He went on leave. Took over permanently on the 15th of July.

Several jobs and overwork, at one time held job of Pay Sgt: Postal Sgt; Sports Sgt; Ration Sgt., and Orderly Sgt. Every third day. I was Section Sgt. as well.

When he took over job of Postal Sgt. had no instruction. Had no visits from Postal authorities until 3rd day of December, 1942.

At Minley Camp no under canvas. No strong box. Thin cupboard in which doors could be sprung by hand. Was not in the Pay tent, which was postal tent all the time.

At Haig Hutments provisions for safeguarding of mail no better at first. At his own expense purchased a lock.

Asked for compassionate leave in April 1942. Was qualified but heard nothing.

Got despondent and owing to the haphazard way in which money and parcles without directions were left on your desk in your absence, became discouraged and at times stamped and posted parcels for which he paid for from his own pocket.

Regarding cigarettes the same prevailed. Would endeavour to keep the personnel supplied even if at times it meant giving them the same from personal supply which was plentiful.

Having had no complaints until enquiry took place was always able to adjust cigarette ration to the satisfactin of the Unit. Could have made adjustments from personal packages received for any shortage suffered, if inspection had not hindered.

Letters unposted were due to having no suitable system as well as to any personal disregard. Had no fund with which to buy stamps. At times was out of pocket to the extent of $1.10.

When despondent, and brooding over wrongs,fancied or real, because fancied wrongs can prey equally on a man's mind and offer the same motive for redress, he would from time to time drink more excessively than he was accustomed, because Sgt. Smith was never addicted to the liquor habit as his M.F.M.#6 will prove. At times he felt incapable of handling his various jobs and as early as a few months ago he found himself hampered in his daily tasks by the haze which his indulgence had brought upon him. But in all this time he was not checked by any postal authorities altough it must have been apprent to those in charge of Field Post Office S.C. 12 that he was not at his highest grade of efficiency.

We are dealing with a man who has in all his past business experience never suffered a failure, a man who could if functioning in his true capable fashion could have,with assistance and facilities have averted any disagreeable consequences.

This is a new Unit, formed early in April,1942. Difficulties which always face a new venture were found present.

N.C.O. material and assistance in such jobs that required administrative ability was sadly lacking.

I submit for the study of this court these facts. This N.C.O. who was holding down several jobs demanding time and detail work, had not the tools with which to work, nor the supervision and instruction of such a job as called for by being postal clerk.

We all know that food and mail play the most important part in bolstering the morale of a unit. Before the 3rd day of December this Postal Sgt. had not been checked. We can assume from this that his work was entirely satisfactory from the point of view of the Postal services.

Why were there no complaints? Registered mail and parcels must have been satisfactorily despatched.

Can we assume therefore that this N.C? O. is to be blamed for this avalanche of inefficiency? I think not. Certainly there is great doubt in our minds that a matter of such importance could have drifted to such an end if the proper authority had exercised its supervision.

I have been in the habit of receiving a parcel of cigarettes each month for the past nine months with the exception of the month of July, 1942, when I received no parcel. This custom I followed in July 1942 and when I asked Sgt. Smith, the postal clerk for my parcel, he told me, first time I asked that there was no parcel for me so I went to see C.S.M. Tanner and explained that I had received a letter from my girl friend notifying me that a parcel of cigarettes had been sent. The C.S.M. came with me to the post office and Sgt. Smith then told me that there was a parcel but I could not have it as I was only supposed to receive 1000 cigarettes a month. I received a parcel of 1000 cigarettes in June 1942 and there was no question about them.

First Witness for Prosecution

Lieut. J. Foxe.

I, Lieut., J. Foxe, Canadian Postal Corps, attached to Canadian Reinforcement Units, Postal Unit, having been duly sworn, give evidence as follows:-

On 3 Dec. 42., at approximately 1530 hours, I arrived in company with C.Q.M.S. Woods C.A., (Cdn. Postal Corps, attached C.R.U. Postal Unit), at the Orderly Room of 1 Canadian General Pioneer Coy., and there asked permission to make an investigation of the postal arrangements and method of handling mail within the unit. Permission was granted by Lieut. Begin who accompanied the C.S.M. and myself to the mail-room The mail room was locked; Sgt. Smith, the mail orderly was sent for. When Sgt. Smith opened the office, I proceeded to make an investigation.
Letters and parcels were observed placed in unused pigeon holes, cupboards, etc., one letter in particular was observed in a pigeon hole partly filled with old tobacco records and other letters. This letter was addressed to Sgt. W.J.Winter, K-52347(exhibit attached) When I questioned Sgt. Smith, as to the reason why these letters should be stuffed away with old records, he reached up, took the letters and records out of the pigeon hole and placed them on the table.
For a few seconds, my attention was deverted to C.Q.M.S Woods and I did not observed Sgt. Smith's actions for those few moments. However, when I turned around and proceeded to check the mailing dates of the various items, I noticed that the items addressed to Sgt. Winter was not in evidence. I demanded the letter and Sgt. Smith produced it from his pocket. When questioned as to the reason for secreting the letter he stated that he did not want me to see it as the addressee had returned to Canada. I here enter the letter in question as an exhibit (Exhibit "A"). As it was evident that there were irregularities, I returned to the Orderly Room and then asked Lt. Begin if he would make arrangement to have Sgt. Smith's personal belongings examined He called C.S.M. Tanner and we returned to the mail room where we picked up Sgt. Smith, informing him that his kit was to be searched.
After turning out his personal belongings, Sgt. Smith produced a number of letters from the lower drawer of his cupboard and also three (3) acknowledgement cards from tobacco or cigarette cartons, two Imperial and one MacDonald's Tobacco Coy. It was observed that the letters were in the majority letters intended to be forwarded to Canada via Air Mail.
Sgt. Smith, when pressed furtner produced eight (8) Air Mail Letters from his tunic pocket. Sgt. Smith was immediately placed under arrest by C.S.M. Tanner.
On the following day, I returned to the Mail Room and again searched it. In a large cupboard, I found the items which I submit as an exhibit.
I also found a parcel addressed to Mrs. G.S.Burton in a cupboard in the Mail-Room.
A close check of the tobacco records received, dispatched and delivered from, showed a number of discrepancies.
I submit the tobacco records collected from the mail-room as exhibits.
Sgt. Smith when interviewed 6 Dec. 42, decided to make a full confession concerning the letters and cigarettes

mishandled and taken. I submit herewith a copy of the confession duly sworn and attested as an exhibit.

With the documentary evidence, I am able to show that two of the acknowledgement cards found amongst Sgt. Smith's belongings, can be traced as belonging to cartons addressed to G-49689 Gnr. Kaine F.G. and F-77524 Pte. Gallant R.
We are also able to show a number of tobacco parcels as shown in Sgt. Smith's confession, cannot be accounted for.

The accused declines to cross-examine the witness.

"I, B-86266, Sgt. Horton L.C. having been duly sworn give evidence as follows:
Sgt. Smith being in my custody, Friday, 4 Dec 42, between the hours of 1100 and 1200, a Captain of the Cdn. Postal Corps, in company with a lance-corporal of the Cdn. Provost Corps, called to see Sgt. Smith. After being duly cautioned about making a statement, Sgt. Smith, was told that if he named two persons who had bought cigarettes from him, [redacted] number of any prospective charges would be reduced. Sgt. Smith, in my hearing, agreed to this condition provided no action were taken against the two men he would name. It was stated by the Postal Corps Captain that if these names were not submitted, the Company would be called on parade including outlying work parties, if necessary and questioned as a body regarding sale of cigarettes. Therefore, two men were named by Sgt. Smith; their names being C.Q.M.S. Luettge and Cpl. Forsyth C.B. both on the strenght of No. 1 Canadian General Pioneer Coy.,

POSTAL THEFTS AT No.1 CDN. GEN. PIONEER COY.

1. On the 3/12 /42 a telephone message was received at this office from Capt. Todd, Cdn. Postal Corps, stating that an inspection of the unit post office at No.1 Cdn. Gen. Pioneer Coy., by Lieut. Foxe, Cdn. Postal Corps, had revealed facts that pointed to pilfering of the mails by the U.C.O. i/c, Sgt. N.R. Smith.

2. Pursuant to instructions from Capt. F.B. Cressy, D.A.P.M. C.M.U., I contacted Capt. Todd and accompanied by Lieut. Foxe and C.M.S. Woods, we proceeded to No.1 Cdn. Pioneer Coy., on the 4/12/42. After informing the O.C. of the purpose of the visit, a thorough search of the unit post office was conducted. Numerous letters and parcels were found, which had been given to Sgt. Smith some time ago, along with money for postage, to be mailed. These, with a number of letters which had been found in Sgt. Smiths personal belongings were labelled and turned over to the O.C. for safekeeping. All records were confiscated by the postal authorities for a thorough check.

3. Sgt. Smith was then interviewed by Capt. Todd and the writer and at first admitted only the misappropiation of money given him in lieu of postage stamps by men in the unit. After a lengthy period of questioning he admitted stealing three or four thousand cigarettes. A statement was then taken to this effect and signed by Sgt. Smith.

4. On the 5/12/42 I again proceeded to No.1 Cdn. Pioneer Coy., accompanied by Lieut. Foxe and C.M.S. Woods. Sgt. Smith was again questioned and informed that the check on his records revealed more cigarettes missing than what he had admitted stealing. In the face of this he stated that he would give a full confession. After being sworn in the presence of Lieut. Foxe and C.M.S. Woods Sgt. Smith gave the attached statements, one of which covers the amounts of the cigarette parcels, the names of the addressees and the time stolen, as near as Sgt. Smith can remember.

5. Sgt. Smith has arranged that he will write a letter, subject to Orderly Room censorship, to his sister in Canada, giving the names of men from whom he stole cigarettes and arrange to have cigarettes sent to them in restitution for what he stole.

6. Major Woods, O.C. No.1 Cdn. Gen. Pioneer Coy., has been informed of the facts as rebated above and is awaiting copies of this and the postal authorities report in order to proceed with the case. The investigation is concluded.

STATE:-

Ever since August 1942 I have been using money given to me by the men in the unit for postage for air letters, parcels, and ordinary mail for my own uses. I would estimate the total amount to be around three pound, ten shillings. (£3.10.0.)

I also took from the post office around ten thousand cigarettes as shown in testimonial giving amounts and from when the parcels were stolen. I smoked the majority of these cigarettes, the remainder I sold to the men in the unit at 1/3 and 1/6 a package. I never sold any of these cigarettes to civilians nor did I ever steal food parcels or registered letters.

I have read the above statement and it is true.

Do you wish to give evidence yourself or to call any witnesses as to character? *Question to the accused.*

Yes. *Answer.*

Evidence as to character.

FIRST WITNESS – Lt J A Barshaw 11 Bty – 12 Fd Regt RCA states – I am Lt J A Barshaw CPO in the 11 Bty and have known the accused since Nov. 40. Gnr Smith is an efficient signaller, a man of good character and his offences have been only minor.

SECOND WITNESS ~~T-BSM~~ B11042 TBSM KUKULSKI S states – I am B11042 TBSM Kukulski S and have know the accused since July 1940. He has always done good work and his only trouble small ones. As a signaller know job and does it well

K Kukulski

B11129 Gnr. Smith R. G. has been with the Regt. since 11 Jun 40 when the unit was mobilized. He has had only a few crimes during over three years — most of these crimes in the last half year directly connected with this personal difficulty. It will be noted his AWL was short, only 5 hrs. to clear up his personal affairs. He returned and surrendered himself. Gnr. Smith has made the statement that he is most willing to table his punishment and get back to his duties once more. Considering the facts that he stands high in the opinion of his officers and NCOs as an efficient soldier and such are needed badly by the Can. Army, the personal trouble which was the cause of the last series of AWLs is now cleared up and there is every evidence that he will not repeat the same. His main desire is to pay his debt and get back to work. I therefore submit that the best interests of all will be served by a sentence as light as possible.

The accused having been duly cautioned in accordance with R.P. 4 E says:-

"I want to make a statement".

"On Wed. Sept. 15 1943 at 1800 hrs. while under C.B. I left the camp area and went to NEWPORT MON. S. WALES. On Friday Sept 17th 1943 at 1900 hrs I returned and reported to the main gate guard commander. When paraded before Major Pickering on Saturday I explained to him in a personal interview the reasons why I did this. They were, of course, personal reasons which I considered vital and affected others besides myself and for this reason do not want them made public. I do wish to say though, that I did only what I thought best at the time and returned to my unit as soon as my business in NEWPORT was concluded. I realize that the time is growing close when the Regt, will see action and having been with the unit since it was first organized, I was hoping that the acting O.C. of the Regiment could give me the punishment due, and so enable me to stay with them. He pointed out to me however that personal reasons could be no excuse for breaking military law and remanded me to higher authority. I do not wish to appear in contempt of this court, but I would like to point out that the story behind my crime is not mine to tell. My action was what I considered to be the only decent thing to do and I will be only glad to serve my punishment and then go back to my duties once more.

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

At approx 1730 hrs 18 Apr 44 Bdr Bodger, Guard Commander for the day, reported to me that Smith R.H. was AWL from guard and reported to me the next morning that Smith was still absent. I checked the Bty area in the evening of the 18th and the morning of the 19th and did not find Gnr. Smith. Gnr. Smith lives in the house of which I have charge. (W. F. Davey) Captain
Adjutant - 3 Cdn Medium Regiment

D-6694 Gnr. SMITH, R.H., having been duly sworn states: [illegible]

I came over in this country, sir, in 1940 and I have been a Tech storeman since then, sir. I was in the 5th med regt as tech storman, and I went to hospital from there. I was in the 5 med regt two years. I was sent to the 3 med regt when I came out of hospital. When I came here I understood that I'd do the job as tech storeman and when I saw that I couldn't do the job here as tech storeman I tried to get back to the 5th med. I was told that the transfer was out of the question and got in trouble here and went A.W.L. and was in field punishment camp. When I got out of field punishment camp, I got paraded to the major and asked him if he would give me a transfer out of this regt before I got into more trouble and I was told that I was unable to get a transfer out of this regt. I knew, sir, that if I did get a transfer out of this regt I would have made good in the 5th med regt as I hold a Class A qualification. I know if I had been back in the 5th med regt I could have made good because all the fellows in the 5th med were from Montreal. All the time I was with the 5th med regt I had a clean crime sheet, for three years, sir. I think that is all I want to say, sir.

Questioned by the Defending Offr:

Q. You came to this regt as tech storeman?
A. Yes, sir.

Q. Were you not employed as tech storeman?
A. Well, I was marked down as tech storeman but not employed as one.

Q. What were you doing - what was your job of work?
A. Well I was in the stores giving out socks and things like that, a tech storemans job is keeping track of technical equipment in the regt.

Q. Why did you continuously go A.W.L.?
A. Sir, I no that if I could have got out of here and got back to the boys I trained with all the time that I could have made good.

Q. Are you married or single?
A. Married, sir.

Q. Any children?
A. One, sir, in this country.

Q. Do you make an assignment to them?
A. I make an assignment of $23.00 a month to my wife and I think it is $11.00 or $12.00 to my mother.

Questioned by the Prosecuting Offr:

Q. When did you apply for transfer to the 5th Med regt?
A. I was paraded to the major, sir. It was just about, it was the time Sgt. Neville was here from 5 med.

Q. Will you give me an approximate date?
A. I don't know.

Q. Can you give me the day, the month, the year?
A. When I first got here I asked Major Flawn if I could get back because the 5th med regt were still in the country at this time and I heared from the boys that they were going to Italy.

Q. Did you say your Bty Comd regused to arrange a transfer?
A. Well, I was paraded, sir, and told that I couldn't get a transfer to 5 med regt. There was no application made. The same thing happened with Major Cowan.

Q. Did you ask to be paraded to the Commanding Officer?
A. What was that sir.

Q. Did you as a result of the Bty Comd telling you that the transfer to 5th med regt could not be arranged, demand to be paraded to the Commanding Officer as a result of this?
A. No sir.

Q. Do you read Part I Orders?
A. Yes, sir.

Q. Have you ever read Part I Orders in which it lays down the chain of command, for example, what a man in this regt does if he is not satisfied with the result of being paraded to his Bty Comd under any matter?
A. I have, but I took the Major's word as final.

Q. Now, did you ever actually sign an army transfer pro forma for transfer to the 5th med regt?
A. No sir I was never given the chance.

Q. But you did sign one to P.R.O.?
A. Yes sir, but it was refused because I was Category A and I was only 27.

Q. Refused by whom?
A. There was a notice came back from 2nd Echelon stating that I was category A, too young, and that it was a non-combatant job.

Q. Have you ever seen published in Part I Orders extracts from Routine Orders whereby it says that transfers must be in the interests of the service and not in the interests of the individual concerned?
A. Yes, sir, I have read that.

Q. Now, were you in charge of the tech stores in "Q" Bty QM stores?
A. No sir.

Q. Who was?
A. BQMS. Gilbert was in charge of the stores, Bdr Peters was the tech storeman but he was unqualified and as I saw that they weren't going to put him out of the stores, I thought I'd get back to my own regt and keep up the good work I'd been doing for four years.

Q. A short while ago, did the second in command, 3 med regt, make a check of "Q" Bty tech stores?
A. Yes sir.

Q. Who did he go over these stores with?
A. With Camp Burnett and BQMS Gilbert. I didn't have anything to do at all with it.

Q. Did he not question you regarding the stores?
A. The major came in and asked about differend technical things and the QM didn't know what they were and he asked me about them and I told him what they were.

Q. Do you realize that the B.Q.M.S. is responsible for all stores in the bty stores?
A. Yes, he is responsible.

Q. Why does he have a tech storeman?
A. He has a tech storeman to keep track of his books and to indent for new parts for guns, etc.

Q. Therefore the tech storeman is the assistant of the B.Q.M.S. in controlling tech stores?
A. The tech storeman is to keep track of where the stores are or to indent for new parts, or to get parts repaired, and to take care of small arms.

Q. Did you as tech storeman consider yourself as sole controller of those technical stores?
A. Yes, sir, if an ordnance officer had have come around there to check as they usually do I would have been totally responsible for the lack of records as I hadn't been given an opportunity to keep any books.

Q. Why do you think that an ordnance officer could hold you personally responsible for technical stores and not the B.Q.M.S.?
A. Because that is why a tech storeman is paid trades pay, and that is why he takes a course to take charge of them.

Q. Then you consider that the B.Q.M.S. had nothing to do with the technical stores - had no responsibilities whatsoever?
A. I wouldn't say that he had no responsibilities. He is responsible to see that the tech storeman does his job.

Q. But you admit that you had been giving assistance to BQMS Gilbert in controlling tech stores?
A. Only manual labour.

Q. In technical advise?
A. There were loads of times he was stuck and he asked me and I told him.

Q. Then the position in the bty stores was this: that the BQMS used you for technical advise and help and also used you to do some of the manual labour involved?
A. Mostly manual labour.

Questioned by the Court:

Q. Were you at this time drawing pay as tech storeman?
A. Yes, sir, I was drawing my trades pay.

Pvt Smith has no past record of
consistant misbehavior either in civilian life
or in the army. Since serving overseas
he has proven by 14 months service on the
field that he is capable of being a good soldier
Having six months of Chesterfield service he held the
rank of T/5 gr. Clerk.

This soldier admits he has done wrong
in his recent misbehavior. He is repentant
and determined that his future army
record will be a good one

It is felt that if the court could see its way
clear to give as lenient as possible in passing sentence
on this soldier, they will be able to salvage a good
soldier

I went absent without leave from No 1. C.S.R.U. on the 26 mar 44. I had been on a 48 hr pass to Droitwich and overstayed same. I had approximately £48.10.0 in my possession when I left the unit. I won this money in a Poker game

at the unit the evening before I left to go on 4 8 hour pass. I first went to Kingston from Droitwich, living in the Y. M. C. A. there. I remained in Kingston for about 3 days. I then came to London staying at different hotels including Beaver Club, and I stayed in London for about a week, spending most of my time going to shows. From London I went back Kingston and spent the most of the remainder of my leave between Kingston and Wimbledon. When I Kingston I slept at the Y. M. C. STATES:-

In addition to the statement I made to the S.I.B. in London when I was interviewed there, I did have in my possession at that time a number of ration cards which covered various periods of time. These cards came into my possession through a friend of mine B150219 Sgm. Mac Donald J. whom I now believe to be in Prov to Tel. Of the 1 Can Corps.

He had a considerable number of these cards in his possession at that time, which was approx. October 43. At the time he gave me the cards found in my possession, I asked where he had procured these cards and he told me that while employed in the capacity of clerk with No 1 Coy of the said unit, who was at that time billeted in Monn Barracks, Aldershot, that an Englishman had left an envelope containing a large number of these cards in the Orderly Room, and as they were not counted he (Mac Donald) had taken some for himself.

Two of the cards which I had in my possession had the Orderly Room Stamp [illegible]

The accused is a single man and has been in the army a long time. Though his record is lengthy he has no crimes of a serious nature. The consist mostly of A.W.L. and once or twice drunkeness. He has been in and out of hospital almost continuously with a skin infection. On this occasion he got a pass with no intention of going AWL. He got drunk and consequently did not get back and continued in that state for five days.

While in conversation with him found he was of weak character, can't say No. When drunk he forgets his duty which is unfortunate but just his weakness of character.

In view of the above and his present state of health I ask the court to make his punishment as lenient as possible as he does not fully appreciate the hardships of field punishment or imprisonment.

THE CO DIRECTS THAT ALL EVIDENCE BE TAKEN UNDER OATH

FIRST WITNESS

L7159 L/Cpl Peterson, E.T., having been duly sworn states:-

I am employed as a DR of HQ I Cdn Corps Tpt Col at I Ech. I recognize PTE SMITH, R.O., present at this Court. At approximately 1830 hrs on 15 Jan 45 I was in my quarters with Pte Wilson. Pte Pound has a small room adjoining the room which I am in. At the said time Pte Pound entered my room with a blanket and greatcoat under his arm accompanied by Pte Smith, R.O. Pte Pound tried to tell me something and put the blanket and greatcoat on the bed. At the same time Pte Smith tried to tell me something. Pte Smith then asked me to come outside as he wanted to tell me something. I agreed. Pte Smith and I went out together. Pte Smith brought the greatcoat and blanket along.

I could not understand Pte Smith as his tongue was a bit thick. I then got a suspicion that I had seen the greatcoat some place before. I then went into the room, occupied by Pte Forester and Pound and found that Pte Forester's greatcoat was missing. Pte Pound then told me that the blanket and greatcoat that Pte Smith had was the property of Pte Forester. I then ordered Pte Smith into a small room and told Pte Pound to guard him until I came back. I proceeded to the office to report this to RSM Ryder.

I returned to the hut about 15 minutes later and was told by Pte Pound that Pte Smith was gone, but had left the greatcoat and blanket. The next morning Pte Forester identified the blanket and greatcoat in my presence. He identified the blanket as it still contained a pair of pliers that he had placed in one of the pockets a day ago. He also identified the greatcoat as it still had the name in it.

At approximately 1400 hrs 18 Jan 45 I walked into a wine shop in Rome and saw Pte Smith, R.O. there. I ordered Pte Smith to return to camp with me which he did willingly. I turned him over to RSM Ryder at approx 1415 hrs the same date.

Q (1): When you ordered Pte Smith into the small room did you or did you not place him under arrest?

A (1): No Sir.

The above evidence is read back to the witness in the presence of the accused.

The accused declines to cross-examine the witness.

(Sgd) E.G. Peterson.

SECOND WITNESS

D105772 Pte Wilson, C.W. having been duly sworn states:-

I am employed as an Orderly Room clerk, I Can Corps Tpt Coln at I Ech.

At approximately 1830 hrs 15 Jan 45 I was in my hut changing preparing to go out when Pte Pound, one of the men of my unit, who lives in one of the adjoining rooms of our hut, came into our room with the accused and carrying a greatcoat and a blanket. Cpl. Peterson was also in the room. Pte Pound told the Cpl that the accused had taken the greatcoat and blanket from the small adjoining room shared by Pte Pound and Forester. Pte Pound also stated that the greatcoat and blanket belonged to Pte Forester. Pte Smith then asked the Cpl to stay outside as he wished to talk to him. The Cpl and accused went out together. After being outside a short time the Cpl and the accused returned to our quarters. The Cpl then ordered the accused into Pte Pounds room, this was approximately 1840 hrs, 15 Jan 45, and also told Pte Pound to keep an eye on him until he returned. About 5 or 10 minutes later Pte Pound told me that the accused had left. Both Pte Pound and myself went and looked for the accused in the Veh Park but found no trace of him. L/Cpl Peterson returned about 5 minutes later. We met him in the yard and told him that the accused had got away.

Q. (1): Did you or did you not hear L/Cpl Peterson tell the accused that he was under arrest?

A. (1): No Sir. He just told the accused to stay in the room and told Pound to keep an eye on him.

THE ACCUSED PUTS THE FOLLOWING QUESTION TO THE ABOVE WITNESS

Q. (2): When I asked Cpl Peterson to step outside as I wished to speak to him did you see me take out the greatcoat and blanket?

A. (2): No. They had been placed on the bed previously.

The accused declines to further cross examine the witness.

The above evidence was read back in the presence of the accused.

(Sgd) C.W. Wilson.

While on this pass I got intoxicated and did not return that day until I was apprehended the 16 Jan 45 at 1400 hrs. by L/Cpl Peterson. Previous to this on 15 Jan 45 at 1600 hrs I went over to visit L/Cpl Peterson. I was intoxicated at the time and as I had taken my greatcoat from the hospital, while in the state of mind I thought I had left my greatcoat in Cpl Peterson's hut. But was informed by Pte Pound that I had made a mistake. He said that I was in the wrong hut. He took the blanket which was wrapped up in a greatcoat and give them to L/Cpl Peterson. I went outside with L/Cpl Peterson but what took place after that I do not know. On the 16 Jan 45 I was in a bar in Rome and L/Cpl Peterson came in and asked me to come over to 1st echelon. I proceeded with him and he took me to Lt Major Ryder and said here is Pte Smith, N.O. Lt Major Ryder informed me that I was under close arrest and took me to the C.M.P. & S Orderly Room, and told me they would get me blankets and mess tins which they did. From there I went to the Guard Room at 1600 hrs.

At 1700 hrs 18 Jan 45 I left the camp area as I was off duty until curfew. I returned to camp approx 2.30 hrs. As I had been drinking I returned to my quarters and laid down on my bed, with my clothes on and fell asleep. I arose the next morning at approx 0645 hrs and carried on normally. At approx 7 o'clock Cpl Peterson accosted me just outside the quarters and asked me where my greatcoat and blankets were. (As I have a comforter I now have only two blankets one of which I keep inside the comforter). I replied on my bed. Cpl Peterson and I then went into my room together. (I share this room with Pte Pound). Cpl Peterson pointed to a greatcoat and asked if that was mine. I replied No. I then picked up the other greatcoat and told the cpl that this was mine. The cpl then asked me to identify which of the blankets in the room were mine. I identified one and cpl Peterson told me that was good enough. He then told me that the night before at approx 1830 hrs Pte Smith had been apprehended with this greatcoat and blanket of mine attempting to take it out of the hut. He said Smith was first apprehended by Pound and shortly afterwards by himself.

Q. (1): When you left your quarters at 1700 hrs 18 Jan 45 did you see your greatcoat?

A. (1): Yes, Sir. I took it off at 1830 hrs the same day.

Q. (2): How can you identify your greatcoat?

A. (2): It was issued to me about 7 days previous, it has the new type of button on it. I had arrows on my right sleeve. I also had a pair of pliers in my pocket, and a pocketbook containing photographs and my pay book.

Q. (3): How many of these articles were found?

A. (3): All of them.

Q. (4): Under what circumstances did you recover any of these articles and in whose presence?

A. (4): When I next put on my greatcoat at 0630 hrs 19 Jan 45 I found nothing missing from my pockets.

Documentary evidence

F44991 Pte Pound, G.A., having been duly sworn states:-

I am a driver on strength of 1 Cdn Corps Tpt Coln located at 1 Echelon. At approx 1830 hrs 15 Jan 44 I was moving my bed around in the room which I shared with Pte Forester. I noticed the accused (Pte Smith) standing in the corner of my room. When he saw me moving my bed around he proceeded to help me. After we finished moving the bed he started to mumble something which I did not understand. The next thing I heard him say was to the effect, "I guess I will take my coat and blanket and go." I immediately recognized the coat as belonging to Pte Forester. I told him that he must be mistaken that the coat belonged to Pte Forester. I then took both the coat and blanket away from him and then took them to the adjoining room and laid them down on one of the beds there. Pte Wilson was present in this large room then when I did this. I told Pte Wilson that the accused was trying to make off with Pte Forester's coat and blanket. When the accused picked up the coat and blanket in my room I took it away from him before he had a chance to go out of my small room.

At that moment L/Cpl Peterson came into the large room and that at point the accused told L/Cpl Peterson that he would like to speak to him privately. They then both went outside together. I did not hear their conversation. L/Cpl Peterson and the accused seemed to know each other fairly well. It would appear

The next thing I saw was the accused passing the door again alone carrying the blanket and greatcoat. I called to L/Cpl Peterson that the accused was taking Forester's greatcoat and blanket again. I then saw Cpl Peterson take the coat and blanket from the accused and place it back on a bed in our small room. He then brought Smith into our small room and told me to keep an eye on him while he went for his Sgt-Major. I told Smith to sit down and wait till the Cpl returned. He sat down on the head of Forester's bed and I proceeded to turn down my blankets on my bed. While my back was to Smith he bolted out the door. As Pte Wilson and myself heard the accused run out we ran out ourselves to try and locate him. We looked around the M.T. yard but the accused was not to be found.

L/Cpl Peterson returned shortly and we reported what happened. He said he knew his name and could have him located.

ABSTRACT OF EVIDENCE
in the cases of those soldiers whose names appear on the attached charge sheets.

Prepared by Lieut. M.E. Fairweather, HQ 4 Canadian Infantry Brigade.

By direction of the Acting Brigade Major in accordance with Appendix "A" to D.R.O.772.

FIRST WITNESS — Capt. G.P. Copeman, R.C.A.S.C. posted to HQ 4 Cdn Inf Bde as Supply Officer states:

"D.105590 Pte. Cunningham, R., was my driver batman. I last saw him at approximately 1430 hours on 5 Apr 42 when I told him that, as I only had to go to the Supply Column a matter of a few miles, I would drive myself and he could have the rest of the day to himself. I returned to the Officers mess, Cranesden, Mayfield, Sussex at about 2300 hrs 5 Apr 42, left the car, locked, in front of the mess, went in and went to bed. Pte. Cunningham was supposed to waken me in the morning after breakfast, drive me down to the office when he didn't show up by 0900 hrs I went out to get the car to drive myself and it was not there. Knowing that Mondays are vehicle holidays I assumed that possibly Pte Cunningham might have taken the car down to the M.T. garage at Five Ashes for maintenance. I proceeded over to my office in the Gables. At approximately 1200 hrs when the car or Pte Cunningham had still not appeared and I could not trace either of them I reported the fact that they were missing to the Camp Commandant, Lieut. Gooderham. He, in my presence, contacted by phone, the D.A.P.M., the 12th Corps M.Ps., Mayfield and Rotherfield Police. There were two sets of keys for the car, one set which I had and still have, and one set which had been turned over to Pte. Cunningham when he took charge of the car as the driver. I had the petrol tank filled on my way to the Supply Column in the afternoon of 5 Apr 42 and had not driven it more than 10 miles when I left it in front of the mess at 2300 hrs. There were also two 2 gal. petrol tins full of petrol and a 1 gal container full of lubricating oil in the trunk compartment in the rear of the car. I did not give Pte. Cunningham permission in any way to stay out after 2300 hrs on 5 Apr 42. The car was W.D. Ford V8 sedan No.CM 195192".

SECOND WITNESS — B.36653, Cpl. Evanson, F.W., Mess steward officers mess, H.Q. 4 Cdn Inf Bde states:

"I am mess steward, officers mess, HQ 4 Cdn Inf Bde. I am in charge of all batmen and drivers who are quartered in the officers mess and was when the mess was in Cranesden Mayfield Sussex. All passes for this personnel had to go through me by order of the mess committee. The time for this personnel to be in their quarters, unless on pass was 2300 hrs. During our stay in Cranesden, Pte. Cunningham, who was batman driver for Capt. Copeman was in my charge and his quarters were on the third floor of the house. Pte Smith had been quartered in Cranesden on the night of 4 Apr 42 but as there would be no room on the night of 5 Apr 42 he told me he would report at Green Hill and sleep in the quarters there. At about 2355 hrs 5 Apr 42 I went into the room where Pte. Cunningham was quartered and found that he was not in. I checked again at 0630 hrs 6 Apr 42 and found that he hadn't been in all night. To my knowledge Pte. Cunningham had not been issued a pass to remain out of his quarters after 2300 hrs on the night of 5 Apr 42. The next time I saw either Pte Smith or Pte Cunningham was on 7Apr 42, the day after I was told they had been arrested. At about 0800 hrs 6 Apr 42 I reported to the Duty Officer that Pte. Cunningham was missing. Pte. Cunningham was the only man who was absent without leave from the officers mess on the night of 5 Apr 42.

THIRD WITNESS

B.66552 CSM Nettleton, T, HQ 4 Cdn Inf Bde Def Pl (Lorne Scots) states:

"On 16 Apr 42 at about 1040 hrs I was in the Orderly Room at the Gables, Rotherfield Sussex when Cpl Niven reported something to me. I immediately went to the Guard Room and saw the two Accused there, that is Pte Cunningham and Pte Smith. Then I reported the matter to the Acting Brigade Major, Capt. D.F. MacRae who asked me to get Cpl Gow of the transport office. Together we went out and locked up the car just as it had been driven in by the two Accused. The car was the Ford V8 sedan used generally by the Supply officer. It's military number is CM 195192. I did not go near the car again until approximately 1500 hrs 16 Apr 42 when accompanied by Lieut. Fairweather and Cpl Gow. We unlocked the car to make a check of the tool kit petrol tank, speedometer. Particulars of tool kit shortages were recored in the AB412 which showed waht tools should have been with the car. We found the AB 412 in the glove compartment of the car. On examination the petrol tank showed empty and the oil was one quart down. We drove the car a hundred yards along the road and found the speedometer was not registering. The mileage registered on the speedometer was 35400.9 miles. In the rear trunk of the car was found a 2 gal petrol can full of petrol. We could not find any work ticket in the car. When I interviewed the Accused in the Guard Room at approximately 1040 hrs 16 Apr 42 they were both clean and sober. There were no marks showing that any of the doors or windows of the car had been forced."

FOURTH WITNESS

B.66935 L/Cpl Gow, J.T. HQ 4 Cdn Inf Bde states:-

"At about 1100 hrs 16 Apr 42 I was in the transport office at HQ 4 Cdn Inf Bde. The Orderly Cpl, Cpl Niven brought me a message from Capt MacRae to go out into the yard and check over Ford V8 sedan No. CM 195192. ~~The vehicle I knew had been missing from Capt Brymner Lord Strathcona~~ I made a thorough check of the body of the car for possible damages from accidents. On my inspection I found no recent marks of damages. I then locked the car up and handed the keys to Capt MacRae. At about 1500 hrs accompanied by Lieut Fairweather and CSM Nettleton I unlocked the car again in order to check AB 412, look for work ticket check mileage, petrol, oil and tools and equipment. We found the following tools missing:

1 hammer
1 screwdriver
1 spanner
1 pressure gauge
1 can, oil lubricating

We found in the car one rifle No. J.6170 and one respirator with the name of Capt Copeman on it. We found in the trunk compartment in the rear one two gal petrol can full of petrol The mileage registered on the speedometer was 35400.9 miles The petrol in the tank amounted to approximately ⅜ of one gallon. We took a short run with the vehicle and found that the speedometer was not registering. We could not find a work ticket in the car. We locked the car up again and I returned the keys to Capt. MacRae. There are four sedans on HQ 4 Cdn Inf Bde, one used by the Brigadier, one used by the Brigade Major, one used by the Staff Captain and one used by Supply Officer. As Cpl in the transport Section I would know where each vehcile should be. I make out most of the work tickets and sign them. I saw these sedans used by the Brigadier and the Brigade Major several times each day between the 9th of Apr and the 13th of Apr as the Bde HQ was on a scheme and I was with it. We had sent the Staff Captains car to the M.T. garage prior to going on the scheme. There were no marks on the W.D. vehicle CM 195192 when we inspected it on 16 Apr 42 to show that any doors or windows had been forced. The capacity of the petrol tank on this car is 12 gallons.

17

FIFTH WITNESS B.67524 Cpl. Niven, G. HQ 4 Cdn Inf Bde Def Pl (Lorne Scots) states:

"I was Orderly Cpl on 7 Apr 42 and Cpl Clive, who was Orderly Cpl on 6 Apr 42 reported that Ptes Smith and Cunningham were absent without leave. At about 1030 hrs on 16 Apr 42 I was in the mens' kitchen at the Gables when Ptes Cunningham and Smith drove into the yard alongside the kitchen window in W.D. Vehicle CM195192 a Ford V8 sedan. I believe Smith was driving it. They stopped car got out and entered the kitchen. I immediately p them under close arrest with Pte. Gottesman as guard left them in the kitchen until I reported the matter Duty Officer who I believe was Lieut. Wright. I the reported to CSM Nettleton who ordered me to lock th up in the room we generally used for the Guard Room Cunningham and Smith were clean, sober, and in quit spirits".

SIXTH WITNESS B.67557 Cpl Shepherd, J.E. HQ 4 Cdn Inf Bde Def Pl Scots) states:-

"I was Orderly Cpl on 5 Apr 42 and it was one duties to check the roll call at 2300 hrs. Our sys of roll call is to have the N.C.O. in charge of eac call the roll of his hut and report to the Orderly The N.C.O. in charge of the hut in which B.37285 Pt Smith was quartered reported him absent when he cal roll at 2300 hrs 5 Apr 42 and I verified this by ca the roll myself. There were no other absentees repo to me that night".

EVENTH WITNESS B.37582 Pte. Reid, T.P. of 'A' Coy R.H.L.I. 4 Cdn Inf states:

"Between 1530 and 1600 hrs on 11 Apr 42 I was wai for a street car in Coatsbridge, about five miles out Glasgow, Scotland when I saw a Ford Sedan with the 2 C Divisional markings and a sign of the 4 Cdn Inf Bde HQ it. This sign is a red sign about 8 inches square wit big white 81 on it. The car was too far away for me t the number or to recognize the people in it. There mi have been several people in the car but I only saw the markings on both the front and back of the car. The 2 Cdn Div sign is a dark blue square about 8" by 8" and h a big "C" on it in gilt letters with the Roman numerals II inside the "C",".

TH WITNESS P.35305 Sgt. Richards, O., HQ 4 Cdn Inf Bde attached fr RCOC states:-

"We have had four sedans on Bde HQ each one is mark with the 2 Cdn Divisional marking and all have the red square sign with the white '81' on them. On Saturday 11 Apr 42 I was on duty all day at the M.T. garage Five Ash Sussex. There was one sedan in the garage all that day, it's number was CM4202249, it was the sedan used by Staff Captain. This sedan was out of commission from 9 Apr 42 until 16 Apr 42 as we had torn the rear end and transmission out of it on the 8th and it wasn't until Apr 42 that the repairs were completed and the car re to move".

TH WITNESS Lieut. D. Whiteside, Petrol Supply Officer, 2 Cdn Div Pet Coy (5 Coy) RCASC will state Evidence on the values of petrol and lubricating oil.

Evidence for the Prosecution

FIRST WITNESS

L 51804 Tpr. Bar R.W.

" I am L 51804 Tpr. Bar R.W. on the night of 31 Mar 45 I put £5-0-0 in my paybook and laid it on top of my bed, in my trousers pocket. At noon, 1 Apr 45, I noticed it was missing. I reported the matter to Sgt. Townsend. We went to the gate and enquired of Lt. Percy Belchin if anyone had left any money with him for safekeeping. When Tpr. Smith came in we questioned him. After some time he admitted to me that he had taken the money. I wanted him to give it back to me then and there. He gave me back £20-0-0, as that was all he had. I reported the matter to the R.S.M. Sgt. Wessell.

SECOND WITNESS

L 18806 Sgt. Townsend C.H.

I am L 18806 Sgt. Townsend C.H., on morning 1 Apr 45, Tpr. Bar reported to me that he had had £5-0-0 taken from his pocket and that it had been in his pocket when he went to bed at approx. 2030 hrs 31 Mar 45. I enquired into the matter. Suspicion focused on Tpr. Smith and I checked with the amount he had drawn on 31 Apr 45 and the amounts he had paid out were greater than the amount drawn by a fair margin. Just how much I cannot say with accuracy.

R 86646 Sgt. Wessel R.M.

I am R 86646 Sgt. Wessel R.M. On 2 Apr 45 I was R.S.M. At about 2000 hrs Tpr. Bell C.H. came up to me and asked if Tpr. Smith R.W. could be placed under close arrest as he had confessed to stealing £5-0-0 from Tpr. Bar. I went down to the hut and found Tpr. Smith outside his hut with Cpl. Strunk, Tpr. Bar and Tpr. Bell. I ordered Cpl. Strunk to escort Smith to the guard room which he did. While

at the hut I had asked Tpr. Smith what it was all about and he had replied, "I was one of the wise guys, I thought I could get away with it." He then stated that he had stolen the money and he was ready to take what was coming to him.

The accused, on oath, states:

As for my transfer has been disapproved. I do know that others have been approved. I have copy of answer from C. M. H. D. Since taking summary court here I have not been used as an instructor at all but have been doing general duties here. I have had only one previous A.W.L. of 4 days in my record. I got 60 days Detention for that. I asked & had an interview with my C.O. who told me after my sentence I would be given same chance as any other soldier. I served my sentence. On return I was offered a job with Ed. Services & asked for a transfer which was not granted. I continued on general duties. I don't feel I have been given a chance. I have been known about as little opportunity I had to go & Education Services was refused. I don't appreciate my pass. I feel I can still be of service better than I am given an opportunity to do.

The undersigned is read over to the writers.

Tpr Smith R.C.M.

The accused graduated from West Point Military College 1929 and served as an Officer in the American army until 1938 He joined the Canadian forces in 1941 and was gunnery instructor Camp Borden He, some months ago made application for a transfer to the American forces. Brig. O.B. Abbott of the U.S. army H.Q London asked C.M.H.Q to grant this transfer having a particular job for Tpr Smith. On June 17/43 Tpr Smith received a pass to go to London to find out what action had been taken in his case. He was told at C.M.H.Q that the transfer was refused. He then interviewed American H.Q and was advised to take the matter up with Mr Winant American Ambassador He wired for an extension of leave. This was refused and in order to do what he could while in London he overstayed his pass for 3 days. His Sqn O.C. stated, had he known the reason he would have granted the extension.

The accused is a man with exceptional army experience. He is valuable as an instructor and as his Sqn O.C. has stated his conduct while at

No 3 C.A.C.R.M. has been excellent. I would ask in the interest both of Pvt Smith and all concerned that the Court consider these matters in sentencing the accused and that a light sentence be given in this case.

The President produces the Convening Order, Charge Sheet and Summary of Evidence.

The President, in closed court, reads the Convening Order and the Charge Sheet to the Members, and the Court satisfy themselves that it is properly convened and constituted, that the accused is amenable to Military law, and that each charge discloses an offence.

The accused is brought before the Court and at 1300 hours, the trial commences.

The Prosecuting Officer produces a Medical certificate under K.R. (Can) 550 that the accused has this day been examined and is fit to undergo trial by Court Martial. The certificate is signed by the President and attached to the proceedings.

The Convening Order is read in the hearing of the accused.

The names of the President and Members of the Court are read to the accused and they severally answer to their names.

President to accused

Q. 1 Do you object to be tried by me as President or by any of the officers whose names you have heard read over?

A. 1 No, sir.

The President, Members, Judge Advocate and Officers under Instruction are duly sworn.

The Prosecuting Officer informs the Court that the accused has not elected trial by Court Martial.

Each charge is read to the accused and he is asked as each charge is read whether he pleads guilty or not guilty. He pleads as follows:

First Charge - Guilty

Second Charge - Not Guilty

The President complies with K.R. 35(b) in respect of the "Guilty" plea by ascertaining that the accused understands the nature of the charge and his plea thereto, explaining the difference in

procedure by the plea and advising him to withdraw his plea if he thinks the accused ought to plead 'Not Guilty' thereto.

President to accused

Q. 2 Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity for preparing your defence?

A. 2 No, sir.

The Prosecuting officer announces that he is not offering any evidence on the second charge and the Court announce that they will enter a finding of Not Guilty on the second charge.

The findings of the Court are recorded on page 2 of APA 3.

The charge to which the accused pleaded "Guilty" is read to him.

The finding of the Court is recorded on page 2 of APA 3.

President to accused

Q. 3 Do you desire to make any statement of the circumstances in reference to the charge to which you have pleaded guilty?

A. 3 No, sir.

The Summary of Evidence is read aloud, in the presence of the accused, signed by the President and attached to the proceedings.

President to accused

Q. 4 Do you wish to make any statement in mitigation of punishment?

A. 4 No, sir.

Q. 5 Do you wish to give evidence yourself or to call any witnesses as to character?

A. 5 No, sir.

Statement of Character and Service, and Field Conduct Sheet, signed in the manner required by A.A. 1918(1)(h) and purporting to refer to the accused by his number, rank, name and Corps, are produced to the Court, read, signed by the President and attached to the proceedings.

President to Accused

Q. 6 Do you wish to address the Court on your Statements of Character, Service and Conduct in further mitigation of punishment?

A. 6 Yes, sir.

Statement by the Defending officer in mitigation of punishment is recorded on separate sheet, initialled by the President and attached hereto.

The President announces

"The Court is closed for consideration of the sentence. The sentence to be awarded by the Court, when subject to confirmation will not be announced but will be promulgated later and the proceedings in Open Court are accordingly terminated."

The Court is closed to consider the sentence.

The sentence is recorded, dated and signed by the President on page 2 of AFA 5.

PLEA FOR MITIGATION IN THE CASE OF B97019 Tpr SMITH [redacted]

Tpr Smith pleaded guilty to the first charge because he was in fact absent and did not in fact have a pass but there are reasons which, to a certain extent, extenuate this offence. The basic reason is, as usual, a young lady. For the past six months Tpr Smith has been trying to get married and has so far been unsuccessful in obtaining permission. Immediately prior to this offence Smith received a letter from this girl saying that she wanted to see him immediately as she was fed up with being continually put off whether this was due to any neglect on Smith's part or to delay in Army technicalities. Accordingly Smith decided to go and see her as her leave coincided. On arriving at her home he found that her leave had been postponed and he was unable to see her until the day before his return. It is submitted that there was some justification in going AWL but to remain absent so long was sheer stupidity.

It will be noted from Tpr Smith's Conduct Sheet that in four years of service he has been guilty of only one other offence and that of improper enlistment at the age of sixteen by misrepresenting his age and it is suggested that this offence is one that might well be commended.

In view of the temptation to leave and in particular the excellent previous record, may as lenient a view as possible be taken of this first offence of this very young man.

(D H Stodart) Capt

Summary of evidence in the case of B-37019 Tpr. Roy William SMITH, Headquarters Squadron (7/XI Hussars) 5 Canadian Armoured Brigade, Canadian Army Overseas, charged with :

Absence without leave from 3 Aug 43 to 25 Aug 43.

Losing by neglect his equipment clothing and regimental necessaries.

The Commanding Officer directs that the evidence be taken on oath.

First Witness

A-34877, Cpl. Pearse, F.G., H.Q. Sqn (7/XI Hussars) 5 Cdn Armd Bde, having been duly sworn, states:

On the 3 Aug 43 I was acting Orderly Sergeant of H.Q. Sqn (7/XI Hussars) 5 Cdn Armd Bde. There were only a few men left in the Unit lines on that date as most of the Squadron were away on a scheme. B-37019 Tpr. Smith, R.W., whom I recognize as the accused in this case, was one of those men left behind and was employed as a fireman in the kitchen. At 0600 hrs of that day I called the roll and checked to see that each man was on his job as all the personnel left behind were employed on various duties. I found that B-37019 Tpr. Smith, R.W., was missing and after searching through all the huts and unit lines was unable to find him. I then put his name on the absentee report in the Orderly Room. He was still absent on the reveille roll call on the 4 Aug 43. I did not see the accused again until the 26 Aug 43 when he was being paraded before his Commanding Officer.

The accused declines to cross examine this witness.

Second Witness

B-74565, Sgt. Waters, J.M., H.Q. Sqn (7/XI Hussars) 5 Cdn Armd Bde, having been duly sworn, states:

I was and still am the sergeant of the troop in H.Q. Sqn (7/XI Hussars) 5 Cdn Armd Bde in which B-37190 Tpr. Smith, R.W., whom I recognize as the accused in this case, was a member. On the evening of the 4 Aug 43 I returned to the Unit lines with my troop from scheme. B-37019 Tpr. Smith, R.W. had not accompanied the troop on this scheme and had been left behind in camp as one of the fatigue men. At 0600 hrs 5 Aug 43 I called the roll and the accused did not answer his name. I checked in the Orderly Room and found he had been absent without leave since 0600 hrs, 3 Aug 43. I continued to call the roll on all subsequent parades of my troop and the accused did not appear on any of them or answer his name.

On the 25 Aug 43 I was acting as Orderly Sergeant for H.Q. Squadron (7/XI Hussars) 5 Cdn Armd Bde. About 1830 hrs of that day B-37019 Tpr. Smith, R.W., surrendered himself to me in the Unit lines. He was at the time sober and properly dressed. I placed him under close arrest and had him placed in the Camp Guard Room.

The accused declines to cross examine this witness.

Third Witness

G-53450, L/Cpl. Daley, S.A., H.Q. Sqn (7/XI Hussars) 5 Cdn Armd Bde, having been duly sworn, states:

I am storeman in the Q.M. Stores of H.Q. Sqn (7/XI Hussars) 5 Cdn Armd Bde. On the 26 Aug 43 I checked the kit of B-37019 Tpr. First Witness for the Prosecution
Mrs. Wilhelmina Kooves, Lingenstrasse 12,
Meppen, Germany, having been duly sworn
states:
I am a German civilian and am in habit and
at Germany.
Yes I recall the 14th April 45 at 0545 hrs a
soldier came to my door. I heard the soldier
asking my neighbour who answered the door,
where his billets were. I saw that he was tired
and I took him in the bed-room I
understood that he had to be at work at
8 o'clock. I left him in the bed-room
sitting on the bed. I woke him at 7.45.
The soldier drank a cup of tea and ate
a piece of cake on the bed which I took up to
the military Police.
The accused is the soldier in question.
He did not harm - he looked tired.
X-examination.
I am positive this is the man.
(RP 83 B complied with)

Second Witness for the Prosecution
B 8544 A/Sgt Clarke B.E. 4 Coy Borneo Bde HQ SP
RCEME having been duly sworn states;
14 April 45 the accused whom I know was
on strength my unit and was not on
Parade at 0800 hrs. and was reported absent.
He was not in immediate vicinity. If
was his duty to be present.

our unit. (R.P. 83 B complied with)

Defence.

B 585 23 Cfn Smith R.W. 4 Can Armd Bde Wksp.
R.C.E.M.E. having been duly sworn states:-

I do not deny that I went to this German
woman's house.
I thought it was my duty to get to camp
as soon as possible. There were no
Warrians in the street. I was hopelessly lost.
A boy approx. 16 yrs old answered the door.
I asked him if he knew where the railway
was where we were billeted.
The woman who came outside came to
the door and I asked her the same question
through an interpreter. I then asked her
if she knew where any soldiers slept.
She motioned me in. I asked her husband
the same question.
I sat down on the chair as I felt tired.
The woman beckoned me into another
room - it was a bed-room. I asked
her to cook me a meal at 7.45 as I thought
there would then be someone on street
I could get directions from.
I know of non-fraternising orders under

I knew I should not go into human
house. I thought it was my duty to get
back to camp. I was sick and tired
and drunk (from my way.

(RP833 complied with)

Prosecution's address

I think the evidence is quite clear. There was a case of fraternization on the part of the accused. I doubt if he can be criticized for trying to find his way back to camp but knowing the order he should not have remained in the German civilian house.

Defending Officer's address.

A full defence was not intent to commit a crime. The accused was trying to carry out his duty of getting back to camp.

Plea in mitigation.

Crime sheet is not serious.
He is undergoing 28 days F.P. for being absent at time of fraternization.
He is not married but is sending home money for ~~his~~ towards support of his parents.

Exhibit A

PART I ORDERS 4 CDN ARMD DIV WKSP RCEME This Order No 28
Issued by Offr Comd MAJOR R E LANE Dated 10 Apr 45.

Last Order No 27
Dated 9 Apr 45.

91. PRIVILEGE LEAVE ON THE CONTINENT

1. Privilege Leave on the Continent is authorized wef 1 Apr 45 subject to the conditions set out in this instruction.

2. Offrs and ORs who elect to take their leave on the Continent will take such leave instead of the UK Leave.

3. Eligibility will be the same as for leave to UK.

4. Period of leave will be seven clear days exel travelling time. No offr or OR will be absent from the unit for a period of more than eleven days.

5. Personnel travelling to destinations other than official leave establishments will carry with them rations for the full period of leave including travelling time unless they are proceeding to PARIS and its suburbs or BRUSSELLS and its suburbs when rations may be drawn in kind on application of Brit Army Staff PARIS and BRUSSELLS Garrisons respectively.

6. All ranks will be paid before departure. The amount of currency that a soldier can exchange will be marked on the leave pass.

7. Arms and capt will NOT be carried.

8. Battle dress with web belt will be worn by RRs. Anklets web are optional.

9. Purchases of food stuffs is forbidden.

92. EIGHTH VICTORY LOAN

1. Tuesday 10 Apr 45 will mark the beginning of the new Victory loan drive in this unit. The drive will be continued until Saturday 21 Apr 45 in order that personnel now on leave will have the opportunity of purchasing Victory Bonds.

2. We now have every reason to believe that this will be the last such drive with Victory so close at hand. It should be sufficient to say "Canada needs the money, Boys" and this is no time to slow down and relax on the financial front, any more than it is on the fighting front.

3. In addition to this however, every man who can possibly afford the purchase of a bond, and passes up the opportunity is doing an injustice to himself. We say this, because, at the present time, there is no better cold blooded business proposition available to any of us, than to get that surplus money out of our paybooks and bank accounts and put it to work for us, along with any future pay that we can get along without. The return on the investment in itself should be sufficient incentive for us to purchase bonds right up to our limit. But in addition to that we are buying extra financial security for ourselves and our families, and doing it in such a way that our money which we have invested is still always available to us, as Victory Bonds, are Cash and can be turned back into Dollars and Cents at a moments notice should an emergency make this necessary.

4. So, lets go, and get our orders in early, get the unit "Over the Top" and each do ourselves a good turn at the same time.

The following message from THE GENERAL OFFICER COMMANDING-IN-CHIEF First Canadian Army is herewith republished:-

"Last October, on the inauguration of Canada's Seventh Victory Loan, I remarked to you that "The Allied Forces are now gathering on the threshold of complete military success". Well, we gathered

92. EIGHT VICTORY LOAN(CONTD)

We drove our way across that threshold and without any doubt, we are now proceeding to finish off the business. As Canadians, it is our intention to lose no time or opportunity in doing so.

On 12 Apr the Eight Victory Loan will be launched throughout the Canadian Army Overseas. I believe that this Loan will be , in fact, the Victory Loan. In any event, there could not be a financial investment which better merits our complete support or a better time to give it.

In former loans, the large amounts subscribed by all ranks of the Canadian Army have provided Canadians at home with a challenge and an inspiration. Let us make this occasion, marked by the thrust of Canadian troops across the Rhine and into Hitler's Germany an outstanding example."

93. NON-FRATERNIZATION

1. Cdn Army Routine Order (21 A Gp) 1111 is hereby republished for the infm of all ranks and will be read to all ranks on parade.

2. Non-Fraternization means having nothing whatever to do with the German people except the minimum contact required for the execution of military duty.

3. All acts of fraternization is absolutely forbidden. The following are examples of fraternization:-

(a) Shaking hands with Germans
(b) Permitting children to climb into motor vehicles or to congregate in areas around military premises.
(c) Associating on familiar terms with women.
(d) Visiting German Houses.
(e) Drinking with Germans.
(f) Playing games or sports with them.
(g) Making or accepting gifts of any sort (even to or from children)
(h) Attending German dances, entertainments or other social events.
(i) Accompanying Germans on the streets, in theatres, taverns, hotels or elsewhere, except on official business.
(j) Communicating with Germans on any subject except official business.

4. The above examples are not exhaustive.

5. Disciplinary action will be taken in all cases of fraternization.

6. Fraternization offences may be minor or serious in character.

Examples of minor offences
Speaking to women or girls(except in cases of absolute necessity); shaking hands with germans; small gifts to germans(incl children); permitting children to climb on vehs or germans to congregate about mil premises.

Examples of Serious Cases
Associating with women or girls; visiting german homes; drinking with germans; playing games or sports with them; giving or accepting gifts(except of the most trivial nature provided above) attending german dances or other social even

Accompanying Germans on the street, in theatres, taverns, hotels or elsewhere (except on official business; discussions and arguements with germans especially on politics or on the future of Germany.

94. SUPREME COMMANDER'S MESSAGE

The following Order of the day, addressed to every member of the AEF, was issued by the Supreme Commander on 3 Apr 45.

"The encirclement of the RUHR by a wide pincer movement has cut off the whole of Army Group B and parts of Army Groups H and G thus forming a large pocket of enemy tps whose fate is sealed and who are ripe for annihilation. The most vital industrial area is denied to the German War potential. This magnificient feat of arms will bring the war more rapidly to a close. It will long be remembered in history as an outstanding battle - - THE BATTLE OF THE RUHR."

96. ROTATION LEAVE TO CANADA.

IN THE PAST vacancies for this leave were made on a theatre basis as between Cdn Tps in the AAI and AEF. Commencing for the quota in May vacancies for this leave will be combined, and all selections for this and future leave will be made by Cdn Sec 2 Ech HQ 21 A Gp.

As in the past personnel with the highest total of points will be despatched first. Records from CMHQ disclose that personnel with 5 years Overseas Service (without taking into account double credits for service in a theatre of Ops) are more numerous in the AAI than in the AEF.

It is realized that this situation may cause some disappointment to personnel of the AEF who have had reason to believe that their point totals would be sufficiently high to ensure selection for an early quota, yet it would be manifestly unfair to despatch personnel with low point totals at the expence of others with longer service.

FIRST WITNESS

H-17026 Sjt Reekie W M, No 13 Cdn Pro Coy, having been duly sworn:-

At approx 1030 hrs 19 Apr 45 I received instructions from RSM Giles 13 Cdn Pro Coy to investigate a complaint laid by a civilian German known as Bernhardt Strahl 37 Lingenstrasse Meppen. I proceeded with the civilian to his house, I was also accompanied by A-3727 L/Cpl Palmer G E and an interpreter from 821 Det Mil. Government. The civilian Strahl produced a black beret with an Ordnance Badge. The badge was defaced.
(The black beret is produced here and marked Exhibit "A")
I proceeded to Kliene's house, a German Civilian policeman, but he was not in. I thoroughly searched Strahl's bedroom finding one empty .45 automatic casing. I also took two empty automatic casings and a live round from Strahl and have them here.
(Three fired .45 cal Rimless casings and one live round of .45 cal rimless ammunition are produced here and marked exhibit "B")
With an interpreter, I proceeded to 12 Lingenstrasse Meppen and questioned a woman of the house. I then proceeded to 4 Cdn Armd Bde Wksp RCEME 4 Cdn Armd Div, on my arrival there I checked with the guard if anybody had come in after 0800 hrs. I asked to see Cfn Smith and asked for permission to go through his kit, which I did. Nothing was found. I then asked Cfn Smith for his beret. He said he had lost it the night before. I then produced a black beret which had been found at Strahl's house and I said "Is this your beret, Smith?" he siad, "Yes, it is mine". I asked him where he had lost it. He said " I Dont know." I then asked Cfn Smith whom he was out with the night before, He replied, "McKay". I asked to see McKay's bed and found under it seven articles of clothing, six of which I later handed to Strahl. I then left instructions that Cfn McKay be placed under arrest on his return. At approx 1330 hrs I returned to see Cfn Smith and McKay. After being cautioned, Cfn Smith gave me a statement. I then cautioned Cfn McKay but he declined to give a xxx statement.
(A copy of Cfn Smith's statement to Sjt Reekie is attached here to as Exhibit "C")

Cross-examined by accused.

Q. By which door exactly, was the black beret found?
A. Immediately in front of the door of 37 Lingenstrasse opening onto the sidewalk of that street.

H-17026 Sjt Reekie W M
13 Cdn Pro Coy.

SECOND WITNESS (Obtained through an interpreter)
Bernhardt Strahl, German Civilian, resident Lingenstrasse 37 Meppen having been duly sworn states:-

On about 18th or 19th of April, I and my wife were in bed. There was some noise at the front door and two soldiers came into the house and went into the bedroom. Both had pistols. They were both drunk. I asked what they wanted and they said something which I did not understand. I was under the impression that they wanted to sleep for the night. My wife was in bed at the time. The taller of the two soldiers fired a shot from the pistol. I became afraid, not knowing what it was about. The smaller soldier tried to get the taller out of the house. The taller of the two then put his pistol inside his jacket. Then he drew the pistol again and fired once more. The taller soldier sat on the edge of my wife's bed and started to take some clothes off so my wife got out of bed. The soldier who sat on the bed only appeared to be drunk and sat down to steady himself. He did not touch my wife. My wife and I left the room. We came back about 0600 hrs and found several articles of clothing missing. The pockets of some of the clothing had been emptied and there were personal papers strewn over the floor. I reported the matter to the military police here(13 Pro Coy) Later on in the day a military policeman brought to the house articles of clothing which I identified as mine, and which had been taken by the soldiers. One of the soldiers vomited and his beret fell off his head and I picked it up at the front door of my house. I also found two empty cartridges in the house, and two outside. I gave the beret and the cartridge cases to the military policeman. (The beret marked Exhibit "A" was produced and the witness recognized it as the one he had found that morning in front of his door.

My daughter came into the room after the second shot was fired; the smaller of the two soldiers gave her a push by the shoulders but did not do anything else to her. The left the house with my wife and I. We went to a neighbor's house.

One soldier was dark, the other fair. I cannot identify the two soldiers here(the accused Smith and McKay) for certain. There was no light in the room. The taller of the two soldiers had a flashlight.

The accused declines to cross-examine the witness.

Bernhardt Strahl.

THIRD WITNESS (obtained through an interpreter)
Mrs Hermann Korves, 12 Lingenstrasse, Meppen, German civilian having been duly sworn states:-

At about 0545 hrs a soldier knocked on the door. My nephew answered the door. The soldier asked if he could sleep in the house. My nephew said thay had no beds empty. My husband got up and let the soldier take his bed. He slept there for two hours until 0800hrs when he had asked to be wakened. He then left. The soldier gave me some cigarettes which I later turned over to the Military Police. The witness was asked whether she could identify either of the soldiers in the room as the one who had slept in her house. She positively identified Smith as the man. He did no harm. (the cigarettes are here produced and marked Exhibit "B")

Cross-examined by accused

Q. How many cigarettes did the soldier give you?
A. He gave me a handful, which I gave to the police.

Mrs Hermann Korves

FOURTH WITNESS (Obtained through an interpreter)
Anni Strahl, 37 Lingenstrasse Meppen German Civilian having been duly sworn states:-

On the night of 18-19 Apr 45 I heard shouting from my mother's bedroom and shots. I got up and went into my mother and father's bedroom. The smaller of the soldiers caught me by the nightdress but did not hurt me; then he let go. Then I ran away outside. There were two soldiers. Only one grabbed me, then let go. I then went to a neighbors house, where my mother and father had gone.

The witness stated that by his general outline she thought Cfn Smith, who was in the room with Cfn McKay while this evidence was being taken, was the one who had grabbed her, but she could not be certain.

The accused declines to cross-examine the witness.

(Anni Strahl)

FIFTH WITNESS B-8549 S/Sjt Clarke, B L - 4 Cdn Armd Bde Wksp RCEME having been duly sworn states:-

On the morning of the 19 Apr 45 when I took morning roll call at 0800 hrs, the accused Cfn Smith R W did not answer his name, and I could not see him either on parade or in the vicinity of the Small Arms Section of the Workshop. I then reported the matter to the Orderly Room. While I was at the Orderly Room he came to the Small Arms Section and I saw him on my return from the Orderly Room at 0835 hrs. I then warned him to prepare himself for office, and had a charge of AWL laid against him.

The accused declines to cross-examine the witness.

(B8549 S/Sjt Clarke B L)

The accused was cautioned as follows:-

"Do you wish to make any statement or to give evidence on oath? you are not obliged to say anything or to give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence."

The accused declines to make any statement or to give evidence on oath.

The accused declined to call any witnesses.

"I certify that the foregoing Summary of Evidence consisting of four(4) pages, was taken down by me in the presence of the accused, and that RP 4(c)(d)(e)(f) and (g) have been complied with."

Owing to circumstances that I knew nothing about I was transferred from No. 7 General to No. 17 General Hospital, directly I got here I applied for leave again & was told that the O.C. Hospital here could not give me leave it would have to come from London. Later I was told that I couldn't have leave & so I went absent without leave as I felt badly about not getting leave at Christmas.

"On the 24 Dec 42, I was night wardmaster, and at 2100 hours, as usual, I went around the wards to check the patients. I found that Pte. Smith, the accused, having a pass expiring at 2100 hours that night, was not back. I reported that he was absent without leave, and submitted my report to the day wardmaster the following morning. During the following nights, I noted that he was not present, and I reported accordingly. I was on night duty until the 30 Dec 42. He was still absent when I was on duty during the following days."

B.73374 Cpl. SMITH, S.

1st Witness for the Prosecution, B.73357 Cpl. GROVES, A.E., after having been duly sworn states:

Prosecution:

1.Q. Will you tell the Court what happened on the day 16 Oct 40, leading up to the charges as read?
A. On that date about 1430 hrs we had just returned from a coal convoy from ISLEWORTH. We had trouble on the convoy and had been delayed and were late in coming in. On returning we went to Headquarters Company kitchen to get something to eat. While in the kitchen Cpl. Smith came over to me and said, "What is matter with you are you looking for another stripe?" I replied "What do you mean?". The answer he gave was "You know what I mean", and I presumed he was referring to the incident in the morning when I had put Pte. Prue, who had left his vehicle, under open arrest. This started the argument and harsh words were passed from one to the other and I think it would have come to blows, if someone had not stepped between us.

2.Q.Why do you think Cpl. Smith referred to that incident of the morning?
A.Well he told me that Cpl. Smith gave him permission to go and leave his truck to get lunch.

3.Q.What did Smith say to you in the kitchen?
A.What is the matter with you are ~~x~~ you looking for another stripe?

4.Q.You assumed that it was the incident of Pte. Prue that Cpl. Smith was referring to?
A.Yes sir.

5.Q.Did you know that Cpl. Smith had given permission to Pte.Prue to leave?
A. No sir.

6.Q.Did you know that when Cpl. Smith came to you in the kitchen?
A. Yes sir.

7.Q.What happened next?
A.He ~~xix~~ said you know what I mean. Then we argued back and forth for some time, and during the course of the argument he called me ~~an~~ yellow prick and said that I had no guts.

8.Q.Did the argument get rather heated both back and forward?
A.Yes sir.

9.Q.Who were all there in the kitchen?
A.Pte. O'Brien and L/Cpl.Pennycook and most of the men of the convoy.

10.Q.Were they all within earshot?
A. I don't know sir.

Defence:

1.Q.Who do you think were within earshot when those remarks were passed?
A.I don't really know, but I think Pte. O'Brien and Pennycook could have heard.

2.Q.Did you lay the charge against Cpl. Smith?
A.Yes sir.

A Mercier Major

B.73374 Cpl. SMITH, S.

Prosecution:

1.Q.Were you in command of the coal fatigue?
A.I was ~~xxx~~ in charge of the transport section of the coal fatigue, and I believe Cpl. Smith was responsible for seeing that the right weights were put on each truck and for the distribution of the coal.

2.Q.Therefore he did not have any authority over your men?
A.Not of the Transport men.

2nd Witness for the Prosecution, B.73430 L/Cpl. Pennycook, R. having been duly sworn states:

Prosecution:

1.Q.What happened in regard to these charges on 16 Oct 40?
A.We had been on a coal convoy to ISLEWORTH and after we came backall the drivers including myself went to the kitchen for something to eat. We had had some trouble on the convoy in that some of the men had got hold of some drink. I approached Cpl. Smith and said kiddingly "You are a fine one to be in charge of the coal fatigue". He replied," I wasn't in charge of the fatigue, merely there to check the weights. I left him and Cpl. Smith left the kitchen. The next thing I noticed was the sound of voices and arguing for outside, and when I went outside to see what it was all about I saw Cpl Smith and Cpl. Groves arguing. The argument got kind of hot so I stepped in between them to stop a fight.

Court:

1.Q.How much of the argument did you hear?
A.I heard Cpl. Smith call Cpl. Groves a yellow prick, this was all I really heard of the argument as I heard the voices, but did not pay any attention to them until I recognized that it was a hot argument.

Defence:

1.Q.You say that there is no question of drink involved in this case, and that you went up to Smith first and said "You are a fine one to be in charge of a coal fatigue", then there was some sort of explanation by Cpl. Smith, then I am correct in understanding that Cpl. Groves and Cpl Smith went outside the kitchen?
A.I cannot recall that Cpl. Groves was in the kitchen when I was talking to Cpl. Smith.

2.Q.Then the rest of convoy personnel were in the kitchen?
A.Yes sir Pte. O'Brien was next to Cpl. Smith.

3.Q.You heard words from outside?
A.Yes sir.

4.Q.Did something make you think that they were in an argument?
A.The voices were louder than used in usual conversation, so I went outside.

5.Q.The two men were arguming?
A.Yes sir.

6.Q.Did you hear Cpl. Smith call Cpl. Groves a yellow prick and say that he did not have any guts?
A.Yes sir.

7.Q.Had Cpl. Groves call Cpl. Smith anything back?
A.I don't remember anything else.

8.Q.Why do you not remember anything else when you remember that little incident?
A.Because I stepped in at that time.

W.Means Major

B.73374 Cpl. SMITH, S:

9. Q.Who else was near them?
A.Pte. O'Brien was the only one within earshot.

10. Q.Was there any one else in the kitchen?
A.There were some other soldiers in the kitchen about 15 or 20 feet away, but they were not as near as O'Brien.

11. Q.Do you know who started the argument?
A.I cannot say as I was in the kitchen.

3rd Witness for the Prosecution, B.73551 Pte. O'Brien, G. having been duly sworn states:

Prosecution:
1.Q.What do you know about 16 Oct 40 in regard to the charges read?.
A.We had just come back from a coal convoy and were getting something to eat and I was talking to either Cpl. Smith or Cpl Groves, I don't remember exactly which one but do know that it was either of them, when the other one of them joined us and Cpl Smith said to Cpl. Groves "What's the matter are you looking for another stripe?" Cpl. Groves answered, "What do you mean?", and they started to argue and talk loud and swear at each other. It was the same language you hear around the fellows all the time so I did not pay any attention to it as swearing is quite common among the men.

Defence:
1. Q.Pte. O'Brien, I gather from your statement that you did not think there was going to be a fight?
A.That is right sir.

2. Q.Did it not occur to you that these were two N.C.O's that were arguing and that it was improper for them to be talking like that?
A.No sir, to me it was just two men arguing, you see it every day in the lines, and don't pay any attention to it.

3. Q.You heard Cpl. Smith asked Cpl Groves if he was looking for another stripe, did that not strike you that it was none of Smith's business?

Defence: I Object

Court: Objection sustained.

1st Witness for the Defence, Character Witness, B.73302 Sgt. Stowell, S., having been duly sworn states:

Defence:
1.Q. What can you tell the Court as to the character of the Accused? General ability, etc.?
A.I have known the Accused in a personal waysince November 1939 and in my opinion he is a good soldier. I have seen him doing fatigue work as he has been employed for some time and general duty and have always known him to be a good soldier.

2.Q. Did you have a chance to see him considerably?

H.H. Mercer Maj

B.73374 Cpl. SMITH, S.

A. Quite considerably sir.

3. Q. You belong to transport and he was the Shoemaker?
A. Yes sir, but he is no longer employed as Shoemaker and is employed on fatigues around Headquarters Company.

4. Q. Is he of a quarrelsome nature?
a. No sir, properly handled he is a good soldier.

B.73374 Cpl. SMITH, S. having been duly sworn, appears as a Witness on his own behalf as 2nd witness for Defence:

Defence:

1. Q. Cpl. Smith, on the 16 Oct 40 you came back from the coal convoy, is that right?
A. Yes sir.

2. Q. What happened first when you were in having your meal?
A. I was in talking to L/Cpl Pennycook when he referred to me as being a poor one to be in charge of thecoal fatigue. I explained to him that I had not been in charge of the coal fatigue, but had been along to check the weights and look after the distribution of the coal. I then left the kitchen to find Cpl. Groves and find out why he had placed Pte. Prue under open arrest, when I had given Prue permission to leave his truck. The only explanation I could find myself is that he (Cpl. Groves) wanted to show me that he had all the authority on the convoy.

3. Q. Did you have any other reason for looking up Cpl.Groves?
A. No sir, I merely wanted to have an explanation why he had placed Prue under open arrest, when Prue had got permission off me, seeing as I was the only N.C.O. handy to give him permission.

4. Q. Who was around when the argument commenced?
A. Just the witnesses, L/Cpl Pennycook and Pte. O'Brien.

5. Q. As far as you know, no one else was within hearing?
A. Yes sir that is right.

6. Q. What is this all about about you taking off your respirator and steel hat and saying "If you are looking for trouble this is the place to get it?"
A. I had my respirator with steel hat around it on my shoulder, and just took it off as it was heavy and I was eating.

7. Q. This was during the argument?
A. Yes sir.

8. Q. The argument was getting rather heated?
A. Yes sir.

9. Q. It would have led to a fight?
A. If Cpl. Groves had taken offence at the words called at him, as I have not any doubt but he would, it would have led to a fight.

J.P. Brown Major

B.73374 Cpl. SMITH, S.

10. Q. Did Cpl. Groves swear at you?
A. He swore at me as much as I swore at him.

Prosecution:

1. Q. Who detailed this fatigue to go away?
A. The Company Orderly Sergeant sir.

2. Q. You were in charge of the proper loading of the trucks?
A. Yes sir.

3. Q. Did you normally have any authority over our men on these jobs?
A. I really don't have a clear idea as to what is my job, but I was put in charge of the coal and wood supply for the building for the winter, pending my transfer back to Ordnance, and I naturally thought I was in charge of the Coal Fatigue as Major Armstrong had made me responsible for the fuel supply.

4. Q. What was Cpl. Groves doing?
A. He was in charge of the transport men, as transport corporal.

5. Q. In Pte. O'Brien's evidence he brought out the matter of your remark to Groves regarding another stripe, did you make that remark?
A. Yes sir.

6. Q. Was that of any particular interest to you?
A. It is a remark passed everyday between N.C.O's and N.C.O's and men to men and is meant more or less as a rib.

7. Q. In your evidence you did not say anything about the second charge against you? Did you say these words?
A. Yes sir.

Address by the Prosecution:

In the course of the evidence brought out by Cpl Groves, L/Cpl Pennycook, and Pte. O'Brien it appears that there had been some discussion and dissension in the morning prior to the time the charge was laid, between the two corporals, due to Groves action in putting a man under open arrest. The accused does not seem to be sure who was incharge of the convoy, but in my opinion Cpl. Groves was in charge of the convoy. While the Accused admits to making a jibe about a stripe, he said it was a comment place remark, but it strikes me he was making an out of place remark as the promotion of 48th Highlander N.C.O.'s has nothing to do with attached personnel.

B.73376 Cpl. SMITH, S.

Whwn I asked the accused if he had used the language as laid out in the second charge, he admitted that he had, yet he pleaded not guilety to that charge.

Rebuttal by the Defence:

I shall deal with the comments on the second charge first. The fact that the Accused admitted saying these words is only a little part of the charge and does not mean that he is guilty of the charge. I might also comment that Cpl. Smith is completely innocent of all the charges laid against him and I order that ~~him~~ the Court so find him. I continue by saying that practically nothing set out in the charges has been proven. The evidence brought out that the Statement to another N.C.O. "What is the matter with you, are you looking for another stripe?", which led to words back and forth, and it might have been either one that was charged, and that the remark that this statement is used both in jest and jibe by other ranks quite commonly, while I don't agree with thist statement completely I do know that such a remark is passed among the men on occasion. The last part of the charge was started on the convoy when Cpl. Groves put Pte. Prue under Open arrest for being absent from his vehicle, while Cpl. Smith had given this man permission to be absent. I think that Cpl. Smith did have a right to be a little peeved in that it is obvious that the other N.C.O was 'throwing his weight around'.

2nd Charge - On this charge it states that the unbecoming language to an N.C.O. was used in front of private soldiers, might I refer the Court to Page 458 of the M.M.L. the first note under section 40. The evidence has brought out that there was only one private soldier present and that he

B.73374 Cpl. SMITH, S.

remembers these words rather poorly and therefore the remarks and actions are not prejudicial to good order or military discipline and further that the private soldier did not pay any attention to these remarks.
To close I would say that I contend that there has been no evidence brought out that the action can be classed under that section or that the accused could be found guilty of either charge.

Summary of EVIDENCE in the case of

B.73374 Cpl. SMITH, S.(RCOC)
Att. 48th Highlanders of Canada

In accordance with the direction of the Commanding Officer the Summary of Evidence is taken on oath.

1st Witness for the Prosecution

B.73430 L/Cpl. Pennycook, R. Having been duly sworn states:

"On 16 Oct 40 about 1430hours we had just returned from a coal convoy from ISLEWORTH. We had trouble on the convoy and we were delayed. Some of our men on the convoy had found spirits and had been drinking. On returning we went to Headquarters Company kitchen at Kingswood Court and I said to the Accused "You're a fine one to be in charge of the coal fatigue." The Accused replied, "I am not in charge, but am only here to see that the trucks are not overloaded." The Accused then left the kitchen and I heard an argument. I went outside then and found that the argument was between Corporal Groves and the Accused. I heard the Accused say to Cpl. Groves "You are a yellow prick and have no guts." As a fist fight x looked almost certain to start, I stepped in between the two to stop it."

.....L/Cpl.
(B73430 L/Cpl R.Pennycook)

The Accused declines to cross-examine the witness.

2nd Witness for the Prosecution

B.73357 Cpl. Groves, A.E., having been duly sworn states:

"On 16 Oct 40 at approximately 1300 hrs., while in the kitchen of Kingswood Court, Corporal Smith came over to me and said, "What is the matter with you, are you looking for another stripe?" I replied, "What do you mean?" the answerx was "You know what I mean". I presumed it was referring to Pte. Prue whom I had placed under open arrest for disobeying an order and being found in a Public House improperly dressed, earlier in the day. The argument led on to heated words, the Accused swore at me and accused me of not having any guts and being a yellow prick, and used names and words and language unbecoming a soldier. It almost came to blows, but was stopped by some of the men of the company who had been there before the argument started. During the argument the Accused took off his respirator and tin hat and said, "If you are looking for trouble this is the place to come for it."

Cross-examined by the Accused:

B.73551 Pte. O'Brien,G., having been duly sworn states:

"On 16 Oct 40 we were in Headquarters Company kitchen at Kingswood Court. I was talking to either the Accused or Corparal Groves at the time, I don't remember which one, as at that time I did not pay much attention to it. We were merely talking about the coal convoy. The Accused said to Cpl Groves "What is the matter with you are you looking for another stripe?" Cpl. Groves replied, "No, why?". The Accused said"The way you are acting you are looking for another stripe." The argument started and words and names were being used by both the Accused and Cpl.Groves. The argument lasted for about 5 minutes or so and got hotter, but there were not blows struck."

Cross-examined by the Accused:

Q. Do you remember if Groves swore at me or not?
A. Yes he did, you were both swearing back and forth. You hear it all the time, and don't pay any particular attention to it.

I am twenty years old sir; I have had no Militia Service but joined the permanent force in August 1938. SUMMARY of EVIDENCE in the case of :-
No. P 4541 Gunner SMITH, SELDON FRANCIS. No.1 Cdn. Artillery Holding Unit.C.A.S.F.

FIRST WITNESS FOR THE PROSECUTION.

Major JAMES BARTY MORISON, of THE CAMERONS of CANADA, C.A.S.F., having been duly sworn, states:

" I was on board His Majesty's Troop Ship 'Georgic' from the 22 day of August 1940 until 5 September 1940. I was proceeding to Canadian Military Hedaquarters, London, to report as Conducting Officer to conduct casualties to Canada. I had no duties on on board H.M.T.S. 'Georgic'. The 'Georgic' was one of His Majesty's transport ships for the purpose of carrying troops from Canada to England."

Signed: J. B. Morison Major

The Accused declines to cross-examine this witness.

STATEMENT OF THE ACCUSED.

The Accused, having been duly cautioned, makes the following voluntary statement:-

"I am a gunner of R.C.A.DistrictEstablishment, M.D. 6 at Halifax, Nova Scotia.

I left barracks at approximately 1500 hours Saturday 24 August 1940, and went down to the docks at Halifax and went aboard ship at approximately 1530 hours. I mingled with the rest ofnthe troops on the ship and continued to do so until 1030 hours on 28 August1940 when I surrendered myself to a member of the Privost Company on board ship. I was taken before the O.C. Ship. I was placed under close arrest with escort and I worked in the galley at various jobs until Wednesday September 4th when I was taken ashore. I was turned over to a Staff Officer in Scotland who turned us over to Major Morison and I was placed under escort and brought by train to Bordon. I did not know the name of the ship which I boarded until about three hours after I boarded it when I discovered it was the 'Georgic' but I did know it was a troop ship and I had no permission to board it. I had a pass from my unit until 0200 hours on Sunday August 25th."

Signed: S. F. Smith

Sirs,

I beleive that the accused has learnad a hard lesson in this case. He has already suffered more than any court in this Country could award. I know that he did not become involved in any crime to avoid the possibility of proceeding overseas with his unit. His record both in civilian life and in the Army are good, this being the first crime or charge against him. He is an excellent driver, having driven in Canada on Army vehicles for 2 months, and since with this unit for approximately 5 months. He has never been envolved in any accident. I knew him in Canada, and have been with him in England, and can safely say he is a good soldier and an asset to the Canadian Army. He has two brothers serving overseas, as well as, 3 sisters also in the Service. I am sure that it is the desire of the Smith family to carry out our common cause. In view of the above facts, I would ask the Officers of this court to be lenient in the mitigation of punishment.

We were proceeding normally at about 30 m.p.hs. I was quite dazed and was helped out of the back of the truck.

I found an army vehicle in the bushes by the side of the road. I looked in the back of the vehicle and found some men there, they appeared to be all right except they were dazed.

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. Plea of Mitigation

With the court permission I should like to make a plea of Mitigation & sentence on behalf of the accused pte Smith T. H. B135212

Pte Smith T. H. B135212 joined the army at the age of 18 in Nov 42. He took his trng in Infantry then on mar 43 transfered to Intelligence Corps and arrived in U.K. in Nov 43. On mar 44 he transfered back to Infantry and applied for permission to join the paratroops but was refused. He was then posted as Lot line reinf. to D.C.L.I. and on [redacted] D + 1 was sent to R.W.R.R as a reinforcement. Pte Smith fought with the R.W.R. until he was wounded on 13 Jul 44. While in action his record was good and he was informed by his Sgt on appn 3 Jul that he was now an Unpl on charge of action in which capacity he served until he was wounded on 13 Jul 44 [illegible] showing no promotion was put [illegible]

In view of the fact that this soldier volunteered voluntarily in the army as soon as his age would warrant it, and showed his willingness to put in a more dangerous arm of the service by applying for a transfer to the paratroops which was refused, he then went into action with the Infantry and did such a good job that he was promoted to an N.C.O. in the field, I beg the court to take these matters into consideration before passing sentence.

E N G L A N D.

Sir,

At OXFORD on the 26th NOVEMBER, 1944 at 10.?? hours I was on duty at the MILITARY POLICE HEADQUARTERS accompanied by CPL. CHAPMAN C.M.POLICE where I saw the above named soldier. I asked him if he was on PASS and he replied 'No I have just come out of Hospital' I then asked why he was not wearing his Cap and he replied 'I lost it last night at the RED CROSS CLUB'. Not being satisfied with his statement I conducted him to the Company Office, where he stated that he was a patient of the No. 24 Canadian Military Hospital at HORLEY. This Hospital was contacted by telephone and it was then ascertained that no 949 of this name was a Patient there. The Canadian Provost at LONDON was then contacted by telephone and his particulars given. At 11.30 hours the Canadian Provost informed this Unit that the above named soldier was an Deserter from the 15th SEPTEMBER, 1944 and that he was not a CORPORAL but a PRIVATE soldier.

I then arrested him and he was detained pedning the arrival of an escort.

Later on visiting the Guard Room, I observed that the Chevrons had been removed from the Tunic and when asked for an explanation the a/n stated that he had disposed of them down the Lavatory.

OPENING ADDRESS BY PROSECUTION

President and members of the Court. It is my intention to prove that the accused, Pte. T. R. Smith, is guiltyoof, "Conduct to the prejudice of good order and military discipline in that he was improperly in possession of a vehicle belonging to Captain Hovey, of the 1st Canadian Recce Battalion. The fact that he was in the vehicle without the permission of Captain Hovey establishes, in my opinion, being improperly in possession and I am going to produce witnesses to prove that not only this was the case, but that the accused had intentions of using the car for his own personal use, or that he was in a plot with some others to use it. Withethe permission of the Court, I would like to read a written statement made by Captain Hovey when he found out the car had been stolen. Is this permissible Sir? (Court is cleared at this juncture).
Court: It is the ruling of the Court Mr. Prosecutor that this is not evidence - just heresay evidence. You may proceed.

In that case, I would like to call on my 1st Witness, police constable George A. Cooper, P.C. 336, of the Surrey Constabulary.

1st. Witness for the Prosecution, P.C. Cooper, George, A., having been duly sworn, is examined by the Court.

Court: You are P.C. Cooper, George, A.?
A: Yes Sir.

Q: Do you recognize the accused?
A: Yes Sir.

The charge is read out to the witness.

Q: P.C.Cooper, will you tell the Court in your own words what you know about this incident which took place on the night of 5 Jan 41?

A: At 7.00 p.m. on the 5th Jan 41, I was passing the, "Islands" Heath Drive, Walton-on-the-Hill, when I saw a motor car parked on the footpath ahead of me. Suddenly the doors were slammed and some soldiers ran away. I shouted and gave chase. They ran on to Walton Heath in different directions. I searched but couldn't find them. Returned to the car. Noted the number. Found that the doors were unlocked so I removed the Rota Arm. Went to "Pintmere" and phoned for assistance. On returning to Heath Drive, I saw the car being towed by an Army Lorry in the direction of the Dorking Road. I gave chase. It stopped. On catching up with it, I saw the accused, Pte. Smith, sitting in the driver's seat of the car. Upon questioning, he said,

"It's my officers car and I'm in charge of it, but we're unlucky - we can't get it going". He produced a Pass and his Pay Book in the name of Trevor R. Smith, number B-72875, of the 1st Canadian Recce Squadron. I asked about the lorry, and Smith replied, producing a work ticket, "This is easy. Its been out all day and by not returning the ticket, it still covers it being used". Pte. Brain, who was driving the lorry produced correspondence to verify his identity and said, "I don't know anything about this only we couldn't get it going so I fetched this lorry to tow it". P.W.R. Foster then arrived, as I produced the Rota Arm saying possibly this is why it refused to go. Smith then immediately replied, "No, we couldn't get it going before you removed that; besides I guess your the guy who shouted out at us just now". I replied, "Yes". Smith said, "We bolted because we thought you were Captain Hovey chasing us, he having discovered the car was missing". He then asked the time and I said, "7.20 p.m.". He replied, "We had a date at 7.15 p.m. with some girls down in Brighton, but I guess its too late now, besides, we can't get the car going so we best take it back from where we took it." I asked him to produce his Driving License and Certificate of Insurance and he replied, "I haven't got either, but I guess Captain Hovey has". I pointed out their offences and they replied, "We know we are in the wrong but we wouldn't mind so much if you caught us after a good time out as you see, we've only got so far and most of that by pushing it". I told them the facts would be reported and they pleaded with me to forget all about it, saying, "There's only us four here and our other pals, who know of this and it will mean the Glass House. If we take it back to its original place no one will be any the wiser. Let's forget about it." I directed them to return it and saw they did. Having satisfied myself as to the identity of these privates, and considering the siren had sounded, aircraft was active overhead, roads were ice-bound and if I had of arrested them there, they would have had to be conveyed to Leatherhead Police Station, I decided in the interests of all it was best to deal with them in this way. That is my evidence Sir."

1st Witness is cross-examined by the Prosecution.

Q. Constable Cooper, how long would you say it was between when you first started to chase the lorry to when you were back after phoning for assistance and finding the accused there?
A. The period would be a matter of approximately ten minutes to fifteen minutes - no more.

Q. How long was the period from when you took the Rota Arm out of the car until you were back again at the car?
A. It only took a matter of seconds Sir.

Q. Are you familiar with the sound of a combination motorcycle machine?
A. Yes Sir - fairly.

Q. At this time, did you hear a machine in the vicinity at all?
A. I have no recollection of hearing one Sir.

Q. You did not see or hear any vehicle at all around there?
A. No I didn't. I heard the sound of the Army Lorry as I was coming from the house after making my phone call for assistance but that was all I heard.

Q. That was the lorry towing the car was it not?
A. Yes sir, that was the only noise I heard.

Q. Did Private Smith, when you questioned him, seem quite familiar

1st Witness Cross-Examination (Cont'd):

Q. with what was going on. Did he seem to know the events that had happened before?
A. Yes he had. He seemed quite familiar with facts, which he would not have been familiar with had he not been in the vicinity.

Prosecutor to the Court: That is all Sir.

1st Witness Cross-Examined by the defence:

Q. How can you verify your statement in which you said that it was ten to fifteen minutes from the time you started to chase the lorry after making your phone call? Until you caught up with them?
A. It couldn't have been any more. I questioned them for some time when I caught up with them. When I left the car to phone, P.C. Foster checked the time when I called him, as the usual procedure is such in the Force. It was then 7.00 p.m. The siren also sounded at the same time. After making the call I came out of the house, which was right opposite the place where the car was parked.

Defending Officer to the Court: That is all the questioning I wish to make Sir.

1st Witness questioned by the Court:

Q. How many men would you say were in the car originally when you saw them open the door and run?
A. I saw three of them. There might have been more as my distance was about 25 to 50 yards away from the car and it was rather dark. They apparently saw me.

Q. How far away were you?
A. About 25 to 40 yards - no more.

Q. Was it dark at 7.00 o'clock?
A. Yes - pretty dark. There was an obscured moon.

Q. How did you approach the car, from the rear or front?
A. I was approaching from the rear.

Q. If you were that distance at the rear and it was dark, how do you account for them having seen you approaching?
A. They didn't as a matter of fact. The car being there without any lights caused me to investigate and when I saw the soldiers running away from the vehicle, I shouted at them.

Q. If that distance is what you say, how do you account for seeing the accused in the drivers seat?
A. I wasn't that far away from him on that occasion. This distance I speak of was when I first came upon the car on the pathway. I was speaking to the accused on the 2nd occasion.

Q. Can you recognize this man Smith in this room?
A. Yes Sir.

Q. Where?
A. Between the two escorts.

Questioned by the Prosecution

Q. Was the car being towed towards or away from the Mess?
A. Away from the Mess. There is ample room to turn around.

1st Witness questioned by the Court:

Q. Did they give you the impression, when you came upon these men on the 2nd occasion, that they were trying to get the car started or that they were trying to take it back to its quarters?
A. At no time were they intending to take it back, in fact, I got the impression that they were going for a joy-ride.

2nd Witness for the Prosecution was called to give evidence.

Having been duly sworn, is questioned by the Court.

Q. You are P.C. Foster, E. (281) of the Surrey Constabulary?
A. Yes sir.

Q. Do you recognize the accused?
A. Yes I do.

The charge is read out to the witness in the hearing of the Court.

Questioned by the Prosecution.

Q. Will you tell the Court, in your own words, what you know of the events taking place in connection with this trial on the 5 Jan 41?
A. "In consequence of a telephone call from P.C. Cooper at 7.05 p.m., on the 5th Jan 41, I proceeded to Heath Drive, where I saw P.C. Cooper with two soldiers, a car and a lorry. They were speaking about a Rota Arm. I stayed in the vicinity. One of the soldiers asked P.C. Cooper the time, to which he replied, "It's 7.20". One of the soldiers then said he had a date with some girls down at Brighton at 7.15; as we can't get it going we might as well take it back. I held the torch then while P.C. Cooper took down some numbers. I then walked around the vehicles and on my return I heard them pleading with P.C. Cooper saying, "Forget about this; there's only four of us here and our pals that know anything about this." Then P.C. Cooper instructed them to take the vehicles back.

Q. Which way did you come after receiving the phone call from P.C. Cooper?
A. I came by "Checkers Lane", proceeding to Heath Drive where P.C. Cooper was.

Q. Did you walk?
A. No - cycled.

Q. Did you, on your way over, pass any vehicles, especially a combination motorcycle?
A. Don't recall seeing anything.

Q. Are you familiar with the sound of a combination motorcycle machine?
A. Yes Sir.

Q. Did you hear one in the vicinity?
A. No Sir.

Questioned by the Defending Officer.

Q. When you arrived on the scene when P.C. Cooper was conversing with the soldiers, did you hear him, at any time, point out the wrong they were doing?
A. No Sir.

Questions by the Defence (cont'd):

Q. Did you hear one of the soldiers say to P.C. Cooper, "Its too late now, so its best we take it back"?
A. Yes Sir, I heard that.

Questioned by the Court.

Q. Could you identify any of the soldiers that you saw?
A. No sir.

Q. Did you see any soldiers sitting in the vehicle?
A. No. There were 3 of them when I met P.C. Cooper.

P.C. Cooper, 1st Witness is recalled by the Defence and questioned.

Q. Did P.C. Foster hear the whole of the conversation between you and the accused upon his arrival?
A. He did not hear the whole conversation. I was the officer involved in the case and it was my interests to take evidence of all the facts. He was looking around the vehicles.

Q. The accused did suggest at 7.20 that he wanted to take the car back? Did P.C. Foster hear the accused say that?
A. I think there has been a misinterpretation of evidence here. It was impossible for him to hear all that passed between Smith and myself, as he was walking about the vehicles and we did not shout it out.

At this point, the two constables are released there being no further evidence required from them, with permission of the Court. This was to enable them to carry on with their civil occupation.

The prosecutor declined to cross-examine P.C. Cooper.

Court: Have you any other witnesses for the Prosecution?
Pros: That is complete Sir.

The Court questions the Accused.

Q. Do you wish to give evidence yourself as a witness?
A. Yes Sir.

Q. Do you intend to call any other witnesses on your behalf?
A. Yes Sir.

Q. Are your witnesses as to character only?
A. No Sir.

Rules of Procedure 15 is carried out by the President of the Court. Accused wishes to give evidence under oath.

1st. Witness, Pte. Smith, the accused, having been duly sworn in states:

"At that time I was Orderly Room Clerk in the 1 Canadian Recce Squadron. I went to my billets between 5.00 and 5.30 p.m. on the 5th Jan 41. While there I overheard plans of some men in the Troop to take Captain Hovey's car that night and go to Brighton. At that time I was holding a position of trust and good faith in the Orderly Room by Captain Hovey and Major Darling, and that was the reason I refused to take part in any of their plans of taking the car. I stayed in my billets and remained there until approximately 7.00 p.m. At that time one of the persons involved returned to Damory Cottage and told me what had happened. I more or less told them to take the car back and not leave it where it would be recognized by the police. I felt sorry for Captain Hovey. He told me they could not take it.

Statement by Accused (cont'd)

back as they might be picked up by the Police. Shortly after, Pte. Oliphant, who is batman at the Officer's Mess, came and asked Pte. Brain if he would drive him over to the Mess to take his equipment over there. He said that he had permission to be taken to the Officers' Mess, in the truck. I asked if I might accompany them in the truck. I left the billets with Pte. Brain and Pte. Oliphant in the W.D. Vehicle to the Officers' Mess where Oliphant got out. We started along the road to our billets, taking another route back as it saved us turning around. I was on the lookout for for car and when we came upon it, I recognized it. I knew approximately where it would be. I asked Brain to stop the truck and I got out. I looked around to see if any of the other boys had returned to the car in the meantime but nobody was around. I suggested to Brain to return the car to the Officers Mess. He had a tow chain in his truck and we put the chain on and started towards the Dorking Road, with the intention of turning around at the first opportunity. We couldn't turn around at this spot. When we got under way the car, being very small, started to swing from side to side, so I honked the horn and Brain stopped the truck. I didn't hear any shout or make any noise for us to stop up to that time. While we were at a standstill, a police officer came up and shone a flashlight in my face. At that time, it seemed to me that the most sensible and most practicle thing to do was to try and convince the police that I was responsible for the car and to try and hoodle them into leaving us alone. For this purpose I told them I was in charge of the car. The constable then questioned me and I gave him answers which I thought would convince them that I was responsible for the car. We told the policeman that it was our intention to take the car back to the Officers' Mess, and for those who were originally in the whole idea, they not being able to get the car back, we did not want to implicate anybody in attempting to return the car and so I repeatedly asked the policeman to say nothing of the matter and let us return the car to where it originally belonged and so no trouble would be caused. The car was returned to the Officers Mess. I returned to my billets and discussed the case very thoroughly with the other men, who, by that time had returned to "Damory Cottage". That is all Sir."

Questioned by the XXXXXXXXXX Defence.

Q. Were you in or near Captain Hovey's quarters?
A. No Sir.

Q. Where were you?
A. In my billets - Damory Cottage.

Q. You told the constable that you had a date and that you had permission to take the car? Was that statement true?
A. No Sir.

Q. How far was the car at this time, away from the place where Pte. Brain kept his truck?
A. I think it would be about half a mile.

Q. How far was the car away from the Officers' Mess?
A. A matter of 400 to 500 yards.

To the Court: "That is all Sir".

Questioned by the Prosecution. (The accused).

Q. Who was the person you say you saw coming up on a combination motorcycle?
A. I have no intention of implicating any other person in this trial.

Prosecutor addresses the Court:

"Sir, would you not consider this as "contempt of Court" on the part of the accused in he not answering my question?"

Court is cleared and a ruling is made by the Court and addressed to the Prosecution as follows, by the President:

"It is a ruling of the Court that the accused taking the attitude that he will not answer without implication, is not contempt of court. You may proceed."

Prosecutor continues to examine the witness, the accused.

Q. You stated in your evidence that at that time you were holding a position of trust with Captain Hovey and Major Darling. Did you appear before in Orderly Room?

This question was over-ruled by the Court.

Q. How long would you say it took to take the car from where it was stopped from your billets?
A. Three minutes.

Q. To do that in three minutes you would have to drive pretty fast all the way?
A. Yes - all the way.

Q. How long was it from the time you were told of this incident until you left your billets in the truck?
A. Another three or four minutes.

Q. How long would it take you to get from your billets to the Officers Mess?
A. Another three minutes.

Q. How long did you stop at the mess?
A. Time enough to let Cliphant out of the truck - about two or three seconds.

Q. You were in the back of thestruck?
A. Yes.

Q. How long did it take you to get from the Officers Mess to the place where the car was stopped?
A. No more than twenty or thirty seconds.

Q. How long had you been ~~travelling~~ before you came upon the car stopped?
A. Two or three minutes.

Q. How far is it, in your opinion, is it from your billets to the Mess?
A. Half a mile Sir - probably a little more.

Q. And you stated before that it was about 200 or 300 yards from the mess to where the car was found?
A. Yes Sir.

Q. You stated that it took 3 minutes to drive the car where you stopped half a mile away and half a minute in what you stated quarter of a mile. Do you not think that you might have had a wrong opinion as to how far it was from the Officers' Mess to your billet?
A. I can't say Sir.

Prosecutor examining the Accused (cont'd).

Q. Why would you say that it takes only a half a minute to travel 400 yards and three minutes to travel only half a mile.
A. There were trucks parked on one side of the road and I was looking for the car.

Prosecutor: "I think this is farther than half a mile from the Officers' Mess to the Billets of the accused and I think it would take longer than 3 minutes to do it. I don't think that the accused is a very good judge of distance."

A. (by the Accused): "I admit that. I can't make any judgement as to the length of time. I was not driving the vehicle."

Court: "This evidence is irrevalent to the charge laid".

Questioned by the Prosecutor (cont'd).

Q. You state in your evidence that you tried to convince the police man that you were responsible for the car?
A. I did.

Q. In so doing, did you realize that this evidence might be brought up against you?
A. No sir. Had I realized that, I would have said nothing to them.

Q. Do you not think that if you had of approached Captain Hovey with your story, that he would have taken your story as facts?
A. I was rather undecided as to whether to Captain Hovey or not, the next day. At the time I was a little frightened. I was over to my duties the next day and Major Darling and Captain Hovey came in once during the day but went right out again. I wanted to see the Captain but didn't get the chance to speak to him. I did not see him again until I was placed under close arrest. At 11.00 a.m. Sgt. Gibb came over to me and said, "What about Captain Hovey" I was still undecided then as to what to do. It was my intention of explaining to Captain Hovey, the whole thing, but not to mention any names."

Q. You were in the Orderly Room with Captain Hovey that morning?
A. Yes, but he just came in and went out again.

Q. You said that it was your intention to give Captain Hovey the full facts of the case, and yet later you now refuse to give the full facts of the case. Why?
A. I do not want to expose the names.

Accused to the Court: "Pte. Brain ~~Shipley~~ was asked to discuss the persons involved and if he told them, he would have a re-trial. He got 14 days Field Punishment and I elected to be tried by Court Martial".

Court questions the Accused.

Q. Did you say Pte. Brain has already been tried and punished for this offence?
A. Yes Sir. I was placed under close arrest on 5 Jan 41 and remained under close arrest until the time of the scheme we had. I went A.W.L. from close arrest after having been refused permission to be paraded.

Q. Have you driven Captain Hovey's car before?
A. No Sir.

Q. Have you driven any other car similar to that one?
A. No Sir.

Q. How did it get out of control?
A. It being a small car started to swing from side to side.

Court questions Accused (cont'd).

Q. You stopped the car yourself?
A. Yes I did.

Q. Pte. Brain was driving the 15-cwt. truck?
A. Yes Sir.

Q. Did he have permission to have the truck?
A. Yes Sir.

Q. Was Brain a regular driver?
A. Yes Sir.

Q. Did you know Captain Hovey was in his quarters after supper?
A. No Sir.

Q. Why didn't you speak to Captain Hovey in the Orderly Room?
A. I wanted to speak to him alone.

President of the Court to the Accused.

Q. You are thoroughly familiar with the seriousness of this case?
A. Yes Sir.

Q. And how it will affect you in view of you persisting to take the attitude of not divulging to the Court the parties involved. You say that at the time you were in a position of trust as Orderly Room Clerk ~~and~~ I believe that such position, ~~subsequently~~ it would be your first intentions to see that the culprits were brought to time.

Prosecution and Defence decline to question the accused any further.

2nd. Witness
for the Defence: B-73278 Pte. Brain, W.D. 1st Canadian Recce Sqn.

Witness is questioned by the Court.

Q. Are you Pte. Brain, W.D., B-73278?
A. Yes Sir.

Q. Pte. Smith is charged with (charge is read out). Do you recognize the accused?
A. Yes sir.

After having been duly sworn, Pte. Brain is questioned by the Prosecution.

Q. Pte. Brain, will you tell the Court in your own words what happened on the night of 5th Jan 41 in connection with this case?
A. "I was up in my room about 7.00 p.m. on the night of 5th Jan 41. I was asked to take Pte. Oliphant over to the Mess with his kit. I was asked by Pte. Smith if he could come along. I said it was alright with me if he got permission. After checking out with the Corporal of the Guard I took Pte. Oliphant and Pte. Smith over to the Officers Mess. Pte. Oliphant got out at the Officers Mess and Pte. Smith and I proceeded on home. We just rounded the corner at the Officers Mess when we came upon Captain Hovey's car. I did not know why it was there but Smith explained to me that some of the men in our Troop had been planning on taking it that night. We decided there that it would be the best plan to

Brain's Statement (Cont'd):

"see if we could get it back to the Mess; so we proceeded to try it and we were stopped by the police. We decided that if we told the police that we were taking the car back to the Mess, that they would forget it and thus we would be able to proced back to the Mess. No one would be any the wiser. After we were finished with the police, I took the car back to the Mess and we continued back to billets.".

Questioned by the Defence:

Q. How far would you say the car was where it was found from the billets?
A. Roughly over a mile.

Q. How far is it from these billets to the Mess?
A. I would say approximately a mile.

Prosecution declines to question this witness.

Court questions the witness.

Q. You say that you were driving along in the truck with Pte. Smith and you were told about this plan by Smith and so you and Smith decided (Was there only two of you? A. Yes) to remove the vehicle and it was your intentions of taking it back to the Officers' Mess. You started off, you in your truck and the accused in the car, towing it, when you were stopped by the police. (A. We stopped on our own accord). The police constable came up. You and Smith then decided to take the blame and not implicate any other persons in front of the police? You were separated? (A. Yes Sir). How did you find time to decide?
A. My only purpose was to keep the other fellows out of trouble.

Q. What was the charge laid against you when you were tried by your commander?
A. Improper possession of a car, A.A. 40.

Q. You were in that car?
A. No sir.

Q. You were towing it?

Q. There was just two of you? No more?
A. Yes Sir - just two of us.

Q. You drove Pte. Oliphant and Pte. Smith to the Officers Mess, then you stated that you left the Mess and on the way back you came upon Captain Hovey's car. You returned by a different route because it saves turning around. Did Smith say anything to you before you came upon this car about this situation?
A. No Sir.

Q. Did you discuss with Smith about covering up your friends while you were putting the tow chain on the car?
A. Yes Sir.

Court questions the Witness (cont'd):

Q. When you came upon Captain Hovey's car, who suggested stopping?

SUMMARY OF PROSECUTION

"President and Members of the Court. I feel that the point of the prosecution has been proven; the point being that the accused was improperly in possession of a car belonging to Captain Hovey of the 1st Canadian Recce Squadron. He was in the car and had no permission from the Owner of same. The fact that he was making himself responsible in trying to bluff his way past the police proves that his intentions were other than taking the car back to its original place. There has been some evidence on the question of the accused being mixed up in a plot or plan involving this car, which I believe has no bearing on the case and charge laid. The fact that he told the police that he was in charge of the car indicates that the accused knew the position he was in and what was going to happen."

SUMMARY OF DEFENCE

"President and Members of the Court. I feel that this is a case of a man taking a rap for his own friends. The charge, in that he was improperly in possession of a car, has been proven. He did not know Captain Hovey was in at the time and I feel that had he known this, the matter would have been discussed on his arrival back to billets. He also stated that his friends were afraid to go back in case they would get into trouble and the accused, took it on himself in seeing what he could do. I feel that if he had been responsible, he would have taken his punishment in the Orderly Room and not have elected to be tried by Court Martial. Another point. He was dressed as he is now - no greatcoat. I'm sure he would have had his greatcoat with him if he had any intentions of going to Brighton that evening. It is not so warm at that time of year. He could not have been one of the soldiers in the car in the first instance as he was in billets at 7.00 p.m. and the police officers were not on the job until after 7.00 p.m. In trying to return the car to its original position, I think he took it on himself and so never thought of the legal position he was getting himself into."

At this point the Court is Cleared.

The Accused, Pte. Smith, T.R. is brought before the Court and questioned by the President:-

Q. Pte. Smith, do you wish to address the Court?
A. No Sir.

Q. Do you wish to call any evidence as to character?
A. No Sir.

Q. Do you wish to make any statement in mitigation of sentence?
A. No Sir.

The Court is closed at 1310 hrs. 6th March 1941.

SUMMARY OF EVIDENCE in the case of

D72825 Pte. Smith, T.R.

a soldier of the 1ST CANADIAN RECONNAISANCE SQN.

Haveing been duly sworn, the witness states:

1st Witness Captain W.H. Hovey, 1 Cdn Recce Sqn.

At Walton-on-the-Hill, on 5 Jan 41 I was in my quarters from 1500 hrs., until following morning 6th Jan 41. I was in my quarters and did not leave them during that period. On the 6 Jan 41 approximately 1700 hrs., when on returning to my quarters I heard a rumour that my car No. CM 503 had been tampered with the previous evening, presumably by some member of 3 Troop of this Squadron. I phoned the Troop Sergeant who told me that Pte. Smith and Pte. Brain had been apprehended by the Local Police, on phoneing the Police Constable at Walton-on-the-Hill, I was told that this was the case and a report would be sent in to the Superintendant at Leatherhead Police Station and it would rest with him whether those implicated would be tried by a Civilian Court or released to the custody of this unit for necessary action. I phoned the Superintendant at Leatherhead Police Station and on condition that the punishment given to the fore-mentioned soldiers be reported to them for their records, they would be released for a trial by Military Authorities

Question No. 1

.....Captain.

Q. Sir, you yourself did not miss the car?
A. No.

Question No. 2

Q. Could you enlarge on the word rumour? Who told you about it?
A. Lieut Lough.

2nd Witness

Pte. Brain, W.D. D73879. Haveing been duly sworn the witness, states,:

At approximately 1910 hrs on 5 Jan 41., Pte. Oliphant asked me to drive him to the Officers' Mess as he had permission to take the truck, I checked out with L/Cpl. Smale, and Pte. Smith (the accused) asked if he might come along and we agreed, we went to the Officers' Mess and left Pte. Oliphant there, and on our way home after turning right at Heath Drive we came across Capt. Hovey's car parked somewhat out from the curb without lights, thinking that something was wrong, we honked the horn, but no one was around. Pte. Smith then told me of the plot to take the car, and we agreed if we could tow the car back into the mess, that everything would be all right. We started to tow the car when the police appeared on the scene and asked me for identification and whether I had permission to be driveing the truck, we said that by saying anything we would not want to implicate anybody, we figured that by takeing the ~~truck~~ back ourselves that the whole matter would be forgotten at that time. After convincing the police that we were just on our way to the mess, they allowed us to continue

Question No. 1

.....Private.

Q. Would it not be better to say that I requested returning the car?

A. Yes.

Question No. 2.

Q. You agree that it was a mutual agreement to implicate ourselves at the time?

A. Yes.

9th Witness George A. Cooper, P.C. 336., SURREY CONSTABULARY having been duly sworn states

At 7 P.M. on 5th January, 1941, I was passing the "Islands" Heath" Drive, Walton-on-the-Hill, when I saw a M/car drawn partly on the footpath ahead of me. Suddenly the doors were slammed and some soldiers ran away. I shouted and gave chase, they ran on to Walton Heath in different directions. I searched, but could not find them, so returned to the car noted the number, found it was unlocked and removed the Rota Arm went to "Pintmere and phoned for assistance. On returning to Heath Drive I saw the car being towed by an Army Lorry in the direction of Dorking Road, I gave chase and it stopped. On catching up with it I saw Pte. Smith in the driving seat of the car. He stated "It's my Officers car and I'm in charge of it, but we're unlucky we can't get it going" He then produced a Pass and Pay Book bearing the name Pte. Trevor Roy Smith, No. 72675. 1 Cdn Recce Sqn. I then asked about the lorry No. C24204922, and Smith produced a Work Ticket saying "that's easy this lorry has been out today and by not handing the ticket in on return, it still covers it being used". Pte. W.D. Brain who was driving the lorry produced correspondence to verify his name and U it and stated "I don't know anything about this only we couldn't get it going, so I went and fetched this lorry to tow it". P.W.R. Foster then arrived, as I produced the Rota Arm saying possibly this is why it refuses to go. Smith immediately replied "No, we couldn't get it going before you removed that, besides I guess y ur the guy who shouted out at us just now". I replied "Yes" and he said "We bolted because we thought you were Capt. Hovey chasing us, having, discovered the car was missing. He then enquired the time and I replied "7.20", and he replied "We had a date at 7.15 with some girls in Brighton, but it's too late now, besides we can't get it going. so we'd best take it back from where we took it". I asked Smith

for his driving licence and Certificate of Insurance and he replied "I haven't got either, but I guess Capt. Hovey has". I pointed out the offences and they repeatedly said, "We know we're in the wrong, but we wouldn't mind so much if you caught us after a good time out as you see we've only got so far and most of that by pushing it". I told them the facts would be reported and they pleaded with me to forget all about it saying "There's only us four here and our other pals, who know of this and it will mean the Glass House. If we take it back to its original place no one will be any the wiser. Please forget about it". I directed them to return it and saw they did so. On the 6th., inst., I interviewed Capt. Hovey and obtained attached statement, and also interviewed the O.C. and he is desirous of dealing with them himself. At the present time they are C.B. and under close arrest.

I would add that having satisfied myself as to the identity of both privates and considering the following factors: Siren had sounded, air-craft overhead, Ivy Roads and if I had arrested them they would have to be conveyed to Leatherhead Police Station. I decided in the interest of all it was best to deal with them in the above manner. If necessary P.C.S. Foster can give corroborative evidence on some of the above replies.

10th Witness P.C.281 E.Foster, SURREY CONSTABULARY having been duly sworn states

"In consequence of a telephone call from P.C.Cooper at 7.5 P.M., on the 5th January, 1941. I proceeded to Heath Drive, where I saw P.C. Cooper with two soldiers a car and a lorry. He was speaking about a Note and I remained in the vicinity.
I heard a soldier ask the time and P.C. Cooper replied, "Its 7.20". This soldier replied "We had a date at 7.15 with some girls in Brighton, its too late now, as we couldn't get it going, so we had best take it back." I held the torch while P.C.Cooper made some notes, then walked round the vehicles. I returned and heard them pleading with P.C. Cooper to forget all about it saying "There's only us four here and our pals who know about this."
P.C.Cooper instructed them to return them"

SUMMARY OF EVIDENCE CONTINUED

B72875 Pte. Smith, T.H. (The accused)

Do you wish to make any statement, or give evidence upon oath? You are not obliged to say anything, or give evidence unless you wish to do so, but whatever you say, or any evidence you give will be taken down in writing and may be given in evidence.

Accused On the evening 5 Dec 40 I returned from my duties as orderly room clerk, to my billets at Damory Cottage, while there I overheard plans of some men in the Troop to take Capt. Hovey's car that night. I did not leave my billets between 1800 and 1900 hrs., approximately. Shortly before 1900 hrs one of the persons involved came back and told me that the Tadworth police might have recognised some of the people concerned, therefore none of these people could return to take the car back to the Officers' Mess. When I learned that a truck was going to take Pte. Oliphant to the Officers' Mess I asked to be allowed to accompany the truck in order to see what might be done. When we came upon the car and found it deserted I decided to try and take it back without anyone knowing it had been taken away. While attempting this we were caught by the local police. Mutually Pte. Brain and I agreed to try to convince the police that we were responsible for the car being away from its proper place. We thought that by so doing we might still be able to take the car back without causing trouble. We took the car back to the Officers' Mess and returned to our billets.

BRIEF SUMMARY OF STATEMENT IN MITIGATION OF PUNISHMENT AND EVIDENCE AS TO CHARACTER GIVEN BEFORE THE COURT IS CLOSED FOR THE CONSIDERATION OF THE SENTENCE

STATEMENT OF ACCUSED

L12847 Pte. Smith Vernon Duncan S. Sask, Regt. 2 C.I.R.U.

I was employed with No 1 Cdn. Base P.O. I came overseas 25th Dec. 1940. I joined the Canadian Army 11 April 1940, with D Coy. S.S.R. I enjoyed being with the Regt. and was A Category. I am now B2 category. My category was changed in April 1942 because of a bunion on my left foot. The regt. was on a scheme in 1941 around the end of May. A mortar box fell on my foot off the truck. I never reported sick and a bunion formed on my foot. I took a three week Regt'l Battle Drill Course around March 1942. I did not finish the course as I had to go to hospital with my arm, which was weak from a previous injury. At this time as my foot was bothering me I had the M.O. look at it. The M.O. would not operate, but I was reboarded by a medical board at the hospital as B2 category.

I was then sentto 2 C.I.R.U. I was employed as a Coy runner looking after mail. I did not like the job as I was indoors most of the time. I wanted to return to the Regt.

I asked Sgt. Reynolds, the Orderly Room Sgt. whether or not I could take a Drivers course and thus get back to the regiment. Sgt. Reynolds said I could not do this as they wished to keep me in the Reinforcement Unit.

I got my last priviledge leave on 10th Oct, 1942 for 9 days. Since that time I have not had any leave but one 36 hour weekend.

I have been very unhappy about affairs back in my home in Canada. I have not received any mail from home since Nov. 1942. I assign $20 per month to my Mother.

I went to No. 1 C.B.P.O. on 17th Nov. 1942. I wanted to go in order to get out of the Reinf. Unit. I was employed with the Air Force section until 26th Dec. 1942. I worked from 0830 hrs. to 1230 hrs. and from 1400 hrs. to 1715 hrs. and for night shifts from 1715 hrs. to 0030 hrs. I worked seven days a week. I never received any leave whilst employed in No.1 C.B.P.O.

About a week before Xmas I did not report for night shift as I was sick. On the following morning I went on Sick Parade. The M.O. gave me medicine and told me he thought I would be ready to work that night. So I went to work this night and was informed I was to be up on orders for not reporting to work on the previous night. I went up for orders and lost four days pay. I was also told that if I came up before Capt. A.W. Markey, again I should be sent back to the Reinf. Unit.

On the day before Xmas I was given 48 hrs. excused duty by the M.O. I was to report back on sick parade on Boxing Day. I was paid on this day.

The whole time I was on this job I received only 2 letters and one parcel. The letter from home upset me because it referred to the unhappy situation at home. This situation is with regard to my stepfather who has left my Mother in the city with nothing and gone back to his farm.

On Boxing Day after being paid I met some of the boys downtown. I started drinking in a Pub. I then went to a Club and forgot about returning to work that night. I decided to stay away as I should be returned to the Reinf. Unit.

I gave myself up in uniform.

STATEMENT OF CHARACTER WITNESS.

Lieut. A.P.W. Watkinson 2i-c S.S.R. Coy. 2C.I.R.U. having been duly sworn states:-

I have known the accused very well since last April, when I came up from the field. At that time he was Coy. Orderly runner, and later Wing Orderly runner. He impressed me as being a steady reliable soldier, and willing to perform any duties that he was detailed to do. He is very reticent and retiring and was somewhat bored as a result of returning from a field Unit as a category man. For a man of his age he appeared to me to be rather serious minded. And as if he worried too much. I would not consider him as a moody temperment.

In my opinion on account of his reliability and steadiness the accused is a good soldier.

The defence counsel questions the witness.

Q. Was the accused happy in an inside job?

A. No, I would not say he was.

Q. Do you know anything about his personnal life?

A. No.

Q. Did he ever ask you how he could bet back to the Unit, by a course or anything?

A. No.

Q. At anytime did he ask for a different type of employment?

A. Yes. And I considered that he could be more usefully employed elsewhere.

Q. Was anything ever done to try and rectify the condition that caused his lower category, was anything done to help him at all?

A. I can't say.

PLEA FOR MITIGATION

The accused has already told you the hours he had to work and the days he had to work and the amount of leave he got while employed at the Base P.O. which was none. He stuck it out alright and we have him going sick before Xmas due to which he is charged and gets his punishment and takes his punishment and has the O.C. B.P.O. gently remind him that if this happens again he will go back to 2 C.D.I.R.U. the one place he has no desire to go back to. He spends the day before Xmas and Xmas day on excused duty due to illness and getting paid on the 26th Dec. he naturally goes out and does a little Xmas celebrating, gets a bit too full and when he realizes whats going on again thoroughly, he finds its too late to go back to duty. He knows that if he goes back he will be sent back to 2 C.D. I.R.U. so he simply goes loose.

That gentlemen is the reason behind this thing, he is an outside man and he gets shoved into an inside job, he likes the regt. and he gets sent to the Holding Unit through no fault of his own. He tries to help himself and gets nowhere and no one else at the Holding Unit is sufficiently interested to try and help him. He is sort of a square peg in a round hole he gets pushed about by anybody and in the end is bloody browned off, especially with the Holding Unit. On top of all this he knows things at home are in bad shape. He does not know how bad. He is trying his best to help the situation over there with his allowance and that disturbance in home life back in Canada is causing a disturbance in his army life over here. No matter how he tries to forget it that unhappy situation is always in the back of his mind. He is disappointed, uncertain, and frustrated.

The court can give this man a long stretch. What I ask gentlemen is :- is it best not this man a good soldier? And if you think he is what is the point in putting him away where he is no use to the Army for a long time. Now I think we have all at sometime or another perhaps when we were younger, got into a jam and ran away, now that is all the accused has done.

He did not want to stay out of the army, he was just frightened, faced with what he thought was a catastrophe. His home was not happy, his army life was not happy, he spent a miserable Xmas, so when he got a few drinks and got away from it all, and later realizing what he had done, and knowing what would happen to him if he went back, he simply ran away.

He thought he could buck the army, he found out after awhile that you just cannot do that, when realized that, he came back and gave himself up.

For 12 monthe previous he had a clean crime sheet, he is not a habitual trouble maker, he is a good soldier. But a combination of events beyond his control has brought about his being here this morning. He is quite willing to take his punishment, he has done wrong, he admits it. I ask you gentlemen, considering, behind the scenes of this straight forward A.W.L. charge can you blame him.

I ask for as light a sentence as this court, considering the evidence before you can possibly give.

SUMMARY OF STATEMENT IN MITIGATION, CHARACTER EVIDENCE and ADDRESS OF ACCUSED OR HIS DEFENDING OFFICER.

R.M. Swaffield Major

First witness for the defence. The following statement was made by the accused under oath

STATEMENT BY THE ACCUSED.

I am my mother's only son by her first marriage, which ended in a divorce in 1933. For several years before the divorce and up until the time of her second marriage the responsibility of looking after my mother was mine. In the year previous to my joining up the second marriage also failed and again I was my mother's only source of comfort. According to letters which I have received from home things have been going from bad to worse for her, while I have been overseas. When I received the letter from my mother dated June 28 and which arrived approximately one month later and which is produced as evidence, I felt it my duty to raise the necessary funds for her. I have been drawing only £1-0-0 per month since last February, due to a previous crime and consequently had no money of my own to send her. I knew that a soldier on furlough could get work to do. I came into possession of a blank pass from a soldier whom I met in a pub. I had hoped that with the aid of this pass to get work for a short time and thereby raise the necessary funds. I went to Manchester where I had been billeted previously and there I secured employment immediately in the George and Dragon Hotel, which lasted for five days. After that I did odd jobs in the Market which is in close proximity to the George and Dragon Hotel until I was apprehended by the provost on the 8 September.

I knew that I was wrong in doing this and that I would be punished for it, but my mother was and is my first concern.

Mr. President
Members of the Court

In making an appeal for leniency I would ask the court to consider carefully, the statement made by the accused, showing how, when faced with a problem such as his, he made a normal man's decision, that his mother should be his first consideration. The men in our army are continually impressed with the fact, that they have the right to bring their troubles to their Superior Officers, who will give them help and guidance in their problems. In the past, the accused followed this procedure and received no satisfaction from them. In his opinion, his Superior Officers failed in their duty to him and he had no reason to expect that he would receive any more help this time. He therefore, took matters in his own hands and took the only course which he could see open to him at the time. I suggest that the responsibility for these crimes do not lie entirely with the man, if he had been made to feel as he should have been, that he would get real help instead of promises from his Superior Officers, he would have sought another solution to his problem. I would remind the court that we do not recruit men for our Army only to put them in a guard house where they become a nuisance rather than an asset. This man is a well trained soldier with three years army training, fifteen or more months of which have been field experience. I suggest that before long we will need every trained soldier we can get and that it will be in the best interests of the Army for this man to be given the chance to "Soldier" once again with a field unit, rather than to deteriorate in detention.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused : Do you wish to make a statement ? Ans ~~NO~~ .....(5)

B5. The Summary of Evidence is marked Ex "B", initialled and read aloud by the President.(1)
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).*)

RECORD FORM D—PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

D5. President to accused : You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused : Do you wish to give evidence yourself as a witness, make a statement, or do neither ? Ans ..... Do you intend to call witnesses on your behalf ? Ans ..... Are they witnesses as to character only ? Ans .....

Medical Officers Certificate
K.R. Can. Para 557

I certify that I have this morning examined No. L-12847

Pte. Smith, V.D. and in my opinion he is fit to undergo trial by Court Martial.

Station: Barrosa Barracks

Date: 27th. March 1944.

(Medical Officer)

A.E.T.D.

Pte. Smith is a farm boy who joined the South Sask. Regt. in 1940 and came to England with his battalion. He was a pretty good soldier with practically no crime when he had an accident which caused his category to be lowered and then he was sent to a holding unit.

This must be had to make new friends and forget his old friends. While here he was again taken before a medical board and given a Pulhems profile L 3 and S 3

I ask the court to consider this S 3 and submit a plea that this man be posted to some unit such as a Pioneer Co. where he can be used in some useful way and again have a definite unit.

PLEA IN MITIGATION E-3

In the case of

K.3082	Gnr	SMITH	W	1 CARU

The accused is 25 yrs of age and enlisted in Sep 39 and served with a fd regt until Nov of last year. As qualified as a Driver IC and later took a course at 3 CACRU and qualified as a SP Driver. Subsequent to that he was sent out of the regt, the reason for which he did not know, and was sent to 1 CARU, & felt that he had not been fairly treated and I take it that he went a little bit off his rocker and decided to go AWL. As far as his personal life is concerned, he is single, as no family ties, but had and still has an assignment of $15 a month to his sister. He seems to be trying to do the decent thing and really has no particular excuse to offer for this particular AWL, and hopes the Court will take everything into consideration when awarding sentence and give him as light a sentence as possible.

Q. 4 How long has the accused been in this regiment?
A. 4 Ever since it was formed in 1940.

Q. 5 What are the summer dress regulations?
A. 5 Battle dress, web belt and top button of tunic undone.

Q. 6 Has that order been published?
A. 6 Yes, sir.

No Cross Examination.

By the Judge Advocate

Q. 7 That one button is the top button of the tunic?
A. 7 Yes, sir.

In the opinion of the Court and the Judge Advocate it is not necessary to comply with R.P. 83(B).

2nd Witness, M55532 Cpl Wilson, A.E., 5 Pro Coy, Cdn Provost Corps, having been duly sworn is examined by the Prosecuting Officer:

Q. 8 What were your duties on the night of 16 July?
A. 8 I was NCO in charge of Wymondham patrol.

Q. 9 Did anything occur or happen during that patrol?
A. 9 Up until 2235 hours there was nothing unusual. At approximately 2230 hours, I observed what I thought to be a crap game in progress in the centre of the street of Wymondham. Accompanied by L/Cpl Kane of the Provost Corps, we approached the group which were participating in this crap game, in an attempt to disperse it and break it up. When we approached the group, they got up from their knees and I observed one soldier who did not have his cap on. I asked him for his MBM Part I. During the time I was talking to this soldier, taking his particulars, I observed the accused approaching. He jostled his way through the group and grasped my tunic front and began to shake me. I ordered him to take his hands off and warned him of the seriousness of the offence

A. 9 he was committing. He also demanded that I produce my AB 466 and give him the page on which I had written the particulars of the soldier I had checked previously. I refused to do this and an argument ensued. By this time I imagine about 20 soldiers had gathered in the group and it looked as though there was going to be some difficulty. I managed to work my way to the edge of the group and a civilian beckoned me to come over to where he was standing. This group continued to be a bit out of hand for another 20 minutes and it looked as though there was going to be a lot of trouble. After about 45 minutes the group had dispersed.

Q. 10 Were you in uniform at the time?
A. 10 Yes, sir, I was.

Q. 11 Did you have your badges of rank and Provost badges showing?
A. 11 Yes, sir, I did.

Q. 12 Did you arrest the accused at the time?
A. 12 No, I did not, sir.

Q. 13 Why not?
A. 13 In my estimation it was a physical impossibility to arrest the accused at that time.

Q. 14 Why?
A. 14 Because there was quite a group of soldiers around there who seemed to be sympathizing with the accused. It was my duty to disperse the group and get away from having a scene in a public place.

Q. 15 Did you touch the accused at any time?
A. 15 Other than to break away from his grasp, I did not.

Q. 16 Did the accused touch you?
A. 16 Yes, sir, he did.

Q. 17 In what manner did the accused speak to you?
A. 17 He was speaking in a very threatening way and made several threats. He used very obsene language and referred to the Provost as being "fucking provost".

Q. 18 Was the accused properly dressed?
A. 18 No, he was not. Three buttons of his tunic were undone and he was not wearing any head dress.

Cross Examination by the Defending Officer:

Q. 19 You say you saw the accused approach you in the crowd. Could you see him before he came up to you?
A. 19 I saw him when he was approximately 6 feet from me.

Q. 20 Did the accused just burst through the crowd and grab hold of you?
A. 20 The first I saw the accused was when he grasped me without saying a word.

Q. 21 You did not make any gestures towards him?
A. 21 No, sir, I did not.

Q. 22 What is an AB 466?
A. 22 It is a notebook containing the particulars of anyone we have occasion to stop and check.

Q. 23 Did the accused take this on you?
A. 23 No, sir.

Q. 24 Did he make any attempt to do so?
A. 24 He made an attempt to but I refused to give it to him.

Q. 25 You say you had a little argument and worked your way to the edge of the group?
A. 25 Yes, sir. I swung around sharply sidewise and broke the accused's grasp.

Q. 26 And about 25 minutes after you got out of the group, it dispersed and went away?
A. 26 Yes, approximately 25 minutes. I do not know the exact amount of time.

Q. 27 That would make it about 11 o'clock?
A. 27 That's right, sir.

Q. 28 When the accused said something to you, was he referring to you or to the provost Corps in general?
A. 28 He used the expression several times. I do not know exactly how often. As near as I could remember he referred to the Provost as a whole and our manner of police work.

Q. 29 Was anyone else around there making similar remarks?
A. 29 Yes, sir.

Q. 30 Was anyone else using profane language?
A. 30 Yes, sir.

Q. 31 There was quite a lot of noise and shouting around there?
A. 31 Not much shouting but there was quite a lot of pushing around.

Q. 32 All together how long would you say that you and the accused had this argument?
A. 32 It was on two different occasions. He approached me first when I was talking to two other soldiers of the regiment and then again approached me about 10 or 15 minutes later.

Re-examination by the Prosecuting Officer

Q. 33 When you spoke to the accused might you have confused his answers with anyone else?
A. 33 No, sir.

By the Judge Advocate

Q. 34 Was the accused drunk?
A. 34 In my estimation, no.

Q. 35 Had he been drinking?
A. 35 I do not know, he did not carry himself as though he had been drinking.

Q. 36 Do you recognize the accused here in the Court?
A. 36 Yes, sir, I do.

Q. 37 This affair arose over the fact that you asked a particular member of the unit for his pay book?
A. 37 Yes, sir, that was the first contact I had with any of them.

Q. 38 What actually happened when you asked this soldier for his pay book?
A. 38 He produced his pay book and we managed to get his number and some of the other fellows crowded around and we were unable to get all of his particulars and then the accused came on the scene. He was not with the original group.

Q. 39 Not with the group who were playing crap?
A. 39 No, sir.

Q. 40 What actually happened when the accused first approached you?

A. 40 When the accused first approached me, I saw him about 6 feet away. He jostled his way through the crowd and marched straight up and grasped the front of my jacket and began shaking me. He had a very threatening attitude and invited me to the edge of the crowd inferring we were to go and fight.

Q. 41 Then you got clear of him?
A. 41 Yes, sir.

Q. 42 What happened then?
A. 42 As I broke away from him, I was still in the centre of a large group, several other members of that group started arguing with me. This continued for 10 or 15 minutes. We argued back and forth for some time and then I managed to get to the edge of the group.

Q. 43 When did the accused approach you the second time?
A. 43 This civilian called the accused and they went away together. The accused then came back to me and said "If you call off your men, I will take the rest of mine home".

Q. 44 On the second occasion he did not offer violence?
A. 44 He did threaten me. He said "The very next time I see you, I am going to knock your head off".

Q. 45 That was his parting remarks?
A. 45 Yes, sir.

By the Court

Q. 46 Were there any civilian police present?
A. 46 Yes, sir, there were two.

Q. 47 Could you recognize them?
A. 47 I could recognize one of them at least.

Q. 48 They did not take part in the brawl?
A. 48 Only to warn some of them about the language they were using.

Q. 49 There was at least one standing there all through the affair?
A. 49 There were two of them but I only first noticed them when this affair had been going on for about 10 or 15 minutes. When I got to the edge of the group I spoke to them.

In the opinion of the Court and the Judge Advocate it is not necessary to comply with R.P. 83(B).

The witness withdraws.

3rd Witness, A6055 L/Cpl Kane, R.J., 5 Cdn Pro Coy, Cdn Provost Corps, having been duly sworn is examined by the Prosecuting Officer:

Q. 51 Did anything unusual happen during that patrol?
A. 51 At approximately 2230 hours, on the main street of Wymondham, we saw a crap game in progress near the Static Water Tank in the Market Square. Cpl Wilson and I immediately went over to break up the game and we saw a soldier with his hat off and immediately checked him for being improperly dressed when the soldiers who were about 20 in number belonging to the 8 Cdn Army Fd Regt started to argue with us as to whether we had the authority to check up on one of their members.

ADDRESS BY THE DEFENDING OFFICER

First of all on the first charge--offering violence to his superior officer, the accused's original intention was not to participate in this disorder but to stick by his pals. We know that this is one quality we permit and encourage in the Army to get teamwork in all we do. I do not think we could blame him for doing this. It is very unfortunate he found Cpl Wilson there who was on duty at the time doing his best to do his duty and see that no disturbance started. I think that Cpl Wilson did a lot more than merely point his finger at the accused. I think the accused grasped Cpl Wilson to deter him from doing him any violence. Outside of grabbing this Cpl Wilson, the accused did not try to stop the provost from carrying out his duties and as one has testified he did release Cpl Wilson as soon as he realized there was more trouble there than he had a right to be in. He released Cpl Wilson and left.

As for participating in a disturbance, we have already gone over why he was in it but as to the 4th charge I do not think it is a charge which should be brought before a Court Martial. That adjective is a favourite adjective and is used regularly by the men in the Army as well as by officers. I do not see any point in bringing that up before a Court Martial.

On the fifth charge, the only reason he pleaded 'Not Guilty' was that he just took off his cap when he went into the crowd so he would not lose it. When a civilian warned him, he went back, got as many of his pals as he could and left there immediately. I think it is to his credit that he did this. It is my firm conviction that this charge or charges could be dealt with by other sections of the Army Act and under a much less serious section.

There may have been a lot of confusion around the scene of the disturbance and most of them have not a clear idea of what was going on. It is a very hard thing to pin down that fourth charge especially and would ask for its dismissal.

ADDRESS BY THE PROSECUTING OFFICER

I have endeavoured through my witnesses to bring out the evidence which will prove the accused guilty on all five charges. Each witness gave much the same evidence and that evidence I believe covers all five charges.

The first charge of striking is under Sec 8 (1) of the Army Act says that every person, subject to Military Law who commits an offence under this section, that is to say strikes or offers violence to a superior officer in the execution of his duty, is guilty of an offence under this section. Cpl Wilson was on street patrol in Wymondham and was doing his duty as provost cpl. The accused admits shaking Cpl Wilson and being in an argument with him. Cpl Wilson had his badges of rank and his provost name badges on. He was wearing them at the time and he was in uniform.

The third charge under Sec 40, the accused is charged with participating in a disturbance in the town of Wymondham thereby bringing discredit on the Canadian Army Overseas and members thereof. There was a disturbance in Wymondham and the accused did make the remark that he would get his fellows home if the provost would take his men away. He was in the disturbance and in view of that statement, did have a certain power or authority over the other men even if not through rank held in the Army but I think that he has admitted taking part in this affair with Cpl Wilson.

The fourth charge is also under Sec 40 of the Army Act, that is using obscene language to a superior officer and thereby conduct to the prejudice of good order and military discipline. There was an argument, tempers arose and Cpl Wilson has said that the accused had spoken to him in a threatening tone and did use obscene language.

The fifth charge is also under Sec 40. The accused was improperly dressed which is against regulations thereby to the prejudice of good order and military discipline. The accused has admitted that he had his cap off, and the statements by witnesses for the prosecution are to the effect that his tunic was undone to the amount of three buttons. BSM Wilson, the first witness, said that orders regarding summer dress have been published in the regimental orders and that is that only the hooks and one button are to be undone.

I am not trying to prove how long the disturbance lasted, merely that there was a disturbance, that the accused was present and that he is guilty of all charges as on the charge sheet with possibly the exception of the second charge.

(W. J. Wilson)

2nd Witness for the Prosecution

M-55532 Cpl Wilson, A. E. No. 5 Coy, Cdn Pro Corps having been duly sworn states:-

" I was on 16 Jul 43 and still am, a Cpl in # 5 Coy Cdn Pro Corps. On the 16 Jul 43 I was detailed N.C.O. i/c of WYMONDHAM patrol accompanied by A-6055 L/Cpl Kane, R.J., C-37206 L/Cpl Brady, A. L. and H-59102 Pte Aesen, C.F.

I divided my patrol into two patrols; L/Cpl Brady and Pte Aesen in one and L/Cpl Kane and myself in the other.

At approx 2230 hrs I observed what I thought to be a crap game being played alongside the static water tank in the main street of WYMONDHAM. L/Cpl Kane and I approached to investigate and as we came near, the participants got up from their knees and I saw that they were members of the 8 Cdn Army Fd Regt., R.C.A.

I saw one soldier who did not have his cap on. I ordered this soldier to correct his dress and asked to see his A.F.B. 122 while checking the particulars of this soldier, several soldiers interfered and an argument ensued. I ordered these soldiers not to interfere. At this time I saw Gnr Smith, the accused, whom I recognize here as the accused, approach. He jostled his way through the group and grasped my tunic front and began to shake me and offer violence. L/Cpl Kane came to my assistance and I managed to break away.

Gnr Smith continued to offer violence and an argument ensued. At this time a civilian beckoned to me to come to where he was standing. He said to me " I am an old soldier and fought with the Canadians duri g the last war. I know they are a tough lot and if you don't leave you will probably get injured". I told him that it was our duty as Military Policemen to see that this group of soldiers was dispersed. He said, " Maybe I can help you by speaking to Gnr Smith". I said, I would appreciate it very much if you could make him see his wrong". He then went over to where Gnr Smith was standing and he and Gnr Smith left the group.

Approximately 5 minutes later, Gnr Smith approached me and said:- "If you will call your men to the side, I will take my men and go home". He then said, "The very next time I see you I will knock your block off". During our previous conversation he used obscene language and he referred to the Provosts as being "Fucking Provosts". He was told by a civilian policeman who was standing near-by to cease that kind of talk.

.....page 2

2nd Witness for the Prosecution (continued)

Gnr Smith was not properly dressed while I saw him. His cap was not on his head and three buttons of his battle dress were undone.

The group dispersed at approximately 2310 hrs."

Question Did you see me playing crap in WYMONDHAM by the static water tank ?

Answer No, I did not.

Question At approximately what time was this crap game being played ?

Answer At approximately 2230 hrs.

Question Did I at any time during the time that I had a hold of you strike you ?

Answer You actually did not strike me with your closed fist but you did grasp hold of me and shake me which I beleive constitutes striking.

Question Approx how many men out of the 8th A Fd Regt were there ?

Answer In my opinion there were about twenty soldiers from the 8 Army Fd Regt.

Question There was, I presume, a lot of shouting and confusion going on at that time and was there a lot of obscene language used ?

Answer There was quite a lot of loud talk and obscene language was being used.

Question At what time did this civilian mention to you that he would talk to me ?

Answer I would say at approx 2300 hrs. I have no means of knowing the exact time.

Question At any other time, did any other soldier from the 8th Army Fd Regt grab hold of you ?

Answer There may have been during the scuffle but I do not particularly remember it.

Question Could you identify that man ?

Answere What man was that ?

Question At what time was I seen to walk away from this fracas ?

Answer I have no means of knowing the exact time, but I would judge it to be approx 2310 hrs.

Question At that approx time of 2310 hrs did all the members of the 8th Army Fd Regt leave the scene of the disturbance ?

Answer I have no knowledge of knowing that, as I was walking to the Police Station to phone for help.

3rd Witness for the Prosecution

A-6055 L/Cpl Kane, R. J., # 5 Coy, Cdn Pro Corps having been duly sworn states:-

" I was on 16 Jul 43, and still am, a L/Cpl in # 5 Coy, Cdn Pro Corps. Cpl Wilson's evidence has been read to me and I hereby corroborate it up to the point where I came to his assistance after Gnr Smith, the accused, whom I recognize here as the accused, had grasped the front of Cpl Wilson's tunic. At this time I was grabbed from behind by three or four soldiers and carried off approximately ten feet from the spot where Cpl Wilson and Gnr Smith were arguing.

...../page 3.

3rd Witness for the Prosecution (continued)

From then on I had very little opportunity to observe either Cpl Wilson or Gnr Smith. However, I did notice that Gnr Smith was improperly dressed in that he was not wearing his F.S. cap and also that he had three buttons of his battle dress tunic undone.

I saw Gnr Smith towards the end and I heard him say something to the effect that he would take his men away. I did not hear all of his remarks due to the noise made by the other soldiers around us.

Question At the time you were being carried away by those other three or four soldiers, you did definitely notice that my tunic was open and that I was not wearing a F.S. cap, did you ?

Answer As you rushed past me I did notice that you were without a F.S. cap however, I couldn't see the front of your tunic at that time. But at the end of the argument that ensued you spoke to me; it was then I noticed that your tunic was undone to the extent of three buttons.

4th Witness for the Prosecution C-37206 L/Cpl Brady, A. L., # 5 Coy, Cdn Pro Corps having been duly sworn states:-

" I was on 16 Jul 43 and still am, a L/Cpl in # 5 Coy Cdn Pro Corps.

On the evening of 16 Jul 43, H-59102 Pte Aasen, O. F. and I were on patrol in the town of WYMONDHAM, Norfolk. At about 2230 hrs Pte Aasen and I were called by Cpl Wilson to the static water tank where there seemed to be a disturbance. We arrived there in time to see Gnr Smith, the accused whom I recognize here as the accused and Cpl Wilson arguing with about ten soldiers aroudn them. I also noticed that Gnr Smith grabbed Cpl Wilson by the collar.

I was unable to get over to Cpl Wilson as some soldiers were holding me at the time. Everybody seemed to be swearing and making a racket but I couldn't distinguish any one in particular doing this. Gnr Smith did not have a F.S. cap on when I saw him. During the rumpus I was busy attempting to quell the fracas a few feet away from Cpl Wilson.

The accused declines to cross-examine the witness.

A. L. Brady

5th Witness for the Prosecution H-59102 Pte Aasen, O.F. # 5 Coy, Cdn Pro Corps, having been duly sworn states:-

" I was on 16 Jul 43 and still am, a Pte in # 5 Coy, Cdn Pro Corps. L/Cpl Brady's evidence has been read to me and I hereby corroborate it up until L/Cpl Brady and I went over to the distrubance at the static water tank. During the scuffle between Cpl Wilson and Gnr Smith, the accused, whom I recognize here as the accused, I was pulled away by some soldiers and while I was held there I saw that Gnr Smith had no F.S. cap on and that he appeared to be fighting with Cpl Wilson. Then I borke loose from these soldiers and I went over to Cpl Wilson and Gnr Smith and hollered an order to stop the rumpus and then Cpl Wilson and Gnr Smith broke loose.

.....#4.

5th Witness for the Prosecution (continued)

They still carried on talking but I did not hear what they were saying. After this, I was occupied in talking to some soldiers and I did not see Gnr Smith until a civilian started to talk to him. Just after this I broke loose from the group of soldiers I was with and it was then that I noticed that Gnr Smith had three buttons of his tunic battle dress undone.

I went over to Cpl Wilson and I heard Gnr Smith say to Cpl Wilson something to the effect that he would call his men off and then I heard Gnr Smith say " The very next time I see you I'll knock your block off". Then Cpl Wilson called us to go to the Police Station

Question Did you say that you saw me after the Civilian spoke to me ?

Mitigation Plea

The accused enlisted in Feb 41 and came overseas in Jun 41. He came to France in July 44 and has served on the continent ever since. Having had service with regimental police he made three different attempts to get a transfer to the Provost Corps in England, but each time was told he did not have enough education.

Then S/Sgt Chester of the S.P.S. over here asked him to transfer to the Provosts, and so he put in another application in February or March of this year. Capt Jorgenson, camp commandant at 1 Echelon recommended him and the D.A.P.M. at Brussels Garrison told him his application was approved. However on 19 Mar he was sent to 20 Special Employment Coy on X-9 list for return to England or Canada. He did not want to go, but wanted to go to the Far East.

He was taken to Rheims and left there being unable to find 20 Spec Emp Coy. He reported to the Provosts, who told him they would take him to the unit at 2200 hrs. He had had a farewell party in Brussels, and in the meantime started drinking again in Rheims and as a result did not turn up at 2200 hrs. He did not come up for 3 days, and then was scared to report, although he had had no intention of going A.W.X. originally. Hence he stayed in Ghent until his money ran out, then surrendered to the Provosts.

He has volunteered for Far East service and still wants a transfer to the Provost Corps. He has had no leave since February 1943. His last offence is dated March 1944, and that absence was also due to drinking. Since then until this occasion he kept away from drinking and so has a clear record. There is no question of evading service here, and in view of the fact that the accused has already been in custody two months I would request that he be given a very light sentence.

being duly sworn, is examined by the prosecutor.

I was 9d. Cmdr on 20 Dec 42. I was given a list of men detailed for Guard. the accused was on the list. We had moved that day to Godwood Race track. There was only one Pl. for the night we were in the N.C.O.'s Mess when we got the list detailed for Guard. I warned all persons including the accused this was about 6.30 P.M. The accused said he would not go on Guard - that he had done quite a few duties lately. We were attending a lecture & I warned accused during a break. I later went out to look for Pte Smith as the Sgt wanted to see him on account of his refusal but could not find him. After the lecture parade at 8 o'clock pm Sgt Davies & I placed accused in Open arrest & detailed Pte Morris to take the accused's place. Pte Morris did the guarding of the detailed while Pte Smith stayed home duty.

Cross Examined

I said Smith you are warned for gd to-night - we're drawing for a bar to see who takes the shifts." I gave Smith no definite time for guard duty. When he said he would not do guard Smith left the N.A.A.F.I. I saw him go out. When I went to him next it was just to place him under open arrest & not to warn him for guard. I ~~did~~ warned Morris for guard before I placed Smith under arrest - that is I warned Morris to do the gd which shows he before I placed Smith under arrest R.P. 83(A) complies with

2nd Pros Witness — B 37403 Pte. Roy. E. Wilkinson duly sworn

On Dec 20/42 Cpl Whitehead warned me for guard. I heard him later warn Pte Smith the accused for Gd. Pte Smith said words to the effect that he refused to do Guard duties than. Cpl Whitehead did not mention what shift I was on. I knew I would fall in for guard duty this morning but I did not know what hour. R.P. 83(A) complies with

3rd Pros Witness — B 38227 Pte. Wm R. Morris R.H.L.I. duly sworn

I heard Pte Smith the accused tell the Cpl when warned for guard that he would not do guard because of having so many duties of Guard to do before. About 1½ hr later I was warned by Cpl Whitehead to take over a guard that one of the boys refused to do & I am this Guard. I was not originally on the list detailed.

Cross Examined. I went on gd from 2.30 pm morning until 4.30 AM. R.P. 83(B) complies with

Answer. The accused in mitigation of punishment says:—

[He hands in a written statement, which is read, marked , signed by the President, and attached to the proceedings.]

I want to base my Plea in Mitigation upon the fact I left this Unit, 1 CITR in order to rejoin my Unit, The Calgary Highlanders, and I would like to say why.

I joined my Regiment on approximately 14 Nov and remained with them until 15 Dec. This was not a period of great activity and we were confined to petrol work. I did a great number of these petrols for my Regiment, and in doing these petrols I proved to myself that I had calm nerves, steady nerves, good night vision, and a constitution which would stand up to the rigid life. In fact in my month in the field all I did accomplish was to get my feet on the ground. I had just arrived at that point where I began to feel I was not a green horn, but able to become a real officer.

At that time I was wounded and brought back to England and when I became fit for duty I hoped, and was very anxious,

to return to my Regiment, I might say that in fact no other idea had entered my mind. However, when I reported to No. 1 CITR I was informed that it would be necessary for me to do a three month tour of duty. I felt that I had not gained experience, I had not the appropriate knowledge to pass on to recruits being trained at that time. Besides, I was not tired, I was not suffering from battle exhaustion, and I had not been very seriously wounded, and I felt that I could better serve the Army with my own Regiment. Despite my attempts to point this out to the Officers in this Regiment who interviewed me it was made clear that I would do my three months period. When this was made sufficiently clear to me I returned to my quarters, wrote a note to a friend of mine in my Regiment informing him of what I was about to do, went to the Mess, signed out of the book, and caught an airplane to the Continent. At Brussels upon leaving the Aircraft I was stopped by the RAF Security Police because I lacked appropriate personal identification. I went to say again, and impress the Court, that I did not surrender, that I was apprehended and was escorted to Major Harvey of the 1st Echn. As soon as it was established that I was there without permission I was returned to this Country.

When I left 1 CITR I was aware I was breaking regulations, and I was aware the Army would sooner or later catch up with me and I would be dealt punishment, but I hoped I could rejoin my Regiment and get in a few more licks before I became a casualty or before I was withdrawn from the Regiment.

That is all I have to say.

States:-

I am a Sgt in the above unit. At about 1015 hrs. SUNDAY 24th DECEMBER 1944, I was visiting duties in PESARO.I was proceeding along the VIALE DELLA VITTORIA, ROUTE 16 in a NORTHERLY direction. Upon reaching the junction of VIALE DELLA VITTORIA with VIA FIUME, I was stopped by a Polish Officer, CAPT. NOWOK of the 344 Polish Advanced Depot Medical Stores, who requested me to detain a Canadian soldier who had attempted to steal his vehicle, a Dodge 15 cwt WD No. Z4977795, which was parked by the roadside. At this sta 29, I observed a Canadian soldier running in a NORTHERLY direction along the VIA FIUME, I therefore pursued him in my vehicle and detained him. He was identified by the Polish Officer as the soldier who had drove his vehicle away. Upon interrogating the soldier, he admitted his intentions of stealing the vehicle for the purpose of returning to his unit, and offered, as an explanation, the fact that he had been drinking.His breath smelt strongly of intoxicating liquer, but he was only able to produce his AB. 64 Part II, Identity Documents, he was only able to produce his AB. 64 Part I. His particulars are No.B31057 Sigmn. SMITH, W.J., 1st DIVISION CANADIAN SIGNALS, RCCS. I then apprehended him and conveyed him to my Company HQ, and reported the occurrence to CSM. ADAMS, C.M. POLICE and was later interrogated by him.

STATEMENT

Statement of No. 102176 CAPT. NOWOK, T, 344 POLISH ADVANCE DEPOT OF MEDICAL STORES.

States:-

On the 24th DEC 44 at about 1015 hrs, I was proceeding to Church, and was standing at the door of my billet, when I saw, in the MAIN STREET, PESARO, my truck No. 4977795 DODGE 15 cwt being driven from the Unit Car Park, which is situated on the opposite side of the road to my billet, by an unkown soldier. I immediately ran to stop him, and was about 15 YARDS away from it, when it came to a standstill, owing to the fact that it was partially immobilised. On reaching the vehicle the soldier who had been driving it, was standing by the offside door. I asked him what he was doing with my vehicle. He replied "I just wanted to go for a short journey". I then ordered him to get back into the truck and told him that I would hand him over to the Military Police and report him for stealing my vehicle. He replied "I do not want to go", and refused to get into the truck. He then ran away, but was caught by a Sgt of the Military Police, who was passing at the time.

REPORT

SUBJECT:- No. B31057 SIGMN SMITH, W.J., 1st CANADIAN DIV SIGNALS.

To - Officer Commanding,
43 Company, CMP(TC).

Sir,

I have to report that at about 1115 hrs SUNDAY 24 DEC 44 I was on duty at Company HQ, when No. 5627094 SGT JOBSON,C.,C.M.POLICE(TC) reported to me that he had in his custody a Canadian Soldier B31057 SIGMN SMITH,W.J., 1st CANADIAN DIVISION SIGNALS,R.C.C.S., whom it was alleged that he had attempted to steal a WD DODGE 15 cwt vehicle No.Z4977795 from VIALE DELLA VOTTORIA, PESARO, at about 1010 hrs this date by a CAPT NOWOK,T., 344 POLISH ADVANCE DEPOT O F MEDICAL STORES.

Upon my interrogating the soldier in question, and asking him what he had to say, he replied "I have been drinking Sgt Major and don't feal capable of offering any explanation; could you see me later". At this stage I formed the opinion that he had been drinking. His breath smelt strongly of intoxicating liquor and his speech was slightly incoherent and was not in my opinion in a fit state for interviewing. He was not however, drunk.

At 1315 hrs I again saw the prisoner. The effects of the alcohol had worn off and he appeared to be quite normal. I spoke to him and asked him what he knew about the allegations in respect to the attempted theft of a WD vehicle. He replied "I don't know why I did it because I could easily have go t a lift". At this stage I administered the usual caution "You are not obliged to say anything unless you wish to do so, but what you do say will be taken down in writing and may be used in evidence". He then elected to give a voluntary statement which I took down in writing in my AB 466 and which he signed after having read it over to him, a copy of which is attached hereto.

On being cautioned and charged with the offence, he replied "I had been drinking and was full of devilment".

He also admitted being an absentee from his unit(see attached voluntary statement) and having stayed with friends at RICCIONE and FANO. He is now detained awaiting to be handed over to the Canadian authorities.

Statements from complainant CAPT T.NOWAK and SGT JOBSON are attached hereto.

Statement of No. B.31057 PTE. SMITH W.J., 1st CANADIAN DIVISION SIGNALS, R.C.C. Signals.

States:-

I am a Pte soldier in the above unit and I fully understand the caution administered to me by No. 2653452 CSM. E.F. ADAMS, C.M.POLICE, in that I am not obliged to say anything unless I wish to do so, but what I do say will be taken down in writing and may be used in evidence. I make this statement quite voluntary.

(Signed) W.J. SMITH.

My unit is stationed at VILLANOVA DI RAVENNA, about 20 Kilometres SOUTH-WEST of RAVENNA. Sometime during the morning of FRIDAY 15th DECEMBER 1944, I proceeded to RICCIONE to see a pal of mine, a Canadian soldier. I did not actually receive permission, but I knew I was covered for the day. Well, we had a party and lots of drink, one thing led to another and eventually I got a little under the influence and finished up by staying the night at RICCIONE. The following morning, SATURDAY 16th DEC, when I awoke, I had every intention of returning to my unit. However, my friend and a bunch of other Canadian boys eventually persuaded me to stop for another couple of hours. We had some more drinks and I got drunk again and stopped the night, the next day and night, and left for FANO MONDAY morning 18th DEC 1944, after being more or less, drinking most of the time. I obtained a lift to FANO, and upon my arrival there I proceeded to a Civilian house, where I stopped with an Italian family whom I know very well, until SATURDAY morning 23rd DEC, when I obtained a lift and came back to PESARO. I spent the day and night in PESARO, with a pal out of the RASC. I dont know the name of the unit, or the correct name of my pal, except that I call him 'Taffy'. We went to a dance in the evening in the CPLS MESS and we had quite a lot to drink. This morning SUNDAY 24th DECEMBER, I awoke still feeling the worse for wear, and we had some more to drink. I had a bottle of beer and a full Litre bottle of Spumanti Wine. By the time I had drunk this, I was beginning to feel a little under the weather again, so I decided to leave PESARO and return to my unit as I thought I had been away long enough. I therefore wished my friend goodbye and proceeded on my way. I walked along the VIALE DELLA VITTORIA in a NORTHERLY direction until I reached the junction with VIA FIUME where I saw a stationery 15 cwt DODGE WD Vehicle parked by the road-side, on its wrong side of the road, facing SOUTH. There was no one there looking after it. I don't know what really happened or why it happened but I got into the vehicle and decided to borrow same and proceed back to my unit in it. The engine started up quite easily and I drove away. I had hardly gone 20 YARDS before it stopped. At this stage, a POLISH Officer came up to me and asked me if it was my truck. I got out of same and told him it wasn't mine. The Officer then tried to detain me, but I didn't want any trouble, so I walked away in a NORTHERLY direction. I was just about to get a lift when I was detained by a Military Police Sgt. I don't know why I wanted to take a vehicle, because I could have quite easily got a lift. It was a very foolish thing to do. I would never have done a thing like that if I had been sober.

I have read over this Statement and what I say is quite true.

Plea of Mitigation NOTE E-3 MM

Case of A 22141 Tpr Smith W J. W. on trial by F.S.C.M. at 1 CACRU on 11 Feb 44, charged with absenting himself without leave.

Tpr Smith ~~enlisted~~ volunteered for active service on 11 april 1940 stating his age to be 19 whereas he was in reality 17 years old. Despite his extreme youth he ~~was~~ served as a soldier in a creditable manner until 2 Oct 42 when he was allegedly ~~advised~~ directed by his unit padre to marry one Florence Gallop of Hastings. Florence Gallop, according to reputation among the other ranks of 3rd Cdn Recce Regt, had become pregnant during a session of promiscuous living and endeavoured to single out Tpr Smith as the father of her expected child. From that day onward Tpr Smiths military character completely reversed. At the age of 21 he had been saddled for life with a social stigma, a financial burden, and a constant state of disharmony through being married to a woman he could neither respect nor live with comfortably.

On the 4 Oct 43 I was called to Border, Hants to appear as character witness for Tpr Smith at his second court martial. He had gone AWL as a result of finding his wife spending a weekend in London with an American soldier. On that occasion I placed before the court a detailed account of the circumstances sketchily outlined above and made a strong recommendation that this case be thoroughly investigated. Smith went to detention and paid his debt to the canadian army, but what has been done by the Canadian army to investigate or rectify the damage done to Smith? So far as Smith or I know there has been nothing done to date.

Having served his time in detention Tpr Smith was T.O.S. no 1 CACRU. where I ~~was~~ arranged a job for him as a motorcycle instructor. This job he performed

well, with his customary enthusiasm and ability until the end of 1 November 1943. About 5 Dec 43 he was granted 14 days Privilege Leave. ~~He~~ ~~stated~~ Before leaving camp Tpr Smith told me he was going to Hastings to try and ~~get~~ arrange some decent basis for the upbringing of the child he had come to regard as his own. On the evening of the second day of his leave Smith returned home to find the door locked. His wife put her head out a window and told him to leave, that ~~she~~ they were through living together and she never wanted to see him again. Smith went away; and stayed away thirty eight days too long with the result he is again faced with a court martial for absenting himself without leave.

In summing up the facts are these, Tpr Smith served under me for several ~~years~~ months in the 8 Cdn Recce Regt. I have never known his equal as a troop despatch rider nor a more popular member of a troop, prior to October 1942. Now he is a soldier with a very extensive crime record attributable directly to military officials attempting to dictate the terms of his private and social status without proper consideration of the circumstances.

Plea in mitigation of Punishment in the case of A[illegible]141 Tpr William John Wallace SMITH, 8 Cdn Recce Regt (14 CH)

D.C.C.M. - 3 Jul 43.

Gentlemen of the court, I am wondering if this case has established itself in your minds as it has in the past several days established itself in mine. When I first learned I was to be Defending Officer I hardly knew where to begin - the accused has done wrong in this instance - and his record shows that it is not the first time he has been A.W.L.; we will agree, and he is the first to second the point, - he is before you with very little of a concrete nature to plead in his favour.

However, if you will again allow me to elaborate on a few of the other details, I think it will give us all a clearer picture of certain deeper issues which are in this instance at stake.

This boy is a stranger to you; I have know him a matter of months only. In that time, however, I have learned a good deal about him - enough to convince me that he is not a bad lad. His recurring crime has been A.W.L.; and to me, there must be something behind that - some reason or reasons why he has persisted in that habit.

Wallace Smith is now 20 years old. He was brought up in Windsor, the Border Cities, Ontario. His father was a working man providing a good home for a normal life - a good mother. But this lad's whole life is one story of restlessness and change - at an early age he wandered about Detroit on Saturday afternoons - he lived in England here for a year or so, receiving a spasmodic schooling. In Windsor he had a year-and-a-half at Technical School, which he left to be a grocer's clerk. Three months later he left this, his first job, to join the Essex Scottish Regiment - he was 17 then - his father was in the Essex too - and together in that year they came overseas ~~together~~ - the father handy to look after his son. In Sept '40 young Smith transferred to the Recce as he liked Motor Bikes, but he still saw a lot of his Father. In Oct '41 the father returned to Canada as unfit for overseas service - the son was left.

Present

~~Lt. H~~ Smith

Lt. Bigelow
Lawyer.

The prosecution has presented the Medical Officers' analysis of Smith. He describes him "a psychopathic personality — his future course of doubtful quality unless he changes his attitude."

I have pointed out the nature of Smith's background — & his record — he is evidently an accumulation of flaws not readily fit into the Army. But Smith is young & he is determined that he is to go right — his attitude has changed

- II -

Now I would not give you the impression that Smith here is a father-be-apron-strings boy - far from it; in his few years he has probably seen and done a few things strange to most of us. But I would stress that parental influence here must have been strong - and that was suddenly taken away. Add to that, then, the inactivity of the whole Canadian Army in Britain, together with certain in his own unit and Smith's conduct sheet soon showed a few entries in A.W.Ls. - this soldier was not a happy soldier, whatever the cause may have been.

And then the case demands that I would mention an unfortunate marriage. He never was in love with his wife; in his heart he feels she is mother of another man's child. And yet he married her, ready to go through with a bargain he thought he'd got himself into, and now sees little hope of any success with it. That is a bit of a knock even for a man of very mature years and stable background.

There is one other side of this story that bears mention. From his background, upbringing and general nature, he is, let me call it, an 'individualist' for want of a better word. He does not easily conform to rigorous military discipline; I am told he was a good D.R., whereas he tells me he was a very poor gunner, and still knows very little of weapons - and did not like ordinary Troop work as we have it in the Recce.

INSERT

I shall not go further. Smith readily admits his guilt in this case and knows that his past course is not one that will benefit him in the long run. In my talks with him he readily agrees that he is ready now to take his punishment too. But, gentlemen, in awarding that punishment I would urge you to consider the background of this particular case - these reasons built into his life from childhood, and fostered by the uncertainties of a soldier's life in England; his age; the influences to which he has been exposed; the unhappy marriage; his undoubted ability and mental alertness - and especially his ability and new keenness to make a new start again. Given a fair break in the end, I will make good.

Might I add one further point. This boy has not been happy in his present unit and his return to it only presents the old

old environment, connections and resentments - would it be in the province of the Court to recommend this man for change in employment to some other part of the Army?

Plea of Mitigation
in bar of A 22141 Tpr Smith W.m
John Wallace

This soldier left School at the age of 17 and joined the Canadian Army on 11 April 1940. He came overseas in August 1940.

After leaving his holding unit he joined the 8th Recce Regt. He has been a D.R. since coming overseas.

In the years of M/C driving he has only had one minor accident.

From the time of joining the army until he was met a tragedy in his personal life his conduct was, with the exception of two or three minor charges of A.W.O.L., practically clean. At the end of 1942 he was practically forced into an unwanted marriage with a girl who claimed him as the father of her child. From then on his conduct graph has shown a decided upward curve.

His Army life and Domestic life has for the last year been very unhappy. The difficulties he had had with her in Ottawa have been reflected in his Army life since coming to the Isolation Hospital he has been trying to retain the last year of his Army life, but on the night of 15th 1943 while on an overnight pass to London he saw his wife with an American Soldier on Piccadilly. The effect this had on Smith was that he started drinking and doesn't recall anything more until coming up in Edinburgh about six days later. Realizing he was AWOL (due to having been drunk) he immediately started back to camp. Arriving in Sheffield he was took lodging accomodation in the Salvation Army where the Provost arrested him in possession of a false pass. Smith has no explanation

of altering his face.

I submit Sir that this particular crime is a direct result of his domestic situation. It is a Hellish shaving position for a young man, still a minor, to be forced into marriage against his will. Mr. Regtl Padre told him he had to marry the girl as there was a court order that would make him. It was not pointed out to Smith that all he had to do was make an assignment to support the child.

Previous to his unhappy marriage Smith was assigning twenty dollars per month home to his Mother in order to help put his sister through business college and to buy war bonds with.

Because of his ability in compass and map reading, he was elected to be attached to the Home Guard at Weston for two weeks as an instructor.

In Sept 1940 he took a M/C course at Gordon Workshop and passed with 90% marks. On returning to

his rank, ~~the 4th Platoon~~, he was put on as instructor on M/C.O.

This man has never had any crimes in civilian life nor has he had any civil convictions since joining the army.

On August 1938 he was instrumental in saving the lives of two brothers who got themselves in difficulties while swimming at the beach in Windsor, Ont. On Oct 1942 he helped in rescue work when the Petworth School was destroyed by a bomb.

This sir is my plea on behalf of the accused Trooper W. J. W. Smith.

Held on 4 Oct 1943 at Bordon, Hants for the purpose of trying A.22141 Tpr Smith, W.J.W. on trial for being absent without leave.

This will certify that A.22141 Tpr Smith, W.J.W. served as troop D.R. for me in the 8 Cdn Recce Regt from Dec 1941 till Sep 1942. During this period he performed his duties with deligence, reliability & enthusiasm; always displaying great initiative. In addition to being generally a good soldier he was very popular member of the troop, with only two minor entries on his MFM 6.

During the month Aug 1942 Tpr Smith came to me to advise that he had been ordered by the padre, through the Commanding Officer, to marry a girl in Hastings, Sussex, who was alleged to be pregnant. Tpr Smith confessed he had been in company with the said girl on various occasions but that she was seeing several other soldiers on the same basis and he felt this obligation was not ~~his~~, nor did he have any desire to marry the girl. Tpr Smith stated that the padre had informed him if he did not voluntarily marry the girl a Court Order would be brought against him forcing him to do so and in view of this he had signed the application for marriage.

I was transferred shortly after this and did not see Smith again until he was released from detention in August 1943. He told me of a long series of family troubles since his marraige, that his wife was not being faithful to him and that, as an escape from this, he had taken to drinking heavily with a resulting series of charges for being AWL.

It is not my wish to minimize the seriousness of this mans conduct in going AWL but would beg ~~leave~~ request a full investigation into Smiths family problems with a view to effecting some permanent settlement. By so doing it is my honest opinion that Tpr Smith could be reinstated as a valuable soldier in His Majesty's Service and return to Canada after the war as a respectable citizen. At present Smith is only twenty years of age, having come overseas at seventeen, and is fast slipping into the category of an irresponsible man and a future burden on society.

This officer is intended to be a character witness and is to be given evidence. However, I am attaching this to the proceedings for the personal attention of the Confirming Officer if he cares to consider it.

Character Evidence

E-1 B-23092 - A/Sgt. Carson, H.A. sworn

I first became acquainted with accused in Dec 1941. We were working at the B.O.W. in Camp Bordon. He went to hospital in March 1942. The next time I saw him was at Basingstoke where he rejoined the unit in the latter part of August 42. While we were there I got to know him very well. He is a steam fitter by trade and we have worked on various jobs. He has always done his work very well. I have never had any trouble with Spr Smith while he has been in my platoon. He has been reliable. He was posted for a good conduct stripe. I have found him a very good soldier.

No cross examination.

RP 93.(6) complied with.

E 3. Defending Officer reads and hands in a statement in mitigation.

PLEA FOR MITIGATION

Plea for Mitigation, Submitted in the Defence for the accused.

B-25749 Sapper Smith, Wilfrid Laurier.
Age: 35
Married: (wife in Canada)
Enlisted: 18 April 41.
Landed in United Kingdom 26 Sep 41.

The accused enlisted with the 4 Battalion, Royal Canadian Engineers and came overseas in the Fall of 1941 with that Battalion. He remained with that Battalion until they were disbanded to for Field Companys, at that time he was T.O.S. of the 31 Canadian Field Company.

The accused has proved himself to be a good soldier, in the past, having qualified for a Good Conduct Badge. His M.F.M. 6 is clean to date, and his value to the army as a tradesman has been vouched for by the witness of his character.

The accused whilst on leave made that common human error of allowing his moral to be lowered by the influence of alchol and the unsatisfied desire to see the action for which he enlisted. His weakness was offset by a desire to return to his unit, but a reluctance to give himself up or return voluntarily was tempered by some natural fear of consequences. His only desire is to now return to active service, his greatest worry is to protect his wife from any financial stress which might be caused through his misconduct.

I, and all who know this soldier, are convinced that he has learned "his lesson" and that the loss of pay which he must suffer will make a lasting impression, and most certainly improve his future discipline.

Signed: Lieut. P.M.Ackley, RCE
Officer for the Defence.

Plea in mitigation by defending Officer

"This accused was barely finished even a primary or early secondary school education when he found himself in the army at the age of 16. although he gave his age as 18 in order to qualify. This fact is deserving of consideration - At the time this happened he was thinking of his wife who was in Rosthern hospital assisting Mrs Bridges wells is sick I.e. You are aware gentlemen, that this was the exact area of Robot bomb activities - I put it to you that this is a very definite factor in this case - This youth has admitted that he has made a bad mistake. He wants to redeem himself - Having regard to his extreme youth his education and the other factors

I have mentioned I consider he deserves a second chance.

I would ask that careful consideration be given to the possibility previously suspended sentence herein.

I am William Lloyd Smith and was born 2 dec. 23 in St. Catherines, Ontario. I enlisted in the Lincoln and Welland Regiment 29 June 40 at the age of 16. I gave my army age as 19 when I enlisted. I arrived in England 22 July 43 I left England to come to France 18 July 44. with the Lincoln and Welland Regiment. We had made several moves and finally stopped at Bourguebus. We were there for several days and were relieved by the Argiles so we could make an attack on Tilly. The attack wasn't a success and we moved back to a place called Bras and stayed there several days until relieved by the 5th Highland Division. We moved back to Cam for the night and moved forward when we broke out of the hinge at Cam. We were dug in east of Cintheaux and told that we were staying there for the night. I was sitting on the side of my slit trench, and I picked up my sten gun, laid it on my lap and fired a shot into my left foot. I called my platoon Sgt. and he took me to R. A. P. SUMMARY OF EVIDENCE

Summary of evidence in the case of B 40914 Pte William Lloyd SMITH, Lincoln & Welland Regiment attached No 7 Canadian General Hospital, charged with, when on active service wilfully injuring himself with intent thereby to render himself unfit for service (AA Sec 18(2)), alternative, when on active service neglect to the prejudice of good order and military discipline (AA Sec 40)

By direction of the Commanding Officer the evidence is taken on oath.

First Witness

A 3316 L/Cpl Bindner GL, 13 Cdn Pro Coy, Cdn Pro Corps, sworn states :-

I am A 3316 L/Cpl Bindner GL, 13 Cdn Pro Coy, Cdn Pro Corps. On the 12 Sep 44 at approximately 1500 hrs I interviewed the accused, B40914 Pte SMITH WL of the Lincoln & Welland Regiment, whom I recognize, at No 7 Cdn Gen Hosp. I was in company with Cpl Norton TH. I informed the accused that I was a member of the Pro Corps and that I was investigating the circumstances surrounding his injury. I introduced him to Cpl Norton also as a member of the Cdn Pro Corps. I cautioned him in the following manner : "you are not obliged to say anything unless you wish to do so, but whatever you do say will be taken down in writing and may be used in evidence". He understood this caution and signed same. He then volunteered to make a statement which I took down in writing. After the statement was reduced to writing I read it over to the accused and he in turn read it over himself, and then he signed it. I recognize the accused's signature on the statement. I produce the statement as evidence. There were no threats, promises of reward or inducements held out to the accused to obtain this statement. He was not under arrest at this time.

George L. Bindner
Witness

The accused declines to cross examine this witness.

The statement referred to in the evidence of the above witness is attached hereto as Exhibit "A".

Second Witness

Capt WE Armour, RCAMC, No 7 Cdn Gen Hosp, sworn states :-

I am Capt WE Armour, medical officer at No 7 Cdn Gen Hosp. Pte Smith was admitted to my ward on the 8 Sep 44 suffering from a wound of the left foot incurred on the 13 Aug 44 according to medical records accompanying him. The wound perforated the base of the terminal phalanx of the great toe in a vertical direction. Clinically there is no fracture of any importance. The wound is now practically healed and he should be fit to return to full duty within four weeks without change of category due to the wound. In my opinion the wound could have been caused by a small arms projectile fired from a weapon held by the man himself. There is nothing to show at what distance from the wound the weapon might have been fired.

W. Edward Armour Capt
Witness

The accused declines to cross examine this witness.

The accused is cautioned as follows :-

Do you wish to make a statement or give evidence on oath? You are not obliged to say anything or give evidence unless you wish to do so but whatever you say or any evidence you give will be taken down in writing and may be given in evidence.

There is nothing I have to say now.

The accused does not wish to call any witnesses.

I certify that the foregoing summary of evidence consisting of two pages was taken down before me in the presence of the accused and that RP 4 (C) (D) (E) (F) and (G) have been complied with.

Plea in Mitigation by Defending Officer.
"This accused was barely finished even primary or early secondary school education when he found himself in the army at the age of 16. Although he gave his age as 19 in order to qualify. This fact is deserving of consideration. At the time this happened he was thinking of his wife who was in Rotherfield Sussex NrTunbridge Wells in Kent Eng. You are aware Gentlemen that this was the exact area of ROBOT Bomb activities. I put it to you that this is a very definite factor in this case. This youth has admitted that he has made a bad mistake He wants to redeem himself. Having regard to his extreme youth his education and the other factors I mentioned I consider he deserves a second chance. I would ask that careful consideration be given to the possibiltiy of recommending suspended sentence herein".

SUMMARY OF EVIDENCE

Summary of evidence in the case of B 40914 Pte William Lloyd SMITH, Lincoln & Welland Regiment attached No 7 Canadian General Hospital, charged with, when on active service wilfully injuring himself with intent thereby to render himself unfit for service (AA Sec 18(2)), alternative, when on active service neglect to the prejudice of good order and military discipline (AA Sec 40)

By direction of the Commanding Officer the evidence is taken on oath.

First Witness

A 3316 L/Cpl Bindner GL, 13 Cdn Pro Coy, Cdn Pro Corps, sworn states :-

I am A 3316 L/Cpl Bindner GL, 13 Cdn Pro Coy, Cdn Pro Corps. On the 12 Sep 44 at approximately 1500 hrs I interviewed the accused, B40914 Pte SMITH WL of the Lincoln & Welland Regiment, whom I recognize, at No 7 Cdn Gen Hosp. I was in company with Cpl Norton TH. I informed the accused that I was a member of the Pro Corps and that I was investigating the circumstances surrounding his injury. I introduced him to Cpl Norton also as a member of the Cdn Pro Corps. I cautioned him in the following manner : "you are not obliged to say anything unless you wish to do so, but whatever you do say will be taken down in writing and may be used in evidence". He understood this caution and signed same. He then volunteered to make a statement which I took down in writing. After the statement was reduced to writing I read it over to the accused and he in turn read it over himself, and then he signed it. I recognize the accused's signature on the statement. I produce the statement as evidence. There were no threats, promises of reward or inducements held out to the accused to obtain this statement. He was not under arrest at this time.

Witness

The accused declines to cross examine this witness.

The statement referred to in the evidence of the above witness is attached hereto as Exhibit "A".

Second Witness

Capt WE Armour, RCAMC, No 7 Cdn Gen Hosp, sworn states :-

I am Capt WE Armour, medical officer at No 7 Cdn Gen Hosp. Pte Smith was admitted to my ward on the 8 Sep 44 suffering from a wound of the left foot incurred on the 13 Aug 44 according to medical records accompanying him. The wound perforates the base of the terminal phalanx of the great toe in a vertical direction. Clinically there is no fracture of any importance. The wound is now practically healed and he should be fit to return to full duty within four weeks without change of category due to the wound. In my opinion the wound could have been caused by a small arms projectile fired from a weapon held by the man himself. There is nothing to show at what distance from the wound the weapon might have been fired.

Witness

The accused declines to cross examine this witness.

The accused is cautioned as follows :-

Do you wish to make a statement or give evidence on oath? You are not obliged to say anything or give evidence unless you wish to do so but whatever you say or any evidence you give will be taken down in writing and may be given in evidence.

There is nothing I have to say now.

The accused does not wish to call any witnesses.

I certify that the foregoing summary of evidence consisting of two pages was taken down before me in the presence of the accused and that RP 4 (C) (D) (E) (F) and (G) have been complied with.

Officer detailed to take the summary of evidence.

Statement of B -40914 Pte. Smith W.L. taken on Sept 12 -44 at approx. 1500hrs at No 7 Cdn. Gen. Hosp. in the presence of Cpl Norton T.H. after the soldier had been properly cautioned.

This statement is voluntary and reads as follows:

I am William Lloyd Smith and was born 2nd Dec. 23 in St Catherines, Ont. I enlisted in the Lincoln and Welland Regt. 29 June 40 at the age of 16. I gave my Army age as 19 when I enlisted. I arrived in Eng. 22July 43. I left Eng. to come to France 15 July 44 with the Lincoln and Welland Regt. We had made several moves and finally stopped at Bougirbois. We were there for several days and were relieved by the Argiles so we could make an attack on Tilly. The attack wasn't a success and we moved back to a place called Bras and stayed there several days until relieved by the 51 Highland Div. We moved back to Caen for the night and moved forward when we broke out of the hinge at Caen. We were dug in east-of Cintheaux and told that we were staying there for the night. I was sitting on the side of my slit trench and I picked up my Sten gun, laid it on my lap, and fired a shot into my left foot. I called my platoon Sgt. and he took me to R.A.P. I was then sent to No7 Cdn, Gen. Hosp. I have realized now that I have made a mistake. My foot is better and I am ready to redeem myself and return to the line s.

I have given this statement voluntary without promise, threat, or inducement. I have read the above statement and have had it read to me. It is the truth.

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

Sir,

I beg to report at 9.15.a.m. 26th October, 1941. I was informed that a Canadian soldier was aboard the S.S."Wigry", a Polish ship lying at "E" Warehouse, West India Dock.

With P.C.180, Matthews W. I went aboard the ship, where I saw Sapper Wallace Smith, No F.91550, First Coy., Royal Canadian Engineers, Cove, Aldershot, lying in a bunk in the crews' quarters.

I asked Smith what he was doing aboard the ship and he replied" I am on seven days leave from Aldershot, and I came aboard last night about 10 o'clock with two of the crew who are natives of the same town as myself, in Canada, and some Fusiliers who are stationed in the Dock". This statement was verified by the other Canadians. I asked Smith for his papers, but he told me that he had lost them all.

I communicated with the Royal Canadian Military Police, Henrietta Street, W. and Provost Cpl Dickenson came to the Dock and took Smith to the above address.

As Smith said that he had his pay book when he entered Dock a search was made and it was found under the bed-clothes.

F.S.P. informed.

After arraignement being read the accused pleads GUILTY

Summary of evidence read to the Court by the President.

Record of the Court of Enquiry and statement by Provost rendered by the Prosecution.

The defense makes a statement in mitigation of punishment as follows:

"This man came overseas in the Spring of 1940. He was then 38 years of age and had three children. His record was fair until the Fall of 1941 at which time he and his wife became estranged. She has the custody of the children and he has only had scant information of his family since that time. Drinking has probably led him to his A.W.L. troubles and loss of sense of responsibility. This is all obviously a result of his domestic troubles which although the Army did discuss advising on did not see fit to take action regarding the custody of the children

Medical Officer.

F-91550, Spr. Smith, W.P., No. 1 Cdn. Engineer Holding Unit, tried by Field General Court-Martial at Bordon, Hants., on the 17th day of July, 1941.

The order convening the Court, the charge-sheet, summary of evidence and medical certificate are laid before the Court.

Prosecutor - Capt. H.R. Cleveland
Defending Officer - Lieut. Maussez

At 1000 hours the Trial commences.

The names of the President and members of the Court are read over in the hearing of the accused and they severally answer to their names.

Q1 - Do you object to be tried by me as President, or by any of the officers whose names you have heard read over?
A1 - No, sir.

The President and members are duly sworn.

Q2 - Do you object to M-15577 S/Sgt. Stanley Fidler, The Edmonton Regiment, H.Q., C.B.U., acting as Court Reporter?
A2 - No, sir.

The Court Reporter is duly sworn.

The charge-sheet is signed by the President and annexed to the proceedings.

The accused is arraigned upon each charge in the above mentioned charge-sheet.

Q3 - Are you guilty or not guilty of the first charge against you, which you have heard read?
A3 - Guilty, sir.

R.P. 35(B) is complied with by the Court.

Q4 - Do you wish to make any statement in mitigation of punishment?
A4 - (Defending Officer) On behalf of F-91550, Spr. Smith, W.F. The accused has pleaded guilty to the charge of a.w.l. and thrown himself on the mercy of the Court. In making a plea of mitigation I would draw your attention to the following facts. First, by pleading guilty he has saved the department considerable expense and the additional trouble incidental with bringing witnesses from London to support the charges. His present act and the acts which preceded have not been committed with malice or forethought or with any idea of insubordination or lawlessness. There are certain forces which are brought to bear on all of us and some men react in one way and others in a different manner. I submit that this man's actions are the direct result of certain factors concerning his home life and while I do not condone his method of seeking relief I can readily see that a certain type of individual would react in this manner. The facts are that this man has a very serious disorganization of his home affairs. The Dependents Allowance Board has notified him that they will make no further allowance to his wife and recommend that his children should be placed in an orphanage. Mr. R. Parkinson Goffe a barrister from Nova Scotia has written to him at the instigation of his father and sisters to be granted power to take action against his wife; also for power to institute action for the removal of the children from her care and for them to be placed in an orphanage. His mother who apparently had a certain restraining and supervising authority in the family and she died in July, 1940. From a perusal of his conduct sheet, which is evidence you will note that there is only one minor infraction.
President - We cannot accept any statement as to character at this time. You must confine your remarks to statements in mitigation.
Defending Officer - The facts outlined, I think, will convince you gentlemen that this man has been under considerable strain and that his actions have not been deliberate or premeditated. He simply takes a drink to try and forget his troubles and one drink leads to another and he finally wanders away from camp and becomes absent without leave. I do not

for one minute condone this man's means of getting relief but I think that you will agree that we all react in different ways to a set of circumstances or pressure and this man's action is one form of relief taken by some men. The interest of the commanding officer and adjutant of No. 1 Cdn. Engineer Holding Unit is evidenced by the fact that a cablegram has been sent on this man's behalf through our command post to this man's father and a reply is expected at any time. I have also been in contact with this man's padre who also feels.....

President - I must remind you that character evidence comes later.

Defending Officer - With that I will make a plea for mitigation of sentence.

Capt. H.R. Cleveland, No. 1 Cdn. Engineer Holding Unit, is duly sworn.

Q5 - Have you any evidence to produce as to the character and particulars of service of the accused?

A5 - Yes, sir, A.F.B. 296 and M.F.M. 6.

Q6 - Is the accused the person named in the statement which you have heard read?

A6 - Yes, sir.

Q7 - Have you compared the contents of the above statement with the regimental books?

A7 - Yes, sir.

Q8 - Are they true extracts from the regimental books, and is the statement of entries in the conduct sheets a fair and true summary of those entries?

A8 - Yes, sir.

The accused declines to cross-examine.

Q9 - Do you wish to address the Court?

A9 - (Defending Officer) If you will check back on the man's conduct sheet you will find that before he had news of his trouble at home there was only one minor infraction for which he was brought up. Since that time his family troubles had been bothering his mind and he lost his mother and then there was the matter of the dependents allowance and he would take a drink to forget about it and the first thing he knows he is absent without leave. He has no civil convictions at all and his civil life was clear and free and his only serious trouble has been since he became upset and I think that can be understood. I am convinced, and his padre is convinced, that as soon as his troubles are cleared up he will be a good dependable soldier. His two brothers are serving in the army and their conduct sheets are clean. While the trouble has been going on there was no Roman Catholic padre in the district and he didn't go to his senior officers, but it is only during the last two months he has had a Roman Catholic padre. I think there is a very strong case in mitigation of punishment for this man and when his home life is cleared up he will be of service to the army.

President - I believe you mean there was no Roman Catholic padre attached to the unit, not the camp?

Defending Officer - That is right.

The Court is closed for the consideration of the sentence.

F-91550 C.A.S.F.

Dear Sir.

Your sister, Mrs. Jean Landry, of 236 Lower Water St., of the City of Halifax, has engaged me to act on your behalf in removing two of your children, viz. Lois Marie, and Wallis Joseph, from their Mother, and your wife, and placing them in the custody and guardianship of the R.C.Orphanages. To make my position Legal, I have sent you an employment form, which please sign and return to me as early as possible, as action cannot be taken by me until I have your signed authority to act for you in this matter.

I have had three long interviews with both Mrs. Landry and Mrs. Hanna, and also yesterday at Mrs. Landry's with your daughter. They have given me all and very full particulars of everything that has occured since you left Halifax, shown me your letters to them respecting your wife's behaviour, and your desire to have the children removed and placed in a home till your return D.V.

The Childrens' Aid Society will do nothing and the Legion cannot do anything in the matter, so your only remedy is to seek legal advice, I have already consulted with the Deputy Judge & Probation Officer of the Juvenile Court, discussed the matter fully with him, and he assures me that there will be no trouble in having the children sent to homes, should the matter be brought before him in his Judicial capacity. In the event of my getting an order for their removal from the custody of their mother, which I have no doubt I shall get, I shall inform you to instruct your C.O. to pay over to the Mother Superior of each of these Homes the Allowance for each of these children. There must be a cheque drawn to each of these Homes, one for Lois and the other for Wallis. The girl goes to St. Joseph's and the boy to the Guardian Angel.

Mrs. Landry tells me she has already written to you informing you of the action she is taking in the matter to have the children removed from the custody of their mother.
Awaiting your early reply.

Yours very truly
(Signed) H.Parkinson Goffs.

P.S. This is a copy of my letter and employment order sent you last month. Should you receive both letters and employment order, sign the latter and return, as the former order may be lost in transit by enemy action.

I certify that, in my opinion, the attendance of L/Cpl. Keenie E. and Pte. Rex H., is, owing to the expense and loss of time involved, not readily procurable, and a written statement of their evidence, signed by them, has been read to the accused and is attached hereto as Exhibit A

I do not require the attendance of these witnesses for the purpose of cross examination.

Review of C.M. on B-76706 Pte. Smith, W.J.
No.1 Cdn (M.C.) Holding Unit

1. From a perusal of the evidence submitted in this case it is evident that the prosecution must depend almost entirely on circumstantial evidence.

2. The only direct evidence is that of Cpl Kirk who, as is only natural, appeared determined to track down and arrest his assailant.

3. He followed up the M.C. concerned, how, does not come out in the evidence, though this point is brought out in the summary of evidence.

4. It is considered peculiar that the prosecution did not produce the evidence of sentries to show that a M.C. passed them that night between certain times.

5. Be that as it may Cpl Kirk did eventually arrive at the M.C. Holding Unit where he went direct to the Provost Sgt., Sgt. Pickling, who led him to the accused's quarters.

6. It would appear from the evidence that Sgt. Pickling immediately, and before Kirk could identify the accused, asked the accused where he had been that night.

7. I cannot but believe that Kirk in the course of his investigations that night, obtained the information that Smith was the owner of a M.C.

8. From this it would appear that Kirk obtained information that a man named Smith owned a M.C. and the said Smith was to all intents and purposes identified by Pickling and not by Kirk.

9. It is considered that an identification of this nature was irregular and prejudicial to the accused and cannot be considered valid.

10. In analysing the time element it is to be noted that Cpl Kirk states that the assault took place at 0015 hours on Dec 19th, that he traced up the accused and examined the M.C. at 0040 hours where as Sgt. Pickling states the M.C. was not examined until 0130 hours. Discrepancies of time in the statements of these two witnesses all the way through amount to approximately one hour i.e., Pickling's times are one hour after Kirk's. This may be due to a confusion of the 24 hours system in the minds of one or the other and in any case has no great bearing on the case.

11. If the evidence of the accused and Pte. Fairlie can be relied on the accused was in his quarters from at least 2250 hours 18th Dec until the time of his arrest. There may be collusion here and if so there is a definite case of perjury but in view of the fact that the court have made no move to bring a charge of perjury against either of these witnesses it is presumed that they must have accepted the evidence.

12. Considerable stress was laid on the condition of the accused's clothing. From his own statement he was working at the Garage from 2000 hours to 2030 hours after which time he rode his M.C. from the Garage to the R.A.A.F.I. and then to his quarters in the rain. Evidence was produced to show that conditions around the garage were wet and muddy.

13. As regards the condition of the accused's trousers Cpl Kirk states they were wet but Sgt. Pickling says they were damp. If the latter statement can be accepted it is possible their dampness might be due to his work around the garage and his subsequent ride on his M.C.

14. As regars the condition of the boots Cpl Kirk states they were muddy and wet; Sgt. Pickling states they were damp. However Cpl Anderson states he saw them at 2330 hours on the 18th and describes them as wet and muddy which would bear out the statement

of the accused hat he got them in this state working at the garage.

15. The condition of the greatcoat and hat is described by Kirk as wet though no one else seems to have noticed them.

16. Some doubt must be cast on Cpl Kirk's powers of observation when one studies the evidence as to the position of the accused. When Kirk and Pickling entered the room, Kirk swears that the accused was partially dressed and lying on his bed, Sgt. Pickling swears the accused was undressed and in bed which statement is borne out by Pte. Fairlie who states that at 2250 hours the accused was lying on his bed but later got undressed and went to bed.

17. The guilt or innocence of the accused would appear to hinge on three factors:-

(a) The possibility of the accused being at the place of the assault at the time it was committed.

(b) The positive identification of the accused by Cpl Kirk.

(c) Certain circumstantial evidence with relation to the condition of the accused's M.C. and clothing.

18. As regards (a) above, Cpl Kirk swears it was the accused who assaulted him, this the accused denies on oath and further swears that he was in his quarters from approx 2230 hours 18th until arrested there. This statement is corroborated by Pte. Fairlie.

19. As regards (b) it is open to question as to whether or not Cpl Kirk could have identified the accused without having carried out his previous investigation as to who owned a M.C. The fact that Sgt. Pickling helped identification by addressing the accused in the presence of Kirk weakens the evidence of identification. It is considered a pity that Kirk did not ask for a proper identification parade.

20. As regards (c) it is pointed out that in a crime of this nature much must depend on circumstantial evidence but it must be remembered that if facts cannot lie they very often deceive. The M.M.L. points out that "before a Court finds an accused person guilty on circumstantial evidence, it must be satisfied not only that the circumstances are consistent with the accused having committed the act, but that they are inconsistent with any other rational conclusion than that the accused was the guilty person."

21. What is the circumstantial evidence produced?

(a) That the M.C. was warm therefore proving that the accused had been riding it. Sgt. Pickling swears it was "quite cold". Further the accused admits having ridden it that evening some time before the commission of the crime, Sgt. Pickling's evidence would bear out this statement.

(b) That the accused's boots were wet and muddy intimating that the accused was at the scene of the crime. The accused swears that he was working that evening at the garage and a witness states that conditions at the garage are such as to make a man's boots wet and muddy. Further, another witness (Anderson) swears that the boots were wet and muddy at 2230 hours or 55 minutes before the crime was committed and one hour and ten minutes before Kirk saw the boots. It is unlikely that the boots would have dried out in that time.

of the accused hat he got them in this state working at the garage.

15. The condition of the greatcoat and hat is described by Kirk as wet though no one else seems to have noticed them.

16. Some doubt must be cast on Cpl Kirk's powers of observation when one studies the evidence as to the position of the accused. When Kirk and Fickling entered the room, Kirk swears that the accused was partially dressed and lying on his bed, Sgt. Fickling swears the accused was undressed and in bed which statement is borne out by Pte. Fairlie who states that at 2250 hours the accused was lying on his bed but later got undressed and went to bed.

17. The guilt or innocence of the accused would appear to hinge on three factors:-

(a) The possibility of the accused being at the place of the assault at the time it was committed.

(b) The positive identification of the accused by Cpl Kirk.

(c) Certain circumstantial evidence with relation to the condition of the accused's M.C. and clothing.

18. As regards (a) above, Cpl Kirk swears it was the accused who assaulted him, this the accused denies on oath and further swears that he was in his quarters from approx 2230 hours 18th until arrested there. This statement is corroborated by Pte. Fairlie.

19. As regards (b) it is open to question as to whether or not Cpl Kirk could have identified the accused without having carried out his previous investigation as to who owned a M.C. The fact that Sgt. Fickling helped identification by addressing the accused in the presence of Kirk weakens the evidence of identification. It is considered a pity that Kirk did not ask for a proper identification parade.

20. As regards (c) it is pointed out that in a crime of this nature much must depend on circumstantial evidence but it must be remembered that if facts cannot lie they very often deceive. The M.M.L. points out that "before a Court finds an accused person guilty on circumstantial evidence, it must be satisfied not only that the circumstances are consistent with the accused having committed the act, but that they are inconsistent with any other rational conclusion than that the accused was the guilty person."

21. What is the circumstantial evidence produced?

(a) That the M.C. was warm therefore proving that the accused had been riding it. Sgt. Fickling swears it was "quite cold". Further the accused admits having ridden it that evening some time before the commission of the crime. Sgt. Fickling's evidence would bear out this statement.

(b) That the accused's boots were wet and muddy intimating that the accused was at the scene of the crime. The accused swears that he was working that evening at the garage and a witness states that conditions at the garage are such as to make a man's boots wet and muddy. Further, another witness (Anderson) swears that the boots were wet and muddy at 2230 hours or 55 minutes before the crime was committed and one hour and ten minutes before Kirk saw the boots. It is unlikely that the boots could have dried out in that time.

The condition of the accused's trousers were stated by Kirk to be wet but by Pickling to be damp. The accused had been working at the garage and on his own admission had ridden his M.C. that evening. Evidence shows that it was a wet night. The condition of the trousers could have been due to these latter circumstances.

It is considered therefore that while these circumstances are consistent with the accused having committed the act yet nevertheless they are NOT inconsistent with any other rational conclusion; in other words the condition of the clothing could have been due to the actions of the accused prior to the time the crime was committed and therefore weight should not be given to this circumstantial evidence.

22. In view of the foregoing I am of the opinion that the evidence produced does not prove beyond any reasonable doubt that the accused committed the crime and that the finding is not in accordance with the weight of evidence produced and therefore withhold confirmation on these grounds.

A5 - Yes, sir.
Q6 - What can you tell us in your own words?
A6 - On the morning of the 19th November, at approximately 0015 hours I was travelling on the Hedley-Bordon road towards the Bordon cross-roads and saw a motor-cycle in front of me and noticed two drivers and I got directly behind it and turned on my bright light and saw two soldiers, one of them on the pillion.
Q7 - Approximately where was this? If you have any notes you are permitted to refer to them. Try to remember as well as you can where you saw it.
A7 - On the Bordon-Hedley Road about three-quarters of the way down Broxhead Common. I ordered the driver to halt and repeated the order a few times and he stopped and I drove about eight yards in front and got off and went back and told the driver he wasn't allowed to ride pillion and he stated that it wasn't a military machine and I said it was a service colour and it had got no licence on it and he said he had bought it a few days previous and I asked him if he had the ownership for it and he stated that he didn't and I asked him if he had his paybook and he said no and I asked the man with him and he said no, their paybooks were turned in.
Q8 - You say this was about 0015 hours on the 19th?
A8 - Yes, sir.
Q9 - What was the nature of the night?
A9 - A rainy night, sir.
Q10 - Did you ask for any further identifications?
A10 - Yes, if they had any letters addressed to them and they stated they didn't and the driver of the machine stated that he was R. Hope of

The Toronto Scottish Regiment, stationed in Aldershot.

Q11 - Did the other man make any statement?
A11 - No, sir.
Q12 - Apart from the conversation you have related; was there any conversation between the rider and yourself?
A12 - Just when I asked for the pay-book, sir.
Q13 - No other statement?
A13 - No, sir.
Q14 - Any other conversation between yourself and the driver of the vehicle?
A14 - We were talking all the time and he asked who I was and I told him I was from the Field Security Section and told him I was a corporal. That was all up until then.
Q15 - When this conversation took place where were you with reference to the motor cycle?
A15 - On the left hand curb, sir.
Q16 - Which?
A16 - Between the motor-cycles; mine was in front.
Q17 - Were you sitting on yours?
A17 - No, I went back.
Q18 - Where were you with reference to the two men on the motor-cycle when the conversation took place?
A18 - In between the front wheel and the curb.
Q19 - Approximately how far would you be from the driver?
A19 - Two feet.
Q20 - Did you have a flashlight with you?
A20 - No, sir, I didn't.
Q21 - Could you see the driver of the motor-cycle?
A21 - I could see him and that was all.
Q22 - You couldn't pick out any distinguishing marks?
A22 - No, sir.
Q23 - Even at two feet?
A23 - No, sir.
Q24 - We got as far as the conversation which ended with you saying you were a corporal of the field service. Will you go on from there?
A24 - There was no light on the motor-cycle whatsoever, but on either side of the front headlight was two flashlight brackets and neither was working and one had a dull glow to it.
Q25 - When did you notice those?
A25 - When I drove along behind I notice there was no tail light and then in front I noticed no headlight.
Q26 - You stated just a little while ago that you couldn't see clearly any distinguishing marks about the person; how could you distinguish the two brackets?
A26 - I was standing right at the brackets.
Q27 - Did you or did you not make a point of looking at them?
A27 - I did.
Q28 - What followed next?
A28 - I asked what kind of machine it was and had my report book out in my hand and he stated some name I can't remember and it didn't sound right to me and I went to my machine and turned on the bright light to shine on the civilian machine. After I had turned my machine around it was only approximately three yards in front of them.
Q29 - The front of your front tire?
A29 - My headlight.
Q30 - What direction was the other machine facing with reference to your headlights?
A30 - The two headlights were facing one another then, sir.
Q31 - You say you turned your motor-cycle around; what happened then?
A31 - I went to look at the make of the machine and the driver got off and said "You field security men are all a bunch of squealing bastards" and struck me in the face and I fell to the road and he continued punching me.
Q32 - You say that as soon as you got turned around the driver got off his machine. Where were you; did you stay on the machine?
A32 - I just shoved it around.
Q33 - Tell us about it?
A33 - I turned it around on the centre of the road and got it back to the curb facing their machine and when I was between the handlebars and the front wheel the driver jumped off and hit me in the face.
Q34 - At that time, when you got the motor-bike in position, what state of a view did you have of the people ahead of you?
A34 - A good view; I had a bright light.

Q35 - Could you distinguish very clearly every part of the civilian motor-cycle?
A35 - The front part, sir.
Q36 - Where was the driver at that moment?
A36 - He was...I am not positive whether he was sitting on the saddle or standing beside it, but he was at it.
Q37 - Did you get a clear view of him?
A37 - Yes, sir.
Q38 - At that time how far would you be away?
A38 - About three and a half yards, sir.
Q39 - Did your light shine on him; his whole height?
A39 - Yes, sir.
Q40 - You are prepared to swear you got a very clear view of his face?
A40 - Yes, sir.
Q41 - This is he?
A41 - The accused.
Q42 - You are prepared to swear the person you saw that night was the accused?
A42 - Yes, sir.
Q43 - Any doubt?
A43 - No, sir.
Q44 - When you got your cycle turned around what happened?
A44 - He came to where I was standing and hit me in the face and I fell to the road and he came on top of me and hit me again and the other fellow came and after they had finished I was practically in the ditch along the curb. I wasn't feeling any too good and they got on the machine and said if I tried to follow I would get the same thing. I picked up my things and proceeded to the Bordon cross-roads.
Q45 - What personal damage was done to you?
A45 - My teeth were broken, sir, and I had a swollen face and a cut inside my lip leaving a welt over here, sir.
Q46 - What was the immediate cause of it; have you any idea?
A46 - Do you mean was it the fist or the road?
Q47 - The immediate cause?
A47 - A man's fist.
Q48 - Coming into contact with your face?
A48 - Yes, sir.
Q49 - Would that cause any damage to the man's fist?
A49 - I don't know.
Q50 - Do you know whether it was a covered or bare fist?
A50 - Covered.
Q51 - Do you know what covering?
A51 - It was dark.
Q52 - You don't know whether it was leather or anything else?
A52 - No, sir.
Q53 - Getting back to where the light was shining on the civilian bicycle, did you get a clear view of the pillion rider?
A53 - No, sir.
Q54 - Did you attempt to get a clear view?
A54 - Yes, sir, but I couldn't be positive of recognizing him.
Q55 - Was he behind or ahead of the accused?
A55 - Behind.
Q56 - Was he on the machine?
A56 - I couldn't be sure. I could see part of the rider and part of the pillion rider and so I thought the rider might have been standing alongside.
Q57 - Were there any distinguishing marks about the accused which would assist you in recognizing him again?
A57 - Just his face, sir.
Q58 - You say after you picked yourself up you started in the direction which the civilian bicycle had gone. What took place?
A58 - I met a constable of the Whitehill police station standing at the curb, I know him personally, and I asked if he saw a machine with-out a licence and two riders and he said he had and I asked what direction it had taken and he said the direction of Bordon village.
Q59 - Apart from getting that information from the police were you able to get any other information?
A59 - No, sir. [illegible]
Q60 - I went on in the direction of Bordon Village and figured that if they went that way they would belong to the Machine Gun Holding Unit instead of Aldershot so I went up to the guards at Canada

Hutments and asked if they saw a motor-cycle enter the barracks and they said no.

Q61 - As a result of certain investigations you made where did you go?
A61 - I went up the Bordon road to the Canada Hutments and Guadaloupe Barracks after that. I went around, turned right at the first cross-roads this side of Bordon village which took me by Havannah Barracks and there were no guards going into the back of the Machine Gun Holding Unit and so I went to where the Australians were and asked them.

Q62 - As a result of these investigations what did you do?
A62 - I came back and went to the Bordon road and went to the Machine Gun Holding Unit and woke up Sgt. Fickling and we went through the lines and found the motor-cycle which I identified immediately by its brackets and I felt the cylinders and they were warm.

Q63 - What do you mean you found the machine?
A63 - The one I had already come in contact with.

Q64 - How did you identify it?
A64 - By the service colour, no plates and the two flashlight brackets. At that time there were no flashlights in them and I felt the cylinders.

Q65 - And what did you find?
A65 - That the cylinders were warm.

Q66 - What time would that be?
A66 - Approximately between twenty-five and twenty to one.

Q67 - You say you felt the radiator -- the cylinders -- and they were warm. Could you describe that any further?
A67 - In what way, sir?

Q68 - In what state of warmness were they?
A68 - If it was my own machine I would say it had been ridden about ten or fifteen minutes previous.

Q69 - Have you ridden long?
69 - A little over four years.

70 - Constantly over four years?
0 - I drove in the P.F. and over here.

1 - Did you have a flashlight when you investigated this machine in the M.G. Barracks?
- No, sir, it had stopped raining and it was pretty clear.

- Did you have any light; was there a light?
- I couldn't be sure if Sgt. Fickling had one or not.

Could you say whether one was used to examine it?
I don't think so, sir.

You say it was a clear night then?
Not absolutely clear, but clearer than before.

What examination did you make?
hat was enough. I looked for the licence plates, the service olour, the two flashlight brackets on either side of the headight.

u say you didn't know whether Sgt. Fickling had a light. What he to do with the matter?
ent and woke him up in his quarters.

was in your company. What did you do then?
into the quarters. The machine was on a porch immediately in t of the quarters and we opened a couple of doors downstairs looked in and I didn't see anybody there I recognized and d the door of the room in which Smith was and Smith was on his moking a cigarette and I recognized him, having been in contact him on the road.

u make an examination of his clothes?
rgeant put him under arrest immediately and when Smith was dressed I called the sergeant's attention to the trousers; tons were wet the same as mine from the condition of the road.

down would that extend?
as these today.

describe it for the benefit of the shorthand writer?
t three inches below the knees to the cuffs.

was there about the condition of his clothing?
were sandy and wet.

any way of knowing they were his boots?
the ones he put on.

Q78 - Did you make an examination of his clothes?
A78 - The sergeant put him under arrest immediately and when Smith was getting dressed I called the sergeant's attention to the trousers; the bottoms were wet the same as mine from the condition of the road.
Q79 - How far down would that extend?
A79 - The same as these today.
Q80 - Would you describe it for the benefit of the shorthand writer?
A80 - From about three inches below the knees to the cuffs.
Q81 - What else was there about the condition of his clothing?
A81 - His boots were sandy and wet.
Q82 - Have you any way of knowing they were his boots?
A82 - They were the ones he put on.

Q83 - Anything else?
A83 - His greatcoat was hanging up behind his bed on a clothes peg on the wall and it was wet. His hat looked wet and a bit scruffy from the rain.
Q84 - Was there any examination at all of his bed?
A84 - It didn't look like it had been slept in.
Q85 - Is that just an observation?
A85 - Yes, sir.
Q86 - It looked as though it had been slept in?
A86 - It hadn't been slept in, sir.
Q87 - Was there any conversation in Smith's presence?
A87 - Yes, sir. He asked what he was being placed under arrest for and when he asked he looked at me and I said "This is the reason" and pointed to my face which was messed up and he asked me if I road a motor-cycle and I said "Yes" and he asked "Did you fall off it" and I said "Not yet" then I left and went to the guard-room and was met by Sgt. Fickling and Smith at the guard-room.
Q88 - After that did you do anything in connection with the case?
A88 - The sergeant and I went around to the sentries.
Q89 - Did you or did you not find any assistance from the sentries in identifying the machine or the persons on the machine?
A89 - Yes, I did get assistance, sir.
Q90 - What assistance did you get? After this, as a result of going back to see the sentries, did you take any other course of action?
A90 - The sergeant was with me and they told the same thing to me with the sergeant with me.
Q91 - Is there anything else immediately concerning the case which you wish to tell us?
A91 - I don't think so, sir.
Q92 - Did you have anything further to do with the case apart from the proceedings leading up to this?
A92 - After I had seen the sentries I returned back to my station.

Cross-examination by the defending officer.

Q93 - I believe you stated now that you turned your cycle around and placed the headlight on the accused and the machine. How does it come in the summary of evidence that you said you started to turn your cycle around and the addused hit you?
A93 - I started to leave the cycle.
Q94 - You didn't say that in the summary the first time.
A94 - I thought I did, sir.
Q95 - There have been so many summaries taken on this that I don't remember it was the first or second one. You did actually turn your machine. How far up does the headlight show?
A95 - In the air, sir?
Q96 - To distinguish people in front of you?
A96 - You can see a man's height.
Q97 - And you are definitely sure of your identification of the accused?
A97 - Yes, sir.
Q98 - And you don't know if the accused was sitting on the saddle or standing beside?
A98 - No, sir.
Q99 - You don't know his position but you can recognize him?
A99 - He could have been leaning up against the saddle.
Q100 - When did it stop raining that evening?
A100 - It stopped around 1230 or 1232.
Q101 - Before or after you were struck in the face by the accused?
A101 - Afterwards, sir.
Q102 - Very long afterwards?
A102 - It couldn't be very long; just about ten or fifteen minutes.
Q103 - Would the accused have time to drive back to where you claim his machine was parked?
A103 - I don't know how fast he rode.
Q104 - The reason I asked that was you stated the rain washed out all tracks of the machine.
A104 - The statement I made was that it would be about ten or fifteen minutes.
Q105 - Ten or fifteen minutes and it had stopped raining. How long did it take you to get to his quarters? What I want to get from you is how long would you say it had been parked where you said you found it?

A105 - I don't know when he parked it.
Q106 - But if you say it is the same machine you would know how long it would take to get back?
A106 - I couldn't say how many minutes.
Q107 - Just a few minutes?
A107 - Ten or fifteen minutes.
Q108 - There were no tracks around that motor-cycle?
A108 - I gave a look around and saw no tracks.
Q109 - You state in your summary that the rain had washed out all tracks?
A109 - That is right.
Q110 - But in the short time it was possible for the machine to be parked there and the rain continued, that little bit of rain could wash the tracks away?
A110 - The drainage all runs down.
Q111 - It ran down there that night?
A111 - Yes, sir.
Q112 - And would wash deep tracks away in two or three minutes?
A112 - I said it had washed all tracks away.
Q113 - Your contention is that he rode it into the barracks?
A113 - He had to get in some way.
Q114 - He must have carried it in then; you say there were no tracks.
A114 - I looked for tracks at the one gate with the barbed wire barrier.
Q115 - You state, too, that you recognized the accused's hat; it was a Toronto Scottish hat was it?
A115 - Yes, sir.
Q116 - Could it have been any other Scottish unit?
A116 - Not that I have seen before. The Toronto Scottish I have seen around Bordon wore that type.
Q117 - You can't be sure if it was a Toronto Scottish?
A117 - It was a green and white, sir.
Q118 - And you can't recognize the pillion rider at all?
A118 - No, sir.
Q119 - In the summary of evidence did you explain that you had told the accused you were a corporal of the Field Security?
A119 - I don't remember, sir.
Q120 - Or did you just think about that now?
A120 - When I gave the summary of evidence I was told to give it in brief.
Q121 - Could he have seen whether you were a corporal or not?
A121 - Yes, sir, I had my greatcoat on and new stripes on it.
Q122 - And you think he could see them?
A122 - In the headlights when I turned around.
Q123 - You stated, too, that the accused's boots were wet. How long do you think boots would stay wet; were they very muddied up?
A123 - There's a lot of sand it doesn't get off easily.
Q124 - If they were wet at seven o'clock would they be wet at twelve?
A124 - My boots have sand on them in the morning, but they are dry.
Q125 - Was there any radiator in the accused's room?
A125 - No, sir.
Q126 - Was there any way in which he could dry boots out in that room?
A126 - There was a fire at the end of the room. I am not positive where it was, but it was somewhere.
Q127 - His boots were not near the fire were they?
A127 - No, sir.
Q128 - When you were first talking to the accused was he sitting on the bicycle?
A128 - Sitting on the bicycle.
Q129 - Where was the pillion rider then?
A129 - Sitting across the pillion with his two feet on the ground; straddled.
Q130 - Facing you?
A130 - Yes, sir.
Q131 - You were within two feet of him?
A131 - Standing at the handlebars, sir.
Q132 - You noticed flashlight brackets on the machine?
A132 - The brackets were nickel-plated; they were shiney. The accused tried the flashlight and the light on the right-hand side had a dull glow.
Q133 - But you couldn't identify him at that time?
A133 - No, sir.
Q134 - You couldn't swear that the machine in the M.G. Holding Unit was the machine you stopped earlier on?
A134 - I would swear to it.

Q135 - You don't think it possible that there could be another machine with two flashlight brackets?
A135 - This was of service colour, two flashlight brackets, no licence plates.
Q136 - And you definitely swear it is the same machine?
A136 - Yes, sir.

Re-examination by the prosecutor

Q137 - One question arises out of cross-examination. You state that you looked at only one gate with the barbed wire. Do you know of your own knowledge whether there were any other gates leading in?
A137 - Where the Australian guards were.
Q138 - You don't know if there is any other entrance?
A138 - If I am not mistaken I think I saw one there.
Q139 - You don't know definitely whether there is more than one gate?
A139 - One were the guards were and the one I examined.

Re-examination by the defending officer.

Q140 - You stated that the brackets were shiney?
A140 - Yes, sir.
Q141 - Were they painted?
A141 - All I can say is that it was a dark night. I don't know if they were painted or what colour the paint was on it.
Q142 - It it was shown to you that at least one of the brackets was painted black would you say you had made a mistake?
A142 - No, sir.
Q143 - The sentries didn't in any way help you to identify the accused?
A143 - No, sir.
Q144 - Knew nothing regarding the accused?
A144 - No, sir.

Questions by the Judge-Advocate.

Q145 - What were you doing that night?
A145 - Patrol.
Q146 - What district?
A146 - Within the Aldershot Command.
Q147 - What are the functions of this patrol?
A147 - To take care of Fifth Columnist activity, counter-espionage and information.
Q148 - Is it your duty to stop a motor-cycle which you see with no lights?
A148 - If a soldier is riding it comes under security of personnel.
Q149 - You stated that there were flashlights in the brackets when you first saw the motor-cycle on the road?
A149 - Yes, sir.
Q150 - Then you saw another motor-cycle at the M.G. Holding Unit but it had no flashlights. Did you see them there?
A150 - No, sir.
Q151 - You don't know where they went?
A151 - No, sir.
Q152 - When you went to Smith's room did you have any conversation with Sgt. Fickling on the way up?
A152 - I called his attention to the cylinders on the machine.
Q153 - Did he tell you whose motor-cycle it was?
A153 - No, sir.
Q154 - Did he tell you the name of the man you were going to see?
A154 - When we were in the guard-room I asked him if he knew anybody owning a civilian motor-cycle and somebody mentioned in the guard-room.....
Q155 - Was Smith present?
A155 - No, sir.
Q156 - You can't give that, it was hearsay.
Q156 - Had you any way of knowing before you went in that room that the person you were going to see was the owner of the motor-cycle?
A156 - I am positive I had never seen the accused before that night.
Q157 - Nothing impressed on your mind that the man you were going to see was the owner of the motor-cycle?
A157 - No, sir.

Q158 - You stated this incident took place shortly after midnight on the 19th November; you mean 19th December, don't you?
A158 - Yes, sir.
Q159 - The original assault, you allege, was about 0015 hours?
A159 - Yes, sir, approximately.
Q160 - And you said later that you arrived at the accused's room about twenty-five or twenty to one?
A160 - What made me think it was that time was that when the accused was brought to the guard-room I am sure the admittance slip was made out for ten to one.
Q161 - Where did this assault take place; at the other side of St. Lucia Barracks and the bridge?
A161 - At the back of St. Lucia Barracks near the bridge.
Q162 - During that twenty minutes between the time you stopped -- approximately a quarter past twelve -- between then and twenty-five minutes to one -- in twenty or twenty-five minutes time -- you had a discussion with the men on the road, you were assaulted, you looked about in the darkness for your things, you started your motor-cycle again; was it stopped?
A162 - Yes, sir.
Q163 - You started your motor-cycle again, went to the cross-roads and spoke to the constable [redacted], picked up the sergeant and went to the guard-room and talked to the sentries; all that in twenty minutes, and in thirty-five minutes time you had the man under arrest in the guard-room?
A163 - That is right, sir.

Re-examination by the prosecutor.

Q164 - How long would it take you to go from the place the assault took place to the M.G. Holding Unit?
A164 - Between ten and fifteen minutes, sir, approximately.
Q165 - You would say fifteen minutes at the outside?
A165 - I couldn't say what it would be at the outside, but I would say somewhere around fifteen or twenty minutes.

Second witness for the prosecution, A-34088, Sgt. Fickling, A., No. 1 M.G. Holding Unit, being duly sworn, is examined by the prosecutor.

Q166 - You are A-34088, Sgt. Fickling, A., Provost Sergeant, No. 1 M.G. Holding Unit, Bordon, Hants.?
A166 - Yes, sir.
Q167 - In the case of Pte. Smith, what can you tell us about it?
A167 - On the night of December 19th, or early in the morning about one-twenty-five hours, Cpl. Kirk came to my quarters and awakened me and asked me if there was any military machines in the lines.
Q168 - Was the accused present at that time?
A168 - No, sir.
Q169 - Who was this Cpl. Kirk you say came in to see you?
A169 - A corporal of the security squad.
Q170 - As a result what did you do?
A170 - I immediately got up and dressed and went down the lines to where a motor-cycle in question was outside of a room.
Q171 - What can you tell us about the motor-cycle; where was it?
A171 - Parked outside the accused's room.
Q172 - Do you know anything of your own knowledge about the machine?
A172 - In what way, a description of the machine?
Q173 - What did you find?
A173 - It had two brackets, one on either side, apparently for holding lights or fastening something on to.
Q174 - Can you remember the colour?
A174 - Painted the same colour as an army machine.

Defending Officer - I am submitting that the evidence is permissible.
Judge-Advocate - I think it is definitely alright.
Q213 - I wouldn't say it is hearsay; it is the privilege of the accused in a case of this kind. Did you tell Cpl. Kirk where you were taking him that night when you took him to Smith's quarters?
A213 - I thought it was very likely it was his machine and took him to his room.

A222 - No, sir.
Q223 - Did Cpl. Kirk examine the ground for tracks?
A223 - I couldn't say for sure about that, sir.
Q224 - You state that the accused's trousers were damp. Could they have been wet early in the evening and been damp when you went in and found them?

A225 - The M.T. Garage.
Q226 - You know of your own knowledge that the ground was muddy?
A226 - Yes, sir.

Q235 - You didn't consider they were?
A235 - I didn't consider they were.
Q236 - Was it a cold night?
A236 - About the ordinary run of English weather, sir.
Q237 - About what hour did you put the accused in the guard-room?
A237 - About 0134 hours, sir.
Q238 - And it was as a result of the identification of Cpl. Kirk that you placed the accused in the guard-room?
A238 - Yes, sir.

A395 - Yes, sir.
Q396 - And you didn't see the motor-cycle?
A396 - It may have been there, but I never noticed it.

Questions by the Court.

Q397 - Do you or do you not remember that night?
A397 - I don't remember all the details. I can remember what time I went to the room and the time I stoked up the fires.
Q398 - How about the mud on his boots?
A398 - I am quite certain of that.
Q399 - Do you remember that the boots were muddy and wet?
A399 - Yes, sir.
Q400 - And you say you didn't notice his trousers?
A400 - I don't know, I wasn't that close to the man.
Q401 - Where were his boots?
A401 - Underneath the bed.
Q402 - Where was the accused?
A402 - Generally around the room.
Q403 - Did you see the accused more often than his boots, or were you looking just at his boots?
A403 - I was looking for nothing.
Q404 - But you noticed Smith moving around and lying on his bed?
A404 - Yes, sir.
Q405 - And you didn't notice his trousers?
A405 - I wouldn't say they were wet or dry, I wasn't that close.
Q406 - What nights do they have N.A.A.F.I. shows in that holding unit?
A406 - N.A.A.F.I. on Monday and stage shows on Wednesdays and another picture show on Friday, sir.
Q407 - There is one on Wednesday?
A407 - A London party comes up every Wednesday.

The Case for the Prosecution is closed.

Defending Officer - I would ask on behalf of the defence that the case be dismissed on the grounds that there is no prima facie case. We have heard one witness who has identified the accused, but we have heard others who have said it was impossible for him to be the man. It is the duty of the prosecution to show that he is the man beyond any reasonable doubt. The only evidence the prosecution has brought forward today in connection with the accused is that of Cpl. Kirk and he has shown by his evidence how biased he was. He didn't want the Court to believe he had been told where he was going by the sergeant and he identified him from the assault earlier in the evening. We have the evidence of Sgt. Pickling and other witnesses and they state definitely that he pointed out the accused to Cpl. Kirk. That point is sufficient to show that Cpl. Kirk's story, while he may be conscientiously believing he is telling the truth, is [illegible] prejudiced and as that is the only evidence the prosecution has produced I move for a dismissal of this case.

Prosecutor - I admit that the case presents considerable difficulty, but in the last analysis it appears to me that it boils down to credibility. There is a great deal of circumstantial evidence linking the accused with the motor-cycle. There is certain circumstantial evidence that the accused was out in the evening and that there was mud on his boots and they were wet. With respect to the motor-cycle, the brackets were seen and it was the same or similar colouring and in both cases there was the lack of a licence plate. I submit that those circumstances alone are enoughto prove that the accused was connected with this offence. Then we have the positive identification on the part of Cpl. Kirk who states he had ample opportunity, or ample light, to see the accused or driver of the motor-cycle and he has identified him as the driver of the motor-cycle, and I submit that while we have only the evidence of Cpl. Kirk positively identifying the accused as the one who committed the offence, I submit there is sufficient evidence to at least put him on his defence. There is one other thing that has given me trouble and that is the fact that the accused has been in detention since December 18th and it is not for the prosecutor to press for a prosecution and consequently we will rest our case on the credibility of the different witnesses.

Judge-Advocate -- It is, I believe, my duty to sum up further, but with your permission I will over-look that.

The Court is closed for the consideration of the motion for dismissal.

Q440 - You drove your motor-cycle to your quarters?

Q446 - Did anyone else come in before twelve?
A446 - L/Cpl. Anderson came in, sir.
Q447 - What time?
A447 - Approximately ten-twenty or thereabouts.

A448 - Had tea, sir, and talked.
Q449 - And how long did Anderson stay in the room?

Q460 - Have you ever served any periods of detention since you have been in the army?
A460 - No, sir, I have not.
Q461 - And you emphatically deny you committed the offence charged?
A461 - I do.

Cross-examination by the prosecutor.

Q462 - Smith, you say that after Anderson left at roughly 2315 hours you immediately went to bed that night?
A462 - Yes, sir.
Q463 - You didn't leave the room at all?
A463 - No, sir.
Q464 - You are quite clear on that are you?
A464 - Quite, sir.
Q465 - Because in one of your statements here, which was given by you, apparently before E.P. Lee, Lieutenant, No. 1 Cdn. M.G. Holding Unit, you stated that Anderson left at about 2315 hours and later on you got up and went to the toilet. Do you remember that?
A465 - I do now, sir.
Q466 - So that you want to amend your statement?
A466 - Yes, I did go to the toilet.
Q467 - Then you said that Fairlie woke up; he had been asleep?
A467 - To my knowledge, yes, or dozing.
Q468 - You heard him say in evidence that no-one left the room until Cpl. Kirk and Sgt. Fickling came. What have you to say about that?
A468 - It is correct except that I did go to the toilet.
Q469 - You have also heard him say he was awake and he would have heard anyone leaving the room. Do you remember that statement?
A469 - He would hear anyone leaving the room, he sleeps next to the door. It might have slipped his memory the same as mine.
Q470 - He could be mistaken?
A470 - He could be.
Q471 - Do you think quite a bit of his evidence was mistaken?
A471 - No, sir.
Q472 - Do you think that if you had merely driven it from the N.A.A.F.I. to the quarters that the cylinders would still have been warm?
A472 - At what time, sir?
Q473 - You left the N.A.A.F.I. when?
A473 - Approximately nine-thirty.
Q474 - And you drove to your own lines?
A474 - Yes, sir.
Q475 - And do you think the engine could have remained warm until Cpl. Kirk felt the cylinders?
A475 - I don't know, sir.
Q476 - How long have you ridden this particular motor-bike?
A476 - Just about a week, sir.
Q477 - Do you know anything about other motor-bikes?
A477 - No, sir.
Q478 - So you don't know how long it may have remained warm after that?
A478 - No, sir, I don't.
Q479 - How long have you known Fairlie?
A479 - I have known him since they started the mobile ack-ack, sir.
Q480 - How long in months had you been rooming together?
A480 - Not long, sir. I don't know whether it was a month or not.
Q481 - You were fairly good friends?
A481 - Just as ordinary people; friendly. We didn't chum together.
Q482 - Had you ever driven him out on your motor-bike before?
A482 - No, sir.
Q483 - Did you have him around this night?
A483 - No, sir.
Q484 - Are you sure you weren't outside the barrack room on this particular night?
A484 - Outside of going to the N.A.A.F.I. I wasn't outside of the barrack area.

Q485 - You think Fairlie made several mistakes in his evidence?
A485 - I don't think that.
Q486 - You state he was asleep and he woke up; he states you didn't go out and you state you did.
A486 - What I think he meant was I didn't get dressed and go out. As far as him saying I didn't leave the room, he was mistaken.

Questions by the President

Q487 - How far is the goilet from the barrack room?
A487 - Just downstairs.
Q488 - Tell me how you were dressed to go to the toilet?
A488 - In my underwear, sir.

Re-examination by the defending officer.

Q489 - How long have you been in detention now?
A489 - Fifty-three days today, sir.

Questions by the Judge-Advocate.

Q490 - Who made out these receipts?
A490 - The sergeant of the paymaster.
Q491 - Is it a machine from the Government?
A491 - From him.
Q492 - His own machine?
A492 - Asfar as I know.
Q493 - Did he give you a log book?
A493 - No ownership card of any kind.
Q494 - Is it insured?
A494 - Not by me, sir.
Q495 - Do you realize you are committing an offence driving it?
A495 - I didn't drive it on the public road, just in the barracks.

Prosecutor's closing address.

I have very little to add to what I stated before on the motion for dismissal. May I sum up briefly this way. We have only one witness who gave positive evidence of identification and in all fairness to the accused he can give no particulars of identification about the accused except that he wore a Toronto Scottish cap. There is plenty of circumstantial evidence pointing to the accused. The accused had a motor-bike answering to the description of that sought by Cpl. Kirk who had been assaulted under this charge. Cpl. Kirk is positive of identifying the motor-bike and found it at Smith's quarters. Also Smith's boots and trousers and, according to Cpl. Kirk, his greatcoat as well were wet. One thing on which we have to be fair to the accused is that while Cpl. Kirk is very definite, Sgt. Fickling is not so definite on the clothes. He knows nothing about the greatcoat, but did notice wet on the shoes and on the trousers. Statements from Anderson submit that the shoes were wet and dirty. Neither Sgt. Fickling or Anderson cared to state beyong that the condition of the shoes; they were merely wet and dirty. In addition to that the evidence of the Crown has been given by the friends of the accused and evidently talked over and facts and times agree. They are alibi witnesses and there may be a case of mistaken identity. I feel it is for the prosecution to point this out. The case is clearly one of credibility, a question of the evidence given by Cpl. Kirk as against the evidence given by everyone else. Sgt. Fickling does not corroborate the evidence of Cpl. Kirk, but to some extent is rather hazy. It seems to me that with the definite identification given by Cpl. Kirk, plus the circumstantial evidence, there is sufficient evidence to cause at least consideration. But, for myself, I do feel very strongly about this case and not knowing very much about it I do feel that justice has been done. The case should have been brought in much earlier. The accused has been in detention fifty-three days awaiting trial and while that can be taken into consideration, I believe it is not for the prosecution to press too closely for conviction.

Defending officer's closing address.

I do not wish to take up too much time of the Court. This is clearly a case of mistaken identity. I happened to sit on a case once where five witnesses definitely identified two taxi drivers and they were convicted of murder and two days later it was found that those witnesses were mistaken in their identification. Cpl. Kirk has shown a strong aversion to the accused and a strong desire to obtain a conviction. That is not the job of the provost and from his evidence he shows it. He says there was no flashlight used in identifying the machine and Sgt. Fickling says that he used a flashlight. Cpl. Kirk was either mistaken in that or deliberately telling a falsehood and I feel quite strongly regarding the evidence of Cpl. Kirk; it was quite unfair. He positively swears before the Court that the machine found at the Machine Gun Holding Unit was the machine on the road. Any witness, I think, who will positively swear to such a thing, his evidence must be treated with apprehension. He has tried to lead the Court to believe that he identified the accused without any help. He says Sgt. Fickling did not tell him whom they were going to meet and it is quite natural that Sgt. Fickling would tell him, and Sgt. Fickling says he addressed Smith first and in that way he pointed him out to the corporal. The identification could be wiped out on that ground alone. It is the duty of the prosecution to show that Smith is guilty of these offences beyond a reasonable doubt. That burden has not been discharged. The accused on the stand gave a straightforward story. He attempted to get in the army, and was in, and his commanding officer, knowing his circumstances at home, sent him out of the army and after seeing that arrangements were made for his wife he came over. He served for twelve years with the Toronto Scottish and his record was a good one, and when his wife was taken care of he again joined up and here he is over here, and his record is good, and because of one provost corporal he has been in detention fifty-three days while all evidence points to the innocence of the accused and I think, in the sense of British fair play and justice, the case against the accused should be dismissed.

Judge-Advocate -- It is my duty to again sum up but with your permission I will not do so at this time.

The Court is closed for the consideration of the finding.

The Court being re-opened the accused is again brought before it.

Lieut. J.M. Prescott, No. 1 Artillery Holding Unit, being duly sworn, is examined by the Judge-Advocate.

Q496 - Have you any evidence to produce as to the character and particulars of service of the accused?
A496 - I produce A.F.B. 296 and [redacted] 6 of the accused, certified by myself.
Q497 - Is the accused the person named in the statement which you have just read?
A497 - He is.
Q498 - Have you compared the contents of the above statement with the regimental books?
A498 - I have.
Q499 - Are they true extracts from the regimental books, and is the statement of entries in the conduct sheets a fair and true summary of those entries?
A499 - They are.

Questions by the President.

Q500 - Do you wish to address the Court?
A500 - (Defending Officer) I take it then that the Court has found the accused guilty of the offence charged?
President - We have made a finding.
Defending Officer - The accused has said all he can say regarding this matter.

The Court is closed for the consideration of the sentence.

I called Sgt. Fielding attention & [illegible] his boots, pants & greatcoat, which were in the same condition as mine, mud & water. Pte Smith asked: What has happened to me

Whitehall Police Station. I asked him if he had seen a machine carrying 2 persons & two lights. He said they had passed about 3 mins. before. He ran outside to stop them but had to jump back & ducks to avoid being hit. He states the machine had turned in the Direction of Bardon village. I immediately came up to 'Tel' Sq. & Hut. U.S. questioned guards back at Canada Hutments & Headquarters barracks. They said a machine had passed carrying no lights & 2 soldiers & that they thought he turned off right at the 1st road this side of Bardon village. I then enquired at the barred wired fence gate. There but could not find any tire prints, the road had been hard all night so no chance of finding them. I drew the only place the machine could have been the 'Tel' Sq. & started asking them the time & I got

Security men Branch [illegible] by Fred Federici, the Branch whom I recognized, struck me in face & knocked me down. He jumped on me and kept me punching me. He said nothing & effort that I got up but I dropped & was told by the same thing over again if I tried to follow them. They drove off then. I went back to them & started talking & told them they were not to proceed & they told me it was not a military machine. I said there was no civilian dress on it, so I asked for their credentials & then I & the pilot had one, they only got the machine a few days ago. I then asked for their log book & both claimed they did not have it with them. I ordered the Observer for his name & which he replied R. Hope - [illegible] Scottish Rifles. [illegible] statements in

This is a summary of Evidence in the case of No B76706 Pte Smith W. J. 3 Edn (146) Holding Unit.

First witness for the prosecution.

Cpl Kirk W.F. No P.9478 of 2nd Div. Field Security Section at present having been duly sworn states that.

I was proceeding on my motor cycle along the Borden Headley Road at approximately 0020 hrs on 19th Dec 40 on duty. At about 500 yards before coming to the Borden cross roads I saw a motor cycle in front of me proceeding towards Borden cross-roads. There were no lights on it and I turned on my head light and saw that the motor cycle was service colour and saw that there was a soldier rider on it. I drove up alongside and ordered them to halt. I repeated the order

several times they stopped and I stopped about ten feet in front of them. I came back and at that time there were no lights on the machine and the accused whom I identify stated that there was a light and he lit the flashlight in one of the buckets at the front. There was a dull light showed from it then. His excuse was that it must have come off by vibration of the motor cycle. I asked him if it was an army machine and he said no. I stated there were no civilian licenses on it and asked for his driving permit and his pay book. He stated that his pay book had been taken up at the pay office and that his name was R. Hopper. T.S.R. aldershot. I asked what type of machine it was and I think he said it was a norton. Had decided sound

cried by me round the Engine.
so I told him to wait a minute
and I turned my machine
around so the headlight turned
them on his machine. Then Reid
jumped off the machine and told
me I would do that, I told them
I was first field already and
the accused said that we
were all a bunch of squealing
bastards, with that he rushed
me, hit me in the face and
knocked me on the road. I
tried to get up but he stood
over me and kept on punching
my face. No person with him
was standing over me also
and went on pelting, fists at
them. I got half up and
one of them hit me and I went
into the ditch. The accused
Pte Smith jumped on him I
me there and said that I was
looking for trouble and I got it.
and if I followed them I would
get more. After that they

began to get ready to go and I asked
them to help me look for the stuff
I had lost in the scuffle. They
let me & could find it, and
warned me not to follow, and
jumped on their machine and
went in the direction of Borden
cross roads. I sat on the side
of the ditch for a few minutes
and tried to recover myself.
I found my gun and looked for
my report book which could not
be found. I got on my machine
and on approaching Borden cross
roads I met a civilian motor
car which halted. I asked
if had seen a certain coloured
machine with no lights passing.
He described a machine which
tallied, and stated he had tried
to stop the two persons on it, and
they merely ran over him, as
he jumped to the kerb to avoid
being hit. He told me they
proceeded in Borden village
direction and as they were
wearing Tommy Scottish hats

I assumed they came from no 1
M G Training unit. The unit
was meeting a glingang and
I recognised the colours. I checked
up with the sentries on the
Inkerman Barracks and
Canada Cantonment gates. The
sentries at Canada [redacted]
stated that a motorcycle described
by me, had passed at about
0730 hrs and turned right into
a road called Buds Lane. The
stated they they must have fallen
as there was a lot of mud. I
found they must have turned
in at one of the gates on Buds
Lane. I went down the road
(Buds Lane) until I met the
Inkerman sentries and they
stated the motorcycle had not
passed them. As I came back
to Inkerman gates and got
through the sentries and proceeded
to look for the markings on the
lines. I found the markings
which the two soldiers who
had attacked me had used,

identifying by the flash light marks, Rennie heard and no lights. I felt the cylinders, which were still warm. I woke up the Provost Sergeant and stated my case to him. He immediately got up and came down to the machine with me. We went through the rooms and found the accused just finishing work. The Provost Sergeant told him he wanted him to come with him to the guard room, as I identified him as the man who had hit me. Pte Smith thanked Gunnam and stated I would have fallen off my machine if not the damage I had sustained. He stated he had been on his beat all night and called to a fellow across the road to keep it. And that fellow said "As far as I am concerned you were on all night" I called the Provost Sergeants attention to the wounds pains and bruises which were still red and muddy. He agreed he gave for that was that he was working down in the garage.

as the accused was getting dressed I went down stairs and examined the machine, which was in the bank of the guarding the accused limit on, and made sure it was the right machine. At 0140 hrs the Provost Sergeant placed the accused in the guard room under close arrest. I am returned to Tamboury H.

Qu. by the accused "when is the second man who was supposed to have been with me".

A. I didn't look any farther for the other man as I was feeling quite sick.

Qu. You say you recognised me - now is it you didn't recognise the other man during your investigation

A. I did not look for him, and I couldn't be sure that the other man in the room with the accused was the second man who attacked me, as he was unknown.

Qu. Why did not you look for the other man, you say there were two men

A. I was answered that before.

Q. How far just indicate in an
inch

A. The same amount applies, sir, I
joined the accused and I thought
he would put the other man
first.

Q. Then did you know there was
no bread in the machine, as
I understand they are very small.

A. I investigated the machine both
while I was drawing ash & it was
after it was stopped.

Q. Did you carry a screwdriver, did you
use it that night?

A. No I didn't use it.

Q. Why?

A. I didn't get a chance to.

~~Q. Do you notice this operation~~

Record Evidence for the Prosecution.

Aged Pte King A No A 34088 I am 146 Infantry and having been duly sworn state that.

At about 0120 hrs on 19 Dec 40 I was awakened by Cpl King. He proceeded to tell me of an attack on him and I got up and dressed. He asked me if there was a German machine in the lines manned with army others, I told him there was one further down the lines that I knew of. We then proceeded to see if the machine was there. On the way down he told me how he owned identifying the machine used by the ~~Germans~~ men who had attacked him that is by the flash hider brackets either side of the head light, and no licence on it. When reaching the machine I examined it and found the flash hider brackets as the Cpl had explained to me, also there was no licence on it. He said

that he wanted the man who owned the machine placed under arrest, so we proceeded out to the room where the man slept, as I learned that the motorcycle had been used by Private Smith. On going into the Smiths quarters, the light was on, and the Smith was lying on bed smoking a cigarette. I asked him where he had been that evening and he said he had been down to the garage and that he had returned to his quarters and was in for the remainder of the evening. After the corporal had seen him, he said, "That is the man". We ordered Smith to know what was wrong. I told him there had been a hell trouble out on the road, and asked him to come with me to the guardroom. He said, "I will be all right, I will be here in the morning". But I told him under the circumstances I would have to put him under close arrest. So he proceeded to get up and dressed. We accused asked Cpl Clark what was the matter. We Cpl. showed him his face, and said "That is what the

trouble is, and the accused asked him if he rode a motorcycle. and the cpl said yes, and the accused asked him. if he had fallen off it. the cpl answered that he had never fallen off a motorcycle. the accused called cross the room and asked Pte Farley whether he had been in all evening, and Pte Farley replied "as far as I am concerned, you have". then I told accused to get his blankets and I placed him under close arrest in the guardroom. on the way past the machine on the way to the guard room at approx 0135 hrs I felt the motor, AF. ~~warked him to feel the~~ AF of the machine which was cool at that time [I meant actually mine cold & time] after placing the accused in the guardroom cpl Clark and I questioned the sentries in regards to whether they had seen the machine go by, and they replied yes, at approx 0030 hrs. I then returned to my quarters.

Que. You stated that the sentries said they had seen a machine fly by. Did they identify it as my machine?

A. Mr sentries said a motorcycle had gone by with a pillion rider, and that its motor had a peculiar sound.

Que. Did they tell you what sound it was?

A. They stated that it sounded like the sound of an army machine

at about 2230 hrs on the night of 18 Dec 40 after making my rounds I went to my hut, which is ~~about~~ two doors from the room in which the accused lives. It was dark and I could see the

number of my hut and I walked
in two doors too far and shouted
out the armed motorcycle. I
heard a cry in my hut and stabbed at
the fire. Then I went back up to
the armed's room. He was in
at that time, that is 2245 hrs,
I spoke to the armed, whom I
recognize, and we had a
conversation and made and drank
a cup of tea. I left the armed's
quarters at about 2320 hrs, and
the armed was sitting on his
bed at that time. He had no shoes
on, no tunic and no hat. He
was getting ready to go to bed
at the time I left him. There
were two other men in
the room at the time I left the
armed. One was asleep, and
one awake. The man who
was awake is Pte Faulds,
and he had joined in the
conversation I had had with
the armed, and had also
had a cup of tea with the armed

and myself. after I left the accused I moved to my own quarters, and I did not notice a motorcycle there, but of course I was not looking for one.

I would like to add that while I have been living in my present quarters I have seen several of the transport drivers driving the accused's motorcycle around the camp.

Questions by the accused.

Q. Did any other men, apart from the transport drivers, drive about on my motorcycle.

A. Yes I have seen others.

Q. Do you think it possible that some one else could take my machine and without my knowledge?

A. after dark, yes sir.

Pte Spencer G. D 76237 I am a Pte holding unit having been duly sworn states that.

I live in the same hut as Privates Smith the accused whom I recognise. On the evening of Wednesday 18 Dec 40 I returned home after the NAAFI closed, at about 2110 hrs, and found that there was no one in. There are only three of us living in that hut, the accused, Pte Parkin and myself. I shaved and then went upstairs to throw the water away, I stopped for a minute or so on my way up, to speak to the fellows who were in the ground floor room, and then went upstairs and to bed. I fell asleep almost immediately and I did not hear either Pte Smith or Pte Parkin come in. I knew Pte Parkin came in as he partially roused me & I know a smoke, but I dozed completely back off, and fell asleep right away again. The next I heard was

Sgt Pickering, I made some remark as to what was going on, and I then went to sleep again.

The accused having been warned in accordance with R.P. 4 (5) (b) elects that he wishes to make a statement on oath, and having been duly sworn states that

on the evening of Wednesday 18 Dec 40 I was at the M.T. garage in the Barracks from about 2000 hrs until approximately 2030 hrs. I went from there to the NAAFI and was there for a few minutes. I came out of there and talked to some of the boys just outside the NAAFI for quite some time, nearly an hour at least. Then I went to my room, and got partially undressed. I was making on the stove to heat and lied on my bed and had a smoke, and some maid I had got. When I arrived at my room, the phone was on the table. Shortly after I had laid down

Pte Fairbairn came in, we were talking when Cpl Anderson came in, we made and had some tea, talked for a few minutes. Cpl Anderson left at about 2215 and I retired to bed. Later on I got up and went to the toilet, and when I came back, I had a smoke, Pte Fairbairn woke up and we talked for awhile, and then Sgt Tickling came in and placed me under arrest. I was not out on my motor cycle at all on the evening of 18th Dec 40, that is outside the Barracks area, but I did use my motorcycle to drive to and from the NAAFI and my quarters. I left my motorcycle that evening when I went to my room at about 2000 hrs. I did not lend it to any one else, during forenoon may have when it was in my quarters. until Sgt Tickling brought Cpl Kirk to my room, I never saw the key before.

The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

1st Witness for the Prosecution

M. Joannes Roure, 5 Rue de Flace, Macon, France, having been duly sworn states:

My occupation is Secretary of the Inspector for the Railroad. I remember the night of 18/19 March 45. I was coming back home from a show given by the railway. Miss Thibert, Laurence and Mme Marie Blanc Valette were with me. I saw We were coming down Cour Moreau to reach Rue Flace. We were called accosted by 3 soldiers and when they reached us we made a few more steps. They started to speak and naturally I couldn't understand a word because I do not understand the English language. I do not know to what Army they belong. We talked to them until we reached the door, about ½ hour. A I want to mean my door which is 60 meters from where we were accosted. I could recognize one of them if I saw them again. The shortest one I could not recognize. I have seen

them once when they came for Evidence. I recognize the accused in the court here now. (Indicates accused). I can recognize them by their faces. I could see them on the 18/19 March when they accosted us. When we were accosted I could easily recognize their faces and I recognize their faces very well. They accosted us approx 11:10 at night. When they accosted us there was a light. I do not know if it was the light or moon light but I could recognize them. When I reached my door, Mme Valkette was far away and Mlle Thibert was against the wall with 2 of the soldiers. At that moment Miss Thibert was standing up, struggling and yelling for me. She was yelling "Come - what do they want to do". I was trying to walk in to my room ~~and the soldiers had a big thing in his hand~~. When I came to my door and tried to open it the middle-sized chap came towards me with the big thing in his hand. At that moment I saw ~~saw~~ him away about 10 or 15 metres. The soldier returned to the group. Miss Thibert and 2 soldiers were in the group. The soldier is here today who had the big thing in his hand. (Witness indicates Pte Smith, one of the accused).

two
had gone up to my room the soldiers
stood up and moved around. I
mean by ~~stood~~ the 'moved around' that
they did not keep the same place.
Miss Thibert was there and started
yelling for me at that time. The
soldiers moved and after that
practically didn't move. They did
not remain standing; either bent
down or got on their knees. I
saw a soldier whose movements were
up and down and sideways at the
same time. His back was moving
that way. It lasted from then to
the arrival of the police. From my
window I was yelling and shouting.
I saw 4 lights. I went down to
the street. On the street I saw
a big policeman. In the shadow
I saw movements. I do not know
if they were police. Miss Thibert
came towards me and ~~sat~~ on my
doorstep as I was reaching the door.
A policeman was holding a soldier
by the collar. He handed the
soldier over to me. That soldier is
here now (Indicates Smith, accused).
The tallest one went towards Place
Rotrou ~~Saint~~. I didn't see the other one
go. The tallest one is here (Indicates
Burley, ~~accused~~ accused).

When I saw he had reached the group I waited 5 minutes. Then I ran towards my door. I had my key in my hand, opened the door, shut it when I went in ~~and then looked~~ I saw ~~the door~~ and the soldier clapped on the door. I went up to my room on the 2nd floor. I opened my window and called for help. At that moment Miss Thibert was lying down, 6 or 7 metres to the right of my door in the ditch by the side of the road. There is no sidewalk there. She was calling for me and shouting and yelling: "They choke me; what do they want?" At that moment there were 3 soldiers around her. From my window I could not see them to be able to recognize them. Miss Thibert was lying in the ditch. One soldier was lying down on his knees and you could see all his back. I couldn't tell precisely if the soldier was at her head or at her feet. I could see the back of another soldier at the left of Mlle Thibert. I couldn't precisely see the third soldier. He was practically all hidden by the other 2 soldiers. ~~All I~~ I saw ~~could see were feet~~ I didn't see the third soldier. About 15 minutes after I

had gone up to my room the two soldiers stood up and moved around. I mean by ~~stood~~ moved around that they did not keep the same place. Miss Thibert was there and started yelling for me at that time. The soldiers moved and after that practically didn't move. They did not remain standing; either bent down or got on their [illegible] I saw a soldier whose movements were up and down and sideways at the same time. His back was moving that way. It lasted from then to the arrival of the police. From my window I was yelling and shouting. I saw 4 lights. I went down to the street. On the street I saw a big policeman. In the shadow I saw movements. I do not know if they were police. Miss Thibert came towards me and ~~sat~~ on my doorstep as I was reaching the door. A policeman was holding a soldier by the collar. He handed the soldier over to me. That soldier is here now (Indicates Smith, accused). The tallest one went towards Place Morgan ~~Square~~. I didn't see the other one go. The tallest one is here (Indicates Burley, ~~[illegible]~~ accused).

DM

He was running; the Police ran behind; the police fired a shot. The tallest one turned around and gave a kick to the police. But I do not know if he hit the police or not. By the tallest soldier I mean Burley. Miss Thibert stayed on my doorstep all this time. I came to her and we went up to my room. Her hair was over her face and she was bleeding from the mouth. Her head was very swollen. When we went to our room she showed us in the presence of Mme Valette that she had blood on the inside of her thighs. She showed us her legs but said nothing about her "private parts." After seeing her thighs the police brought me to the police station. Miss Thibert made no statement to me. From the time the 3 soldiers accosted us until the police arrived there was Miss Thibert, Madame Valette, 3 soldiers and myself. During that time I saw a civilian ~~of the~~ who went through the street when we were accosted. When Miss Thibert was calling for help I did not see any other soldiers.

Cross examination.

By the tallest soldiers, I mean the 1st one on the right (Indicates Burley). The smallest soldier is the one that is not here. From 5 Rue Flace to Place Gordon is 60 to 70 metres. Rue de Flace is not very wide; maybe 5 metres. The bldg. at 5 Rue de Flace is 4 stories high; ground floor, 1st and 2nd Floors and attic. Across the street is a stone wall. It is 8 feet high. There are trees behind the stone wall. On the a.m. of 19 March I attended at the Police Station with the 2 soldiers. I was there about 15 minutes. I was in the same room with these 2 soldiers at the Police station. When the evidence was taken some days later I was here with these two soldeers. When we were escorted I recognize them by their faces. I do not recognize the shortest one because nearest to me was the tallest one. The second one was to my left about 1 metre. (Witness indicates Burley as tallest and Smith as second one). I do not know what army they are in.

after Place Gaudon I would recognize them among 200 other soldiers. Burley talked to me at Place Gaudon. The one, Smith, spoke to me. I did not understand what he said. The tallest one said: "couché" The tallest one talked most. The shortest one was 2 metres from me and went for the girl. I couldn't say what kind of a hat the smallest one wore. The middle sized one had a beret; I am not sure. I couldn't say what hat the tallest one wore. I recognize the tallest one perfectly. While speaking he took his hat off and made gestures I cannot say what kind of a hat he had on. I cannot say it was a moon. It was clear and I saw his face. In my 1st declaration I told the captain that it was "clear" and they translated it to "moon light." I now do not know if it was moonlight or street light. There is a streetlight at Place Gaudon There is a centre one. Whether There are others, I do not know. There was no light from 5 Rue de Lace I saw 4 lights of bicycles. I thought it was the police. I did not know. I left the window at once and went down. I do not think

I waited inside. I think I at once opened the door. I did not wait to make sure it was the Police. Before the arrival of the police I did not leave the window. I heard footsteps; I opened the door. From the window to the door I came down four flights of stairs. From the window to the stairs on the second flight is 20 feet. There are 4 flights of stairs. Each flight has about 15 steps. From the end of the stairs to the front door is about 4 or 5 metres. I could not hear the footsteps as I was coming down stairs. I heard footsteps when I came to the door. I was not sure it was the police. I recall the Summary of Evidence. I remember making the statement "I did not see the soldiers change place but movement was constantly taking place." By movement I mean all was moving especially feet. I could not see distinctly. I cannot say definitely that the soldiers changed places. When I opened the door I saw a big policeman take Smith and put him against the wall. I don't know how many police were there. I saw one policeman

There was the tallest one to my right. I saw a few FFI coming down. I do not know how many. Maybe 2 or 3. I did not see an Arab soldiers. I did not hear a soldier swear in French. I was up in my room later. I let Pte Smith go; Somebody else held him.

I know Miss Thibert for 3 or 4 years. I never had sexual intercourse with her.

By the Court from the place where Miss Thibert was is 7 metres to the front door. And from there to my window is about 10 metres.

The one who came toward me with the big thing in his hand was Pte. Smith. It was quite long and big and dark color. My window I was in from the street is about 10 metres from the pavement. During the time I was at my window I saw no one leave or come to the group. I knew they were soldiers when I looked out of my window. It was the same group. They had not moved. It took me less than a minute to get up the stairs. I came down less faster than I went up. It was ½ hour before the Police arrived. I saw Miss Thibert all the time

By the J.A.

There were no leaves on the trees then. I saw the PFI when I went to hold the second soldier. Miss Thibart was saying "Noel, why don't you come" several times. Noel is my other name. The tallest soldier is Pte Burley. The smallest soldier is the one I cannot identify and have not seen since. The other soldier is in Court (indicates Pte Smith). I said I heard a shot. I do not know if it was before, while or after Burley kicked at the policeman. When I left my window to come down, Miss Thibart was in the group. After that she sat on the doorstep. In the group she was still lying down. I kept my eyes on her while she was in the group. It took a short time to get down stairs. It was about 1 minute. The group was 7½ metres from my door where the incident took place. One policeman had a torch. I cannot say how many policemen were there.

2nd Witness for the Prosecution

Mme Marie Alice Valette, Maternity Hosp Employee, Macon, France having been duly sworn states.

I work at the Maternity Hosp. With me is Mlle L Thibert who works there too. I went to cinema on night of 18 Mar 45 with Mlle Thibert. We met M. Roure there and walked home together. When we came near Place Gardon we met 3 soldiers who came toward us to get information. After speaking for a while one said "to sleep". I Thought he meant Hotel. They did not speak French. After a discussion one put his arm around my waist. I was frightened and ran away; not far because my friend Mlle Thibert was behind held by 2 of the soldiers. I stopped and the one who put his arms around my waist returned to the others. My friend called to me and said she could not get away from the ones that were holding her. My friend was shouting and yelling and I went for help to Duhesme Barracks. She was shouting and yelling without words.

Soldiers were with my friend but I cannot recognize or say who they were. We ran into Rue de Place and it was dark. The 3 soldiers we met first stayed with my friend when I went for help. I could not recognize them. I came back with help in 1/2 to 3/4 of an hour. With me were French soldiers to help. There were no Civil Police with me, only French soldiers. I returned to the same place. My friend was then in the house. I saw 2 soldiers on the wall with French Police. I ran up stairs to M. Rome's apt. I saw my girl friend there. I couldn't recognize her. She had hair in her face and was full of blood. Her dress coat was torn and her step-ins. She had blood inside of her thighs. She was swollen around her lips she couldn't speak. All she could say was: "terrible". I asked her if she had been raped. She didn't want to say 'yes' but said it afterwards

Cross-examination:
At Place Gardon the I don't know how many lights there are. It is easy to see people in Place Gardon. I would recognize the one who put his arm around my waist. He is not one of these two. They were

Close to me. When I left the group the one returned to the group. I would be able to recognize a person seen 3 meters away in Place Gardon. We stopped because we thought they wanted information about their billets. They came very near. I would recognize the one who put his arm around my waist. I did not see the other 2 soldiers. They were near my friend. My girl friend and I were walking together when the soldiers came up to us. The soldiers were together. The 3 soldiers and we three civilians were close together when they first spoke. It was light enough to make a distinction between a man and woman. I could not say if I could see a person 5 metres away. I could see a person 10 metres away. Cannot say if I would know the person was man or woman. My girl friend could say only "Terrible." When I insisted on an answer she told me she had been raped. I asked "did they rape you" — she said: "Yes". She answered me in a matter of minutes. She was helpless at that time. She cried and couldn't say anything except "terrible" and "yes".

By the court:

About 15 or 20 minutes elapsed from the time we met the soldiers until I ran away.

By the J A.

I was coming back from the Cinema. We met 3 soldiers. I would not be able to identify any except the one who took me by the waist. We met the soldiers for the first time at 11:20 p m.

Witness for the Prosecution

Mlle Laurence Thibert, employee Macon Maternity Hospital, Macon, France, having been duly sworn states:

I am 26 years old. I am single. On 18 March 45 I went to the Theatre with my friend Mme Valette. The Theatre was finished around 12 or 12:15 P.M. I left with Mme Vallete and M. Roure. We went towards our home. We went through Place Gardon that night. At Place Gardon we were stopped by three persons with military uniforms. We stopped and they asked us for information. I do not understand English and I did not understand. I was to keep on going when one put his arm around my waist. I would not recognize him. I thought I could get rid of him but he kept on squeezing hard. We went forward about 20 metres but I could not get rid of him. There were two who came. They threw me on the ground. Mme Valette had already left. M Roure was not with me at this time. There were 2 soldiers with me. Later another soldier came when I was on the ground. The 2 soldiers pushed me to the ground.

I would not recognize the 2 soldiers who pushed me. I was lying on the ground and the other soldier came along. First they hit because I was yelling. Hit me on the face. I do not know how often; very many times. I was shouting at that time. I cried and called for M. Roure and the police. Then they tried to take my knickers down; as they couldn't they tore them. These are the knickers I was wearing that night. They were not like that, that night they were intact. They are torn like that because the soldiers tore them. They are in the same condition now as after they were torn.

(Received by the Court, 1 pr. knickers, marked Exhibit "A".)

After that they raped me. They opened my legs, threw themselves on me and put their penis in my sexual parts. They did this one at a time. Two soldiers did this. I would not recognize the soldiers who did this. At this time I was trying to protect myself but as there were 3 I had no chance. I was crying, shouting & yelling.

Each of 2 soldiers inserted their private parts in me. The 2 soldiers penetrated me. I am quite sure. They did not penetrate as they would have wanted to as I was struggling. I stayed with them 15 or 20 minutes and was able to get away on the arrival of the Police. When the Police arrived I ran away about 5 metres. I did not see what the Police did. I sat on a doorstep and put my head in my hands. Afterwards I went up to M Roure's apt. My physical condition was terrible; face swollen, hair uncombed and covered with blood. Later I saw Mme Valetto. She came up to me. I told her what happened.

We met 3 soldiers at Place Gordon. I could not recognize them. Two of the three soldiers raped me. The other helped. I had not seen them earlier in the evening. I had not seen them before at all. One of the soldiers we met at Place Gordon put his arm around my waist. He was present when I was lying on the ground. I believe this because he didn't leave me. The second soldier was one of the three who stopped me. There was no other people on the street. From when we were stopped until the Police arrived I saw only these 3 soldiers.

I was medically examined the following day by Dr. Authelin and by a Medical Officer. I do not know the nationality of the soldiers.

Cross examination:

I was lying on the ground not quite in front of M Rowe's apt. Was lying on the street opposite the apt. Before the Police arrived I was standing up approx 5 minutes — may be not that. I went to sit down after the incident. I walked 10 to 12 metres to reach the doorsteps. When I sat down I put my head in my hands. I was a little dazed. At that moment I couldn't recall just what I did then. I wasn't paying any more attention as to what went on. When I was on the ground I could not see the soldiers very well. The Three soldiers always held me. When one soldier tried to lie on top of me I kicked with my legs. I was ~~not~~ yelling very loud. I was frightened. I couldn't remember if any of the soldiers put their fingers into my private parts. I only thought ~~saw~~ them ~~escaping~~. It was a penis and not a finger that was inserted into my private parts. I remember very well his position and what he was doing at that time. He did not have his fingers

There too. I was trying to get away. It is 6 years since I have had any sexual intercourse. It is a little difficult to insert a penis if I was resisting. They did not use their fingers. I am positive. I remember what they were doing at that moment. They were trying to put their penis in my sexual parts. The other 2 soldiers were holding me; by legs & arms. I could not say exactly how they were holding me. I have told you before that I tried to insert their penis in my private parts. I do not know why I hesitated to tell Mme Valette ~~that~~ why that I had been raped; she asked me what have they done. It would not be right to say that at that time I was not sure what had been done. I was confused and bothered at that time. When I was at the ground I bit one soldier on the lower lip. I could not say I scratched any one in the face. I tried to protect my self with my hands & feet. I did not scratch any of them with my hands.

Re examination:

I have had no sexual intercourse for 6 years. I remember ~~the~~ that time the feelings that go with sexual intercourse

By The Court

I wore gloves that evening. I had one on my left hand and carrying the other. I understand no English. I did not recognize the type of uniform they were wearing. The police had arrived when I went to sit on the steps. I was able to disengage when the police arrived. After meeting three soldiers, at first only one stayed with me, the other two others were with M. Roure. I do not know how long I was with the one soldiers. Mrs Valette was in front of me 10 or 20 metres; M Roure was behind with the other soldiers.

By The J. A.

I stated that I bit me soldier on the lower lip. He was lying on me at the time having intercourse with me. I don't know if it was the 1st or 2nd soldier.

The soldiers who were with me when I was laying down are the same soldiers who met me when I was with M Roure. This took place after midnight.

By the Court

All the blood came from my nose. My nose bled. When the soldiers hit me the blood went over my body. They hit me with their fists.

I got up before the Police arrived. I was not sitting on the steps when the police arrived. The police were arriving near the place. They were walking. They had their bicycles. They were 10 metres away when I first saw them.

4B. Witness for the Prosecution

M. Jean Pariat, Sub Brigadier, French State Police, Macon, France, having been duly sworn states:

On early a.m. of 19 Mar 45 I proceeded to Rue de Flacé, Macon. When we arrived it was dark and we put flashlights on. I saw Mlle Thibert sitting on a doorstep. About 1½ metres were 2 soldiers. I asked her if they were her aggressors. She said yes. We put them against the wall. M. Roure came downstairs and helped me keep the 2 soldiers while my 3 friends went to get the other soldier who ran away. I identify the 2 soldiers whom we held as the two accused here today. The bigger soldier was detained by M. Roure (Indicating Smith). I was looking after the other one. He tried once to run away (Indicating Burley). I fired a shot in the air to call my friend. He gave me a kick ~~on my holster~~ here (indicating pistol case) which knocked me to the ground. As I fell I held him

by the sleeve and as I saw he wanted to get rid of me I hit him with the butt of my revolver and he fell down on the sidewalk. Mlle Thibert had her head in her hands bending down with her elbows on her thighs. She looked overwhelmed and overcome. Her eyes were swollen; lips blue and swollen; eyes swollen and closed; thighs full of blood. I asked Mlle Thibert if ~~she had been~~ (or) the soldiers had stopped her to rob her ~~or rape her~~ or abuse her or rape her. She answered that they had tried to rape her. My friends did not find the 3rd soldier. I saw 2 soldiers in Rue de Flacé and 1 Algerian soldier who passed by approx 20 minutes after my arrival. The Janitor of the Normal School because we asked her to open the door to search the park; ~~I saw~~ ~~Paul~~ was the other (curieux) we saw. I went up to M. Roure's apt for about 10 ~~minutes~~. We put our lights on the soldiers and the whole area. While in M Roure's apt. Mme Valette came up. My friends detained the 2 soldiers down stairs. We ~~later~~ took them in the laundry of the Normal School ~~room~~ and later to the Police Station. The 2 accused are these

2 soldiers

Cross-examination:

On the telephone I was not told how many soldiers there were. Mlle Thebat + M. Roure told us there were 3 soldiers. We arrived at Rue de Flace by Place Gaston. We were riding bicycles. One bicycle had a light. There were 4 bicycles. We got off our bicycles at 5 Rue de Flace. We encircled the soldiers immediately. I did not strike the soldier in the eye immediately. I hit him later with the butt of my revolver. When we were encircling the soldiers I did not catch hold of one soldier causing him to fall to the ground. We then put the soldiers against the wall. M. Roure arrived 2 or 3 minutes later. It is not true that I struck Pte Bouley after he tried to run away. I struck him when he gave me a kick. He did not ~~hit~~ hit me with his fist. I was keeping the 2 soldiers in respect of my revolver against the wall and picking up bicycles with my other hand. Pte. Bouley could have run away without touching me up Rue de Flace. He tried to run to Place Gaston and came in touch with me. He hit my pistol holster

with his foot. M. Roure could not see the kick. I gave Pte Burley quite a severe blow. He had to be taken to the Hospital. I went with him. The Secretary of the Commissioner Gallie examined the soldiers at the Police station. He gave them a quick examination. He did not examine the front of their trousers. He just looked at them because Miss Thibert said she hadn't been raped but they had tried to rape her. He looked at them because we look at everybody. It was to me that Mlle Thibert said she had not been raped but they had tried to rape her. This was at the scene when I first asked her.

By the Court.

The soldiers were 1 metre or 1½ metres from Mlle Thibert when I arrived. She was sitting on the steps. They were about 20 cm from the steps. When I arrived they were standing up looking towards Place Gordon. I did not see a third soldier. M. Roure had not come down stairs yet when I approached the scene. It was too dark to see him in the window.

By The J.A

M. Ronne + Mlle Thibert said there was a 3rd soldier.

I spoke to Mlle Thibert on my arrival. ~~I said to her: I used then was the exact word~~ "were these soldiers the agressors, did they want to rob her or rape her."

She answered that they wanted to abuse of her but the exact words I do not remember. I don't believe she used the word "rape". ~~(illegible)~~ When I asked her if they had abuse of her she said yes they have abuse of me. I remember the Summary of Evidence. I don't remember if the exact term abuse or rape was used. It is the same thing. She replied "They tried to rape or abuse me". The word "try" was used or the word "attempt" was used.

Note: The sub brigadier (witness) wears his pistol case near the front of his belt on the left side.

When I asked Mlle Thibert whether she had been robbed or raped she was sitting on the steps. It was 1 minute after we arrived ~~(illegible)~~

We all had flashlights. They were not lighted when we came down the street on the bicycles Only 1 flashlight was lighted.

5th Witness for the Prosecution

Capt G. W. Bethune, RCAMC, HQ No 2 Staging Camps having been duly sworn states:

I examined Miss Laurence Thilett on a. m. of 19 March 45. Her face was disfigured and swollen and cut. Her general condition was good. There were injuries on the face and external genital organs She was hurt but not seriously.

Hemorrhages of both eyes which were conjuctival. They were the result of a blow on the eyes. The left eye was nearly shut. The inside of both lips cut and the upper lip badly swollen. Several minor lacerations on ~~both~~ left cheek. No bruises or lacerations noted on thorax. Patient complained of pain in left lower chest area but respiration is free and equal. External genitals: two

small abrasions noted; one on medial side of left labia minora, second slightly posterior lateral to first. These injuries appear rather fresh. Some whitish secretion was noted which when examined by microscope showed only usual vaginal debris. There was small bruise in inner aspect of left thigh. The abrasions were not in existence for more than 12 or 24 hours. I finished the examination at 1300 hours. There was no bruise further in the vagina. I could not say what caused the abrasions. I should think they could be caused by a penis.

Cross examination:

I think a finger could cause such an abrasion. There are other things that could cause such an abrasion. No disease could cause such an abrasion. Any rough hard object could cause such an abrasion. The bruise on the inside of the thigh was about 7 inches from the genital region. I have no idea how the bruise might be caused. The bruise was a week or 10

days old.

By the Court:

If the two injuries found on the external genitalia were caused by a hand object it would be necessary for that object to penetrate into the genital organs of the person concerned in my opinion.

1st Witness for the Defence

C-123428 Pte Burley R. T.G., the accused, having been duly sworn states:

I am on convoy duty with 1 Spec Veh Coy. On 18 Mar arrived in Macon. After Supper I went down town between 9:15 and 9:30, looked round the town; went to 3 Cafes, drank some Red Wine; in 3rd Cafe met 2 women. I was with Gnr. Smith. No other soldier was with us. The ladies ordered their drinks and we made arrangements

to go to their rooms. I went with one and had sexual intercourse. It cost me 200 Francs. Then I rejoined Smith in the Cafe and we left. This was about 200 after midnight. We started following the GF sign to Bivouac. We came along by the Canal and made a night run. I heard shots; did not understand them. They sounded like a motorcycle and had a note of fear. I did not pay a great deal of attention to them. We followed on the street. The shooting ceased and we found out the cries came from steps where a girl was sitting. We now know her as Helle Tubert. We had no more than arrived; we heard footsteps going up the street away from us. We had come from the direction we know now as Place Gardon. I have seen this place since. The girl was sitting on the steps with her head in her arms; Her arms were on her knees. She sounded like a child that had received a severe beating from a parent and was crying over it. An instant after

We stopped & heard cycles behind me; was grabbed by right soldier, wheeled around and received a blow on left eye by some instrument. The 3 scars of that blow are still visible. (Witness shows scars to Court). It was a hard instrument that hit me; don't think it was a fist. The force of the yank on shoulder and forced blow knocked me down. Tom Smith was at my right. I fell with my head toward Place Gardon. I lay on ground. Did not see who hit me. Was more interested in escaping. Was quite dark on street; did not see person who hit me. I watched my chance to make an escape. I didn't get on my feet and didn't cover the distance the length of my body, when I was struck on left side of my head with what I now know as butt of pistol. (Shows Court the bruise). Knocked me down where I stayed. When I moved to escape I made no motions at the person near me. He was not in my road; was to my

left hand side. I lay on ground. Was taken by what I now know as Police to Police station. There I washed blood from hands & face; blood from cut in the eye. The Police ~~had~~ threw me roughly on the floor and then examined my hands and clothes.

Cross-examination

In Canada I was with RCASC. Came over here Xmas '44. Did Inf Trg in England. Went in Spec Veh Coy about Feb. 25; am a driver for them. It was my 2nd trip from Marseilles to Belgium. Stopped in Macon before. We wear no badges or Canada badges. The last cap badge I had was Inf. It was general knowledge that we were confined to bivouac area. Came into town knowing it was against regulations. I do not know the Cafe where I went upstairs. Came downstairs and rejoined Smith. Don't know what time. They were closing as I left with Smith. When the Police agent said it was 0100 hrs I can't deny it. Came up street with GF signs on it. Know name Place Gaudon from evidence given here

Cannot from where girl was sitting. Spoke to no civilians on the street that night. I would say that witness Roure was mistaken. I would say Mlle Thibert's story is not correct. I was anxious to get away because I had had a crack in the eye and was wondering why the girl was crying. There was no one else but the girl when I came up to the girl. I would say her evidence was wrong. I would also say that the police NCO's story is a fabrication except for the part where I attempted to get away. I cannot suggest why these 3 people should concoct this story. I had only been in the city once before. I had never met the people before. There was no ~~enmity~~ between us. It is not fair to say that I came into the city to have intercourse.

By the Court:

I heard fleeing footsteps going away from Place Gaudon.

The court will adjourn to view the scene of the incident and will resume examination of the witness afterwards.

The Court viewed the scene of the incident. Present were all members, J.A., Prosecutor and Defending Officers and the accused.

By the Court:

I was following GF signs. Rue de Flace is at right angles to the route following the GF signs. My ~~attention~~ intention was to follow GF signs. I thought Rue de Flace followed GF signs and was road to Camp. I heard whimpering when I was up to the girl. I heard footsteps going away from me. I had entered the road and heard footsteps running up the hill

By the J.A.

Was coming from Canal toward Place Gaudon. Heard footsteps on Rue de Flace, about 45 steps ~~from Place Gaudon~~ before reaching the door at 5 Rue de Flace. Was with Smith at the time. We had been carrying on a conversation in natural voice. Heard a male voice shortly after we turned the corner of the street near the Canal. Did not investigate the footsteps because when we came to the doorstep the girl was crying. That is the first time we knew something was wrong. Did not see the police. My

back was to them.

By the court:

I heard a shot fired when I attempted to escape. I was lying on the ground and then I was getting up I was hit on the head. The blow on the head followed the shot. I heard more than one person running. I wouldn't like to say more than five. They would be running up hill.

By the J.A.

I did not kick the Police. I deny it. I didn't know at the time they were police. I did not attack them. I did not hear the police talking to the girl. My evidence is that I was knocked down by the Police on their arrival. I did not see what took place. Smith was standing up to my right. He was not hit by the Police. I do not know if he tried to escape. I do not remember the Cafe near the Canal. I did not in the last 2 days see any gentlemen around the Court House who would be the owner of the Cafe. I did not see M Roure in his window when I was

coming up Rue de Place. As we entered the street the shouting stopped. I heard no woman's voice as I was in the street.

By the Court

I was standing facing the doorstep and the girl when ~~the handle of the~~ I was struck ~~struck~~ ~~hit~~ ~~me~~ the first time.

C-103004 Gnr Smith W.T., the accused, having been duly sworn states.

I am on convoy duty of 1 Can Spec Veh ~~boy~~ and I arrived in Naccon on afternoon of 18 Jan 45. At approx 2100 hrs we went down town. We called in a few Cafes and in 3rd Cafe we met 2 girls. They could speak a few words of English. We had a drink with them. We found out through conversation

that we could pay for intercourse. Pte Burley was with me. I had intercourse up stairs and came down. We left the Cafe for the bivouac area. We came along a street by the canal; turned left; followed G.I. sign. We heard a man's voice; kept on walking to Place Gardone; entered Rue de Flace; heard footsteps going in opposite direction, up the hill; could not say how many; more than one. Saw girl on doorstep, head in her arms, crying; but down to look at her and ask what was wrong when a policeman put me up against the wall; grabbed my hands, forced them up over my head. Spoke to girl in French — the policeman did. Was searched and taken into a bldg. Then to Police Station; one stood close in front of me looking me up + down; looked at my hands; stayed in Police Station for 3 hrs. when Cdn Sgt came for us. Convoy got into Staging area about 1800 hrs. Several vehicles were there. There were several 100 men. They were no patches.

There were Canadian & English. Saw no other soldiers leaving camp at the time we left. Not difficult to get out of camp.

Cross-examination:

Knew we were not supposed to leave camp. Got to Cafe in town where we saw girls at 11:30 hrs. There were girls in other cafes. After I had intercourse I did not look to see the name of the Cafe. Bouley + I had intercourse in the same bldg. Do not know name of street where the Cafe is. No GF signs on that street. It is 2 or 3 blocks to Place Gardon. Heard man's voice when we got to Place Gardon. I do not understand French. Did not question pvte to investigate. Heard no female voice. Met no civilians as we crossed Place Gardon. The shooting stopped when we came into the street. Was not continuous shooting. Walked up Rue Flaie on same side as the girl was. When we were 50 yards to the house we heard footsteps running away. Saw no bicycle lights

behind us that time. Did not quicken pace when heard whimpering of girl. Was on Burley's right hand when police arrived. Walking on sidewalk. We were in front of woman; I was on Burley's right slightly ahead. Heard noise of dropping bicycles. When I looked around they were behind me. Heard the police say nothing to the girl. Then they made me stay by the wall with my hands over my head. A police guarded me. Then a man came out the house and guarded me. Another policeman was guarding Burley. One of the police was searching me.

I had been on previous trip with Burley to Macon. I saw a police strike at him. It knocked him down. I didn't see him try to get up. The man who gave evidence today is not the same police who put me against the wall. I saw the 6F signs at the corner of Rue de Flace.

I wouldn't see any reason for the witnesses making up the stories.

I say that stories connecting me and Burley with the incident are wrong.

By the J.A.

I saw the police talk to Mrs Thibert. She did not point out any body to the policeman. I saw a policeman there. Was in last Cafe approx 1½ hours.

By the Court

Saw no soldiers going from last Cafe to 5 Rue de Flace.

Did not speak to Mrs. Roure That night. Did ~~not~~ recognize him when he came in court. He spent approx 2 hours in Police Stn. with us. He is the civilian who held me. When I was in front of 5 Rue Flace and saw the girl crying I did not see the door open.

Prosecution Closing

The accused as to the joint charge are either guilty as charged or completely innocent. It is not a case for finding of lesser charges. Thibert says she was raped, the evidence of Roane + MO corroborates. It is solely a question whether done by these accus. or persons unknown.

Roane recognizes accus. as being 2 of 3 sols. who stopped them near light on Place Gardon they moved up street + he to refuge in house. says they were same solds as just met + they were still there when police arrived Thibert says can't identify but they were same sols. to whom talking on Place Gardon. Both say no other solds around + Clift there when police arrived. Valette says the ones who chased Thibert were same ones who stopped them on the Place. The chain of identification is complete in results solely on evidence of Roane plus circumstances of both accus. being at the scene when police arrive. If Thibert are believed the accus. did rape. 2 accus. believed then they did it. 2 accus.

The circumstances there being no raises one's curiosity + it is not a question of circumstantial evidence because they are undisputed. It is a matter of its effect on credibility.

Question of someone running away - everyone agrees that someone did. Pros. evidence is that it was the 3rd sold. Def suggests it was the several solds who committed the offence - Court must decide how creditable the witnesses are + how strong the story of accidental arrival is. Two witnesses on each side plus circumstances.

On 2nd charge I suggest that the facts speak for themselves.

For the Defence

1. Onus on prosecution to prove charges beyond a reasonable doubt:
   (a) that a crime has been committed
   (b) connecting the accused with the crime.

2. In re 1(a) supra in the case of rape — must prove penetration of the penis into the private parts of the female complainant Mlle. Hibert.
   (a) Evidence of Capt. Bethune K.C. is that a finger could have caused the "bruises" just inside the private parts of the complainant. — Also that there were other possibilities of the cause of the presence of these two "bruises".
   (b) First complaint made by female Mlle. Hibert to French policeman Inspector Jean Parent when she was on the steps of 5 Rue de Flore soon after the alleged incident. — Evidence is that she definitely used the words "tried" or "attempted" to rape her.
   (c) female complainant Mlle. Hibert "did not want to say she had been raped" to Mdm. Valette in apartment at 5 Rue

as seen, but on being Valbelle's insistance she finally said "yes" — nothing else.

(d) Mlle. Thibert, female complainant says that no fingers were inserted in her private parts — only two penis. — that fingers were not inserted at the same time yet all this time she was struggling, and all three alleged soldiers were about her. . . At this time she was also very confused and excited x . . . Alleged soldier couldn't get her knickers off — indicative of the struggle. . . . Highly improbable, and must definitely not be regarded as raising doubt that ~~fingers~~ penis was used. Most probable that fingers used.

(e) There no crime of rape committed.
Offences of either
(i) indecent assault
(ii) assault causing grievous bodily harm
or (iii) common assault committed.

(3) .55

3. In re 1 (b) supra, there is no satisfactory evidence connecting accused with alleged crime of rape.

(a) Complainant Mlle. Thibert cannot recognize two accused

(b) Mme. Vallette could not recognize accused.

(c) Under Sin Rouire alleges he can recognize accused But he saw accused at police station, at Summary of Evidence, and at this Court.

(d) Under Sin Rouire's evidence unsatisfactory generally. Saw police cars or perhaps bicycles with gas lights shining. Was dazzled by policeman's Point.

— idea of light of the night do not coincide with the witnesses.

— his story of the time of appearance on the latter scene entirely in disagreement with other witnesses.

— "Could not be able to recognize the shortest one, — rather incredible because he hasn't seen him since.

(c) Complainant Mlle. Thibert has no clear recognition of details. Said the police arrived on scene when he ~~was~~ just got up from the ground. Said she wasn't sitting on the steps. Said she was dazed and didn't pay any attention to what was going on. Policeman Parisot said he was on the steps

(b) When they arrived Police examined accused, found nothing out of ordinary. Complainant Thibert says she sat on steps & struggled

(d) Accused gave stories consistent with the stories of all witnesses for the prosecution, in so far as recognition is concerned except the unsatisfactory witness Rowe.

4x In so far as the second charge of assault against the Burleys, no evidence that this took place

(a) Burley knocked down by policeman & hit in eye. This not mentioned in evidence of Parisot, the police

(b) Parisot says there was not much room for Burley to pass.

[redacted] SUMMING UP

1. It is my duty as Judge-Advocate to advise the Court on matters of law. The Court is the sole judge of the facts, and if in the course of my summing up I should pass any comment or express any opinion on the evidence, the Court should disregard same. It is my duty to advise the Court to the best of my ability of the law involved in this case. Before dealing specifically with the charge which the accused is facing, there are one or two general principles upon which I would like to direct your attention.

2. In the first place, under our system of law an accused is deemed to be innocent of any crime until he is proved guilty, and the burden of proving an accused's guilt rests on the Prosecution. In other words, he who alleges a fact must prove it. If the Court after careful consideration of the evidence heard during this trial, has a reasonable doubt as to the accused's guilt on the charge, then it must exercise that doubt in the accused's favour, and find him not guilty. Reasonable doubt may be defined as such a doubt as to be entertained by an ordinary man in the conduct of his own affairs, and such a one as is not founded on sympathy, caprice or bad will.

3. The accused is charged under Section 41 of the Army Act with:

> WHEN IN A PLACE NOT WITHIN HIS MAJESTY'S DOMINIONS, COMMITTING A CIVIL OFFENCE, THAT IS TO SAY, RAPE
>
> in that he
>
> In the field at Macon, France, on or about the 19th March 45, had carnal knowledge of Mademoiselle Lawrence THIBERT, without her consent.

Before you can find the accused guilty as charged, you must be satisfied as alleged in the particulars of the charge, that on or about the 19th March 1945, the accused had carnal knowledge with Miss Thibert, without her consent.

4. Rape is defined in Archbold Criminal Pleading Evidence and Practice, 31st edition page 1018 as follows:

> "Rape is the carnal knowledge of a woman without her consent by force, fear or fraud."

The Manual of Military Law at page 113 para 37, defines rape as follows:

> "Rape is the act of a man having carnal knowledge without her consent of a female, who is not his wife."

Penetration is considered to constitute carnal knowledge; it must therefore be proved that there was actual penetration of the female organ by some part of the male organ. The slightest penetration will be sufficient; it is not necessary to prove that there was such penetration as would be sufficient to rupture the Hymen. To prove carnal knowledge it is not necessary to prove the actual emission of seed. It must also be proved that the rape was committed on the Prosecutrix by force and without her consent.

5. Certain declarations made by Miss Thibert after the incident has been admitted in evidence. With respect to these statements, I wish to advise the Court as follows: In the case of rape, the fact that a complaint was made by the Prosecutrix shortly after the alleged offence and the particulars of such complaint may be given in evidence, so far as they relate to the charge against the accused, not as evidence of the fact complained of, but as evidence of the consistency of the conduct of the Prosecutrix with her evidence given at the trial and as negativing consent on her part. Such complaint cannot be regarded as corroboration of the story of the Prosecutrix . As to the matter of corroboration on such a charge as rape, I must advise the Court that although corroboration is not essential in law, it is, in practice, required and it is the practice to warn the jury against the danger of acting upon her uncorroborated testimony, [redacted]

[redacted]

6. Circumstantial evidence has been adduced during this trial to prove the charge. On circumstantial evidence I wish to refer the Court to the Manual of Military Law, page 81, para 42, which reads as follows:

Read para 41

"From the circumstances in which crimes are ordinarily committed, it follows that direct evidence of their commission is not always obtainable, and that in very many cases reliance must be placed on circumstantial evidence. Such evidence is in no way inferior to direct evidence, and is in some respects superior to it; for it has become a proverb that "facts cannot lie", while witnesses may. On the other hand it must be borne in mind that if facts cannot lie, they may, and often do, deceive; in other words, that the interpretation which they appear to suggest is not that which ought to be placed upon it. Therefore, before the Court finds an accused person guilty on circumstantial evidence, it must be satisfied not only that the circumstances are consistent with the accused having committed the act, but that they are inconsistent with any other rational conclusion that the accused was the guilty person."

7. The facts in this case show that at one time there were 3 soldiers in the immediate surroundings where the incident took place. Miss Thibert cannot identify [redacted] those who would have committed the alleged rape. On this point I wish to direct the attention of the Court to the responsibility of parties to an offence. The Manual of Military Law page 106, para 14 states:

"The responsibility of a person for the natural consequences of his act is not limited to the simple case where he is present, and actually commits an offence with his own hand."

Para 16 states:

"If a person is present at the commission of an offence and aids and abets its commission for another person he is responsible as though he had committed it himself. But it is not necessary that he should be actually present as an eye witness or an ear witness of the transaction; he is, in law, present aiding and abetting if, with the intention of giving assistance he is near enough to afford it should occasion arise; thus, if two or three men go out together to commit burglary, and one waits at the corner of the street to keep watch while the others commit the burglary, the watcher will be guilty of burglary equally with the others. On the other hand, if the offence charged involves some special intent, it must be shown that the assistant was cognizant of the intentions of the person whom he assisted; thus on a charge of wounding with intent to murder it must be shown that an assistant not only assisted the principal offender in what he did, but also knew what his intention was, before the former can be convicted of the full charge."

(Page 4)

8. In this case the Court has four possible verdicts which it may make. If you are satisfied that the accused committed the offences as charged, you may find ~~him~~ them guilty of rape; if on the other hand it appears to the Court upon the evidence that the accused did not complete the offence of rape, but that ~~he is~~ they are guilty only of attempting to commit the same, the Court may acquit the accused of the charge of rape, but find ~~him~~ them guilty of attempting to commit rape; further if the Court comes to the conclusion that the accused did not commit any of the two previous offences, it may find the accused guilty of indecent assault. If the Court after reviewing the whole evidence comes to the conclusion that the Prosecution has failed to prove any of the above offences, they should acquit the accused. (1)

10. In concluding my summing up, I would ask the Court to keep in mind what I have already said about giving the benefit of any reasonable doubt to the accused.

By Judge-Advocate — Mr. President: Are there any further matters on which you wish me to advise the Court?

Answer: No

Prosecutor: Are there any further matters on which you wish me to advise the Court?

Answer: No

Defending Officer: Are there any further matters on which you wish me to advise the Court?

Answer: No

(1) With respect to the second charge against Pte Bentley, before you find the accused guilty as charged, you must be satisfied as alleged in the particulars of the charge that on or about the 19 June 45 the accused was absent from Parade by hiding him in the stores with his food. The facts of this charge are simple, and do not believe that it is necessary to remark.

Plea in Mitigation:

I should like to draw the attention of the Court to the MFR 6 of both accused and also to their statements regarding their freedom from any condition in Civil Court before their enlistment in the Army. They speak more strongly for the accused in requesting Mitigation than any argument that can be produced. This incident which is the subject of this FGCM is a difficulty in which both have become involved. Circumstances are peculiar. The appeared in this country is novel and it is submitted that this Court in passing sentence should not stamp these soldiers as criminals. Therefore when you come to the decision whether the sentence should be penal servitude or prison or detention, take all above factors into consideration: also consider the suggestion in MML P. 464 fn. 5. I submit that the court should considers it desirable to retain these 2 in the Army. Therefore the ends of justice will be satisfied and they will not be stamped as criminals. Detention is advisable.

SUMMARY OF EVIDENCE

In the case of No.C104004 Private SMITH W.T. and No.C.123428 Private HURLEY R.E. both of 1 Canadian Special Vehicle Company.

By direction of the commanding officer the summary of evidence is taken on oath.

1st Witness for the prosecution

Mlle. Laurence TISSERT having been duly sworn states :-

I am twenty six years of age and am employed at the Macon Maternity Hospital where I reside. I am an assistant nurse.

I am unable to recognise the two accused. On the night 18th-19th March 1945 at about 0030 hrs I was returning from the theatre accompanied by Monsieur Roure and Madame Valette. At the Place Garion we were stopped by three soldiers who spoke to us. As they did not speak French I did not understand what they said although we tried to do so, especially Monsieur Roure. Madame Valette, however, did not stop and proceeded ahead. I followed her after a few minutes leaving Monsieur Roure still talking to the three soldiers. As I tried to follow Madame Valette one of the soldiers followed me and attempted to put his arm around me. I resisted whilst walking for about 20 yards. This soldier then threw me to the ground; I cannot now remember how I was thrown to the ground, but another of the soldiers was then present. When I was lying on the ground I shouted but was hit on the face by one of the soldiers. I continued to shout for the police, whilst one or both of the soldiers held my arms and legs. One of the soldiers pushed up my clothes at the same time tearing my knickers. I can produce the latter. One of the soldiers then inserted his penis in my private parts. He did not insert it fully. It was however an insertion, and he stayed on me a few minutes between my legs. As soon as this soldier had finished, another soldier took his place and also inserted his penis into my private parts. Again it was an insertion but not a full insertion. The whole time I was screaming and struggling. The second soldier did not stay on me as long as the first soldier. I then managed to escape a few yards and after sitting down [redacted] two French policemen arrived on the scene. They arrived within two minutes from my getting up from the place where I had been assaulted. When I saw the French policemen I noticed that one of them was holding a [redacted] soldiers and another soldier was still on the ground in the same place where I had been assaulted. I also heard a shot being fired.

Before and after being attacked there were no other soldiers in the vicinity, than those mentioned above. Immediately after the French policemen had arrived on the scene I went up to the apartment of Monsieur Roure and outside of which the incident had taken place. I then washed my face arms and legs. On the inside of both my thighs there was blood; I think the blood came from my nose as a result of being struck in the face.

Immediately I saw Monsieur Roure in his apartment I made a complaint to him of what had happened. This would be about ten minutes after the incident. I remained in the apartment with Mme. Valette for about an hour and a half. I then returned to the hospital with Mme. Valette and Monsieur Roure and at about midday the following day, the 19th March, I was examined by Dr. Authelin.

I did not in any way consent to what took place.

I was aware that the three soldiers were Canadians by reason of what Monsieur Roure told me in their presence.

L. Thibert

2nd Witness for the prosecution

Monsieur Jean PARIAT Sub-Brigadier French State Police Macon having been duly sworn states :-

On the 19th March 1945 at about 0045 hrs and as a result of a telephone call received by me I proceeded to Rue de Place near Place Gardon accompanied by three other policemen Sercy, Michelot and Eurhold. Outside No.5 Rue de Place I saw a young woman, Mlle. Thibert, whom I know and am able to recognise. She was sitting on the steps of the house and bending over. I saw that both her face and legs were covered with blood. The blood on her legs was on the inside of her thighs, and she was in a distressed condition. Within about a yard of Mlle. Thibert there were two soldiers dressed in khaki and whom I now recognise as the two accused; at the time in question I also had my electric torch with me which I shone on the accused. In the presence of the accused I began to ask Mlle. Thibert if the soldiers wanted to steal her bag or to rape her. She replied "They tried to rape me" There were no other soldiers in the vicinity at the time. Whilst speaking to Mlle. Thibert I was joined by Monsieur Roure who pointed to the accused Private Burley, saying "He struck Mlle. Thibert harder than the other soldier". In consequence of this I then arrested the accused. Neither of them had replied to the accusations made against them. During this time the other policemen who had accompanied me left me to search for a third soldier who had been referred to by Mlle. Thibert during my speaking to her.

After arresting the accused I placed them against the wall, Monsieur Roure guarding one and I the other. The accused Private Burley then attempted to escape and in preventing him from doing so he kicked me in the stomach with his foot. I was kicked in a vicious manner but my revolver and holster took the impact. As I was standing on the edge of the pavement at the time, I fell to the ground. His attack was such that it was necessary for me to throw the accused Private Burley to the ground by pulling his legs and to hit him on the head with the butt of my pistol. As a result I caused a scalp wound which later received attention. I then conducted both the accused to the Police station at Macon accompanied by Monsieur Roure.

When the accused Private Burley attempted to escape I fired a shot in the air with my revolver.

2nd witness for the prosecution (Continued)

Each accused declines to cross-examine this witness.

3rd witness for the prosecution.

Madame Marie Alice VALETTE Maternity Hospital Macon having been duly sworn states :-

At about 0030 hrs on the night 18th-19th March 1945 I was returning from the theatre accompanied by my friend Mlle. Thibert and a Monsieur Roure when we were stopped by three soldiers dressed in Khaki. I did not understand what they said except that one of them used the word "couchez". They stopped us at the corner of Rue Place and Place Gardon. The soldier who spoke the word "couchez" was considerably smaller than the accused whom I am unable to recognise. One of the soldiers attempted to put his arm around my waist and when I saw that Mlle. Thibert was similarly accosted I made my escape. The soldier who put his arm around my waist was the small one above mentioned. As I made my escape I saw one of the soldiers strike Mlle. Thibert on the head. I immediately went to the French Barracks for assistance. I later returned with two soldiers and saw two soldiers against the wall with a policeman in attendance. As Mlle. Thibert was not there and after making enquiries I went into an apartment where I found Mlle. Thibert. I then saw that her face and legs were covered with blood, the latter being covered on the inside of the knees. Her coat was also torn and dirty on the back. When I first saw her Mlle. Thibert said "It's awful, it's awful" and in consequence I asked her " Were the soldiers raping you ?" She replied " Yes, yes." after I had asked her a second time and when I had asked her the further question whether the soldiers had managed to rape her. Mlle. Thibert also showed me her petticoat which was covered with blood and her knickers which were torn near the crutch. I was with her in the apartment for nearly two hours and we returned to the hospital together at 0300 hrs. Before returning to the hospital I helped Mlle. Thibert to clean herself and her clothing. She was in a distressed condition and unable to speak her face being in a very contused condition.

Each accused declines to cross-examine this witness.

4th witness for the prosecution.

Captain G.W. Bethune HQ Camp No. 2 Staging Camp ROAD having been duly sworn states :-

On 19th March 1945 I examined Mlle. Laurence Thibert at the Maternity Hospital Macon. I examined her at approximately 1200 hrs in the presence of Dr. Authelin. She was then in bed. Her general condition was good. Her pulse normal, The face was disfigured by swellings and laceration. There were haemorrhages noted in both eyes, apparently conjunctival. In the right eye there were two haemorrhages, in left eye one haemorrhage. The left eye was [redacted] nearly swollen shut. Inside of both lips cut and upper lip badly swollen. No loose teeth were noted and the jaw apparently not broken. There were several minor lacerations on left zygomatic area (cheek-bone).

4th witness for the prosecution (Continued)

Mlle.Thibert also appeared to be suffering pain on the 9th,10th and 11th ribs on the left side.

External genitalia showed two raw looking areas,one on medial aspect of left labia minora and the other similarly injury slightly posterior and slightly lateral to the former. The first area was slightly smaller than the size of a shilling; and the other area about .5 x .5 centimetres. These injuries were consistent with having been caused within 12 to 18 hrs. They were inside the private parts but before the vaginal canal.

I also noted some whitish secretion on the inside of the private parts which when examined under the microscope showed nothing but usual vaginal debris.

There was also a small bruise on the inside of the left thigh which did not appear to be fresh.

In my opinion a logical explanation of the injuries noted would be rape.

Each of the accused declines to cross-examine this witness.

W.W. Bottaro Capt.

5th witness for the prosecution.

Monsieur Joannes MUNS 5 Rue de Place Maoon having been duly sworn states:-

On the night 18th-19th March 1945 at about 0030 hours I returned from the theatre with Mme.Valette and Mlle.Thibert. I know Mlle.Thibert very well. At the corner of the Rue de Place and the Place Gerdon three soldiers stopped us after first calling to us. I recognise the accused as two of the soldiers who then stopped us. The accused whom I now know as Private Burley began to speak to me when we were stopped. The third suldier was small. When speaking to the accused Private Burley I gathered that they wanted to sleep somewhere. Whilst I was showing Private Burley a place to sleep I noticed Mme.Valette with one of the soldiers about 30 yards away. I saw her escape from this soldier, who returned towards Mlle.Thibert who was then about 10 yards away from me and who, I think, was then with the smaller soldier. At the time there were no other persons or soldiers in the vicinity. Whilst I was speaking to Private Burley,who seemed to be in an intoxicated condition,I saw Mlle.Thibert struggling with the other two soldiers about 10 yards away. She was also shouting to me. Owing to the violent demeanour of Private Burley towards me I made my escape and at the same time I saw him go towards the other two soldiers with Mlle. Thibert.

When I made my escape I ran after Mme.Valette at the same time shouting to her to get help. As I was unable to see her I returned to the scene of the struggle where I saw Mlle.Thibert standing up against a wall with the three soldiers around her. She was still struggling. I went to help her but as I did so the accused Private Smith came running towards me with something in his hand. I again ran away to a distance of about 20 yards. I then saw Private Smith return to the other two soldiers with Mlle.Thibert. I remained at the last mentioned distance for about 10 minutes during which time I saw and heard Mlle.Thibert struggling and shouting. I then returned to my apartment at 5 Rue de Place which was about 15 yards away from the scene of the struggle. As I entered the house the soldier Private Smith again ran towards me but I managed to lock the door. I then entered my apartment which is on the second floor of 5 Rue de Place and to the front. I immediately opened m my window and continued to

4.

5th witness for the prosecution. (Continued).

shout for help. I also saw that the struggle was still taking place on the opposite side of the road.

Mlle. Thibert was lying on the ground with the three soldiers still there. One soldier was either bending over or kneeling at Mlle. Thibert's head. I could only see his back. Another soldier was bending over her left side and the third soldier was lying at and half-on and half-off her right hand side. Struggling still seemed to be taking place. I watched this part of the incident for about a quarter of an hour and I was still shouting for help. I did not see the soldiers change place, but movement was constantly taking place.

The night was clear and the moon shining and I was able to see what took place.

After about a quarter of an hour I saw the two soldiers on the right and left sides of Mlle. Thibert straighten themselves. I also saw the former soldier return to his lying position.

About this time four policemen arrived on the scene and I went down to the road. I then heard one of the soldiers running away. The other two soldiers, the accused, were in the custody of two of the policemen. A few seconds afterwards I saw the accused Private Burley attempt to escape and having a struggle with one of the policemen whom I should be able to recognise again. In the struggle I saw Private Burley kick the policeman in the stomach. I also heard a shot. ~~about the same time.~~

Afterwards I returned to Mlle. Thibert who was sitting on the step of No. 5 Rue de Flace. Her face was covered with blood and her mouth was swollen. It was impossible to recognise her. When she was in my apartment I also saw her legs; on the inside of both thighs and between the knees and her ~~private parts~~ I saw streaks of blood. Although I accompanied Mlle. Thibert up to my apartment she did not then make any complaint to me about what had happened, except to ask me why I had not helped her. I remained in my apartment with Mlle. Thibert for some 10 minutes after which I left her in the company of Mme. Valette. I then went to the Police Station and after returning accompanied Mlle. Thibert and Mme. Valette to the Maternity Hospital.

6th witness for the prosecution.

Doctor AUBERLIN of Macon having been duly sworn states :-

I know and am able to recognise Mlle. Thibert. I examined Mlle Thibert at about 1130 hrs on the same morning of the alleged offence at the Maternity Hospital, Macon. She then complained of contusions on both eyes. She also complained of a contusion on the right side of her body. Mlle. Thibert also stated that a soldier had tried to rape her. I then examined Mlle. Thibert and found her to be suffering from contusions on both eyes, and one scratch on the left lip of her private parts ie, the fourchette. The contusions on both eyes consisted of contusions of both eyelids, and the eyes themselves were bloodshot, principally the left eye. Mlle. Thibert was also in a distressed condition.

The scratch at the fourchette was of recent origin, and her injuries generally were consistent in my opinion with the complaint made to me by Mlle. Thibert. She also produced to me her knickers which I noticed were torn. I should be able to identify the same again.

Cross examined by the accused Private Burley.

Question 1. Can you definitely state whether or not Mlle. Thibert was raped.
Answer 1. I cannot definitely say.
Question 2. What in your opinion caused the scratch at the fourchette ?
Answer 2. It was consistent with being caused by the organ of a man. The scratch referred to by me was a "ecchymose" or bruise.
Question 3. Can you say whether or not Mlle. Thibert was a virgin ?
Answer 3. She was not a virgin.

The accused Private Smith declines to cross-examine this witness.

J Auberlin

Each of the accused having been duly cautioned in accordance with Rule of Procedure 4(E) reserves his respective defence.

1st Witness for the Prosecution

M Joannes Roure, 5 Rue de Flace, Macon, France, having been duly sworn states:

My occupartion is Secretary of the Inspector for the Railroad. I remember the night of 18/19 March 45. I was coming back home from a show given by the railway. Miss Thibert Laurence and Mme Marie Alice Valette were with me. We were coming down conr Moreau to reach Rue Flace. We were called by 3 soldiers and when they reached us we made a few more steps. They started to speak and naturally I couldn't understand a word because I do not understand the English language. I do not know to what Army they belong. We talked to them until we reached the door, approx ½ hour until I went in, I mean my door which is 60 metres from where we were accosted. I could recognize 2 out of 3 if I saw them again. The shortest one I could not recognize. I have seen them once when they came for Evidence. I recognize the accused in the court here now. (Indicates accused). I can recognize them by their faces. I could see them on night of 18/19 March when they accosted us. When we were accosted I could easily recognize their faces and I recognize their faces very well. They accosted us approx 1230 at night. When they accosted us there was a light. I do not know if it was the light or moon light but I could recognize them. When I reached my door, Mme Vallette was far away and Mlle Thibert was against the wall with 2 of the soldiers. At that moment Miss Thibert was standing up, struggling and yelling for me. She was yelling " come - what do they want to do " I was trying to walk into my home. When I came to my door and tried to open it the middle sized chap came towards me with the big thing in his hand. At that moment I ran away about 10 or 15 metres. The soldier returned to the group - Miss Thibert and 2 soldiers were in the group. The soldier is here today who had the big thing in his hand (Witness indicates Pte Smith, one of the accused). When I saw he had reached the group I waited 5 minutes. Then I ran towards my door. I had my key in my hand, opened the door, shut it when I when I went in and the soldier clapped on the door. I went up to my room on the 2nd floor. I opened the window and called for help. At that moment Miss Thibert was lying down, 6 or 7 metres to the right of my door in the ditch by the side of the road. There is no sidewalk there. She was calling for me and shouting and yelling "they choke me; what do they want". At that moment there were 3 soldiers around her. From my window I could not see them to be able to recognize them. Miss Thibert was lying down in the ditch. One soldier was lying down on his knees and you could see all of his back. I couldn't tell precisely if the soldier was at her head or at her feet. I could see the back of another soldier at the left of Mlle Thibert. I couldn't precisely see the third soldier. He was practically all hidden by the other 2 soldiers. I didnt see the third soldier. Approx 15 minutes after I had gone up to my room the two soldiers stood up and moved around. I mean by moved around that they did not keep the same place. Miss Thibert was there and started yelling for me at that time. The soldiers moved and after that practically didnt move. They did not remain standing, either bent down or got on their knees. I saw a soldier whose movements were up and down and sideways at the same time. His back was moving that way. It lasted from then to the arrival of the police. From my window I was yelling and shouting. I saw 4 lights. I went down to the street. On the street I saw a big policeman. In the shadow I saw movements I do not know if they were police. Miss Thibert came towards me and sat on my doorstep as I was reaching the door. A policeman was holding a soldier by the collar. He handed the soldier over to me. That soldier is here now (Indicates Smith, accused) The tallest one went towards Place Moreau. I didnt see the other one go. The tallest one is here (Indicates Burley, accused)

He was running; the Police ran behind; the police fired a shot. The tallest one turned around and gave a kick to the police. But I do not know if he hit the police or not. By the tallest soldier I mean Burley. Miss Thibert stayed on my doorstep all this time. I came to her and we went up to my room. Her hair was over her face and she was bleeding from the mouth. Her head was very swollen. When we went to our room she showed us in the presence of Mme Vallete that she had blood on the inside of her thighs. She showed us her legs but said nothing about her "private parts". After seeing her thighs the police brought me to the police station. Miss Thibert made no statement to me. From the time the 3 soldiers accosted us until the police arrived. There was Miss Thibert, Madame Valette, 3 soldiers and myself. During that time I saw a civilain who went through the street when we were accosted. When Miss Thibert was calling for help. I did not see any other soldiers.

Cross examination

By the tallest soldier, I mean the 1st one on the right (Indicates Burley). The smallest soldiers is the one that is not here. From 5 Rue Place to Place Gardon is 60 to 70 metres. Rue de Place is not very wide; maybe 5 metres. The bldg at 5 Rue de Place is 4 stores high; ground floor, 1st and 2nd floor and attic. Across the street is a stone wall. It is 8 feet high. There are trees behind the stone wall. On the a.m. of the 19 March I attended at the Plice Station with the 2 soldiers. I was there about 15 minutes. I was in the same room with these 2 soldiers at the Police Station. When the evidence was taken some days later I was here with these two soldiers When we were accosted I recognize them by their faces. I do not recognize the shortest one because nearest to me was the tallest one. The second one was to my left about 1 metre. (Witness indicates Burley as tallest and Smith as second one). I do not know what army they are in. After Place Gardon I would recognize them among 200 other soldiers. Burley talked to me at Place Gardon. The one, Smith, spoke to me. I did not understand what he said. The tallest one said, "couche". The tallest one talked most. The shortest one was 2 metres from me and went for the girl. I couldn't say what kind of a hat the smallest one wore. The middle sized one had a beret; I am not sure. I couldn't say what had the tallest one wore. I recognize the tallest one perfectly. While speaking he took his hat off and made gestures. I cannot say what kind of a hat he had one. I cannot say it was a moon. It was clear and I saw his face. In my 1st declaration I told the Captain that it was "clear" and they translated it to "moon light" I now do not know if it was moonlight or street light. There is a street light at Place Gardon. There is a centre one. Whether there are other I do not know. There was no light from 5 Rue de Place. I saw 4 lights of bicycles. I thought it was the police. I did not know. I left the window at once and went down. I do not wait to make sure it was think I at once opened the door. I did not wait to make sure it was the Police. Before the arrival of the police I did not leave the window. I heard footsteps; I opened the door. From the window to the stairs on the second flight is 20 feet. There are 4 flights of stairs. Each flight has about 15 steps. From the end for the stairs to the front door is about 4 or 5 metres. I could not hear the footsteps as I was coming downstairs. I heard footsteps when I came to the door. I was not sure it was the police. I recall the summary of evidence. I remember making the statement "I did not see the soldiers change place but movement was constantly taking place". By movement I mean all was moving especially feet. I could not see distinctly. I cannot say definitely that the soldiers changed places. When I opened the door I saw big policeman take Smith and put him against the wall. I don't know how many police were there. I saw one policeman . There was the tallest one to my right. I saw a few FFI coming down. I do not know how many. Maybe 2 or 3. I did not see an Arab soldier. I did not hear soldier swear in French. I was up in my room later. I let Pte Smith go, somebody else held him.

ow Miss Thibert for 3 or 4 years. I never had sexual intercourse er.

By the Court

From the place where Miss Thibert was is 7 metres to the front door. And from there to my window is about 10 metres. The one who came toward me with the big thing in his hand was Pte Smith. It was quite long and big and dark colour. My window I was in from the street is about 10 metres from the pavement. During the time I was at my window I saw no one leave or come to the group. I knew they were soldiers when I looked out of my window. It was the same group. They had not moved. It took me less than a minute to get up the stairs. I came down less faster than I went up. It was ½ hour before the Police arrived. I saw Miss Thibert all the time

By the J.A.

There were no leaves on the trees then. I saw the FFI when I went to hold the second soldier. Miss Thibert was saying "Noel, why don't you come" several times. Noel is my other name. The tallest soldier is Pte Burley. The smallest soldiers is the one I cannot identify and have not seen since. The other soldier is in Court (indicates Pte Smith I said I heard a shot. I do not know if it was before, while or after Burley kicked at the policeman. When I left my window to come down. Miss Thibert was in the group. After that she sat on the doorstep. In the group she was still lying down. I kept my eyes on her while she was in the group. It took a short time to get down stairs. It was approx 1 minute. The group was 7 metres from my door where the incident took place. One policeman had a torch. I cannot say how many policemen were there.

RP 83 (b) complied with.

2nd Witness for the Prosecution

Mme Marie Alice Valette, Maternity Hosp, Employee, Macon, France, having been duly sworn states:

I work at the Maternity Hosp. With me is Mlle L Thibert who works there too. I went to cinema on night of 18 Mar 45 with Mlle Thibert. We met M Roure there and walked home together. When we came near Place Gardon we met 3 soldiers who came toward us to get information. After speaking for a while one said "to sleep" I thought he meant Hotel. They did not speak French. After a discussion one put his arm around my waist. I was frightened and ran away; not far because my friend Mlle Thibert was behind held by 2 of the soldiers. I stopped and the one who put his arms around my waist returned to the others. My friend called to me and said she could not get away from the ones that were holding her. My friend was shouting and yelling and I went for help to Dahesme Barracks. She was shouting and yelling without words. Soldiers were with my friend but I cannot recognize or say who they were. We ran into Rue de Place and it was dark. The 3 soldier we met first stayed with my friend when I went for help. I could not recognize them. I came back with help in ½ to ¾ of an hour. With me were Frnch soldiers to help. There were no Civil Police with me; only French soldiers. I returned to the same place. My friend was then in the house. I saw 2 soldiers on the wall with French police. I ran up stairs to M Roure's apt. I saw my girl friend there. I couldn't recognize her. She had hair in her face and was full of blood. Her dress coat was torn and her step-ins. She had blood inside of her thigh She was swollen around her lips she couldn't speak. All she could say was; "terrible". I asked her if she had been raped. She didn't want to say "yes" but said it afterwards.

Cross examination.

At Place Gardon I dont know how many lights there are. It is easy to see people in Place Gardon. I would recognize the one who put his arm around my waist. He is not one of these two. They were close to me. When I left the group the one returned to the group. I would be able to recognize a person see 3 metres away in Place Gardon. We stopped because we thought they wanted information about their billets. They came very near. I would recognize the one who put his arm around my waist.

I did not see the other 2 soldiers. They were near my friend. My [redacted] friend and I were walking together when the soldiers came up to us. The soldiers were together. The 3 soldiers and we three civilians were close together when they first spoke. It was light enough to make a distinction between a man and woman. I could not say if I could see aperson 5 metres away. I could see a person 10 metres away. Cannot say if I would know the person was man or woman. My girl friend could say only "terrible". When Insisted on an answer she told me she had been raped. I asked "did they rape you" - she said "yes". She answered me in a matter of minutes. She was helpless at that time. She cried and couldn't say anything except terrible and "yes".

By the Court

Approx 15 or 20 minutes elapsed from the time we met the soldiers until I ran away.

By the J.A.

I was coming back from the Cinema. We met 3 soldiers. I would not be able to identify any except the one who took me by the waist. We met the soldiers for the first time at 12.20 p.m.

RP 83 (b) complied with.

The Court is adjourned until 0915 - 21 Apr 45.

Court reopens at 0915 hrs 21 Apr 45 pursuant to adjournment, same members and J.A. present.

D/M

3rd Witness for the Prosecution

Mlle Laurence Thibert, Employee Macon Maternity Hospital, Macon, France, having been duly sworn states:

I am 26 years old. I am single. On 18 March 45 I went to the theatre with my friend Mme Valette. The theatres was finished around 12 or 12.15 p.m. I left with Mme Vallete and M Roure. We went towards our home. We went through Place Gardon that night. At Place Gardon we were stopped by three persons with military uniforms. We stopped and they asked us for information. I do not understand English and I did not understand. I was to keep on going when one put his arm around my waist. I would not recognize him. I though I could get ride of him but he kpt on squeezing hard. We went forward about 20 metres but I could not get rid of him. There were two who came. They threw me on the ground. Mme Valette had already left. M Roure was not with me at this time. There were 2 soldiers with me. Later another soldier came when I was on the ground. The 2 soldiers pushed me to the ground. I would not recognize the 2 soldiers who pushed me. I was lying on the ground and the other soldier came along. First they hit because I was yelling. Hit me on the face. I do not know how often; very many times. I was shouting at that time. I cried and called for M Roure and the police. Then they tried to take my knickers down; as the couldn't they tore them. These are the knickers I was wearing that night. They were not like that, that night. They were intact. They are torn like that because the soldiers tore them. They are in the same condition now as after they were torn.

(Received by the Court, 1 pr knickers, marked Exhibit "A")

After that they raped me. They opened my legs, threw themselves on me and put their penis in my sexual parts. They did this one at a time. Two soldiers did this. I would not recognize the soldiers who did this. At this time I was trying to protect myself but as there were 3 I had no chance. I was crying, shouting and yelling. Each of 2 soldiers inserted their private parts in me. The 2 soldiers penetrated me. I am quite sure. They did not penetrate as they would have wanted to as I was struggling. I stayed with them 15 or 20 minutes and was able to get away on the arrival of the police. When the Police arrived I ran away about 5 metres. I did not see what the Police did. I sat on a doorstep and put my head in my hands. Afterwards I went up to M Roure's apt. My physical condition was terrible; face swollen, hair uncombed and covered with blood. Later I saw Mme Valette. She came up to me. I told her what happened.

We met 3 soldiers at Place Gardon. I could not recognize them. Two of three raped me. The other helped. I had not seen them earlier in the evening. I had not seen them before at all. One of the soldier we met at Place Gardon put his arm around my waist. He was present when I was lying on the ground. I believe this because he didn't leave me. The second soldier was one of the three who stopped me. There was no other people on the street. From where we were stopped until the police arrived I saw only these 3 soldiers. I was medically examined the following day be Dr Authelin and by a Medical Officer. I do not know the nationality of the soldiers.

Cross examination.

I was lying on the ground not quite in front of M Roure's apt. Was lying on the street opposite the apt. Before the Police arrived I was standing up approx 5 minutes - maybe not that. I went to sit down after the incident. I walked 10 to 12 metres to reach the doorstep. When I sat down I put my head in my hands. I was a little dazed. At that moment I couldn't recall just what I did then. I was n't paying any more attention as to what went on. When I was on the ground I could not see the soldiers very well. The three soldiers always held me. When one soldier tired to lie on top of me I kicked with my legs. I was yelling very loud. I was frightened. I couldn't remember if any of the soldiers put their fingers into my private parts. I only thought then escaping. It was a penis and not a finger that was inserted into my private parts. I remember very well his position and what he was doing at that time. He did not have his fingers there too. I was trying to get away.

It is 6 years since I had had any sexual intercourse. It is a little difficult to insert a penis if I was resisting. They did not use their fingers. I am positive. I remember what they were doing at that moment. They were trying to put their penis in my private parts. The other 2 soldiers were holding me, be legs and arms. I could not say exactly how they were holding me. I have told you before that 2 tried to insert their penis in my private parts. I do not know why I hesitated to tell Mme Valette that I had been raped; she asked me what have they done. It would not be right to say that at at that time I was not sure what had been done. I was confused and bothered at that time. When I was on the ground I bit one soldier on the lower lip. I could not say I scratched any one in the face. I tried to protect myself with my hands and feet. I did not scratch any of them with my hands.

Re examination.

I have had no sexual intercourse for 6 years. I remember from that time the feelings that go with sexual intercourse.

By the Court

I wore gloves that evening. I had one on my left hand and carrying the other. I understand no English. I did not recognize the type of uniform, they were wearing. The police had arrived when I went to sit on the steps. I was able to disengage when the police arrived. After meeting three soldiers, at first only one stayed with me, the other two others were with M Roure. I do not know how long I was with the one soldier. Mme Valette was in front of me 10 or 20 metres; M Roure was behind with the other soldiers.

By the JA.

I stated that I bit one soldier on the lower lip. He was lying on me at the time having intercourse with me. I don't know if it was the 1st or 2nd soldier. The soldiers who were with me when I was laying down are the same soldiers who met me when I was with M Roure. This took place after midnight.

By the Court

All the blood came from my nose. My nose bled. When the soldiers hit me the blood went over my body. They hit me with their fist. I got up before the Police arrived. I was not sitting on the steps when the police arrived. The police were arriving near the place. They were walking. They had their bicycles. They were 10 metres away when I first saw them.

RP 83 (b) complied with.

By the JA

I did not give my consent to the soldiers who were with me that night to have intercourse with me.

RP 83 (b) complied with.

4th Witness for the Prosecution

M Jean Pariat, Sub Brigadier, French State Police, Macon, France, havin been duly sworn states:

On early a.m. of 19 Mar 45 I proceeded to Rue de Place, Macon, when we arrived it was dark and we put flashlights on. I saw Mlle Thibert sitting on a doorstep. About 1½ metres were 2 soldiers. I asked her if they were her aggressors. She said yes. We put them against the wall. M Roure came downstairs and helped me keep the 2 soldiers while my 3 friends went to get the other soldier who ran away. I identify the 2 soldiers whom we held as the two accused here today. The bigger soldier was detained by M Roure (Indicating Smith) I was looking after the other one. He tried once to run away (Indicating Burley) I fired a shot in the air to call my freind. He gave me a kick here (indicating pistol case) which knocked me to the ground. As I fell I held him by the sleeve and as I saw he wanted to get rid of me I hit him with butt of my revolver and he fell down on the sidewalk. Mlle Thibert had her head in her hands bending down with her elbows on her thighs. She looked overwhelmed and overcome. Her eyese were swollen; lips blue and swollen, eyese swollen and closed, thighs full of blood. I asked Mlle Thibert if the soldiers had stopped her to rob her or abuse her or rape her. She answered that they had tried to rape her. My friends did not find the 3rd soldier. I saw 2 soldiers in Rue de Place and 1 Algerian soldier who passed by approx 20 minutes after my arrival. The Janitor of the Normal School because we asked her to open the door to search the par; was the other civilian we saw. I went to M Roure's apt for about 10 minutes. We put our lights on the soldiers and the whole area. While in M Roure's apt. Mme Valette came up. My friends detained the 2 soldiers downstairs. We took them in the laundry of the Normal School and later to the police statio The 2 accused are those 2 soldiers.

Cross examination:

On the telephone I was not told how many soldiers there were. Mlle Thibert & M Roure told us there were 3 soldiers. We arrived at Rue de Place by Place Gardon. We were riding bicycles. One bicycle had a light. There 4 bicycles. We got off our bicycles at 5 Rue de Place We encircled the soldiers immediately. I did not strike the soldier in the eye immediately. I hit him later with the butt of my revolver. When we were encircling the soldiers I did not catch hold of one soldir causing him to fall to the ground. We then put the soldiers against the wall. M Roure arrived 2 or 3 minutes later. It is not true that I struck Pte Burley after he tried to run away. I struck him when he gave me a kick. He did not hit me with his fist. I was keeping the 2 soldiers in respect of my revolver against the wall, and picking up bicycles with my other hand. Pte Burley could have runaway without touching me up Rue de Place. He tried to run to Place Gardon and came in touch with me. He hit my pistol holster with his foot. M Roure could not see the kick. I gave Pt Burley quite a severe blow. He had to be taken to the Hospital - I went with him. The Secretary of the Commissionaire examined the soldiers at the Police Station. He gave them a quick examination. He did not examine the front of their trousers. He just looked at them because Miss Thibert said she hadn't been raped but xxxxhad tried to rape her. He looked at them because we look at everybody. It was to me that Mlle Thibert said she had not been raped but ehy had tried to rape her. This was at the scene when I first asked her.

By the Court

The soldiers were 1 metre or 1½ metres from Mlle Thibert when I arrived. She was sitting on the steps. They were about 20 cm from the steps. When I arrived they were standing up looking towards Place Gardon. I did not see a third soldier. M Roure had not come down stairs yet when I approached the scene. It was too dark to see him in the window.

By the JA

M Roure & Mlle Thibert said there was a 3rd soldier. I spoke to Mlle Thibert on my arrival. I said to her "were these soldiers the agressors, did they want to rob her or rape her". She answered that they wanted to abuse of her but the exact words I do not remember. I don't believe she used the word "rape". When I asked her if they had abuse of her she said yes they have abuse of me. I remember the Summary of Evidence. I don't remember if the exact term abuse or rape was used. It is the same thing. She replied "they tried to rape or abuse me". The word "try" was used or the word "attempt" was used.
NOTE The sub brigadier (witness) wears his pistol case near the front of his belt on the left side.

When I asked Mlle Thibert whether she had been robbed or raped she was sitting on the steps. It was 1 minute after we arrived. We all had flashlights. They were not lighted when we came down the street on the bicycles. Only 1 flashlight was lighted.

RP 83 (b) complied with.

Hemmorages of both eyes which were conjuctival. They were the result of a blow on the eyes. The left eye was nearly shut. The inside of both lips cut and the upper lip badly swollen. Several minor lacerations on left cheek. No bruises or lacerations noted on thorax. Patient complained of pain in left lower chest area but respiration is free and equal. External genitals, two small abrasions noted, one on needial side of left labia minora, second slightly posterior lateral to first. These injuries appear rather fresh. Some whitish secretion was noted which when examined by microscope showed only usual vaginal debris. There was small bruise in inner aspect of left thigh. The abrasions were not in existence for more than 18 or 20 hours. I finished the examination at 1300 hours. There was no bruises further in the lips of the genital. I could not say what caused the abrasions. I should think they could be caused by a penis.

Cross examination

I think a finger could cause such an abrasion. There are other things that could cause such an abrasion. No disease that I have ever seen could cause such an abrasion. Any rough hard object could cause such an abrasion. The bruise on the inside of the thigh was about 7 inches from the genital region. I have no idea how the bruise might be caused. The bruise was a week or 10 days old.

By the Court

If the two injuries found on the external genitalia were caused by a hard object it would be necessary for that object to penetrate into the genital organs of the person concnerned in my opinion.

1st Witness for the Defence

C123428 Pte Burley R.E.C., the accused, having been duly sworn states:

I am on convoy duty with 1 Spec Veh Coy. On 18 Mar arrived in Macon. After supper I went down town between 9.15 and 9.30, looked around the town; want to 3 cafes, drank some Red Wine; in 3rd cafe met 2 women. I was with Gnr Smith. No other soldier was with us. The ladies ordered their drinks and we made arrangments to go to their rooms. I went with one and had sexual intercourse. It cost me 200 Francs. Then I rejoined Smith in the Cafe and we left. This was after midnight. We started following the 6F Sign to bivouac. We came along by the canal and made a right turn. I heard shouts, did not understand them. They sounded like a male voice and had a note of fear. I did not pay a great deal of attention to them. We followed on the street. The shouting continued and we found out the cries came from steps where a girl was sitting. We now know her as Mlle Thibert. We had no more than arrived; we heard foot steps going up the street away from us. We had come from the direction we know now as Place Gardon. I have seen this place since. The girl was sitting on the steps with her head in her arms; her arms across her knees. She sounded like a child that had received a severe beating from a parent and was crying over it. An instant after we stopped I heard bycycles behind me; was grabbed by right soldier, wheeled around and received a blow on left eye by some instrument. The 3 scars of that blow are still visible. (Witness shows scars to court) It was a hard instrument that hit me; don't think it was a fist. The force of the yank on shoulder and force of blow knocked me down. Gnr Smith was at my right. I fell with my head toward Place Gardon. I lay on ground. Did not see who hit me. Was more interested in escaping. Was quite dark on street; did not see person who hit me. I watched my chance to make an escape I didn't cover the distance the length of my body when I was struck on left side of my head with what I now know as butt of pistol. (Shows Court the bruise). Knocked me down where I stayed. When I moved to escape I made no motions at the person near me. He was not in my road, was to my left hand side. I lay on ground was taken by what I now know as Police to Police Station. There I washed blood from hands & face; blood from cut in the eye. The Police threw me roughly on the floor and then examined my hands and clothes.

Cross examination.

In Canada I was with RCASC. Came over here Xmas 44. Did Inf Trg in England. Went in Spec Veh Coy about Feb 25; am a driver for them. It was my 2nd trip from Marseilles to Belgium. Stopped in Macon before. We wear no badges or Canada badges. The last cap badeg I had was Inf. It was general knowledge that we were confirmed to bivouac area. Came into town knowing it was against regulations. I do not know the Cafe where I went upstairs. Came downstairs and rejoined Smith. Don't know what time. They were closing as I left with Smith. When the police agent said it was 0100 hrs I can't deny it. Came up street with 6F signs on it. Know name Place Cardon from evidence given here, and from where girl was sitting. Spoke to no civilians on the street that night. I would say that witness Roure was mistaken. I would say Mlle Thibert's story is not correct. I was anxious to get away because I had had a crack in the eye and was wondering why the girl was crying. There was no one else but the girl when I came up to the girl. I would say her evidence was wrong. I would also say that the police NCO's story is a fabrication except for the part where I attempted to get away. I cannot suggest why these 3 people should concoit this story. I had only been in the city once before. I had never met the people before. There was no enmity between us. It is not fair to say that I came into the city to have intercourse.

I heard fleeing footsteps going away from Place Gardon.

The Court will adjourn to view the scene of the incident and will resume examination of the witness afterwards.

The Court viewed the scene of the incident. Present were all members, J.A., Prosecuting and Defending Officers and the accused.

By the Court

I was following 6F signs. Rue de Place is at right angles to the route following the 6F signs. My intention was to follow 6F signs. I thought Rue de Place followed 6F signs and was road to camp. I heard whimpering when I was up to the girl. I heard footsteps going away from me. I had entered the road and heard footsteps running up the hill.

By the J.A.

Was coming from Canal toward Place Gardon. Heard footsteps on Rue de Place, about 45 steps before reching the door of 5 Rue de Place Was with Smith at the time. We had been carrying on a conversation, in natural voice. Heard a male voice shortly after we turned the corner of the street near the canal. Did not investigate the footsteps because when we came to the doorstep the girl was crying. This is the first time we knew something was wrong. Did not see the police. My back was to them.

By the Court

I heard a shot fired when I attempted to escape. I was lying on the ground and then I was getting up I was hit on the head. The blow on the head followed the shot. I heard more than one person running. I wouldn't like to say more than five. They would be running up hill.

By the J.A.

I did not kick the police. I deny it. I didn't know at the time they were police. I did not attack them. I did not hear the police talking to the girl. My evidence is that I was knocked down by the Police on their arrival. I did not see what took place. Smith was standing up to my right. He was not hit by the Police. I do not know if he tried to escape. I do not remember the Cafe near the canal. I did not in the last 2 days see any gentlemen around the court house who would be the owner of the Cafe. I did not see M Roure in his window when I was coming up Rue de Place. As we entered the street the shouting stopped. I heard no woman's voice as I was in the street.

By the Court

I was standing facing the doorstep and the girl when I was hit the first time.

2nd Witness for the Defence:

C103004 Gnr Smith W.T., the accused, having been duly sworn states.

I am on convoy duty of 1 Cdn Spec Veh Coy and I arrived in Macon on afternoon of 18 Mar 45. At approx 2100 hrs we went down town. We called in a few cafes and in 3rd Cafe we met 2 girls. They could speak a few words of English. We had a drink with them. We found out through conversation that we could pay for intercourse. Pte Burley was with me. I had intercourse upstairs and came down. We left the Cafe for the bivouac area. We came along a street by the canal; turned left, followed 6F sign. We heard a man's voice; kept on walking to Place Gardon entered Rue de Place, heard footsteps going in opposite direction, up the hill; could not say how many; more than one.

Saw girl on doorstep, head in her arms, crying, bent down to look at her and ask what was wrong when a policeman put me up against the wall; grabbed my hands, forced them up over my head. Spoke to girl in French - the Policeman did. Was searched and taken into a bldg. When to Police Station; one stood close in front of me looking me up and down; looked at my hands, stayed in Police Station for 3 hrs. When Cdn Sgt came for us. Convoy got into Staging area about 1800 hrs. Several vehicles were there. There were several 100 men. They wore no patches. There were Canadian & English. Saw no other soldiers leaving camp at the time we left. Not difficult to get out of camp.

Cross examination.

Knew we were not supposed to leave camp. Got to Cafe in town where we saw girls at 2230 hrs. There were girls in other cafes. After I had intercourse I did not look to see the name of the Cafe. Burley & I had intercourse in the same bldg. Do not know name of street where the Cafe is. No 6F signs on that street. If is 2 or 3 blocks to Place Gardon. Heard man's voice when we got to Place Gardon. I do not understand French. Did not quicken pace to investigate. Heard no female voice. Met no civilians as we crossed Place Gardon. The shouting stopped when we came into the street. Was not continuous shouting. Walked up Rue Place on same side as the girl was. When we were 50 yards to the house we heard footsteps running away. Saw no bicycle lights behind us that time. Did not quicken pace when heard whimpering of girl. Was on Burley's right hand when police arrived. Walking on sidewalk. We were in front of woman, I was on Burley's right slightly ahead. Heard noise of dropping bicycles. When I looked around they were behind me. Heard the police say nothing to the girl. Then they made me stay by the wall with my hands over my head. A police guarded me. When a man came out the house and guarded me. Another policeman was guarding Burley. One of the police was searching me.

I had been on previous trip with Burley to Macon. I saw a police strike at him. It knocked him down. I didnt see him try to get up. The man who gave evidence today is not the same police who put me against the wall. I saw the 6 F signs at the corner of Rue de Place. I wouldn't see any reason for the witnesses making up the stories. I say that stores connecting me and Burley with the incident are wrong.

By the J.A.

I saw the police talk to Miss Thibert. She did not point out anybody to the policeman. I saw 4 policeman there. Was in last cafe approx 1½ hours.

By the Court

Saw no soldiers going from Last Cafe to 5 Rue de Place.

By the J.A.

Did not speak to Mr Roure that night. Did recognize him when he came in court. He spent approx 2 hours in Police Stn, with us. He is the civilian who held me. When I was in front of 5 Rue Place and saw the girl crying I did not see the door open.

RP 83 (b) complied with.

DM

Prosecution Closing

The accused as to the joint charge are either guilty as charged or completely innocent. It is not a case for finding of lesser charges. Thibert says she was raped, the evidence of Roures & MO corroborates It is solely a question whether done by these accused or persons unknown.

Roure recognizes accus as being 2 of 3 sols who stopped them near light on Place Gardon they moved up street and he to refuge in house, says they were some solds as first met and they were still there when police arrived. Thibert says can't identify but they were some sols to whom talking on Place Gardon. Both say no other sols around and still there when police arrived. Valette says the ones who chased Thibert were same ones who stopped them on the place. The chain of identification is complete but rests solely on Evidence of Roare plus circumstances of both accus being at the scene when police arrive. If her, Thibert are believed the accus did it, 2 accus believed then they didn't do it.

The circumstance of there being there raises one's curiosity. It is not a question of circumstantial evidence because they are identified It is a matter for its effect on credibility.

Question of someone running away - everyone agrees that someone did. Pros evidence is that it was the 3rd sold. Def suggest it was the several solds who committed the offence. Court must decide how creditable the witnesses are and how strong the story of acidental arrival is. Two witness on each side plus circumstances.

On 2nd charge I suggest that the facts speak for themselves.

DM

DM

For the Defence

1 Onus on prosecution to prove charges beyond a reasonable doubt:

(a) that a crime has been committed
(b) connecting the accused with the crime.

2. In re 1(a) supra in the case of rape - must prove penetration of the penis into the private parts of the female - complainant Mlle Thibert.

(a) Evidence of Capt Betheine RCAMC is that a finger could have caused the two bruises just inside the private parts of the complainant. - also that these were other possibilities of the cuse of the presence of these two bruises.

(b) First complaint made by the female Mlle Thibert to French policeman Monsieur Jean Pariat when she was on the steps of 5 rue de Flace soon after the alleged incident - Evidence is tht she definitely used thw words "tried" or attempted" to rape her.

(c) female complainant Mlle Thibert "did not want to say she had been raped" to Mdm Vallette in apartment at 5 Rue de Flace but on Madame Vallette's insistance she finally said "Yes" - nothing else.

(d) Mlle Thibert, female complainant says that no fingers were inserted in her private parts - only two penis. - that fingers were not inserted at the same time yet all this time she was struggling and all thr e alleged soldiers were about her. At time she was alone very confused and excited. Alleged soldier couldnt get her knickers off - indicative of the struggle. Highly improbable, and most definitely not beyond a reasonable doubt that penis used. Most probable that finger used.

(e) Therefore no crime of rape committed.
Offences of either
(a) indecent assault
(b) assault causing grevious body harm
(c) common assault
committed.

3. In re 1(b) spra, there is no satisfactory evidence connecting accused with alleged crime of rape.

(a) complainant Mlle Thibert cannot recognize two accused.
(b) Mdme Vallette couldnt recognize accused.
(c) Monsieur Roure alleges he can recognize accused. But he saw accused at Police station, at Summary of Evidence and at this court.
(d) Monsieur Roure's evidence unsatisfactory generally. Saw policemen on four bicycles with four lights shining. This denied by policeman Pariat. - idea of light of the light do not coincide with the witnesses - his story of the time of appearance on the latter scene entirely in disagreement with other witnesses, - Couldn't be able to recognize the shortest one, - rather in distress because he hasn't seen him since.
(e) Complainant Mlle Thibert has no clear recognition of details. Said the police arrived on scene when she just got up from the ground. Said shw wasn't sitting on the steps - said she was dazed and didn't pay any attention to what was going on - Policeman Pariat said she was on the steps when they arrived.
(f) Police examined accused found nothing out of ordinary. Complainant Thibert says she bit on lips and struggled.
(g) Accused give stores consistent with the stores of all witnesses for the prosecution, in so far as recognition is concerned except the unsatisfactory witness Roure.

DM

4 In so far as the second charge of assault against Pte Burley, no evidence that this took place.

(a) Burley knocked down by policeman and hit in eye. This not mentioned in evidence of Pariat the policeman.

(b) Pariat says there wasn't much room for Burley to pass.

SUMMING UP

1. TT is my duty as Judge-Advocate to advise the Court on matters of law. The Court is the sole Judge of the facts, and if in the course of my summing up I should pass any comment or express any opinion on the evidence, the Court should disregard same. It is my duty to advise the Court to the best of my ability of the law involved in this case. Before dealing specifically with the charge which the accused are facing, there are one or two general principles upon which I would like to direct your attention.

2. In the first place, under our system of law an accused is deem to be innocent of any crime until he is proved guilty, and the burden of proving an accused's guilt rests on the prosecution. In other words, he who alleges a fact must prove it. If the Court after careful consideration of the evidence heard during the trial, has a reasonable doubt as the accused's guilt on the charge, then it must exercise that doubt in the accused's favour, and find them not guilty. Reasonable doubt may be defined as such a doubt as to be entertained by an ordinary man in the conduct of his own affairs, and such a one as is not founded on sympathy, caprice or bad will.

3. The accused are charged under Section 41 of the Army Act with:

WHEN IN A PLACE NOT WITHIN HIS MAJESTY'S DOMINIONS, COMMITTING A CIVIL OFFENCE, THAT IS TO SAY RAPE

in that he

In the Field at Macon, France, on or about the 19th March 45, had carnal knowledge of Mademoiselle Lawrence THIBERT, without her consent.

Before you can find the accused guilty as charged, you must be satisfied as alleged in the particulars of the charge, that on or about the 19th March 1945, the accused had carnal knowledge with Miss Thibert, without her consent.

4. Rape is defined in Archbod Criminal Pleading Evidence and Practice 31st edition page 1018 as follows:

"Rape is the carnal knowledge of a woman without her consent by force, fear or fraud."

The Manual of Military Law at page 113 para 37, defines rape as follows:

"Rape is the act of a man having carnal knowledge without her consent of a female, who is not his wife."

Penetration is considered to constitute carnal knowledge; it must therefore be proved that there was actual penetration of the female organ by some part of the male organ. The slightest penetration will be sufficient; it is not necessary to prove that there was such penetration as would be sufficient to rupture the HYmen. To prove carnal knowledge it is not necessary to prove the actual emission of seed. It must also be proved that the rape was committed on the Prosecutrix by force and without her consent.

5. Certain declarations made by Miss Thibert after the incident has been admitted in evidence. With respect to these statements, I wish to advise the Court as follows: In the case of rape, the fact that a complaint made by the Prosecutrix shortly after the alleged offence and the particulars of such complaint may be given in evidence, so far as they relate to the charge against the accused, not as evidence of the fact complained of, but as evidence of the consistency of the conduct of the Prosecutrix with her evidence given at the trial and as negativing consent to her part. Such complaint cannot be regarded as corroboration of the story of the Prosecutrix. As to the matter of corroboration on such a charge as rape, I must advise the Court that although corroboration is not essential in law, it is, in practive, required and it is the practice to warn the jury against the danger of acting upon her uncorroborated testimony.

D 171

6. Circumstantial evidence has been adduced during this trial to prove the charge. On circumstantial evidence I wish to refer the Court to the Manual of Military Law, page 81, para 41 and 42, which reads as follows:

"from the circumstances in which crimes are ordinarily committed, it follows that direct evidence of their commission is not always obtainable, and that in very many cases reliance must be placed on circumstantial evidence. Such evidence is in no way inferior to direct evidence, and is in some respects superior to it; for it has become a proverb that "facts cannot lie", while witnesses may. On the other hand it must be borne in mind that if facts cannot lie, they may, and often do, deceive; in other words, that the interpretation which they appear to suggest is not that which ought to be placed upon it. Therefore, before the Court finds an accused person guilty on circumstantial evidence, it must be satisfied not only that the circumstances are consistent with the accused having committed the act, but that they are inconsistent with any other rational conclusion that the accused was the guilty person."

7. The facts in this case show that at one time there were 3 soldiers in the immediate surroundings where the incident took place. Miss Thibert cannot identify those who would have committed the alleged rape. On this point I wish to direct the attention of the Court to the responsibility of parties to an offence. The Manual of Military Law page 106, para 14 states:

"The responsibility of a person for the natural consequences of his act is not limited to the simple case where he is present, and actually commits an offence with his own hand."

Para 16 states:

"If a person is present at the commission of an offence and aids and abets its commission for another person he is responsible as though he had committed it himself. But it is not necessary that he should be actually present as an eye witness or an ear witness of the transaction; he is, in law, present aiding and abbetting if, with the intention of giving assistance he is near enough to afford it should occasion arise; thus, if two or three men go out together to commit, burglary, and one waits at the corner of the street to keep watch while the others commit burglary, the watcher will be guilty of burglary equally with the others. On the other hand, if the offence charged involves some special intent, it must be shown that the assistant was cognizant of the intentions of the person whom he assisted; thus on a charge of wounding with intent to murder it must be shown that an assistant not only assisted the principal offender in what he did, but also knew what his intention was, before the former can be convicted of the full charge."

8. In this case the Court has four possible verdicts which it may take. If you are satisfied that the accused committed the offences as charged, you may find them guilty of rape; if on the other hand it appears to the Court upon the evidence that the accused did not complete the offence of rape, but that they are guilty only of attempting to commit the same, the Court may acquit the accused of the charge of rape, but find him guilty of attempting to commit rape; further if the Court comes to the conclusion that the accused did not commit any of the two previous offences, it may find the accused guilty of indecent assault. If the Court after reviewing the whole evidence comes to the conclusion that the Prosecution has failed to prove any of the above offences, they should acquit the accused.

10. In concluding my summing up, I would ask the Court to keep in mind what I have already said about giving the benefit of any reasonable doubt to the accused.

By Judge Advocate:

Mr. President:	Are thero any further matters on which you wish me to advise the Court?
Answer:	No
Prosecutor:	Are there any further matters on which you wish me to advise the Court?
Answer:	No.
Defending Officer	Are there any further matters on which you wish me to advise the Court?
Answer:	No.

9. With respect to the second charge against Pte Burley, before you find the accused guilty as charged, you must be satisfied as alleged in the particulars of the charge that on or about the 19 Mar 45 the accused assaulted Jean Pariat by kicking him in the stomach with his foot. The facts of this charge are simple, and do not believe that it is necessary to convict.

The accused Pte Burley R.E.G. gives evidence as to his character:

I am 31 years old, married with 2 children by my second wife and 1 by my first wife; never been charged in civil court, never been charged in the army. Enlisted RCAF 18 Feb 41. Enlisted Army 18 Jan 44. Was discharged from RCAF on compassionate grounds 7 Dec 1942. Arrived England 25 Dec 44 and on continent Feb 45.

Plea in Mitigation

I should like to draw the attention of the Court to the MFM 6 of both accused and also the their statements regarding their freedom from any conviction in Civil Court before their enlistment in the Army. They speak more strongly for the accused in requesting Mitigation than any argument there can be produced. This incident which is the subject of this FGCM is a difficulty in which both have become involved. Circumstances are peculiar. The experience in this country is novel and it is submitted that this Court in passing sentence should not stamp these soldiers as criminals. Therefore when you come to the decision whether the sentence should be penal servitude or prison or detention, take all above factors into consideration; also consider the suggestion in MML P464 p.n. 5. I submit that the court should consider it desirable to retain these 2 in the Army. Therefore the ends of justice will be satisfied and they will not be stamped as criminals. Detention is advisable.

1st Witness for the prosecution

Mlle. Laurence THIBERT having been duly sworn states :-

I am twenty six years of age and am employed at the Macon Maternity Hospital where I reside. I am an assistant nurse.
I am unable to recognise the two accused. On the night 18th-19th March 1945 at about 0030 hrs I was returning from the theatre accompanied by Monsieur Roure and Madame Valette. At the Place Gardon we were stopped by three soldiers who spoke to us. As they did not speak French I did not understand what they said although we tried to do so, especially Monsieur Roure. Madame Valette, however, did not stop and proceeded ahead. I followed her after a few minutes leaving Monsieur Roure still talking to the three soldiers. As I tried to follow Madame Valette one of the soldiers followed me and attempted to put his arm around me. I resisted whilst walking for about 20 yards. This soldier then threw me to the ground; I cannot now remember how I was thrown to the ground, but another of the soldiers was then present. When I was lying on the ground I shouted but was hit on the face by one of the soldiers. I continued to shout for the police, whilst one or both of the soldiers held my arms and legs. One of the soldiers pushed up my clothes at the same time tearing my knickers. I can produce the latter. One of the soldiers then inserted his penis in my private parts. He did not insert it fully. It was however an insertion, and he stayed on me a few minutes between my legs. As soon as this soldier had finished, another soldier took his place and also inserted his penis into my private parts. Again it was an insertion but not a full insertion. The whole time I was screaming and struggling. The second soldier did not stay on me as long as the first soldier. I then managed to escape a few yards and after sitting down some two French policemen arrived on the scene. They arrived within two minutes from my getting up from the place where I had been assaulted. When I saw the French policemen I noticed that one of them was holding a ~~machine~~ soldiers and another soldier was still on the ground in the same place where I had been assaulted. I also heard a shot being fired.

Before and after being attacked there were no other soldiers in the vicinity, than those mentioned above. Immediately after the French policemen had arrived on the scene I went up to the apartment of Monsieur Roure and outside of which the incident had taken place. I then washed my face arms and legs. On the inside of both my thighs there was blood; I think the blood came from my nose as a result of being struck in the face.

Immediately I saw Monsieur Roure in his apartment I made a complaint to him of what had happened. This would be about ten minutes after the incident. I remained in the apartment with Mme. Valette for about an hour and a half. I then returned to the hospital with Mme. Valette and Monsieur Roure and at about midday the following day, the 19th March, I was examined by Dr. Authelin.

I did not in any way comment to what took place.

I was aware that the three soldiers were Canadians by reason of what Monsieur Roure told me in their presence.

1st witness for the prosecution (Continued)

Cross examined by Private Burley.

Question 1. Did you scratch or bite either of the soldiers alleged to have assaulted you ?
Answer 1. I think I bit the second soldier.
Question 2. Where did you bite him ?
Answer 2. About the lips.
Question 3. Did you bite sufficiently hard to leave a mark or to draw blood ?
Answer 3. I cannot say.

The accused Private Smith declines to cross-examine this witness.

2nd Witness for the prosecution

Monsieur Jean PARIAT Sub-Brigadier French State Police Rouen having been duly sworn states :-

On the 19th March 1945 at about 0045 hrs and as a result of a telephone call received by me I proceeded to Rue de Place near Place Cordon accompanied by three other policemen Savy, Michelet and Marbold. Outside No.5 Rue de Place I saw a young woman, Mlle. Thibert, whom I know and am able to recognise. She was sitting on the steps of the house and bending over. I saw that both her face and legs were covered with blood. The blood on her legs was on the inside of her thighs, and she was in a distressed condition. Within about a yard of Mlle. Thibert there were two soldiers dressed in khaki and whom I now recognise as the two accused; at the time in question I also had my electric torch with me which I shone on the accused. In the presence of the accused I began to ask Mlle. Thibert if the soldiers wanted to steal her bag or to rape her. She replied "They tried to rape me" There were no other soldiers in the vicinity at the time. Whilst speaking to Mlle. Thibert I was joined by Monsieur Roure who pointed to the accused Private Burley, saying "He struck Mlle. Thibert harder than the other soldier". In consequence of this I then arrested the accused. Neither of them had replied to the accusations made against them. During this time the other policemen who had accompanied me left me to search for a third soldier who had been referred to by Mlle. Thibert during my speaking to her.

After arresting the accused I placed them against the wall, Monsieur Roure guarding one and I the other. The accused Private Burley then attempted to escape and in preventing him from doing so he kicked me in the stomach with his foot. I was kicked in a vicious manner but my revolver and holster took the impact. As I was standing on the edge of the pavement at the time, I fell to the ground. His attack was such that it was necessary for me to throw the accused Private Burley to the ground by pulling his legs and to hit him on the head with the butt of my pistol. As a result I caused a scalp wound which later received attention. I then conducted both the accused to the Police station at Rouen accompanied by Monsieur Roure.

When the accused Private Burley attempted to escape I fired a shot in the air with my revolver.

2nd witness for the prosecution (Continued)

Each accused declines to cross-examine this witness.

3rd witness for the prosecution.

Madame Marie Alice VALETTE Maternity Hospital Macon having been duly sworn states :-

At about 0030 hrs on the night 18th-19th March 1945 I was returning from the theatre accompanied by my friend Mlle.Thibert and a Monsieur Roure when we were stopped by three soldiers dressed in Khaki. I did not understand what they said except that one of them used the word "couches" They stopped us at the corner of Rue Place and Place Gardon. The soldier who spoke the word "couches" was considerably smaller than the accused whom I am unable to recognise. One of the soldiers attempted to put his arm around my waist and when I saw that Mlle.Thibert was similarly accosted I made my escape. The soldier who put his arm around my waist was the small one above mentioned. As I made my escape I saw one of the soldiers strike Mlle.Thibert on the head. I immediately went to the French Barracks for assistance. I later returned with two soldiers and saw two soldiers against the wall with a policeman in attendance. As Mlle. Thibert was not there and after making enquiries I went into an apartment where I found Mlle.Thibert. I then saw that her face and legs were covered with blood, the latter being covered on the inside of the knees. Her coat was also torn and dirty on the back. When I first saw her Mlle.Thibert said "It's awful, it's awful" and in consequence I asked her " Were the soldiers raping you ?" She replied " Yes, yes." after I had asked her a second time and when I had asked her the further question whether the soldiers had managed to rape her. Mlle.Thibert also showed me her petticoat which was covered with blood and her knickers which were torn near the crutch. I was with her in the apartment for nearly two hours and we returned to the hospital together at 0500 hrs. Before returning to the hospital I helped Mlle.Thibert to clean herself and her clothing. She was in a distressed condition and unable to speak her face being in a very distressed condition.

Each accused declines to cross-examine this witness.

(Signed) VALETTE

4th witness for the prosecution.

Captain C.W.Bethune RAMC Camp No.2 Staging Camp RAMC having been duly sworn states :-

On 19th March 1945 I examined Mlle.Laurence Thibert at the Maternity Hospital Macon. I examined her at approximately 1200 hrs in the presence of Dr. Authelin. She was then in bed. Her general condition was good. Her pulse normal. The face was disfigured by swellings and lacerations. There were haemorrhages noted in both eyes apparently conjunctival. In the right eye there were two haemorrhages, in left eye one haemorrhage. The left eye was almost completely closed nearly swollen shut. Inside of both lips cut and upper lip badly swollen. No loose teeth were noted and the jaw apparently not broken. There were several minor lacerations on left zygomatic area (cheek-bone).

3.

4th witness for the prosecution. (Continued)

Mlle. Thibert also appeared to be suffering pain on the 9th, 10th and 11th ribs on the left side.

External genitalia showed two raw looking areas, one on medial aspect of left labia minora and the other similarly injury slightly posterior and slightly lateral to the former. The first area was slightly smaller than the size of a shilling, and the other area about .5 x .5 centimetres. These injuries were consistent with having been caused within 12 to 18 hrs. They were inside the private parts but before the vaginal canal.

I also noted some whitish secretion on the inside of the private parts which when examined under the microscope showed nothing but usual vaginal debris.

There was also a small bruise on the inside of the left thigh which did not appear to be fresh.

In my opinion a logical explanation of the injuries noted would be rape.

Each of the accused declines to cross-examine this witness.

Capt.

5th witness for the prosecution.

Monsieur Joannes ROURE 5 Rue de Place Macon having been duly sworn states:-

On the night 18th-19th March 1945 at about 0030 hours I returned from the theatre with Mme. Valette and Mlle. Thibert. I know Mlle. Thibert very well. At the corner of the Rue de Place and the Place Gordon three soldiers stopped us after first calling to us. I recognise the accused as two of the soldiers who then stopped us. The accused whom I now know as Private Burley began to speak to me when we were stopped. The third soldier was small. When speaking to the accused Private Burley I gathered that they wanted to sleep somewhere. Whilst I was showing Private Burley a place to sleep I noticed Mme. Valette with one of the soldiers about 30 yards away. I saw her escape from this soldier, who returned towards Mlle. Thibert who was then about 10 yards away from me and who, I think, was then with the smaller soldier. At the time there were no other persons or soldiers in the vicinity. Whilst I was speaking to Private Burley, who seemed to be in an intoxicated condition, I saw Mlle. Thibert struggling with the other two soldiers about 10 yards away. She was also shouting to me. Owing to the violent demeanour of Private Burley towards me I made my escape and at the same time I saw him go towards the other two soldiers with Mlle. Thibert.

When I made my escape I ran after Mme. Valette at the same time shouting to her to get help. As I was unable to see her I returned to the scene of the struggle where I saw Mlle. Thibert standing up against a wall with the three soldiers around her. She was still struggling. I went to help her but as I did so the accused Private Smith came running towards me with something in his hand. I again ran away to a distance of about 20 yards. I then saw Private Smith return to the other two soldiers with Mlle. Thibert. I remained at the last mentioned distance for about 10 minutes during which time I saw and heard Mlle. Thibert struggling and shouting. I then returned to my apartment at 5 Rue de Place which was about 15 yards away from the scene of the struggle. As I entered the house the soldier Private Smith again ran towards me but I managed to lock the door. I then entered my apartment which is on the second floor of 5 Rue de Place and to the front. I immediately opened it my window and continued to

5th witness for the prosecution. (Continued).

shout for help. I also saw that the struggle was still taking place on the opposite side of the road.

Mlle. Thibert was lying on the ground with the three soldiers still there. One soldier was either bending over or kneeling at Mlle. Thibert's head. I could only see his back. Another soldier was bending over her left side and the third soldier was lying at and half-on and half-off her right hand side. Struggling still seemed to be taking place. I watched this part of the incident for about a quarter of an hour and I was still shouting for help. I did not see the soldiers change place, but movement was constantly taking place.

The night was clear and the moon shining and I was able to see what took place.

After about a quarter of an hour I saw the two soldiers on the right and left sides of Mlle. Thibert straighten themselves. I also saw the former soldier return to his lying position.

About this time four policemen arrived on the scene and I went down to the road. I then heard one of the soldiers running away. The other two soldiers, the accused, were in the custody of two of the policemen. A few seconds afterwards I saw the accused Private Burley attempt to escape and having a struggle with one of the policemen whom I should be able to recognise again. In the struggle I saw Private Burley kick the policeman in the stomach. I also heard a shot, ~~simultaneously~~.

Afterwards I returned to Mlle. Thibert who was sitting on the step of No. 5 Rue de Plaee. Her face was covered with blood and her mouth was swollen. It was impossible to recognise her. When she was in my apartment I also saw her legs on the inside of both thighs and between the knees and her ~~private parts~~ I saw streaks of blood. Although I accompanied Mlle. Thibert up to my apartment she did not then make any complaint to me about what had happened, except to ask me why I had not helped her. I remained in my apartment with Mlle. Thibert for some 10 minutes after which I left her in the company of Mme. Valette. I then went to the Police Station and after returning accompanied Mlle. Thibert and Mme. Valette to the Maternity Hospital. Each of the accused declines to cross-examine this witness.

6th witness for the prosecution

6th witness for the prosecution.

Doctor AUTHELIN of Macon having been duly sworn states :-

I know and am able to recognise Mlle. Thibert. I examined Mlle Thibert at about 1130 hrs on the same morning of the alleged offence at the Maternity Hospital, Macon. She then complained of contusions on both eyes. She also complained of a contusion on the right side of her body. Mlle. Thibert also stated that a soldier had tried to rape her. I then examined Mlle. Thibert and found her to be suffering from contusions on both eyes, and ~~xxxxxx~~ one scratch on the left lip of her private parts ie, the fourchette. The contusions on both eyes consisted of contusions of both eyelids, ~~xxxxxxxxxxxxxx~~ and the eyes themselves were bloodshot, principally the left eye. Mlle. Thibert was also in a distressed condition.

The scratch at the fourchette was of recent origin, and her injuries generally were consistent in my opinion with the complaint made to me by Mlle. Thibert. She also produced to me her knickers which I noticed were torn. I should be able to identify the same again.

Cross examined by the accused Private Burley.

Question 1. Can you definitely state whether or not Mlle. Thibert was raped.
Answer 1. I cannot definitely say.
Question 2. What in your opinion caused the scratch at the fourchette ?
Answer 2. It was consistent with being caused by the organ of a man. The scratch referred to by me was a "~~xxxxxxxx~~" or bruise.
Question 3. Can you say whether or not Mlle. Thibert was a virgin ?
Answer 3. She was not a virgin.

The accused Private Smith declines to cross-examine this witness.

1st Witness for the Prosecution

M Joannes Roure, 5 Rue de Place, Macon, France, having been duly sworn states:

My occupartion is Secretary of the Inspector for the Railroad. I remember the night of 18/19 March 45. I was coming back home from a show given by the railway. Miss Thibert Laurence and Mme Marie Alice Valette were with me. We were coming down conr Moreau to reach Rue Place. We were called by 3 soldiers and when they reached us we made a few more steps. They started to speak and naturally I couldn't understand a word because I do not understand the English language. I do not know to what Army they belong. We talked to them until we reached the door, approx ½ hour until I went in, I mean my door which is 60 metres from where we were accosted. I could recognize 2 out of 3 if I saw them again. The shortest one I could not recognize. I have seen them once when they came for Evidence. I recognize the accused in the court here now. (Indicates accused). I can recognize them by their faces. I could see them on night of 18/19 March when they accosted us. When we were accosted I could easily recognize their faces and I recognize their faces very well. They accosted us approx 1230 at night. When they accosted us there was a light. I do not know if it was the light or moon light but I could recognize them. When I reached my door, Mme Vallette was far away and Mlle Thibert was against the wall with 2 of the soldiers. At that moment Miss Thibert was standing up, struggling and yellling for me. She was yelling " come - what do they want to do " I was trying to walk into my home. When I came to my door and tried to open it the middle sized chap came towards me with the big thing in his hand. At that moment I ran away about 10 or 15 metres. The soldier returned to the group - Miss Thibert and 2 soldiers were in the group. The soldier is here today who had the big thing in his hand (Witness indicates Pte Smith, one of the accused). When I saw he had reached the group I waited 5 minutes. Then I ran towards my door. I had my key in my hand, opened the door, shut it when I when I went in and the soldier clapped on the door. I went up to my room on the 2nd floor. I opened the window and called for help. At that moment Miss Thibert was lying down, 6 or 7 metres to the right of my door in the ditch by the side of the road. There is no sidewalk there. She was calling for me and shouting and yelling "they choke me; what do they want". At that moment there were 3 soldiers around her. From my window I could not see them to be able to recognize them. Miss Thibert was lying down in the ditch. One soldier was lying down on his knees and you could see all of his back. I couldn't tell precisely if the soldier was at her head or at her feet. I could see the back of another soldier at the left of Mlle Thibert. I couldn't precisely see the third soldier. He was practically all hidden by the other 2 soldiers. I didnt see the third soldier. Approx 15 minutes after I had gone up to my room the two soldiers stood up and moved around. I mean by moved around that they did not keep the same place. Miss Thibert was there and started yelling for me at that time. The soldiers moved and after that practically didnt move. They did not remain standing, either bent down or got on their knees. I saw a soldier whose moveents were up and down and sideways at the same time. His back was moving that way. It lasted from then to the arrival of the police. From my window I was yelling and shouting. I saw 4 lights. I went down to the street. On the street I saw a big policeman. In the shadow I saw movements I do not know if they were police. Miss Thibert came towards me and sat on my doorstep as I was reaching the door. A policeman was holding a soldier by the collar. He handed the soldier over to me. That soldier is here now (Indicates Smith, accused) The tallest one went towards Place Moreau. I didnt see the other one go. The tallest one is here (Indicates Burley, accused)

He was running; the Police ran behind; the police fired a shot. The tallest one turned around and gave a kick to the police. But I do not know if he hit the police or not. By the tallest soldier I mean Burley. Miss Thibert stayed on my doorstep all this time. I came to her and we went up to my room. Her hair was over her face and she was bleeding from the mouth. Her head was very swollen. When we went to our room she showed us in the presence of Mme Vallete that she had blood on the inside of her thighs. She showed us her legs but said nothing about her "private parts". After seeing her thighs the police brought me to the police station. Miss Thibert made no statement to me. From the time the 3 soldiers accosted us until the police arrived. There was Miss Thibert, Madame Valette, 3 soldiers and myself. During that time I saw a civilain who went through the street when we were accosted. When Miss Thibert was calling for help. I did not see any other soldiers.

Cross examination

By the tallest soldier, I mean the 1st one on the right (Indicates Burley). The smallest soldiers is the one that is not here. From 5 Rue Flace to Place Gardon is 60 to 70 metres. Rue de Flace is not very wide; maybe 5 metres. The bldg at 5 Rue de Flace is 4 stores high; ground floor; 1st and 2nd floor and attic. Across the street is a stone wall. It is 8 feet high. There are trees behind the stone wall. On the a.m. of the 19 March I attended at the Plice Station with the 2 soldiers. I was there about 15 minutes. I was in the same room with these 2 soldiers at the Police Station. When the evidence was taken some days later I was here with these two soldiers When we were accosted I recognize them by their faces. I do not recognize the shortest one because nearest to me was the tallest one. The second one was to my left about 1 metre. I do not Burley as tallest and Smith as second one). (Witness indicates they are in. After Place Gardon I would recognize them among 200 other soldiers. Burley talked to me at Place Gardon. The one, Smith, spoke to me. I did not understand what he said. The tallest one said, "couche". The tallest one talked most. The shortest one was 2 metres from me and went for the girl. I couldn't say what kind of a hat the smallest one wore. The middle sized one had a beret; I am not sure. I couldn't say what had the tallest one wore. I recognize the tallest one perfectly. While speaking he took his hat off and made gestures. I cannot say what kind of a hat he had one. I cannot say it was a moon. It was clear and I saw his face. In my 1st declaration I told the Captain that it was "clear" and they translated it to "moon light" I now do not know if it was moonlight or street light. There is a street light at Place Gardon. There is a centre one. Whether there are other I do not know. There was no light from 5 Rue de Flace. I saw 4 lights of bicycles. I thought it was the police. I did not know. I left the window at once and went down. I do not think I waited inside. I think I at once opened the door. I did not wait to make sure it was the Police. Before the arrival of the police I did not leave the window. I heard footsteps; I opened the door. From the window to the irs on the second flight is 20 feet. There are 4 flights of stairs. Each flight has about 15 steps. From the end for the stairs to the front door is about 4 or 5 metres. I heard footsteps when I came to the door. as I was coming downstairs. I could not hear the footsteps I was not sure it was the police. I recall the summary of evidence. I remember making the statement "I did not see the soldiers change place but movement was constantly taking place". By movement I mean all was moving especially feet. I could not see distinctly. I cannot say definitely that the soldiers changed places. When I opened the door I saw big policeman take Smith and put him against the wall. I don't know how many police were there. I saw one policeman . There was the tallest one to my right. I saw a few FFI coming down. I do not know how many. Maybe 2 or 3. I did not see an Arab soldier. I did not hear soldier swear in French. I was up in my room later. I let Pte Smith go, somebody else held him.

I know Miss Thibert for 3 or 4 years. I never had sexual intercouse with her.

By the Court

From the place where Miss Thibert was is 7 metres to the front door. And from there to my window is about 10 metres. The one who came toward me with the big thing in his hand was Pte Smith. It was quite long and big and dark colour. My window I was in from the street is about 10 metres from the pavement. During the time I was at my window I saw no one leave or come to the group. I knew they were soldiers when I looked out of my window. It was the same group. They had not moved. It took me less than a minute to get up the stairs. I came down less faster than I went up. It was ½ hour before the Police arrived. I saw Miss Thibert all the time

By the J.A.

There were no leaves on the trees then. I saw the FFI when I went to hold the second soldier. Miss Thibert was saying "Noel, why don't you come" several times. Noel is my other name. The tallest soldier is Pte Burley. The smallest soldiers is the one I cannot identify and have not seen since. The other soldier is in Court (indicates Pte Smith) I said I heard a shot. I do not know if it was before, while or after Burley kicked at the policeman. When I left my window to come down. Miss Thibert was in the group. After that she sat on the doorstep. In the group she was still lying down. I kept my eyes on her while she was in the group. It took a short time to get down stairs. It was approx 1 minute. The group was 7 metres from my door where the incident took place. One policeman had a torch. I cannot say how many policemen were there.

RP 83 (b) complied with.

2nd Witness for the Prosecution

Mme Marie Alice Valette, Maternity Hosp, Employee, Macon, France, having been duly sworn states:

I work at the Maternity Hosp. With me is Mlle L Thibert who works there too. I went to cinema on night of 18 Mar 45 with Mlle Thibert. We met M Roure there and walked home together. When we came near Place Gardon we met 3 soldiers who came toward us to get information. After speaking for a while one said "to sleep" I thought he meant Hotel. They did not speak French. After a discussion one put his arm around my waist. I was frightened and ran away; not far because my friend Mlle Thibert was behind held by 2 of the soldiers. I stopped and the one who put his arms around my waist returned to the others. My friend called to me and said she could not get away from the ones that were holding her. My friend was shouting and yelling and I went for help to Dahesme Barracks. She was shouting and yelling without words. Soldiers were with my friend but I cannot recognize or say who they were. We ran into Rue de Place and it was dark. The 3 soldier we met first stayed with my friend when I went for help. I could not recognize them. I came back with help in ½ to ¾ of an hour. With me were Frnch soldiers to help. There were no Civil Police with me; only French soldiers. I returned to the same place. My friend was then in the house. I saw 2 soldiers on the wall with French police. I ran up stairs to M Roure's apt. I saw my girl friend there. I couldn't recognize her. She had hair in her face and was full of blood. Her dress coat was torn and her step-ins. She had blood inside of her thigh She was swollen around her lips she couldn't speak. All she could say was; "terrible". I asked her if she had been raped. She didn't want to say "yes" but said it afterwards.

Cross examination.

At Place Gardon I dont know how many lights there are. It is easy to see people in Place Gardon. I would recognize the one who put his arm around my waist. He is not one of these two. They were close to me. When I left the group the one returned to the group. I would be able to recognize a person see 3 metres away in Place Gardon. We stopped because we thought they wanted information about their billets. They came very near. I would recognize the one who put his arm around my waist.

DM

I did not see the other 2 soldiers. They were near my friend. My girl friend and I were walking toegether when the soldiers came up to us. The soldiers were together. The 3 soldiers and we three civilians were close together when they first spoke. It was light enough to make a distinction between a man and woman. I could not say if I could see aperson 5 metres away. I could see a person 10 metres away. Cannot say if I would know the person was man or woman. My girl friend could say only "terrible". When Insisted on an answer she told me she had been raped. I asked "did they rape you" - she said "yes". She answered me in a matter of minutes. She was helpless at that time. She cried and couldn't say anything except terrible and "yes".

By the Court

Approx 15 or 20 minutes elapsed from the time we met the soldiers until I ran away.

By the J.A.

I was coming back from the Cinema. We met 3 soldiers. I would not be able to identify any except the one who took me by the waist. We met the soldiers for the first time at 12.20 p.m.

3rd Witness for the Prosecution

Mlle Laurence Thibert, Employee Macon Maternity Hospital, Macon, France, having been duly sworn states:

I am 26 years old. I am single. On 18 March 45 I went to the theatre with my friend Mme Valette. The theatres was finished around 12 or 12.15 p.m. I left with Mme Vallete and M Roure. We went towards our home. We went through Place Gardon that night. At Place Gardon we were stopped by three persons with military uniforms. We stopped and they asked us for information. I do not understand English and I did not understand. I was to keep on going when one put his arm around my waist. I would not recognize him. I though I could get ride of him but he kpt on squeezing hard. We went forward about 20 metres but I could not get rid of him. There were two who came. They threw me on the ground. Mme Valette had already left. M Roure was not with me at this time. There were 2 soldiers with me. Later another soldier came when I was on the ground. The 2 soldiers pushed me to the ground. I would not recognize the 2 soldiers who pushed me. I was lying on the ground and the other soldier came along. First they hit because I was yelling. Hit me on the face. I do not know how often; very many times. I was shouting at that time. I cried and called for M Roure and the police. Then they tried to take my knickers down; as the couldn't they tore them. These are the knickers I was wearing that night. They were not like that, that night. They were intact. They are torn like that because the soldiers tore them. They are in the same condition now as after they were torn.

(Received by the Court, 1 pr knickers, marked Exhibit "A")

After that they raped me. They opened my legs, threw themselves on me and put their penis in my sexual parts. They did this one at a time. Two soldiers did this. I would not recognize the soldiers who did this. At this time I was trying to protect myself but as there were 3 I had no chance. I was crying, shouting and yelling. Each of 2 soldiers inserted their private parts in me. The 2 soldiers penetrated me. I am quite sure. They did not penetrate as they would have wanted to as I was struggling. I stayed with them 15 or 20 minutes and was able to get away on the arrival of the police. When the Police arrived I ran away about 5 metres. I did not see what the Police did. I sat on a doorstep and put my head in my hands. Afterwards I went up to M Roure's apt. My physical condition was terrible; face swollen, hair uncombed and covered with blood. Later I saw Mme Valette. She came up to me. I told her what happened.

We met 3 soldiers at Place Gardon. I could not recognize them. Two of three raped me. The other helped. I had not seen them earlier in the evening. I had not seen them before at all. One of the soldier we met at Place Gardon put his arm around my waist. He was present when I was lying on the ground. I believe this because he didn't leave me. The second soldier was one of the three who stopped me. There was no other people on the street. From where we were stopped until the police arrived I saw only these 3 soldiers. I was medically examined the following day be Dr Authelin and by a Medical Officer. I do not know the nationality of the soldiers.

Cross examination.

I was lying on the ground not quite in front of M Roure's apt. Was lying on the street opposite the apt. Before the Police arrived I was standing up approx 5 minutes - maybe not that. I went to sit down after the incident. I walked 10 to 12 metres to reach the doorstep. When I sat down I put my head in my hands. I was a little dazed. At that moment I couldn't recall just what I did then. I was n't paying any more attention as to what went on. When I was on the ground I could not see the soldiers very well. The three soldiers always held me. When one soldier tired to lie on top of me I kicked with my legs. I was yelling very loud. I was frightened. I couldn't remember if any of the soldiers put their fingers into my private parts. I only thought then escaping. It was a penis and not a finger that was inserted into my private parts. I remember very well his position and what he was doing at that time. He did not have his fingers there too. I was trying to get away.

It is 6 years since I had had any sexual intercourse. It is a little difficult to insert a penis if I was resisting. They did not use their fingers. I am positive. I remember what they were doing at that moment. They were trying to put their penis in my private parts. The other 2 soldiers were holding me, be legs and arms. I could not say exactly how they were holding me. I have told you before that 2 tried to insert their penis in my private parts. I do not know why I hesitated to tell Mme Valette that I had been raped; she asked me what have they done. It would not be right to say that at at that time I was not sure what had been done. I was confused and bothered at that time. When I was on the ground I bit one soldier on the lower lip. I could not say I scratched any one in the face. I tried to protect myself with my hands and feet. I did not scratch any of them with my hands.

Re examination.

I have had no sexual intercourse for 6 years. I remember from that time the feelings that go with sexual intercourse.

By the Court

I wore gloves that evening. I had one on my left hand and carrying the other. I understand no English. I did not recognize the type of uniform, they were wearing. The police had arrived when I went to sit on the steps. I was able to disengage when the police arrived. After meeting three soldiers, at first only one stayed with me, the other two others were with M Roure. I do not know how long I was with the one soldier. Mrs Valette was in front of me 10 or 20 metres; M Roure was behind with the other soldiers.

By the JA.

I stated that I bit one soldier on the lower lip. He was lying on me at the time having intercourse with me. I don't know if it was the 1st or 2nd soldier. The soldiers who were with me when I was laying down are the same soldiers who met me when I was with M Roure. This took place after midnight.

By the Court

All the blood came from my nose. My nose bled. When the soldiers hit me the blood went over my body. They hit me with their fist. I got up before the Police arrived. I was not sitting on the steps when the police arrived. The police were arriving near the place. They were walking. They had their bicycles. They were 10 metres away when I first saw them.

RP 83 (b) complied with.

By the JA

I did not give my consent to the soldiers who were with me that night to have intercourse with me.

RP 83 (b) complied with.

4th Witness for the Prosecution

M Jean Pariat, Sub Brigadier, French State Police, Macon, France, having been duly sworn states:

On early a.m. of 19 Mar 45 I proceeded to Rue de Place, Macon, when we arrived it was dark and we put flashlights on. I saw Mlle Thibert sitting on a doorstep. About 1½ metres were 2 soldiers. I asked her if they were her aggressors. She said yes. We put them against the wall. M Roure came downstairs and helped me keep the 2 soldiers while my 3 friends went to get the other soldier who ran away. I identify the 2 soldiers whom we held as the two accused here today. The bigger soldier was detained by M Roure (Indicating Smith) I was looking after the other one. He tried once to run away (Indicating Burley) I fired a shot in the air to call my freind. He gave me a kick here (indicating pistol case) which knocked me to the ground. As I fell I held him by the sleeve and as I saw he wanted to get rid of me I hit him with butt of my revolver and he fell down on the sidewalk. Mlle Thibert had her head in her hands bending down with her elbows on her thighs. She looked overwhelmed and overcome. Her eyese were swollen; lips blue and swollen, eyese swollen and closed, thighs full of blood. I asked Mlle Thibert if the soldiers had stopped her to rob her or abuse her or rape her. She answered that they had tried to rape her. My friends did not find the 3rd soldier. I saw 2 soldiers in Rue de Place and 1 Algerian soldier who passed by approx 20 minutes after my arrival. The Janitor of the Normal School because we asked her to open the door to search the par; was the other civilian we saw. I went to M Roure's apt for about 10 minutes. We put our lights on the soldiers and the whole area. While in M Roure's apt. Mme Valette came up. My friends detained the 2 soldiers downstairs. We took them in the laundry of the Normal School and later to the police station The 2 accused are those 2 soldiers.

Cross examination:

On the telephone I was not told how many soldiers there were. Mlle Thibert & M Roure told us there were 3 soldiers. We arrived at Rue de Place by Place Gardon. We were riding bicycles. One bicycle had a light. There 4 bicycles. We got off our bicycles at 5 Rue de Place We encircled the soldiers immediately. I did not strike the soldier in the eye immediately. I hit him later with the butt of my revolver. When we were encircling the soldiers I did not catch hold of one soldier causing him to fall to the ground. We then put the soldiers against the wall. M Roure arrived 2 or 3 minutes later. It is not true that I struck Pte Burley after he tried to run away. I struck him when he gave me a kick. He did not hit me with his fist. I was keeping the 2 soldiers in respect of my revolver against the wall, and picking up bicycles with my other hand. Pte Burley could have runaway without touching me up Rue de Place. He tried to run to Place Gardon and came in touch with me. He hit my pistol holster with his foot. M Roure could not see the kick. I gave Pte Burley quite a severe blow. He had to be taken to the Hospital - I went with him. The Secretary of the Commissionaire examined the soldiers at the Police Station. He gave them a quick examination. He did not examine the front of their trousers. He just looked at them because Miss Thibert said she hadn't been raped but ~~xxx~~had tried to rape her. He looked at them because we look at everybody. It was to me that Mlle Thibert said she had not been raped but ehy had tried to rape her. This was at the scene when I first asked her.

By the Court

The soldiers were 1 metre or 1½ metres from Mlle Thibert when I arrived. She was sitting on the steps. They were about 20 cm from the steps. When I arrived they were standing up looking towards Place Gardon. I did not see a third soldier. M Roure had not come down stairs yet when I approached the scene. It was too dark to see him in the window.

By the JA

M Roure & Mlle Thibert said there was a 3rd soldier. I spoke to Mlle Thibert on my arrival. I said to her "were these soldiers the agressors, did they want to rob her or rape her". She answered that they wanted to abuse of her but the exact words I do not remember. I don't believe she used the word "rape". When I asked her if they had abuse of her she said yes they have abuse of me. I remember the Summary of Evidence. I don't remember if the exact term abuse or rape was used. It is the same thing. She replied "they tried to rape or abuse me". The word "try" was used or the word "attempt" was used.
NOTE The sub brigadier (witness) wears his pistol case near the front of his belt on the left side.

When I asked Mlle Thibert whether she had been robbed or raped she was sitting on the steps. It was 1 minute after we arrived. We all had flashlights. They were not lighted when we came down the street on the bicycles. Only 1 flashlight was lighted.

RP 83 (b) complied with.

5th Witness for the Prosecution

Capt G W Bethinie, RCAMC, HQ No 2 Staging Camp having been duly sworn states:

I examined Miss Laurence Thibert on a.m. of 19 March 45. Her face was disfigured and swollen and cut. Her general condition was good. There were injuries on the face and external gevital organs. She was hurt but not seriously.

Hemmoraghes of both eyes which were conjuctival. They were the result of a blow on the eyes. The left eye was nearly shut. The inside of both lips cut and the upper lip badly swollen. Several minor lacerations on left cheek. No bruises or lacerations noted on thorax. Patient complained of pain in left lower chest area but respiration is free and equal. External genitals, two small abrasions noted, one on needial side of left labia minora, second slightly posterior lateral to first. These injuries appear rather fresh. Some whitish secretion was noted which when examined by microscope showed only usual vaginal debris. There was small bruise in inner aspect of left thigh. The abrasions were not in existence for more than 18 or 20 hours. I finished the examination at 1300 hours. There was no bruises further in the lips of the genital. I could not say what caused the abrasions. I should think they could be caused by a penis.

Cross examination

I think a finger could cause such an abrasion. There are other things that could cause such an abrasion. No disease that I have ever seen could cause such an abrasion. Any rough hard object could cause such an abrasion. The bruise on the inside of the thigh was about 7 inches from the genital region. I have no idea how the bruise might be caused. The bruise was a week or 10 days old.

By the Court

If the two injuries found on the external genitalia were caused by a hard object it would be necessary for that object to penetrate into the genital organs of the person concnerned in my opinion.

RP 83 (b) complied with.

The prosecutor does not intend to call Doctor Authelin and the Defence does not require him for cross examination shown on Summary as 6th Witness.

1st Witness for the Defence

C123428 Pte Burley R.E.G., the accused, having been duly sworn states:

I am on convoy duty with 1 Spec Veh Coy. On 18 Mar arrived in Macon. After supper I went down town between 9.15 and 9.30, looked around the town; want to 3 cafes, drank some Red Wine; in 3rd cafe met 2 women. I was with Gnr Smith. No other soldier was with us. The ladies ordered their drinks and we made arrangments to go to their rooms. I went with one and had sexual intercourse. It cost me 200 Francs. Then I rejoined Smith in the Cafe and we left. This was after midnight. We started following the 6F Sign to bivouac. We came along by the canal and made a right turn. I heard shouts, did not understand them. They sounded like a male voice and had a note of fear. I did not pay a great deal of attention to them. We followed on the street. The shouting continued and we found out the cries came from steps where a girl was sitting. We now know her as Mlle Thibert. We had no more than arrived; we heard foot steps going up the street away from us. We had come from the direction we know now as Place Gardon. I have seen this place since. The girl was sitting on the steps with her head in her arms; her arms across her knees. She sounded like a child that had received a severe beating from a parent and was crying over it. An instant after we stopped I heard bycycles behind me; was grabbed by right soldier, wheeled around and received a blow on left eye by some instrument. The 3 scars of that blow are still visible. (Witness shows scars to court) It was a hard instrument that hit me; don't think it was a fist. The force of the yank on shoulder and farce of blow knocked me down. Gnr Smith was at my right. I fell with my head toward Place Gardon. I lay on ground. Did not see who hit me. Was more interested in escaping. Was quite dark on street; did not see person who hit me. I watched my chance to make an escape I didn't cover the distance the length of my body when I was struck on left side of my head with what I now know as butt of pistol. (Shows Court the bruise). Knocked me down where I stayed. When I moved to escape I made no motions at the person near me. He was not in my road, was to my left hand side. I lay on ground was taken by what I now know as Police to Police Station. There I washed blood from hands & face; blood from cut in the eye. The Police threw me roughly on the floor and then examined my hands and clothes.

Cross examination.

In Canada I was with RCASC. Came over here Xmas 44. Did Inf Trg in England. Went in Spec Veh Coy about Feb 25; am a driver for them. It was my 2nd trip from Marseilles to Belgium. Stopped in Macon before. We wear no badges or Canada badges. The last cap badeg I had was Inf. It was general knowledge that we were confirmed to bivouac area. Came into town knowing it was against regulations. I do not know the Cafe where I went upstairs. Came downstairs and rejoined Smith. Don't know what time. They were closing as I left with Smith. When the police agent said it was 0100 hrs I can't deny it. Came up street with 6F signs on it. Know name Place Gardon from evidence given here, and from where girl was sitting. Spoke to no civilians on the street that night. I would say that witness Roure was mistaken. I would say Mlle Thibert's story is not correct. I was anxious to get away because I had had a crack in the eye and was wondering why the girl was crying. There was no one else but the girl when I came up to the girl. I would say her evidence was wrong. I would also say that the police NCO's story is a fabrication except for the part where I attempted to get away. I cannot suggest why these 3 people should conoit this story. I had only been in the city once before. I had never met the people before. There was no enmity between us. It is not fair to say that I came into the city to have intercourse.

I heard fleeing footsteps going awa from Place Gardon.

The Court will adjourn to view the scene of the incident and will resume examination of the witness afterwards.

The Court viewed the scene of the incident. Present were all members, J.A., Prosecuting and Defending Officers and the accused.

By the Court

I was following 6F signs. Rue de Flace is at right angles to the route following the 6F signs. My intention was to follow 6F signs. I thought Rue de Flace followed 6F signs and was road to camp. I heard whimpering when I was up to the girl. I heard footsteps going away from me. I had entered the road and heard footsteps running up the hill.

By the J.A.

Was coming from Canal toward Place Gardon. Heard footsteps on Rue de Flace, about 45 steps before reching the door of 5 Rue de Flace Was with Smith at the time. We h d been carrying on a conversation, in natural voice. Heard a male voice shortly after we turned the corner of the street near the canal. Did not investigate the footsteps because when we came to the doorstep the girl was crying. This is the first time we knew something was wrong. Did not see the police. My back was to them.

By the Court

I heard a shot fired when I attempted to escape. I was lying on the ground and then I was getting up I was hit on the head. The blow on the head followed the shot. I heard more than one person running. I wouldn't like to say more than five. They would be running up hill.

By the J.A.

I did not kick the police. I deny it. I didn't know at the time they were police. I did not attack them. I did not hear the police talking to the girl. My evidence is that I was knocked down by the Police on their arrival. I did not see what took place. Smith was standing up to my right. He was not hit by the Police. I do not know if he tried to escape. I do not remember the Cafe near the canal. I did not in the last 2 days see any gentlemen around the court house who would be the owner of the Cafe. I did not see M Roure in his window when I was coming up Rue de Flace. As we entered the street the shouting stopped. I heard no woman's voice as I was in the street.

By the Court

I was standing facing the doorstep and the girl when I was hit the first time.

2nd Witness for the Defence:

C103004 Gnr Smith W.T., the accused, having been duly sworn states.

I am on convoy duty of 1 Cdn Spec Veh Coy and I arrived in Macon on afternoon of 18 Mar 45. At approx 2100 hrs we went down town. We called in a few cafes and in 3rd Cafe we met 2 girls. They could speak a few words of English. We had a drink with them. We found out through conversation that we could pay for intercourse. Pte Burley was with me. I had intercourse upstairs and came down. We left the Cafe for the bivouac area. We came along a street by the canal; turned left, followed 6F sign. We heard a man's voice; kept on walking to Place Gardon entered Rue de Flace, heard footsteps going in opposite direction, up the hill; could not say how many; more than one.

Saw girl on doorstep, head in her arms, crying, bent down to look at her and ask what was wrong when a policeman put me up against the wall; grabbed my hands, forced them up over my head. Spoke to girl in French - the Policeman did. Was searched and taken into a bldg. When to Police Station; one stood close in front of me looking me up and down; looked at my hands, stayed in Police Station for 3 hrs. When Cdn Sgt came for us. Convoy got into Staging area about 1800 hrs. Several vehicles were there. There were several 100 men. They wore no patches. There were Canadian & English. Saw no other soldiers leaving camp at the time we left. Not difficult to get out of camp.

Cross examination.

Knew we were not supposed to leave camp. Got to Cafe in town where we saw girls at 2230 hrs. There were girls in other cafes. After I had intercourse I did not look to see the name of the Cafe. Burley & I had intercourse in the same bldg. Do not know name of street where the Cafe is. No 6F signs on that street. If is 2 or 3 blocks to Place Gardon. Heard man's voice when we got to Place Gardon. I do not understand French. Did not quicken pace to investigate. Heard no female voice. Met no civilians as we crossed Place Gardon. The shouting stopped when we came into the street. Was not continuous shouting. Walked up Rue Place on same side as the girl was. When we were 50 yards to the house we heard footsteps running away. Saw no bicycle lights behind us that time. Did not quicken pace when heard whimpering of girl. Was on Burley's right hand when police arrived. Walking on sidewalk. We were in front of woman, i was on Burley's right slightly ahead. Heard noise of dropping bicycles. When I looked around they were behind me. Heard the police say nothing to the girl. Then they made me stay by the wall with my hands over my head. A police guarded me. When a man came out the house and guarded me. Another policeman was guarding Burley. One of the police was searching me.

I had been on previous trip with Burley to Macon. I saw a police strike at him. It knocked him down. I didnt see him try to get up. The man who gave evidence today is not the same police who put me against the wall. I saw the 6 F signs at the corner of Rue de Place. I wouldn't see any reason for the witnesses making up the stories. I say that stores connecting me and Burley with the incident are wrong.

By the J.A.

I saw the police talk to Miss Thibert. She did not point out anybody to the policeman. I saw 4 policeman there. Was in last cafe approx 1½ hours.

By the Court

Saw no soldiers going from Last Cafe to 5 Rue de Place.

By the J.A.

Did not speak to Mr Roure that night. Did recognize him when he came in court. He spent approx 2 hours in Police Stn, with us. He is the civilian who held me. When I was in front of 5 Rue Place and saw the girl crying I did not see the door open.

RP 83 (b) complied with.

Prosecution Closing

The accused as to the joint charge are either guilty as charged or completely innocent. It is not a case for finding of lesser charges. Thibert says she was raped, the evidence of Roures & MO corroborates It is solely a question whether done by these accused or persons unknown.

Roure recognizes accus as being 2 of 3 sols who stopped them near light on Place Gardon they moved up street and he to refuge in house, says they were some solds as first met and they were still there when police arrived. Thibert says can't identify but they were some sols to whom talking on Place Gardon. Both say no other sols around and still there when police arrived. Valette says the ones who chased Thibert were same ones who stopped them on the place. The chain of identification is complete but rests solely on Evidence of Roare plus circumstances of both accus being at the scene when police arrive. If her, Thibert are believed the accus did it, & accus believed then they didn't do it.

The circumstance of there being there raises one's curiosity. It is not a question of circumstantial evidence because they are identified It is a matter for its effect on credibility.

Question of someone running away - everyone agrees that someone did. Pros evidence is that it was the 3rd sold. Def suggest it was the several solds who committed the offence. Court must decide how creditable the witnesses are and how strong the story of acidental arrival is. Two witness on each side plus circumstances.

On 2nd charge I suggest that the facts speak for themselves.

DM

For the Defence

1 Onus on prosecution to prove charges beyond a reasonable doubt:

(a) that a crime has been committed
(b) connecting the accused with the crime.

2. In re 1(a) supna in the case of rape - must prove penetration of the penis into the private parts of the female - complainant Mlle Thibert.

(a) Evidence of Capt Betheine RCAMC is that a finger could have caused the two bruises just inside the private parts of the complainant. - also that these were other possibilities of the cuse of the presence of these two bruises.

(b) First complaint made by the female Mlle Thibert to French policeman Monsieur Jean Pariat when she was on the steps of 5 rue de Place soon after the alleged incident - Evidence is tht she definitely used the words "tried" or attempted" to rape her.

(c) female complainant Mlle Thibert "did not want to say she had been raped" to Mdm Vallette in apartment at 5 Rue de Place but on Madame Vallette's insistance she finally said "Yes" - nothing else.

(d) Mlle Thibert, female complainant says that no fingers were inserted in her private parts - only two penis. - that fingers were not inserted at the same time yet all this time she was struggling and all three alleged soldiers were about her. At time she was alone very confused and excited. Alleged soldier couldnt get her knickers off - indicative of the struggle. Highly improbable, and most definitely not beyond a reasonable doubt that penis used. Most probable that fingers used.

(e) Therefore no crime of rape committed.
Offences of either
(a) indecent assault
(b) assault causing grevious body harm
(c) common assault
committed.

3. In re 1(b) spra, there is no satisfactory evidence connecting accused with alleged crime of rape.

(a) complainant Mlle Thibert cannot recognize two accused.
(b) Mdme Vallette couldnt recognize accused.
(c) Monsieur Roure alleges he can recognize accused. But he saw accused at Police station, at Summary of Evidence and at this court.
(d) Monsieur Roure's evidence unsatisfactory generally. Saw policemen on four bicycles with four lights shining. This denied by policeman Pariat. - idea of light of the light do not coincide with the witnesses - his story of the time of appearance on the latter scene entirely in disagreement with other witnesses, - Couldn't be able to recognize the shortest one, - rather in distress because he hasn't seen him since.
(e) Complainant Mlle Thibert has no clear recognition of details. Said the police arrived on scene when she just got up from the ground. Said she wasn't sitting on the steps - said she was dazed and didn't pay any attention to what was going on - Policeman Pariat said she was on the steps when they arrived.
(f) Police examined accused found nothing out of ordinary. Complainant Thibert says she bit on lips and struggled.
(g) Accused give stores consistent with the stores of all witnesses for the prosecution, in so far as recognition is concerned except the unsatisfactory witness Roure.

DM

4 In so far as the second charge of assault against Pte Burley, no evidence that this took place.

(a) Burley knocked down by policeman and hit in eye. This not mentioned in evidence of Pariat the policeman.

(b) Pariat says there wasn't much room for Burley to pass.

SUMMING UP

1. TT is my duty as Judge-Advocate to advise the Court on matters of law. The Court is the sole Judge of the facts, and if in the course of my summing up I should pass any comment or express any opinion on the evidence, the Court should disregard same. It is my duty to advise the Court to the best of my ability of the law involved in this case. Before dealing specifically with the charge which the accused are facing, there are one or two general principles upon which I would like to direct your attention.

2. In the first place, under our system of law an accused is deem to be innocent of any crime until he is proved guilty, and the burden of proving an accused's guilt rests on the prosecution. In other words, he who alleges a fact must prove it. If the Court after careful consideration of the evidence heard during the trial, has a reasonable doubt as the accused's guilt on the charge, then it must exercise that doubt in the accused's favour, and find them not guilty. Reasonable doubt may be defined as such a doubt as to be entertained by an ordinary man in the conduct of his own affairs, and such a one as is not founded on sympathy, caprice or bad will.

3. The accused are charged under Section 41 of the Army Act with:

WHEN IN A PLACE NOT WITHIN HIS MAJESTY'S DOMINIONS, COMMITTING A CIVIL OFFENCE, THAT IS TO SAY RAPE

in that he

In the Field at Macon, France, on or about the 19th March 45, had carnal knowledge of Mademoiselle Lawrence THIBERT, without her consent.

Before you can find the accused guilty as charged, you must be satisfied as alleged in the particulars of the charge, that on or about the 19th March 1945, the accused had carnal knowledge with Miss Thibert, without her consent.

4. Rape is defined in Archbod Criminal Pleading Evidence and Practice 31st edition page 1018 as follows:

"Rape is the carnal knowledge of a woman without her consent by force, fear or fraud."

The Manual of Military Law at page 113 para 37, defines rape as follows:

"Rape is the act of a man having carnal knowledge without her consent of a female, who is not his wife."

Penetration is considered to constitute carnal knowledge; it must therefore be proved that there was actual penetration of the female organ by some part of the male organ. The slightest penetration will be sufficient; it is not necessary to prove that there was such penetration as would be sufficient to rupture the HYmen. To prove carnal knowledge it is not necessary to prove the actual emission of seed. It must also be proved that the rape was committed on the Prosecutrix by force and without her consent.

5. Certain declarations made by Miss Thibert after the incident has been admitted in evidence. With respect to these statements, I wish to advise the Court as follows: In the case of rape, the fact that a complaint made by the Prosecutrix shortly after the alleged offence and the particulars of such complaint may be given in evidence, so far as they relate to the charge against the accused, not as evidence of the fact complained of, but as evidence of the consistency of the conduct of the Prosecutrix with her evidence given at the trial and as negativing consent to her part. Such complaint cannot be regarded as corroboration of the story of the Prosecutrix. As to the matter of corroboration on such a charge as rape, I must advise the Court that although corroboration is not essential in law, it is, in practive, required and it is the practice to warn the jury against the danger of acting upon her uncorroborated testimony.

DM

6. Circumstantial evidence has been adduced during this trial to prove the charge. On circumstantial evidence I wish to refer the Court to the Manual of Military Law, page 81, para 41 and 42, which reads as follows:

"from the circumstances in which crimes are ordinarily committed, it follows that direct evidence of their commission is not always obtainable, and that in very many cases reliance must be placed on circumstantial evidence. Such evidence is in no way inferior to direct evidence, and is in some respects superior to it; for it has become a proverb that "facts cannot lie", while witnesses may. On the other hand it must be borne in mind that if facts cannot lie, they may, and often do, deceive; in other words, that the interpretation which they appear to suggest is not that which ought to be placed upon it. Therefore, before the Court finds an accused person guilty on circumstantial evidence, it must be satisfied not only that the circumstances are consistent with the accused having committed the act, but that they are inconsistent with any other rational conclusion that the accused was the guilty person."

7. The facts in this case show that at one time there were 3 soldiers in the immediate surroundings where the incident took place. Miss Thibert cannot identify those who would have committed the alleged rape. On this point I wish to direct the attention of the Court to the responsibility of parties to an offence. The Manual of Military Law page 106, para 14 states:

"The responsibility of a person for the natural consequences of his act is not limited to the simple case where he is present, and actually commits an offence with his own hand."

Para 16 states:

"If a person is present at the commission of an offence and aids and abets its commission for another person he is responsible as though he had committed it himself. But it is not necessary that he should be actually present as an eye witness or an ear witness of the transaction; he is, in law, present aiding and abbetting if, with the intention of giving assistance he is near enough to afford it should occasion arise; thus, if two or three men go out together to commit, burglary, and one waits at the corner of the street to keep watch while the others commit burglary, the watcher will be guilty of burglary equally with the others. On the other hand, if the offence charged involves some special intent, it must be shown that the assistant was cognizant of the intentions of the person whom he assisted; thus on a charge of wounding with intent to murder it must be shown that an assistant not only assisted the principal offender in what he did, but also knew what his intention was, before the former can be convicted of the full charge."

8. In this case the Court has four possible verdicts which it may take. If you are satisfied that the accused committed the offences as charged, you may find them guilty of rape; if on the other hand it appears to the Court upon the evidence that the accused did not complete the offence of rape, but that they are guilty only of attempting to commit the same, the Court may acquit the accused of the charge of rape, but find him guilty of attempting to commit rape; further if the Court comes to the conclusion that the accused did not commit any of the two previous offences, it may find the accused guilty of indecent assault. If the Court after reviewing the whole evidence comes to the conclusion that the Prosecution has failed to prove any of the above offences, they should acquit the accused.

10. In concluding my summing up, I would ask the Court to keep in mind what I have already said about giving the benefit of any reasonable doubt to the accused.

By Judge Advocate:

Mr. President:	Are there any further matters on which you wish me to advise the Court?
Answer:	No
Prosecutor:	Are there any further matters on which you wish me to advise the Court?
Answer:	No.
Defending Officer	Are there any further matters on which you wish me to advise the Court?
Answer:	No.

9. With respect to the second charge against Pte Burley, before you find the accused guilty as charged, you must be satisfied as alleged in the particulars of the charge that on or about the 19 Mar 45 the accused assaulted Jean Pariat by kicking him in the stomach with his foot. The facts of this charge are simple, and do not believe that it is necessary to convict.

Plea in Mitigation

I,should like to draw the attention of the Court to the MFM 6 of both accused and also the their statements regarding their freedom from any conviction in Civil Court before their enlistment in the Army. They speak more strongly for the accused in requesting Mitigation than any argument there can be produced. This incident which is the subject of this FGCM is a difficulty in which both have become involved. Circumstances are peculiar. The experience in this country is novel and it is submitted that this Court in passing sentence should not stamp these soldiers as criminals. Therefore when you come to the decision whether the sentence should be penal servitude or prison or detention, take all above factors into consideration; also consider the suggestion in MML P464 p.n. 5. I submit that the court should consider it desirable to retain these 2 in the Army. Therefore the ends of justice will be satisfied and they will not be stamped as criminals. Detention is advisable.

SUMMARY OF EVIDENCE

1st Witness for the prosecution

Mlle. Laurence THIBERT having been duly sworn states :-

I am twenty six years of age and am employed at the Macon Maternity Hospital where I reside. I am an assistant nurse. I am unable to recognise the two accused. On the night 18th-19th March 1945 at about 0030 hrs I was returning from the theatre accompanied by Monsieur Roure and Madame Valette. At the Place Gardon we were stopped by three soldiers who spoke to us. As they did not speak French I did not understand what they said although we tried to do so, especially Monsieur Roure. Madame Valette, however, did not stop and proceeded ahead. I followed her after a few minutes leaving Monsieur Roure still talking to the three soldiers. As I tried to follow Madame Valette one of the soldiers followed me and attempted to put his arm around me. I resisted whilst walking for about 20 yards. This soldier then threw me to the ground; I cannot now remember how I was thrown to the ground, but another of the soldiers was then present. When I was lying on the ground I shouted but was hit on the face by one of the soldiers. I continued to shout for the police, whilst one or both of the soldiers held my arms and legs. One of the soldiers pushed up my clothes at the same time tearing my knickers. I can produce the latter. One of the soldiers then inserted his penis in my private parts. He did not insert it fully. It was however an insertion, and he stayed on me a few minutes between my legs. As soon as this soldier had finished, another soldier took his place and also inserted his penis into my private parts. Again it was an insertion but not a full insertion. The whole time I was screaming and struggling. The second soldier did not stay on me as long as the first soldier. I then managed to escape a few yards and after sitting down ~~xxx~~ two French policemen arrived on the scene. They arrived within two minutes from my getting up from the place where I had been assaulted. When I saw the French policemen I noticed that one of them was holding a ~~xxxxxxxx~~ soldiers and another soldier was still on the ground in the same place where I had been assaulted. I also heard a shot being fired.

Before and after being attacked there were no other soldiers in the vicinity, than those mentioned above. Immediately after the French policemen had arrived on the scene I went up to the apartment of Monsieur Roure and outside of which the incident had taken place. I then washed my face arms and legs. On the inside of both my thighs there was blood; I think the blood came from my nose as a result of being struck in the face.

Immediately I saw Monsieur Roure in his apartment I made a complaint to him of what had happened. This would be about ten minutes after the incident. I remained in the apartment with Mme. Valette for about an hour and a half. I then returned to the hospital with Mme. Valette and Monsieur Roure and at about midday the following day, the 19th March, I was examined by Dr. Authelin.

I did not in any way consent to what took place.

I was aware that the three soldiers were Canadians by reason of what Monsieur Roure told me in their presence.

Cross examined by Private Burley.

Question 1. Did you scratch or bite either of the soldiers alleged to have assaulted you ?

Answer 1. I think I bit the second soldier.

Question 2. Where did you bite him ?

Answer 2. About the lips.

Question 3. Did you bite sufficiently hard to leave a mark or to draw blood ?

Answer 3. I cannot say.

The accused Private Smith declines to cross-examine this witness.

2nd Witness for the prosecution

Monsieur Jean PARIAT Sub-Brigadier French State Police Macon having been duly sworn states :-

On the 19th March 1945 at about 0045 hrs and as a result of a telephone call received by me I proceeded to Rue de Place near Place Gardon accompanied by three other policemen Seroy, Michelot and Murhold. Outside No.5 Rue de Place I saw a young woman, Mlle. Thibert, whom I know and am able to recognise. She was sitting on the steps of the house and bending over. I saw that both her face and legs were covered with blood. The blood on her legs was on the inside of her thighs, and she was in a distressed condition. Within about a yard of Mlle. Thibert there were two soldiers dressed in khaki and whom I now recognise as the two accused; at the time in question I also had my electric torch with me which I shone on the accused. In the presence of the accused I began to ask Mlle. Thibert if the soldiers wanted to steal her bag or to rape her. She replied "They tried to rape me" There were no other soldiers in the vicinity at the time. Whilst speaking to Mlle. Thibert I was joined by Monsieur Roure who pointed to the accused Private Burley, saying "He struck Mlle. Thibert harder than the other soldier". In consequence of this I then arrested the accused. Neither of them had replied to the accusations made against them. During this time the other policemen who had accompanied me left me to search for a third soldier who had been referred to by Mlle. Thibert during my speaking to her.

After arresting the accused I placed them against the wall, Monsieur Roure guarding one and I the other. The accused Private Burley then attempted to escape and in preventing him from doing so he kicked me in the stomach with his foot. I was kicked in a vicious manner but my revolver and holster took the impact. As I was standing on the edge of the pavement at the time, I fell to the ground. His attack was such that it was necessary for me to throw the accused Private Burley to the ~~ground by pulling his legs~~ and to hit him on the head with the butt of my pistol. As a result I caused a scalp wound which later received attention. I then conducted both the accused to the Police station at Macon accompanied by Monsieur Roure.

When the accused Private Burley attempted to escape I fired a shot in the air with my revolver.

2nd witness for the prosecution (Continued)

Each accused declines to cross-examine this witness.

3rd witness for the prosecution.

Madame Marie Alice VALETTE Maternity Hospital Macon having been duly sworn states :-

At about 0030 hrs on the night 18th-19th March 1945 I was returning from the theatre accompanied by my friend Mlle.Thibert and a Monsieur Roure when we were stopped by three soldiers dressed in Khaki. I did not understand what they said except that one of them used the word "couchez? They stopped us at the corner of the Place and Place Gardon. The soldier who spoke the word "couchez" was considerably smaller than the accused whom I am unable to recognise. One of the soldiers attempted to put his arm around my waist and when I saw that Mlle.Thibert was similarly accosted I made my escape. The soldier who put his arm around my waist was the small one above mentioned. As I made my escape I saw one of the soldiers strike Mlle.Thibert on the head. I immediately went to the French Barracks for assistance. I later returned with two soldiers and saw two soldiers against the wall with a policeman in attendance. As Mlle. Thibert was not there and after making enquiries I went into an apartment where I found Mlle.Thibert. I then saw that her face and legs were covered with blood, the latter being covered on the inside of the knees. Her coat was also torn and dirty on the back. When I first saw her Mlle.Thibert said "It's awful, it's awful" and in consequence I asked her " Were the soldiers raping you ?" She replied " Yes, yes." after I had asked her a second time and when I had asked her the further question whether the soldiers had managed to rape her. Mlle.Thibert also showed me her petticoat which was covered with blood and her knickers which were torn near the crutch. I was with her in the apartment for nearly two hours and we returned to the hospital together at 0500 hrs. Before returning to the hospital I helped Mlle.Thibert to clean herself and her clothing. She was in a distressed condition and unable to speak her face being in a very contused condition.

Each accused declines to cross-examine this witness.

(Signed) VALETTE

4th witness for the prosecution.

Captain G.W.Bethune HQ Camp No.2 Staging Camp MMAC having been duly sworn states :-

On 19th March 1945 I examined Mlle.Laurence Thibert at the Maternity Hospital Macon. I examined her at approximately 1200 hrs in the presence of Dr. Authelin. She was then in bed. Her general condition was good. Her pulse normal, The face was disfigured by swelling and laceration. There were haemorrhages noted in both eyes apparently conjunctival. In the right eye there were two haemorrhages, in left eye one haemorrhage. The left eye was [illegible] nearly swollen shut. Inside of both lips cut and upper lip badly swollen. No loose teeth were noted and the jaw apparently not broken. There were several minor lacerations on left zygomatic area (cheek-bone).

3.

4th witness for the prosecution (Continued)

Mlle. Thibert also appeared to be suffering pain on the 9th, 10th and 11th ribs on the left side.

External genitalia showed two raw looking areas, one on medial aspect of left labia minora and the other similarly injury slightly posterior and slightly lateral to the former. The first area was slightly smaller than the size of a shilling; and the other area about .5 x .5 centimetres. These injuries were consistent with having been caused within 12 to 18 hrs. They were inside the private parts but before the vaginal canal.

I also noted some whitish secretion on the inside of the private parts which when examined under the microscope showed nothing but usual vaginal debris.

There was also a small bruise on the inside of the left thigh which did not appear to be fresh.

In my opinion a logical explanation of the injuries noted would be rape.

Each of the accused declines to cross-examine this witness.

(Signed) G.W. [illegible]
Capt.

5th witness for the prosecution.

Monsieur Jeannes [illegible] 5 Rue de Place Macon having been duly sworn states:-

On the night 18th-19th March 1945 at about 0130 hours I returned from the theatre with Mme. Valette and Mlle. Thibert. I knew Mlle. Thibert very well. At the corner of the Rue de Place and the Place Gordon three soldiers stopped us after first calling to us. I recognise the accused as two of the soldiers who then stopped us. The accused whom I now know as Private Burley began to speak to me when we were stopped. The third soldier was small. When speaking to the accused Private Burley I gathered that they wanted to sleep somewhere. Whilst I was showing Private Burley a place to sleep I noticed Mme. Valette with one of the soldiers about 30 yards away. I saw her escape from this soldier, who returned towards Mlle. Thibert who was then about 10 yards away from me and who, I think, was then with the smaller soldier. At the time there were no other persons or soldiers in the vicinity. Whilst I was speaking to Private Burley, who seemed to be in an intoxicated condition, I saw Mlle. Thibert struggling with the other two soldiers about 10 yards away. She was also shouting to me. Owing to the violent demeanour of Private Burley towards me I made my escape and at the same time I saw him go towards the other two soldiers with Mlle. Thibert.

When I made my escape I ran after Mme. Valette at the same time shouting to her to get help. As I was unable to see her I returned to the scene of the struggle where I saw Mlle. Thibert standing up against a wall with the three soldiers around her. She was still struggling. I went to help her but as I did so the accused Private Smith came running towards me with something in his hand. I again ran away to a distance of about 20 yards. I then saw Private Smith return to the other two soldiers with Mlle. Thibert. I remained at the last mentioned distance for about 10 minutes during which time I saw and heard Mlle. Thibert struggling and shouting. I then returned to my apartment at 5 Rue de Place which was about 15 yards away from the scene of the struggle. As I entered the house the soldier Private Smith again ran towards me but I managed to lock the door. I then entered my apartment which is on the second floor of 5 Rue de Place and to the front. I immediately opened th my window and continued to

4.

9th witness for the prosecution. (Continued).

shout for help. I also saw that the struggle was still taking place on the opposite side of the road.

Mlle. Thibert was lying on the ground with the three soldiers still there. One soldier was either bending over or kneeling at Mlle. Thibert's head. I could only see his back. Another soldier was bending over her left side and the third soldier was lying at and half-on and half-off her right hand side. Struggling still seemed to be taking place. I watched this part of the incident for about a quarter of an hour and I was still shouting for help. I did not see the soldiers change place, but movement was constantly taking place.

The night was clear and the moon shining and I was able to see what took place.

After about a quarter of an hour I saw the two soldiers on the right and left sides of Mlle. Thibert straighten themselves. I also saw the former soldier return to his lying position.

About this time four policemen arrived on the scene and I went down to the road. I then heard one of the soldiers running away. The other two soldiers, the accused, were in the custody of two of the policemen. A few seconds afterwards I saw the accused Private Burley attempt to escape and having a struggle with one of the policemen whom I should be able to recognise again. In the struggle I saw Private Burley kick the policeman in the stomach. I also heard a shot. ~~Shortly afterwards.~~

Afterwards I returned to Mlle. Thibert who was sitting on the step of No. 5 Rue de Plaine. Her face was covered with blood and her mouth was swollen. It was impossible to recognise her. When she was in my apartment I also saw her legs on the inside of both thighs and between the knees and her ~~private parts~~ I saw streaks of blood. Although I accompanied Mlle. Thibert up to my apartment she did not then make any complaint to me about what had happened, except to ask me why I had not helped her. I remained in my apartment with Mlle. Thibert for some 10 minutes after which I left her in the company of Mme. Valette. I then went to the Police Station and after returning accompanied Mlle. Thibert and Mme. Valette to the Maternity Hospital.

Each of the accused declines to cross-examine this witness.

~~9th witness for the prosecution~~

6th witness for the prosecution.

Doctor AUTHELIN of Macon having been duly sworn states :-

I know and am able to recognise Mlle. Thibert. I examined Mlle Thibert at about 1130 hrs on the 2nd morning of the alleged offence at the Maternity Hospital, Macon. She then complained of contusion on both eyes. She also complained of a contusion on the right side of her body. Mlle. Thibert also stated that a soldier had tried to rape her. I then examined Mlle. Thibert and found her to be suffering from contusions on both eyes, and ~~xxxxxx~~ one scratch on the left lip of her private parts in the fourchette. The contusions on both eyes consisted of contusions of both eyelids, ~~xxxx xxxxxxxxxxx~~ and the eyes themselves were bloodshot, principally the left eye. Mlle. Thibert was also in a distressed condition.

The scratch at the fourchette was of recent origin, and her injuries generally were consistent in my opinion with the complaint made to me by Mlle. Thibert. She also produced to me her knickers which I noticed were torn. I should be able to identify the same again.

Cross examined by the accused Private Burlaf.

Question 1. Can you definitely state whether or not Mlle. Thibert was raped.
Answer 1. I cannot definitely say.
Question 2. What in your opinion caused the scratch at the fourchette ?
Answer 2. It was consistent with being caused by the organ of a man. The scratch referred to by me was a "~~xxxxxxxx~~" or bruise.
Question 3. Can you say whether or not Mlle. Thibert was a virgin ?
Answer 3. She was not a virgin.

The accused Private Smith declines to cross-examine this witness.

STATEMENT

Statement by B77552 Capt. R.V. Nathan. The King's Regt.
No.19 I.T.C. Formby.

At approx 1915 hrs Friday 31.August 1945, I was proceeding towards Harington Barracks, Formby, on a bicycle via Victoria Road. As I approached the Level Crossing, I noticed that the Level Crossing Gate was closed, so I pulled up approx 10/15 yards from the Freshfield side of the Gate(Approx by Cross ' Newsagent). There were several junveniles on cycles, dismounted and waiting also to cross the line. During the wait an Army Saloon Car of Ford make, with American body, slipped past me and pulled up sharply between the spot where I was waiting and just behind the Junveniles.

I noticed that the occupants of the car were soldiers and appeared to be very untidy, i.e. Tunics unbuttoned, and hats pushed to the back of their heads. Although the gates was still closed, the driver of the car started to sound the horn impatiently, and kept it up continuously until the gates opened. Prior to the gates opening I was rather impressed by the ridiculous manner in which the driver kept sounding the horn, and just about to move towards the car to ascertain, why they were making themselves so ridiculous to the people standing by, when the gates opened, and I changed my mind and decided to tackle them on the other side of the crossing. I therefore mounted my cycle and [redacted] the car and passed over the railway line. At this stage there was a 3 Ton Lorry belonging to this I.T.C. waiting on the opposite side of the gate, having come from Camp and was proceeding towards Freshfield via Victoria Road.

The Army Driven Car followed behind me over the lines, but could not over take me on account of the Army 3 Ton just moving off in the opposite direction. As I passed the car in the first instance, I noticed that the occupants were all Private soldiers. During the time the car was moving behind me over the lines, the horn was again being sounded impatiently, obviously meant for me to get off the road, as I was the only user of the road immediately infront. This annoyed me terribly, and as I got just past College Path(on my left) I dismounted from my cycle, and as I did so a Young Girl of approx seven years of age also riding a cycle, almost went into my rear wheel. The Ford car was then only 2/3 yards behind this little girl and had to pull up. I approached the car, at the same time getting my note-book and pencil from my pocket. As I approached the stationery car and reached the door, the soldier sitting next to the driver shouted something in obscene language to me, and with a grin on his face the driver of the car, put in the gears and the car flashed away.

I felt that this act on their part had made me, and Officer in His Majestys' Forces look ridiculously small to the pedestrians that had collected by the gates. Knowing that the road along which the car had disappeared led direct to the Beach and that there was no road back for them, only returning along the same road. I made up my mind to wait for them at the entrance to the camp on their return. I cycled into Camp, and asked the Regimental Policeman on duty if by chance the car answering to the discription that I gave had come into the Camp. He replied "Yes" it has gone to the Canteen, and looking down in the direction of the N.A.A.F.I. (Proctors Road) I saw the car in question. I went to the Guard Room, contacted a Regimental Police Cpl., and instructed him to get Sgt Turner, Regimental Police Sgt, to detain the car on its way out and bring it with the occupants down to "Y" Company Office. This would be approximately 1530 hrs.

Shortly after my return to "Y" Company, I noticed the car in question pull outside the Office, the driver shouting something about 'where is the Orderly Room'. I replied "never mind the Orderly Room, the three of you get out of that car and come in here at once". They entered the office in a very truculent manner, I noticed they were intoxicated. They all had their tunics(B.D.) undone, two of them only with hats, and two of them stood with their hands in their trouser pockets and faced me in a very casual manner. I demanded their A.B. 64 or other means of identification, as I recognised them as Canadian Soldiers'. At this stage "Y" Company Sergeant Major Comer instructed them to take their hands out of their pockets. They had no means of identification with them, and they all started to talk at once. One of them demanding to know what I required them or their identification Cards for, and then they started.

Continued 2

to talk among themselves, each trying to say something. I told them to shut up as I would do all the talking necessary and that I wanted their names and numbers in order to prefer a charge against them for irregular conduct towards me on the public highway.

This seemed to annoy them intensly, they told me to calm down, and one of the three who appeared more arrogant than the rest told me that it was no business of mine. At this stage the A/Adjutant Lieut Thompson, King's Regt happened by chance to come into the Office.

He was present when this same arrogant soldier stated that they took no notice of British Officers, neither did they salute them, and it was no business of the British what they did on the roads, as they the Canadians did not interfere with the British Soldiers.

They then proceeded to give the following particulars, since proved fictitious: -

H. 10432 WILSON
W. 3824.5 JONES
M. 101537 HENDERSON.

Lieut T.J. Thompson then questioned them himself and was not satisfied with their Bona Fides.

I asked them why they were so impatient at the Level Crossing to which the arrogant one replied " It was a matter of urgency"

I said do you call it a matter of urgency having only to go to the Canteen. He said "Yes" we were after cigarettes, but the Canteen was closed. He had a few drinks in a Pub at Wrenhfield and we had our cigaretts stolen from the car. On being asked where they were making for they said Glasgow. At this stage S.S.M. Hollihead arrived at "W" Company office after being sent for by the Adjutant.

In reply to my request for a Regimental Route, Work Ticket or some other voucher, they produced a Work Ticket, from which it was noticed that they had just received and signed for 4 gallons of petrol from the R.A.S.C. Garage, S.S.M. Hollihead in the meantime was checking the number of the vehicle outside. The number confirmed with the number of Work Ticket. S.S.M. Hollihead further reported that there was no other articles of Kit or Baggage in the car, which did not seem to correspond with their story about going up to Glasgow. The Work Ticket showed that they had come from Farnbrough. They did not seem very sure of the road to Glasgow neither could they give the Adjutant any satisfactory answer as to why they should be in Formby at all if their story was correct.

The driver of the car according to the Work Ticket was Lt-Colonel Stuart. The soldiers' were still very arrogant, displaying terrible lack of discipline. They were held outside on the instructions of the Adjutant pending a phone call which I had put through to a Canadian Unit. The phone number and address was obtained from the Work Ticket and was an Aldershot number.

On instructions from the Adjutant Lt Thompson, I contacted the Adjutant of the Canadian Unit and learnt that the 3 soldiers' were not known to them by either the names or numbers that they had given me, but that the car was, according to the number, a stolen car. The car had been missing since 5-30 Yesterday Thursday 30.8.45. The Canadian Unit Adjutant asked me if the car was in a serviceable condition. I informed him that it was. He requested me to place the 3 men under arrest and that he would arrange for an escort to report here to-morrow Saturday 1st Sept.1945, to collect them and the car. I went outside and the 3 soldiers' who were then sitting in the car were ordered by the S.S.M. in the presence of the Adjutant and myself to get out and proceed down the road. They were still interested when they got out of the car at approx 1600 hrs. Inside the Guard Room I informed the 3 soldiers', that they were being detained for being in possession of a stolen Car, to which they replied "thats right".

The car was later moved to the R.A.S.C. Garage for safe custody.

Remarks of C.O. (explanation of delay etc)

The accused E-46926 Gnr Smith, Z. was apprehended by a Naval Picket in London on 22 Aug 44 and was admitted to No 2 CARU Guard Room on 25 Aug 44. On 26 Aug 44 the accused was remanded for a Summary of Evidence on two charges, AWL and wearing the uniform of a Naval Rating. As the accused was known to have been friendly with a Gnr David, L. who is in Civil Custody, the Cdn Provost Corps interviewed Gnr Smith with a view to clearing up some of the thefts which have been occuring in this Unit. Gnr Smith admitted to the Cdn Provost that he stole property from a Cdn Soldier, which led to a third charge being laid. The documentary evidence received from the Naval authorities in London showed a wrong date, so the officer taking the Summary of Evidence had to go to London to get this corrected. The remainder of the delay was caused by awaiting substantial evidence from No 9 Cdn Provost Corps to substantiate the third charge.

F.G.C.M. IN THE CASE OF

E 46926 Gnr SMITH, Z, 2 CARU

5TH OCT 44

After the accused had plead guilty the Defending Officer stated that there was contained as Ex "D" to the summary a statement of a Gnr David. He said that this statement was not taken in the presence or hearing of the accused and he asked that the said ex be struck from the summary and not read to or by the Court. The Prosecutor agreed with the facts stated by the Defending Officer. The Court, therefore, without reading the statement returned it to the Prosecutor. as it was irrelevant and probably prejudicial to accused
The Prosecutor also stated that the reason that the name of the soldier of the Cdn Army who owned the property referred to in the 3rd Charge was not given in the charge was because it was unknown.

When the AFB 296 was introduced the Defending officer said that this form shows the accused was 49 days in close arrest awaiting trial but it does not disclose that for 23 days he was in shackles.

STATEMENT BY THE ACCUSED IN MITIGATION E-1

Sir,

I joined the army 9 Jun 41, I came over seas on the 22 Nov 41. I was trained as a gunner 1st class in the LAA, I came over with the 7 LAA and never had any crimes while I was with the unit, I got to be a full Bdr but was sent to the hospital before it was confirmed and while in the hosp I lost my pay for the rank and when I came to 2 CARU I was stripped of my stripes. I passed my basic training, qualified as an AA gunner again and ATk gunner, and then I paraded to the CO for being put on a draft, I paraded to Major Sutherland six times to be put on draft to Italy, he refused me because I was a driver IC and was needed here. I am category "A", and feel that I am fully trained, about four months ago I was put on basic training again, I was fed up at being treated like that and paraded three times to be put on draft for France, I was a qualified gunner and a driver and I wanted to go with a unit, however I was again refused and so I just went loose. I was picked up in Londnn by the Naval Provost on the 22 Aug 1944, they sent me to 2 CARU guard room on the 25 Aug 44, they kept me in hand cuffs for 24 days day and night. They were only taken off for my meals and when I changed clothes, I slept with them on and I don't know why because the guards told me that I was the best prisoner that they had, I did not try to escape and I did everything that they told me to do. I still want to go on draft, I am willing to go to any unit whether it is artillery or not, I am not married and 23 Years of age, in civil life I was a boxer and a truck driver in Westmount P.Q. My only complaint against the army is being kept around the RU when other Canadian are fighting a war, I want to go with the rest of them and be with them while they are fighting, whether it is Italy or France or anywhere. The kit bag which had the leather writing case in that I am accused of stealing was left by the owner in the wash room, I heard about it being there and after about a month I took the writing case and sold it, I needed a bit of money, and I did not think that the owner was coming back to get it and no one else seemed to want it. I did not want to steal it, I do not want anyone to think that I am a thief. As far as the Naval uniform is concerned, I was in Hammersmith at a picture show, it was around 15 Aug 44, I had met a Cdn sailor and we went drinking and had a bit too much and felt doing most anything he suggested changing clothes just to see how it would feel, I consented, while we were sleeping in the air raid shelter he

ran away and took my uniform. I wor the sailor's clothes until I got picked up in London. I looked for him for a week but as yet have not found or heard of him.

PLEA IN MITIGATION E-3

Sir,

The accused is prepared to make a full and open confession of his crimes and is therefore throwing himself on the mercy of the Court. He has been in the army since Jun 41 and in that better than three years of time has only had two compartively minor charges brought against him, in connection with these present charges, I have had the opportunity, in the presence of the Prosecutor, while waiting for the commencement of the trial, to have conversation with some of the witnesses for the Prosecution and they told me as the Prosecutor can verify, that the accused had been extremely co-operative in making a full disclosure of his crimes. The two able-bodied seamen of the Royal Navy who apprehended him stated that at the time he was picked up they were clothed in heavy oil skins, they merely spoke to him and he willingly and obligingly went with them. If he had attempted to avoid apprehension he could have easily done so. The accused prior to these charges has, as I mentioned, had but two small crimes, otherwise a good military record, as you have learned from him.

It would appear from the accused statement and his confession that he is extremely penitant for this crime or misdeed of which he has pleaded guilty and has expressed the desire to see service, not for service's or excitement's sake but because his fellow Canadians are fighting a war and he feels it is his duty to be there also doing whatever he can. I ask the Court to give him the lightest possible sentence under the circumstances.

CONFESSION IS WRITTEN OUT AND IS ATTACHED.

At about 1035 hrs on the 28 Aug 44 in company with A/B Thomas George FOX I was patrolling Trafalgar Square when I saw a Naval rating approach us. He was stopped and asked to produce Pay and Identity Book and Leave Pass. He could not produce either and was therefore escorted to London Naval Picket HQ for further questioning. He gave the name of Smith, Z and admitted that he was a soldier in Naval uniform and without authority, and that he was absent without leave approx one month. FIRST WITNESS.

G-16035 A/Cpl Moore, H.E., RCCS, No. 1 Cdn. Signals Reinforcement Unit, having been duly sworn, states:

"I am G-16035 A/Cpl. Moore, H.E. Onethe night 19 Mar 42, between the hours approx of 12 and 1 o'clock, I was in the wash room and before proceeding with my toilet, I removed my ring and watch. I then placed my ring and watch on the shelf above the basins, completed my toilet and then returned to my room. I was in the habit of twisting my ring about my finger and missed it, also my watch. I returned to the ablution room and searched for the ring and watch. I flashed my flashlight on the floor to try and locate the ring and watch. Not finding them in the ablution room, I proceeded to each room, turned on one switch and using my flashlight, inquired from those that were awake if they had seen or picked up my ring and watch. I went into Room 5, turned on one switch, and noticing accused awake, I inquired if he had seen or picked up the ring and watch in the ablution room. His reply was "No". I then proceeded to my own quarters and went to bed. At approximately reveille on the 20 Mar 42, I made further inquiries, in each room whether they had seen or picked up my watch and ring. Receiving no information, I reported the matter to Sgt. Harrington. At approximately 0815 hrs 20 Mar 42 I reported the articles missing to CSM McKeown, I left the matter in his hands.

I had inspected one man's belongings and had started on a second man's belongings when Sgt Harrington, F.G. called my attention to a wrist watch and a signet ring which had been found in possession of Tpr Smithers, J.H. I called Cpl. Moore and asked him if he could identify the wrist watch and ring as being his own. This he did, I then placed Tpr Smithers, J.H. under close arrest.

I turned out my personal belongings on the bed, and was inspected by CSM McKeown. When he had just finished, Sgt Harrington, who was inspecting Tpr. Smithers belongings, asked Tpr Smithers if the watch and ring that had just been produced was his own. I do not think Tpr Smithers made any answer. Sgt Harrington then called CSM McKeown and pointed out to CSM McKeown the watch and ring lying on the bed. CSM McKeown then sent for Cpl Moore who came and identified the watch and ring as his own.

Question: "Tpr McWilliams, when Sgt Harrington asked me if said watch and ring belonged to me, is it possible that you did not hear my reply."

In accordance with R.P. 4(c) (d) (e) and (f), after all the evidence against the accused had been given in his presence, under oath, the accused was asked "Do you wish to make any statement or to give evidence upon oath?" "You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing, and may be given in evidence."

The accused, having been duly cautioned as above, made the following statement:

"On Thursday night, 19 Mar 42, at approximately 2350 hrs, I went into the ablution room to make my toilet. After approximately five minutes had passed, I proceeded back to my room and went to bed. At approximately 0020 hrs Friday 20 Mar 42, Cpl Moore came into the room and inquired if anybody had seen or had his watch and ring. "No" was the answer he got. So he left the room. At approximately 0630 hrs Cpl Moore again came into the room to make inquiries about his watch and ring. But he received no information in regard to them. At approximately 0130 hrs 21 Mar 42, I proceeded to the ablution room. As I entered the room, I noticed on the shelf nearest the showers behind a soap box a ring. After finishing my toilet I decided to look at said ring. When I moved the soap box, I also saw a Bulova wrist watch. After hearing that someone in the spider had lost said articles, I decided to take them into my room and turn them over to the Sgt in charge, first thing at Reveille, because I did not want anybody to take them and not return them to the owner. At approximately 0630 hrs Saturday 21 Mar 42, I was awakened by Sgt Harrington and I heard him say "That the whole of the hut and spider was under suspicion of theft. I was not yet quite awake and the next thing that I heard him say "Was to place all personal belongings that were in our tunic and trousers on the bed." So I got up, reached for my tunic and emptied said watch and ring on to the bed. I did not make any statement about finding them earlier that morning because I got nervous with all the confusion. I was then put under close arrest.

DEFENCE EXHIBIT B
Lt. Dunlop, Recorder

Plea for Mitigation of Punishment
in the case of
D38107 Pte Pinella, L.

The defence wishes to put before the court a number of mitigating factors which it feels will operate strongly in reducing the punishment that might otherwise be awarded.

2 The accused has had a good record in the Army. His Field Conduct Sheet (NFM.6) shows only two minor awards — the one for buttons not shined, the other for kit incorrectly laid out. These offences do not indicate a man confirmed in the behavior of a bad soldier. Rather, I think, they are part of the normal record of every good,

6. The offence was not committed under circumstances or in a place where such misconduct would be prejudicial to the lives and safety of the fellow soldiers of the accused. No parallel can be drawn between an offence of this nature committed while on sentry duty outside a field punishment camp at base, and a similar offence committed while in proximity to the enemy. I suggest to ~~that~~ the members of the court that the punishment should be mitigated accordingly.

average soldier in the Canadian Army. Any man, who a good soldier can fall from grace once, and get himself into trouble.

3. R. The accused is only 22 years of age. He volunteered for active service in December 1942 and has the Canadian Volunteer Service Medal, for 18 months honourable service.

4. R. The accused has been in Italy approximately 2½ months. The members of the court are aware of the extreme potency of Italian liquors, and of the fact that much of it is "doctored." The fact that the accused was unable

P3

I suggest that the accused might have been suffering from systemic poisoning induced by drinking bad liquor.

to walk to the R.A.P. almost 12 hours after being placed in custody, is proof that he was most powerfully affected. He could not have been in his normal mind at the time of his arrest, nor is it usual for a plain case of drunkenness to have such lasting effects.

The members of the court are also aware of the many disciplinary cases that have resulted among troops newly arrived in this theatre, purely through ignorance of the effects of native liquors.

5. The accused has never before appeared in civil court, and

has never before been in military detention.

6. The accused has owned up honourably to his fault, and has behaved throughout this trial like a good soldier, who knows he has done wrong, and is only too anxious to make amends.

7. In view of these facts — of his good record — his youth — the fact that he is recently arrived in this country — his ignorance of Italian liquors — his honorable admission of his fault, I appeal to the members of the court to

take a lenient view in awarding punishment.

I ~~feel certain~~ suggest that the standard of discipline in the service will not be improved by severity punishing a soldier who has a good record, who has made one mistake, and is man enough to acknowledge it fully.

Summary of Evidence

in the case of D138107 Pte. Smolla, L. present on strength Coy, 3 Bn, 1 CBRD, a soldier in the Canadian Army Overseas, placed on Active Service.

By direction of the commanding officer the evidence is taken on oath.

First Witness for Prosecution -

M17210 Cpl. Freeland CB. PLDG company 3 Bn 1 CBRD.

having been duly sworn states: M17210 Cpl Freeland CB.

M17210 Cpl Freeland CB. At about 2200 hrs 30 July 44 I posted the reliefs detail guarding No 2 Cdn. Fd. Pow. Camp. The accused D138107 Pte Smolla, L. whom I now recognize, was one of the sentries in my detail. I fell the detail in at camp & marched them to their respective posts. I did not notice anything at the time, to indicate that the accused was under the influence of alcohol. Later about 2230 hours I heard 3 shots fired from the general direction of the accused post. I immediately ran toward the post and on the way I met a provost sergt. headed in the same direction. The Sergt. arrived a few moments before me & when I got there he had already taken the rifle away from the accused. He handed me the rifle and I placed Pte Smolla under close arrest & me brought him back to the office & handed him over to the other provost. Next morning at 1000 hours I went with a provost to the accused cell where we found him in no condition to walk by himself. I went out to get 2 of my guard, returned to the cell & helped Pte Smolla to the RAP.

C. B. Freeland.
M17210 Cpl Freeland CB.

The accused declines to cross-examine this witness.

Second Witness for Prosecution.

H10735 Pte Conn LF 14 Coy 3Bn, 1CBRD.

I H10735 Pte Conn LF having been duly sworn
I am H10735 Pte Conn LF
states, A the night of 30 July 44 I was posted as
a guard at the near fence of No 2 Cdn Fd Pun Camp.
2200 hours. Pte Smolla whom I now recognize,
was also on this detail and was posted on the beat
next to mine just around the corner of the fence.
When we came on guard Col Freeland who was guard
Col told the accused to smarten up when he posted us.
When the corporal left we started on our beats & after
a few minutes I heard some noise and 3 shots coming
from around the corner on Pte Smolla's beat.
I went around the corner & saw the accused coming
toward me. I was nervous & grabbed his rifle and
started to wrestle with him. Col Freeland arrived,
placed Pte Smolla under arrest, and took him away.

The accused declines to cross examine this witness.

Third Witness for Prosecution.

M17442 A/Sergt. Camfield SC. No 2 Cdn Fd Pun Camp.

M17442 A/Sergt Camfield SC having been duly sworn
I am M17442 A/Sgt Camfield SC
states, A on the night of 30 July 44 I was duty
NCO at the orderly room at 2 Cdn Fd Pun. Camp.
At about 2215 hours I left the orderly room where
Sgt Cunningham and I had been on duty, and as I was
proceeding in the direction of the back gate I heard the
sound of a rifle being discharged. I hurried to the
back compound fence, & as I was there I heard 4 shots
came, 2 on the way I heard the sound of 2 more
shots being fired. As I reached the fence I found 2 of
the guards wrestling and I at once hurried out there
the back gate where I met Col Freeland the guard corporal
The guard corporal and I proceeded to the place where
the men were wrestling & found Pte Smolla whom I
now recognize wrestling with Pte Conn. These were the
sentries on the beats at the back fence. I took the
rifle from the accused & ordered Col Freeland to place
him under arrest. In my opinion the accused was in a
very drunken condition as I smelled liquor on his breath
& had to support him on the way back to the orderly room.

A/C Camfield
M17442 A Sergt Camfield SC

The accused declines to cross-examine this witness.

Fourth Witness for Prosecution:-

FT5609 A/Sergt. Cunningham RH. Cdn Provost Corps. No 2 Cdn Fd. Pun Camp.

FT5609 A/Sergt Cunningham RH having been duly sworn states: On 30 July 44 at about 2215 hours while on duty as orderly sergt at the unit orderly room I heard the sound of a shot. Later Sgt Canfield returned to the orderly room and stated that one of the guards had been placed under close arrest. He said that the guard was in a drunken condition & had fired 3 shots while on duty on the road fence. I visited his cell shortly after he had been placed under close arrest & found the accused whom I now recognize as [illegible] lying in the front of the door in a very peculiar position. Owing to the fact that he did not respond to calling and because of his awkward position he was sleeping in, in my opinion the accused was in a drunken condition.

R.H. Cunningham

The accused declines To cross examine this witness.

The accused was cautioned as follows:

Do you wish to make a statement on To give evidence upon oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence.

Plea of Mitigation D-82249 Pte. Smout, W.F.

1. Pte Smout joined the Canadian Army at Montreal on 29 May 40. On completing 3 months training he arrived overseas with the Black Watch of Canada on 4 Sep 40. Subsequently he qualified as a cook and was transferred to the RCASC in Feb 44. Since that time he has been at No. 1 ASC Rft Unit.

2. Pte Smout was married in June 1941 and in Nov 1943 he became the father of a daughter. From the time of his marriage until July of this year his wife has received only 7 or 8 allowance cheques and only one for the child.

3. Mrs Smout and daughter live in London and were unable to leave in spite of the raids due to the financed difficulties occasioned by the non receipt of allowance cheques. Pte Smout had applied repeatedly for pass or leave to see his family and endeavour to arrange for their evacuation but no leave or pass had been granted. Finally he became so anxious for their welfare that he left without permission to attempt to straighten out their difficulties.

4. The question of Pte Smout dependent allowances is being envestigated, but as yet no definit results have been obtained.

5. In addition to the above difficulties, Mrs Smout's mother with whom she is living has been quite antagonistic and an unhappy atmosphere exist which has caused Pte Smout considerable worry and anxiety. Due to his wife not receiving allowances regularly he has not been able to find a home for her apart from her mother.

6. Pte Smout is A category and 25 years of age. He is anxious to return to infantry and to serve in the field. He is prepared to relinquish his trade qualifications for this purpose.

Whereas it appears to me, the undersigned, an officer in command of 5 Cdn Inf Bde, on active service, that the persons named in the annexed Schedule, being subject to Military Law, have committed the offences in the said Schedule mentioned.

And whereas I am of opinion that it is not practicable that such offences should be tried by an ordinary General Court Martial; *[and that it is not practicable to convene for the purpose a General Court Martial]

The court, having re-assembled by order of Brigadier A. W. Beament, CBE., CD, O-i/c Cdn Sec. GHQ 1 Ech 21 Army Group for the purpose of re-considering their finding and sentence recorded on the FGCM of D-132087 Gnr. 1. A Field General Court-Martial of which you were President assembled on 22 Jul 44 to try the m/n soldier on two charges, one under AA 12(1)(a) and the second under AA 15(1), on both of which the accused pleaded not guilty. The accused was found guilty on the first charge and not guilty on the second, and sentenced "to undergo detention for twelve months".

2. Under the provisions of AA 54(2) I direct that the Court which tried the accused re-assemble for the purpose of reconsidering their finding on the first charge and, if there is a new finding which involves a sente[redacted] passing a fresh sentence.

3. The reasons for requiring such revision are:

(a) That a perusal of the proceedings shows that there was an irregularity in the form of the charge which would prevent at law a finding of guilty on the first charge.

(b) That a perusal of the proceedings shows that even though the charge had been properly drawn, there was not sufficient evidence for the Court to justify the finding of guilty on the first charge. The evidence was neither well presented nor well recorded, but an analysis of it indicates that the only period of AWL which was satisfactorily established was from 0900 hrs 16 Jul 44 to 1715 hrs 16 Jul 44. This being so, there is no satisfactory evidence before the Court to show that the accused was in fact absent at the time that the draft left, and so the finding of guilty of desertion is not supported.

4. The Court will re-assemble as soon as possible. It is appreciated that the exigencies of the service will occasion some delay in this regard, but it is your duty as President to ensure that the Court re-assemble as soon as circumstances permit. The form of proceedings on revision is contained in MML p 759.

5. Before assembly the President and members of the Court should familiarize themselves with the provisions of M.M.L. pp 63-64, Art 94, A.A.54(2) and fns thereto, A.A.56(3), R.P.51(B) (i) and fns thereto, R.P.52 and fns thereto, R.P. 120 (G) and fns thereto.

6. The following matters should be noted particularly:

(1) That the Court shall re-assemble in closed court and shall not receive further evidence.

(2) That if the Court does not adhere to its former finding, the finding and sentence shall be revoked, a new finding recorded and if the new finding involves a sentence, a new sentence shall be passed afresh.

(3) After revision the President shall date and sign the decision of the Court and transmit the proceedings for confirmation as required by R.P.97(B).

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)[1], and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.[2]
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).[1] If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty[2], or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined[3], we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.[4]

President to accused: Do you wish to make a statement ? Ans .....[5]

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.[1]
(*1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex ....., initialled and read aloud by the President.[1]
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D4 to D8 inclusive of Record Form D on p 3. D5. President to accused: You will now proceed with your defence.[1] You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.[2] You may, however, make a statement without being sworn, and you will not be subject to cross-examination.[3] But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.[4] You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

TRIAL OF

D-77807 TPR SMYK JE ------- 3 CDN REPAT DEP

PROSECUTION

FIRST WITNESS

F-52076 CPL RYAN TE, No 6 Coy, Canadian Provost Corps, sworn, states:-

Q. Will you give your evidence to the Court on this case?
A. I, F-52076, Cpl Ryan TE, of No 6 Provost Company, London, was on duty at Piccadilly Circus on the night of 21 Sep 45, when I was called to the Standard Bar. I sent a L/Cpl Jones and a L/Cpl Marion to answer the call. I was later called by another L/Cpl to take the truck down to the Standard Bar. I accompanied the truck down there. I noticed the two patrol-men I mentioned before holding Tpr Smyk; I recognize him in this Court. They were holding him on the side-walk; he was struggling with his hands and kicking with his feet; he shoved his hands about in an effort to get clear. I approached them and I told the L/Cpls to place him in the truck and he was put under close arrest. It was then necessary to use force to have Tpr Smyk placed in the truck. When I ordered him to get in the truck he used very obscene language calling me "two-stripe bastard", "a dirty cocksucking Provost". He used many forms of bad language when he was placed in the truck. He made a kick at me. That is when I ordered his boots removed to keep him from injuring anyone in the truck. It was still necessary to use force in order to subdue him.

Q. Had he been drinking?
A. When I approached him I could smell alcohol on his breath.

CROSS EXAMINED

Q. You stated under oath that the first time that you saw the accused was on the side-walk near the Standard Bar, is that correct?
A. Yes, Sir.

Q. You, yourself, didn't go inside the Bar, is that correct?
A. Right, Sir.

Q. I produce to you AFV 252, did you sign this? (showing the witness a form with a signature on it)?
A. Yes, Sir, this is my signature.

(DOCUMENT - FORM AFV 252 - MARKED EX 1 BY COURT)

Q. On this document you stated that you went in the public house and that you spoke to the accused and now under oath you said that you did not, how do you explain that?
A. In making out this 252 I put down that I sent the two L/Cpls down and that I assisted them to the door.

Q. Is that statement in Ex 1 true as signed by you?
A. Everything is true on it except for the fact that I entered the Standard Bar; I didn't enter in the Standard Bar.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83 (B).

SECOND WITNESS

M-1838 L/CPL JONES D, No 6 Coy, Canadian Provost Corps, sworn, states:-

Q. Will you give your evidence to the Court on this case?
A. Sir, on 21 Sep 45, I was on duty in Piccadilly Circus with Cpl Ryan and L/Cpl Marion at about 2215 hrs when Cpl Ryan detailed Marion and myself to go to the Standard Pub on Coventry Street. On arriving there, we found the accused, whom I recognize in this Court as Tpr Smyk, causing a disturbance, arguing and using profane language. We ordered him to leave. He refused calling us, "Get the fuck out of here you cocksucking one-stripe bastard, you have no business here." We seized him and we took him out. He was struggling all the way using his hands and feet. When we got outside we met another Corporal on patrol and we sent him for the truck. Cpl Ryan came with a truck and we put him in it. He was till struggling and it became necessary to remove his boots so that he wouldn't cause us any bodily harm. We took him to Store Street and we took him to the detention room. He had alcohol on his breath.

Q. How did he talk?
A. Sensibly when he did talk.

Q. Could he walk straight?
A. Yes.

CROSS-EXAMINED

Q. Did Cpl Ryan accompany you inside of the Standard Bar?
A. No, Sir.

Q. At exactly what time did you arrive at the Standard Bar?
A. 2215 hours, Sir.

Q. I show you Ex 1, is your signature on it?
A. Yes, Sir.

Q. In this statement you corroborate with Cpl Ryan that he went in the Standard Bar, ~~is that~~ statement correct or not?
A. That is quite a while ago, Sir.

Q. This statement was taken eleven days after the incident; it was still fresh in your mind. I take it that the Cpl did not enter the Standard Bar; did you see him in the bar?
A. No, Sir, I did not see him in the bar.

RE-EXAMINED

Q. How many charges do you make on an average night?
A. Not very many.

THIRD WITNESS

D-132992 L/CPL MARION, R, No 6 Company, Canadian Provost Corps, sworn, states:-

Q. Will you give the Court your evidence in this case?
A. While on duty on Piccadilly Circus on 21 Sep 45, at approx

THIRD WITNESS (CONTINUED)

A. 2215 hours, Cpl Ryan sent me and Jones to go to the Standard Bar to see what the trouble was. We went there to the bar and saw the accused, Tpr Smyk, mixed up with civilians. He was using obscene language and as we approached him we ordered him to leave the bar and he replied, "Get the fuck out of here youone-stripe cocksucking bastards?" We used force to take him out of the bar.because he was struggling with his hands on purpose.

Q. Who actually took the accused?
A. Me and Cpl Jones. The two other L/Cpls were already inside of the bar and they helped us; I don't know who they were. We sent one of them to get the truck and Cpl Ryan. As soon as the truck came in, we had to use force again and Cpl Ryan put him under close arrest and put him under charge. Cpl Ryan and L/Cpl Jones left the accused in the truck and I stayed there.

CROSS-EXAMINED

Q. You have just stated under oath that you arrived at the Standard Bar at 2215?
A. Yes, Sir.

Q. I suggest to you that the bar was closed at 10 o'clock that evening, is that correct?
A. It was not closed when we got there, Sir.

Q. Do you again state that the time was 2215 hours?
A. Yes, Sir.

Q. Do you know if Cpl Ryan entered the bar that night?
A. No, Sir.

Q. Just Jones and yourself?
A. Yes, Sir.

Q. You are sure of 2215 hours?
A. Yes, Sir, it was approx 2215 hours.

Q. Do you see Tpr Smyk in this room?
A. (The witness looks all around the room and finally stops and points to the accused and said) This is Tpr Smyk, Sir.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83 (B).

DEFENCE

FIRST WITNESS

The accused, sworn, states:-

Q. Just what were youdoing in London that night?
A. I proceeded to go on my last embarkation leave before I left for Canada. I met a few friends in London and we proceeded to the Standard Bar at approximately 6 o'clock that evening. I was drinking in there most of the evening. I was drinking gin and scotch.

Q. How many drinks did you have?
A. I don't remember, a good many.

Q. Is it correct to say that you were having a celebration?
A. Yes, Sir.

Q. What do you remember of the incident on that night?
A. Not very much, I think I was pretty drunk; until the next morning when I woke up in No 6 Provost Detention Barracks.

CROSS-EXAMINED

Q. You do admit that you were drunk?
A. Yes, Sir.

Q. And yet you don't remember what happened?
A. Yes, Sir.

Q. How do you know you were drunk?
A. I was not in my proper sense and was not behaving in a sober way.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83(B).

SECOND WITNESS

Mr C. Williams, 6 Marlborough Avenue, Edgeware, London, sworn, states:-

Q. Where are you employed?
A. At the Standard Bar, Piccadilly Circus, London.

Q. Were you on duty on the night of 21 Sep 45?
A. Yes, Sir.

Q. On that particular night do you remember anything unusual that occurred there at the bar?
A. Just before closing time I heard extra noise. We get it quite often and I went out and called the Canadian Provost.

Q. Why did youcall the Provost?
A. It was just to clear out the bar, merely to safe-guard ourselves. We close at 10 o'clock and we start to clear at about twnety minutes to ten.

Q. On that particular night you did not call the Provost to arrest any particular individual?
A. No, Sir.

Q. Was there any undue disturbance that night?
A. We have been very fortunate in having little trouble; we have never had trouble.

Q. Do you remember the Provost coming into the bar that night?
A. No, Sir. I went over to phone to the Provost and the Cpl said that he couldn't come. When I got back there were already two Provost in there outside of the bar.

Q. You did see then the Provost take a Canadian out of the bar before closing time, is that correct?
A. No he was already out when I came back.

Q. Did the manager report any undue occurrence in the bar that night, any damage or anything at all?
A. No, Sir.

CROSS-EXAMINED

Q. Why did you call the Canadian Provost?
A. I don't know, [redacted] we usually call the Canadian Provost every night to clear the bar.

Q. Can you identify anybody in this Court?
A. I can now, I saw the accused the other day at the taking of the summary.

STATEMENT BY THE DEFENDING OFFICER ON THE FINDINGS (ATTACHED)

STATEMENT BY THE PROSECUTING OFFICER ON THE FINDINGS (" ")

THE COURT IS CLOSED

THE COURT IS RE-OPENED

PLEA IN MITIGATION BY THE DEFENDING OFFICER [redacted]

The accused has served in Italy and France and wears ribbons for all these campaigns. He was on his way back to Canada, in fact he is on draft now. He would have been home had it not been for this unfortunate incident. He was having a celebration on this particular night and he had a few drinks too many. I would ask the Court to deal leniently with the accused and take these facts in consideration. It has been shown that the evidence was not reliable and I think the accused should be given consideration on that ground.

(1) May it please the Court I would like to go over the evidence given on the first charge

It has been shown that the original statement of charge No 252 signed by Cpl Ryan & Cpl Jones on which this Court Martial has based their sentence is not correct & that both Ryan & Jones signed their names to a report which they now admit was not correct

Kemble Cpl Ryan stated that accompanied by Cpl Jones he went up to the accused inside the bar and requested him to leave — saying that he refused & that he then ordered him to leave. He refused stating to Cpl Ryan Get away from me you bloody

Looking at the first charge it reads — he did say to Cpl Jones Get to Hell out of here Cpl Ryan has made the statement that he went up to the accused & that the accused spoke to him so therefore the charge is wrong according to that statement

Now Cpl Jones has signed & corroborates that statement so which one are we to believe.

2nd Now about the second charge you have heard Pte Williams state that the accused did not accompany the escort NCO'S & went outside quietly & that he did not make anything out of the way about the prisoner when he was leaving

You also heard Pte Williams state that there was no unnecessary disturbance but might & that although the escort was called on it was for the express purpose of clearing the bar & not to put any undue

Q: I would like to say something now about resisting an escort
it has been shown that the accused had been drinking
& naturally enough he would have resented the
Provost asking him to leave & especially insisting
him along. What is the natural reaction
to being insisted? — There is not one of
us that wouldn't in some way try to ~~[illegible]~~
~~[illegible]~~ counteract the insisting — It's
the natural reaction — but because a man
reacts in a natural way you cannot say
that he was actually resisting an escort
Any man who has been drinking will resent
being shoved along & he doesn't mean any
harm by it — or despite it he can
finally the soldier has having a final celebration, —
his last leave prior to returning to Canada
and naturally enough has having a fast time
& drinking more than he normally would
Due to the lack of evidence on the part of
the Prosecution & due to the confusion &
unreliability of the evidence as offered I
have no hesitation in asking this Court
to dismiss both charges against the accused

from the evidence given by the present

accused was guilty of misconduct in presence
of the enemy in that he

SUMMARY OF EVIDENCE in the case of D 77807 Tpr Smyk, J.E. Canadian Armoured Corps on the strength of No 3 Canadian Repatriation Depot, (I Wing) CD 393, a soldier of the Canadian Army Overseas.

By direction of the Commanding Officer, the summary of Evidence is taken on oath.

First Witness For the Prosecution

F 52076 Cpl Ryan, T.E., Canadian Provost Corps, on strength of No 6 Co'y, a soldier of the Canadian Army Overseas, having been duly sworn, states as follows:--

"I am F 52076 Cpl Ryan, T.E., of No 6 Co'y Canadian Provost Corps. At approximately 2215 hrs. 21 Sep 45, I was on duty in Piccadilly Circus, London, with M 1838 L/cpl Jones, D. and D 132992 L/cpl Marion, R. of the Canadian Provost Corps, An employee of the Standard Bar, Piccadilly Circus, approached me and made a request. I, immediately, sent L/cpl Jones and L/cpl Marion to the Standard Bar to see what the trouble was. A few minutes later a L/cpl from another patrol came to me and made a report. I, immediately, went to the bar with the truck and noticed L/cpl Jones and L/cpl Marion struggling on the sidewalk outside the bar with D 77807 Tpr. Smyk, J.E. whom I now recognize. I ordered the l/cpls to place him on the truck. This being done, with use of force, I got in the back of the truck myself, accompanied by L/cpl Jones and told the accused to keep quiet and to stop struggling as he was under arrest. He replied, "I don't give a fuck, I can beat all the God-damned Provost in this truck. You no good two-striped, cocksucking bastard." He continued to struggle violently with his arms and feet and it was necessary to remove his boots and use force in order to subdue him. On arrival at Store Street Detention Barracks, I handed him over to the N.C.O. i/c of cells.

ACCUSED The accused declined to question the witness.

Second Witness For the Prosecution

M 1838 L/cpl Jones, D. of the Canadian Provost Corps of No 6 Co'y, a soldier of the Canadian Army Overseas, having been duly sworn, states as follows:--

"I am M 1838 L/cpl Jones, D. of No 6 Co'y Canadian Provost Corps. At approximately 2215 hrs. 21 Sep 45, I was on duty in Piccadilly Circus, London, with F 52076 Cpl Ryan, T.E. and D 132992 L/cpl Marion, R. of the Canadian Provost Corps. L/cpl Marion and I were detailed by Cpl Ryan to go to the Standard Bar in Piccadilly Circus to investigate a complaint. As we entered the bar we found D 77807 Tpr. Smyk, J.E., whom I now recognize, arguing with civilians and using obscene language. We approached him and ordered him to leave the bar. He refused saying, "Get the fuck out of here you one-striped bastards. You have no business here." We, immediately, seized him and took him outside. At that moment another patrol passed by and I sent one of the L/cpls of that patrol to get Cpl Ryan and the truck. Tpr. Smyk, violently, resisted arrest on the street using his arms and feet in an effort to strike us, and continued using profane language, saying, "Let me go you dirty cocksuckers." In a few minutes Cpl Ryan appeared on the scene with the truck. He continued to struggle using his arms and feet and it became necessary to remove his boots to prevent him from causing us bodily harm. On arrival at Store Street Detention Barracks he was turned over to the N.C.O. i/c of cells.

ACCUSED The accused declined to question the witness.

After we got the showers set up we went over to the pub just on the corner with the intention of getting some sandwiches. There were no sandwiches but we did have a few beers while we were there. We went back to the showers where we had some trouble with the burner, so we dismantled and started back to our own unit. On our way back we stopped at an English Camp where we had been bathing before and had 3 or 4 ciders as I remember. We then started back to our unit again. Q.27 "Was any of the bath equipment damaged?"

The accused C-12582 Pte. Smyth, A.A. having been duly warned makes the following statement on oath;-

"We were sent to the Carlton and York Regt to bath them, we had a chit with us to get paid. We couldn't find any eats but had a few brown ales in a pub. On the way back to out unit we had to pass an English Camp and went in to get some cider for one of the boys back at camp and while we were there we had a few ourselves. We started back to our unit again, the pavement was wet and we skidded into a barn."

Q.30 "When you left the English Camp, were you in control of yourself?"
A.30 "Yes, Sir."

Q.31 "How many ciders did you have?"
A.31 "I had three half pints, Sir, I knew I had that many but just to make sure, I have gone back and asked them to make sure."

No further questions

The Prosecutor makes the following closing address.

"There is little to be said in closing, as I said before the accused has pleaded guilty to drunkenness and I would prove him guilty of negligence. Negligence comes from losing control of a vehicle, drunkenness causes loss of control of ones senses which proves negligence. With that in mind I think I have proved the vehicle was out of control and added to that is the evidence of the skid marks on the wrong side of the road. Smyth has been a driver over here for a number of years and has had only one accident of which he was aquitted, which shows that the accused is a good driver when he is in control of a vehcile."

TO PAGE -5-

The Defence makes no closing address.

The Court is closed for the finding.

The Posecutor, Lieut. Calver, 1 Cdn. Mob.Bath makes the following statement;-

"I hereby produce certified true copy of the accused's M.F.M. 6 also a particulars of his service."

Court questions the Prosecutor.

Q.32 "Did the accused elect trial by court martial?"
A.32 "He was remanded for Court Martial, Sir."

The Defending Officer makes the following statement in mitigation of sentence;-

"Sir, all I can say is it is the 1st offence of drunkenness against the accused and at this particular time he had nothing to eat. He has sworn on oath that he only had a few beers and later 3 half pints of cider. The effect of the cider on top of the beer crept up on him on his way home and when he did come to make the turn, he was not in full control of his senses and overshot the corner."

The Court is closed for consideration of the Sentence.

SUMMARY OF EVIDENCE IN THE CASE OF C-12528 PTE. A.A. SMYTH, R.C.A.S.C. ATTACHED TO THE No.1, CDN. MOBILE BATH UNIT, R.C.A.M.C.

1st Witness for the prosecution.

A-29599 Pte. McLaughlin, E. No.1 Cdn. Mobile Bath Unit, RCAMC, having been duly sworn states:--

I am, A-29599 Pte. McLaughlin, E. of No.1 Cdn. Mobile Bath Unit. On 29th of September I was ordered to accompany Pte. Smyth to Denton to Baths the Carlton & York Regiment. We went to R. 22 R. but they were on scheme, so we proceeded to the Carlton & York Regiment. We got paid there and went to Bath Location. We went into a Pub and had a few beers. We went back to bath equipment and waited for parade to arrive. When they came we found that the oil line was broken, so could not operate the burner. We dismantled the equipment and proceeded home. We stopped in at the A.A. Site at Tarring Neville and got some cider to bring home for some lads back at the Unit. From there we proceeded home to the Unit.

Question:- How fast was the lorry travelling from Tarring Neville to the accident?

A. A moderate rate of speed.
Q. Do you remember skidding before the accident ?
A. Yes on wet pavement.
Q. Where was this ?
A. Just at the accident.
Q. Did you skid before that ?
A. No.
Q. Did you drink any cider ?
A. Yes a few small glasses.
Q. Did Pte. Smyth drink any cider ?
A. Yes about the same.

The accused declined to crossexamine this witness.

A-29599 Pte. McLaughlin, E.

2nd Witness for the Prosecution.

B-85977 Pte. VanSinclair, E.J., R.C.A.S.C. Attached to No.2 Cdn Fd Hyg Sec. RCAMC., having been duly sworn states:---

I am, B-85977 Pte. VanSinclair, E.J. RCASC, attached as in W.E. to No.2 Cdn Fd Hyg Sec. RCAMC. At about 1730 hrs 29th day of September 1942, it was reported to me that an accident had occured involving a vehicle of No.1 Cdn Mobile Bath Unit Ford 3 Ton Lorry CL 4426130. In company of Lieut Calver we proceeded to the scene of the accident at MR 889269 We found the said vehicle parked partially off the road facing Lewes. The vehicle was damaged in the front the chassis bumper and fenders were bent. On the opposite side of the road a stone stable was damaged having a hole in the wall. Skidmarks were found on the roadway of the lorry which had presumably turned a complete right angle. On examining the cab of the vehicle we found four bottles containing apple cider. After interviewing the civilian policeman who was on the scene and from him learned of other marks of skidding at approximately ½ mile along the road to Lewes we investigated these. In this instance the marks again showed signs of a similar vehicle turning sideways on the roadway the front end of which presumably mounted the bank. The pavement at the time of the investigation was dry but it had rained previously in the day and quite possibly would have been wet at the time of the accident occured.

Question:--How long after the accident were you there ?
A. 2½ to 3 hours afterwards.
Q. What was the approximate route of the vehicle from the ski marks and damage?
A. The vehicle was proceeding toward Polegate. It had just rounded the curve, failed to straighten out and struck the embankment on the left side, then struck the barn.

The accused declined to cross-examine this witness.

J. Van Lanham Capt. P.A.

3rd Witness
Capt. Bruce,
18 Super Navy Btty.RA.

Capt Bruce
18 Super Navy Btty RA. Having been duly sworn states:

I was travelling in a truck from Newhaven to Clynde on Tuesday 29th September 1942 when rounding a bend on the Lewes -- Polegate road I was stopped by one of my bombardiers who told me that an accident had taken place. I got out and saw a truck at the side of the road with its back against the wall of a barn. The upper framework of the truck had damaged and knocked a hole in its wall. There were two other ranks of the truck, one had a cut above his eye and the other seems to be dazed. They both appeared to be suffering from shock. After a little while a Canadian Legion Officer came along followed shortly after by a Canadian R.A.M.C. officer who took the two soldiers away.
The truck appeared to be damaged and was with difficulty moved on the grass verge on the opposite of the road. In my opinion it would not have been possible to move the truck without aid.

Question:--Did you notice any skid marks ?
A. Yes. The truck had on coming around the bend mounted the grass verge on the right hand side and knocked over a white direction post. I did not see any marks on the road.
Q. Did the condition of the two men appear to be caused entirely by shock ?
A. Not being a medical man I cannot say whether it was entirely due to shock but there was some smell of drink.

Question by the accused.

Q. Were there any skid marks ?
A. No the marks seems to be caused by overshooting.

The accused declined to further cross-question this witness.

Capt. Bruce.

4th Witness for the Prosecution.

L/Bdr. William[illegible] 952178 Having been duly sworn states:

While proceeding along the road from Beddingham to Clynde about 1600 hrs and turning around a bend I saw a lorry in the ditch against the wall. I stopped the car and Mr came up to me and said a man had sustained injuries in the accident and that he thought he should be taken to hospital Capt Bruce who I was driving told me to get the man into the car and we would take the man to Lewes to hospital the man having said that he was alright and got back in the lorry. The driver of the lorry then attempted to remove the vehicle which he manage with some trouble, and parked it on the grass verge. I took over traffic control at the bend the welfare officer arrived and asked the two men to get into his car which they proceeded to do. Next time I looked around they were in the car and longer I handed over the control of traffic to another man. About that time a Canadian Medical Officer arrived . He spoke to the injured man both men got into the M.O's car and were driven away. We kept one man on guard of the vehicle

4th Witness (Con'td)

During this period I was caught in the face by the boot, but I am not in the position to state definetely whether in taking off the boot. The leg pushed the boot or I pulled the boot. At that time Cpl. Pendleburywas assisting with Pte. Cadogan in removing the man's boots and socks. After this was completed Cpl. Pendleburyand Pte. Cadogan remained in the room of Dvr. NO CROSS-EXAMINATION

DEFENDING OFFICER TO THE COURT:
The Defence moves that the Prosecution has failed to establish a Prima Facia case under AP. 40.
The principle reason is that the witness Graves made a statement approximately like this - That the witness would not have time to attempt to draw a pistol. Moreover he made no statement that the accused's manner was so vague that he could not have been sure whether the accused intended to draw the pistol consequently taking no chances he attacked him when he saw the pistol in the man's hands.

Prosecutor Sums Up:

Maj Gen Simmons has pointed out 2 counts
2 offences against civilians. This is a case of
disorder. He threatened the lieutenant and
the Brigadier. Drunkenness is proven and he
has pleaded guilty on this charge. He escaped
custody - this fact has been established, also
the fact that the provost lance corporal was
struck on the head. I do not intend to review
the evidence in detail as I am sure the
court has all facts firmly in their mind. I
submit the charges as laid have been proven.

The Defence Counsel Sums Up.

The accused has pleaded guilty to drunkenness.
He was permitted to keep a pistol to pacify him
yet he was able to draw it & throw it away.
He was not well enough guarded when being
escorted by Lance Corporal Faith who permitted
him to walk behind him. Only Corporal Faith
has stated that he was hit - he admits it
was very dark and yet states there was no
one in vicinity. On such evidence, the charge
2 striking the provost is inconclusive.
On Charge 1b. opinions differ and only
the Brigadier states that a pistol was
pointed at him. I think Tpr Smythe was very
drunk and was merely pointing with his
pistol rather than holding & was threatening
a man with it. He had no attention 2
assaulting anyone, and unintentionally
assaulted the Lieutenant. I do not think
he knew what he was doing.

JAC

for J.A's summing up see D3A.

D 4.

Mitigation of Sentence Statement by Defence.

① He was drunk and I don't believe he had any intentions when he went into town.
② The protection to himself was inadequate when he was taken into custody.

This is his first offence of drunkenness. The provost were lax in keeping the accused from harming himself. Breaking arrest and striking the provost were both preventable by the provost. There was no intention to do either for he was very drunk.

SUMMARY OF EVIDENCE

in the case of

B62274, Trooper G.J. Smyth

J.R. Campbell Maj
Judge Advocate

At the direction of the Commanding Officer the evidence is taken on oath.

1st WITNESS FOR THE PROSECUTION: Lieut Agatino Distefano, Royal Carabinieri Police, Scordia, having been duly sworn, states:

"At Scordia on 28 Jul 43 at about 1845 hrs I was standing outside the Carabinieri HQ when I heard a shot fired inside. I went in to investigate and found the accused with his pistol drawn. He was drunk and boisterous, and made threatening motions with the pistol. A few minutes later a C.M.P. Sgt came in and took the accused into his custody."

The witness is cross-examined by the accused as follows:

Ques 1 "How many shots were fired?"

Ans. 1 "I only heard one shot fired."

Ques 2 "Did you see me fire the shot?"

Ans. 2 "No."

Ques 3 "Did I seem to know what I was doing?"

Ans. 3 "No, you were in a drunk condition."

(A. Distefano) Lieut

2nd WITNESS FOR THE PROSECUTION: 5435058 Sgt Uniack D., C.M.P., having been duly sworn, states:

"At Scordia on 28 Jul 43 at about 1855 hrs I was passing the Carabinieri HQ when I was stopped by a civilian who informed me there was trouble there. On arriving at the top of the stairs accompanied by L/Cpl Stapleford, C.M.P., I saw the accused place his pistol back in his holster. With the aid of an interpreter I found out that the accused had fired two shots which had gone through the window of the Carabinieri HQ and that he had held up the occupants with his pistol. I confiscated his pistol and took two empty .380 cases from the chamber. I took the accused into custody and on proceeding to the C.M.P. vehicle he was very violent and wanted to fight. On approaching "B" Echelon 14 C.T.R. I found that the accused had thrown his pistol away about 100 yds back. He was then handed over to the 14 C.T.R. The accused was definitely drunk."

The accused declines to cross-examine this witness.

The witness is questioned by the Officer taking the summary:

Ques 1 "Was the accused so drunk that he did not know what he was doing?"

Ans. 1 "Yes, he was."

3rd WITNESS FOR THE PROSECUTION: A55822 L/Cpl Faeth A.N. , 11th Cdn Army Tk Regt., having been duly sworn, states:

"At "B" Ech 11 C.T.R. on 28 Jul 43 about 2000 hrs a D.R. of the 14 C.T.R. informed me that they had one of our men in their custody. I proceeded there and found the accused, and escorted him to our own lines. SSM Purdy detailed a vehicle and ordered me to escort the accused to our "A" Echelon lines. Approximately 800 yds from "A" Ech the truck ran into a ditch. The driver stayed with the truck and I proceeded with the accused to "A" Ech lines. When we were approximately 50 yds from "A" Ech lines the accused became boisterous, and I told him to keep quiet and come along. About 2 minutes after, he struck me on the back of the head with a belt and ran toward "B" Sqn lines. I ran after him for 20 - 25 yds when I was challenged by a sentry, and halted. SSM Fox was with the sentry, and told me to report to HQ that the accused had escaped, which I did. About 15 minutes later the accused was brought in by two sentries, who had apprehended him a few minutes previously. I reported to Provost Sgt Wood and turned over to him a pistol which had been handed me by the 14 C.T.R. at the time I took the accused into my custody. Accompanied by Sgt Wood and SSM Fox, we then took the accused to "C" Sqn lines and turned him over to SSM Haynes, 11 C.T.R."

The accused declines to cross-examine this witness.

The witness is questioned by the officer taking the summary:

Ques 1 "In what condition was the accused when you took him into custody?"

Ans. 1 "He had been drinking intoxicating beverages."

Ques 2 "Would you say that he was drunk?"

Ans. 2 "No, I could not say."

In making a statement you will not be sworn or subject to cross-examination, and anything you say will not be used in evidence against you after you change your plea. TRIAL OF

B-62274 TROOPER SMYTH GJ 2 C A C R U

PROSECUTION

FIRST WITNESS

Mr. C. COUNSELL, 1 "THE SQUARE", Godalming, England, sworn, states:-

Q. What happened on the night of 15 May near your home?
A. I had been out in town and on my way back home coming up the yard near High Street, I observed two soldiers standing in a corner urinating. I went to them and said, "Excuse me, but there is a lavatory across the way. This is a private yard". Whereupon the accused whom I recognize in this Court (pointing to the accused), started to abuse me. The other soldier went away. The accused said, "Never mind about me about having a piss, and you can have a good suck of it if you want to". Then, he caught me with his hand over my collar and tie, with a strangling manner and in a threatening position. He was holding me with his left hand and he had his right hand withdrawn and clenched. He then said, "You bloody, fucking English bastard". Mr Foster was lookingout of an upstair window and he came down. He told the accused to let me go. The accused kept using the expression"fucking bastard". In the end the soldier let me go and I went to get the police. The accused was still in the street. He was apprehended by the Canadian Provost.

THE PRESIDENT ASKED THE WITNESS AND THE PROSECUTOR AND THE DEFENCE TO PREPARE A ROUGH SKETCH OF THE SCENE OF THE URINATING, WHICH THEY DID, AGREEING ON SAME.

(SKETCH MARKED AND FILED EX 1)

The witness continued:-

On Ex 1, the scene of the offence is shown by a cross surrounded by a circle. It was an alley-way running off from Hight Street. The windows of the houses of Mr Foster and Mr Gore overlooked the scene. I was coming from High Street through the yard. I would have closed the gate which shut off the alley-way except that I saw the two soldiers there. The accused had been drinking to a certain extent. but there was nothing to show that he was drunk. This happened around 9 o'clock in the evening.

Q. What happened after you met the military police?
A. They came up in the street and I pointed the accused to them. He denied that he had been in the yard and said, "Which one of you fuckers I tried to hit?", referring to Mr Foster and myself. The military police then said, "You admit that you were up there?". Some soldiers who were there told him to say nothing. Whereupon, I went indoor; that was the end of my part in it.

Q. Was there any attempt on your part to get hold of the accused while you were talking to the military police?
A. No, it was just a verbal argument.

Q. When you went up and got the police, did you have to look for the accused to find him?
A. No, he was just walking along a wall and I pointed the accused to the police.

CROSS-EXAMINED

Q. Where was your wife and children when you first came to the gate?
A. The children were in bed and the wife was coming down to the yard.

Q. Did you see your wife before you saw the accused?
A. No.

Q. Have you had trouble before at that spot?
A. Yes, but upon being spoken to they turned around. There is a lavatory across the road in the car park which was specially made for the use of soldiers because there had been so much of this going on.

Q. Did you actually see the accused's private exposed?
A. Yes, Sir.

Q. After the police came, did you first try to have another trooper arrested by mistake?
A. No, Sir.

Q. When you first approached the accused were you endeavouring to get rid of them because of your wife?
A. Yes, I was because of the presence of ladies in the yard all around. They could have come out at any moment.

Q. If you were standing with the accused under the archway could Mr. or Mrs Foster have seen you from their living-room window?
A. No, but we were not under the archway. Their house extends over the alley-way but we weren't there.

Q. Do you deny being in a temper when you approached them?
A. I absolutely deny that I was in a bad temper.

Q. Did you ever wave your hand in front of the accused?
A. When he had me by the throat, I pulled him away with my hand.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83(B)

SECOND WITNESS

MR. R.C. FOSTER, THE SQUARE, 108A High Street, Godalming, England, sworn, states:-

Q. Will you tell us what happened on the night of 15 May near your home?
A. I was upstairs on the third floor of my home when I heard a commotion in the yard. I looked out of the window and saw two Canadain soldiers urinating against the wall. The accused, whom I recognize in this Court is one of the two soldiers. I can't recognize the other one in this room. Just at the moment, Mr Counsell entered the yard and asked the two soldiers to leave, the windows were opened and I heard him say that. One of them immediately left, it was not the accused. The accused started an argument, using foul language. I don't remember his first remarks but I know it was foul language. Mr Counsell asked him again to leave. The accused turned around and said, "Take a suck at this you fucker". When he said that, his back was turned to me and he appeared to have his hand near his private. Then, he grabbed Mr Counsell by the collar and tie with his right hand. He had his other handas if to hit him. But he didn't do so. As soon as I saw him grab Mr Counsell, I ran out downstairs to his aid. As I approached he let go of Mr Counsell and I told him to leave, which he did.

Q. Did he say anything to you?
A. No, not a word.

Q. Did younotice if his trousers were done or not?
A. No.

Q. What happened after that?
A. Mr Counsell then went to find the Provost which he did and brought them back to the scene. The accused was then in High Street near there. The Provost then took evidence from Mr Counsell in the presence of the accused and took evidence from the accused. He said to me, "Are you the little fucker I tried to hit in the alley-way?" In the yard at the time the accused was holding Mr Counsell's neck, Mrs Gore looking out of the window said she would throw a bowl of water over the accused if he didn't go away. I had said, "No", to his question. My wife came and took me away.

Q. Where was Mrs Counsell?
A. She was standing at the door of her house and [illegible] the urinating but she might have seen the accused when he turned around and made the remark to Mr Counsell before he grabbed him by the collar.

Q. Where were Mr Counsell's children?
A. The two children were running back and forth to the upstairs' window and Mrs Counsell was disappearing to go upstairs to keep them in bed. My wife didn't appear until everything was over, that is just as the accused was going away.

Q. Was there anyone else around?
A. No, Sir, not as far as I know.

Q. Did you go with Mr Counsell to get the police?
A. No.

Q. Were you with him when he brought the police over?
A. I was standing at the entry to the yard when Mr Counsell brought the police down.

Q. There is no evidence of a fight between Mr Counsell and the accused while the provost were on the scene?
A. No.

Q. No one used threatening language towards eachother?
A. To be quite honest, I probably would not notice, I was feeling quite hectic.

Q. Will you look at Ex 1, is it accurate?
A. Yes, Sir, it is quite reasonably accurate.

CROSS-EXAMINED

Q. From your first position upstairs where were you when you first looked out?
A. In the centre of the room, which extends over the archway.

Q. Could you from that position see Mr Counsell in High Street?
A. No, I couldn't have seen Mr Counsell's action or gesture as he was approaching the accused under the archway but I did see him when he came from under the archway towards the accused.

Q. What made you look out of the window?
A. The language and Mr Counsell's challenge.

Q. The scene was already under way, Mr Counsell had approached when you looked out of the window?
A. Yes, he was 6 to 7 feet from the accused when I first saw him.

Q. Did Mr Counsell appear in a rage?
A. No.

Q. Did he use any threatening language or make a threatening gesture?
A. No, he had just a "Just go on" attitude.
The second time he waved his arms a little more.

Q. At the time the accused refused to go, did he attempt to seize Mr Counsell?
A. No, he didn't.

Q. On the first occasion, the accused made no attempt to assault Mr Counsell?
A. No.

Q. Nor the second time?
A. No. Mr Counsell was more forceful in respect to his second request.

Q. When the accused used those words about taking a suck at this, that could have been a gesture?
A. If you like to put it that way but to me it was totally different.

Q. From your position upstairs could you definitely identify the accused?
A. No.

Q. You didn't identify him until you went downstairs?
A. Yes. Mrs Foster couldn't identify the soldier from upstairs.

Q. If you couldn't identify the exposure, she couldn't?
A. That's right.

FIRST WITNESS - DEFENCE -

THE ACCUSED ELECTED TO MAKE A STATEMENT NOT ON OATH:-

To the best of my knowledge on 15 May 45, I left camp with three or four fellows to go "pub crawling". We drank in quite a few pubs in Godalming and I drank quite a bit; I had spirits as well as beer. The last pub I remember being in was the Sun. After I left the Sun, I don't exactly remember where I have gone or where I had been. The Provost stopped me and had a civilian with him. The civilian was making charges against me which charges I then denied. I no memory of the event of which the civilian was talking about. I had just arrived from Italy on 8 May and our first pay-day was on the 15. I had been 22 months in Italy with the Ontario Regt. When I came here to 2 CACRU from Reception Depot, I met a lot of fellows that had come back before me and we went out to celebrate. After hearing the evidence to-day, the things which they said may be true but I have absolutely no memory of them.

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO COMPLY WITH RP 83 (B).

SECOND WITNESS

B-41049, Tpr RICHMOND, DG, sworn, states:-

Q. Will you tell the Court what you remember regarding your drunk on 15 May 45?
A. On the night of 15 May, we came out of a pub, I think it was the Sun, the accused was with me and there were someothers. We were walking down the street and I noticed a civilian coming to the accused and grabbed him. The accused pushed him and walked down the street. There were no Provost around. We walked a few yards and the civilian and the Provost came up.

Q. How much did you and the accused have to drink that night?
A. I have no idea.

Q. Were you feeling fairly happy?
A. Yes, when we came out of The Sun Pub.

Q. Did the accused have more than you had?
A. He had about the same as I had.

Q. Did you leave High Street at all?
A. No.

Q. Was it pay-day?
A. Yes.

Q. Did you see Mr Counsell accost the accused?
A. Yes, he did.

Q. When the Provost arrived did the accused behave himself and were things under control?
A. Yes but there were naturally words and the civilian asked the Provost to put the accused on charge. The accused wanted to know why he was to be put on charge; he was well behaved otherwise.

CROSS-EXAMINED

Q. You are quite certain that you didn't leave High Street?
A. Yes.

Q. Is your knowledge a little be hazy?
A. Yes, it could be.

Q. Do you remember what the civilian said to the accused?
A. I don't remember.

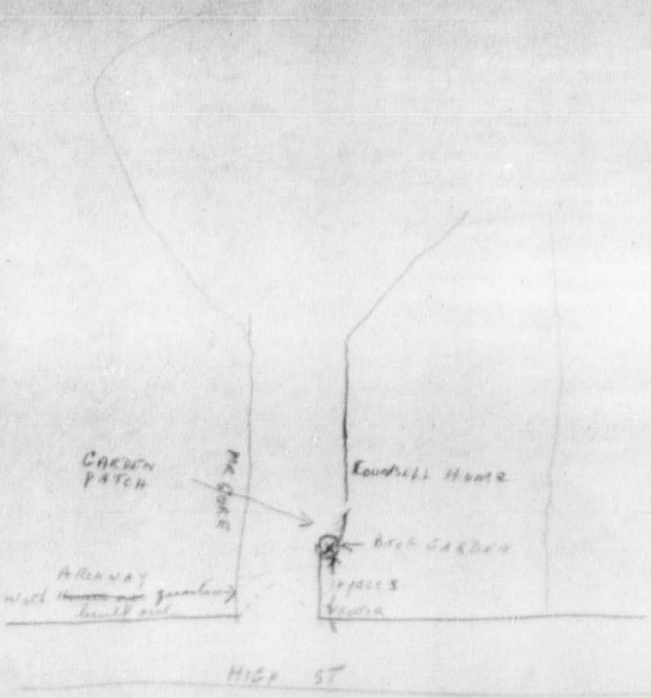
IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO COMPLY WITH RP 83 (B)

STATEMENT BY THE PROSECUTOR ON THE FINDINGS

On the first charge we have the evidence of Mr Counsell and Mr Foster. The accused did go up in the yard; he did urinate; he did expose himself. We are not certain that he exposed himself in front of Foster. On the second charge, we have the evidence of both Mr Foster and Counsell which are almost identical as to the language which the accused used towards Mr Counsell. We also have the evidence on the manner in which these words were spoken. On the third charge, we have the evidence of Mr Foster and Counsell; and while it was not brought by Mrs Counsell, we have the evidence of Counsell and Foster that the accused grabbed hold Mr Counsell - thus assaulting him.

STATEMENT BY THE DEFENCE ON THE FINDINGS

On the first charge, publicly exposing himself, the accused denies having been there to his knowledge and urinating in the alley-way. As to the public exposing of himself, no one but Mr Counsell appears to have seen such an act, if it was made at all; it could have been a gesture. As regards the language used, the accused had just returned from a theatre of war; the language in such places is far more severe than it is here on account of the excitement and due to his drinking he may have used more forceful language than he realized. On the third charge, no one saw Mr Counsell's first entrance into the yard. On Mr Foster's evidence, Mr Counsell told the accused first to move away; there was no attempt to assault him at that time; on the second time when he told the accused to move, Mr Counsell was more angry and may have used a threatening gesture which caused the accused to go on the defensive. The accused is a trained soldier of "X" Echelon. He has been trained in the art of warfare. A soldier is taught on defence that the best defence is an offensive. Mr



Counsell's attitude appeared violent to him, he would immediately hold him off. The accused has no recollection of this. There appears to be no one who actually can say that this was done and the accused, when he was arrested by the Provost, at the sight of the Provost certainly came to because his manners then were such that they had no complaint about him whatsoever. The accused admits that he has no recollection whatsoever of the incident in question.

THE COURT CLOSES

THE COURT RE-OPENS

PLEA IN MITIGATION OF PUNISHMENT

The accused was drunk when these offences were committed and drunkenness is always regarded as a strong mitigant. There was no element of premeditation or intent involved. The accused has also been under 28 days' close arrest. He is married and his wife is in Canada. The accused had just returned from 22 monthsin Italy and had hardly acquainted himself to the conditions here as existent while living amongst troops in the field. He is A "F" Echelon man, serving inthe line with the actually fighting forces. He re-joined many of his comrades here leading up to the spree and possibly excess of drinking. The accused didn't actually hit anybody that night. He simply reacted to provocation. His conduct before the provost was completely satisfactory to the Provost.

NO. 2 CANADIAN ARMOURED CORPS REINFORCEMENT UNIT

SUMMARY OF EVIDENCE

In the case

of

B-62274 Tpr SMYTH, Gilbert Joseph, No 2 Canadian Armoured Corps Reinforcement Unit, a soldier of the Canadian Army Overseas.

The Comd Offr directs that all evidence be taken on oath.

FIRST WITNESS For the Prosecution

Mr. R C Foster, the Square, Godalming having been duly sworn, states:-

"We were upon the top floor above this address when we heard a rumpus outside. On glancing out the window I saw two Canadian soldiers urinating against the wall of my garden. At that moment a Mr Counsell, who resides in the square arrived home. He immediately challenged them and asked them to go. One immediately left, but the accused started using obscene language saying, "Take a suck of this you fucker" and then laid hands on him. At this I decided to interfere. I went downstairs and asked him to let go which he did. He then caused further trouble by refusing to go and using obscene ~~language~~, similar to above remarks in the presence of three women in the vicinity who were looking out of their first story windows. He then proceeded into the high street. I kept my eye on him while Mr Counsell went to fetch the police or provost. The provost were first on the scene. During the argument with the Provost he, the accused said, "Are you the li le fucker I tried to hit?" I then came away.

QUESTIONED BY THE ACCUSED

Q.1 Were there any other soldiers who came to the scene in the yard?

A.1 Definitely No.

The evidence was read back to the witness who desires to make the following alteration:-

"The addres of "the Square" is an error and sho ld be 108A High Street, which backs on to the "Square" to which I have full rights of way to the rear of my building."

"At approximately 8.45 in the evening I was coming up the yard, when I came through the gates this soldier and another were both using the yard as a lavatory in the corner. I told them "This is no place for a lavatory. There's one over the road." The other soldier there upon went out. This man stayed with his private hanging out. He took hold of it and said "here have a fucking good suck if you like or anyone else who needs one." There were ladies present up above, up on the roof and my wife was coming down the garden with the two children. I then told the soldier to "clear on out" and he then caught me hold by the tie in a strangle hold calling me a "Bloody fucking English Bastard."

Several people gathered at the bottom, one of them came up and told the soldier to let go of me. Mr Foster then came down and tried to part us. When I was parted I told him I'd fetch the police, and he answered, "You can go and get the fucking police.". I went over into the High Street and brought two military police back. The soldier then denied being here to the military police. He then said, "Which was the fucker I tried to hit." After some arguing and wrangling I left him to the military police.

Tpr Walsh and myself were walking slowly up the street when we heard a commotion just behind us. On looking around Tpr Smyth was talking to two Provost and two civilians. We immediately went up to them to see what the trouble was. The Provost asked us all for our pay-books. After taking down the names and numbers we asked him what if any were the charges. He merely mentioned off handedly something about "Improper language". A.1 Yes, but I can't identify the other soldier because his back was turned.

Q.2 When you came inside did you continue to watch the argument through the window?

A.2 Well I was standing at this window and I couldn't see much, only the soldier holding my husband.

Q.3 When Mr Foster came on the scene did the soldier release your husband?

A.3 I can't say, I was indoors, I didn't notice that.

Q.4 Did you see the soldier expose himself in any way?

At about 1700 hrs 27 Oct 44 acting upon information received from Cpl McCallum and shortly afterwards on information received from Pte Milne, I proceeded to search all the members of my Coy HQ and those who had been quartered with them on the previous night. I was in search of three 1 pound notes with serial numbers in the close vicinity of Z1ID7811 and the last 2 numbers to be anywhere within succession of 10 from 27 onwards. I searched all except 2 of the members of Coy HQ who were absent on duty and asked if anyone else had been sleeping with Coy HQ at the time. I was informed that Pte Smythe had been quartered with Coy HQ until that night. I visited Pte Smythe in his quarters at approx 2215 hrs that night and told him that I was looking for money

which had been stolen. I asked him if he objected to being searched and he replied that he had no objection. Before proceeding with the search I asked Pte Smythe if he had any £ notes. He replied "Yes, seven" and produced them for me.

Q. Can you identify these notes.

A. Yes. I identify these notes as being the three £1 notes which I found ~~xxxxxx~~ in Pte Smythe's possession on the night of 27 Oct and for which I gave him a receipt with serial numbers included.

Q. Will you read the serial numbers of these notes?

A. The serial numbers are Z11D781132, 3 and 4. I thereupon explained to Pte Smythe that these 3 notes which I had selected appeared to me to be the notes which Cpl McCullum had lost, and that in view of this evidence I was placing him on charge.

Beingduly sworn is examined by defending officer.

Q. There has been some suggestion by witnesses that you took part in a crap game subsequent to pay day. Is that so?
A. Yes.
Q. Did you win any money on this occassion?
A. Yes sir.
Q. How much?
A. In between £3 and £3.10.0
Q. Is this the only game you played in?
A. No. That game was held the day after payday, Fri 22. There was a further game next day Sat 23 where I won approx £2.10.0.
Q. Were these winnings in notes or silver or both?
A. Both.
Q. Did you get any of the silver changed to notes?
A. No. There was only about 10s in silver and I kept it.
Q. Who took part in these games?
A. I couldn't tell the names of all those who took part.
Q. Were there many?
A. At one time in the game on Fri there were at least 10 men with men dropping out and coming in at different intervals but I believe all men that took part in game were from 8 CIB.
Q. Were there many men watching the game?
A. There were 2 or three. There were other men in the hut. Whether they were there because they lived there I couldn't say.
Q. Were there any other games after 23 Nov in which you took part?
A. No sir.
Q. Did you leave camp that week-end?
A. Yes.
Q. Where did you go?
A. To Eastleigh.
Q. Did you spend any money over the week-end?
A. When I went into Eastleigh I had something to eat at the Forces canteen, then came home. That was the only money I spent beside bus fare.
Q. Did you have any other money apart from what you won at these crap games?
A. Yes.
Q. How much?
A. About £3.10.0.
Q. Where did that come from?
A. I drew £1 on the pay day of the 21st. I was paid £1 by men who owed me money, and I had had a pound from my wife.
Q. Have you any other sources of income apart from your army pay?
A. If I wish them, yes.
Q. What are these sources?
A. My father in Canada or my wife here in England.
Q. Do you sometimes call on them for funds if you require them?
A. Yes.
Q. Were you on the same pay parade as Cpl McCullum, Pte Milne and Pte Mills?
A. I was paid with mengoing on leave before Coy was paid.
Q. Did you see any of the soldiers I have named on the same pay parade?
A. No sir.
Q. Did any of these 3 men take part in any of the crap games you were in?
A. Cpl McCullum was present at the game which took place on 22 Oct. Whether he took part in the game or not I can't swear to that.

Question by Lieut Evans, member of the court.

Q. In this crap game did you see Cpl McCullum handle the dice himself?
A. No sir. I can't swear that Cpl McCullum actually handled the dice because the only reason I noticed him was that he spoke to me asking me for a light.
Q. Were there any side bets?
A. Yes there were.

The prosecutor declines to cross-examine the witness.

Second witness for defence - C-20824 Pte Papineau, C.
Being duly sworn is examined by defending officer.

Q. Do you belong to machine gun Coy 8 CIB Spt Gp?
A. Yes.
Q. Did you take part in any crap games on or about 21 Oct?
A. Yes, I did sir.
Q. Who else were playing in these games?
A. Pte Smythe, Pte. Yendall, myself, Pte Couvrette, Cpl McCullum.
Q. Was Cpl McCullum actually playing?
A. I am not sure sir. He was in the circle.
Q. Did you see Cpl McCullum handle any money?
A. Yes. He changed a 10s note for Pte Yendall.
Q. How was Pte Smythe making out in this game?
A. Pte Smythe was winning at the time I was there.

Cross examined by Prosecutor.

Q. Will you make it clear what you mean when you say Cpl McCullum changed a 10s note? Do you mean that Yendall gave Cpl McCullum ~~xxix~~ 10s and McCullum gave him some silver?
A. Yes.

DEFENDING OFFICER'S ADDRESS

To convict the accused on this charge it is necessary for the prosecution to prove that the notes referred to in the charge were in fact stolen from Cpl MacCullum. It is submitted that the evidence does not show that these notes were stolen or that they ever actually belonged to Cpl MacCullum.

The evidence adduced by the prosecution attempts to prove through a sequence of serial numbers of notes issued to various personnel on a pay parade that the notes stated in the charge were those issued by the paymaster to Cpl MacCullum and that as they were subsequently found in the possession of the accused that he stole them. It is submitted that there is not sufficient evidence to conclusively prove that these three notes ~~XXXX~~ ever belonged to Cpl MacCullum and that the accused stole them.

The evidence adduced is entirely circumstantial and for such evidence to be accepted it must be so clear and free from reasonable doubt that the court could not possibly draw any other conclusion than that of the guilt of the accused. It is submitted that the evidence in this case is not free from reasonable doubt and as such doubt does exist the court should find him not guilty.

Captain John R Palmer 3 Edn 10th Bn (C. R. of O)
L. M. R.

ARGUMENT OF PROSECUTION

Two conclusions must be reached by the court

(a) That money ever was in possession of Cpl MacCullum
(b) That it came into possession of the accused in manner indicated in the charge.

Regarding the first contention it submitted that the evidence is as clear as could be hoped for after the elapsed time has occurred. Milne and Mills both state Mills was paid, then Milne. Milne says Cpl MacCullum was close behind. Cpl MacCullum swears he followed the last of the two.

The serial numbers of the notes establish a clear rising sequence, broken only by money which was quite understandably spent.

The conclusion that Cpl MacCullum drew the succeeding notes is almost unavoidable.

There is no sworn evidence that Cpl MacCullum did take part in any game of chance or any financial transactions, apart from giving 10s in silver for one ten shilling note which does not effect the situation. No means whereby the money could be lawfully or properly come into Smythe's possession has been suggested. The "Doctrine of Recent Possession" demands that a reasonable explanation be given.

I refer to MML p 124 para 66
- 37 in second para on page
- 123 near top.

There is no suggestion that Cpl MacCullum had any ill feeling towards Smythe or any suspicions of him. The sequence of notes has established at Capt Perry's investigations before there was any shadow of suspicion of the accused.

The reasonable doubt referred to as being given in favour of the accused is only to be given in his favour after the facts and the evidence both for the accused and the prosecution have been weighed with the same mind in the same manner. It does not refer to such a doubt as would enable the court to shirk their responsibility. There will always be some doubt. The court should view the evidence in the same manner as a business man views a business proposition, and decide the case in the same way, but in cases where evidence is equally liable to either construction, decide in favour of the accused.

SUMMARY OF EVIDENCE IN CASE OF C-21141 PTE SMYTH J.

On order of Officer Commanding evidence will be taken on oath.

SUMMARY OF EVIDENCE

First witness - G-32124 Cpl MacCullum A.M. having been duly sworn states, I am G-32124 Cpl MacCullum, A.M. of Coy H.Q. "F" Coy, 8 Cdn Inf Bde Sp Gp (C.H. of O.)

At 1710 hrs 27 Oct 43 Pte. MacPherson asked me to loan him a pound. I went to my tunic which was hanging on the wall in my room I took my pocketbook out of my right hand pocket. On opening the pocketbook I discovered that three one pound notes were missing. Nothing else in the pocketbook had been disturbed. I checked over my pockets and kit to make sure that I had not misplaced the money. I then reported the loss to Capt. Perry. I last saw the money in my pocketbook at approx 2000 hrs Mon 25 Oct 43, when I took some postage stamps out of my pocketbook. I received three one pound notes and one 10 shilling note from the paymaster on 26 Oct 43. I did not record the serial numberof the notes I received, but I know that the two men who were paid directly before me on the Parade were Pte. Mills and Pte. Milne, of Gp H.Q. of 8 Cdn Inf Bde Sp Gp.

Question by the accused.

Q 1 Where do you carry your pocketbook and where do you leave it at nights.

A 1 - During the day I carry my pocket book in my tunic pocket. At night I usually put it under my blanket at the head of my bed. I cannot state definately whether or not I placed it there on Mon or Tue Night.

A.M. MacCullum.....
Cpl MacCullum A.M.

Second witness - Capt L.V. Perry, having been duly sworn states, I am Capt L.V. Perry Officer Commanding "F" Coy 8 Cdn Inf Bde Sp Gp (C.H. of O.). At approx 1700 hrs on 27 Oct, 43, Cpl MacCullum a member of my Coy H.Q. reported to me that he had had three one pound notes stolen from his pocket book. I felt that the case necessitated immediate action and warned all members of Coy H.Q. to remain in billets after the evening meal.

Having assembled them I explainedthat a theft had been committed and as they had all been sleeping in the same hut suspicion naturally rested with them. I asked if they would all voluntarily submit to a search of there possessions to which they agreed. I carried out the search but found no trace of the money. I then asked if any other person had been sleeping in there quarters and I was told that Pte Smyth who had recently rejoined the Coy had been sleeping with them until that day. I visited Pte Smyths quarters at approx 2000 hrs but he was absent from his quarters. I again visited his quarters at approx 2215 hrs and explained the situation to him as I had already done to members of Coy H.Q. I first of all asked Pte Smyth if he had any money and he volunteered the information that he had seven pounds which he showed to me. Earlier in the evening I had been informed by Cpl MacCullum that he had received the money, which was lost, on Pay Parade held 21 Oct,43. I asked him who had been paid before him and he told me that it was Pte Milne or Pte Mills of Gp H.Q. I contacted Pte Milne who had in his possession, one poundsnotes of the following serial numbers, Z1ld781121 to Z1ld781127, inclusive. Pte Milne told me that he had drawn eleven pounds and had disposed of I beleive four pounds. He stated that two of these had been given to Cpl Scott. I felt that I had here sufficient grounds for beleiving that if I could find the one pound notes of the serial number which followed consecutively after those shown to me by Pte Milne I would have a chance of establishing who took the money.

I examined the seven one pund notes produce by Pte Smyth and amongst them I found three which bore the consecutive serial numbers, they were, Z11d781132, Z11d781133, Z11d781134. I asked Pte Smyth how he come in possession of these notes and he said that he had won them in a game. I placed Pte Smyth under close arrest and informed him that I would have to charge him.

Note 'A'

It is noted by the President that the particulars of the second charge are probably improper in that the N.C.O. is 'superior officer' to whom it is alleged the words were addressed is referred to as "the N.C.O. i/c the defaulters must parade" and not by name.

The defending officer states that he has no objection to the charge as there is actually no doubt as to whom is meant.

The president directs that the trial may proceed on the trial as it stands.

Note D. 1.

First Witness for the Prosecution.

B-37215 Cpl. Price. E. 4 C.I.R.U. sworn states:

On Oct 20.43. I was Cpl in charge of Field Punishment. I recognize the accused. At 1630 hours 20 Oct 43, I called the F.P. boys down for supper. I called them to attention. They all came to attention except the accused. Upon which I said "I have called you all to attention, and the accused said "Ah Go fuck yourself". I then saw Pte Sanders of the R.P. standing in the guard room door. I ordered him to bring two men out to put Pte Smythe under close arrest. Pte Smythe then stepped out of the ranks, dropped his mess tin & took a couple of smacks at me. Then the two men came out to take him in custody. He had me around the neck then. L/Cpl McConville came out and took him away. He struggled with L/Cpl McConville and made a couple of strikes at him. He got away and stood up against the wall and defied anyone to take him in. Sgt. Harvey. the Provost Sgt. ~~take~~ then took him into the guard house.

Cross Exam:

I gave the order - Squad - Attention. ~~[redacted]~~ obeyed except the accused. I ~~[redacted]~~ heard "Ah Go fuck yourself" I was standing practically in front of him. Pte Sanders said on summary that he heard me say. "Who said that?

but I do not remember that. We were all out of sorts that day and I picked him up quick. The accused had irritated me that day and on previous days. He struck me with his closed fist in the face. The Lt & Cpl McConville at least one glancing blow. I had checked the accused two or three times that afternoon on the route march about taking his hands out of his pockets.

The evidence is read over to the witness.

Second Witness for Prosecution:

B-88003 Pte Sanders, M.C. 4 CIRU, sworn states:

I was employed as an R.P. on 20 Oct 43. I recognize the accused. On Oct 20 43 on coming out of the guard room around supper time, I saw the F.P. men forming up. Cpl Price was there. What drew my attention to this was when Cpl. Price ~~was~~ asked someone in the ranks to repeat what he had said. I did not hear an answer. The Cpl. told me to get two escorts. I reported to the Sgt. ~~When I came back~~ I heard a scuffle in the dorm & someone whom I now recognize as the accused step out and hit Cpl. Price. This was when I was on my way to get the escort. I got the Sgt. of the R. Ps. to get the escort. When I next saw the accused he was in a fighting position with his back to

the wall across the road from the guard room. I was about 25 or 30 feet from Cpl Price when I heard him say "Repeat that".

Cross Exam:
In court Cpl Price said "repeat that" or words to that effect. I did not hear him say anything before that. If he had called them to attention I could have heard it, but I was not paying any attention. When I came out first the leading part of the line was straight and at the rear they were still falling in. Some were standing at attention and some were not. They were all one group.
The evidence of this witness for the prosecution:

Third witness for the prosecution:

B-36902 L/Cpl McConville, W.J. 4 CIRU.
On Oct 30. 43. I was employed as a R.P. at 4 CIRU. At about 1700 hours Oct 30. 43. Pte Sanders knocked on the guard room door & had a conversation with Sgt Harvey. Sgt Harvey sent me to Cpl Price. I went to the door & saw the accused and Cpl. Price. The accused was hitting Cpl. Price with his fists in the face. He accused had his hands on Cpl. Price with his hands I grabbed the accused by the neck. We struggled, fell over the steps. The accused swung at me and grazed my face. I got up and the accused started towards the road and dared anyone to come and get him. Cpl Russell

s Sgt Harvey came out & had a conversation with the accused and the accused walked into the guard room & we locked him up in a cell.

Cross Exam:

I took the accused from the front. We stumbled & he swung his hand around & he hit or grazed my face. I do not know that he intentionally hit me in the face with his fist. His evidence in chief was true & the witness would withdraw for the prosecution.

C-66610 Sgt Harvey E.B. 4 C.I.R.U. sworn states:

On Oct 20, 43 I was Provost Sgt 4 C.I.R.U. I recognize the accused as the bugler. I was in the Guard Room at about 1700 hours 20 Oct 43. Pte Sanders came in & as a result of a conversation with him I ordered the R.R. outside & I went to the door. At that time I saw Lt Cpl McConville was struggling with the accused. The accused made a pass with his fist & struck Lt Cpl McConville on the side of the face. The accused broke away & backed up against the wall of a building opposite the entrance to the guard room. He took up a fighting pose & defied anyone to take him in to the guard room. Three or four minutes later he walked into the guard room on his own. Presently he was in a high tension.
