The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfilm shall contain the symbol ➡ (meaning "CONTINUED"), or the symbol ▼ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfilm, selon le cas: le symbole ➡ signifie "A SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

NOTE

--

As the law concerning the parliamentary elections of this province is now applicable, in as much as compatible, to the election of the members of the City Council, I have considered it advisable to insert in this compilation, at their convenient place, some articles of that provincial law, as also certain provisions of other provincial laws applicable to the City of Quebec.

J. E. C.

ACT OF INCORPORATION

OF THE

CITY OF QUEBEC

—:0:—

CORPORATION.

1. The inhabitants of the city of Quebec form and continue to form a corporation under the name of "The City of Quebec," which is constituted an administrator and as such responsible for the matters entrusted to its administration.

51-52 Vict., ch. 78, art. 1.

GENERAL POWERS.

2. The said corporation has and shall have perpetual succession, and a common seal, with power to break, renew, change and alter the same at pleasure, and may sue and be sued, implead and be impleaded, in all courts of law and equity, and other places, in all manner of actions, causes and matters whatsoever, and may accept, take, purchase and hold goods and chattles, lands and tenements, real and personal moveable and immovable estate, and may grant, sell, alienate, demise and convey the same; and may enter into and become a party to contracts; and give and accept any bills, bonds, judgments, or other instruments or securities for the payment or securing the payment of any money borrowed or lent, or for the performance or securing the performance of any duty, matter or thing whatsoever, as hereinafter provided.

29 Vict., ch. 57, art. 2.

BOUNDARIES OF THE CITY.

3. The City of Quebec, for all municipal purposes, shall have the following boundaries:

To the east and south-east, the Harbour Commissioners' line, and if there be any wharves, piers, or other constructions beyond the Harbour Commissioners' line, then to the end of such wharves, piers, or other constructions which adjoin the main land.

56 Vict., ch. 50, art. 1, 1st paragraph.

The limits of the City of Quebec include all the wharves and embankments built in the river St. Lawrence and the estuary of the river St. Charles, joined to or connected with the mainland of the said city, on the demand of the Quebec Harbour Commission and dating from the acceptance of such demand, by the City Council, in whole or in part.

1 George V, ch. 47, art. 6.

N.B.—On request of the Quebec Harbour Commission a resolution was passed by the Council on the 13th of January, 1911.

From and after the first day of May, 1901, the extent of land hereinafter described shall be and remain annexed to the City of Quebec and form part thereof, to wit: the extent of land starting from the Cap Rouge road, situated in the parish of Notre Dame de Québec, to the line of the Quebec Harbour Commissioners and the lot designated under the No. 227 of the official cadastre for the parish of St. Colomban de Sillery, with the road which bounds it to the south-west, and the boundary of the city shall be changed accordingly.

1 Ed. VII., ch. 42, art. 7, 1st paragraph.

The boundaries of the heretofore village of St. Malo, now St. Malo ward, are described in the law 2 Ed. VII., ch. 57. Those of the heretofore town of Limoilou,

now Limoilou ward, are described in the laws 8 Ed. VII., ch. 98, art. 8 and 9, and 9 Ed. VII., ch. 91, art. 1. Those of the heretofore town of Montcalm, now Belvedere ward, are described in the law 8 Ed. VII., ch. 99, art. 2.

On account of the changes made to the boundaries of the City of Quebec by the statutes—60 Vict., ch. 59, art. 1,—1 Ed. VII., ch. 42, art. 7, 1st paragraph,—8 Ed. VII., ch. 93, art. 1,—4 Geo. V., ch. 72, arts. 12, 13 and 18,—and of the By-Laws No. 419 therein mentioned, concerning the annexation of the heretofore village of St. Malo,—and on account also of the By-Law No. 436 of the City Council of Quebec, concerning the annexation of the heretofore Town of Limoilou,—and on account also of the By-Law No. 449 concerning the annexation of the heretofore town of Montcalm,—it may be said that the City of Quebec has now the following boundaries, to wit:

A line running from the north-east end of the embankment built by the Quebec Harbour Commissioners, in the mouth of the river St. Charles, and through the mouth of the said river to the boundary line of this part of lot seven hundred and thirty-seven of the cadastre of Beauport, situated to the south of the public road known as Beauport road with its present width,—thence following the said division line to the Beauport road,—thence the said Beauport road to the division line between the lots of lands designated under the numbers 589 and its subdivisions and 585 of this official cadastre for the parish of St. Roch of Quebec North,—thence the said division line between said lots 589 and 585,—thence, the northern boundary of the lots of land numbers 585, 584, 581, 580, 567, 566, 547, 508, 509, 425, 426 of the said cadastre,—thence, the western boundary of the lots numbers 412, 413, 415, 416, 417, 418, 419, 420, 425 of the said cadastre,—then the St. Michael's stream to its junction with the river St. Charles,—thence the line of

the high water mark on the left bank of the river St. Charles to the bridge known as Scott Bridge,—thence on the right bank of the river, the by-road of Scott Bridge, from the river to St. Valier street,—thence on St. Valier street and its extension as far as the public road commonly known as "Bell's Road",—thence on Bell's Road and its extension in a straight line through the cadastre number 126 of the parish of Ste. Foye as far as the cliff,—thence the top of the cliff running west to the cadastre number 120 of the parish of Ste. Foye,—thence following said boundary line as far as the public road known as "Ste. Foye's Road",—thence in a straight line following the boundary line of cadastre number 127 of the parish of Ste. Foye,—thence, running east, at right angle, and in a straight line as far as the public road known as "Belvedere Road",—thence running south on said road as far as Cap Rouge road,—thence the Cap Rouge road running south-westerly to and including the road of Wolfe's Cove,—thence the parish of St. Colomb of Sillery,—thence, the top of the cape, from the parish of St. Colomb of Sillery to the line formerly dividing the parish of St. Colomb of Sillery from the parish of Notre Dame de Québec,—thence to the south-west, the line of the Quebec Harbour Commissioners, to the north-east end of the Louise Embankment.

But, according to the law 56 Vict., ch. 50, art. 1, 1st and 6th paragraphs, are to be excluded from that territory, the lots and buildings forming the actual precincts of the Hôpital Général de Québec to the outside of the present wall.

And the above indication of the boundaries of the city shall not have the effect of subjecting the lands belonging to the Hôpital Général de Québec and to the Hôtel Dieu du Sacré-Coeur de Jésus, to municipal taxes and assessments, so long as such lots shall be occupied

by the said communities for the purposes of their institutions.

By the law 4 Geo. V., ch. 72, art. 12, the lots of land designated under the numbers five hundred and eighty-nine, five hundred and eighty-nine B and five hundred and eighty-nine C of the official cadastre for the parish of St. Roch, of Quebec North, have been declared not to be within limits of the City of Quebec and to form part of the parish of St. Michel Archange.

37 Vict., ch. 50, art. 2, as amended by 38 Vict., ch. 74, art. 29.

COMMERCIAL TRAVELLERS.

N.B.—The law 29-30 Vict., ch. 57, art. 20, of 1866, authorized the City Council of Quebec to pass a By-law to compel the commercial travellers coming from places outside of the city, to take out a license for the exercis-

ing of their trade in the city, for which license a sum not exceeding \$200.00 might be exacted.

The law 50 Vict., ch. 15, of 18th May, 1887, has abrogated any statute empowering a municipal corporation to exact a license from the commercial travellers taking orders or selling on samples or catalogues or lists of prices; and that same law has abrogated the municipal By-laws then in existence in that respect. That provision of the law has been refunded in article 4644 of the R. S. P. Q., of 1888.

The law 2 Ed. VII., ch. 29, has made to that article 4644, a modification according to which a city may make a By-law to compel those commercial travellers to take out a license, if they sell on samples to persons other than merchants, traders, or manufacturers, only in the ordinary course of their business. Article 5932 of the R. S. P. Q., of 1909, now contains the law in that respect.

33 Vict., ch. 46, art. 30.

254. Whenever the person upon whom such notice and demand has been served, has any defence to the claim of the said corporation, he may, within ten days from the day on which such service has been made, present to the Recorder's Court a petition, of which notice shall be given to the City Treasurer, setting forth the nature of his defence, and praying that no further proceedings be taken on such notice and demand, which petition shall in all cases be supported by affidavit; upon the presentation of such petition, the said Recorder's Court shall proceed to adjudicate thereupon, and if it be dismissed, the notice and demand served shall have the same effect as if no such petition had been presented; and if the said petition be maintained, the said Recorder's Court shall make such order thereupon as the justice of the case may require.

29-30 Vict., ch. 57, art. 11, parag. 1, No. 4.

name shall be thus inscribed shall be held liable for the full payment of the assessment, tax, rate, or other municipal dues so imposed, reserving his remedy as by law against his co-heirs or co-possessors.

29-30 Vict., ch. 57, art. 11, parag. 2.

29-30 Vict., ch. 57, art. 11, parag. 3.

258. No execution issued and no judgment obtained against the proprietor, or the tenant or occupant, shall deprive the said corporation of the power of prosecuting and executing the judgment obtained for the payment of the said assessments, taxes, rates or other municipal dues, against either the said proprietor, tenant or occupant, if such payment cannot be obtained from that one of them who shall have been already sued in the matter.

262. In the month following the expiration of any fiscal year, the proprietor, whose property has been vacant for the whole year, may obtain a refund, if he has paid, and if he has not, a reduction of the water-rates on such property, proportionate to the time it has been so unoccupied.

But this refund or reduction shall not include the part of such water-rate corresponding to the three cents in the dollar exacted on all property.

The application for the above refund or reduction shall be made by summary petition to the Recorder's Court, after one clear day's notice to the City Treasurer.

The words "vacant property" in this section mean property which is not occupied by any one and for which the proprietor has no tenant.

But in order to be entitled to such refund, it shall be necessary that the officers of the water-works' department of the city shall have turned off the water from such property on application to that effect; the proprietor must previously pay to the city one dollar for the cost of turning off the water each time it has been turned off.

63 Vict., ch. 52, art. 23.

263. "Nevertheless failure to demand the said refund within the delay above mentioned, shall not prevent the proprietor from making his claim during the eleven other months of the fiscal year, provided it be

proved that he was prevented from making such claim by irresistible force or for any other reason deemed valid by the Recorder's Court."

Such privilege, which need not be registered, shall extend to two years elapsed, in addition to the current year; and as regards immoveables, it shall affect only those upon which or with respect to which such assessments, taxes, rates, or other municipal dues, shall have been imposed; as regards moveables and effects, such privilege shall extend only to the moveables and effects owned by the debtor or being within the limits of the

city except when the debtor has transported them outside of the limits of the city.

51-52 Vict., ch. 78, art. 67.

267. The same moveables and moveable effects, which by law are security for the payment of the rent of an immoveable or part of an immoveable, shall be subject to the privilege of the city for the payment of every personal tax or business tax due to the city by reason of any business, trade or profession being exercised or carried on, in or upon such immoveable or part of an immoveable.

separated as to property, and all judgments so rendered against the husband alone may be levied against the moveable or immoveable property of the wife, without the latter having a right to stay the execution of the judgment by any opposition based solely on the fact of such separation.

34 Vict., ch. 35, art. 21.

53 Vict., ch. 68, art. 33.

N.B.—This provision applies to the leases made after the 2nd April, 1890.

273. All the provisions of the present act shall apply in like manner to the recovery of all special assessments or rates imposed by the Council of the said city, or by the Treasurer of the said city, and to the rate or tax for water furnished by the water-works of the said city.

29-30 Vict., ch. 57, art. 11, parag. 18.

Such rentals shall be fixed from year to year to cover the cost of maintenance and administration of the same, the interest and sinking fund to be

calculated in such manner as to extinguish the debt in not less than forty years on the capital invested by the city for the construction or purchase of such underground conduits, as well as the salaries and expenses of the Electrical Commission. When the said debt has been extinguished, the rental shall no longer include the interest and sinking fund on the extinguished debt, but the amount of such rentals for each person or company shall be in proportion to the portion of the conduits occupied or reserved by him or it.

Tenders shall be called for the construction of the said conduits and any company coming under the operation of this act may tender for the construction of the said conduits and an appeal shall lie from the acceptance of such tender to the Quebec Public Utilities Commission.

As soon as the said plans, drawings, and specifications of the underground conduits and the rules and regulations mentioned in the foregoing paragraph, are approved by the Quebec Public Utilities Commission, and the contract or contracts for the construction of the underground conduits are given out by the City of Quebec, the city shall, with the approval of the Quebec Public Utilities Commission, appoint a competent engineer who shall alone have the direction and supervision of the construction and maintenance of the said underground conduits, and as soon as such appointment is made, the duties of the three members composing the Electrical Commission shall cease and determine and such commission shall then consist of the engineer so appointed.

The salaries of the members of the said commission charged with the preparation of the plans, drawings and specifications, rules, and regulations, and that of the permanent engineer charged with the supervision of the construction and maintenance of such conduits, shall be fixed by the city subject to the approval of the Quebec Public Utilities Commission, and none of the said engineers shall be dismissed except by the Quebec Public Utilities Commission, after hearing the interested parties.

Vacancies occurring in the said commission charged with the preparation of the said plans, drawings and specifications, rules and regulations, shall be filled in the same manner as the appointment was first made.

An appeal shall lie to the Quebec Public Utilities Commission by the City of Quebec, or by the persons or companies interested, from any rule and regulation or from any decision rendered and any act done by the

596. The City of Quebec and the North Shore turnpike road trustees are hereby authorized to enter into an arrangement for the transfer to the said city of such portion of the Cap-Rouge roads as adjoins the City

of Quebec and fronts on the land above described, upon which conditions as may be agreed upon between them; and, in the event of such arrangement being made, the North Shore turnpike road trustees shall have a right to collect the same rates of toll upon all roads under their control as they are now permitted to collect, notwithstanding that any such road maintained by them shall be less in length than that fixed by section 10 of the ordinance 4 Victoria, chapter 17.

1 Ed. VII., ch. 42, art. 7, 2nd parag.

597. The corporation shall and may retake possession, without payment of any indemnity of the ground of any street, road, market or other public places, upon which any person may have encroached.

599. The sidewalks in all the streets of the city shall be made, kept up and repaired by the proprietor of each immoveable or property fronting on such sidewalk.

If such proprietor neglects to make, keep up, repair or renew such sidewalks, as the case may be, the chief of police shall give him notice in writing to do what is necessary to such sidewalks. This notice should be addressed to or left at the domicile of such proprietor, if he is a resident of the city, or at the house of the occupant of the said immoveable, if such proprietor does not reside in the said city; if the said immoveable has no occupant, then the said notice is not necessary.

If, within eight days following the said notice the works required to be done to the said sidewalks have not been done, then such works shall be done by the corporation, which may compel the proprietor to reimburse the cost thereof. This sum is recoverable as a tax, and in the same manner, and with the same privileges as all other taxes imposed upon real estate in the city; but the proprietor, except in cases of express agreement to the contrary, has no right to oblige his tenant to reimburse him any portion whatever of the same.

600. The curb-stone of every sidewalk in the said city forms part of the said sidewalk; and the said Council may, by resolution to that effect, decree and indicate the streets in which such curb-stone shall be of stone, whatever may be the materials of which the sidewalk is made in such streets, and after such resolution passed

by the Council, the city engineer may, at any time, if he deem it necessary and expedient, require that such curb-stone be laid in stone, the cost being divided between the city and the proprietors, as for the sidewalk itself.

56 Vict., ch. 50, art. 5; 61 Vict., ch. 52, art. 29.

601. Every proprietor who shall so neglect to make, renew, maintain or repair such sidewalks, as the case may be, within eight days from the receipt of such notice, shall be also liable to a fine not exceeding forty dollars, and, in default of the payment of such fine and costs, to an imprisonment not exceeding eight days. After such first condemnation, a similar fine may also be imposed upon such person so in default for every day he shall neglect to do what he is obliged by law to do as aforesaid.

60 Vict., ch. 59, art. 5.

602. 603. Without prejudice to the provisions of the law respecting the making and repairing of sidewalks of the city, the city may, with the consent of three-fourths of the owners of lots on a street or part of a street in the city, make a sidewalk with uniform materials of the said kind on such street or part of street.

1 Geo. V., ch. 47, art. 8.

604. The said sidewalk may be made on both sides of the said street or one side only, according to the con-

sent of the three-fourths of the said owners of lots on either side of the said street.

1 George V., ch. 47, art. 9.

605. The said consent shall be given by a written document, signed by three-fourths of the said owners, and shall be deposited in the office of the city clerk and be submitted for approval of the City Council.

1 George V., ch. 47, art. 10.

606. The Council shall thereupon, by resolution, determine what materials shall be used in making the sidewalks; and after the passing of the said resolution, the city engineer shall call for tenders for making such sidewalks in the same manner as tenders are called for paving streets.

1 George V., ch. 47, art. 11.

607. To pay the cost of such works the city may, and as the same may be necessary, issue and sell bonds in the manner set forth for the loan authorized by the foregoing sections of this act, the proceeds of the bonds to be exclusively devoted to paying the cost of such works.

1 George V., ch. 47, art. 12.

608. The owner of land liable for the cost of the sidewalk shall repay to the city, on demand, one-half of the cost in default whereof the amount so due may be recovered by suit before the Recorder's Court. Such claim shall have the same privilege as municipal assessments and taxes.

1 George V., ch. 47, art. 13.

609. All amounts repaid to the city by the owners for their half of the cost of the sidewalks, shall be placed

in the sinking fund established for the payment of the bonds at maturity:

1 George V., ch. 47, art. 14.

610. When the city lays a permanent pavement in a street or portion of a street, it may at the same time, also make a uniform sidewalk of materials considered permanent and have itself reimbursed one-half of the cost of such sidewalk by the owners of the buildings or lots in front of which such sidewalk is made.

The amount recoverable for such purpose shall be a privileged claim like the assessments and taxes due the city and be recovered from the debtor by suit before the Recorder's Court of the city.

2 George V., ch. 55, art. 18.

611. When a street in the city runs along a lot situate in an adjoining municipality, the proprietor or occupant of such lot shall remove the snow from the half of the street on his side and shall make a sidewalk thereon in the same manner as persons are bound to do whose lots are situate in the city.

2 Geo. V., ch. 55, art. 20.

612. The city may on a resolution of the City Council to that effect, make a sidewalk, wholly or partly of such materials as it may consider of a permanent nature, even when it does not pave the roadway, and it may then cause one-half the cost of such work to be refunded to it by the owners of the buildings or lots along which the said sidewalk is so made.

3 George V., ch. 53, art. 13.

613. Any person desirous of building, reconstructing, demolishing, or repairing, any house, building, enclosure or wall on any street, road, lane, or public place, shall give notice to the city engineer of the time when

such work will be commenced and finished, and obtain from him or other person duly authorized, a permit stating the width upon any such street, road, lane, or public place, such person may occupy, for placing building material or rubbish thereon, and such width shall not exceed one-third of the said street, road, lane, or public place, and shall be enclosed by the person so building, demolishing or repairing, by a wooden fence of at least ten feet high; any person violating any of these provisions shall be liable to a penalty not exceeding forty dollars.

29 Vict., ch. 57, art. 33, parag. 5; 61 Vict., ch. 52, art. 29.

614. The said corporation may charge a reasonable fee for such permit to the person to whom it shall be given.

29 Vict., ch. 57, art. 33, parag. 6.

615. No gallery, window, portico, staircase or other obstruction shall extend or project from any house or building into or beyond the line of any street, lane, road or public place in the said city otherwise than in such manner as may be prescribed and permitted by the By-laws of the municipal council of the said city.

9 Ed. VII., ch. 80, art. 5.

616. The city shall have power to grant to railway and street railway companies, making use of electricity, horses or other motive power, permission to make use of the streets for the purpose of laying their rails.

57 Vict., ch. 58, art. 19.

617. The City Council shall first determine by resolution all the conditions on which it intends to grant such permission; and, when the city and the said company shall agree upon all the said conditions, a By-law

shall be made and passed by the said City Council comprising all the said conditions of the said permission, the said By-law to come into force only after the passing of a notarial contract between the parties, based on the said By-law and in conformity therewith.

57 Vict., ch. 58, art. 20.

618. From the first day of November until the first day of May in each year, the proprietors or occupants of houses, lots or vacant spaces of ground in the city, shall keep in repair and good condition, the roads whereby their property is bounded on every side, conformable to the regulations which may be in force.

29 Vict., ch. 57, art. 33, parag. 8.

EXPROPRIATION FOR PUBLIC IMPROVEMENTS.

619. The Council of the said City of Quebec shall have full power and authority to provide by a By-law of the said corporation for opening, extending or widening of streets, public highways, places or squares, or the construction of public buildings, and to order at the same time that such improvement shall be made out of the city funds, or that the costs thereof shall be assessed in whole or in part upon the pieces or parcels of land belonging to parties interested in, or benefited by, the said improvement, and to purchase, acquire, take and enter into any land, ground or real property whatsoever within the limits of the said city, either by private agreement or amicable arrangement between the corporation and the said city and the proprietors or other persons interested, or by complying with all the formalities hereinafter prescribed, for opening streets, public squares, markets, or other public places, or for continuing, enlarging, or improving the same, or a portion of the same, or as a site for any public building to be erected by the said Council.

29 Vict., ch. 57, art. 35, parag. 1.

620. The construction of public municipal buildings may be decided and ordered by resolution of the City Council.

2 Ed. VII., ch. 48, art. 6.

621. All corporations or bodies, and all husbands, tutors, guardians, curators, *grevés de substitution*, or trustees who are or shall be seized or possessed of, or interested in, any piece or pieces, lot or lots, of ground or real property within the said city, selected and fixed upon by the said Council for any of the purposes aforesaid, may not for themselves, but for and on behalf of all persons whom they represent, or for whom, or in trust for whom they are, or shall be, seized, possessed or interested, whether minors, issue unborn, lunatics, idiots, *femes covert*, or other persons, contract for, sell and convey such piece or pieces, lot or lots of ground or real property to the said corporation; and such contracts, sales and conveyances shall be valid and effectual in law, to all intents and purposes whatsoever, any law or custom to the contrary notwithstanding; and all corporations and persons whatsoever so contracting, selling or conveying as aforesaid, are hereby indemnified for and in respect to such sale or cession which he, she, or they shall respectively make by virtue of, or in pursuance of this act, without, however, diminishing, in any manner whatever, the responsibility of such corporations and persons towards those whom they represent, as regards the purchase money or compensation of such sales or conveyances.

29 Vict., ch. 57, art. 35, parag. 2.

622. In case the Council of the said city, after having resolved upon undertaking and carrying out any of the said works or improvements for which it has been necessary to acquire one or more lots of ground or real property, or any part of such lots of ground or real pro-

perty, within the limits of the said city, cannot come to an amicable arrangement with the persons seized or possessed of, upon any title whatsoever, or interested in, the said lots of ground or real property, or any part thereof; or who may be absent or unknown, as regards the price or compensation to be paid for the said lots of ground or real property, or any part thereof (the said corporation, however, shall not be bound to take any step or proceeding towards securing such amicable arrangement), such price or compensation shall be fixed and determined in the following manner, to wit:

29 Vict., ch. 57, art. 35, parag. 3.

623. Whenever the city cannot come to an understanding with the vendor or person entitled to compensation:

1. Upon the price of an immoveable or portion of a immoveable, or a servitude which the city wishes to acquire, either in connection with the water-works or for the widening, opening or extension of the streets, or as a lot for some municipal building, or the establishing of public parks or squares, or for acquiring an active servitude, right of way, opening a drain or introducing pipes;

2. Upon the price of a servitude upon any immoveable, situate within or without the limits of the city;

3. Upon the amount of damages caused by changing the level of a sidewalk within the city;

4. Finally upon any object whatsoever connected with public improvements, and within the powers of the Council;

In such case the city engineer shall deposit in the office of the city clerk a certificate showing the amount of the price or compensation which he thinks should be allowed the vendor or the person entitled to such compensation on account of such immoveable or portion of

immoveable or of any servitude and expropriation whatsoever as above mentioned.

53 Vict., ch. 68, art. 5; 61 Vict., ch. 52, art. 29.

624. The amount mentioned in such certificate is then tendered by notarial deed to the said vendor or the person entitled to such compensation.

53 Vict., ch. 68, art. 6.

625. If the offer be not accepted, a copy of the deed of tender is deposited in the office of the said city clerk, and the city then applies by petition to the Superior Court, sitting at Quebec, or to a judge thereof, for the appointment of three experts to inspect the place and establish the price or amount of the compensation to be allowed.

A notice of the petition shall be served, at least three clear days before it is presented, upon the person to whom the tender has been made.

53 Vict., ch. 68, art. 7.

626. If the person entitled to such price or compensation has no domicile in the said city, such offers may be made to his agent or attorney, managing such property; in such case, notice of the said petition may be served at the domicile of such agent or attorney.

53 Vict., ch. 68, art. 8.

627. As soon as the petition is presented, the said city may deposit in the office of the said Superior Court, the amount of such legal tender and, after such deposit, the city may take possession of any such immoveable or part of an immoveable mentioned in the petition and exercise the powers conferred upon it by law as if the compensation had been finally determined and paid.

53 Vict., ch. 68, art. 9.

628. Articles 396, 397, 398, 399, 400, 401, 402, 403, 406, 408, of the code of civil procedure apply to references to experts under the charter of the City of Quebec. 61 Vict., ch. 52, art. 25.

629. The experts are entitled to a fee of four dollars a day for the period during which they perform their duties.

53 Vict., ch. 68, art. 11.

630. Immediately after the appointment of the said commissioners, it shall be the duty of the city surveyor to furnish them with a plan or map showing the proposed improvement, as also the pieces or parcels of ground or real estate to be expropriated.

29 Vict., ch. 57, art. 35, parag. 7.

631. The experts may hear the witnesses produced before them by the parties, and at their expense, and also the parties if they deem advisable.

Such witnesses and the parties may be sworn by one of the experts, the examination shall be *vivâ voce*, and the depositions shall not be taken down in writing.

53 Vict., ch. 68, art. 12.

632. The report of the experts shall be made on or before the day fixed for that purpose by the court or judge; it is signed by the experts or made in notarial form and *en brevet*.

In the case of difference of opinion between the experts as to the amount of the price or compensation, their award has full force and effect if two of them agree.

A statement of the costs must accompany the report.

53 Vict., ch. 68, art. 18.

633. As soon as the experts' report is filed in the office of the said court, the city or the parties interested may, after three days' notice to the parties interested, apply to such court or to a judge thereof for homologation of the report to all intents and purposes; and the said court or judge, as the case may be, after ascertaining that the proceedings and formalities, above prescribed, have been duly followed, confirms and homologates the report, which, as regards the parties concerned, is final and without appeal.

53 Vict., ch. 68, art. 14.

634. If the amount awarded by the experts does not exceed the amount tendered the party expropriated may be condemned to pay all the costs of the expropriation; in the contrary case, such costs may be given against the city.

53 Vict., ch. 68, art. 15.

635. If the amount deposited in the prothonotary's office by the city is less than that awarded by the experts, the city shall, within eight days from the homologation of the report, deposit the difference in the said office.

53 Vict., ch. 68, art. 16.

636. As soon as the deposit is made after the homologation of the experts' report, the prothonotary delivers to the city a certificate (*acte*) of such deposit with the description of the immoveable expropriated, and such certificate (*acte*) of deposit constitutes a legal title in favor of the city to the ownership of such immoveable, and is registered accordingly.

53 Vict., ch. 68, art. 17.

637. The said expropriation has the same effect as a judicial sale, as well as in the cases where the compen-

sation is established by mutual agreement.

If the City Council deem it advisable, it may expropriate the whole or a portion only of the immoveable.

53 Vict., ch. 68, art. 18.

638. After delivering such certificate of deposit, the prothonotary must, at the request of any party interested, and at the expense of such party, obtain a registrar's certificate in connection with the said immoveable; he shall also publish, during two consecutive weeks in the Quebec Official Gazette, and twice in an English and in a French newspaper, published in the city, a notice of such deposit, ordering the filing, within eight days from the final publication of the notice, of all oppositions for payment.

53 Vict., ch. 68, art. 19.

639. After the expiration of the delay for filing the oppositions, the prothonotary draws up a report of distribution of the amount of the deposit as in ordinary cases before the court.

Nevertheless, the amount of the deposit is not liable to tax, commission or impost whatsoever.

The costs adjudged or taxed in favor of an interested party, or incident to the proceedings, shall be allocated in favor of those who are entitled to the same.

53 Vict., ch. 68, art. 20.

640. The corporation of the said city may open, continue or widen any streets or highways, and establish public parks or squares, beyond the limits of the said city, and acquire any piece or parcel of land required for any of the said purposes, in the same manner, and by following the same formalities as those prescribed in and by the present act, for similar improvements within the limits of the said city; provided, always, that before exercising any of the powers conferred upon it, by the

present section, the said corporation shall obtain the consent of the municipality within the limits of which such powers are to be exercised, and such last mentioned municipality is hereby empowered to exempt from any tax or assessment, if it sees fit so to do, the public parks, squares or public places to be opened or established as aforesaid.

29 Vict., ch. 57, art. 35, parag. 22

641. Corporations, ecclesiastical or civil, whose property or any part of whose property, shall be conveyed to, or taken by the said corporation of the City of Quebec, under the authority of this act, may invest the price or compensation paid for the property so conveyed or taken, in other real property in any part of this Province, and may take and hold the same, without Her Majesty's letters of mortmain, any law to the contrary notwithstanding.

29 Vict., ch. 57, art. 35, parag. 23.

642. Every person without a domicile or place of business without the limits of the said city, shall be deemed to be absent, within the meaning of the present section.

29 Vict., ch. 57, art. 35, parag. 30.

643. Any bailiff of the Superior Court for the district of Quebec may serve and post up the notifications required by the present section, and make a return thereof under his oath of office.

29 Vict., ch. 57, art. 35, parag. 31.

644. The city is authorized to build one or more free bridges over the river St. Charles to connect Limoileu ward with its other wards and to borrow for such purpose a sum of not more than one hundred and fifty thousand dollars.

It may also subscribe in favor of any person, firm or company a certain amount to aid in building the said bridge or bridges.

Such rights shall not be exercised by the city until it has obtained the consent of the North Shore Turnpike Trustees.

The city may expropriate any land required for such purpose, in accordance with the provisions of its charter.

1 George V., ch. 47, art. 30.

645. The roads now under the control of the Quebec North Shore Turnpike Trust, and which are now within the city limits shall be maintained by the city and be under its control, when the city has built such bridges and opened them for travel.

1 George V., ch. 47, art. 31.

646. Such bridges and their approaches form part of the streets and the roads of the city for all purposes whatsoever, and shall be subject to its laws and By-laws.

5 George V., ch. 88, art. 6.
