"For a period of several years you have largely and cheerfully contributed to the delight and enjoyment of the music-loving citizens of Nanaimo by your rare and splendid musical gifts and although no special recognition had been given, everyone who believes in the uplifting and refining influence of song deeply appreciated your cheerful, voluntary service. A short time ago it came into the minds of a few of the friends of St. Andrew's Presbyterian church to give some formal recognition of their goodwill towards you, and of their hearty appreciation of your efforts, and this social gathering marks the practical issue and consummation of this thought. We have frequently been inspired by your rendering of the heart's deepest yearnings, and emotions expressed in sacred song, and we now embrace this opportunity of giving some tangible expression to our feelings toward you and our recognition of your splendid musical talent. We wish you to accept this slight gift as a visible expression of our appreciation and good will. Think not so much of the intrinsic value of the gift, as of the esteem and affection which prompted it. Service, such as you render, will not fail to call forth feelings of the strongest commendation, and in this presentation of this token of our esteem rest assured that the gift embodies our best wishes, and our most earnest prayers that God may long spare you to use your splendid voice in the sacred ministry of song.

"Not infrequently has God used the service of song to open and meet the heart, and subdue the will when the preaching of the Gospel has failed to reach the heart and influence the life.

"I breathed a song into the air,
It fell to earth, I know not where;
And the song from beginning to end
I found again in the heart of a friend."

Signed by 36 friends.

AMERICAN AND MEXICAN ENVOYS TO SETTLE DIFFICULTIES

Here seated in the auto are the American commissioners. From left to right they are, Robert F. Rose, of the state department, who has the party in charge; H. R. Dodge, secretary of the American commission; Judge Joseph Lamar, of the Supreme Court, and Frederick W. Lebmann, of St. Louis, the two mediators. Below from left to right are: F. De La Regata, one of the Mexican party A. Roderizues, and Emilio Rabasa, two of the Mexican mediators.

ROOSEVELT TO LECTURE.

London, June 4.—Colonel Roosevelt will lecture on his South American expedition before the Royal Geographical Society in London on June 16. He will deliver the lecture in the society theatre, where the accommodation is limited, and only fellows of the society will be admitted. Colonel Roosevelt does not desire to address a large audience in a public hall.

RUSSIA NEEDS CAPITAL.

London, June 4.—A St. Petersburg despatch to the Times says business on the bourse was at a standstill owing to the cessation of foreign investments. In order to attract capital to the country, the despatch adds, the emperor is in favor of removing certain disabilities affecting the participation of Jews in joint stock companies.

DEATH OF MRS. MARGARET RITCHIE

Resident of Nanaimo For Upwards of Twenty Years Passed Away Last Evening After Lengtny Illness.

The death occured last evening of Mrs. Margaret Ritchie, Milton street, relict of the late John Ritchie who died in Nanaimo in 1892. The deceased, had she lived till the twelfth of next month, would have been 80 years of age, has resided in Nanaimo since 1891, coming here from Ontario, being a native of the town of Anncester in that province.

Being an old time resident of the city the deceased was well known by many of its residents. Early last Fall she met with an accident which forced her to her bed and hastened the end which came after months of suffering which she bore with a fortitude seldom seen in a person of her advanced years. She is survived by three sons, William (Nanaimo), Walter (Vancouver), and James (Ontario), and five daughters, Mrs. Arnold (Alberta), Mrs. Dunn (Vancouver), Mrs. Pollard (Victoria) Mrs. T. Horne (Cumberland), and Mrs. W. McKinney (Nanaimo), a brother residing on Owen Sound and a sister in Washington also survive.

Funeral arrangements which are in the hands of Mr. McAdie are not yet complete.

STRIKE COMMISSION PROPOSED.

Washington, June 4.—A federal commission to settle the Colorado strike troubles was proposed to President Wilson today by Senator Owen who announced his intention of introducing a bill for such a body.

TACOMA HAS LEPROSY

Tacoma, June 4.—J. Katu, a Japanese who entered a local hospital last week supposing to be suffering from erysipeles is now found to be a leper and consternation exists throughout the city.

"MOTHER" JONES IS DEBARRED

Immigration Authorities Will Not Allow Woman Speaker to Enter Canada to Make a Speech at Nanaimo.

"Mother" Mary Jones, organizer of the United Mine Workers of America, was not permitted to board a Canadian Pacific steamer bound for Vancouver today, says yesterday's Vancouver Province, being stopped at the gangplank by a Canadian Pacific official. The United Mine Workers have filed a protest with Secretary of Labor, Wilson, at Washington.

"Mother" Jones was on her way to speak to the miners at Nanaimo Saturday. The police thought that for the best interests of all, she should be debarred from making her talk. The Nanaimo miners have sent a deputation to Seattle in an attempt to get her through.

A despatch to The Herald last night states "Mother" Jones had left Seattle for Denver where she will continue the fight on behalf of the striking miners of Colorado. Before leaving Seattle she despatched a wire to Secretary of Labor Wilson at Washington requesting him to take up the matter with the Canadian authorities at Ottawa and obtain permission for her to enter Canada and address the strikers at Nanaimo.

Vancouver, June 4.—At a meeting of the Trades and Labor Council this evening a resolution was passed which will be forwarded to H. H. Stevens M.P. in reference to the refusal of the immigration authorities to allow "Mother" Jones to enter Canada. The resolution states that the authorities had better devote their attention to Orientals and other undesirables as there was no danger of a woman 80 years af age inflaming the populace of British Columbia.

HUNDREDS ARE STILL ENTOMBED

More Than Eight Hundred Bodies Still Remain Entombed in Sunken Steamer Empress of Ireland.

Quebec, June 4.—Over eight hundred bodies are entombed in the sunken Empress of Ireland. Interest here now centres in the disposition of the submerged liner. The official announcement of the names of the saved and the lost, and the report late last night of Captain Pouliot, of the government steamer, Lady Evelyn that careful cruising of the waters for miles below the scene of the disaster has failed to find further dead, has been followed with public anxiety to learn the plans of the authorities as to the disposition of the ill-fated vessel. Many relatives here, who have failed to identify their lost among the bodies already taken from the waters will remain here until the C.P.R. decides what action it will take.

The remains of a little girl who was washed ashore at Metis Beach, some eighteen miles below Father Point, reached here this morning. The child is a beautiful girl. There are no bruises on the body. The ruddiness of her appearance is in striking contrast to the pallor of the other bodies recovered. The officials believe the remains to be those of the daughter of Frank Brooks, a Salvation Army officer of Toronto. When the little coffin was opened it was found that a boquet of forget-me-nots had been placed in the dead child's hand, with a card written in a round girlish hand:

"Kindly accept my kindest and sincerest sympathy. May she rest in peace. If identified, I would like to know."

It was signed by Eileen Tuggy, the 13-year-old girl who found the body on the beach. Across the tiny form, too, there was a wreath of lilies of the valley, evidently woven by sympathetic amateur hands, attached to which was a note penciled; "As a token of respect from those who found her."

YOUNG LADIES CLUB MAKES PRESENTATION

At the farewell reception tendered Wednesday evening by the congregation of the Wallace street Methodist church to the retiring pastor, Rev. S. J. Thompson and his wife, Mrs. Thompson was presented by the members of the Young Ladies Club with a silver card case and purse, together with an address, worded as follows:

Dear Mrs. Thompson:-

On this, the eve of your departure for a new field of work, we, The Young Ladies' Club of Wallace street Methodist church feel that we cannot let you go without showing, in some measure our appreciation of your valued assistance and ever ready advice to us, a body of young christian workers. We ask you to kindly accept this little remembrance accompanied by the best wishes of the club. We trust that in issuing same you will be reminded of the friends and co-workers at Nanaimo. It is the desire of the Club that you may feel assured of the earnest prayers following you and that the labors of Mr. Thompson and yourself may be greatly honored and blessed by Him, the God and Father of us all.

Signed on behalf of the Club,
F. BRADFIELD, Pres.
ENA. IRVINE, Secy.

GAINED ADMITTANCE TO ROYAL DRAWING ROOM

London, June 4.—Despite the extra precautions taken, a suffragette gained admittance to the drawing room of Buckingham Palace tonight and falling upon her knees before the King shouted: "Your Majesty! Won't you stop torturing women"? The woman was seized and carried from the room. She refused to disclose her identity.

Mr. Harry Harvey and orchestra gave a very enjoyable dance in the Assembly Hall Wednesday night. It was well attended and dancing was kept up till 2 o'clock.

FORCIBLE ATTEMPT TO HOLD-UP THE KING

London, June 4.—An attempt forcibly to "hold up" King George at tonight's court at Buckingham Palace is the latest conspiracy laid to the suffragettes. The Evening Standard, who is responsible for the story, says the police discovered elaborate plans for obtaining access to the court, including forged cards of admission. The alleged plot is credited to Mrs. Emmeline Pankhurst. Precautions have been taken, it is believed, which will make it impossible to carry out the plan.

Police arrangements at the court are likely to prove irksome for the King's guests. The procession of carriages arriving at the palace will have to run the gauntlet of a cordon of plain clothes detectives and police stationed at the approaches.

Every carriage will be held up and every woman will have to produce credentials. Detectives acquainted with the features of the leading militants will scrutinize the moving throng.

REV. HEDLEY IS GIVEN FAREWELL

Gathering at Haliburton Street Methodist Church Say Farewell to Mr. and Mrs. Hedley Who Leave For Armstrong.

There was a large attendance of the members and friends of the Haliburton Street Methodist Church on Wednesday evening to bid farewell to the Rev. and Mrs. Hedley, who have completed their period of ministerial service in connection with the above church.

A purse of gold amounting to $65 was presented to them by Mrs. Rowe and an address reviewing the work done was read and heartily endorsed by those assembled.

After the reading of the address, several present gave expression to their regret at Mr. Hedley's removal and their well wishes for his success in his new sphere of work. Mr. Hedley replied, thanking the friends for their kind remembrances of him and his work and expressing the hope that he might be privileged to pay them a visit at some future time. The audience was then served with refreshments and dispersed to their homes after the singing of "God Be With You Till We Meet Again."

The following address was read:

To the Rev. J. W. Hedley, M. A.,

Dear Sir,—We are met together tonight for the express purpose of bidding yourself and Mrs. Hedley goodbye, at the expiration of a unique pastorate in many respects. It has been unique in exceeding in its duration that of any previous one, demonstrating, amongst other things, the earnestness and devotion which you have evinced, and the qualities of mind and heart which have shone so brightly in the discharge of your ministry, during the most successful period in the history of this church.

It has been unique in its brilliant financial record. Independent altogether of the fact that during the first two years of your pastorate, you were able to command a larger stipend than had been paid to any previous pastor, through your tactful driving there has been raised for trust purposes during your pastorate about one half of the total amount raised during the whole of the last fifteen years, so that at the present time, exclusive of the value of the land, we have property estimated at over $7000. During the three years that have just elapsed, a new parsonage has been built at a cost of over $2000. You came amongst us at a time too, when there was absolutely no provision for a married minister, and little possibility of any provision being available, owing to the scarcity of houses, and we cannot forget the discomfort you willingly put up with for some months in your humble basement home. Neither can we overlook the very laborious physical labor, which you have more than once undertaken, personally, in doing needful repairs to the church property and grounds, disguised as a shingler or janitor.

It has been unique too, in the expedients to which you have resorted in accomplishing spiritual results. Whilst you have never ignored old methods, so far as they could be

FAVORS LLOYD GEORGE'S SCHEME

Millionaire Soap Manufacturer Says Lloyd George's Scheme is Ideal System of Taxation Both Local and Imperial

London, June 4.—Under the new scheme of taxation introduced by David Lloyd George, chancellor of the exchequer in his budget for 1914-15 a man having an income from a capital of five million dollars will have to pay one-third of his income in taxes.

In the first place he has to pay twenty-eight cents on every five dollars income tax; then he has to pay a similar amount in super-tax, and when he dies one dollar on every five of what is left has to be paid for death and estate duties. The total is figured at just under one-third of the income.

This calculation has been made by Sir William Lever, one of the millionaires who will have to pay, but who does not object.

"I like it," he said. "In my view the ideal system of taxation, both local and imperial, is through the income tax, the super-tax, death duties land tax, site value tax, and taxation upon luxuries, such as alcohol, tobacco, etc. Everything else free."

While Mr. Lloyd George has followed his predecessors in his system of taxation, except that he has increased the rate of income and super-tax and death duties, so that the wealthy have to pay the lion's share, he has gone to other countries for some of his ideas. His taxation of site values is based on the law now in vogue in British Columbia, while he has gone to the American income tax law for the idea of making money accruing to British subjects from investments abroad pay its share of taxation.

In recent years British capitalists have made immense investments in foreign countries. When the income from these investments was brought home to be spent, the government, under the old law, levied income tax on it; that is, when the government could discover it. But when the income was re-invested abroad, the old law did not touch it. Now Lloyd George says all income of British subjects resident in the United Kingdom must contribute to the imperial revenue. These foreign investments are estimated at over a billion and a half dollars, and from this the chancellor hopes to secure $1,250,000 this year, and double that amount next year. The total increase of revenue from income tax and death duties this year will amount to something like $44,000,000.

In spite of these increases, Sir George Paish, editor of The Statist, says the burden of taxation is much smaller than it has been in modern history. In 1880, when the expenditure came to $415,000,000, it was raised out of a national income of five

"There are good grounds," he says "for believing that the income and wealth of this country will double again in another thirty years. When it reaches twenty-five billion dollars and I have no doubt that it will within a generation, a budget of two and a half billion dollars will be borne more easily than the burden of a billion dollars in 1914."

STRIKING COLORADO MINERS ARRESTED

Canon City, Colo., June 4—Twenty-seven striking miners were arrested here today on indictments charging grand larceny in connection with the capture of the Chandler mine of the Victor American Fuel Co. several weeks ago. The men are in jail in default of $2,500 cash bail in each case.

Thirty seven others are to be arrested tomorrow on a similar charge.

NANAIMO LAKES

There is a finely appreciative article in this week's issue of the "Saturday Sunset" on Vancouver Island as the happy hunting ground of coast motorists. Generous tribute is paid to the condition of the roads and the climate is described as unexcelled, while there is an eloquent appreciation of the scenery to be seen. In this connection reference is made to the Nanaimo Lakes, and here is something that requires united action on the part of the city. Few autoists cross the road to Alberni without at the same time paying a visit to Sproat Lake. There is a good road to the lake and it is consequently very easy to get to. The case is not the same with Nanaimo Lakes. It would not be a difficult or costly matter to make a fine auto road into the lakes, but at present we doubt if the trip could be accomplished in a motorcar. Yet for scenic beauty, to say nothing of the sport they offer to anglers and hunters, the Nanaimo Lakes would be hard to beat. They are an asset on which the city has never realized. The road has been patched up from time to time, but it has never been pernamently laid down. The result is that it is usually washed out every winter, and as a consequence a good deal of tourist traffic is lost to Nanaimo. The matter is one which could be taken up with considerable advantage to the city.

ANTI-TIPPING BILL.

There is an anti-tipping bill before the Canadian Senate. As was natural the measure has been treated rather as a joke, and has been made the subject for a good deal of light and flippant discussion. The bill, however, has its serious side and it would be a good thing if Canada were to lead the way in anti-tipping legislation. We are all satisfied that tipping is both a nuisance and a curse. In some instances it almost amounts to blackmail, and at the best it is a serious charge on the travelling public. There are hundreds and thousands of men whose only source of income is the tips they receive from the public. These men in very many cases pay a premium to obtain their positions, and never receive a dollar in wages. The system is not only unfair to the public, but is an actual degradation to the men living on it. No man who is dependent upon tips for his living can be a man or act the man's part. He is regarded as a menial, and in view of the bounty he is looking for from his patrons, must necessarily be cringing and servile in his attentions, and submit to censure and insults in silence. Such a system is a disgrace to our civilization, and is the strongest possible argument in favor of the abolition of tipping. This is the view taken by some of the waiters' unions, and their support of the measure now before the Senate ought to ensure its acceptance by the House of Commons. The general public would welcome it, and the sooner it becomes law the better for all concerned.

C. N. R. AGREEMENT.

The Canadian Northern railway agreement has gone to the Senate. The measure has been opposed at every stage by the Liberals, and now if Sir Wilfrid wishes, he can secure its rejection by the Senate. We hardly imagine, however, that Sir Wilfrid will go so far as this or that even the most extreme of his followers in the Commons would want him to do it. To a very large extent the prosperity of Canada is dependent upon the full resumption of railway activity. It is not only in the extra labor that will be employed that the country will benefit, but it will set free large sume of money for circulation. British Columbia particularly will be the gainer. In their determination to link up the whole Canadian Northern system from ocean to ocean, Messrs. McKenzie & Mann have pushed construction to the limit. A great deal of the work was carried out on credit pledges, and both borrowers and lenders had gone as far as they could. The passage of the new agreement will relieve the tension of this situation. The money now pledged in the railway will be repaid, and the original capital will again come into circulation. This will mean a great deal to the business and trade of the province. It will create a stimulus just now when it is most needed, and by the time the Canadian Northern is completed the province will be feeling the effects of the opening of the Panama Canal and the operation of the Grand Trunk Pacific. There may be some reason to believe that the Dominion is getting its railways at too great cost to itself. There are many who oppose the granting of assistance to the Canadian Northern merely on personal objections to McKenzie and Mann. The sane view to take is that when such a vast undertaking as the Canadian Northern Railway has so nearly reached completion the government is best serving the credit and material interest of the country by rendering it all reasonable assistance. The sooner the new agreement is ratified by the Senate the better it will be for the trade and business of the Dominion as a whole and for British Columbia in particular.

Under the title "Little Stories of Nature," H. Mortimer Batten in the June issue of ROD AND GUN (published by W. J. Taylor, Limited, Woodstock, Ont.) relates some interesting and curious facts concerning plants and animals entrusted to Dame Nature's care. Among the list of good things it contains, special mention may be made of "A Dog's Confession," the fascinating autobiography of an unfortunate dog; "One Hundred Miles in the Guide's Special," descriptive of a canoeing trip in Timagami Forest Reserve; "A Gay Deceiver" an entertaining tale with the Boy, the "Princess," and the big trout as central characters. As regards both text and illustrations the June number is well worthy of perusal by all interested in the out-of-doors.

Fourteen or fifteen dog owners of the South Cowichan district have been summoned to appear before Mr. Maitland-Dougall in the provincial court house on Friday to answer charges of breaches of the Federal dog muzzling order. These will be the first cases to be tried under the Federal order.

DAMAGE FROM WIND.

Watertown, S. D., June 4.—A severe windstorm did $25,000 to $50,000 damage in this section last night, according to reports received today. The storm was the sequel of the hottest early June day on record, 98 degrees.

LINES AMALGAMATE.

London, June 4.—The Shipping Gazette learns that an agreement has been reached for the amalgamation of the three great Japanese lines, the Nippon Yusen Kaisha, the Osaka Shoshen Kaisha and the Toyo Kisen Kaisha.

REV. HEDLEY IS GIVEN FAREWELL

(Continued from Page 1)

applied, the class meeting, the weekly prayer meeting, the Sunday school you have never hesitated to tread in new paths when they have commended themselves to your judgment as being more direct or as suppiying the missing link to a successful church organization. The existing Junior and Senior Leagues will, we think remain as standing monuments of your judicious care for the young people of our church. This we gratefully recognize as the most successful and important feature of your ministry with us. Your personality has been a magnet of almost irresistible spiritual power, and in your departure from us, there will remain many who will feel that something has been taken out of their lives. Some thing which it will be hard to replace.

It has been unique in linking together for the first time in a common brotherhood the white and the Indian work in this locality and demonstrating that our Indian brothers and sisters are responsible to the claims of the same glorious Gospel and can intelligently make use of the same shibboleth.

Your ministry has been unique in its spiritual results to which we have already alluded. You found on coming amongst us a membership of less than half what it is today. We thank God for so many who have been influenced for good, and whose lives have been made bright and happy by your instrumentality. We recall tonight not only your fervent evangelistic labors, but also the individual personal appeal, your visits to our homes, and the direction you have given to consecrated Christian effort in so many ways, e. g. the ladies' aid, the ladies' guild, the choir the hospital and jail services, etc. By these and other ways you have succeeded in allaying discord and friction, stifling little jealousies and jarring elements which are sometimes apt to assert themselves.

We had hoped that your pastorate which has been maintained and persisted in amid so much discouragement, might have been extended for another year, but we bow to the will of God, knowing that He can make no mistake.

In conclusion we ask yourself and Mrs. Hedley to kindly accept this slight token of our love and esteem not for its intrinsic value, but as a small practical expression of our sincere wishes for your future happiness.

Signed on behalf of the White and Indian Departments of the work,

J. BARSBY, Recording Steward.
T. BRYANT,
Sec.-Treas. Trustees.
MRS. M. A. ROWE,
Pres. of Ladies' Aid.

For the second time the Royal Mail liner Radnorshire put to sea yesterday for London via the Orient. When eight days' steaming from the Columbia, Captain Willats discovered that his fuel supply would not last until he reached the Orient, and the ship was turned about and headed for Comox, where her bunkers were filled with the British Columbia product.

ACCIDENTALLY KILLS GIRL

Lethbridge, Alta., June 4.—The accidental discharge of a shotgun today by Gordon Young, a 15-year-old boy, in the parlor of the house on a ranch south of Raymond, resulted in the death through injuries to Lavona the 19-year-old daughter of C. H. Dudley.

GOVERNOR KNIGHTED.

St. John's, Nfld., June 4.—Governor Davidson has been created a knight commander of St. Michael and St. George in the King's birthday honors. Francis Berteau, auditor-general, is created a companion of the

The corner stone of the Dominion government building, Third avenue and Angus street, Port Alberni, will be laid some day next week, probably on Thursday afternoon. Arrangements are being made to have a few distinguished visitors in that city for the occasion.

A Polish scientist is the inventor of a motion picture camera which can be carried in the hand and which is operated by compressed air as long as a button is pressed.

SIR D. STRAIGHT DEAD.

London, June 4.— Sir Douglas Straight, honorary treasurer of the Newspaper Society and of the Institute of Journalism died last night. He was born in 1844, Sir Douglas was editor of the Pall Mall Gazette in 1896-1909. For a time he was a noted criminal lawyer, and in 1874 was appointed commissioner to inquire into corrupt practices at Boston.

NOTICE

During my absence from the city my son, Charles Wilson Jr., will hold my power of attorney, and will also attend to my carpenter business.

WATER NOTICE

Application for a license to take and use and to store or pen back water will be made under the "Water Act" of British Columbia, as follows:

The name of the applicant is The Qualicum Water Company. The address of the applicant is Qualicum Beach, Vancouver Island. The name of the stream is Mosquito Creek. The stream has its course in the Hamilton Swamp, D.L.s. 34 and 42, Newcastle district, and flows in a northerly direction and empties into the Gulf of Georgia, about two miles east of the Little Qualicum River. The water is to be diverted from the stream on the west side about 1,000 feet from the mouth. The purpose for which the water will be used is waterworks purposes. The land for which the water is to be used is described as follows: Lots 54 to 63 Newcastle district and adjacent property. The quantity of water applied for is as follows: 1 cubic foot per second. This notice was posted on the ground the 23rd day of May, 1914.

A copy of this notice and an application pursuant thereto and to the requirements of the "Water Act" will be filed in the office of the Water Recorder at Nanaimo, B. C. Objections may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B. C.

8320

The loose-fitting coat, flaring widely at the bottom, with raglan shoulder and large patch pockets, is the popular model this spring for the top coat. It may be made of tweed in one of the invisible mixtures, or of black and white plaid or in one of the new colored checks which have been shown lately in some of the imported street suits. A top coat of this sort is a very practical garment in any wardrobe. It may be slipped on over the tailored suit for motoring or driving, or it may be worn with a short skirt for golf and other sports. This model, No. 8320, is a single-breasted raglan coat which may be made with or without the large pockets. It could be suitably developed in fine hard-finished serge, if tweed or plaid are not fancied. The old-fashioned tan Covert cloth too is coming back in these coats. To copy this design in size 36, 3⅝ yards of 42-inch material are needed. The pattern is cut in six sizes, 34 to 44.

This is a Perfect Pattern.

Be sure to give right size, measuring over the fullest part of the bust for dimensions.

The pattern may be obtained by sending name and address, pattern No. and size and fifteen cents to DAVID SPENCER, LIMITED.

STEPHEN JONES, Prop.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining right of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the North-west Territories and in a portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,500 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-agent in the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal sub-divisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10.00 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or sub-agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

N. B.—Unauthorized publication of this advertisement will not be paid.

Sealed Tenders addressed to the undersigned, and endorsed "Tender for Drill Hall, Vancouver, B. C.," will be received at this office until 4 p. m., on Monday, June 29, 1914, for the construction of the aforesaid building.

Plans, specification and form of contract can be seen and forms of tender obtained at the offices of Messrs. Perry and Fowler, Architects Vancouver, B. C., at the office of Wm. Henderson, Resident Architect, Victoria, B. C., and at this Department.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures, stating their occupations and places of residence. In the case of firms, the actual signature, the nature of the occupation, and place of residence of each member of the firm must be given.

Each tender must be accompanied by an accepted cheque on a chartered bank, payable to the order of the Honourable the Minister of Public Works, equal to ten per cent (10 p. c.) of the amount of the tender, which will be forfeited if the person tendering decline to enter into a contract when called upon to do so, or fail to complete the work contracted for. If the tender be not accepted the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender.

By order,
R. C. DESROCHERS.
Secretary.

Department of Public Works.
Ottawa, May 23, 1914.

Newspapers will not be paid for this advertisement if they insert it without authority from the Department.—60551. 3t.

Sealed Tenders addressed to the undersigned, and endorsed "Tender for Public Building to be known as Postal Station "C" Mount Pleasant, Vancouver, B. C.," will be received at this office until 4 p. m., on Monday, June 22, 1914, for the construction of the aforesaid building.

Plans, specification and form of contract can be seen and forms of tender obtained at the offices of A. Campbell Hope, Esq., Vancouver, B. C., Wm. Henderson, Esq., Resident Architect, Victoria, B. C., on application to the Postmaster, Vancouver B. C., and at this Department.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures, stating their occupations and places of residence. In the case of firms the actual signature, the nature of the occupation, and place of residence must be given.

Each tender must be accompanied by an accepted cheque on a chartered bank, payable to the order of the Honourable the Minister of Public Works, equal to ten per cent (10 p. c.) of the amount of the tender, which will be forfeited if the person tendering decline to enter into a contract when called upon to do so, or fail to complete the work contracted for. If the tender be not accepted the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender.

By order,
R. C. DESROCHERS,
Secretary.

Department of Public Works,

MERE LADS FIGHT IN REBEL ARMY.

Here are pictured two of the boy soldiers in the rebel army which captured Tampico. Newspaper correspondents have cabled back many stories about these child fighters who range in age from 11 to 18 years. Most of them can handle a rifle like a veteran and they stand the hardships of camp life, the long marches and the other sufferings incidental to war, as well as their elder companions.

UNION BANK OF CANADA

News of Sport

GARRISON CRICKETERS WIN ONCE MORE

The Garrison cricket club added another victory to their record yesterday afternoon when they again defeated the local eleven, the second time in consecutive days. Again the Garrison bowler Williams proved too much for the home bats, and again he was ably seconded by Hobday, the former taking 7 wickets for 22 runs and the latter 3 for 17. The home side was all dismissed for 42 runs, Leighton and Wilton being the only men to show any form, the latter playing particularly well for his 13.

The Garrison did not do as well as the day before with the bat. In all they just topped the century and smart fielding would easily have cut down this total by 20 runs. Williams was again top scorer with 25, but Captain Cooper played a sound, steady innings for 23. Jessop also got into double figures, helping himself to 4 fours before he was bowled by Leighton. Hindmarch came through with the rather good average of 5 wickets for 22. The following are the scores:

NANAIMO.

A. Leighton b Hobday	13
R. Hindmarch b Williams	1
H. Jepson b Williams	4
G. Wilton c Hobday b Williams	13
W. Bamford b Williams	5
Kent b Williams	0
J. Partington b Williams	0
Gray b Hobday	1
Smith b Williams	0
R. Cape, not out	1
C. Sutherland c Harper b Hobday	0

Brassey, not out	4
Byes	9
Total	101

RESOLUTE WON THE SECOND TRIAL RACE

Rye, New York, June 3.—Sailing under almost perfect weather conditions, the Herreshoff-designed Resolute defeated Alexander S. Cochran's Vanitie today in the second trial race for 75-foot sloops, candidates for America's Cup defender in the races set for September against Sir Thomas Lipton's challenger, Shamrock IV.

The Resolute's victory over the Gardner boat came after a 25½ mile race on the waters of Long Island Sound by a margin of 11 seconds. On estimated correct time this was increased to 3 minutes 12 seconds.

Yachtmen were not so much concerned with the time as they were satisfied with having seen the two cup defence aspirants competing under far more favorable conditions than those prevailing in yesterday's initial contest, when the Vanitie was returned victor by a margin of many minutes in winds of the flukiest nature.

Nautical experts feel that tonight they had a better line on the ability of the two sloops than could be formed from Tuesday's race.

Today's test proved little beyond the fact that in the present conditions of the boats the Resolute is a trifle faster in moderate airs. The Vanitie's sails are not yet setting satisfactorily, although in a run-off wind she appears a trifle faster, the advantage of several weeks of tuning up by the Resolute showed clearly. Until the Vanitie has further opportunity for a thorough tuning up, and the yachts have met in a strong wind, close fallowers of yachting will be loathe to express any opinion regarding the relative merits of the sloops.

BIG SCORES IN OLD COUNTRY CRICKET

London, June 4.—Worcestershire were the victims of the most decisive defeat of the cricket season when they were beaten by an inning and 321 runs by Warwickshire in a county match at Dudley, started on Whitmonday. The match, which took over two days to finish was featured by some splendid batting by Warwickshire. Captain F. R. Foster registered the highest score of the season with 305 not out, while Parsons also hit up a century for the winners. 102. In the second innings F. E. Field bowled brilliantly, six of Worcester's wickets falling for two runs, this being the second best performance for any first-class bowler.

At Leicester, the Leicestershire eleven beat Northamptonshire by 214 runs. Coe, for the winners, batted well, compiling a total of 252 off Northampton's offerings, while Mounteney scored 55 and Whitehead 52. S. G. Smith was Northampton's best batsman with 54 and G. J. Thompson made 52.

Somerset defeated Gloucestershire by seven wickets at Taunton, B. L. Bisgood compiling a century for Somerset, his total being 116. Stanley Rippen with 60 and J.C.W. McBryan with 61 were also high scores.

For Gloucester, Dipper equalled his last year's high score with 168 not out, being the exact number with which he headed Gloucester's high scores last season. S. O. H. Sewell batted well with 113.

PITCHED BALL FATAL.

Tompkinsville, Ky., June 3.—While playing a ball game here yesterday, Bill Hammer, 21 years old, a school teacher, was struck on the head by a pitched ball while batting, causing the rupture of a blood vessel of the brain, from the effects of which he died today.

ANNEXED BY FRANCE.

Paris, June 3.—The French colonial office today announced the annexation by France of the Wallis Islands in the Southern Pacific. The group, consisting of about forty square miles of territory with 4,500 inhabitants, has been a French protectorate since 1887. It lies northeast of Fiji.

ALEXANDER E. ORR DEAD.

New York, June 3.—Alexander E. Orr, former president of the old Rapid Transit Commission, and one of the most prominent merchants in this city, died today, aged 84. He was elected president of the New York Life Insurance Company when he was nearly 75 years old.

VITALITY REGAINED KIDNEYS CURED

Health Restored By "Fruit-a-tives"

HAGERSVILLE, ONT., Aug. 26th. 1913.

"About two years ago, I found my health in a very bad state. My kidneys and liver were not doing their work, and I became all run-down. I felt the need of some good remedy, and having seen "Fruit-a-tives" advertised, I decided to try them.

Their effect, I found more than satisfactory. Their action was mild and the results all that could have been expected.

My liver and kidneys resumed their normal action after I had taken upwards of a dozen boxes, and I regained my old time vitality. Today, I am as well as ever, the best health I have ever enjoyed, and I unhesitatingly give you this testimonial for publication if you wish"

B. A. KELLY.

In hundreds of letters received by the Fruit-a-tives Company, the same expression is used "Fruit-a-tives is the best kidney remedy in the world". At any rate, these tablets have proved the best to the hundreds of men and women who have been cured by taking them. 50c a box, 6 for $2.50, trial size, 25c. At all dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

FIRE AT MANSFIELD

Mansfield, Wash., June 3.—Fire today destroyed all business buildings here except the bank and the office of a lumber company. The loss is $150,000.

MAY GIVE BENEFIT FOR EMPRESS SUFFERERS

London, June 4.—The theatrical profession is considering the advisability of organizing a performance in aid of sufferers through the Empress of Ireland disaster, which will also mark the profession's tribute toiLaurence Irving's memory.

Additional subscriptions to the general fund are: Lady Strathcona, 500 pounds; W. M. C. Singer, 500 pounds; H. Mortimer Singer, 300 pounds; Lord Michelham, 200 pounds; anonymous, 155 pounds; to-

The Revelstoke estimates this year are seven thousand dollars in excess of those of last year, and are expected to cause an increase in the tax rate of two and a half mills.

CORPORATION OF THE CITY OF NANAIMO, B. C.

A BYLAW, NO.—

To authorize the borrowing of the sum of Thirty thousand dollars for the purpose of improving and extending the distribution system of the Water-works of this city, and to reimburse the general revenue of the City for advances made during the year 1913 for water-works construction account in anticipation of a loan being raised, and

Whereas the proposed extension of the distribution system will materially increase the revenue for the said Water-works, and

Whereas in order to carry out the proposed extension and improvements, it will be necessary to raise by way of debentures upon the credit of the City of Nanaimo, the sum of Thirty Thousand Dollars, repayable in twenty-five years from the date hereinafter fixed for this Bylaw to take effect, with interest in the meantime payable half yearly at the rate of 5½ per cent per annum, and

Whereas it will be necessary to raise in each year, during the currency of any or all said debentures, by special rate for the purpose of paying the said debt and interest, the sum of $2472.81, whereof the sum of $1650.00 is to be raised annually for payment of interest during the currency of the said debentures, and $822.81 is to be raised annually for the purpose of creating a sinking fund for the payment of the debt secured by the said debentures, and

Whereas the whole rateable property of the Corporation of the City of Nanaimo, according to the revised assessment roll for the year 1913 is $4,907,555.00, and the total existing debenture debt of the said city is $599,500.00, exclusive of works of local improvement and for school purposes, and

Whereas this bylaw may not be altered or repealed except with the consent of the Lieutenant-Governor-in-Council.

Be it therefore enacted by the Municipal Council of the Corporation of the City of Nanaimo as follows:

1. For the purpose of improving and extending the distribution system of the City of Nanaimo within the corporate limits, and the repayment of certain expenditures on water works construction account, it shall be lawful for the Corporation of the City of Nanaimo to raise or cause to be raised by way of loan from any person or persons, body or bodies corporate who may be willing to advance the same upon the credit of the debentures hereinafter mentioned, a sum of money not exceeding in the whole the sum of Thirty Thousand Dollars, and cause the same to be paid into the hands of the Treasurer of the said City for the purpose and object before recited.

2. It shall be lawful for the said corporation to cause any number of debentures to be made, executed and issued, not exceeding in the whole the sum of Thirty Thousand Dollars for such sums of money of not less than $100.00 each, as may be required, and all such debentures shall be sealed with the seal of the said Corporation of the City of Nanaimo, and be signed by the Mayor of the said City and countersigned by the City Clerk.

3. The said debentures shall bear date of the 2nd. July, 1914, and shall be payable in twenty-five years from said date, at the office of the Corporation of the City of Nanaimo, and shall have attached to them Coupons for the payment of interest and the signature or signatures to the said coupons may be either written, stamped, printed or lithographed.

4. The said debentures shall bear interest at the rate of 5½ per cent. per annum from the date thereof which interest shall be payable half yearly on the second day of January and July, in each and every year during the currency of said debentures at the office of the Corporation in the said City of Nanaimo.

5. There shall be raised and levied in each year during the currency of the said debentures the sum of $1650.00 for the payment of interest, and the sum of $822.81 for the purpose of creating a sinking fund for the payment of the debt due under the said debentures, making in all the sum of $2472.81.

6. There shall be levied and raised in each and every year until the said debentures and interest thereon shall be paid, a special rate on all rateable land or improvements or real property of the City, in addition to all other rates, sufficient to pay the interest and create a sinking fund for the payment of the debentures.

7. It shall be lawful for the Mayor of the said Corporation to dispose of the said debentures at a rate below par, and to authorize the Treasurer to pay out of the sums so raised by the sale of the said debentures all expenses connected with the preparation of the debentures and coupons, or any discount or commission or other charges incidental to the sale of said debentures.

8. This Bylaw shall take effect on the 2nd. day of July, 1914.

9. This Bylaw may be cited as the Water Works Loan Bylaw, 1914.

10. This Bylaw before the final passing thereof, shall receive the assent of the electors of the City of Nanaimo, in the manner provided by the Municipal Act.

Passed on the 18th May, 1914.

NOTICE

Take notice that the above is a true copy of the proposed Bylaw, upon which the vote of the municipality will be taken at the Old Court House, Front street, Nanaimo, on Monday the 8th day of June, 1914, from 9 o'clock a. m., to 7 o'clock, p. m.

S. GOUGH, City Clerk.

VOLUME XIV | NANAIMO, VANCOUVER ISLAND, BRITISH COLUMBIA, SATURDAY MORNING, JUNE 6, 1914 | NUMBER 78

NANAIMO NEEDS MORE TEACHERS

Local Board of School Trustees Has Decided to Open Two Additional Rooms and Appoint Teachers For the Same.

There will be twenty-five teachers on the staff of the public schools of this city after the midsummer holidays. This was assured at a meeting of the Board of School Trustees yesterday afternoon when it was decided to open two additional rooms, thus necessitating the appointment of two more teachers.

There were present at the meeting, Trustees Mrs. Skinner, Jno. Shaw, Thos. Hodgson and Chairman A. E. Planta; Principal Archer also being in attendance.

A communication was received from Mr. Alexander Robinson, superintendent of Education, inclosing a circular descriptive of the Dominion Exhibition to be held at Victoria during September, and stating he would be pleased to have the Nanaimo Board of School Trustees consider the proposal of sending an exhibit of school work.

On motion of Mr. Shaw, the communication was referred to Principal Archer who will ascertain what arrangements can be made toward procuring an exhibit for the big Victoria Fair.

Principal Spencer of the Manual Training School reported to the Board as follows:

The tap in the Manual Training room is defective. Much water is running to waste. The repair ought to be taken in hand without delay.

Mr. Dunnell paid a visit on the 21st inst. He recommended that the complete outfit for the room be obtained before the accounts were sent to Victoria. A desk and chairs are required for the teacher's room. The latter are very desirable, for we have no seats to offer to a visitor. The former is required for registers and the like.

Mr. Dunnell also stated what I have already found out, viz, that fir, spruce and cedar, such as were obtained so that a start could be made, and which were, therefore, makeshifts are not suitable for Manual Training purposes. He recommended that a supply of White Pine, Maple and Canary-wood be got before the accounts are sent up. If you approve, I will get out my estimate of quantities before you next meet, so that steps may be taken to obtain the lumber. Of course, what we have in will be used.

On motion of Mr. Hodgson, the report was referred to the Building Committee with power to act.

Principal Archer reported 1086 scholars in attendance during the month of May and the Giant Stride at the Central School and the chimney of the Middle Ward School in need of repairs.

Four members of the teaching staff viz Principal Schwarze, of the High School, Miss Winnifred New, Miss Dick and Mr. W. H. Anderson, tendered their resignations, to take effect at the end of the term; Mr. Anderson informing the Board he could not continue to teach for his present salary viz, $65 a month.

The resignations of Mr. Schwarze and the Misses New and Dick were accepted with regret and Trustees Mrs. Skinner and Mr. Shaw were delegated to interview Mr. Anderson and if possible persuade him to remain on the teaching staff at a salary of $75 a month.

A number of applications for positions on the teaching staff were received, and referred to Mrs. Skinner and Mr. Shaw for report and recommendation to the Board.

On behalf of the Building Committee Mr. Shaw reported City Engineer Owen was drafting plans and specifications for heating apparatus at the North Ward School.

Accounts totalling $1618.00 for the past month were received and referred to the Finance Committee to be paid if found correct.

A number of tenders were received for the construction of a cement retaining wall on the grounds of the Middle Ward School, the tender of $740.00 submitted by Mr. Alex. Baxter being accepted on recommendation of the Building Committee.

Mrs. Skinner informed the meeting that a number of scholars who had been sent home by the doctor had not returned to school and she was of the opinion some steps should be taken to notify the parents they must return their children to school provided they had recovered from their illness. The meeting agreed with Mrs. Skinner and Truant Officer Mercer will accordingly call on such parents with instructions they must send their children back to school, provided they secure a certificate of health from the doctor.

MAY HOLD ANNUAL PICNIC IN NANAIMO

Nanaimo is one of the points being considered by the citizens of New Westminster for their annual excursion early in July. A meeting of the excursion committee was held on Tuesday and the following points were mentioned as possible places: Friday Harbor, Victoria, Bellingham and Nanaimo.

There is a good chance that Nanaimo will be selected and to help along the claims of this city the Nanaimo Board of Trade and the Industrial Development League are both forwarding invitations to the Westminster excursionists.

The annual New Westminster excursion is quite an institution in that city taking as many people as boat accommodation can be arranged for.

NEW PAPER FOR VANCOUVER

O. F. Brothers Editor of "The Old Countryman" the New Paper to be Started in VancouverVisits City.

Mr. O. F. Brothers, a journalist of wide experience was in the city yesterday interviewing several people in reference to a new weekly to be started in Vancouver shortly, known as "The Old Countryman." The paper will be published weekly and its object will be to provide a reliable source from which readers in the Old Country and South Africa, New Zealand and Australia may obtain a thorough grasp of Canadian affairs. The Pacific Coast has been chosen as the most advantageous and central place to publish a paper, which will aim to provide readers in all parts of the Empire with reliable information. Particular attention will be paid to Old Country news by special correspondents in each county in the United Kingdom. A London letter and English sporting articles will be features of the publication.

Mr. Brothers, though still a young man but little past thirty, has had a most interesting career, and was until recently on the staff of The London Daily Telegraph.

During the South African war, he held a commission in the S.A. Light Horse. After the declaration of peace, he held, for several years, important positions on the staff of most of the leading papers in Transvaal, including the Transvaal Leader, of which he was political news editor; and The Progressive Monthly, the official paper of the Unionist Party of South Africa, of which he was editor.

Mr. Brothers was in Johannesburg during the miners' riots last year. He attributes the trouble there to the activity of the I.W.W's.

LOCAL TEAM TO OPEN NEW GROUNDS

The new baseball grounds at North Gabriola will be opened Sunday with an exhibition game between the Nanaimo Ramblers and Gabriola, the game being scheduled to commence at 2:30.

The Nanaimo team will leave the city from Jancowski's Boat House at 1:30 and those desirous of taking the trip with the boys can do so by paying the small transportation fee of 35 cents. In Sunday's game the Nanaimo team will field the following players:

Catcher—C. Morrison.
Pitcher—N. Balo.
First Base—J. Harley.
Second Base—A. Shenton.
Third Base—J. Marwick.
Short Stop—J. Young.
Left Field—H. Jolley.
Centre Field—C. Stalzenburg.
Spare—A. McLeod.

Mr. Evan W. Saxsmith, advertising manager for the Vancouver Breweries was in the city over night.

HARD LUCK OF COAL SYNDICATE

Company who Sought to Open Mine at Nanoose Bay Lost Vein When Boring Last Test Hole.

A recent disappointment of a number of well-known Vancouver business men in an effort to develop a very promising coal area in the Nanoose district has come to light as the result of a trial before Judge McInnes, in which the F.H. Lantz Co. Limited, Clarence Wakely, J. W. Foster, A. McC. Creery, W. W. Montelius and Walter F. Evans are suing Mr. Evans B. Deane for $1400, the estimated amount of his obligation to the Nanoose Coal Syndicate. A curious development of the case is that during the progress of the trial Mr F. H. Lantz of the F. H. Lantz Co. was added as a party defendant, so that he is now on both sides of the case.

The evidence given disclosed that the members of the syndicate put up about $27,000 to develop the coal area and to float a company to be known as the New Wellington Coal & Coke Company, for which they had obtained a charter. They put in the statutory three holes in the vein on the land, with the result that a very rich vein was proved near the seashore. The law then requires that a fourth hole to be sunk in the vein some distance out at sea, the object being to show that the vein extends out under water, affording the miners protection from being flooded by sea water through the vein ending in earth or mud. The borings under the sea failed to locate the vein under water, and a permit to operate the mine was thus not to be obtained.

It is alleged that Mr. Deane has not made payment of his share of indebtedness to the syndicate, and the action is brought to determine the indebtedness and enforce payment. Mr. Deane has entered a denial of indebtedness.

Mr. J. S. Jameison is appearing on behalf of all the members of the syndicate except the F.H. Lantz Co. which is represented by Mr. J. A. McInnes. Mr. J. Edward Bird is appearing for the defence of Mr. Deane.

MAY CALL OFF PEACE CONFERENCE

Mexico, June 5.—A delicate state of affairs has arisen in regards to the landing of arms in Mexico. Up to the present the Americans have allowed arms to go through to President Huerta and are now allowing arms and ammunition to go through to the rebel leader Carranza. President Huerta has notified the American government if it does not stop the importation of arms to Carranza it will order a blockade of Tampico. If the United States interferes with the blockade the Mexican peace envoys at Niagara say they will call the proposed peace conference off.

EARL OF LUCAN DEAD

London, June 5.—The Earl of Lucan died today, aged 84. He was aide de camp to his father, the third earl who was in command of the British cavalry during the Crimean war and who was largely responsible for the charge of the Light Brigade at Balaklava.

In the city police court yesterday Thomas Cowler was charged with assaulting John Miles, who in turn, was up on a counter charge of assaulting Cowler. Magistrate Simpson found both men guilty and fined each $10. and costs.

Read the advertisement elsewhere in this issue of the big sale being put on by the Ladysmith Hardware Co. 1t

MORE GUN-RUNNING.

Belfast, June 5.—The army of the Ulster "volunteers" was strengthened today by the addition of 3,000 Mauser rifles, as the result of a daring gun-running feat of an Irish yachtsman. A portion of the consignment was landed to the south of Donegfiade, sixteen miles from Belfast, but most of the rifles were delivered straight on the quay at Belfast and the cases were removed under the eye of the police by specially selected volunteers.

PREMIER ASQUITH

Leader of the Government, who has had a strenuous fight leading the battle for Home Rule in the British House of Commons.

PRESENTATION TO JOHN M. RUDD

Nanaimo Man Presented With Pass Grand Master's Jewel by Masonic Brethren at a Social Function Last Evening.

The members of Ashlar and Doric Lodges A.F. and A.M., of this city, and a number of visiting Masons from Vancouver, Alberni, Ladysmith and other points enjoyed a social evening last night in the Oddfellows' Hall, lady friends of the members also being in attendance.

H. Harvey's orchestra rendered several choice selections after which the event of the evening took place, viz., a presentation to Past Grand Master John M. Rudd of a Past Master's Jewel. District Deputy Grand Master John Stewart of Ladysmith presided over the festivities, the presentation being made by Past Grand Master Mr. Frank Burde of Vancouver, who referred in complimentary terms to the many sterling qualities of Mr. Rudd and the ability shown by him in the high office from which he had recently retired.

During the course of the evening strawberries and cream, ice cream and other refreshments were served, the refreshments being provided by members of the local lodge of the Eastern Star.

The latter part of the evening was spent in dancing, those not desirous of partaking of this class of amusement spending the time in parlor card games.

ALBANIA'S THRONE TOTTERING TO FALL

London, June 5.—The King of Albania, whose throne seems to be tottering to its fall, has already had to abandon the outward forms of royalty, according to a Durazzo despatch Dr. Dillon sends to the Daily Telegraph.

"The king and queen, who, since Essad Pasha's fall, have led the life of prisoners in the palace," he says "went out to luncheon aboard the Austrian dreadnought Togethoff, accompanied by the grand vizier aides de camps and ladies-in-waiting.

The Austrian warship was to have fired a salute from its guns, and the cabinet was desirous of having this done. Public criers accordingly were sent into the streets to inform the inhabitants and to exhort them not to be alarmed. The commission of control was opposed to this part of the programme on the ground that the booming of the guns might prejudice their chances of coming to terms with the insurgents, with whom they were about to have a conference. After a lively discussion the commissioners had their way and the salute was not fired.

The commission of control returned from the conference without coming to any arrangements with the insurgents, whose final demands include the dethronement of the present ruler and the substitution of a Moslem prince.

NUMBER ONE BROKE RECORD

Eleven Hundred and Twenty One Tons of Coal Were Hoisted Yesterday at Local Shaft of W. F. Co.

Number One shaft of the Western Fuel Company broke the record yesterday for daily output since the mines resumed work after the strike. The quantity of coal hoisted to the surface yesterday totalled 1387 boxes containing 1121 tons.

The output of the mine since the strike is all coming from the north side of the mine, the south section having to be flooded to extinguish a fire which raged for several days before the company was compelled by reason of the U. M. W. of A.'s refusal to allow men to wall off the affected area, to flood the entire south side workings. For several months pumps have been working day and night in taking out the water which was pumped in but it will yet require several months steady work before the affected section will be cleared of water and in a condition to allow of a resumption of operations. In the meantime the supply of coal is coming from the north side only and yesterday's output is the largest ever produced in a single day from that section. As places are made ready, men are set to work, the company having no difficulty in securing men as nearly one hundred names are now on the list waiting a chance to secure a place.

RAIN WORTH MILLIONS.

Winnipeg, June 5.—Heavy rains throughout the West where most eequired have put the Western Canadian crops in good condition.

The vast country from Pierson, Manitoba, to Medicine Hat, Alberta was treated during the past twenty-four hours to a rain of from one to three inches. It came at the right moment. But rain has been general and at many places it is raining today.

"It means millions," was the remark of more than one man on the grain exchange this morning. This has found an echo in all places in the West. June is indeed maintaining her reputation as the growing month. The June rains have come.

SAYS "MOTHER" JONES MAY ENTER CANADA

Vancouver, June 5.—Superintendent of Immigration Malcolm R. J. Reid has been notified from Ottawa to allow "Mother" Jones to enter Canada and he has notified the immigration authorities at the boundary accordingly.

Seattle, June 5.—A message received from an officer of the Vancouver Trades and Labor Council said that the Immigration Department at Ottawa had overruled the British Columbia immigration authorities who caused "Mother" Jones to be excluded from Canada on the grounds that she would likely cause trouble by addressing the striking coal miners at Nanaimo. The matter was brought to the attention of the Canadian Government by Mr. H. H. Stevens, M.P. The British Columbia authorities were notified, according to labor union officials here, that if "Mother" Jones sought to enter the country as a lecturer or tourist she could not be excluded.

Over 280,000 pounds was paid out by London underwriters yesterday, in satisfaction of English insurance involved in the loss of the Empress of Ireland.

TWENTY POUND CHILD

Placerville, Cal., June 5.—The largest baby born in El Dorado county within the memory of the oldest inhabitant arrived today at the home of Mr. H. H. Long, of Calder. It weighed twenty pounds at birth. Mother and son are in excellent health.

The Ladysmith Hardware Company of Ladysmith is offering big bargains in hardware, etc. 2t.

ROOSEVELT IS WELCOMED.

Plymouth, Eng., June 5.—The mayor of Plymouth and a party of distinguish personages went on board the Olympic on her arrival today from New York to greet Col. Roosevelt on behalf of the city.

MOYER TRIAL TO COMMENCE JULY 6

Houghton, Mich., June 5.—The trial of Charles H. Moyer and other leaders of the Western Federation of Miners on charges growing out of the recent copper miners' strike, will begin July 6. The date was selected today after O. N. Hilton, attorney for the union men, had assured Anthony Luce, prosecuting attorney, that his clients would be ready. The case will be heard at L'Anse, seat of Baraga county.

INSPECTED MERSEY DOCKS.

London, June 5.—Delegates to the International Congress of Chambers of Commerce at Paris next week, today inspected the Mersey docks. The party included Joseph Fortier, of Montreal, and J.B. Kennedy of New Westminster.

SOCIAL TIME AT HIGH SCHOOL

Literary Society of Nanaimo High School Made Presentation to Douglas Thompson on Eve of Departure From City.

On Friday afternoon the Literary Society of the Nanaimo High School held a social meeting for the purpose of bidding farewell to one of its members, viz., Douglas Thompson, who with his parents, the Rev. and Mrs. Thompson, left yesterhay to take up his residence in Victoria. The departing member was presented on behalf of the Society by Miss Mouat with a set of military brushes, and Miss Ethel Rogers read the following address:

Dear Thompson:-

It is with feelings of regret that we have assembled here this afternoon to bid you farewell. As a pupil of the Nanaimo High School for the past four years, you have been a loyal student and have worked well in the interests of the school. As "head boy" for the last three years you have filled that position in a manner worthy of praise. We will miss you very much in the Athletic Society, where you have always been an enthusiastic worker, and especially will your loss be felt as captain of our basketball team. In the Literary Society your ever-willing services have been greatly appreciated.

As a slight token of our appreciation and esteem, we ask you to accept this gift, and hope that when you use it, it will bring none but pleasant memories of your career in Nanaimo High School. We wish you every success in your new home in Victoria.

Signed on behalf of the school.

T. L. Woodcock.
Jessie Mouat.
Ethel K. Rogers.

TWO BRITISH ARMY AVIATORS DROWNED

Portsmouth, Eng., June 5.—Commander Rice and Lieut. Thomas S. Cresswell were drowned yesterday when a seaplane in which they were making a flight over Southampton Water, suddenly plunged into the sea. Cresswell was acting as pilot and Rice was a passenger. The seaplane was engaged with several other air crafts in manoeuvring.

A torpedo boat rushed to the spot and recovered Cresswell's body, which was strapped to the seat, but the body of Rice was not found.

The seaplane was one of the largest in the naval service and was of the latest model. It had a wing span of 63 feet, carried a 200 horsepower engine and was equipped with wireless. The condition of the machine indicated that the accident was due to an explosion.

AQUITANIA ARRIVES.

New York, June 5.—The new Cunard line giant steamship Aquitania, greatest ship afloat under the British flag, and second only to the Vaterland in size, arrived today after her maiden run from Liverpool, notwithstanding her length 901 feet she gave her convoy of tugs no trouble and slipped into her berth while harbor craft shrieked greetings.

WOULD RECOVER ALL BODIES

C.P.R. Officials in Conference to Consider Proposal of Raising Empress and Recovering its Dead.

Quebec, June 5.—Leading officials of the Canadian Pacific railway left last night for Montreal, where it is understood a conference is to be held today with a view to ascertaining what steps can be taken to raise the Empress of Ireland and release the bodies that are imprisoned in her. The officials are anxious that this should be done. One official declared yesterday that this is the uppermost thought in their minds. "We want to give all the lost burial," he said.

The funeral took place yesterday afternoon of Sir Henry Seaton-Kerr. It is stated that Sir Henry left a request with Lady Kerr that should he die on any of his frequent trips about the world his body should be interred there and not conveyed to England. In consequence of this the interment took place at the Mount Hermon cemetery following a service in the Anglican cathedral. Dean Williams officiated.

A party of mourners seeking bodies of lost relatives arrived from the west yesterday. It was composed of L. H. Roach, of Mortlach, Sask., seeking his daughter, Mrs. Hart and her family; H. H. Braithewaite, Estevan, Sask., looking for his wife and two boys; J. W. Templin, Kamloops, B. C., seeking his wife and sister, G. W. Turner, Kamloops, seeking his wife and sister; J. H. Whitelaw, George White and W. H. Griffin, of New Westminster, B. C., each searching for a wife and baby girl; G. Davidson, of Vancouver, seeking the bodies of Mr. and Mrs. Cooper; James Duffy, Vancouver, for his wife Harry Axton, Vancouver, for his wife and son; Charles Walton, Vancouver, for his wife and William White, Vancouver, for Mrs. Violet Weir, Mrs. Grafton, Mrs. Warner, Mr. and Mrs. Thomas Clarke and Thomas Bishop.

It was not long before the bodies of Mrs. James Duffy and Mrs. Chas. Walton were identified, and L. H. Roach had recognized his grand-daughter, aged nine years. No other identifications were made by this party.

COLONIZATION COMPANY WINS IN SUPREME COURT.

Vancouver, June 5.—In the case of Bowers versus The Western Farming and Colonization Company Ltd. before Justice Morrison in the Supreme Court today, the decision was given against the plaintiff, the case being dismissed with costs.

HISTORIC CHURCH BURNED

Derby, Eng., June 5.—The historic church at Breadsall, dating back to Norman times and containing many priceless relics, was destroyed by fire during the night. Suffragettes are suspected by the authorities as explosions similar to those caused by the arson squad were heard before the fire. A short time ago, a suffragette meeting in the village of Breadsall was broken up by boys and it is generally supposed that the women burned the church in revenge. Among the things consumed by the flames was an ancient chained Bible. The church register, dating back to 1563 was saved.

Mrs. B. Gold, Fairview, leaves today on a visit to London, Eng.

THE USE OF MILITIA.

It is rather astonishing to see how often reformers fall into the same mistakes and offences they denounce in the people they would reform. The intemperance of temperance people has become a trite platitude, and many more like instances could be quoted. The revolution in France started as a revolt against the tyranny and grinding oppression of the aristocracy, and ended in the bloodier tyranny of the Commune. The trouble is that we can always see our own rights, and very often allow ourselves to be blinded to the rights of others. The motives of the Spanish Inquisition were inimpeachable, but its actions were horrible. In England itself Catholics burned Protestants at the stake all for the honor and glory of God, and the Protestants in turn did the same for the Catholics. It has always been mankind's failing that it could not see that truth was many-sided. It views most of the questions of life and conduct through its own predilections and prejudices, and prejudice is not only more or less a matter of individual balance and training, but is also inspired by circumstances from day to day.

It is a pose of Socialist labor circles to regard all soldiers as hired murderers, and all militiamen as armed guards for strikebreakers. The leaders of these circles do not believe in Nationalism, and have no use for patriotism. For these reasons they would have neither regular nor militia forces. If these same leaders were suddenly pitch-forked into authority, they would moderate both their language and their attitude. There is an ever-growing feeling in favor of general disarmament, and the establishment of arbitration courts for the settlement of national differences. The labor vote in the great European countries will sooner or later, and probably sooner than later, insist on this momentous change in national polity. In the meantime, self-protection is the first law of nations as of individuals. Charge the most revolutionary leaders in the Socialist party today with the care and protection of their country and they would approach this great question just as carefully and as cautiously as the leaders of any other party. Their ideal of international brotherhood has its physical limitations and possibilities. Even assuming that it was desirable it would require scores of years for national barriers to be obliterated. The majority of us believe they never will, and cannot see how anything would be gained to mankind if they were. The point is though that at present there are national jealousies and misunderstandings just as they are local differences and disputes, and disarmament is still only something desired not a thing accomplished. Armies and navies are still necessities and so is the militia. The force of this necessity is to be appreciated nowhere more forcibly than in this province. For economic and national reasons the exclusion of Orientals is the first necessity of the province. Yet without the moral support of the British navy and of the Monroe doctrine of the United States what could Canada or British Columbia do in the matter? Is there any country in the world in such an utterly defenceless position as Canada today?

Yet labor associations condemn the army and sneer at and abuse the militia. An Ontario association recently protested against recruiting for the militia, and recorded its "unalterable opposition to the use of the militia in defence of property rights as against human rights." There is more of confusion and prejudice in this resolution than anything else. A property right is a human right, and the militia are not used to repress human rights, but rather to protect them. We are all one under the law, and the law guarantees us certain rights and privileges. We have the right to strike without interference and the right to work without interference. Because one man chooses to exercise his right to strike he is not thereby invested with the right to stop another man from working. The state's position is one of absolute neutrality. It has merely to see that all citizens enjoy the same protection in law, and that they all equally observe the law. The trouble begins with the interference of one man with another and finally ends in a serious disturbance of the peace. The state has to see that law and order are restored, and if it be necessary the militia is called out. The militia has nothing to do with the trouble, and is in no way responsible for it. It is merely the instrument whereby society preserves itself in preserving law and order. Why should its members then be abused and derided, and the whole movement denounced by labor associations? It cannot be that these labor associations deny the necessity of maintaining law and order, or approve lawlessness as a strike weapon. Yet this is the only logical conclusion to be drawn from such a stand as this, and it is not to the credit of organized labor. If the labor associations are opposed to the use of the militia how would they put down disorder in times of emergency? Would they have a riot burn itself out? This at least is the alternative to the position they have taken.

The governor-general will be invited by the provincial governemnt to lay tne corner stone of the new university at Point Grey. H. R. H. the Duke of Connaught, is expected to visit the province again before leaving Ottawa, hence the desire to invite his attendance at the function.

Mr. John F. Sweeting of Winnipeg, industrial commissioner of the C.P.R., arrived from the East yesterday and left for Victoria. Mr. D. C. Alexander of the Department of Natural Resources accompanied him to the Island. They will probably make a trip over the company's Island system.

VOLCANO DESTROYS HUNDRED HOUSES

Batavia, Java, June 5.— A violent volcanic eruption occurred today on the Dutch island of Sanguir, 140 miles south of Mindanao, in the Philippines. Several volcanoes were included in the disturbance. Streams of lava poured down the sides of the mountains overwhelming forest and cocoa plantations. At the same time entire island. Official reports do not mention loss of life, but register the a heavy rain of stones and ashes from various craters fell over the destruction of 100 houses.

Sanguir is the largest of the group known as the Ta Lautz islands, in the Celebes Sea, about 500 miles to the east of British North Borneo. Destructive outbreaks of Gunong Abu the principal volcano on the island, occurred in 1711, 1812, 1856, 1883 and 1892.

For the post of industrial commissioner and secretary of the Victoria and Island Development Association, for which applications close on Monday at noon, there are about 30 candidates to date, ranging over a wide field both of geographical area and of qualifications of the men. The committee of control meets next Tuesday to consider the appointment.

For some weeks Hon. Dr. Young, Provincial Secretary, has been endeavoring to find Mr. R. Henderson in order that he might be presented with the Edward Medal which has been awarded him by the Imperial Government for heroism in effecting the rescue of fellow miners employed in a mine in South Africa. Mr. Henderson was believed to be employed in one of the mines at Comox but a letter from him received yesterday conveys the information that he is living at Sheep Creek, B. C. This will permit of an early date being set for the ceremony of presentation, which will be performed by His Honor the Lieutenant-Governor at the Parliament Buildings.

The management of the Blue Funnel line states that it will not be long before its steamers call at Prince Rupert. These steamers now call monthly at Vancouver and Victoria.

The Danish steamer Transvaal, en route here from Antwerp in the East Asiatic line, has been chartered outwards by John Westrope & Co. for barley from San Francisco to Hull, England, at thirty shillings and six pence, This is the first vessel taken by this firm this season.

NEWS OF SPORT

POINT GREY TEAM IS HERE SUNDAY

President Harold Johnston of the Nanaimo Baseball Club visited Vancouver this week and arranged a game for Sunday between the locals and the strong aggregation of Point Grey. The visiting team comes heralded as one of the fastest playing bunch of ball players that ever crossed the gulf. It is a semi-professional team which has made good playing against Bellingham, Everett and other professional American teams and will without doubt give manager Benedict's boys a lively tussel for the honors.

Sunday's game will be played on the Caledonian Graunds commencing at 2:30.

FRIDAY'S BASEBALL.

Northwestern—
Vancouver 6, Portland 3.
Seattle 5, Victoria 2.
Spokane-Tacoma; rain.

Baltimore 14, Pittsburg 3.

WILL FEED FLAME OF INDIAN SEDITION

London, June 5.—A native Indian writer in the Graphic today discussing the Canadian immigration problem says:

"From a long and patient enquiry into the subject personally conducted in Canada, I am of the belief that such settlers in British Columbia have been subjected to hostility through no fault of their own but simply because they came when the British Columbians were in an angry mood towards the Japanese and Chinese immigrants. Being Orientals the Indians were at once denounced as undesirables as were the Japanese and Chinese and the fact that the Indians were British subjects was lost sight of. The incident from an Imperial point of view, must be deplored by all well.wishers of the Empire. The provocative policy assumed by Canada is bound to feed the flames of sedition in India."

MEMBERS' AGES.

More than half the members of the House of Commons are between 40 and 60, and the greatest number for any one decade is 207, between 50 and 60. The average for the whole house is just under 51. Manchester's average of fifty and a third is very near this, and Mr. Salford's average is much higher. The borough has, in Sir W. P. Byles, one of the 23 members between 70 and 80, and the average for the three is rather over 60. Mr. Glazebrook is the only member in the city or borough who is under 40. But the general conclusion is that the House of Commons is growing older. Times was when fathers put their sons into the house at 21 or even earlier if the law could be evaded, and in one generation of the eighteenth century four men became prime minister at an average age of 28.

PARCEL POST TO JAPAN

Ottawa June 5—The announcement was made today that Hon. L. P. Pelletier, Postmaster-General, has entered into a new agreement with the Empire of Japan for the direct exchange of parcels under which the present rate of 20 cents a pound will be reduced to 12 cents a pound, and the present limit of weight of seven pounds increased to eleven pounds. The new agreement is to take effect from the first of September, 1914. It will be a decided improvement on previous arrangements and will no doubt lead to the increased volume of parcel post business between the two countries.

I. O. O. F.

Black Diamond Lodge No. 5 meet every Wednesday at 7:30 o'clock in the Lodge Room, Commercial street, Nanaimo. Visiting members are cordially invited to attend. E. G. Cavalsky, Secretary.

Keep Minard's Liniment in the house.

TWO FRENCH AVIATORS KILLED IN AIR

Dijon, Drance, June 5.—Two French aviators, Lieut. Gironne and Sapper Rioux, were killed today near here. Peasants watching an aeroplane which had risen from the military aviation station, and which was flying swiftly at an altitude of half a mile over the forest of Cacquette. saw a burst of flame and heard an explosion. A few maments later the fragments of the aeroplane to which the aviators were strapped, fell among the trees.

DESTROYED BY FLOODS.

Greenwood, Wis., June 5.—This town and others along the Black river were in danger today of being swept away by a flood. The waters swollen by the heavy rains of last night and Wednesday have torn the Municipal Light & Power Company's dam from its anchorage and swept away 250 feet of concrete levee. Many families have been driven from their homes. At Hemlock, four miles from here, the roller mills of the Withee Lumber Company have been torn down by a bursting dam. At Owen fifteen miles north, four feet of water is swirling through the streets.

FAILED TO AGREE.

Columbus, O., June 5.—Ohio miners and operators abandoned today all efforts to agree upon a wage scale and adjourned the joint conference.

HUMILIATED WOMAN

WOULD NOT ATTEND SOCIAL FUNCTIONS BECAUSE OF HER HAIR.

There are many women in this world, handsome in features, perfect in form, graceful of movement and brilliant in mind, who keep in the background because they have thin colorless and lustreless hair.

In Paris they understand things about the hair that we do not know in this country. It was a Parisian Dr. Sangerbond, who discovered that thin hair and dandruff are caused by a microbe.

It is Parisian Sage that proves Dr. Sangerbond's theory to be correct for it is rigidly guaranteed to kill the dandruff germ and cure dandruff, falling hair and itching scalp in two weeks or money back.

Parisian Sage is a delightfully pleasing hair dressing and invigorator. it is not sticky or greasy. It should be used freely in Spring and Summer as it keeps the scalp clean and cool and free from odors.

Parisian Sage comes in large 50c. bottles and is for sale by leading druggists everywhere on the money-back plan. "The Girl With the Auburn Hair" is on every package. Made in Canada by the T. R. Booth Co., Ltd., Fort Erie, Ont.

"Don't you tell—Sis!"

"This'll be a good joke on mother!

She didn't think we could reach so high when she put Kellogg's on the top shelf, did she?

But we fooled her this time!

Course mother won't care, 'cause she lets us have Kellogg's every time we want it, don't she? Says it's good for us and makes us grow like everything."

Kellogg's CORN FLAKES

108

Always fresh—always uniform in quality. 10c at all grocers.

STILL LOOTING.

Peking, June 5.— A despatch from Lanchow, province of San Su, reports that "White Wolf," the notorious brigand, has looted and set fire to the town of Ning Chow. All missionaries and Americans are safe, but the Christian Alliance station was burned.

A discovery of oil is reported from Sicamous.

Keep Minard's Liniment in the house.

The Fit-Reform Store

(Opposite C. P. R. Telegraph Office.) NANAIMO, B. C.

CORPORATION OF THE CITY OF NANAIMO, B. C.

A BYLAW
NO.—

To authorize the borrowing of the sum of Thirty thousand dollars for the purpose of improving and extending the distribution system of the Water-works of this city, and to reimburse the general revenue of the City for advances made during the year 1913 for water-works construction account in anticipation of a loan being raised, and

Whereas the proposed extension of the distribution system will materially increase the revenue for the said Water-works, and

Whereas in order to carry out the proposed extension and improvements, it will be necessary to raise by way of debentures upon the credit of the City of Nanaimo, the sum of Thirty Thousand Dollars, repayable in twenty-five years from the date hereinafter fixed for this Bylaw to take effect, with interest in the meantime payable half yearly at the rate of 5½ per cent per annum, and

Whereas it will be necessary to raise in each year, during the currency of any or all said debentures, by special rate for the purpose of paying the said debt and interest, the sum of $2472.81, whereof the sum of $1650.00 is to be raised annually for payment of interest during the currency of the said debentures, and $822.81 is to be raised annually for the purpose of creating a sinking fund for the payment of the debt secured by the said debentures, and

Whereas the whole rateable property of the Corporation of the City of Nanaimo, according to the revised assessment roll for the year 1913 is $4,907,555.00, and the total existing debenture debt of the said city is $599,500.00, exclusive of works of local improvement and for school purposes, and

Whereas this bylaw may not be altered or repealed except with the consent of the Lieutenant-Governor-in-Council.

Be it therefore enacted by the Municipal Council of the Corporation of the City of Nanaimo as follows:

1. For the purpose of improving and extending the distribution system of the City of Nanaimo within the corporate limits, and the repayment of certain expenditures on water works construction account, it shall be lawful for the Corporation of the City of Nanaimo to raise or cause to be raised by way of loan from any person or persons, body or bodies corporate who may be willing to advance the same upon the credit of the debentures hereinafter mentioned, a sum of money not exceeding in the whole the sum of Thirty Thousand Dollars, and cause the same to be paid into the hands of the Treasurer of the said City for the purpose and object before recited.

2. It shall be lawful for the said corporation to cause any number of debentures to be made, executed and issued, not exceeding in the whole the sum of Thirty Thousand Dollars for such sums of money of not less than $100.00 each, as may be required, and all such debentures shall be sealed with the seal of the said Corporation of the City of Nanaimo, and be signed by the Mayor of the said City and countersigned by the City Clerk.

3. The said debentures shall bear date of the 2nd. July, 1914, and shall be payable in twenty-five years from said date, at the office of the Corporation of the City of Nanaimo, and shall have attached to them Coupons for the payment of interest and the signature or signatures to the said coupons may be either written, stamped, printed or lithographed.

4. The said debentures shall bear interest at the rate of 5½ per cent. per annum from the date thereof which interest shall be payable half yearly on the second day of January and July, in each and every year during the currency of said debentures at the office of the Corporation in the said City of Nanaimo.

5. There shall be raised and levied in each year during the currency of the said debentures the sum of $1650.00 for the payment of interest, and the sum of $822.81 for the purpose of creating a sinking fund for the payment of the debt due under the said debentures, making in all the sum of $2472.81.

6. There shall be levied and raised in each and every year until the said debentures and interest thereon shall be paid, a special rate on all rateable land or improvements or real property of the City, in addition to all other rates, sufficient to pay the interest and create a sinking fund for the payment of the debentures.

7. It shall be lawful for the Mayor of the said Corporation to dispose of the said debentures at a rate below par, and to authorize the Treasurer to pay out of the sums so raised by the sale of the said debentures all expenses connected with the preparation of the debentures and coupons, or any discount or commission or other charges incidental to the sale of said debentures.

8. This Bylaw shall take effect on the 2nd. day of July, 1914.

9. This Bylaw may be cited as the Water Works Loan Bylaw, 1914.

10. This Bylaw before the final passing thereof, shall receive the assent of the electors of the City of Nanaimo, in the manner provided by the Municipal Act.

Passed on the 18th May, 1914.

NOTICE

Take notice that the above is a true copy of the proposed Bylaw, upon which the vote of the municipality will be taken at the Old Court House, Front street, Nanaimo, on Monday the 8th day of June, 1914, from 9 o'clock a. m., to 7 o'clock, p. m.

S. GOUGH, City Clerk.

The funeral of the late Mrs. Margaret Ritchie will take place at 1:30 Sunday afternoon from the family residence, the interment taking place in the Nanaimo cemetery. Rev. Dr. McLennan will officiate at the home and graveside, funeral arrangements being in the hands of Mr. McAdie.

The S. S. Thor sailed from San Francisco yesterday for Nanaimo to load a cargo of coal under the chutes of the W. F. Co.

INTERESTING NEWS OF WELLINGTON

(Communicated)

A most enjoyable and gay afternoon was spent at the home of Mrs. J. Cribb, Sunnyside Ranch, in honor of Mrs. George Dixon, who is expected to leave shortly to take up her residence in Victoria. Games of croquet and other lawn games were happily indulged in by those present. Tea was served in the dining room at five o'clock, where many stories of interest were related and all voices mingled in happy laughter. After tea the guests sat down in the parlor and listened to solos and duets by Mrs. Rolston. Miss Baker, Mrs. McKee, Mrs Dixon and Messrs Cribb and Cribb. Mrs. Dixon also gave a very appreciative reading which delighted the large company of guests. We all trust that when Mr. and Mrs. Dixon leave Wellington that they will remember to visit the old town again, where they will always be welcomed by many friends.

The Rev. Mr. Baker, who has been pastor of the Methodist church here for the past twelve months leaves soon to take up his duties in his new field of labor at Trail, B. C. Mr, Baker will leave behind him many admirers and friends and we trust that God's richest blessings may follow him in his new field and it is with every good wish for his future all join in wishing him "God speed."

Mr. N. D. Patterson, the Presbyterian missionary here, is contemplating preaching a series of sermons on the "Visions of Paul." this month, every Sunday evening in the Wellington Presbyterian church. The first will be "The Heavenly Vision" and doubtlessly will prove of great interest and help to all, regardless of creed or sect. Mr. Patterson, who has only been a short time with us in Wellington, has already showed himself to be an earnest and courageous expounder of the Gospel of Truth, and there is no doubt but there will be many avail themselves of the opportunity of hearing these special sermons.

Many visitors and tourists have passed through here lately. Many of whom were native born, and cherished many sweet and fond memories of the old burg. Some are still very optimistic about Wellington's future, and believe that there will be a day e'er long when the tide will turn to help Wellington again.

Presbyterian Church services will be conducted by Mr. N. D. Patterson Sunday morning at 10:30 a.m., at the Newcastle mills, Nanoose Bay, and at Departure Bay at 2:45 p. m. All are welcome.

Miss Rowa spent Wednesday in Nanaimo visiting her parents and friends. She returned home on the evening train.

VOLUME XIV NANAIMO, VANCOUVER ISLAND, BRITISH COLUMBIA, SUNDAY MORNING, JUNE 7, 1914 NUMBER 79

VOTE FOR THE BYLAW MONDAY

Alderman Points Out Advantage to be Derived—Work for the Idle, Pavements, Fire Protection, Etc.

Editor Herald,—Friday's issue of the Free Press contains an editorial on the Waterworks Loan Bylaw to be voted on by the ratepayers tomorrow which deserves the hearty commendation and earnest approval of every citizen. The case is stated fairly and with much urgent reason, the necessity for the passage of the bylaw is painted out. Possibly I can add but little to what is urged so forcibly, but there may be a possibility that added force may be given to the reasoning of the Free Press, if I may be allowed to state a few facts in relation to the Waterworks and the present state of affairs.

It is within the memory of most of the residents of Nanaimo that I was one of the hardest critics of the Council for their management of the South Forks scheme and of the department. Indeed, it was that very criticism that caused me to seek election to the Council. Whether I have made good as an alderman is an open question. Certainly, I have not succeeded sufficiently well to even satisfy myself, though I have been working steadily to improve things, and to a limited extent have done so.

During the last year and a half I have been chairman of the Water Committee and thus have been forced to study the matter and learn something of the system and its requirements. Some of the worst features of the system have been eliminated and improvements introduced so far as permissable, in view of the scarcity of money and the prejudices of property owners. There has been a very large sum expended in essential work on dams and pipe line, which, while absolutely necessary are not in themselves revenue producing, and owing to stupid engineering, a further large sum will be required for this work. But this part of the system is in good shape and the supply of pure water is ample for the present requirements of the city and will serve bar accidents, for some years, without further expenditure.

What is now required is enough money to perfect the distributive system within the city and provide for its extension, when boundaries have been extended. Personally, I still believe it is a wise business proposition to extend the service even if the limits are never extended, but in deference to the views of a large section of the ratepayers the Water Committee have, for the time, abandoned the idea of extending the system beyond the present limits, and this bylaw is meant solely to improve the service within the city and every cent will be expended for that purpose. As one knowing thoroughly the present state of affairs, I say it would be little short of a calamity if this bylaw be defeated, and we be forced to further defer the urgently needed improvements. Up to four years ago, there was practically no plan of the system available. No one couldtell where the mains were or what size of pipe was laid on many streets, so that in making repairs or installing services there was a constant series of disagreeable surprises. This state of affairs could not be allowed to continue, hence the City Engineer was instructed to prepare a complete plan of the whole city, and we now know exactly where every pipe is now laid, the correct sizes and the exact spot, connections, etc., are made. Since this plan has been prepared there is no more guess work, and every piece of new work laid out or new pipe put down is in accordance with this plan and fills into what will ultimately be a perfect system. This bylaw, while it will not by any means complete the work, will go a long way towards it, and will install the most urgently required portions.

It is proposed to put an 8-inch main from Albert street to Haliburton street. To this will be connected 6-inch mains on Victoria road, Nicol street and Haliburton street. Nicol street is completed as far as the school and will be finished so soon as the grading is done. A 6-inch pipe will be laid the entire length of Haliburton street, and this is urgently needed, not only to replace a badly laid and badly corroded main of varying sizes so as to give the residents an ample supply, but it must be laid so as to ensure an adequate supply and sufficient pressure for fire

(Continued on Page 2)

Voting Takes Place On Monday

Voting will take place tomorrow on the Water Works Loan By-Law 1914. The voting will take place at the Old Court House, Front Street, next to the post office building from 9 a.m. till 7 p.m. Qualified ratepayers only may vote.

The objects of the bylaw are sufficiently well explained elsewhere in this issue to require any elaborations here Suffice it to say that all those with the best interest of the city at heart will vote for it. The danger is that from apathy or conviction that the bylaw will carry anyway not enough voters will turn out. It may be taken for granted that all those against the measure will turn out in force. It therefore imposes an obligation on those who favor the passing of the bylaw to be sure and vote for it on Monday.

B. C. LUMBER LACKS ONE ESSENTIAL.

Ottawa, June 6.—In view of the near approach of the opening of the Panama canal the Dominion Government has had its trade commissioners in various parts of the world investigating as to the probable effect on Canadian lumber. In some instances reports were encouraging; in others the reverse held. In South Africa, for instance, dealers state that the lack of grading in B. C. timber will seriously militate against extensive lumber business between that province and South Africa.

ARSON SQUADS AGAIN

London, June 6.—The campaign of the arson squads of the militant suffragettes was continued to-day when the women set fire to and destroyed a fine mansion near High Wycombe in Buckinghamshire, about 30 miles from London. The mansion was filled with valuable furniture and objects of art.

"MOTHER JONES" SPOKE HERE

Prominent U.M.W. of A. Worker Addressed Meeting in Athletic Club Last Night—Goes to Cumberland Today

"Mother" Jones, one of the outstanding figures in the U. M. W. of A. movement, arrived in the city last night on the evening train from Victoria and addressed a meeting in the Athletic Club. On her arrival in Victoria she was met by Robert Foster, local secretary of the U. M. W. of A.

She is a plump little old woman, with gray hair and a good humored face. Like most people who forsake the domestic fireside, as a Victoria Times reporter says, she is not particular in dress. Her garments were all black and not very stylish.

At Victoria Mr. Foster took "Mother" Jones to the Dominion hotel for breakfast, and there she was met by A. Watchman, president of the B. C. Federation of Labor; George Pettigrew, of the U.M.W. of A.; A.S. Wells, secretary of the B. C. Federation of Labor; and one or two others. At 9 o'clock she boarded the train for Ladysmith, where she spoke yesterday afternoon. She speaks at Cumberland today, and at Vancouver Monday evening. Arrangements were made by Mr. Watchman to have her address a labor meeting in Victoria on Tuesday night.

"Mother" Jones has just come from Colorado.

During her conversation with a Victoria Times reporter "Mother" Jones made several characteristic assertions. Discussing her arrest in West Virginia and Colorado by the military authorities, she said that the civil authorities had never interfered with her, but had always been most courteous to her.

NEW GRILL WILL BE OPEN TODAY

The Lotus restaurant has been leased to a new management who will open the place today as a first class restaurant, grill and chop house. Meals will be served at all hours of the day or night and the best of service is promised patrons. The new management will make a point of good cooking with all delicacies served in season.

The following were among the list of passengers from Vancouver last night per the S. S. Princess Patricia: H. N. Freeman, W. Waugh, J. McIntyre, S. Alexander, Mr. and Mrs. Jas. Gillespie, Geo. Harrison, Mrs. A. Daly, A. E. Planta, and W. Rickson.

NEW WESTMINSTER AGAIN

Yesterday's lacrosse match resulted New Westminster 6, Vancouver 3.

BRIEF NEWS

Mr. H. N. Freeman, manager of the Vancouver-Nanaimo Coal Mines, returned last evening from a business trip to Vancouver.

The Ladies' Aid of St. Andrew's Presbyterian church will hold their regular business meeting on Monday at 3 o'clock in the Ladies' parlors of the church.

See J. H. Good & Co. windows for full display of real hickory furniture—the first real hickory furniture shown in Nanaimo. 1t

Mr. Thomas B. Booth went to Victoria yesterday to meet his brother Robert who is returning from California where he has just completed a brilliant course in the California School for the Blind. He will return today.

Messrs Guy P. Pelton and Mr. Ferguson arrived in the city last night from Vancouver and leave this morning by launch for Lasquetti Island an business connected with holdings they have there.

The total amount of bright sunshine in Nanaimo for the week ending June 2 was 67 hours. There was no rain. Rain was recorded at the Victoria observatory for the same period in Victoria, Vancouver, New Westminster, Kamloops, Nelson Barkerville, Prince Rupert and Dawson.

Part of our shipment has arrived from England. Just received another line of big values in granite-wear for 25c. each. West's 5, 10, 25 cent store. 3t.

An auction sale will be held by Auctioneer Good on Irwin street next Thursday. For full particulars see Tuesday's Herald.

As a result of the frantic appeals made by Auctioneer J. H. Good for his hat which dissappeared during the Williamson sale last Monday, a kind hearted lady returned the energetic auctioneer's headpiece yesterday. She explained that she could never persuade her husband to buy a decent hat and when she saw Mr. Goods covering of art lying around without a tag on it she could not resist the temptation to show her man what a real hat looked like.

A letter received from Mr. Geo. R. Wilson, formerly of Ladysmith, dated at Athabasca Landing, May 14, says he was getting along splendidly and hoped to reach his destination at the time he had first intended. The snow was on the ground and the roads were heavy. Mr. Wilson had some fun shooting the rapids, and was enjoying his trip.

NO REDISTRIBUTION YET

Ottawa, June 6.—The redistribution bill will not be carried through parliament this session. It will be given first attention at the next session.

NANAIMO TEAMS FOR VICTORIA

Large Number of The Local I. O. O. F. and Rebekahs Leave For Grand Lodge in Victoria.

The Grand Lodge of the I.O.O.F. of B. C. will meet in Victoria on Monday June 8 till Friday 12, with the Patriarch Militant opening on Monday at 9 o'clock, the Grand encampment of B. C. on Tuesday at 9 o'clock and the Grand Lodge of B. C. on Wednesday at 9 o'clock and continuing till Friday. Every day competitions will take place in the different degrees of the Rebekah. Subordinate lodges and Encampments from all over the Province. Nanaimo will be well represented in these competitions as the Rebekahs and Encampments have been working and drilling for months and each is sending a degree team.

The personell of the Rebekah degree team is as follows: Drill capt., Sister Irene Aitken; N. G., Sister Kirkpatrick; V.G., Sister Handlen; P.G., Sister Scurr; Chaplin, Sister Cavalsky; Conductor, Sister Ferguson; Warden, Sister Dendoff; I. G., Sister McCourt; Sarah, Sister Price; Rebekah, Sister Grafton; Naomi, Sister Polkinghorne; Ruth, Sister Dee; Supporters to N. G., Sisters Newton and Mitchell; Supporters to V.G., Sisters Carmichael and Benton; Bannerbearers, Sisters F. Reilley, M. Hough, V. Jones, M. Carmichael, M. McKenzie, M. Crew, T. Jones, A. Newton, E. Beresford, A. Walker and L. Hathway; Pianoist, Sister A. Harrison.

The Encampment degree team consists of the following: Drill captain, A. L. Dingman; C. P., R. McCourt; S.W., M. Scurr; J.W., J. Brumpton; High Priest, W. Carmichael; Guide, H. McCourt; I.S., C. Grafton; 1st W. J. R. McKenzie; 2nd. W., Wm. H. Thorpe; 3rd W, J.R. McKinnell; 4th. W., A. Young; Guards of Tent, F. W. Thompson and T. McCourt; Pianist, Frank Marsh.

Mr. Noel Bergeron, formerly with Powers & Doyle Company, but for the past four years in business on Granville street, Vancouver, is over for a short visit in the city with his sister-in-law, Mrs. Randle, Albert street. He is accompanied by his wife. Mr. Bergeron disposed of his business in Vancouver about ten days ago and is taking a holiday before entering upon a new venture.

In response to a popular demand on the part of their patrons, the management of the Duncan hotel have decided to revert to the original name of the hostelry, the Quamichan hotel. In future it will be known as such.

NANAIMO CRICKETERS WERE DEFEATED

The hoodoo pursues the Nanaimo cricket team. They journeyed to Victoria yesterday for a game with the Victoria Incogs and were defeated by the narrow margin of 147 to 127. The game was in doubt until the last wicket had fallen. Harry Jepson and Foote with 33 and 34 runs were the high scorers for Nanaimo.

NINE ARRESTED

The Provincial Police made a raid on Chinatown last night and arrested nine Chinamen for opium smoking.

NEW PASTOR PREACHES TODAY

Rev. F. W. Hardy Preaches First Sermon in Wallace St. Methodist Church Today—Young Man of Wide Experience.

The Rev. F. W. Hardy, M. A., the new pastor assigned to the Wallace Street Methodist church, will conduct his first services in the church tomorrow. Mr. Hardy comes from New Westminster, where he has been engaged in teaching theology at the Columbian College and also conducting a pastorate.

Mr. Hardy, although a young man, has had a wide experience in church work. He is a Victoria County boy from Ontario and received his early education in the Lindsay Collegiate Institute, one of the best known collegiates in the east. He is a post graduate of Toronto University and also a graduate of Victoria College Toronto.

After graduation he left for British Columbia and has spent ten years in the province in the Methodist church work, being stationed at Slocan, Kootenay, Queen Charlotte Islands, Okanagan and New Westminster.

Mr. Hardy and family will not take up residence here until next week as he will return to New Westminster tomorrow to complete his lectures to the Columbian College students. Wallace Street Methodist church are to be congratulated on securing so able a successor to the Rev. Mr. Thompson.

AUTOMOBILE PARTY HAD GAME TRIP

Yesterday while a Nanaimo automobile party was going into Cumberland from Courtenay and had just descended the hill on that road about a mile from the little city, four men were noticed running toward the car shouting "stop him, head him off," etc. The visitor having visions of a hold-up man, looked back and was just about to give instructions to allow the fellow to escape this time when one of the ladies in the party, said "there he comes," and a big black bear, a beauty, broke out of the bushes just ahead of the car, and galloped across the road some ten or fifteen feet away, being followed by a volley of stones from the men pursuers who having seen his bearship in the short bushes, were having some fun with him. The bear speedily disappeared in the bushes, apparently not badly frightened and rather enjoying the fun. One of the men in pursuit was a prominent mine worker. On the way home between the Qualicums, three deer were seen jumping and playing in the road ahead. As they observed the party approaching a few jumps carried them into the cover of the woods. At various places grouse were seen, all of which goes to show that whether you get game or not when in season you are looking for it, it is not far away.

A special meeting of the Women's Auxiliary of the Nanaimo hospital will be held Monday afternoon at 2 o'clock at the home of Mrs. (Dr.) Brown. The reports of the secretary and treasurer for the year will be read.

NANAIMO PRICES LOWER THAN VICTORIA

It is interesting to note the retail prices of staple articles of consumption in Nanaimo during 1910, 1911, 1912 and 1913 as given in a comprehensive report of wholesale and retail prices for the Dominion for this period just issued by the Dominion Government.

Ordinary family flour in Nanaimo for the years mentioned sold retively per pound 3.8, 3.6, 3.8 and 3.5. In Victoria for the same years the prices were higher being 4.3, 4.2, 5.3 and for the last year 4.5. Rolled oats for the past four years sold at 5 cents a pound and for the same period in Victoria 6.2, 5.1, 5.4 and 5.5. Rice was 5.3, 6.2, 8. and 8., and in Victoria 5.9, 6.3, 8. and 8.; Beans were 8.2, 7.2, 7.5 and 7.4, in Victoria 6.2, 6.3, 8. and 8. Evaporated apples last year were 13.3 here and 15.4 in Victoria; medium quality prunes 10.4 and in Victoria 12.1; granulated sugar in dollar bags 6.2 per lb and in Victoria 7.1. Yellow sugar last year averaged 5.4 cents per lb and in Victoria 6.5; potatoes were the same in both cities as was white vinegar. Laundry starch is one of the few items that was higher here than in Victoria last year being 12.5 cents per pound to only 10 cents in Victoria. Coal of course was much cheaper while coal oil was 40 cents per gallon here and averaged 40.8 in Victoria. Dwellings for working men rented at $26. per month in Victoria while the average Nanaimo price is given at $17.5 for houses with modern conveniences.

A REMARKABLE STATEMENT

Salvation Army Looks Upon Empress Disaster as Divine Message of Criticism—Looking For Flaw.

Toronto, June 6.—The Salvation Army looks upon its terrible loss in the sinking of the Empress of Ireland as a direct message of criticism from Above, and the Army will try to find the flaw in itself which caused it to merit divine rebuke. This was the statement made this morning by Commissioner Mackie, of the international headquarters in London England, who has arrived as General Booth's personal representative, to take charge temporarily of Army affairs here. Although it was stated that he would be Commissioner Rees' successor, Commissioner Mackie said today that he would return to England in two or three weeks, and General Booth would announce the appointment of a Canadian Commissioner later.

U. S. ON LOOK OUT.

Washington, June 6.—The two gunboats belonging to Huerta, that have been steaming in the direction of Tampico are being closely watched by the U. S. squadron with Admiral Badger in charge.

The steamer Robert Dollar which coaled here recently has taken on 1,500,000 feet of lumber at Genoa Bay and is now at Chemainus taking on more lumber. It is expected that she will be the first steamer to pass through the Panama Canal from the westward.

AGITATORS ARE STILL AGITATING

Despite the fact that the Western Fuel Company, the Canadian Collieries, and the Pacific Coast Coal Mines Co., Ltd., have all the men they can place at work in their mines and are daily compelled to turn away miners looking for work, agitators are now talking of organizing a general strike throughout the province in the hopes that the colliery companies will be compelled to recognize the U. M. W. of A. With more men offering their services than can at present be employed it is not at all likely that the companies would be embarrassed by a general strike, even supposing it were possible to successfully inaugurate a general strike which is by no means probable. The same thing was strongly agitated last year but was no more successful than the proposed general strike will be this time.

LOCAL COMPANY MAKING GOOD

Nanaimo Pressed Brick and Terra Cotta Company Rushed With Orders—Expect to Enlarge Plant Shortly.

During a period of natural depression in business and industrial matters throughout the country it is a matter of congratulation to the members of the Nanaimo Pressed Brick and Terra Cotta Company, a company of purely local capitalization, that their plant has been running full blast with every prospect of continuing to do so for a long time to come and with every expectation of eplarging the plant to keep pace with growing business.

Between twenty-five and thirty men are kept steadily employed on the pay roll of the company and the style of brick turned out—faced brick—appears to be meeting with the highest praise on the Vancouver, Victoria and local markets. In fact so popular is this facing brick becoming that the company state they are having all they can do at the present time to fill orders promptly. In view of this arrangements are being made to enlarge the plant by the erection of another kiln.

The shale at East Wellington has been found to lend itself wonderfully to the manufacture of the standard facing bricks and in addition to these the company are now experimenting on a new brick that will be only a question of time until it is perfected when contractars say it will be the most popular facing brick on the island.

Altogether the courage of the local men who had faith in the formation of a local industry appears to be bringing its own reward.

NOTICE TO MARINERS.

Mariners are herewith notified that a new beacon supporting a fixed red light and a fog bell is now established at Burnaby Shoal, Vancouver Harbor. The beacon consists of 12 piles surmounted by a platform six feet square, which supports a fog bell operated by electricity and rings two strokes in quick succession every five seconds in foggy weather; an electric light showing a fixed red light is placed upon the bell apparatus.

The flat formerly supporting a light in this position will be removed as early as possible.

A fog bell has been established at Addenbroke Island and will be operated in conjunction with the lighthouse at that point. The characteristics of the bell will be announced at an early date.

NEW PASTOR FOR HALIBURTON STREET

Worshippers at the Haliburton St. Methodist church will hear for the first time their new pastor, Rev. Mr. Green, who takes charge of the pastorate today.

Mr. Green, like Rev. Mr. Hardy, the new pastor of the Wallace street Methodist church, hails from Victoria County, Ontario, being a native of Fenlon Falls. He took his theological course in Victoria college, Toronto, and has been in British Columbia for the last fourteen years. He served his probationary term in Ontario at Minden, Haliburton County. He also conducted pastorates at Gooderham and Bridgenorth in Ontario and in British Columbia has been stationed at Trout Lake for four years, Kaslo four years, Eburne four years and Armstrong his latest charge, three years. He has been very successful in all his churches and those who know him predict four years of energetic, successful pastorate at Haliburton St. Methodist church.

Mrs. Green has also arrived in the city and the family are now in residence in the house recently vacated by the Rev. Mr. Hedley.

ALEX. STEWART DEAD

Vancouver, June 6.—Alex. Stewart, chief engineer of the Great Northern for a good many years died at Seattle yesterday. He was well known throughout B. C.

The new greater Vancouver directory estimates the present population at 207,383 as compared with 202,078 last year. New Westminster's population is estimated at 20,186. Vancouver's Oriental population is placed at 10,000.

THE WATER BYLAW.

Tomorrow the ratepayers of Nanaimo will decide the fate of the bylaw to borrow thirty thousand dollars for the improvement and extension of the city water system. Provided it is carried, it will be followed shortly by a similar bylaw in respect to city sewerage, and then everything will be ready to proceed with the paving schemes which the ratepayers have already endorsed. The fact that a very comprehensive paving scheme has been approved by the ratepayers should of itself assure the passage of the bylaw tomorrow. It is necessary that the water mains and sewer lines should be completed before the work of paving is proceeded with. The latter undertaking, it should be understood, will be carried out under the Local Improvement Act, and the cost charged to the individual ratepayers who will benefit from it. There is, therefore, no further borrowing to be done by the city as a whole to carry out this great work of improvement. The paving of the streets cannot, however, be proceeded with until the preliminary work on the water mains and sewers has been completed. At the same time it should not be understood that the Council is submitting these bylaws to the ratepayers with the only object of preparing the way for the paving of the streets. It is true that the paving of the streets cannot be proceeded with until the water mains and sewers are laid down, but the actual position is that this work will have to be done whether the streets are paved or not. A good water service is a first necessity of modern city life, while the health of the whole community depends upon adequate and up-to-date sewerage. It is only a wise business policy to keep the water service as good as possible. It is not only a necessary modern convenience, but is besides a protection to property. Furthermore it means an added revenue to the city, and as a business investment the bylaw should receive hearty support. There is really little or no reason to labor the arguments in its favor. It should appeal first of all to the ratepayers as providing for a work of necessity, and again as a part of a general scheme of street improvement which has already commended itself to the property owners of the city. The main thing to guard against is the indifference which has killed so many desirable civic measures. The opposition is always recorded at full strength. It is the ratepayers who are in favor of a measure who take it for granted that it will carry, and so abstain from voting. All those who have the real interests of the city at heart will record their votes tomorrow, and it is pretty certain that if there is a representative poll the bylaw will carry.

FRANCISCO VILLA

It is just probable that while the mediators at Niagara Falls are proposing a settlement of Mexico, Villa will play the part of it. Today at least Villa is the biggest figure in Mexico, and so long as the rebel army remains in the field, there is little hope for any scheme of Mediation being accepted. The present situation in the revolution-ridden country together with the adventurous career and pre-eminent standing of Villa, invests his personal character with all the greater interest. While Mexico regards him as the savior of their country, he is described elsewhere as a ruthless bandit and a brutal murderer. There are none of the horrors of looting and rapine without he has not been directly charged. While there are no authentic biographies of him to consult, it is generally taken for granted that he lived for years as a mountain bandit. It is even related that he started out on his career with the cold-blooded murder of his brother-in-law. Since then he has lived as an outlaw, with a price upon his head, preying upon his country's misfortunes. An Italian, who served in Villa's artillery brigade, and in some way incurred his leader's displeasure, which caused him to leave Mexico for the good of his health, has contributed an illuminating sketch on the bandit leader to the New York World. He states that Villa rules by fear. He distrusts his friends and kills his enemies. His custom is to go about with a revolver in each coat pocket and his hands are never long away from their butts. If a stranger approaches him and makes the least suspicious movement, Villa shoots him out of hand. The Italian Alfredo Marinelli, says he has seen him do this at least twenty times. This custom of Villas may throw some light on the fate which befel the Britisher, Benton. At least this is a crime Villa has yet to explain, and if there is any truth in Marinelli's statement, it affords a possible explanation. There is no let-up in the rule of fear. Death is always the penalty for a mistake, and very often for a disagreement. Villa has murdered so many Mexicans that he goes in fear of his life from their vengeful relatives. He dare neither drink or smoke lest he should be poisoned. When thirsty he has a cow brought before him, and either sees it milked or milks it himself. If he is hungry he surprises his men at meals, and helps himself to their rations. This is the man who has made himself the real head of the rebel movement in Mexico. With Huerta disposed of he is the logical successor to the president's chair. The United States boggled at Huerta. Will President Wilson be able to swallow Villa? It is surely a curious diplomatic tangle.

VOTE FOR THE BYLAW MONDAY.

(Continued from Page 1)

protection and to allow of the street being paved. This street is invariably abominated as one of the worst pieces of road between here and Victoria. The property owners have voted the funds under local improvement to pave the street its entire length and if it were only to secure this paving the bylaw should be passed. But this is not all. Front street, by a vote of the property owners will also be paved, as well as Comox road to the city limits. Before this can be done an 8-inch water main must be put down the whole length of Comox road, and the passage of the bylaw will allow this to be done. We shall then have a continuous pavement through the entire city making Nanaimo the best section on the Island Highway, and a great centre of auto traffic. It is also proposed to carry the 8-inch main over the Millstream through the Townsite when Stewart Avenue will be paved. Wallace street is also passed for paving and portions of Machleary street and Milton street, and it is practically certain that Nicol street will also be paved, as well as many other streets whose residents will doubtless desire to keep up with the procession and demand good, well-kept sanitary streets, which can only be secured by paving them.

One of the benefits to be secured by the passing of this bylaw is a strong uniform pressure and an ample supply for fire protection. Of course, this may be secured after many years out of the revenue, but the matter is urgent, and unless we make these improvements at once, there is danger that insurance rates will be raised instead of lowered. Last week the inspectors and secretary of the Board of Fire Underwriters for the Island, made a careful survey and test of our whole system and intimated such would be the case, stating that while we had an effective fire department, and an ample water supply the distributive system was woefully defective in many essential parts and must be improved before we could hope for any reduction. On that score alone we shall save many times the cost of the expenditure, and for this, if for no other reason, the bylaw should be passed. Then it is essential to pass this bylaw so that all parts of the city should have a full supply and I know that in some sections the supply for purely domestic purposes is very inadequate, while sprinkling of gardens or lawns is impossible and in a few sections there is no supply of any kind. The passing of this bylaw will enable us to remedy most of the defects while it will ensure that urgently necessary improvements be made, and ensure that paving and other work be proceeded with at once.

To sum up the matter study this: We have made a very large expenditure on dams and headlines, essential but dead work which in itself brings no returns. We have an ample supply at the city limits and in certain sections of the city and we must spend more money to give other sections equal advantages. Our fire protection is practically nil in several sections and must be improved so that all sections be equally well protected. Larger mains, more hydrants ensure this, and reduces the cost for hose and will also ensure lower insurance premiums. This is the case for property owners as such and surely it is a good business proposition. How stands it in relation to small property owners who must have employment? They gain equally with all property owners and in addition there is the certainty of employment for all who want to work. Immediately on the passing of this bylaw a large number of idle men will be put to work and kept at work continuously till the paving work is completed. The amount to be spent for this work, already passed and for which contracts are let is over $200,000, to say nothing of what will follow. It only needs this bylaw to be passed to open up and start work to employ every man in the city who wishes to work and so reinvigorate Nanaimo and all the district, bringing an era of prosperity that has every chance to be continuous, giving every citizen confidence in the city and send her forward by leaps and bounds. For these reasons I look on this bylaw as the most important that has ever been placed before the citizens and I trust that every ratepayer will vote in favor of it as they ought to, and prove to the world that we have confidence in our own town and are resolved to force her ahead.

KIDNEYS CURED AND VITALITY REGAINED

Prominent Ontario Merchant Says He Is Enjoying "The Best Health I Ever Had" Thanks To "Fruit-a-tives".

B. A. KELLY, ESQ.

HAGERSVILLE, ONT., Aug. 26th. 1913

"About two years ago, I found my health in a very bad state. My Kidneys were not doing their work, and I was all run down in condition. I felt the need of some good remedy, and having seen "Fruit-a-tives" advertised, I decided to try them. Their effect I found more than satisfactory. Their action was mild and the result all that could be expected.

My kidneys resumed their normal action after I had taken upwards of a dozen boxes and I regained my old time vitality. Today I am as well as ever, the best health I ever had, and I unhesitatingly give you this letter and my photo for publication if you wish"

B. A. KELLY

"The greatest kidney remedy in the world", is what thousands of people say about "Fruit-a-tives". And it is true. "Fruit-a-tives" heals the kidneys, strengthens the kidneys, cures the kidneys, as nothing else will. All over Canada today, hundreds of people who were sick and suffering, are curing themselves of kidney and bladder troubles, Rheumatism, and Lumbago by taking "Fruit-a-tives", the famous medicine made from fruit juices.

"Fruit-a-tives" is sold by dealers everywhere at 50c a box, 6 for $2.50, trial size, 25c.—or will be sent on receipt of price by Fruit-a-tives Limited, Ottawa.

WATER NOTICE.

For a License to Take and use Water

Notice is hereby given that the Gray Donald General Engineering Co. Ltd., of Victoria, B. C., will apply for a licence to take and use 250 sec. ft. of water out of Little Qualicum River, which flows in a north easterly direction from Cameron Lake and empties into the Straits of Georgia near Qualicum Beach. The water will be diverted at about one mile from Cameron Lake and will be used for power purposes on the land described as within a radius of fifty miles.

This notice was posted on the ground on the 26th day of March, 1914. The application will be filed in the office of the Water Recorder at Nanaimo.

Objections may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B. C.

The Gray Donald General Engineering Co., Ltd., Applicant. d-aw.

WATER NOTICE.

Application for a Licence to take and use and to store or pen back water will be made under the "Water Act" of British Columbia, as follows:

The name of the applicant is J. M. Scannell. The address of the applicant is Extension Post Office. The name of the stream is Outlet to Stark Lake. The stream has its source in Stark Lake, flows in an easterly direction, and empties into Nanaimo River about easterly corner Range 5, Section 6. The water is to be diverted from the stream on the side, about from . The purpose for which the water will be used is Domestic. The land on which the water is to be used is described as follows: Range 4, westerly part of Section 7 and Range 4 easterly part of Section 7. The quantity of water applied for is as follows: 10,000 gallons per day. The quantity of water to be stored is 5000 cubic feet. The reservoir site is located westerly part of Section 7, Range 4, easterly part of Section 7, Range 4. This notice was posted on the ground on the 22nd day of April 1914. A copy of this notice and an application pursuant thereto and to the requirements of the "Water Act" will be filed in the office of the Water Recorder at Nanaimo. Objections may be filed with the said Water Recorder, or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B. C.

Applicant.

NEWS OF SPORT

NANAIMO BALL PLAYER OFFERED GOOD MONEY

Nanaimo is in danger of losing its premier ball player, Harry Shepherd of the Federals. The popular south paw has been offered a fat monthly salary including travelling expenses by the Vernon Baseball Club. He has not yet decided on the matter. The offer however, is a tempting one and indicates that baseball is better supported in Vernon than it is in Nanaimo. Should Shepherd decide to accept Vernon's terms, today will be the last time he will be seen in action in Nanaimo for this season at least.

SATURDAY'S BASEBALL

Mann Cup Game.
Vancouver 4, Victoria 1.

PROFESSIONAL BALL TEAM HERE TODAY

When the local baseball team runs up against the Point Grey (Vancouver) team today it will face the toughest proposition of the season, for being a semi professional aggregation, the visitors are bringing several players of exceptional ability who will probably be found next season on the lineup of Bob Brown's champion Beavers.

Today's game will be played on the Caledonian Grounds and will commence at 2:30 sharp with Nanaimo fielding the following team:

Catcher—P. Piper.
Pitchers—H. Shepherd and H. Martin.
1st. Base—E. Martin.
2nd. Base—R. Little.
3rd. Base—F. Killeen.
S.S.—H. Boyce.
L. F.—G. Weeks.
C. F.—W. Beattie.
R. F.—T. Thompson.
Spare—W. Shepherd.

FOR EMERGENCIES.

Chicago, June 6.—Boy scouts will be on hand at all railroad stations during the biennial conference of the General Federation of Women's Clubs which meets here next week to assist the thousands of delegates who will be present. One hundred physicians and an equal number of nurses will be available for emergency calls at the various meetings.

TO EXCLUDE ORIENTALS FROM CANADA

Ottawa, June 6.—In the House of Commons today H. H. Stevens, Conservative member for Vancouver, introduced an amendment to the Immigration Act providing for the exclusion of all Asiatics living south of the 50th. parallel in Asia excepting such people with which the Canadian Government already have an agreement with. This virtually means the exclusion of all Orientals excepting the limited number of Japanese allowed to enter Canada which was established by treaty some time ago by the Laurier government. It is not expected that the amendment will become effective this session on account of the limited time before the close of parliament.

"SUNSHINE"
(Communicated)

We are often asked, what is the "Sunshine Circle?" The Sunshine Circle of this city is composed of a few women, who have banded themselves together for Christian fellowship and prayer for the leper mission at Rajaputanarm, India. The Circle meets every alternate Thursday afternoon and work to raise funds for the support of a native Bible Man, and for the support and education of a girl who is training for the mission field. The parents of the Sunshine Circle girl are lepers, and the surplus funds after paying for Bible man and girl are sent to the home for the children of lepers. In a sense these children are orphans, as they have been rescued before they become tainted by the dread disease. The missionary on the field of labor sends most interesting letters which are read at the meetings, and which brings a close personal touch into the spirit of the work. God has blessed the efforts of these women, and the work grows steadily. The Sunshine Circle is undenominational.

An ice cream and strawberry party will be held on Thursday afternoon at the home of Mrs. Frost, Union Avenue, Townsite, particulars of which will be duly advertised elsewhere in the Herald.

The "Booze" Has Him-He Can't Quit!

"He" is, perhaps, a business man, or a wage-earner, with family dependent upon him believing in him. The world is unsympathetic. It judges by experience. It knows him for an habitual drunkard and it brands him as beyond hope—doomed. But that man CAN quit—

Yes, He CAN Quit-
And in THREE Days Too!

Alcoholism is NOT a dise ase. The Gatlin diagnosis has led to a system that cures and cures permanently. No drugs, no hypodermic injections—just rest, excellent food, privacy and herbal medicines FOR ONLY THREE DAYS. Then, if the cure is not complete, is not satisfactory to patient and those interested in him, every cent paid is refunded without question or comment.

This is NOT a Gold Cure—It is The Only Real, Permanent Cure for Alcoholism. Don't Wait—Write or Call Now, Today!

CORPORATION OF THE CITY OF NANAIMO, B. C.

A BYLAW.
NO.—

To authorize the borrowing of the sum of Thirty thousand dollars for the purpose of improving and extending the distribution system of the Water-works of this city, and to reimburse the general revenue of the City for advances made during the year 1913 for water-works construction account in anticipation of a loan being raised, and

Whereas the proposed extension of the distribution system will materially increase the revenue for the said Water-works, and

Whereas in order to carry out the proposed extension and improvements, it will be necessary to raise by way of debentures upon the credit of the City of Nanaimo, the sum of Thirty Thousand Dollars, repayable in twenty-five years from the date hereinafter fixed for this Bylaw to take effect, with interest in the meantime payable half yearly at the rate of 5½ per cent per annum, and

Whereas it will be necessary to raise in each year, during the currency of any or all said debentures, by special rate for the purpose of paying the said debt and interest, the sum of $2472.81, whereof the sum of $1650.00 is to be raised annually for payment of interest during the currency of the said debentures, and $822.81 is to be raised annually for the purpose of creating a sinking fund for the payment of the debt secured by the said debentures, and

Whereas the whole rateable property of the Corporation of the City of Nanaimo, according to the revised assessment roll for the year 1913 is $4,907,555.00, and the total existing debenture debt of the said city is $599,500.00, exclusive of works of local improvement and for school purposes, and

Whereas this bylaw may not be altered or repealed except with the consent of the Lieutenant-Governor-in-Council.

Be it therefore enacted by the Municipal Council of the Corporation of the City of Nanaimo as follows:

1. For the purpose of improving and extending the distribution system of the City of Nanaimo within the corporate limits, and the repayment of certain expenditures on water works construction account, it shall be lawful for the Corporation of the City of Nanaimo to raise or cause to be raised by way of loan from any person or persons, body or bodies corporate who may be willing to advance the same upon the credit of the debentures hereinafter mentioned, a sum of money not exceeding in the whole the sum of Thirty Thousand Dollars, and cause the same to be paid into the hands of the Treasurer of the said City for the purpose and object before recited.

2. It shall be lawful for the said Corporation to issue any number of debentures to be made, executed and issued, not exceeding in the whole the sum of Thirty Thousand Dollars for such sums of money of not less than $100.00 each, as may be required, and all such debentures shall be sealed with the seal of the said Corporation of the City of Nanaimo, and be signed by the Mayor of the said City and countersigned by the City Clerk.

3. The said debentures shall bear date of the 2nd. July, 1914, and shall be payable in twenty-five years from said date, at the office of the Corporation of the City of Nanaimo, and shall have attached to them Coupons for the payment of interest and the signature or signatures to the said coupons may be either written, stamped, printed or lithographed.

4. The said debentures shall bear interest at the rate of 5½ per cent. per annum from the date thereof which interest shall be payable half yearly on the second day of January and July, in each and every year during the currency of said debentures at the office of the Corporation in the said City of Nanaimo.

5. There shall be raised and levied in each year during the currency of the said debentures the sum of $1650.00 for the payment of interest, and the sum of $822.81 for the purpose of creating a sinking fund for the payment of the debt due under the said debentures, making in all the sum of $2472.81.

6. There shall be levied and raised in each and every year until the said debentures and interest thereon shall be paid, a special rate on all rateable land or improvements or real property of the City, in addition to all other rates, sufficient to pay the interest and create a sinking fund for the payment of the debentures.

7. It shall be lawful for the Mayor of the said Corporation to dispose of the said debentures at a rate below par, and to authorize the Treasurer to pay out of the sums so raised by the sale of the said debentures all expenses connected with the preparation of the debentures and coupons, or any discount or commission or other charges incidental to the sale of said debentures.

8. This Bylaw shall take effect on the 2nd. day of July, 1914.

9. This Bylaw may be cited as the Water Works Loan Bylaw, 1914.

10. This Bylaw before the final passing thereof, shall receive the assent of the electors of the City of Nanaimo, in the manner provided by the Municipal Act.

Passed on the 18th May, 1914.

NOTICE

Take notice that the above is a true copy of the proposed Bylaw, upon which the vote of the municipality will be taken at the Old Court House, Front street, Nanaimo, on Monday the 8th day of June, 1914, from 9 o'clock a. m., to 7 o'clock, p. m.

S. GOUGH, City Clerk.

TERRIFIC STORM VISITS THE EAST

Woodstock, Ont., and Vicinity Devastated by Storm Sunday—Two Persons Killed and Much Damage Done.

Woodstock, Ont., June 8.—A terrific storm visited the district within two miles of this city yesterday afternoon and two are reported dead as the result. The storm, which had been brewing for several hours, and which had been preceded by all the typical conditions of a cyclone, began at 5 o'clock. Over the Oxford hotel, a funnel-shaped cloud could be seen making two distinct circles of the city. The cloud was black and later became white.

Residents who were familiar with the great storm in Regina state that it was almost similar to the storm in that city. Had it struck Woodstock the loss of life might have been as great.

The dead, according to the report the time of writing, are Mr. and Mrs. John Bartley. Their house was destroyed, but their only son is said to have escaped. One mile from the Bartley home the lower portion of a tree was driven through a farmhouse which was wrecked.

Hundreds of trees in this district were uprooted by the storm. Hail fell as large as eggs.

Trees which had withstood the storms of eighty years are gone. Opposite the home of Mr. Bartley stands the residence of Emmanuel Brown. This family was away at the time. The storm took every window out of the house and dismantled it within. One hundred yards from the destroyed house stands the farmhouse of the Benfield farm, a home for English boys. The home was not materially damaged.

The wind moved on to the house of Harry Entwhistle, and it seemed that the building would share the fate of its neighbor. Miss Robinson, a friend of the family, was caught up and carried across the orchard, where she was found in an unconscious state. A horse was similarly carried across the farm. A buggy was lifted to the top of a tree, where it still is. The farm democrat was twisted about another tree in such a way that it could not be removed. Every tree in the orchard was uprooted and the steel pump was twisted as though by a strong vise.

TITLED NOVELIST IS COMING WEST TONIGHT.

Winnipeg, June 8.—Sir Arthur Conan Doyle and Lady Doyle arrived here this morning from the east and leave for the west tonight. Sir Arthur addressed the Winnipeg Canadian club at noon.

PREDICTS REVOLUTION IF HINDUS BARRED

Manila, June 8.— A revolution in India was predicted by D. G. Kumar who has just returned from Hongkong, if Hindus are excluded from Canada.

Kumar, representing the Kumagaters, an organization of Manila Hindus, made a tour of Asia to investigate the situation, and on his arrival here sent the following cablegram to Premier Asquith. Premier Borden of Canada and Baron Charles Hardinge, Viceroy of India:

"A revolution will start in India if Hindus are not allowed to land at Vancouver."

The cablegram was signed: "The Hindus of Manila."

Kumar declared he found the Hongkong Hindu regiments and the Singapore Hindu battalions ready to revolt, and asserted that all of the Hindus of the Far East were resentful over the proposed exclusion.

Captain G. W. Faulkner, alderman from Ward Six, Port Alberni, was in Vancouver yesterday and when he returns to his home he will take back with him an oil expert to look over the situation on the north of the island. "Port Alberni is a live city," said Capt. Faulkner, "and it is possible that we may have a repetition of the Calgary excitement. The indications are good, and we will have a man who knows his business to look over the situation." Captain Faulkner says Sir Richard McBride will be guest of honor at Port Alberni next Thursday, when he opens the new government building.

Col. Maidment, second in command of the Salvation Army in Canada. He and his wife were lost with the Empress of Ireland.

NANAIMO HAS CAMERA CLUB

At Meeting Last Night Camera Club Was Organised and Officers Elected—General Meeting Next Monday.

The first meeting of the Nanaimo Camera Club was held last night at Schwarze's studio. The following officers were elected pro tem:

President—Dr. K. Swarze.

Secretary—G. W. Waddington.

Fees were decided as follows: A fee of $2. for all joining before Sept. 1. After September 1st. an entrance fee of $2. for non-members, and an annual fee of $5. for all

A general meeting was decided upon for next Monday, June 15, at Schwarze's studio. A committee consisting of Messrs. G. E. Hughes, G. W. Waddington and F. Schwarze was elected to draw up a constitution to be read at the next general meeting.

Mr. Stark, formerly of the Winnipeg Camera Club, gave some very interesting and valuable information during the course of the meeting and he no doubt will be found to be a valuable member. For the benefit of the prospective members who did not attend the first meeting, a word as to the purpose of the club might be of interest. The Club proposes first and foremost to encourage the art of artistic photography in all its branches. For this purpose lectures and demonstrations will be given from time to time, and also meetings held whereby conversations with the more advanced members, beginners may get information of any desired kind.

When the Club is thoroughly organized, outings will be held and the producer of the best photograph of the outing will be given a prize. Monthly competitions will be also held for which the best photographer of the month holds a trophy during the succeeding months. Members will find plenty of interest in the club, and Nanaimo will stand a good chance of coming to the front in photography.

The only disappointing feature of last night's meeting was that no women or girls were present. Many have promised to come next meeting, however, and it is expected that the fair sex will be well represented.

ALLAN LINER IN COLLISION

St. John, Nfd., June 8.—The Allan liner Sardinian, docking tonight collided with the sealer Adventure, at the next pier, puncturing her own bow and damaging the Adventure considerably. The repairs will likely cost several thousand dollars.

EXPLOSION OF BALLOON

Sezanne, France, June 8.—Sixty persons were injured, several probably mortally, by the explosion of a balloon at a fair yesterday. The balloon had just started to rise when a gust of wind blew it against a tree, tearing the envelope. The gas exploded.

Should Victoria prove by its patronage at next Saturday's lacrosse match between Vancouver and New Westminster in that city that it wants the change, the famous Salmonbellies will transfer their franchise to the capital and will play as a Victoria club in the future.

WILL EXTEND THE E. & N.

Surveyors in the Field Indicates E. & N. Will be Extended to North End of Vancouver Island.

Vancouver, June 8.—In order to prepare surveys to carry the line of the Esquimalt and Nanaimo railway northward along the shore of Vancouver Island, a party of engineers and surveyors from the C.P.R. have arrived at Campbell River. The party has been split into two crews, one of which is working south of Campbell river, and the other northwards. The latter party has gone through on the trail built by the timber department into the Salmon river valley.

The E. & N. at present extends to Courtenay, 35 miles south of Campbell river, and the road has been projected as far as Campbell river. The presence of the survey parties in the field is taken as an indication that the C. P. R. plans to continue the E. & N. line through Campbell river to the north end of the Island.

WORKMEN CRUSHED TO DEATH

Ogden, Utah, June 8.—Two men were killed and four injured today when the concrete garage of Mrs. David Eccles, in progress of construction, collapsed. The garage was a two-storey structure. In removing the forms from the concrete roof, the walls spread and the great mass of material gave way without warning, crushing the workmen. Three of the injured are expected to die.

BOWLSBY-BROWN WEDDING YESTERDAY

The wedding took place yesterday afternoon at one-thirty at the residence of the bride's sister, Mrs. Garfield Weeks, Haliburton street, of Miss Edna, second daughter of Mr. and Mrs. Thomas Brown, Boat Harbor, and Mr. Dick Bowlsby, of South Wellington. The bride was attended by her sister Miss Vera Brown, while Mr. John Arbuthnott supported the groom. The ceremony was performed by the Rev. McLennan, of the Presbyterian Church, only the immediate friends and relatives of the bride and groom being present. After the ceremony the happy couple, amid the congratulations of their many friends, took the afternoon train to Victoria, en route to Portland, where the honeymoon will be spent. Upon their return Mr. and Mrs. Bowlsby will take up their residence at South Wellington.

Among the out-of-town friends present were Mr. and Mrs. Chester Bowlsby and Mr. and Mrs. J. S. McGregor, of South Wellington.

CANADIAN CADETS SAW WATERLOO BATTLEFIELD.

London, June 8.—The Canadian cadets returned from visiting the battlefield of Waterloo on Saturday and proceeded to Windsor, where they were entertained by Prince Alexander of Teck. They also visited Eton.

WOMAN AERONAUT FELL EIGHT HUNDRED FEET.

Marionette, Wis., June 8.—Nettie St. Clair, aged 22, a professional aeronaut, was dashed to death in the presence of several thousand people late yesterday at Lakeside. She ascended to a height of 800 feet and lost her hold on the parachute.

WATTS-DUNTON IS DEAD

London, June 8.—Walter Theodore Watts-Dunton, poet novelist and critic, died yesterday. He was born October 12, 1832. Mr. Watts-Dunton was a close friend of Algernon Charles Swinburne. The two poets lived in the same house for thirty years and on the death of Swinburne in 1909 he left Watts-Dunton his estate.

THAW APPLIES FOR RELEASE

Washington, June 8.—Application was filed today in the supreme court by counsel for Harry K. Thaw, for the release on bail pending consideration by the court of the extradition case on which the state of New York is seeving to remove him from New Hampshire.

$30,000 LOAN BYLAW CARRIED

Nanaimo Ratepayers Endorse Proposal to Borrow Money For Extension and Improvements of City Waterworks System.

The ratepayers of Nanaimo yesterday endorsed the $30,000 Waterworks Loan By-law by a handsome majority, the vote being:

Aye	484.
No	213.
Spoiled ballots	10.

All money bylaws require a three-fifths majority to carry which in the case of yesterday's bylaw meant 418 votes. As 484 ballots were marked "aye" the bylaw carried with 65 votes to spare over the required three-fifths majority.

Friends and supporters of the proposal worked hard yesterday to assure the adoption of the bylaw. Ald. Young, chairman of the Waterworks Committee, was a very busy man all day, as was Mr. M. G. Clarke, who attended to the checking off of those who voted, and sent autos or vehicles after those who had not yet cast their ballot. The vote cast was one of the largest ever cast in the history of the city on a money bylaw, which showed the keen interest taken in the proposal and in view of the large vote cast in opposition, had it not been for the hard work put in by those favorable, there is no doubt the bylaw would have been defeated.

The object for which the $30,000 is being borrowed is to improve and extend the distribution system within the city. In the first place the present water mains on Haliburton and Front streets and Comox Road will be replaced by larger mains so as to allow for these streets being paved, and the remainder of the money will be expended where it is the most needed in other parts of the city.

STORM WRECKS FORTY SHIPS

Big Marine Disaster Occurs Off Coast of New Brunswick and Twenty or More Fishermen Were Drowned.

Quebec, Que., June 8.—Some forty schooners were wrecked and 20 or more fishermen lost their lives, according to estimates today, in a storm that swept the coast of Northern New Brunswick and Chaleurs bay Friday night. Nearly all the boats were blown ashore on Miscou and Shippegan islands, remote points, from which the news came slowly.

Eight bodies were recovered today and taken to Caraquet, N. B. All were French-Canadian and Acadian fishermen.

MONDAY'S BASEBALL.

Mr. James Bevan, the well known butcher of Nicol street, is to be united in marriage this evening to Miss Nellie Reid, daughter of Mr. and Mrs. Thomas Reid, Fairview.

Mr. R. Marpole, of the C. P. R., passed through the city last evening on his way to Westholme, where with the government engineer he will inspect a new spur of the company's railroad.

RUSSIA WINS AGAIN

London, Juoe 8.—Russia won the international cup at the harse show at Olympia today for the third successive year. France was second, Belgium third, and England fourth.

MINE AGAIN IN OPERATION

Tipple of South Wellington Mine Recently Destroyed by Fire Has Been Rebuilt in Record Time.

The tipple at the South Wellington mine of the Pacific Coast Coal Company which was destroyed by fire at an early hour on the morning of May 25th., has been sufficiently rebuilt so as to allow the mine to resume operations, the run of the mine being placed over the tipple yesterday and by Wednesday Master Mechanic McGregor expects the mine to be again in full operation.

The fire on the morning of May 25th completely destroyed the tipple and that it has been rebuilt inside of fourteen days speaks much for the management and the men in their employ. the machinery has all been installed on cement foundation, temporary screen installed pending the arrival of a Marcus screen, which will be placed in position immediately upon its arrival here.

The destruction of the old tipple involved a loss of between twenty and thirty thousand dollars.

VESSEL WRECKED; CREW SAVED

Charlottetown, P. E. I., June 8—Hyndman & Company have received intimation of the loss of the Freddie A. Higgins of New London, which was totally wrecked at Waterford, on the west coast of Prince Edward Island, some time Friday last. The crew was saved.

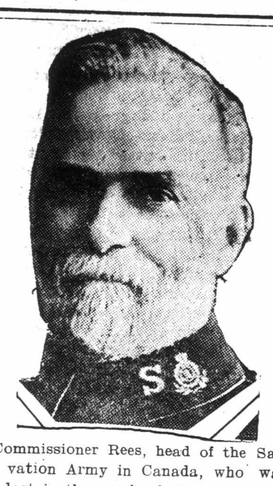
FAREWELL TO A DISTRICT PASTOR

Among the recent farewell socials given in honor of Methodist pastors mention should be made of the happy gathering held at the South Wellington parsonage. Rev. A. E. and Mrs. Stephenson were taken completely by surprise when the teachers and officers of the Chase River Sunday School, along with some friends arrived and took temporary possession of their home. An enjoyable program of games and music was entered into which was followed by a dainty supper. The greatest surprise of the evening was, when Mr. and Mrs. Stephenson were asked to accept a beautiful silver biscuit jar as a token of the high esteem in which they have been held by the workers of the above Sunday school. Mrs. J. Stewart made the presentation while the superintendent of the school read the following address:

Rev. A. E. and Mrs. Stephenson,

Dear Friends,—On this the eve of your departure from our midst, we desire to express our appreciation of the services which you have rendered to our Sunday school. We regret that you are being called away from us, but pray that God may richly bless you in your new field of labor. We ask you to accept this small token of love and esteem.

Signed on behalf of the Sunday School,



W. R. MANSON, Supt.
KATIE STEWART, Secy.
W. J. BOND, Treas.
MRS. J. STEWART, Lib.

The address was beautifully lettered, the painting being the work of a local artist, Mr. Bond. Eva Stephenson was also presented with a necklace by the children of the primary class. Mr. Stephenson thanked all in a few well chosen words, the evening being brought to a close by singing "Blest be the Tie," followed by prayer.

SIX FROM EMPRESS OF IRELAND WRECK BURIED.

Quebec, June 8.—The bodies of Mrs. F. B. Hepburn, of Vancouver, and her two small children were identified and buried in Mount Hermon cemetery this afternoon. Others buried at the same time were Nanda Koskinan, Ernest Saarinen and R. Grayton, members of the crew. The body of the little girl found at Little Metis has been identified as Edith Hart, aged five, whose father, mother and brother of Mortlach, Sask., were also lost.

The Bill which proposed to reimburse the depositors of the defunct Farmers Bank, was given a six months' hoist in the House of Commons at Ottawa yesterday.

Commissioner Rees, head of the Salvation Army in Canada, who was lost in the wreck of the Empress of Ireland. With him perished his wife and three children.

WOULD KEEP OUT ASIATICS

Member For Vancouver in House of Commons Introduces Bill to Amend Immigration Act of Dominion.

Ottawa, June 8.—A bill to amend the Immigration Act and which proposes to exclude from Canada all Asiatics south of the fiftieth parallel of latitude was introduced in the House of Commons this morning by Mr. H. H. Stevens, member for Vancouver. The bill does not propose to apply to the citizens of any country which has a treaty with Canada in regard to immigration. The amendment was seconded by another British Columbia member, Mr. H. H. Barnard of Victoria.

Mr. Stevens in introducing the bill, pointed out that Canada had had a great deal of difficulty for years dealing with the problem of Asiatic immigration. At present there were three methods in vogue. First, there was immigration with Japan, this was controlled by an agreement between the two countries. Second, there was Chinese immigration. There was a head tax on Chinese of $500. Third, the Hindu immigration was controlled by means of a clause in the act which declared that immigrants must come by direct route from their native land.

Mr. Stevens said for some time this last method had fairly successfully controlled immigration from India. However, there was much dissatisfaction. It was recognized as a temporary arrangement. There was a strong demand from British Columbia that the government should take some definite and final action. Objections, he said, to exclusion were based on the desire not to offer any offence to the people of other countries. In this sentiment he concurred but it had recently been demonstrated that it was necessary to choose between the lesser of two evils. They would have to decide whether they were to cause offence to these people or admit immigrants unrestricted to the shores of Canada. There were, in addition, imperial considerations. Mr. Stevens said that he held the opinion that Canada or any of the overseas Dominions should have the right to control immigration to its shores. The immigrant had no right to enter, but we had the right of exclusion if we desired.

KING GEORGE RECEIVES SALVATION ARMY HEAD

London, June 8.—"General" Bramwell Booth was received by King George at Buckingham Palace today. In the course of the interview His Majesty expressed high regard for the work of the Salvation Army at home and in the Dominions. He also reiterated his sympathy in the loss sustained by the Army through the Empress of Ireland disaster.

DEATHS FROM HEAT

Chicago, June 8.—Three deaths indirectly due to the heat of the last two days, were reported to the coroner today. The thermometer indicated 91 degrees, one under yesterdays record.

PRIVATE BANK CLOSES.

Glidden, Ia., June 8.—The farmers' Bank at Glidden, a private institution capalized at $50,000, and having deposits of $115,000, closed its doors today for liquidation.

NEW OPERA HOUSE FOR NANAIMO

Alteration That Will Virtually Give Nanaimo New Amusement House Start on Opera-House Today.

Improvements costing at least $5000 and probably considerably more before they are completed will start today on the Opera House. When finished Nanaimo will virtually have a new Opera House, one that will be a credit to the city and one that will assuredly do a business that will justify the expenditure.

Mr. W. P. Nichols, proprietor of the Bijou theatre and owner and interested in a host of other first class places of amusements throughout the province, is the man responsible for the alterations to the Opera House. Lately he has become heavily interested in the National Amusement Company, who control the Opera House, and as a result of his representations to the stockholders the improvements on the place will be carried out forthwith. In view of the splendid amusement house Mr. Nichols has given Nanaimo in the Bijou theatre it is a matter of congratulation generally that he has interested himself in the Opera House.

It is the intention to make a fine new entrance to the house, improve the stage so that the largest productions can be housed, and increase the seating capacity so that the house will hold six hundred people comfortably. To do this the upper balcony will be cut out and one large balcony built on the same principle as the present Bijou balcony. In addition to this opera chairs will be placed throughout the house and the entire place newly decorated and the best of new scenery installed in the drops of the stage. Remembering what Mr. Nichols has done for the Bijou there is no question but that the Opera House will be completely revolutionized when he is through with it. He will have direct charge of the alterations himself and intends placing the first gang of men at work this morning.

It is Mr. Nichols' intention to give Nanaimo the best shows obtainable when the new house opens. The best of musical comedy will be given with other good road shows. Probably once a week the best picture films obtainable will be shown. There will likely be a considerable raising in the price of seats but as only first class productions and high class stock companies will be presented there is no doubt but the new place will receive liberal patronage on the part of Nanaimo citizens who have never been slow to appreciate a good thing in the amusement line. In addition to the good shows a high class orchestra as at present appearing at the Bijou will be carried by the house.

UNITED STATES HAS RECORD CROP YIELD

Washington, June 8.—Nine hundred million bushels of wheat, almost half of the average world's wheat production and a new record for the United States is the prospective total yield of the farms of the country this year, the department of agriculture announced today in its crop report.

The enormous crop will be 137,000,000 bushes more than ever was grown before in the United States in any one year.

There also will be a large yield of oats and barley, probably second in size in the history of the nation.

Mr. Geo. Hindmarch, a resident of Nanaimo for the last few years, leaves this afternoon for Vancouver, where he will take ship for Australia Mr. Jas. Gregory, a former Nanaimoite who for the last two years has been in Washington, will make the trip with him. Their numerous friends and acquaintances will wish them all good luck in their new home

KING ALFONSO'S RETURN.

San Sebastian, Spain, June 8.—King Alfonso returned yesterday by automobile from Biarritz, where he went for his periodical examination by the specialist who operated on his nose a few years ago.

THE BYLAW

The polling of the water bylaw yesterday was satisfactory in every sense. The total vote was bigger than usual on such bylaws, and there was a convincing majority in favor of the measure. It is true that many mistakes have been made in the past with the city water system. But that is no reason why ratepayers should vote against the improvement and completion of the system today. The mistakes belong to the past and they are best forgotten. It would be a still bigger mistake to prevent the completion of the distribution system when the water has been brought to the city at such cost. It would be tantamount to leaving a big financial investment go to waste. It is satisfactory to know that such a large majority of the ratepayers took this view of the question. Moreover it is a good augury for the future. It may be taken for granted that the property owners who over a year ago endorsed a comprehensive scheme of street paving are still wishful to have the work done. There is still a sewerage bylaw to be voted upon, but after the polling yesterday there is little doubt about it carrying. Then it will be possible to proceed with the paving and put the streets into decent condition. A good deal of necessary work has perforce been held up during the last year. Now that normal conditions are returning the old progressive spirit is again asserting itself, and the vote yesterday showed the old time confidence and optimism in the future of the city.

ARE BATTLESHIPS USELESS?

Admiral Sir Percy Scott has caused a big sensation in the United Kingdom. In a letter to the London Times he declares that the day of the battleship, either big or little, is over. The wars of the future will be decided by submarines and aeroplanes Sir Percy may be wrong in his forecast, and in many quarters his communication is regarded as ill-advised and premature. At the same time his views are entitled to consideration, and they will be discussed and debated the world over. It was generally recognized that the submarines and aeroplanes must inevitably work a great change in the conditions of war fare. Sir Percy with his experience in the navy and his study of the question, affirms that they have entirely revolutionized naval warfare. He can see no use for battleships, and very little chance for the employment of fast cruisers. In the next war naval officers will not live on the sea. They will either be beneath it in a submarine, or above it in an aeroplane. The latter will be used for scouting, and at the first sight of the enemy the submarines will be unleashed. The battleship, he further declares is no longer safe in a closed harbor. With a flotilla of submarines he would undertake to break any boom in any harbor and sink or cripple all the ships in it. Such being the case, he asks what is the use of a battleship if it is not safe either on the high seas or in a harbor. His idea of naval strength and security is an enormous fleet ofi submarines, aeroplanes, and a few fast cruisers, providing a safe place could be found for the latter in time of war. These are the views of Admiral Sir Percy Scott, and he speaks as one having experience and expert knowledge. It does not follow that his estimate of the evolution wrought by the submarine and aeroplane is right in every particular. It may be that he is altogether too sweeping in his conclusions. It has already been pointed out that so long as all trade is carried on the surface battleships will be needed to protect shipping. But

GILLETT'S LYE EATS DIRT

even if not all of Sir Percy Scott's deductions are accepted, it must be admitted that there is truth and strength in his premises. The controversy he has started in such a sensational manner may not at once affect the British naval policy, but it will at least insure the thorough study of the changing conditions of warfare. Every Dreadnought represents a princely fortune, and the Dreadnought period has driven the European Powers nearer to bankruptcy than anything else. The Powers have never been able to agree to call a halt in the race for armaments. Neither could trust the other far enough to do it, but if it is shown that the money invested in Dreadnoughts is simply wasted, then the building of these battleships will at once cease. It remains, of course, to be seen whether or not such a change of policy would be of any financial benefit to the rival powers. The chances are, however, that it would, and looking still farther ahead the application of science to the engines and weapons of destruction is going to make war intolerable and unthinkable. It will make an end of war and inaugurate an age of reason and justice.

The Nanaimo Gun Club's shed on the Cricket Field was raided during the week-end. The raiders seized what they wanted and smashed what they did not want. The whole raid is a piece of senseless wanton destruction. There have been other examples of the same thing in other parts of the city and suburbs. The Cricket Club has been similarly victimised on the Caledonian Grounds. All last season's gear, including two carpet bags, a number of bats and balls, and even telegraph numbers and umpires' coats were taken away. Other things were wantonly destroyed, and so little do the perpetrators fear apprehension that the lock on one door was made into a rifle target. It is too bad that the sporting organizations in the city should be victimised in this way, for it is obvious that the actual perpetrators of these outrages are known to quite a number of persons.

According to a London despatch Sir Thomas Lipton's new challenger for the America Cup, Shamrock IV. looks like a certain winner in a stiff breeze. On the other hand the yacht is described as rather sluggish in light airs. This is not very encouraging news. Most of the races off Sandy Hook have been drifting matches, and everything being equal it is the boat which does best in a light breeze that will win the race. To say that the Shamrock may win if a stiff breeze blows is merely to say that the odds are all against it.

At the very close of the session the member for Vancouver, Mr. H. H. Stevens, has given notice of an amendment to the Immigration Act, providing for the exclusion of Asiatics from all countries south of the fiftieth parallel of North latitude. It is hardly likely that any action will be taken on the amendment during the present session but at least it will secure an expression of opinion. The situation as it stands today cannot be defended. The feeling of the province is in favor of total exclusion, and yet Chinese and Japanese are admitted under agreement on certain conditions. The result is today that East Indians, inhabitants of a British possession, are in a sense discriminated against. It is impossible not to sympathize with the East Indians, who are seeking admission to the province, but as a people we have got to protect ourselves. The motion of Mr. Stevens proposes a permanent settlement, and there is cause for satisfaction that it has been introduced in the House.

DIVER VISITED WRECK

Rimouski, Que., June 8.—The first steps towards recovering the 800 or more bodies imprisoned in the wrecked Empress of Ireland was taken today when a diver descended from the Canadian government lighthouse tender Druid and for more than an hour explored accessible parts of the sunken liner. The Empress was found to be lying on her side in about 180 feet of water.

The Cranbrook Board of Trade has asked the Government to throw open 40,000 more acres of land in the district for pre-emption.

A motion has been passed in the Prince Rupert City Council that all future hotel buildings must have at least sixty bedrooms.

The number of persons killed by lightning in the United States during a year averages nearly 600; about 4,000 cattle are killed and annual damage by lightning is $3,000,000.

Saxony has 33,555 enterprises, employing 487,800 male workers.

The Province of British Columbia imported 209,375 boxes of apples in 1913, on which duty and inspection charges totalling $49,600 were paid. 38,180 boxes of peaches were imported with a duty of $29,008, while the duty on 35,575 boxes of pears was $8,171, according to figures given out by the fruit inspector, Mr. R. G. Clarke. The imports of plums were 41,375 boxes, 7,688 boxes of prunes, and 31,158 boxes of apricots.

H.M.S. Algerine, which has been watching British interests on the Mexican coast for several months past is due to be recommissioned next month, and is shortly expected to return to her base at Esquimalt in July.

CANCELLATION OF RESERVE

Notice is hereby given that the reserve notice which appeared in the B. C. Gazette on the 27th. of December, 1907, is cancelled so far as it relates to the west half of Section 15 and the east half of Section 18, Lasqueti Island, and that said land will be opened to entry by pre-emption on Monday the 29th day of June, 1914, at the hour of 9 a.m. in the forenoon. All applications must be made at the office of the government agent at Nanaimo, from whom further particulars may be obtained.

Practical Fashion Hints

By Alice Gibson

The loose-fitting coat, flaring widely at the bottom, with raglan shoulder and large patch pockets, is the popular model this spring for the top coat. It may be made of tweed in one of the invisible mixtures, or of black and white plaid or in one of the new colored checks which have been shown lately in some of the imported street suits. A top coat of this sort is a very practical garment in any wardrobe. It may be slipped on over the tailored suit for motoring or driving, or it may be worn with a short skirt for golf and other sports. This model, No. 8320, is a single-breasted raglan coat which may be made with or without the large pockets. It could be suitably developed in fine hard-finished serge, if tweed or plaid are not fancied. The old-fashioned tan Covert cloth too is coming back in these coats. To copy this design in size 36, 3⅝ yards of 42-inch material are needed. The pattern is cut in six sizes, 34 to 44.

This is a Perfect Pattern.

Be sure to give right size, measuring over the fullest part of the bust for dimensions.

The pattern may be obtained by sending name and address, pattern No. and size and fifteen cents to DAVID SPENCER, LIMITED.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining right of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the North-west Territories and in a portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,500 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-agent in the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal sub-divisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise.

royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10.00 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or sub-agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

N. B.—Unauthorized publication of this advertisement will not be paid.

LOCAL RESIDENTS PETITION MINISTER

Hon George E. Foster, Minister of Trade and Commerce Asked to Appoint Trade Commissioners to Boost Canadian Products

At the next meeting of the Nanaimo Board of Trade the question of petitioning the Hon. George Foster, Minister of Trade and Commerce, that a Chief Trade Commissioner be promptly appointed and endowed with power to act as agent to obtain business for the exporters of all goods of Canadian growth or manufacture will be considered.

Petitions along the lines above outlined are being circulated throughout B. C. one petition circulated last week by the secretary of the local Board of Trade being numerously signed. The petition deals particularly with the lumber industry of the province, and reads as follows:

WHEREAS the lumber industry in Western Canada has been and is in a very critical condition your Petitioners pray that prompt action be taken to aleviate the situation.

THAT whilst all other industries are protected and some assisted by bounties the lumber trade is left without protection.

THAT during the rapid expansion of the West the lumber industry did not participate in the general prosperity; its markets having been flooded with American lumber duty free, had protection been provided those engaged in that industry would have been in a position to meet the depression and the financial stringency now existing.

THAT the effects are far reaching the general business of the country is affected, the earnings of the Workmen are cut down, merchants feel the strain of furnishing supplies on credit; employees of transportation companies are idle, and what little cash is in circulation a great percentage is taken out by American lumber manufacturers whilst Canada's workmen are idle and will soon be hungry.

AND WHEREAS the home market for lumber has been sacrificed to Americans, your petitioners pray that effective and prompt measures be taken to develop the export trade or grant a bounty or protection to the only unprotected industry in Canada.

AND WHEREAS the western coast of the United States is enabled by the energetic action of its government in fostering industries to export several hundred million feet of lumber per annum, Western Canada with its great timber resources only exports fifty millions.

YOUR PETITIONERS THEREFORE PRAY that a Chief Trade Commissioner be promptly appointed and endowed with power to instruct all the Trade Commissioners of Canada, in the British Overseas Dominions, South Africa and the Oriental Countries, to act not only as reporters but as active agents to obtain business for the exporters of all goods of Canadian growth or manufacture, and that the salaries of the Chief and other Trade Commissioners be regulated according to the results obtained, and that if necessary the Dominion Government assist in arranging financial aid to exporters, always providing satisfactory security is given.

AND FOR THE SUCCESS in your endeavors to assist in the development of the great natural resources of Canada and improving the status of her workers, your petitioners will ever humbly pray.

NEWS OF SPORT

The Committee reserves the right to reject any or all entries.

Any further information can be had on application to the Secretary.

VANITIE WINS FOURTH RACE FROM RESOLUTE

Associated Press Boat, Off Greenwich, Conn., June 6.—The cup candidates, Vanitie and Resolute, started their fourth race shortly after 1 o'clock this afternoon. The Resolute crossed the line at 1.15:28 and the Vanitie at 1:17:41. They were both on the port tack, with balloon jibs, as they got under way. They headed down the sound on the first leg of the triangular course, over which they were to sail twice for a total of twenty-nine and three-quarter miles.

The Vanitie crossed the line in the lead. The official finishing times were: Vanitie, 6:26:29; Resolute, 5:15:21. The Vanitie won by five minutes fifty-two seconds elapsed time.

TIPS OFF THE BAT.

John Hummell, of Brooklyn, is leading the National league batters with an average of .441 for the fourteen games in which he has played. Sam Crawford, of Detroit, continues to top the American league with an average of .344.

Gipe, of Seattle, is leading the Northwestern League batters with an average of .333 for fifty-four times at bat. Frisk is the real leader, however, with an average of .329. Tied with him is Grindell, of Vancouver. Gipe is the leading pitcher of the league with five wins and two losses, with Kelly second, with three wins and no losses, and Hughes, of Spokane, third, with two wins and no losses. Pete Schneider won five games and lost two. Clark has won eight and lost two, while Doty has won seven and lost two.

Shortstop Honus Wagner, of the Pittsburg National League team who signed his eighteenth contract with the Pittsburg club recently, never has batted under .300 since he joined the Pirates from Louisville in 1897. In 1913 he hit for .300, the lowest mark he ever has had.

"Bobby" Wallace, shortstop of the St. Louis Browns, has spent eighteen years in fast company.

OCEAN LINER IS TAKEN THROUGH PANAMA CANAL

Panama, June 8.—The first passage through the Gatun locks by an ocean liner was successfully carried out today by the Panama railroad steamer Alliance, a vessel of 4,000 tons.

The trip was made to test the workings of the electric towing locomotives in handling a large vessel. The time required was about one hour and a half each way.

Builders Supplies

A complete stock of everything necessary for the erection of a home.

Also a full line of the well known STONEWARE SEWER PIPE AND CONNECTIONS as supplied to the Nanaimo Corporation, manufactured by the B. C. Pottery Co., Ltd., Victoria, B. C., at McCapes, near E. & N. Ry. Station.

INTERNATIONAL POLO MATCH IS POSTPONED.

Hempstead, N. Y., June 8.— The first game of the international polo cup series was postponed today until next Saturday at 4 p. m. The postponement was due to the injury received yesterday by Captain Leslie Cheape of the English team. The game was to have been played tomorrow.

CLABBY MEETS McGOORTY.

Sydney, N.S.W., June 8.—Jimmy Clabby, the Indiana middleweight, who by popular decision of press and ring fans, was robbed of the victory by the referee in his fight with Jeff Smith of Philadelphia Saturday night, was matched today to meet Eddie McGoorty of Oshkosh, Wis., here July 4, for the world's championship.

Smith's award of the twenty-round match Saturday was regarded as such an unfair verdict that the Philadelphian was not considered in making up the contest for the title.

BATTLING LEVINSKY SCORED KNOCKOUT.

New York, June 8—Battling Levinsky of this city knocked out Jack Davis of San Francisco in the seventh round of a ten-round match here Saturday with a right to the jaw. Davis weighed 198½ pounds, while Levinsky was 26 pounds lighter.

NOTICE

During my absence from the city my son, Charles Wilson Jr., will hold my power of attorney, and will also attend to my carpenter business. 3t.* Charles Wilson Sr.

NOTICE

Ashes or soil may be dumped on the Comox Road Park swamp on Mondays, Wednesdays and Fridays between the hours of 10 a.m. and 12 noon, garbage will not be allowed.

Communication

Editor Herald.

In last night's issue of the Free Press the editor evidently is not aware of the fact that I applied some time ago to the City Council for a grant to the Brigade Band for Summer concerts. I received no reply whatever. We had arranged for a concert on the waterfront bandstand next Thursday evening, but as Mayor Planta could give me no permission to carry this out until today, our Band have decided that at present there is too much red tape business in this affair. When we are at liberty to give concerts at whatever time suits us then we will be there with the goods.

W. A. BUCKLE,
Secretary Brigade Band.

P.S. Since writing this letter I have seen Mayor Plants and he has give us permission to give a concert but as the band has already dismissed/ it is now impossible. However we will arrange for same the following week.

CONSIGNEES MONDAY

LARGEST NET PAID CIRCULATION OF ANY VANCOUVER ISLAND PAPER EXCEPTING VICTORIA PAPERS

VOLUME XIV | NANAIMO, VANCOUVER ISLAND, BRITISH COLUMBIA, WEDNESDAY MORNING, JUNE 10, 1914 | NUMBER 81

CAN RUN ITS OWN BUSINESS

Nanaimo City Council Was in Receipt of Impertinent Letter From New Westminster Trades and Labor Council.

The City Council met in regular session last evening, present, Ald. Ferguson, Young, Killeen, Forrester and Busby; His Worship Mayor Planta presiding. The meeting was the smallest attended in the history of the present Council owing to the absence in Victoria of Ald. McKinnell, McKenzie, Crossan and Cavalsky.

A communication was received from the secretary of the New Westminster Trades and Labor Council, as follows:

New Westminster, May 22, 1914.

Gentlemen,—At the meeting of the New Westminster Trades and Labor Council held on the evening of May 13, 1914, resolutions were adopted strongly condemning whoever was responsible for the summoning of troops and constables to your city on May 1st, last, the Workers International Holiday, and strongly protesting against such action.

It was stated upon the floor of the Council that your body asked that the troops and constables be sent to Nanaimo on that occasion, so therefore the secretary was instructed to notify you of the action taken by the Council. Having hereby carried out those instructions, I have the honor to remain,

Sincerely yours,
WM. E. MAIDEN,
General Secretary.

P. O. Box 934.

Ald. Forrester moved the communication be received and filed, and the City Clerk was instructed to forward a strong reply informing the New Westminster Trades and Labor Council the City Council of Nanaimo intended enforcing law and order and was capable of attending to its own business.

Ald. Ferguson seconded the motion which was adopted; Mayor Planta remarking he would not even give the New Westminster Trades and Labor Council so much notice.

The Fire Wardens Committee reported as follows:

Gentlemen,—Your Fire Wardens Committee begs to recommend that a new tower be built at the rear of the Fire Hall for reasons herein specified:

The area of the present tower is too small for the successful operation of the hammer on the automatic fire alarm system. The present position of the hammer in repose is mechanically wrong and in order to give it clearance for a blow the woodwork on the frame has had to be cut away In allowing a proper clearance the tower would have to be of greater area than at present and inasmuch as the bell at the present time is at least ten feet too low for sound carrying purposes it would mean that the new portion would be a very expensive and awkward addition, and from an architectural standpoint would look ridiculous.

Furthermore the present tower is not high enough for drying hose, this feature is of paramount importance since the cost of hose is so heavy and it cannot be dried outside in winter. The estimated cost for the new tower would be $965.

In connection with the above Fire Chief Parkin wrote as follows:

Gentlemen,—I beg to draw your attention of the need for a hose drying tower. The present system is totally unfit for proper care of the hose. In wet weather we have to put it in the bell tower and it is not high enough and we have to double the hose which is a detriment to it and only can put up part of it at a time. And what we put in has to be so crowded that it does not dry properly. I have frequently drawn the attention of Fire Wardens in the past to the need of a proper tower. Hoping this will receive your earliest attention,

I remain yours sincerely,
JOHN PARKIN, Chief F. D.

On motion of Ald. Ferguson, seconded by Ald. Killeen, the recommendation of the Fire Wardens Committee was received and laid on the table till the next regular meeting of the Council.

The Finance Committee presented the Warrant Book carrying accounts for the month of May as follows:

Public Works	$ 1243.56
Water Works	1220.26
City Offices	349.35
Police Department	1284.80
Fire Department	391.90
Schools	2889.48
Cemetery	108.00
Municipal Council	260.00
Street Lighting	474.00
Militia Expenses	410.20
Miscellaneous	894.62
Nicol Street Regrade	731.35
City Engineer's Office	16.30
Total	$10,273.82

City Engineer Owen reported expenditure in wages during the week of $683.60 on Streets account and $205.85 on Waterworks account. The engineer also reported the total cost of Nicol street regrade up to June 6th, to be $1515.05.

City Clerk Gough in his capacity as Returning Officer informed the Council the $30,000 Waterworks Loan bylaw had been endorsed by the ratepayers at an election held Monday, June 8th, the report being received and filed on motion of Ald. Young.

On motion of Ald. Busby, Mayor Planta, Ald. Young, Crossan, Forrester, and Killeen were appointed a Court of Revision to hear appeals against the assessment as recently placed by the City Assessor, said Court to sit on Monday morning next at 10 o'clock.

On motion of Ald. Young the $30,000 Waterworks Loan Bylaw was reconsidered, finally adopted and the Clerk instructed to sign the same and affix the corporate seal thereto.

Further consideration of the Sewerage Loan Extension bylaw was deferred for one week.

The Waterworks Committee recommended that certain water mains be laid.

Ald. Young moved the recommendation of the committee be adopted, and in doing so informed the Council the proposed work was the first to be done out of the $30,000 voted by the ratepayers Monday.

Ald. Killeen seconded the motion, which was adopted.

Ald. Ferguson called the attention of the Council to the folly of using a four-inch pipe with which to connect a hydrant with a six-inch main.

Ald. Busby asked why soil had been placed on Fitzwilliam street, and in reply Ald. Ferguson stated the material had been brought from the station grounds without the knowledge of the City Engineer who had stopped the work when it had been brought to his attention.

Council then adjourned.

FIFTY THOUSAND FOR WRECK SUFFERERS

Ottawa, June 9.—The government has decided to vote $50,000 for the sufferers from the Empress of Ireland wreck. Additional supplementary estimates to cover this amount were laid on the table of the house this morning by Hon. W. T. White, finance minister. There was also an additional amount asked for of $10,000 to carry on the enquiry into the Empress of Ireland disaster.

WANTED BRITAIN AS ALLY.

Washington, June 9.—In a speech against the repeal of the tolls exemption bill, Senator Smith today insisted that the tolls repeal was urged by President Wilson to make an ally of Britain in the Mexican situation.

"If the United States would only give the A. B. C. mediators a free hand, the occasion for the passage of the bill would be removed," said the senator.

FOUR KILLED IN AUTOMOBILE ACCIDENT

Goldfield, Nev., June 9.—Four prominent Knights of Pythias, all of this city, were killed early today in an automobile accident, while returning from a meeting of the Goldfield lodge last night at Tanopah.

Dr. E. A. Wheeler, one of the best-known physicians of Nevada, who was driving the car, turned out to avoid another machine mired in the middle of the road, skirted the edge of the enbankment too closely and plunged over.

Dr. Wheeler and Daniel Farvey were pinned under the car and killed outright. Cyrus Rice and Herman Krauger died in the Goldfield hospital. One other passenger escaped with bruises.

At a meeting of the Nanaimo branch of the Union Brewery Workers of America last night, Rupert Langill was elected president and Alf. Wardill, secretary.

WILL INSTALL WATER MAINS

City Council Voted Nearly Fifteen Thousand Dollars at Last Night's Meeting For New Water Mains.

Since the passing of the $30,000 Waterworks Loan By-law by the ratepayers of this city on Monday, no time has been lost by the City Council in arranging for certain work to be done, the Waterworks committee at last night's meeting recommending that water mains be laid on the streets which are proposed to be paved in the near future. The recommendation of the committee was adopted by the Council, the streets on which the big mains are to be laid and the estimated cost of the same being as follows:

Comox Road, from Front to Machleary St, 8 in. main.	$5528.05
Haliburton St., from Robins to Grace Sts. 6 in. main	5511.15
Grace St., Haliburton to Cavan Sts., 6 in. main ...	1065.95
Cavan St., Victoria Rd. to Albert St., 8 in. main ...	1197.10
Robins St., Haliburton to Nicol Sts., 4 in. main	660.00
Farquahr St., Haliburton Nicol Sts., 4 in. main	300.00
Needham St, Haliburton to Nicol Sts., 4 in. main	300.00
Finlayson St., Haliburton to Nicol Sts., 4 in. main	300.00
Total	$14,862.25

NEW BANTAM CHAMPION

Los Angeles, June 9.—Kid. Williams of Baltimore won the bantamweight championship of the world tonight by knocking out Johnny Coulon in the third round of a scheduled 20-round contest.

TRANSFERRED TO VERNON

Grand Forks, June 9.—H. P. Robinson, who has been connected with the Grand Forks branch of the Bank of Commerce for the past year, has been transferred to Vernon. Mr. Robinson will be greatly missed in Grand Forks football and tennis circles, being a stalwart back and a top-notcher with the rack.

JOHN S. HALL PASSED AWAY

Well Known Bicycle Dealer of Victoria Crescent Died Suddenly Yesterday Afternoon—Will be Autopsy Today.

John S. Hall, the well-known bicycle dealer of Victoria Crescent, died suddenly yesterday afternoon, it is believed of heart trouble, but an autopsy which will be held this morning will probably decide the exact cause of death.

At noon yesterday the deceased complained of pains in his head and retired to his room for a rest. As he had not returned to the bicycle shop at 5 o'clock his room-mate, Mr. Bob Munro visited the room and was shocked to find Hall dead.

The deceased was a native of Dufferin County, Ontario, aged 36 years and has resided in Nanaimo the past three years. Upon his arrival here he entered the plumbing business with Mr. Atkinson under the firm name of Hall and Atkinson, withdrawing from the firm to enter the bicycle business two years ago. He is survived by his mother, two sisters and a brother in Toronto and a brother and a sister in Regina.

Sergeant Hall, now stationed at the Connaught Barracks, Nanaimo, is a cousin of the deceased.

Funeral arrangements which are in the hands of McAdie, will not be completed until instructions are received from relatives.

A pleasant ceremony was held last night at the home of Mr. and Mrs. Gunnis when a christening party was held in the honor of the christening of their little son, George White Gunnis. The Rev. Dr. McLennan officiated.

MAJOR FRANK MORRIS,

commander of the London, Ont. division of the Salvation Army. He swam with Commissioner Rees on his back for a long time but both becoming exhausted, the older man sank. Major Morris lost his brother Arthur in the sinking of the Empress. The latter's wife also was drowned.

DOES NOT WANT WAR INDEMNITY

Mexico Will Not be Asked by United States to Pay For Losses Sustained at Vera Cruz.

Niagara Falls, Ont., June 9.—Mexico will not be asked by the United States to pay war indemnity. The Huerta government has learned through the American delegates that the Wilson government will be, content to set up in Mexico a staple government to succeed the Huerta rule.

An intimation that the United States will not demand reparation for the losses sustained at Vera Cruz or expect to be recouped for the enormous expenditure already made in an attempt to pacify Mexico was given to the Mexican delegates soon after the conference opened today. This made it easy for the opposing delegates to meet harmoniously. It was responsible largely for the ease with which a general understanding was reached between them and lent consistency to the American demand that consideration be given to the constitutionalists' cause.

It is said the entire peace plan is contained in less than 300 words. It sets forth suggestions for the conduct of a fair election and recommends that recognition be accorded the new provisional government provided it is set up along the lines agreed upon.

Niagara Falls, Ont., June 9—The mediators today submitted to the Mexican delegates the counter proposals of the American government for the pacification of Mexico. The American plan is, with few modifications, the same as that which the mediators and Mexican delegates recently agreed upon and which General Huerta approved. It provides the method of transferring the executive power in Mexico City from the present regime to a new provisional government which shall in a few months conduct elections for president, vice-president and members of congress.

No names have been agreed upon between the Mexican or American delegates for the new provisional president or his cabinet. In fact, neither side has made its nominations. The programme of the proceedings is about as follows: Within a day or two the Mexican plan and the American plan will have been dovetailed in one and a full conference of all parties will be called.

Final approval is not expected immediately from either party, however, as the mediators then will ask the American delegates to begin to ascertain the attitude of the constitutionalists. This may proceed through the Washington government or in any manner the delegates choose. The mediators will take a brief recess in the meantime.

Should there be any new suggestions from the constitutionalists the United States government will endeavor to arrive at a compromise with them. When an agreement is reached, the results will be placed before the mediation board and the Huerta delegates.

The correspondence between the mediators and the constitutionalists in a day or two. The mediators are insistent on their origional terms declaration of an armistice and broadening the discussion from international to internal questions.

The constitutionalists are willing to meet the mediators on a satisfactory basis as to the latter point, but they are absolutely determined against declaring an armistice.

It was announced by the mediators last night that they would make public today their correspondence with the constitutionalists, but word was received today through the American delegates that General Carranza's answer to their last note already has been dispatched to Washington and would be forwarded by Rafael Zubaran. It was decided therefore, to withold publication for the present.

No answer from the constitutionalists which does not declare for an immediate armistice will permit them to enter the negotiations.

AUXILLARY HAD A GOOD YEAR

Womans Auxillary of Nanaimo Hospital Meet Last Evening and Received Reports of Secretary and Treasurer.

The Woman's Auxiliary of the Nanaimo Hospital met last evening, there being a large attendance of members, the meeting proving a most interesting one as the reports of officers of the year's work showed a most satisfactory condition of affairs.

The report of the secretary for the year 1913-14 reads as follows:

During the year just ended there have been held nine regular meetings and three special meetings with an attendance of eighty-four members at the regular meetings. The society has a membership of forty-four with an average attendance of nine at the regular meetings.

Money received during the year was as follows: Dues $46.00; Donations $17.85; concert and dance held in Agricultural Hall on Oct. 3, 1913. $166.00 net; annual ball held on Jan. 16, 1914, $268.60 net; concert held in Princess Theatre Jan. 29, 1914. $100.00 net; loan returned $800.00. No tag day having been held, the receipts this year have been about half received the previous year.

Articles sent to the hospital during the year: Cotton, 184 yds; Canton flannel, 80 yds; table linen, 13 yds, towelling, 252 yds; flannel, 73 yds; sheeting, 111 yds; pillow cotton. 66 yds; curtain muslin, 61 yds; linoleum, 9½ yds; table oil cloth, 5 yds; batting, 50 lbs; cheese cloth, 10 bolts; pillow cases, 5 doz; pillows, 1 doz; thread, 2 doz; pins, ½ gross; blankets, 6 pairs; baby's vests, 6; soup boiler, 1; sauce pans, 3; stock boiler, 1; cups and saucers, 6 dozen; dinner plates, 1 doz; tea plates, 1 doz; soup plates, 1 doz; tumblers, 5 dozen; sauce dishes, 2 doz; knives, 2 doz; tea spoons, 2 doz; tea pots, 4; cream jugs, 15; salt and peppers, 2 pairs; gave Hospital Board $100.00.

M. A. POWERS, Secretary.

The treasurer of the society submitted the following statement:

ADD AUXILIARY

Total	$2232.62

K. L. SHAW, Treasurer.

LOCAL POST VISITED BY GRAND FACTOR

Grand Factor J. J. Johnson of New Westminster paid an official visit last evening to Nanaimo Post No. 3 Native Sons, there being a good attendance of members, the meeting being most interesting by reason of an eloquent address by the Grand Factor who dealt with the growth of the order throughout the province and gave the members of the local Post some valuable advice which was much appreciated.

During the course of the evening Mr. Frank Stannard made a few remarks and Messrs. J. P. R. McGill, J. Knarston, Chas. Wilson, jr., P. Brennan and H. McAdie contributed to a vocal and instrumental program.

MUCH MONEY SPENT ON NANAIMO STREETS

Up to June 6th the total amount of money expended on the regrade of Nicol street was $1515.05.

The expenditure on the Streets and Waterworks departments for the week ending June 5th totalled nearly $900 the detailed expenditure as reported by City Engineer Owen at last night's meeting of the Council being as follows:

Nicol street	$458.10
Watkins street	43.00
Fitzwilliam street	56.00
Needham street	14.00
Franklyn street	10.00
Prideaux street	55.00
Kennedy street	12.00
Cutting weeds	12.00
Street Cleaning	28.00
Total	$683.00

Waterworks

Construction (Haliburton St)	$136.75
Maintenance and operating	48.10
Service work	21.00
Total	$205.85

C. N. R. BILL PASSED SENATE

Canadian Northern Aid Bill Passed Third Reading by Vote 35 to 20—Will Soon Become Law.

Ottawa, June 9.—At 9 o'clock this evening the Canada Northern Aid Bill passed its third reading by a vote of 35 to 20 and the signature of the governor-general is all that is needed to make the bill law.

In the Commons this morning, Hon W. T. White, replying to a question put by Hon. George P. Graham yesterday, made a statement in regard to the latest Dominion loan. He said it was for an issue of £5.000,000 four per cent debenture stock maturing in 1960. The loan was underwritten on Friday last at 98. It was advertised on Saturday and the subscription list will be open until Wedensday. The minister said he was unable to give the House an idea as to the public response, but the financial success of the loan was assured when it was underwritten. The twenty-five millions to be raised would be used to defray capital expenditure.

"Will that include the construction of armories?" asked Mr. Lemieux.

"No, we do not borrow money to build armories," replied Mr. White.

Referring to the press criricism of the loan, Mr. White said that this was but natural, and was to be expected until such a time as money conditions are better.

When the House went into supply on the supplementary estimates, an additional sum of $1,000,000 for the National Transcontinental Railway was taken up.

Replying to questions by opposition members, Hon. J. D. Reid, acting minister of railways, said that sags in the grade of the National which complaint had been made are to be found between 200 miles east and 100 miles west of Cochrane. The sags, he said, would yet be changed by the contractors on the 200 miles east of Cochrane. On the other stretch the corrections could either be made by contract or by the Grand Trunk Pacific after the road has been taken over. There were, he said, thirty-two sags in all.

ASQUITH SILENT ON HOME RULE QUESTION

London, June 9.—Directly the House of Commons opened today Premier Asquith was asked by Lord Robert Cecil, Unionist member for Hitchin concerning the future proceedings of Home Rule. The prime minister, however, would furnish no information, saying it was impossible at present to make any statements.

Denman Island now boasts the largest dance hall on Vancouver Island, north of Nanaimo. The hall was built by the Island Athletic Club by popular subscriptions and was opened last week. It is said it will accomodate 150 couples.

STRICT GUARD ON ROYAL PALACE

Elaborate Preparations Made to Prevent Any Interruption on the Part of Suffragettes at Royal Function.

London, June 9.—Never before have such elaborate preparations been taken to preserve the inviolability of Buckingham palace as those in progress to prevent tonight's state ball from being marred by an intrusion of suffragettes. A large force of police will be on duty outside the place One force will stand in close ranked fours, another body of men will be on duty on the two quadrangles, and the forty-acre garden behind the palace will be similarly guarded.

Inside will be a number or private detectives as well as ushers, gentlemen at arms, yeomen of the guard and Life Guardsmen. No other persons, however well known, will be admitted without an invitation card and this will be inspected at the carriage entrance, at the Doric porch, at the foot of the grand staircase and again at the summit.

Another raid was carried out by police today on premises occupied by the Women's Social and Political union, the militant organization. A thorough search was made for documentary evidence of the activities of the secretary.

After the closing of the offices in Kingsway early in May, the women established new headquarters in Westminster, and today the detectives succeeded in collecting there quantities of documents, books and letters. The descent of raiding policemen was unexpected and caused great excitement among the occupants of the offices, who after being searched were ejected. No arrests were made.

"Let them die" is becoming a popular slogan in connection with the "hunger striking" suffragettes, since the public has become so profoundly resentful of the actions of the militant women.

It is reported that the government has decided to take a step in this direction by introducing legislation to indemnify the prison authorities against the consequences of allowing suffragettes to starve themselves to death while in prison. The Evening Standard interviewed a number of prominent people, including clergymen, on the subject, and all of the latter who are quoted by the newspaper express themselves in favor of the proposal.

Father Bernard Vaughan, brother of the late Cardinal Vaughan, replied: "There would be nothing ethically wrong in letting them die. Let them start at once and make up for lost time."

Rev. Arthur Waldron, vicar of St. Matthew's, Brixton, said: "If the women refuse food, they should be allowed to die."

Rev. Richard Free, vicar of St. Clements, Fulham, replied: "I think the suggestion a very good one. I have advocated it for many months"

Several of those interviewed denounced impartially both forcible feeding and the "hunger strike," while Willoughby Dickinson, a Liberal member of parliament, Lady Cowdray and Lady Muir-Mackenzie, dismissed the suggestion as preposterous.

Birmingham, Eng., June 9.—A suffragette vandal armed with a butcher's cleaver destroyed today the "Portrait of a Boy," by George Romeny in the Birmingham art gallery. When arrested she gave the name of Miss Ryland.

TO RESCUE KARLUK'S MEN

Washington, June 9.—The American revenue cutter Bear has been ordered to proceed from St. Michael, Alaska, to Wrangell Island, for the purpose of rescuing fifteen members of the crew of the Canadian steamer Karluk of the Stefansson Arctic Expedition, who are marooned on that island. Captain Bartlett of the Karluk is at St. Michaels and will accompany the Bear on its rescue expedition.

WITH EMPRESS SURVIVORS

London, June 9.—The Corsican reached Greenock at midnight and proceeded to Glasgow. There are sixty-two first-class passengers and seventy-four of the crew of the Empress of Ireland on board.

The loss of life at sea is infinite to the loss on land. No fewer than 15,000 people were killed and over 500,000 injured at their work in the United States last year.

J. S. H. MATSON.

THE MODERN LEADER.

Somebody has remarked that it requires a wise man to call his brother a fool. The author of this dictum, it will be observed, had rather a cynical understanding of men. His remark may be taken as a rebuke to one of the commonest failings of mankind. Let any little dispute break out between two individuals and the odds are that each will be calling the other a fool before it is over. If the difference is one of party the same thing occurs. The right is always all on the side we individually espouse. The latter day reformer, working along the lines of class consciousness, is making the very most of this human weakness. On this continent labor agitation has become a profession. The agitator, even if he has not risen above the order of the soap box, looks first of all to himself. He prefers to talk rather than work for a living. In other words he subsists or preys upon his fellows. He is a labor parasite, living on his gab and a lot of empty professions. These professions he markets where he can, and passes the hat to men who, he declares, are ground down as slaves and denied a living wage. Let them be squeezed as dry as they may by the fiendish operator the soap-box man is in no way averse to wringing another quarter out of them. The man higher up virtually employs the same methods. He is ready not only to call his brother a fool, but to dub him a knave as well. This quickens the prejudice of the crowd, and it is through their prejudices that the latter-day labor leader lives and gains his influence. He has no use for truth and fair-play would clog his game. He studies his following and panders to its ignorance, its passion, and prejudice. A northcountry labor leader once declared that it was not the first duty of a leader always to be thinking about his popularity. How hopelessly old-fashioned! The same leader also believed in and practised fairplay, and expressed the conviction that truth would go farthest. Apparently he has outlived his age. The modern method is to divide the world into two classes. There is the class ministered to and approved by the leaders. It is all right and all right rests with it. Naturally everybody else is all wrong. The rest are fools and knaves and all unmentionable names and things. It is after all an absurd stectacle, and it is built of dishonesty and every variety of meanness. Under such conditions all opposition and criticism are automatically silenced. The tendency is always to limit expression to that which is agreeable and popular. The leader who forgets himself and says what he thinks or discusses an issue on its merits is lost. He is a victim of the very conditions he has created. After a time the men who are led really become the leaders, inasmuch as the leaders have to go where the men say, not the men where the leaders want to go. There have been many local examples of these truths. There will be more yet. We hear a good deal of what the spread of education is going to do for mankind. We hear prophecies of revolution, both bloody and peaceful. We are all ready to welcome real improvement and progress, but it will never come through demagogues. What is needed is not so much superior education as each man to think for himself. Then, indeed, there would be less humbug, cant and hypocrisy and more real progress all round.

A pro-Indian agitation is being started in London, but according to despatches it will be unrepresentative of British ruling feeling. So far it has attracted only a small group of Radical and Labor members of Parliament. The latter apparently have never learned that one of the chief reasons for keeping East Indians out of British Columbia is because they enter into unfair competition with white labor. As in the case of South Africa, they would reimpose Downing street rule over the Dominion government. Why not invite the East Indians over there?

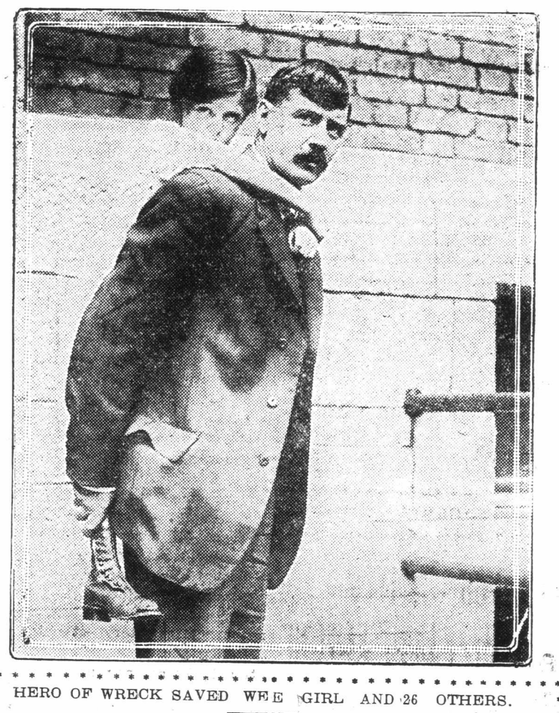
The manner in which the blasting is being carried out at the E. and N. depot is causing a great many complaints. It was only by a miracle that the young daughter of a well-known citizen escaped instant and terrible death a day or two ago. She was standing just outside the door of her home fully 150 yards away from the scene of the blasting, when a steel hook and piece of chain actually grazed her body as it plunged into the gravel walk. There is something a long way wrong with any blast which will hurtle a piece of steel chain such a distance as this through the air. It is also reported that on another occasion four fifteen foot logs were blown right over the depot into Selby street, and that windows in Milton street have been smashed by the force of the concussion. It rather looks as though the blasts are too heavy for public safety and that too many holes are being fired at once. The matter is one which the city ought to look into. It concerns the safety of citizens and the E. & N. is the last company to want an accident from such a cause. Moreover there is no earthly reason for such heavy blasting.

Indications are not wanting that public feeling in Great Britain is being dangerously worked up against the militant suffragettes. So far the authorities have found themselves impotent to deal with the hunger strikes of suffragette law-breakers. All any suffragette had to do to gain her liberty after being sentenced was to refuse her food, and she was released as a matter of course. Recent outrages have changed public feeling and sentiment altogether. There is no longer room for chivalric behaviour to these women. A few weeks ago the man who in exasperation said let the hunger-strikers die was regarded as a brute. Today the same thing is being said all over the country, and the newspapers are advocating the passing of legislation which will absolve the prison authorities from all responsibility in the case of hunger strikes. There is also a growing disposition to pay the militants back in their own coin, and fight them with their own weapons. It is a hateful thing to contemplate, but these women themselves have appealed to force, and are responsible for whatever happens. Dr. Conan Doyle stated in New York a few days ago that any day a lynching may take place. The news from home these last few days at least states that in several instances, had it not been for the police, who have been the chief victims of suffragette violence, some of the militants would have been very roughly handled. The scene is being set for a very serious tragedy.

The United Steamship Company of New Zealand, Limited, announces the declaration of six months' dividend on the company's 5½ per cent cumulative preference shares and an interim dividend at the rate of 5 per cent per annum on the ordinary shares.

That the amalgamation of the 3 great Japanese steamship lines, the Nippon Yusen Kaisha, the Osaka Shosen Kaisha, and the Toyo Kisen Kaisha, will shortly be effected, is the report that comes from London.

YOU CAN HAVE A WEALTH OF BEAUTIFUL HAIR



Nothing equals an aureole of beautiful hair as a frame for a pretty face Without a background of nice hair a really pretty face frequently becomes plain and, with it, unattractive features assume life and beauty.

Every woman can increase her natural charm by using Newbro's Herpicide. Herpicide makes hair beautiful. The dandruff germ saps the vitality of the hair. Herpicide applied intelligently and regularly checks this destruction of hair life and prevents the hair from falling out, giving it a snap and luster, a soft, silky fluffiness which can be acquired in no other way.

Newbro's Herpicide in 50c and $1.00 sizes is guaranteed to do all that is claimed. If you are not satisfied your money will be refunded.

Applications may be obtained at the best barber shops and hair dressing parlors.

FRED C. STEARMAN, Druggist, Special Agent.

HERO OF WRECK SAVED WEE GIRL AND 26 OTHERS.

The above photo shows R. T. Crellin, a prosperous farmer, who saved Florence Barber, the eight-year-old daughter of a neighbor by swimming with the child on his back, and with the aid of another passenger, pulled two women and several men into a collapsible boat. Clad only in a night shirt, Crellin said the water and air were as cold as Winter, chilling all hands to the bone. Despite the peril and exposure, flaxen-haired Florence Barber clung to Crelling's neck and never even cried. "The child was pluckier than a stout man," said Crellin, "she never even whimpered, and complaint was out of the question. I kept swimming trying to reach a boat and finally came across an upturned lifeboat from our steamer, and I managed to put Florence on it and then straddled it myself."

Practical Fashion Hints

By Alice Gibson

6973

In this design we have a pair of drawer bloomers for a girl of from four to fourteen; for the older child these may be made up in dark blue serge to accompany her gymnasium frock, or if made in sateen may be used instead of a petticoat. For the tiny tot it may be worn as a play suit, combined with a long-waisted blouse; if used for this purpose one of the heavier cottons, madras, chambray or linen crash is a suitable material in which to make them. They may also be made in muslin or nainsook and worn under the summer frock instead of a petticoat. For a child of six the pattern requires 2⅛ yards of 36-inch material. It is cut in six sizes, 4 to 14.

THIS IS A PERFECT PATTERN.

Be sure to get right size, passing the tape around the fullest part of the breast, well up under the arms.

The pattern may be obtained by sending name and address, pattern No. and size and fifteen cents to DAVID SPENCER, LIMITED.

Copenhagen, June 9.—Enactment of women suffrage in Denmark and abolition of all property qualifications for electors of members of the Upper house is proposed by a constitutional amendment bill which passed the Lower House of the Danish Parliament today.

ACCUSED OF MURDER.

Prince Albert, Sask., June 9.—In a fit of anger, seizing a shotgun which lay near, John Ireland, a farmer of the Biggar district, on the afternoon of May 24, shot and instantly killed his wife, Jessie Ireland, in full view of his wife's sister, and immediately afterward attempted to commit suicide by swallowing carbolic acid, according to evidence given at the preliminary hearing of a murder charge preferred against Ireland at Biggar. The accused, who has not yet fully recovered from the effects of the acid has been committed to the Prince Albert gaol to stand trial at the next sitting of the Supreme Court.

VIOLIN
MR. J. V. HASSLER

late of Hedley's Symphony Orchestra of Seattle, is prepared to take pupils on the violin. A through instruction in the German school of classic interpretation will be given. For particulars phone 195.

Sealed Tenders addressed to the undersigned, and endorsed "Tender for Drill Hall, Vancouver, B. C.," will be received at this office until 4 p. m., on Monday, June 29, 1914, for the construction of the aforesaid building.

Plans, specification and form of contract can be seen and forms of tender obtained at the offices of Messrs. Perry and Fowler, Architects Vancouver, B. C., at the office of Wm. Henderson, Resident Architect, Victoria, B. C., and at this Department.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures, stating their occupations and places of residence. In the case of firms, the actual signature, the nature of the occupation, and place of residence of each member of the firm must be given.

Each tender must be accompanied by an accepted cheque on a chartered bank, payable to the order of the Honourable the Minister of Public Works, equal to ten per cent (10 p. c.) of the amount of the tender, which will be forfeited if the person tendering decline to enter into a contract when called upon to do so, or fail to complete the work contracted for. If the tender be not accepted the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender.

By order,
R. C. DESROCHERS.
Secretary.

Department of Public Works.
Ottawa, May 23, 1914.

SCREAMED WITH THE TERRIBLE PAIN

"Fruit-a-tives" Completely Cured Distressing Kidney Trouble.

ST. THOMAS, ONT., April 1st. 1913. "In 1911, I was laid up with Kidney Trouble and not able to get out of my chair. Had tried many kidney remedies without satisfactory results. The pain was excruciating and my screams could be heard on the street. One day a friend from Ottawa came to see me, and when he found me in such poor health, said he would send me a sample of "Fruit-a-tives", which he did and I commenced taking them. The results were so apparent with the first few doses that I continued to take "Fruit-a-tives" and was completely restored to my normal state of health. I would strongly advise anyone suffering with Kidney Trouble to take "Fruit-a-tives" and cure themselves" CHARLES CALVEART.

50c a box, 6 for $2.50, trial size, 25c. At all dealers or from Fruit-a-tives Limited, Ottawa.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining right of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the North-west Territories and in a portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,500 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-agent in the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal sub-divisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise.

royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10.00 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or sub-agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

N. B.—Unauthorized publication of this advertisement will not be paid.

TO THE WORKING MAN—Are you interested in a good investment. Apply for particulars to Box 54. 81-6.

Morrison; Pitcher, N. Balo; First Base, J. Harley; Second Base, A. Shenton; Third Base, J. Marwick; Short Stop, J. Young; Left Field, H. Jolley; Centre Field, W. Streethorse; Right Field, C. Stolzenburg; Spare man, A. McLeod.

ENGLISH FOOTBALLERS LOSE

Sydney, N.S.W., June 9.—The English Northern footballers were beaten by the Metropolitan thirteen 38 points to 10 in a match played here on Saturday. New South Wales took its turn at beating the Englishmen on Monday, winning with a score of 11 to 3.

THREW WESTERGAARD.

Duluth, Minn., June 9.—Stanislaus Zbyszko, the Polish heavyweight wrestler, defeated Jess Westergaard of Des Moines, Ia., in straight falls here last night.

CLUBS SWUNG FOR 98 HOURS.

Brisbane, Australia, June 9.—Harry Lawson, the world's champion club swinger, defeated Murrell Needham the champion of Tasmania, in a swinging match here today. Lawson kept the clubs going for 98 hours and ten minutes, and Needham, although he injured his wrist after swinging for 30 hours, managed to continue for 68 hours and eight minutes.

MORRIS BEAT FLYNN.

Joplin, Mo., June 9.—Carl Morris, the Oklahoma heavyweight was given the decision over Jim Flynn of Pueblo in the ninth round of a fifteen-round bout here last night when he went down under a blow that the referee decided was a foul.

MIDDLEWEIGHT BOUT IN JULY.

San Francisco, June 9.— Billy Murray of Sacramento and George Chip of Pittsburg were matched here yesterday to box twenty rounds for the middleweight championship in San Francisco on July 4. Mike Gibbons whom Murray meets in New York June 18 may be substituted, however if he defeats Murray. They will weigh in at 158 pounds at 10 a. m.

Al Hatch, champion welterweight wrestler of the Pacific Coast defeated Harry Gatenby of Victoria last night in the return match for the title. Hatch took the first fall in four minutes, Gatenby refusing to go back for the second fall.

JOHNSON MAY NOT MEET LANGFORD

The announcement yesterday that $30,000 in gold coin had been posted by London promoters to bind a match between Johnson and Langford at London, to be staged some time after the match between Johnson and Frank Moran at Paris on June 30, looks to be quite unfounded.

For instance, there are many people who believe that Moran has the best kind of a chance to beat Johnson, if he fights him in the right manner. What chance would there be for any promoter in the world to offer Johnson a $30,000 guarantee if he had been defeated by a man never rated better than a fighter of only ordinary ability?

Johnson, naturally, will sign in advance for as many matches at $30,000 per, as promoters are willing to offer. No one can blame him for dragging in the coin.

But should Johnson be worsted in his bout with Moran, the present large guarantee which has been put up in gold coin, as rumor says, will not remain ready for him to tap. Probably there is some private agreement to this effect. If not, the promoters have found some other scheme by which they may gracefully back down, if necessary.

HEAT WAVE LEAVES DEATH IN WAKE

Cleveland, June 9.—A man and a baby were killed by the heat here yesterday. Five men were prostrated. It was the hottest June day in years and no relief from the heat was in sight.

New York, June 9.—One death and many prostrations were reported in the wake of the heat wave of this city and its suburbs yesterday. The temperature reached 93 degrees, and many persons overcome by the heat were removed to hospitals.

Pittsburg, Pa., June 9.—Three deaths from the heat were reported here today when the thermometer at 10 o'clock registered 88, the record for forty years.

Chicago, June 9.—Two deaths attributed to the heat were reported today by the police, while the mercury mounted to 94 degrees early in the afternoon, a record for the year.

Kansas City, Mo., June 9.—High temperatures prevailed throughout eastern and southern Kansas and in this part of Missouri today. Pittsburg, Kan., reported the mercury at 99 degrees at noon, a record for five years.

Detroit, June 9.—Up to this afternoon the intense heat of the last three days, had resulted in four deaths, driven a young woman insane and prostrated at least nineteen other persons, according to police report. The Government street thermometer registered 98 degrees early in the afternoon.

BRAZILIAN AMBASSADOR AND WIFE AT CONFERENCE.

Dr. Domicio Da Gama, Ambassador from Brazil to the U. S. and his wife, photographed on the veranda of the Hotel Clifton, at Niagara Falls, Ont., where the Mexican-U. S. Mediation conference is being held. Dr. Da Gama is a member of the famous A.B.C. committee, composed of the ambassadors of Argentine, Brazil and Chile, which suggested mediation to President Wilson. Madame Da Gama is an American woman, southern born, and before her marriage to Dr. Da Gama in November of 1912 was the widow of Arthur Hoppock Hearn, a wealthy New Yorker. She was married to Dr. Da Gama at the home of Albert H. Harry in New York, and the event was one of the social occasions of the season.

You Buy No Doubts

when you buy a

Remington Typewriter

It is not a question of your judgment only, or of ours; when you buy a Remington you are backed by the judgment of *over three-quarters of a million Remington users.* There is no other army of typewriter users like it. The collective voice of the typewriter using world says "Remington."

You are backed in your judgment by Remington sales of *a machine a minute*—the high water mark of typewriter production—unanswerable evidence of Remington progress and Remington leadership.

When you buy a Remington you *know* what you are getting.

Write to us for our latest illustrated booklet describing all the new improvements of our 10 and 11 visible models

Remington Typewriter Company

818 Pender St. LIMITED Vancouver, B. C.

OUTRAGE ON PEOPLE.

Montreal, June 9.— The Montreal Chirurgical Society has passed a resolution protesting against "The outrage of the people being compelled to use water from the Lachine Canal." The society threatens to publish "the true state of affairs in the British, American and European medical press if the mayor and council again turn on the Lachine waters for the citizens' use, as they have intimated they may do next month."

AT PRINCE RUPERT.

Prince Rupert, June 9.—Hon. W.J. Bowser spent yesterday afternoon here en route to Skagway. The minister was met by Mr. Wm. Manson, M. L. A., and was shown about the city. Mr. Bowser expressed much satisfaction at the substantial development of the city since his last visit two years ago. He announced the hearing, in July, of the application of the Prince Rupert Hydro-Electric Company for government approval of entry into the city.

STRAWBERRIES AND CREAM AT A. R. JOHNSTON & CO. LTD.

The Dingman oil well is 37 miles south of Calgary. It is likely that a town called Oil City will spring up in that vicinity.

There are probably millions of barrels of oil concealed in the hills between Greenwood and the deep blue sea, but it is too timid to leave home without being driven.

Last year the salmon pack in B.C. was 1,353,901 cases. This year 75 per cent. less Chinamen are being employed in the canneries.

The price of copper may soon advance as the visible supply in the world is getting short.

"The Law Bringers." By G. B. Lancaster. Hodder and Stoughton, London, New York, Toronto.

This great story of the Canadian Northwest has run into a second edition and its popularity is not to be wondered at. There has never been a more gripping or compelling story of the outposts of Canada, and the work of the North West Mounted Police. Either in its description of the wilds of the north west, or in its characterization the book is of supreme excellence. Dick Heriot and Tempest are great characters and perfect foils the one to the other. Grange's Andree is a wonderful study and the author paints on a broad canvas, and always with the brush of a master. It is, indeed, a masterly piece of fiction and with Canadians especially should enjoy a lasting popularity. The Law Bringers can be obtained at Jepson Bros.

VOLUME XIV — NANAIMO, VANCOUVER ISLAND, BRITISH COLUMBIA, THURSDAY MORNING, JUNE 11, 1914 — NUMBER 82

LOCAL LICENSES ALL RENEWED

Nanaimo Board of License Commissioners Met Yesterday and Transacted Routine Business—Temporary Permits are Extended.

The Board of License Commissioners for the City of Nanaimo at a meeting yesterday afternoon granted renewal of licenses to all hotels in the city, there being present at the meeting Chairman, Mayor Planta, and Commissioner James Pender. Chief of Police Neen and Secretary S. Gough were also in attendance, the applicants for renewals being represented by Mr. C. H. Beevor Potts.

At the opening of the meeting Mr. Potts remarked that at its last meeting the Board had made strictures on certain hotels in the city. He had notified the offenders of the action taken by the Board and he hoped there had been no trouble since. In reply to Mr. Potts' remarks the chairman stated there was no cause for complaint now as the hotels referred to had done better since the warning they had received.

Mr. Potts applied for an extension of the temporary permit granted Messrs. Carroll and Hodgson in the Globe Hotel and of the permit granted John Aitken in the Vendome, until the next sitting of the Board, both applications being granted.

The Board then adjourned to meet on the second Wednesday of September.

FUNERAL OF LATE MARGARET MACKIE

The funeral of the late Mrs. Margaret Mackie took place yesterday afternoon from the residence of Mrs. William Lobley, daughter of the deceased, Machleary street, beautiful services being conducted at the home and graveside by the Rev. Mr. Green pastor of the Haliburton Street Methodist Church. The big attendance at the funeral, and the large number of beautiful floral offerings attested in an eloquent manner the esteem in which the deceased was held throughout the district in which she had resided for many years, and how widespread was the sympathy occasioned by her death. Funeral arrangements were in the hands of Mr. A. E. Hilbert, the pall bearers being Messrs. W. Carmichael, W. Bowater, W. Anderson, R. Bell, H. Whitehead, and R. Hirst.

The following extensive list of floral tributes are acknowledged:

Globe—Mr. and Mrs. Mathews, Mr. and Mrs. Wm. Wilson, Mr. and Mrs. Wm. Quinn, Mr. and Mrs. Joe Fort.

Pillow—From family and grandchildren.

Cross—Mr. and Mrs. Wm. Carmichael, Mr. and Mrs. Geo. Brown.

Bouquet—Mr. and Mrs. W. Bowater Mrs. E. Whiley, Mr. and Mrs. R. C. Wilgress, Mrs. Wilson.

Sprays—Mr. and Mrs. Geo. Graham Mr. and Mrs. Ward (Vancouver), Mr. and Mrs. Evans, Mr. and Mrs. Bradbrook, Mr. and Mrs. Gilespie and Bertha (Vancouver); Mr. and Mrs. W. J. Adams, Mr. and Mrs. T. Piper, Miss Annie Carmichael, Mr. and Mrs. Walter Neilson, Mr. and Mrs. Pollard Mr. and Mrs. A. Fowler, Miss Watson, Mrs. E. Davis, Mr. and Mrs. Cadger, Mr. and Mrs. Stewart, Mr. and Mrs. Wm. Hardy, Mr. and Mrs. A. Stewart, Mrs. A. Menzies, Mr. and Mrs. D. Gillies, Mr. and Mrs. B. Robertson, Mr. and Mrs. McArdle, Mr. and Mrs. Wm. Hodgson.

Crescents—Mr. and Mrs. A. C. Wilson, Mr. and Mrs. James Pender.

Wreaths—Mr. and Mrs. Robert Hirst, Mr. and Mrs. John Farmer, Mr. and Mrs. A. Wheatcroft, Mrs. Jas. Parrott, Mr. and Mrs. E. Orme Mr. and Mrs. Clarkson, A Friend, Mr. and Mrs. W. R. Frampton (Van.) Mrs. Dand and family, Mr. and Mrs. Whitehead, Mrs. H. A. Robinson, Officers and Members of Miriam Rebekah Lodge, Mr. and Mrs. Reinhart and family, Mr. and Mrs. Meredith, Mr. and Mrs. H. Ellis.

Mrs. S. Jones, Front street, is visiting friends in Vancouver.

THIRTEEN DEAD BY HEAT IN DETROIT

Chicago, June 10.—Cool winds from the northeast today brought relief to thousands who suffered in the extreme heat last night. Early in the day the thermometer in the weather bureau station registered 82 degrees and at 10 o'clock the mercury had fallen a degree.

Chicago, June 10.—Three deaths and a score of prostrations were reported to the police yesterday, the third day of the season's first hot wave here. The temperature on the street was 98 degrees, one degree less than the June record, while a humidity record of 60 added to the general discomfort. The government thermometer above the Federal building registered 95 degrees.

Detroit, June 10.—Two more persons died from the extreme heat today, making a total of 13 deaths since the heat wave began last Sunday. A cool breeze brought some relief this afternoon, but the weather bureau forecast predicted hot weather for tomorrow.

Kansas City, June 10.—Extremely high temperatures prevailed today throughout Kansas and in this part of Missouri, Pittsburg, Kansas, reported the mercury at 97 at 2:30 o'clock and Sedalia, Mo., reported a similar reading at the same hour.

PLUMBERS GO ON STRIKE

Winnipeg, June 10—The plumbers' union went on strike yesterday. They demanded an increase from the present scale of 55 cents an hour to 60 cents an hour. The majority of the contractors refused to accede to the demand and the plumbers, with whom are included steamfitters, gasfitters, and like traders promptly walked out.

ADLAI STEVENSON VERY LOW.

Chicago, June 10.—Former Vice-President Adlai Stevenson, who is critically ill at a local hospital, was reported unusually low today.

PROBING AFFAIRS OF THE C. H. I. C.

Writ is Out Against Dr. R. E. McKechnie and The Other Directors of Canadian Home Investment Company.

The report of the auditors who recently went over the books of the Canadian Home Investment Co. at the instigation of the Dominion Trust Company is today being mailed to all contract holders while a writ has been filed in the Supreme Court of British Columbia on behalf of the Alpha Mortgage & Investment Company and Mr. F. W. Law against Messrs. Albert McKechnie, E. C. Mason, J. R. Seymour, J. J. Banfield J. Duff Stuart and Dr. R. E. McKechnie, the former directors. The Alpha Mortgage & Investment Corporation Limited, together with Mr. F. W. Law seek the recission of a contract for the purchase of 717 shares of the capital stock of the C. H. I. C. and the recovery of the sum of $71,700 paid under this contract.

Mr. F. W. Law purchased the capital stock of the Canadian Home Investment Co. under agreement and then assigned the agreement to the Alpha Mortgage & Investment Corporation, Limited.

Before the transaction took place criticism of the C.H.I.C.'s administration was made by a number of contract holders and then the Alpha Mortgage & Investment Corporation placed the affairs of the business in the hands of the Dominion Trust Company to administer its business in trust and for the purpose of making an audit of the books of the company. The Alpha Mortgage & Investment Corporation held a large number of contracts purchased from the original holders.

The report sent out by the Dominion Trust Company gives in detail all the administrative details of the company. The report also adds that with the large number of books one set of which was kept for every series, and there were ninety-three series, the task was by no means an easy one. The report is most comprehensive and will give the contract holders a correct statement of the affairs of the company.

An item outstanding in the accounts is the loan of $45,000 made to the Alpha Mortgage & Investment Company at 5 per cent. without any security and the payment of $25,000 from the loan reserve fund to the Government of Nova Scotia.

Dealing with the business done the report gives the total number of contracts sold as 18,095, which are accounted for as follows: Contracts, the holders of which have received loans 535; cancelled by payment of cash surrender value, 2143; cancelled by payment of death surrender value, 17; contracts lapsed, 7986; balance, being contracts current, including 792 deposited for cash surrender and 18 who have accepted paid up certificates in lieu of cash surrender value, 7414.

The total cash deposited to the loan reserve fund up to March 24, 1914, was as follows: On account of dues, $650,444.15; fines and transfers, $7316.20; profit on resale of contracts $1330.22; repayment of loans, $50,711.25; interest on loans, $21,718.48, making a total of $731,520.30.

REBEL SOLDIERS AND NURSES CARE FOR THE WOUNDED

A youthful rebel being treated by White Cross nurses at Tampico, with General Pablo Gonzales in the background looking on. While the Federals suffered a heavier loss in the battle of Tampico than did the rebels, a large number of rebels, some of them mere boys in their teens, were wounded. The White Cross nurses at Tampico have been attending these rebels as well as the wounded Federals who were left behind.

E. AND N. CONFIRMING SURVEYS ON ISLAND

While it is announced that the C. P. R. has no immediate intention of extending the E. & N. line along the northwest coast of Vancouver Island surveys are in the field checking up the explorations of previous parties with a view to the ultimate construction of a line from Campbell River to Hardy Bay.

Preliminary work both in the way of locating a route and clearing right of-way has been done north of Courtenay (Comox) and end of the extension now practically finished, to Campbell River. Reference was made yesterday to the fact that engineers are mapping out a route north of Campbell River and Mr. H. J. Cambie, consulting engineer for the C. P. R. has confirmed the report.

The Comox extension is rapidly nearing completion, work now being concentrated on one of the bridges on each side of the finished sections. Ballasting is proceeding on the other portions and the line is expected to be ready for service within the next thirty days.

NOT A SUFFRAGETTE THERE

London, June 10.—King George and Queen Mary were able to enjoy the brilliant state ball at Buckingham Palace last night, as there was no interruption by suffragettes, thanks to rigorous police precautions.

GRAND TRUNK TOWN IS FIRE SWEPT

North Bay, Ont., June 10.—The town of Hearst, on the National Transcontinental Railway, west of Cochrane, had a serious fire last night. Ten stores and nine residences were destroyed. A light rain which started during the progress of the fire helped materially to check the flames. Hearst is one of the new towns to spring up along the Grand Trunk Pacific and is the most northern outpost of organized communication in the Province of Ontario.

PARTIES AGREE ON REDISTRIBUTION

An Agreement is Reached at Ottawa and it is Believed Redistribution Bill Will be Passed This Week.

Ottawa, June 10.—After weeks of negotiations and after all hope of settlement had been abandoned the redistribution committee reached a practically unanimous agreement this morning, and the report of the committee will be made to the House this afternoon.

The bill based on the report will be introduced at once and put through the House and Senate without delay, so that Parliament will prorogue on Friday.

There were two final stumbling blocks, the chief one being the disposal of the pocket borough of Russell the seat of Hon. Charles Murphy. It was proposed to wipe out Russell. The proposal was quite justified as Russell county proper has only 19,000 population. It now has two townships of Charleton. If county lines are to be followed there was no justification for retaining Russell. However, as the Liberals would not agree to this, for the sake of peace and in order that there could not be the slightest claim on the part of the Liberals of a gerrymander, the Conservatives of the committee have given in, and Russell will be retained.

In the place of Russell, the county of Stormount now held by Dr. Aiguire, a Conservative, will disappear and will be divided between the seats of Glengarry and Dundas.

The Liberals have agreed to this proposition and have signed the schedule for Ontario. In western Ontario, the Liberals have made a concession and the two Kents are to be united.

The committee is now unanimous on every point but one, and that is the disposal of Richmond in Nova Scotia. Richmond has a population of only 14,000. The plan is to unite Richmond with South Cape Brenton and elect two members at large. To this the Liberals object, not on the cry of gerrymander or because it is not fair, but with a view to saving Mr. George Kyte, one of the Nova Scotia members. They want the seat divided. The Liberals will make a small protest in the House against this and the bill will go through without any fight.

HONOR FOR MAYOR MARTIN.

Montreal, June 10.—Between $9000 and $10,000 is said to have been collected by admirers of Mayor Martin for the purpose of buying his worship a carriage and pair and portraits of the mayor and his wife. The balance of the fund will be given to the mayor as a purse. The presentation will be in honor of Mr. Martin's victory at the polls in the municipal election last April.

LOCAL COURT SITS MONDAY

Twenty-Two Appeals Against Assessment Will be Heard by Court of Revision of City Council on Monday Next.

His Worship Mayor Planta and Aldermen Young, Ferguson, Killeen and Forrester constitute a Court of Revision which will sit Monday to hear appeals against the assessments as levied by the city assessor for the year 1914.

Notice of appeals must be filed ten days prior to the sitting of the court, and as that date has passed no further appeals other than those already in can be filed.

The court will have twenty-two appeals to hear and decide upon, those making appeals together with their reason for making the same, being as follows:

Frank Hazelhurst, sec. 1-3, lot 5 blk. F, appeals that value of improvements is wrong.

G. M. Boyer, sec. D 3, G 3, and G 4, block N, that the land assessment is excessive.

R. McGarrigle, lots 13 and 14, blk. D, that the land assessment is excessive.

Herbert Charman, that he is improperly assessed.

Thos. D. Jones, lots 9 and 10, blk. 34; lot 12, blk. 19; lot 11, blk. 13; lot N half of 9 and N half of 10, assessment too high.

Mrs. Eliza Penny, lot S half of 15 blk. Jackson, assessment too high.

James Brodie, lot S, half of 18 blk. Jackson, assessment too high.

A. H. Russell, lot 7, blk. 43, assessment too high.

Sarah Clark, lot 17, blk. 3, assessment too high.

Thomas Baird, lot east half 3-1. blk. E, lot 7, blk. 46, unfairly assessed.

Alex Coombe, lot 2, blk. W, improperly assessed.

John McLeod, lot 9, blk. 43, assessed excessive.

Thomas Hodgson, lots 2, 3, and 5 blk. 33, assessment excessive.

David Owens, lot 7, blk. 7, improperly assessed.

Mrs. S. Dixon, Inliquitous rating.

Maria Harold, assessment too high.

Bing Kee, lot 17, blk. 54, assessment too high.

H. Dendoff, lot 14, blk. 54, assessment too high.

Robert Naylor, for Athletic Club. lots 19 and 20, blk. 54, assessment too high.

E. A. Hoskins, lots 15 and 16, blk 54, assessment too high.

C. Reifel, lot 4, blk. 43, assessment too high.

Mrs. K. Shaw, lot 10, blk 55, assessment too high.

BOUNDRIES OF NANAIMO CONSTITUENCY

Ottawa, June 10.—The Redistribution Bill was introduced in the House of Commons today and it is expected the Bill will pass this week prior to prorogation on Friday.

As regards the boundries of the western constituencies the only dispute in the committee was over Nanaimo. The Liberal members of the committee wanted Nanaimo to include Cumberland and other northern points and to exclude the southern end of the Island while the Conservative members desire the seat to remain as heretofore, viz to include Nanaimo City, Newcastle, Cowichan, Saanich, Esquimalt and The Islands. The matter will be considered on the floor of the House.

APPEAL MADE IT WORSE.

Seoul, Korea, June 10.—Tomitaro Watanabe, a Japanese who on March 29, murdered Dr. Edgar de Mot Stryker, an American surgeon, was hanged today. Watanabe, who had previously strangled his wife, went to the hospital at Holkol, where Dr. Stryker was in charge, and shot the American doctor dead. He was tried and sentenced to life imprisonment, but appealed. The superior court sentenced him to death.

HAS DONATED $7,000,000.

Montreal, June 10.—Sir William MacDonald's donations to the MacDonald College of Agriculture now total $7,000,000, according to figures given out this afternoon by Dr. Harrison, the principal at the annual convention of McGill University.

HUNDRED LIVES LOST IN STORM

Chatham, N.B., June 10.—The conflicting reports made it impossible today to determine definitely how many fishing smacks and lives had been lost in the storm which swept the Gulf of St. Lawrence, Chaleur Bay and the Straits of Northumberland on Friday.

One report placed the number of dead at 125. Advices from Caraquet said 19 lives were known to have been lost, one vessel was missing and nothing was known of the fate of the crews of two vessels reported ashore on Pakesudie Island.

Caraquet, Shippegan and Lameque, the headquarters of the Bay of Chaleur fishing fleet, are remote points and because of broken wire communication it has been impossible to get accurate accounts of the storm damage.

The vessels that suffered from the gale were small schooners. Nearly every craft was manned only by members of a single family, with the father in command and three or four sons or other relatives composing the crew.

NORWAY BANS LIQUOR.

Christiana, Norway, June 10.—The Norwegian Parliament today followed the lead of Secretary of the Navy Daniels of the United States, and adopted a resolution prohibiting the consumption of intoxicating liquors by officers of the Norwegian army and navy during their terms of service.

DID HE FLEECE FARMER?

Los Angeles, June 10.—J. W. Byrnes, alleged leader of a band of bunco men, who fleeced tourists out of thousands of dollars two years ago, was placed on trial today in the superior court. He is accused of having robbed G. P. Fries, a farmer from Illinois, of $5000 on a fake horse race.

RIVER FLOODS ITS BANKS

Lives Lost When the Colorado River Overflowed its Banks —Houses Inundated and Much Property Damage is Done.

San Bernardino, Cal., June 10.—Two prospectors and an Indian boatman were drowned in the flooded Colorado river, according to reports received today from Calzona, Ariz. Their boat capsized while they were attempting to cross the river.

All along the river the situation was reported today as critical. The volume of water passing through the crevasse in the government levee at the Mojave Indian reservation which gave way yesterday is expected to relieve somewhat the situation as it affects the Imperial valley, lower down the river.

A force of men are at work today raising the levee at Beale, a point where three previous crevasses have occurred. The water at that place is nearly level with the levee.

Needles, Cal., June 10.—The Colorado river flood swept over the abutments of the big Santa Fe bridge 12 miles south of here today and reached the track ties. Officials, however, became more hopeful when the river guages showed a fall of a few inches, due probably to levee breaks above here.

The flood waters are now between the river dike and the tracks. Houses in the lower part of Needles are inundated.

Expensive riprap work to protect the railroad tracks on this side of the Santa Fe bridge failed to keep out the flood.

Calexico, Cal., June 10.—Two hundred Chinese coolies in Lower Californis worked all night raising the levee at Volcano Lake, threatened by the Colorado river flood. The river water was within eight inches of the levee crest last night and was still rising today, while the coolies and 100 teamsters operating scrappers worked to get sacks of dirt in place to check the floods.

Captain J. G. Harbord, commanding the American military forces on the border here, reported to headquarters today that the situation seriously menaced the irrigation system. Men and teams are being recruited for duty at the threatened points along the levee and Imperial irrigation system.

TRAM SYSTEM FOR NANAIMO

The District Motor Bus Tram Company of Victoria May Inaugurate a Tram System in Nanaimo and District.

The District Motor Bus Company, of Victoria, is contemplating applying to the Nanaimo City Council for a franchise to operate a Motor Bus Tram system in this city and extending into the populous district adjoining.

The Company which proposes extending its operations to Nanaimo has been operating in the vicinity of Victoria for some time, having a scheduled motor bus tram system operating to Metchosin, Keatings and other points adjacent to the capital. The management of the company was approached by Mr. Hugh May, of the firm of May, Tisseman and Gemmell, of this city, who pointed out the prospects for the successful operation of a bus tram system in Nanaimo, and furnished the company with data in reference to the population of Nanaimo and the suburbs extending from Nanoose on the north to Ladysmith on the south.

In response to the solicitations of Mr. May, the manager of the company has stated his intention of visiting Nanaimo in the course of the next few days and going fully into the subject with the City Council with the object of securing a franchise from the city provided the prospects look favorable to the company for the successful operation of a Motor Bus Tram system in Nanaimo.

COWARDLY ATTACK AT SOUTH WELLINGTON

Mrs. Walker and Mrs. Taylor, wives of workmen employed by the Pacific Coast Coal Company at South Wellington mine, were brutally assaulted yesterday afternoon by a number of women, while a number of striking miners stood idly by allowing the women to be beat up without raising a hand to prevent the assault.

Mrs. Walker and Mrs. Taylor left their homes at the mine on a visit to the school to see the teacher on a matter relating to their children who were attending the school. On the way to the school they had to go through what is known as the "camp" where the strikers reside. On the way through the women were called "scabs" and other insulting names and on their return home were set upon by a number of strikers' wives, Mrs. Walker being struck on the head with a club and severely injured, necessitating her being attended by a doctor. Mrs. Taylor was compelled to throw herself across the buggy in which she was wheeling her baby to keep the child from getting injured as threats were made "they would kill her and the baby too." The two women eventually escaped from the mob and were assisted home where they were given surgical and medical attention.

The victims of the assault were in a nervous state of mind over the affair and considerable excitement resulted at the mine when the news of the cowardly attack was made known.

Mrs. Taylor and Mrs. Walker are able to identify their assailants and a number of arrests are expected to take place in the near future.

OFFICERS ELECTED I. O. O. F. GRAND LODGE

Victoria, June 10.—The feature of the I.O.O.F. Jubilee Celebration here today was the parade in which three bands took part, and a mass meeting in the afternoon addressed by Premier McBride and others.

At the evening's session officers were elected as follows:

G.M.—Mr. White (Cranbrook)
D.G.M.—C.W. Dempster (Victoria.)
G.W.—H. Henderson (Vancouver.)
G. Sec.—Mr. Davey (Victoria.)
G. Treas.—Mr. Glass (Penticton).
Grand Rep.—W. Law (Vancouver.)

Mr. John Fisher, former proprietor of the Vendome Hotel, left yesterday on a business trip to the mainland.

MORE THREATS

The Victoria Times last night contained a brief report of a speech delivered in the Capital City on Tuesday night by Mr. Geo. Pettigrew. According to Pettigrew, if the government does not come through he will advocate a general strike. He does not state how the government is to come through. He left that to the imagination of his audience. As a matter of fact he cannot state how the government can come through. The government cannot do anything. There is still trouble at the coal mines on the island, and there are still men off work, but there is no strike. The mines are operating to the capacity of the market, with more labor on hand than can be employed. What is there then that the government can do? And how comes it that Pettigrew should be looking to the governemnt to clean up the mess he himself made? There has been no limit to the abuse he has heaped upon the government. He has blamed it for everything that has taken place in connection with the strike and poured insults upon the heads of its members. There is neither doubt nor question locally as to who made all the trouble Nanaimo has had over a year of Pettigrewism, Ladysmith and Cumberland over eighteen months. Who is the better off for it except himself? His object in Nanaimo, as he himself stated in Ladysmith a year ago past May, was to put the city "on the hog." He succeeded and now he would have the government relieve him of the responsibility. But while he puts others on the hog he puts himself on Easy Street. While the men whom he persuaded to leave their work have been subsisting on four dollars a week, he has been drawing a good salary and having the time of his life. He did promise, or so we are informed, that while the strike lasted he would share the hardships with the rest of the men and draw only strike pay. Has he done it? Did he not tell them he was entitled to his salary and insisted on getting it. It is not the custom of trouble-makers by profession to share in the trouble they make. There would be few troubles if they did. Naturally also it is an easier thing to start a trouble than to end it. At the beginning a couple of weeks or a month was to do it all. Then a few months more were required, and always the end was in sight. Now after having caused it all, and gloried in the work of his hands, Pettigrew would have the government perform his salvage operations. He has his usual threat at hand. If the government wont do whatever it is he wants it to do then he will promote a general strike. He will do more than that. He will make a special appeal to the unemployed in Vancouver and Victoria. If he can persuade all the workers to revolt at one time the militia will be insufficient, and the workers might be able to do something. We do not profess to be able to tell exactly what Pettigrew here threatens to do. Whatever it is, however, it is something which the militia, in the natural order of things, would be called upon to prevent but would be insufficient to do so. In other words, with Pettigrew, it is all a matter of the strength of the militia. Without the militia there would be an end to law and order, and, provided the militia can be swamped by numbers, there will still be something doing. In view of all the criticism the local authorities have been subjected to for the measures they have taken to prevent the possibility of disorder and preserve peace, Pettigrew's statement of his attitude and intentions could not have been made more opportunely. His whole speech is a desperate confession of failure.

WILSON AND MEXICO.

With the best will in the world, it is almost impossible to follow President Wilson in his treatment of the Mexican question. For a long time his policy was one of watching and waiting. For reasons sufficient to himself he had refused to recognize Huerta and his government in Mexico. The developments of the situation forced him to the support of the Constitutionalists whose leaders were and are no whit better personally than Huerta himself. During his period of waiting the party which circumstances had forced him to back is charged with the death of several Americans and its greatest leader and probably the next president has yet to clear himself of the murder of a British rancher named Benton. In spite of the agitation which broke out in England Sir Edward Grey left the whole matter to President Wilson and the United States government. Still President Wilson decided that there was no ground for intervention and adhered to his policy of waiting, meanwhile taking steps to ensure the Mexican bandits and Constitutionalists getting all the arms and ammunition they needed. Then came the flag incident at Tampico and the seizure of Vera Cruz. The movement was altogether unexpected. On the stated grounds of his policy it was hardly justified. President Wilson could scarcely have availed himself of a less satisfactory pretext, and furthermore he sought an amende honorable from an authority he had refused to acknowledge. Then it developed that he was not prepared to carry his policy of interference any further than the seizure of Vera Cruz. As a matter of fact his intervention had made the fall and defeat of Huerta inevitable. This apparently has been his object all along, and under the guise of neutrality and non-interference he did all he could to secure it. When more decisive action was necessary he ordered the seizure of Vera Cruz at the crucial moment in the fortunes of the two warring factions in Mexico, and thus sealed the fate of Huerta. Nor is he disposed to forego in any way the consequences of his action to the Mexican president. His latest move is to block the mediation proposals at Niagara Falls. The United States will not consent to Huerta naming the next provisional president, even if he names him according to the proposals of the mediators. President Wilson sees in this course the recognition of the Huerta government which he has always withheld. Surely his policy of waiting was elastic enough to carry him over this obstacle. Seeing that Huerta is voluntarily removing himself and the necessity for doing it is chiefly the result of the action of the United States, there is little reason for cavilling at what this course implies. Huerta is virtually agreeing to his deposition, and if he cannot who is to name the successor selected by the conference? Certainly it is difficult to see how such a course would impair the prestige of the United States. Meantime to hold-up the conference gives more time to Villa and Carranza to drive Huerta out of Mexico, or in other words procure his abdication by flight or death. Whether such a contingency would be to the benefit either of the States or of Mexico itself remains to be seen. To a great many Americans the substitution of Villa for Huerta would not improve matters and could hardly be expected to make for the general pacification of Mexico. Things would be pretty much as they were, with all the chances of another revolution to come. For the present at least President Wilson's Mexican policy has not been overly successful.

RACING BILL KILLED

Baton Rouge, La., June 10.—The Reinhardt bill, providing for the restoration of horse racing in Louisiana, was killed today in the house. 55 to 50.

FORTY-SIX MILLIONS IN GOLD SENT TO PARIS.

New York, June 10.—Five million five hundred dollars in gold was engaged here today for shipment to Paris. The continued outflow from this port to Europe has excited considerable comment in banking circles. In the present movement which began about a month ago, $30,000,000 has been exported. Earlier in the year $16,000,000 went.

NOTICE OF APPLICATION FOR TRANSFER OF LICENSE.

Notice is hereby given that at the next sitting of the Board of License Commissioners for the city of Nanaimo we intend to apply for a transfer of license to sell wines, spirits and intoxicating liquors by retail at the Globe Hotel, situated on lot 14 in block 65 city of Nanaimo now held by us to Henry Carroll and James Hodgson, of Nanaimo.

Dated at Nanaimo this 11th day of June, 1914.

ELEVENTH RHODES SCHOLAR FROM B. C.

Mr. Basil E. Atkins, of Vancouver, was elected Monday night as British Columbia's Rhodes Scholar for the year 1914. There were present at the meeting, at which the election was announced, three of the five members of the selection board. Those present were: Dr. Alexander Robinson, Provincial Superintendent of Education; Mr. J. S. Gordon, municipal inspector of schools of Vancouver; and Mr. David Wilson, in the chair. The other members of the board are the Lieut-Governor and the Chief Justice of the Province.

It is noteworthy that, for the first time since the Rhodes Scholarships were inaugurated, only one candidate presented himself for election. There was, therefore, no difficulty in making the award.

Mr. Basil Atkins, who will therefore spend three years at Oxford University, is a graduate of McGill University. He received his early education at the Public and High Schools of Vancouver and attended the McGill college at that city, subsequently taking his degree at McGill University, Montreal.

It will be interesting to recount at this time the names and circumstances of election of previous Rhodes scholars from the Province. The list is as follows:

1904—Five candidates, A. W. Donaldson, winner.

1905—Two candidates, Israel Rumowitz, winner.

1906—Three candidates, Harry Bray winner.

1907—Five candidates, Thorlief Larsen, winner.

1908—Four candidates, Harry T. Logan, winner.

1909—Four candidates, Arthur Yates, winner.

1910—Six candidates, Sydney C. Dyke, winner.

1911—Four candidates, Joseph B. Clearihue, winner.

1912—Two candidates, Alfred N. King, winner.

1913—Four candidates, Geoffrey L. Haggen, winner.

1914—One candidate, Basil E. Atkins, winner.

James A. Riley is starting a paper at Skeena Crossing, the new mining camp up the Skeena river.

In the state of Washington, Oregon Idaho and Montana, there are 505,000 acres of apple trees.

DEPARTMENT OF THE NAVAL SERVICE.

Tender for Dwelling House.

Sealed Tenders addressed to the undersigned and endorsed "Tender for the erection of one Double Dwelling House at the Digby Island Radiotelegraph Station, Prince Rupert, B. C.," will be received at this office until noon on June 21st, 1914.

Plans, specifications and form of contract to be entered into, can be seen on and after the 11th instant, at the office of the General Superintendent of the Radiotelegraph Service, Department of the Naval Service, Ottawa, or at the office of the District Superintendent, Government Radiotelegraph Service, Old Postoffice building, Victoria, B. C., or at the Radiotelegraph Station, Digby Island, Prince Rupert, B. C.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures, stating their occupations and places of residence. In the case of firms, the actual signature, the nature of the occupation, and place of residence of each member of the firm must be given.

Each tender must be accompanied by an accepted cheque on a chartered bank, payable to the order of the Honorable the Minister of the Naval Service, equal to ten per cent (10 p.c.) of the amount of the tender, which will be forfeited if the person tendering decline to enter into a contract when called upon to do so, or fail to complete the contract. If the tender be not accepted the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender.

By order,
G. J. DESBARATS,
Deputy Minister.
Department of the Naval Service,
Ottawa, May 5th, 1914.

Newspapers will not be paid for this advertisement if they insert it without authority from the Department.—6054.

PERSONNEL OF NEW FRENCH CABINET

Paris, June 10—Senator Alexandre Felix Ribot announced today he had succeeded in forming a new French cabinet to succeed that of Premier Gaston Doumergue.

Five of M. Ribot's colleagues are senators and seven, deputies. The list as given by M. Ribot follows:

Premier and minister of justice—Senator Alexandre Felix Ribot.

Foreign affairs—Senator Leon Bourgeois.

Finance—Deputy Etienne Clemente.

War—Deputy Theophile Delcasse.

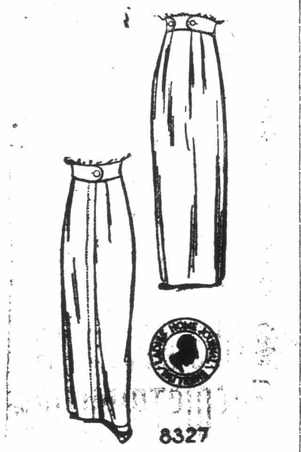
Interior—Senator Paul Peytral.

Police instruction—Deputy Arthur Dessoye.

Public works—Senator Jean Dupuy

Marine—Senator Emile Chautemps.

Commerce—Deputy Marie Reville.



Labor—Deputy Maurice Maunoury.

Colonies—Not yet filled.

Agriculture—Deputy Adrian Dariac.

Practical Fashion Hints

By Alice Gibson

8327

The straight-lined, three-gored skirt with a slight bit of fullness laid in soft plaits at the waistline and a rather broad stitched belt, is shown in No. 8327. It is a design that could be suitably made of tweed; one of the new plaids, serge, linen or cloth and could be worn with a heavy linen blouse for sports or business. If developed in cloth, ratine or taffeta, it could be combined with a pretty blouse of chiffon or lace for afternoon wear. It is a simple design showing excellent lines. It could easily be turned out at home with quite as good results as if made to order. For size 24, this design requires 2⅝ yards of 42-inch material. The pattern is cut in five sizes, 22 to 30.

This is a Perfect Pattern.

Be sure to give right size, passing the tape tightly around the smallest part of the waist and loosely around the widest part of the hips.

The pattern may be obtained by sending name and address, pattern No. and size and fifteen cents to DAVID SPENCER, LIMITED.

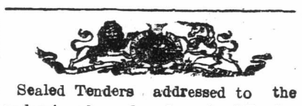
Minard's Liniment used by Physicians.

The Pueblo mine in the Yukon, is shipping 1,600 tons of copper ore every week to the Tacoma smelter.

Sealed Tenders addressed to the undersigned, and endorsed "Tender for Drill Hall, Vancouver, B. C.," will be received at this office until 4 p. m., on Monday, June 29, 1914, for the construction of the aforesaid building.

Plans, specification and form of contract can be seen and forms of tender obtained at the offices of Messrs. Perry and Fowler, Architects Vancouver, B. C., at the office of Wm. Henderson, Resident Architect, Victoria, B. C., and at this Department.



Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures, stating their occupations and places of residence. In the case of firms, the actual signature, the nature of the occupation, and place of residence of each member of the firm must be given.

Each tender must be accompanied by an accepted cheque on a chartered bank, payable to the order of the Honourable the Minister of Public Works, equal to ten per cent (10 p. c.) of the amount of the tender, which will be forfeited if the person tendering decline to enter into a contract when called upon to do so, or fail to complete the work contracted for. If the tender be not accepted the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender.

By order,
R. C. DESROCHERS.
Secretary.
Department of Public Works.
Ottawa, May 23, 1914.

Newspapers will not be paid for this advertisement if they insert it without authority from the Department.—60551. 3t.

Sealed Tenders addressed to the undersigned, and endorsed "Tender for Public Building to be known as Postal Station "C" Mount Pleasant, Vancouver, B. C.," will be received at this office until 4 p. m., on Monday, June 22, 1914, for the construction of the aforesaid building.

Plans, specification and form of contract can be seen and forms of tender obtained at the offices of A. Campbell Hore, Esq., Vancouver, B. C., Wm. Henderson, Esq., Resident Architect, Victoria, B. C., on application to the Postmaster, Vancouver B. C., and at this Department.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures, stating their occupations and places of residence. In the case of firms the actual signature, the nature of the occupation, and place of residence must be given.

INCREASED COAL OUTPUT.

According to a Home Office report, which, however, is subject to revision, the output of coal from mines in Great Britain, which was 260,398,578 tons in 1912, rose last year to 287,411,869 tons, an increase of 27,013,291 tons. The output is the highest on record, and the increase is at the rate of 10.37 per cent., although the increase in the number of persons employed at mines is only at the rate of 5.66 per cent.

DATES ANNOUNCED FOR INTERNATIONAL SERIES

New York, June 10.—The date for the second polo game between the English and American teams was announced today as June 16. Should a third contest be necessary it will probably be played June 20. Captain Cheape, whose injuries caused the postponement of the first game scheduled for today until next Saturday, is improving steadily and is expected to enter practice not later than Thursday.

FORMER CHEMAINUS PITCHER MAKING GOOD

Nanaimo baseball fans will be interested to learn of the successful career which is falling to the lot of Rex Dawson, the former Chemainus pitcher who has been seen in action on many occasions in Nanaimo. After leaving Vancouver, Dawson signed on with Missoula, Mont., where his good work came to the notice of big league scouts and he was signed by the New York Americans [illegible] pitching the last game of [illegible] for the Highlanders. At the close of the season Dawson was farmed out to Salt Lake City for seasoning, and reports from the Mormon City say the former Chemainus star is now going big guns, his hitting ability securing him a steady position on the team when he is not officiating on the slab. The way Dawson is improving experts say he will ere long be cutting a swath in one of the major leagues.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining right of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the North-west Territories and in a portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,500 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-agent in the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal sub-divisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise.

royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10.00 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or sub-agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

N. B.—Unauthorized publication of this advertisement will not be paid.

News of Sport

THREE COUNTY CRICKET MATCHES CONCLUDED

London, June 10.—Three of the county cricket matches started last Monday and have been concluded, and in each case the successful elevens won by a good margin.

Lancashire defeated Kent by an inning and 153 runs; Middlesex beat Warwickshire by ten wickets, and Northamptonshire beat Gloucestershire by 142 runs. The Lancashire-Kent match was contested at Manchester. E. Tyldesley and Heaps were the high scorers for the winners, with 95 and 97 respectively. For Kent, F. E. Woolley and Hubble were high batsmen, with 57 and 51 respectively. Huddlestone took seven of Kent's wickets for 70 runs. At Lords some brilliant bowling was accomplished by Tarrant, who took seven Warwickshire wickets for 31 runs. Middlesex high scorers were W. P. Robertson, 95, and Tarrant 82 while C. S. Baker and Parsons made 68 and 59 respectively for Warwick.

S. G. Brown was in excellent form with the ball for Northamptonshire against Gloucestershire at Bristol, taking 4 wickets for 28 in the first innings and 5 for 40 in the second innings.

Thompson also had the Gloucestershire batsmen guessing, and four of the wickets fell for 27, as the result of his splendid efforts. Gloucestershire also shone in the bowling department, Dennett taking 7 wickets for 72.

SPORTING SPARKLETS.

Al Hatch, the Vancouver wrestler, leaves today for Prince Rupert where he is matched with Sigurdson in a finish match. The bout will take place on June 18.

Kid Lee, the Vancouver lightweight boxer, will meet Jackie Roberts in a ten-round bout at Merritt on Saturday. Roberts is a 2 to 1 favorite in the betting.

President Fielder Jones offered Harry Ostdiek a job as umpire, but the former Spokane manager turned it down because he was passed up in the spring.

SHAMROCK IV WINNER IN FIRST TRIAL RACE

Southampton, Eng., June 10.—The first actual racing test between Shamrock IV, Sir Thomas Lipton's new challenger for the America's Cup, and his older Shamrock, took place today over a thirty mile course Shamrock IV finished two minutes and 15 seconds, elapsed time, ahead of the other, but the difference by no means represents the full measure of the challenger's superiority.

While the wind held true, favoring both yachts equally, Shamrock IV proved much the speedier craft, but nearing the finish, when she had a long lead, the wind almost deserted her, while the older boat, still holding a good breeze, rapidly closed the gap. According to American measurements Shamrock IV gives the older Shamrock an allowance of four minutes and 23 seconds over a 30-mile course.

KID WILLIAMS WAS AN EASY WINNER

The fight for the bantamweight championship of the world between Johnny Coulon and Kid Williams on Tuesday night in which Williams wrested the championship from Coulon was a short affair, only three rounds, the fight by rounds being as follows:

Round 1—Coulon led off with left to the body. They clinched. Williams attempted sharp infighting and was blocked. Williams landed an overhand right to the body. Coulon then drove left to Williams' face. They clinched and on the breakaway Williams landed to face and Coulon got in right to body.

Round 2—Williams reached the kidneys over Coulon's shoulder repeatedly. Williams chopped Coulon on the chin. Coulon was on his knees while the referee counted up to seven when the bell rang.

Round 3—Both men rushed to the centre, Williams making wild lunges without damage. In the clinch he delivered several kidney punches over Coulon's shoulder. Coulon landed straight left to the stomach and ducked a wild left swing. Williams seemed more reckless than in former rounds and closed in on his man with a right uppercut to the chin, sending Coulon to the floor. He attempted twice to rise as Referee Eyton counted, but was unable to do so until the end of the round and Referee Eyton declared Williams the winner.

HONUS WAGNER MAKES 3,000 SAFE HITS

Philadelphia, June 10.—When Honus Wagner, of the Pittsburg club, stepped to the plate in the ninth inning of today's game and singled he made his third thousandth hit during his National league career. Wagner is one of the most famous players who ever donned a baseball uniform.

The United States Golf Association has 364 clubs enrolled.

TRIALS POSTPONED.

Montreal, June 10.—The trial of Arthur Focault and Joseph Beauchamp so-called bandits charged with murdering Constable Bourdon, was yesterday postponed until September. The trial of Mr. Edward Beck, editor of Beck's Weekly, on a charge of criminally libelling Alderman O'Connell, will take place in September.

HARVARD PREPARES FOR FOOTBALL

Charles Brickley, Harvard's great football captain and coach P. Houghton are holding daily work outs at Cambridge, and are whipping football material for next season's team into shape. Brickley who by his own efforts alone practically defeated the Yale eleven last year by making five field goals and scoring the only points against the Blue team, is considered to be the greatest football player in the game.

Do you eat the best corn in the whole world?

Perhaps you couldn't say off-hand what corn is the sweetest and most nutritious. Then let us tell you—it's the peerless Southern White Sweet Corn which is used in making

Kellogg's CORN FLAKES

We don't stop at selecting the best corn. We take only the hearts of it. These "Sweet hearts" are cooked under very high temperature, then rolled into flakes. Then comes the toasting which gives them their rich brown color.

Surely, when you buy Corn Flakes, you want the original—which is Kellogg's.

The people of Nanaimo are taking advantage of the opportunity afforded them to purchase oil shares in one of the leading companies of Calgary, also Pitt Meadows, B. C. The latter company have their well down over eleven hundred feet at present, and have every indication of striking oil, when the shareholders of the company will find that their stock which they can buy today for fifty cents a share, will be worth from two to three hundred dollars per share as has already been done in the now famous Dingman well. Call and look into it. We are here for a few days only at the Nanaimo Development Co. office. (Advt.) 1t.

A litter of five silver black fox cubs with the vixen have been found near Kamloops and W. H. Homfrey and A. E. Axten promptly bought the lot for $750. The cubs are about one month old.

An autopsy held yesterday by Dr. Ingham showed that the late John S. Hall had died of heart failure. The remains will be taken East on Friday for burial in Toronto. Sergeant Hall, cousin of the deceased, will accompany the remains East.

Mr. S. Baxter, inspector of boilers was in the city yesterday on business connected with his department. He will leave today for Victoria.

ST. ANDREWS PRIMARY CLASS HELD PICNIC.

The primary class of St. Andrew's church Sunday School held a picnic yesterday afternoon on the City Park grounds, Comox Road. It was attended by about one hundred scholars and some forty mothers of the youngsters. Mrs. Grieve, teacher of the class, and assistants, had an enjoyable, though rather busy afternoon looking after the comforts of the little ones. None of the youngsters suffered from lack of appetite.

The residents of Northfield have decided to hold a big celebration on Dominion Day (July 1st) the following officials being appointed to carry out all arrangements:

Secretary—Matt Armstrong.
Asst. Secretary—Mr. McIntyre.
Treasurer—Alf. Jones.
Committee—Messrs. Charles McGarrigle, Wm. McGarrigle, Neal Clarkson, Jas. Leighton, J. Wilgress Geo. Jackson, W. Harkey, and three other citizens.

In the Provincial police court yesterday 8 chinamen were fined $15.00 and costs each for frequenting an opium joint, the proprietor of the joint being fined $25. and costs.

Winnipeg, June 10.—Shortly after one o'clock this afternoon fire broke out in the basement of the Birks building, at the corner of Smith St. and Portland avenue. The building is the old Y.M.C.A. and was purchased two years ago by Birks and is now undergoing considerable improvement. Water and smoke did great damage to the expensive jewelry stock on the main floor.

In a trial race yesterday to select a defender for the America's Cup the yacht Resolute defeated the Vanitie by seven minutes and 29 seconds on a 30-mile triangular race. The Defiance was compelled to drop out of the race owing to an accident.

A sensation was sprung in military circles at Ottawa yesterday when Major Leonard of the artillery corps was relieved of his command owing to the disclosures of intoxicating liquors being discovered in the barracks which was reported as temperance drinks.

HANGMAN ELLIS STARTS ON EXECUTION ROUNDS

New Westminster, June 10.—Official Hangman Ellis leaves for Halifax tonight to prepare for the execution of Siki Soli, an Italian, on Friday, June 19. From there he will go to Pictou, N. S., where four days later Amemil Zeminila will be executed.

Four days later the official hangman will be in Montreal, where Edruamina Beausiena, a Frenchman, will pay the penalty for murder. The next place will be at Three Rivers, Quebec, at which place three days later Altrofoine Bousxione will be executed. From this place the official hangman goes direct to Winnipeg to prepare for the execution of Krafchenko, who murdered the manager of the Bank of Montreal at Plum Coulee.

Eight days later at Kamloops another execution will take place after which Hangman Ellis returns to New Westminster where on August 19 Van Horst, found guilty of murdering a Japanese, will pay the penalty for his crime.

TREES FOR THE WEST.

Among the numerous activities of the Canadian Government on behalf of the settler is the provision of young trees for the beautification of the homestead is known or heard outside the Dominion. These young trees are distributed gratis to applicants. Approximately 3,000,000 were distributed in 1913 by the Canadian Dominion forestry nursery station at Indian Head, Saskatchewan, making a total of 24,000,000 trees furnished by it to the settlers on the Western prairies since the work was first undertaken.

VOLUME XIV | NANAIMO, VANCOUVER ISLAND, BRITISH COLUMBIA, FRIDAY MORNING, JUNE 12, 1914 | NUMBER 83

WAR CLOUD IN THE BALKANS

War is Again Threatened Between Greece and Turkey—Situation is Acute and Hostilities are Expected At Any Hour.

London, June 11.—War is again threatened between Greece and Turkey. The unrest in the Balkans which has continued practically without rest since the conclusion of the last Balkan war, has recently been increased and now is said to be at the most acute stage since the cessation of the hostilities.

Today the Times refers to the situation between Greece and Turkey as acute. The newspaper prints a statement that the disturbances are about at a climax because several states have recently been employed in clearing their newly acquired territory of those whom they consider undesirable. The Bulgarians, in this respect are said to have been the chief sufferers.

NEWBURY CUP WON BY FLORIST

Newbury, Eng., June 11.—The Newbury Summer Cup, a handicap of £1250 was won here today by Mortimer Singer's 4-year-old bay colt Florist, by Florizel II-Ladytown, carrying 7 stone 11 pounds, and starting at 100 to 8. J. Buchanan's Marten, 6 stone thirteen pounds (7 to 2), was second, and Sir Abe Bailey's Son in-Law, 6 stone 9 pounds (30 to 1) third.

STACKABLE GOES

Washington, June 11.—Upon the recommendation of Secretary McAdoo, President Wilson today removed E. R. Stackable, collector of customs at Honolulu, "for the good of the service." Mr. Stackable has held office 14 years, is a Republican, and, according to officials, is to be supplanted with an officer more in harmony with the adminstration.

News has been received at the office of the Cowichan Lumber Company of the death of the president of the company, M. M. Boyd, of Bobcaygeon, Ont., which took place in Philadelphia on Monday. The late Mr. Boyd was well known in British Columbia, having frequently bee out to the coast on business. He was in his fifty-ninth year and while he had been in Philadelphia for medical treatment his death was not expected.

In reply to Sir Richard McBride's wire to Captain Bartlett expressing regret for the loss of the Karluk and congratulating the captain on the safety of himself and the crew, the following telegram from St. Michaels Alaska, was received yesterday: "Much appreciate your wire; many thanks.—Bartlett."

MARRIED IN CHAPEL OF BRITISH EMBASSY

Madrid, June 11—The religious wedding ceremony of Kermit Roosevelt, son of Col. Theodore Roosevelt and Miss Belle Wyatt, daughter of Ambassador Willard, was performed today in the chapel of the British embassy here.

The ceremony was performed by the Rev. Samuel Watson, rector of the American church of the Holy Trinity at Paris, assisted by the Rev. Herbert Brown, of the British embassy chapel here.

The maid of honor was Miss Elizabeth Willard, sister of the bride, and the bridesmaids were the Princess of Thurn and Taxis, Miss Katherine Page, Mlle Gilone Leveneur de Tillieres, and Miss Vivian Christian.

In spite of a drenching rainstorm, a large crowd of spectators gathered outside of the American embassy and the church to watch the arrival and departure of the bride and bridegroom and the wedding guests.

At a musical recital at Braemar School, Vancouver, this week two Nanaimo young ladies, Miss Aeriel Westwood and Miss Ruth Mahrer took an active part. Miss Mahrer rendered the violin solo, "La Cinquantaine" by Gabriel Marie, and Miss Westwwod gave a vocal solo. "Flower Song from Faust" by Gaunod, also playing in a piano duet "Prelude and Sarabande" by Van Wiln.

MARINE DISASTER FEARED

Halifax, June 11.—It is reported here the Government steamer Montagmy is missing, and it is feared all her crew is lost.

STEVENSON SINKING.

Chicago, June 11.—Adial E. Stevenson, former vice president of the United States, who has been seriously ill at a local hospital for nearly a month, is growing weaker. Members of his family are watching at his bedside.

$200,000 DAMAGE DONE TO CHEMICAL PLANT

St. Louis, Mo., June 11.—Fire that started in the ether house of the Mallinokrodt Chemical works early today caused damage to the plant estimated at $200,000. Combustion of nitrate of soda was the cause, according to officials.

CIVIL WAR DISTURBING DOMINICAN REPUBLIC.

Washington, June 11.— Desultory fighting continues on the north coast of the Dominican republic between the rebels and President Borda's federal forces. Captain Russell, of the battleship South Carolina, reporting conditions to the navy department today, said there were no appreciable results.

ROME WEARY OF STRIKE DISORDERS

Populace of Italian Capital Organized Monster Demonstration in Favor of Police and Army—Would Crush Strike.

Rome, June 11.—A cessation of the general strike throughout Italy was decided upon last night. The strike was declared on Monday in protest against the action of the government in repressing demonstrations at Ancona and much damage has been done throughout the country.

In Rome, the people tiring of the disorders caused by the strike, organized last night monster demonstrations in favor of the police and army, and demanded to crush the strike by violence without the assistance of the authorities.

In spite of the order for the cessation of the strike serious encounters between strikers, the police and troops were reported today from various places. At Baria, eleven men were wounded while at Naples one striker was killed, three fatally wounded and seventeen others seriously injured during an attack by a crowd on the military barracks. The attack was repulsed by the troops after several volleys had been fired.

CONSIGNEES THURSDAY.

Gray, Ramsay Bros., Mrs. Marshall, Old Country Store, Quan Chong, E. Devlin, T. Randson, Nan. Sheet Metal Wks., C. Manifold, H. Gibson, P. Bennett, M. A. Rowe, H. Yorke, J. Graham, B. C. Fish Co., P. Gable.

The following vessels have coaled at the wharves of the Western Fuel Company during the week: Sadie, bunkers and scow; Birdswell, bunkers Commodore, bunkers, Cordova, cargo; Tepee bunkers and scow. The S. S. Thor is also back for another cargo for San Francisco.

Sir Richard McBride and J. G. Cory Wood, M.P.P., for Alberni, passed through Nanaimo yesterday for Port Alberni where the Premier spoke last night, and this morning will lay the corner-stone of the new Dominion Government Building in

REBEL LEADER AT SALTILLO

Here is the latest photograph of the Mexican rebel general, Francisco Villa, at his headquarters at Saltillo, talking to one of his subordinates. This is one of the most characteristic pictures of the rebel commander yet taken. It shows clearly his massive figure, his high forehead and his features, which do not resemble those of the ordinary Mexican.

WANTS TO TAKE TRIP.

New York, June 11.—Negotiations between counsel for Harry K. Thaw, and representatives of Attorney-General Carmody of this state, with a view to obtaining permission for Thaw to make a trip from New Hampshire to Pittsburg, were in progress today. Thaw's request for permission to go to Pennsylvania is based on affidavits that his presence is required as a witness in the courts there.

STEAMERS REPORTED.

Port Arthur, June 11.—Wireless reports from the Harmonic and the Huronic report both at their proper places on the schedule, the Harmonic at Soo and the Huronic at Duluth.

BIG PRICE FOR CALF

Chicago, June 11.—Twenty thousand dollars was paid yesterday by four Chicago business men for a Holstein bull calf at a public auction sale. This is the highest price ever paid at such a paid at such a sale for a dairy animal. The calf "King Sergius Pontiac Chicago," was born February 25, and its mother, "Johanna De Koval Beers," holds the world's record among Holstein cattle as butter producer.

CONVICTS ARE RECAPTURED.

Salem, Ore., June 11.—W.E. Clark, Harry Baker and Frank Miller, convicts who escaped from the field on the pentientiary grourds Monday, were recaptured today by Superintendent Lawson and a posse of guards near Silverton.

The Alberni Board of Trade has called the attention of the Alberni and Port Alberni city councils to the need of additional cemetery accommodations. The mayors of the two cities will confer with the object of finding a means of meeting the necessities.

FLOOD DANGER PASSES.

Needles, Cal., June 11.—The Colorado river has dropped 18 inches in the last 36 hours, and danger from flood at this point at least is believed to have ceased.

FLOOD DANGER IS OVER.

Needles, Cal., June 11.—The Colorado River has dropped eighteen inches in the last thirty-six hours and danger from the flood at this point at least, is believed to have ceased.

NO CHANGE IN THE ASYLUM MANAGEMENT.

New Westminster, June 11.—Dr. C. E. Doherty, superintendent of the Provincial Hospital for the Mentally Afflicted, said today that the passing of the asylum farm into the control of the board of governors of the Provincial University would make no difference in the management, or at least not for a considerable time. The intention is to have the farm eventually converted into a demonstration farm, for which purpose it is eminently adapted. As in the past, the products of the soil and the milk, butter, etc., will supply the needs of the mental hospital.

FIREBUG WORKS IN NANAIMO

The Home of Matt Scurr Was Completely Destroyed By Fire at an Early Hour This Morning—The Work of An Incendiary.

The residence of Mr. Matthew Scurr on the Victoria Road extension of the Gordon subdivision was completely destroyed by fire at an early hour this morning, scarcely a handful of debris remaining of what was a once handsome cottage valued at upwards of $1500. With the destruction of the house went the entire contents of household furniture, etc., not a single item of furniture being saved. As a matter of fact there was no one about the premises who could or would make any attempt to extinguish the fire as Mr. and Mrs. Scurr have been in Victoria since Monday attending the Grand Lodge I. O. O. F., and will not be home until today and in consequence the house has been vacant since that date. That the fire is the work of an incendiary there is absolutely no doubt. As stated above there had been no one at home for several days and consequently there was no fire in any stove or grate which could possibly have started the blaze, which occurred at an early hour this morning when everything was propitious for the nefarious work of the party or parties responsible for the outrage.

Mr. Scurr is employed in the local mines of the Western Fuel Company and before his departure for Victoria on Monday requested both the City and Provincial Police to keep guard over his home during his absence as he had reason to believe some dirty work might be done him if the opportunity presented itself.

MRS. J. VAHALE DIED YESTERDAY

Mrs. Johanna Vahale, Aged 83 Years Passed Away Yesterday at the Home of Her Daughter on Fry Street.

The death occurred yesterday evening at the home of her daughter, Mrs. Henry Stolzenburg, Fry street, of Mrs. Johanna Vahale. Deceased, who was a native of Germany, has resided in the city off and on for the last twelve years, and was in her 83rd year. She is survived by two daughters, Mrs. H. Stolzenburg, of this city, and Mrs. E. Schwartz, of Seattle, and two sons, Mr. Henry Vahale, of Seattle, and Mr. William Vahale, of Bloomington, Ill. The funeral arrangements which are in the hands of D. J. Jenkins, will be completed on the arrival of Mrs. Schwartz from Seattle.

PAID TRIBUTE TO GOVERNOR

House of Commons Adopts Farewell Address to Their Royal Highnesses Duke and Duchess of Connaught.

Ottawa, June 11.—On motion of Premier Borden, seconded by Sir Wilfrid Laurier, Parliament this morning adopted a farewell address to Their Royal Highnesses the Duke and Duchess of Connaught, regretting their approaching departure from the Dominion and in words of high praise expressing the appreciation of Parliament and the Canadian people of the splendid services they have rendered the Dominion.

Premier Borden in opening, pointed out that with the growth and development of the overseas dominions the powers and the responsibilities of parliaments have continually increased so that with certain limitations the Empire is today a federation of sister nations, united by the ties of a common and undivided allegiance. He said that Canada had been fortunate from the first in the selection of the men called to fill the office of governor-general.

"Nearly three years ago," continued Mr. Borden, "the Duke of Connaught came to our shores as governor-general of Canada. It was by no means his first visit to this country for he had served with his regiment at Montreal when the Dominion was in its earliest infancy and before the progress and development of later years had set their mark upon its history.

"As governor, he has had unqualified opportunity of studying and understanding all that has been accomplished in the great march of events since the days of 1870. He brought with him the record of a distinguished and honorable career in the public service as a soldier and diplomat. That career enabled him to know and to realize the Empire, to comprehend its wonderful power and its still more wonderful possibilities and to understand the forces that serve to unite its vast dominions in allegiance.

The Premier observed that the Duke had availed himself to the fullest extent, of the opportunity which had been afforded him of studying the conditions of their national life and of observing and understanding the ideals and aspirations by which it is animated, which, owing to the extent of the territory, was a great task.

"To accomplish all that he desired," added the Premier "His Royal Highness has not spared himself, and he may be assured that his visits will be held in happy remembrance by our people in every province from the Atlantic to the Pacific. He has associated himself with sympathy and indeed with enthusiasm in all that would be advantageous to this country and as to the future he has been an optimist amidst a natimists."

Sir Wilfrid Laurier said that it would be ungrateful on the part of the Canadian people if they did not take advantage of every opportunity to testify to the deep regret caused by the early departure of Their Royal Highnesses from Canada. This was not so much because of the fact that we are going to lose the services of a prince of the royal blood, but for the higher reason, that we are about to lose the services of a man who has proved himself to be a man in every sense of the word. The Canadian people appreciated those domestic virtues and solid qualities which are characteristics of Their Royal Highnesses. On all occasions, the Duke of Connaught had been approachable considerate and willing to oblige. He was always the first to forget the high rank in which he was born. The thing which more than anything impressed the public mind was his unswerving devotion to duty. It was evident from the day he landed in Canada that he did not intend to perform his duties in any perfunctory manner, but with cheerfulness and alacrity and with a determination to take a real part in our public life, with that end in view he visited all parts of the Dominion.

Sir Wilfrid spoke in equally warm terms of the Duchess of Connaught and Princess Patricia.

An elderly man named Birmingham, employed by Harry Drey at the hotel at Kimberley, ended his life Wednesday afternoon by taking a dose of carbolic acid.

PASSED THE SENATE.

Washington, June 11.—The Panama Canal Tolls Repeal Bill passed the Senate tonight by a vote of 50 to 35.

HEAT KILLS THIRTEEN.

Detroit, Mich., June 11.—Two more persons died from the extreme heat yesterday, making a total of 13 deaths since the heat wave began last Sunday. A cool breeze brought some relief this afternoon, but the weather bureau forecast predicted hot weather for tomorrow.

RECORD SESSION OF NOVA SCOTIA HOUSE

Halifax, N. S., June 11.—The longest session in the history of the legislature of Nova Scotia lasting for sixteen weeks, was brought to a close yesterday afternoon when Lieut. Governor MacGregor formally prorogued the two houses. At the afternoon sitting the premier moved a resolution providing for an extra indemnity of $300 to the members in view of the extreme length of the session. The resolution passed unanimously.

The lieutenant-governor in his speech said: "I am pleased to see that you have dealt with the matter of the development of the water power of the province, and I observe that there was active interest and enterprise in the private legislation of the session.

LAST STAGES OF CANAL BILL

Repeal Measure will be Voted Upon Before The Senate Takes an Adjournment—Confident of Passing.

Washington, June 11.—Voting on further amendments to the repeal of the Panama canal tolls exemption halted in the Senate today, while Senator Brandegee, Republican, made a long speech in favor of the bill. The prospect of other long speeches before the voting began on the repeal itself, promised to lengthen the day session into the night, and Majority Leader Kern planned to hold the Senate in session until the vote was taken.

The last stage of the most specular legislative fight congress has seen since the Democratic party came into power attracted hundreds to the capital despite the wilting heat and the packed Senate galleries.

Administration leaders reiterated that they had the votes to hold the measure intact as it now stands with the Norris-Simmons compromise amendment and pointed to the record votes of yesterday to sustain their contention.

In debate today reminders of the acrid changes of relation between the repeal and the foreign policy of the United States were not missing, and many observers looked upon the fight drawing to a close as one of the most bitter contests within the Democratic party.

Senator Root returned to his seat to vote for the repeal. His absence yesterday in the voting on the compromise amendment was the subject of remark but the Democrats who have openly acknowledged the influence of the Republican Senator in his stand for granting the president's request had declared he would be present today. Senator Lodge and other Republicans supporting the Democratic position, was also in his seat awaiting the final vote. On the Democratic side, Senators O'Gorman and Chamberlain, leading the fight against the repeal, were watching the proceedings closely to force record votes on all the amendments.

The members of the provincial commission on agriculture—W. H. Hayward, M.P.P., Alex. Lucas, M.P.P., William Duncan, S. Shannon, J. J. Campbell and J. Kidson—are in Victoria to hold their final sitting and wind up the business of the commission. The evidence has been got in shape for inclusion in the printed report of the commission's proceedings.

WAS A MOST BRUTAL ATTACK

Victims of Cowardly Assault at South Wellington Wednesday are in Serious State—May Require Hospital Treatment.

Mrs Walker, one of the two women wives of working miners at South Wellington who was so brutally and cowardly assaulted at South Wellington on Wednesday afternoon, was brought into Nanaimo yesterday and while greatly excited over the affair and showing the marks of a severe wound on the head is said to be doing nicely. Dr. O'Brien, who happened to be at South Wellington at the time of the outrage, is attending her.

The other woman, Mrs. Taylor, also the wife of one of the working miners at South Wellington is in a more serious condition. She only recently left the Nanaimo hospital and as a result of her terrifying experience Wednesday may possibly have to return there for treatment. The greatest indignation reigns throughout the district among all right thinking people at the dastardly affair. Thursday night there was every prospect of very serious results when the workers learned the story. Factional feeling on both sides was strong and Chief of Provincial Police Stephenson spent the night on the grounds controlling the situation.

According to Mrs. Taylor's story she had gone to the school to see the teacher in reference to her little girl whom she claims was being set upon by children of strikers because her father happened to be working in the South Wellington mines. Marks on the little girl's head indicate too plainly that she had been subjected to a trying experience. The child is but eight years of age. Mrs. Taylor had asked Mrs. Walker to accompany her to the school.

When going through the "camp" the women were insulted in gross manner. Mrs. Taylor told her companion not to say a word but go quietly on when the first thing the women knew, they say, was that Mrs. Walker was struck over the head by one of a bunch of their tormentors. some one in the assembly yelled that they would kill Mrs. Taylor and her baby as well, which she was wheeling in a carriage whereat Mrs. Taylor threw herself across the baby buggy receiving a blow on one arm that was stretched over the baby.

A gang of men stood idly by while all this was going on and only the timely arrival of passers by and the police relieved them from what might have been more serious trouble.

The whole affair is most deplorable and a sad travesty of woman's humanity to woman. The police have full details of the affair and developments may be expected shortly.

NANAIMO MAN WEDS IN VANCOUVER

A wedding was solmenized at noon June 10, at the home of the officiating clergyman, 2628 Fifth avenue west, Vancouver, when Mr. James Handlan of Nanaimo and Miss Minnie Tomlinson of Vancouver were married by Rev, A. D. McKinnon. After a short honeymoon trip Mr. and Mrs. Handlan will reside at Nanaimo.

SUFFRAGETTES BUSY.

London, June 11.—An attempt to blow up the coronation chair, which has been in Westminster Abbey since 1296, was made this evening. The outrage is attributed by the authorities to militant suffragettes.

NO ENGAGEMENT.

London, June 11.—The reported engagement of Prince Alexander of Battenberg and Countess Zia Torby, eldest daughter of Grand Duke Michael Michaelovitch of Russia, was denied today.

A hobo, whose name has not been learned, was killed within the yard limit east of Golden, when struck by an engine on Friday. He had been sleeping near the track and was in a stupor when the engine approached Engineer McRae applied the brakes but could not avoid the fatality.

MOTOR BUS SYSTEM.

As a usual thing the motor bus follows the electric trolley car. The one has proved a great auxiliary to the other, the motor bus picking up the traffic to each side of the electric line. During the time it has been in operation the motor bus has proved an even better, more satisfactory, and more profitable system of transportation than the electric car. The latter can only run along the railway laid down for it. Moreover it requires a heavy expenditure of capital to install and equip the system, and it naturally is operated to the best advantage in thickly populous centres. The motor bus picks up the over-flow and the traffic located at some distance from the tramlines. It is not confined to any route, and costs nothing for installation and comparatively little for equipment. It can be operated on different routes, to different termini, according to the general drift of traffic. There is no doubt that the motor bus system of transportation has a greater future before it than the electric car system. Even in populous centres it is extending more rapidly than the tram system. While there is every reason to believe that it will solve the difficulty of the smaller municipalities. As well as being an auxiliary to the electric car in the big cities, it should in the time to come be its forerunner in the smaller city. A community which would not perhaps support an electric car service, in view of the heavy investment required to install it, will offer a good opening to the motor bus company. We have talked tramways for many years in Nanaimo, and once or twice it has looked as if we really were to get a service. There has been, however, both in and out the Council, a curious hostility to any service without rails. We never could see that it made any difference what the system was so long as it gave us convenient and satisfactory transportation. This was the chief concern of the citizens, with of course all proper safeguards as to prices and safety. As we announced yesterday a Victoria Motor Bus Company is looking over the local field with a view to applying to the City Council for a charter. Such a charter could be granted without blocking the way to the advent of the electric street railway system. No doubt the public would be glad to have the motor bus service. It would link up the various suburbs with the city, and encourage traffic and business. It is to be hoped that the company will go ahead with its enterprise.

FARRINGTON'S TROUBLE

There have been persistent rumors on the streets these last few days that a settlement of the trouble at the Island mines was in sight. The rumors caused considerable excitement in U.M.W. of A. quarters, and now an attempt is being made to deny them in toto. There was the rather mysterious letter from Farrington. He complained that he had been misrepresented, but how or where or when he did not say. Neither did he state what he had been doing, or describe what he had attempted to do. He merely denied some mysterious and underground representations. Pettigrew also is looking for the government to come through in some indefinite way, but he also fails to state what had been asked of the government or what conference had been held. Both Farrington and Pettigrew have a penchant for working in the dark, and hence these mysterious telegrams and references. After all there is not so much mystery about what they have been doing. Farrington has been in conference with the government through the department of mines. There is no secret or mystery about the lengths he was prepared to go to end the trouble on the island. It is known all over town, and no telegram was needed to correct it. Farrington is in a very unenviable position. He was misled in the first place just as the men themselves were. He is, just as are the men, the victim of two or three trouble-makers directed by Pettigrew. Since he assumed control of the situation his influence has been undermined by these same men, and since, in a moment of anger at Vancouver, he denounced the men for their lack of obedience and discipline he has had no standing. He got into the trouble wrong, and now he is looking for the easiest way out. But he has still Pettigrew and the local bosses to reckon with, and here is the cause of all the rumors and excitement these last few days. He is not allowed to pick an easy spot to get off at. The Herald told him months ago that he had taken a bigger job than he could handle. Better men and bigger men than Farrington have been driven to the wall by the same gang which has control of the situation here today. Now it is the turn of Farrington.

Those who, in discussing the naval question in Canada, have declared that the ideal of a Canadian navy, Canadian built and Canadian manned, was impracticable have been reproached for their lack of patriotism All the practical difficulties in the way of carrying out such a policy were conveniently ignored, and the most made of its attractive side. The building of battleships in Canada would be a great thing for Canada. Other countries were doing it, Australia was attempting it, and why not Canada? A good deal was made of the example of Australia, but the experience of the Commonwealth is not very encouraging. The new general manager of the dockyard at Melbourne, Mr. J. K. Slater finds things in a very unsatisfactory condition. He states generally, in a report he has just prepared, that the building of battleships in Australia is somewhat futile. In the first place it takes so long to complete a ship that half of its effectiveness is lost before it is launched. It takes nearly four instead of two years as in Britain, to build the ships and hundreds of thousands of pounds are wasted yearly. The labor supply is short of requirements by several hundred men. Government influence is so noticeable under the day labor system in force that the employees are not doing more than one-third their normal work. The present system adds thirty percent. to the cost of building and takes at least a year and a half or two years longer to build the vessels The dockyard is so deficient that when the vessels are built they can not be launched without expensive constructional work. The lack of powerful cranes is notable and for this reason heavy machinery can not be landed or moved about as required.

This report of Mr. Slater at least shows that Australia has embarked upon a very costly experiment. No doubt it will obtain better results as time goes on. It was not to be expected that in the first year or two of such a vast undertaking that it would achieve the same results as Great Britain with its years of experience. But the results such as they are, call in question the wisdom of a new country such as Canada launching out on such a policy. Australia had more reason to adopt it than Canada. It is further from Great Britain, and has no such security as Canada has in the United States. Yet from the standpoint of defence, as well as of economy and of efficiency, Australia would have done better to order her battleships. The establishment of ordnance and steel works, ammunition factories and engineering works is a business of years and it is doubtful if the naval programme of Canada or Australia for a generation to come will reach such proportions as to justify the installation of the necessary plant. In thirty years time there may no longer be any necessity for the building of big battleships. For a few years at least it will be the part of wisdom for Canada to hasten slowly. She could do better in her own defence, and save money into the bargain by ordering her ships until the feeling and sentiment of the people has crystallized into a definite naval policy.

Bijou Theatre

Today's program of moving pictures at the Bijou will consist of six reels, being one reel in addition to the regular program as shown at this popular place of amusement.

The feature of today's program is a three-reel special Vitagraph entitled "The Night Riders of Petersham" other pictures being two Lubin comedies, "At the Bottom of the Sea," and "The Bully's Doom," and an Edison drama showing Mare Macdermott in "The Hunted Animal," the second story of "The Man Who Disappeared." In this picture the supposed murderer, shot by a detective, falls overboard from his skiff, but is caught. Though handcuffed, he escapes and breaks the handcuff chain by lying alongside the track while a train crushes it.

COLORADO RIVER ON RAMPAGE.

Calexico, Cal., June 10.—Reports reaching here say that the waters of the Colorado River are breaking over the levees between the Laguna dam and Yuma, and also near Blythe. Brigadier-General Marshall said tonight the situation was critical.

Individual farmers come to the aid of the Imperial Valley tonight with offers of $200 each and teams to build up the levees at Volcano Lake.

I. O. O. F.

Black Diamond Lodge No. 5 meet every Wednesday at 7:30 o'clock in the Lodge Room, Commercial street, Nanaimo. Visiting members are cordially invited to attend. E. G. Cavalsky, Secretary.

"THE DIFFERENCE."

The booster is the party who is hauling down the dough,
The folks are glad to grasp his mitt, wherever he may go,
He's the little ray of sunshine; he's Johnny-on-the-spot,
His talk is mighty welcome, though he strains the truth a lot.
There's a sort of benediction in his cheerful howdy-do,
And he makes your life worth livin' while he's round a-joshin' you.

The knocker is the being who's the sorriest sort o chump;
He is blue and melancholy, and he goes round in the dumps.
When the people see him coming they walk around the block,
So they needn't stand and listen to his stone-age fossil knock.
He's a burden to the country, he is no good to himself,
And his victims shout "thanksgiving" when he's laid upon the shelf.

—A. E. BROWN.

JUNE

God plucked a rose all dripping sweet
With dewy down; all frail and cool
With evening as a new-made moon
Asleep within a forest pool;
He laid the rose at Nature's feet—
And someone called it June.

—Emery Pottle.

Word has been received by the forest branch that the forest fires at Hazelton are all out following two days of heavy rainfall.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining right of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the North-west Territories and in a portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,500 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-agent in the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal sub-divisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise.

royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10.00 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or sub-agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

N. B.—Unauthorized publication of this advertisement will not be paid.

Ask for Minard's and take no other.

LAND REGISTRY ACT.

In the Matter of an Application for a fresh Certificate of Title to Lot 12 Oyster District, except 1 acre in the Northwest corner.

Notice is hereby given of my intention at the expiration of one calendar month from the first publication hereof to issue a fresh Certificate of Title in lieu of the Certificate of Title issued to George McMillan and John McMillan on the 9th of July, 1901 and numbered 6929 C, which has been lost.

Dated at the Land Registry Office, Victoria, British Columbia, this 8th day of June, 1914.

FOOTBALL GOSSIP FROM OLD COUNTRY

The most remarkable champions of the old country football were the Glasgow Celtics, who annexed the most coveted honors in the Scottish league with a record number of points, even after making every allowance for the extension of that federation to twenty clubs. Not only did they surpass the figures in the English league with 65 points, but, with the exception of the performance of Bristol City, which in 1905-06 came out from the second division with 66 points out of a possible 76, the Celtics have the highest winning percentage of modern times, with the most amazing goal average ever known in the best class of football.

Glasgow Celtics played one goalkeeper, four backs, six half-backs, and fourteen forwards, but Joseph Dodds, like George Chapman, of Blackburn Rovers, appeared at back half-back and forward, while McMaster was utilized in two ranks, reducing the strength to 22 players.

Jarvis, the old Cambuslang boy, is a likely candidate for a place in the Celtics half-back line next season.

If Peter Pulcell proves as good an investment as ex-amateur J. Bowie, the Rangers are in luck.

The wonder of the football world is Alec Smith, of the Rangers. It was away back in April, 1894, that the Darvel man put pen to paper for the first time for Rangers, and he has done it again. All his twenty-one years senior football have been spent at Ibrox and he's not done yet.

Barnes, of Derby County, has been transferred to Manchester City. A good forward.

St. Mirren would have liked to secure Peake, the Liverpool Welsh half back. Third Lanark got there first.

Thomson, the Arboath trickster, whom Falkirks fancy as a likely successor to Croal, is on the Rangers' league list.

Templeman, the Arthurlie back will play the Airdrieonians next season. He is a brother to the Broomfield Park right winger.

Alex. Raisbeck, the old Partick Thistle centre half, has now entered upon his duties as manager of Hamilton Academicals.

James C. Nolan.

"LET IT DROP."

"Let it drop." Yes, to be sure! What do you want to be carrying around that old grudge for? Our hearts are too small for big and generous thoughts, mixed along with some mean, nasty, spiteful ones. Besides, they won't mix, and thought being aggressive, one sort or the other is going to dominate.

Then by keeping vindictive thoughts about you there will come suggestions to talk about them and mar the peace, harmony, and goodness of other lives. Pluck these roots of bitterness out of your hearts, lest in growing they will rend your life asunder. Do not let the sun go down on your wrath or it will harden and become increasingly difficult to deal with. Nearly three hundred years ago something happened in Ireland that provoked a deep-seated resentment, which grew into hatred. Prejudice once rooted has grown stronger. It is time to "let it drop." Years ago two neighbors quarrelled over a "line fence" the matter was talked about and hawked about till everybody was more or less involved. It went right into the school, social life and the Church. In this new day of the world it is time that such quarrels stopped. It takes two to make a quarrel, but very often one can stop it. God forgives; let man learn to do so.

INFLUENCE.

Because that One two thousand years ago
Did fast, was crowned with thorns, was crucified,
At sumptuous tables I saw men tonight
Some most inviting dishes put aside.
Because to stay His thirst upon the cross
A sponge was filled with vinegar and gall
I noted, though the revelry ran high
That some there were who took no wine at all.
Wise? Foolish? Let us not discuss the point,
The fact itself I care to have you know.
Such things are done today because that One
Was crucified two thousand years ago.

CHARLIE WHITE WILL GET RETURN BATTLE

Chicago—Willie Ritchie has agreed to meet Charley White in a championship battle in San Francisco on Thanksgiving Day.

This bit of information was gleaned from Nate Lewis, manager of White, who received a long letter from Jimmy Coffroth, the California promoter. The western impressario conveyed the news that Ritchie has given him his word he would meet White upon his return to this country and Coffroth already has named the date.

According to Lewis, the only hitch which may prepent the battle is the weight. White's manager will insist that Ritchie make 133 pounds, one hour before the battle. This is the poundage Willie made for Wolgast when he defeated the Michigan Bearcat, and it only is traditional for the champion to defend the title at the same figures he won the crown.

Billy Thiry, the new manager of Ritchie, said his fighter would be ready to meet White upon his return and he also asserted the champion would beat Welsh easily. Thiry is in New York conferring with Bob Vernon, America's representative of the London syndicate which will stage the Ritchie-Welsh battle. Ritchie's manager went east to sign the articles and look after other details.

White yesterday was signed by a local theatrical syndicate to appear before the footlights for ten weeks Charley will receive $1000 for the first week and $800 for each of the remaining weeks. If satisfactory inducements are offered White may meet Johnny Griffiths in Canton, O. on July 4.

George "Knockout" Brown, the local Greek middleweight, who defeated "Fighting Bob" Moha in a twelve-round decision contest at Boston last Wednesday, returned to Chicago yesterday. George said he received $75 for beating Moha and that he lost seven pounds during the fight He also asserted it was 102 in the shade on the afternoon of the fight.

Gary, Ind. promoters were in town yesterday to secure the services of Charley White to meet Ad. Wolgast on July 4. As Wolgast already has agreed to meet Joe Rivers in Vernon Cal., on Independence Day, this match fell through. The promoters then agreed to match K. O. Brown with Jack Dillon on the same day. The Greek has agreed to the match and it is expected Dillon will accept terms.

WATER NOTICE.

Application for a Licence to take and use and to store or pen back water will be made under the "Water Act" of British Columbia, as follows:

The name of the applicant is J. M. Scannell. The address of the applicant is Extension Post Office. The name of the stream is Outlet to Stark Lake. The stream has its source in Stark Lake, flows in an easterly direction, and empties into Nanaimo River about easterly corner Range 5, Section 6. The water is to be diverted from the stream on the side, about from . The purpose for which the water will be used is Domestic. The land on which the water is to be used is described as follows: Range 4, westerly part of Section 7 and Range 4 easterly part of Section 7. The quantity of water applied for is as follows: 10,000 gallons per day. The quantity of water to be stored is 5000 cubic feet. The reservoir site is located westerly part of Section 7, Range 4, easterly part of Section 7, Range 4. This notice was posted on the ground on the 22nd day of April 1914. A copy of this notice and an application pursuant thereto and to the requirements of the "Water Act" will be filed in the office of the Water Recorder at Nanaimo. Objections may be filed with the said Water Recorder, or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B. C.

HER WAY.

A little tender way she had
Of soothing weary cares,
By putting all the ways of life
In silent, wistful prayers.

She folded all the kindly words
Of anyone she knew
In little packages of love,
And straight with them she flew.

No tale of hate was told to her,
Because she gave poor heed;
No other life was hurt by her
In thought, or word, or deed.

It was by what she left unsaid,
By love and help she gave,
This golden-hearted woman strove
Her little world to save.

—Amy E, Campbell.

OLD COMPANY BALKED.

Austin, Tex., June 10.—The Pierce Oil Corporation of Virginia was today denied the right to carry on business in Texas when the State Supreme Court denied its petition for a mandamus to compel F. C. Weinert, secretary of state to issue a permit.

HON. SCOTT RETURNING

London, June 10.— Hon. Walter Scott left for Canada today after spending a few days in London. Since leaving Regina early in January he has visited New Zealand, Australia, Ceylon, India and also spent three days in Egypt. His health has greatly improved and he says he is ready now for work.

PORTLAND SPORTS HAVE GIRL COACH

Miss Dorothy Sanford, a pretty Portland girl, is perhaps the only society girl in America capable of coaching football teams and refereeing gridiron matinees.

This 20-year-old Portland Academy graduate of 1911 also is thoroughly versed in the science and inside technique of football, basketball and baseball.

This eulogy is prompted by a look over Miss Sanford's work with the Albina Boys' club, which she organized one year ago this month and which now boasts of a membership of half a hundred northeast Portland juveniles.

Miss Sanford's football team last fall was scored on but three times in 13 games. That is a fair testimonial Her baseball team, too, won fully 75 per cent. of its games.

On the gridiron the Albina boys swamped the King lads 25 to 0 and [illegible] the Albina Homestead eleven of the grammar league 25 to 6. The toughest game, in the opinion of Miss Sanford, was the one with the Newsboys' club. Better teamwork on the part of the Albina team finally gave them a 7 to 0 victory in the last quarter of the game.

In speaking of her work Miss Sanford said:

"I started with the boys from 10 to 14 years of age and my club gradually expanded until I had a full fledged ball club of boys from 15 to 17 years. I kept these boys at practice until they could field and hit remarkably well.

"My spare time was spent in studying the rules governing the finer points of baseball and I even learned something about 'inside baseball' in my spare moments. When I learned anything useful about baseball I applied it to coaching.

"Our pitcher, Dan Williams, is only 17 years old. At the start of the season he pitched a no-hit, no-run nine inning game against the Lakeview club. The score was 7 to 0 in our favor. Later in the season we won another game from Lakeview. They only scored three runs on Danny then. The Lakeview club was composed of older boys, too, and I thought that in winning from them we got one of the biggest victories of the season in amateur baseball.

"We also won games by big margins from Brooklyn, Pine Park and Sellwood.

"I certainly worked hard to develop a real football team this season, and I think that I succeeded remarkably well for we were only scored on three times in the 13 games we played."

ROOF AS PLAYGROUND FOR EMPLOYEES.

Utilizing the roof of their new building as a playground and recreation spot for their employees, a Chicago concern located in the downtown district has solved a problem which confronts many large business houses. One section of the space set apart is fenced in with strong wire netting, heavily reinforced. In this section the men and boys play indoor baseball. Next to this is a lounging room, merely a continuation, which is roofed over and furnished with plenty of comfortable porch chairs and settees, and the room is made attractive with flower stands and palms. This lounge opens into the dining room. On the opposite side are rooms for the use of women employees, a library and rest room, and an emergency hospital. Opening from this section is another roof garden exclusively for women's use. Here, amid flowers and palms, they may walk, rest or exercise, and from the beautiful view of lake and city obtain relaxation from the office grind which is so largely the basis of "nerves." —Popular Mechanics.

AFTER PETE SCHNEIDER.

Big league scouts are coming to give Pete Schneider the once over, The fame of the big Dutchman has reached the Eastern towns, and Connery of the St. Louis Nationals, and O'Hara of the Cincinnati team are on their way west to get a glimpse of Pete in action. They may reach here in time to see Pete work today, but if not one or both of them is sure to see him work next Sunday. Schneider has been going great guns this year, and already Dugdale has had some correspondence with Eastern clubs about him. If he sells Pete at all, Pete will finish this season in Seattle, for Dugdale would not think of letting him go this year. The season in this league has been a frost so far this year, due to a number of causes, so if Dugdale can get a good piece of money for Pete, he is entitled to it, for he stuck to the big fellow through thick and thin for three years waiting for him to arrive—Seattle Times.

Ty. Cobb who sustained a fractured rib in a recent game at Boston, will be able to join the Detroit Americans the latter part of this or the first of next week, it was announced by the club's physician.

TUMOR IN THE STOMACH

Completely Removed When She Took "Fruit-a-tives"

NEWBURY, ONT., April 4th. 1913.

"Some years ago, I was sick in bed, and thought I was going to die. I had a growth in my stomach, which the doctors said was a Tumor and they said that the only thing to do was to go to the hospital and have the tumor cut out. I dreaded an operation although both doctors said it was the only cure. I said I would die before being operated on.

At this time, my mother in Alvinston sent me some "Fruit-a-tives" and induced me to try them as she had heard of another woman who had been cured of a similar growth in the stomach by taking "Fruit-a-tives".

To please my mother, I began to take "Fruit-a-tives" with the happy result that they cured me. I have not been to see a doctor since and my health is first class.

I recommend "Fruit-a-tives" every time I get a chance and I will be glad to have you publish this letter as some other woman may now be a sufferer from the same trouble and "Fruit-a-tives" will cure her" MRS. A. McDONALD.

50c a box, 6 for $2.50, trial size, 25c. At all dealers or sent on receipt of price By Fruit-a-tives Limited, Ottawa.

THE RED SQUIRREL.

If the red squirrels do not have an actual game of tag, they have something so near it that I cannot tell the difference. Just now I see one in hot pursuit of another on the stone wall. Both are apparently going at the top of their speed. They make a red streak over the dark gray stones. When the pursuer seems to overtake the pursued and becomes "it," the race is reversed, and away they go on the back track with the same fleetness of the hunter and hunted till things are reversed again. I have seen them engaged in the same game in tree-tops, each one having his innings by turns.

The gray squirrel comes and goes but the red squirrel we have always with us. He will live where the gray squirrel will starve. He is a true American; he has nearly all the national traits—nervous energy, quickness, resourcefulness, pertness, not to say impudence and conceit. He is not altogether lovely or blameless. He makes war on the chipmunk, he is a robber of birds' nests and is destructive of the orchard fruits. Nearly every man's hand is against him, yet he thrives. Long may he continue to do so.—Harper's.

CANCELLATION OF RESERVE

Notice is hereby given that the reserve notice which appeared in the B. C. Gazette on the 27th. of December, 1907, is cancelled so far as it relates to the west half of Section 15 and the east half of Section 18, Lasqueti Island, and that said land will be opened to entry by pre-emption on Monday the 29th day of June, 1914, at the hour of 9 a.m. in the forenoon. All applications must be made at the office of the government agent at Nanaimo, from whom further particulars may be obtained.

Deputy Minister of Lands.
R. A. Renwick.
Lands Department, Victoria, B. C.

News of Sport

WEEKS WILL MEET BARRIEAU AT NELSON

Billy Weeks and Frank Barrieau, former amateur champions of the Northwest in their respective classes, who jumped into professional class about the same time have signed articles for a twenty-round contest which will be staged at Nelson during the Chahko-Mika Festival next month. Manager Halstead signed for Barrieau and Manager P. A. Robley for the Nelson people and Weeks. The bout will be staged in the Nelson rink, which has a seating capacity of between 8,000 and 10,000.

Weeks and Barrieau have met once before, going four rounds before the Hastings Athletic Club last winter. They have talked of a match over a longer route for some time and finally agreed on terms yesterday.

RESOLUTE WON ON TIME ALLOWANCE

Associated Press Boat off Sandy Hook, June 11 (by wireless).—Resolute won the trial race with the Vanitie over the America's cup course today. The Defiance did not start in the race, still having trouble with her rigging.

Vanitie beat Resolute over the starting line, but both yachts crossed after the two-minute handicap whistle was blown and their time, therefore, was taken as having started at 11.02.

Vanitie rounded the first mark at 12:19:19, more than a mile ahead of Resolute, whose time at the mark was 12:24.36.

Shortly after 2 o'clock Resolute drew ahead of Vanitie for the first time, and as sailing conditions were in her favor, she seemed to have the race as good as won.

Resolute won the race on her time allowance. The corrected time gave Resolute the victory by 1 minute 16 seconds. The official time at the finish was: Vanitie 3:17:37, Resolute, 3:19:36.

WINNERS IN LOCAL BOXING TOURNAMENT

Several good boxing bouts were witnessed last night in connection with the boxing tournament held in the Athletic Club Arena. In the 122 pound class Fred. Botch was given the decision over Tom Scott; in the 160 pound class Tom Leigh of Nanaimo won from Kid Williams of Ladysmith and Johnnie Morgan of Ladysmith was declared winner in the 135 pound class by reason of his defeat of Tom Ollerton of Nanaimo in the final.

A London cable says that an effort is being made to arrange for another contest between Georges Carpentier and Bombardier Billy Wells for a $6000 purse, the bout to take place in private.

ARE PREPARING FOR SUNDAY'S BIG GAME

The Nanaimo Baseball Club will hold a final workout this evening preliminary to the big game Sunday with the Western Canada Power Co's team of Vancouver. Local fans are invited to the grounds this evening to see Manager Benedict's aggregation in training for the encounter which promises to be memorable in view of the defeat sustained by the locals the last time the two teams met.

For Sunday's game the Nanaimo team will field its strongest "nine" and a game worthy of the name should result. The battle which will commence at 2:30 sharp will be played on the Caledonian Grounds.

SPORTING SPARKLETS.

E. Fabre, the Montreal distance runner, has been suspended for one year by the amateur union for competing in a road race at Kingston on June 3, while under suspension.

Montreal, June 11.— Old Rosebud winner of the Kentucky Derby, will probably not be seen in another race this season. It is believed that he has bowed the back tendon of his front leg.

New York, June 11.— Joe Levins, manager of Eddie McGoorty, says Australia is the greatest country in the world, that no other place has such genuine enthusiasm for pugilism and other sports, and that the natives think nothing of having 60,000 persons at a football or cricket match or a horse race. Levins has just returned from the Antipodes and is all "smoked up" over Sydney, Brisbane and Adelaide.

"Jackie" Roberts has started serious training for the big contest which is to take place at Merritt on June 13. Daily large crowds gather to see him work. He has a splendid reputation as a boxer, but his performances during his training are making him an 'odds on' favorite to win the contest with "Kid" Lee next Friday.

RITCHIE SAILS FOR EUROPE

New York, June 11.—Willie Ritchie the world's champion lightweight pugilist, signed articles of agreement last night for a twenty-round bout with Freddie Welsh, the English champion, for the world's lightweight championship in London, on July 4 next. Guarantee and forfeit money was deposited by the representatives of the boxers. Eugene Corrie of London has been selected as referee. Welsh sailed for England last Saturday and Ritchie leaves today.

JOE BENZ PITCHES REMARKABLE BALL.

Chicago, June 11.—Joe Benz outpitched Walter Johnson today, holding Washington to one scratch hit, and not walking a single batter. Chicago shut out the visitors 2 to 0. The lone hit of the visitors was made by Ainsmith in the ninth inning. A week ago Benz held Cleveland to a hitless game.

Minard's Liniment used by Physicians.

MUSEUM SHIP IN AUSTRALIA.

Perth, West Australia, June 11.—The French steamer Lacarieuse arrived here unexpectedly on Monday after touring the world collecting specimens for the French museum and and scientific data for the French government. She is returning to France via the Panama canal and then goes to Iceland for research work.

Keep Minard's Liniment in the house.

NOTICE OF APPLICATION FOR TRANSFER OF LICENSE.

Notice is hereby given that at the next sitting of the Board of License Commissioners for the city of Nanaimo we intend to apply for a transfer of license to sell wines, spirits and intoxicating liquors by retail at the Globe Hotel, situated on lot 14 in block 55 city of Nanaimo now held by us to Henry Carroll and James Hodgson, of Nanaimo.

Dated at Nanaimo this 11th day of June, 1914.

CHANGES AMONG LOCAL TEACHERS

Mr Archer is Appointed Principal of Nanaimo High School—Other Appointments are Made to Staff.

At a meeting of the Nanaimo Board of School Trustees yesterday afternoon many changes were made in the personnel of the teaching staff due in part to the resignations of four teachers which resignations will go into effect at the close of the present school term.

The appointments made at yesterday's meeting of the Board were as follows:

Mr. Archer, principal of the Public Schools, promoted to the principalship of the High School, vice Mr. Schwarze resigned.

Mr. Birch, at present first assistant at the Public school promoted to principalship of the school.

Mr. Anderson to succeed Mr. Birch as first assistant.

Mr. d'Macedo, a graduate of Oxford, now of Victoria, appointed first assistant at the High School, vice, Miss Holdworth, resigned.

Miss Gardiner appointed teacher on the North Ward teaching staff vice Miss Dick, resigned.

Miss Dolly Fisher appointed to the Middle Ward teaching staff vice Miss New, resigned.

Miss McEwan appointed to the teaching staff of the South Ward School.

Miss Fenton, a domestic teacher from England, of seven years experience, appointed teacher of Domestic Science in connection with the Technical school recently opened.

The Board has yet three vacancies to fill viz, the two new rooms which will be opened after the holidays and the position left vacant by the promotion of Mr. Anderson to the position of assistant to the Principal.

CONVICTS KILLED IN JAIL BREAK

Cerbere, France, June 12.—A jail governor was assassinated and a large number of convicts killed or wounded as a result of a revolt yesterday in the Spanish prison of Figuras, just over the frontier line in Catalonia.

TOLLS BILL THROUGH VOTE WAS 216 TO 71.

Washington, June 12.—Without the formality of a conference, the house today by a vote of 216 to 71 accepted the senate's amendment to the repeal of the Panama tolls exemption, and sent the bill to President Wilson.

FOREST FIRES DO $10,000 DAMAGE AT BLISSFIELD

Fredericton, N. B., June 12.—Forest fires broke out in several sections of New Brunswick yesterday and fanned by a strong northwest wind, made rapid headway with heavy damage. The most serious of these being the first reported to the department of lands and mines here is one which threatened to wipe out the settlement of Blissfield. Damage to the extent of $10,000 or more was done there.

BANDITS GET $16,500

Sydney, N.S.W., June 12.—Bandits in an automobile held up the pay clerks at the government railway workshops today and stole $16,500 but overlooked a slightly larger sum.

WELCOME GIVEN REV. S. J. THOMPSON

A social reception to Rev. S. J. Thompson, new pastor of the Wesley Methodist Church, Victoria, former pastor of the Wallace Street Methodist Church, this city, was held Thursday evening, says yesterday Victoria Colonist.

Appropriate speeches of welcome were delivered by Rev. Dr. McKay, who for the past twenty-eight years has officiated on similar occasions in Victoria West; by Dr. Melbourne Ray nor, representing the board of school trustees; Mr. Osborne, on behalf of the Ladies' Aid Society; Mr. Mcadam on behalf of the Esquimalt Methodist Church; Rev. Mr. McLean, on behalf of St. Paul's Church, Victoria West; Mr. J. Lees, on behalf of the Centennial Methodist Church; Mr. Benjamin Ensor, for the Adult Bible Class; Mr. A. T. Weight, for the Epworth League; and Mr. A. J. Daniels, for the Quarterly Official Board. Gratitude for the spontaniety of the welcome extended him was expressed by Mr. Thompson in replying to the numerous addresses. A musical programme, thoroughly enjoyed, was given by Miss Davis and Messrs. Davis, Hudson, Daniels and Welsh. Before the close of the proceedings refreshments were served by the Ladies Aid Society. The chair was taken by Mr. Charles Brown.

BIG GAME OF SEASON SUNDAY

The best baseball game of the season is predicted for tomorrow when Manager Benedict's bunch of fielding and batting wonders cross bats with the Western Canada Power Company's team of Vancouver, the only aggregation which has registered a victory over the Nanaimo team this season. That game was a 3-2 score and was as good an exhibition as any fan would desire to see. The locals are out tomorrow to avenge that defeat and the fans will be given an opportunity to sit up and take notice of the way Nanaimo can play ball when out to win.

Everything is in readiness for the game; the grandstand has been repaired and made safe, the ground is in splendid shape, and and all that remains to make the game a success is for the fans to be out in force and cheer the locals on to victory.

The teams will lineup as follows:

Nanaimo	Pos.	Vancouver.
Boyce	catcher	Kavanagh
H. Martin	Pitcher	Brand.
	"	Holmes
E. Martin	1st. B.	Fitch-
F. Killeen	2nd. B.	Lindsay
Piper	3rd. B.	Sykes
Little	S.S.	Proctor
Thompson	R.F.	Jardine
Beattie	C.F.	Conlin
Weeks	L.F.	London
Shepherd	Spare	Stenstrom

BILLITER WANTS A MATCH IN NANAIMO

Johnnie Billiter, former lightweight wrestling champion of the world is touring the west and is anxious for a match with any Nanaimo man up to 160 pounds.

The Herald's sporting editor is in receipt of the appended communication which is self explanatory, and if any local man is desirious of a match with Billiter he can secure the same by writing to the address stated in the letter, which reads as follows:

Mr. Sporting Editor:

Just a few lines to let you know that I and John Billiter, world's lightweight champion wrestler are in this part of the country touring around and I would like to bring Billiter to your town to wrestle Swanson or any other wrestler up to 160 pounds. If you will oblige me by putting this article in your paper I would appreciate it very much. Any promoter or wrestler can address me,

SAM JORDAN,
Mgr. John Billiter,
1220 Dock street,
Bellingham, Wash.

Yesterday the Entrance Class of the Quennell School defeated a combined senior and junior High School team in baseball, the score being 7 to 6.

GREECE MAY DECLARE WAR

Premier of Greece Demands Cessation of Persecution Against Greek Subjects from Turkish Authorities.

Athens, Greece, June 12.—A warning to Turkey, which fell a little short of a formal declaration of hostilities, was uttered today by Premier Venizelos of Greece, in the chamber of deputies. He was speaking on the treatment of Greek subjects in Turkey. The premier's attitude showed that the tension between Greece and Turkey was near the breaking point; and that the danger was imminent.

M. Venizelos found it difficult to restrain his language when he spoke of the way in which the Turks had treated his fellow countrymen.

"I do not wish to allow to escape me words which cannot be recalled, but I fail in my duty if I did not inform the chamber of deputies that the situation has become grave—even very grave," he said. "If a stop is not put to these conditions, the Hellenic government will be forced not to content itself in joining in the lamentations of unhappy refugees."

The Greek government sent a vigorous note to Turkey demanding the cessation of the persecution of Greeks in Turkey and the repair of damages caused to them and their interests.

London, June 12.—An official dispatch from Mitylene, an island off the coast of Asia Minor, says that Turkish regulars, with machine guns and a force of Bashi Bazouks to-day commenced an attack on the town of Aivalik, on the coast of the mainland. As the town is inhabited by 25,000 Greeks, a massacre is feared.

APPOINTMENTS.

Notice is given in the current issue of the B. C. Gazette that His Honor the Lieutenant-Governor-in-Council has been pleased to make the following appointments: George Kerr McConkey, of Hall's Prairie, to be a justice of the peace. Archibald Carland MacMillan, of Kamloops, to be police magistrate for the said city and stipendiary magistrate, with jurisdiction under the Small Debts Court Act, for the said city and a radius of twenty miles therefrom. To be notaries public—Richard Oldfield, of Sidney, and Herbert Gordon Freeman, of Hedley. Arthur Sidney Tyrer of Victoria, to be a clerk in the audit office from April 1, 1914. Wilfrid R. Williamson, a clerk in the Government agency at Nelson, to be a commissioner for taking affidavits within the Province. To be members of the Board of License Commissioners for the District (Municipality) of Salmon Arm—Councillor Isaac M. Lyman and Francis S. Moule. Almus N. Vars, of Trout Lake, to be mining recorder for the Ainsworth Mining Division, and deputy registrar of the County Court of West Kootenay.

COMPANIES INCORPORATED.

Notice is given in the current issue of the B. C. Gazette that certificates of incorporation have been granted to the following companies: The Alberta Buffalo River Oil & Gas Corporation, head office Vancouver, with a capital of $500,000; Belmont Canadian Mines, Vancouver, $10,000; Broughton Coal Co., Vancouver, $100 000; Canadian Laundry, Vancouver, $50,000; Cascade Oil Co., Vancouver, $500,000; Canadian Financiers Trust Co., James Stark & Co., Vancouver $5,000; Kaslo Boat Club; Kelowna Produce Co., Kelowna, $10,000; Merchants' Outdoor Advertising Co., Vancouver, $50,000; Mutual Permanent Savings & Loan Co.; The Oil & Venture Corporation of Canada, Vancouver, $10,000; The Old Countryman Vancouver, $10,000; Pacific Loan Co. Parksville Meat Market, Parksville, $5,000; Petroils Ltd. (non-personal liability), Vancouver, $1,000,000; Pioneer Investment Co., Vancouver, $1-500,000; R. S. Sargent, Ltd., Hazelton, $150,000; Vanderhoof Power Co, Victoria, $10,000; Victoria Poultry Co., Victoria, $10,000.

The C.P.R. steamer Princess Mary will carry the citizens of the Royal City on the civic excursion to be held on either July 15 or 16. The committee in charge of the affair is as yet undecided whether to make Nanaimo or Bellingham their destination. The Princess Mary is licensed to carry 800 people and judging from the past civic excursions all the tickets will be sold.

LEAGUE CRICKET GAME TODAY

The local cricket club have an Island League fixture on this afternoon with the Victoria Cricket Club. For years the Victoria club held the championship of the coast, and is playing good cricket this season again. The local club is fielding its strongest side to meet the visitors, and an interesting game should be seen. The match will begin at 2 o'clock sharp.

MONTMAGNY IN PORT

Quebec, June 12.—The Canadian government steamer Montmagny, reported lost, arrived at North Sydney early to-day reporting all well, according to a message from her captain, F. X. Paulit, received by the local agency of the marine department.

NANAIMO WON THE HONORS

Local Encampment and Rebekah I.O.O.F. Lodge Teams Win Competitions Held at Jubilee Celebration at Victoria.

Teams from Nanaimo lodges I.O.O.F. carried off the honors at Victoria yesterday in the big competitions held in connection with the Jubilee celebration of the order.

Throughout the day, the final stages in the competitions between teams representing different provincial and outside lodges were in progress, the prizes for which amount, in the aggregate, to $4,000 or $5,000. In these there took part the subordinate lodges which put on the initiatory degree, the first degree and the third degree; the Encampments, which were seen in the Royal Purple degree; and the Rebekah lodges, which demonstrated the Rebekah degree. Owing to the fact that the keenest rivalry was displayed, there being many entries for each event, it was necessary to use two halls in order that the contests might be concluded within the time limit.

The winners in the big competition were:

First—Nanaimo Encampment.
Second—Vancouver No. 10.

In the Rebekah competitions, the result was as follows:

First—Vancouver.
Second—Victoria.
Third—Nanaimo.

The personnel of the teams which brought honors to Nanaimo, is as follows:

Rebekahs.

Drill Capt., Sister Irene Aitken; N. G., Sister Kirkpatrick; V. G., Sister Handlen; P. G., Sister Scurr; Chaplain, Sister Cavalsky; Conductor, Sister Ferguson; Warden, Sister Dendoff; I. G., Sister McCourt; Sarah, Sister Price; Rebekah, Sister Grafton; Naomi, Sister Polkinghorne; Ruth, Sister Dee; Supporters to N. G., Sisters Newton and Mitchell; Supporters to V. G., Sisters Carmichael and Benton; Bannerbearers, Sisters F. Reilley, M. Hough, V. Jones, M. Carmichael, M. McKenzie, M. Crew, T. Jones, A. Newton, E. Beresford, A. Walker and L. Hathway; Pianist, Sister A. Harrison.

Nanaimo Encamkment.

Drill Captain, A. L. Dingman; C. P., R. McCourt; S. W., M. Scurr; J. W., J. Brumpton; High Priest, W. Carmichael; Guide, H. McCourt; I. S., C. Grafton; 1st W., J. R. McKenzie; 2nd W., Wm. H. Thorpe; 3rd W. J. R. McKinnell; 4th W., A. Young; Guards of Tent, F. W. Thompson and T. McCourt; Pianist, Frank March.

Next year's convention will be held at New Westminster.

Mr. George Smith, formerly of Mountain district, returned to his home in South Vancouver yesterday after spending a couple of days in the city attending to business.

In the city police court yesterday Mr. John Bryce, an auto owner of Victoria was fined $40. and costs for driving on the streets of the city at a reckless speed.

NANAIMO'S EARLY DAYS RECALLED

Uncovering of Corner Stone of St. Alban's Church Yesterday by City Workmen Recalls Interesting Event.

An interesting event in the history of Nanaimo was recalled yesterday afternoon by a find made by some workmen who were engaged in making some alterations to the Assembly Hall. They were removing one of the front buttresses, when they came across a number of documents which were built into the buttress on the occasion of the corner stone laying. The corner stone was laid on June 22, 1891 or 23 years ago. It was laid under the auspices of the Masonic order with full ceremony and circumstance. The Silver Cornet Band was in attendance, a big crowd was present, and the event was a red-letter day in the history of Nanaimo.

The building, as is commonly known, was the church of St. Alban, the Martyr. Many of the figures who were prominent on the occasion of the stone-laying have passed away, and the building itself has not been used as a church for many years and is now used as an Assembly Hall.

Among the documents found yesterday afternoon were the constitution of the M. W., Grand Lodge of Free Masons of British Columbia; List of officers of the Grand Lodge, proceedings of the 19th annual communication of the Grand Lodge held in Vancouver, June 19th, 1890; two copies of Nanaimo Free Press, Daily Colonist, Daily Vancouver World, St. Alban's Monthly Paper, Programme of the Day, current coins, and historical statement.

The newspapers are all in good condition, but some of the other documents have been corroded by the weather. The Free Press, of June 20, 1891 contains an advance notice of the ceremony. It says that the Masonic ceremonial of laying the corner stone of St. Alban's church, at the intersection of Grace and Nicol streets, will commence at 4 o'clock on Monday afternoon. Grand Master Marcus Wolfe will lay the corner stone. After the ceremony addresses will be made by the clergy and others, and music rendered by the Nanaimo Silver Cornet Band and the church choir.

The sterling silver trowel will be presented to Most Worshipful Grand Master Marcus Wolfe, after he has laid the corner stone.

Mr. M. R. Counter of Bastion street supplied the trowel, which is of beautiful workmanship.

It will be seen that the church is described as being at the intersection of Grace and Nicol street. It was the intention of Mr. Robins, at that time to continue Grace street to Victoria road, but it was never done. The maker of the trowel is now in Honolulu and Mr. Wolfe came to a tragic end.

Of interest to local Masons is the list of officers of the Grand Lodge, A. F. and A. M., for 1891-2. These are Marcus Wolfe, Grand Master; William Dennie, Deputy Grand Master; Peter Grant, Grand Senior Warden; S. Clark, Grand Junior Warden E. D. McLaren, Chaplain; W. J. Quinlan, Secretary; H. F. Heisterman Treasurer; Trickey, Tyler.

The committee of local Masons in charge of the arrangements were Jas. Abrams, Wm. Stewart, Mark Bate, A. Haslam and W. H. S. Perkins.

There are many in town who will recall the ceremony, and it is always interesting to come across the record of past days.

Rates, $1.00 a day and up, at the Eagle Hotel. Steam heated, hot and cold water, everything new. tf.

Our strongest specialty is Serge Fit Rite Suits at $15.00, $20.00, $22.50, $25.00, $27.50. For entire satisfaction and genuine MONEY SAVING VALUES in Suits and Clothing, let McRae & Lucier, "The Satisfaction or Your Money Back" Store, supply you. 1t

The funeral of the late Mrs. Johanna Vahle will take place Sunday afternoon at 1:30 from the residence of Mrs. Stolzenburg, 128 Fry street, Rev. Dr. McLennan officiating. Funeral arrangements are in the hands of Mr. D. J. Jenkins.

DEATH OF MARY ELLEN GALLAGHER

The death occurred in the local hospital yesterday of Mary Ellen, wife of Mr. Stephen F. Gallagher of Union Bay, aged 58 years.

The funeral will take place Monday morning at 8:30 from A. E. Hilbert's undertaking parlors to the Roman Catholic church, Rev. Father Heynen officiating.

RESOLUTE WON RACE.

Sandy Hook, June 12.—The Resolute added another victory to its credit today in the elimination series to choose a defender for the America's Cup when it defeated the Vanitie in a triangular race of 30 miles by 2 minutes 47 seconds actual time and 6 minutes corrected time.

NUMBERS INCREASED.

Pittsburg, June 12.—Refusal of the Westinghouse company yesterday to treat with their ten thousand striking employees was answered today when the Allegheny Congenial Industrial union called out the 1,500 men in the plant of the Union Switch & Signal company at Swissvale.

PARLIAMENT AT OTTAWA PROROGUED

Ottawa, June 12.—Parliament prorogued at 4 o'clock this afternoon an hour and a half behind schedule time, the delay being caused by a shrewd political play on the part of the Liberal majority in the Senate. The resolution praying the Imperial Parliament to amend the B. N. A. Act so as to create a new western senatorial division increasing the number of senators by nine, was taken up in committee this morning. Senator Bostock, the Liberal leader, at once moved that the increase on the Senate should not take effect until the expiration of the present Parliament. He said that the two houses should be enlarged simultaneously.

CONSIGNEES FRIDAY

RECORD MONTH FOR HOSPITAL

Number of Patients in Nanaimo Hospital During the Month of May Was Largest in History of Institution.

That the Nanaimo Hospital is a far larger institution than the general public is aware of, was demonstrated at a recent meeting of the Board of Directors when reports were received dealing with the work of the hospital during the month of May. The report of the lady superintendent Miss Rose, showed that there were 1272 patient days during May, which means that during that month there was an average of 41 patients in the institution every day, the largest number on record. The enormity of the work necessary to the running of the institution was shown by the report of the laundryman who reported 12,000 pieces of linen passed through the laundry during the month. During the same period there were 29 medical, 84 sergical, 13 obstetrical, and 5 Xray cases handled. Accounts for the month totalled $1500.

At the present time there are on the staff of the hospital a total of 21 employees and during the month the directors have had installed a fire escape from the Maternity ward, the Nurses Home renovated and a number of antiquated beds replaced by modern furniture, in which work the Woman's Auxiliary took an active part, as did also the Red Cross Club, both of which have worked faithfully to make the institution modern in every respect.

Another record was broken by the Board of Directors during the month of May, one for which they are extremely sorry, and that was that for the first time in the history of the hospital they were compelled to take to court people who could, but would not pay for treatment received in the institution.

HANDSOME CUP FOR LOCAL BOY SCOUTS

Mrs. Forcimmer of Forcimmer's jewelery store has donated a handsome cup to the Nanaimo Boy Scouts. The cup is to be competed for annually and will be given to the troop making the best showing in general proficiency at the annual general field day. The cup is quite a pretentious one and the name of the winning troop each year will be engraved on it.

The cup was specially ordered for the Scouts and will no doubt be much appreciated by them.

BACKER OF ENGLISH POLO TEAM.

Lord Ashby St. Ledger, also known as Lord Wimborne, who is backing the English Polo Team which is to play the American team in the international contests starting today, photographed on his favorite mount at Piking Rock, Long Island, where the English players are rounding into shape for the coming fray. Lord Wimborne is a polo player himself of no mean ability and although he will not take the field for the British team unless an accident should disable one of his men, he is aiding them greatly by his coaching.

THE
J. B. Hodgins, Ltd.
The Store where You Get what You Ask For.

In view of the rumors of a settlement and particularly of Farrington s telegram it is interesting to recall the beginning of the trouble in Nanaimo. Farrington, in order to allay the excitement, stated that "nothing would be agreed to without consulting the men." Compare this with the famous strike decree of a year past May. Recall also the notorious red dodger issued by Foster. The first ordered over a thousand men, who owed no obedience to Farrington, to leave their work. The second told these men that, ballot or no ballot, a strike had been declared and any man who went to work would be branded as a "scab." This was how the men were consulted. Notice the solidarity in the men's demands, and the operation of the democratic principle of every man a vote. Yet the men who engineered this coup have never since ceased to prate about the tyranny of the governing authorities. More wonderful still they seem to have got away with it.

J. S. H. MATSON.

ARSON.

Nanaimo had its first taste of arson early yesterday morning. A house which had been untenanted all week was burned to the ground. No theory can account for the destruction of this house other than that it was deliberately set on fire. The owner is among the men who are working at No. 1 mine. With his wife, he left for Victoria to attend the Oddfellows' Convention there, and of course his absence from home was known. He had his fears when he went away. The house was just outside the city limits, and he asked the police to keep an eye on it. The house represented to the owner a great deal of hard work, and all his hard-earned savings. It all went up in smoke to satisfy the spite and bitterness of some party or parties unknown. It was noticeable that the fire did not attract half a dozen spectators. Scores must have watched the blaze from the neighboring houses, but few gathered round the burning house itself. And now Nanaimo is linked up in experience with Extension, South Wellington and Ladysmith. After a spasm of incendiarism at South Wellington Nanaimo is getting its turn. It is perhaps too much to hope that the police will ever get to the bottom of all these outrages. At the same time the public has had a surfeit of these atrocities. The victims in every case have been men who have gone to work, and the strikers organization must accept the responsibility and suffer the consequences. No cause was ever won by arson or any other form of outrage.

According to Home Secretary McKenna there is no need to worry about the activities of the militant suffragettes. The authorities had the lawless element in hand, and did not need the help of any fresh legislation. It would be a mistake to adopt the "let them die" policy, and the idea of deporting the worst offenders was impracticable. Furthermore he hoped the government would be able to make the subscribers to the militant organization liable for the full extent of damages done by arson squads, destroyers of mail, and the picture slashers. It is remarkable that at the very time he was speaking an attempt was made to destroy the coronation seat in the Abbey. A day later the ancient and historic church of St. Margarets Cliffstead, was only saved by the prompt work of the villagers. No money can restore the ancient edifices that have already been destroyed, or replace the masterpieces of art that have been slashed. Home Secretary McKenna rather deprecated the publicity that has been given the suffragette outrages, and certainly but for the news appearing daily in the press his cheery optimism might have been more convincing.

It is a week ago tonight since the visit of "Mother" Jones. In the interval there came near being a disastrous riot at South Wellington, and early yesterday morning the home of a working miner on the outskirts of the city was burned down. This is not to say that any responsibility for the outrages attaches to "Mother" Jones. The old Latin principle of logic, post hoc, propter hoc, although convenient enough was far from convincing. Because these things have happened since "Mother" Jones' visit it does not follow that she caused them. All the same she has never been an angel of peace. Serious trouble and disorders have always marked her entry into any strike zone. The feeling locally was bitter enough without being stirred up by such a master hand as "Mother" Jones. This is one view of the situation the local leaders did not consider, or is it that they are willing to take all risks to keep the trouble going?

THE NEW EDEN.

When every child shall through his native gift
Be truthward led along the ways of joy;
When every man shall at his labor lift
Hand, head and heart to God, who gave employ;

When every one an artist soul shall be,
At forge or easel, at the desk or loom,
Then through his task shall every man be free;
No one shall toil as captive to his doom.

Cities shall then become the shrines of art;
Towns, gardens all, shall blossom as the May.
Laughter shall thrive, of every life a part,
And rest await each man at close of day.

Then shall be born the kingdom of the blessed,
In every heart shall love exalted be;
Then God once more shall see His garden dressed
With flower and fruit and every pleasant tree.

—Thomas Curtis Clark.

NINE SECONDS FOR THE HUNDRED YARDS.

Howard Drew says: "I expect to see the day when a sprinter will run the 100 yards in nine seconds. It may not be while I am running, but it is not so far in the future.

"There was a day when a 10-second sprinter could win anywhere he went. Today you have to do 9 4-5 seconds to be in the hunt. I know that I can do9 3-5 seconds, but I may shave a fifth off that before I am done with sprinting. I am sure, however, that a man who does 9 3-5 cannot do that every day. It comes perhaps once or twice a season.

"It may be that the day will be right and you will feel fine, yet not to be able to do your best. Sometimes when you do not feel exactly up to pitch, and you wonder about winning, you will surprise yourself by doing the distance in better than record time.

Sealed Tenders addressed to the undersigned, and endorsed "Tender for Public Building to be known as Postal Station "C" Mount Pleasant, Vancouver, B. C.," will be received at this office until 4 p. m., on Monday, June 22, 1914, for the construction of the aforesaid building.

Plans, specification and form of contract can be seen and forms of tender obtained at the offices of A. Campbell Hope, Esq., Vancouver, B. C., Wm. Henderson, Esq., Resident Architect, Victoria, B. C., on application to the Postmaster, Vancouver B. C., and at this Department.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures, stating their occupations and places of residence. In the case of firms the actual signature, the nature of the occupation, and place of residence must be given.

Each tender must be accompanied by an accepted cheque on a chartered bank, payable to the order of the Honourable the Minister of Public Works, equal to ten per cent (10 p. c.) of the amount of the tender, which will be forfeited if the person tendering decline to enter into a contract when called upon to do so, or fail to complete the work contracted for. If the tender be not accepted the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender.

By order,
R. C. DESROCHERS,
Secretary.

STEPHEN JONES, Prop.

MIKE DONOVAN TELLS HOW TO KEEP FIT

Mike Donovan, who has been for thirty years boxing instructor of the New York Athletic club, will retire next September upon a pension that will keep him in comfort for the rest of his days. Donovan is now 67 years old, and probably ninety-nine men out of a hundred between the ages of twenty and thirty would find him an extremely awkward customer at any form of physical encounter. In his days he was the middleweight champion of the United States and if he has lost some of the speed and strength that made him formidable in the ring, he has gained in cunning, and it may be set down safely that what he does not know about the art of self-defence is hardly worth knowing. Moreover, he is willing to tell what he knows, for he believes that the term "self-defence" means more than the ability of a man to repel an attack. When Donovan uses the term he means the ability of a man to fight off old age, or rather the common symptoms of it. He himself is gray-haired today, and he has cauliflower ears as the result of hundreds of punches, but he is an athlete who can box from 3 o'clock in the afternoon until late at night and hardly quicken his breathing. No one living of his years is in better condition for hard and continuous physical exertion. At a time of life when many men are tottering to the grave he is a trained athlete.

Donovan has been too busy to be much of a reader, and it may be taken for granted that the ideas he has upon the subject of physical fitness are not those conveyed to him by some theorist. They are the fruit of a lifetime spent in keeping fit and in keeping other people fit. He believes that physical fitness for the middle-aged man and the man who is still further advanced in life is easily enough attainable. All that is required is some will power, and, of course, some intelligence. It is a matter of diet and excercise. The man of fifty who wants to be able to run a mile or lift a couple of hundred pounds or knock out a burly ruffian can easily place himself in a condition to do it if he really is in earnest. He needs to eat less, and exercise more and practice deep breathing and do without tobacco and alcohol.

Donovan is somewhat of a crank upon the subject of eating. He believes that the average business man whose work is done behind a desk or counter eats about three times as much as he should. Moreover, he smokes more than he should and probably drinks too much. Donovan's idea of too much drinking is any drinking. He says that alcohol should be regarded as a poison and everyone knows that even a little poison is a bad thing. He can find no excuse for the drinking of anything but beer. Spirits are taboo with him, and wine is almost as bad as whiskey. But if a man insists upon drinking he may have two or three glasses of beer in the course of a day. If he drinks slowly the beer may not seriously injure him. He has an idea that much of the craving for drink at meal times is due to the fact that between meals we do not drink enough water. He says that three quarts of water ought to be imbed in the course of the day. Then at meal times there will not be the demand for liquids. He is also opposed to the drinking of tea and coffee, and after water he places warm milk. Those who insist upon drinking tea or coffee ought to drink plenty of milk with it, and the drink ing ought to be done at meal time.

We find this authority flatly opposed to the medical men who say that breakfast ought to be the best meal. He is against a heavy breakfast, and for that matter, too, a heavy lunch. Even at night he does not favor anything in the nature of a meal that will leave the consumer satiated. We ought to leave the table feeling that we could eat more. Mike is something of a vegeterian, but a discriminating one, for he does not endorse all vegetables. He divides them into two classes. In the first he places spinach, string beans cauliflower and cabbage, and insists that cabbage ought to be well cooked. These vegetables ought to be eaten freely. In the black list, as far as he is concerned, go tomatoes, cucumbers, lettuce, radishes. There is a sort of twilight zone in the vegetable kingdom that is inhabited by asparagus, turnips, beans and peas. He does not recommend them to the man who desires to be in good physical condition.

As far as meat is concerned, Donovan says that beef and mutton are in a class by themselves. He is a strong advocate of the Fletcher system, and cautions against any bolting of meats. To the man who smokes he says that the best thing is a pipe, the next best is a cigar. The cigarette is condemned wholeheartedly because of the general practice of inhaling it. He differs with such authorities as Edison in the matter of sleeping hours. The old saying of "seven hours for a man, eight for a woman and nine for a fool" finds no champion in him. Every one ought to sleep at least eight hours. His own preferance is for nine. As for the choice of exercise, while Donovan is naturally partial to boxing, he believes that walking is best for general purposes, since every one can walk a little if he tries. The best exercise he knows for the man who desires to abate his growing waist line is "dry" swimming, a sort of excercise that is to be had by lying on the floor and going vigorously through the motions required in swimming on the back.

The latest issue of the Canada Gazette contains an official order that no one shall fish with nets or with any implement for commercial purposes in Saanich Inlet, inside of a straight line drawn from Cowichan Head to Serpentine Point. This includes Cowichan Bay.

BOY IS BANDIT AT NINE.

Montreal, June 10.—A bandit leader of only nine years of age was before Judge Choquette yesterday morning. He was arrested with two other boys of 11 and 13 years for breaking into a house.

The leader has been six times before the court on charges of theft and housebreaking. The court decided to send him to the reformatory. His companions were allowed to go to their homes.

PROF. CRAWFORD DEAD.

London, June 10.—The death has occurred at Ballyshannon of Prof. Robert Crawford, the eminent engineer, who carried out several important schemes in Canada, and at one time filled the chair of engineering at McGill.

SPECIAL RULE VALID

Washington, June 10.— A special rule for consideration in the House of the administration conservation programme, consisting of five bills, was voted out of the rules committee today. A special rule for consideration of the Hobson prohibition amendment was unacted upon when the committee adjourned until later.

Fourteen or fifteen dog owners of the South Cowichan district have been summoned to appear before Mr. Maitland-Dougall in the provincial court house on Friday to answer charges of breaches of the federal dog muzzling order. These will be the first cases to be tried under the federal order.

4 PIECE ORCHESTRA IN ATTENDANCE

FOUGHT FIRE FOR OVER FIVE HOURS

Bandon, Ore., June 11.— Three blocks in the heart of the business section of this city were destroyed by fire today. A shifting wind was all that saved the entire town from destruction. The loss is estimated at $300,000.

For over five hours the firemen fought ineffectively against the flames when they resorted to dynamite, which with a shift of the wind, helped them get the conflagration under control.

The fire started about midnight in a restaurant. This was practically extinguished in a short time, but fanned by the wind the flames broke out again several hours later and spread to adjoining buildings. Streams from the tug Klypyam along the waterfront helped volunteers to combat the flames. There was little insurance on most of the buildings destroyed.

DEGREES FROM OXFORD

London, June 12 — Oxfoed University on June 14 will confer honorary degrees on the American Ambassador, Walter Hines Page, Lord Bryce of Dechmont, and Richard Strauss, the composer.

The people of Kamloops have decided that there shall be a public market in that city where local producers of fowl, fish, flesh and farm produce can sell their goods and the public obtain same at the minimum cost. This step has been authorized by the city council.

Keep Minard's Liniment in the house.

JAPANESE MURDERER HANGED.

Seoul, Korea, June 12— Tamitaro Watanbe, the Japanese who on March 23, this year, murdered Dr. Edgar Demott Stryker, an American surgeon, was hanged today. Watanabe who had previously strangled his wife went to the hospital at Holkel, of which Dr. Stryker was in charge, and shot the American doctor dead. He was tried and sentenced to life imprisonment, but appealed and the superior court changed the sentence into condemnation to death.

NEWS NOTES OF THE PROVINCE

A serious accident which resulted in G. Young, of Merritt, being taken to the hospital and his right arm amputated at the shoulder happened on Monday last on the Kettle Valley railway.

While playing with matches on the street last week with several companions, Florence Wood, the three-year-old daughter of James Wood cutter in P. Burns' market at Cranbrook was badly burned, dying several hours later.

W. J. Sheppard, bee inspector, inspected the hives of all bee owners in Harrop and Sunshine bay. He found that the colonies had wintered well, but in most cases the supply of honey was short and syrup was required to feed the bees.

Ad. Wolgast, former lightweight champion of the world, is still possessed of a little money. He paid $229 income tax at Grand Rapids, Mich., the other day.

STRIKING MINERS USE DYNAMITE BOMB

Colliers, W. Va., June 11.—Another attack was made early today on the Locust Grove mine of the West Virginia and Pittsburg Coal Company, where a strike has been in progress since last September. Shots were fired from the hilltops and a dynamite bomb was exploded at the mine opening as the men were going to work.

NEW ELECTRIC LAMP.

Vienne, June 12 — At the electrical congress now meeting at Cracow General Manager Lederer, of the Austrian Westinghouse Company, demonstrated yesterday a new kind of incandescent lamp, which substitutes rare gases for carbon or metal thread as the illuminating medium. The invention is considered a far-reaching reform, and made a marked impression on the experts present.

PROCEDURE OF HOUSE

London, June 11—Before the select committee on procedure today the Premier made some novel suggestions for the reform of the House of Commons. He would, he said, impose a limit on all speeches and abolish the discussion on the first reading of bills or limit speeches to one one for and one against any measure.

He proposed that the House should carry over from one session to another any bill that had made substantial progress and that a business committee of members to allocate time for the principal bills should be appointed.

LAND ACT

Take Notice that John Fenton Taylor, of Vancouver, occupation gentleman, intends to apply for permission to lease the following lands: Commencing at a post planted at the south east corner of Lot 4, Block 84 Newcastle Townsite addition, No. 3 in Nanaimo District, thence North 88 deg. 6 min. east a distance of 880 feet, thence north 13 deg. 39 min. east a distance of 119 4-10 feet, thence south 88 deg. 6 min. west, a distance of 880 feet, thence following the meanders of the shore line in a southerly direction a distance of 119 feet more or less to the point of commencement and containing 2 32-100 acres more or less.

JOHN FENTON TAYLOR
per W. BELL-HETHERINGTON,
Ap. 26-2m. Agent.

This Woman Knows How D. D. D. Cures Skin Trouble!

(This letter is just received:)

"Toronto.

"I am the mother of twelve children. I took a bad leg at the birth of my last child. I was laid up five weeks, with a doctor attending me who does nothing but treat this kind of skin disease. Six weeks ago I heard of D. D. D. As I used to tear my leg at night until it was a bleeding mass, I applied a bottle of D. D. D. I can't tell you the ease it gave me. I never used to sleep with the pain. Many a time I nearly fell with dizziness from want of sleep. Now my leg is completely healed up, thanks to the blessed D.D.D. I never expected a cure. I only got D. D. D. to take the terrible itch away. But by degrees I saw the big sore getting smaller. I have a thankful heart today.

MRS. STITT, 53 Gillespie Ave., West Toronto.

The cures of D. D. D. are past belief. All druggists have this soothing, cooling wash and also the efficient D. D. D. Skin Soap.

Come to us and we will sell you the first full size bottle on the guarantee that it will stop the itch at once or your money refunded.

AMERICA'S CUP RECORD.

1876—Madeleine beat Countess of Dufferin twice, 10 min. 59 sec. and 27 min. 14 sec.

1881—Mischief beat Atlanta twice, 28 min. 20 1-4 sec., and 38 min. 54 sec.

1885—Puritan beat Genesta twice, 16 min. 19 sec., and 1 min. 38 sec.

1886—Mayflower beat Galatea twice, 12 min. 2 sec., and 29 min. 9 sec.

1887—Volunteer beat Thistle twice, 19 min. 23 3-4 sec., and 11 min. 48 3-4 sec.

1893—Vigilant beat Valkyrie II three races; rules changed to three out of five, 5 min. 48 sec., 10 min. 35 sec., and 40 sec.

1895—Defender beat Valkyrie III once Valkyrie disqualified for fouling after winning race and withdrawing after winning third race.

1899—Columbia beat Shamrock three times, 10 min. 8 sec., sail over after Shamrock disabled, and 6 min. 34 sec.

1901—Columbia beat Shamrock II three times, 1 min. 20 sec., 3 min. 35 sec., and 41 sec.

1903—Reliance beat Shamrock III three times, 7 min. 3 sec., 1 min. 19 sec., Shamrock did not finish the last race.

MAIDEN SAILING FIXED FOR LINER COLUMBUS

The new giant steamship Columbus of the North German Lloyd now nearing completion at the Danzig yards in Germany, will leave Bremen on her first trip to New York on October 3, next, according to a cable despatch just received from Hamburg. The Columbus is expected to arrive in New York on October 11 and will start on her return voyage on October 17.

Sir Thomas Lipton has lost in his first three attempts to lift the America's Cup. In 1899 the Shamrock lost all three races to the Columbia. In 1901 the Shamrock II suffered a similar fate in its three trials against the Columbia. In 1903, when his last attempt was made with the Shamrock III, the Reliance won in three straight races. The America's Cup passed into possession of the New York Yacht Club in 1887, when it was presented to the club by Geo. L. Schuyler, the then sole surviving owner of the cup won by the yacht America at Cowes, England, on Aug. 22, 1851.

WATER NOTICE.

For a Licence to Store and Pen Back Water.

Notice is hereby given that the Gray Donald General Engineering Co., Ltd., of Victoria, B. C., will apply for a licence to store or pen back 23000 acre-feet of water in Cameron Lake which will be used for power purposes under a notice of application for a licence to take and use water, posted herewith, on the land described as within a radius fifty miles.

This notice was posted on the ground on the 26th day of March, 914. The application will be filed in the office of the Water Recorder at Nanaimo.

Objections may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B. C.

EVERY WIFE'S DUTY
Watch Husband's Hair. If Thin Or Full of Dandruff Insist On His Using Parisian Sage.

Men as a class give but little thought to the care of the hair. Not until it comes out by the combful, or some friend remarks that they are getting bald, do they really take notice—then it may be too late.

If your husband's hair is getting thin; if he has dandruff or the scalp itches, take immediate action—do not let him become a bald head.

Get from any drug or toilet counter a 50 cent bottle of Parisian Sage. It contains the exact elements to supply hair and scalp needs. The first application removes all dandruff—the great hair destroyer. A little Parisian Sage rubbed well into the scalp for a few nights will work wonders. When the hair stops falling and the new growth appears use every other night until the hair is thick and abundant.

Parisian Sage is a delightful and invigorating hair tonic for men, women and children. It is a scientific preparation based on a thorough knowledge of what is needed by the hair and scalp to keep them perfectly healthy and remove dandruff, stop scalp itch and falling hair.

Surely try Parisian Sage. It is sold with an agreement to refund your money if not satisfied. Look for the trade-mark—"The Girl with the Auburn Hair." Accept no other.

PAT CONNOLLY WON FROM AMERICUS

Vancouver, June 12.—Pat Connolly retained his title as world's champion tonight when he defeated "Americus" (Gus Schoenlein) in two straight falls, time 54 minutes, and 2 minutes and 54 sec. respectively. There was a big attendance at the match which was refereed by Bob. Sutherland of Kelowna.

ONLY GENTLEMEN CAN COMPETE AT HENLEY

Philadelphia, June 12.—Clement B. Wood, secretary of the American Rowing Association has made public the agreement between the American Rowing Association and the Henley Royal Regatta under which American crews will be entered at Henley. The agreement provides that entries of crews or scullers who are members of clubs belonging to the association will be accepted upon the association certifying that they are amateurs.

No person shall be considered an amateur oarsman, sculler or coxswain who has ever rowed or steered in any race for a stake, money or entrance fee; who has ever knowingly rowed or steered with or against a professional for any prize; who has ever taught, pursued or assisted in the practice of athletic exercises of any kind for profit; who has ever been employed in, or about boats, or in any manual labor, for money or wages; who is or has been by trade or employment for wages, a mechanic, artisan or laborer, or engaged in any menial labor; who is disqualified as an amateur in any other branch of sport.

CHALLENGE

Fred Botch hereby challenges anyone an Vancouver Island to a boxing contest of 10, 15 or 20 rounds. weight 120 pounds.

1t* FRED BOTCH.

John McGraw declared that you couldn't collect one real major league club from the whole roster of eight Federal league teams. Be just. Jawn, be just. A team made up of Seaton, Brennan, Hendrix, Ford and Falkenberg, pitchers, and with Knabe Doolan, Tinker, Zeider, Oakes, Murphy, Campbell and Walsh in its array would have some little trouble to finish last in either major league.

Hans Wagner, the veteran Pittsburg player, has made a mark in baseball that has only been eclipsed by one other diamond star. Wagner has registered his 3,000th hit in seventeen years of baseball. The only other player who is said to have made 3,000 hits in the major league was Adrian C. Anson, who batted out 3,047 in twenty-two years.

BRITISHERS WILL MEET FRENCHMEN

London, June 12.—There is a distinct chance that something tangible will result as the outcome of the challenge issued by M. Francois Descamps, the gist of which was that he would pit five Frenchmen against any five Britons. Harry Williams has shown a readiness to accept the challenge, and matters have been considerably advanced. M. Descamps has nominated at his team, Carpentier, Tynke, Demlen, Ledoux and Armanet He has stated that he would be willing to go to $5000 a side in the way of stakes on the "rubber." Harry Williams would, howeyer, prefer to have $5000 a side upon each contest. Three of his five nominations would be Dick Smith, Sullivan and Curly Walker, who would respectively meet Carpentier, Tynke and Ledoux; it is too early yet to announce the names of the men Mr. Williams would pit against Demlen and Armanet. The position is rendered more interesting by the action of Leon See, who has also nominated a French team of five to meet Britishers. His men are Marchland, Eustache, Buisson, Bertin and Bouzonnie.

Mrs. Hubert Dendoff, Machleary street, returned last evening from a visit to friends in the Terminal City.

LINERS COLLIDED IN DENSE FOG

The American Liner New York Rammed by the Hamburg-American Liner Pretoria—No Panic Among Passengers.

On Board S. S. New York via wireless to Siasconsett, Mass., June 13.—While the American liner New York, westbound was motionless in a heavy fog, 400 miles east of Ambrose lightship early today, the Hamburg-American liner Pretoria, bound east, ran into her and ripped a hole twelve feet high and thirty-two feet long in her port side. The hole is flush with the main deck and is fifteen feet above the waterline. So great was the force of the collision that the Pretoria's anchor was torn from her bow and left hanging inside the gap that has been torn in the New York.

Practically all of the passengers on board both ships were asleep.

Immediately after the collision the engine of both ships were ordered full speed astern and passengers came hurriedly to the decks. The passengers of the New York were able to reach over and touch the bow of the Petoria as she pulled away from her dangerous position. There was no panic. Captain Roberts and Chief Officer Turner were both on the bridge at the time of the collision. They assured the frightened passengers, many of whom hurried to the starboard side of the ship, anticipating a list to port, that there was no danger. Members of the crew also went among the passengers and urged them to be calm.

Fortunately the watch which occupied the quarter behind the part of the ship that was crushed in, was on duty in the stokehole. Had the collision occured when this watch was off duty, a number of lives would probably have been lost. The Pretoria was less damaged by the collision than the New York. Several of the plates at her bow were sprung and twisted.

After the passengers had been assured they were in no danger they began to laugh and joke over the queer costumes in which some of the travellers appeared on deck. The passengers refused to return to their cabins until daybreak. After it was determined that no serious damage had been done to either ship they proceeded on their way.

KAMLOOPS CONSTABLE KILLED BY TRAMPS

Vancouver, June 13—City Constable J. M. Allen, of Kamloops, was shot dead at 2:30 this morning. He had gone to examine some deserted Chinese shacks which were often frequented by tramps. Apparently just as he sought to enter one of these he was met by the bullet which killed him.

Special police are scouring the district around Kamloops bringing in every tramp who can be found.

Constable McCurry, who was with Constable Allen, was searching another shack, and on returning to where he left Allen, found the man dying. A freight train was passing up the street slowly at the time. Twenty-three tramps aboard were arrested at Walhachin, and will be brought to Kamloops. Police and special posses of mounted men are scouring the country, and all trains are searched.

Allen joined the force October last. There were two men named Allen on the force, the one killed being John Mellis Allen.

The finest new potatoes seen for some time are those of Mr. H. Morrow, Victoria Road. They are as large as the average matured Murphy and are what is known as the Native Son variety. Mr. Morrow, who is in the employ of the Western Fuel Company, is proud of the fact that there is not a scab of any description on them.

The S. S. Princess Patricia had a large passenger list from Vancouver last evening, among the number being Mrs. L.J. O'Brien, Mrs. J. H. Hawthornthwaite, Mrs. S. Jones, Mrs. Johnstone, Miss Johnstone, W. Parkin, Mrs. Charman, Mr. and Mrs H. Harrison, Mr. and Mrs. Hemer, Mr. and Mrs. H. N. Freeman, Miss Mercer, Miss Stockett, Mrs. Thomas Stewart.

NANAIMOITES WILL VISIT PRINCE RUPERT

The A. F. and A. M. of British Columbia will meet in Grand Lodge session at Prince Rupert this week, a special boat having been chartered by the members residing in the southern portion of the province to leave Vancouver Monday night at 10 o'clock carrying delegates and other lodge members to the northern metropolis.

The C. P. R. S. S. Princess Alice has been engaged for the trip, and among the Nanaimoites who will be aboard will be Mr. and Mrs. Jno. Shaw. Mr. and Mrs. W. A. Wood, Hy. McAdie, Conrad Reifle, William Adam, W. E. Thompson and J. M. Rudd.

PASSENGER RAN AMUCK.

Punta del Gardo, Azores, June 13.—Twenty steerage passengers on board the White Star ship Canopic were stabbed by an Italian fellow passenger, who suddenly went mad and ran amuck while on the voyage from Boston. Five of the wounded men are in a serious condition.

NANAIMO MEN RECEIVE HONORS

Members of the Local Lodge I.O.O.F. Honored by Receiving Elective and Appointive Positions at Grand Lodge.

With the installation of new officers Friday afternoon at Victoria, the fortieth Grand Lodge of British Columbia, I. O. O. F., and the sixth Rebekah assembly, were brought to a close. These bodies and the grand encampment have been in session for the past three days, and in connection therewith have been held special celebrations of the fiftieth year of the establishment of the order in British Columbia, Victoria Lodge No. 1 having been instituted on March 10, 1864.

There were at the end of 1913, fifty-eight lodges in active work with a membership of over 7,000, and twenty five Rebekah lodges, with a membership of over 2,500.

Acting on a report as to the attitude of the subordinate lodges on the question, the grand lodge decided that the suggestion to give a discount on fees paid in advance could not be adopted. New Westminster is to be the place of meeting for 1915.

The officers of grand lodge installed by retiring Grand Master, Robert Dudley were: Grand master, Bro. Harry H. White, Cranbrook; deputy grand master, Bro. P. W. Dempster, Victoria; grand warden, Bro. W. H. Brown, Vancouver; grand secretary, Bro. Fred Davey, M.P.P., Victoria (for the thirty-first time); grand treasurer, Bro. J. H. Glass, Penticton; grand representative to Sovereign Grand Lodge (for two years), Bro. Wallace Law, Vancouver; grand chaplain, Bro. Rev. W. S. Crux, New Westminster; grand marshall, Bro. W. G. Barrie, Prince Rupert; grand conductor, Bro. W. H. Laird, Moyie; grand guardian, Bro. R. H. Neelands Grandview, Vancouver; grand herald Bro. I. R. Lawrence, New Westminster.

The following officers were installed by the retiring president, Mrs. A. E. Parker, Cranbrook, for the Rebekah assembly for the ensuing year: President, Mrs. Jennie Grant, Victoria; vice-president, Mrs. A. Butterfield, Vancouver; warden, Miss Eliza Gilchrist, Ladysmith; treasurer, Mrs. Kate Phelps Simpson, Victoria, Excelsior Lodge, Kamloops; secretary, Mrs. F. A. Walker, Victoria.

The Grand Encampment officers are: Grand patriarch, R. A. Anderson, Victoria; grand high priest, Bro. F. D. Lemieux, Rossland; grand senior warden, Bro. N. Jensen, Vancouver; grand scribe, Bro. Fred Davey, Victoria; grand treasurer, Bro. E.G. Cavalsky, Nanaimo; grand junior warden, Bro. C. S. Keith, New Westminster; Bro. A. Cleland, Vancouver, retiring grand patriarch, was elected grand representative to the Sovereign Grand Lodge for two years.

The grand patriarch appointed the following appointive officers: Grand marshall, Bro. G. H. Grant, Vancouver; grand inside sentinel, Bro. Harry White, Cranbrook; grand outside sentinel, Bro. W. Greave, Nanaimo.

The district deputy grand patriarchs named are: Bro. D. Dewar, Victoria; Bro. R. May, New Westminster; Bro. J. R. McKinnell, Nanaimo; Bro. D. F. Nunn, Vancouver; Bro. R. T. Evans, Rossland; Bro. J. F. McDougall, Phoenix; Bro. W. M. Harris, Cranbrook; Bro. R. H. Turbey, Chilliwack.

WILL CONSIDER NANAIMO CLAIMS

Local Wharves of C. P R. Must be Altered Before Reduction Can be Made In Freight Rate on Autos.

The Vancouver Auto club has just obtained from the C. P. R. assurances that a 25 per cent reduction in the cost of transporting autos by boat to Victoria and Seattle will go into effect on Monday next, June 15. A proposal made by the club for a reduction to and from Nanaimo is now under consideration.

Last February the matter was taken up with Mr. H. W. Brodie of the C.P.R. by Secretary R. Ford, of the club, who pointed out that if the carriage rates were brought down there was almost certain to be a great increase in the number of autos shipped to and from Seattle, Victoria and Nanaimo by Vancouver motorists visiting the Puget Sound and California via Seattle or Vancouver Island via Victoria or Nanaimo.

The matter of inducing the C.P.R. to make a reduction on the rate charged for transporting autos between Nanaimo and Vancouver, and of making alterations to the local wharves so as to allow of autos being taken aboard and taken off boats at any stage of the tide, was taken up by the Nanaimo Board of Trade at a meeting held in the month of May and a committee of which Mr. John W. Coburn was chairman, interviewed Mr. Brodie on the subject Nanaimo's request being promised every consideration. Yesterday the secretary of the Vancouver Auto Club was informed by Mr. Brodie of the concession made by the company with respect to rates on steamers between Vancouver and Seattle and Victoria for the shipment of autos. The 25 per cent reduction will also apply between Victoria and Seattle.

Arrangements have been made by the company to keep a check on the numbers carried by the autos shipped on its steamers and these numbers will be given to the auto club. secretary. That official will ascertain from the car owners how many passengers went on the boats with the machines and in this way the company will be enabled to gain an accurate idea of how much the passenger traffic is increased by the shipment of machines. It is possible that if results are satisfactory a further reduction in auto carriage rates will be made. At the present time it costs $10 each way to ship an auto to and from Victoria. The reduction already granted by the company will mean that motorists will in future only pay $7.50 each way.

The reason for the delay in making any announcement with regard to Nanaimo rates is because of the fact that changes in the dock here will probably be necessary if any considerable number of autos are carried to and from the city.

EMPRESS INQUIRY OPENS ON TUESDAY

Ottawa, June 13.—Lord Mersey, who will be the chairman of the enquiry into the Empress disaster, which opens in Quebec on Tuesday morning, arrived in Ottawa today from New York, and was met by Hon. J. D. Hazen, minister of Marine and fisheries, and Mr. Alexander Johnston, deputy minister of marine and fisheries. He had a conference with Mr. Hazen, Premier Borden and Chief Justice McLeod of New Brunswick, who is one of the members of the Enquiry Board. Tonight Premier Borden will give a dinner to Lord Mersey, who will leave for Montreal tomorrow.

Lord Mersey is accompanied by Prof. Wood and Commander Osborne two distinguished Britishers, who will act as assessors at the enquiry.

The regular meeting of the Nanaimo Hive Ladies of the Maccabees will be held Monday evening at 8 o'clock. At the close of the meeting a flower march will be held.

REGULAR TRIP TO GABRIOLA ISLAND

The Nanaimo Boat House (Jancowski Bros.) commence to-day with regular trips to Gabriola Island every Sunday during the summer months. Their fast launch will leave the boat house for Taylor Bay North Gabriola Island at 10 a.m. and 1:30 p.m., returning leaving Gabriola Island at 12:30 p.m., 7 p. m. and 8 p.m. On Thursdays and Saturdays the boat leaves Nanaimo at 1:30 p.m. returning leaving the island at 7 p.m.

Taylor Bay is the place where a Nanaimo syndicate has recently commenced operations on a fine pleasure park. There is fine bathing to be had on both sides of the Island, splendid walks cut through the woods, a fine baseball diamond constructed and other conveniences made for visitors. Quite a number of people are now camping on this pleasant spot.

ENGLISH TEAM WON AT POLO

American Champions Were Defeated in First Game of Series by a Score of Eight and a Half to Three.

Meadowbrook, June 13.—First period—The English defended the south goal. Larry Waterbury picked the ball out of the scrimmage, but Captain Tomkinson quickly took the ball and drove it for a goal. It was quick work; fifty seconds after the start. Cheape followed after goals had been changed by backing up Tomkinson and scored a second goal for the English team. It was apparent that the American team was being outridden and outstroked.

Total score at the end of the first period: England 2, America 0.

Second Period—La Montagne missed an easy goal at the outset. Monty Waterbury also missed. The English carried the ball the full length of the field, but Cheape missed by a narrow squeak. Milburn saved the situation by riding the English captain off. Waterbury then scored America's first goal.

Total score second period: England 1½, America 1. England lost half a goal on a foul by Cheape on Monty Waterbury.

There was a wait between the second and third periods because the English claimed a foul. Referee and umpire went into a discussion on the field.

Third period—The foul was allowed cutting America's score to ½. Monty Waterbury drove wild for the English posts. Tomkinson scored. Barret of the English team was penalized for fouling making the score: England 2½, America ½.

Total score end third period: England 2½, America½.

Fourth period—A quarter was deducted from the English score for a safety. Cheape soon added a point, however, by another goal. Monty Waterbury scored the second American goal. Again the English scored. This time Captain Lockett drove the ball over.

Total score end fourth period: England 4½, America 1½.

Fifth period—Milling up and down the field mostly near the American goal, marked more than half of the fifth period. Larry Waterbury broke his mallet. The English ponies outstripped the native mounts on nearly every sprint. In a jam at the posts the English scored another point. Tomkinson drove the sphere through.

Total score end of fifth period: England 5½, America 1½.

Sixth period—Lamontagne lifted the ball for seventy-five yards, but missed. Monty Waterbury carried the ball three-quarters the length of the field for a goal. Captain Cheape scored for the English just before the chukker.

Total score end of sixth period: England 5½, America 2.

Seventh period—Total score end of seventh period: England 6½, America 2.

Eighth period—Score at end of eighth period: England 8½, America 3.

His honor, the lieutenant-governor and Mrs. Patterson, will hold an "at home" next Wednesday afternoon at government house, in honor of the Pacific Coast Employing Printers congress, which convenes at Victoria on Monday. The reception and garden party will be from 4 to 6.

WAS BUSY DAY WITH MERCHANTS

Nanaimo Looked Like Old Times Yesterday on Occasion of Pay Day in the Local Mines.

A fine day, the weather being ideal in every respect, crowded streets and business houses filled with eager buyers of the many tempting bargains advertised by the local merchants—these were the characteristics of yesterday, pay day with the Western Fuel and the Pacific Coast Coal Companies, when many thousands of dollars were paid out to workers in the mines and top works of the companies. The pay day was the largest since May of last year, and shows the substantial progress that the Western Fuel Company has made.

Just as quickly as the company can find places they are putting men to work, and there is no disguising the fact that there are plenty of men offering for work, far more than the company can find room for yet.

Yesterday's crowds looked happy and contented, and the miners and their wives appeared to be enjoying to the full the holiday and respite from their usual labors. The busy scenes of the day make an excellent reply to the few paid agitators—the men who make their living off that kind of thing—and the malcontents who would have the town and everyone in it completely on the "hog" because everyone does not follow their dictations.

SUFFRAGE ACT UPHELD

Springfield, Ill., June 13.—The Illinois women suffrage act was declared constitutional by the state supreme court today.

The British steamship Canada Cape under charter to the Union Steamship Company, of New Zealand, will sail from Suva, Fiji, on June 18, sail from Suva, Fiji on June 18 with is expected on July 8 and will leave about July 13 for San Francisco to load for Sydney and Melbourne. She will return in the service via Suva in October, following the Wyandotte. which is due in September.

TWO WERE KILLED; TWENTY-THREE HURT

Los Angeles, June 13.—Two were killed and twenty-three injured in a wreck last night at Bagdad, Cal. when an eastbound Santa Fe Limited train ran into an open switch and crashed into a freight train on the siding. Seventeen of the injured and the bodies of B. M. Cram and Charles Beldin of San Francisco, the two men killed, were brought here aboard a special train which arrived at 9:50 a.m. The names of some of the injured, as taken at San Bernardino, are as follows:

C. E. Barrows, train conductor, injured internally; U. G. Orendorff, Canton, Ills., body bruised; Mrs. U. G. Orendorff, bruised about head; R. J. Kerr, Los Angeles, legs injured; Olivia Cunningham, Oakland, Cal., bruised; Mrs. G. Zinnow, Hamburg, Germany, injured about the head, seriously; Mrs. J. A. Himmsen, Yokohama, Japan, left arm broken; F. Stokes, dining car conductor, left leg crushed; A. Miller, Pullman conductor, slightly bruised.

Robert J. Kerr, who was hurt in the wreck, was an oil broker of London and New York. He was due in the latter city Wednesday next to confer with John Hays Hammond regarding negotiations involving some California oil properties.

U. G. Orendorff is a wealthy manufacturer and publisher of Canton, Ill. He is a member of the Parlin-Orrendorff company, of Canton. He also publishes the Canton (Ill.) Ledger. He and Mrs. Orendorff, also injured, were returning home from Pasadena.

Mr. James Haworth will leave Ladysmith on Tuesday for Cumberland, where he will have charge of the new picture theatre and also the one at Courtenay. The Ladysmith house with which Mr. Haworth has so long been associated, will continue under the same management.

Mrs. Charles Beadle, Commercial street, has returned home from visiting friends in the Terminal City.

Mrs. Robert Smith, of Vancouver, is visiting her mother, Mrs. A. R. Johnston, Newcastle Townsite.

SHIPPING BRISK DURING THE WEEK

Shipping has been very brisk during the latter part of the week at the local coal companies wharves.

The Western Fuel Company has the Thor in again for a full cargo for San Francisco, and in addition the Seward has also been in for a cargo. The Moonlight and Belle were in for bunkers, and the M. C. M. and Sadie were in with scows for the local coastal trade.

The Vancouver-Nanaimo Coal Co. has also had a busy week. The S.S. Defia was loaded with bunkers; the Bakraof, bunker and scow; Etta White, 3 scows; Northland, cargo; Mastqui, cargo; Eva Marie, bunkers; and S. S. Dronative, bunkers.

After a period of idleness due to the burning down of the tipples, the Pacific Coast Coal Mines Company has again resumed shipping at Boat Harbor. The Coutly was in for bunkers and cargo, and the Ellison with a scow. The C.P.R. scow and A. J. Luctsay are expected in today.

VANDALS AT WORK IN ITALY

Rioters Invaded Churches and Stole Pictures and Alms Boxes and Committed Many Depredations—Troops Ordered Out.

Rome, June 13.—Detachments of troops were ordered today to take control of the railroad station and tracks in Rome.

Bologna, Italy, June 13.—Republicans, Socialists, and Anarchists, who have in the past fought each other vehemently, joined in a riotous campaign against the authorities at Ravenna, it was learned today, until reinforcements of the troops drove the leaders of the revolutionary movement into the Republican, Socialist and Labor exchanges, where they are now besieged.

After a mass meeting messengers were dispatched to the surrounding country to announce the conclusion of the alliance, and to instruct the three parties adherents to gather and oppose the authorities.

Simultaneously a reign of vandalism was begun. The rioters invaded the church of St. Mary of Suffrage, destroying sacred objects and stole the pictures and alm boxes. They tore out the benches and pulpits and formed a barricade with them across the street, filling the open spaces with chairs, statues, candlesticks and crucifixes. Another mob invaded the Constitutional club, where the orgie of destruction was continued. The furniture was used to build another barricade, on top of which the national flag was burned.

Cavalry and infantry with fixed bayonets attacked the barricade in the face of volleys of stones and other missles while the rioters shouted: "Long live the revolution;" "Long live the social republic," and "Long live anarchy."

On Wednesday of last week at the home of the bride's parents, Mr. and Mrs. William Forrester, East Oyster, Mr. William Thomas Grey McClure, late of Innisfail, Alberta, was united in marriage to Jane C. Forrester, the ceremony being performed by Rev. Mr. Bates, of the Ladysmith Presbyterian church. The groom was supported by Mr. G. Barrett, and Miss Mary E. Forrester assisted the bride.

Mr. and Mrs. Angus McRae came in from the Lakes yesterday where they are camping, to spend the week end at home. They report having a pleasant time and enjoying the best of health.

CONSIGNEES SATURDAY

Westwood, W. E. Cockshott.

BUTTE UNDER MARTIAL LAW

2000 Members Miners Union Rebel Against Their Leaders Who Are Branded as Agitators—Union Hall Wrecked

Butte, Mont., June 13.—Butte, one of the strongest union mining camps on the American continent is tonight under martial law, saloons shuttered tight and hardware stores are closed to the sale of firearms, ammunition and all dangerous weapons. The day was marked by serious riots as the miners union, comprising 9000 men is divided against itself, 2000 of the members refusing to obey the order to join in the parade or recognize the authority of the union which is led by agitators. The leaders of the union were knocked off their horses and seriously injured and only rescued after much difficulty by the police from the fury of their followers. The parade was broken up, and the meeting at which speeches were to be made in connection of the 34th anniversary of the union in Butte, was forced to be abandoned. The rebellious members of the union who refused to any longer follow the lead of the agitators raided the Union Hall, broke up all the furniture and threw it into the street and also destroyed a ballot box containing 2000 ballots of a recent election which had not been counted.

Butte, Mont., June 13.—As a result of riots during the parade of miners on the Miners' Union day here today, Chief of Police Murphy has ordered all saloons closed until further orders and the sheriff has ordered all hardware stores in the city to hide all firearms.

Seven hundred men who refused to show their union cards yesterday and refused to work because of dissatisfaction with the affairs of the miners union, today failed to enter the line of march for the miners' parade. They walked beside the marchers and drove President Riley and other union officials to cover with showers of rocks. The men were rescued from the mob by the police. The mob then made an attack on the Miners' Union Hall, where they seized the records.

The trouble started over the heavy assessment levied against the men here for support of the strike in Michigan and other funds ordered raised by the Western Federation of Miners.

ALD. WILKINSON IS VISITING IN CITY

Nanaimo has a distinguished visitor these days in the person of Ald. J. Wilkinson, J'P., of Trevelyan House, Ashington, Northumberland, England who arrived in the city Friday on a visit to relatives in the district. Mr. Wilkinson at the present time is the guest of his nephew, Mr. Harry Wilkinson of Nanaimo River.

Ald. Wilkinson who will remain in this vicinity for a couple of weeks is a typical north countryman. In conversation with The Herald last evening he expressed himself well pleased with his trip to Canada and is struck with the wonderful prospects for the future of the country. He is interested in poultry farming and before his return home will visit the big plant of Skinner and Blenkhorne in West Nanaimo, and other poultry farms in the district.

The Cowichan Cricket Club yesterday defeated the University Incogs by 11 runs. The Cowichan eleven had really much more of the game than this close finish would indicate. They had such a lead that the skipper took off his best bowlers. The last two men of the Incogs appreciated the favor so much that they put on fifty runs and almost pulled the game out of the fire.

Alarming reports were spread about the city last night of serious disturbances at South Wellington between strikers and workers, all of which were without foundation. The only grounds for such reports being circulated was the presence in South Wellington of a number of mounted special police for the protection of the strikers who feared an attack by the workers in reprisal for the assault on the two women on Thursday last.

FOR OR AGAINST.

The British Columbia Federationist takes exception to a statement made by The Herald with reference to the use of the militia. The statement was that "the state's position is one of absolute neutrality" in the case of all disputes between capital and labor. The Federationist disagrees with this assertion because the state, with all its executive and administrative functions, is not in the hands of the working class. The contention is, of course, that the state at present only represents the capitalist class, and is naturally opposed and hostile to the workers. In other words it cannot in the very nature of things take up a neutral attitude. If The Federationist is right then we can never expect to see the state taking up a position of absolute neutrality. If the working class held the reins of power, then, according to this logic, the state would swing to the other extreme and it would still be biassed in its attitude. The Federationist has mistaken the whole point. It is the duty of the state, not to suppress strikes, but to see that both parties to the dispute observe the law and keep the peace. We were discussing the local situation, and the militia has never been used to suppress the striker or put down the strikers. The militia forces were brought in to restore law and order, and have been kept in for the same purpose. There is nobody will deny that the militia were needed here last August, and that their presence has been necessary ever since. It was a good thing for the strikers themselves that the militia were called in and it would have saved much seri- [illegible] coming had nothing to do with the strike, nor have they ever been used to interfere with the conduct of the strike. The point is that a striker is as much bound to observe the law as any other man, and is as much entitled to the protection of the law as any other man. In all circumstances law and order must be maintained. This is the basic principle on which society is builded. It is as much to the interest of the working class as any other class that this should be so. The trouble is that their leaders and such labor publications as the Federationist, either from a confusion of issues, or in order to stir up disorder, are telling the workers exactly the reverse. During the last week a riot at South Wellington was only prevented by the provincial police, the same authority which during the strike on the island has been subjected to so much unfair criticism and unwarranted abuse by the men s leaders. The home of a working miner was burned down in Nanaimo the following night, and only a week before there were several cases of incendiarism in South Wellington. Outrages of this description have neither part nor place in a strike. It is the first duty of the state to prevent them by every means in its power. The victims in every case have been men who have exercised their common right to work. And the chief point to consider at present is that the victims of these outrages are in the majority. No body of men will quietly submit to such intimidation as this indefinitely, without retaliation. Whatever may be the merits of the dispute on the island, the state cannot suffer it to be settled by incendiarism or riot. It is to the credit of the men now working that they have suffered all these outrages without retaliation in kind. It is to nobody's credit that arson, ambush and assault should have been introduced into the struggle. The cause which resorts to outrage is lost, and is sure to meet with retribution. The state is not taking sides in suppressing disorder, and on the local situation as it existed last August and as it still exists, any individual or party who denounces the employment of militia writes himself or itself down as in favor of lawlessness and outrage. He who does not denounce such tactics supports them.

Dr. Walkem has been contributing to the Province a series of articles on early pioneers of the British Columbia goldfields. Mr. John Bryant, the well known resident of Nanaimo, has formed the subject of several of these articles. Mr. Bryant tried his luck in the goldfields of the province for over 33 years, and Dr. Walken finished his adventurous history in last night's issue. With the concluding article appeared an excellent half-tone picture of Johnny as we see him on the streets here every day.

The Mexican mediators have disposed of Huerta. On paper at least they have deposed him. Now they are looking round for his successor, who is not even to be named by Huerta. The man wanted must be acceptable to all parties, and hold out the guarantee of the pacification of the whole of Mexico. He must at least be acceptable to Villa, for if he is not there can be no guarantee of a pacified Mexico. So far the settlement at Niagara Falls is merely a settlement on paper.

It seems to be a common impression outside that Nanaimo is a Socialist stronghold. The Federationist shares in this mistake. It is true that Nanaimo is represented by a Socialist member in the Provincial House. It is also true that Mr. J. W. Place was only elected because the fight was a three-cornered one. He was not sent to parliament by a majority of the votes of Nanaimo. He represents a pronounced minority. Again in January at the civic elections it was demonstrated that the Socialists in Nanaimo are in a mincrity. The party ran a full ticket for the City Council, and yet, with everything to help them, did not elect a single candidate. If it comes to a straight vote Nanaimo will be found on the same side politically as the other cities in the province.

SUFFRAGETTES MAY FORCE QUEEN AWAY

London, June 13.—Queen Mary has decided in case of further suffragette demonstrations in the vicinity of royalty to quit London abruptly and leave King George to finish the season alone, according to a source in close touch with the court and the government.

The queen is represented as being in a state of nervous tension as to when and where the next suffragette demonstration will appear. She, it is said, has no intention of allowing her existence to be made unhappy by those she habitually calls furies.

Should the queen be forced to carry her threat into execution, the step will create an unparalleled social sensation.

The National Union of Women's Suffrage societies, representing 304 societies in the United Kingdom, and the Conservative and Unionist Women's Franchise association, representing 75 branches, have issued a joint manifesto protesting against militancy in the effort of women to obtain the ballot.

Undaunted by the anger they have aroused among the populace or by the attention they are receiving at the hands of the police who to-day raided their latest refuge in Kensington, the militant suffragettes continue their campaign of annoyance. Tonight an organized raid was made by them on nearly a dozen theatres in the West End of London.

Despatches from Ottawa to The Herald last night stated that owing to the early adjournment of the House, Premier Borden would probably be able to make his western tour in August.

A Greenwood man recently found a rich mineral lead in his potato patch. He covered it up for fear that a boom might be started in the town.

The Northern British Columbia Agricultural and Industrial Association is making great preparations for this year's exhibition which will be held at Prince Rupert on Sept. 30, Oct. 1st and 2nd.

LIFE THREATENED BY KIDNEY DISEASE

His Health In A Terrible State Until He Took "Fruit-a-tives"

B. A. KELLY, Esq.

HAGERSVILLE, ONT., Aug. 26th, 1913.

"About two years ago, I found my health in a very bad state. My kidneys were not doing their work, and I was all run down in condition. I felt the need of some good remedy, and having seen "Fruit-a-tives" advertised, I decided to try them. Their effect I found more than satisfactory. Their action was mild and the result all that could be expected.

"My kidneys resumed their normal action after I had taken upwards of a dozen boxes and I regained my old-time vitality. Today, I am as well as ever, the best health I have ever had".

B. A. KELLY

"Fruit-a-tives" is the greatest Kidney remedy in the world. It acts on the bowels and the skin as well as the Kidneys and thereby soothes and cures any Kidney soreness.

"Fruit-a-tives" is sold by all dealers at 50c a box, 6 for $2.50, trial size 25c, or will be sent on receipt of price by Fruit-a-tives Limited, Ottawa.

Friday—Junior League at 4 p. m., Choir practice, 8 p. m.

Everyone cordially welcome.

NANAIMO LOST BY SMALL MARGIN

The local cricket club lost its game with Victoria yesterday afternoon by one run, the scores being 133 to 132. As an actual fact the tie run was hit but the batsman did not run thinking he might get the winning hit. The match was lost in the field in the first place, and secondly by a dry rot in the batting. At the tea interval Nanaimo wanted 24 with 5 wickets to fall, and it looked all over Nanaimo's game. However, the last home bats failed to come off, and Victoria just managed to pull the game out of the fire.

Victoria won the toss, and elected to bat, sending in Cane and W. York to the bowling of Leighton and Newbury. York was bowled by Leighton and Cane was given a life off the same bowler owing to Newbury fall ing in making for the catch. Gillespie got his leg in front of a straight ball from Leighton after making 19 and Cane was clean bowled by Hindmarch after getting 21. Tom York was also scoring quickly when he was beaten by Hindmarch for 26. Hebden after being given three lives was bowled by Leighton, and Goward was the only other man to get into double figures. With 107 on the board for 5 wickets the whole side was dismissed for 133.

For the home side Leighton took six wickets for 47 and Hindmarch 3 for 28.

Practically the same thing happened with the home batting side. Paul batted well for 19 and Newbury played his best game this season, making 36 runs before the wicket-keeper sneaked him off a fast bouncing ball from Goward. Foote also was in great shape and hit up in 37 in fine, free style. In one over he got 4 fours in succession from T. Yorke. F. Jepson, after making 22 runs was clean bowled by Horton with only 2 runs needed to win the game.

Horton was the most successful bowler for the visitors, taking six wickets for 16 runs.

The full scores are as follows:

VICTORIA.

M. Cane b Hindmarch	21
J. W. D. York b Leighton	6
H. Gillespie l. b. w. Leighton	19
R. Hebden b Leighton	33
H. A. Goward b Hindmarch	13

The "Booze" Has Him-He Can't Quit!

"He" is, perhaps, a business man, or a wage earner, with family dependent upon him believing in him. The world is unsympathetic. It judges by experience. It knows him for an habitual drunkard and it brands him as beyond hope—doomed. But that man CAN quit—

Yes, He CAN Quit-

And in THREE Days Too!

Alcoholism is NOT a dise ase. The Gatlin diagnosis has led to a system that cures and cures permanently. No drugs, no hypodermic injections—just rest, excellent food, privacy and herbal medicines FOR ONLY THREE DAYS. Then, if the cure is not complete, is not satisfactory to patient and those interested in him, every cent paid is refunded without question or comment.

This is NOT a Gold Cure—It is The Only Real, Permanent Cure for Alcoholism. Don't Wait—Write or Call Now, Today!

ELLISON'S Palace of Sweets

Dear Mr. Martin,—Headaches no more; seeing perfectly. It seems unnecessary to say anything more. But to a person who has been told that nothing could be done to relieve my troubles unless one eye was removed, and having been treated by four specialists for seven years without any apparent benefit, I am truly grateful to you for the glasses that have made a new woman of me. You may refer any one to me.

Yours very truly,
Mrs. ****
Nanaimo, June 13th.

This was a case similar to the one shown in above cut, only the eye turned up instead of out. Operations are not always necessary to straighten cross eyes as these two cases show.

Genoa Bay, B.C., March 17, 1913.

Dear Sir,—Kindly replace broken lense and send bill as soon as possible. I have very little trouble with my eyes since I got my glasses until I broke them. They have been very satisfactory.

Yours truly,
D. J. B.

Nanoose Bay, B.C., March 31, 1914
Dr. Frank D. Martin,
Nanaimo, B. C.

Dear Sir,—
**** I must also inform you my eyes are in fine form. It seems so nice to be able to look out and see everything, and I feel grateful to you to the bottom of my heart.

Wishing you every success,
Believe me sincerely,
Mrs. ****

These are copies of letters I have in my office and are used with permission. Why not have your work done where work has been proven, where you can call again for changes, where you can get a broken lens replaced without having your eyes retested and where substitutes will not be allowed.

VOLUME XIV | NANAIMO, VANCOUVER ISLAND, BRITISH COLUMBIA, TUESDAY MORNING, JUNE 16, 1914 | NUMBER 86

BUSY SESSION OF THE COUNCIL

Street Paving Contracts Occupied Considerable Attention at Last Night's Meeting of the Civic Fathers.

The City Council met in regular session last evening, present Ald. Bushy, Crossan, Gyvelaka, Forrester, Killeen, Young, Ferguson, McKinnell and McKenzie; His Worship, Mayor Planta presiding.

A communication was received from Dr. Drysdale, City Health Officer, stating as follows:

Gentlemen,—A meeting of the Medical Health Officers of British Columbia is to be held in Vancouver on Wednesday and Thursday of this coming week viz, June 17 and 18.

I will endeavor to go and give my time without charge, provided the Council can see its way to pay my transportation and other necessary expenses while there.

I remain, gentlemen,
Your humble servant,
W. F. DRYSDALE,
Medical Health Officer.

On motion of Ald. McKinnell, the communication was referred to the Finance Committee with power to act.

The appended telegram received by Mayor Planta was read to the Council, dealing with the question of street paving contracts, held by the Canadian Mineral Rubber Company, which is now in liquidation:

The Mayor, City of Nanaimo,

Re Canadian Mineral Rubber Co., in liquidation Nanaimo contract understand city is soon ready proceed with work and that Council has already passed resolution agreeing to a particular assignment of contract because of representations made to Council that liquidator is favorable to such special assignment liquidator has personally denied this acting on behalf of largest creditors I would respectively urge Council to pass like resolution agreeing to similar assignment of contract to Sir William McKenzie or his nominee or to rescind resolution already passed and put all parties on equal footing by passing resolution agreeing to assignment of contract to any party acceptable both to city and liquidator.

LEWIS LUKES,
Assistant to President Canadian Northern Railway.

In connection with the same subject the appended communication was received from Messrs. Bodwell and Dawson, solicitors for the liquidators:

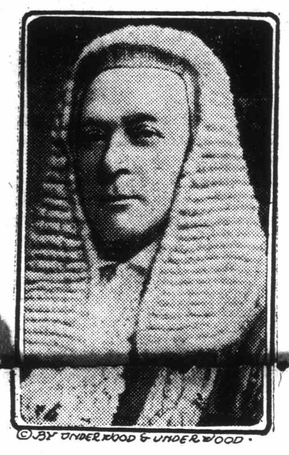
Sirs,—We have been instructed by Mr. Lukes, the representative of the liquidator of the Canadian Mineral Rubber Company, Limited, to write you with reference to the contract between that Company and the City of Nanaimo.

It is very much to Mr. Luke's regret that the liquidator has not decided to proceed himself with the carrying out of the paving contract, but it may be that the carrying on of business operations subject to the order and under the supervision of a court, would render operations difficult and cumbersome and might tend to put the city to needless inconience and possibly irritating delay.

It is for this reason, therefore, that a suggestion for the assignment of the contract has been made; the consent of the court in Ontario will, of course, be necessary to this arrangement, but we feel that that consent would be readily given if the court could be assured that the person or company to whom the contract was to be assigned, was a thoroughly responsible party, and acceptable to the City of Nanaimo.

We understand from Mr. Lukes that you have already passed a resolution authorizing the assignment of the contract but limiting the choice of the liquidator as to the assignee, we fear that a limitation of the liquidator's choice in this manner will seriously militate against our prospects of success in obtaining the authority of the court, inasmuch as by thus limiting the liquidator's choice the assignee would have something in the natdre of a monopoly and might drive a hard bargain with the liquidator of the city.

It is, of course, completely within the powers of yourself and the Council, to rescind any resolution that you choose and pass any fresh one that may commend itself to you in relation to the same matter, and we would venture to suggest that it might be better to give the liquidator a perfectly free hand in the matter of the assignment of the contract subject, of course, to an absolute veto on the part of the Council and yourself upon any verson or corporation with whom you do not wish to be brought in contact.



You will notice that under paragraph 12 of the contract if the work is not given to the contractor before June 1st, 1913, the corporation would have to pay extra for any increases that may have taken place in the prices of labor and material between the date of the contract and the completion of the work; it might be that if the liquidator were to perform the work, the court might order him to enforce this provision; we understand, however, from Mr. Lukes that the city is prepared to make a further payment of 10 cents per square yard as an indemnity to the contractor for protecting the city against any possible groundless claims for infringement of patents, and doubtless this action on the part of the city would have the double advantage of facilitating an assignment and so preventing any question arising as to the extra prices to be paid.

We venture to enclose a draft resolution which we hope will commend itself to you and the Council.

Yours truly,
BODWELL & LAWSON.

After a lengthy discussion on the

LORD MERSEY
who is chairman of the Commission which opens an enquiry at Montreal today into the wreck of the Empress of Ireland.

CIVIL SERVICE EXAMINATIONS

Ernest B. Booth and John T. Storey of Local Post Office Staff Successful in Recent Examinations.

Two clerks of the Nanaimo post office staff, viz, E. B. Booth and J. Storey are receiving the congratulations of their friends these days on their success in passing the civil service examinations which were conducted here by Mr. Rigby, several weeks ago.

The despatch from Ottawa in reference to the results is as follows:

Ottawa, June 15.—The results of the qualifying examinations for the outside division of the civil service here on May 13 and 14 and at points in Western Canada have been announced as follows:

At Prince Rupert—E. A. Price.

At Nanaimo—Ernest B. Booth and J. T. Storey.

At Victoria—Chas. Conyers, E. Creig, J. E. Kenney, T. Knight, and G. Sheret.

At Vancouver—H. D. Donkersley, L. S. Donkersley, A. G. Fadden, J. Greer, J. D. Herbert, Lillian Manson, Russell Miller, W. Sway, W. H. Vreeswyck, Mary Ward, G. W. Winslow,

At Nelson—Everett G. McNeilly.

PARIS SWEPT BY TERRIFIC STORM

Paris, June 15.—One of the worst thunderstorms in the history of Paris struck the city tonight and raged for three hours causing loss of life and heavy damage to property. Streets caved in and a number of pedestrians were buried under the debris. The number of victims is not known but 7 bodies have so far been recovered and it is feared that many others are still buried beneath tons of rock and earth.

HIGH HONOR FOR MR. T. GRAHAM

Former Nanaimoite is Elected Third Vice President of the Mine Inspector's Institute of the United States.

A conspicicuous honor has just been bestowed upon British Columbia says Sunday's Colonist, by the selection, for the first time in the history of the organization, of a representative of this province for a post upon the directorate of the Mine Inspectors' Institute of the United States of America. Mr. Thos. Graham, Chief Inspector of Mines, was appointed to the position of third vice-president at the convention which has just closed at Pittsburg.

Word to this effect reached Mr. R. F. Tolmie, Deputy Minister of Mines yesterday. Mr. Tolmie, though greatly elated that British Columbia should have received this high recognition, said that he had anticipated, for some time, that the great ability of Mr. Graham would win for him this well-deserved honor.

The complete list of officers elected at the convention were: President, J. Dunlop, Illinois; first vice-president. J. B. McDermott, Montana; second vice-president, George E. Sylvester, Tennessee; third vice-president, Thos Graham, Victoria, B. C.; secretary. James W. Paull, Pennsylvania; treasurer, Joseph Knapper, Pennsylvania; editor in chief, James T. Beard, New York.

It is interesting to note in this connection that Mr Graham attended the fourth annual convention held in June, 1912, and on that occasion was made a member of the executive board of the institute. At the close of the convention Mr. J. A. Holmes Chief Director of the Bureau of Mines of Washington, D.C., wrote Mr. Tolmie speaking very highly of Mr. Graham:

"I had the pleasure of meeting the Chief Inspector of Mines for British Columbia at the annual meeting of the inspectors' Institure at Columbus Ohio, where he handed me your note of 3th ult. Mr. Graham was given a hearty welcome by the Inspectors present; and if he profited as much from the suggestions made there as the other Inspectors did from the suggestions which he made, I think the Department of Mines of British Columbia should be pleased at the result of his visit."

Mr Graham has had wide experience in mining in the Old Country, Montana, Alberta and British Columbia. For a number of years he was superintendent of No. 1 Mine (Western Fuel Company) Nanaimo. Mr. Graham assumed the duties of Chief Inspector of Mines on January 1, 1912, and since that time has re-organized the mine inspection staff, centralizing the location of inspectors on Vancouver Island at Nanaimo, and in the East Kootenay at Fernie, thus reducing the travelling expenses of the force and generally making the service more efficient.

INVESTIGATING THE COLORADO STRIKE

Trinidad, Colo., June 15.—The Las Animas County grand jury reported today for instructions. The grand jury, the second to be called in six months, will begin an investigation into the various disorders which have occurred in the Southern Colorado strike zone, including the battle and fire at Ludlow on April 20, the battle and fire at Forbes on April 28, and the destruction of coal camps in the Aguilar district the week intervening between the Ludlow battle and trouble at Forbes.

TRIBESMEN WERE BEATEN

Oujda, Morocco, June 15.—General Baumgarten, with a column of French troops, while marching to join General Gouraurd, was attacked from the rear yesterday bya large force of tribesmen concealed in ravines. After a desperate hand-to-hand battle, the tribesmen were repulsed with severe losses. The French forces lost five men killed and seventeen wounded.

NO BAIL FOR HARRY THAW.

Washington, June 15.— Harry K. Thaw was today denied release on bail pending consideration by the Supreme Court of his extradiction from New Hampshire to New York.

NANAIMO BOY HAS MADE GOOD

As announced in the Herald a week ago, Mr Robt. W. Booth has returned to his home in Nanaimo, and is entering into the piano tuning business. Mr. Booth is a native son of Nanaimo, and when a boy of eleven suffered an unfortunate accident which completely destroyed his sight.

As soon as he was old enough to leave home, he was sent to a school for the blind at Berkley. There he has been for the last five years, and was taught the full commercial caurse. He decided to take up piano tuning, and has been specially taught in this work. Before leaving Oakland he was employed in the salesroom of Messrs. Kohler & Chase who testify that he has done very creditable work. "Any one desiring the services of a conscientious tuner" says the firm, "will make no mistake in employing Mr. Booth."

Mr. Booth is now open for engagements, and backed by such a sterling recommendation should find plenty of work. Any orders may be left him by telephoning to 8-7.

SITTING OF LOCAL COURT OF REVISION

Appeals against the assessments on city property were heard yesterday at the Court of Revision, consisting of Mayor Planta presiding, with Aldermen Young, Crossan, Forrester and Killeen.

Appeals were sustained in the following instances, viz Frank Hazelhurst, Herbert Charman, Thos. D. Jones, James Brodie, Thomas Baird, John McLeod, and Marie Harold. Assessment was sustained in the following appeals: G. M. Boyer, W. McGarrigle, Mrs. Penny, A. H. Russell, Mrs. S. Clark, A. Coombe, D. Owens, Thomas Hodgson, Bing Kee, Mrs. S. Dixon, H. Diendoff, Athletic Club (per R. Naylor), E. A. Hoskins and C. Reifel.

The court adjourned until Monday, June 22, at 7:30 p.m.

FUNERAL OF LATE JOHANNA VAHLE

The funeral of the late Mrs. Johanna Vahle took place on Sunday afternoon from the residence of Mrs. H. Stolzenberg, 128 Fry street, and was largely attended by friends and sympathisers of deceased's relatives. The deceased was in her 84th year at the time of her death. She leaves to mourn her loss, two sons, Henry of Kentucky, and William, of Bloomington, U.S.A., two daughters, Mrs. H. Stolzenberg of this city, and Mrs. A Schwartz, of Seattle, also a number of relatives and grand children.

The floral tributes will show the high esteem in which the deceased lady was held in this community:

Pillow, family; Wreaths, Mr. and Mrs. W. Stolzenberg, Mr. and Mrs. J. Woobank, Pythian Sisters Silver Leaf Temple No. 1, Mrs. E. Patterson, Seattle; Miss E. Stolzenberg, Seattle; Crosses, Mr. and Mrs. Allen, Seattle; Miss G. Geary, Seattle; Mr. and Mrs. Juriet, Vancouver; Sprays Miss M. Moore, Seattle; Miss A. Rogavish, Seattle; Mrs. H. Medill; Mrs. J. Aitken, Mr. and Mrs. A. Wardill; Mr. and Mrs. A. Hazenfratz; Mr. and Mrs. A. Dilworth; Mrs. McCane, Mrs. Emerick; Mr and Mrs. G. Mahle; Boquets, Mr. and Mrs. Wells; Mr. and Mrs. J. Marwick; Master Chester Wardill; Master Wallace Wardill.

Toronto, June 15.—The Polson Iron Works was damaged to the extent of $20,000 today in two fires. The first occured early in the morning, and gutted the blacksmith shop. The second, which broke out some hours later, was caused by a short circuit in the electric wiring, due to the damage done in the first outbreak.

OWED DOWNFALL TO DRINK GAMBLING AND MOTORCARS.

London, June 15.—Drink, gambling and motorcars were responsible for the appearance of a Canadian Pacific railway accountant at the Bristol police court yesterday on a charge of embezzling $10,000. The accused, whose name is F. Boulter, admitted the charges and attributed his downfall to liquor, betting and the hiring of motorcars. A remand was ordered.

UNION OFFICIALS STILL HIDING

Leaders of the Butte Miners Union Have Not Appeared Since They Fled From Parade on Saturday.

Butte, Mont., June 15.—With Governor Stewart in the city conducting an investigation of the lawlessness of the last two days, and all local authorities making an effort to bring calm among the ranks of Butte's 9,000 miners, the city was quiet this morning.

Men were at work at all the mines today. In the Speculator, the North Butte company's property, one of the largest mines in the city, 90 per cent of the day shift is reported at work. In the Black Rock, the Butte & Superior mine, nearly all the shift went down. It was at these properties that the trouble was precipitated last Friday. No officials of the Western Federation of Miners local union were present to protest against the men who failed to show their union cards. Officials of the Western Federation local have not appeared since they fled when the parade was broken up on the miners Union Day.

It is expected that no protest will be made for the present, thus avoiding further trouble, and keeping the mines in operation until some understanding can be reached. In the meantime the seceders from the union, who have been influenced by I.W.W. are planning to get a large vote on Wednesday, when the miners will cast their ballots on this question: "Shall we refuse to show federation cards at all the mines?"

A committee of the seceders today again called on the chief of police urging him to get on the track of the miner to whom was entrusted $1,200, the contents of the miners' union safe, which was blown open by the seceders on Saturday night.

The order closing all saloons is still in force.

Governor Stewart today reiterated his denial that he had ordered the state militia to hold itself in readiness for a call to Butte. The governor stated he had come here to learn the situation at first hand, and to give advice wherever necessary to citizens and authorities.

IMPORTATION ILLEGAL.

Dublin, Ireland, June 15.— By a majority of two to one the judges of the King's Bench Court decided today that the government's proclamation prohibiting the importation of arms into Ireland was valid. The judgment reverses the decision of the Assize Court at Belfast, which on March 25 declared the proclamation invalid because the Act of Union provided that all subjects should have the same trade privileges.

STRIKERS AWED BY PRESENCE OF TROOPS

Bologna, Italy, June 15.—Rioters set fire today to the cathedral, the Church of Peace and the Church of the Holy Cross in Senigalda, on the Adriatic, after sprinkling the doors with petroleum.

Cavalry arrived in time to prevent the destruction of the cathedral, but the interiors of the other churches were destroyed and only the walls remain standing of the Church of the Holy Cross.

A detachment of 200 sharpshooters arrived on board the torpedo boat at Senigalda today to assist in preserving order.

Ancona, Italy June 15.—In this city where the stern repression of disorders brought about the declaration of a general strike through Italy, work was resumed today, but detachments of soldiers and sailors still patrolled the streets and occupied strategic positions.

MUSICAL CLUB WILL GIVE GARDEN PARTY

The Nanaimo Musical Club is arranging to give a garden party on Tuesday, June 23, in the grounds of the Powers residence, Newcastle Townsite. The charge of admission will be 10 cts, and refreshments in the shape of tea and coffee, cakes and sandwiches, candies, ice cream, and strawberries will be provided. Mr. F. W. Dyke is expected over and a musical programme is to be arranged, particulars of which will be given later.

Capt. Thomas Anderson

CAPT. ANDERSON
of the Norwegian S.S. Storstad. He declines to shoulder any of the responsibility for the sinking of the Empress of Ireland.

30,000 WANTED FOR SEWERAGE

Ratepayers of Nanaimo Will Vote on Money Bylaw on Thursday July 2nd in Old Court House.

On Thursday, July 2nd, the ratepayers of Nanaimo will vote on a proposal to borrow the sum of $30,000 for the purpose of extending the sewerage system of the city.

A bylaw dealing with the matter was given its third reading at last night's meeting of the City Council and July 2nd set as the date on which the vote of the ratepayers is to be taken on the proposal.

The object for which the money is required is set forth in the preamble of the bylaw as follows:

Corporation of the City of Nanaimo.

By-law No. 214.

A bylaw to authorize the borrowing the sum of $30,000 upon the security of the Sewer rentals, with the guarantee of the city of Nanaimo.

Whereas the city of Nanaimo has constructed a system of sewerage which embraces the principal portion of the business and residential sections of the city, and

Whereas it is expedient in order to conserve the public health of the city to extend the said sewerage system to other sections of the city that are not yet provided for, and

Whereas certain sewer rentals are imposed for the use of sewers by the Sewer Connection and Rental Bylaw 1910 and such rentals are enforceable under the provisions of said bylaw, and under the provisions of the Municipal Act, and

Whereas it is intended to borrow upon the security of the said sewer rentals the sum of $30,000.00 to be expended in the extension of the said sewerage system, and

Whereas the amount of sewer rentals chargeable for the year 1914 is estimated at the sum of $3,000.00, and there is no money charged upon said rentals, and

Whereas the moneys intended to be borrowed pursuant to this bylaw will be primarily charged and secured upon the rentals assessed and levied and to be collected under the authority of the said Sewers Connection and Rental Bylaw, 1910, and

Whereas the amount to be collected annually from the said sewer rentals to pay the interest upon the said sum of $30,000.00 is $1350.00, and the amount required to be set aside annually to bear interest at 3 per cent per annum to repay the said sum of $30,000.00 in thirty years is estimated at $630.59, and it is estimated that there will not be any deficiency, and

Whereas the whole rateable property of the corporation of the city of Nanaimo, according to the revised assessment roll for the year 1913 is $4,907,555.00 and the total existing debt is $599,500.00 exclusive of works of local improvements and for school purposes, and

Whereas it is proposed to borrow the said sum of $30,000.00 upon the debentures and hereinafter appearing, and

This sewerage bylaw may not be altered or repealed except with consent of the Lieutenant Governor-in Council and

Mrs. J. W. Jemsen, Mrs. Joseph Cartwright, and Mrs. R. Hindmarch returned last night from a visit to Vancouver.

WRECK ENQUIRY OPENS TODAY

Lord Mersey Will Open Enquiry Today Into Wreck of Ill Fated Steamship Empress of Ireland.

Ottawa, June 15.—Lord Mersey and the other members of the Empress of Ireland investigating commission had a preliminary meeting in Ottawa yesterday in reference to the conduct and proceedings of the inquiry which opens at Quebec tomorrow. Hon. J. D. Hazen, minister of marine, and several officials of his department were in conference with the commissioners and the information gathered by Captain Lindsay immediately after the disaster was placed at their disposal.

The investigation will deal not only with the cause of the collision and the loss of life, but also with the safety of St. Lawrence navigation in so far as it may be possible to prevent wrecks in future and to insure the safety of passengers and crews. The commission has decided that the investigation shall be comprehensive. The evidence will be taken in public.

Captain Kendall, of the Empress of Ireland, and Captain Anderson, of the Storstad, will be among the first witnesses called.

Lord Mersey and his fellow-commissioners, Sir Adolphe Ruthier and Chief Justice McLeod, of New Brunswick, together with the British officials called to the inquiry, were the guests of Premier Borden and the members of the cabinet at dinner in the Rideau club last night.

It is hoped to finish the inquiry by August 1. Lord Mersey is, however, making no prediction that the inquiry will be finished by that time. The Titanic inquiry, of which he was president, was prolonged far beyond the time expected, and Lord Mersey thinks that there may be a repetition in this case.

This is the first time that Lord Mersey has been on this side of the Atlantic. Accompanying him are two marine assessors, Commanders S. Cadbourne and Prof. E. Welch.

So far the Norwegian government has not named a representative to sit with Lord Mersey and the Canadian representatives on the board of inquiry.

Montreal, June 15.— His Royal Highness the Duke of Connaught has subscribed $500 to the Empress of Ireland relief fund through the board of trade at Quebec.

London, June 15.— Empress of Ireland relief fund now exceeds £35,000.

ST. ANDREW'S GUILD TO HOLD LAWN SOCIAL

A pleasing and seasonable function is being arranged under the auspices of this Young People's Society, for Thursday evening next, 18th inst. when it is hoped the weather and other elements will be in every way favorable for a lawn social. The event will be held on the lawn fronting the Presbyterian Manse, which incidentaliy will be suitably decorated and laid out for the occasion. Light refreshments, including ice cream, will be on sale at very moderate rates, and ample facilities will be provided in way of entertainment and spending a pleasant social evening. A first-class musical programme will be a feature of the event, in which noted local artists have kindly consented to assist. The capabilities and quality of the programme needs little further commendation, than names of Mrs. (Dr.) Drysdale, Mrs. Greenshields, Mr. L. Williams, Mr. D. Hyslop, Mr. William Fulton (reader). The proceedings open at 6 p. m. and a trivial fee of 10 cents is asked for admission to the grounds, so that it is hoped there will be a large throng present to partake of, and join in the festivities. The arrangements are in charge of the Bazaar committee, who look to their enterprise being ably supported by all who can possibly attend. The programme will be worth while, and an evening outing of the kind very suitable with weather continuing as at present.

TEDDY HAS GRANDSON

New York, June 15.—Theodore Roosevelt III, Col. Roosevelt's first grandson to bear the family name, was born here today at the home of his parents, Mr. and Mrs. Theodore Roosevelt Jr., eldest son of the former president, who married Miss Eleanor B. Alexander, June 2, 1910.

J. S. H. MATSON.

A SUGGESTION

The incendiarism of the last few weeks has aroused a good deal of public feeling. The Herald has listened to quite a few suggestions on the subject, and has thought it wise to withhold several letters from publication. It would be a mistake to make a bad situation worse. It is hardly to be expected that such outrages will be allowed to continue without vigorous reprisals, and the sensible thing to do is to prevent any further lawlessness. The point is to decide how this can be best done. There is something too despicable for words in the burning down of property. The public is at one in its fierce condemnation of such cowardly tactics, and why should not the public of Nanaimo put itself on record as condemning the incendiarism of the last few weeks. Such a suggestion has been made to us, and it seems an eminently sensible one. A public meeting should be held and a resolution adopted setting out clearly and pointedly the feeling and attitude of the community towards such criminal acts as the burning of property. Only by some such course as this can Nanaimo citizens set themselves right with the outside public, and bring home to the parties guilty of arson just how they and their deeds are regarded by all right thinking people.

There would have been no necessity for even suggesting such a course had the leaders of the strike and heads of the local branch of the United Mine Workers of America played their part and lived up to the traditions of reputable trade unionism. As things have been, however, these outrages might almost have hatched at headquarters for all the action that has been taken there. It has been the same all through the strike. The rowdy demonstrations in Nanaimo which preceded and led up to the disorders of August were really the work of headquarters. The men were hounded on to take part in these assemblies under the guise of picketing. When the disorders did break out what was the attitude of headquarters? The president himself sent out a report of the rioting which was a crying travesty of the truth. Never a word of condemnation was heard, and the result was that Judge Howay declared the organization to be responsible for the lawlessness. Judge Morrison also found that the men had been led away by the machinations of leaders whom they could not withstand. Since that time there have been assaults, incendiarism, and a murderous ambush at Chase River. And still there is official silence so far as the organization is concerned. Very few people know how narrowly a riot was averted at South Wellington the other night and nobody knows where the riot would have ended. To quote the new Labor Daniel if they are not against such deeds they are with them. Silence gives consent.

This being the case the public can with advantage take a stand of its own in the manner suggested above. If anything will check the recurrence of these outrages it is a strong and unequivocal expression of public opinion. And the meeting could go even further than this. It is impossible for the police to prevent the perpetration of such crimes as these, and only by a fluke are they ever likely to get at the bottom ofthem. The police could do much better if they had the cooperation of the public. This is something which the suggested meeting could take up. As things are no one can say his property is secure. With organization and cooperation with the police quite a lot could be done in this direction. We make these suggestions for what they are worth. It is not necessary to work them out in full at this stage, but we believe that if taken up they can be made to serve as an effective check to further lawlessness.

The election of Mr. Thomas Graham, Chief Inspector of Mines of the Province, to the position of third Vice-President of the Mine Inspectors' Institute of the United States is a decided recognition of an able and exceedingly valuable public servant. It is all the more pleasing because in connection with his section we are able to direct attention to the manner in which his work as Inspector is appreciated outside the Province. The testimony to the efficiency of the work of mine protection in this Province, given in the extracts printed in connection with the statement of his election, reflects credit not only upon Mr. Graham, but also upon the great and beneficial work being carried on by the Mines Department.

The above note is taken from Sunday's Colonist and the sentiments it expresses will be shared by all those who in Nanaimo know Mr Graham. The Mines Department secured a very able and a very conscientious servant in Mr. Graham, and under his careful and capable direction the mines inspection staff of the Province will compare with that of any coal-mining country in the world. Mr Graham's confreres in the United States have always recognized his sound ability and comprehensive interest in mining questions, and have wasted no time in conferring this honor upon him.

Not to be behind Calgary, Vancouver is out with an announcement that it also has an oil field. Prospecting, it is stated, has been going on for several months, but Calgary made its discovery first, and has got its stock first on the market. Few particulars of the strike have as yet been published, but three and a half barrels have been taken from the hole and now arrangements are being rapidly concluded for putting the stock on the market. If one must gamble in oil the closer home the gamble is the better.

BUSY SESSION OF CITY COUNCIL

(Continued from Page 1)

subject the City Clerk was instructed to write the liquidators, requesting a release of the contracts held by the Canadian Mineral Rubber Company, and informing them the City Council would not agree to the liquidators turning over the contract to lave Nanaimo streets, to what ever company they saw fit.

Ratepayers on Irwin street petitioned for the extension of the three-inch water main along that street, the petition being referred to the Waterworks Committee for investigation and report.

City Engineer Owen reported an expenditure in wages during the week of $636.70 on streets account, and $340.00 on waterworks account. He also reported the Nicol street regrade had cost todate $1924.30 and the Haliburton street water main, $930.00.

Ald. Busby was granted permission to introduce a bylaw to consolidate the several bylaws of cement sidewalk construction involving an expenditure of $43,000. The bylaw was given the first and second readings, and will be considered in committee at the next meeting of the Council.

The $30,000 Sewer Loan bylaw was further considered in committee, given the third reading and it was decided to take a vote of the ratepayers thereon on Thursday, July 2nd, voting to take place in the old Court House, with City Clerk S. Gough acting as Returning Officer.

A recommendation of the Waterworks Committee, in reference to the installation of an 8-inch main on Comox Road, laid on the table at a previous meeting of the Council, was taken up for consideration. Ald. Forrester moved an amendment to the original proposal, that an 8-inch main be installed on Comox Road between Front and Wallace streets and the 6-inch pipe taken up from this section be used to replace the wooden main on Comox road, between Milton street and the city limits. The amendment was adopted.

A recommendation of the Fire Wardens Committee that a tower 65 feet high be erected on the Fire Hall in which to install the alarm bell and to be used as drying tower for hose, was adopted provided funds were available, on motion of Ald. McKinnell seconded by Ald. Forrester.

At the close of the meeting, the Council sat as a Cemetery Committee and on motion of Ald. Killeen, chairman of the Cemetery Committee, voted $235 for the purpose of making needed repairs to the old cemetery on Comox Road and Wallace street.

CLEANS-DISINFECTS

Practical Fashion Hints

By Alice Gibson

A quaint little suit is shown in No. 8262. It is a peasant design, blouse and sleeves being cut in one and having the skirt attached to a sleeveless underwaist, which closes down the front. This design is suited to either wool or cotton materials; for school wear it would be pleasing in dark blue serge, the blouse being outlined as illustrated, with a Grecian border design in a brightly colored soutache braid. The neck may be finished, if preferred, with a small round collar and the sleeves be cut off at the elbows.

For a child of ten years, 3¼ yards of 36-inch material is needed. The pattern is cut in six sizes, 4 to 14.

THIS IS A PERFECT PATTERN.

Be sure to give right size, passing the tape around the fullest part of the breast well up under the arms.

The pattern may be obtained by sending name and address, pattern No. and size and fifteen cents to DAVID SPENCER, LIMITED.

Sealed Tenders addressed to the undersigned, and endorsed "Tender for Public Building, Prince Rupert, B. C.," will be received at this office until 4.00 p. m., on Monday, July 6, 1914 for the construction of the Public Building above mentioned.

Plans, specification and form of contract can be seen and forms of tender obtained at the offices of Mr. G. B. Hull, District Engineer, Prince Rupert, B. C., Mr. Wm. Henderson, Resident Architect, Victoria, B. C., and at this Department.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures, stating their occupations and places of residence. In the case of firms the actual signature, the nature of the occupation, and place of residence of each member of the firm must be given.

Each tender must be accompanied by an accepted cheque on a chartered bank, payable to the order of the Honourable the Minister of Public Works, equal to ten per cent (10 p. c.) of the amount of the tender, which will be forfeited if the person tendering decline to enter into a contract when called upon to do so, or fail to complete the work contracted for. If the tender be not accepted the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender.

By order,
R. C. DESROCHERS,
Secretary.
Department of Public Works,
Ottawa, June 5, 1914.
Newspapers will not be paid for this advertisement if they insert it without authority from the Department.—62588. 3t.

TURKISH TROOPS ARE ATTACKED BY KURDS

Letters just received from missionaries describe the fighting in and around Bitlis, a city of 40,000 inhabitants in the northeastern part of Turkey, near the Persian boundaries where the Kurds, who have been restive for some months, rose in insurrection against the Turkish government. Rev. George P. Knapp, of Harpoot, writes:

Early Wednesday morning, April 1, a detachment of soldiers marched some six miles east of Bitlis to meet the Kurds who were threatening an attack. They took with them mountain guns, and the fight kept up all day. A blinding snowstorm prevented the soldiers from doing much execution and at sunset they retreated to the city.

The Kurds took this for a victory on their part and followed the soldiers to the limits of the city. Under cover of night they entrenched themselves on a hill not many rods from the mission premises towards the east. Armed Kurds estimated at not less than 4,000 extended all the way from this hill to a mile beyond, covering the mountain side and the intervening valley, where the Sourp Kevork church is.

At break of day on Thursday, the Kurds announced their presence by the "Salavat" (a kind of religious war-cry) and then advanced to attack the government buildings. The government troops met the first onrush by the fire of machine guns, which scattered the Kurds, who now took refuge behind every hill, stone or building they could find, and continued the fighting. They also broke into the Sourp Kevork church and fought from there. Many sympathizers (Kurds and Turks) in the city took sides with the attackers. The troops bombarded the church and freely used the machine guns. In the afternoon the government felt the need of help by the populace and distributed arms and ammunition among Turks and Armenians. The fighting kept up till 10 o'clock that night. The next morning (Friday) many of the Kurds had disappeared, and the soldiers were soon able to dislodge the rest and take up their positions. The Turkish ward, where many of the fugitive Kurds had taken refuge, was surrounded by troops and the houses were searched. Many Kurds were caught and imprisoned.

Saiced Ali, son of the famous Sheikh Djelaledin, and his Moulla Selim, wearing the scared sword of Djelaledin, were the chief leaders. Selim, and a number of his followers took refuge in the Russian consulate. Late reports seem to indicate that he has been surrendered to the government and that Saieel Ali and his son have been captured.

Sealed Tenders addressed to the undersigned and endorsed "Tender for Quay Wall and Excavation at Victoria Harbor, B. C.," will be received at this office until 4.00 p. m., on Monday, July 27, 1914, for the construction of a Quay Wall and Excavation at Victoria Harbor, B. C.

Plans, specification and form of contract can be seen, and forms of tender obtained at this Department and at the offices of the District Engineers at Victoria, B. C.; New Westminster, B. C.; Confederation Life Building Toronto, Ont. and Shaughnessy Building, Montreal, P. Q.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures, stating their occupations and places of residence. In the case of firms, the actual signature, the nature of the occupation, and place of residence of each member of the firm must be given.

Each tender must be accompanied by an accepted cheque on a chartered bank payable to the order of the Honourable the Minister of Public Works, equal to ten per cent (10 p.c.) of the amount of the tender, which will be forfeited if the person tendering decline to enter into a contract when called upon to do so, or fail to complete the work contracted for. If the tender be not accepted the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender.

NOTE:—Blue prints can be obtained at the Department of Public Works by depositing an accepted bank cheque for the sum of $25.00 made payable to the order of the Honourable the Minister of Public Works, which will be returned if the intending bidder submit a regular bid.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining right of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the North-west Territories and in a portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,500 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-agent in the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal sub-divisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise. Royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10.00 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or sub-agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

N. B.—Unauthorized publication of this advertisement will not be paid.

Sealed Tenders addressed to the undersigned, and endorsed "Tender for Public Building to be known as Postal Station "C" Mount Pleasant, Vancouver, B. C.," will be received at this office until 4 p. m., on Monday, June 22, 1914, for the construction of the aforesaid building.

Plans, specification and form of contract can be seen and forms of tender obtained at the offices of A. Campbell Hope, Esq., Vancouver, B. C., Wm. Henderson, Esq., Resident Architect, Victoria, B. C., on application to the Postmaster, Vancouver B. C., and at this Department.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures, stating their occupations and places of residence. In the case of firms the actual signature, the nature of the occupation, and place of residence must be given.

Each tender must be accompanied by an accepted cheque on a chartered bank, payable to the order of the Honourable the Minister of Public Works, equal to ten per cent (10 p. c.) of the amount of the tender, which will be forfeited if the person tendering decline to enter into a contract when called upon to do so, or fail to complete the work contracted for. If the tender be not accepted the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender.

WATER NOTICE

Application for a license to take and use and to store or pen back water will be made under the "Water Act" of British Columbia, as follows:

The name of the applicant is The Qualicum Water Company. The address of the applicant is Qualicum Beach, Vancouver Island. The name of the stream is Mosquito Creek. The stream has its course in the Hamilton Swamp, D.L.s. 34 and 42, Newcastle district, and flows in a northerly direction and empties into the Gulf of Georgia, about two miles east of the Little Qualicum River. The water is to be diverted from the stream on the west side about 1,000 feet from the mouth. The purpose for which the water will be used is waterworks purposes. The land for which the water is to be used is described as follows: Lots 54 to 63 Newcastle district and adjacent property. The quantity of water applied for is as follows: 1 cubic foot per second. This notice was posted on the ground the 23rd day of May, 1914.

A copy of this notice and an application pursuant thereto and to the requirements of the "Water Act" will be filed in the office of the Water Recorder at Nanaimo, B. C. Objections may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B. C.

POLICE FIND BOMB IN BUILDING ONCE ON FIRE

New York, June 15.—A bomb, said by the police to be highly destructive was found today in the building occupied by the Italian consulate and Italian Savings Bank. A watchman discovered it near the elevator on the ground floor of the building. Recently an attempt was made to set the building on fire.

IN HONOR OF ROOSEVELT.

London, June 15.— Sir Edward Grey, British foreign secretary, today gave a private luncheon in honor of Colonel Theodore Roosevelt. Ambassador Walter Hines Page was among the guests.

FOUR MILLION IN MONEY TIED UP

Chicago, June 13.—The fifth bank was closed today by the state examiner in connection with the disclosure of conditions in the La Salle Street Trust & Savings Bank. This bank, the State Bank of Calumet, according to the bank examiner, completes the chain of what were known as the string of Lorimer-Munday banks in Chicago. Two bank examiners from the state auditor's office at Springfield, arrived today to assist in the examination of five banks now in the state banking department's hands.

William Lorimer, president of the La Salle bank, was said to be on the verge of physical collapse from the strain of the developments of the last 24 hours. The bank examiners worked steadily on the books of the La Salle Street bank, the Broadway State Bank, the Illinois State Bank, the Ashland Twelfth State Bank and the State Bank of Calumet.

Approximately $4,000,000 of deposits are tied up in the state-controlled institutions.

SUPREME COURT IN RECESS

Washington, June 15.— The Supreme Court of the United States today recessed until June 22 without announcing decisions in the inter-mountain rate or other important cases.

NEWS OF SPORT

NANAIMO WON A NO HIT GAME

On the Caledonian grounds Sunday the Federal ball team, of Nanaimo, took sweet revenge from the Western Canada Power Company's aggregation of Vancouver, for the defeat administered several weeks ago, by taking the Terminal City nine into camp to the tune of 3 to 1 and letting the visitors down without a single hit. Credit for the victory is due H. Martin, Manager Benedict's star slab artist, who in shutting out the visitors without the semblance of a hit performed a feat never before seen in Nanaimo. Martin's great pitching on Sunday will be long remembered by local fans, for besides being unhittable, he fielded his position perfectly and had splendid control at critical stages of the game. For Sunday's game the fielding positions of the local team had been rearranged and the results justified the action of the management in making the changes. Every man played his position well, Piper at third, Little at short and Boyce behind the bat showing league calibre. Killeen at second and Martin at first were never seen to better advantage, and the fielders took everything in sight.

Here are the scores of the game:

NANAIMO.

	AB.	R.	H.	PO.	A.	E.
Piper 3b	4	1	1	2	1	1
Little ss	3	0	0	1	4	1
Killeen 2b	3	0	0	2	1	0
Boyce c	3	0	1	7	1	0
Beattie cf	2	0	0	1	0	0
Weeks lf	3	0	0	0	0	0
Thompson rf	2	1	0	0	0	0
E. Martin 1b	2	0	0	14	0	0
H. Martin, p	3	1	1	0	8	0
	25	3	3	27	15	2

VANCOUVER

	AB.	R.	H.	PO.	A.	E.
Proctor ss	2	0	0	0	1	1
Carruthers 2b	3	1	0	2	2	0
Biddle lf	2	0	0	1	0	0
Jardine cf	3	0	0	1	0	0
Sykes 3b	3	0	0	3	2	0
Sweeney 1b	3	0	0	10	0	0
Black rf	3	0	0	1	0	0
Cavanaugh c	3	0	0	6	3	0

OLD COUNTRY CRICKET.

London, June 15.— In ideal weather, several first-class cricket matches were concluded yesterday. One of the most important was attended by 7000 people, a huge crowd, even for Lord's day. In the match between Yorkshire and Middlesex the county had a lead of 98 runs in the first innings, but the splendid bowling of the Yorkshire men soon checked their play in the second inning.

Nottingham drew with Lancashire, whose chief runners up were Garnet, 100, not out; Tyldesley, 52. Hardstaff knocked up 106 for Nottingham, and Gunn made 75.

Cambridge beat the army by an inning and sixty runs.

Warwick beat Derby by 125 runs. Foster, of Warwick, took six wickets for 19 runs.

DAVID CRAIG WINS INTERNATIONAL DERBY.

Montreal, June 15.—Ten thousand people witnessed the $20,000 International Derby at Dorval park yesterday when David Craig won the big event by a length from Gainer. Water Bass, the favorite, did not succeed in getting a place, Luke McLuke beating Water Bass for third.

KID LEWIS BEATS HUGHIE MEHEGAN.

Sydney, N. S. W., June 15.— Kid Lewis, the British featherweight, tonight defeated Hughie Mehegan, of Australia. Lewis had the better of the fight throughout.

FRISK LEADING BATTER.

Emil Frisk continues to lead the batters in the Northwestern League. Emil is hitting at a .335 clip. Halke of Spokane, has made a big jump and is now pressing his team-mate hard with an average of .332. Charlie Swain is third with .313. Harstad and Hunt were hitting .300 while "Dode" Brinker leads the Beaver regulars with an average of .296. Seattle is leading in team batting with an average of .259, with Spokane second with .250 and Vancouver third with .245. In team fielding, Spokane is at the top with .965. Vancouver second with .963 and Seattle third with .961.

MONDAY'S BASEBALL

Northwestern League—
Vancouver 10, Victoria 5.
Tacoma 2, Seattle 8.
Portland 3, Spokane 4.

Coast League—
Sacramento 2, Venice 8.

National League—
Chicago 7, Boston 5.
Pittsburg 3, New York 2.

American League—
Washington 6, Cleveland 7.
Philadelphia 9, Chicago 4.
Boston 2, St. Louis 0.
New York 1, Detroit 4.

DUNGENESS BOY DROWNS.

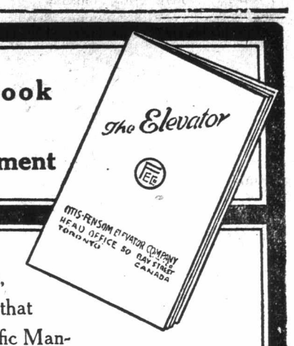
Dungeness, Wash., June 15.—Stanley Cameron, 16 years old, living near this city, was drowned, and his father, Amos Cameron, had a narrow escape when he tried to save him while swimming at Old Town Bay at 2 o'clock Sunday afternoon. The body was not recovered.

PLEADS NOT GUILTY.

Toronto, June 15.—Henry I. Matthew, arrested over a week ago on the charge of receiving $2325 alleged to be a portion of a large sum stolen from the Bank of Montreal at New Westminster, B. C., appeared in police court here today. He pleaded not guilty and was remanded till July 22.

PERLEY IN LONDON

London, June 15.—Hon. George H. Perley signed the visitors' book at Buckingham Palace on Saturday. He will see Viscount Harcourt, colonial secretary, this afternoon.



PARLIAMENT DISSOLVED

Copenhagen, June 15.—The Upper House of the Danish Parliament was dissolved today by order of King Christian. The twelve life members appointed by the king were not included in the decree, which affected only the fifty-four elected members.

SIX KILLED BY LIGHTNING.

London, June 15.—Lightning killed six persons and injured several others at Wadsworth common yesterday afternoon during a severe storm. Four of those killed were children. Many buildings in south London also were struck by lightning.

Here's a New Book on Scientific Management

OR, to be more specific, a book dealing with that important phase of Scientific Management which has to do with the economy of floor space in the factory, store, warehouse, garage, hotel or printing plant.

This Book tells a story of vital interest to every progressive business man. It points the way to increased profits through greater efficiency. It lays bare the causes of many business failures and shows how these failures might have been turned into successes.

If it is the means of helping you solve some knotty problem in your own business, we will feel that it has accomplished its object.

Langton, Vancouver Granite Co,, McRae Bros., J. K. Hickman, D. H. Beckley, A. J. Smith, New Ladysmith Lumber Co., D. Spencer, J. B. Nicholson, Beattie & Hopkins, S. Evans, G. S. Pearson, Hop Lung, G. Cameron, J. Hirst, Thompson & Cowie, Workman's Co-op- Assn., W. Hoggan, Order W. H. Malkins, E. Kermode, B. C. Fish Market, Mrs. J Bevan, G. Fletcher, Peter Monochal, J. Wallace, Quong On, W. Jarvie, A. R. Johnston, J. Wagstaff, G. Bateman, J. Sampson, Miss E. Cunningham, Order J. Vittucci, R. Cooper, Hing Lung, C. Piper, J. McKinnell, L. Manson, R. & G.

Dear Mr. Martin,—Headaches no more; seeing perfectly. It seems unnecessary to say anything more. But to a person who has been told that nothing could be done to relieve my troubles unless one eye was removed, and having been treated by four specialists for seven years without any apparent benefit, I am truly grateful to you for the glasses that have made a new woman of me. You may refer any one to me.

Yours very truly,
Mrs. ****

Nanaimo, June 13th.

This was a case similar to the one shown in above cut, only the eye turned up instead of out. Operations are not always necessary to straighten cross eyes as these two cases show.

Genoa Bay, B.C., March 17, 1913.

Dear Sir,—Kindly replace broken lense and send bill as soon as possible. I have very little trouble with my eyes since I got my glasses until I broke them. They have been very satisfactory.

Yours truly,
D. J. B.

Nanoose Bay, B.C., March 31, 1914

Dr. Frank D. Martin,
Nanaimo, B. C.

Dear Sir,—

**** I must also inform you my eyes are in fine form. It seems so nice to be able to look out and see everything, and I feel grateful to you to the bottom of my heart.

Wishing you every success,
Believe me sincerely,
Mrs. ****

These are copies of letters I have in my office and are used with permission. Why not have your work done where work has been proven, where you can call again for changes, where you can get a broken lens replaced without having your eyes retested and where substitutes will not be allowed.

The Efficiency of an Executor----

One of the eastern provincial premiers recently made the statement that the system of appointing individuals instead of Trust Companies as executors was becoming antiquated.

Thinking business men should leave their estates for administration in experienced hands, just as a specialist is selected in any mercantile field.

Appointed as executor the Dominion Trust Company has the necessary equipment to give you the best possible service. It has a thorough knowledge of the laws and court requirements affecting deceased persons.

The company's officers are always pleased to confer with those desiring information relative to wills or executorships.

VOLUME XIV | NANAIMO, VANCOUVER ISLAND, BRITISH COLUMBIA, WEDNESDAY MORNING, JUNE 17, 1914 | NUMBER 87

MEETS REQUEST OF LOCAL BOARD

Representations of Nanaimo Board of Trade are Favorably Received By Captain Troupe of the C. P. R.

The regular meeting of the Nanaimo Board of Trade held yesterday afternoon was a most interesting one in that several questions of much importance to the city and district were discussed and action taken by the members toward making the vast resources of the city and district made more widely known throughout the Empire.

There was only a small attendance owing to a number of the members being absent from the city, but what the meeting lacked in the way of numbers was made up in the way of enthusiasm. Vice-President T. W. Martindale presided in the absence of President Jno. Shaw who is in Prince Rupert attending the sessions of the grand lodge A. F. and A. M.

A communication was received from D. E. Mackenzie, secretary of the Citizens Excursion Committee, New Westminster, thanking the secretary of the Nanaimo Board for the invitation to spend this year's annual outing in Nanaimo.

City Clerk S. Gough wrote the Board, acknowledging receipt of a resolution passed at a recent meeting regarding the charges made by expressmen in Nanaimo, and stating the matter had been referred to the Street Committee of the Council for report.

The communication was received and filed and the secretary instructed to remind the Council the Street Committee had not as yet reported on the matter.

The Railway Committee submitted the following report:

Nanaimo Board of Trade,
Nanaimo, B. C.,

Gentlemen,—Reporting on behalf of the Railway Committee in reference to the matters referred to us at the last meeting of the Board re: checking privileges from Vancouver to points south on the E. & N. Railway and the facilities for loading and unloading automobiles at Nanaimo, the Committee wish to state that one of their number interviewed the C. P. R. officials in Vancouver and ascertained that the checking facilities were already enforced for baggage shipped from Vancouver to points sourh on the E. & N. Railway.

In submitting a further report re: Transportation of automobiles from Vancouver to Nanaimo and vice versa, we wish to state that your committee has interviewed Capt. Troupe in reference thereto, and that gentleman has taken the trouble to send up his assistant to examine the wharf at Nanaimo, and we have every reason to think that the suggestion made by your committee, may be adopted by him.

He very courteously agreed to remedy the trouble in the best possible way and as soon as possible. He realizes the importance of this traffic, and is heartily in accord with our efforts.

Respectfully submitted,
Railway Committee,
Jno. W. Coburn, Chairman.

On motion of Capt. Yates the report was received and filed, and the thanks of the Board extended to the Railway Committee for its prompt and energetic actions.

CONFIDENCE EXPRESSED IN ASQUITH MINISTRY

London, June 16.—Some of the Unionist members including Bonar Law who have been the most ardent supporters of Sir Edward Carson and the Ulster Unionists in defence of Carson's army, today attacked the government for not supressing the Nationalist movement of arming friends of Home Rule.

A vote of censure on the government was defeated by 288 to 223.

ST. ANDREW'S GUILD
LAWN SOCIAL.

Owing to a sudden bereavement and consequent absence of the family from the Manse, the Lawn Social planned for tomorrow, has unfortunately been postponed meantime.

WILLIAM FULTON,
Secretary of Committee.

MAY HOLD ANNUAL PICNIC IN NANAIMO

It is quite probable the citizens of New Westminster will hold this years annual outing in Nanaimo. Two weeks ago an invitation to visit this city was extended the citizens of the Royal City by the secretary of the Nanaimo Board of Trade, the reply to the invitation which was read at yesterday's meeting of the Board of Trade being as follows:

Dear Sir,—I beg to acknowledge receipt of your esteemed invitation to the Citizen Excursion inviting them to spend their annual outing in your city and for which on behalf of the Committee I desire to thank you.

I may state, I shall be pleased to read your letter at the next meeting and will be glad to advise you should the committee decide to make your beautiful city the destination of their annual excursion.

I know our committee will appreciate very much your thoughtfulness in extending this invitation.

Yours very truly,
D. E. MACKENZIE,
Secretary Citizens Excursion Com.

RICHARD DREW PASSED AWAY

A Resident of Nanaimo For Many Years Died in Local Hospital Yesterday Afternoon Following Operation.

The death occurred in the Nanaimo Hospital yesterday afternoon following an operation earlier in the day for cancer, of Richard Drew, one of Nanaimo's oldest residents and one of the most widely known men in the district.

The deceased was a native of Cornwall, England, aged 75 years and is survived by his widow, three sons and three daughters.

The remains now lie at McAdie's Undertaking parlors pending arrangements for the funeral being completed, which will be held under the auspices of Black Diamond Lodge I. O. O. F. of this city, of which the deceased was a member.

FRED JARRETT AS MUSHROOM GROWER

The district adjacent to Nanaimo has earned an enviable reputation as one of great agricultural possibilities and as was evidenced at the local exhibit sent to the Lethbridge exhibition two years ago, takes second place to few, if any, in the quality of its vegetable products.

Many of the small farmers of the district have made good in the growing of fruit and vegetables, and recently one of the district residents has gone into the growing of mushrooms on a commercial basis, and has made quite a success of the venture. Besides conducting the Somerset hotel near Wellington, Mr. Fred Jarrett, formerly of this city, has one of the finest gardens of that section, a sample of his produce being placed on exhibition recently in the office window of Messrs. Martindale and Bate and which attracted considerable attention, especially radishes which for size and soundness it would be hard to excel. On exhibition along with the radishes were also a sample of the mushrooms grown by Mr. Jarrett. They are splendid specimens and show what can be done by proper cultivation and a knowledge of the art of successful mushroom culture. Off one small bed and from a single planting of spawn the proprietor af the Somerset has reaped mushrooms which netted him $25 and in addition to this many fine meals of the toothsome dish have been served guests of the hotel. Even with these heavy demands having been made upon it the mushroom bed has by no means been exhausted, and numbers of persons daily visit Mr. Jarrett's garden patch for a look at his prolific mushroom patch.

A despatch to The Herald last night from El Paso, Texas, states General Villa had resigned the command of the rebel forces in the north.

THE RESOURCES OF NANAIMO

Natural Wealth, Possibilities and General Data in Reference to This City Will be Presented to Imperial Commission.

The Nanaimo Board of Trade is taking advantage of the opportunity, presented by the visit to British Columbia in September of a Dominion Royal Commissian appointed by the Imperial Government, to place before the Commission and ultimately all parts of the Empire, the advantages of Nanaimo and vicinity.

The subject was discussed at a meeting of the Board yesterday afternoon, the matter being introduced by the reading of a communication from the Victoria Board of Trade which organization is seeking the assistance of the other Boards of Trade on Vancouver Island in securing data to be presented before the Commission on the occasion of its sitting in Victoria. Yesterday's meeting delegated the task of securing information and data relative to this city and district to the several committees of the Board which will submit their reports to a general meeting for endorsation, after which the combined representation will be printed in illustrated pamphlet form and duly presented before the Imperial Commission at the opportune time.

The general scope of the subjects which the several committees of the Nanaimo Board of Trade will deal with are as follows:

Fisheries Committee—Report upon sea and fresh water fishing enterprises, in operation or projected. methods of manufacturing and marketing anf further possible development, scale of wages paid, profits realized and methods for conservation.

Agricultural Committee — Report upon fruit growing, farm produce. horticultural produce, dairying, sheep and cattle raising, cost of clearing land, prices obtained from various products, tables of imports of farms, garden and fruit products, in order that supply and demand may be judged and report on irrigation.

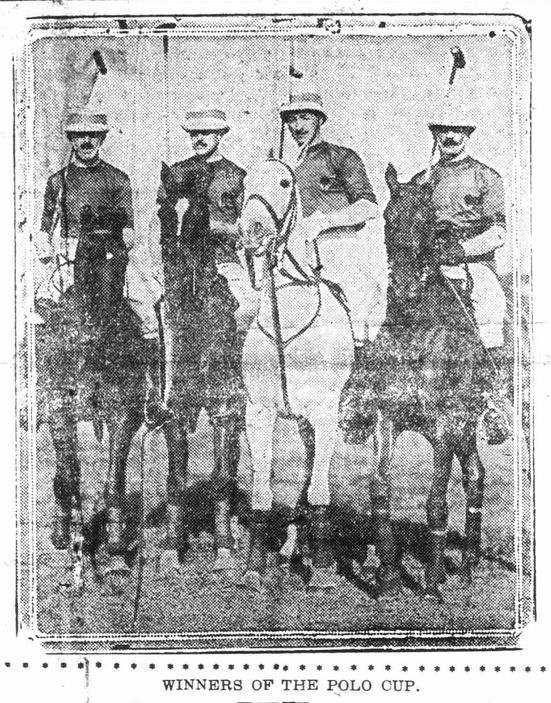
Mining Committee—Particulars of minerals, coal and coke, now being marketed, with analysis, geological formation of Vancouver Island indicating location of undeveloped underground wealth.

Immigration Committee—Statement showing immigration during the past five years and the distribution of immigrants with particular reference to emigrants from the Orient, South Europe and Russia.

Manufactures Committee—Classified list of all existing manufacturers. number of employees, wages paid and financial conditions of the various enterprises generally, with statement showing openings for new developments and special report on water powers, developed and undeveloped.

Railway and Public Works Committee—Particulars of railways in operation and under construction. Government and municipal works and how financed.

Finance Committee—Debts of Municipalities and assessed value of lands and improvements. Banking facilities.



Harbor and Navigation Committee—Full information in regard to existing harbours and all available information concerning points suitable for additional harbours. Port charges, harbour dues, pilotage charges, coastal steamship services, with special report on depth of water in various harbours, especially where they exceed 40 feet.

Railway Freights Committee—Comparative statement showing freight charges on Vancouver Island compared with elsewhere.

Reception Committee—Prepare plan for social functions during the Commission's stay in Victoria in consultation with the Provincial Government and Mayor and Council.

Legislation Committee—General review, showing wherein the laws of this Province differ with the laws of Great Britain and other parts of the Empire, recommendations in regard to codification of commercial laws, patent rights, etc.

Trade Commerce and Transportation Committee—Bills of lading, overseas steamship connections, effects of the opening of the Panama Canal. European trade marks, trade commissioners and correspondents and suggestions re trade within the Empire.

WINNERS OF THE POLO CUP.

Here is the English Polo team, wearing the colors of the famous Hurlington Club of England, one of the most noted of polo organizations in the world. From left to right the players are Captain Lockett, Capt. Barrett, Capt. Cheape and Capt. Tomkinson. This team defeated the Americans Saturday by a score of 8 1-2 to 3 and by winning yesterday's fixture captured the world's polo championship.

RIVAL FACTIONS BUTTE UNION

Executive Member of Western Federation of Miners Says He Will Not Tolerate Any Rival Organizations.

Butte, Mont., June 16.—Declaring that he would have nothing to compromise and that the Butte Miners' Union No. 1 of the Western Federation of Miners was the only organization that would do business in Butte, John C. Lowney, member of the executive board of the Western Federation, in a formal statement this afternoon threw down the gauntlet to the disaffected faction and declared an unrelenting warfare on the part of the federation against any faction of miners that attempted to set up an independent organization.

Lowney dismissed all attempts at compromise by declaring that the federation would have nothing to do with outsiders.

He declared that while efforts had been made to secure concessions from the federation representatives on the question of a vote to surrender the charter from the parent body, the officers of the old union organization would have no hand in such an affair.

The statement concludes with the declaration that the Western Federation of Miners and the mine workers of America are about to merge into one great miners' organization and these organizations would not tolerate union men voting in favor of the open shop. Blame for the inflamed public sentiment against the miners is laid at the door of the I. W. W. leaders here.

Lowney's statement it is feared, may participate a crisis tomorrow when the union will hold its regular meeting. Large numbers of men being sworn in by Sheriff Driscoll as deputies for emergency duty. Mayor Duncan, who has returned is prepared again to close all saloons on a moment's notice. Governor Stewart departed for Helena before the Lowney statement was issued, under the impression that efforts were afoot to reach a compromise

FINAL HONORS PAID

Bloomington, Ill., June 16.—With business suspended and the city draped in mourning, Bloomington paid final honors today to former Vice-President Adlai E. Stevenson. The body lay in state in the rotunda of the courthouse for two hours while thousands filed past.

WEDS VIOLINIST.

London, June 16.— The American singer, Mme. Alma Gluck, and the Russian violinist, Efram Zimbalist, were married yesterday in London The engagement was announced last February.

SCHOOL AFFAIRS AT S. WELLINGTON

Trustees in Signed Communication State That School Has Been Conducted With Minimum of Friction.

South Wellington, June 14, 1914.
To the Editor:

Sir,—Some statements recently printed in local papers may tend to mislead public opinion in regard to the state of affairs at South Wellington school, so, in the interests of pupils, teachers and trustees, we would be thankful if you will publish this letter.

South Wellington school is a government school, opened in the interests of all children of school age, residing in the district, quite irrespective of party.

Early in the school year, when trouble threatened, the principal took a firm stand and appealed strongly to all children attending the school, pointing out that it was to the interest of all that the school affairs should be conducted without disturbance of any kind. The children responded well, and but for two incidents mentioned below school affairs have been conducted in a smooth, quiet, impartial manner. Union and non-union children work together and play together with a minimum of friction, and a pleasant and very satisfactory year's work has been accomplished.

During the year two complaints were received. The first complaint was sent by the parent of a child, to the department of education. The inspector of schools for this district, visited South Wellington, and conducted a thorough and impartial investigation. He arrived at the conclusion that school affairs were conducted in a very satisfactory manner that most of the statements in the letter of complaint were incorrect, and that the whole affair had a most trivial origin.

The second complaint was more serious. A parent complained to the principal, stating that her child had been severely injured by a "union" child. The complaint was not made until two weeks later than the date on which the incident is said to have occurred. It has not been possible to hold a thorough investigation into this affair as both the children are temporarily absent from school. From evidence received up to the present, it is believed that the injury was accidental.

As stated above, apart from these two incidents, the school year has passed pleasantly, with a minimum of friction between children of the different parties. It is the desire of teachers and trustees that the good feeling generally prevailing amongst the pupils, the good work of the present year, be continued, and the co-operation of pupils and parents is

(Continued on Page 4)

MRS. McLENNAN IS BEREAVED OF FATHER

Mrs. McLennan, wife of Rev. Dr. McLennan pastor of St. Andrew's Presbyterian church, received word Sunday of the death of her father. Rev. Dr. Keilock of Richmond, Quebec, who died suddenly of a stroke while visiting with his wife at Weyburn, Saskatchewan. The deceased was a native of Fifeshire, Scotland, aged 75 years and was a very active man despite his advanced years having enjoyed the best of health up to his being stricken down suddenly on Sunday morning.

Dr. Kellock was known to many in Nanaimo, having visited his daughter here last year and on the first Sunday in August of last year occupied the pulpit of St. Andrew's church.

Mrs. McLennan and daughter Miss Grace left Monday for Spencerville, Ontario, where the remains will be interred, the deceased having spent several years as pastor in that city.

ADVISES BRANCH IN NANAIMO

General Secretary of B. C. Retail Employees Organization Addressed Nanaimo Clerks Last Evening.

There was a good attendance of the Retail Employees of the city at a special meeting of the Merchants' Association held last evening in the Foresters' Hall, the President, Mr. Busby, occupied the chair. The speaker of the evening was Dan W. Poupard, general secretary of the Retail Employees' organization in British Columbia, and the subject of his address was the desirability of the formation of a branch of his organization in Nanaimo.

In the course of his remarks he pointed out how that in Victoria the clerks had formed an association for the purpose of obtaining a weekly half holiday but that they had speedily discovered that the chief objection was that unless the holiday was enforced by law it would be unsatisfactory. He said that he was glad to see that in Nanaimo the merchants had conceded the request of the employees for years past, but in larger communities the desired result had not been obtained.

The speaker in advising affiliation to his organization pointed out the advantage of concerted effort on the part of the retail employees of the whole province. Few employees, he said were certain of always remaining in the same city, and it would be a comforting thought to know that when legislation had been obtained the holiday would be general throughout the province.

Mr. Poupard claimed that employers were awakening to the fact that the retail employee is a large factor when considering the purchasing public and that by extending the leisure hours of their employees the merchants were doing a good stroke of business by creating fresh demands. It was stated that throughout the British colonies, with the exception of Canada, adequate legislation had already been enacted and that in South Africa, Australia and New Zealand the "Shops Acts" provided increasing protection to the store workers. The speaker said that in all their dealings they endeavored to take into consideration the other man's point of view and considering the fact that amongst their members there were ex-employers they felt that their outlook was not one-sided. Mr. Poupard urged those present not to forget the importance of personal development and that it was the duty of each individual to live a life which would ensure a high degree of efficiency and good health. He also maintained that by striving for more leisure and improved conditions they were taking part in the general uplift of society and that in itself was a good work.

At the close of the meeting a hearty vote of thanks was accorded the speaker and it was hoped that he would be present at the next regular meeting of the association to be held on the second Wednesday in July.

Mrs. E. Patterson and Mrs. A. Schwartz, of Seattle, returned home yesterday morning after attending the funeral of the late Mrs. Johanna Vahle, mother of Mrs. A. Schwartz.

HAREWOOD TO GET NEW SCHOOL

Department of Education Will Erect Magnificent School Building in Nanaimo's Main Suburb.

In this issue of The Herald the Department of Education at Victoria is calling for tenders for the erection of a new school house on the Five Acres to replace the present Harewood school.

The new structure it is expected, will cost in the neighborhood of from fifteen to eighteen thousand dollars and will comprise six rooms in all, five of which will be 26x33 and the sixth 22x33. Between two of the rooms there will be folding doors so that if it is desired the two rooms can be thrown into one, and thus make a commodious room 33 feet in width by 53 feet in length.

The new school will have a concrete basement in which will be located two covered in play grounds for the wet weather. It will also have spacious halls with main entrance to each and will be equipped with modern heating system together with an up to date sanitary system with fire escapes from all upstair rooms.

The new building will be erected on the site now occupied by the present structure which will be moved to a corner of the grounds and used until such time as the new edifice is ready for occupancy.

It is the intention of the Department of Education to make a change in the present system under which the schools of the Five Acres are operated. At the present time the district is divided into three sections, viz, North, South and Harewood, but under the proposed arrangement the three will be merged into one district, Harewood being used for the higher grades while the north and south schools will be attended by children in the junior grades.

The securing of a grant from t government for the erection of t new Harewood structure has be done after considerable work on t part of the trustees, viz, Messrs. W. H. Jones, Fred Crewe and J. Alexander.

LOCAL MILITIA CLUB MADE PRESENTATION

A meeting of the Nanaimo Militia Club last night was featured by the presentation to Mr. Horace R. Hickling of a silver cigarette case on the occasion of Mr. Hickling leaving the city in the course of a few days to open a branch store in Courtenay for the George A. Fletcher Music Co., of this city.

On account of his leaving Nanaimo Mr. Hickling has reluctantly resigned his position as vice president of the local militia club, and as a token of the appreciation of his services the members of the club met last evening, the presentation being made by Capt. Carpenter.

Philadelphia, Pa., June 16—The Philadelphia Evening Times, owned by Frank A. Munsey, ceased publication with to-day's issue. Mr. Munsey in a statement said the Times never passed out of the experimental stage and that success for the paper was not in sight. The Times was established July 15, 1908.

PEACE DELEGATES AT NIAGARA CONFERENCE

Niagara Falls, June 16.—The three South American mediators formally advised General Carranza by telegraph last night that they would not admit his representatives to the conference here until an armistice was declared, and international phases of the Mexican problem accepted as the scope of mediation.

Niagara Falls, Ont., June 16.—Delegates to the Mexican mediation conference continued today consideration of a list of names from which it is hoped to choose a successor to Huerta. It was heemed improbable, however, that an agreement would be reached immediately.

Emilio Rabas, chairman of the Mexican delegation received a telegram from General Huerta to-day denying he is being represented in Washington by former United States Senator Chas. A. Towne. General Huerta said Mr. Towne is not acting as his agent in any capacity.

A GENERAL STRIKE

It is generally understood on the streets that the officers of the United Mine Workers of America are working to bring about a general strike in the Province. We were told over a week ago by no less an authority than Pettigrew that, if the government did not come through, a general strike would be promoted. Pettigrew did not outline just how the government was to come through, but so far as we have been able to notice it has not come through in any way. Indeed as we pointed out at the time, there was no possible way in which it could interfere. There never was a time in the history of the struggle when the government was given any real grounds for intervention. Attacks were made against the mines inspection staff, and an attempt made to make the conditions of the mine responsible for the men leaving their work. It was all a pretext for causing trouble and the whole case was swept away by Farrington when he declared that up to the time of the strike the mines were as safe as human hands could make them. Now the idea seems to be to make the refusal of the government to interfere responsible for the calling of a general strike. It may be that the members of the United Mine Workers of America are aware of what has been planned of the government. Messrs. Farrington and Ervine have been in the city this week and have probably fully explained the new proposals. But the public is as much in the dark as ever. The proceedings at any of the meetings which have been held have been kept a secret, or as much a secret as such things can be kept. So far as the officers of the United Mine Workers of America are concerned the public has not been informed what it was the government was asked to do. But the silence of the officers has not prevented the circulation of reports on the subject. It is stated on fairly reliable authority that the government was asked to see that the operators would practice no discrimination against those who had been active in the recent trouble. If it would undertake to give a guarantee of this description then the whole trouble was to be called off, recognition and all the other issues being waived. The government could give no such guarantee, and hence the agitation now for a general strike. The last word in the new proposal will lie with the organized workers. It remains to be seen whether they can be stampeded from their work by the two or three paid agitators who caused all the trouble on the island, and, in doing so, landed themselves into lucrative positions. And first of all it has to be made clear how a general strike throughout the province would help the situation on the island. There was a time when a sympathetic strike in the coal mines of Washington might have assisted the cause of the men on strike on the island. There existed precisely the same reasons for calling out the miners of Washington as there did for ordering out the men of Nanaimo, South Wellington and Jingle Pot. Can the men still off work in Nanaimo say why it was never done? They will remember that they were accused of being scabs by the bosses now leading them for continuing to work while their brothers of Cumberland and Ladysmith were on strike. Yet the men of Jingle Pot were returned to work while the men of Nanaimo as well as their brothers of Cumberland and Ladysmith were on strike. How had the conditions changed to justify this reversal of policy, and how is the present situation to be benefited by calling a general strike. So long as an industry can be tied up there is always a chance of a strike proving successful. A strike depends for its effectiveness upon the degree with which the industry affected can be tied up. If operation can be entirely stopped, or even considerably impeded, the strike is an effective weapon. Once, however, operation is resumed to any considerable extent, the strike is a failure and it is a crime to continue it. What is the situation on the Island? Beyond all dispute the mines on the Island are operating to the capacity of the market. The Western Fuel Company alone has been able to work full time during the last few months. It became necessary to reduce the force of men employed at Jingle Pot and at Cumberland there has been considerable idle time. But for the fact that the demand for coal has been slack the supply would by now have been as big as it was in September 1912. In other words the strike is not affecting the operation of the mines. There is no strike so far as the operators are concerned. There are various reasons why the leaders should wish the trouble they caused to continue. These men are well off and suffer no hardships. But what of the rank and file who have sacrificed their work, and what of the men whose sacrifice of wages is keeping them off work. The relief money is coming from miners principally from miners in the United States. It is coming from men who never enjoyed the wages, the hours, or the working conditions of the men on the island. Thousands of them are working nine and ten hours a day, and are yet contributing to men here who made better wages in shorter hours, and are now involved in a strike which ceased to be effective months ago. This is the situation on the island, and how is a general strike going to improve things?

The City Council took the wisest course in asking for the cancellation of its paving contract. Since the contract was entered into the Canadian Mineral Rubber Company has gone into liquidation, but there was still a chance of the contract being taken over by the company's assignee. However complications have arisen, and the city is better out of them. The unfortunate thing is that the contract was a very advantageous one for the city, and this explains why the Council has been so anxious to hold to it.

The City Council has decided on July 2nd for the submission to the ratepayers of the sewerage bylaw. There is little necessity to explain the object of this measure. It was constantly referred to in the discussion of the water bylaw which the ratepayers adopted last week. The work is necessary in itself, and it must also be completed before the paving of the streets can be proceeded with. Property owners were all aware that if the water bylaw was approved it would be followed by the sewerage bylaw. There is thus nothing to discuss. The ratepayers have already shown that they are in favor of the whole scheme of improvement of which this sewerage bylaw is only a part. But even those property owners who are rather doubtful about going ahead with improvements at this time will probably vote for this sewerage bylaw. We are all one in our desire for a clean and healthy city, and the only way to realize these wishes is to put down a good sewerage system. There should be no doubt about the passage of the sewer bylaw on July 2.

ABUNDANT FLUFFY HAIR IS IMPOSSIBLE IF YOU HAVE DANDRUFF

How often we hear a beautiful woman referred to as having a regal head!

Denude that head of its hair and instead of a queenly, royal bearing we have a fright. The hair makes all the difference. To have that glorious abundance of radiant hair which always crowns "a regal head," one should use Newbro's Herpicide.

Herpicide represents the last word in scientific hair culture. It destroys the dandruff checks falling hair and corrects generally, diseases of the hair and scalp.

The positive results and its delicate but refreshing odor recommends Newbro's Herpicide to ladies of refinement everywhere.

Newbro's Herpicide in 50c and $1.00 sizes is sold and guaranteed to do all that is claimed. If you are not satisfied your money will be refunded.

Applications made by the best barbers and hair dressers.

FRED C. STEARMAN, Druggist, Special Agent.

The Imperial Government some time ago appointed a Dominion Royal Commission for the purpose of securing information respecting trade conditions and natural resources in all parts of the Empire. The commission has already visited Australia and New Zealand, and the results of its inquiries have already appeared in blue-book form. The Commission is now due to tour Canada, and is expected to arrive on the coast in September. The Victoria Board of Trade is preparing suitable information and data for the commission, and has asked the Nanaimo chamber to cooperate with it. This, of course, the local board will be only too glad to do. It is an encouraging sign of the times that the Imperial Government should send out a commission to the Dominions to gather information at first hand, and the Dominions will see that the commission get all the knowledge and data it requires. The Nanaimo Board of Trade has all the information relating to the trade and resources of the city and district in convenient form, and it may be trusted to place it before the commission in September.

DEPARTMENT OF WORKS.
NOTICE TO CONTRACTORS.

Harewood School.

Sealed Tenders, superscribed "Tender for Harewood School," will be received by the Honourable the Minister of Public Works up to noon of Monday, the 6th day of July, 1914, for the erection and completion of a six-room school-house at Harewood, Nanaimo, in the Alberni Electoral District.

Plans, specifications, contract, and forms of tender may be seen on and after the 15th day of June, 1914, on application to Mr. W. H. Jones, Secretary of the Harewood School Board, Nanaimo; Mr. J. Mahoney, Government Agent, Court-house, Vancouver; Mr. George Thomson, Government Agent, Nanaimo, and the Department of Public Works, Victoria.

By application to the undersigned contractors may obtain one copy of the plans and specifications for the sum of ten dollars ($10), which will be refunded on their return in good order.

Each proposal must be accompanied by an accepted bank cheque or certificate of deposit on a chartered bank of Canada, made payable to the Honourable the Minister of Public Works, for a sum equal to 10 per cent. of tender, which shall be forfeited if the party tendering decline to enter into contract when called upon to do so, or if he fail to complete the work contracted for. The cheques or certificates of deposit of successful tenderers will be returned to them upon the execution of the contract.

Tenders will not be considered unless made out on the forms supplied signed with the actual signature of the tenderer, and enclosed in the envelopes furnished.

The lowest or any tender not necessarily accepted.

J. E. GRIFFITH,
Deputy Minister and Public Works Engineer.
Department of Public Works,
Victoria, B. C., June 10th, 1914.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining right of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the North-west Territories and in a portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,500 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-agent in the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal sub-divisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise.

royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10.00 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or sub-agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

N. B.—Unauthorized publication of this advertisement will not be paid.

REGULAR SERVICE to
Gabriola Island

Beginning June 14, and during the summer months two trips will be made every Sunday between Nanaimo Boat House and Taylor Bay, North Gabriola Island.

Leaves Nanaimo 10 a. m. and 1:30 p. m. Leaves Gabriola 12:30 p. m., 7 p. m. and 8 p. m.

Also Thursdays and Saturdays —Leaves Nanaimo 1:30, returning 7 p. m.

Sealed Tenders addressed to the undersigned and endorsed "Tender for Quay Wall and Excavation at Victoria Harbor, B. C.," will be received at this office until 4.00 p. m., on Monday, July 27, 1914, for the construction of a Quay Wall and Excavation at Victoria Harbor, B. C.

Plans, specification and form of contract can be seen, and forms of tender obtained at this Department and at the offices of the District Engineers at Victoria, B. C.; New Westminster, B. C.; Confederation Life Building Toronto, Ont. and Shaughnessy Building, Montreal, P. Q.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures, stating their occupations and places of residence. In the case of firms, the actual signature, the nature of the occupation, and place of residence of each member of the firm must be given.

Each tender must be accompanied by an accepted cheque on a chartered bank payable to the order of the Honourable the Minister of Public Works, equal to ten per cent (10 p.c.) of the amount of the tender, which will be forfeited if the person tendering decline to enter into a contract when called upon to do so, or fail to complete the work contracted for. If the tender be not accepted the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender.

NOTE:—Blue prints can be obtained at the Department of Public Works by depositing an accepted bank cheque for the sum of $25.00 made payable to the order of the Honourable the Minister of Public Works, which will be returned if the intending bidder submit a regular bid.

By order,
R. C. DESROCHERS,
Secretary.
Department of Public Works,
Ottawa, June 4, 1914.

Newspapers will not be paid for this advertisement if they insert it without authority from the Department.—58339. 3t.

Sealed Tenders addressed to the undersigned, and endorsed "Tender for Public Building, Prince Rupert, B. C.," will be received at this office until 4.00 p. m., on Monday, July 6, 1914 for the construction of the Public Building above mentioned.

Plans, specification and form of contract can be seen and forms of tender obtained at the offices of Mr. G. B. Hull, District Engineer, Prince Rupert, B. C., Mr. Wm. Henderson, Resident Architect, Victoria, B. C., and at this Department.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures, stating their occupations and places of residence. In the case of firms the actual signature, the nature of the occupation, and place of residence of each member of the firm must be given.

Each tender must be accompanied by an accepted cheque on a chartered bank, payable to the order of the Honourable the Minister of Public Works, equal to ten per cent (10 p. c.) of the amount of the tender, which will be forfeited if the person tendering decline to enter into a contract when called upon to do so, or fail to complete the work contracted for. If the tender be not accepted the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender.

By order,
R. C. DESROCHERS,
Secretary.
Department of Public Works,
Ottawa, June 5, 1914.

Newspapers will not be paid for this advertisement if they insert it without authority from the Department.—62588. 3t.

FOUR WINTERS OF RHEUMATISM

Cured of Sciatica And Muscular Rheumatism By "Fruit-a-tives"

RIDGETOWN, ONT., May 21st. 1913.

"Fruit-a-tives" cured me of Rheumatism. It was the only medicine that made any impression on me. I was a terrible sufferer from Rheumatism. I was laid up for four winters with Sciatica and Muscular Rheumatism, and was completely crippled.

Some neighbor of mine told me that "Fruit-a-tives" helped him, and I started in to take them. I used "Fruit-a-tives" faithfully for two years, taking them every day as I saw they were doing me good, and the results were marvellous.

For over two years, I have been completely free from any Rheumatic Pains whatever, and I give "Fruit-a-tives" the credit." W. H. RACHER.

50c a box, 6 for $2.50, trial size, 25c. At all dealers or from Fruit-a-tives Limited, Ottawa.

NINETEEN DROWNED.

NEWS OF SPORT

BRITISH TEAM WON POLO CHAMPIONSHIP

Meadowbrook, L. I., June 16.—England won today's deciding game in international polo with the American team. The English outplayed in both work and horsemanship their American rivals by a score of 11 to 2½.

By virtue of today's victory the British team won the championship, having won the first game by a score of 8½ to 3.

LOCAL TRAP SHOOTERS MADE GOOD SCORES

Good scores were the rule in Sunday's trophy shoot of the Nanaimo Gun Club, there being a large number of contestants, the day being ideal for good shooting.

In the shoot for the Sloan trophy R. Eastham and W. Hoggan tied for first place with 23 and R. Carr with 20 led the field in the McRae and Lucier competition.

For the Armstrong and Chiswell trophy M. McArdle was high gun with 19, McArdle's win breaking a run of three successive victories by J. J. Cottle.

The standing in the several competitions is as follows:

Charles Cheatwood	83
William Graham	83
William Hoggan	83
Richard Eastham	82
William Martin	74
Charles Martin	68

For the Sloan trophy, Messrs. R. Eastham, C. Cheatwood and W. Hoggan have each one win to their credit and for the McRae and Lucier trophy W. Martin and R. Carr are tied for the honors with 2 wins each.

For the Armstrong and Chiswell trophy J. J. Cottle is in the lead with 3 wins and M. McArdle has one win to his credit.

The next trophy shoot of the club will be held next Sunday, June 21st.

BREEZY NEWS ITEMS OF BUSY NANOOSE.

(Communicated).

The Arlington Hotel has a number of guests at the present time, who are catered to with the best the market can produce.

Mr. A. J. Burrows, our general merchant, is in Vancouver for a few days.

The Nanoose Bay Town Hall is progressing very well and will be a credit to the district when completed.

We see by the papers that the Presbyterian and Methodist Sunday School picnics are to visit us again this year. Welcome to Nanoose.

Miss Burrows, of San Francisco, Cal., is the guest of her brother and sister Mr. and Mrs. A. J. Burrows.

Swimming is the order of the day in the waters of our lovely bay.

Mr. and Mrs. T. McKay, Mrs. F.C. Stearman, Mrs. J. Wright and Mrs. A. Hilbert, of Nanaimo, were guests of Mrs. M. J. Williams, Chatsworth Villa, on Monday.

A New Vancouver Industry

The Cable Auto Tire Co., Ltd.

A company is being formed for the purpose of starting a new factory in Vancouver for the manufacture of the above-named tires, and it is expected we will be able to give employment to about one hundred men.

This offers a good opportunity to workmen mechanics and outside representatives, who can invest from two to five hundred dollars to become connected with a company which has a wide field to work in.

To those making application before the twenty-fifth of this month a bonus of stock will be given.

This new appliance is the invention of a Vancouver mechanic, and seems destined to meet a long felt want.

It consists of a number of separate bands of flexible steel wire rope, encircling the rubber tire and fastened at each side of the wheel to a special plate fitted into the rim, and it can be used with any make or size of tire.

The objects are: to prevent skidding, to make a "blow-out" impossible, to increase safety, and to reduce expense—all highly important considerations.

Call and see the tire at the office of the fiscal agents, or address PACIFIC SECURITIES EXCHANGE 616-617 Metropolitan Bldg. Phone Seymour 1699. Vancouver.

SCHOOL AFFAIRS AT SOUTH WELLINGTON.

(Continued from Page 1)

desired. The trustees would be thankful if any parent, having any complaint to make, in regard to the treatment of children, would write immediately to the principal or to the secretary for the school district. Any complaint received will receive just consideration, and, if necessary, needful steps will be taken to remove the cause of complaint.

It is the expressed wish of teacher and trustees that the school affairs be conducted without friction or unpleasantness of any kind, and as the children have responded so well in the past it is unlikely that any unpleasantness will occur in the future.

It is our duty and our desire to treat all the children alike, and to prevent as far as we possibly can, any interference with the welfare of any child attending the schools.

Yours sincerely,
S. O. HARRIS,
Principal.

Trustees—James E. Parrott, Jas. Bateman, Sec.; J. Taylor.

Winnipeg, June 16.—The Methodist conference yesterday afternoon recommended to the general conference the advisability of opening the way to women to become ministers of of the Methodist Church, this being supported by Professor Frank Allen, who stated that the Methodist church might well follow the Roman Catholic church and the Salvation Army in this respect.

The conference decided to petition Premier Borden to grant half sections of land to aged ministers who have served since 1885 continuously these half sections to come from crown lands in recognition of the services ministers have rendered as pioneers in the West.

The Efficiency of an Executor----

One of the eastern provincial premiers recently made the statement that the system of appointing individuals instead of Trust Companies as executors was becoming antiquated.

Thinking business men should leave their estates for administration in experienced hands, just as a specialist is selected in any mercantile field.

Appointed as executor the Dominion Trust Company has the necessary equipment to give you the best possible service. It has a thorough knowledge of the laws and court requirements affecting deceased persons.

The company's officers are always pleased to confer with those desiring information relative to wills or executorships.

VOLUME XIV — NANAIMO, VANCOUVER ISLAND, BRITISH COLUMBIA, THURSDAY MORNING, JUNE 18, 1914 — NUMBER 88

JURY COULD NOT AGREE

New Trial Ordered in Case of Vancouver Auto Driver Who Was Charged With Manslaughter of Martin Longman.

Vancouver, June 17.—In the Assize Court here today the jury disagreed and a new trial was ordered in the case of Harvey La Motte Virgil, a car salesman far the manslaughter of Martin Longman on January 13th last.

A feature of the case was the admission of the evidence given at the preliminary trial by Mrs. Lily Kelly one of the women who accompanied Virgil and Mr. H. M. Cottingham on the midnight ride from Eburne on Jan. 13, 1913, which is alleged to have ended in Longman's death.

In his evidence the accused told of going out to Eburne with Mr. Cottingham and the two women on the night in question in order to interview Chief of Police Simpson in regard to selling two cars to the Point Grey Municipality. He said he had nothing to drink at the Eburne Hotel when the party stopped there, because the whisky and ginger ale he ordered turned out to be whisky and sweet soda, which he did not like and refused. He told of the collision with a buggy near Magee road, to which several witnesses had sworn, but denied that he had later run into the street-cleaning gang on Granville street bridge with which Longman was employed. He noticed the red lights on the bridge and the men at work and reduced the speed of his car He said the hood of the car was down, and it would have been impossible for him to have struck a man and not have felt the impact.

Lily Kelly, who was sitting driver's seat alongside of Vic but her evidence, given at the preliminary enquiry was read to the jury. The woman corroborated Virgil's story about the drinks, and said that Virgil had not been drinking at the hotel before they left to return to Vancouver that night. She also denied that the car had struck anyone in crossing the bridge.

Mr. A. S. French, owner of the garage in which the auto was stored, was a witness for the defence. He said that the dent in the fender of the auto which Detective Champion had warned Cottingham to leave untouched until the police investigation was concluded had been taken out by his workmen at his orders, in ignorance of the request made by Detective Champion.

TWO MORE LINERS COLLIDE DURING FOG

London, June 17.—The North German Lloyd steamship Kaiser Wilhelm II., which sailed from Southampton for New York by way of Cherbourg, put into Spithead this afternoon, after a collision with another vessel during a thick fog.

Spithead, June 17.— The steamer Incemore, from Liverpool for Southampton, reports having been in collision with the North German Lloyd steamship Kaiser Wilhelm II. The bows of the Incemore were badly damaged above the waterline.

Southampton, June 17.—The Kaiser Wilhelm II., returned here this evening having apparently suffered damages below the water line in a collision during the fog with the steamer Incemore.

Hon. Thomas Taylor returned to Victoria Tuesday afternoon from a tour of public works in progress in the interior, which has occupied his time for the past two weeks. He also heard several representations as to public works, such as roads and bridges, which are required in the parts of the province he visited.

Announcement was made by Hon. George E. Foster yesterday that the department of trade and commerce had started an enquiry into the ocean freight rates question and particularly the complaints of the Dominion millers that flour is being discriminated against as compared with wheat rates.

Rapid progress is being made on the improvements and alterations to the Nanaimo Opera House.

WILL GIVE BAND CONCERT TONIGHT

The Boys Brigade Band will give a concert on the waterfront bandstand tonight commencing at 8 o'clock. The following program will be rendered:

Selection—"The Burgomaster" (Luders.)
Overture—"Sons of Erin" (Beyer.)
Selection—"Chimes of Normandy" (Planquette
Waltz—"Idalia" (Bennett)
March—"Slippery Hank" (Losey.)
God Save The King

DEATH OF NOTED WAR CORRESPONDENT

London, June 17.—Bennett Burleigh, oldest and widest known of war correspondents, died here today. Born in Glasgow nearly 70 years ago, he joined the ranks of the Confederates in the American civil war, and fought through the entire campaign, being twice captured and sentenced to death by the Northern troops.

Later he turned to newspaper work and reported a number of campaigns for a news agency. In 1882 he began his connection with the London Daily Telegraph, which lasted until his death. He followed for that paper the Egyptian war and the various Sudan campaigns, the French annexation of Madagascar, the Ashanti war, the Spanish expedition into Morocco, the first Greco-Turkish war, the Tripolitan, Transvaal, Somali, Russo-Japanese and recent Balkan wars.

NEW FRENCH CABINET HAS GOOD START

Paris, June 17.—The first appearance in the Chamber of Deputies today of the new Premier Rene Viviani, was auspicious and a vote of confidence in the Ministry was adopted, 362 to 139. Later another motion stating explicitly the confidence of the Chamber in the new cabinet was adopted 370 to 137.

All the Republican groups, with the exception of a few irreconciliable Radicals, gave Premier Viviani their votes. M. Juarez, the Socialist leader, alone attempted any hostile criticism. This was directed mainly at the military policy of the Ministry.

The Premier s answers, which were straightforward and without ambiguity, strengthened his position with the general public and those closely identified with the finances of the country. It was evident from the Premier's attitude that he had not the slightest intention of tampering with the measure providing for three years' military service.

At the close of the debate on the Ministerial declaration, the Finance Minister, M. Noulens, placed on the table a bill authorizing the issue of a loan of $360,000,000 at 3 1-2 per cent, redeemable in 25 years. The conditions of the loan are to be fixed later, but it is understood that the loan is to be divided, the first issue of 800,000 francs to be made in July. The price will not be made public until the day of the issue, in order to prevent speculation, but it is thought it will be between 90 and 95.

RIG OF SHAMROCK IV. WILL BE ALTERED.

London, June 17.—A special despatch from Portsmouth says that the rig of the Shamrock IV. is to be altered from that of a sloop to that of a cutter. The challenger for the America's Cup is to be given a longer bowsprit with jib and foresail. The despatch adds that the removal of the lead will reduce her waterline and affect the time allowance.

SURREY GAINS HANDSOME VICTORY OVER ESSEX 11

London, June 17.—Surrey gained a handsome victory over Essex today beating them by seven wickets. The high scorers were Hobbs of Surrey, who made 215, not out, and Reeves of Essex, who made 40.

Sussex beat Northamptonshire by 24 runs. Relf of Sussex knocked out 126 runs and Smith, Northamptonshire made 69.

WRITES ABOUT LOCAL POULTRY

Ald. J. Wilkinson of Ashington England, Gives His Impressions of Nanaimo District Poultry.

On Saturday last The Herald had an interview with Ald. J. Wilkinson of Trevelyn House, Ashington, Northumberland, Eng., who is at present the guest of his nephew, Mr. Harry Wilkinson, said interview being published in Sunday's issue. Ald. Wilkinson, besides attending to his duties as alderman is also an ardent poultry fancier and during his trip through Canada he is visiting all the poultry farms in the sections which he visits. During the past few days Ald. Wilkinson has visited the leading poultry ranches of Nanaimo and district and his impressions of the same he sets down in a letter to The Herald which reads as follows:

Mr. Editor:—

I am sure you will pardon me being so short a time in Nanaimo, to say or write upon anything. I will lift my hat in obedience to any who may think that I am wrong. While strolling along and casting a look round to where poultry might be, I don't see so far any of the old breeds of poultry that I am used to. I could not classify any one kind as not fit for exhibition, because we, in England, exhibit all kinds, whether they be for fancy or table. Where is the grand old Cochins, Buffs, Blacks and White? That grand and most classical the modern Game. Their qualities are charming, how graceful, how aristrocratic and full of blue blood. I have not the least doubt but they have brought the largest price of any fowl. I know one that Mrs H Aniscough sold for the handsome sum of £200. They [illegible] to grace either the poor man's yard or the rich man's. Followingthem up comes next their little brother, the modern Game Bantam. Everthing that can be said should rest here, their fine head, face, neck and small body with lady-like legs, make them most attractive both to the fully fledged exhibitor, and the passerby. There are other breeds under the same heading and of the same calibre, space forbids their mention. Many years ago when the question of laying was not much thought about any more than saying the Andulusian, the game fowl was at that time a good layer, and even of today there are old timers who still hang on to them. Then came the Brown Leghorn and the Minorca, each of these fowls have done great service, they laid a fine egg, good size and good for market. Following up came as a surprize the Silver Wyandotte, which according to some financiers beats all. Now of today which is supposed to stand the highest is the White Wyandotte, as a great fowl of many qualities champion layers, and a good table fowl (pronounced.) At the last international poultry show at the Chrystal Palace in London, I there saw classes of Rhode Islands with from 15 to 45 in a class both single and rose comb, the craze is on and every way round this bird, I have not the least doubt that the whole world of fanciers are looking to the Rhode Island fowl as the greatest for all purposes. To my mind they are graceful, stand well, tall nice long bodies, beautiful skin, the flesh is tender, juicy, but not fat nor interwinding with hard course mussles, they are good layers especially in Winter when eggs are dear. To some people the eggs are of the finest quality, and for market purposes, beautiful clean and irresistable to buyers. So far what I have seen the breed of poultry in Nanaimo and district are a spoiled White Leghorn, one may commence at the comb, head and a face, down the body, tail and legs and when finished say what have you ended at. Experience is a great teacher and if there be faults, the people who keep and cherish them may know and with all their faults say this is the best bird to suit our purpose, and there the thing ends. I would like to say about the climate. I think it is charming for fowl raising.

Yours etc.,

JOHN WILKINSON.

Washington was officially informed yesterday that Generals Villa and Carranza had patched up their differences.

Rev. Dr. W. T. Herridge, of Ottawa, who has been elected Moderator of the General Assembly of the Presbyterian Church, which is meeting at Woodstock, Ont.

SPECIAL MEETING BOARD OF TRADE

Important Meeting Will be Held at 11: 30 This Morning to Discuss Inauguration of Motor Bus Service in City

A special meeting of the Nanaimo Board of Trade will be held this (Thursday) morning at 11:30 for the purpose of meeting Mr. Baynes of the District Mator Bus Company, Victoria, in reference to a proposal to inaugurate a motor bus service in Nanaimo.

As the question is one of very great interest to every member of the Board and to the city in general, a large attendance is urged at this morning's meeting, which will be held in the Board of Trade Rooms in the City Hall.

ARE PUZZLED OVER HINDUS

Climax of Fight by Hindus On Komagata Maru to Enter Canada is Promised on Friday.

Vancouver, June 17.—The climax of the fight by the Hindus to enter Canada is promised for Friday. It may be delayed a day or two after that, but that was the date set for the departure of the vessel when Mr. C. Gardner Johnson, agent for the vessel, went aboard Tuesday afternoon and conferred with Gurdit Singh He found that Oriental leader in very bad spirits. The Komagata Maru is seething with an insurrection, for the Hindus are not only full of fight against the immigration officials but they are making Gurdit Singh's life one grand procession of trouble.

Early Tuesday the first serious outbreak occurred when Capt. Yamamoto sought to comply with an order of the harbor master to move eastward to a point off the Heatley avenue wharf. The port officials wished to give the berth now occupied by the Komagata Maru to the two Japanese warships which are expected here at the end of the week. The ship could not move without steam and the Hindus would not allow the Japanese stokers to get into action to get steam up. The Hindus feared that the ship would be sent away on her return journey to Japan.

Against the crew of thirty the Hindus easily won the day. Captain Yamamoto came ashore and spent the noon hour conferring with Major Johnson.

In the afternoon the latter went aboard and found things in great turmoil. It was propcsed that tugs be allowed to tow the vessel to her new mooring place, but the Hindus declared through their interpreters that they would allow no one to move their vessel, acting from inside or out. They insisted that they would fight before being moved and interspersed their statements with a good deal of criticism of Gurdit Singh, and the Hindu physician aboard the ship, whom they do not regard in a friendly manner. When Mr. Johnson's party came ashore it was decided that it was hardly worth while forcing an issue that might result in a fight and the Hindu ship will be left where she is. Other berths will accordingly be found for the Japanese war vessels.

How to force the departure of the Hindus is a question that is causing tremendous worry to the officials, as well as to Captain Yamaoto. The latter is awaiting the arrival of the Japanese cruisers, in the hope that on Friday night or Saturday they will lend him a hundred armed men to keep the Hindus in subjection while going across the Pacific, but some unpleasant international complications may attend a move of this kind. There is said to be reason to fear that, rather than leave, the Hindus will set fire to the ship and leap overboard, to be rescued by their shore compatriots, who are quite often cruising in launches in the vicinity of the Komagata Maru.

It is now proposed to provision the ship immediately for the return trip. The owners have sent several peremptory cables that the vessel must go. Undoubtedly Ottawa is urging the samt course, but how to start her in the face of the determined opposition on board is a question. The little vessel is terribly overcrowded as it is. To guard the party day and night, would take a hundred men, and there is no possible chance of putting half that number of white guards aboard. The Japanese marines might possibly handle the situation. To place them aboard or indeed to put White guards aboard may mean trouble. A fight between Hindus and Japanese in a Canadian port might cause some diplomatic difficulties.

LOOKING INTO LOCAL SITUATION

Mr. Banes of District Motor Bus Co. of Victoria is in Nanaimo—May Install Bus Service Here.

Mr. H. Baynes, of the District Motor Bus Company, Victoria, arrived in the city yesterday and will remain here for a couple of days investigating conditions with the idea of inaugurating a motor bus service in Nanaimo and district provided he feels satisfied local conditions warrant the same and he can secure the necessary franchise from the City Council.

This morning Mr. Baynes will make a tour of the district with Mr. H. May of this city, and investigate for himself the condition of the roads, grades, population, etc, after which he will be in a position to state definately what he is prepared to do in the way of inaugurating a bus system, the number of busses to be operated, and routes of service should one be inaugurated.

Should the District Motor Bus Company decide to go ahead with its proposal, every assistance will be given it by the Board of Trade of this city. A special meeting of the Board will be held this morning at 11:30 for the purpose of giving the members an opportunity of meeting Mr. Baynes and hearing his proposition, which if put into effect would undoubtedly prove of immense benefit to Nanaimo and district.

Should a motor bus service be inaugurated in Nanaimo by Mr. Baynes and his company, it is probable the service would commence with six cars of 25 seating capacity, each car representing a value of $4,000 or more. These busses would be run on schedule to all points in the district, viz South Wellington, Reserve Mine, Nanaimo River, Five Acres, Brechin, Departure Bay, Northfield, Wellington, and possibly Nanoose.

CHAINED HERSELF TO STATUE; CROWD JEERED.

London, June 17.—A militant suffragette created a diversion today in the centre of the city by chaining herself to the statue of the Duke of Wellington, in front of the Royal Exchange. She then shouted to the passing business men, calling on them to intervene in behalf of the imprisoned women. She was eventually moved by the police amid the jeers of a large crowd.

It is reported that Sir Donald Mann will shortly visit Victoria on business. A steamer laden with rails left Sydney, C. B., yesterday for Port Mann. Part of her cargo will be used on the Vancouver Island line.

CLARK-FARRAR WEDDING YESTERDAY

The marriage took place yesterday at the home of the bride's parents of Mr Gordon Clark, of the E & N office staff, and Miss Annie Farrar, daughter of Mr. and Mrs. George Farrar, Newcastle Townsite. The Rev. F. Hardy, pastor of the Wallace street Methodist church officiated, this being the first wedding ceremony he has conducted since his recent arrival in Nanaimo. Mr. Thomas Crossan was best man while Miss Nellie Anderson was bridesmaid. The affair was a very pretty house wedding.

The groom is a very popular young man while the bride is equally well known in the city.

Mr. and Mrs. Clark will reside in the city.

NOTED BRIGAND EVADES CAPTURE

Peking, June 17.—"White Wolf" the notorious Chinese brigand, together with 1,000 of his followers, broke through today the circle of regular troops which had surrounded him on Lily Mountain, 100 miles to the south of Lanchow since June 4. Gen. Chao, with 5000 regulars followed the brigands in hot pursuit.

"White Wolf" after devastating the provinces of Hu Peh, Ho Nan and Shen Si, on June 4, attacked Tao Chow, in the extreme south of Kansu, and after robbing the inhabitants burned the town to the ground He and his followers were afterward surrounded by the regulars.

SEIZED GOODS OF PAVING COMPANY

Victoria, June 17.—Although only $249 was involved several interesting points were raised in the court of appeal this morning in the case in which Sheriff Richards sought to recover poundage fees in respect of his seizure of property belonging to the Canadian Mineral Rubber Company by way of execution of a judgment in favor of the Producers' Rock and Gravel company.

The sheriff seized some goods of the Canadian Mineral Rubber company, but a day or two afterwards the Producers' Rock and Gravel company received a cheque from the judgment debtor in partial payment of the debt. The Producers' Rock and Gravel company argues that, as negotiations to this end had been carried on before seizure, the sheriff was not entitled to his poundage as he had nothing to do with getting the money.

Another objection was raised to the effect that three or four days before possession was taken an order was issued in Toronto winding up the Canadian Mineral Rubber company and the proceedings were therefore voided by the statute which prohibits seizure of the goods of a company in liquidation. The sheriff set up that nothing was known of the wind-up order here and that he acted in good faith on a writ of the court.

The appeal was from Mr. Justice Murphy. H. W. R. Moore acted for the sheriff and H. A. Maclean, K. C. for the Producers' Rock and Gravel company.

The above item will be interesting to Nanaimo ratepayers in view of the Canadian Mineral Rubber company, the company referred to, being holders of a contract for the paving of a number of streets in this city.

GEOLOGICAL AUTHORITY LEAVES FOR MT. LASSEN.

Redding, Cal., June 17.—Mount Lassen continued quiescent today, although black smoke was still pouring from the origional crater to about the same extent as yesterday and the day before.

J. H. Diller, of the United States geological survey, the foremost authority on the Lassen ridge district, left here today to make observations.

There was considerable demand for the lands thrown open yesterday at Port Alberni government agency for pre-emption in the Ucluelet peninsula These lie close to the shore and within easy reach of steamer transportation, and a number of settlers sought them.

CAPT. KENDALL'S STORY DENIED

Captain and First Officer of Storstad Gave Evidence at Enquiry Into Wreck of Empress of Ireland.

Quebec, June 17.—The captain and the first officer of the collier Storstad testified today at the Empress of Ireland wreck inquiry and contradicted in several particulars the statements made on the stand yesterday by Capt. Kendall, of the lost liner. The first officer, Alfred Tuftens, who was in command of the Storstad when the collision occurred, insisted that there was no explosion and no sheet of flame from the side of the Empress when she was struck as Captain Kendall had described.

The first officer admitted he had not obeyed instructions in failing to call his captain from below when the fog shut down just before the collision. It was the speed of the Empress, he explained, which caused the Storstad's bow to sink twelve feet into the side of the passenger vessel.

When First Officer Tuftens of the Storstad took the witness stand, Butler Aspinall began his cross-examination on behalf of the C. P. R. owners of the Empress. The witness was in charge of the collier immediately prior to the collision. Tuftens said he did not know whether the master of the Storstad got a bonus for a speedy trip with coal for the Dominion Coal company between Sidney and Montreal.

Captain Anderson, of the Storstad sitting in the rear of the court, was asked about it and replied in the negative. The witness admitted that the ship was unloaded at night at Montreal.

"Time is apparently important, then?" commented the attorney.

Tuftens conceded that it seemed to be. He denied that the Storstad was navigated in the fog for one hour and a half prior to first seeing the masthead lights of the Empress. When the lights came into view, he said the Empress was about six miles away and one and a half points on the Storstad's bow. She was pursuing a course across the collier's bows

Tuftens said he ordered the helm aport and a little later hard aport.

"Did you stop when the Empress blew two long blasts" asked Aspinall.

"I did not hear them."

"That would mean she was stopping?"

"It would."

"Did you expect your ship would answer that hard aport helm?"

"I did."

"Why didn't it?"

"The engines were not working long enough to give her headway."

GRAND TRUNK PACIFIC SERVICE IS EXTENDED

Announcement has been made by the Grand Trunk Pacific railway that their transcontinental line is now open for the regular freight and passenger traffic to Priestley, a distance of 337 miles east of Prince Rupert. Service was suspended over this portion after slides earlier in the year. A large force of men is engaged in ballasting the intervening stretch of 130 miles from Priestley to Fort George, which is expected to be ready for traffic late this summer. The bridge across the Nechaco is expected to be ready for use next week.

GRAIN WAREHOUSE ON FIRE, LOSS IS $20,000.

Turner, Ore., June 17.—Fire here early today destroyed the Thiessen and McCalab grain warehouse and for a time threatened destruction to the entire town. In response to appeals for assistance, firefighting apparatus from Salem was rushed here and helped prevent the flames spreading. The warehouse was stored with grain and the loss is estimated at $20,000.

CONSUL ACCUSED OF HELPING REVOLUTION.

Santo Domingo, Dominican Republic, June 17.—The Dominican government today asked the United States government for immediate withdrawal of the American consul at Puerto Plata, on the ground that he had sided with the revolution.

SITUATION TURNED

The British Unionists are putting the best face they can on a rather sorry situation. It did not require a prophet to be able to say that when they forsook reason for arms they had entered upon a very dangerous course. A well-trained gun is a very potent argument so long as the other side is unarmed or is caught unawares. For a long time the Ulster volunteer force was regarded as an empty bluff. It may have even been that in the beginning, but, if so, it grew beyond the intentions of its founders. At one time it threatened to disrupt the army and convulse the Empire. Since then the government has been defied, and arms and ammunition smuggled into Ulster against the law. And in its strength and training and efficiency the Ulster volunteer force has been the pride and the boast of the Unionist leaders. All its actions even to the open violation of the law, were vehemently defended by the party leaders. Now the Nationalists have organized a volunteer force. Naturally it will be the bigger and the stronger force. And the Unionist leaders, after having supported and upheld the Ulster volunteer force are now denouncing the Nationalist volunteers and demanding from the government what it means to do. Politics is sometimes a mean and shiftless game. Lord Lansdowne accuses the government of allowing two irregular and embittered armies to drift into conflict. But the government did not organize these armies. If there had been no Ulster army there would have been no Nationalist volunteer force, and Lord Lansdowne and his associates ridiculed and derided every attempt on the part of the government to suppress the Ulster movement. And Ulster was organized not only to resist a certain contingency when it arose but if possible to prevent it arising. The arming of Ulster was an answer to all argument in favor of Home Rule. Indeed in a sense it ended all argument and precluded an arrangement by compromise. If there were no politics in the movement it means in the last analysis that in the Mother Country itself there is no real faith in the justice and fairness of its institutions. Unionist statesmen have accused the government of conspiring to bring about civil war in Ireland. Rudyard Kipling has repeated the same charges in more inflamed and vulgar language, and it is no wonder that when Christian statesmen of old England accuse each other of worse crimes than murder, the common people should grab a gun. But for these same statesmen the question would have been amicably settled long ago.

VILLA REBEL AGAIN

The expected has happened in Mexico. Villa is reported to have broken with Carranza. It has to be borne in mind that many things which are expected to happen, are finally reported as having happened. It is a simple matter of intelligent anticipation on the part of the enterprising news vendor. It may turn out that the report of the split between Villa and Carranza, like the report of Mark Twain's death, is grossly exaggerated. At the same time it is highly probable. Villa has professed nothing but devotion for Carranza, and Carranza nothing but trust in Villa. The character of either man is sufficient to invalidate any profession he may choose to make. Carranza needed Villa. It is the latter who has done all the real fighting. Now when the end is in sight, so far at least as Huerta is concerned, Carranza's faith in Villa has suffered a speedy chill. Villa seems to have perceived it, and it is not improbable that all his professions notwithstanding the presidency is as alluring to Villa as Carranza. And now, say the reports, he has laid his hands on Northern Mexico, or on the part of his country from which he drove the Huertan forces. The general Mexican situation, as a consequence, is more complicated today than ever it was. Carranza is still at war with Huerta, and Villa has seized a section of the country readiest to his hand. It is doubtful if Carranza can drive Huerta out of Mexico City without Villa's help, and should Villa turn on Carranza's rear, the constitutionalists would be smashed like a nut. Meanwhile at the mediation conference Carranza's delegates have been refused admission. The United States insist upon a constitutionalist successor to Huerta, and the Huerta delegates won't hear of such a proposal. President Wilson may be able to take steps to overcome the split between Villa and Carranza and the deadlock in the conference but he has done nothing so far in his handling of the Mexican situation to justify such a hope.

An accident to an oil freighter off a Mexican port demonstrates the necessity of these ships being equipped with some type of safety helmet. The mate of the ship, a Sunderland man, was overcome by poisonous gases in the hold of the vessel, and one after another five men sacrificed their lives in a vain attempt at rescue. Even then the captain had to forbid others of the crew from venturing into the death trap. Next he wired for assistance and firemen equipped with safety helmets, brought the men out but too late to save their lives. Had the vessel been equipped with a single helmet, not one of these six lives would have been lost.

The British House of Commons for the second time has adopted the Plural Voting Bill. The main feature of this measure is the principle of one man one vote. With all its traditions the United Kingdom has not yet reached this stage in democratic government. A man may have one vote or several according to his property qualifications. If, as in Canada all the elections were held on one day, it would still be a matter of some difficulty to vote in more than one constituency. But the elections in the Old Country last over several days and a man may vote all over the country if his property qualifications will permit him. In spite of the principle involved, and its general recognition in the British Dominions, the House of Lords threw out the measure. It will be interesting to note what action they will take in regard to the bill this time.

DECLINE SUBSTITUTES

HUDSON'S BAY DIVIDEND

London, June 17.—The Hudson's Bay Company in annual meeting today declared a dividend of forty per cent. as against fifty per cent. for the year 1912-13. The new governor Sir Thomas Skinner, pointed out that the results whether from fur, land or stores, were not, however, altogether unfavorable. The latest statement shows that the cash received for town lots and farming lands for twelve months to March 31 last, amounted to £343,935 as against £627,724 in 1912-13 and £294,809 in 1911-12. In 1912-13 the circumstances were exceptional. The store trade produced profits for the year of £63,758, the fur trade £55,008.

Yesterday morning a deputation from the Victoria Trades and Labor Council waited upon the Premier, Sir Richard McBride, on the question of present industrial conditions in that city. The situation was canvassed at some length, and the Premier promised to give the representations made him his best consideration. The delegates from the Trades Council present at the interview were Messrs. John Day, Christian Sivertz and Thomas Matheson.

GETTING BULLS READY FOR SPANISH ARENAS.

Whatever one's views may be in regard to bull fighting there is one feature of the national sport of Spain which is particularly interesting to the visitor and sightseer. The bulls for the arena are usually kept in large paddocks, wild and unfettered, for, as Sir Albert Rollit, who has visited one of these paddocks near Seville, says, "The animals know nothing of ropes or chains during lifetime."

It is a dangerous business, however, entering these paddocks. Sir Albert stood some fifty paces from the bulls and in his interesting letter describing the scene, published in Country Life, says, "We entered with our lives in our hands."

The bulls, however, are kept in order by a cordon of tame oxen, which, if a bull attempts to escape, at once prevents it doing so, acting skillfully and effectively as a species of bovine police. "The night before the spectacle in the bull ring at Seville" to quote Sir Albert, "the bulls are driven, still quite at large, by picadora along the boulevards, intermixed with the oxen and restrained only by them. On my asking if there must not be danger to the public using the boulevard, the reply was that occasionally a bull might hide in the bushes of the central gardens and fall foul of a workman in the morning, but such incidents did not seem to be regarded as matters of much importance compared with the popularity of the national amusement. At times many of the aristocracy and others of both sexes ride on horseback in advance of the bulls, which is regarded as fine, but rather dangerous sport.

"When at or near midnight the bulls thus enter the bull ring, the scene is one of great turmoil, noise and excitement. In rush the driven animals, bulls and oxen, helter skelter, a motley crowd of men and beasts, a veritable pandemonium. The last scene is most interesting of all. Stables with open doors encompass the arena, in front of each of which is a sliding door and at the back a lighted lantern. These lanterns the bulls makes for one after another, smashing them and extinguishing the lights, and as each light is observed by an attendant to be put out, he slips down the door of the stable and the bull is thus encaged and ready for the Spanish holiday of the morrow. Successively the lights disappear, and when all are out and the doors of the stables closed the police oxen are driven out of the bull ring to return to their more peaceful paddocks and to render similar service to other bulls and other devotees of the bull ring."

INVENTS SAFETY SUBMARINE

St. Cathrines, Ont., June 17.—Lieut. G. S. Gordon, of the British navy, who has completed a model of a submarine in St. Catharines, has sent it to the naval office in England, where the new invention will be given a practical trial. The invention consists of a conning tower, which can be detached from the main part of the craft in case of disability while under the water, allows the entire crew to take refuge in the tower and ascend to the surface of the water in safety. He made a recent trial in Lake Ontario at a depth of 250 feet, and the model worked perfectly.

At the Yarmouth Y.M.C.A. Boys' Camp, held at Tusket Falls in August, I found MINARD'S LINIMENT most beneficial for sun burn, an immediate relief for colic and toothache.

ALFRED STOKES,
General Secretary.

Mr. Business Man!

When you want Job Work you want it promptly.

You can have this at The Herald Job Department, besides getting work that is both correctly and artistically done.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining right of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the North-west Territories and in a portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,500 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-agent in the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal sub-divisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise.

A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10.00 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or sub-agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

DEPARTMENT OF WORKS. NOTICE TO CONTRACTORS.

Harewood School.

Sealed Tenders, superscribed "Tender for Harewood School," will be received by the Honourable the Minister of Public Works up to noon of Monday, the 6th day of July, 1914, for the erection and completion of a six-room school-house at Harewood, Nanaimo, in the Alberni Electoral District.

Plans, specifications, contract, and forms of tender may be seen on and after the 15th day of June, 1914, on application to Mr. W. H. Jones, Secretary of the Harewood School Board, Nanaimo; Mr. J. Mahoney, Government Agent, Court-house, Vancouver; Mr. George Thomson, Government Agent, Nanaimo, and the Department of Public Works, Victoria.

By application to the undersigned, contractors may obtain one copy of the plans and specifications for the sum of ten dollars ($10), which will be refunded on their return in good order.

Each proposal must be accompanied by an accepted bank cheque or certificate of deposit on a chartered bank of Canada, made payable to the Honourable the Minister of Public Works, for a sum equal to 10 per cent. of tender, which shall be forfeited if the party tendering decline to enter into contract when called upon to do so, or if he fail to complete the work contracted for. The cheques or certificates of deposit of successful tenderers will be returned to them upon the execution of the contract.

Tenders will not be considered unless made out on the forms supplied signed with the actual signature of the tenderer, and enclosed in the envelopes furnished.

The lowest or any tender not necessarily accepted.

J. E. GRIFFITH,
Deputy Minister and Public Works Engineer.

Department of Public Works,
Victoria, B. C., June 10th, 1914.

VICTIMS OF TRAGEDY

Keewatin, Ont., June 17.—The body of Frank Mext, who murdered his wife and fourteen-month-old child, has been recovered from the lake, as well as the bodies of Mrs. Mext and the child. The search had been continued since daylight this morning, and late this evening the rumor had gained credence that Mext had swum to shore and escaped. The finding of the body sets all doubts at rest.

BEQUESTS TO HOSPITALS

Montreal, June 17.—Several Montreal hospitals and other institutions benefited in large amounts under the will of the late Mr. James Ross, who died in this city September 20, 1913, and whose will has been admitted to probate. Mr. Ross left $100,000 to the Art Association of Montreal, to the Royal Victoria Hospital $50,000, to the General Hospital $50,000, Maternity Hospital $50,000, Alexandra Hospital $25,000, and to the Ross Memorial Hospital at Lindsay, Ont., $25,000.

Practical Fashion Hints

By Alice Gibson

Soft shirts will be favored by men this season more than ever before. They are being made up in the usual shirting materials and silks, crepe de Chine, China silk, etc., instead of the plain colors to which we have so long been accustomed, many of the new shirting silks show rather bright stripes on plain grounds; blue, pink, lavender, etc., on white.

This model No. 5848 is simply cut and may easily be made at home. It has a yoke back, detachable high or turned-down collar and the sleeves are finished with French cuffs.

To make this garment in size 34, requires 3 yards 36-inch material.

Pattern is cut in 11 sizes: 24 to 46.

This is a Perfect Pattern.

In selecting this pattern, one must be governed entirely by the neck and breast measurements.

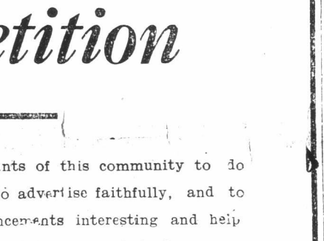
The pattern may be obtained by sending name and address, pattern No. and size and fifteen cents to DAVID SPENCER, LIMITED.

Keep Minard's Liniment in the house.

Offsetting Competition

The thing for the merchants of this community to do in their own interests is to advertise faithfully, and to make their printed announcements interesting and helpful to those whose trade and favor are desired.

The serious competitors of the retailers of this community are the big stores of the big cities—those that send out catalogues and have mail-order departments.



The poorest way to offset this competition is for our local merchants to remain silent. For them not to "speak up" is to give the mail-order houses a better chance to get business from this community.

A WORD TO THE PUBLIC

When you send your money out of this community, you enrich the great shops and impoverish this community. Strengthen, not weaken, the merchants of this community. It will all be returned to you in the form of better service and better values.

Be Loyal to Your Own Community

McDONALD'S MARK IS RECOGNIZED AS RECORD.

New York, June 17.—The new world's record of 46 feet 2¾ inches with the 18 pound hammer, which was made by Patrick McDonald at the annual games of the Irish-American A.C. on Memorial day, has been accepted by the American Amateur Athletic Union. Upon the weighing of the hammer by the record committee it was found to be two ounces over the required weight.

ENGLISH TENNIS TEAM TO PLAY THE BELGIANS

London, June 17.—England's team to contest the eliminatory matches against Belgium in the contest for the Dwight F. Davis International Lawn Tennis Trophy was chosen today. It is composed of James C. Parke, H. Roper Barrett, T. M. Mavrogordato and Lieut. Algernon R. F. Kingscote of the British army.

The matches are to be played at Folkstone on July 7, 8 and 9. The successful team will play France at Wimbledon on July 11, 13 and 14.

AN HISTORIC BELL.

(New York Tribune.)

Hidden in an old New England mill is an object older than the oldest title of the English Peerage, an object made before the English Parliament was formed. It is a bell, still in daily use in a factory at Sayles-ville, Rhode Island. Around the bell about four inches from the crown, is this superscription: "Peter Secest. Amsterdam, Anno 1263, me fecit."

The date, together with other well authenticated facts, leads the belief that the bell was long used in a convent belfry in England and ... taken therefrom for public use during the Reformation. But the connecting link between its life in the old world and its advent to America is the famous naval battle between the Guerriere and the Constitution.

The Guerriere, a helpless wreck, was rolling in the trough of the sea, while her brave but defeated commander, Capt. Dacres of the Royal Navy, on the deck of the American frigate, the Constitution, was offering his sword to gallant Captain Hull.

The two officers had been friends in time of peace, having often exchanged hospitalities at the Mediterranean ports, and now Hull's magnanimity shone out.

"I'll not take your sword, Dacres" said he. "Keep it."

In the meantime the boats of the Constitution were busily engaged in transporting the crew of the defeated ship to the deck of the victor. A midshipman reported to the first lieutenant that the ship's bell had been carried away by a grapeshot from the Guerriere, and that there was no way of announcing the time to the ship's company.

At that moment the Guerriere gave a succession of heavy plunges, and the clear tones of a fine bell rang over the water.

"Go get the Englishman's bell," said the lieutenant to the midshipman. "There will be no further use for it on board that craft."

The Guerriere surrendered at 7 o'clock in the evening of August 19, 1812, and at 8 o'clock the same evening Peter Secest's bell in sonorous tones, rang out the hour on board "Old Ironsides."

With the lapse of time the bell, amid the confusion and debris common to a great navy yard, became misplaced, lost its identity, and was thrust carelessly to one side. It found its way to the scrap heap, was afterward sold by the United States, and finally came to rest in its present quarters.

CAMERA CLUB IS BECOMING POPULAR

(Communicated)

The local Camera Club has now commenced to take things seriously and has made an energetic start upon its purpose of creating a lively interest in photographic art over as large an area as possible, without recommending any special line of goods, or showing preference to any particular dealer. They have commenced with the announcement of an open competition, which they expect will bring out many idle cameras into the field of active service. All amateur photographers, regardless of any other consideration, are invited to compete. They are requested to make a few exposures of any interesting subject during the week, and bring the plates or films to the club's meeting next Monday for developement. The development will take the form of a practical demonstration on the subject. Questions relative to development will be answered by an expert. A few of the best negatives will be chosen and set aside for the succeeding Monday, to be used in a demonstration on enlarging. The owners of these negatives will be presented with the enlargements made from them. All negatives will be returned to their owners, without charge for development.

These two meetings will be of value to all. After attending the first a beginner should be able to develop his own films with reasonable success. The second will give a good introduction to enlarging, and will be of great value to those who intend to join the club, since the club places an enlarging lantern at the disposal of all members.

When you've ordered Silk do you accept Sateen?

Almost a foolish question, but—not quite!

There are still some people who order Kellogg's Corn Flakes and are given a substitute "just as good"—and accept the imitation.

The difference between

Kellogg's

CORN FLAKES

and the "just as good" kind is even greater than the difference between silk and sateen.

The great difference is in the flavor and the nutriment.

Be sure that you ask for and get Kellogg's. It is the original.

THE NEXT HOUSE OF COMMONS

Redistribution having been decided upon the next House of Commons will contain 234 members, as opposed to the present number of 221. It is interesting to note that in the revised figures the greatest gain in membership has been made by British Columbia and Saskatchewan, so that proportionately speaking, these two provinces in the matter of population, are growing faster than any other province in the Dominion. Where Eastern Canada has at present 186 members in the House the number after the next election will be 177. Western Canada, now represented by 35 members, will have 57 when redistribution goes into effect.

The standing in the new House and the present one is as follows:

	Present	New
Ontario	86	82
Quebec	65	65
Nova Scotia	18	16
New Brunswick	13	11
Manitoba	10	15
Saskatchewan	10	16
Alberta	7	12
British Columbia	7	13
P. E. I.	4	3
Yukon	1	1
Totals	221	234

The traffic report of the Vancouver and suburban division of the B. C. Electric Railway lines for the month of May shows that 3,370,943 passengers were carried during the month. this being a decrease of 896,307 passengers as compared with the corresponding month of 1913, when 4,267,250 passengers were carried. Vancouver will receive a check for $6675.48 as percentage on the May business over the city lines as compared with $7107.24 for May, 1913, a decrease of $431.76.

UNION JACK TO FLY DAILY

London, June 17.—Militia orders have been issued cancelling all previous orders with respect to the flying of the Union Jack from drill halls, armories and forts, and ordering that the flag hereafter is to be flown daily from all military stations, forts armories and drill halls in the large cities and towns of Canada.

Nice, France, June 17.—The hearing in a suit brought before civil court by Mme. Marcelle Navratil, widow of a victim of the Titanic disaster, was begun yesterday. Mme Navratil asks damages to the amount af $30,000 for the loss of her husband. Counsel for the White Star Line raised the question of competence, and the court reserved decision.

The Vancouver Medical Association has extended an invitation to the Canadian Medical association to make Vancouver the place of its convention next year. The City Council supported the invitation.

At yesterday's session of the W. C. T. U. convention in Victoria, in making a resume of work of the various towns throughout the province, Nanaimo's progress was especially mentioned, this union, despite the difficulties of the past year in this district, having collected over $300 for the work.

Big dance Saturday at Northfield in Duggan's Hall. 2t

The Nanaimo Musical Club is holding a garden party on Tuesday next on the grounds of Mr. and Mrs. J. E. T. Powers, Newcastle Townsite. Tea will be served from 3:30 to 5 and in the evening a musical program will be rendered and games provided for the entertainment of the patrons. Admission to the grounds in the evening will be 10 cents.

There will be a full practice of the Cricket Club this evening at the usual hour. A meeting will be held after the practice and as there is important business to discuss a full turn out of members is requested.

The funeral of the late Richard Drew, whose death Tuesday in the local hospital was announced in our last issue, will take place on Friday afternoon, leaving the Oddfellows' Hall at three o'clock. The Black Diamond Lodge, I. O. O. F. of this city are in charge of the funeral ceremonies, the deceased having been a highly respected member of the order. The Rev. Dr. McLennan will conduct the burial services.

OPPOSE SALE OF BATTLESHIPS.

Buenos Aires, June 17.—In a secret session of the two Houses of Parliament today the Argentine Government declared that it was opposed to any proposition for the sale of battleships Rivadavia and Moreno.

Ask for Minard's and take no other.

Communication

Nanaimo, B. C., June 17, 1914.
Editor Herald,

Sir,—While your editorial in this morning's Herald is excellent in every respect, there is one part of said article which in my humble opinion ought to receive the special attention of all who are interested in the coal strike which has certainly made Nanaimo famous. The portion of your article to which I refer is as follows: "There was a time when a sympathetic strike in the coal mines of Washington might have assisted the cause of the men on strike on the Island." Now in this connection it is well to remember the pledge given by Mr. Russell, the official of the U. M. W. organization in the state of Washington, in the Princess Theatre on May 1st, of last year.

In his address on that occasion, Mr. Russell stated that if the market of British Columbia was supplied with coal from Washington, the miners of Washington would lay down their tools. When Mr. Russell uttered the words which I have quoted coal was coming into British Columbia from Washington in thousands of tons monthly, and had been since the inception of the strike at Cumberland. This was denied by the officials of the U.M.W.A. to serve their own ends, but notwithstanding all the official denials we now know the full particulars of this aspect of the great coal strike.

Only recently I obtained from the customs department at Ottawa the following information regarding the importation of Washington coal which may interest many of your readers.

The importation of Washington coal is as follows, for the four principal cities of British Columbia:

Vancouver	128,152 tons
Victoria	62,254 tons
New Westminster	25,152 tons
Prince Rupert	18,574 tons

While the above figures are surprisingly large, it is very probable that they don't represent more than one half of the benefit derived by the Washington coal interests from the Island strike.

It is also well to remember the foul charge levelled against the Nanaimo men of scabbing by supplying the market of Cumberland and Ladysmith. We now know that the market of the latter places was supplied from Washington, where evidently scabs are as plentiful as roses blooming in the month of June.

Here are some sound reasons for believing that the whole of the mining troubles on the Island were designed for the special benefit of the Washington coal interests.

First: The fact that Mr. Frank Farrington has declared that the Island coal had displaced the Washington coal in the American cities on the Pacific Coast. Second: That the officials of the U. M. W. A. have denied that the Washington coal interests were benefited by the Island strike. Third: The pledge of Mr. Russell that if coal was imported into B. C. from Washington the miners of that place would lay down their tools.

What I ask, do all these, and other similar facts, mean in the face of the large amount of coal imported. To me it is as clear as the shining of the sun at noon that the welfare of theinterests of Washington was what the officials of the U. M. W. A. were aiming at, and in days to come the officials of the U. M. W. A. ought to be known as the labor leaders who deliberately deceived and betrayed the miners of Vancouver Island for the purpose of helping the Washington coal owners to regain the markets which they had lost and successfully compete with their rivals on the Island.

Yours truly,
W. WOODMAN.

WARSHIP FOR DURAZZO

London, July 17.—Great Britain has ordered a warship to proceed at once to Durazzo, to insure the safety of Prince William and his family. The other powers are also sending warships.

A New Vancouver Industry
The Cable Auto Tire Co., Ltd.

A company is being formed for the purpose of starting a new factory in Vancouver for the manufacture of the above-named tires, and it is expected we will be able to give employment to about one hundred men.

This offers a good opportunity to workmen mechanics and outside representatives, who can invest from two to five hundred dollars to become connected with a company which has a wide field to work in.

To those making application before the twenty-fifth of this month a bonus of stock will be given.

This new appliance is the invention of a Vancouver mechanic, and seems destined to meet a long felt want.

It consists of a number of separate bands of flexible steel wire rope, encircling the rubber tire and fastened at each side of the wheel to a special plate fitted into the rim, and it can be used with any make or size of tire.

The objects are: to prevent skidding, to make a "blow-out" impossible, to increase safety, and to reduce expense—all highly important considerations.

Call and see the tire at the office of the fiscal agents, or address

The Efficiency of an Executor----

One of the eastern provincial premiers recently made the statement that the system of appointing individuals instead of Trust Companies as executors was becoming antiquated.

Thinking business men should leave their estates for administration in experienced hands, just as a specialist is selected in any mercantile field.

Appointed as executor the Dominion Trust Company has the necessary equipment to give you the best possible service. It has a thorough knowledge of the laws and court requirements affecting deceased persons.

The company's officers are always pleased to confer with those desiring information relative to wills or executorships.

DISCUSSED MOTOR BUS SERVICE

Members of Board of Trade Met Yesterday and Received Proposal of Bus Service for Nanaimo from Victoria Promoters.

Messrs. Grey and Baynes of the District Bus Company, Victoria, met the members of the Nanaimo Board of Trade yesterday morning and discussed with them the proposal of inaugurating a Motor Bus service in Nanaimo and district as outlined by The Herald in yesterday's issue.

The proposal of the promoters is to inaugurate a motor bus system provided they can secure certain privileges from the city which are:

1st. The sole right to operate a motor bus system for a period of ten years.

2nd. Exemption from taxation for ten years.

3rd. Free water.

4th. The city to undertake to put the streets on which the busses operate in a passable condition.

5th. Free garage site 100 x 150.

The special meeting of the Board was well attended and presided over by vice-president T. W. Martindale. Messrs Grey and Baynes addressed the meeting, advancing their proposal which was to provide a service which would tap South Wellington. Reserve Mine, Chase River, Jingle Pot, Northfield and Wellington, and the meeting appointed Messrs. T. Martindale, Capt. Yates, H. Shepherd and T. Kitchin a committee to meet the promoters, secure their proposal in writing and submit the same to a meeting of the Board of Trade which will in turn take the matter up with the City Council.

The committee met the promoters last evening and will report to the members of the Board of Trade along the lines stated above.

MEXICAN REBEL CAPTAIN SUICIDES

Romance Connected With the Death of Former Federal Soldier Who Proved to be a Traitor to His Country.

On board U.S.S. California, Mazatlan, June 17, by wireless to San Diego, Cal., June 18.—The federal gunboat Guerrero, which sank the constitutionalist gunboat Tampico, arrived today at Mazatlan with her colors at half-mast in honor of Captain Malpico, of the vanquished vessel, who committed suicide.

As a lieutenant in the Mexican navy, Captain Malpico commanded the Tampico, while she was still a federal gunboat stationed last summer at Mazatlan. He was in love with the handsome daughter of a civilian high in the constitutionalist counsels, and the surrender of the Tampico was made the price of her hand by the damsel's father.

So one night Lieut. Malpico put out to sea and turned his command over to the enemy. Naturally, he expected no leniency from his former superiors when they captured him yesterday.

When the Tampico began to sink, Malpico and several of the crew attempted to escape in a launch. The Guerrero gave chase, but did not open fire. Instead she overhauled and captured the launch, but as it was being brought alongside, Malpico and his chief engineer committed suicide. His dying request that his body be buried at Mazatlan will be honored.

In honor of the gallant fight he had made and in token of their former friendship, the commander of the Guerrero lowered his flag to half-mast.

Constitutionalists picked up after the sinking of the Tampico will not be turned over to the federal authorities of Mazatlan, the Guerrero's officers having decided to spare their lives.

The United States cruiser New Orleans and the destroyer Perry, which witnessed the battle and aided in rescuing members of the Tampico, arrived here with the Guerrero, the New Orleans having six men from the Tampico aboard.

The constitutionalists have evacuated Pedras Island, in Mazatlan harbor, fearing a bombardment by the Guerrero. So far, however, no bombardment has been made.

The Pacific Mail steamship City of Para, northward bound, is due here tomorrow. It will take on a large number of passengers at Mazatlan. They will be carried out to the steamer by boats from American warships.

ASQUITH GIVES IN TO SUFFRAGETTES

London, June 18.—Premier Asquith today capitulated to the suffragettes and will listen to a deputation on Saturday. The threat of Sylvia Pankhurst that she would neither eat or drink until the Premier received a delegation is the reason why Asquith capitulated.

REPORTED SAFE.

New York, June 18.—The Christian and Missionary Alliance of New York today received a dispatch from its headquarters in Central China saying:

"Kansu stations rioted. All destroyed. Missionaries safe. There is not much cause for anxiety."

NANAIMO EXAM'S START MONDAY

Record Number of Candidates Will Write High School Entrance Examinations Which Commence on Monday.

High School entrance examinations in connection with the public schools of Nanaimo will be held on Monday, Tuesday and Wednesday next by Mr. Anderson and Miss Brown, two members of the local teaching staff, under the supervision of Mr. Winsby, an inspector of the Education Department who will have general charge of this centre, including the district north of Duncan.

There will be 77 candidates from the city schools and it is expected about 18 or 20 from the district schools, making the largest list of candidates in the history of the Nanaimo schools.

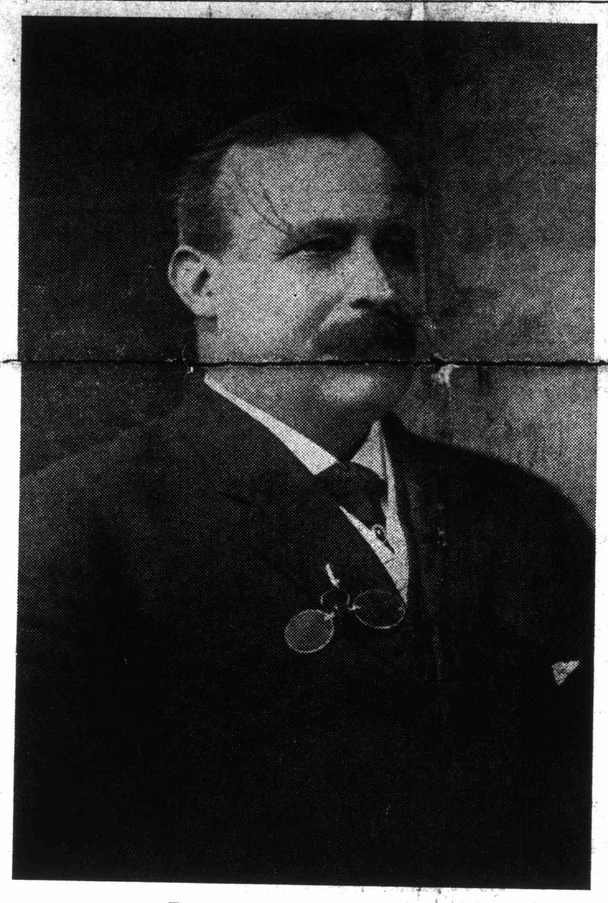
High School examinations will also commence Monday and will continue all next week in order they may be concluded before the summer holidays which commence on Friday, June 26 and conclude on August 24.

SKINTIGHT COSTUMES.

Paris, June 18.—Skin-tight bathing costumes of wool or silk, sleeveless and buttoned over the shoulders, will be worn by society women at Deauville this summer.

The Paris custume makers have also decreed that stockings shall not be worn. The head will be protected by flowered bandana from beneath which it will be chic for a "kiss curl" to emerge.

FOUR DAYS' BATTLE.



Oudja, Morocco, June 18.—Columns of French under General Baumgarten and General Gouraud after four days of almost continuous fighting, have dispersed the fierce Riata tribe. The troops burned the villages and killed and wounded hundreds of tribesmen. The French lost eleven men killed and fifty-three wounded.

KING AND QUEEN MAY TOUR CANADA

London, June 18.— Ever since the King's accession it has been generally understood at court that the King and Queen would, at the earliest opportunity, make a tour of the Overseas Dominions.

His Majesty has, indeed, promised both the Australian and South African Governments that he would do this, and now the visit is expected to take place in the autumn or early winter of next year, the route being out by the Cape and home through Canada. The colonial governments of the Dominions have already discussed the details.

King George particularly desires to attend the official founding of the new Autralian federal capital at Canberra.

FRANK H. SHEPHERD, M. P.

Nanaimo's member in the Dominion House of Commons. Mr. Shepherd arrived home yesterday from attending a lengthy and important session of the House of Commons.

BELLINGHAM CHIEF DIES.

Bellingham, Wash., June 18.—H.C. Byron, chief of police of Bellingham, for about five months, died at St. Luke's Hospital yesterday afternoon, following an operation for an internal complication. Mr. Byron assisted in rounding up several "blind-piggers" Sunday noon and was apparently in good health. In the afternoon he was stricken with a severe internal pain. An operation followed immediately and yesterday a second one was performed in a vain effort to save his life.

Mr. Byron has been a resident of Bellingham for about twenty years. He was appointed chief of police when Mayor J. P. deMattos assumed office in January of this year.

NATIONALISTS LAND MUNITIONS OF WAR

Dublin, June 18.—Large quantities during the night on the Connemara during the night on the Connermara coast, in the west of Ireland, by the Nationalist volunteers. The consignments were supposed to have been brought by mysterious vessels which had been cruising along the coast for a week, but had not replied to signals. The rifles were said to be of the latest American pattern.

Torpedo boats will patrol the coast to prevent further gun-running.

MISS PANKHURST RELEASED.

London, June 18.— Miss Sylvia Pankhurst, the militant suffragette leader, was released today from Holloway jail. She had been imprisoned since June 10, when she was arrested while participating in a procession from the East End of London to Westminster, where she had intended to demand an interview with Premier Asquith.

F. AUGUSTUS HEINZE REPORTED TO BE DYING.

New York, June 18.—F. Augustus Heinze, the copper magnate, is dying at his home in this city, according to a statement made in court today by his counsel, William Travers Jerome. Mr. Jerome appeared in an attempt to reopen the case in which a judgment for $275,000 was obtained against his client.

TO CONFER WITH VILLA.

Torreon, June 18.—Gen. Panfilo Natera arrived here tonight from the front above Zacatecas to discuss with Gen. Villa the military situation. While in this city Natera will be the guest of Gen. Villa. Gen. Villa announced today that so far he has been able to send $5,800 men towards Zacatecas. The commander of the northern division hopes to have the rest of his forces in the proximity of Zacatecas within the next few days.

MEMBER HOME FROM OTTAWA

Mr. Frank Shepherd M. P. Returns Home From Attending a Lengthy and Important Session of House of Commons.

Frank Shepherd, M.P., reached the city at noon yesterday from Ottawa where the Dominion Parliament has been in session for the past five months. He looks well and states he is glad to escape to the coast again after enduring the eastern climate for so long a time.

Mr. Shepherd has a good deal to say of the important legislation transacted during the session and will take the opportunity later of giving an account of his stewardship. The Canadian Northern Railway bill, he states, was by far the most important bill of the session and he agrees with the other B. C. members that it was a good thing for the province that it carried. In Mr. Shepherd's opinion the passage of the bill means speedy railway development advantageous to B.C. that would otherwise have been delayed a great many years.

Mr. Shepherd visited the rock crusher in the harbor shortly after arrival and is well pleased with the progress and the class of work the crusher is making.

The Nanaimo member will be in the city for the next few days and will then visit the various parts of his constituency as time and opportunity presents.

MORE RABIES IN COWICHAN DISTRICT

Duncan, June 18.—Two cases of rabies were reported to Dominion Inspector Machonachie during the past week. The first happened at Maple Bay on June 12 when a small dog became rabid during the night and died before morning. The other case broke out at Koksilah on Tuesday where a dog in quarantine became affected. It was destroyed. Two convictions were returned in dog muzzling cases in North Cowichan before Magistrates R. Allen and C. H. Price at Chemainus on Tuesday. Fines of $5 were assessed in each case. The magistrates stated that when the next cases came before them the penalty would be raised.

The funeral of the late Richard Drew will take place at 3 o'clock this afternoon from the I.O.O.F. Hall, Rev. Dr. McLennan officiating.

TRAGIC DEATH OF SID ISHERWOOD

Young Man of the City Was Drowned in Waters of Nanaimo Harbor Last Evening —Body Was Recovered.

Sid Isherwood, brother of Richard Isherwood and nephew of Mr. W. H. Follard, Victoria Road, was drowned last evening in the waters of Echo Bay, Newcastle Island, to which locality he had gone boating with J. Harrison.

Isherwood being a swimmer went in for a bathe while his companion, being unable to swim, paddled about Echo Bay in the canoe. When some distance away from shore Harrison heard Isherwood call for help and turning about quickly paddled to the spot where Isherwood went down, presumably having been stricken with cramps. Harrison could see the body of Isherwood some distance below the surface wedged under a ledge of rock. He endeavored to release the body but was unsuccessful and paddled ashore and ran to the camp of the Wardill boys for help. Jack Clarke and Jack Wardill responded to the appeal and without taking the time to divest themselves of their clothing dived for the body of Isherwood, which, after several futile attempts was finally recovered. Life was extinct, but Harold Wardill and his companions put their knowledge of first aid to active use and for some time endeavored to restore life. Dr. Ingham was summoned and although he lost no time in getting to the scene and brought his knowledhe to bear, it was of no avail for the spark of life had fled. The body was removed to Jenkin's undertaking parlors pending funeral arrangements being completed.

The deceased was 27 years of age, a native of Bolton, Lancashire, Eng. and had been a resident of Nanaimo for the past two years. He was a carpenter by trade and was well and favorably known by a wide acquaintance in the city.

PARIS STILL SUFFERING

Paris, June 18.—Paris continues to suffer from the effects of the great storm which swept over the district Monday night. Large gangs of men are working in the trenches made by the flood. The bodies of two children were recovered yesterday from the pit in the Place Saint Philippe Du Roule, and from the wrecked roadway in the Rue du Havre the body of a man was taken.

GERMAN LINER ASHORE IN FOG

Weymouth, June 18.—The steamer Buelow of the China Line of the North German Lloyd went ashore today during a fog near Myrtledene, to the west of Portland.

A steamer was sent at once from Portland to bring ashore the Buelow's passengers, numbering thirty-eight first class, thirty second class and thirty-two third class.

The Buelow went ashore on the rocks at the foot of the high perpendicular cliffs dominating Blacknor Bay to the west of Portland Hill.

The sea was smooth at the time of the accident and plenty of vessels were in the vicinity so there was little danger to the passengers and crew.

WOULD BE A MIRACLE

London, June 18.—The Irish Times today, discussing the Redmond intervention over the Nationalist volunteer forces, says:

"He is turning these volunteers into a bitter political organization. The army, which the founders dedicated to the integrity of Ireland, is now to be employed for the coercion of Ulster." The Irish Times adds that agreements at this stage would be a miracle.

ICE HALTS BEAR.

Washington, June 18.—The United States revenue cutter Bear has arrived at Nome, Alaska, and advised the treasury department today that it will be impossible on account of the ice to proceed north at this time for the rescue of the crew of the Stefansson ship Karluk, who were wrecked on Wrangell island.

HOME DESTROYED ON FIVE ACRES

The home of Mr. Wilson McLellan, South Nanaimo, was completely destroyed by a fire yesterday shortly after noon which also consumed all the furniture in the rear portion of the residence.

The fire is supposed to have originated from a defective flue as Mrs. McLellan had a fairly big fire on in order to bake a batch of bread. As soon as the fire was discovered an effort was made to save the furniture, it being useless to attempt to extinguish the flames as there was insufficient water available. Neighbors assisted in the salvage of furniture in the front part of the house and mostly all of this was saved.

Mr. McLellan had several hundred dollars insurance on the property but insufficient to cover his loss.

PROCEEDINGS OF WRECK INQUIRY

Witnesses Testified That the Steering Gear of Empress of Ireland Was Disabled—No More Passengers to Testify.

Quebec, June 18.—C. S. Haight counsel for the owners of the collier Storstad, which rammed and sank the steamship Empress of Ireland in the St Lawrence river with the loss of more than a thousand lives, to-day startled the commission which is investigating the disaster with a statement that word had reached him that on the night of the disaster the steering gear of the Empress was disabled. He had been so informed, he said, by Quartermaster Golway of the Empress, about to depart for England.

Lord Mersey, chairman of the court of inquiry, immediately took a hand in the proceedings, and it was stated that Golway would be called as a witness this afternoon. Golway was on the bridge at the time of the accident, and according to Haight's statement, said the Empress steering gear was jammed.

Captain Kendall, of the Empress, called to the stand, repudiated Golway's story, as did Chief Engineer Sampson.

Captain Walsh, marine superintendent of the C.P.R., owners of the Empress, denied any attempt had been made to get Golway out of the country.

The commission called as a witness today George Smart, a passenger on the wrecked steamer.

Smart confirmed Captain Kendall's assertion that the Empress was standing still or practically stationary at the time of the collision.

Robert Henry Brennan, second engineer on the Empress, gave an account of the signals received by telegraph from the bridge.

The witness admitted that it would take about an hour to gather full speed from a dead stop. The throttle had never been thrown wide open after leaving Father Point, he said, as the ship had not gained sufficient headway to permit it.

Lord Liddell, senior third engineer of the Empress of Ireland, who had charge of the engines on the starboard side of the ship, corroborated the statement of Brennan in regard to orders received.

John W. Black, a second-cabin passenger on the Empress, testified briefly, then Lord Mersey ruled that it would be of no avail to examine any more passengers.

When the hearing was resumed after luncheon recess, James Francis Golway, whose accusations Haight had related, took the stand.

He said that he had made certain assertions about the steering of the Empress to Haight at the suggestion of a representative of the Sailors' and Firemen's Union, whose name he did not know. He contended that the Empress steered around in opposite direction to her helm when coming up the St. Lawrence, and while on her last trip westward.

STEAMSHIP GOES ASHORE.

Weymouth, Eng., June 18.— The steamship Buelow of the China Line of the North German Lloyd went ashore today during a fog near Myrtiedene, to the west of Portland.

CRUSHER DOING GOOD WORK

Diver Paid Visit to Bottom of Nanaimo Harbor and Found Lobnitz Rock Crusher Was Making Splendid Progress.

The Dominion diving outfit attached to the various dredgers now at work in the harbors of the coast was in Nanaimo yesterday for the purpose of inspecting the work that has been done by the Lobnitz rock-crusher. The rockcrusher has now been pounding away at the ledge of rock in front of the Protection landing for several weeks. So far as the operation of the rockcrusher itself is concerned the local crew has performed very satisfactory work. A daily tally of the work done is kept, and so far as this goes, the rock-crusher has been very successfully operated.

The diving outfit was brought up from Victoria to find out how the work had been done down below on the floor of the harbor. The diver went down on his voyage of discovery and he reports that splendid progress has been made. A crown had been left here and there, but on the whole the rockcrusher had performed admirable work. The rock itself is just of the consistency to enable the pounding chisel to perform its most effective work. It is not so hard as the rock in Victoria harbor, and as a result, better progress is being made. At one point yesterday the diver was down to a depth of 55 ft. and if the present rate of progress is maintained the ledge now being attacked will soon be removed.

BALKAN STATES NEARING WAR

Greece Has Sent Ultimatum to Turkey Demanding Reply to Note of Protest Forwarded Last Week.

Vienna, June 18.—Greece will deliver an ultimatum to Turkey, it is learned from a diplomatic source unless a reply is received today to the demands made last week, that the government at Constantinople stop the persecution of the fifty thousand Greeks remaining in Asia Minor, reinstate in their homes and lands the fifty thousand who have sought refuge in their native land and give guarantees that they shall not be molested again.

It was further demanded that H. Tricoupis be reimbursed for losses in the sum of $50,000.

After these demands were made Turkish regulars with machine guns, together with a force of Bashi Bazouks, attacked on Saturday the town of Aivalik, on the coast of Asia Minor, inhabited by 25,000 Greeks.

LOCAL REPRESENTATIVES AT PRINTERS' CONGRESS

The Employing Printers' Congress, which has been in session at Victoria since Monday, has closed. The Congress will meet next year at Los Angeles.

Nanaimo was well represented at the convention, representatives from The Free Press, The Herald and Bastie & Hopkins being in attendance. Some of the highest authorities in America on cost systems and on print shop efficiency addressed the different meetings.

UNCLE SAM GETS FIRST CANAL TOLLS

Washington, June 18.—The first cash returned to the United States for the hundreds of millions spent on the Panama Canal was recorded today from collections on barge traffic begun on May 18 transporting cargoes because of the congestion of freight traffic on the Panama Railroad. They were mostly composed of sugar from Hawaii. On that business the tolls in May amounted to $7856.12 on the basis of $1.20 per net ton.

MOTOR BUS SCHEME.

The proposal to establish a motor bus service in Nanaimo and district took practical form yesterday when the manager of the Victoria company with which negotiations have been opened, met the local Board of Trade yesterday. As a result of the meeting a definate scheme will be submitted to the City Council, and then it will depend upon the ratepayers to say whether or not they will accept. It developed in the course of the meeting that the company would require a bonus, or at least some guarantee against loss during the early life of the system. It was also explained that the fares in the city would be five cents and outside the city five cents a mile. Miners going to and from work might possibly be carried each way for ten cents. At first sight it must be admitted that the fares appear rather high, and there has always been a disinclination in Nanaimo even to consider the granting of a bonus to any transportation company. However until the Council has a definite scheme to submit to the ratepayers it would be unfair to offer any criticism. There is no doubt of the benefits that would accrue to the city from the establishment of a transportation service. The only question to be decided how far it would be wise and politic to go in order to secure it. As to this the ratepayers will be the final court of appeal. The proposed system would be largely experimental, and if the company is prepared to take certain risks to test it, it does not seem unfair to ask the ratepayers to reciprocate in kind.

IMMIGRATION

In an article dealing with the question of immigration, the Province raises an important and very interesting point. It is that whatever arrangement Canada may make or whatever policy she may decide on, is entirely dependent upon the sea power of Great Britain. There has been a strong sentiment among people of the province for a White British Columbia. So strong was the sentiment and so insistent the demand that the provincial government took the matter up and we were led to believe that the Federal government would bring down legislation to meet the wishes of the people of British Columbia. The member for Vancouver just before the close of the session introduced a bill to exclude all Asiatics. Now it is reported that the government is contemplating an arrangement with the Indian and Chinese governments similar to the one now existing with Japan. Such an agreement would be much better than the system now in force. At the same time there is no denying that an arrangement of this kind would fall far short of what the people are demanding and what they have been promised. The arrangement with Japan is not satisfactory so far as this province is concerned. Great Britain's foreign policy made it expedient to form an alliance with Japan. There is no permanence or guarantee about the alliance. Supposing something should occur to break it could Canada force the observation of its agreement with Japan? The Japanese now in the province have displaced white labor, and practically corralled the coast fishing. They form no part of the Canadian people or the Canadian nation, and never can do, and in the event of trouble between the two countries they would be a serious danger. To extend the same agreement to China and India is not going to satisfy the people of British Columbia, nor will it help the building up of Canada. But on the other hand to positively debar all these races from the country raises directly the question of our ability as a nation to do it. At present we could do it only by virtue of the British fleet, which as a people we have not yet made up our minds to assist. New Zealand and Australia have both decided on the rigid exclusion of Asiatics, and they are taking measures to meet the responsibility of this policy. They have universal military service and a navy in the making both designed to enable them to meet any developments which may arise from their immigration policy. Canada, should she also insist on a White Dominion, must be prepared to shoulder the consequences of its action. The government may pass a law prohibiting Japanese, Chinese and Indians from coming into Canada. But suppose Japan protested against such a law, and declared that its subjects would continue to enter Canada. Could we keep them out? We have pointed out in previous articles on this subject that the policy of a white Canada could not be carried out without entailing many sacrifices. Neither can it be adopted without incurring a grave national responsibility. Organized labor on the coast is opposed to the militia movement, and denounces militarism and the idea of a navy. At the same time they demand a white Canada. How would they get it and how would they maintain it once they did get it. So far as Canada itself is concerned it is absolutely at the mercy of Japan. Its national security rests with the British fleet and the Monroe doctrine of the United States. Yet the leaders of organized labor would stamp out the militia. It is a pose of theirs that British workers would be as well off under German or French rule, and here we suppose, under Japanese rule. Labor has made greater progress in Australia than in any of the British Dominions, and there they have universal militia service. They have it because the people are determined to keep their country white. The people of Canada have also to face this same question. They must be prepared to pay for what they want and to shoulder the responsibility of their own action.

INSURANCE AND PROFIT

The fire insurance business is not nearly so profitable as is commonly supposed. Indeed exactly the opposite is the case. In the fire insurance business itself there are no profits. This probably explains why there have been so many failures among the younger insurance companies these last few years. The older companies are living on the interest on their investments. The young and struggling company has no capital to invest and is unable to exist on its insurance business alone, with the result that it is forced out of business. The National Board of Fire Underwriters at New York in its annual report for 1913 states that the profit on over three hundred million dollars premium fees was 1.37 per cent. In 1912 the profit on the whole business was less than 3 per cent. The table for the last ten years shows that the companies have operated at a net loss of .62 per cent. Thus it becomes clear that whatever dividends the companies have declared during this ten year period have been earned from investments. It should also show to the householder and business man how careful and cautious an insurance company must be in accepting risks. It is not so much a question with the companies of making profits, but of avoiding losses.

YOUNG MAN PLUCKS HIS RIGHT EYE OUT

Vancouver, June 18.—Because his right eye offended him John McLeod, 23, who lives with his parents at Thirty-sixth Avenue and Somerville street, plucked it out and proceeded without clothing along the streets and across the lots of South Vancouver yesterday afternoon.

When in front of the South Hill School at the corner of Fraser street and Forty-sixth avenue he was apprehended by Sergeant Lee and Constable Coombs, who took him to the police station and summoned a physician. To Dr. Robertson the man stated his right eye had offended him and he had plucked it out. He is believed to be demented on the subject of religion and literally followed the admonition contained in the Sermon on the Mount: "And if thy right eye offend thee, pluck it out, and cast it from thee; for it is profitable for thee that one of thy members should perish, and not that thy whole body should be cast into hell."

School children were just emerging from the school grounds at the time the man went down the street. Excitement ran high in the neighborhood for a time until the police officers arrived and took him in charge. He was conveyed to the hospital.

The new act in connection with rabies is being rigidly enforced in Chemainus district, several residents having already been fined for neglecting to muzzle their dogs.

OIL FUEL FOR THE BRITISH NAVY

London, June 18.—The oil fuel question was discussed in all its bearings in the House of Commons last night in the course of a debate on a resolution authorizing the admiralty to invest $11,000,000 in the Anglo-Persian Oil Company.

Much criticism has already been passed on the proposal to sink this large sum in an undertaking whose source of supply lie 150 miles from the Persian coast in a district inhabited by warlike and turbulent tribesmen.

The first lord of the admiralty, Mr Winston Churchill, told the House that the problem the admiralty had to solve was that of obtaining supplies of oil at a reasonable price. He said:

"We have the experience of a long, steady squeeze the world over from oil trusts, under which we are forced to pay more than double that which we had to pay a few years ago.

"In the new world there is the Standard Oil Company, against which the Cowdray interests maintain, by warfare and by negotiations, a sort of semi-independent life. In the old world the great combination of the Shell and Royal Dutch companies, with all their subsidiary and auxiliary branches have practically covered the whole ground. The Anglo-Persian Company was in danger of being absorbed into the ring and the admiralty was therefore induced to obtain control of the undertaking.

"For many years to come," he went on, "the main motive power in the British navy would be coal, but it already possessed nearly 250 warships wholly or partly dependent on oil. Of the quantity required, the Anglo-Persian Company would supply less than half."

After a lively debate the resolution was carried by 254 votes to 18.

BIG FIRE ON GLASGOW DOCKS

Glasgow, June 18.—Damage to the amount of $500,000 was done today by fire at Kingston dock, in the centre of Glasgow. Four schooners, several freight sheds and a number of neighboring houses were burned. The fire was caused by the careless use of hot ashes.

MARINE ENGINEERS STRIKE

London, June 18.—A general strike of marine engineers on tramp steamers began in the United Kingdom yesterday. The engineers demand an increase in wages. It is expected that between 500 and 800 vessels will be laid up.

CONGRESS ADJOURNS.

Mexico City, June 18.—Congress adjourned today with the customary ceremonies. President Huerta did not send in a call for an extra session as it had been thought he would do.

A New Vancouver Industry

The Cable Auto Tire Co., Ltd.

A company is being formed for the purpose of starting a new factory in Vancouver for the manufacture of the above-named tires, and it is expected we will be able to give employment to about one hundred men.

This offers a good opportunity to workmen mechanics and outside representatives, who can invest from two to five hundred dollars to become connected with a company which has a wide field to work in.

To those making application before the twenty-fifth of this month a bonus of stock will be given.

This new appliance is the invention of a Vancouver mechanic, and seems destined to meet a long felt want.

It consists of a number of separate bands of flexible steel wire rope, encircling the rubber tire and fastened at each side of the wheel to a special plate fitted into the rim, and it can be used with any make or size of tire.

The objects are: to prevent skidding, to make a "blow-out" impossible, to increase safety, and to reduce expense—all highly important considerations.

Call and see the tire at the office of the fiscal agents, or address

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining right of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the North-west Territories and in a portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,500 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-agent in the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal sub-divisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10.00 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or sub-agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

DEPARTMENT OF WORKS. NOTICE TO CONTRACTORS.

Harewood School.

Sealed Tenders, superscribed "Tender for Harewood School," will be received by the Honourable the Minister of Public Works up to noon of Monday, the 6th day of July, 1914, for the erection and completion of a six-room school-house at Harewood, Nanaimo, in the Alberni Electoral District.

Plans, specifications, contract, and forms of tender may be seen on and after the 15th day of June, 1914, on application to Mr. W. H. Jones, Secretary of the Harewood School Board, Nanaimo; Mr. J. Mahoney, Government Agent, Court-house, Vancouver; Mr. George Thomson, Government Agent, Nanaimo, and the Department of Public Works, Victoria.

By application to the undersigned, contractors may obtain one copy of the plans and specifications for the sum of ten dollars ($10), which will be refunded on their return in good order.

Each proposal must be accompanied by an accepted bank cheque or certificate of deposit on a chartered bank of Canada, made payable to the Honourable the Minister of Public Works, for a sum equal to 10 per cent. of tender, which shall be forfeited if the party tendering decline to enter into contract when called upon to do so, or if he fail to complete the work contracted for. The cheques or certificates of deposit of successful tenderers will be returned to them upon the execution of the contract.

Tenders will not be considered unless made out on the forms supplied signed with the actual signature of the tenderer, and enclosed in the envelopes furnished.

The lowest or any tender not necessarily accepted.

J. E. GRIFFITH,
Deputy Minister and Public Works Engineer.

Department of Public Works,
Victoria, B. C., June 10th, 1914.

NOTICE.

The public are notified of the change of my address: ADAM JACK bricklayer in all its branches, estimates given, 95 Chapel St. Phone 591. 68-1m.

Sealed Tenders addressed to the undersigned and endorsed "Tender for Quay Wall and Excavation at Victoria Harbor, B. C.," will be received at this office until 4.00 p. m., on Monday, July 27, 1914, for the construction of a Quay Wall and Excavation at Victoria Harbor, B. C.

Plans, specification and form of contract can be seen, and forms of tender obtained at this Department and at the offices of the District Engineers at Victoria, B. C.; New Westminster, B. C.; Confederation Life Building Toronto, Ont. and Shaughnessy Building, Montreal, P. Q.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures, stating their occupations and places of residence. In the case of firms, the actual signature, the nature of the occupation, and place of residence of each member of the firm must be given.

Each tender must be accompanied by an accepted cheque on a chartered bank payable to the order of the Honourable the Minister of Public Works, equal to ten per cent (10 p.c.) of the amount of the tender, which will be forfeited if the person tendering decline to enter into a contract when called upon to do so, or fail to complete the work contracted for. If the tender be not accepted the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender.

NOTE:—Blue prints can be obtained at the Department of Public Works by depositing an accepted bank cheque for the sum of $25.00 made payable to the order of the Honourable the Minister of Public Works, which will be returned if the intending bidder submit a regular bid.

By order,
R. C. DESROCHERS,
Secretary.

Department of Public Works,
Ottawa, June 4, 1914.

Newspapers will not be paid for this advertisement if they insert it without authority from the Department.—58339. 3t.

Sealed Tenders addressed to the undersigned, and endorsed "Tender for Public Building, Prince Rupert, B. C.," will be received at this office until 4.00 p. m., on Monday, July 6, 1914 for the construction of the Public Building above mentioned.

Plans, specification and form of contract can be seen and forms of tender obtained at the offices of Mr. G. B. Hull, District Engineer, Prince Rupert, B. C., Mr. Wm. Henderson, Resident Architect, Victoria, B. C., and at this Department.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures, stating their occupations and places of residence. In the case of firms the actual signature, the nature of the occupation, and place of residence of each member of the firm must be given.

Each tender must be accompanied by an accepted cheque on a chartered bank, payable to the order of the Honourable the Minister of Public Works, equal to ten per cent (10 p. c.) of the amount of the tender, which will be forfeited if the person tendering decline to enter into a contract when called upon to do so, or fail to complete the work contracted for. If the tender be not accepted the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender.

By order,
R. C. DESROCHERS,
Secretary.

Department of Public Works,
Ottawa, June 5, 1914.

Newspapers will not be paid for this advertisement if they insert it without authority from the Department.—62588. 3t.

NOTICE

Ashes or soil may be dumped on the Comox Road Park swamp on Mondays, Wednesdays and Fridays between the hours of 9 a. m. and 5 p. m., garbage will not be allowed.

W. A. OWEN,
City Engineer.

Keep Minard's Liniment in the house.

DEFIANCE IN ALL HER GLORY.

The above photo shows the Defiance with new sails set as she appeared prior to taking part in the fifth race, but the first race with all three candidates contending for the honor of defending the trophy. The Defiance carries the loftiest bit of canvas of any of the defense candidates, and she has cast all precedent aside by dispensing entirely with the jibtop sail and balloner. That the cup races will prove to be "corkers" was demonstrated by the fine showing Sir Thomas Lipton's challenger made at her first actual test against the old challenger.

NANAIMO CADETS MADE GOOD SCORES

On Wednesday, the 17th, the picked eight of the Nanaimo Cadet Corps shot in competition known as the Imperial Challenge Shield. The shoot was conducted by Capt. Marshall of the 72nd Seaforth Highlanders of Canada, who acted as range officer. The shield is competed for by organizations of boys in Australia, New Zealand, South Africa, Canada, and the United Kingdom. It is gratifying to know that the Nanaimo Cadets are taking their share in an empire-wide competition such as this.

The corps will be inspected on Saturday at 10 a. m. at the Central School by Major Belson. Visitors will be welcome.

R. M. ARCHER,
Cadet Instructor.

The following is the result of the shoot:

	Delib	Rapid	Ttl.
W. J. Pollard	31	18	49
V. McKenzie	30	27	57
K. Cavalsky	39	33	72
F. Kolterman	29	24	53
H. Stearman	33	23	56
F. Laird	26	26	52
J. Anderson	31	18	49
D. Bailey	26	10	36

Total, 424. Average 53. Maximum, 100.

Harvard retrieved its defeat by Yale at New Haven yesterday, winning before a gay commencement crowd, 7 to 3. The series, now tied, will be decided in a third game to be played Saturday.

Joseph Hinton Music School, 1116 Fort street, Victoria. Singing, organ pianoforte lessons. Prospectus on application. 65-1m.

KELLY DOUGLAS NABOBS HERE ON SUNDAY

The Kelly Douglas Nabobs, of Vancouver will be over Sunday to try conclusions with the Nanaimo baseball team, the game to be played on the Caledonian grounds, commencing at 2:30.

The Nabobs comprise the majority of players which figured on last years Vancouver Moose team, an aggregation which defeated locals on two occasions, consequently special interest is attached to Sunday's game for the locals can be depended upon to make a strong bid for victory.

BUTCHERS BEAT GROCERS IN BIG SCORE GAME

On the Cricket grounds yesterday the Butchers defeated the Grocers at baseball by the score of 26 to 22. It was certainly some game, as the score would indicate and spectators were given a treat in the way of heavy hitting, fast base running and the making of errors.

The batteries were, for the Grocers, Stolzenburg and Wilkinson, and for the Butchers, Piper, McCuish and Stewart. Fred Killeen umpired the game.

WILLIE AND FREDDIE AGAIN

London, June 18.—Willie Ritchie and Fred Welsh, the American and British lightweight boxers, signed articles yesterday for another 20-round contest, to be fought in London between November 4 and November 11, this year, the exact date to be fixed within twenty-four hours.

AMERICA WANTS THE CUP BACK

New York, June 18.—The possibilities of sending a polo team to Hurlington next year to try to recapture the Westcheter Cup which Lord Wimborne's team is taking back to England, are already being discussed by the polo association. There is little doubt, it is said, that the association will challenge, probably some time in January.

OUIMET ELIMINATED IN THE FIRST ROUND.

Prestwick, Scotland, June 18.—F. Ouimet, American open golf champion, was practically eliminated today as a factor for the first place in the competition for the British open championship.

Ouimet took eighty-six strokes to make the first of the four eighteen-hole rounds. Harry Varden did the round in seventy-three and several other competitors had scores of seventy-six or better.

The weather was ideal and the course very fast when the first couple left the tee. Ouimet was paired with J. L. C. Jenkins, the British amateur champion. Jenkin's card for the first eighteen holes was seventy-nine.

OLD COUNTRY CRICKET GAMES.

London, June 18—In the Warwickshire-Yorkshire match, though the former won in the first innings, the game ended in a draw. The high scorers were Rhodes and Denton of Yorkshire, who made 75 and 88 respectively, and Charlesworth and Quaife of Warwickshire, who made 206 and 63 respectively. Middlesex drew with Lancashire. J. H. Hearn of the former knocked out 204 and Tarrant 198, and Sharp of the latter made 128 and Tyles 94.

BRIEF HISTORY OF THE POLO CUP.

Below is the record of the matches for the international polo cup between England and the United States:

At Newport, 1886—First Match—England 10, America 4.

Second Match—England 14, America 2.

At Hurlington, 1900—First match—England 8, America 2.

Second Match—Not played.

At Hurlington, 1902—First Match—America 2 England 1.

Second Match—England6, America 1.

Third Match—England 7, America 1.

At Hurlington, 1909—America 9, England 5.

Second Match—America 8, England 2.

At Meadowbrook, 1911. — First match—America 4½, England 3.

Second Match—America 4½, England 3½.

At Meadowbrook, 1913. — First Match—America 5½, England 3.

Second Match—America 4½, England 4½.

At Meadowbrook, 1914. — First Match—England 8½, America 3.

Second Match—England 4, America 2½.

Grand Summary

Series won—England 4, America 3.

Matches won—England 9, America 7.

Goals scored—England 79½, America 53½.

PRINCE WILLIAM SOUND COATED WITH SULPHUR.

Valdez, Alaska, June 18.—Additional evidence of volcanic disturbances in Southwestern Alaska was brought here in reports which stated that areas of the surface of Prince William sound and the shores of the sound are covered with powdered pumice and sulphur. The powder is colored yellow and is unlike the ash from the volcano on Mount Katmai, the only known large crater in the district.

No reports have been received indicating that any new crater has been located. It is believed the fall of sulphur was brought down by the recent unusually heavy rains.

FREIGHTER IN PERIL

Manila, June 18.— The British freight steamer Hyndford, due here on June 21, is reported ashore in Albay Gulf, near Legaspi. A typhoon is approaching from the south and grave fears are expressed for the safety of the vessel.

ANGERS SANTO DOMINGO

Santo Domingo, Dominican Republic, June 18.—The Dominican government today asked the United States government for the immediate withdrawal of the American consul at Puerto Plata on the ground that he had sided with the revolution.

WILL INSTITUTE A RIVAL ORGANIZATION

Butte, June 18.—The miners in revolt against the Western Federation of Miners took further steps today to organize an independent organization. A committee of 15 met today and took steps to consumate the organization.

DESTROYS FARM HOUSES

Sioux City, S. D., June 18.—A tornado today swept over the region about one mile north of Canistola and destroyed several farm houses and barns. The wires from Salem to Canistola are down and no details have been received.

ACCIDENTALLY KILLS GIRL

Ellensburg, June 18.—Christine Felix Estes, 14 years old, is dead as the result of a shot wound received Saturday when a gun was accidentally discharged by her cousin, 11-year-old Paul Jim Joseph Cass.

DROWNS NEAR HOME.

Hanford, June 18.—The 2-year-old daughter of Mr. and Mrs. Charles Mars wandered from home yesterday afternoon, fell off the bank into the Columbia river and was drowned in sight of her mother.

SENTENCED TO MCNEIL ISLAND.

Los Angeles, June 18.—George Callas, a Greek counterfeiter of silver dollars and 50-cent pieces, was sentenced today in the United States district court to serve two years at McNeil Island.

Offsetting Competition

The thing for the merchants of this community to do in their own interests is to advertise faithfully, and to make their printed announcements interesting and helpful to those whose trade and favor are desired.

The serious competitors of the retailers of this community are the big stores of the big cities—those that send out catalogues and have mail-order departments.

The poorest way to offset this competition is for our local merchants to remain silent. For them not to "speak up" is to give the mail-order houses a better chance to get business from this community.

A WORD TO THE PUBLIC

When you send your money out of this community, you enrich the great shops and impoverish this community. Strengthen, not weaken, the merchants of this community. It will all be returned to you in the form of better service and better values.

Be Loyal to Your Own Community

NEARLY IN CONVULSIONS

With Acute Indigestion. "Fruit-a-tives" Cured Me.

NEWBURY, ONT., MAY 29th. 1913

"I am not a strenuous user of medicines or patent medicines, but I have taken nearly everything recommended for Indigestion and Constipation.

I have been so bad with Acute Indigestion that I was nearly in convulsions and had to be held. I have used "Fruit-a-tives" and I have not had another attack nor suffered at all with Indigestion since taking them.

"Fruit-a-tives" is the only remedy I ever used that did me any good, and I am grateful to "Fruit-a-tives" for making me as well as I am today, and everyone agrees that I look in firstclass health.

My husband likes "Fruit-a-tives" very much and takes them whenever he has occasion to use a remedy for Constipation".

MRS. D. McRAE

"Fruit-a-tives" are sold by all dealers at 50c a box, 6 for $2.50, trial size, 25c, or will be sent to any address on receipt of price by Fruit-a-tives Limited, Ottawa.

DR. DeVAN'S FRENCH PILLS A reliable Regulating Pill for Women. $5 a box or three for $10. Sold at all Drug Stores, or mailed to any address on receipt of price. THE SCODELL DRUG CO., St. Catharines, Ontario.

PHOSPHONOL FOR MEN. Restores Vim and Vitality; for Nerve and Brain; increases "grey matter"; a Tonic—will build you up. $3 a box, or two for $5, at drug stores, or by mail on receipt of price. THE SCODELL DRUG CO., St. Catharines, Ontario.

SOLD IN NANAIMO AT F. C. STEARMAN DRUG CO.

Buy your footwear at Watchorn's. Best goods at lowest prices. tf.

What was at first supposed to be a case of accidental drowning is believed now to be cold-blooded murder, in the death at Hatzic this week of Marie Ange Debres, a Frenchman working in one of the government road gangs of Hatzic Prairie. Debris' body was found lying in five feet of water in Hatzic Slough on Monday and when Coroner Stuart of Mission made an examination he found evidences to show a fracture of the skull, indicating that the man had evidently been hit with some heavy instrument and then thrown into the shallow water.

Work on the government wharf at Cowichan Bay is now almost completed. For the past three weeks a gang and piledriver have been busy placing fresh piles under the structure. The new landing float is also about completed.

At yesterday's session of the W. C. T. U. convention in Victoria the following officers were elected: Hon. president, Mrs. McNaughton; president, Mrs. C. Spofford; vice-president, Mrs. Cunningham; corresponding secretary, Mrs. Boyden; recording secretary, Mrs. Dunlop Wright.

Big dance Saturday at Northfield in Duggan's Hall. 2t

The Duncan Board of Trade is at present occupied with proposed plans to counteract the action of the Cowichan River near Duncan, the current washing away much valuable land.

The Warn Land Company has moved its offices from the Green block to their old stand next to Schwarze's studio.

Conkey's Chicken Remedies, Fly Knocker and Disinfectants are the most reliable. Brackman-Ker Milling Co. Phone 485.

Mr. Phil. Rummel and wife, F. W. Kennedy and W. L. Cooper, all of Seattle, motored up yesterday from Victoria and took the afternoon boat for Vancouver. They have been in attendance at the Employing Printers' Congress in Victoria.

Mr. and Mrs. Arthur Akenhead returned home last evening from Vancouver from attending the funeral of Mrs. Akenhead's sister, Mrs. Mary E. Plummer, wife of Mr. Reginald Plummer, of Vancouver. The death of Mrs. Plummer occurred Tuesday, aged 26 years.

On Monday and Tuesday next Duncan will welcome the delegates to the Vancouver Island Women's Institute conference which is being held at Duncan on those days.

There is a record entry of students from the various schools throughout the entire Cowichan district for the High School entrance exams, which will be held at the Duncan Public School, from Monday to Wednesday next, inclusive.

The Hamburg-Amerika liner Brasilia, Captain F. Buch, is to go on berth at Hamburg to load for the North Pacific. She will sail on August 10 from Antwerp, and Aug. 20 from Hamburg and will arrive here in November. The Brasilia, 4258 tons net, will be the largest ship yet despatched in the German service between Hamburg and Vancouver.

By a majority of 86 votes the by-law by which it is proposed to raise $6,000 for school purposes was ratified by the electorate of Duncan on Tuesday. The vote was rather small, only 106 ballots being cast, but the result was such as to leave no doubt as to the views of the public in respect to the need of school development. The vote was 95 for and 9 against.

FOUR SAILORS ARE UNDER ARREST.

Four members of the steamer Grey which is in port taking aboard bunker coal preparatory to sailing for Alaska, were arrested last night by City Police and will be charged in the City Police Court today with throwing stones at miners on their way to work in Protection mine at 10.30 last night.

It is not generally known that there is a race at the moment between the English and German shipping companies as to who will be the first to possess a vessel of 1000 feet, and in shipping circles much speculation exists as to who will prove victorious, the British or the German.

The following vessels have coaled at the wharves of the Western Fuel Company during the week: Robert Dollar, bunkers; Alert and Alcedo, bunkers; Flamingo and New Era, bunvers; We Two, bunkers and scow Superior and M. C. M., bunkers; Tepic, bunkers and scow; Kingfisher, bunkers; Sea Lion, scow; Westham, bunkers and cargo; Celestial Empire, bunkers, and S. S. Gray bunkers and scow. The Vancouver Nanaimo Coal company has had the Etta White in twice with scow and the Charon and scow.

The Nanaimo Kennel Club will hold a Parlor Show in the old Assembly Hall, Chapel street, on Saturday night. This is the second of a series of three shows which the club is holding before the big show in connection with the Agricultural Exhibition. There is no entrance fee or admission charge for tomorrow night's show.

Alleged to have stolen approximately $8000 from the funds of the Dominion Express Co., while acting as city collector, H. V. Walker of 2215 First avenue west, Vancouver, was arrested by Detective Jewett Wednesday night and yesterday morning was formally charged with theft Bail was refused by Magistrate Shaw in the Police Court yesterday. He was remanded until Monday.

The Dominion government lighthouse tender Quadra will be withdrawn from the service for overhaul and extensive repairs when she returns from her last trip carrying supplies to lighthouses up the coast. The vessel will have her engine lifted off their bed plates because it is necessary to raise them from their seatings in order to make some repairs that have become necessary to her tanks. The overhaul and repairs will take several weeks.

Revival of the poll tax, to create a fund for combating the ravages of tuberculosis, enactment of provincial regulations to enforce building under an adequate town-planning scheme, and the establishment of abattoirs and the elimination of private slaughter houses, were among the suggestions advanced at the opening session of a meeting of medical health officers of the province begun Wednesday at Labor Temple, Vancouver.

Before his honor Judge Barker in the County Court at Duncan Wednesday the action brought against Dr. R. Hamilton, of Victoria, for $150 damages by Mr. Henry Parker, of Duncan, as a consequence of a collision that occurred at the corner of Craig and Government streets on May 3rd, between the motor cars of the parties was dismissed. A councer claim for $270 brought against Mr. Parker by Dr. Hamilton was also dismissed, each side being instructed to pay its own costs.

FRENCH CATHOLICS ARE LOYAL

Prince Albert, June 18.—Five hundred people were present at the opening of the third annual congress of the French speaking Catholics of the provinces of Alberta, Manitoba and Saskatchewan, here today.

Loyalty to the British flag proved to be the keynote of the main speeches, and God Save the King was sung in French on two occasions during the evening, while the Marsellaise was also sung.

FIRED AT AMBASSADOR.

Tokeo, O., June 17.—The first actual skirmish and a near riot between adminstration and insurgent factions of the Modern Woodmen of America that provoked a call for police and threatened to disrupt the convention, took place today.

AGENT-GENERAL DIES

London, June 18.—Major A. J. Benyon, assistant agent-general for the Province of Quebec in London, died here yesterday from dropsy.

The Efficiency of an Executor----

One of the eastern provincial premiers recently made the statement that the system of appointing individuals instead of Trust Companies as executors was becoming antiquated.

Thinking business men should leave their estates for administration in experienced hands, just as a specialist is selected in any mercantile field.

Appointed as executor the Dominion Trust Company has the necessary equipment to give you the best possible service. It has a thorough knowledge of the laws and court requirements affecting deceased persons.

The company's officers are always pleased to confer with those desiring information relative to wills or executorships.

VOLUME XIV NANAIMO, VANCOUVER ISLAND, BRITISH COLUMBIA, SATURDAY MORNING, JUNE 20, 1914 NUMBER 90

U.M.W. OF A. MET LAST EVENING

Special Meeting Held to Discuss Present Strike Situation Was Held in Athletic Club With Big Attendance.

The special meeting of the members of local 2155 of the U. M. W. of A., called by President Foster to consider "a proposition from the operators," on which a referendum vote was to be taken, was held in the Athletic Club last night.

No official statement of the result of the meeting was given out for publication, and the Herald has no definite announcement to make. The Herald knows and knew before the meeting took place that there was no proposition from the operators to consider. It is true that Farrington tried to get a proposition from the operators to submit to the members of his organization, but he failed to do so. Having failed to find an easy spot to get off at, he left the island, and was followed on Thursday by Pettigrew. The meeting was then called as advertised.

As to what transpired at the meeting the Herald is unable to say definitely. It is informed, however, that President Foster related some cold facts, of which the most important were that the organization was already considerably in debt and was going behind about $5000 a week. There were other districts where it was more imperative to pay relief money than Vancouver Island, and that consequently it must be stopped.

The men could still continue the strike but they would have to carry it on without relief money. The referendum vote was to decide what they would do, whether they would call the whole thing off or still continue to consider themselves on strike.

A partial ballot on this subject, it is understood, was taken last night, and the ballot will be concluded at another meeting to be held on Monday night.

This is the gist of what transpired at the meeting as reported to the Herald, and the report is printed as received in the absence of any official statement.

PATRICIA GOING TO BELLINGHAM

Popular Nanaimo-Vancouver Flyer Will Run Big Excursion From Victoria on the Fourth of July.

For the first time since the C. P. R. flyer Princess Patricia arrived on this coast from Scotland, Victorians will on July 4 have an opportunity to participate in an excursion on board her from Victoria. Capt. J. W. Troup, manager of the B. C. Coast service, this morning announced that arrangements had been completed to have the turbine steamer leave Victoria at 2 o'clock on the afternoon for Bellingham, Wash. This will be the first time in many years that Victorians have been able to cross to the Puget Sound town and enjoy a holiday.

The Princess Patricia will steam through the delightful waters between San Juan island and the numerous other islands in the Gulf of Georgia between Victoria and the mainland. The popular flyer will maintain a speed of 20 knots an hour and will reach Bellingham 3 hours after her departure from Victoria. The excursionists will be allowed ashore for three hours, and at 8 o'clock the "Pat" will start on her homeward voyage.

This is the best excursion the C. P. R. has arranged for since the never-to-be-forgotten trip to Tacoma by the Princess Charlotte two years ago. It is expected that the Patricia will carry her full complement of passengers as the excursion will be on a Saturday afternoon. This is the first excursion in a number of years that Victorians have had the opportunity of returning the visits of excursion parties from Bellingham.

During the time the Princess Patricia is off the Nanaimo-Vancouver run the steamer Princess Royal will be substituted.

TERRIBLE EXPLOSION IN BELGIUM MINE

Liege, Belgium, June 19—Two hundred coal miners were entombed in the Vieille-Marihaye colliery near here, when fire broke out today. Two hundred of their comrades escaped when the alarm was given.

The fire was still raging this afternoon and every effort was being made to rescue the miners left in the pits.

MAKES CHARGES OF CRUELTY

San Francisco, June 19—Charges of cruelty to Indian children, misuse of money belonging to Indians and other severer complaints have been filed against Thomas Wilson, superintendent of the Round Valley Reservation Indian school of Mendocino Country, Cal., it was learned here today.

"BOB" ROBERTSON IN VANCOUVER RECITAL

Messrs. J. D. A. Tripp and Holroyd Paull, so well known to musiclovers of Nanaimo, are arranging another recital for their pupils in Vancouver. The concert will be given in the First Congregational Church, corner of Pendrall and Thurlow streets, on Monday, June 29th. The only outside pupil taking part in the recital is Mr. Robert Robertson, the rising young local violinist. He has selected for his solo Wieniawski's "Legende," the composition which he played so admirably at one of the Arnold Orchestra concerts. The last recital given by Messrs. Tripp and Holroyd Paull's pupils was a great success, and on that occasion Mr. Robertson scored a great triumph.

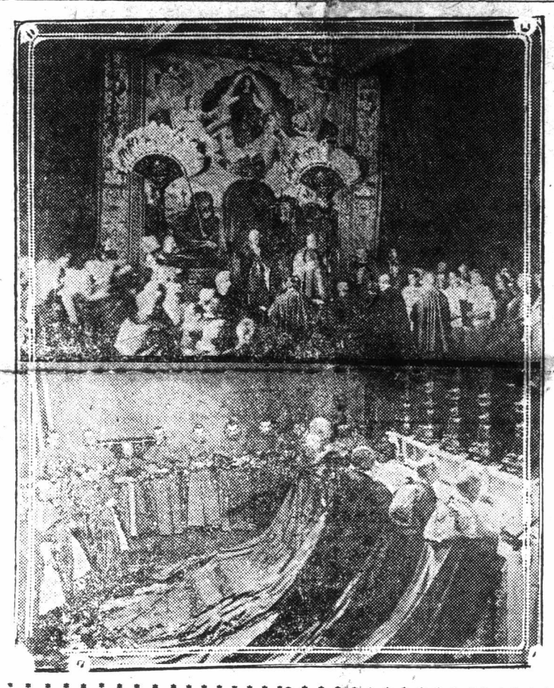
WILL CELEBRATE 55TH ANNIVERSARY

The Wallace street Sunday school is to celebrate the 55th anniversary of the institution tomorrow afternoon. The entertainment which is open to the public, will start at 3 o'clock in the afternoon. The parents of the children are especially invited to attend. A fine selection of new bright music has been secured and for the past month a large number of the children have been practicing the pieces, both solos and choruses. The Rev. Frank Hardy will preach a sermon especially for the young people in the morning. The "Canary Bird" chorus, which was so popular last year will be repeated.

CANOEING TRAGEDY FEARED AT GOLDEN.

Golden. B. C. June 19.—News reached Golden this morning that Miss Joyce Thatcher and Mr. Russell, cousin of Capt. E. N. Russell, of Golden, went out last night canoeing in the Columbia river from Mr Thatcher's landing at Galena, B.C. The canoe and paddle were found at Spillimachene, a few miles north of Galena, on the Columbia river, this morning, and it is feared that both lives have been lost. Miss Thatcher is the second daughter of Rev E. G. Thatcher, M.A., Galena, B. C.

Great sympathy is expressed throughout the district for the relatives.



FUNERAL OF LATE RICHARD DREW

The funeral of the late Richard Drew took place yesterday afternoon under the auspices of Black Diamond Lodge No. 5 I.O.O.F., from the Oddfellows' Hall, the interrment taking place in the Nanaimo cemetery. Rev. Dr. McLennan conducting services at the Hall and graveside, Messrs. W. H. Morton, D. G. Dailey, Jas. Crossan, James Price, James Malpass and John Bryant acting as pallbearers.

Burial services of the order were conducted by Messrs. R. McCourt and J. C. Brumpton.

SAPPERTON NOW LEADS

New Westminster, June 19.—By defeating West Ends 3 goals to 2, Sapperton put themselves in the lead yesterday in the city lacrosse championship race.

NEW CARDINALS CREATED AT VATICAN.

RELATION OF HUERTA IS INJURED IN COLLISION

Los Angeles, Cal., June 9—Marcial Huerta Quintana, a relation of Victoriano Huerta, provisional president of Mexico, and a wealthy rancher and cattle raiser of the Mexican state of Guanajuato, was near death today in a Los Angeles hospital as the result of injuries suffered here last night when he was run down at a street intersection by an automobile.

His skull was fractured and it was feared that he also suffered internal injuries.

He came to Los Angeles recently to escort back to his Mexican home two daughters who have been attending school in Pasadena.

B. C. TIES FOR INDIA RAILWAY

June 19.—The Hon. William R. Ross, Minister of Lands, has received an order far 160,000 creosoted railway sleepers from the Bengal and North Western Railway Company of India, expressing thanks to the Forest Branch of the Department of Lands for their efforts in interesting the Indian Railway Company in British Columbia lumbec.

The Indian railways use annually very large quantities of railway sleepers, and the habit of the past has been to secure a large portion of this timber from Australia, but as the timber there is becoming scarcer the price is slowly advancing.

As a direct result of the efforts of the Hon- W. R. Ross who is directing the Forest Branch in a campaign for trade extension in foreign markets this order for 160,000 creosoted ties has been placed with a British Columbia firm.

WILL LAUNCH NEW MAGAZINE.

Madison, Wis., June 19.—Miss Margaret Wilson, daughter of the President, arrived today from Chicago to assist in launching a social centre magazine and to participate in a conference on civic secretaryship, a subject related to the social centre movement. She plans to speak in the assembly chamber on "The Need of a Civic Secretary."

TEMPERANCE ACT LOST IN MUSKOKA BY 400.

Bracebridge, Ont., June 19.—With about two-thirds of the polling places heard from, the majority against the Canada Temperance Act, which was voted on in Muskoka today is estimated at nearly 400. The defeat of the measure is admitted, as the remaining booths are not expected to materially affect the result.

A Chinese barber, residing in Nanaimo Chinatown attempted suicide yesterday morning by stabbing himself in the abdomen with a pocket knife, the attempt at self destruction being made on Hecate street in the vicinity of the lumber yards. He was taken to the hospital and attended to by Dr. Ingham. It is expected he will recover.

INSPECTION OF SCHOOL PLOTS

Pupils Attending Nanaimo Schools Have Flower Beds in Splendid Shape For Industrial League Competition.

Representatives of the Industrial Development League of this city and of the Herald, yesterday visited the grounds of the Central School and inspected the flower plots which are being maintained by scholars in connection with the competition instituted by the Industrial Development League. There are 20 plots and all but one shows the scholars have been industrious in keeping them in splendid shape, four plots especially being worthy of the handiwork of a professional horticulturist.

The final judging of the plots will take place in about a month's time, yesterday's inspection being for the purpose of awarding points on general upkeep and attention for which work a total of 40 points is allowed in the competition.

The rules under which this competition is being conducted are as follows:

The Industrial League will furnish a selection of seventeen varieties of flower seeds, and each team of contestants, will from the seeds supplied, make a selection to be cultivattd in the school garden plot allotted by the principal of the school.

No other seeds or plants shall be cultivated without special permission.

First, second and third prizes will be awarded for the most successful scholars.

Awards to be made and judging based on the following schedule of points:

Selection of seeds and general design .... 30 points
General upkeep and attention (throughout season) 30 points
Bloom .... 30 points

Total .... 100 points

All complaints or disagreements will be laid before a special committee of teachers, who will be appointed by the Principal.

The decision of this committee will in all cases, excepting those pertaining to the judging or the awarding of prizes, BE FINAL.

Mr. A. D. Taylor, K. C., Crown prosecutor, yesterday announced that the second trial of W. H. LaMotte Virgil, charged with manslaughter in connection with the death of the city workman, Martin Longman, who was killed by an automobile on Granville street bridge, January 13, 1913, would be taken up at this assize and the case has been set for Monday. Objection was taken by Mr. A. A. Macdonald, appearing for Mr. Virgil, but it was not sustained by the court.

EXPLOSION KILLS TWO HUNDRED

Greatest Calamity in History of Alberta Occured Yesterday Morning at Hillcrest Mine.

Calgary, June 19.—One hundred and ninety-five miners were trapped and killed as the result of an explosion in Hillcrest collieries mines at Hillcrest, near Frank, on the Crow's Nest line this morning. About three hundred men went into the mine this morning before the explosion occurred. Less than 50 men escaped, but 200 were left, and it is said there is no hope for them.

Canadian Pacific railway officials fitted equipment of a special relief train here. The special, carrying surgeons, nurses and a number of company officials with a large amount of hospital supplies, was expected to reach Hillcrest mine this afternoon. Private messages received here from the wrecked mine stated that dense clouds of black smoke continued to issue from the put mouth. A government mine rescue car with trained rescue men departed from Blairmore for Hillcrest.

The work of rescue was at once commenced by those who had escaped and others at the mine. Several bodies were recovered, and at 2 o'clock fifty had been recovered.

The explosion occurred at 9:30 a. m.

Latest reports from the scene say that thirty-five have been brought to the surface, of whom three are dead. Little hope is entertained of saving any more of the men, as the mine is reported on fire.

At first news obtainable the death ist was placed at two hundred because it was known that there were that number of men working in the part of the mine where the explosion occurred. The detonation of the explosion was heard for miles, and first information received said the calamity was a bad one. All are trusting that after the first excitement and tension it will be found the number dead have been overestimated.

Particulars of the explosion are few, details being left until later, meantime every person of use has been sent in to the mine on special trains before the news of the extent of the calamity has been spread through the town.

Every effort is being made to get the correct information as to the number likely to have been in danger when the explosion happened, and to ascertain the exact location and the cause of the disaster.

Lethbridge, Alberta, June 19.—Fresh reports confirm the seriousness of the explosion of the coal mine at Hillcrest. Sixteen have been brought out dead. Two hundred are said to be entombed. It is possible that half of them may be reached, but there is not much hope of getting to the remainder in time.

Rescue work at the Hillcrest mine is much retarded through the mine being on fire. Twenty-two were brought out alive.

So great was the violence of the explosion that a fair-sized concrete building located about ten yards from the mouth of the pit had the roof blown clean off.

The accident, which is believed to have been due to gas, blew out both ends of the pit and instantly glutted up the interior of the workings. Many of the men, in fact, the great majority were tucked away and could not by any chance escape almost instant death. The awfulness of which it is impossible to contemplate.

Immediately upon receipt of news of the disaster, rescue trains were made up from Calgary, Lethbridge and Fernie, while a special car was rushed to the scene from Blairmore. In a short time there were six gangs at work, carrying pulmoters, and clad in the special dress which protects the rescuer from the noxious fumes.

These men went to work with great energy, but little speed owing to the chaos which prevailed. After much effort, however, sufficient debris was cleared away to enable the men who were alive to be reached. These were within easy reach of the shaft and were not subjected to the full force of the explosion which seems to have practically buried their fellow workers farther in.

Altogether forty were brought out alive within two hours of the occurrence, and at half past two this afternoon ten dead bodies were brought up and reverently laid, while the throng of distracted wives and mothers crowded round to see if perchance the victims were their husbands or sons. It is estimated that it will take all of one week to get at the bodies of those still entombed.

It is certain that the greater portion of these will never be recovered partly owing to the fact that they are buried in debris and partly because some will have been so badly mutilated as to be incapable of being assembled.

Special relief trains are rushing to the scene carrying doctors, and medical supplies for the injured, and extra gangs are being organized to work their way into the depths of the earth in the vain hope that in the heart of the mine which has been so badly wrecked there may be found some few alive among the toilers who went to work this morning to be sent to their doom, with such awful suddenness, a few minutes later.

Winnipeg, June 19.—The Hillcrest mine is a well known and very productive colliery. It is situated on the Crows Nest branch of the C. P. R., 193 miles west of Medicine Hat, and is one of that group of mines which have been worked for the past ten or fifteen years and which include Frank, Blairmore, Coleman and Lumbreck. It is two miles from Frank and three from Blairmore.

The mine was discovered by C. P. Hill, who at that time was United States customs officer at Fort Hull, south of there, and who every now and then would take a prospecting tour with the object of locating mines with good prospects. He located this mine about fifteen years ago, and after working it on a small scale for six or seven years he disposed of it to interests which included the Canadian Pacific Railway.

The nominal owners of the mine now are Montreal men, and the company has been mining about 1200 to 1300 tons a day, which has been disposed of to railway companies, the product being known as "steam" coal. The Hillcrest Collieries has as its head C. Gordon, president of the Dominion Textile Company, and a director of the Bank of Montreal.

The town of Hillcrest is a mining camp, with no other industry outside of this mine. From four to six hundred men are employed all the year round. Hillcrest is located just east of the big Frank mountain slide which occurred in 1903 and in which 125 persons perished.

PROCEEDINGS OF EMPRESS INQUIRY

Quebec, June 19.—The Empress of Ireland wreck enquiry opened today with an explanation and apologies from C. S. Haight, counsel for the owners of the collier Storstad, which sank the Empress. He said that he had not meant to imply yesterday that the Canadian Pacific Railway, owners of the Empress, had tried to spirit witnesses away. This was the impression made by Mr. Haight when he placed on the stand James Galway, a quartermaster of the Empress, who testified that the ship's stearing gear was defective.

Percy Hillhouse, of the Cairfield Shipbuilding Yard of Glasgow, where the Empress was constructed, testified that the ship was carrying boats to accomodate 300 more persons than she had on board at the time she sank. The bulkheads extended all through the ship to the upper deck, he said, and with even the two large compartments in the middle of the vessel filled, she would have floated. Water must have got in somewhere else, he contended.

Capt. Staunton, lifesaving superintendent of the Canadian Pacific Railway, said that the Empress lifeboats, belts and other equipment had been tested at Quebec, on May 23, and found to be in perfect condition.

Lord Mersey said that he had heard it suggested that the bodies were found with belts on but with the heads under water. Captain Staunton replied that the belts would keep their heads above water if put on right.

WILL HOLD AN INDOOR GARDEN PARTY

Monday evening next, commencing at 7:45, in the school room of the Wallace street Methodist church will be held an indoor garden party, under the auspices of the Epworth League. Commencing at 8:15 the following program will be rendered:

Hymn—460.
Dialogue—Going Somewhere.
Violin Selection—Mr. Mordue.
Solo—Miss Waite.
Recitation—D. E. Manson.
Quartette—

NANAIMO MAN IS A VICTIM

D. O. Thomas Formerly of This City Was Among the Killed in Yesterday's Explosion at Hillcrest.

Among the victims of the explosion which killed nearly two hundred miners in the Hillcrest, Alberta, coal mine yesterday was D. O. Thomas, a driver boss in the exploded mine, who formerly resided in Nanaimo. During his stay in this city he was employed as Driver Boss in No. 1 mine of the Western Fuel Company, and boarded at the Crescent Hotel. He was well known in this city, especially among the men with whom he was employed, leaving here some four years ago.

News of the death of Thomas was received by telegraph last night by Mr. Archie Rose of this city, who formerly worked in the Hillcrest mine leaving that locality last December to return to work in mines of this district. Mr. Rose, who is personally acquainted with nearly all the victims of yesterday's terrible explosion will leave Nanaimo this morning for Hillcrest.

SUCCESSFUL TRIP THROUGH CANAL.

Panama, June 19.—Another successful passage through the Miraflores and Pedro Miguel locks of the Panama Canal were made today by the steamship Santa Clara of the Pacific-Atlantic Steamship Company on her return trip to Balboa. The operation was carried out without incident, as on her inward trip yesterday, and the vessel proceeded on her voyage to New York by way of the Magellan Straits.

HEAVY DROP IN IMMIGRATION.

London, June 19.—Today's returns show that immigration to Canada continues to decrease heavily. In May the total was 13,837, compared with 35,364 last year, making for five months 45,438 compared with 102,294 in 1913, or a drop of between 50 and 60 per cent. United States figures dropped between 30 and 35 per cent,

NANAIMO WOMEN AT CONVENTION

Mesdames Priestly and Warwick of Nanaimo are Appointed Supirintendents of W. C. T. U. Departments at Recent Convention.

Victoria, July 19.—The twenty-first annual convention of the Women's Christian Temperance Union of British Columbia concluded with the meeting held last evening at the Metropolitan church, the three-day's sessions have resulted in the disposition of a large programme of business, and a very happy reunion among the members.

Superintendents of the various departments were nominated as follows: Scientific temperance in schools Mrs. A. L. Wells; literature and White Ribbon Bulletin, Mrs. Barnard work among sailors, lumbermen and miners, Mrs. Warwick, (Nanaimo); work among railroad employees, Mrs Trevor; legislation, petitions and franchise, Mrs. Gordon Grant; young people's societies, Mrs. Brown; press work, Mrs. Macfarlane; evangelistic, hospital, jail and city missions, Mrs. Lashley Hall; parlor meetings, Mrs. Pickard; soldiers and volunteers, Mrs Dorrell; parliamentry usage, Mrs. McNaughton; curfew bell, Mrs. Halliday; flower mission, Mrs. Corey; world's missionary work, Mrs. Priestley, (Nanaimo); moral education, Mrs. Thompson; Sunday school work Mrs. Gillespie; foreign work, Mrs. G. H. Smith; Sabbath observance, Mrs. R. S. Forbes; school of methods, Mrs. Livingstone; peace and arbitration, Mrs. Macken.

ACQUITTED OF PERJURY

Mount Vernon, Wash., June 19.—L. P. Johnson was acquitted to-day of the charge of first degree perjury which was made against him in the Superior Court here in connection with the recent trials of Geo. Ball, who was cleared of a charge of murder in the first degree.

THE HILLCREST DISASTER

A terrible mine explosion is reported from Hillcrest in the Crows Nest Pass just over the boundary in Alberta. The news of the calamity comes from Calgary, and gives very few details. It seems clear, however, that the explosion was caused by gas and the death toll is given as over two hundred. Nearly six hundred men are reported to have gone into the mine and so less than 400 are accounted for. Rescue gangs and relief parties were rushed to the scene of the disaster, but according to the meagre reports so far received there is little hope of any of the entombed men being rescued. The explosion is said to have been one of terrific force, and instant death must have befallen all the men in the direct course of the blast. Later reports may bring better news, but the story sent out from Calggry makes it the most terrible disaster in the history of Canadian coal mining. Such catastrophes as these come home with peculiar force to mining towns such as Nanaimo, and the sympathy of the whole community will go out to the stricken people of Hillcrest.

THE ST. LAWRENCE

One would naturally think that June should be one of the safest months of the year for transatlantic travel. The present month has been a surprising exception. Since the disaster to the Empress there have been several accidents at each side of the Atlantic. A big liner was in collision in New York harbor, and next the Kaiser Wilhelm II. has had to put back to port after a collision with a British tramp steamer off Southampton. On Wednesday a North German Lloyd liner from China ran ashore in a fog near Weymouth. It is strange, indeed, that there should have been such a sequence of shipping accidents in this month of June. The same thing has often occurred in the mining industry. One big disaster is frequently followed by another, and generally at one certain period of the year. The explanation has been sought in a general disturbance of atmospheric conditions, and in some quarters a connection has been suggested between mine explosions and volcanic disturbances. The superstitious, and in one form and another superstition lingers in us all, ascribe such accidents to the inscrutable workings of late. It will be noticed that fog was the cause of all these accidents on the seas. We pointed out at the time of the Empress disaster that its first inevitable results would be to seriously injure the St. Lawrence route in transatlantic travel. The other accidents that have occurred, however, rather tend to show that the St. Lawrence is in no way peculiar in the presence of mist and fog banks. The more we read of the evidence at the Empress inquiry the less we understand how the accident should ever have occurred. Two steamers sight each other at six miles and their lights are still visible to each other when they are only two miles apart. At the speed at which each boat was then travelling they would have passed within four minutes. A bank of fog drifted across the river, and after exchanging signals the two vessels collided in a thirty-mile wide fairway. To the layman it is not a question of which ship has the right of way. A point to either side and the ships would have passed in safety. Our point is that it was not the exceptional dangers and difficulties of the St. Lawrence channel that caused this disaster. It never ought to have happened. There was more real danger in the accidents in New York harbor and off Southampton. In both these cases the ships blundered into each other without having sighted each other in clear weather. While there was no loss of life this was only due to the particular circumstances of the collision. Had the Incemore the tramp which rammed the Kaiser Wilhelm, been loaded with ten thousand tons of coal it is more than probable that the Empress disaster would have been repeated. And it has to be remembered that the collision itself occurred in the English Channel. The fact that a similar accident to that of the Empress, though fortunately without loss of life, had previously occurred on the St. Lawrence, need not condemn the use of this route when similar accidents happen in the English Channel. The river St. Lawrence itself cannot be condemned as a channel of navigation because of a number of fortuitous circumstances.

There is just a probability that the difficulty attending the sailing of the Komagata Maru will be solved by the offer of the Legion of Frontiersmen, a semi-military organization, to act as an armed guard. The owners of the Komagata Maru naturally want the boat back to Japan. The captain wants to sail, but his Hindu passengers have threatened to seize the ship if any attempt is made to move her. The Vancouver harbor authorities asked to have the ship moved so as to give the berth she occupies to the two Japanese warships which are expected. The Hindus, however, would not permit the firemen to get up steam even for this purpose, and in view of their threatening attitude the authorities decided to take no further action in the matter. The difficulty of clearing the ship with the Hindus in such a temper still remained. To have placed a militia or military guard on board might have caused complications with Japan, and the authorities did not know how to solve the dilemma. The offer of the Legion of Frontiersmen clears the difficulty for the authorities. The Frontiersmen could act as an effective guard while the ship is in Canadian waters, and then she could be turned over to the care of the expected Japanese cruisers. It would certainly be a relief to see the last of the Komagata Maru.

Villa and Carranza have not yet arrived at the parting of the ways. Villa, however, has shown that he is the master of the situation. He did not go to Carranza. Carranza tried to break away from Villa. He consider that the time has come when it was expedient to get rid of the leader who had been invaluable as a fighting ally but was dangerous and discommodding as a rival for the presidency. Carranza speedily found that he had made a bad guess. Villa stood pat and put his hand on what he had conquered. There was really nothing for Carranza to do but to go back to Villa. Now everything is all right. Carranza, and the whole constitutionalist party, know who is master. They will realize it even more in days to come.

DROWNS IN LAKE.

Olympia, June 19.—Ernest R. Crist, 21 years old, a workman employed at Union Mills, was drowned last night while swimming in Long Lake, five miles east of Olympia. The death marks the first bathing accident near here this year.

DOMINION TRUST DIVIDENDS

With the sending out on July 1 of the current quarter's dividend cheques, the Dominion Trust Company of Vancouver has paid in dividends since March, 1905, over half a million dollars. It may be interesting to note that this company's shares are held in every province in Canada, as well as in Great Britain, Europe, United States and Australia. There are now some eight hundred shareholders on the company's books, of whom 263 reside in B. C., 103 in Quebec, 100 in Europe, and 79 in the United States. It is also worthy of notice that the directors, officers, branch managers and members of advisory committees are themselves holders of over 6,500 shares. This company has maintained a continuous dividend at the rate of 8 per cent. annually since incorporation and has built up a reserve fund of $800,000.

MAY HAVE TO GUARD HINDUS

Vancouver, June 19.—Members of the Legion of Frontiersmen, a semi-official military organization may be called upon to act as an armed guard over the Hindus on board the Komagata Maru in case the vessel sails for the Orient while the Japanese cruisers are here.

Capt. G. H. Sloan, officer commanding the Frontiersmen, has issued an order to members of the corps to hold themselves in readiness for an emergency between noon on Saturday and midnight on Sunday.

"Realizing the possibilities of international complications in case either the Canadian militia or the men of the Japanese warship are called upon to take any steps with regard to guarding the Hindus on the Maru, the Legion, which is not a regular militia corps, has volunteered its service during the time the Maru is expecting to start back for the Orient," declared Capt. Sloan this morning. "The regular strength of the Frontiersmen is about fifty, but at the present time, many of the men being surveyors and engineers, are out of the city and we could not get together more than about twenty-five. They are all prepared to gather at any time, uniformed, armed and ready for duty at the corner of Burrard and Hasting streets. This order will apply from Saturday noon to Sunday night."

Should the Maru be started on her return trip across the Pacific any time during the stay here of the Japanese cruisers, it is realized that there would be grave danger of international trouble in the event of the Japanese warship crews attempting to interfere in any way with the Hindus within the three-mile limit. The military authorities here might also hesitate a long while before sending out militia corps to keep the recalcitrant Hindus on the Maru quiet while they were leaving British Columbia shores.

The solution of the difficulty may come, it is claimed, in the offer of the Legion of Frontiersmen, which is not an official military organization. Assisted by special police, a corps of Frontiersmen would make sufficiently strong enough guard to preserve order at any time on the Maru while she is in Canadian waters. Outside the three-mile limit the Japanese boat would no doubt be turned over to the tender care of the two cruisers Asama and Adzuma.

Captain Yamamoto of the Komagata Maru proposes tomorrow to talk over his troubles with Admiral Kuroi when he arrives on the cruiser Adzuma.

At the Yarmouth Y.M.C.A. Boys' Camp, held at Tusket Falls in August, I found MINARD'S LINIMENT most beneficial for sun burn, an immediate relief for colic and toothache.

ALFRED STOKES,
General Secretary.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining right of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the North-west Territories and in a portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,500 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-agent in the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal sub-divisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise. royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10.00 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or sub-agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

NEWS OF SPORT

LOCAL C. C. PLAYS VICTORIA GARRISON

The local cricket club play another island league match this afternoon, the visiting team being an eleven from the Victoria Garrison. The two teams have met many times in past seasons, and the games have always been interesting with a fair division of spoils. The Garrison will come up on the noon train, and the match will start at 2 o'clock sharp. The team to represent Nanaimo is as follows: R. Hindmarch (Capt.), H. Jepson, F. Jepson, A. T. W. Paul, W. Newbury, Barrington Foote, W. Rivers, L. Shepherd, H. R. Curry, A. Leighton, W. Mitchell.

MOORE AND BOWLER MATCHED TO FIGHT

Arrangements have been made for a fifteen-round boxing contest in Nanaimo on July 9, between Thomas Moore of that city and George Bowler of Vancouver, says yesterday's News Advertiser. The boys will fight for $50. a side and will split the gate with expenses deducted. The contest will be at 135 pounds.

Bowler has quite a long string of victories to his credit in the Old country, principally in regimental boxing contests. He has beaten some good lightweights in the army in England and India.

ALEXANDER AND MURRAY WILL MEET IN FINALS.

New York, June 19.—The veteran lawn tennis player of the east is again lined up against the young wizard of the west in the final battle for the Metropolitan honors. F. B. Alexander, ex-national doubles champion, and R. L. Murray of Stanford University, Cal., reached the finals in thrilling style today on the courts of the west side club at Forest Hills, Long Island. Alexander in the semi-final beat Robert LeRoy, 6-2, 7-5, and Murray beat G. M. Church, Princeton, by the same score.

DONATES CRICKET CUP

Montreal, June 19.—Dean Moyse, one of the chief supporters of cricket in Canada, has donated a cup open for competition by teams in Nova Scotia and New Brunswick, Quebec and Ontario.

SPORTING SPARKLETS.

Now that the Olympic games have been thrown open to women might we suggest a bomb-throwing contest for militants. A large entry would be encouraged and the event would be run something after the principle of "musical chairs." Bombs would be passed from hand to hand in a series of elimination contests. The woman remaining alive at the end of the given period would be declared the winner.

In the palmy days of Persian supremacy the monarchs of that country designated themselves King ofKings in order that there might be no mistake about their superiority. In these days, when the names of champions in various lines of sports are legion, it might be a good plan for the real top-notchers to assume the title of Champion of Champions.

The eccentricities of genius are nothing compared with the eccentricities of the modern boxer, Ritchie and Welsh, for example, have been on the point of fighting for the world's light weight championship about thirty times within the last two years.

Here's a good one: "An American boxer fought an Argentine boxer at Buenos Aires recently," says J. W. Wheatley, an Argentine promoter. "The Yankee toyed with his opponent and finally drove him against the ropes. From this position the Argentine chirped his alibi, after ten had been counted over him. 'Gentlemen,' he said, 'it is my imperative desire to arise from this awkward position, but my lower limbs won't let me.'"

VARDON WINS TITLE; OUIMET FAR BEHIND.

Prestwick, Scotland, June 19.—H. Vardon, of South Hertfordshire, Eng today for the sixth time won the British open golf championship.

Francis Ouimet, American open golf champion, again fared badly today. He took 85 strokes for the third round of eighteen holes, bringing his total for the first three rounds to 260. With only one more round to play this left him in a hopeless position, twenty four strokes behind the leading competitors. John Henry Taylor, five times winner of the open championship and its present holder, led the field at the end of the third round with an aggregate of 226. Harry Vardon followed closely with an aggregate of 228.

SIR JOHN HILL, MARINE LAW AUTHORITY IS DEAD

London, June 19.—Sir John Ward Grey Hill, a nephew of the late Sir Rowland Hill, the postal reformer, was found dead today in his bed at home. He complained last night of indisposition.

Sir John, who was 75 years old, was an authority on maritime law and was president of the Law society in 1903-04.

VILLA TO LEAD FORCES

El Paso, Texas, June 19.—General Carranza tonight advised Lazardo de La Garza, Villa's agent here, that the difficulty between himself and Villa had been adjusted by Carranza giving his permission for Villa to proceed south to Mexico City regardless of the appointment of General Natera as head of the new central zone.

A New Vancouver Industry

The Cable Auto Tire Co., Ltd.

A company is being formed for the purpose of starting a new factory in Vancouver for the manufacture of the above-named tires, and it is expected we will be able to give employment to about one hundred men.

This offers a good opportunity to workmen mechanics and outside representatives, who can invest from two to five hundred dollars to become connected with a company which has a wide field to work in.

To those making application before the twenty-fifth of this month a bonus of stock will be given.

This new appliance is the invention of a Vancouver mechanic, and seems destined to meet a long felt want.

It consists of a number of separate bands of flexible steel wire rope, encircling the rubber tire and fastened at each side of the wheel to a special plate fitted into the rim, and it can be used with any make or size of tire.

The objects are: to prevent skidding, to make a "blow-out" impossible, to increase safety, and to reduce expense—all highly important considerations.

Call and see the tire at the office of the fiscal agents, or address

The Efficiency of an Executor----

One of the eastern provincial premiers recently made the statement that the system of appointing individuals instead of Trust Companies as executors was becoming antiquated.

Thinking business men should leave their estates for administration in experienced hands, just as a specialist is selected in any mercantile field.

Appointed as executor the Dominion Trust Company has the necessary equipment to give you the best possible service. It has a thorough knowledge of the laws and court requirements affecting deceased persons.

The company's officers are always pleased to confer with those desiring information relative to wills or executorships.

SUIT FOR TWO MILLION AGAINST TREADWELL.

New York, June 20.—John Treadwell, millionaire discoverer of the Treadwell mines in Alasks, was made defendant in a suit to recover $2,000,000. The plaintiff is Frank J. Symmes, receiver for the California Safe Deposit & Trust Co., of San Francisco. It is alleged the defendant as a director of the trust company borrowed the sum sued for on his own account and through friends. The trust company failed in 1908.

NANAIMO STUDENTS GET CERTIFICATES

The following students from Nanaimo have been successful in obtaining their "advanced" grade certificates at the session of the Provincial Normal School, Vancouver, just ended.

Ellen M. Warwick (honors), Edna A. Cunningham, Cissily V. Freeman, Jeannie H. Louden, Oswald Wakehill, Agnes Waugh.

THORNEYCROFT-KEMP

At Toronto, Ontario, on June 10th Mr. Harold Thorneycroft of this city and Miss Mabel Kemp of Toronto, were united in marriage in St. Andrew's church by the Rev. P. H. Bryant. Mr. and Mrs. Thorneycroft are spending their honeymoon in Pittsburg, and are expected home in Nanaimo in about two week's time.

ALBERNI PASSES MONEY BYLAWS

Bylaws Aggregating $41,000 Were Approved Recently by Ratepayers of West Coast Metropolis.

Five money loan by-laws for amounts aggregating $41,000 were approved by the ratepayers of Port Alberni on Thursday.

Mayor Burde, who arrived in the city yesterday afternoon, states that an offer has already been made, and accepted, for a sale of debentures at a price considerable higher than the previous issue was sold at.

The work to be done for the money to be raised will start within the next two or three weeks, and includes a municipal hall, a new school building, a couple of bridges, road improvements, and extensions of the civic electric light and power system.

Another bylaw for five thousand dollars worth of sewer work is soon to be submitted, and this amount will bring the total debenture issue up to $288,000. The gross tax levy for the year 1914 has been fixed at 16½ mills.

MayorBurde, who is accompanied by D. Rowley, will leave by automobile for home this afternoon.

ELECTRICIANS TO STRIKE.

Des Moines, Ia., June 20.—James Fitzgerald, president of the International Brotherhood of Electrical Workers, announced today that electricians in the employ of the Bell Telephone company in Iowa, Nebraska, North and South Dakota and Minnesota, would go on strike July 1 for a wage increase of 30 cents a day.

OLE OLSEN TO FINANCE JOURNEY TO NORTH POLE

Copenhagen, June 20.—Ole Olsen, a Danish miner, undertook today to finance a new North Pole expedition under Knud Rasmussen.

The expedition probably will start north next year and will have provisions for two years. All possible modern appliances are to be provided Rasmussen will establish his base at Cape York, Greenland.

LOCALS MEET STRONG AGGREGATION TODAY

The Nanaimo Baseball Club will meet the Kelly Douglas Nabobs, of Vancouver, today in an exhibition game of baseball on the Caledonian Grounds commencing at 2:30. Henry Martin, the local pitcher who pitched a no hit game against Vancouver last Sunday will be on the slab for Nanaimo today, and as he is in splendid form he can be depended upon to deliver the goods, which means that the fans will be treated to some splendid ball when the rival teams try conclusions today.

The Nanaimo team will line up as follows:

P. Piper, 3rd. base.
R. Little, short stop.
F. Killeen, 2nd. base.
H. Boyce, catcher.
W. Beattie, centre field.
W. Shepherd, left field.
E. Martin, 1st. base.
T. Thompson, right field.
H. Martin, pitcher.
G. Weeks, spare.

Recitation— "Bring Your Silver Offerings" Geo. Bertram.
Chorus—"Heart Flowers."
Bird Chorus—All afternoon.
National Anthem,
Benediction.

DISASTER IN AIR

Vienna, June 20.—Ten aviators lost their lives today when a mimic war in the air was suddenly turned into tragic reality by the accidental ripping of a dirigible airship by a biplane while both were flying at a great height during the Austrian army manoeuvres.

Both crafts were destroyed and their occupants, ten military and naval officers and non-commissioned officers, were burned and mutilated beyond recognition.

Next month Hon. W. J. Bowser and Hon. W. R. Ross propose touring the northern part of the province. They will travel over the G. T. P. from Fort George to Prince Rupert. Their full itinerary has not yet been announced.

A pleasant ceremony took place last night at dinner at the Globe Hotel when the guests of the hotel presented Miss M. Carroll, daughter of Mr. H. Carroll, and Mr. James Hodgson with a number of very valuable and useful presents in view of their approaching marriage which takes place on Wednesday, June 24. The whole affair was a most complete surprise to the young people, both of whom expressed their appreciation of the kindness shown them, in neat replies.

LOCAL AQUATIC MEN TO COMPETE

A number of Nanaimo aquatic men intend participating in the annual regatta of the Cowichan Bay Yacht Club on July 1st. The Nanaimo band will be in attendance, the program of events being as follows:

War Canoe Race.
Log Rolling, Greasy Pole, Mop Fight.

SCHOOLS ARRANGING FOR ANNUAL OUTING

St. Andrew's Sabbath School and Needham Street Mission Sabbath School will conduct their annual outing to Nanoose Bay on Thursday, July 9th. Trains leave the depot at 9.30 a. m. and 1.30 p. m., the latter time being suitable for those who may wish to spend the afternoon with the picnic. Tickets are now on sale and it is anticipated that a very large number will take advantage of this the first outing of its kind this season. Adults tickets are on sale at 55c, and children's tickets 30c each. Intending picnickers should secure their tickets early so as to give the committee in charge an opportunity to arrange for the better handling of the field conveniences in the way of hot water and refreshments.

It is expected that Wellington and Departure Bay Sabbath schools will join in this picnic, meeting the train at Wellington.

BARRATT—MARSHALL WEDDING LAST NIGHT

At the home of the bride's father, Mr. James Marshall, Newcastle Townsite, last evening Rev. Hardy united in marriage Mr. Frederick Barratt of the Fifth Regiment, Victoria, and Miss Elizabeth Marshall of this city. The bride was attended by Miss Beatrice Carmichael, the groom being supported by Private William Kinchin of the 88th. Fusileers. There was a number of friends of the contracting parties in attendance at the wedding and the reception which followed.

Mr. and Mrs. Barratt will take up their residence on the Townsite.

MAKE ATTACK ON NANAIMO

Victoria Contingent Will Take Part in Manoeuvres in This District Towards the End of June

Lieut-Colonel J. A. Hall, commanding officer of the 88th Fusiliers and also of the Civil Aid Forces at Nanaimo, announced on Thursday last, says the Colonist, that the 88th Fusiliers will go up to Nanaimo and that from June 28 to the night of July 1 they will take part in manoeuvres in the open field against the Civil Aid Force.

The scheme of the strategical movement will be as follows: The Civil Aid Force is guarding stores at Nanaimo. The 88th, representing a raiding party, suddenly landed at Ladysmith with instructions to get possession of the Nanaimo stores. The instructions to the defenders are that the landing party's endeavor must be foiled, and, that to do this they must be destroyed.

This will mean that the Civil Aid Force must find the other and engage it. The distance between Nanaimo and Ladysmith is about seventeen miles; there are something like five possible routes through every kind of country, cleared and uncleared, and the Nanaimo River to be crossed. Colonel Hall remarked yesterday that the crossing of the river probably will be a pivot on which the whole manoeuvres will turn, both manoeuvring during the first two days, the one to find a point where they can cross unobserved and the other to anticipate their choice of a crossing and to check it.

With three day's continuous fighting and no cessation of hostilities at night, a wide extent of country may be covered between South Wellington Ladysmith, Extension and Nanaimo. No tents will be issued and the forces will bivouac each night where they happen to find themselves, the men sleeping in blankets and rubber sheets. Each unit will arrange its own food supply, Nanaimo being the base for the defending force and Ladysmith for the raiders.

In the list of students, who, after having spent a year at the Provincial Normal School, Vancouver, have been successful in gaining diplomas for the advanced course, the names of the following from Ladysmith appear: Frances Clark, Janet Dunse, Gladys McLennan and Agnes Robertson.

RESULTS OF MINERS EXAMS

Nanaimo Men Successful in Recent Examinations Held For Certificates of Competency as Mine Managers.

The Mine Managers Examination Board met in this city last evening and announced the results of examinations conducted on May 19th, 20th and 21st, at Nanaimo, Cumberland, Merritt and Fernie for first, second and third class certificates. Ninety-five candidates sat for the examinations at the different centres, the personnel of the Board being as follows:

Co., New Ladysmith Lumber Co.

Mrs. J. E. McKenzie returned last evening from a visit to friends in New Westminster.

SUFFRAGETTES WERE ROUGHLY HANDLED

London, June 20.—A nearby artificial lake gave a mob an opportunity today of wreaking its vengeance on a number of suffragettes who attempted a demonstration at a meeting held by Lloyd George in East London. Male sympathizers of the suffragettes were ducked in the pond while the women were kicked and jostled out of the park. A man in clerical garb attempted to address the meeting in favor of the suffragette movement and he was thrown into the pond and almost drowned before being rescued by a man in a boat.

DEVASTATED BY QUAKE

Batavia, Java, June 20.—Several islands to the north of British New Guinea have been devastrated by earthquake and storm, according to reports received here today. Hundreds of houses have collapsed and a number of natives were drowned.

MADE INSPECTION OF LOCAL CORPS

Major Belson Visited Nanaimo Yesterday and Inspected Cadets at the Central School Grounds.

On Saturday morning Major Belson, organizer and inspector of Cadets for B. C., inspected the local corps of Cadets at the Central school grounds. The boys turned out fully equipped with neat khaki serge uniforms and .303 Ross rifles.

At 10 o'clock sharp the inspector walked on to the parade grounds and was received with the general salute. The Cadet instructor having introduced Major Belson to W. J. Pollard, Cadet captain and the two subalterns, V. McKenzie and K. Cavalsky, the company was minutely inspected. The corps then marched past the saluting base in excellent form and with good soldierly bearing. The boys were then thoroughly tested in company drill and skirmishing. Colonel Hall and Major de Salles of the Civil Aid Force were present and the former addressed the Cadets on the obligations of officers and the value of discipline. Major Belson then spoke to the boys on the necessity of making sacrifices in order to become useful citizens and told them the king's uniforms must be put on with care and neatness. The inspection then concluded, boys and spectators going away well pleased.

The Cadets are to go into camp at Macanlay Plains, Victoria, from 6th to 12th of July.

The Nanaimo Musical Club will hold a garden party Tuesday evening at the residence of Mr. and Mrs. J. E. T. Powers, Newcastle Townsite. An interesting part of the entertainment will be a game of clock golf underthe personal supervision of Mrs. Skinner, president of the club. Tea will be served from 3:30 and commencing at 7 p.m. a musical program will be rendered. The garden will be illuminated and all members of the club are urged to be in attendance. Admission to the grounds in the evening will be 10 cents and refreshments will be served on the grounds.

NEW WESTMINSTER BEAT VANCOUVER

Vancouver, June 20.—The New Westminster lacrosse team took the V.A.C. into camp today to the tune of 6 goals to 2. The game was fast and interesting with flashes at times of the rough stuff of two years ago. At one time the Royals had three men on the penalty bench in the last quarter, but the V.A.C. could not take advantage of the odds. Buck Marshall and his men on the defense put up a superb game after they had settled down after the first quarter. Hughie Gifford, the last of the famous family now playing lacrosse, played a star game through out. George Rennie was in evidence by strenuous work and engaged in one minature fistic contest. Bun. Clarke played a remarkable game in goal and Boss Johnson also showed well.

NINETY-FOUR BODIES FOUND

Fire in Exploded Hill Crest Mine Stops Work of Recovering Victims of Big Disaster.

Lethbridge, Alta., June 20.— Although the work of recovering bodies progressed slowly today owing to smouldering fires in the entrance of mine No. 2 of the Hillcrest Collieries Ltd., a total of ninety-four bodies had been removed this afternoon and placed in the Union hall, leaving 102 yet entombed in the mine and given up for dead.

William Brown, brother of General Manager Brown, is among the victims.

Hillcrest, June 20.—The following figures regarding the number of men in the Hillcrest coal mine yesterday morning when the dreadful explosion occurred are given by the Hillcrest Collieries Ltd., today:

Number of men in mine at time of explosion	241
Known survivors	44
Known dead	95
Unaccounted for	102

Among the bodies recovered were those of James Quigley, superintendent of the mine and Thomas Taylor fire boss.

Tons of rock, broken timber and other debris were heaped in the entrance, and it seems probable many of the bodies will not be recovered for several days. Exploration by rescuers indicated the miners had no warning of death, as several bodies were found standing erect with picks and other mining tools in hand, pinned to walls by timbers or rocks.

Rescue workers from the British Columbia government station at Fernie labored throughout the night with the Alberta crew clearing away the debris which blocked the mine passage near the entrance. Most of the miners were working several hundred feet in when the explosion occurred.

Storm crippled wire communication with Hillcrest, which delayed several hours yesterday the news of the disaster, has made it difficult to get complete details.

This is the third great disaster in Crow's Nest Pass during the last ten years, and in the number of dead it is expected to exceed in magnitude the disaster at Frank ten years ago, when that village was buried by the collapse of a mountain and 125 inhabitants were killed.

"Yes I am one of the lucky rescued party," said H. Yeaden last night. "and I just feel as though I had been brought back from the dead. But the trouble is I will have to go through it again, and the second time it usually gets you. I was working in north 15 at the time of the explosion and that locality is about one-quarter of a mile from the mouth of the mine. I can remember hearing the explosion and that is about all I know with the exception of dropping down to the floor of the drift near some water. Why I did that is more than I can tell, for I had no time to think. I suppose it was just common instinct which made me do it; however, it is possible that to which I owe my life."

Many of the bodies were almost unrecognizable and mutilated. Malcolm Link, one of the men who managed to escape, stated that the interior of the mine was in a terrible state. Bodies were piled in heaps along with pieces of twisted tracks, cars, horses and mine timbers, many of which were torn from their places.

Some idea of the force of the explosion can be gained when it is realized that one man who was working over five hundred feet away, was blown against the side of the room and his safety lamp snapped in two. Not a man who did not escape within five minutes of the explosion has lived, the engineer at the hoist house outside the mine and several hundred feet away from the scene of the explosion narrowly escaped death when his building was demolished.

It is stated that a small boy who was in this building at the time was blown to atoms.

A tract of logged-off timber land on Kumeolon Inlet, fronting on the tidal lake at its head, about three miles from Grenville Channel, has been subdivided into lots of 40 acres, and will be open to entry by pre-emption at the office of the Government Agent, Prince Rupert, B. C., at 9 o'clock in the forenoon on August 11th, 1914.

CASTING UP ACCOUNTS.

The time will soon be here for the casting up of accounts over the local mining trouble. When there is a keen fight in progress, the opposing sides are not inclined to give very much credit each to the other. The Herald has been bitterly assailed and reviled for its attitude on the strike. Seeing that The Herald criticised and denounced the makers and the leaders of the trouble, it is to be presumed that so far as possible its attitude was twisted and misrepresented to the men. It was in a sense a form of self-protection on the part of these leaders. Yet the time is rapidly approaching, if it has not already arrived, when the men will have to decide in their own minds which was in the right, whether it was not their leaders who put them in wrong. Let them review exactly what it was for which The Herald has been so bitterly denounced. The Herald has stated all along that the strike was started wrong, and that as a consequence the cause of the men was out of court from the beginning. Can the men now deny this in their own hearts? Can they deny that the real reason for promoting the strike was to establish the United Mine Workers of America on the Island? Would it not have been better and fairer to have stated this at the beginning. No one in his senses can contend that the chances of receiving recognition were improved by ringing in false pretexts as the cause of the trouble. There was never anything in the charges of discrimination against gas committeemen, and Farrington himself brushed the whole sorry business aside and justified everything The Herald had said. Moreover no strike can be justified or even defended which is started without a proper ballot of the men themselves. Such a course is a flagrant violation of all trade union practice and principle. The case is even worse when it is examined in Nanaimo. Here a ballot was asked for and was arbitrarily refused. Farrington himself, nor the United Mine Workers of America, at the time had any proper jurisdiction in Nanaimo. That is why the demand for a ballot was so peremptorily refused, and every principle of fair and equal treatment ruthlessly violated. The only object was to procure the strike, and it was procured at all costs. The agreement the men had with the companies was deliberately broken. Is it to be expected that the dishonorable and dishonest breaking of one agreement can strengthen the demand for the making of another one. The position of the leaders was that they forced the men to violate a live agreement with the company and then demanded that the company make a new one. Is there either reason or justice in such a demand? Supposing as has been charged, that the company had not lived up to its agreement, was it not the proper thing to do to open negotiations instead of calling a strike without either notice or warning? It would serve no good purpose to traverse the speeches, writings and actions of the leaders during the progress of the strike. It suffices to say that they have all been in accordance and in line with the methods they employed to secure the strike. The Herald strongly advocated the protection of mine property. Its articles on this subject were ignored, and its attitude which in ordinary circumstances would have been generally commended. was roundly denounced by the leaders who urged the men on all the more strongly in their mistaken course. The result was the troubles of last August, and the flooding of the south side of No. 1 mine. Surely a newspaper was never before condemned for advocating the protection of mine property. Through it all The Herald has been accused of lying and misrepresentation. What have the facts which have come to light so far, proven? Who was right in the Crothers' controversy? Did not Foster contradict in a letter to The Free Press his own interview printed earlier in the same paper? And did not the correspondence with the department published in The Herald a year ago establish beyond all possible doubt that an application had never been made to Minister Crothers for a Board of Investigation? The leaders again said that no coal from Washington was being shipped into British Columbia, and The Herald was charged with deliberaly lying for saying that it was. The figures from the Customs Department again prove The Herald right and the leaders wrong, and establish the fact that never before had there so much coal come into British Columbia as during the strike. The Herald has been made out to be the enemy of the men because it has consistently opposed their leaders. This has been particularly the case whenever there has been a probability of a settlement, and The Herald urged the men to take it. The local company made two distinct offers of its own, and again conditionally accepted Deputy Minister of Labor Acland's proposal for mediation. In every case the proposals were turned down without even the formality of a vote. Would the men not have been better off if they had considered these offers? The Herald at the time remarked that they had been plunged into a strike without a vote, and were then committed to a game of freeze-out without a voice. There could only be one result. The leaders chose to deny the inevitable, and again The Herald was charged with trying to breed dissension among the men. The record of The Herald will speak for itself just as will the records of the leaders.

IF YOU AND I

If you would smile a little more
And I would kinder be,
If you would stop to think before
You speak of faults you see;
If I would show more patience, too,
With all with whom I'm hurled,
Then I would help, and so would you
To make a better world.

If you would cheer your neighbor more
And I'd encourage mine,
If you would linger at his door
To say his work is fine;
And I would stop to help him when
His lips in frowns are curled,
Both you and I'd be helping then
To make a better world.

But just so long as you keep still
And plod your selfish way,
And I rush on, and heedless kill
The kind words I could say.
While you and I refuse to smile
And keep our gay flags furled,
Someone will grumble all the while
That it's a gloomy world.
—Edgar A. Guest in "Detroit Free Press".

THE SUMMER CAMP

A joyous time in wood and copse,
To wander free from morn till night;
O'er grassy vales and mountain tops
And back to camp a welcome sight;
With the purling brook hard by.

The forest bids with open arms,
To nature seekers one and all;
Partake in full of all her charms,
So rich in life that ne'er can pall:
And the bubbling brook hard by.

Does not a scene so bright and free,
Bespeak a meed of thought and care;
A constant call to you and me,
To breed no devastation there;
With the sparkling brook hard by?

A careless fire, the smoker's match,
The growth of centuries is doomed;
With sichen'ng haste the giants catch
The pleasing views for aye entombed
And the brooklet now is dry.

We have a duty, sacred trust,
The young and old, the small and great;
For each one may, he can, he must,
Protect our woods from such a fate:
And the babbling brook hard by.

R. F. CHILD.
Victoria, June, 15, 1914.

CITY CHURCHES

ST. PAUL'S CHURCH.

Rev. C. R. Littler will conduct the services in St. Paul's today.

Sunday Services.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining right of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the North-west Territories and in a portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,500 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-agent in the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal sub-divisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10.00 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or sub-agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

N. B.—Unauthorized publication of this advertisement will not be paid.

DEPARTMENT OF WORKS.

NOTICE TO CONTRACTORS.

Harewood School.

Sealed Tenders, superscribed "Tender for Harewood School," will be received by the Honourable the Minister of Public Works up to noon of Monday, the 6th day of July, 1914, for the erection and completion of a six-room school-house at Harewood, Nanaimo, in the Alberni Electoral District.

Plans, specifications, contract, and forms of tender may be seen on and after the 15th day of June, 1914, on application to Mr. W. H. Jones, Secretary of the Harewood School Board, Nanaimo; Mr. J. Mahoney, Government Agent, Court-house, Vancouver; Mr. George Thomson, Government Agent, Nanaimo, and the Department of Public Works, Victoria.

By application to the undersigned, contractors may obtain one copy of the plans and specifications for the sum of ten dollars ($10), which will be refunded on their return in good order.

Each proposal must be accompanied by an accepted bank cheque or certificate of deposit on a chartered bank of Canada, made payable to the Honourable the Minister of Public Works, for a sum equal to 10 per cent. of tender, which shall be forfeited if the party tendering decline to enter into contract when called upon to do so, or if he fail to complete the work contracted for. The cheques or certificates of deposit of successful tenderers will be returned to them upon the execution of the contract.

Tenders will not be considered unless made out on the forms supplied signed with the actual signature of the tenderer, and enclosed in the envelopes furnished.

The lowest or any tender not necessarily accepted.

J. E. GRIFFITH,
Deputy Minister and Public Works Engineer.

Department of Public Works,
Victoria, B. C., June 10th, 1914.

Handicapping Yourself

You are handicapping yourself if you are using alcoholic liquor. Slowly but surely you are slipping backward. It may well be that the total amount of liquor you consume is so infinitesimal as to seem to you absolutely harmless, but the history of thousands, yes, millions of men just as strong morally as you are proves the reverse to be true. Modern business and modern society are antagonistic to the liquor habit and absolute sobriety is demanded.

The Gatlin Treatment will give you a fresh Grip

You can believe that statement absolutely. We shall be delighted to give you, or anyone, absolute proof of the truth of our statement. Only three days in the Gatlin Institute under the helpful, harmless, private treatment and you can resume work stronger in mind and body, more capable, more efficient, the desire for liquor gone forever. Fifteen years of success stand behind the Gatlin Institute. The Institute is conducted by reputable men and women, with no hypodermic injections nor other disagreeable features. Absolute privacy is assured. Good roams, good meals, expert attendance, high class physicians. Wire, call or phone today for complete information. Successful treatments either at home or at the Institute in Victoria

NEWS OF SPORT

NANAIMO CRICKET CLUB WON FROM GARRISON

The Nanaimo Cricket Club broke through the streak of bad luck which has marked four of its games this season by a well deserved win over the Victoria Garrison. At the same time the playing of the local side was not free from the mistakes which robbed it of victory in its other games. The ground fielding was on the whole much keener and sharper, but several catches went abegging. Robertson and Birch, who made 28 and 57 respectively, were both missed before they had scored and the result was that the visitors piled up the respectable score of 142.

The victory of the home side was largely due to the efforts of Newbury. He bowled in fine form taking 7 wickets for 45 runs, and then batted steadily and consistently for 49 runs. His total with the bat was beaten by one run by Harry Jepson who played a crisp forcing inning for 50 runs. Barrington Foote again played an invaluable inning for the home side, making 28 before he was well taken on the boundary in pulling a slow long hop from Martin to leg. The Garrison score was passed with only three wickets down, but the rest of the side were cheaply dismissed, L. Shepherd alone showing good form for his 15. The innings closed with the score of 195.

The game was always interesting and the locals deserved their victory and now that they have broken the ice they should do better in the remainder of their league matches. The following are the scores:

GARRISON

O.M.S. Robertson, b. Newbury,	28
Capt. Foulkes, c. Hindmarch, b. Leighton,	0
C.M.S. Askey, c. H. Jepson, b. Leighton,	6
Lieut Birch, not out,	57
Capt. Pooley, b. Newbury,	4
Gr. Kelly, c. Shepherd, b. Newbury,	5
Gr. Scott, b. Newbury,	3
Capt. Cooper, b. Newbury,	3
Capt. Martin, run out,	13
Gr. Lloyd, c. Rivers, b. Newbury	6
Gr. Needham, c. Jepson, b. Newbury,	6
Byes	11
Total	142

ON THE VERGE OF A BREAK-DOWN

Wrecked Strength And Shattered Nerves Completely Restored By "Fruit-a-tives", The Famous Medicine Made From Fruit.

MRS. W. N. KELLY.

HAGERSVILLE, ONT., Aug. 26th. 1913

"I can highly recommend "Fruit-a-tives" as they did me an awful lot of good and I cannot speak too highly about them. About four years ago, I commenced taking "Fruit-a-tives" for a general break-down and they did me a world of good. We bought a good many dollars' worth but it was money well spent because they did all that you claim for them. Their action is so pleasant, compared with other laxatives, that I found ONLY pleasure, as well as health, in taking them. They seemed to me to be particularly suited to women, on account of their mild and gentle action, and I trust that some other women may start taking "Fruit-a-tives" after reading my letter, and if they do, I am satisfied the results will be the same as in my own case". MRS. W. N. KELLY

A blood purifier, a general tonic, a builder of health and strength, "Fruit-a-tives" is one of the great discoveries of the century in curative medicine. One of the valuable properties of "Fruit-a-tives" is its marvellous cleansing powers. When these tablets are taken, they act on the three great eliminating organs of the body—the bowels, kidneys and skin. "Fruit-a-tives" keeps the system free of waste matter, prevents the formation of an excess of uric acid, and insures the blood being pure and clean. "Fruit-a-tives" sweetens the stomach, increases the flow of the digestive juices, makes digestion complete and enables the system to absorb and assimilate an abundance of nourishment from the food eaten.

"Fruit-a-tives" builds up, invigorates, strengthens the whole system. As a general tonic, there is nothing else quite so good. And these tablets are so mild in action, so pleasant to take, that they are particularly suited to women.

50c a box, 6 for $2.50, trial size 25c. At all dealers or from Fruit-a-tives Limited, Ottawa.

TEAMING

Having decided to re-enter the general teaming business I beg to solicit a share of the public patronage. Any orders intrusted to me will receive my prompt attention.

A New Vancouver Industry

The Cable Auto Tire Co., Ltd.

A company is being formed for the purpose of starting a new factory in Vancouver for the manufacture of the above-named tires, and it is expected we will be able to give employment to about one hundred men.

This offers a good opportunity to workmen mechanics and outside representatives,' who can invest from two to five hundred dollars to become connected with a company which has a wide field to work in.

To those making application before the twenty-fifth of this month a bonus of stock will be given.

This new appliance is the invention of a Vancouver mechanic, and seems destined to meet a long felt want.

It consists of a number of separate bands of flexible steel wire rope, encircling the rubber tire and fastened at each side of the wheel to a special plate fitted into the rim, and it can be used with any make or size of tire.

The objects are: to prevent skidding, to make a "blow-out" impossible, to increase safety, and to reduce expense—all highly important considerations.

Call and see the tire at the office of the fiscal agents, or address

The Efficiency of an Executor----

One of the eastern provincial premiers recently made the statement that the system of appointing individuals instead of Trust Companies as executors was becoming antiquated.

Thinking business men should leave their estates for administration in experienced hands, just as a specialist is selected in any mercantile field.

Appointed as executor the Dominion Trust Company has the necessary equipment to give you the best possible service. It has a thorough knowledge of the laws and court requirements affecting deceased persons.

The company's officers are always pleased to confer with those desiring information relative to wills or executorships.

LARGEST NET PAID CIRCULATION OF ANY VANCOUVER ISLAND PAPER EXCEPTING VICTORIA PAPERS

VOLUME XIV | NANAIMO, VANCOUVER ISLAND, BRITISH COLUMBIA, TUESDAY MORNING, JUNE 23, 1914 | NUMBER 92

CITY COUNCIL IN SESSION

Number of Questions Affecting Ratepayers Were Considered at Last Night's Meeting--Bylaws Finally Adopted.

The City Council met in regular session last evening, present Ald. Crossan, Cavalsky, Busby, Forrester Killeen, Young, Ferguson, McKinnell and McKenzie.

A communication received from Mr. Andrew G. H. Thompson, asking permission to connect with the Hecate street water main was referred to the Water Committee for investigation and report.

From Mr. T. Piper and five others a petition was received asking a larger water main be laid on Machleary street to supply their properties.

On motion of Ald. Crossan, seconded by Ald. Cavalsky, the petition was referred to the Water Committee for investigation and report.

The Parks Committee recommended a part of Lubbock Square be cleaned up and a public play ground fixed at an estimated cost of $80.

The recommendation of the Committee was adopted on motion of Ald. Young.

The Fire Wardens Committee recommended 12 five-inch hydrants be purchased at an estimated cost of $525.

On motion of Ald. Ferguson, seconded by Ald. Forrester, the recommendation of the committee was adopted.

The Waterworks Committee recommended that a 4-inch cast iron main be laid on Irwin street south of Grace street and connecting to present wood main, and on Grace street between Haliburton and Irwin streets at an estimated cost of $1650.00

Ald. Young moved the report of the committee be received and the recommendation carried out.

Ald. Forrester seconded the motion which was adopted.

City Engineer Owen reported expenditure in wages during the week as follows:

Streets—	
Nicol street	$317.75
Pine street	21.00
Victoria road	33.00
Cavan street	24.00
Prideaux street	35.00
Needham street	5.00
Watkins street	5.00
Dumping grounds	6.00
Cutting weeds	6.00
Street cleaning	18.00
Teaming	11.25
Total	$482.00
Waterworks—	
Nicol street	$433.25
Haliburton street	145.50
Robins street	204.80
Maintenance and aperating	161.75
Service work	18.75
Total	$964.05

W. A. OWEN,
City Engineer.

Total expenditure on Nicol street regrading to June 20th, $2242.05.

Total expenditure on Nicol street construction, Waterworks, $500.00.

Total expenditure on Robins street construction Waterworks, $280.00.

On motion of Ald. Busby the Council resolved itself into a committee of the whole to consider the Permanent Sidewalks Construction Consolidation Bylaw. The bylaw was reported complete from Committee and given the third reading.

Ald. McKinnell reminded the Council that a number of the city bylaws were defective and suggested the Legislative Committee should get busy and have them revised.

Ald. Busby informed the Council the Legislative Committee was busy revising the bylaws and had handed the Sewerage bylaw to the Corporation lawyer for amendments and other defective bylaws would be attended to as soon as possible.

Ald. Ferguson called the attention of the Council to the fact that a wheeled van was being operated as a store in front the post office contrary to a decision reached by the Council some time ago.

Ald. McKinnell was under the impression the proprietor of the van was to have been refused a renewal of his license but apparently he had not as he was now operating.

His Worship the Mayor and several of the aldermen spoke on the subject it being understood a renewal of the license would be refused when it was applied for next month.

Council then adjourned.

HOME RULE IN HOUSE OF LORDS

Bill Will be Introduced in the House of Lords This Week on Behalf of the Asquith Government.

London, June 22.—It is the intention of the Asquith government to offer all the counties of Ulster the opportunity to vote themselves out of home rule until two general elections have passed in Great Britain. A bill will be introduced in the House of Lords on behalf of the government this week for this purpose. A statement to this effect was made on Saturday by Rt. Hon. David Lloyd George, chancellor of the exchequer, when speaking publicly at Denmark Hill in South London.

Commenting on the chancellor's statement the Times says to-day: "The assumption is that the government, which is fully aware of the inadequacy of the origional offer intends to yield to pressure from the House of Lords rather than frame an acceptable scheme itself. It hopes thus to save its face from J. Redmond who has plainly prevented the government so far from making concessions which the bulk of the Liberal party regarded as desirable."

While Lloyd George was declaring that this week's bill in the House of Lords would embody the prime minister's standing offer of county option to Ulster, Sir EdRard Carson in Lancashire was saying that if it did he would once more describe it as an hypocrical sham and his party would prevent it becoming law.

"In the near future, therefore," says the Daily Chronicle, "the government will be confronted with the alternative of either widening county option or letting it be vetoed by the House of Lords. The government's right course then will be to let it be vetoed."

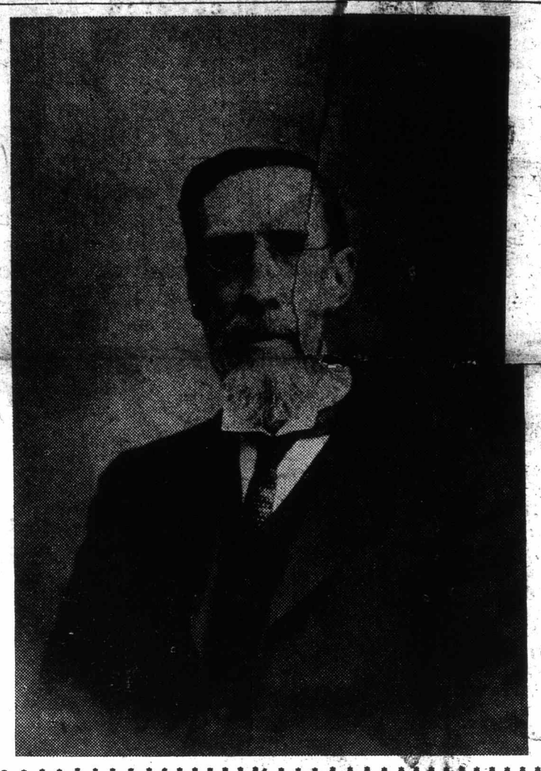
"The fact is," continued the Chronicle, "that scarcely anybody in Ireland wants exclusion. The Carsonites never wanted it except as a cry through which they could defeat home rule. Ever since it was definitely offered them in conjunction with the certainty of home rule for the rest of Ireland, their care has been to find excuses for not accepting it. For these reasons we shall shed no tears when the House of Lords tumbles the possibilities of exclusion to the ground. The country will then take note that exclusion has been fairly offered and its rejection is due to those who pretended to want it."

ONTARIO NOMINATION DAY

Toronto, June 22.—Today is nomination day throughout the province of Ontario, when the candidates chosen by the conventions in all the ridings will be officially nominated. The contest is marked by much greater interest than was attached to the last two provincial elections.

RECOVERING DEAD OF HILLCREST DISASTER

Hillcrest, Alta., June 22.—Discovery by rescuers of fifty bodies in one of the tunnels of mine number 20 of the Hillcrest Collieries, Limited, today brought up to 181 the total of recovered dead at the mine, wrecked by an explosion Friday.



Eighty gravediggers worked all day in the little mountainside cemetery just outside the village, and by night it is expected the greater part of the former male population of the mining colony will be resting there.

The figures of the disaster are as follows:

Rescued	41
Dead	196
Recovered	185
Identified	162
Unidentified	23
Unaccounted for	11

Mr. J. S. C. Hudson, of the Department of Mines at Ottawa has left for Hillcrest to make an investigation into the causes of the recent explosion.

At the close of last night's meeting of the City Council, the members met and discussed matters in connection with the proposal to extend the limits of the city.

SIR GEO. E. FOSTER.

Minister of Trade and Commerce in the Borden Government, who was yesterday included among the King's birthday honors, being made a Knight of the Grand Cross of St. Michael and St. George.

ANDREW ANDERSON DIED IN HOSPITAL

The death occurred at the Nanaimo Hospital yesterday of Andrew Anderson, son of Mr. John Anderson of Wellington, formerly of Northfield.

The deceased was 21 years of age, a native of the district. His death came quite suddenly and being so unexpected was a severe shock to the father and surving members of the family. On Sunday he was in his usual good health and while engaged in playing a game of baseball is supposed to have strained himself internally, causing intestinal trouble, which was the direct cause of death.

Arrangements for the funeral which are in the hands of D. J. Jenkins, are not yet completed.

LOCAL DELEGATES HAD GOOD TIME

Nanaimoites Returned Home Sunday Evening From Attending Festivities in Connection With Grand Lodge A. F. & A. M.

Ex-Mayor and Mrs. Shaw, Mr. and Mrs. W. A. Wood, Miss E. Wood, J. M. Rudd, W. Adam, W. Thompson, Mr. and Mrs. R. P. Wallis, C. Reifel and H. McAdie returned on Sunday evening on the Princess Patricia from their trip to Prince Rupert. All declare a most delightful outing.

The excursionists went north on the Princess Alice (about 225 in all) and were met on Wednesday morning by the citizens of the northern seaport, who not only extended a warm welcome to them but gave them the freedom of the city. All the automobiles and launches in the place were at the disposal of the visitors so that no obstacle should mar the pleasure of the visit. The ladies were entertained at tne home of Mrs. McLymont on Wednesday afternoon and on the Friday an excursion was made up the inlet in which some 200 Prince Rupert citizens took part, accompanied by the Metlakatla Indian band. A visit was paid to the quarantine station, the marine station and other places of interest.

On the return home the excursionists landed and spent two hours at Alert Bay where they had the opportunity to examine and admire the famous totem poles. On Sunday morning divine service was held on board by the Rev. Darcey, the Anglican minister from Eburne. The Princess Alice landed in Vancouver at 4 p.m., thus terminating one of the most pleasant excursions ever taken to the north.

SECOND SHOW BY LOCAL FANCIERS

Nanaimo Kennel Club Had Successful Parlor Show on Saturday Evening—Was a Large Entry List of Good Stock.

That Nanaimo and district has some good dogs was fully demonstrated again on Saturday evening when the Nanaimo Kennel Club held the second Parlor Show of which they are holding a series of three. These parlor shows are being carried on for educational purposes in the way of showing the weak points, also the strong points of each and every dog. Enthusiasts were glad to see that some of the fanciers had taken good heed of the advice given them on different points about their canine friends and there was a very marked improvement in some of them. Some of the dogs at the show on Saturday evening will make some of the dogs from Victoria and Vancouver hustle to keep their laurels.

The winning dogs on Saturday are as follows:

English Setter dogs—1st, Togos Boy, James Eastham; 2nd, Jack, G. Meredith; 3rd, Sport, G. McBroom.

Irish Setter dogs—1st. Sport, Matt Cottle; 2nd. Sam, W. Plummer.

Irish Setter bitches—1st., Mollie, Jack Cottle; 2nd., Mollie II, W. Meacham.

Gordon Setter dogs—1st., Sport, J Graham; 2nd., Gordon, Jack Cottle; 3rd. Major, J. Graham.

Pointer Bitches—1st. Patsy, J. Fort.

Retriever dogs (curly coated)—1st. Darkie, J. Watson, Northfield.

Bull Dogs—1st., Nanaimo King, R. Barrass; 2nd., Jack, T. Moore.

Airedale bitches—1st., Lady, C. H. Beevor Potts; 2nd., Vic, H. Allsopp.

Airedale dogs—1st., Bruce, J. Millburn; 2nd., Peter, C. H. Beevor Potts.

Pomeranian dogs—1st., Snookums, Mrs. Heighmay; 2nd., Pompie, Mr. McGearby; 3rd., Fluff, E. Jones.

Fox Terrier bitches—1st, Beauty, W. Friend.

Bull Terrier bitches—1st., Princess Pat, A. Murdock.

Cocker Spaniel dogs—1st., Red Prince, J. A. Grant.

A reception in honor of the Baroness Marg de Lavaleye, Belgian delegate to the W.C.T.U. convention, held recently in Brooklyn, and also a delegate to the world's peace convention at The Hague, will be held under the joint auspices of the W. C.T.U. and the Daughters of the Empire on Wednesday afternoon from 3:30 to 6 o'clock at the home of Mr. J. E. T. Powers, Newcastle Townsite.

FORMING NEW UNION IN BUTTE

Sesessionists From Western Federation of Miners Will Not Tolerate Any I. W. W's in New Organization.

Butte, Mont., June 22.—With preparations going forward quietly but rapidly for the permanent organization of the Butte mine workers' union, the body created yesterday by the secessionists from the Butte miners' union of the Western Federation of Miners, a feeling of hope pervades the business interests that the community may yet escape from further business stagnation as a result of labor's internal strife.

President McDonald's statement that the new union would have nothing to do with the I.W.W. and that it would be no haven for the itenerant I.W.W's. preachers, is the basis for many optimistic opinions regarding the situation.

Although President C. H. Moyer of the Federation insists that his scheme of concilliation, to be announced at the old union's meeting tomorrow, is the only plan by which peace can be restored, those who are opposing him say that he will be brought to a relization that the federation has lost practically all of its support among local miners.

LAID AT REST

The funeral of the late Sidney Isherwood, who was drowned last Thursday evening, at Echo Bay, Newcastle Island, took place Sunday afternoon a large number of friends attending to pay their last tribute to the deceased. The procession started from the residence of Mr. and Mrs. Pollard, Victoria Road, for St. Paul's church, when impressive service was held, the Rev. W. E. Cockshott officiating, and thence to the cemetery where interment took place.

The following acted as pallbearers: A. Gard, S. McCuish, W. Hardwin, W. Wardill, F. Gavin and F. Nash. The funeral arrangements were in the hands of D. J. Jenkins.

Mrs. B. Heathcote and daughter, Miss Grace, of Berkley, Cal., are visiting relatives in Nanaimo. During their stay in Nanaimo they are the guests of Mrs. Heathcote's father, Mr. Mark Bate, Hecate street.

DEATH OF MRS. JAMES BENNETT

Resident of Nanaimo For Upwards of Twenty Years Passed Away Sunday at Family Residence.

The death occurred Sunday of Mrs. James Bennett, a resident of Nanaimo for the past twenty-six years, death occurring at the family residence, Milton street, aged 74 years, due to paralysis.

The deceased was a native of Derbyshire, Eng., and was well known by the old time residents of this city and district.

A family of six sons and five daughters survive to mourn her loss. The sons are Williams, James and John, who reside in this city, Thomas of Cumberland, B. C., Henry, of Vancouver, and Joseph of Cumberland, Wash. The daughters are Mrs. Kenyon Mrs. Bone and Mrs. Walters, of Nanaimo, Mrs. John Paulson, of Nelson and Mrs. Nye, of North Vancouver.

The funeral will take place on Wednesday, leaving the family residence, Milton street, at 2:30 p. m., for St. Paul's church, where the Rev. W. E. Cockshott will conduct a service at three o'clock, and thence to Nanaimo cemetery.

Mr. A. E. Hilbert is in charge of the arrangements.

Among the passengers from Vancouver last evening on the S.S. Princess Patricia were Robert Laird, W. Gibbens, J. K. Hickman, Mr. and Mrs. George Slater, Mr. and Mrs. C. Reifel, H. N. Freeman, Robt. Smith. W. F. Archibald, Mrs. Charles Wardill, Miss Wardill, and Miss Watson.

The Dominion Government yesterday contributed $50,000 toward the Hillcrest Explosion Relief fund.

LOCAL COMPANY'S NEW PRODUCT

A New Brick Will Soon be Pleced on Market by Nanaimo Pressed Brick and Terra Cotta Company.

In the Herald window may be seen a very interesting exhibit of some of the classes of brick manufactured by The Nanaimo Pressed Brick and Terra Cotta Company. One specimen of brick is particularly worthy of notice, for if the expectations of the company are realized this class of brick is going to play a very important part in the brick markets of British Columbia immediately.

The brick is a beautiful appearing block with much the appearance of granite. Similar brick is made by some other companies but there is this difference, it is claimed, between their brick and the Nanaimo company's. In the local brick absolutely no foreign ingredients are used to attain the highly ornamental appearance, the shale deposit recently uncovered at the company's holdings at East Wellington, lending itself admirably to the manufacture of this particular brick. In addition to this the shrinkage in the kiln is so little as to be practically nil—a very important feature in brick manufacture. The company has been experimenting with the brick for some time and are now in a position to announce that they will be able to turn out any quantity of it and all of a uniform appearance just as soon as arrangements are made for the enlargment of the plant. If the company fulfill their expectations there is no question but that the brick will be a great favorite with builders for facing, mantels and all sorts of ornamental work.

There is apparently plenty of shale for this particular brick as the seam is deep and from prospecting holes it is known to extend for a considerable distance. Wherever the brick has been shown to experts it has created a sensation and will do its part in the future in advertising Nanaimo as the seat of an important industry.

ENTERTAINMENT BY LOCAL CLUB TO-DAY

The Nanaimo Musical Club will hold a garden party this afternoon in the garden of Mr. J.E.T. Powers, Newcastle Townsite. In the afternoon tea will be served from 3:30 o'clock, for which a small charge will be made. For the evening, commencing at seven o'clock, numerous garden games have been arranged, particularly a game of clock golf, to be played under the supervision of Mrs. Herbert Skinner, president of the club.

The ice cream stand will be in charge of Mrs. King, assisted by the young lady members of the club. The tea table will be under the supervision of Mrs. Perring, Mrs. Broadbent, Mrs. Clarke and Miss Dobeson. Mrs. L. Jones will have charge of the candy stall while Mrs. Powers will take charge of the musical part of the program.

A program of vocal and instrumental music will be rendered, and among those who kindly consented to assist are Mr. W. A. Owen, Mrs. Captain Cooper, Mr. Butler, Mr. A. Dunsmore, Mr. Hodgkinson, Miss U. Dobeson, Mrs. Broadbent, and Mr. Clarke.

The charge for admission in the evening will be only ten cents, and a cordial invitation is extended to all to attend. The proceeds will go to the Nanaimo Musical Club.

SUNDAY SCHOOLS TO HOLD JOINT PICNIC

The Sunday schools of the Wallace Street Methodist and St. Andrew's Presbyterian churches will hold a joint picnic on Thursday, July 16th. to Nanoose Bay. The decision to make the picnics a joint affair was arrived at last evening at a meeting of committees representing the two Sunday schools, and besides the two local schools all the Methodist and Presbyterian Sunday schools between Nanaimo and Nanoose will participate in the picnic.

Fuller particulars of the event will be published later.

CANADIANS IN HONOR LIST

Eastern Canadian Public Men Are Included in the King's Birthday Honors—Three Receive Titles.

London, June 22.—The king's birthday honors were announced yesterday.

Rt. Hon. R. L. Borden, premier of Canada; Hon. G. E. Foster, minister of trade in Canada; Hon. Charles Eugene Boucher de Boucherville, former premier of Quebec, and Walter E. Davidson, governor of Newfoundland are made knights of the grand cross of St. Michael and St. George.

In the list of knight bachelors there are found the following Canadian names: J. A. A. Aikins, M. P., of Winnipeg; Hon. Adam Beck, of London, Ont., minister without portfolio in the Ontario cabinet; Dr. Thomas George Roddick, the celebrated surgeon, of Montreal, and Chief Justice W. W. Sullivan of Prince Edward Island.

The minor honors include the bestowal of the dignity of commander of the order of St. Michael and St. George upon William Kirkpatrick McNaught, ex-M.P.P. for North Toronto, and one of the leading citizens of Toronto.

Companionships in the Imperial Service Order are conferred upon William Himsworth, deputy minister of inland revenue, and Henry Turner Machin, assistant treasurer of the Cyrus Berleau.

Among the knights bachelors named is Douglas Mawson, the explorer.

The list includes a large number of barons and baronets, but there are few notables in it- Lord Kitchener of Khartoum, his majesty's agent and consul-general in Egypt, is made an earl. Sir Herbert Cozens-Hardy, Sir Edward Vincent, Major John Fielden Brocklehurst and Sir Leonard Lyell are made barons. Among the baronets is Albert H. Stanley, manager of the London underground railways, who is English-born, but raised in the United States. Mr. Stanley came to London from Detroit, and resumed his British citizenship last year. For a number of years he was connected with the Detroit United railways and the public service railways of New Jersey.

Other baronets named are Sir Joseph Beecham, the manufacturer; G. Henchel, the composer, and Sir T. Vansitart Bowater, lord mayor of London.

The Earl of Liverpool, governor and commander-in-chief of the dominion of New Zealand, who was created a K.C. M. G. in 1912, is now appointed a G. C. M. G.

The Hon. William Hill Irving, attorney-general of Australia, becomes a K. C. M. G.

Knighthood was also conferred on James George Fraser, professor of anthropology, Liverpool, and author of "The Golden Bough."

VOTE TAKEN ON STRIKE QUESTION

A meeting of the local branch of the U. M. W. of A. was held last evening for the purpose of receiving the result of the ballot taken during the week-end on an alleged proposal from the operators through the premier, Sir Richard McBride. The Herald was not informed officially as to the number of votes cast but it was currently reported on the streets last night the vote resulted in a majority of over one thousand to continue the strike as long as relief money was forthcoming from the headquarters at Indianapolis.

In view of President Foster's speech several days ago during which he is reported to have said the organization was financially embarrassed, it is generally felt relief money will be paid but a few weeks longer, and should this small pittance be stopped the strike which exists only as far as those not working is concerned, would speedily collapse.

BUENOS AYRES HAS 1,560,163 POPULATION.

Buenos Ayres, June 22.—Figures of the census of the city of Buenos Ayres, recently taken, show the number of innabitants to be 1,560,163. In 1900 the total was 821,291.

General Gregorio Velez, Argentine minister of war, resigned his portfolio today.

QUAKES AND EXPLOSIONS

Mr. F. Napier Dennison, superintendent of the meterological observatory at Gonzales Heights, is the author of the theory that there is a distinct relationship between earth disturbances and mine explosions. He has given years of study to the subject, and he has found that since 1899, 67 per cent of the colliery explosions in Great Britain have occurred within 48 hours of an earth "quake" recorded at Victoria. The dreadful disaster at Hillcrest was followed by a world shaking quake a few hours later, and it is also notable that there was an explosion in Belguim the same day. Mr. Dennison does not say that the mine explosions are caused by these quakes. All he does is to establish the coincidence of their occurrence. He does not attempt to formulate any theory of causes. If the quakes are the result of earth strain, and if at these periods unusual quantities of gas are forced into the mines, then under modern systems of inspection the gas ought to be discovered. Furthermore if this unusual escapement of gas did take place then it ought to take place in all mines. Still there remains the fact that a large percentage of mine explosions have occurred during a period of earth disturbance. It may as a rule be taken for granted that some abnormal condition develops in a mine to cause an explosion. What is required more than anything else is some notice or warning of the probable development of these abnormal conditions. In the past there have been explosions due to ignorance or negligence or a combination of both in the management and operation of the mines. We shall never get past the stage where the human factor will not be responsible for mistakes, but we are all concerned in cutting down the possibility of mine explosions to the irreducible minimum. If Mr. Dennison could utilize his theory to establish a system of warning for mines then indeed would he go far to rid the industry of its greatest terror.

THE KOMAGATA MARU

The attempt of The Indians on board the Komagata Maru to effect an entrance into British Columbia, and the incidents which have occurred since the boat tied up in Vancouver Harbor, seem to have stirred the citizens of the Terminal City. A mass meeting was held on Sunday afternoon by Hindus and presumably white sympathizers, and Mayor Baxter has been asked to call a mass meeting of citizens tonight. The meeting on Sunday was remarkable for speeches delivered by some Hindu speakers and one Socialist orator. The Hindus are said to have been frankly setitious in their remarks, and naturally they were supported by the Socialist speaker. He advised them to return home and spread the spirit of revolt among their countrymen. Why should they in their millions submit to be bossed by a tinpot little nation living in an insignificent little island thousands of miles away? This is a characteristic Socialist outburst. The United Kingdom may be small in area, but it is hardly insignificent, and its history suggests little of the tinpot. Even if India did revolt and throw off British rule, the case of Hindu immigration into Canada would not be affected. If the Indians were able to force their way into Canada, they would hardly stop at that. and no doubt such a Socialist as Mr Fitzgerald would welcome Indian rule. After all the question at issue is the right of Canada to govern her own affairs. The Hindus on the Komagata Maru came here to test the validity of Canadian laws, and apparently relied upon Imperial intervention to help them. It was a mistake and ill-advised venture and the Canadian authorities cannot be blamed for the consequences attending it. The first business of the immigration officers is to see that the laws are enforced. It is just possible that the incident of the Komagata Maru may yet prove a blessing in disguise. So far the whole question of a white British Columbia has been talked about at long range. The arrival of the Indians on board the Komagata Maru has raised the problem in a concrete form. Now is the time to press for a permanent solution of the whole situation. Even if the international difficulties in the way of rigid exclusion are admitted in there entirity, they are no different and no worse in Canada than in Australia and New Zealand. There are reports that another shipload of Hindus are to be sent from India, and this second cargo may be followed by others. The best way to stop them is to adopt a settled policy of exclusion. It depends upon the will and wishes of the people of Canada in General and of British Columbia in particular.

THE MINER'S STRIKE.

It is currently reported that the strike among the coal miners on the Island will shortly be called off. We hope this will prove true, and we hope also that the coal and mining companies will extend to their former employees every consideration possible. There may be difficulty in providing them all with employment. This is very unfortunate and may cause many people to feel the pinch of poverty, but the miners, having been unwise enough to listen to bad advice, have really no one to blame but themselves. Nevertheless their condition if it proves to be one of hardship, ought to be alleviated as far as it can be in justice to the men now employed.

We do not lose sight of the fact that the miners went on strike for what they doubtless believed a valuable principle, namely the recognition of the United Mine Workers of America. The acts of violence, of which some of them were guilty, were inspired by the belief that this recognition was something that ought to be secured at any cost. But the head and front of the strike, Mr. Farrington, was influenced by no such principle, or if he was, there was behind it an ulterior motive, namely, the control of the island mines in the interest of the mines of the United States. We have already established this point by his own language, in which he distinctly affirmed that this was his object. The Vancouver Island miners were mere pawns in a game, whether it originated with Mr. Farrington or not, to curtail the output of the Island mines. To a certain extent it has succeeded, and if the miners find difficulty in getting work, they have only Mr. Farrington to blame.—Colonist.

INCREASE IN TRADE DISPUTES DURING MAY

There was a slight increase in the number of trade disputes reported to the department of labor during May. Ten new disputes were reported, 26 less than in the corresponding month of the previous year. Although the disputes occurring in May were six more than in April, industrial conditions were not seriously affected, the new disputes, for the most part, concerning but few establishments and a comparatively small number of employees. The total number of strikes in existence at the end of May was fifteen.

PRICES SLIGHTLY DOWNWARD

...The Department's index number of wholesale prices stood at 136.2 for May as compared with 136.8 in April and 134.5 in April, 1913. Hogs, sheep dairy products, fish metals, fuel and some lines of lumber were lower in price but grains, cattle, and beef, fruits and vegetables, wool and jute showed important advances. Compared with the same month a year ago, the groups: fish, dairy products, Miscellaneous foods, metals, fuel and furs were on lower levels but advances appeared in the groups: grains and fodder, animals and meats, fruits and vegetables, textiles, hides, leather and lumber.

In retail prices the chief feature of the month was a general decline in butter but potatoes advanced in many of the cities, scarcity being reported. Eggs began to advance. The usual decline in coal in the spring occurred in several localities and sugar was also lower.

TEN NEW POST-OFFICES IN B. C.

Ten new post offices were established in this province on June 1 according to the latest issue of the CanadaGazette. These, with the postmasters, were as follows: Bamberton, Edwin Tomlin, and Marigold, W. H. Ellis; in the electoral district of Nanaimo. Gillies Bay, P. H. McElroy; Puntledge, Samuel Cowan; Topaz Harbor, W. J. Walker, and Vargas, Mrs. Helen Mahon, in Comox Atlin. Silver Valley, A. B. Olmsted, and Stave Falls, W. P. Howard in New Westminster; Criss Creek, Robert Baxter, in Yale-Carriboo; Donald, Mrs. E. M. Blackstone, in Kootenay. Point Cowan, which has been a summer office in Comox-Atlin, has been a regular post office since October 1 last. This is not the only thing the post office has just discovered. With reference to the closing of an office in Ontario early in the year "the department has now definitely learned that the office was closed on Jan. 31." The department has also discovered since the issue of the April list that Macalister is in British Columbia and not in Alberta.

SOUTH AFRICA ASKS LOAN

London, June 22.—The issue of a loan of $20,000,000 at 3 per cent is shortly to be made by the Union of South Africa. It is understood the issue price will be 97½.

Minard's Liniment Co., Limited.

Gents,—I have used your Minard's Liniment in my family and also in my stables for years and consider it the best medicine obtainable.

Yours truly,
ALFRED LOCHAV.
Proprietor Roxton Pond Hotel and Livery Stables.

B. C. MASONS ELECTED OFFICERS

Residents of Nanaimo and district who attended the sessions of the grand lodge A.F. and A.M. at Prince Rupert last week returned to the city Sunday evening well pleased with their trip. Among the party were Mr. and Mrs. John Shaw, Mr. and Mrs. W. A. Wood and daughter, Mr. and Mrs. R. P. Wallis, John M. Rudd, Hy. McAdie, William Adam C. Reifel and Walter E. Thompson.

The Masonic Grand Lodge election of officers resulted as follows

G.M., James Stark, Vancouver; D. G.M., W. C. Ditmar, Vancouver; S. G.W., W. Astley, Vancouver; J. G. W., Dr. Corsan, Fernie; G.T., H. H. Watson; G.G.M., G.S. Dr. DeWolfe Smith, New Westminster. District deputies: No. 1, S. M. Manuel Victoria; No. 2, C. A. Welch, New Westminster; No. 3, Robert Hawson, Kamloops; No. 4, M. Bailey, Nanaimo; No. 6, J. W. Greer, New Denver; No. 7, F. W. McLean, Greenwood; No. 8, J. C. Pitts, Windermere; No. 9, D. W. Sutherland, Kelowna; No. 10, Mr. Jeckyll, Dawson; No. 11, F. W. Dowling, Prince Rupert; No. 12, M. J. Barr, Vancouver; G. Historian, Rev. C. C. Hoyle, Ladner; G. Chaolain, Rev. J. Hinchcliffe, Chilliwack; S. G. Deacon, J. W. Jrescott, Vancouver; J.G. Deacon D. G. Sutherland, Prince Rupert; G. Director of Ceremonies, Stephen Jones, Victoria; G. Superintendent of Works, J. Galloway, Kamloops; G. Marshal, J. N. Aitkinson, New Westminster; G. Organist, H. Russell, Victoria. G./ Stewards: D. C. Tuck, J. C. McLean, Prince Rupert; Emil Johnson,, Rossland; F. C. Burde, Vancouver. G. P., S. C. Sykes, Kerrisdale; G. Tyler, T. Mitchell.

At Vancouver last night Pat Connolly failed in his attempt to throw Bob Sutherland three times in an hour, and only succeeded in getting one fall from the Kelowna grappler.

The Treasure Discovered

Captain Kiddy and his little soldiers have discovered what they are looking for. The flavor of Kellogg's Corn Flakes has won them. They eat it with gusto without knowing anything about its rare sustaining qualities—or that it is so good for them—just because they like it. Be sure to get

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining right of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the North-west Territories and in a portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,500 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-agent in the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal sub-divisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise. royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10.00 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or sub-agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.
N. B.—Unauthorized publication of this advertisement will not be paid.

DEPARTMENT OF WORKS.

NOTICE TO CONTRACTORS.

Harewood School.

Sealed Tenders, superscribed "Tender for Harewood School," will be received by the Honourable the Minister of Public Works up to noon of Monday, the 6th day of July, 1914, for the erection and completion of a six-room school-house at Harewood, Nanaimo, in the Alberni Electoral District.

Plans, specifications, contract, and forms of tender may be seen on and after the 15th day of June, 1914, on application to Mr. W. H. Jones, Secretary of the Harewood School Board, Nanaimo; Mr. J. Mahoney, Government Agent, Court-house, Vancouver; Mr. George Thomson, Government Agent, Nanaimo, and the Department of Public Works, Victoria.

By application to the undersigned contractors may obtain one copy of the plans and specifications for the sum of ten dollars ($10), which will be refunded on their return in good order.

Each proposal must be accompanied by an accepted bank cheque or certificate of deposit on a chartered bank of Canada, made payable to the Honourable the Minister of Public Works, for a sum equal to 10 per cent. of tender, which shall be forfeited if the party tendering decline to enter into contract when called upon to do so, or if he fail to complete the work contracted for. The cheques or certificates of deposit of successful tenderers will be returned to them upon the execution of the contract.

Tenders will not be considered unless made out on the forms supplied signed with the actual signature of the tenderer, and enclosed in the envelopes furnished.

The lowest or any tender not necessarily accepted.

J. E. GRIFFITH,
Deputy Minister and Public Works Engineer.
Department of Public Works,
Victoria, B. C., June 10th, 1914.

INTERNATIONAL MAT H

Seattle, June 22.—Preliminary to the fourteenth annual championship meeting of the Pacific Northwest Golf association which opens at the links of the Seattle Golf and Country club tomorrow, an international match between teams of eight men from British Columbia and three northwestern states, Oregon, Washington and Montana, is being played today. This is the second international match, the Canadians having won the first, played at Victoria last year.

YOUTH VICTOR

New York, June 22.—Robert Lindley Murray, the meteric youth from Leland Stanford university, defeated Frederick B. Alexander, the Davis cup veteran, Saturday for the Metropolitan lawn tennis championship in a desperate five-set match by a score of 6-8, 7-5, 7-5. 2-6, 6 4.

KENT ELEVEN WON

London, June 22.—Kent beat Yorkshire by an inning and 149 runs in a county cricket fixture at Tonbridge, it being the second game played there. For Kent the following were the highest scorers: F. E. Woolley, 96; Hardinge, 86; Humphreys, 50; L. H. W. Thoughton, 59; and Hubbie, 54.

WANTS TUG-OF-WAR TEAM FROM HERE

Mr. H. Wardill, secretary of the Nanaimo United Football team is in receipt of a telegram from Con Jones the Vancouver sport promoter who is staging an international tug-of-war competition in Vancouver on July 1, who wants to know what chances are of Nanaimo entering one or more teams in the competition. The time is very short to get a team together now, but if any local men are interested they should organize at once and send their entry to Con Jones, care the National Sports Club, Vancouver.

ISLAND CRICKET LEAGUE.

The following is the standing of the various clubs in the Island Cricket League:

"A" DIVISION

	P.	W.	L.	D.	Pts.
Victoria	5	4	0	1	12
Cowichan	7	6	1	0	18
Incognito	4	2	1	1	7
Albions	6	3	3	0	9
Nanaimo	6	2	4	0	6
Garrison	4	1	4	0	3
Oak Bay	4	0	4	0	0

"B" DIVISION

	P.	W.	L.	D.	Pts.
Civil Service	7	7	0	0	21
Oak Bay	7	6	1	0	18
Victoria	6	3	3	0	9
Albions	6	2	4	0	6
Men's Own	6	2	4	0	6
Navy	5	1	4	0	3
Restorer	5	0	5	0	0

The results of Saturday's games were as follows:

"A" Division.

Victoria (266 for 6) beat Cowichan (declared at 261 for 4).

Nanaimo (195) beat the Garrison (142).

"B" Division.

Civil Service (269) beat Navy (132).

Oak Bay (179) beat Restorer (87).

Other Matches

Albions (258 for 6) beat Oak Bay (117).

WOULD SELL SHIPS BUT NOT FOR WAR PURPOSES.

Washington, June 22.— President Wilson told inquirers today that he was supporting the provision in the naval bill to sell the battleships Mississipi and Idaho to Greece. He has been assured by A. Vouros, Greek charge d'affaires, that the battleships are not to be used in any immediate war. Mr Wilson told callers that if he had any idea that the vessels were to be used against Turkey or any other nation he would not support the project.

The Greek charge d'affairs and Commander Tsouklas, of the Greek navy, had an engagement later today to discuss the question with Mr. Wilson.

The Turkey government has protested formally against the proposed sale of the battleships Mississipi and Idaho to Greece.

COL. SAM HUGHES SENDS HOT REPLY

The local organization of the Social Democratic party in Cobalt recently memorialized Col. Sam Hughes, protesting against an attempt to organize a regiment in the Timiskaming district, reciting that war, civil or international is barbarous and legalized murder murder. The trend of events has shown that the use of the militia is to defeat any attempt of workers to establish better working on the part of the great mass of conditions and effect social reforms that are necessary.

In characteristic style Col. Hughes replied to the memorial, which he says is "brim full of the slop and the silly vaporing of minds ill-informed on the problems of human government." He laughs at the institution seeking to better conditions whose practices are regarded by many of those of the thug, assassin, and dynamiter. He expresses the opinion that if his memorializers are not too case-hardened they would be benefitted by joining the militia and learning to obey as well as to command.

Conkey's Chicken Remedies, Fly Knocker and Disinfectants are the most reliable. Brackman-Ker Milling Co. Phone 485.

TENDERS

Tenders are invited until Saturday noon, the 27th inst, for the construction of a 278 foot fence for the old cemetery on Wallace street and Comox Road. Specifications may be procured from the Engineering Dept, City Hall.

The lowest or any tender not necessarily accepted.

You Buy No Doubts

when you buy a
Remington Typewriter

It is not a question of your judgment only, or of ours; when you buy a Remington you are backed by the judgment of *over three-quarters of a million Remington users.* There is no other army of typewriter users like it. The collective voice of the typewriter using world says "Remington."

You are backed in your judgment by Remington sales of *a machine a minute*—the high water mark of typewriter production—unanswerable evidence of Remington progress and Remington leadership.

When you buy a Remington you *know* what you are getting.

Write to us for our latest illustrated booklet describing all the new improvements of our 10 and 11 visible models

BRIEF MENTION

Mr. Richard Isherwood left yesterday on a visit to friends in the Terminal City.

Mr. George Prevadoris returned Saturday evening from a business trip to Fort George, Calgary and Edmonton.

Mr. and Mrs. Reg. Hickman were passengers to Vancouver yesterday afternoon on the S.S. Princess Patricia.

Lieut. H. A. Bromley, acting adjutant of the 88 Fusiliers, announced Saturday night that the commanding officer, Lt.-Col. J. Hall, has now received a cable from Ottawa authorizing the holding of the annual training, in the field, of the regiment at Nanaimo at the end of this week. The 88th will entrain on Sunday morning next at 9 o'clock for Ladysmith, and will proceed to carry out the manoeuvres against the civil aid force at Nanaimo which have already been outlined in these columns.

In the sale by auction, Thursday, Mrs. Coleman is selling a large number of old relics such as old revolvers and swords some of these came out of the American war of Independence. 1

WORKMEN'S CO-OPERATIVE ASSOCIATION, LTD.
Nanaimo, B. C.

Members are requested to send in share books. Half yearly stock-taking and audit. Store closed all day Thursday, June 25th. 3t.

Messrs. J. W. Vipond and Dal Alexander left for Vancouver yesterday on a business trip.

The death occurred on June 14, at his London residence of Sir Edward White, P.J., L.C.C. Sir Edward will be remembered by the members of the Dominion House who represented Canada at the coronation of His Majesty King George, and were entertained by him at a banquet, in his official capacity as chairman of the London County Council, at the County Hall, Spring Gardens. One of his sons is a resident of Victoria, and engineer of the C.P.R. steamer Charmer.

Mr. and Mrs. James Watson, of Kamloops are visiting relatives in Nanaimo. Mr. Watson will return in two weeks while Mrs. Watson will remain here during the summer, visiting her parents Mr. and Mrs. Joseph Randle, West Nanaimo.

Mrs. G. Seip, of Vancouver, is visiting her sister, Mrs. E. C. Firth, Machleary street.

Try Nymo Ice Cream, manufactured by Nanaimo Dairy and Suppl Co.

Mr. R. C. Brumpton returned last evening from a business trip to Prince Rupert.

Six teachers of the staff of the Cumberland public schools have resigned.

For your cleaning and pressing call up "The Reliable" phone 355, opposite the depot; repairing a specialty. 31-2t

FEAR TROUBLE IF HINDUS LAND

Orrawa, June 22.—The Dominion Government has been advised to send armed forces to Vancouver to prevent any disorder which might arise should the Hindus now aboard the Komagatu Maru be allowed to land.

Mr. Stevens fears that the citizens of Vancouver will resist the landing of the Hindus in such an event to the extent of bloodshed.

Mr. Stepens is very anxious to get rid of the Hindus to the extent of having them towed out of the harbor and turned over to a Japanese guard beyond the three-mile limit Mr. Stevens asks that the department give complete backing to Malcolm Reid in his efforts to get the Hindus out, in view of the possibility of at least a long delay if the matter gets into the courts.

Mr. Stevens also asks that section 23 of the act be invoked to give the officials power to over-ride any order the court may make. It is stated that the last proposal is not possible from a legal standpoint.

In the absence of Hon. Dr. Roche, minister of the interior, in Manitoba Hon. C. J. Doherty has been acting minister. He also left for Quebec today and the Prime Minister has to take charge, there not being sufficient ministers at Ottawa to form a quorum.

At St. Andrew's Presbyterian manse yesterday afternoon the Rev D. McLennan united in marriage Miss Margaret Paisley Dochard, lately from Scotland, now of Nanaimo, and Mr. Charles Joseph Ponzo, of Seattle. The witnesses were Mrs. M. L. McIndoo and Miss Jean Grey Bullock.

Mrs. Alex. Rowan, Franklyn street, is visiting friends in Vancouver.

Birth—In this city on Monday, June 22nd., to the wife of Mr. Frederick Edward Higgins, Haliburton street, of a son.

Mr. Sam Haworth of the Globe Hotel returned home yesterday from a three months' visit to the Old Country.

Buy your footwear at Watchorn's. Best goods at lowest prices. tf.

Harewood mill wood, large load $2.50 at Fashion Stables, phone 2-5-8

In Sunday's shoot of the Nanaimo Gun Club C. Cheatwood and R. Eastham with 22, W. Hoggan 21 and W. Graham 20, were high scores in the shoot for the Sloan trophy; W. Martin was high gun for the McRae and Lucier trophy and M. McArdle with 18 was high man for the Armstrong and Chiswell trophy.

CARD.

Relatives of the late Sidney Isherwood wish to express their heartfelt thanks to all those who attempted to save his life from drowning on Thursday last, and also the kind friends who sympathized with them in their hour of bereavement.

All attempts to recover the 800 bodies still remaining in the wreck of the S. S. Empress of Ireland, were abandoned yesterday.

Return Summer Excursion fares to Eastern Canada and to Europe on sale daily from June 1st, with return limit to October 31st. Choice of rail and ocean routes. Write C F. Earle, Passenger Agent, Grand Trunk Pacific Ry., Victoria, for all particulars.

Mr. John K. Hickman, returned last evening from a business trip to the Terminal City.

B. & K. Rolled Oats and Canadian Wheat Flakes are the best and freshest in the market. Brackman Ker Milling Co. for quality. Phone 485.

Toronto, June 22,—Today was nomination day throughout Ontario for the provincial elections, there being three seats going by acclamation, viz, West York and South Renfrew (Conservative) and Glengarry (Liberal).

OF INTEREST TO LOCAL DOG FANCIERS

The appended communication which appeared in a recent issue of the Vancouver Province will be interesting to dog fanciers of Nanaimo and district:

Sporting Editor, Daily Province:

Dear Sir,—The "outlaw" organization "The Dominion Kennel Club" have been delivering literature broad cast from Winnipeg to Victoria a lot of which is misleading and untrue The executive of the Winnipeg Kennel Club have replied to it through the columns of "The Winnipeg Telegram" and in the interest of clean sport I wish you would publish this in your valuable paper.

The executive of the newly organized Winnipeg Kennel Club has replied to the statement of Messers. J. H. Holman and A. P. Mutchmor, respectively president and secretary-treasurer of the Dominion Kennel Club an outlaw organization with which they are attempting to control kennel club affairs in Western Canada. We will leave this question in the hands of all true fanciers of whom to our personal knowledge a great number remain to decide for themselves, but in our opinion this was merely a red herring drawn across the trai to divert attention from the real cause.

These gentlemen, or more correctly A. P. Mutchmor, infers in his articl that the Canadian Kennel Club is not affiliated with the Kennel Clu (England). For Mr. Mutchmor's edification in particular, we would refer him to the stud book issued by the Kennel Club (England) for 1914, on page 9, on which appears the following:

List of Colonial and Foreign clubs affiliated with the Kennel Club:

Canadian Kennel Club (reg. 1906) Secretary Dr. A. Boultbee, 113 Jarvis street Toronto, Canada.

It would appear, therefore, that this is direct misrepresentation, on the part of Mr. Mutchmor, in an endeavor to suppress the true condition of affairs In his lengthy article he failed to inform the fanciers of Western Canada, that Mr. A. Delmont, of Devon, Pennsylvania, and Mr. C. G. Hopton of New York, who had accepted appointments to judge at Winnipeg and Calgary exhibitions, respectively, immediately on becoming aware that these shows were to be held under unrecognized rules, positively refused to officiate. This refusal coming from gentlemen, who are conversant with kennel club affairs in every detail, will require a great deal of explanation on Mr. Mutchmor's part, to satisfy fanciers in the west. It does not require, therefore, a great deal of imagination for anyone to realize that there cannot be the slightest excuse for the existence of the Dominion Kennel Club.

Mr. Mutchmor, in his article, did not inform the public when he stated that the formation of the Dominion Kennel Club had been contemplated for over a year, before direct action was taken, that during the time mentioned, he was a trusted official of the Canadian Kennel Club, and while in his official capacity conducted the organization of a new club designed to usurp the position of the parent body in Western Canada. At the time of the formation of this Dominion Kennel Club, Mr. Mutchmor doubtless considered that he had dealt a vital blow to the parent body but we find that immediately the parent body (by means of the reciprocity pact) is in a position to assert itself and demand its just rights Mr. Mutchmor has recourse to the press, crying peace and goodwill, and begs for clean sportsmanship. Just imagine a request for clean sportsmanship eminating from a man who is actually responsible for the present condition of affairs.

Mr. Mutchmor, in his article, gives the newly organized Winnipeg Kennel Club inc., a little gratuitous advertising. This club, we take great pleasure in stating has been organized by a number of local fanciers of what Mr. Mutchmor expresses his desire for, viz., clean sportsmanship. We take this opportunity of informing the fancy, that within a week o. its organization, this club had the active support of 135 local fanciers. (Signed) The Executive of Winnipeg Kennel Club.

As the above comes from the seat of all the trouble, it doubtless shows the true condition of affairs.

It has been going the rounds that Victoria and Nanaimo Kennel clubs had turned over to Dominion Kennel Club rules, when as a fact both their secretaries have claimed their dates for their coming shows from me.

ALBERT GREENWOOD
Provincial vice-president for B. C. for The Canadian Kennel Club.
Jubilee, B. C., June 21, 1914.

In the sale by auction, Thursday, Mrs. Coleman is selling a large number of old relics such as old revolvers and swords some of these came out of the American war of Independence. 1

The Efficiency of an Executor----

One of the eastern provincial premiers recently made the statement that the system of appointing individuals instead of Trust Companies as executors was becoming antiquated.

Thinking business men should leave their estates for administration in experienced hands, just as a specialist is selected in any mercantile field.

Appointed as executor the Dominion Trust Company has the necessary equipment to give you the best possible service. It has a thorough knowledge of the laws and court requirements affecting deceased persons.

The company's officers are always pleased to confer with those desiring information relative to wills or executorships.

VOLUME XIV NANAIMO, VANCOUVER ISLAND, BRITISH COLUMBIA, WEDNESDAY MORNING, JUNE 24, 1914 NUMBER 93

TRAGIC DEATH OF JAMES ROSS

Well Known Young Man of Nanaimo and Extension Was Drowned in the Comox Lake—Funeral in Nanaimo.

Jas. Ross aged 24 years, well known in this city and Extension, where he resided with his parents for a number of years, met a tragic death by drowning in the waters of Comox Lake, Sunday, his body being recovered Monday. The remains will be brought to Nanaimo Thursday, the interment taking place in the Nanaimo cemetery, the funeral taking place from Hilbert's undertaking parlors Friday afternoon at 2:30, Rev. Dr. McLennan officiating.

The deceased was a native of Scotland and was the son of Mrs. J. E. Lawrence, 41 Kamloops street Vancouver, formerly of Extension, who will have the symapthy of the community in the loss occasioned by the death of her son in so tragic a manner. This is the second bereavement Mrs. Lawrence has suffered in a similar manner, her son George being drowned in Nanaimo River in June, 8 years ago.

Besides his mother, the deceased is survived by two brothers, William and Alex. four sisters, Ella, Jessie, and Queenie, all living at home in Vancouver, and Mrs. A. E. Wilder, of San Jose, Cal., formerly of Nanaimo.

The deceased was well known in this city. He was a member of the Rambler baseball club and up to a few weeks ago was employed by the local branch of the Silver Spring Brewery.

BUSY DAY AT LOCAL PLANT

Visitors are Invited to See the Plant of Nanaimo Pressed Brick Company in Full Operation Thursday.

Thursday will be visitors day at the plant of the Nanaimo Pressed Brick and Terra Cotta Company. All Nanaimoites are invited to visit the plant on Thursday afternoon when officials and directors of the company will be on hand to show them the working of the plant, the shale deposits, etc.

Visitors to the plant Thursday will have the opportunity of seeing one of the big kilns being emptied of brick, another in the process of burning brick and another being newly filled with brick. It is not often that this all takes place on the one day at the plant, so that Thursday is a very opportune day to visit the place.

AN APPEAL FOR IRISH VOLUNTEERS

Philadelphia, June 23.—An appeal to strengthen the Irish volunteers and "enable them to confront adequately this audacious attempt of the British aristocracy and an Irish minority to put down by force the liberties of the Irish people" was received last night by Mr. M. J. Ryan, President of the United Irish League of America in a cablegram from Mr. John Redmond, leader of the Irish Natianalist party.

The cablegram concluded with an appeal to friends in the United States to financially aid the Nationalist volunteers.

PREMIER WILL COME WEST.

Ottawa, June 23.—According to present arrangements Premier Borden will start on his tour of the west during the first week in August. He will spend most of July in Halifax, where F. B. McCurdy, M. P. Has placed his home at the Premier's disposal.

TURKEY PROTESTS

Washington, June 23.—The Turkish government has protested formally against the proposed sale of the battleships Mississippi and Idaho to Greece.

Gurdit Singh, the leader and priest of the 380 Hindus who arrived at Vancouver on the steamer Komagata Maru, and insisted upon being permitted to land in Canada, thus giving the immigration authorities a most serious problem to deal with.

PREMIER'S PROPOSAL TO UNION OFFICIALS

Officials of Nanaimo Local U. M. W. of A. yesterday issued the following statement:

"The vote of Island Locals on the proposal of the operators through Sir Richard McBride resulted as follows:

For the proposal	274
Against	1467
Majority against	1193

The terms of the proposal are contained in the following letter addressed by the Premier to Mr. Frank Farrington, representing the Executive of the International Organization:

Frank Farrington, Esq.,
United Mine Workers of America.

Dear Mr. Farrington,—Further to my letter June 8th, subsequent telegrams to you and to the confereuce that took place in my office on Saturday, June 13, I should feel very grateful if you would be good enough to submit the following for consideration to your colleagues when in convention tomorrow.

The Provincial Government, being actuated by a desire in the public interest for a satisfactory settlement of the strike now prevailing in the coal mining districts of Vancouver Island, conferences were held with representatives of the Canadian Collieries (Dunsmuir) Ltd., the Western Fuel Company, and the Pacific Coast Coal Mines Ltd. As a result I was given full assurances that in the event of the strike being declared off the companies would agree as follows:

The companies will employ all men in their employ at the time of beginning of the trouble, without discrimination and as rapidly as physical conditions of the mines will permit.

The managements further agree that so long as the best interests of the properties under their control may be fully conserved they will not employ any new men until all their former employees who desire work shall have been reinstated, provided, however, that in each and every case due regard be had for a proper standard of efficiency.

The miners shall have the right to belong to the United Mine Workers of America, if they so choose, and the companies shall not discriminate against any of the men because of their affiliation therewith. This however, is not to be understood as a recognition in any respect by the companies of the United Mine Workers of America.

From my conference with the operators I feel personally convinced that they will spare no efforts to carry out in full sincerity the spirit of these proposals and that they have no intention of evading anything fair and reasonable in the undertaking they agree to give in the event of such proposals being accepted.

In considering this matter I am sure that you and your colleagues fully realize the desirability of bringing about a settlement of the strike and of doing what lies in your power to end the unfortunate condition now existing.

Yours very truly,
RICHARD McBRIDE.

Victoria, June 15, 1914.

In addition to the foregoing terms of settlement the Premier further gave his assurance verbally to the Union officials that should an agreement result from the ballot he would use his good offices to secure from the department of justice the release of the miners now undergoing jail sentences in connection with the disturbances in this district last August.

BOARD OF TRADE MEETS TODAY

Special Meeting Will be Held This Afternoon to Receive Report Committee Re Motor Bus Service in Nanaimo.

A special meeting of the Nanaimo Board of Trade will be held this afternoon at 4 o'clock in the Board rooms, of the City Hall.

The meeting is being called for the purpose of receiving the report of the committee appointed to confer with Messrs. Grey and Baynes of the District Motor Bus Company, Victoria, relative to the inauguration of a motor bus service in Nanaimo and district. The committee met the representatives of the Company on Thursday evening last, and learned the conditions upon which they would inaugurate a system in Nanaimo. The committee has its report in readiness, and will submit it to the general meeting this afternoon. Should the meeting endorse the proposal it will be turned over to the City Council which body will pass upon the matter finally.

In view of the importance of today's meeting all members are urged to be in attendance at 4 o'clock.

HON. SAMUEL H. BLAKE, NOTED LAWYER, IS DEAD

Toronto, Ont., June 23.—Hon. S. Hume Blake, K.C., the leading layman of the Church of England, in Canada, died this morning at 3:30 o'clock at, the age of 79 years, at his residence, 46 Maple avenue. He had been in feeble condition for several years, and for the past few weeks had been confined to his house.

Hon. "Sam" Blake, as he was popularly known, was one of the most notable figures in Canadian public life. Not only was he the leading layman of the Anglican church, but he was the chief counsel at the Canadian bar in his day. He was described as having the most scorching tongue and one of the kindest hearts in Canada.

INDIAN LAND QUESTION WILL GO BEFORE COURT.

Ottawa, June 23.—The government has taken definite steps to have the courts settle the question of the rights of the Indians of British Columbia to title to certain extensive areas of land within the borders of that province. An order-in-council has been passed providing that the claims of the Indians be submitted to the Exchequer court with the right to appeal to the Privy Council.

Should the courts decide that the Indians are entitled to the lands they will be surrendered accordingly to the customary terms governing the extinguishment of titles. Should the decision be against the Indians, the land question will be dealt with by the Dominion government in the best interests of the red men. The order-in-council makes provisions for the setting aside of certain reserves.

ANOTHER HINDU SHIP COMING TO COAST

Calcutta, June 22.—With 400 Hindustani passengers on board, the Norwegian steamer Christian Michalson, has left here for Vancouver, via Shanghai. Her passengers were carefully selected for physical fitness and each man is free from disease and provided with the requisite amount of money. The steamer is under charter to a Calcutta woman of wealth, but it is understood that a Parsee merchant of Bombay, named Jamsetjee, is interested in a Canadian emigration scheme on a large scale.

At the Salvation Army congress held in London during the present week some 5,000 delegates were present fully 2,000 from the overseas dominions. On July 23rd will be held the final meeting of the congress when 20,000 Salvationists will parade with 150 massed bands.

A mass meeting in Vancouver last night passed a resolution endorsing the immigration authorities in their stand on the Hindu problem in refusing the Hindus aboard the Komagata Maru to land.

DEATH OF COLIN JAMES CAMPBELL

Ladysmith, June 23.—Colin James Campbell, an old and respected resident of Ladysmith, passed away at the General Hospital this morning, after an illness extending over four months. Early in the spring deceased consulted a physician for what he believed to be some disorder of the stomach. A careful diagnosis revealed a serious disease, and shortly afterwards he entered the hospital and remained there until the end.

Colin James Campbell was born in Erin township, County Wellington, Ontario, sixty-four years ago. His early life was spent on a farm, after which he followed the occupation of purser on the lakes. He came to Victoria twenty-five years ago, and lived there until his removal to Ladysmith before it was incorporated as a city.

While here he was honored several times with a seat at the council board, and in his capacity as councillor rendered faithful and honest service to the city.

Some weeks ago relatives in the east were communicated with, and two sisters arrived on Saturday. Although nearing the end and unable to speak to them he recognized both.

He leaves behind him, two sisters, Mrs. Brown, of Toronto, and Mrs. Grieves, of Brantford, Ont., besides five brothers, four in Eastern Canada and one, William, in the Kootenays.

The funeral, the arrangements for which are in the hands of Mr. D. J. Jenkins, will take place tomorrow afternoon at 3:30 from the residence of the deceased on Victoria Road to the Ladysmith cemetery.

BUTTE HAS A FIERCE BATTLE

Rival Union Organizations Battle For Supremacy in Mountain Town--Union Hall Destroyed by Dynamite.

Butte, June 24.—The front of the W. F. of Miners hall was blown out by dynamite tonight by a mob of insurgent unionists, and one man was killed, two fatally injured and a number of others injured in a fusillade of shots by deputies who were on guard of the hall while a meeting of the W. F. of M. under the chairmanshipof President Moyer was in progress.

When the deputies fired over the heads of the mob in an attempt to disperse them the mob surged back but later returned with dynamite.

The deputies and Moyer men held possession of the hall for a time but retreated from the premises when the insurgent unionists began to use dynamite with which to wreck the hall. Half a dozen men carried a 50-pound box of dynamite which was let off in a single charge. Twelve such charges were set off before the front of the building was demolished.

Up to 5:20 this (Wednesday) morning twenty-three blasts had been fired and insurgent unionists left for a fresh supply of dynamite.

At a late hour tonight state troops were telegraphed for and they are expected to reach Butte early this morning.

ENTERS PARTNERSHIP WITH MR. SIMPSON

There is to be a change in one of the oldest legal offices in town. Mr. J. H. Simpson, after practising as a lawyer for many years in Nanaimo is taking a partner in his business. His partner is Mr. E. R. Sargent, who arrived in the city on Tuesday. Mr. Sargent is an English-trained lawyer, having passed as a barrister at-law. He is now a full-fledged barrister and solicitor in Canada having passed all the Canadian law examinations. He has been four years in Canada, and is thoroughly conversant with Canadian conditions. Mr. Simpson, since he took over the duties of city magistrate has not had enough time to attend to his law practice, and there is a splendid opportunity for Mr. Sargent here.

The Blue Funnel liner Teucer is reported to have sailed from Liverpool on Saturday for Victoria, via the Orient.

NOTED VISITOR HERE TODAY

Baroness de Laveleye of Liege Belgium is the Guest Today of the Nanaimo Branch of W.C.T.U.

A distinguished visitor will arrive today in the person of Baronne Marg de Laveleye of Liege, Belgium. The Baroness will be given a reception at the home of Mrs. J. E. T. Powers, Newcastle Townsite, under the auspices of the W. C. T. U. and the Daughters of the Empire, the reception being held from 3.30 to 6 o'clock to which a cordial invitation is extended to all women in the city, whether members of the W.C.T.U. or D. of E. or not.

As president of the Belgian National W. C. T. U., and for thirty years a worker in the cause of temperance, the Baroness is keenly alive to all that pertains to the welfare of women and is greatly interested in the work women are doing all over the world. She paid her first visit to America last October when she attended as a delegate, the world's W. C. T. U. convention in Brooklyn. Since that time she has visited Egypt, India, Burmah, Ceylon, the Malay States, China and Japan, and from the latter place came on to Vancouver. "I never find my journeys wearisome," she said when interviewed in Vancouver, "and it is easy to understand why one so interesting and interested in all about her could fail to be happy wherever she choose to stay.

The Baroness is a firm believer in the necessity for the enfranchisement of women, but contends that until her own country is free from religious restraint and influence it would not help matters there. "The women of Belgium," she said, "are not interested in the question, although we have a society there and are making a small beginning. The women are simply indifferent. The lower class women have no time to think about it, and the upper classes are educated principally in Jesuit convents, where they would be influenced against it, if anything. There is a geoeral impression that women would neglect their homes far more for teas balls and theatres than they would by putting a ballot in a box once a year."

Speaking on the temperance movement in her country she said: "Although the movement has been carried on for nearly fifteen years, there are not more than 100 W. C. T. U. workers in the country. This, of course, does not mean that there are only 100 temperate inhabitants for the Good Templars and the Blue Cross workers are doing good work there. The work is particularly difficult, owing to the fact that everyone in Belgium drinks, not generally to excess, but simply as a matter of course. They are drinkers but not drunkards. Total abstainers are very rare even among members of the temperance orders. A great many influential people who belong to the Patriotic League Against Alcoholism are moderate drinkers."

The Baroness de Laveleye herself, first became interested after an illness when she was ordered not to touch wine for some time. Although unaccustomed to the idea of evil resulting from the use of alcohol, she soon grasped the value of the suggestion, and signed the temperance pledge in Edinburgh at the 400th anniversary of the founding of the university, and since that time has been an earnest worker in the cause.

"When I tell you," she said, "that we are one of the few countries of Europe that have no system of compulsory education you may think we are an illiterate nation, but this is not the case. Illiterate people are few and altogether they are thrifty and honest."

Professor Emile de Laveleye, the Baroness' father, was lecturer on political economy at the university of Liege, was famous as an educator, and with Mr. Gladstone, was responsible for the emancipation of Bulgaria. He was one of the founders of the Institute of International Law and Arbitration, and for many years was president of the European Federation for the abolition of Legalized Vice. In her endeavors to awaken the people of her land to the dangers of alcohol the Baroness is following in the footsteps of her illustrious father. Refusing to be trammeled, by custom or prejudice she is endeavoring to save her people from what she regards as a great evil. A conversation with the Baroness brings to mind the lines "How happy is he born and taught that serveth but another will; whose armor is his honest thought and simple truth his utmost skill."

During her stay in Nanaimo, the Baroness will be the guest of Mrs. T. W. Martindale, Milton street.

Rev. W. T. Herridge of Ottawa, the new Moderator of the Presbyterian church in Canada. He was elected at the General Assembly at Woodstock a few days ago.

CARRANZA DECLINES INVITATION OF U. S.

New Orleans, La., June 23.—Carranza will not accept the invitation of the United States government to send representatives to meet informally agents to Huerta to endeavor to select a provisional president of Mexico, according to a statement here today by Alfredo Breceda, private secretary of Carranza, and a member of the latest commission Carranza is sending to Washington.

Coming direct from a visit to General Venustiano Carranza, Fernando Calderon, a leader of the Liberal party of Mexico is en route to Washington to confer with President Wilson and Secretary Bryan, not as a representative of Carranza, but as leader of the Liberal party. With Alfredo Breceda, private secretary to Carranza, and L. F. Villa-Vincenzio, a constitutionalist official of Saltillo, he arrived here yesterday. It is expected they will leave for Washington tonight.

Calderon was emphatic today in his declaration that he would not represent Carranza in any negotiations that he might enter, either at Washington or at Niagara Falls. His traveling companions, however, stated that Calderon might act as a go-between for the constitutionalists in whatever negotiations he might be a party to.

Washington, June 23.—No formal answer to the invitation extended by the American peace commissioners at Niagara Falls to constitutionalist agents for an informal conference over Mexican peace plans is expected to be made until confidential agents of General Carranza reach Washington late today or tomorrow.

Fernando Iglesias Calderon, Alfredo Breceda and Leopoldo Huerta di Espinosa are en route with instructions from the constitutionalist chief In official quarters today, it was declared by one high in authority that he saw absolutely no clouds now on the mediation horizon. In administration circles the hope for ultimate success of the peace conference was considered more promising.

El Paso, Tex., June 23.—The removal of General Trevino as Carranza's chief of staff and of Ysidro Fabela, acting minister of foreign relations in the constitutionalist cabinet, reported from Saltillo, was taken by revolutionists here today, as a victory for the Villa faction. Both were said to have been opposed to Villa's southern campaign and in favor of the creation of the new military zone which blocked his progress until Villa insisted on continuing his advance toward Mexico City.

The prospective appointment of Eduardo F. Hay as chief of staff was hailed as agreeable to both factions. Hay, now chief of staff to General Hurbe in Sinaloa, won his spurs in the Madero revolution. He was the hero of the first battle of Casas Grandes, where he lost an eye. Later he was sent to Europe by Madero on a diplomatic mission. He is a civil engineer and a graduate of the University of Notre Dame, Ind.

MOYER LOST OUT IN BUTTE

Miners are Enrolling Under Independent Organization Which Broke Away From Western Federation of Miners.

Butte, Mont., June 23.—With offices established in the business district, the new Butte mine workers' union is today enrolling the miners who have espoused the cause of an independent organization. President Michael McDonald declared that at least ninety-three per cent of the miners of Butte will affiliate with the new organization.

Officers of the new union declare the action of President Moyer, of the Western Federation of Miners in calling off the meeting of the federation's union for this afternoon indicates that the federation chief realizes he cannot secure the attendance he desired. The regular meeting of that union will be held tonight with Moyer in charge.

Moyer stated today that a thorough probe of the old union's affairs would be made at once, and any irregularities or abuses discovered will be rectified. Plans will also be made for a new election of officers. Moyer has sent out a call for all miners holding federation cards showing dues paid up, to attend the meeting.

WILL SELL BATTLESHIPS.

Washington, June 23.—The administration's proposal to sell the battleships Idaho and Mississippi to Greece, already approved by the senate, was passed by the house to-day by a vote of 174 to 87. One dreadnought will be built with the proceeds.

WAS TORN TO SHREDS BY LIONS

University Graduate Met an Awful Death When Body Was Torn to Fragments in Chicago.

Chicago, June 23.—Emerson D. Dietrich, 26 years old, a graduate of Cornell University, was torn to shreds today by five lions, whose cage he had entered to feed them. They virtually ate him alive.

There were ten lions in the freight car on a sidetrack at Sixteenth street and Indiana avenue, in the heart of the city. In the excitement, thousands of persons returning from a day's outing were thrown into panic by information that some of the lions had escaped and were being pursued by rifle squads from a nearby police station and the Union Stockyards.

Notwithstanding the danger, immense crowds surrounded the scene of the tragedy until driven to safety by the police, who had been hastily summoned from every direction.

While Dietrich was making his brief and losing fight for life in the teeth and claws of the ferocious beasts, five lion cubs each leaped from the car and tried to slip away. George McCord, keeper of the animals realizing the peril to the crowds on every side, devoted all his energies to returning them to the car. This he accomplished.

The ten lions are the property of Mme. Adzie Castilo, who is to open an engagemeot in a Chicago theatre in July. Dietrich, who was connected with the show, went into the car in which the animals had been brought to Chicago to feed them. Keeper McCord, who saw the tragedy said:

"Dietrich went into the den where the six big lions are kept and I followed him. Teddy, the leader in the attack on Dietrick, started to play with him and he ordered the beast to lie down. Four of the other lions were facing him at the time, including Teddy. Almost immediately Teddy slunk behind Dietrich and in a second was on his back, tearing and clawing him frightfully. The others—Brutus, Nellie, Jeff and Mutt—then joined in, and what followed was awful—awful."

McCord screamed, with tears streaming down his face, as he came to this part of his story.

"My God, I'm gone," screamed

(Continued on page 3)

CITY EXTENSION

We rather expected to hear something of the city extension scheme at the Council meeting, but apparently there was nothing to report. It is not a question in which time is a consideration, but, at the same time, there should be no slackening in the effort to keep it to the front. Sufficient time has elapsed since the matter was brought up again to permit of the preparation of a definite scheme of incorporation. While we favored the extensive proposal of two years ago, it would, we think, be expedient to begin with smaller things this time. As we have frequently pointed out, there is a considerable amount of property which to all intents and purposes forms a part of the city although it is just outside the city limits. This is especially the case at the north and south ends of the city, and several places along Pine street. A beginning could be made with these, and the bigger scheme of extension gradually worked out. Fewer difficulties would be met with and there would be less likelihood of the proposal being turned down.

CHASING THE VAN

There was little business of importance before the City Council on Monday evening. One familiar question was raised in the matter of the license of the van in front of the post office. This particular van has been chased all over the city, and the question of its license hunted through the Council time after time. It was understood that the matter had been settled over a year ago. The Council then decided to refuse the renewal of the license to operate the van as a store. Accordingly the doors were closed, which meant that the flap was dropped and the incident was forgotten. This probably explains why another license was obtained to open the van, and again we had the spectacle of the council in full pursuit on Monday night. The renewal of the license is to be again refused, and once more the Council has disposed of the van question.

ONTARIO ELECTIONS

The provincial elections in Ontario are causing a good deal of comment and no doubt the result, whatever it may be, will lead to still further controversy. The election is not being fought on a political issue. The only question before the electors is a temperance one. There are already in Ontario many dry belts, many municipalities having adopted prohibition It was still possible for the temperance workers to make further progress with this same machinery. But now politics has been injected into the temperance propaganda. Sir James Whitney, the Conservative Premier, had given an earnest of his sympathy with the temperance movement, in passing prohibition legislation. There were no public indications that anything more was required than the laws already in operation. Sir James, although his health has been failing him, seemed as firmly set as ever in the public confidence. And then came the Liberal leader with the slogan "abolish the bars." He has made it the issue of the election, and thus swept away all party dividing lines. Most of the churches have rallied to the Liberal side, and many ministers have come out as candidates. Nobody can say how the result will go, but it is certain that Ontario is in for a dryer time than it has yet known. It is also in for some warm electioneering and some bitter sectarianism. There is nothing to be said against ministers as politicians. They have a right to the same liberty of action as other men. Also they must bear the consequences of their actions. It is inconceivable that in taking to the hustings on this issue they are doing so with the good will of all their congregations, and a minister is dependent upon his congregation for his living. There is the probability of trouble beginning here, and it has to be shown that the churches and their ministers have not been caught by a political trick. Finally there is the point to be decided as to how far it is wise to carry reform From this distance it looks as though Ontario may go still further in its temperance crusade. A great party once marched just as zealously on the path of Godliness and the result was a fierce reaction the influences of which are still felt after 200 years.

HOME RULE AGAIN

The Irish Home Rule Bill again holds the boards in British politics this week. The Amending Bill, the promise of which caused a temporary armistice between the fighting chiefs, has been introduced into the House of Lords. It shows that nothing has been gained in the direction of a settlement during the cessation of hostilities. It contains no new features. It simply provides for the counties of Ulster voting themselves out of the Home Rule measure for the life of two parliaments. This proposal has already been rejected by Sir Edward Carson and the covenanters. At bottom it must be said that the Carsonites are as much opposed to a divided Ireland as are the Nationalists. The trouble is that there does not appear to be a possible basis of unity. The vast majority of Irishmen want Home Rule. A considerable minority in Ulster do not want it and won't have it. Not only will they fight to keep themselves out because they don't want it, but they will fight to prevent the majority getting it who do want it. Even in Ulster itself there are counties which would vote for inclusion in Home Rule. There are others in which the Unionists would be almost tied with the Nationalists. Numerically the two parties are almost a stand off, and the Nationalists have one more member in the House than the Unionists. In any case, the protestants, both in a religious and a political sense, are given the option of exclusion. It is unreasonable to demand or to expect to be allowed to speak and act for anybody but themselves. Majorities may not always be right, but we have nothing to substitute for majority rule. The Covenant, or its leaders, would even prevent a referendum by counties. Surely it is an elementary right of the counties to say what they will do in regard to such a momentous issue. It is the Covenant which is instituting coercion. And the inevitable has already happened. The minority threatened revolt if the measure was passed, and now the majority are ready to rebel if it does not pass. It is impossible not to sympathize with the cause of the Ulstermen, and to admire them in the gallant struggle they have made. But they will do themselves and the cause of Ulster no good by an attitude of unreason, or by carrying their objections to the point of armed resistance. To those on the outside who have watched and followed this great question it seems that there has been too much talk and rant of war and too little commonsense and reason. Now the question has reached such a crisis that even the most earnest and genuine efforts to effect a settlement may fail of success.

"I HAVE GAINED FIFTEEN POUNDS

Since Taking "Fruit-a-tives" And Feel Like A New Person"

DRYSDALE, ONT., June 15th. 1913. "I am a general storekeeper at the above address and, on account of the great good I have experienced from using "Fruit-a-tives", I recommend them strongly to my customers. They were a great boon to me, I can tell you, for about two years ago, I was laid up in bed with vomiting and a most terrific pain at the base of my skull. This pain nearly drove me mad. Doctors feared it would turn to Inflammation of the Brain, but I took "Fruit-a-tives" steadily until I was cured. I have gained fifteen pounds since taking "Fruit-a-tives" and I verily believe they saved me from a disastrous illness".

J. A. CORRIVEAU.

50c a box, 6 for $2.50, trial size, 25c. At all dealers or from Fruit-a-tives Limited, Ottawa.

GERMAN STEAMERS COLLIDED AT SEA

Hamburg, June 23.—The North German Lloyd steamer Koenigin Luise and the German passenger steamer Cobra were in collision today. Both were damaged. The passengers were landed safely.

Lands End. Eng., June 23.—The Belgian steamer Gothland, from Montreal for Rotterdam, went ashore today on the rocks two miles to the northwest of the Bishop Rock, Sicilly Islands.

The Efficiency of an Executor----

One of the eastern provincial premiers recently made the statement that the system of appointing individuals instead of Trust Companies as executors was becoming antiquated.

Thinking business men should leave their estates for administration in experienced hands, just as a specialist is selected in any mercantile field.

Appointed as executor the Dominion Trust Company has the necessary equipment to give you the best possible service. It has a thorough knowledge of the laws and court requirements affecting deceased persons.

The company's officers are always pleased to confer with those desiring information relative to wills or executorships.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining right of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the North-west Territories and in a portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,500 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-agent in the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal sub-divisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10.00 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or sub-agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

N. B.—Unauthorized publication of this advertisement will not be paid.

DEPARTMENT OF WORKS.

NOTICE TO CONTRACTORS.

Harewood School.

Sealed Tenders, superscribed "Tender for Harewood School," will be received by the Honourable the Minister of Public Works up to noon of Monday, the 6th day of July, 1914, for the erection and completion of a six-room school-house at Harewood, Nanaimo, in the Alberni Electoral District.

Plans, specifications, contract, and forms of tender may be seen on and after the 15th day of June, 1914, on application to Mr. W. H. Jones, Secretary of the Harewood School Board, Nanaimo; Mr. J. Mahoney, Government Agent, Court-house, Vancouver; Mr. George Thomson, Government Agent, Nanaimo, and the Department of Public Works, Victoria.

By application to the undersigned, contractors may obtain one copy of the plans and specifications for the sum of ten dollars ($10), which will be refunded on their return in good order.

Each proposal must be accompanied by an accepted bank cheque or certificate of deposit on a chartered bank of Canada, made payable to the Honourable the Minister of Public Works, for a sum equal to 10 per cent. of tender, which shall be forfeited if the party tendering decline to enter into contract when called upon to do so, or if he fail to complete the work contracted for. The cheques or certificates of deposit of successful tenderers will be returned to them upon the execution of the contract.

Tenders will not be considered unless made out on the forms supplied signed with the actual signature of the tenderer, and enclosed in the envelopes furnished.

The lowest or any tender not necessarily accepted.

J. E. GRIFFITH,
Deputy Minister and Public Works Engineer.
Department of Public Works,
Victoria, B. C., June 10th, 1914.

Thomas S. Fulton, Manager Nanaimo Branch

ANOTHER STAGE OF HOME RULE BILL

London, June 23.—The crisis in connection with the granting of Home Rule to Ireland, entered another stage today when the Marquis of Crewe, Liberal leader in the House of Lords, introduced a bill to amend the Irish Home Rule bill. The terms of the amending bill are identical with those offered on March 9 by Premier Asquith and contemptuously refused by Sir Edward Carson, the Irish Unionist leadtr, who described the premier's proposal as a hypocritical sham.

By the new bill the parliamentary electors of each county in Ulster would be allowed to decide by vote whether the county shall be excluded from the provisions of the Home Rule bill for a period of six years from the first meeting of the new Irish parliament.

The situation has never been paralleled in parliamentary procedure in the British Isles. Never before has a bill been presented to parliament to amend a measure not yet on the statute books. This was, however, the only means of overcoming the deadlock, as the House of Lords refused to consider the main bill until the full proposals of the government were before it.

MILITIA NOT ALLOWED TO ACT AS AN ESCORT

Quebec, June 23.—Permission has been refused by Hon. Col. S. Hughes to the Sixth regiment of Levis to take part in the procession which will escort Cardinal Begin tomorrow on his arrival from Rome. This being an unusual occasion the officers wrote Col. J. Landry, commanding officer, Quebec, for permission. Col. Landry transmitted the request to Ottawa and word has been received from the minister to the effect that the regulations of the militia of Canada must be adhered to.

Keep Minard's Liniment in the house.

I. O. O. F.

SOLD IN NANAIMO AT F. C. STEARMAN DRUG CO.

WANT HAYTI TO PAY

Washington, June 23.—Reports that Germany and France, dissatisfied with Hayti's payments of debts to their nations, were about to seize the customs house, when brought to the attention of Secretary Bryan today, brought out the statement that neither government had intimated any dissatislaction to the United States.

SHACKLETON'S DOGS.

Selkirk, Man., June 23.—Three carloads of huskie dogs for Sir Ernest Shackleton's Antarctic expedition left here today for Montreal, where they will be transferred to the steamer Montcalm and shipped to Liverpool There were 100 dogs in all, each in a separate crate. The huskies were purchased at different points on Lake Winnipeg by Mr. Henry, the Hudson's Bay trade commissioner.

KAISER ADVISES PRINCE TO FIGHT

London, June 23.—A telegram to the Daily Express from Rome says "A friend who has just returne from Durazzo tells me that last Monday Prince William received a lon telegram from the Kaiser exhorting him to resistance and pointing out that a Prussian officer only retires at the last moment and when all resistance is useless. The Kaiser advised him to place his wife and children aboard ship and defend the palace to the last shot, when he, too, should retire to the ship leaving the settlement of the issue to the decision of the powers."

GOLD DISCOVERED ON WILLOW RIVER BANKS

Vancouver, June 23.—Gold has been discovered on the banks of the Willow river, 30 miles east of Fort George, according to a private telegram received here today by E. H. Heaps, and there is great excitement in Fort George over the discovery. Many Fort George residents are stampeding to Willow River and are staking claims, both quartz and placer, according to Mr. Heaps' message.

The stream on which the claims are being staked rises in the Cariboo country not far from Barkerville, the scene of many rich gold finds of earlier days. This fact lends support to the belief that valuable claims will be found at Willow river townsite, the precious metal having come dow from the Cariboo.

Mr. Heaps said today that although he was interested there he had not been aware that any prospecting was being done in the vicinity of the townsite, and the announcement of the find was news to him.

GALE IN CROWS NEST

Frank, Alta., June 23.—A terrific windstorm swept the pass this morning doing a great amount of damage to buildings and causing all kinds of work to be suspended. The Union Hotel here, which was being moved from the old townsite to its new location, was greatly damaged.

FRISK STILL LEADING NORTHWESTERN BATTERS.

Only five regulars who have traveled over the full Northwestern League batting journey to date are holding to a .300 average. Spokane has the first two in order, Frisk at .335 and Holte, .318. Callahan, of Portland, and McMullin, of Tacoma, are knocking right at the door. Swain leads the Seattle team in batting.

Wagner still leads in run getting. The two best base stealers also wear Indian uniforms, Wagner and Wuffli. The third, fourth and fifth best sluggers are Indians, Wagner, Wuffli and Frisk, and the second best bunter in the league, Butler, is a Spokane man.

AL HATCH INJURED AT PRINCE RUPERT.

Prince Rupert, June 23.—After match with Pete Sigurdson. Hatch Vancouver was forced to quit in his wrestling 24 minutes and 45 seconds without securing a fall, Al Hatch of claimed that he disabled a shoulder. He was the aggressor most of the way.

AVIATOR GETS JOB

San Francisco, June 23.—Arthur F. Lym, a Chinese aviator, will sail on Saturday for Hongkong to become an instructor in aviation to the Chinese army. Lym is a native Californian, a college graduate and former manager of a daily Chinese news paper in this city.

CROSS OCEAN IN MOTOR BOAT

Winnipeg, June 23.—Lawrence Marples, aged 22 years, will in August attempt to cross the Atlantic in a thirty foot motorboat, accompanied by three friends. The trip will be taken in an endeavor to win the $25-000 prize offered by the London Daily Mail. Marples, who is sales manager of a Winnipeg realty firm believes that by taking the northerly route via Belle Isle Straits, he can make the trip in seven days and seven hours, averaging 15 miles per hour. A Canadian firm of launch builders will construct Marple's craft which will carry a miniature wireless apparatus with a radius of six miles.

ATLANTIC FLYING BOAT IS LAUNCHED

Hammondsport, N. Y., June 23.—On the sixth attempt a bottle of champagne from grapes grown on the hills near Hammondsport was smashed late yesterday afternoon and Rodman Wanamaker's flying boat was christened the "America." It is to attempt a flight across the Atlantic in July. At 6:21 the big red air boat, full rigged, with its seventy-two feet spread of wings, was launched in Lake Keuka.

It was so late when the "America" was christened that the trial flight was postponed until today. Two American flags were raised over the cabin of the machine. Hammondsport had been carefully searched for a Union Jack to float beside the American flag as a reminder that Mr. Wanamaker's principal purpose in attemuting to cross the Atlantic in an airboat is to bring the two countries closer together in the cause of international peace. But no Union Jack could be found, so, in its stead, a flag was selected whose large red background gave it some semblance to the British emblem.

As the America was being launched someone suggested that Lieut. Porte late of the British navy, and one of the air pilots in the cabin should ride under his own colors, and G. Bateman, correspondent for the London Chronicle, sprang forward and passed an English two-penny postage stamp on the airboat.

KICKS MATE TO DEATH

Seattle, June 23.— N. Marcott, 23 years of age, a prisoner held in the receiving cell at the city jail, went suddenly insane last night and kicked to death Arthur Johnson, aged 29 a fellow prisoner, who was asleep, probably fatally injured another prisoner and seriously injured two others.

TO WIND UP FIRM

London, June 23.—The high court today made compulsory the order for winding up the Chaplin-Milne-Grenfell company. Application was made on the firm's petition. No opposition was entered.

LACK OF CARE WILL RUIN THE MOST BEAUTIFUL HAIR

Save It With Herpicide

Aside from combing it when they think necessary many people give no attention whatever to their hair. Then when the hair begins to fall out it never occurs to them that their trouble is the result of personal carelessness.

An occasional application of Newbro's Herpicide will not only prevent loss of hair but permits a luxuriant growth. Hair losses are attributable to dandruff and the germ that causes it. The results following the intelligent use of Herpicide are frequently of a surprising nature. It removes the scale-like accumulations, leaving the scalp clean and free of dirt and thus allowing the hair to grow unhampered by dandruff.

Newbro's Herpicide in 50c and $1.00 sizes is sold and guaranteed to do all that is claimed. If you are not satisfied your money will be refunded

Applications may be obtained at good barber shops.

FRED C. STEARMAN, Druggist, Special Agent.

BANK HOLD-UP SUSPECT RELEASED

New Westminster, June 23.—Martin Powell, accused of complicity in the famous Bank of Montreal robbery case of September, 1911, was released from custody this morning on application by his counsel, Mr. Adam S. Johnston.

Powell had been held here without trial for almost a year, and when the assizes opened this morning the crown prosecutor, Mr. W. G. McQuarrie, informed Mr. Justice McDonald that the prosecution was not ready to proceed in the Powell case and asked for a stay of proceedings. Mr. Johnston promptly moved for the discharge of the prisoner with the usual order, which was granted by his lordship.

At the time Powell was arrested in Detroit, he had about three thousand dollars in Canadian bank bills in his possession. These notes are now held by the police, but an application for the surrender of the monies to Powell will shortly be made by Mr. Johnston.

WOKE UP CONSTABLE BLOWING OPEN SAFE

Vancouver, June 23.—Police Constable John Clarkson, of Mission, a railway junction village 35 miles from Vancouver, was awakened at 1 o'clock this morning by a blast that shook his house. He snatched up his revolver and slipped downstairs to the street when a man standing at the door of the Bank of Nova Scotia, not thirty feet away began shooting at him. Clarkson blazed away with all the cartridges he had in his gun and saw three men run away from the bank.

Upon investigation Clarkson found that the front door of the bank safe had been blown off, evidently with a charge of nitro-glycerine. The time lock, however held fast and though the robbers had used crowbars, they were unable to break in. No money was missing.

The robbers got away into the woods but a posse in now after them. More than $20,000 was in the safe.

EVADES OFFICER.

Tacoma, June 23.—Excusing himself from the breakfast table at his brother's home this morning, H. M. Grimm, who has just finished a term in Walla Walla penitentiary for holding up a street car in Tacoma in December 1911 made his escape from a prison officer and is being sought by every detective on the Tacoma force. Grimm had served his Walla Walla term and was being taken to Oregon to answer a charge of breaking parole at an earlier date. Conviction would have meant more imprisonment.

WAS TORN TO SHREDS BY LIONS

(Continued from Page 1)

Dietrich, "get the fork; they are killing me."

Those were his last words. His dying moans were lost in the snarl and roar of the lions as they tore his quivering body to rags, pulling it from one to another.

McCord, sick at heart, kept his head as he saw the five lion cubs, excited at what had happened, slip out of the door and drop to the railway tracks. He knew Dietrich was beyond assistance and his first thought was to prevent another tragedy. He slammed and bolted the door of the den and called help to imprison the cubs,

The car was in a labyrinth of tracks, but the escaping cubs were caught slinking back of nearby cars, lassooed and returned to their car.

It required an hours' time and constant battling with the lions to recover the remnants of Dietrich's body. Great quantities of formaldehyde was shot into the cage and the lions forced into a corner.

Dietrick's head, one arm and a leg had been eaten. A leather belt was the only article of clothing left. Even the shoes had been torn off.

MANY DEAD ARE BURIED

Hillcrest, Alta., June 23.—With the majority of its dead buried, Hillcrest turned its attention today to caring for those who were dependent on the 195 victims of last Friday's disaster. Relief camps have been organized to attend to immediate needs.

Search was continued for the few bodies remaining in the shattered workings of mine number 20, Hillcrest Collieries, Limited.

Deposits . . .	37,409,681	45,232,460	55,643,353	64,595,288

Thomas S. Fulton, Manager Nanaimo Branch

ANOTHER STAGE OF HOME RULE BILL

London, June 23.—The crisis in connection with the granting of Home Rule to Ireland, entered another stage today when the Marquis of Crewe, Liberal leader in the House of Lords, introduced a bill to amend the Irish Home Rule bill. The terms of the amending bill are identical with those offered on March 9 by Premier Asquith and contemptuously refused by Sir Edward Carson, the Irish Unionist leadtr, who described the premier's proposal as a hypocritical sham.

By the new bill the parliamentary electors of each county in Ulster would be allowed to decide by vote whether the county shall be excluded from the provisions of the Home Rule bill for a period of six years from the first meeting of the new Irish parliament.

The situation has never been paralleled in parliamentary procedure in the British Isles. Never before has a bill been presented to parliament to amend a measure not yet on the statute books. This was, however, the only means of overcoming the deadlock, as the House of Lords refused to consider the main bill until the full proposals of the government were before it.

MILITIA NOT ALLOWED TO ACT AS AN ESCORT

Quebec, June 23.—Permission has been refused by Hon. Col. S. Hughes to the Sixth regiment of Levis to take part in the procession which will escort Cardinal Begin tomorrow on his arrival from Rome. This being an unusual occasion the officers wrote Col. J. Landry, commanding officer, Quebec, for permission. Col. Landry transmitted the request to Ottawa and word has been received from the minister to the effect that the regulations of the militia of Canada must be adhered to.

Keep Minard's Liniment in the house.

I. O. O. F.

Black Diamond Lodge No. 5 meet every Wednesday at 7:30 o'clock in the Lodge Room, Commercial street, Nanaimo. Visiting members are cordially invited to attend. E. G. Cavalsky, Secretary.

SOLD IN NANAIMO AT F. C. STEARMAN DRUG CO.

WANT HAYTI TO PAY

Washington, June 23.—Reports that Germany and France, dissatisfied with Hayti's payments of debts to their nations, were about to seize the customs house, when brought to the attention of Secretary Bryan today, brought out the statement that neither government had intimated any dissatisfaction to the United States.

SHACKLETON'S DOGS.

Selkirk, Man., June 23.—Three carloads of huskie dogs for Sir Ernest Shackleton's Antarctic expedition left here today for Montreal, where they will be transferred to the steamer Montcalm and shipped to Liverpool There were 100 dogs in all, each in a separate crate. The huskies were purchased at different points on Lake Winnipeg by Mr. Henry, the Hudson's Bay trade commissioner.

KAISER ADVISES PRINCE TO FIGHT

London, June 23.—A telegram to the Daily Express from Rome says "A friend who has just returns from Durazzo tells me that last Monday Prince William received a lon telegram from the Kaiser exhorting him to resistance and pointing out that a Prussian officer only retires at the last moment and when all resistance is useless. The Kaiser advised him to place his wife and children aboard ship and defend the palace to the last shot, when he, too, should retire to the ship leaving the settlement of the issue to the decision of the powers."

GOLD DISCOVERED ON WILLOW RIVER BANKS

Vancouver, June 23.—Gold has been discovered on the banks of the Willow river, 30 miles east of Fort George, according to a private telegram received here today by E. H. Heaps, and there is great excitement in Fort George over the discovery. Many Fort George residents are stampeding to Willow River and are staking claims, both quartz and placer, according to Mr. Heaps' message.

The stream on which the claims are being staked rises in the Cariboo country not far from Barkerville, the scene of many rich gold finds of earlier days. This fact lends support to the belief that valuable claims will be found at Willow river townsite, the precious metal having come dow from the Cariboo.

Mr. Heaps said today that although he was interested there he had not been aware that any prospecting was being done in the vicinity of the townsite, and the announcement of the find was news to him.

GALE IN CROWS NEST

Frank, Alta., June 23.—A terrific windstorm swept the pass this morning doing a great amount of damage to buildings and causing all kinds of work to be suspended. The Union Hotel here, which was being moved from the old townsite to its new location, was greatly damaged.

Vancouver 2, Tacoma 6.
Coast League—
Oakland 1, Sacramento 3.
Venice 7, San Francisco 6.
Portland 9, Los Angeles 7.
American League—
Cleveland 5, Detroit 4.
National League—
Pittsburg 1, Brooklyn 2.
St. Louis 7, Philadelphia 5.

FRISK STILL LEADING NORTHWESTERN BATTERS.

Only five regulars who have traveled over the full Northwestern League batting journey to date are holding to a .300 average. Spokane has the first two in order, Frisk at .335 and Holke, .318. Callahan, of Portland, and McMullin, of Tacoma, are knocking right at the door. Swain leads the Seattle team in batting.

Wagner still leads in run getting. The two best base stealers also wear Indian uniforms, Wagner and Wuffli, The third, fourth and fifth best sluggers are Indians, Wagner, Wuffli and Frisk, and the second best bunter in the league, Butler, is a Spokane man.

AL HATCH INJURED AT PRINCE RUPERT.

Prince Rupert, June 23.—After match with Pete Sigurdson. Hatch Vancouver was forced to quit in his wrestling 24 minutes and 45 seconds without securing a fall, Al Hatch of claimed that he disabled a shoulder. He was the aggressor most of the way.

AVIATOR GETS JOB

San Francisco, June 23.—Arthur F. Lym, a Chinese aviator, will sail on Saturday for Hongkong to become an instructor in aviation to the Chinese army. Lym is a native Californian, a college graduate and former manager of a daily Chinese newspaper in this city.

CROSS OCEAN IN MOTOR BOAT

Winnipeg, June 23.—Lawrence Marples, aged 22 years, will in August attempt to cross the Atlantic in a thirty foot motorboat, accompanied by three friends. The trip will be taken in an endeavor to win the $25-000 prize offered by the London Daily Mail. Marples, who is sales manager of a Winnipeg realty firm believes that by taking the northerly route via Belle Isle Straits, he can make the trip in seven days and seven hours, averaging 15 miles per hour. A Canadian firm of launch builders will construct Marple's craft which will carry a miniature wireless apparatus with a radius of six miles.

ATLANTIC FLYING BOAT IS LAUNCHED

Hammondsport, N. Y., June 23.—On the sixth attempt a bottle of champagne from grapes grown on the hills near Hammondsport was smashed late yesterday afternoon and Rodman Wanamaker's flying boat was christened the "America." It is to attempt a flight across the Atlantic in July. At 6:21 the big red air boat, full rigged, with its seventy-two feet spread of wings, was launched in Lake Keuka.

It was so late when the "America" was christened that the trial flight was postponed until today. Two American flags were raised over the cabin of the machine. Hammondsport had been carefully searched for a Union Jack to float beside the American flag as a reminder that Mr. Wanamaker's principal purpose in attemuting to cross the Atlantic in an airboat is to bring the two countries closer together in the cause of international peace. But no Union Jack could be found, so, in its stead, a flag was selected whose large red background gave it some semblance to the British emblem.

As the America was being launched someone suggested that Lieut. Porte late of the British navy, and one of the air pilots in the cabin should ride under his own colors, and G. Bateman, correspondent for the London Chronicle, sprang forward and passed an English two-penny postage stamp on the airboat.

KICKS MATE TO DEATH

Seattle, June 23.— N. Marcott, 23 years of age, a prisoner held in the receiving cell at the city jail, went suddenly insane last night and kicked to death Arthur Johnson, aged 29 a fellow prisoner, who was asleep, probably fatally injured another prisoner and seriously injured two others.

TO WIND UP FIRM

London, June 23.—The high court today made compulsory the order for winding up the Chaplin-Milne-Grenfell company. Application was made on the firm's petition. No opposition was entered.

LACK OF CARE WILL RUIN THE MOST BEAUTIFUL HAIR

Save It With Herpicide

Aside from combing it when they think necessary many people give no attention whatever to their hair. Then when the hair begins to fall out it never occurs to them that their trouble is the result of personal carelessness.

An occasional application of Newbro's Herpicide will not only prevent loss of hair but permits a luxuriant growth. Hair losses are attributable to dandruff and the germ that causes it. The results following the intelligent use of Herpicide are frequently of a surprising nature. It removes the scale-like accumulations, leaving the scalp clean and free of dirt and thus allowing the hair to grow unhampered by dandruff.

Newbro's Herpicide in 50c and $1.00 sizes is sold and guaranteed to do all that is claimed. If you are not satisfied your money will be refunded

Applications may be obtained at good barber shops.

FRED C. STEARMAN, Druggist, Special Agent.

BANK HOLD-UP SUSPECT RELEASED

New Westminster, June 23.—Martin Powell, accused of complicity in the famous Bank of Montreal robbery case of September, 1911, was released from custody this morning on application by his counsel, Mr. Adam S. Johnston.

Powell had been held here without trial for almost a year, and when the assizes opened this morning the crown prosecutor, Mr. W. G. McQuarrie, informed Mr. Justice McDonald that the prosecution was not ready to proceed in the Powell case and asked for a stay of proceedings. Mr. Johnston promptly moved for the discharge of the prisoner with the usual order, which was granted by his lordship.

At the time Powell was arrested in Detroit, he had about three thousand dollars in Canadian bank bills in his possession. These notes are now held by the police, but an application for the surrender of the monies to Powell will shortly be made by Mr. Johnston.

WOKE UP CONSTABLE BLOWING OPEN SAFE

Vancouver, June 23.—Police Constable John Clarkson, of Mission, a railway junction village 35 miles from Vancouver, was awakened at 1 o'clock this morning by a blast that shook his house. He snatched up his revolver and slipped downstairs to the street when a man standing at the door of the Bank of Nova Scotia, not thirty feet away began shooting at him. Clarkson blazed away with all the cartridges he had in his gun and saw three men run away from the bank.

Upon investigation Clarkson found that the front door of the bank safe had been blown off, evidently with a charge of nitro-glycerine. The time lock, however held fast and though the robbers had used crowbars, they were unable to break in. No money was missing.

The robbers got away into the woods but a posse in now after them. More than $20,000 was in the safe.

EVADES OFFICER.

Tacoma, June 23.—Excusing himself from the breakfast table at his brother's home this morning, H. M. Grimm, who has just finished a term in Walla Walla penitentiary for holding up a street car in Tacoma in December 1911 made his escape from a prison officer and is being sought by every detective on the Tacoma force. Grimm had served his Walla Walla term and was being taken to Oregon to answer a charge of breaking parole at an earlier date. Conviction would have meant more imprisonment.

WAS TORN TO SHREDS BY LIONS

(Continued from Page 1)

Dietrich, "get the fork; they are killing me."

Those were his last words. His dying moans were lost in the snarl and roar of the lions as they tore his quivering body to rags, pulling it from one to another.

McCord, sick at heart, kept his head as he saw the five lion cubs, excited at what had happened, slip out of the door and drop to the railway tracks. He knew Dietrich was beyond assistance and his first thought was to prevent another tragedy. He slammed and bolted the door of the den and called help to imprison the cubs,

The car was in a labyrinth of tracks, but the escaping cubs were caught slinking back of nearby cars, lassooed and returned to their car.

It required an hours' time and constant battling with the lions to recover the remnants of Dietrich's body. Great quantities of formaldehyde was shot into the cage and the lions forced into a corner.

Dietrick's head, one arm and a leg had been eaten. A leather belt was the only article of clothing left. Even the shoes had been torn off.

MOVIES GET EVIDENCE.

San Diego, Cal., June 23.—Moving pictures of 36 Chinese playing fantan and lottery in a gambling house in Chinatown were taken last night during a raid on the house led by Detective Joe Lepez. The attempt of the Chinese to rush the police officers from their feet, the heavy barricaded doors and the complete gambling outfit found in the joint were photographed and the films will be shown in court today as conclusive evidence against the celestials.

BRIEF MENTION

Mr. and Mrs. H. Webb and family left yesterday morning per the Patricia, enroute to Clarksburg, Wash., where they will in future reside. They were accompanied to Vancouver by Mrs. Thos. Jones.

Mr. Sedgewick, a former principal of the Nanaimo High School, visited friends in the city yesterday. He returned to Vancouver on the afternoon boat.

The department turned out yesterday morning to a rubbish fire on Comox Road which was extinguished before extending to surrounding property.

Mr. A. S. Hamilton left yesterday on a business trip to the mainland.

Miss Buller, of Vancouver, passed through Nanaimo yesterday afternoon on her return from visiting friends at Shawnigan Lake.

WORKMEN'S CO-OPERATIVE ASSOCIATION, LTD.
Nanaimo, B. C.

Members are requested to send in share books. Half yearly stock-taking and audit. Store closed all day Thursday, June 25th. 3t

Miss Annie Thomas, daughter of Mr. and Mrs. D. J. Thomas, of Ladysmith, has returned from St. Ann's Academy, of Victoria, and will spend the holidays with her parents. Miss Thomas has been remarkably successful in her three year's studies at the Academy, passing in music every year with honors. This year she won the governor's medal for good conduct and observance of the rules.

The funeral of the late Andrew Anderson of Wellington, who died suddenly Monday, will take place this afternoon, leaving the residence of Mr. John Anderson, father of the deceased, at 2:30 o'clock. A service will be held at the English church.

Victoria will have two representatives on the Canadian Davis Cup tennis team this year. Messrs. Robert Powell and Bernie Schwenzers have decided to make the trip east and have wired the Canadian Lawn Tennis Association to that effect. These players were the strength of last year's Canadian team, and it is probable that they will do all the playing again this year if they are feeling fit at the time of the contest. Canada has been drawn against Australia in the first round.

The Nanaimo baseball team will have as opponents next Sunday the B. C. Telephone Co.'s aggregation of Vancouver. The game will be played on the Caledonian Grounds commencing at 2:30 p.m.

For your cleaning and pressing call up "The Reliable" phone 355, opposite the depot; repairing a specialty. 31-2t

Bennett, Cowie Machine Works, A. R. Johnston, F. Medvis, W. H. Morton.

The first Nanaimo Troop of Boy Scouts are going into camp at Parksville in two weeks' time.

Mr. F. W. Dyke, of Vancouver, was in the city last evening and was in attendance at the garden party given by the Nanaimo Musical Club.

Mrs. W. A. Owen, Albert street, returned home last evening from visiting her sister, Mrs. J.W. Heaps, Vancouver.

Mr. J. B. Hodgins was in Vancouver yesterday on a business trip.

Mrs. Drysdale returned last evening from visiting friends in the Terminal City.

Mr. and Mrs. Joseph Wright were passengers from Vancouver last evening on the S. S. Princess Patricia.

Mr. W. J. Cook of Grand Forks, who has recently returned from the Masonic trip to Prince Rupert, is in the city for a couple of days the guest of Mr. J. M. Rudd. Mr. Cook, like all Grand Forks citizens, is an optimist and walking advertisment for the inland city. He states business conditions are fairly good in Grand Forks, the city being comparatively free of those conditions existing in other places that have tendered towards business depression.

The British steamer San Francisco recently built for the Maple Leaf service, and now on her maiden voyage to the Brazils, reports that on June 2 in latitude 41-17 N., longtitude 59.09 W., she passed what appeared to be a ship's broken mast, projecting about 6 feet out of the water, apparently attached to submerged wreckage.

MOORE APPEAL WAS DISMISSED YESTERDAY

The appeal brought on behalf of Tom Moore from a conviction by Magistrate Simpson for an assault on Jas. Kennedy on the Cricket Grounds was quashed by Judge Barker in the County Court yesterday.

Mr. A. Leighton, of the firm of Messrs. Bird, Leighton and Darling, represented the appellant and Mr. Victor Harrison appeared for the crown.

After counsel for the appellant had called evidence to prove that notice of appeal had been given, and bonds for recognisance deposited, counsel for the crown raised objection to the appeal itself. The appeal, he argued was not properly lodged, and in any case the offense set forth in the notice of appeal was not one which could be tried by a County Court judge. Further the notice of appeal did not comply with subsection B, of section 750 of the criminal code. The section requires that the court of appeal must be set out with reasonable certainty in the notice. Whereas the notice before the court gives two separate dates, thus making the notice ambiguous. It left the court with two dates and one of these had already been taken up with a prior court.

Another objection taken by counsel was the offence set forth in the notice of appeal was one which came under part 16 of the criminal code, being covered by subsection C of section 773. Again by section 798 of the sode there can be no appeal to a County Court judge, except as provided for in subsection A and F, section 797. Section 791 also provides that the decision of the magistrate under part 16 of the code must be treated the same as if given on an indictment. In support of this argument counsel quoted the cases of Rex vs. Racine and Rex vs. Brimacombrie.

The third objection taken by counsel was that the conviction returned by the magistrate to the County Court was a conviction for common assault. Therefore the notice of the appeal was no notice for this charge, but a notice for a charge which under the provisions of the code there is no appeal to the County Court.

There was considerable argument between counsel, Judge Barker eventually dismissing the appeal.

FOLLOWS HER HUSBAND

Lenox, Mass., June 23.—Mrs. Geo. Westinghouse, widow of the electrical inventor, died today. She suffered a paralytic shock at her home, Erskine Park, last Friday.

ONE KILLED.

New York, June 23.—Nearly half a block of sidewalk and superstructure over a new Brooklyn subway caved in today, burying more than 20 work men, killing one and badly injuring six.

Washington, June 23.—The Supreme Court yesterday reversed the decision of the Eighth United States Circuit Court of Appeals, which held that the vows of poverty in Catholic orders were void because against public policy.

Gold has been discovered on the banks of the Willow River in Willow River townsite, thirty miles east of Fort George, according to a private telegram received at Vancouver yesterday by Mr. E. H. Heaps, and there is great excitement in Fort George over the discovery. Many Fort George residents are staking claims, both quartz, and placer, according to Mr. Heaps' message.

HARRIS MINES SHIP AGAIN.

Skeena Crossing, June 23.—George Beirnes is packing another shipment of ore down from the Harris mines on Nine-mile Mountain to the station at New Hazelton, where it will be shipped to Trail smelter during the week. This ore is coming out of the shaft on No. 1 vein and is of exceptionally high grade. The last shipment to Trail netted $94 per ton.

LARGEST NET PAID CIRCULATION OF ANY VANCOUVER ISLAND PAPER EXCEPTING VICTORIA PAPERS

VOLUME XIV | NANAIMO, VANCOUVER ISLAND, BRITISH COLUMBIA, THURSDAY MORNING, JUNE 25, 1914 | NUMBER 94

CYCLONE DID MUCH DAMAGE

Nine Killed, Forty Injured and Million Dollar Damage Done by Cyclone Which Swept Prairie States.

Sioux Falls, N. D., June 24.—Communication by telephone was established late last night to a point near Watertown, when it was learned that at least nine persons were killed, 40 injured, some fatally, and 300 buildings destroyed in a tornado which swept through that city early last night. The twister destroyed entirely all communication by telegraph and telephone with the city direct, and information was only meagre.

The same report stated that the tornado did much other damage in the vicinity, with probable loss of life.

Chicago, June 24.—Last night's windstorms caused no loss of life and only minor damage to crops, flimsy structures and to telegraph and telephone wires. The storm was most severe at Watertown, S. D., where it reached the proportions of a tornado, destroyed buildings over thirty blocks and injured 22 persons. Wires are down in Wisconsin, Minnesota parts of Iowa, South Dakota and the upper peninsula of Michigan. Information that no great damage was done outside Watertown was gained from railroads in the storm area.

The storm was electrical in its nature, and in many places was accompanied by heavy rains, according to reports received at the local weather bureau today. The storm area covered South Dakota, Iowa, Minnesota, Wisconsin and the upper peninsula of Michigan.

Major Hersie, the forecaster, said "The storm was first noticed at Prince Albert, Sask., yesterday. At 7 o'clock last night it turned southward, and became central at Huron, S. D. It travelled east over night, and this morning was central at Escanaba, Mich., where over an inch of rain fell, and the wind blew thirty miles an hour. The highest wind velocity was fifty-six miles."

NANAIMO IN EMPIRE PUBLICATION

Mr. Ed. Greenwood, of Vancouver, is in the city these days in the interests of "Along the Imperial Highway," a handsome publication in which Nanaimo is given four pages of a writeup descriptive of its environments, resources, etc. That the publication is a genuine coast production is attested, not only by the imprint, but by the fact that it begins with Victoria, B. C., and taking the provinces in their geographical order eastward, ends with Charlottetown, P. E. I. One is so accustomed in geographies, atlases and similar works to see Ontario and Quebec enjoying pride of place and British Columbia tucked away in a few scant pages somewhere near the back cover that it is a pleasant surprise to find the situation reversed and to discover at last a volume treating of Canada as a whole that gives adequate space to the great country west of the Rocky Mountains. If by this transportation the publishers have emphasized the real importance of this province in the minds of readers elsewhere, it will not be the least of the services resulting from their truly brilliant achievement.

MUST STAND TRIAL.

London, June 24.—Harvey Wilson, alias Capt. Ansell, who has spent considerable time in Canada, must stand trial on a charge of obtaining money under false pretences through the alleged bogus concern called the Anglo-American Investment & Trust Company.

SINGING SOCIETIES GATHER

Louisville, Ky., June 24.—With members of more than a hundred German singing societies from about fifty cities of the United States on hand and with the city gaily decorated with German and American flags and Saengerbund colors, all is in readiness for the opening here late today of the thirty-fourth saengerfest of the North American Saengerbund.

Work on the Kamloops-Okanagan line of the C. P. R. will be rushed through this year.

SERVIAN KING HAS ABDICATED THRONE

Belgrade, June 24.—King Peter I., of Servia, was reported today to have abdicated the throne in favor of his second son, Prince Alexander.

The king left Belgrade in the afternoon for the baths at Vranya, in the southern part of Servia, and a note issued by the official agency in announcing the king's departure did not say he had abdicated, but confined itself to the statement that his majesty had signed a ukase entrusting the government of Servia, during his absence from the capital to Crown Prince Alexander.

Prince George, the king's eldest son renounced his right of succession to the throne in 1909.

HINDUS NOT ALLOWED ASHORE

Government Gives Emphatic Denial to Report That They Have Decided to Allow Komagata Maru Hindus to Land.

Ottawa, June 24.—An emphatic denial was given by the Government tonight to the story sent out from Ottawa to Liberal papers that the Cabinet had decided to allow the Hindus to land off the Komagatu Maru, owing to pressure by Imperial authorities. The story was denied by the Government tonight in emphatic language, and state that should the Courts allow the Hindus to land it will not be for lack of effort on the part of the Government.

The Government is aware of the serious condition of affairs on the coast, Premier Borden being in touch with feeling on the coast, and is being kept fully informed by Mr. Stevens, member for Vancouver.

SUICIDE OF AGED PEER.

Dundee, Scotland, June 24.—Horace Courtenay Gammell-Forbes, nineteenth baron of Forbes, a representative peer for Scotland, committed suicide yesterday, by cutting his throat in a hotel where he had been living for three months. Baron Forbes was 85 years old and succeeded to the title in 1868.

FUNERAL OF LATE MRS. J. BENNETT

The funeral of the late Mrs. James Bennett took place yesterday afternoon from the family residence, Milton street to St. Paul's church, services being conducted at the church and graveside by the Rev. W. E. Cockshott. Messrs. Charles Allen, George Bevilockway, James Knight, William Lewis, Geoffrey Planta and Robert Hindmarsh acted as pallbearers, the following floral tributes being acknowledged:

Crosses—Mrs. Martin Benson, Mr. and Mrs. Bevilockway, Mr. H. Hasenfratz, Mrs. Priestley and family.

Globe—Family.

Wreathes—Mr. Clark Armitage, Companions of the Forest, Mrs. and Miss Harrison, Mr. and Mrs. C. Wilson sr., Ladies of the Maccabees, Mr. and Mrs. H. Reifle (Vancouver), Mr. and Mrs. J. Knight, Mr. and Mrs. C. Wardill, Mr. and Mrs. P. Bennett, Nanaimo Fire Department, Mr. and Mrs. P. Harris, Mr. and Mrs. J. Planta.

Sprays—Mr. and Mrs. D. Martin, Mr. and Mrs. G. Fletcher, Mr. and Mrs. G. Cavalsky, Mr. and Mrs. H. Crew, Mr. and Mrs. W. Fear, Mr. and Mrs. W. Beattie, Mrs. G. Woobank, Mrs. Rosewall, Mr. and Mrs. A. Newbury, Mr. L. Lawrence, Mr. and Mrs. T. Hope, Mr. and Mrs. J. Knarston, Mr. and Mrs. Stephenson, Mrs. McCape, Miss L. Jemson, Mr. and Mrs. P. Weigle, Mr. and Mrs. S. D. Tippett, Mr. and Mrs. C. Reifle, Mr. and Mrs. T. H. Bone, Miss G. Bone, Mr. W. Kenyon, Mr. and Mrs. A. C. Wilson, Miss Ethel Parkin, Mrs. Stewart, Mr. and Mrs. Crowe, Mrs. Sutherland.

Zachaens, one of the leading cities of Central Mexico, was captured yesterday by the Constitutionalists.

BUS SCHEME BEFORE COUNCIL

Board of Trade Will Recommend to City Council That Motor Bus Service be Instituted in Nanaimo.

A special meeting of the Nanaimo Board of Trade was held yesterday afternoon for the purpose of receiving the report of the committee appointed by a recent meeting of the Board to confer with Messrs. Grey and Baynes of the District Motor Bus Company, of Victoria, relative to the inauguration of a Motor Bus service in Nanaimo and district.

The report of the committee as submitted to the meeting, reads as follows.

Nanaimo, June 19th, 1914.

To the President and Members of the Board of Trade:

Gentlemen,—We, your committee appointed to interview Messrs. Baynes and Gray, representative of the District Motor Bus Company, of Victoria, do recommend after a full discussion with them, as follows:

That the City grant them, viz:

1—A Franchise guaranteeing to this undertaking the sole right to operate Motor Busses for passenger service on your streets for the period of 10 years subject to satisfactory service as may be agreed upon.

2—Exemption from civic taxation for the same period.

3—Free water for the same period.

4—An undertaking to put into proper repair such streets as the Busses operate over.

5—A free site for Garage, not less than 100x150 feet, on condition that they in return give a half hourly service, within the City Limits, and a five-cent fare, connecting with the following districts: South Wellington Nanaimo River, Northfield, Wellington and Five Acres. Employing in such service not less than four motor busses, also understood that a good proper service be given, accommodating workmen going to and from work at the mines or elsewhere.

All of which is respectfully submitted.

(Signed)—

THOMAS KITCHIN.
HARRY SHEPHERD.
CAPTAIN A. F. YATES.

The report of the Committee was received and endorsed, and the Secretary instructed to forward the proposal to the City Council with the request it be given their serious consideration.

BAN ON MAETERLINCK PLAY IS RAISED.

London, June 24.—The censor has raised the ban on Maeterlinck's play "Monna Vanna," performance of which on the British stage has been previously forbidden.

CONSERVATIVE ELECTED.

Kenora, Ont., June 24.—Dr. Marshall, the Liberal candidate nominated to contest the provincial election, has withdrawn from the contest. This leaves Capt. Machin, Conservative nominee, elected by acclamation.

TWO KILLED IN STORM.

Wausau, Wis., June 24.—Two were killed, three fatally injured and 17 hurt, several of them seriously when the house and barn of Michael Kurtzweil in the town of Emmett, Marathon county, was blown down by a tornado early today. The dead are: Lawrence Zalsmann, 17, and the 2-year-old child of Kurtzwell.

PARIS STRIKERS RETURN TO WORK

Paris, June 24.—The letter-carriers strike which had threatened to result in scenes of violence and had struck a severe blow to business, was brought to an end today by a promise from Gaston Thompson, minister of commerce, posts and telegraphs, to make a searching enquiry into the men's grievances provided they returned immediately to duty.

A deputation from the men, who had held possession of the Central postoffice all night and prevented the distribution of the mails, called on the minister and obtained his promise.

A quarter of an hour later the postal service was again in full operation.

THE CORONATION CHAIR

in Westminster Abbey, which the suffragettes attempted to blow up with a bomb. The chair has been in the Abbey for more than six centuries and upon it all of Britain's monarchs have been crowned during that time. For ages before, the Scottish Kings were crowned seated upon the stone under the seat.

WAS GUEST OF LOCAL SOCIETIES

Belgian Baroness Visited Nanaimo Yesterday and Was Tendered Reception at the Home of Mr. and Mrs. Powers.

Baroness de Laveleye of Liege, Belgium, visited Nanaimo yesterday and was tendered a reception during the afternoon at the home of Mrs. J. E. T. Powers, Newcastle Townsite by local members of the W. C. T. U. and Daughters of Empire.

The reception was attended by a large number of members of both organizations and after the Baroness had been introduced to those present she spoke at some length on conditions in her own country, particularly along the lines of temperance.

During the afternoon the Baroness was presented by the W.C.T.U. with a book of panoramic views description of British Columbia, the presentation being made by Miss Margaret Martindale. The distinguished visitor was also presented with a beautiful boquet of flowers by Mrs. W. W. Lewis on behalf of the Daughters of the Empire. During the progress of the reception Mrs. Drysdale rendered a solo and refreshments were served by a committee of ladies.

During her stay in Nanaimo the Baroness was the guest of Mrs. T. W. Martindale, president of the local branch of the W.C.T.U. She will leave this morning for Vancouver en route to her home in Belgium.

NANAIMOITES HOME FROM TRIP SOUTH

Dr. F. S. and Mrs. Reynolds returned home to Nanaimo Monday evening from a trip to Sol Duc, Washington, Dr. Reynolds reports having had a splendid trip, his impression being set out in the appended communication.

Editor Herald:

Since returning from the hot springs at Sol Duc a day or two ago, I have been asked by several people, who chanced to know where I had been, about the springs and if the trip and visit is a pleasant one. As the resort is a comparatively new one and those responsible for its establishment deserving of much credit, I am writing these few lines for the information of those who may be considering a trip for health or pleasure during the summer months.

Sol Duc Springs are located 45 miles from Port Angeles in the Olympic Range in the state of Washington. To reach them, taking the 8:15 train to Victoria you catch the Steamer Sol Duc leaving Victoria at 1 p.m. Port Angeles you leave at 3 o'clock, by auto stage for Crescent Lake—across Crescent Lake, 12 miles, by steamer, meeting stages from hotel 14 miles away, reaching Sol Duc at 7 p.m. the same day you leave Nanaimo. Tickets through from Victoria cost $9.50 for the round trip. On Saturdays tickets are sold, good to return by the following Wednesday, for $8.50.

The ride from Port Angeles clear through is a magnificent and most enjoyable one. The springs at Sol Duc are stated to be, and I was so informed by several of the guests who had visited the principal watering places of the world, the equal of the best, particularly for rheumatic troubles. Many of the guests who had taken the waters and baths for only a few days were cured, and I did not talk with one but that claimed to be benefitted. Kidney troubles were also improved by the waters and baths. The spring waters come out of the ground at a temperature of 140 degrees and are strongly impregnated with sulphur and iron, besides numerous other minerals. The Indians used these springs medically for some years before the advent of the white man. Mr. Michael Earles, the principal owner of the resort, was packed in to Sol Duc some years ago and was speedily cured of rheumatism. He then vowed to make Sol Duc (the Indian name for magical waters) known, and the $600,000 since spent in opening up the roads and buildings, is a monument to his enterprise.

Rates at the resort are most moderate, the lowest being $2.50 per day and from that up to $4.00. The beds and furniture in general are the best possible. The meals served and the service is as good as the general C.P.R. hotels, and one need not say more about the accomodations. The management is first class, the service excellent, the 80 employees seeming to be all one big family and assisting everybody to enjoy life. Taking all in all, the writer has no hesitation in recommending anyone who can do so to spend a few days at Sol Duc.

Dr. F. S. REYNOLDS.

MAJOR HUGHES VISITS NANAIMO

Superintendent of the Government Dredges Says Dredger Will Arrive Shortly For Work in Nanaimo Harbor.

That the dredger for the work in the south channel of the Nanaimo harbor will be here in a few days and will stay until the work is completely finished is the news brought to the city last night by Major G. B. Hughes, Dominion district engineer for Vancouver Island and the islands.

Major Hughes, who has just recently been appointed district engineer returned last night in company with Mr. J. L. Nelson, superintendent of dredges for B. C., from the north end of the island where he examined the work contemplated by the government at Courtenay and other points. He reports a fine new wharf built at Roys beach.

Major Hughes was well satisfied with the progress being made by the Lobnitz and believes that the crusher is admirably adapted for the work she has in hand here. Efforts are being made to secure a dredger suitable for removing the rock that has already been broken. Just when this second dredger will enter port is not known.

NORWEGIAN DAMAGED BY CANADA CAPE

When bunkering at Newcastle, N.S. W., the Norwegian steamer Frithjof was squeezed by the British steamer Canada Cape, which vessel is now en route to British Columbia in the cargo service of the Union Steamship Company, of New Zealand.

Upon her arrival at Sydney, N. S. W., the Frithjof reported that she was leaking below the waterline in No. 2 hold. Part of her cargo has been discharged and repairs are being carried out afloat.

The Canada Cape left Brisbane on June 5, for Suva and British Columbia ports.

DEPUTY SHERIFF WOUNDED IN DUEL.

Warrior, Alta., June 24.—L. C. Clayton, a deputy sheriff was fatally wounded and Sam Bains, an escaped convict, was killed near here late yesterday in a battle between officers and negroes who attempted to help Bains get away. The negroes barricaded themselves in a cabin and opened fire at the officers' approach.

FIFTY-FOUR ARE WRITING LOCAL EXAMS

The Nanaimo High School scholars are now writing on the departmental examinations, which commenced on Monday. All the papers will be finished by Friday. The presiding examiners are Messrs. A. G. Smith, Victoria High School; Dunning, Vancouver High School, and McDonald, Victoria High School. In all fifty-four students are writing, the largest number, probably, that have ever written at one examination from this school.

THIRTY-CENT ROBBERY.

Ashland, Ore., June 24.—Thirty cents was the net proceeds for robbers who broke into the post office at Talent, Ore., early to-day. The robbers were frightened away.

LIFEBOAT FELL THIRTY FEET

Passengers of Steamer Gothland Saved After Almost Superhuman Effort--Bottom of Lifeboat Smashed.

Houghton, Scilly Island, June 24.—The saving of the passengers of the wrecked Belgian steamer Gothland was accomplished by almost superhuman efforts on the part of the steamship's crew and the lifesaving crews which came to the rescue.

Members of the lifesaving crew from St. Mary's told today how one of the Gothland's small boats, crammed with women and children, broke away from the davits and fell thirty feet into the sea.

The bottom of the boat was smashed and all were thrown into the water. The women and children struggling helplessly in the waves. A quartermaster of the Gothland sprang from the steamer's deck and succeeded in saving three women. Several of the lifesaving crew also jumped into the water and handed drowning children to their companions in the rescue boat until all had been saved. There was a heavy sea running and all salvage work was perilous, but eventually all were got safely ashore.

The crew of the Gothland, which was on the voyage from Montreal to Rotterday, went on board today to jettison some of her cargo of grain in the hope of lightening the boat sufficiently to float her.

WERE MARRIED AT THE PARSONAGE

At the Wallace Street Methodist Parsonage yesterday afternoon, Rev. Frank W. Hardy united in marriage Mr. James Hodgson and Miss Mamie Carroll, daughter of Mr. and Mrs. Henry Carroll, of the Globe Hotel. Both bride and groom are natives of Nanaimo and the wedding was of particular interest to many of the residents of Nanaimo. The bride was attended by her sister Miss Ina Carroll and Mr. Sam McCuish supported the groom.

Mr. and Mrs. Hodgson left on the S. S. Princess Patricia yesterday afternoon for Vancouver and Sound cities and on their return will make their home in Nanaimo. Both bride and groom have a host of friends in Nanaimo with whom The Herald joins in wishing them many years of a happy married life.

TEN DROWNED AND TWENTY-FIVE MISSING

Friedrichshafen, Germany, June 24—The bodies of ten fishermen were recovered today from Lake Constance, and at least twenty-five more are missing, believed to have been drowned in a sudden storm which broke over this region yesterday. The storm came so quickly that the fishermen were unable to land, only a mile or so away.

PRESIDENT MOYER IS MISSING

Head of Western Federation of Miners Escaped in Automobile During Progress of Rioting in Butte.

Butte, Mont., June 24.—After a night of terror in Butte, apprehension was felt throughout the city today that the mob of insurgent miners that last night wrecked Miners' Union hall with twenty-five blasts of dynamite, might turn their activities in other directions. Nevertheless the city was outwardly calm today. The mines all but two near the wrecked hall, from one of which the powder that blew up the hall was stolen, are working today.

No trace has been found of President Charles H. Moyer, of the Western Federation of Miners, who last night called the meeting of the old union to order and presented his plan for conciliation of the warring factions. Hardly had Moyer read his paper, promising to correct the grievances of the miners that seceded and concluding with a plea for calmer judgment and a cool consideration of differences, when the first shots of the early evening rioting, in which one spectator was killed and three injured, were heard.

Moyer and about 200 miners who are steadfast to the cause of the old union, were hurriedly warned to flee for their lives. They escaped from the rear of the building. Moyer, it is believed, jumped into an automobile. Two men in the crowd, through which the machine dashed, followed, with drawn revolvers, which they discharged as they gave chase. In a moment the machine had turned a corner and was out of sight. Since then nothing has been seen or heard of the federation president. After several hundred shots from rifles and sawed-off shot-guns were discharged the dynamite crew began its work. This continued until 2 o'clock this morning, when the dynamite that had been taken by force from the Stewart mine had been exhausted.

The rear and the side walls of the Miners' Union hall, erected in 1899, remain standing. Every pane of glass in the buildings on both sides of the street for a block each side of the hall is shattered. The property damage will exceed $100,000.

At midnight the officers of the new Butte Mine Workers' Union circulated handbills in the crowd, calling upon the miners in the name of their new union to return to their homes. These appeals had little effect.

Police and sheriff's officers were inactive during the riot and dynamiting. Some effort was made to prevent damage to property other than that of the Miners' Union, but the officials took the position that it would cause far greater damage to life and property to attempt to prevent the men from destroying what they claimed belonged to them.

Sheriff Driscoll denied today that his men entered the hall or that they fired any shots during the rioting. The first shots came from the hall where the meeting was in progress.

The killing of Ernest Noy had the effect of infuriating the crowd and soon hundreds of men were firing pistols, aiming mainly at the windows of the union hall or firing in the air.

Whether under existing conditions the mines would continue in operation is a question being decided today by the managers of the operating companies.

Butte, Mont., June 24.—Charles H. Moyer, president of the Western Federation of Miners, who fled from the city last night when Miners' Union Hall was attacked by a mob, boarded Northern Pacific train No. 41 westbound at Deer Lodge, forty miles north of here at 6:13 o'clock this morning. He, together with John C. Lowney and Yanco Tersich, members of the executive board of the federation, entered the automobile here. At four o'clock this morning they called an automobile from Anaconda and proceeded to Deer Lodge.

TITANIC SURVIVOR DROWNED

Middleton, Conn., June 24.—Adam Segmart, who was a passenger on the Titanic and was saved in a lifeboat, was drowned yesterday while bathing in Besck Lake. He could not swim. He stepped into a hole and went down before aid could reach him. Segmart was a Pennsylvania coal miner and was visiting friends. He leaves a wife and four children.

THE VOTE.

The officers of the United Mine Workers of America who have been identified with the troubles on the island are still seeking an easy way out of the hopeless situation they have caused. They certainly showed their hands in the referendum vote which has just been taken. It is a curious and significant circumstance that the first time in fourteen months the men are asked to ballot it is on a proposition to save their leaders' faces. It is neither curious nor surprising that the men should refuse to make themselves the "goats" for their leaders' mistakes. They were persuaded or browbeaten into their present predicament, and it is up to their leaders to make good or call the game like men. It is only a further sidelight on their character and calibre that they should now try to get out at the cost of the men. This whole business of the referendum is another example of modern union leadership, only it begins to appear that the men have somehow lost their appreciation for such smartness, and wiliness. They realize now that these tactics never got them anything, and they rather resent the attempt to use the same against them.

In the first place there was no proposition to lay before them. The only thing before them was positive evidence that Farrington had been using all his efforts to get the strike ended at all costs. To many up here it is a source of wonder that Farrington should be persona grata with the authorities at Victoria. His record since he came to the island is sufficient to bar him admission to any government department as a mediator in any cause. He has in the first place no standing in British Columbia. He is an American citizen with no interests in Canada. In both Federal and Provincial Houses of Parliament it was established that his object in coming into the Vancouver Island coal field was to protect and safeguard the mining industry in Washington. He made this object as clear as daylight in an article under his own signature and Premier McBride made a special point of it in his reply to Parker Williams. The miners on the island were mere pawns and the strike itself only a move in the game the object of which was to regulate the island coal trade to suit the interests and requirements of the Washington operators. This in itself was sufficient to bar Farrington from entering any Canadian government department as a mediator. But he had further disqualified himself by his grossly unfair treatment of Minister Crothers. He used every effort to discredit Mr. Crothers before his arrival on the coast, and by means of lying and misrepresentation sought to thwart his mission. And then with all this past and all well known he tries to use the department of mines to save his own face and redeem the remnants of his reputation as a leader. There was no offer, no proposition to go before the men which has not been before them for weeks and months. The policy of the operators has not changed since last August. They have made no new offers, given no fresh guarantees. The condition of the coal market and the surplus of labor have made them absolutely indifferent to and independent of Farrington or the men whom he persuaded to follow him. Farrington realized this all too well, and to save his own face and protect the prestige of his organization he worked out this last scheme.

It is just possible that the men may have imagined that there was an offer from the operators, and as usual the leaders presented the case with their usual craft and attention to detail. Funds were getting slack and relief money might be stopped. On the other hand there was this offer of a settlement. The men at once perceived that there was no new position before them, and that so far as that went they had been nicely duped. They also realized that they were being asked to assume the responsibility of declaring the strike off, that their leaders were trying to jockey them into doing what they (the leaders) wanted but dare not do themselves. The men had all the promises and pledges and prophecies of their leaders to recall. Promises and prophecies have all alike been dishonored, and of the pledges the only substantial one remaining was the relief from the organization. If the men had voted to call off the trouble then the leaders could have said that the organization had stayed behind them to the end. The men naturally and justly passed on the responsibility to the leaders. It is for them to stand out like men and say how and when this trouble shall end. The men have put it up to them but the question is will they do it? If they do then it will be the first square act that they have done since the trouble began.

ROYAL YEAST
MAKES PERFECT BREAD

THE BUTTE TROUBLE

The differences in the ranks of the members of the Western Federation of Labor in Butte, after several stormy incidents ended in riot and dynamiting. One man was killed and several injured during the disturbances and then the union hall was deliberately dynamited under force of arms. The insurgents commandeered the dynamite at the point of their guns, and then proceeded to demolish the Federation building at the risk of injury to the adjacent property and danger to human life. This condition of anarchy arose out of a difference between the members of one organization. It was not a case of a war between labor and capital. It is a case of labor fighting about its organization, and there is one aspect of the situation which should receive consideration. It occasionally happens that a strike is attended by rioting and disturbance. This happened in Nanaimo last August, and it has occurred in other places. The civil authorities being unable to cope with the situation it became necessary to call in the military forces to restore and maintain order. It was at once charged by the labor leaders that the militia had been requisitioned to suppress the strike, and to quell and defeat the strikers in their fight for their just rights. The calling out of the militia was made out to be a piece of high-handed despotism on the part of the authorities, intended to cow the spirit and stamp out the revolt of the workers. It was nothing of the sort, and this outburst at Butte amply proves the point. If the troops should be requisitioned in Butte it will be for the one purpose of restoring and maintaining law and order. The merits of the dispute and the causes of the outburst will have nothing to do with the order. The necessity for military intervention will exist apart altogether from the origional trouble. It is the existence of a state of lawlessness which alone calls for the requisition of the military forces. This was the case precisely at Nanaimo, and yet the labor councils throughout the province denounced the calling out of the militia. Many of them went further than this, and took stps to make it impossible for any member of a labor union to join the militia. The logical outcome of such an attitude is well illustrated in the happenings at Butte. The civil force was powerless to protect the men assembled in the union hall. A labor leader of international fame had to fly for safety through a back entrance of the hall, and the insurgents seized what dynamite they needed and set about the demolition of the hall with the authorities powerless to stop them. Supposing both sides were willing to go ahead and fight it out what would be the position of the labor leaders and labor organizations? They would not have the militia nor the military. Anarchy would simply have to exhaust itself. Had the disputants been divided into an organized camp and an unorganized [illegible] have come from the latter and would have been instigated by capital. Here the trouble is between two organized camps, but the results are the same. Law and order are set at defiance, and a state of anarchy set up. Under the labor rule we know around here there would be no cure for it, and no remedy. It is only necessary to state such a policy to condemn it.

ANNUAL REPORT ON LABOR ORGANIZATIONS

Ottawa, June 24.—The third annual report on labor organization in Canada covering the year 1913 has been issued by the Department of Labor. At the close of 1913, the numerical strength of organized labor in Canada stood approximately at 176,000, an increase of nearly 16,000 over the figures at the close of 1912. The estimated membership for each of the three years during which reports on organized labor in Canada have been issued has been as follows:

In 1911, 133,132; 1912, 160,000; 1913, 175,799.

These figures show an increase in members of over forty thousand during the two years of 1912 and 1913, and suggest a quite remarkable development during so brief a period. The figures indicate that the growth of union membership has been fairly distributed as between international bodies and those not international in character. The bulk of Canadian trades union membership is attached to international organizations. Of the total numerical strength of organized labor for 1913, the membership owing allegiance to international organizations reached the large proportions of 149,577, leaving for all other organized bodies a membership of 26,222. There were in Canada at the close of 1913, 2017 local trade union branches of all classes, 1792 having international affiliation, 199 of non-international character and 34 independent local bodies. These figures show an increase of 154 in international local union branches, a decrease of 26 in non-international, and an increase, of six independent bodies. International organizations having in Canada at the end of 1913 one or more local branches numbered 101, an increase of two during the year.

There are thirteen non-international organized bodies in the Dominion, an increase of three as compared with 1912.

The report gives particulars as to twenty-six cities having each more than twenty trade union branches, the total being 1121. Of this number 654 report a membership which totals 88,037, or somewhat over 50 per cent of the total trade union membership of the Dominion.

The membership of the non-reporting units is a somewhat conjectural quantity, but information before the department gathered from various sources permits it to be placed approximately at 25,328, giving a total trades union membership for the 26 cities of 113,365.

The total trades union membership of the world for 1912 stood at 12,-[illegible]094,480, a slight increase over the number reported for 1911, which was 11,437,498. Union membership during 1912 increased more rapidly in Great Britain than in Germany, the first-named country having an increase of over 800,000 and the latter slightly over 258,000, giving Great Britain nearly a half-million more of a trade union membership than Germany. The United States is third.

JUBILATION EXPRESSED

Athens, Greece, June 24.—Jubilation was expressed in political circles here today over the news that the United States Congress had authorized the sale of the American battleships Idaho and Mississippi to Greece The acquisition of the two war vessels will, it is declared, assure the balance of naval power between Greece and Turkey and thus prove a factor in maintaining peace, which has been threatened.

MILITARY COMMISSIONS GIVEN VANCOUVER MEN

Kingston, June 24.— The closing exercises in connection with the Royal Military college took place this morning. The following commissions have been awarded: Indian army, C. W. M. Barwis, Vancouver, B. C., Royal Canadian Horse Artillery, J. H. Roberts, Vancouver, B. C.

MANCHESTER FIRE LOSS

Manchester, N. H., June 24.— Fire here today caused a loss estimated at $800,000. The blaze destroyed the five-story brick building of the John B. Varick company, hardware, jewelry, and photographic supplies dealers, and a three-story brick annex and spread to an annex of R. G. Sullivan's cigar factory.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining right of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the North-west Territories and in a portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,500 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-agent in the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal sub-divisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10.00 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or sub-agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

DEPARTMENT OF WORKS.

NOTICE TO CONTRACTORS.

Harewood School.

Sealed Tenders, superscribed "Tender for Harewood School," will be received by the Honourable the Minister of Public Works up to noon of Monday, the 6th day of July, 1914, for the erection and completion of a six-room school-house at Harewood, Nanaimo, in the Alberni Electoral District.

Plans, specifications, contract, and forms of tender may be seen on and after the 15th day of June, 1914, on application to Mr. W. H. Jones, Secretary of the Harewood School Board, Nanaimo; Mr. J. Mahoney, Government Agent, Court-house, Vancouver; Mr. George Thomson, Government Agent, Nanaimo, and the Department of Public Works, Victoria.

By application to the undersigned, contractors may obtain one copy of the plans and specifications for the sum of ten dollars ($10), which will be refunded on their return in good order.

Each proposal must be accompanied by an accepted bank cheque or certificate of deposit on a chartered bank of Canada, made payable to the Honourable the Minister of Public Works, for a sum equal to 10 per cent. of tender, which shall be forfeited if the party tendering decline to enter into contract when called upon to do so, or if he fail to complete the work contracted for. The cheques or certificates of deposit of successful tenderers will be returned to them upon the execution of the contract.

Tenders will not be considered unless made out on the forms supplied signed with the actual signature of the tenderer, and enclosed in the envelopes furnished.

The lowest or any tender not necessarily accepted.

J. E. GRIFFITH,
Deputy Minister and Public Works Engineer.

Department of Public Works,
Victoria, B. C., June 10th, 1914.

The Efficiency of an Executor----

One of the eastern provincial premiers recently made the statement that the system of appointing individuals instead of Trust Companies as executors was becoming antiquated.

Thinking business men should leave their estates for administration in experienced hands, just as a specialist is selected in any mercantile field.

Appointed as executor the Dominion Trust Company has the necessary equipment to give you the best possible service. It has a thorough knowledge of the laws and court requirements affecting deceased persons.

The company's officers are always pleased to confer with those desiring information relative to wills or executorships.

In the Highest Degree Profitable

Some men figure that as the mercury climbs up sales will fall down. And figuring that way, fate is kind and does not disappoint them.

So there has grown up a commercial superstition that Summer is a dull season.

No greater fallacy has ever gone so long unchallenged.

Summer *is* a dull season for many lines—but there is no fundamental reason why it should be.

For instance, take a typical case—that of the Canadian wallpaper manufacturers.

They wished to secure their placing orders from the retailers before the early Fall—when American lines are offered. Through education by Advertising, they advanced the season to start the middle of June, instead of the end of August, and they now beat their foreign competitors to the market by nearly three months.

Perhaps you face a selling problem that education by Advertising will solve. Perhaps your Summer business needs the tonic of Summer Advertising.

As the mercury climbs up to its highest degree, increase, rather than slacken, your Advertising and selling efforts. You will find it profitable—*in the highest degree.*

Advice regarding your advertising problems is available through any recognized Canadian advertising agency, or the Secretary of the Canadian Press Association, Room 503 Lumsden Building, Toronto. Enquiry involves no obligation on your part—so write, if interested.

Joseph Hinton Music School, 1116 Fort street, Victoria. Singing, organ pianoforte lessons. Prospectus on application. 65-1m.

EXCITING MOMENT IN POLO MATCH

The playing of the English team in the polo series was the one topic of gossip among the polo enthusiasts It was generally acknowledged that the English team, as it now stands, is by far the greatest combination that has ever played here. Not only their telling team work, but the individual brilliancy of the play of Captain Lockett and Capt. Cheape called for nothing but admiration. One great surprise of the series was the speed and stamina shown by the English ponies. It is certain now that in the practice game the English held something up their sleeves. At no time prior to the game did they show the great team work displayed against the Americans. Men who have followed polo closely and who know how the invading players rank in English polo are at a loss to understand why the invaders were held so cheaply by American partisans. The American team was made favorite simply because of their clean-cut victories in 1911 and last year, rather than on the real form of the players involved. The above photo shows an exciting scene taken from one of the games. Devereaux Milburn (No. 3) can be seen rushing in behind Capt. "Monty" Waterbury (No. 2) preparatory to his making a back hand drive for goal. The ball here eluded Capt. Tomkinson (No. 1) on the English team, also shown in the picture.

TO MANAGE ALL-STARS.

New Westminster, June 24.—Tommy Gifford has been appointed manager of the Delta All-Stars, an amateur aggregation of fast lacrosse players residing in the Delta and on Westham Island. A test game will be played against the Westminster seniors about the middle of July and next year the team expects to enter the Coast League.

JOHNSON WILL FIGHT AT 210 POUNDS SATURDAY

Paris, June 24.—Jack Johnson, the champion heavyweight pugilist, will weigh about 210 lbs when he enters the ring on Saturday for his fight with Frank Moran, of Pittsburg. This means that he will be about ten pounds heavier that at the time of his fight with Jeffries at Reno, July, 4, 1910.

Since Johnson began training he has lost 25 or thirty pounds in weight. He will continue hard work until Friday. Johnson says he is looking for a taker of a bet of $5,000 which he wants to wager on himself.

BALTIMORE TEAM IS SOLD.

Baltimore, Md., June 24.—The sale of Jack Dunn's Baltimore International league team to Richmond, Va., is practically settled. Dunn admits an offer, and has referred the deal to the National commission.

NEWS OF SPORT

SPORTING SPARKLETS

Bob Brown threatens to break into a uniform again and direct the champion Beavers from the bench.

Baseball has been rejected as one of the sports at the Olympic games to be held in 1916 at Berlin, Germany.

Bat Masterson, a New York boxing authority, says that Al. McCoy should never be permitted to box again, as he knows absolutely nothing about the game.

Frank Moran, the American heavyweight, who will meet Jack Johnson in Paris, next Saturday, is a college graduate. He believes that his condition alone will enable him to defeat the colored champion.

Baltimore, Mr., June 24.—That a revolution in organized baseball is imminent was the opinion expressed last night by manager Jack Dunn, of the local International League club.

London, June 24.—Rowing critics point out that the Winnipeg crew row well together and appear to be faster than the Toronto eight that entered for the Henley Grand Challenge Cup in 1911. The Winnipeggers did the course last evening in 7 minutes and 21 seconds, covering the first half in 3 minutes and 28 seconds, compared to the 3 minutes and 37 seconds taken by Leander.

London, June 24.—James Merrick, of Toronto, is the only Canadian delegate to the Olympic Congress in Paris, which ends June 24. He is therefore acting on nearly all the sub-committees, although Captain Jones, secretary of the British Olympic Council, and Charles West, president of the Gymnastic Association of Great Britain, are also deputed to support Canadian views on any subject under discussion.

When you are at the top do not forget those who helped to steady the ladder.

For July loading, the British steamer Lord Lonsdale, 2,895 tons, has been chartered to load a cargo of barley at San Francisco for the United Kingdom and Europe. The Lord Lonsdale was dispatched to this coast from Copenhagen in the service of the East Asiatic Company.

Disappointment comes oftenest to the people who depend entirely upon luck.

Permission having been secured from the Dominion Government, the management of the Victoria & Sidney Railway announces that work will be started forthwith in the construction of a new wharf at Bazan Bay. The expenditure involved totals about $10,000.

London, June 24.—In was announced today that "Young" Ahearn of Brooklyn and George Carpentier, champion heavyweight of Europe, had been matched to fight in London, August 2, for a purse of $30,000. The money, was put up by Horatio Bottomley, the English publisher and financier, the former Liberal member of parliament.

A London paper, in commenting on Matt Wells' return from Australia, says that the boxer left nothing but friends behind in the colonies. Well, Matt never hit anybody there hard enough to make an enemy of him.

Tommy Burns is figuring on buying a sheep ranch in Australia which comprises 120,000 acres. If the deal goes through, Tommy says that he will hurry back to Calgary and dispose of his holdings there and go to Australia to live.

CHAMPION SWIMMER ARRIVES

San Francisco, June 24.—Duke Kahanamoku, champion swimmer of the world, arrived here today from Honolulu accompanied by fourteen Hawaiian swimmers, who will compete in a swimming tournament here on July 4. A team from the Illinois A.C., due to arrive Saturday, and Californian swimmers will oppose the Hawaiians. Kahanamoku has with him two 14-year-old proteges, H. Kruger and C. Lane.

CHALLENGER PROVES SPEEDY.

Southampton, June 24.—The British challenger for the America's Cup, Shamrock IV. had her first hard weather trial today with the older Shamrock and acquitted herself well. In a stiff northwesterly breeze necessitating reefed mainsails, the challenger worked out a lead of three minutes in a run of five miles. This was followed by a ten miles' thrash to windward in which the challenger did still better, beating her opponent by 12 minutes.

Ask for Minard's and take no other.

WEDNESDAY'S BASEBALL

Detroit 2, Chicago 5.
Cleveland 4-1, St. Louis 5-3.

National League—
New York 3-4, Boston 7-0.
St. Louis 3, Pittsburg 0.
Brooklyn 0-1. Philadelphia 2-6.
Chicago 11, Cincinnati 5.

IS LEAGUE LEADER

San Francisco, June 24.—Justin Fitzgerald, of San Francisco, regained the leadership of the Pacific coast league sluggers last week with a percentage of .337. Then follow Rowdy Elliott, of Venice; Manager Del Howard, of San Francisco, and Boddy Ryan of Portland, each with an average of 331.

Johnny Coulon, former world's bantam champion, was in Vancouver last evening on his way home to Chicago after losing his title to Kid Williams To a dearth of clever bantams is laid the reason for Williams' victory over the ex-champion.

Walter Johnson, the famous pitcher of the Washington Americans, was married last night to Miss Hazel Lee Roberts, daughter of Representative Roberts of Nevada.

Practical Fashion Hints

By Alice Gilman

Soft shirts will be favored by men this season more than ever before. They are being made up in the usual shirting materials and silks, crepe de Chine, China silk, etc., instead of the plain colors to which we have so long been accustomed, many of the new shirting silks show rather bright stripes on plain grounds; blue, pink, lavender, etc., on white.

This model No. 5848 is simply cut and may easily be made at home. It has a yoke back, detachable high or turned-down collar and the sleeves are finished with French cuffs.

To make this garment in size 34, requires 3 yards 36-inch material.

Pattern is cut in 11 sizes: 24 to 46.

This is a Perfect Pattern.

In selecting this pattern, one must be governed entirely by the neck and breast measurements.

The pattern may be obtained by sending name and address, pattern No. and size and fifteen cents to DAVID SPENCER, LIMITED.

DR. DeVAN'S FRENCH PILLS A reliable Regulating Pill for Women. $5 a box or three for $10. Sold at all Drug Stores, or mailed to any address on receipt of price. THE SCOBELL DRUG CO., St. Catharines, Ontario.

PHOSPHONOL FOR MEN. Restores Vim and Vitality; for Nerve and Brain; increases "grey matter"; a Tonic—will build you up. $3 a box, or two for $5, at drug stores, or by mail on receipt of price. THE SCOBELL DRUG CO., St. Catharines, Ontario.

SOLD IN NANAIMO AT F. C. STEARMAN DRUG CO.

The Granby Company have installed an electric shovel capable of handling 1,500 tons of loose ground in five hours. It can load a ten ton car in three minutes, and pick up a rock weighing ten to twelve tons.

Toronto, Ont. June 19-14
The Daily Herald, Nanaimo.
Dear sirs:-

The friends and relatives of the late John S. Hall, wish to convey their sincere thanks to his Nanaimo friends and business associates, for the many kindnesses and sympathy shown their departed friend.

Yours truly
R. E. HALL
102 Jeoffrey Street. 1t

AD. MEN CHOSE CHICAGO

Toronto, June 24.—Chicago to-day was chosen for the next convention of the ad. men. San Francisco delegates are much disappointed and it is said threaten to start a new organization.

NAVIGATING PANAMA.

Navigation of the Panama Canal will have to be regularly suspended during the early morning hours, or else stringent regulations must be enforced to insure safety, on account of the fogs in Culebra Cut, according to Captain Hugh Rodman, U.S. N., who is to become superintendent of operation. It has been found that from midnight until 7 or 8 o'clock every morning heavy mists and fogs hang in the cut, which, even without the menace of fog, will be one of the most difficult parts of the canal for the pilots. Canal operation will start with not nore than eight pilots on the pay-roll. There appears to have been a general belief that sixty or more pilots would be engaged.

TO PREVENT TIPS

Washington, June 24.—Tips to porters and waiters on trains and steamboats in interstate commerce would be prohibited by a bill introduced today by Senator Work. At the same time it would make it unlawful for an employer to pay such low wages that tips were necessary for the proper compensation of the employee.

OXFORD DEGREES GIVEN

Oxford, Eng., June 24.—An enthusiastic reception was accorded to Viscount Bryce, former British ambassador at Washington; the Duke of Saxe Cobourg-Gotha, and Walter Hines Page, United States ambassador, and when they came up at today's eneaneia, or commemoration to receive the degree conferred on them by Oxford University.

The Duke of Saxe-Cobourg-Gotha and Ambassador Page were created doctors of civil laws, and Viscount Bryce became doctor of laws.

Mr. Joseph Dobeson of the Nanaimo foundry was in Vancouver yesterday on a business trip.

DOMINION DAY CELEBRATION

A gentral public meeting will be held in McGarrigle's Hall, Northfield on Friday night, June 26, at eight o'clock sharp to discuss important business in connection with Dominion Day celebration.

M. ARMSTRONG, Secy.

Tuesday on Thetis Island a marriage was solemnized between Kathleen Maud, daughter of the Rev. W. Winning, Glasdale, Yorkshire, and adopted daughter of Mrs. Hoffman, Overbury, Thetis Island, Chemainus, B. C., and Charles Randle, youngest son of the late Colonel Barrington Foote, and of Mrs. Barrington Foote Richmond, Surrey.

By an error it was stated in our last issue that the funeral of the late Andrew Anderson, of Wellington, would take place yesterday. It should have read Thursday, the funeral leaving the residence of Mr. John Anderson, of Wellington, at 2:30 o'clock, arriving at Nanaimo Cemetery at 3:30. The Rev. Mr. Pearson will conduct the services at the home and graveside.

Five men were injured by the explosion of a blasting charge in the Britannia Mines early on Sunday morning and one, Alec. Cevtanovich, an Austrian died an hour later. The other most seriously injured was Joe Duggan, who was operated on yesterday at the Vancouver General hospital, and one of his eyes removed. The three others are in the hospital at Britannia Mines.

INFANT INCUBATOR IS FAILURE SAYS REPORT.

Atlantic City, N. J., June 24.—Feeblemindedness, sin and diseases were today characterized as the principal causes of poverty by physicians and surgeons attending the sectional meeting here of the American Medical association. Dr. Hurty, of Indianapolis, a member of the committee on poverty, declared the normal person never sank to the level of poverty. In the main, he said, poverty was caused by sins unmentionable in a public gathering. The eradication of sin and disease, he said, would remove poverty. The infant incubator has been more of a failure than a success.

DISINHERITS HER SON.

London, June 24.— The newest specimen of suffragette tactics is revealed in the announcement by Mrs. Margaret Stockman of Hempstead, London, that she has altered her will disinheriting her son in favor of her daughter pending the granting of votes for women. She says that other women are taking the same step.

STORY OF THE DELUGE

London, June 24.—Prof. Stephen Langdon, who holds the chair of Assyriology at Jesus College, Oxford has deciphered to Nippur Babylonian tablets belonging to the University of Pennsylvania, of which he made a copy while in Pennsylvania last year. The tablets give pre-semetic accounts of the fall of man and the deluge. The latter, he says, is clearly the origional of the story preserved in the book of Genesis.

STOOL PIGEON MET DEATH

Chicago, June 24.—The one hundred and twenty-fifth murder in "Little Sicily" in the last three and a half years took place early today when Frank De Maria, a stool pigeon of the police, was shot to death by two unidentified men. When the police arrived no one could be found who saw the murder. A threatening note received by De Maria recently read: "Squealers always die."

BUTCHERS TO MEET DRYGOODS MEN TODAY

On Devril Square this afternoon the butchers of the city will meet the dry good clerks in an exhibition game of baseball, the match commencing at 2:30.

The teams in the city Commercial League are at present locked in a tie and today's game will be a struggle to decide which aggregation goes into the lead. The butchers will field the following team:

Catcher, Stewart; pitcher, Cawthorne; 1st b., Greenwell; 2nd. b., McCuish; 3rd b., Sage; short stop, Swallwell; r.f., Martin; c.f., Taylor; l.f., Marwick; spare men, Smith and Bushfield.

WORLD'S RECORD IN AEROPLANE FLIGHT

Johannisthal, Germany, June 24.—A world's record for a duration flight was made today at the aerodrome here by Gustav Basser. He remained in the air for eighteen hours, ten minutes, without making a landing. The previous record was made by Bruno Langer, on February 3, in an uninterrupted flight lasting fourteen hours, seven minutes.

Schwerin, Germany, June 24.—Another aviation fatality occurred in the German army flying corps today when Lieut. Kolbe was killed by the overturning of the aeroplane he was piloting. Captain Ruff, his passenger suffered a broken leg.

RESOLUTE IS WINNER AGAIN OVER THE VANITIE

Rye, N. Y., June 24.—All three of the cup defence aspirants, the Resolute, Vanitie and Defiance, met today for the first time in a completed race, and finished in order named, with the flag officers' yacht a winner by many minutes. It was her sixth and longest victory over the Vanitie, which seemed slower than usual, while the Defiance, which had a chance for the first time to show her worth, proved a disappointment.

At one time the Tri-City yacht was more than four minutes astern of the Resolute, which set the pace almost from the start. On the first leg the Defiance encountered a freshening breeze and finished 23 minutes and 13 seconds behind the Resolute, and 8 minutes and 48 seconds after the Vanitie. The Resolute won the race by 16 minutes and 20 seconds in corrected time over the Vanitie and 20 minutes and 12 seconds over the Defiance.

COWLER TO MEET JONES.

Tacoma, June 24.—"Casey" Jones the Tacoma blacksmith, considered one of the best of the young heavyweights of the northwest, has been matched to meet Tom Cowler of Nanaimo, heavyweight champion of Canada, in this city on the night of July 1. The contest will be held under the auspices of the Moose.

VICAR TO CONDUCT BOXING MATCH.

London, June 24—The Rev Edward Digby, Vicar at Stf Agatha's Shoreditch, has arranged to act as master of ceremonies at the boxing match at the Olympic next Tuesday when Colin Bell and Bombardier Wells meet for the heavyweight championship of the British Empire.

WATER NOTICE

Application for a license to take and use and to store or pen back water will be made under the "Water Act" of British Columbia, as follows:

The name of the applicant is The Qualicum Water Company. The address of the applicant is Qualicum Beach, Vancouver Island. The name of the stream is Mosquito Creek. The stream has its course in the Hamilton Swamp, D.L.s. 34 and 42, Newcastle district, and flows in a northerly direction and empties into the Gulf of Georgia, about two miles east of the Little Qualicum River. The water is to be diverted from the stream on the west side about 1,000 feet from the mouth. The purpose for which the water will be used is waterworks purposes. The land for which the water is to be used is described as follows: Lots 54 to 63 Newcastle district and adjacent property. The quantity of water applied for is as follows: 1 cubic foot per second. This notice was posted on the ground the 23rd day of May, 1914.

A copy of this notice and an application pursuant thereto and to the requirements of the "Water Act" will be filed in the office of the Water Recorder at Nanaimo, B. C. Objections may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B. C.

LARGEST NET PAID CIRCULATION OF ANY VANCOUVER ISLAND PAPER EXCEPTING VICTORIA PAPERS

VOLUME XIV | NANAIMO, VANCOUVER ISLAND, BRITISH COLUMBIA, FRIDAY MORNING, JUNE 26, 1914 | NUMBER 95

NEW YORK HAS BIG FAILURE

Clafin Department Stores Failed With Liabilties of Thirty Five Million Dollars —Assets are Forty Million.

New York, June 25.—The great dry goods house of H. B. Claflin company failed today with liabilities of $35,000,000. The assets are estimated at $40,000,000. Two proceedings, friendly and unfriendly, threw the firm into bankruptcy and two receivers were named under bonds of $500,000 each.

The Claflin company controls or is affiliated with some thirty retail stores throughout the United States and it was the endorsement of their paper held by more than 3,000 banks here and in interior cities that caused the crash.

The United Drygoods company and the Associated Merchants company though affiliated with the Claflin company through stock control were in no way involved in the failure. Unless blocked by creditors, a reorganization of the firm is contemplated.

Though the failure is probably the most important in the history of the drygoods trade in this country, New York bankers predict that the chief and perhaps only important general effect will be temporary demoralization in the drygoods trade.

Announcement of the failure caused a general decline in the opening of the stock market, but losses were not heavy, and succeeding transactions caused a reaction to some extent.

John Claflin has been associated with the drygoods business for more than forty years. He is regarded as the A. T. Stewart of his time. At the age of twenty he entered the employ of his father's firm, then known as H. B. Claflin & Company. Three years after he became a member of the firm and in 1890 formed the corporation which went under today. He is a trustee of many financial and charitable organizations.

According to the best records available here the Claflin stores not affiliated with the United Drygoods company are: Whitehouse & Company, Spokane, Wash.; People's Store company, Tacoma; Macdougall & Southwick company, Seattle; Thomas C. Watkins, Ltd., Hamilton, Ont.

PARENTS INVITED TO SCHOOL TODAY

Editor Herald:-

Permit me, through your columns, to notify parents of children attending the public schools of the city that the promotion lists will not be published until August. This course of action has been decided on owing to the fact that additional teachers are to be employed and new classes formed, which makes it desirable that promotion lists should be carefully revised and pupils allotted to their proper rooms before publication.

Trustees and parents are invited to visit the schools between 1:30 and 2 p. m. to-day (Friday!. A walk through the class-rooms and a visit to the school gardens and Manual Training Department, would, I am sure, be interesting and instructive.

Yours truly,
R. M. ARCHER, B. A.
Principal.

The steamer Stanley Dollar has loaded 1900 tons of bulk grain at Tacoma, this being the first bulk cargo to be shipped at the American port. She loaded it in sixteen hours and only four men were employed. To load the same quantity of grain in sacks would have taken thirty hours and a force of twenty-four men. The Stanley Dollar also took on 300,000 feet of lumber as deckload and sailed for San Francisco yesterday. The grain is consigned to South Vallejo, Cal.

HUNGER STRIKE FATAL.

Holly Springs, Mass., June 25.—As a result of a hunger strike, started fifteen days ago, L. B. Matthews under sentence of ten years in the penitentiary, died in his cell at the county jail here. Matthews was convicted of cruelly mistreating a young son in Benton County.

A telescoping device has been invented in Germany to regulate the heat from a Bunsen burner without altering the flow of gas.

MINING FIND ON WEST COAST

Copper Vein Said to be Worth Millions Has Been Discovered at Quatsino Sound Near Surface.

Victoria, June 25.—Copper ore worth $9,000,000 has been proved on one property and gold yielding from $4 to $150 a ton has been shown on an adjoining property near Elk Lake about 16 miles southeast of Quatsino Sound, Vancouver Island. There is every prospect that the biggest mine in British Columbia will be situated at this point.

This information is given by W.M. Halliday, the Indian agent at Alert Bay, who is at present in the capital giving evidence before the royal commission on Indian affairs. He has been a close student of the operations which have been carried on near Elk Lake all winter and is possessed of a fund of valuable information concerning the mineral wealth of the district.

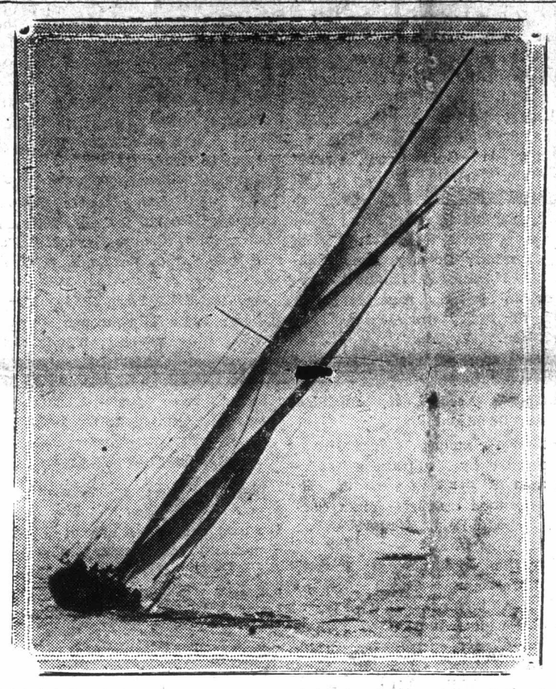
Two concerns with practically unlimited capital have been employing a diamond drill on the claims in their possession and the facts which Mr. Halliday gives are the results shown by this drill.

M. W. Bacon, of Butte, managing director of the Stewart Mining company in the Coeur d'Alene district, Montana, is head of the Quatsino Mining & Development Company, which has proved its vein to a depth of 338 feet. Conrad Wolfe, of Spokane president and managing director of the United Copper Mining company, is in possession of the other property. There are 28 claims in all which were partially developed by the original claim-owners who, however, had little or no capital. The 28 claims were accordingly bonded to Wolfe, who kept 14 and bonded the other 14 to Bacon. Of Bacon's 14 claims 8 are in the Old Sport group and it was on these that the diamond drill of the Quatsino Mining & Development company was working all winter.

It was shown on the surface that the vein owned by the latter concern runs without a break for 7,000 feet, with copper in the chalcopyrite form with magnetite gangue. The drill was only a small one, but it proved that this was a true fissure vein and the lowest hole cross-cut the vein horizontally at a depth of 338 feet. What further depth there may be is not known, although there is no reason why it should not go as far again.

The engineers of the Quatsino company state that at a conservative estimate there is ore worth $9,000,000 in the portion of the vein at present surveyed. The vein is about 35 feet thick, but part of it contains non-commercial ore. The pay streaks is about 18 feet thick.

One of the objects of an Australian antarctic expedition will be the establishment of a meteorological station to give warnings by wireless of the severe storms which sweep far southern seas.



"SKULL AND CROSS BONES" FOR JUDGE

San Francisco, June 25.—Scurrilous threatening and seemingly illiterate letters, signed with a skull and cross bones have been received by Judge John T. Van Norstrand of the Superior Court, written in an attempt to influence his conduct of the Shorb divorce case, now before him. The publication today of the letters as well as others addressed to Charles A. Lee, retained as counsel for the defence of Mrs. Adeline Shorb, created a sensation.

"If you defend Shorb case it will be the big pine box for you, big stiff" read the letter to Lee. "If you show this letter you die like a dog."

Mr. and Mrs. Donald McM Shorb are socially prominent in San Francisco. The wife brought suit, alleging that he had threatened her life.

Shorb, it was learned, also had received intimidating letters. Indirect references to individuals indicated only by initials led Lee to believe the letters had been written by some person associated with a private detective formerly active in the graft prosecutions of 1906, and a disbarred lawyer.

VANITIE SAILING "UNDER FULL STEAM"

The above photo shows the Vanitie, Alexander Smith Cochran's cup contender riding before a stiff wind, keeled over with her rail awash. Capt. William S. Dennis, who was skipper of the cup defense yacht Vanitie, resigned yesterday, and Capt. Harry P. Haff, who sailed on her to assist Capt. Denn is in an emergency, was given command of Vanitie. Capt. Haff has always been popular with everyone in the racing game from the sailors to the owners. He is a small, wiry man with weather-beaten features.

KILLED BY STRAY SHOT

Plattsmouth, Neb., June 25.—Mansfield O'Brien, son of W. J. O'Brien, superintendent of state hatcheries is dead today, the victim of a revolver duel between Chief of Police Rainey and George Barr, a fisherman whom the chief was trying to arrest. When accosted by Rainey, Barr drew a revolver and a stray shot struck O'Brien, killing him instantly.

FIRE DESTROYS SEVERAL BUILDINGS AT WINDSOR

Windsor, Ont. June 25—Fire of unknown origin breaking out at 3 p. m. yesterday destroyed the Windsor curling rink and the big supply house and barn of the Caldwell Sand & Gravel company. A number of barns and houses were damaged, including the newly-erected $30,000 Oddfellows' temple. In a number of instances persons were compelled to jump from second-storey windows. The damage is estimated at $75,000.

GUNMEN WAIT FOR MOYER

President of Western Federation of Miners is Guarded by Police From Vengeance of Insurgent Unionists.

Helena, Mont., June 25.—Unconfirmed rumors that gunmen had arrived to kill him, induced Charles H. Moyer, president of the Western Federation of Miners to retire from public today. He is being guarded by friends and local authorities. The information that came to the authorities convinces them, they say, that a plot was formed to do away with the Western Federation chief. Through a friend, communication was established this morning with Mr. Moyer and he put at rest the apprehension in Butte regarding his return to that city now.

"I have no intentions of returning to Butte at the present time," he said. "I expect to remain in Helena three or four days and will then visit the other Western Federation locals in the state.

BANKER TO STAND TRIAL.

Winnipeg, June 25.—Richard Harrison, banker of Carberry, was yesterday afternoon committed for trial at Portage la Prairie on three charges of forgery. Harrison is accused of having put fictitious names to notes which he passed through his bank, obtaining cash upon them to the amount of $1037.

A United States Government engineer has patented and dedicated to the public easily transported apparatus for mine rescue work in cases where the regular hoisting apparatus has been damaged.

PARKSVILLE TO NANAIMO BY CABLE

The Pacific Cable Board has decided to lay a second cable from Banfield, the cable station on the west coast of Vancouver Island, to Port Alberni, an underground cable from Port Alberni to Parksville, and a submarine cable from Parksville to Nanaimo, the latter to make connections with the cables from Nanaimo to Vancouver. This will give the Pacific Cable Board an all-cable route direct from Australia and New Zealand to the Mainland. The Banfield station works lines through Port Alberni direct to Vancouver and Montreal without manual transmission.

For the purpose of carrying out this work the cable ship Iris, of the Pacific Cable Board's fleet, sailed from Auckland, New Zealand, on June 16 for Esquimalt, Banfield and Port Alberni, and will make calls at Norfolk Island, Fiji Islands, Fanning Island and Honolulu in connection with staff changes. The Iris will first come to Victoria and will probably land the cable at Port Alberni about the end of July.

SALT FOR TWO CENTURIES

Windsor, Ont., June 25.—Manager Dodson of the Canadian Alkali company, which is building an immense plant here, stated that enough salt to last the company 220 years has been struck in four wells which have been bored. Half a million dollars is to be spent on the factory.

NANAIMO MAN WEDS IN VANCOUVER

A wedding of interest to Nanaimoites was solemnized at Vancouver on Monday last when Mr. A. H. Bateman of this city, was united in marriage to Miss Alice Gordon, one of the Terminal City's fairest daughters The marriage ceremony was performed at St. Paul's Anglican church, in the presence of relatives and immediate friends of the contracting parties. Mr. and Mrs. Bateman left later in the day for Sound cities and Victoria on a honeymoon trip and arrived in Nanaimo last evening, They were given a royal reception at the E. & N. station by friends who welcomed the groom and his bride to Nanaimo and they will take up their residence on Newcastle Townsite.

Mr. Bateman, although a resident of Nanaimo but a comparatively short time, is well known locally. He is employed on the staff of the A. R. Johnston Company Ltd., and is most popular both with his fellow clerks and the patrons of the firm. Mr. Bateman has many friends in Nanaimo with whom the staff of The Herald joins in wishing him and his bride many years of a prosperous and happy married life.

DIVISION ON THE BUDGET

Asquith Government Carried The Division on the Budget by a Majority of Thirty Eight.

London, June 25.—The division on the Budget tonight in the House of Commons was 303 to 265, a government majority of 38.

Tonight's division in the House of Commons challenging the government's finance policy promises much interest. Even the Liberals admit much uneasiness, while the Laborites declare that they will abstain from voting against the opposition's amendment which regrets the absence of imperial grants to the local authorities. The government however, with the Irish vote behind it will probably have fifty of a majority. Next Wednesday will see the Home Rule Amending Bill before the House of Lords for its second reading. The Unionist leaders are having daily conferences regarding the amending proposals they will submit during the second reading. Some Unionist peers favor rejecting the bill altogether, but this course is decidedly disapproved by the party leader whose line of campaign offer suggestions for amendment and leave the government the responsibility of rejecting or accepting them.

More than six months ago the Canadian Associated Press directed attention to the apathy over Home Rule shown by the average English elector. This morning's Daily Telegraph (Unionist) in speaking for serious consideration of the grave situation in Ireland says:

"The active and earnest preparation for armed conflicts upon which the whole of Ireland, north and south is fixed, might as well be going on in Madagascar or Mauritius instead of in Great Britain's sister island for all they interest they appear to be arousing among the great mass of educated men and women who do not habitually follow public affairs."

The Telegram goes on to admit that concessions must come from both sides, but declares that if Ulsterman are not secured such freedom of choice as bare self-sacrifice demands of such recognition of their corporate unity as common sense demand there must be disaster,

MANY MILLIONS LOST BY FIRE

Thousand Buildings Destroyed and Ten Thousand are Homeless by Fire Which Swept Salem Massachussetts.

Salem, Mass., June 25.—Twenty million dollars damage, 1000 buildings destroyed and 10,000 residents homeless was the result of a fire which today swept Salem. The fire originated in a leather factory and swept through the factory district, cutting a swath a mile in width clean through to the waterfront. Dynamite was used to check the flames and was partially successful. At the commencement of the fire the water pressure was poor and while the fire was at its height a big water main broke leaving the Fire Department almost helpless to combat the flames. A big tank of the Standard Oil Company exploded and among the buildings destroyed was a new Roman Catholic church erected at a cost of $250,000, Orphan Asylum, and a large number of old Colonial houses, which experts say were of the finest architecture in the country.

While the G. T. P. steamer Prince George was at Prince Rupert last Saturday, her master, Captain Donald was presented with a gold watch in recognition for his services in picking up the disabled launch B. B. with thirty-eight passengers outside the Narrows a few months ago. The presentation was made by Mr. H. S. Clements, M. P., on behalf of the Department of Marine.

Miss Mills, daughter of Captain Mills of Seattle, is the guest of Mrs. George Merrifield, Victoria Crescent.

CAUSED HEAVY LOSS OF LIFE

Fierce Fighting With Unusually Heavy Loss of Life Took Place in Cupture of Zacatecas.

Zacatecas, Mex., June 24.—Delayed in transmission over military wires. —The fiercest fighting on both sides and an unusually heavy loss of life to both federal and constitutionalists ended last night in the capture of Zacatecas by General Villa's forces. It required four days of battle to take the federal stronghold of Central America.

The federals under General Medina Barron defended their positions stubbornly, but they were finally overcome by the forces of General Villa and Notera. The constitutionalists took hill after hill and mountain after mountain, killing and wounding thousands of federals and sustaining heavy losses themselves. So far it has been impossible to secure an accurate estimate of losses on both sides.

The heaps of dead on the mountain sides and in the city bore testimony of the ferocity of the fighting. General Villa was in the van of the attacking party. Five members of his staff accompanying him were wounded. The number of constitutionalist officers killed or wounded were unusually great. General Trinidad Rodriguez, one of the best of Villa's brigade commanders. was shot through the throat and is not expected to live.

The constitutionalists in many cases had to advance on hands and knees, as those below on the steep inclines passed rifles from hand to hand.

These feats were accomplished under heavy machine gun fire. Nothing seems to lessen the determination of Villa's troops, though the federals had thrown up trenches and redoubts on all sides. Hillsides afforded no cover for the attacking troops.

The cordon of defence gradually narrowed until the last hills on the outskirts of the city fell into the hands of Villa's men.

El Paso, Tex, June 25—The taking of Zacatecas by Villa's troops places the entire northern part of Mexico and much more than half of the republic's territory in the hands of the constitutionalists. It marks another stage in the race of three rival constitutionalist leaders to Mexico City.

AN APPRECIATION

The territorial headquarters staff, on behalf of the Salvation Army in Canada, desire to express, through the press, their deep and sincere appreciation for the numerous messages of sympathy and condolence received from comrades, friends, churches, societies, and others. Since the event of the sioking of the S. S. Empress of Ireland, such messages have been conveyed by cable, telegraph and letters from all parts of the world, and especially the Dominion of Canada.

It is our desire to let it be known that, particularly the assurance of prayer, have strengthened our hearts, have encouraged our confidence, and have stimulated our faith, and, furthermore, as the realization of the extent of our loss through this appalling catastrophe becomes keener day by day, the kind words of cheer and counsel will help us in our endeavors to carry on the great work of The Salvation Army in extending the Kingdom of God upon earth.

WENT OVER CLIFF IN AN AUTOMOBILE

Los Angeles, June 25.—At the foot of a 100-foot bluff the bodies of three women and two men, victims of an automobile wreck, were found on the ocean beach today at White Point a few miles north of San Pedro. The automobile, a new machine, driven by Harry Baker, a wireless operator at San Pedro, had fallen over the bluff, and Baker's four passengers, Percy Townsend, a fellow wireless operator, his sister, Miss Lora Townsend and their mother, Mrs. Lora Townsend, and Miss Myrtle Crandon, all lost their lives.

Miss Townsend was an employee of the postoffice station at San Pedro, and Miss Crandon was a clerk at the postal station at Wilmington. Baker secured possession of the motor car yesterday and had taken the party out for a ride.

VICTIMS OF THE EMPRESS WRECK

Another Attempt is to be Made to Remove the Bodies of Victims Still in Hull of the Sunken Liner.

Quebec, June 25.—Another attempt will be made to remove the bodies of the eight hundred victims of the Empress of Ireland wreck which are still in the hull of the sunken steamer. After a conference yesterday between Cap. Walsh, marine superintendent of the C.P.R., and Captain Watson of the cruiser Essex, the divers from the Essex were once more ordered back to the scene of the wreck.

Capt. Kendall again appeared in the witness box at the enquiry yesterday and answered questions relating to the time his ship travelled on the two courses taken after leaving Father point and before the accident in connection with the attempt being made to get reliable data upon which to gauge the exact position of the liner when she was struck.

The captain's time for dropping his pilot did not agree with that of Captain Benanger of the Eureka, who picked up Pilot Bernier.

Percy Hillhouse, from the Fairfield Shipbuilding Works, where the Empress of Ireland was constructed took the stand in the afternoon and was examined by Mr. Edmund Newcombe for the government. He said that a top weight on the Empress would naturally tend to increase the list. He acknowledged that the Empress had more top weight than the Etruria and the Campania, but pointed out that she was deeper in the water. The Empress carried no more top weight than any other modern vessel of her type.

In reply to Mr Newcombe's direct application for his explanation of the rapid foundering of the vessel, Mr. Hillhouse said he thought that more than two watertight compartments were filled by the list caused by the inflow of the water through the hole, and this was helped by the water in the ship's boliers, and more water ran in through some of the portholes.

Mr. Haight, for the Storstad owners, then cross-examined the witness. He asked him if it was not true that some departures were made in the construction of the Empress from the ordinary rules and Mr. Hillhouse answered in the affirmative. He said that the rudder was submerged. The Empress was not the first ship to have such a rudder, and it had been fitted to the City of Paris and the City of New York. The lines of the Empress were a little fuller than vessels he had worked on previously but today ships were being built with broad sterns.

REVELSTOKE BUSINESS BLOCK DESTROYED

Revelstoke, June 25.— Fire broke out at an early hour this morning in the London Chop House and up to noon today is still burning but without much further damage now in prospect. Some spectacular escapes were made from a lodging house on McKenzie avenue, where the occupants dropped from the second storey windows to awnings and then to the ground just as the flames broke through the windows of the rooms just vacated.

McKenzie avenue is littered with household effects hurriedly snatched from rooms that are now in ashes or for a long time were in imminent peril. Women and children whose homes were destroyed, in their nightclothes and wrapped in blankets early this morning mournfully regarded the ruins of their homes. The city, except for the lurid light of the blazing buildings, was in darkness, the lights having been turned off to avoid the danger of live wires. Half a block in the heart of the business section of the city is in ruins.

ARCHBISHOP'S FUND.

London, June 25.—The Archbishops Western Canada fund received £5000 less last year than in the previous year. Eighteen thousand pounds were sent direct to Canada, £5000 being passed to other church societies. Supporters here note with pleasure that the Western churches are gradually becoming self-supporting.

KOMAGATA MARU

It would be extremely regrettable if the Komagata Maru affair should end in disorder in Vancouver. Yet the sentiment against Asiatic immigration seems to have crystallised into the settled resolve to prevent the landing of the Hindus from the Komagata Maru regardless of the law. The authorities have wired the government at Ottawa their conviction that if the Hindus are allowed to land there will be serious riots and disorder. There is as yet neither reason nor necessity for the adoption of extreme measures. The Hindus will not be allowed to come in unless the law gives them the right to come in, and this has yet to be decided. It is all humbug to talk about the intervention of the Imperial authorities. If Canada decides to maintain a white country the Imperial government will be the last to interfere. The fact that Australia and New Zealand have already adopted this policy should put an end to these silly reports. Imperial considerations was always more of a political pretext than a real reason to delay taking action. The Imperial ministers have already announced that they could not dream of interfering and even Unionist newspapers as authoritative as the "Times" have heartily endorsed their attitude. There is no Imperial complication in the present crisis. The Canadian government has a free hand, and at least the Komagata Maru affair has taught it the sentiment and attitude of British Columbia on the question. No government could afford, even if it wished to, to ignore the wishes and turn down the demands of the people of this province. For reasons sufficient to themselves they insist on a white British Columbia. To-day, as a result of the recent financial depression, the province is unable to give employment to all its white workers. In the meantime, because of its cheapness, Asiatic labor is eagerly sought and finds ready employment. What is needed is rigid exclusion of all Asiatic races. The more serious the Komagata Maru affair becomes, the more probability there is of getting legislation to exclude Asiatics.

THE BRITISH BUDGET.

The Asquith government has more trouble on its hands, and it does not come from either Ulster or the suffragettes. It has been compelled to amend its budget. In previous years it has generally depended upon Lloyd George and his financial proposals to tide them over any political embarrassments plotted against them by the Unionists. But apparently Lloyd George has passed the limit many of the Liberal plutocrats are prepared to go in concessions to popular demand. His proposals in the present budget caused a formidable revolt, so formidable that after a hastily summoned meeting of the cabinet it was decided to cut out the objectionable provisions. The budget has accordingly been reconstructed but the government has only stepped out of the frying pan into the fire. The labor element is now in revolt, and will be joined by the Independent Radical section. The Laborites allege that the government has capitulated to the demands of its wealthy followers, instead of insisting upon the reduction of tea and sugar taxes. They will therefore withhold their support and the Independent Nationalists will also seize the opportunity to vote with the opposition. The government may still be able to scrape through with the aid of the Nationalist vote, but it will be touch and go. The outstanding fact in the whole situation is that the government should have got into this difficulty through the budget which heretofore has been a very present help in time of trouble. The prophets, and their name is legion, are predicting a general election, and the result no one can foretell. Even if, as seems to be generally taken for granted, the Unionists are returned, their task would be no enviable one. The Ulsterites, with the full approval and support of the Unionists have threatened civil war should home rule be passed. The result has been that the Nationalists have organized a huge volunteer force, and following the precedent established by Ulster, they may threaten civil war if they are not granted home rule. Whichever way one looks at it there is little hope of political peace in the United Kingdom until the Irish question is permanently disposed of. It may yet happen that Asquith will pull through this budget difficulty as he pulled through so many other previous difficulties. It may even be that he might again be returned to power in a general election. Whether he is or not there is troublous political times ahead of the Old Country.

There are some people who feel very much aggrieved that it should be denied that there is a coal strike on the island. They imagine that it is enough for them to say there is a strike to make a strike. There are a few other facts bearing on the question to which they shut their eyes. Facts are and always have been anathema to them. The object of any strike is to tie up the industry affected. If it does not do this then the strike is broken and ceases to exist automatically. There may still be men out of work, but they affect the situation no more than the unemployed in another city. These men have voluntarily placed themselves on the unemployed list but this fact does not constitute or establish a strike. The chief fact in the coal situation on the island is that the mines are producing to the capacity of the market. The second is that they cannot employ all the men seeking work. The third is that the production is within two or three hundred tons of the daily output of the record year of 1911. There is no disputing any of these facts, and they certainly destroy any idea of a strike prevailing. It might as well be contended that the strike of South Wellington, at the Alexandra colliery, still exists. At least it was never called off. And the curious thing is that the people who are kicking are the people who denied that there was a strike in the first place. It wasn't a strike at all. It was a holiday. Whatever it was in the beginning it is certainly a holiday now.

VANCOUVER HAS MYSTERY TO SOLVE

Vancouver, June 25.—B. Kupoff, a Russian, was found dead in his bedroom at the International rooms, 200 block, Harris street, this morning. His brains had been blown out.

Early this morning, when the discovery was first made, the police were of the opinion that the man had committed suicide but late today it was declared by certain Russians that there was a possibility of foul play. They alleged that threats had been made against the life of Kupoff by other Russians and that he had been told he would "never live to give evidence in a higher court." Kupoff was said to have been the chief crown witness in the murder case against Eloosha Dzabaeth who is now being charged in the New Westminster assizes with the murder of Alex Sekinaeff, a wealthy Russian contractor, who disappeared November 4, 1912.

Kupoff only registered at the International Rooms last night, when he appeared to be in a particularly amiable frame of mind, laughing and joking with the proprietor of the place. He retired about midnight after leaving instructions that he was to be called at 7 o'clock this morning.

Just before 7 o'clock a shot was heard, but at the time it was not certain where it had come from. Later he was discovered in an unconscious condition with a terrible wound in his head. He was lying partly dressed on the bed while near his left hand was a .38 calibre revolver.

EXPECT RUPERT TO BE COAST FISHING CENTRE

Seattle, June 25.—Seattle's position as fishing centre of the northwest is being contested by Prince Rupert, B. C., according to John R. Grant, of Ketchikan, Alaska, who is on a business visit to this city.

"The people down here have not awakened to the fact that Prince Rupert is now preparing to be a real competitor for the fish business," says Mr. Grant.

"There is no question that Ketchiken is the real centre of the fishing industry, and Prince Rupert, only 90 miles away, will become a factor in the business that must be considered.

ST. ANN'S CONVENT MAKES PROMOTIONS

The list of promotions and prizes warded at St. Ann's Convent school in connection with the closing exercises Tuesday, are as follows:

Christian Doctrine (primary grade) Silver Crucifixes, presented by Reverend Father Heynen, and awarded to Miss Ileene Cain and Miss Rosemary Downey.

Christian Doctrine (junior grade), Gold Cross and Chain, awarded to Miss Corinne Morgan.

Christian Doctrine (primary grade) Prayer Book, awarded to Miss Genevieve Harris, and Prayer Beads, awarded to Miss Isabella Reid.

Good Conduct among resident senior pupils—Prayer Book, awarded to Miss Rosemary Dawney.

Good conduct among resident junior pupils—Gold Cross and Chain, awarded to Miss Margaret Pillat.

Assiduity—Writing Pad, awarded to Miss Ileene Cain.

Ladylike Deportment among day pupils—Testimonial of Honor, merited by Ileene Cain, Josephine Dailey Kathleen Merrifield and Veronica Carrigan, drawn by Josephine Dailey.

Application in Music—Testimonials of Honor, merited by Mary Olsen, Mary Jane Murray, Cecelia Kern, Ethel McMillan, Mary McRae.

Class Excellency—Testimonials of Honor, awarded to Ileene Cain, Annie Pillat, James Cain, Corinne Morgan, John Cain, Marguerite Harris Genevieve Harris, Winnie Clarke.

Application—Testimonials and Dewdrop Pins, awarded to Rosemary Downey, Mary Olsen, Iris Rowbottom, Kathleen Merrifield, Ileene Cain James Cain and John Cain.

Penmanship in Grammar Grades—Box of Writing Paper, merited by Ileene Cain, Rosemary Downey, Ruby Karl, Hilda Jussala, Annie Pillat, Mamie McGee, Norma Blakstad, Mary Olsen, Iris Rowbottom, Mary Jane Murray, Cecelie Kern, drawn by Hilda Jussala.

Penmanship in Intermediate Grades—Silver Pen, merited by Andrew Thomson, Kathleen Merrifield, Annie Robertson, Margaret Pillat, Pearly Karl, Marguerite Harris, drawn by Andrew Thomson.

Penmanship in Primary Grades—Statue of Our Lady, Eva Morgando.

Order and Neatness—Medallion, merited by Ileene Cain, Ruby Karl, Norma Blakstad, Mary Olsen, Iris Rowbottom, Mary Jane Murray, Elinor Dennison, Doris Dudley, Corinne Morgan, drawn by Norma Blakstad.

Culinary Art—Gold Cross, awarded to Ruby Karl.

Domestic Economy—Gold-mounted Rosary, merited by Mary Jane Murray, Marcia Pharr, Mary Olsen, Ruby Karl, Rosemary Downey, Mamie McGee, Elinor Dennison, Hattie Anderson, drawn by Mary Jane Murray.

Prize for Fancy Work—awarded to Mary Olsen.

Beautiful Work—Box for plain sewing, awarded to Marcia Pharr.

Mending—A Needle-Case, awarded to Elinor Dennison.

Needle-Work among juniors—Work-Box, merited by Magdeline Pillat.

Rewards of Merit in Primary Department, good conduct—James Carrigan, Isabella Reid, Margaret Brook Genevieve Harris.

CONVENTION AT COAST.

Winnipeg, June 25.—Vancouver was selected by a large majority vote as the next convention city of the Chief Constables' association of Canada. Sault Ste. Marie, Bank, Calgary and Winnipeg were in the running for the honor. The election of officers will take place late this afternoon.

Regina, June 25.— A report was brought into the city tonight of a discovery of oil in Southern Saskatchewan, in the Dirt Hills, about eleven miles from Regina. It is claimed that black sand was found 35 feet down and oil soon after. Much excitement prevails in filing claims all round the section.

Minard's Liniment used by Physicians.

THE PRICE OF HOMAGE

ONCE when King Edward VII. paid a visit to Sheffield, all the fires in factories and plants were allowed to die out. Not a wheel in Sheffield turned for twenty-four hours. ¶ The primary object of this was to lift the pall of smoke that hovers over that wonderful steel-producing city, and to ensure, as far as man was able, a bright day and a blue sky for an auspicious occasion. ¶ It was Sheffield's expression of respect.

BUT the action was unique—it was unprecedented—it was unthought of that those hundreds of mighty furnaces, raging night and day, and those seething boilers, with quivering valves, should ever be allowed to cool. ¶ This extinguishing of fires cost Sheffield hundreds of thousands of dollars—the price of the effort to get back again to high-power efficiency.

SOME business men in Canada pay an unwitting homage, not to a king, but to a superstition—the superstition that hot weather justifies letting the fires of business energy go out. They stop Advertising in the Summer months. By paying homage to *tradition, custom, superstition*, they have allowed Summer to become their "dull" season. ¶ You know how dull it can be when you don't advertise. Do you know how brisk it can be made by Advertising? Do you realize how much momentum you now lose in the Summer that must be regained in the Fall?

DON'T LET YOUR ADVERTISING FIRES DIE OUT THIS SUMMER.

Advice regarding your advertising problems is available through any recognized Canadian advertising agency, or the Secretary of the Canadian Press Association, Room 503 Lumsden Building, Toronto. Enquiry involves no obligation on your part—so write, if interested.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining right of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the North-west Territories and in a portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,500 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-agent in the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal sub-divisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10.00 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or sub-agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

DEPARTMENT OF WORKS.
NOTICE TO CONTRACTORS.

Harewood School.

Sealed Tenders, superscribed "Tender for Harewood School," will be received by the Honourable the Minister of Public Works up to noon of Monday, the 6th day of July, 1914, for the erection and completion of a six-room school-house at Harewood, Nanaimo, in the Alberni Electoral District.

Plans, specifications, contract, and forms of tender may be seen on and after the 15th day of June, 1914, on application to Mr. W. H. Jones, Secretary of the Harewood School Board, Nanaimo; Mr. J. Mahoney, Government Agent, Court-house, Vancouver; Mr. George Thomson, Government Agent, Nanaimo, and the Department of Public Works, Victoria.

By application to the undersigned, contractors may obtain one copy of the plans and specifications for the sum of ten dollars ($10), which will be refunded on their return in good order.

Each proposal must be accompanied by an accepted bank cheque or certificate of deposit on a chartered bank of Canada, made payable to the Honourable the Minister of Public Works, for a sum equal to 10 per cent. of tender, which shall be forfeited if the party tendering decline to enter into contract when called upon to do so, or if he fail to complete the work contracted for. The cheques or certificates of deposit of successful tenderers will be returned to them upon the execution of the contract.

Tenders will not be considered unless made out on the forms supplied signed with the actual signature of the tenderer, and enclosed in the envelopes furnished.

The lowest or any tender not necessarily accepted.

J. E. GRIFFITH,
Deputy Minister and Public Works Engineer.
Department of Public Works,
Victoria, B. C., June 10th, 1914.

A CRIPPLE FROM RHEUMATISM

Tortured Four Years Until He Took "Fruit-a-tives"

RIDGETOWN, ONT., May 21st. 1913. "Your "Fruit-a-tives" cured me of Rheumatism. It was the only medicine that made any impression on me. I was a terrible sufferer from Rheumatism. I was laid up for four winters with Sciatica and Muscular Rheumatism, and was a cripple completely, not being able to do anything. I doctored with four different physicians, but they did not help me. Other advertised remedies were equally unsatisfactory, and I have taken several.

Some neighbor of mine told me that "Fruit-a-tives" helped him, and I took them faithfully every day and the result was marvellous. For over two years now, I have been free from any Rheumatic pains whatever, and give "Fruit-a-tives" the full credit for making a remarkable cure".

W. T. RACHER

If you are subject to Rheumatic Attacks, Sciatica, Lumbago or Neuralgia, take "Fruit-a-tives" right now and start the permanent cure which "Fruit-a-tives" will complete if taken faithfully. 50c a box, 6 for $2.50, trial size, 25c. At dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

FIRE IN OTTAWA.

Ottawa, June 25.—The Parliament buildings were threatened with destruction by fire yesterday afternoon when a gas stove being used by a plumber in the basement of one of the buildings exploded, starting a considerable blaze. A portion of the fire brigade was hastily summoned and the fire extinguished in a few minutes, but not before it had caused a great commotion among the officials responsible for the safety of the parliamentary records.

NOT TO CONTEST SEAT.

London, June 25.— The Brighton Liberal executive has decided not to contest the seat at the bye-election rendered necessary by the retirement through ill-health of S. J. Gordon.

I. O. O. F.

Black Diamond Lodge No. 5 meet every Wednesday at 7:30 o'clock in the Lodge Room, Commercial street, Nanaimo. Visiting members are cordially invited to attend. E. G. Cavalsky, Secretary.

Ask for Minard's and take no other.

All orders for coal or wood are cash on delivery. Nanaimo Teamsters Association. tf.

WARRING FACTIONS LOOKING FOR PEACE

Niagara Falls, Ont., June 25.—Definite assurances were given today by the Mexican mediators that a meeting will be held in the near future between the representatives of the Huerta government and the Constitutionalists with a view of bringing about a final peace settlement of the differences which have shaken the southern republic.

This action, it is declared, will follow the completion late last night of protocols agreeing that the diplomatic relations between the United States and Mexico shall be restored and all other international differences considered settled when the new provisional government succeeds the Huerta adminsteration.

In the meantime mediation does not adjourn. The diplomats and the American delegates will lend their counsel and advice wherever possible to the delegates of the two factions as they meet in informal conference. The meeting place has not been determined, but it is stated it probably will be Niagara Falls.

When the two parties shall have adjusted the international problems now at issue, the mediation board will formally reconvene and protocolize the result. A date will be set for formal recognition of the new government and for the withdrawal of the United States troops and ships for Mexico.

THREE HUNDRED ON STRIKE

Calgary, Alta., June 25.—Three hundred miners in the Brazeau Collieries Limited, at Nordegg Alta, are on strike because the company will not meet their demands in the matter of wages. The trouble originated in April of this year, when the miners organized under the United Mine Workers of America, and the district officers from Fernie were unable to get the company to sign an agreement.

Captain Doyle of the New Yorks was spiked in a collision with Leslie Mann at second base at Boston yesterday and will be disabled for several days.

On a trip to Canada to study conditions which will probably form the basis of a series of articles Mr. A.W. Packard, a well-known newspaperman of Wellington, New Zealand, was a passenger on the Makura which arrived at Vancouver yesterday.

Minard's Liniment used by Physicians.

"It's Always Fair Weather!" ---

"SUMMER is here—I'll Save Money by cutting out my Advertising." Thus a few merchants still delude themselves. They thereby confess

themselves beaten by the weather.

But most merchants, in these times of keen business, would scorn to make such a move. The more obstacles—whether in the form of weather conditions or other handicaps—the more earnestly they strive for our patronage.

For the merchant to cease advertising as soon as the weather is a little warm, is to take his "bark of trade" out of the channel of good business and beach it on the sands of business dullness to await "fair weather." But with the modern type of merchant it is always fair weather. His is an "all-year-round" store—a store ever ready to serve you and serve you well.

He is a believer in all-year-round advertising. He does not take his advertisement out of the newspaper the first day of warm weather. He knows you may be in the market for something he can sell you—in July as well as in January.

He invests his money in newspaper space—every week in the year—to let you know he can serve you—and it's safe to assume that he "has the goods" in the fullest sense of the phrase.

You can obtain helpful advice on advertising free of cost and without obligation by consulting the business Department of The Daily Herald.

NEWS OF SPORT

NANAIMO C. C. WON EXHIBITION MATCH

The Nanaimo cricket club met and defeated an eleven representing the local garrison yesterday afternoon. The club batted first and did not make any too good a showing, being all dismissed for 111, of which Paul contributed 40. However, both Leighton and Harry Jepson were in their best form with the ball and the Garrison were all retired for 60, the local club taking the game by 51 runs. The following are the scores:

Nanaimo.

A. Paul b Simpson	40
H. Jepson c Paton b Goult	25
J. Hodgson c Simpson b Hobday	3
F. Jepson c Hunt b Hobday	0
A. Leighton c Hobday b Trendall	15
R. R. Hindmarch b Trendall	17
G. Wilton b Simpson	2
W. Bamford l.b.w. Simpson	2
R. Cape run out	1
J. Jepson b Hobday	0
A. W. Gill, not out	1
Extras	5
Total	111

Garrison.

Capt. Cooper b H. Jepson	10
Brassey c Bamford b Leighton	4
Barrington Foote b Leighton	12
Hobday b H. Jepson	0
Goult c Paul b Leighton	20
Jessop b Jepson	2
Paton b Leighton	3
Major D. Salis c Bamford b Jepson	1
Simpson b Leighton	1
Hunt not out	3
Trendle b Jepson	4
Total	60

BUTCHERS LEAD CITY BASEBALL LEAGUE

In a scheduled game of the M.E.A. baseball league yesterday the butchers defeated the dry goods men to the tune of 18 to 4. The game was fast and furious, many good plays being made. Much credit is to be given for the victory to the battery Cawthorne and Stewart, Cawthorn getting twelve strike outs to his credit. The butchers are much indebted to their coacher, Lasky, who was there all the time bringing his men home safe. Umpire Streethorse gave satisfaction to both sides umpiring a good game. Many spectators were present to urge their favorite team to victory.

Manager Joe Beck was right on the job with his big smile, and is willing to give odds that his team will be at the head of the league at the close of the series.

The present standing of the league is as follows:

	P.	W.	L.	Pts.
Butchers	3	2	1	4
Dry Goods	3	1	2	2
Grocers	2	1	1	2

OLD COUNTRY CRICKET.

London, June 25.—The M. C. C. team, which recently toured South Africa, played against a team of picked men from the rest of England at Lords today and were badly beaten by a complete innings and 189 runs.

Ha pshire beat Sussex by two wickets.

The match between Yorkshire and Leicester ended in a draw.

Worcester beat Gloucester by 160 runs.

HAS AN EXCUSE.

New York, June 25.—A sensational story is in circulation in polo and other sporting circles here to the effect that the American ponies in the recent matches with the English team were "doped" by a betting man who engineered a big coup thereby. The story has gained general credence although the Polo Association will not discuss it further than to admit that an official investigation nas been demanded by Trainer Fitzpatrick.

COBB HEAVILY FINED.

Detroit, Mich., June 25.—Ty Cobb, the widely known baseball player, pleaded guilty in court today to a charge of disturbing the peace and paid a $50 fine. The charge was made against Cobb by William L. Carpenter, in whose meat shop the ballplayer caused a disturbance last Saturday night.

ABE RUEF PENALIZED.

San Francisco, June 25.—For causing to be made public the text of his undelivered application for parole, Abraham Ruef, former political boss of San Francisco and now inmate of San Quentin penitentiary, has been deprived by Warden Johnson of his privileges, according to Ruef's attorney. He cannot see visitors or write or receive letters.

THURSDAY'S BASEBALL

Northwestern League—

INTERNATIONAL JURY FOR OLYMPIC GAMES

Rheims, June 25.—J. G. Hedstrom, Sweden; Szilard Stankovits, Hungary; Frantz Reichel, France; Mr. Fisher England, and James E. Sullivan of the United States were yesterday named an international jury for the Olympic games to be held in Berlin in 1916. The international Olympic committee made these appointments at a meeting held on the train which carried them to Rheims to attend a series of fetes given in their honor by athletes here.

The committee also decided that the Olympic games of 1920 should be held at Budapest.

LOCAL C. C. PLAYS VICTORIA SATURDAY

The Nanaimo Cricket Club is down for another Island League match on Saturday afternoon, the visitors being the Albions of Victoria. So far this season the Albion team is the only one in the league which has put it over the local eleven. In the two Cowichan games together there were only twenty runs between the totals, the Incogs took their game with 20 runs to spare, and the Victorians got in by 1 run. The match on Saturday will decide whether the Albions are to repeat or Nanaimo is to get its revenge. The game will start at 2 o'clock and the Nanaimo team will be as follows: A Leighton W. Newbury, H. Jepson, F. Jepson, Barrington Foote, R. Hindmarch, L. Shepherd, H. Curry, R. Batty and W. Mitchell.

SOLD IN NANAIMO AT F. C. STEARMAN DRUG CO.

MARRIED MEN TOO MUCH FOR BACHELORS

A large number of Nanaimoites journeyed by auto yesterday to Parksville and spent the afternoon and evening in general merrymaking. During the afternoon a baseball game was played between teams representing the single and married men resulting in a win for the benedicts by a score of 9 to 8. Things looked blue for the married men in the eighth when they were six runs behind, but a batting rally in the ninth netted six runs and the game was stowed away for keeps. The feature of the game was Lance Warn's running catch of Chiswell's long drive in the sixth.

The batteries for the winners were Slater and McKinnell, and for the bachelors, Mitchell and Johnston.

RAN 128 MILES AN HOUR

London, June 25.— With a flying start, L. G. Hornsted in a 200-horsepower Benz automobile, covered a mile at the Brooklands track yesterday at a speed of 18 miles an hour. With the exception of airmen, no one has probably travelled that fast before.

COLD PREVENTS FLIGHT

Lone Pine, Cal., June 25.—Wintry blasts 13,000 feet up foiled Silas Christoffersen, aviator, in his effort today to fly over the peak of Mount Whitney, the highest mountain in the United States.

Christoffersen missed the peak about 1,500 feet. He was in the air thirty-five minutes.

Christoffersen said he would try again to establish a new American altitude record.

UNION BANK OF CANADA

Are Your Children Learning to Save Money?

Each maturing son and daughter should have a personal Savings Account in the **Union Bank of Canada,** with opportunities to save regularly, and training in how to expend money wisely. Such an education in thrift and saving will prove invaluable in later life.

Thomas S. Fulton, Manager Nanaimo Branch

The Efficiency of an Executor----

One of the eastern provincial premiers recently made the statement that the system of appointing individuals instead of Trust Companies as executors was becoming antiquated.

Thinking business men should leave their estates for administration in experienced hands, just as a specialist is selected in any mercantile field.

Appointed as executor the Dominion Trust Company has the necessary equipment to give you the best possible service. It has a thorough knowledge of the laws and court requirements affecting deceased persons.

The company's officers are always pleased to confer with those desiring information relative to wills or executorships.

VOLUME XIV | NANAIMO, VANCOUVER ISLAND, BRITISH COLUMBIA, SATURDAY MORNING, JUNE 27, 1914 | NUMBER 96

PAVE STREETS OF NANAIMO

Special Session of City Council Last Night Awarded Contract to H. J. Kaiser of Vancouver.

The City Council met in special session last evening for the purpose of discussing matters in connection with the street paving contract awarded last year to the Canadian Mineral Rubber Co., which company is now in liquidation to the National Trust Company.

At last night's meeting the Council was in receipt of a communication from the National Trust Company, releasing the city from its contract with the company, the council in turn agreeing to release the company from carrying out its contract. These formalities being completed, the Council, on motion of Ald Forrester awarded the contract to Mr. H. J. Kaiser, contractor of Vancouver.

The amount of paving covered in the contract is 100,000 square yards, and the approximate cost will be $250,000.

Seen last night by a Herald representative, Mr. Kaiser stated that a start would be made on the work as soon as the sewer bylaw had been passedby the ratepayers. Everything will depend on the passing of this bylaw, and unless it receives the sanction of the property owners, the paving cannot be proceeded with.

He is prepared to make arrangements to plan out how much work shall be done this year as soon as the bylaw has been passed. It is not the intention to complete the entire work in one year, but to spread it over a period of time so that it will not be necessary to bring a large force of men from the outside, as it would be if the work had to be rushed to completion. The city has a considerable amount of underground work to do before the paving can be started and it is Mr. Kaiser's intention to follow on the heels of the city workmen.

Mr. A. B. Ordway, who is already well known in Nanaimo, will superintend the work for Mr. Kaiser, and under his practical supervision the city should get a good job done. The paving will be either asphaltic concrete or bitulithic, just as the Council may decide.

Mr. Kaiser has just finished a contract in Vancouver, extending over 32 blocks at a cost of $150,000.

The streets which it is proposed to pave are the following:

Front Street, from Wharf St. to Comox Road.

Comox Road, from Front St. to city limits.

Bridge Street, from bridge to Comox Road.

Stewart Avenue, from Bridge to city limits.

Milton Street, from Comox Road to Hecate Street.

Wentworth Street, from Wallace St to city limits.

Fitzwilliam Street, from Wallace Street to city limits.

Wallace Street, from Crescent to Comox Road.

Nicol Street, from Grace Street to Crescent.

Grace Street, from Haliburton St. to Nicol Street.

Haliburton Street, from Grace St. to city limits.

Skinner Street, from Commercial Street to Bastion Street.

Machleary Street, from Fitzwilliam Street to Franklyn Street.

PREMIER CELEBRATES SIXTIETH BIRTHDAY

Ottawa, June 26.—Premier Borden today is celebrating his sixtieth birthday. The event was marked by a blow at Canadian newspapers. The mail rate for years has been a quarter of a cent a pound. Mr. Pelletier announces that hereafter the rate will be a quarter of a cent for each copy mailed and an addition cent for each copy delivered by letter carrier. Last session the Press association blocked the bill by which Pelletier sought to take control of the mail rates from parliament to himself. He then told the press committee he had enough law to make them sorry. Now he has acted under section 71 of the Post Office Act.

FALSE NARROWS IS NOW BUOYED

The D. G. S. Quadra yesterday placed buoys along the False Narrows and marked out the channel between Gabriola and Mudge islands. There has long been a demand for this work being done. The channel was a dangerous one to navigate even to those who knew it, and the buoys placed by the Quadra will prove a boon to all those using the channel.

PRINCESS IS DEAD

Tokio, June 26.—Dowager Princess Yoriko Komatsuno Miya, widow of Prince Akihito, a relative of the imperial family, died today at the age of 61.

ANNNUAL MEETING OF FORESTERS

Nanaimo Lodge Held its Fortieth Annual Meeting Last Night—Delegates Elected to District Convention.

The fortieth annual meeting of Court Nanaimo Foresters was held last night. There was a record attendance of members present from the charter members of 1875 to the last batch of Juveniles transferred from the Boys Court.

The officers for the ensuing term were elected to office. The two delegates to represent the Court at British Columbia District Convention to be held at Alberni in August were also elected. Bro. Lamont Ross coming out on top was appointed Senior Delegate and Bro. James Knight secured second position after a keen contest with Bro. Joseph Randle P.D.C.R., Bro. Jas. Bennett, Bro. J. K. Hickman and a few others. Bros. Bennett and Randle being appointed alternates.

The officers elected to position were as follows:

C. R.—Bro. Wm. Hart.
S.C.R.—Bro. O. Hazenfratz.
J.P.C.R.—Bro. J. Bennett.
Treas.—Bro. J. Randle, P.D.C.R.
Sec.—Bro. Lamont Ross.
S. W.—Bro. S. Thompson, P.C.R.
J. W.—Bro. J. Hope.
S. B.—Bro. J. W. Handlen.
J. B.—Bro. L. Williams, P.D.C.R.
Auditors—Bros. L. Manson, A. Hazenfratz, H. Vollmers.
Trustees—A. E. Planta, J. K. Hickman, F. Busby.
Medical Officer—Dr. O'Brien.

The officers reported large financial gains for the half year.

APPEAL ENTERED IN HINDU CASE

Victoria, June 26.—J. E. Bird, counsel for the Hindus aboard the Komagata Maru, appeared before the Court of Appeals this morning and was granted leave to appeal from the order of Mr. Justice Murphy refusing a writ of habeas corpus in the case of Munshi Singh, one of the Hindus applying for admission to Canada. The court announced that it expected to complete its business during today and would then adjourn until Monday morning at 11 o'clock when Mr. Bird's application would come forward.

W. H. D. Ladner of the firm of Bowser, Reid & Wallbridge, appeared on behalf of the department of immigration and stated that both counsel had agreed to hasten the hearing of the appeal and that all would be in readiness by Monday.

Constitutional questions will be raised on the appeal. Mr. Bird will argue that the three orders-in-council on which the Hindus are being excluded are ulta vires. The one excluding artizans and workmen, he will claim, is within the jurisdiction of the province of British Columbia only.

TO MAKE OREGON DRY.

Portland, June 25.—At a conference of prohibition party leaders, which began a three-day session here today, plans were laid for the beginning of an immediate campaign to put Oregon in the dry column at the November election.

SCENE IN HOUSE OF COMMONS

O'Brienites Jeer Followers of Redmond for Supporting Asquith in Government Finance Measure.

London, June 26.—The division on the government finance measure in the House of Commons last night, when the government was upheld by a majority of thirty-eight without the aid of several Labor members who stood off, was the occasion for a scene of great excitement, not at the fate of the government but mainly over the attitude the Nationalists, Unionists and the O'Brienites adopted. Interchanges of an uncomplimentary nature were frequent between them and there was a particularly angry scene between the Nationalists and the O'Brienites.

As the Nationalist members were leaving the chamber the O'Brienites gathered at the bar of the house and jeered them loudly. The Unionists looking on at the disturbance, seized on the opportunity to suggest that such scenes as those before them would be of frequent occurrence at Dublin when the parliament meets there. They made what capital they could out of it.

Immediately there followed lively interchanges of opinion between the O'Brienites, Nationalists and the Unionists and the disturbance became so general that the speaker of the house was compelled to call members of the parties to order.

Then they went into the lobby, where little angry groups of Nationalists condemned the action of the O'Brienites.

Sir Edward Carson issues the following statement regarding the amending bill: "It is the old offer which is described as a hypocritical sham and which was only allowed to be offered to us because it was known we could not possibly accept it. Moreover, the bill demonstrates that during all these months no progress has been made by the government in framing the details for a separate government in Ulster.

"It is somewhat ludicrous to provide that Ulster is to accept any administration the lord-lieutenant who will be subject to the advice of the Dublin ministers, desires to set up. The whole thing shows in every line a policy of drift. It looks to me as if there was to be no effort of statesmanship to solve the present situation."

John Redmond has received a cable from Melbourne, Australia, stating that the Australian senate, consisting of thirty-six members by a vote of twenty-five to five, reaffirmed tonight amidst great enthusiasm, the home rule resolution passed in October, 1905.

INVENTOR OF SMOKELESS POWDER DEAD, AGED 76.

Pensacola, Fla., June 26.— General Garland N. Whistler, U. S. A., retired, aged 76, is dead at his summer home here. Gen. Whistler invented smokeless powder and a system of fire control for the artillery coast defence, by which officers in a central station can map out the exact location of approaching vessels.

WANT MURDERER REPRIEVED

Ottawa, June 26.—The department of justice has received a petition bearing 10,000 names, asking that clemency be extended in the case of John Krafchenko, sentenced to hang at Winnipeg on July 9 for the murder of Bank Manager Arnold at Plum Coulee.

The grounds for the petition are that public feeling against the condemned man was so strong that it militated against him getting a fair trial, and further, that the killing of Arnold was not premeditated but rather the result of an attempt to frighten him.

LOCAL SHIPPING.

The following ships have coaled at the wharves of the Western Fuel Co., during the week: Moonlight, bunkers; Eastholm, cargo; Ivanhoe, scow; Superior, bunkers; Sadie, scow; Westham, bunkers and cargo; Cascade, bunkers; Flamingo, bunkers, and scow for Lobnitz rockcrusher.

At the Vancouver-Nanaimo Co.'s wharves the following vessels were coaled: Turnover, cargo; Glenborough bunkers; Etta White, 2 scows; Pharon, bunkers and scow; Chieftain, bunkers, and Glenborough, bunkers.

JOHN REDMOND

Leader of the Irish Nationalists whose votes in the House of Commons Thursday saved the Asquith Ministry from defeat on the Budget Division.

SCHOOLS CLOSE FOR HOLIDAYS

Will be a Reorganization of Classes When School Sessions Convene at Commencement of Fall Term.

The one thousand and odd scholars who have been attending the schools of Nanaimo and District during the past six months today enter upon their midsummer holidays which will continue until Aug. 24th.

While same of the rooms closed on Thursday, by far the larger majority held their closing exercises yesterday and it was a happy throng which streamed through the doors of the various class rooms, with no thought of "home work" for several weeks to come.

Upon the reopening of the schools a reorganization will take place, made necessary by the decision of the Board of School Trustees to open two more rooms to accomodate the every increasing school population of the city. By reason of the proposed reorganization of the various classes the promotions were not announced yesterday as is usual but are held in abeyance pending reorganization of the classes being completed.

CLOSING EXERCISES AT HAREWOOD SCHOOL

The closing exercises of the Harewood school took place yesterday afternoon. The school assembled as usual at 1 p. m. and at 1:30 the secretary of the board of school trustees, Mr. W. H. Jones, arrived, and under his chairmanship the pupils rendered one or two songs, after which the promotions were announced by the chairman, as follows:

From C Class, Div. III., to B Class.

Miss Rose Devlin, Teacher.

Thirza Wharton, Sophia Corbett, Ruby Catherine Matthew, Earl Alexander Moore, Ralph Howard Whitta.

From B Class, Div. III. to 1 Primer—Raymond Jefferson, Mildred Celeste Randle, James Gavin, George Kenmeir, John Richard, Winnifred Young.

From 1 Primer to 2 Primer, Div. III.—James Trebett, Helen M. Fletcher, Clifford Arnold Chilton, Joseph Budda, William Philip, Reuben Wheatley.

From II. Primer, Div. III., to First Reader, Div. I., T. Bryant, Teacher—John Allan Jones, Dorothy Iris Devlin, Gordon Low, Margaret Tweedie Gold, Elsie May Cairns, Cecil Robert Page, Hilda Starkey, Arthur A. Thompson, Dorothy Stella Foster, Myrtle Edna Crewe, Elizabeth L. Chesters.

From I. Reader to II. Reader, Div. I.—Ralph Shipley, Elsie Crewe, Isa Irving, Charles Wharton, Annie Hazenfratz, Leslie Corbett, John Thomp-

NANAIMO FIFTY YEARS AGO

First City in the Province to Establish a Literary Institute—Was Located in Present City Hall.

The other day The Colonist corrected a statement that Vancouver was the first Canadian municipality to abolish taxes on improvements. This distinction properly belongs to Nanaimo. Nanaimo also has the distinction of being the first city in the province to establish a Literary Institute. This institute was founded as long ago as 1864. It was erected by public subscription, and the foundation stone was laid 50 years ago by Governor Kennedy. The money was raised by means of concerts and entertainments, and among those who worked to make the institute a success were Canon Good, Mr. Mark Bate. T. W. Glaholm, Wm. Semple and many others. The institute, it should be stated, is now the City Hall.

It is interesting to get at the view point of the men who fifty years ago were prominent in local affairs. This will be readily gained from a poem composed by Wm. Semple, and sang at an entertainment in the institute on the evening of May 24th, 1865. It shows that at least the dominant note in the spirit of that far-off day was optimism, and the song will be read with much interest today. It is as follows:

What changes do we live to see,
As through the world we wander;
What wondrous feats have been performed.
In Science, Art and Grandeur,
If we but look a short time back,
In sixty-two or later,
And see Nanaimo in her youth,
Just in a state of nature.

Chorus.

But now so strong all push along,
And business quickly moving,
Our 'diamonds' sold bring plenty gold
Nanaimo's fast improving.

The forest wild has ceased to be,
The howling wolves have vanished,
And bears and panthers are no more,
The savage native's banished.
Where once there only heathens dwelt
Now church or chapel graces.
All bush and timber swept away,
And town-lots in their places.

New houses grand majestic stand,
O'er look the silv'ry ocean;
With stores, hotels and bonnet shops
All bustle and commotion.
Then wagons capped with a glossy black
Cone hurling down an incline;
And Harry Cooper at their heels
With his whistling little engine.

Great bridges built, and wharves complete
With latest of improvements;
And things around all go ahead
Upon the quickest movement,
No sooner is a ship in port—
The time her sails are righted—
Than Sabiston comes with all his force,
And she's off again like lightning.

We well may boast—be proud to see—
Our little town progressing;
What skilful labor is displayed
By Messrs. G. & Blessing.
What enterprising men can do,
To tell we're scarcely able;
This monstrous hall wherein we stand
Most like the tower of Babel.

How ever many now may come
Can have accommodation,
To lecture, read, or dance and sing.
Whate'er their occupation.
Each man can take his separate place—
There need be no intrusion;
I' would hold the Northern army in
Without the least confusion.

The lofty summit grand to view,
High in the air ascending;
Its spacious form does well adorn
The houses far extending.
Then may Nanaimo always know
A Blessing and a Gordon;
They've built these walls to nearly reach
The other side of Jordan.

The buildings vast they rise so fast,
The forest will soon be undone,
'Tis possible that this may be
A Manchester or London.
The mines around they know no bound,
They'll nearly last for ever;
They say there's a mountain made of coal
At Harewood and Chase river.

The good time coming is just at hand
Hard times are disappearing;
Each man to man will brothers be.
No tyrants overbearing,
We'll get whate'er we like to ask,
With many more amendments;
Keep up your hearts, when Harewood starts.
We'll all be independent.

BUTTE RIOTERS TO BE PROSECUTED

Butte, Mont., June 26.—The Prosecuting Attorney of this city stated today he would at once inaugurate the prosecution of the men responsible for the recent rioting in which one man was killed and several others injured. Butte was quiet today although President Wilson was requested to send federal trooos to the city to prevent a further outbreak.

President Moyer of the Western Federation of Miners is still at Helena and is being closely guarded. He intended visiting Anaconda but has been advised to postpone his visit to that place at the present time.

HOSMER COAL MINES CLOSED

Twelve Hundred Miners Are Thrown Out of Work and Town of Hosmer is to be Abandoned.

Calgary, Alta., June 26.—Twelve hundred miners have been thrown out of work and the town of Hosmer, near Fernie, B. C., is about to be abandoned by its population owing to the fact that the coal mines at that point owned and operated by the Canadian Pacific railway company, have been shut down. The work of dismantling the machinery is well under way.

Merchants and property owners in the town are almost paralized with fear because their interests are worthless once the mines have closed for good, coal mining being the only industry that the town possessed. Rumors to the effect that the mines would be shut down had been prevalent for some time, but the citizens of the town had been living in hope that the reports were unfounded. However, the climax came yesterday when the work of dismantling the machinery of the mines was commenced and many miners who were not burdened with families left for other points.

The Hosmer mines had been a disappointemnt from the start and the development work had been going on at a heavy loss in hopes that something would materialize. It was finally decided to close the mine as it could be worked only at a great loss.

The abandoning of Hosmer will make the second deserted town in that district, the town of Morrissey being the first to be abandoned owing to the failure of the mines to pay. It is known millions of dollars were spent in trying to relocate at Morrissey and it is understood almost as much was lost at Hosmer by the Canadian Pacific company.

SUMATRA HAD A VIOLENT EARTHQUAKE

Batavia, Java, June 26.—Many men were killed or injured today in a violent earthquake which caused widespread damage in southern Sumatra. The offices of the Dutch resident and many other buildings collapsed at Benkelen, the capital and telegraph and cable communication was interrupted.

Sumatra is the largest island of the Malay archipelago except Borneo. It has a number of volcanoes, some active and some believed extinct. The population is estimated at 3,500,000 among whom are about 5000 whites.

EMMERSON VERY LOW

Moncton, N. B., June 26.—Hon. Mr. Emmerson who has been critically ill for several days was resting more easily tonight. All members of the family have been summoned to his bedside.

EMPRESS INQUIRY NEAR ITS END

Taking of Evidence is Completed—Commission May Deliver Judgment at Quebec in Two Weeks.

Quebec, Que., June 24.—The commission, which has been investigating the sinking of the Empress of Ireland announced today all the evidence was in and that the summing up of counsel would begin this afternoon. It is expected the commission will deliver the judgment in Quebec in about two weeks.

Quebec, June 26.—After a day spent mostly in the consideration of technical evidence from Mr. John Reid, a naval architect from Montreal, the Empress of Ireland wreck inquiry yesterday exhausted the long list of witnesses summoned to give testimony before it concerning the ramming of the liner by the collier Storstad on May 29 off Father Point and heard the address of one of the counsel, Mr. George Gibson, Quebec, representing the National Sailors' and Firemen's Union of Great Britain and Ireland. The first and only lady to give evidence before the commission, Miss Townsend of Australia, was called.

Mr. Reid, called by the Storstad lawyer, gave testimony consisting principally of flat contradictions of that put forward by Mr. Percy Hillhouse, connected with the Glasgow shipbuilding firm, which constructed the Empress. He contended that the angle at which the ships came together was forty degrees, instead of the eighty degrees angle laid down by Mr. Hillhouse, and that only one watertight campartment was penetrated by the collier's nose as against two claimed to have been opened up by Mr. Hillhouse, while he frankly admitted that he believes that the water reached other parts of the ship through the watertight doors and portholes. That portholes admitted water was claimed in statements of passengers read during the day.

The Empress of Ireland inquiry looks like creating a record for investigations of its charatter, being much shorter than the Titanic and a number of other probes in marine disasters. Lord Mersey commented in a talk with reporters this afternoon on the speed wieh which the inquiry has been carried on, and also the fairness with which the counsel have acted towards each other.

OUTRAGE NEAR CHASE RIVER

Three Ruffians Stretched Wire Across Road With Object of Blocking Roadway—Got the Wrong Man.

Another outrage was perpetrated last night about midnight on the Victoria Road midway between the end of Haliburton street and Chase River. Ed. Weeks of the Fashion Livery Stables, was driving out to the Wheatsheaf, and had arrived about opposite Hughes house when three men suddenly appeared on the road. Something whizzed past Weeks' head, and the men yelled for him to stop. Before he could do anything at all the horse he was driving, a valuable mare, plunged headlong over a wire stretched knee height across the road.

The next thing Weeks knew he was hauled bodily out of the buggy by one of the men, who exclaimed "Is that you Billy, you s——b—I'll kill you now."

Weeks at once declared that he was not Billy, and the man who had hold of him, perceiving his mistake at once made off, accompanied by his two companions. As he ran up the road, Weeks heard the wire which they had used to trip the horse, dangling behind him on the road.

While Weeks saw all three men it was too dark for him to make them out clearly. Who the Billy is the men were waiting for is as yet a mystery. One of the men, Weeks says, carried something over his shoulder, but whether it was a gun or a club he could not say.

The horse was badly gashed across the left knee where the wire had caught it, and as a consequence has lost much of its value.

The police took immediate action on the case but up to the time of going to press had nothing fresh to report.

ANOTHER YARN

The men still out of work will no doubt be pleased to learn from their publicists and champions that everything is just as lovely as can be. There is no question here of hope deferred making the heart sick. The very latest inside information is that the mines are being operated at a loss. This statement is meant to be taken in all seriousness. No doubt it will be used as a basis for the demand for higher wages and better working conditions, which Farrington has so often stated to be one of the chief objects of the strike he brought about. But at that time the operators were making ungodly profits, and there was no limit to their fiendish rapacity. This was why the United Mine Workers of America had jumped into the breach to curb and bridle the greed of the operators and rescue the men from their tyrannous oppression. This was the story manufactured for local consumption at the time. The circumstances have changed now and a new and a contradictory yarn is woven. The operators, so far from making inordinate profits, are losing money hand over fist. And so the men who have subsisted now for fourteen months on a pittance of four dollars a week, contributed by other miners whose wages and conditions would never compare with those obtained on the island, are asked to take heart. They are hurting the operators, and if they can hurt them long enough and hard enough, they will give in. And this absurd pipe-dream is addressed to practical, intelligent miners by their professed friends. Supposing the statement were true it makes the position of the men out of work all the more blankly hopeless. With the amount of contract labor employed in the island mines the cost of production will remain almost a stable figure in all circumstances. In the last analysis it means that if the mines cannot be operated except at a loss they will notbe operated at all. In the same way if the market for coal does not recover its wonted tone there will be employment for no more men. Yet say the Solons of the inside ring, everything is just as lovely as can be. It is a galling mockery of the men out of work, a callous travesty of the whole situation. It not only ignores all the real facts of the position, but contradicts and destroys the pretext on which the trouble was started. More than that it actually defeats the very object for which it was brought forward. It simply leaves the plight of the men more hopeless than it ever was. It is sheer humbug, peddled because its authors deemed it might prove palatable. The interests of the men to whom it is addressed matter no more now after fourteen months than they did at the beginning. It is just as easy to find the losers by this trouble as it is to find the gainers. The gainers are the two or three men who grabbed good berths, and whose only worry is to hold on to them. The losers are the men who have sacrificed over a year's work, and have lost more per head already than the operators would do if the mines never turned another wheel. Sooner or later, all the cock-and bull stories notwithstanding, this one great truth of the trouble will come home to the men directly concerned.

MISTAKEN SYMPATHY

It has often been alleged that half the people who sign a petition have little or no idea of what they have put their name to. This can hardly be true of anyone signing a petition for the reprieve of a condemned murderer. They may not be very clear as to the reasons why clemency should be shown, but at least they cannot fail to realize that the object of the petition is to save a man from the gallows. There are, of course, a large number of persons who are opposed to capital punishment, and no matter what crime a man had committed would sign a petition for the commutation of his sentence. Again it must be admitted that public sentiment and opinion takes curious shifts without any apparent reasons, while sympathy naturally is extended to the underdog. Ten thousand people in Manitoba have signed a petition for the reprieve of the sentence of Krafchenko. This man set out to rob a bank, and was caught in the act by the manager of the bank. He shot and killed the bank manager, and was condemned to be hanged. There was not a single extenuating circumstance in the case. Krafchenko set out, to commit a crime and to carry it out or evade the consequences of detection was ready to commit murder. Why there should be any sympathy for the murderer under such circumstances is rather surprising. Chief Justice Mathers, who presided at the trial, says that Krafchenko possessed abilities and qualities which should have won him success in some honest calling. The man, however, seemed to have deliberately chosen a life of crime. It ended in murder, in the killing of a useful and respectable citizen. The petitioners are not only overlooking the untimely fate which befell bank-manager Arnold. but are making it easier for other criminals of the Krafchenko type to murder other law abiding citizens.

The Asquith Government survived its first division on the Budget by a majority of thirty-eight votes. The Labor members abstained from voting, and the O'Brienites joined with the opposition. The result was that the government majority dropped to the lowest figure since Asquith was returned to power. There were the usual rowdy scenes when the result of the vote was announced, and there was pretty nearly a free for all fight between the two Nationalist factions. The most important fact in the situation is that the government was saved from defeat only by the Redmond vote. This means that unless the government can satisfy Redmond with its Irish proposals it has reached the end of its power. How the English people will regard this situation remains to be seen, but it may have a deciding influence on the fate of the government.

The commission appointed to inquire into the wreck of the Empress of Ireland has concluded its public sittings. The long list of witnesses summoned to appear before it have all been heard, and it now remains for the commission to review the evidence and deliver its findings. The inquiry has been conducted with commendable dispatch, and Lord Mersey in his conduct of the proceedings has lived worthily up to his great reputation. Maintaining an attitude of scrupulous fairness and impartiality, he has sought to get only the relevant facts of the collision. His great legal experience and rare expert knowledge enabled him to keep the inquiry always well in hand, and the proceedings have run along smoothly to the end. It will take perhaps two or three weeks for the commission to formulate its findings, when we shall get an authoritative explanation of the great disaster.

BE SURE IT'S THE 'AUBURN HAIR GIRL'

She represents Parisian Sage an Invigorating Hair Tonic. Quickly Removes Dandruff.

You can use nothing better than Parisian Sage to make the hair soft, fluffy and abundant. It stops itching head, cleanses, cools and invigorates the scalp, and removes dandruff with one application.

If your hair is getting thin, or is harsh, dull and lifeless, do not despair—follow the example of others whose hair you admire—give it daily attention. A thorough brushing and frequent applications of Parisian Sage well rubbed into the scalp will do wonders.

When the hair splits, is dry, brittle and thin, soften it up, make it grow Surely use Parisian Sage—it supplies hair and scalp needs. It is faintly perfumed and free from grease and stickiness. Parisian Sage really does make the head feel fine—the scalp perfectly healthy and gives the hair that enviable gloss and beauty you desire Money back if you are not satisfied.

The "Girl With the Auburn Hair" is on every 50 cent bottle. Sold at drug and toilet counters everywhere. Try it now—you will surely like Parisian Sage.

DIVORCE GRANTED.

London, June 26.—Lady Mary Girouard was taday granted a divorce from Sir Edouard Percy Girouard. The suit was undefended.

Utensils Cleaned in a Jiffy

Just a little "Old Dutch" quickly takes away every particle of grease and dirt—leaves utensils clean and bright.

Equally effective on woodenware and cutlery. No kind of uncleanliness can withstand its magic cleaning qualities.

Try it on hard things to clean.

Don't Be Without It.

PATRIOTIC SERVICE AT WELLINGTON

A patriotic service, commemorative of the one hundred years of peace between Canada and the United States, will be held in the Wellington Presbyterian Church, Sunday at 7 p. m. The signing of the Treaty of Ghent almost one hundred years ago brought to a close the war of 1812-14 between Britain and the United States. The material and spiritual progress and development of both countries owe their success principally to the long period of peace which has reigned. The aim of this service is to cement a closer friendship between the people of both countries, and to instill into the minds of the young the spirit of peace, which is essentially the first duty of every true citizen of the state.

The last Sunday of June is observed by the Presbyterian Church throughout the whole of Canada as "Patriotic Sunday." A very fitting programme of special music has been arranged for the evening's service in the Wellington Presbyterian Church. The pastor, Mr. N. D. Patterson will speak on the subject of "Peace." The service will only be one of the many inspirational and helpful services which are being conducted under the able leadership of the present missionary. It is hoped that as many as possible will show their true patriotic spirit and their love for the best that interests all by attending the above service. A most cordial and special invitation is extended to everybody to attend.

SASKATCHEWAN ELECTION.

Regina, Sask., June 26.—In the provincial bye-election in North Qu'Appelle, necessitated by the resignation of J. A. McDonald, Conservative, J. G. Gardiner, Liberal, obtained a majority of 304 over W. E. Read, Conservative, a gain for the Scott government. The Liberals had a majority of fifteen out of twenty-three polls and the Conservatives in eight. At the last general election the Conservative majority was 45.

Saskatoon, Sask., June 26.—Complete returns from Rosthern give W. B. Bashford, Liberal, a majority of 271. In the general election of 1912 the Liberal majority was 120.

At the Yarmouth Y.M.C.A. Boys' Camp, held at Tusket Falls in August, I found MINARD'S LINIMENT most beneficial for sun burn, an immediate relief for colic and toothache.

ALFRED STOKES,
General Secretary.

WILL CELEBRATE DOMINION DAY

At a meeting of members of the Wallace Street Adult Bible Class held last night, it was decided to celebrate Dominion Day, July 1st, by having a grand basket picnic on Newcastle Island. Several committees were appointed to look after the various arrangements and a program of sports and games is being drawn up that will interest both young and old. Launch service is being arranged for and the time table will be announced through the advertising columns later. Hot water will be supplied and ice cream and soft drinks will be sold on the grounds. Given a fine day the picnic is sure to be an enjoyable one for all who take part in it.

TENDERS

Tenders are invited until Saturday noon, the 27th inst. for the construction of a 278 foot fence for the old cemetery on Wallace street and Comox Road. Specifications may be procured from the Engineering Dept, City Hall.

The lowest or any tender not necessarily accepted.

W. A. OWEN,
City Engineer.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining right of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the North-west Territories and in a portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,500 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-agent in the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal sub-divisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise.

A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10.00 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or sub-agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

DEPARTMENT OF WORKS.

NOTICE TO CONTRACTORS.

Harewood School.

Sealed Tenders, superscribed "Tender for Harewood School," will be received by the Honourable the Minister of Public Works up to noon of Monday, the 6th day of July, 1914, for the erection and completion of a six-room school-house at Harewood, Nanaimo, in the Alberni Electoral District.

Plans, specifications, contract, and forms of tender may be seen on and after the 15th day of June, 1914, on application to Mr. W. H. Jones, Secretary of the Harewood School Board, Nanaimo; Mr. J. Mahoney, Government Agent, Court-house, Vancouver; Mr. George Thomson, Government Agent, Nanaimo, and the Department of Public Works, Victoria.

By application to the undersigned, contractors may obtain one copy of the plans and specifications for the sum of ten dollars ($10), which will be refunded on their return in good order.

Each proposal must be accompanied by an accepted bank cheque or certificate of deposit on a chartered bank of Canada, made payable to the Honourable the Minister of Public Works, for a sum equal to 10 per cent. of tender, which shall be forfeited if the party tendering decline to enter into contract when called upon to do so, or if he fail to complete the work contracted for. The cheques or certificates of deposit of successful tenderers will be returned to them upon the execution of the contract.

Tenders will not be considered unless made out on the forms supplied signed with the actual signature of the tenderer, and enclosed in the envelopes furnished.

The lowest or any tender not necessarily accepted.

F. F. GRIFFITH,
Deputy Minister and Public Works Engineer.

C. P. R. GIVES $20,000.

Calgary, June 26.—It is announced here that the Canadian Pacific Railway company have contributed $20,000 to the fund for the relief of the families of miners killed in the recent disaster at Hillcrest.

Plumbing

Is just as useful and just as much a necessity to a home in the country or the small town as it is to the palace in the city.

The city water pressure and sewage system are no longer essential to a perfect working plumbing installation. A few words with us and you will be convinced that we can give you every convenience at the same low prices that prevail in the city.

Hot Water Heating

Is not expensive to install. It is the most satisfactory and in the end the cheapest method of heating any building from the cottage to the mansion. A properly installed system of this kind will cut down your heating bills and your house will be much more comfortable.

This system can be installed in houses that are already built—or if you are building get our prices before you decide on your heating system.

Let us know your requirements and we will help you solve your plumbing problems—Just drop us a line. Remember we charge nothing for advice. Remember that we sell direct from Supply House to Consumer and save you all middlemen's profits.

TWO DOLLARS PER TON FOR WATER TO HINDUS

Vancouver, June 26.— Messrs. Hind brothers shipped out a hundred tons of fresh water to the Komagata Maru today. The water is taken out in a specially constructed scow and it costs $2 a ton placed on board the ship.

NEWS OF SPORT

SPEED DEMONS AT VANCOUVER WEDNESDAY

Vancouver, B. C., June 26.

The cars that will contest in the auto races at Minoru Park, July 1, are not ordinary cars, but are racing cars stripped of every ounce of superfluous weight, geared to the highest point, and ready for the driver to get every bit of speed out of the motor, and cars and drivers at Minoru on Dominion Day will be the best on the Pacific Coast. The track meet to be held in Vancouver gives every promise of being the most important from a racing view point of any yet held in this section of the country on a mile course. The rivalry between the contestants will be very keen and as they are to race for seventy-five per cent. of the gate receipts, classed into purses according to their importance, with the winner getting the largest share, the competition will be intense. A glance at the list of entries which have been received so far will be interesting.

Vancouver—Car, American; Driver, Chas. Rex. Thomas. Car, Stearns; driver, W. H. Smythe. Car, Regal; driver, Dick Nacket. Car, Ford; driver, Fred Franklin.

Seattle—Car, Romano Special; driver, Percy Barnes. Car, Mercer; driver, Joe Thomas. Car, Speedwell; driver, Hugo Pagano. Car, Studebaker; driver, Fred Barsby.

Tacoma—Car, Pacific Car Special; driver, H. Torrien.

North Yakima—Car, Hudson; driver, Ernest Schneider.

Shelton, Wash.—Car, Ford; driver, Earl Johnson.

Starter B. C. Conner has written to the B. C. Motor Co. that a large delegation are coming over from Victoria, and another crowd are coming over from New Westminster to see Percy Barnes drive the Romano Special, Barnes was born at that city and his townspeople are coming over to give him a welcome. With a clear day Mr. H. E. Springer of the B. C. Thoroughbred Association, and R. A. Hiller, manager of the Northwest Automobile Association claim that the greatest crowd that ever witnessed a race of any description will be at Minoru on Wednesday.

WILLIAMS MATCHED WITH FRENCH CHAMP

Los Angeles, Cal., June 26.—"Kid" Williams, of Baltimore, American bantamweight champion, and Charles Le Doux, French champion, were matched today to box twenty rounds here on the night of August 18 for the world's bantamweight championship. The pair boxed here on July 15 1913. The contest ended in the fifteenth round, when Le Doux went down, asserting that he had been fouled. Feferee Eyton denied this and counted Le Doux out.

Philadelphia 4, Brooklyn 7.
St. Louis 2, Pittsburg 3.
Chicago 6-1, Cincinnati 2-0.

FEDERALS HAVE A BIG GAME SUNDAY

The Nanaimo Federals, who since rather a fluky defeat in the opening game of the season have carried everything before them, are down to play the B. C. Telephone nine from Vancouver on Sunday afternoon. The visitors are a semi-professional aggregation, and have recently imported a new pitcher from Portland, Oregon. This player comes with a big reputation, and he is relied upon to lower the colors of the Federals on Sunday. The locals are, however, in good shape and have all the confidence gained from a long string of victories to keep them going at top speed. Martin has been working out all week, and after his performance of two weeks ago there need be no doubt about this department of the game. The match will start at the usual time on the Caledonian grounds.

COLUMBIA WON RACE

New York, June 26.—The annual intercollegiate eight oared boat race today was won by Columbia, the boats finished in the order named: Columbia, Pennsylvania, Cornell, Syracust, Washington and Wisconsin.

AMERICAN OARSMEN OVER HENLEY COURSE

Henley, Eng., June 26.—The crew of the Union Boat Club of Boston, which is entered for the Grand Challenge Cup in the Henley regatta, July 1 to 4th, rowed over the full course this evening, but it was obvious soon after the start that the Americans were not rowing all out. Their stroke was held at thirty to the minute, whereas their style warranted a much higher rate if trying for a record. They passed the halfway mark in 3 minutes and 31 seconds.

It is interesting to note, for the purpose of comparison, that the Leander crew, rowing all out, took 3 minutes and 23 seconds to the halfway mark, the Winnipeg crew 3 minutes and 20 seconds, and Jesus College, Oxford, 3 minutes and 19 seconds. All these are grand challenge crews.

NEW COMPANIES ARE INCORPORATED

There are but two Victoria companies among the concerns granted certificates of incorporation during the week. One is the Pioneer Oil company, limited (non-personal liability) which is incorporated with a capital of $500,000, to deal in oil and other mining property, operate smelters and other plant, build or acquire steamships and utilize the other usual powers of such companies. The other is the Northwestern Creamery, Limited, capital $10,000, to take over the business of A. G. Snelling and Francis H. A. Norton.

The other companies incorporated, are: Abbotsford Oil & Gas Co., Ltd. (non-personal liability), Vancouver, capitalized at $250,000; B. C. Silver, Black Fox & Fur Farmers, Vancouver, $50,000; Fraser Valley Oil & Gas Co., Ltd. (non-personal liability), Vancouver, $200,000; Fred Brown & Co., Ltd., Vancouver, $10,000; Frey & Co., Ltd., Vancouver, $50,000; Fruit & Farm Co., Ltd., Vancouver, $25,000; Independent Packing Co., Ltd., Vancouver, $25,000; Inlet Club, Ltd., Vancouver, $5,000; Lean Nam Club, Vancouver (under the Benevolent Societies' act); Powell Lake Mill Co., Ltd., Vancouver, $40,000; Prince George Brewing & Malting Co., Ltd. Fort George, $200,000; Sill & Miller Ltd., Vancouver, $15,000; Standard Electric Welding Co., Ltd., Vancouver, $10,000; Tyrell & Co., Ltd., Vancouver, $10,000; Vancouver Syndicate Ltd., $10,000; Windermere Mining Co. Ltd. (non-personal liability), Vancouver, $1,000,000.

Extra provincial companies licensed are: Brown Fruit Co., Ltd., Edmonton; Riker-Hegeman Drug Stores Ltd., Toronto, and Wright and Greig Ltd., Glasgow, Scotland.

WATER NOTICE

Application for a license to take and use and to store or pen back water will be made under the "Water Act" of British Columbia, as follows:

The name of the applicant is The Qualicum Water Company. The address of the applicant is Qualicum Beach, Vancouver Island. The name of the stream is Mosquito Creek. The stream has its course in the Hamilton Swamp, D.L.s. 34 and 42, Newcastle district, and flows in a northerly direction and empties into the Gulf of Georgia, about two miles east of the Little Qualicum River. The water is to be diverted from the stream on the west side about 1,000 feet from the mouth. The purpose for which the water will be used is waterworks purposes. The land for which the water is to be used is described as follows: Lots 54 to 63 Newcastle district and adjacent property. The quantity of water applied for is as follows: 1 cubic foot per second. This notice was posted on the ground the 23rd day of May, 1914.

A copy of this notice and an application pursuant thereto and to the requirements of the "Water Act" will be filed in the office of the Water Recorder at Nanaimo, B. C. Objections may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B. C.

Does the freshness of your food mean anything to you?

There's only one answer—a decided "Yes!" Then do you know that you can't buy a stale package of

Kellogg's CORN FLAKES

The reason? Because your grocer gets it right from the factory in small quantities—and because Kellogg's are quick sellers and do not remain long on the shelf.

We encourage merchants to place small orders often rather than large ones.

This is why you get Kellogg's Corn Flakes with all their oven-freshness.

10c per package. Look for the signature.

JOHN SHAW,
Secretary.

The Efficiency of an Executor----

One of the eastern provincial premiers recently made the statement that the system of appointing individuals instead of Trust Companies as executors was becoming antiquated.

Thinking business men should leave their estates for administration in experienced hands, just as a specialist is selected in any mercantile field.

Appointed as executor the Dominion Trust Company has the necessary equipment to give you the best possible service. It has a thorough knowledge of the laws and court requirements affecting deceased persons.

The company's officers are always pleased to confer with those desiring information relative to wills or executorships.

DOMINION TRUST CO'Y

"THE PERPETUAL TRUSTEE"

Paid-up Capital and Surplus, over $3,000,000

BRIEF MENTION

$1,000,000 mystery. Bijou, Tuesday.

Mr. William Hoggan returned last evening from a businese trip to the mainland.

In the city police court yesterday Alex. Vaughan was fined $25 and costs for speeding his auto on Haliburton street.

Dr. F. S. Reynolds, Miss Reynolds and Mr. and Mrs. David Mottishaw returned yesterday by auto, from a trip to Cumberland and Courtenay.

Buy your footwear at Watchorn's. Best goods at lowest prices. tf.

Mr. Charles Brown, of the Nanaimo Plumbing Company returned yesterday from a business trip to Cumberland.

While at work on the interior of the Socialist Hall yesterday Mr. Walter Banner fell from a ladder and was so injured as to necessitate his removal to the hospital.

Try Nymo Ice Cream, manufactured by Nanaimo Dairy and Suppl Co.

Mrs. Thomas Horne, of Cumberland and her niece, Miss Ritchie, of Nanaimo, returned to the city last evening from visiting relatives in the Terminal City.

Mr. F. H. Shepherd, M. P. returned last evening from Victoria where he attended the official reception tendered by the Provincial Government to Vice Admiral Kuroi and other officers of the Japanese warships.

A treat in store for you at WESTS 5, 10 and 25c Store. Nanaimo's blind player ROBERT W. BOOTH, late graduate of Berkley, Cal., will give a piano recital on Saturday evening 7 to 9:30. 2t.

The dredger for work in the south channel of Nanaimo harbor, arrived yesterday afternoon and is now tied up outside the yards of the Lady, smith Lumber Co. The dredge will remain in Nanaimo until the work is completed.

H. G. Coleman appeared in the police court yesterday morning charged with obtaining money on false pretences by reason of a cheque which he had obtained on salary account and on which payment was refused at the bank as there was no money to meet it. After hearing considerable evidence Magistrate Simpson dismissed the case stating there was absolutely no evidence to sustain the charge. The alleged offence was an indictable one and the magistrate held that there was no jury that would convict the accused on the evidence. He regretted that his court should be used to collect small debts.

CONSIGNEES FRIDAY.

GREECE CALLS RESERVES OF NAVY TO COLORS

Athens, Greece, June 26.—Seven classes of the Greek naval reserves were called today to the colors, the official explanation of the mobilization being the increase of the fleet, and the naval manoeuvres to begin next week.

The real reason of the step taken by the ministry of marine, however, is understood to be the determination of the Greek government to be prepared for all eventualities, although there is an apparent slackening of the tension between Turkey and Greece.

Bijou Theatre

Comedy will predominate at today's program of moving pictures at the Bijou Theatre, there being no less than four reels of mirth provoking pictures including two reels of Keystone productions entitled "Baffles", "The Gentleman Detective" and a Broncho western comedy "The Adventures of Shorty."

The Hearst-Selig Weekly will also be shown in connection with today's program, this reel showing interesting events of the day as gathered by the famous Hearst news service..

Mrs. Haarer and daughter, Miss Julia, Kennedy street, left yesterday on a visit to friends in Vancouver.

Mr. Arthur Leighton was in Vancouver yesterday on a civil suit case.

Mrs. D. H. McGillivray, Townsite, left yesterday on a visit to relatives in New Westminster.

$1,000,000 mystery. Bijou, Tuesday.

VOLUME XIV NANAIMO, VANCOUVER ISLAND, BRITISH COLUMBIA, SUNDAY MORNING, JUNE 28, 1914 NUMBER 97

SEVERAL STATES ARE DEVASTATED

Large Sections of the Prairie States are Swept by Violent Storms—Water Four Feet Deep in City Streets.

Chicago, June 27.—Large sections of Wisconsin, Minnesota and Iowa were early today devastated by the third violent storm of the week. Water ran from two to four feet deep in the streets of La Crosse, Wis. and practically all the railroads in that vicinity experienced severe washouts. At New Albin and Lansing, Iowa, the rivers overflowed their banks and fields for miles were buried under sand and mud. The business district of Landan, N. D., was today covered with water three feet deep in many places, and resident fearing another cloudburst, moved to places of safety.

FOURTH SHAMROCK AGAIN SUCCESSFUL.

Torquay, Eng., June 27.—Shamrock IV., Sir Thomas Lipton's new challenger for the America's cup, had another successful trial today. She beat the old Shamrock by four minutes fifty-second seconds, corrected time, over a 30-mile course in a brisk breeze.

REMBRANDTS DISCOVERED

Stockholm, Sweden, June 27—Dutch art experts have discovered in the national art gallery here two Rembrandts—A Portrait of a Woman, and Abraham's Sacrifice. Both pictures are said to belong to the master's early period.

If his present plans are carried out the attorney-general, Hon. W. J. Bowser, will leave on his proposed tour of the province on Thursday. He intends to go round by way of Calgary and Edmonton, entering the province again by the Grand Trunk Pacific.

RAMBLERS JOURNEY TO GABRIOLA TODAY

The Nanaimo Rambler Baseball team will journey to Gabriola Island today to play an exhibition game with a Gabriola Island team. The local team will leave Jancowski's boat house at 1:30 p. m., the Ramblers fielding the following team: Wilkinson c.; Stolzenburg, p.; Munro, 1b.; Sage 2b.; Beattie, 3b.; Mottishaw, s.s.; Botley, r.f.; Strethorse, c.f.; J. Harley, l.f.; spare men, Martin and McFarlane.

An interesting footrace took place Friday evening between Wm. Hardy, proprietor of the Provincial Hotel, and "Brick" Dwyer. The popular hotelman outfooted his rival and won by 50 yards in the hundred.

LOCAL CRICKETERS DEFEATED VICTORIA

The local cricket club placed another victory to its credit and climbed another notch in the league table when it defeated the Albion C. C. yesterday afternoon. Considerable interest attached to the game as the Albions adminstered a severe lacing to the local eleven at Victoria in May. So far this is the only decisive defeat the home eleven has sustained this season, and at least ought to have had two more wins to its credit. It is all in the game, however, and made the interest in yesterday's match all the keener. In the result the local eleven took the game by a score of 138 to 62.

At the same time the game had its anxious moments for the home side. Batting first, Newbury was cleaned bowled by E. W. Ismay, with the score at 6. Barrington Foote, who had proved such a consistent scorer, was snicked at the wicket in the same over without any alternation in the score. With only 15 runs on the board, Hodgson, veteran of many a hard-fought match was beaten by Parsons. Fred Jepson fell to the same bowler with the score of 21, and both Leighton and H. Jepson were out with 5 more runs added. With six wickets down for 26 the

(Continued on Page 2)

ARTHUR P. NIXON PASSED AWAY

The death occurred at the Chemainus hospital Friday of Arthur Parry Nixon, a farmer resident at Thetis Island for the past twenty years, death resulting from an operation for appendicitis.

The deceased was 43 years of age and is survived by his widow and two children.

The remains will be interred on Salt Spring Island on Thursday, funeral arrangements being in the hands of D. J. Jenkins, of Nanaimo.

TEN YEARS IN PRISON FOR SWINDLING FARMER

Los Angeles, June 27.—James R. Ryrnes, leader of a crowd of bunco men which operated among tourists in Southern California two years ago was sentenced today to ten years in San Quentin prison. He was convicted in the criminal department of the superior court several days ago of having swindled G. P. Fries, a farmer from Illinois, out of $5,400.

Hon. Dr. Young, Provincial Secretary, yesterday conveyed to Japanese Consul General Hori, thanks on behalf of His Honor the Lieutenant-Governor and the Provincial Government for the pretty gifts received from Vice-Admiral Kuroi in recognition of the courtesies tendered during the brief visit of the cruisers Asama and Azuma.

STRIKE VOTE WILL SOON BE ANNOUNCED

Cleveland, June 27.—Warren S. Stone, grand chief of the Brotherhood of Locomotive Engineers, said today that the result of the strike vote by the engineers and firemen on ninety-eight railroads west of Chicago will be known some time between July 10 and 14. It is a secret ballot, he said, and there is indication at present as to the result. The men asked for increased wages, shorter hours and better working conditions and the strike vote came when the railroads refused their demands.

AUSTRIANS NOT ALLOWED TO JOURNEY TO ALBANIA.

Vienna, June 27.—The police authorities prohibited today the further enrollment of volunteers among the retiring officers and men of the Austro-Hungarian army, many of whom are being recruited to go to Albania to protect Prince William of Weid.

LOCAL CLERKS TO PLAY VANCOUVER

A team selected from the Commercial Baseball League, of this city, will meet the P. Burns' Shamrocks, of Vancouver, in an exhibition game of baseball on the Caledonian grounds this afternoon, the game commencing at 1 o'clock sharp in order that the visitors may return home on the afternoon boat. The following team will represent the clerks Piper, catcher; Beattie, pitcher; Quennell, first base; Cawthorne, second base; Stewart, third base; Swaliwell, short stop; Olds, left field; Cawthorne, centre field; McCuish, right field; spares, Bushfield, Tait.

OLYMPIC SEAT SALE.

Stockholm, June 27.—Sweden expects to send the largest foreign delegation of spectators to the Olympic games at Berlin in 1915. The Swedish Olympic committee has bought a whole section of seats next to the winning post. The section will seat a thousand people and is next to the seats engaged for the United States.

The eighteenth annual convention of the Baptist churches of British Columbia will meet in the First Baptist church, Vancouver, from July 2 to 6 inexclusive, when delegates representing the churches of this denomination in the province will be present.

Mr. John McLeod of Vancouver is visiting Mr. and Mrs. Henry McAdie, Albert street.

WILL SERVE IN ALBANIA

Corps Being Formed in Austria For Service in Albania—Hundreds Have Already Enlisted.

Vienna, June 27.—A committee of prominent Viennese has been formed for the issuing of a public call for volunteers for service in Albania. Sixteen hundred former Austrian officers and army men have already enlisted. Among the enrolled are Austrians, Hungarians, Germans and several American physicians studying in Vienna, 200 college students with their professors, five doctors and several nurses. It is proposed to send the volunteers to Durazzo on Monday. Whether the Austrian military authorities will allow the army reservists to depart is not known, but it is considered improbable. A Rome despatch says King William has requested the King of Roumania to intervene in his behalf with the powers to get them to send him troops. Otherwise he will abdicate. It is not believed that the powers will accede to such a request.

London, June 27.—There are conflicting reports concerning the situation at Durazzo. A belated despatch from that city says that insurgent leaders have arrived there to negotiate terms. Other despatches represent the situation as extremely grave

The Prince of Wied, who occupies the throne, has, it is said, appealed to the powers to send international troops to restore order. Austrian warships are taking steps to protect Durazzo and Avlona.

NANAIMO PLAYS VANCOUVER TODAY

The Nanaimo Baseball team will try conclusions today with the Vancouver employees of the B. C. Telephone Company, a team which occupies a splendid position in the Vancouver Commercial League.

The game will be played on the Caledonian grounds, commencing at 2:30. H. Martin, the star slab artist who pitched a no hit game against Vancouver two weeks ago, will be on the mound today and as he is in splendid form fans are looking forward to a great game.

The batting order of the two teams is as follows:

B. C. Telephone.

Mowat, c.f.; McDougall, 1b.; Fraser s.s.; Lemmon, c.; Biddle, l.f.; Morlock, 2b.; McGougan, 3b.; Rattray, r.f.; Reichard, p.; Fountain, spare.

Nanaimo.

Piper, 3b.; Little, s.s.; Killeen, 2b.; Boyce, c.; Beattie, c.f.; Shepherd, l.f. E. Martin, 1b.; Thompson, r.f.; H. Martin, p.; G. Weeks, spare.

Mr. J. Aitken will act as "His Umps" during both games.

Mr. Horace Hickling, manager of Fletcher Company's Courtenay branch is spending the week end in Nanaimo.

STEAMERS COLLIDE

Kingston, Ont., June 27.—The steamers Alexandria, on her way from Kingston to Charlotte, collided on the lake about two o'clock this morning with the steamer Qyerida loaded with woodpulp. The two did not come together very hard and suffered but slight damage. Both steamers were able to proceed on their way.

STRONG TEAMS TO SHOOT AT BISLEY

London, June 27.—The Bisley meeting will be attended by teams from Australia, Canada and India, and probably Guernsey and South Africa will enter for the Kolapore cup. The Australians and Indians arrived by last mail steamers. The overseas challengers will be strong this year. The Rangon volunteers are sending a regimental team of six men while the Bombay Borgdo and Central Indian railway volunteers are also strongly represented as well as the Kolar Goldfield volunteers, the Calcutta Rifles and the Nagpur Rifles.

ASSIZE SENTENCES MADE ON TUESDAY

Vancouver, June 27.—At the close of the Assize courts on Friday afternoon, Mr. Justice Gregory announced that he would pass sentence on the convicted prisoners on Tuesday morning at 11 o'clock.

It is anticipated the court will be thronged on that occasion, as great interest is being evinced in many of the sentences, notably that of Jack Kong, the slayer of Mrs. Millard.

Following is the list of convictions recorded at the present sitting of the court:

George Van Horst—Murder. Sentenced to hang on August 19.

Frank Bevacqua—Murder. Sentenced to hang on September 1st.

John Kong—Found guilty of manslaughter.

H. La Motte Virgil—Manslaughter.

C. Yossitz—Attempted murder.

Nick Corbett and Dominic Savali—Wounding with intent.

Henry Glasson—Attempted murder.

Joe Rasselli—Wounding with intent.

Charles White—Wounding with intent.

James Page—Guilty of common assault.

Leander Peltier—Common assault.

James Turner—False pretences.

Richard Wallace—False pretences.

Harry Hooper—False pretences.

A. J. Smith—Conspiracy to defraud.

Thome Papas—Statutory offence.

James Valse—Statutory offence.

Charna Singh—Statutory offence.

Fred Williams—Indecent assault.

Harris and Bagwany—Potlatching. Suspended sentence.

In the case of Rex vs. Spray, in which a conviction for seduction was recorded, the case was successfully appealed and the prisoner ordered discharged, it being shown there was no promise of marriage made by the defendant.

Bail was refused at Vancouver Friday by Mr. Justice Murphy in the case of Thomas Moore, of Nanaimo, who is under sentence on a charge of assault.

JACK JOHNSON DEFEATS MORAN

The Negro Champion Won on Points After Twenty Rounds of Fast Milling—Moran's Seconds Claimed Foul.

Paris, June 27.—Jack Johnson, world's champion heavyweight pugilist retained his title today when he was awarded the decision by Referee Georges Carpentier at the close of twenty rounds of fast milling.

The crowd evidently wishing to take advantage of the preliminaries to the Johnson-Moran contest, as well as that of the big fight, began to arrive at the Velodrome at an early hour. Many women wearing handsome gowns were among the spectators.

Before entering the ring Johnson said he intended to fight straight Queensbury rules. He was informed that Moran would do the same. The French Federation rules are a very slight modification of the Marquis of Queensbury rules.

Tom Kennedy, Willie Lewis and George Considine were in Moran's corner. Tom Flanagan and several negro trainers with James Pratt as timekeeper were in Johnson's corner.

Johnson entered the ring at 10:20 amid cheering. A great shout went up as Moran followed. The crowd gave Moran a better hand than Johnson.

George Carpentier, the French champion, who refereed the fight was given an ovation.

Round 1.

Moran found an opening and landed first to stomach and head. Johnson succeeded in landing on Moran's jaw. They mixed it hard, Johnson landing on the Pittsburger's stomach.

Round 2.

Moran forced the fighting, but Johnson managed to get home a hard uppercut to the jaw. Moran in return landed hard on Johnson's head. Johnson sends a light left hook to Moran's cheek.

Viene, the manager of the fight, says rules are those of International Boxing Federation, which do not al-

(Continued on page 3)

WEEKS WAS NOT HELD-UP

Police State There is no Truth in Story of Holdup Told by Ed. Weeks Yesterday Morning.

The police have established that there was nothing in the story told by Ed. Weeks, driver of local livery Stables, of the hold up he was subjected to on the Victoria road, opposite Mr. Hughes' house, and midway between the city limits and Chase River. Indeed so far as the police can make out Weeks was never anywhere near where he claims to have been held up, and it is more than probable that the accident to the mare he was driving occurred at the corner of Dixon and Irwin streets

The story which appeared in yesterday's Herald was printed in good faith. Weeks made substantially the same report to both the city and provincial police, and a Herald representative was present and heard the report made to the provincial police.

The police at once got busy on the case. They found no evidence at the place described by Weeks to substantiate his story in any way. The road was wet, and if his horse had been tripped, as he alleged, the marks of its fall and the blood from the gash would have been plainly visible. Instead they found a rock on the corner of Dixon and Irwin streets showing bloodstains and the traces of a horse having been thrown. The police are convinced that this is where Weeks had his accident, and absolutely discredit his story of the hold-up.

RACING AT MINORU ON WEDNESDAY

Vancouver, June 27.—The Auto Race programme for Minoru Park July 1, has been completed and spectators to the handsome Lulu Island track will witness an afternoon of sensational international and intercity automobile racing. At 2.30 p.m. the Canadian Callophone company will give a public demonstration of the wonderful invention that will announce the results of the races, time and call each lap as the drivers pass the stand. Event No. 1 will be the mile against time, and in this event Percy Barnes will drive the Romano Special in the attempt to lower Bob Burman's Canadian record of a mile in 52 seconds made over the Minoru Course. Event No. 2, Vancouver City championship, ten miles, entries and drivers, American, Chas. Rex Thomas; Stearns, W. H. Smythe; Regal, Stanley Currans; Ford, Fred Franklin; Metz, C. B. McIntyre.

Event No. 3 fifteen miles, for cars under 300 cubic inch displacement, entries and drivers, American, Chas. Rex. Thomas; Mercer, Joe Thomas; Studebaker, Fred Barsby; Ford, Fred Franklin; Pacific Car Special, H. Torrien; Regal, Stanley Currans; Hudson, Ernest Schneider; Metz, C. B. McIntyre.

Event No. 4 International Free for All, twenty-five miles, entries and drivers: Romano Special, Percy Barnes; Speedwell, Hugo Pagano; Mercer, Joe Thomas; Stearns, W. H. Smythe; American, Chas. Rex. Thomas; Studebaker, Fred Barsby; Pacific Car Special, H. Torrien; Hudson Ernest Schneider.

Event No. 5 Australian Pursuit Race, for the four cars making the fastest time in Event No. 1.

DRIVEN ASHORE BY EARTHQUAKE

Montavia, Java, June 27.—The British steamer Kintuck of the China Mutual Stean Navigation company, reported overdue yesterday, after a violent earthquake in Sumatra, was found by a steamer sent out to search for her. She had been driven ashore in the Straits of Sunda, between Batavia and Sumatra, by heavy seas caused by a submarine disturbance.

The Kintuck was crowded with native emigrants.

ANGLICAN SYNOD TO MEET IN VANCOUVER

Vancouver, June 27.—The general synod of the Anglican Church of Canada will be held in this city beginning Sept. 9 and will be in session for two weeks. The convention will be composed of the two houses; that of the bishops, of whom twenty six will attend and that of the representatives, including both lay and clerical delegates. Arbishop Matheson of Rupert's Land will be here for the conference. His headquarters are in Winnipeg. The opening session will be held in Christ Church and the following sessions in Hamilton Hall. At the same time the triennial convention of the Women's Auxiliary will be hels.

Over 500 delegates will be present from all parts of the Dominion. A special train has been arranged to bring the large number of representatives of the eastern parishes.

The task of billetting this large number of members of the church in Canada falls upon the local executive committee which is busy completing plans for the sessions.

The most important question to come up before the delegates will be that of the enrichment and adaptation of the Prayer Book. The detailed programme has not yet been drafted but Bishop de Pencier and Archdeacon Heathcote are putting forth every effort to have it completed shortly.

PRESIDENT OF CANADA LIFE IS DEAD

Toronto, June 27.—E. W. Cox, president of the Canada Life Association company, and one of the most prominent financiers of Canada, died last night at Folkestone, England, whither he had gone for his health.

Gloom pervaded the office of the Canada Life this morning, when the following cablegram announcing Mr. Cox's death, was received from his brother.

"End came quietly at 11 p-m-, sailing as soon as possible, H.C. Cox."

The news came as a great surprise to all of Mr. Cox's business associates. It was only last Tuesday that he sent the following message to the company's office.

"Progress slow, but I am told sure—E. W. Cox."

The cause of death is given as a hemorrhage following treatment he was undergoing for throat affection.

The late Edward W. Cox was the son of the late Senator Cox, and was born June 18, 1864. He received his business training under his father and was a director of the Central Canadian Loan and Saving Company the National Trust Company, Western Assurance Company, president Imperial Guarantee and Accident Co, and general manager and director of the Canadian Life Insurance Company.

RESOLUTE AGAIN WINNER.

Oyster Bay, N. Y., June 27.—The sloop Resolute scored her eighth victory in the preliminary racing series yesterday. The race was a procession with the Vanitie 5 minutes 46 seconds behind the Resolute and the Defiance 6 minutes 32 seconds behind her.

HEAT KILLS FIVE

St. Louis, Mo., June 27.— Five deaths from the heat last night and today were reported in St. Louis up to noon. The temperature at 11 o'clock this morning was 93 degrees, a rise of three degrees in an hour, and indications were that the mercury would nearly reach the high mark of yesterday, when 101 was recorded. A strong wind, however, served to reduce the suffering from the high temperature.

CONSIGNEES SATURDAY

Wagstaff.

FORMED MEN INTO SQUADS

Meeting on Five Acres Friday Adopted Military Tactics—Men Organized into Squads and Put Through Drills.

Considerable interest has been manifested in the city as to the object of the meeting called on the bulletin board of the local U. M. W. of A. office to be held Friday at 10 a. m. at a point a half mile distant from the Harewood school on the Five Acres. The meeting was held as announced and was addressed by David Little and others, there being some two or three hundred strikers in attendance. The object of the meeting was announced by the chairman, whereupon a number who were not favorable to the proposal left for home, leaving some 150 men to continue with the program as contemplated by those responsible for the gathering. This program consisted of forming the men into squads and putting them through a series of military drills. The gathering was divided into squads of 50, one representing the middle ward of the city, another squad representing the south ward and another squad Chase River and district.

When the real object of the gathering became known, and the strikers were seen going through military manoeuvres the Provincial Police were notified. Arriving on the scene, they found the gathering had abandoned its drills, but would immediately renew them when the police were out of sight.

According to Sec. 98 and 99 of the Criminal Code any person being drilled or being present when a drill is on is liable to imprisonment for two years. The Provincial Police authorities are determined to enforce the law to the letter and should actions such as occurred last Friday be repeated, there will be arrests made and everyone found taking part in such an assembly prosecuted to the full extent of the law.

BRAMPTON TOOK THE FIRST GAME

Vancouver, June 27.—Brampton defeated the V. A. C. lacrosse team here today in the first game of the series for the Mann Cup by a score of 5 goals to 4. The local team attributes its defeat to the absence of Kendall, who was barred from playing by the Mann Cup Trustees on the grounds of professionalism.

The South Gabriola Hall will be opened on July 1. This is a hall built by popular subscription and is said to be quite a credit to the island. A dance will be given on July 1 and good music will be provided. A hearty invitation is extended to Nanaimoites to attend.

BARRIEAU WON FROM "CYCLONE" SCOTT

Duncan, B. C., June 27.—Frank Barrieau of Vancouver was given the decision here tonight over "Cyclone" Scott of Victoria after fifteen rounds of a fairly even contest. McColl of Victoria refereed the bout and at the close of the contest stated the bout was one of the best he had ever witnessed. There was a big attendance, the crowd expressed its appreciation of the contest.

Curt Lawrence and Dauglas, two local boys, put on an interesting three round preliminary which was declared a draw.

Two more new judges of the Superior court of the province of Quebec have been appointed within the last few days. F. X. Drouin, K. C., of the city of Quebec, has been appointed a puisne judge of the court for the judicial district of Three Rivers, in the place of Mr. Justice R. S. Cooke, who has resigned after being ten years on the bench. Neree Lenoblet du Plessis, K. C., Three Rivers, has been appointed a puisne judge for the judicial district of Chicoutimi, Saguenay and Roberval.

STREET PAVING SCHEME.

The City Council has again signed a contract for the paving of several streets in the city. This work of improvement was decided upon by the Council, and endorsed by the property owners affected over a year ago. The Canadian Mineral Rubber Company was awarded the contract, and just when everything was in readiness for the commencement of the work the trouble at the local mines occurred. The result was that the work was postponed for the time being, and in the interval the contracting company has gone into liquidation. Now that conditions in the city are almost back to normal the Council again took up the question, and one of its first duties was to clear up the matter of the contract. After due and proper deliberation the work has been given to Mr. Kaiser, a paving contractor of Vancouver. Mr. Kaiser was formerly with the Mineral Rubber Company and is therefore conversant with every detail of the paving work. He is well known here, and the Council acted wisely in giving him the contract. The work contemplated is of considerable magnitude, amounting to something like 100,000 square yards and costing approximately a quarter of a million dollars. It was essential that the Council should secure an experienced and reliable contractor, and to all appearances it has got the right man in Mr. Kaiser. But while the Council on one hand and the contractor on the other are ready now to go ahead with the work the ratepayers have yet to be heard from. Since the origional contract was let the Council decided that before any paving was done, the water mains and the sewer lines should all be permanently laid on the streets included in the improvement scheme. A water bylaw to carry out part of this preliminary work has already been endorsed by the ratepayers and the work is now under way. A sewer bylaw to complete the other part of the work is now before the ratepayers and will be voted on next week. With so much at stake, and the water bylaw already passed there should be no doubt as to the fate of the sewer bylaw. At the same time it will be as well to leave nothing to chance. The same efforts should be put forth to get the ratepayers to the poll on the sewer bylaw as were used in regard to the water bylaw. The sewers will have to be put in in any case. They are an absolute necessity. The improvement of the streets is more a matter of expediency, but so far as this work goes the property owners who will pay for it have absolutely endorsed the whole scheme. As a matter of fact the Council has neglected the streets in view of the paving scheme being carried out. A great deal of costly repair work would have to be done to the streets in any case, and anything that was donw would be merely temporary. If the work was done at all thoroughly and systematically the difference between the cost of it and the expense of paving the streets would be inconsiderable. As against this, once the streets are paved, the bill for upkeep is reduced to the lowest possible minimum. And paved streets are quite an asset to a city. They indicate a progressive spirit, and express the confidence of the citizens in the future of their city. The conditions of its streets has always been a reproach to Nanaimo. If this scheme goes through the reproach will be rolled out in concrete. It all depends upon what the ratepayers do with the sewer bylaw. Progressive citizens will realize the importance of the occasion, and spare no efforts to secure the passage of the bylaw.

A despatch from London states that a a north county miner has solved the secret of flying in the air. The name of the inventor is Glendenning and he had devoted years to the study of aeronautics. He claims that he has designed an air craft which will remain in the air for five days without requiring a renewal of supplies. He also claims that it can be safely navigated and that the earth can be circled without danger of mishap. The big shipbuilding and ordnance firm of Armstrong and Whitworth are said to have taken up the invention, and this in itself is a strong recommendation. It would be a strange thing if Tyneside, the home of the locomotive steam engine and the marine turbine engine, should also produce a safe and stable air craft.

A Seattle gentleman, by the name of Hawthorne, has been investigating trade fluctuations. He finds that Joseph's warning to Pharoh that seven fat years would be followed by seven lean years was based on sound economic observation. He himself has probed trade conditions back to 1745 and finds that in the 170 years he has covered, there have been twelve periods of prosperity and twelve periods of depression, which works out according to Joseph's dictum. Economic writers have all dealt with these variations in the world's trades, and accounted for them on various grounds. But really according to local Liberal newspapers economics has nothing to do with it. It is all a question of the political color of the government. The depression in Canada, which curiously enough was felt all over the world, is entirely due to the fact that Laurier was deposed from office.

LOCAL CRICKETERS DEFEATED VICTORIA

(Continued from Page 1)

game looked none too good for the home side. Hindmarch and Shepherd played steadily after the former had been given a life behind the wicket. Shepherd was beaten by Parsons with the score at 53 and then Batty and Hindmarch made an invaluable stand. The score was taken to 126 before Batty was bowled by Ismay for a well-played 38. Hindmarch carried out his bat for 59 but after being missed in the slips was given two lives in the long field.

The visitors did not start in much better shape. Leighton at the beginning was in great form with the ball, and had all the bats more or less tied up. He clean bowled Ward and Gardner and H. Jepson got rid of both E. W. Ismay and D. Grant. There were five wickets down for 26, and Cooper and Wilson were the only other bats to give the home bowlers any trouble. Leighton got both of them and the inning closed with the score at 62.

For the Albions E. W. Ismay took 7 wickets for 39, Parsons 2 for 48, and Stephenson 1 for 5.

For Nanaimo, Leighton got 5 for 32, Jepson 3 for 14, and Newbury 1 for 14. The following are the scores:

NANAIMO

H. Jepson, c H. Ismay, b. E. Ismay	16
W. Newbury, b. Ismay	2
Barrington Foote, c Grant, b. Ismay	0
J. Hodgson, b. Parsons	2
F. Jepson, b. Parsons	1

Afternoon service 1:30 p. m.
Evening service, 7 p. m.
Tuesday night, Prayer Meeting at 7 p.m.

IT COSTS SO LITTLE.

How little it costs, if we give it a thought,
To make happy some heart each day,
Just one kind word or a tender smile
As we go on our daily way.
Perchance a look will suffice to clear,
The clouds from a neighbors' face,
And the press of a hand in sympathy
A sorrowful tear efface.
It costs so little! I wonder why
We give it so little thought?
A smile—kind words—a glance—a touch!
What blessing with them is wrought.!

STEAMER IS FLOATED

Hughtown, Scilly Islands, June 27—The Belgian steamer Gothland which went ashore on the Crime Rocks June 23, while on her way from Montreal to Rotterdam, was refloated today.

BEFORE buying any of the wheat offered, we apply to it the supreme test. We bake bread with it in our laboratory. If the bread is creamy, velvety and delicious, we say "This Wheat is worthy of ROYAL STANDARD." And so we buy it. This test is continuous and safeguards for ever the uniformity of ROYAL STANDARD.

ROYAL STANDARD
Absolutely Uniform FLOUR Laboratory Tested

WILL CLIMB ARROWSMITH.

Victoria, June 27.—The great event of the week in the Y. M. C. A. activities will be the climb up Mt. Arrowsmith. The start will be made on Monday, some of the Victoria contingent already having left for Cameron lake, where they will be joined by members of the Y.M.C.A. from Vancouver. The start will be made on Monday, and the C. P. R. hut will be used for passing the night. The final part of the ascent and the descent back to Cameron lake will be made on Tuesday, the following day being spent in more leisurely fashion at the latter place, and the boys returning to Victoria on Thursday.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining right of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the North-west Territories and in a portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,500 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-agent in the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal sub-divisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise.

A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10.00 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or sub-agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

N. B.—Unauthorized publication of this advertisement will not be paid.

Sealed Tenders addressed to the undersigned, and endorsed "Tender for Public Building, Prince Rupert, B. C.," will be received at this office until 4.00 p. m., on Monday, July 6, 1914 for the construction of the Public Building above mentioned.

Plans, specification and form of contract can be seen and forms of tender obtained at the offices of Mr. G. B. Hull, District Engineer, Prince Rupert, B. C., Mr. Wm. Henderson, Resident Architect, Victoria, B. C., and at this Department.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures, stating their occupations and places of residence. In the case of firms the actual signature, the nature of the occupation, and place of residence of each member of the firm must be given.

Each tender must be accompanied by an accepted cheque on a chartered bank, payable to the order of the Honourable the Minister of Public Works, equal to ten per cent (10 p. c.) of the amount of the tender, which will be forfeited if the person tendering decline to enter into a contract when called upon to do so, or fail to complete the work contracted for. If the tender be not accepted the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender.

By order,
R. C. DESROCHERS,
Secretary.
Department of Public Works,
Ottawa, June 5, 1914.

Newspapers will not be paid for this advertisement if they insert it without authority from the Department.—62588. 3t.

At the Yarmouth Y.M.C.A. Boys Camp, held at Tusket Falls in August, I found MINARD'S LINIMENT most beneficial for sun burn, an immediate relief for colic and toothache.

ALFRED STOKES,
General Secretary.

NOTICE

DEPARTMENT OF WORKS.

NOTICE TO CONTRACTORS.

Harewood School.

Sealed Tenders, superscribed "Tender for Harewood School," will be received by the Honourable the Minister of Public Works up to noon of Monday, the 6th day of July, 1914, for the erection and completion of a six-room school-house at Harewood, Nanaimo, in the Alberni Electoral District.

Plans, specifications, contract, and forms of tender may be seen on and after the 15th day of June, 1914, on application to Mr. W. H. Jones, Secretary of the Harewood School Board, Nanaimo; Mr. J. Mahoney, Government Agent, Court-house, Vancouver; Mr. George Thomson, Government Agent, Nanaimo, and the Department of Public Works, Victoria.

By application to the undersigned, contractors may obtain one copy of the plans and specifications for the sum of ten dollars ($10), which will be refunded on their return in good order.

Each proposal must be accompanied by an accepted bank cheque or certificate of deposit on a chartered bank of Canada, made payable to the Honourable the Minister of Public Works, for a sum equal to 10 per cent. of tender, which shall be forfeited if the party tendering decline to enter into contract when called upon to do so, or if he fail to complete the work contracted for. The cheques or certificates of deposit of successful tenderers will be returned to them upon the execution of the contract.

Tenders will not be considered unless made out on the forms supplied signed with the actual signature of the tenderer, and enclosed in the envelopes furnished.

The lowest or any tender not necessarily accepted.

J. E. GRIFFITH,
Deputy Minister and Public Works Engineer.
Department of Public Works,
Victoria, B. C., June 10th, 1914.

CROSS MATCHED

Los Angeles, June 27.—Leach Cross and Jimmy Duffy, lightweights, have been matched for a 20-round contest at Vernon arena the night of July 25 according to announcement today.

Handicapping Yourself

You are handicapping yourself if you are using alcoholic liquor. Slowly but surely you are slipping backward. It may well be that the total amount of liquor you consume is so infinitesimal as to seem to you absolutely harmless, but the history of thousands, yes, millions of men just as strong morally as you are proves the reverse to be true. Modern business and modern society are antagonistic to the liquor habit and absolute sobriety is demanded.

The Gatlin Treatment will give you a fresh Grip

You can believe that statement absolutely. We shall be delighted to give you, or anyone, absolute proof of the truth of our statement. Only three days in the Gatlin Institute under the helpful, harmless, private treatment and you can resume work stronger in mind and body, more capable, more efficient, the desire for liquor gone forever. Fifteen years of success stand behind the Gatlin Institute. The Institute is conducted by reputable men and women, with no hypodermic injections nor other disagreeable features. Absolute privacy is assured. Good rooms, good meals, expert attendance, high class physicians. Wire, call or phone today for complete information. Successful treatments either at home or at the Institute in Victoria

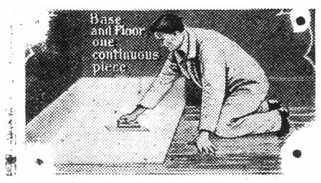
Name .....

Address .....

"It's Always Fair Weather!" ---

"SUMMER is here I'll Save Money by cutting out my Advertising." Thus a few merchants still delude themselves. They thereby confess

themselves beaten by the weather. But most merchants, in these times of keen business, would scorn to make such a move. The more obstacles—whether in the form of weather conditions or other handicaps—the more earnestly they strive for our patronage.



For the merchant to cease advertising as soon as the weather is a little warm, is to take his "bark of trade" out of the channel of good business and beach it on the sands of business dullness to await "fair weather." But with the modern type of merchant it is always fair weather. His is an "all-year-round" store—a store ever ready to serve you and serve you well.

He is a believer in all-year-round advertising. He does not take his advertisement out of the newspaper the first day of warm weather. He knows you may be in the market for something he can sell you—in July as well as in January.

He invests his money in newspaper space—every week in the year—to let you know he can serve you—and it's safe to assume that he "has the goods" in the fullest sense of the phrase.

You can obtain helpful advice on advertising free of cost and without obligation by consulting the business Department of The Daily Herald.

COULON WILL REFEREE.

Vancouver, June 27.—Johnny Coulon will referee the bout between Johnny O'Leary and Frenchy Vaise on Dominion Day for the lightweight championship of Canada. Both boys agreed yesterday afternoon to accept Coulon as the third man in the ring. Joe Bayley, the Victoria boy will be at the ringside to issue a challenge to the winner.

LANCASHIRE WON.

London, June 27.— Playing on the home grounds Gloucestershire was defeated by an innings and 23 runs by Lancashire in the match started on Thursday. T. J. Smith for Gloucestershire, made 77, not out, while for Lancashire Makereace contributed 51, J. Tyldesley 63, Sharp 74, W. Tyldesley 64, and Huddleston 67.

JACK JOHNSON DEFEATS MORAN

(Continued from Page 1)

low holding and are a slight modification of the Queensbury rules.

Round 3.

Johnson gave Moran several terrific uppercuts to the jaw, while Moran responded with several jolts to the negro's stomach. Johnson landed a hard jolt on Moran's eye and followed with hard knocks on the body. Johnson crowded Moran, who stumbled against the ropes as time was called.

Round 4.

Johnson drew first blood with a right to Moran's nose. The negro smiled confidently as he met Moran's attack. Both led at the same time. Each landed on each other's head without harm. Johnson landed on Moran's face as the gong sounded.

Round 5.

Johnson appeared fresher and confident as the round began. Moran landed hard on Johnson's jaw and the crowd cheered. Johnson retaliated with several blows to the body. Moran blocked several hard uppercuts and landed lightly on the negro's solar plexus which amused the crowd.

Round 6.

Johnson continued the terrific uppercutting to Moran's jaw, the negro struck a hard left. Moran landed with both right and left to Johnson's face which brought a cheer from the crowd.

Round 7.

Moran landed several hard ones to the negro's head, while Johnson got in a hard one to the stomach. Moran landed a swift left to Johnson's chin. Johnson then rushed Moran to the ropes without damage. Johnson opened wider the cut on Moran's nose.

Round 8.

Johnson followed his old style of fighting on the defensive. He succeeded in putting three uppercuts to the Pittsburger's jaw. In a clinch Moran pounded Johnson's stomach landing five or six blows and blocked more uppercuts from the negro. Johnson landed a hard right to the jaw. Both fighters did fine work.

Round 9.

Moran sent a left hook to the body while Johnson landed one of the head and several hard ones to the jaw. Johnson rushed the fighting somewhat. Moran received a left on the jaw.

Round 10.

They mixed immediately at the bell Johnson was successful in the infighting. The referee told the men to break away. Johnson sent one to Moran's nose. Moran's seconds claimed a foul. The blow cut Moran's mouth and nose. The referee warned Johnson while the crowd hooted the negro. Hard fighting was resumed. It looked as though Moran was weakening. This was all Johnson's round.

Round 11.

Moran landed on Johnson's head. The negro then rushed the Pittsburger and received another warning for holding. Moran sent three hard blows to the body, the negro retaliating with blows to Moran's jaw.

Round 12.

Johnson succeeded in landing several uppercuts to the jaw and straight left to the nose and also over the eye. Moran was breathing hard and it did not seem he would last long. Moran cleverly dodged a hard swing to the jaw.

Round 13.

Moran led but could not land effectively while Johnson sent one to Moran's jaw. The Pittsburger landed hard on the negro's jaw, which again drew a cheer from the crowd. Johnson stood back smiling and then sent a hard right to Moran's jaw.

Round 14.

Moran tried hard but unsuccessfully for the negro's jaw. Several of Moran's blows brought smiles from his opponent. Moran ran into a punch on the nose and in making a futile swing at Johnson he ran into the ropes.

Round 15.

Moran avoided the negro, who stood still laughing. Moran landed hard to the negro's face, while the latter rushed him to the ropes.

Round 16.

Johnson forced the fighting, Moran landed on the stomach. The negro sent a left to Moran's nose. He followed this with five more in lightning succession to the same place. Moran landed two straight lefts to the chin.

Round 17.

Johnson sent a hard left to the jaw, while Moran made a wild swing Moran then sent a left to the negro's face, which seemed to make little impression on his opponent. Moran sent another left to Johnson's face which brought a cheer.

Round 18.

The negro sent one to the stomach two to the face and then a hard left to the body.

Round 19.

Moran went after Johnson and there was considerable infighting and clinching, but little damage was done. The men repeatedly went to a clinch and the referee had trouble separating them.

Round 20.

The men shook hands for the last round and both tried hard to land a knockout. Johnson hit out hard and landed at will but could not put Moran down. Moran tried to land an effective punch on Johnson's stomach but with little effect and the gong sounded, Johnson being declared the winner.

The Efficiency of an Executor----

One of the eastern provincial premiers recently made the statement that the system of appointing individuals instead of Trust Companies as executors was becoming antiquated.

Thinking business men should leave their estates for administration in experienced hands, just as a specialist is selected in any mercantile field.

Appointed as executor the Dominion Trust Company has the necessary equipment to give you the best possible service. It has a thorough knowledge of the laws and court requirements affecting deceased persons.

The company's officers are always pleased to confer with those desiring information relative to wills or executorships.

COULD NOT EAT— FAILING FAST

Captain On Great Lakes Restored To Health By "Fruit-a-tives"

For thirty years, Captain Swan followed the Great Lakes. He has now retired and lives at Port Burwell, where he is well known and highly esteemed.

H. SWAN, Esq.

PORT BURWELL, ONT., May 8th. 1913.

"A man has a poor chance of living and enjoying life when he cannot eat. That was what was wrong with me. Loss of appetite and indigestion was brought on by Constipation. I have had trouble with these diseases for years. I lost a great deal of flesh and suffered constantly. For the last couple of years, I have taken "Fruit-a-tives" and have been so pleased with the results that I have recommended them on many occasions to friends and acquaintances. I am sure that "Fruit-a-tives" have helped me greatly. By following the diet rules and taking "Fruit-a-tives" according to directions, any person with dyspepsia will get benefit". H. SWAN

"Fruit-a-tives" are sold by all dealers at 50c a box, 6 for $2.50, or trial size 25c, or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

VOLUME XIV | NANAIMO, VANCOUVER ISLAND, BRITISH COLUMBIA, TUESDAY MORNING, JUNE 30, 1914 | NUMBER 98

CITY COUNCIL IN SESSION

Bus Service Scheme for Nanaimo is Referred to Street Committee for Investigation and Report.

The City Council met in regular session last evening, the full Board being present, His Worship, Mayor Planta presiding.

The appended communication was received from the secretary of the Nanaimo Board of Trade:

Gentlemen,—The Board of Trade of this city has been negotiating with Messrs. Baynes and Gray, representatives of the Island District Motor Bus Company, Victoria, relative to the inauguration of a Motor Bus service in Nanaimo anddistrict, and after going fully into the matter, would recommend to your honourable body that the city grant the company the following concessions:

1. A franchise guaranteeing to this undertaking the sole right to operate Motor Busses for passenger service on your streets for the period of 10 years subject to satisfactory service as may be agreed upon.

2. Exemption from civic taxation for 10 years.

3. Free water for ten years.

4. An undertaking to put into proper repair such streets as the busses operate over.

5. A free site for garage, not less than 100x150 feet, on condition that they in return give a half hourly service within the city limit and a five-cent fare, connecting with the following districts, viz, South Wellington, Nanaimo River, Northfield, Wellington and Five Acres, employing in such service not less than four motor busses; also understood that a good, proper service be given, accommodating workmen going to and from work at the mines and elsewhere.

We would respectfully urge that you give this matter your serious consideration as we believe the establishment of a motor bus service would be of material interest to this city and district.

Yours truly,
NANAIMO BOARD OF TRADE.
per T. B. BOOTH,
Secretary.

Ald. Young moved, seconded by Ald. Forrester the communication be referred to the Street Committee for investigation and report.

The motion was adopted.

Mayor Planta suggested the committee of the Council meet the committee of the Board of Trade and discuss the question with them as the Board of Trade had given the matter a great deal of consideration and was was in possession information which the communication did not contain.

A communication was received from the secretary of the Pacific Coast Fire Chiefs Association informing the Council the Association would hold its annual convention at Victoria on Sept. 1, 2, 3 and 4 and requesting the attendance of Fire Chief Parkin, of Nanaimo.

On motion the communication was referred to the Street Committee for investigation and report.

The Street Committee recommended applications be called for a fourth class engineer for Rock Crusher and Road Roller.

Ald. McKenzie moved the recommendation of the Committee be adopted. Ald. McKinnell seconded the motion which was adopted.

The Waterworks Committee recommended a 3-inch water main be laid on Machleary street from Hecate street to Victoria road at an estimated cost of $390.

On motion of Ald. Young, seconded by Ald. Forrester the recommendation of the committee was adopted.

The Waterworks committee recommended as follows:

Gentlemen,—Your Waterworks committee begs to recommend that a Hauck Patent combined forge and torch with a 12-gallon seamless steel tank, complete be purchased from the Fuel Oil Installation Co., Ltd., Vancouver, at a cost of $161.00 f.o.b. Nanaimo. At the present time the forge used requires a man at $3.00 per shift turning a handle, the gasoline forge will on this basis pay for itself in less than three months, besides which the forge attachment can be quickly dismantled, and the apparatus used as a torch for pipe joints. An extra torch at this period can be handled to great advantage.

(Continued on Page 4)

J. STEELE AND SON AWARDED CONTRACT

At the close of last night's meeting, the City Council sat as a Cemetery Board to receive tenders for the erection of a fence around the old cemetery on Comox Road, the successful tenderers being Mr. J. Steels and Son, the figure submitted by them being $120.00.

The several tenders were as follows:

J. A. Baxter	$135.00
J. Steele & Son	120.00
John Wilson	179.00
Kenneth Gordon	165.00
V. Maki	219.00
Dick & Allen	151.00
Wm. Hadwin	258.00
G. Hoult	144.00
Bendle & Parkin	155.00
Jack & Anderson	198.00
Geo. Sage	204.00
Chas. Wilson	134.00

NANAIMO IS WAR CENTRE

Military Manoeuvres are Now in Full Swing in Nanaimo and Nearby District—Local Civil Aid Force is Defending

Quite the most important military manoeuvres ever staged in British Columbia are now taking place in this district. The participants are the 88th regiment of Victoria, and the members of the Civil Aid Force who have been stationed at Nanaimo for the past several months. The field of operations covers the district between Nanaimo and Ladysmith and the troops entered the field on Sunday afternoon. They are still in action and the conclusion is not expected until Wednesday afternoon when it is likely that the manoeuvres will finish with a pitched battle.

The plan of operation, briefly, is as follows. Vancouver Island is in charge of the Red Army. The enemy, the Blue Army from the Mainland, have landed a large raiding party composed of the 88th from Victoria. The Reds are believed to hold important supplies at Nanaimo which the raiders are determined to capture or destroy.

War commenced at 2 o'clock on Sunday afternoon with Major de Salis in command of the raiders and Captain Leckie defending the Nanaimo stores. Col. Hall, of Victoria, and staff of the Civil Aid Force of Nanaimo, are acting as umpires and have the entree through all lines.

The troops left their respective positions at Nanaimo and Ladysmith promptly at 2 o'clock. Both parties bivouacked last night and had scouts out. The opposing scouts have seen each other and some desultory firing has taken place. So far there have been no causalties and as far as known neither of the main bodies have sighted each other. Between Ladysmith and Nanaimo there is the Nanaimo river to be crossed and this point forms one of the strategic points of the battle field. Whether either party has crossed the river is not known because the strictest censorship is maintained on the movements of their commands by both leaders. The troops are following the identical routine of active service, sleeping in their blankets, strongly entrenching themselves against night attack and well flanked by scouts. Everything is under service conditions.

With the defenders is a party of Cadets from Nanaimo and they are having the time of their lives. They are of valuable assistance and are being given plenty of opportunity to show their worth. The Civil Aid Forces by reason of their long sojourn in the field are standing the campaign well. The Victoria boys are also holding up their end although it must be admitted they were pretty tired by Monday noon, very few of them having obtained any sleep since entering on the field.

The entire manoeuvres are designed by Colonel Hall with a view to giving the men experience such as they could expect to get in active service.

VESTMENTS STOLEN.

Regina, June 29.—Gold cloth vestments valued at $4000, the property of Bishop Mathieu, who is now on a visit to Rome, were stolen on Saturday from the Holy Rosary Cathedral The vestments were gifts from friends of the bishop in Quebec and were highly prized.

PREMIER WHITNEY SWEEPS ONTARIO

Provincial Elections Result in a Big Victory For Conservatives—Liberals Gained but a Few Seats.

Ottawa, June 29.—The complete returns of today's provincial elections throughout Ontario resulted as follows:

Conservatives	83
Liberals	26
Independent	2

Only one cabinet minister was defeated, viz, Hon. J. O. Reaune in Windsor, who was defeated by Rev. J. Tolmie, the only minister elected out of the four who ran. Throughout the province the total gains were as follows: Conservatives 9, Independent 2 and Liberal 13. Premier Whitney's majority was reduced by 500 and N. R. Rowell, leader of the Opposition, was but barely elected with only 49 votes to spare.

The complete results are as follows

THE BISHOP OF LONDON IN GOLFING COSTUME

The Church and the Press recently played a game of golf at London, the rival sides being captained by the Bishop of London and Mr. Robert Donald, editor of The Daily Chronicle. The Press defeated the clerics although Bishop Ingram triumphed over Mr. Donald. The Bishop of London is no stranger in Canada, where he has a brother, a farmer, near Aylmer, Ontario.

NOTICE

The Daily Herald will issue as usual tomorrow morning but on account of the holiday there will be no issue the following morning.

STEEL RAILS FOR ISLAND RAILWAY

Steamer Epsom Departs From Sydney With Full Cargo of Rails For C. N. R. on Vancouver Island.

Vancouver, June 29.—Laden with a full steel rail cargo for Canadian Northern railway construction, the British steamer Epsom, Captain Hill 2970 tons, departed from Sydney, Cape Breton, on Wednesday last. It is understood that this shipment of rails is to be used in the construction of the Vancouer line of the Canadian Northern Pacific Railway, but owing to the absence of a deep water port at the end of the Saanich Peninsula, the cargo will be discharged at Port Mann and trans-shipped by means of barges to Patricia Bay. The Epsom is coming to this coast by way of the straits of Magellan, and in the event of good weather being encountered she will arrive here the latter part of August.

The Epsom will be remembered as one of the vessels which last year brought out a shipload of Portugese laborers from Lisbon to Honolulu to work on the Hawaiian Island plantations. Her last voyage was from Cruz Grande, Chile, to Philadelphia, and after coaling at Newport News, she shifted to Sydney to take on her steel cargo.

The last steamer to carry a cargo of steel from Sydney, C.B., to Port Mann, was the Norwegian steamer Herakles, which arrived on this coast last fall. The Herakles touched bottom as she crossed the Fraser River bar and was subsequently placed in drydock at Esquimalt for survey.

BOMBARDMENT SILENCED

Washington, June 29.—The bombardment af the rebel city of Puerta Plata by President Bordas of Santo Domingo was silenced late on Friday by fire from the main battery of the American gunboat Machias. Only a few shots were required for the task.

CAPITAL UNDER MARTIAL LAW

Bomb Exploded on Streets of Sarayevo Was Signal For Rioting and Anti-Servian Demonstration.

Sarayevo, June 29.—A bomb thrown by a youth standing on the corner of the main street of the Bosnian capital, was the signal this morning, for a serious anti-Servian outbreak, which the troops found considerable difficulty in quelling.

The only damage done by the bomb was a slight injury to a passing Mussulman, but the rougher element seized on the incident as an excuse to start a demonstration.

They were joined by a number of Croatian students and the crowd passed along the streets stoning the windows of Servian shops, clubs, schools and houses and looting the interiors.

The manifestants paraded the streets with a portrait of the Emperor Francis Joseph at their head. They sang the Austrian national anthem and attacked everything Servian until they were confronted by overwhelming troops.

Martial law was proclaimed today, both in the city and the district of Sarayevo in consequence of the assassination yesterday. The proclamation was accompanied by the beat of drums and the posting of placards. All the chief points of the city were immediately occupied by troops.

WILL NOT SEND FEDERAL TROOPS

Pres. Wilson Will Not Take Immediate Action in Butte Strike Situation Which is Tense.

Washington, June 29.—President Wilson will take no action in the strike situation at Butte, Mont., pending further developments. Federal troops will not be moved from Vancouver barracks to Fort Missoula to be in readiness in case of trouble for the present.

Butte, Mont., June 29.—Offices of the Butte local No. 1 Western Federation of Miners were expected to be reopened here today in a room in an office building. The federation men and the faction opposed to federation control each have announced meetings for tomorrow night. Neither, however has said where the meetings would be held.

The tense situation caused by the recent fight of the metal miners still continues. Since the last riot, during which President Moyer, of the federation fled for safety, no efforts have been made by any organization to bring about peace among the miners' union.

Each faction marked time Sunday. It was announced today that 2532 men had signed the rolls of the new union, which is to be free from jurisdiction of the Western Federation of Miners. The dynamiting of the safe of the union destroyed the records and membership roll and it will be necessary for men, who still cling to the Butte local of the federation to sign a new membership roll. The union lost its seal and cards in the dynamiting and since has received a new supply.

Serious charges that the police have been inactive and that Butte property is unprotected, have been made. Up to last Thursday night, no arrests for rioting had been made.

At the meeting of the Silver Bow Trades and Labor Council, held Saturday night, it was decided not to take action in the fight until after the conference called by President Moyer of the Western Federation of Miners has announced its decision.

CHINAMAN ARRESTED

Edmonton, June 29.—The arrest of a Chinaman well known in the West by the name of Pon Yuen, took place last night on a charge of carrying on a gambling resort. With him were taken in the raid thirty other Chinamen. When arrested Pon Yuen was wearing diamonds to the value of $2500. Bail of $1000 was refused. The Chinaman is a large owner of property in Edmonton, Saskatoon and Vancouver.

EXPRESS HOPE OF A SETTLEMENT

Washington, June 29.—Despite continued expressions of hope that the plans for Mexican mediation will not fail, considerable apprehension was shown today in official quarters.

Considerable significance was attached to the fact that the mediation conference plans to take a recess unless there is some definite assurance from Carranza by tomorrow that his agents will meet the Huerta delegates and representatives of the United States on plans for a provisional government outlined in the recent protocol.

Carranza's latest reply to the mediators asking for time to consult his generals who participated in the plans of Guadalupe before agreeing to enter the proposed peace conference was said here not to have reached the mediators, but that it probably would get to Niagara Falls by tomorrow morning.

HINDU CASE BEFORE COURT

Five Justices Listen to Lawyers Tell of Alleged Irregularities in Canadian Immigration Law.

Victoria, June 29.—The Hindu case reached the British Columbia court of Appeal today. A decision from the highest court in this province is expected before the end of the week.

This is the first time important immigration cases have come before the British Columbia Court of Appeal. Previously the regulations were held to be not good law by Chief Justice Hunter of the Supreme Court. The British Columbia Court of Appeal is of course not absolutely final, for the case may yet get to Ottawa, and possibly even to the Privy Council in England. But Mr. J. E. Bird, chief counsel for the Hindus, fought hard today because an adverse decision from this court means a long and costly delay aboard the already insanitary and overcrowded Komagata Maru.

If the Appeal Court this week upholds the regulations, a further appeal to the Supreme Court of Canada could not be got until September and a lot of things may happen to the Komagata Maru by that time. So that while technically there is no further appeal, the fact is that a decision adverse to the Hindus by the present court will pretty nearly decide their immediate fate at any rate.

The Court sitting today consisted of their lordships Chief Justice MacDonald, Justices Irving, Martin, McPhillips and Galligher. Forty spectators occupied all the available seats in the court and among them were half a dozen Hindus, all wearing their turbans. They stood, stalwart and solid, six-footers all of them, when the court crier announced the coming of their lordships. The case today was entitled In re Munshi Singh. That gentleman was not present however. He is still enjoying himself aboard the Komagata Maru.

Accompaning Mr. Bird in his appearance today was Mr. Robert Cassidy, a very eminent K. C., who has long being a resident of Vancouver. He is a man of 60. In Vancouver he has frequently spoken in public on various questions, notably that of False Creek agreements. He is regarded as a very resourceful counsel. Mr. W. H. D. Ladner appeared for the immigration officials. With him as special counsel was Mr. W. B. A. Ritchie. He is a very tall thin man of about the same age as Mr. Cassidy. He has had very wide experience as a counsel in both Vancouver and Eastern Canada.

AFRICAN FARMERS TO TOUR CANADA

London, June 29.—An extensive tour of Canada and the United States has been arranged for a party of fifty-five South African farmers, recently arrived here under the leadership of Johannes Adrian Neser, member of the Parliament of the Union of South Africa. Some of the farmers intend to remain in the United States for a time to study fruit farming in California.

ARCHDUKE IS ASSASSINATED

Francis Ferdinand Heir to the Austrian Throne and His Wife Shot by Student on Streets of Sarayevo Bosina.

Sarayevo, Bosnia, June 29.—Archduke Francis Ferdinand, heir to the Austrian throne, and the Duchess of Hohenberg, his morganic wife, were shot dead today by a student on the main street of the Bosnian capital, a short time after they had escaped death from a bomb hurled at the royal automobile. They were slain while passing through the city on their annual visit to the annexed provinces of Bosnia and Herzegovina.

The archduke was struck full in the face and the duchess was shot through the abdomen and throat. They died a few minutes after reaching the palace to which they were hurried with all possible speed.

London, June 29.—Every dispatch today from Sarayevo and Vienna brought additional evidence that the assassination of Archduke Francis Ferdinand and the Duchess of Hohenberg was one of the most carefully planned crimes ever carried out against royalty. Indications from the scene of the tragedy show that it was engineered by persons possessing more mature organizing ability than that of the youthful assassins. It is generally thought in Austria and Hungary that the plotters had their headquarters in Belgrade, the Servian capital.

Servian hatred of Austrians, which always has been violent, has been fomented by the newspapers in Belgrade and by agitators throughout Servia and Bosnia, who have helped to inflame the minds of the students and to induce them to sacrifice their lives in the belief that they will go down to history as patriots.

Yesterday's crime is likely to have a contractory effect to that desired by its authors. Even before the bodies of the murdered couple have been interred, the Austrian authorities are contemplating severe measures against the Serbs in Austria and Bosnia. These measures are likely further to embitter Austria and Russia, the protector of all the Serbs.

Sarayevo, Bosnia, June 29.—Death masks of the archduke and the duchess were taken today and the bodies placed on a catafalque in the chapel of the palace and surrounded by a magnificent display of wreaths and other floral emblems from all parts of the country.

Vienna, June 29.—The two bodies of the murdered couple are expected to reach here tomorrow and will be buried next week at Anstetten, upper Austria, in accordance with the late archduke's wishes. Already the city is draped in mourning. It has decided that the bodies are not to lie in state in the court chapel here as the duchess was not regarded as a member of the imperial family. The lying in state therefore will take place either at Stephen's cathedral or the Beledere chapel.

The bomb thrown by Nedelko Gabrinovics at Sarayevo yesterday is reported to have been made at the Servian gun factory at Kraguyevatz.

General expression was given by the press to the conviction that the peoples of the dual monarchy would rally round the person of the venerable Emperor.

GUILTY OF BANK ROBBERY

Montesano, Wis., June 29.—The jury in the case of A. Hadnoff charged with robbing the Bank of Elma on the night of March 31, returned a verdict of guilty, Saturday, after being out forty-eight hours. The verdict is the result of a compromise a number of jurymen accepting a verdict in order that they might be discharged. The verdict was a surprise, as the time the jury was out seemed to mean a disagreement. The first ballot stood eight for conviction and four for acquittal. The trial of Sam Malsagoff on a similar charge will be completed today.

CAMPAIGN IN MANITOBA.

Winnipeg, June 29.— Brisk campaigning continues in connection with the forthcoming Manitoba provincial elections, and keen interest is taken in the fight. On Saturday revision courts were held in the three Winnipeg constituencies. The Liberals made a number of protests and eighty-three names were struck off. None were struck off at the request of the Conservatives.

LARGEST NET PAID CIRCULATION OF ANY VANCOUVER ISLAND PAPER EXCEPTING VICTORIA PAPERS

VOLUME XIV | NANAIMO, VANCOUVER ISLAND, BRITISH COLUMBIA, TUESDAY MORNING, JUNE 30, 1914 | NUMBER 98

CITY COUNCIL IN SESSION

Bus Service Scheme for Nanaimo is Referred to Street Committee for Investigation and Report.

The City Council met in regular session last evening, the full Board being present; His Worship, Mayor Planta presiding.

The appended communication was received from the secretary of the Nanaimo Board of Trade:

Gentlemen,—The Board of Trade of this city has been negotiating with Messrs. Baynes and Gray, representatives of the Island District Motor Bus Company, Victoria, relative to the inauguration of a Motor Bus service in Nanaimo anddistrict, and afafter going fully into the matter, would recommend to your honourable body that the city grant the company the following concessions:

1. A franchise guaranteeing to this undertaking the sole right to operate Motor Busses for passenger service on your streets for the period of 10 years subject to satisfactory service as may be agreed upon.

2. Exemption from civic taxation for 10 years.

3. Free water for ten years.

4. An undertaking to put into proper repair such streets as the busses operate over.

5. A free site for garage, not less than 100x150 feet, on condition that they in return give a half hourly service within the city limit and a five-cent fare, connecting with the following districts, viz, South Wellington, Nanaimo River, Northfield, Wellington and Five Acres, employing in such service not less than four motor busses; also understood that a good, proper service be given, accommodating workmen going to and from work at the mines and elsewhere.

We would respectfully urge that you give this matter your serious consideration as we believe the establishment of a motor bus service would be of material interest to this city and district.

Yours truly,
NANAIMO BOARD OF TRADE.
per T. B. BOOTH,
Secretary.

Ald. Young moved, seconded by Ald. Forrester the communication be referred to the Street Committee for investigation and report.

The motion was adopted.

Mayor Planta suggested the committee of the Council meet the committee of the Board of Trade and discuss the question with them as the Board of Trade had given the matter a great deal of consideration and was was in possession information which the communication did not contain.

A communication was received from the secretary of the Pacific Coast Fire Chiefs Association informing the Council the Association would hold its annual convention at Victoria on Sept. 1, 2, 3 and 4 and requesting the attendance of Fire Chief Parkin, of Nanaimo.

On motion the communication was referred to the Street Committee for investigation and report.

The Street Committee recommended applications be called for a fourth class engineer for Rock Crusher and Road Roller.

Ald. McKenzie moved the recommendation of the Committee be adopted. Ald. McKinnell seconded the motion which was adopted.

The Waterworks Committee recommended a 3-inch water main be laid on Machleary street from Hecate street to Victoria road at an estimated cost of $390.

On motion of Ald. Young, seconded by Ald. Forrester the recommendation of the committee was adopted.

The Waterworks committee recommended as follows:

Gentlemen,—Your Waterworks committee begs to recommend that a Hauck Patent combined forge and torch with a 12-gallon seamless steel tank, complete be purchased from the Fuel Oil Installation Co., Ltd., Vancouver, at a cost of $161.00 f.o.b. Nanaimo. At the present time the forge used requires a man at $3.00 per shift turning a handle, the gasoline forge will on this basis pay for itself in less than three months, besides which the forge attachment can be quickly dismantled, and the apparatus used as a torch for pipe joints. An extra torch at this period can be handled to great advantage.

(Continued on Page 4)

J. STEELE AND SON AWARDED CONTRACT

At the close of last night's meeting, the City Council sat as a Cemetery Board to receive tenders for the erection of a fence around the old cemetery on Comox Road, the successful tenderers being Mr. J. Steels and Son, the figure submitted by them being $120.00.

The several tenders were as follows:

J. A. Baxter	$1[illegible].00
J. Steele & Son	120.00
John Wilson	178.00
Kenneth Gordon	155.00
V. Maki	219.00
Dick & Allen	151.00
Wm. Hadwin	258.00
G. Hoult	144.00
Bendle & Parkin	155.00
Jack & Anderson	198.00
Geo. Sage	204.00
Chas. Wilson	134.00

NANAIMO IS WAR CENTRE

Military Manoeuvres are Now in Full Swing in Nanaimo and Nearby District—Local Civil Aid Force is Defending

Quite the most important military manoeuvres ever staged in British Columbia are now taking place in this district. The participants are the 88th regiment of Victoria, and the members of the Civil Aid Force who have been stationed at Nanaimo for the past several months. The field of operations covers the district between Nanaimo and Ladysmith and the troops entered the field on Sunday afternoon. They are still in action and the conclusion is not expected until Wednesday afternoon when it is likely that the manoeuvres will finish with a pitched battle.

The plan of operation, briefly, is as follows. Vancouver Island is in charge of the Red Army. The enemy, the Blue Army from the Mainland, have landed a large raiding party composed of the 88th from Victoria. The Reds are believed to hold important supplies at Nanaimo which the raiders are determined to capture or destroy.

War commenced at 2 o'clock on Sunday afternoon with Major de Salis in command of the raiders and Captain Leckie defending the Nanaimo stores. Col. Hall, of Victoria, and staff of the Civil Aid Force of Nanaimo, are acting as umpires and have the entree through all lines.

The troops left their respective positions at Nanaimo and Ladysmith promptly at 2 o'clock. Both parties bivouacked last night and had scouts out. The opposing scouts have seen each other and some desultory firing has taken place. So far there have been no causalties and as far as known neither of the main bodies have sighted each other. Between Ladysmith and Nanaimo there is the Nanaimo river to be crossed and this point forms one of the strategic points of the battle field. Whether either party has crossed the river is not known because the strictest censorship is maintained on the movements of their commands by both leaders. The troops are following the identical routine of active service, sleeping in their blankets, strongly entrenching themselves against night attack and well flanked by scouts. Everything is under service conditions.

With the defenders is a party of Cadets from Nanaimo and they are having the time of their lives. They are of valuable assistance and are being given plenty of opportunity to show their worth. The Civil Aid Forces by reason of their long sojourn in the field are standing the campaign well. The Victoria boys are also holding up their end although it must be admitted they were pretty tired by Monday noon, very few of them having obtained any sleep since entering on the field.

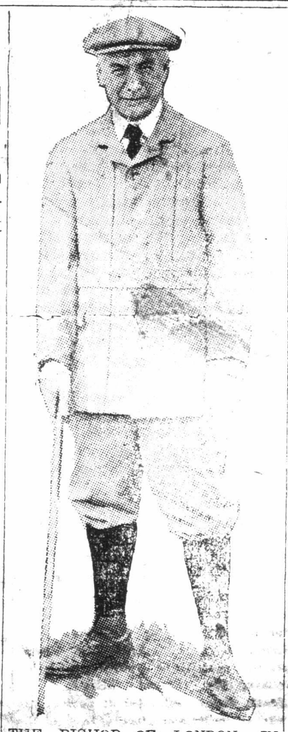
The entire manoeuvres are designed by Colonel Hall with a view to giving the men experience such as they could expect to get in active service.

VESTMENTS STOLEN.

Regina, June 29.—Gold cloth vestments valued at $4000, the property of Bishop Mathieu, who is now on a visit to Rome, were stolen on Saturday from the Holy Rosary Cathedral The vestments were gifts from friends of the bishop in Quebec and were highly prized.

PREMIER WHITNEY SWEEPS ONTARIO

Provincial Elections Result in a Big Victory For Conservatives—Liberals Gained but a Few Seats.



Ottawa, June 29.—The complete returns of today's provincial elections throughout Ontario resulted as follows:

Conservatives	83
Liberals	26
Independent	2

Only one cabinet minister was defeated, viz, Hon. J. O. Reaune in Windsor, who was defeated by Rev. J. Tolmie, the only minister elected out of the four who ran. Throughout the province the total gains were as follows: Conservatives 9, Independent 2 and Liberal 13. Premier Whitney's majority was reduced by 500 and N. R. Rowell, leader of the Opposition, was but barely elected with only 99 votes to spare.

The complete results are as follows
Addington—W. D. Black (Con.)
Algoma—Albert Grigg (Con.)
Brant North—Scott Davidson (Lib.)
Brant South—J. H. Ham (Lib.)
Brockville—A. E. Donovan (Con.)
Brockville—A. Donaldson (Con.)
Bruce North—W. McDonald (Lib.)
Bruce South—W. D. Cargill (Con.)
Bruce West—C.M. Bowman (Lib.)
Carleton—R. H. HcElroy (Con.)
Cochrane—J. McLang (Lib.)
Dufferin—C. R. McKeown (Con.)
Dundas—Sir J. P. Whitney (Con.)
Durham East—J. J. Preston (Con.)
Durham West—J. H. Devitt (Con.)

THE BISHOP OF LONDON IN GOLFING COSTUME

The Church and the Press recently played a game of golf at London, the rival sides being captained by the Bishop of London and Mr. Robert Donald, editor of The Daily Chronicle. The Press defeated the clerics although Bishop Ingram triumphed over Mr. Donald. The Bishop of London is no stranger in Canada, where he has a brother, a farmer, near Aylmer, Ontario.

NOTICE

The Daily Herald will issue as usual tomorrow morning but on account of the holiday there will be no issue the following morning.

STEEL RAILS FOR ISLAND RAILWAY

Steamer Epsom Departs From Sydney With Full Cargo of Rails For C. N. R. on Vancouver Island.

Vancouver, June 29.—Laden with a full steel rail cargo for Canadian Northern railway construction, the British steamer Epsom, Captain Hill 2970 tons, departed from Sydney, Cape Breton, on Wednesday last. It is understood that this shipment of rails is to be used in the construction of the Vancouver line of the Canadian Northern Pacific Railway, but owing to the absence of a deep water port at the end of the Saanich Peninsula, the cargo will be discharged at Port Mann and trans-shipped by means of barges to Patricia Bay. The Epsom is coming to this coast by way of the straits of Magellan, and in the event of good weather being encountered she will arrive here the latter part of August.

The Epsom will be remembered as one of the vessels which last year brought out a shipload of Portugese laborers from Lisbon to Honolulu to work on the Hawaiian Island plantations. Her last voyage was from Cruz Grande, Chile, to Philadelphia, and after coaling at Newport News, she shifted to Sydney to take on her steel cargo.

The last steamer to carry a cargo of steel from Sydney, C.B., to Port Mann, was the Norwegian steamer Herakles, which arrived on this coast last fall. The Herakles touched bottom as she crossed the Fraser River bar and was subsequently placed in drydock at Esquimalt for survey.

BOMBARDMENT SILENCED

Washington, June 29.—The bombardment af the rebel city of Puerta Plata by President Bordas of Santo Domingo was silenced late on Friday by fire from the main battery of the American gunboat Machias. Only a few shots were required for the task.

CAPITAL UNDER MARTIAL LAW

Bomb Exploded on Streets of Sarayevo Was Signal For Rioting and Anti-Servian Demonstration.

Sarayevo, June 29.—A bomb thrown by a youth standing on the corner of the main street of the Bosnian capital, was the signal this morning, for a serious anti-Servian outbreak, which the troops found considerable difficulty in quelling.

The only damage done by the bomb was a slight injury to a passing Mussulman, but the rougher element seized on the incident as an excuse to start a demonstration.

They were joined by a number of Croatian students and the crowd passed along the streets stoning the windows of Servian shops, clubs, schools and houses and looting the interiors.

The manifestants paraded the streets with a portrait of the Emperor Francis Joseph at their head. They sang the Austrian national anthem and attacked everything Servian until they were confronted by overwhelming troops.

Martial law was proclaimed today, both in the city and the district of Sarayevo in consequence of the assassination yesterday. The proclamation was accompanied by the beat of drums and the posting of placards. All the chief points of the city were immediately occupied by troops.

The verdict is the result of a compromise a number of jurymen accepting a verdict in order that they might be discharged. The verdict was a surprise, as the time the jury was out seemed to mean a disagreement. The first ballot stood eight for conviction and four for acquittal. The trial of Sam Malsagoff on a similar charge will be completed today.

CAMPAIGN IN MANITOBA.

Winnipeg, June 29.— Brisk campaigning continues in connection with the forthcoming Manitoba provincial elections, and keen interest is taken in the fight. On Saturday revision courts were held in the three Winnipeg constituencies. The Liberals made a number of protests and eighty-three names were struck off. None were struck off at the request of the Conservatives.

THE SEWER BYLAW

Tomorrow will be a holiday and on Thursday the ratepayers of the city will vote upon the sewer bylaw. It is of the utmost importance to the city that this civic measure should be adopted. The health of a community depends above everything on an abundant supply of good water and an adequate and up-to-date sewer system. The ratepayers as a whole have already endorsed the scheme to complete the city water system. They knew when they voted upon the proposal that it was to be followed by a sewer loan bylaw, and that subsequently a comprehensive scheme of street paving would be undertaken. As things stand, therefore, we may expect to see the vote on the water bylaw repeated on the sewer proposals. There is, indeed, little doubt about the ballot, provided the same vote is cast. The thing to guard against is any slackening of interest. If a number of ratepayers, believing that the bylaw is sure to carry, abstain from voting then it is possible that the measure may be defeated. There is too much at stake for the display of any indifference and no effort should be spared on the part of those who have worked so hard and so persistently to secure those improvements, to get as many as possible of the ratepayers to the polling station.

INDIANS IN AFRICA

The parliament of South Africa has before it a measure which proposes a settlement of the Hindu difficulty in that country. What has happened there and what the government now contemplates doing, ought to be an object lesson for Canada in general and British Columbia in particular. In the first place South Africa inherited the Hindu problem. It was a legacy left them by the Imperial authorities. The country had already its native problem, and to this the Colonial office added the Hindu difficulty. The Colonial office did worse than this. Immediately after the close of the Boer war, thousands of Chinese coolies were imported into the country. They were brought in at a time when hundreds of white men, many of whom had fought through the war, were looking in vain for employment. The disgrace of it so stirred up the English people that the Chinese were deported. It would have been infinitely better for South Africa if, at the same time, the immigration of Hindus had been attended to. Nothing was done in the matter, and a grave and serious difficulty has descended to the South African government.

There are thousands of Indians in the South African states, although the majority of them have settled in Natal. Only a few months ago they rose in revolt and made certain demands from the government. The measure now before parliament really embodies a serious attempt on the part of the government to meet these demands. If it passes the immigration of Indians into South Africa will not only be encouraged but the Indian settlement in Natal will be perpetuated. General Botha urged the adoption of the measure on the grounds of peace and justice. What he proposes is to abolish he license fee of three pounds sterling, and to allow each married Indian to bring in one of his wives. A great English newspaper, professing a strong nonconformist conscience, and revealing rather rigid Puritan tendencies, describes this as the concession of only an elementary right. Maybe it is, but what of the wives who are left in India? To us here in British Columbia the chief fact in these proposals is they make the Indian settlement in South Africa permanent. The Indians will be practically admitted as equals, and they will build up an Indian nation within the limits of South Africa.

The lesson for Canadians is plain enough. The fact that such proposals should have been brought forward in the South African Parliament, should serve only to nerve Canadians in their insistence on a white Canada. It points to the necessity of pressing for the permanent settlement of the whole Asiatic question by exclusion legislation. A labor member in South Africa proposed the definite prohibition of future Hindu immigration and favored monetary compensation for the deportation of the Hindus already in that country. To a certain radical element in the Old Country such a course embodies the negation of every principle of right and justice. What these people do not see and fail to realize is that the people of South Africa, as are the people of British Columbia, are dealing not with a question in theoretical justice but with a grave practical problem. The people here have also the inherent and elementary right to say who shall be admitted to the country. They ought to have a better idea and a fairer appreciation of their country's need and requirements than their English critics. They know that economically the presence of Asiatics in the province is indefensible, and from the point of view of nationhood Asiatics are not only a weakness but a positive menace. The question has been allowed to drift along too long in Canada. The experience of South Africa only proves how the difficulties of the question are accentuated by delay, and the Komagata Maru affair establishes the immediate need for a prompt and permanent solution of the whole problem.

IS NEW HEIR APPARENT.

Vienna, June 29.—When the old emperor arrived at a suburban station from Ischl he was greeted with cheers by large crowds. His Majesty drove in an open carriage to Schoenbrunn Castle, accompanied by a full staff of brilliantly uniformed officers. He appeared to be in the best of health. He was received at the palace by the Archduke Charles Francis Joseph, new heir-apparent to the throne.

To MICHAEL FOY,

TAKE NOTICE that you as one of the co-owners in the "Copper King" "Copper Queen" and "Logger" Mineral Claims, situate in the District of Nanaimo, Vancouver Island, about two (2) miles south of Elk Bay, have failed to contribute your proportion of expenditure on account of said Mineral Claims required by Section 48 of the Mineral Act and that this notice is published once a week for a period of ninety (90) days and if at the expiration of said period you should fail or refuse to contribute your proportion of the said expenditure (required by the said Section 48) together with all costs of advertising your interest in the said Mineral Claim will vest in manner provided in Revised Statutes of British Columbia 1911, Chap. 157, Sec. 28.

Dated 23rd day of June, A. D., 1914.

June 30. law. H. McCORMICK.

DECLINE SUBSTITUTES

BOYS ADMIT BURGLARIES

Regina, June 29.—Compliciting in a series of burglaries, which have baffled the Regina police for two months, was confessed yesterday by four boys all under sixteen years of age. It is understood that the boys have admitted that they were implicated in the robbery of the Ideal Bakery, the armory of the 26th Battery, the Rex Grocery and Jackson's fruit store. They admitted that they entered the armory on several occasions.

Nineteen prisoners are to appear before Mr. Justice Gregory this morning at 11 o'clock in the Vancouver assize court room in order to have sentence passed upon them. They are the prisoners found guilty at the recent assizes, on whom sentence has not yet been pronounced. Twenty-four accused in all were found guilty, but of these George Van Horst and Frank Bevaqua, found guilty of murder have been sentenced to death — the law allowing the judge no descretion in regard to the punishment for murder, Van Horst is to be executed on August 19, and Bevaqua, unless reprieved, on September 1.

Ask for Minard's and take no other.

NANAIMO PRISONERS SAY SERVED OVERTIME

During the inspection visit of the grand jury to the provincial jail two of the prisoners, miners sentenced to twelve months incarceration for rioting on Vancouver Island during last year's strike, received permission from the warden to make a presentation, says Saturday's New Westminster News.

The men complained that their sentence of twelve months had been imposed by Justice Morrison to date from the time of their arrest whereas the committment warrant was made out from the date of their conviction. Justice Morrison's sentence, according to the prisoners would cut off fout months of their time and affect six men. Representation has already been made to Ottawa but it appears that the authorities consider the fact of the men having been out on bail pending their trial, debars them from benefitting by their construction of Justice Morrison's sentence.

J. J. Johnson, foreman of the grand jury, promised to bring the subject up, personally, with Justice Morrison and elicit his opinion on the matter, for which the men thanked him.

The spokesmen of the miners were Jordan and Whitely of Nanaimo. The other men involved are Martin, Smith, Serrati and Gowland.

"In the 25 years that I have been in the province I have never seen the country in such excellent condition—it is a marvel—the hay, grain, vegetable and fruit crops are looking fine," states William E. Scott, deputy minister of agriculture who is in Nelson after a tour of the Okanagan, Similkameen and Boundary agricultural districts.

The French ministry of marine is planning to recover 1000 brass cannons that were lost in a naval battle in the English Channel 222 years ago.

EMPRESS OF IRELAND FUND.

London, June 29.—The Empress of Ireland London fund has been increased to £42,000 while the Liver pool fund has reached £22,000.

EXPLOSION IN MINE CLAIMS ONE VICTIM

Trinidad, Colo., June 29.— The wrecked shaft of the Royal mine near Aguilar, yielded today the body of Matt Schmitz, a shot-firer, 40 years old, sole victim of an explosion last night. That Schmitz was the only person in the mine at the time of the explosion was the statement of mine officials. The cause of the explosion is unknown. The Royal mine employs about 30 men and has been operating as a non-union mine.

LAURENCE IRVING'S ESTATE.

London, June 29.—The court today granted H. B. Irving leave to presume that his brother Laurence is dead. The deceased's estate amounted to about £1,000 and his will bequeathed it to his wife. The court ordered that her death also should be presumed.

RUN ON CHICAGO BANK.

Chicago, June 29.—Three hundred persons, mostly foreigners, were in line when the North Avenue State Bank opened its doors today and the run, begun Saturday, was resumed. Publicity attending the failure of the Lorimer-Munday banks is held responsible.

A cabled message of thanks has been received by Sir Richard McBride from the officers attending the international congress of the Salvation Army in London for his message of sympathy in the bereavement sustained by the army in the loss of so many of its members, delegates to the congress, in the foundering of the Empress of Ireland.

The Poor Man's University

"JONES knows more about motor cars than any other man I know," said a man to his friend. "He has obtained his knowledge chiefly from motor car advertisements, and the catalogues and booklets circulated through them."

"All I know about photography," declared a well-known amateur, "I have learned from the men who advertise cameras, plates, papers and films."

Advertisements have been well called "The Poor Man's University," but other than poor men have been schooled thereby.

Much of what the average individual knows concerning personal and domestic hygiene, modern office methods, books and authors, electricity, precious stones, investments, and almost everything else, he has learned from advertisements.

Advertisements have stimulated our intelligence, added enormously to our knowledge, and given us aspirations which have raised us to higher levels of thinking and living. Advertising is indeed "The Poor Man's University."

If you are doing a local business talk over your advertising problems with the Advertising Department of this newspaper.

If you are doing a provincial or national business it would be well for you to have the counsel and assistance of a good advertising agency. A list of these will be furnished, without cost or obligation, by the Secretary of Canadian Press Association, Room 503, Lumsden Building, Toronto.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining right of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the North-west Territories and in a portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,500 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-agent in the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal sub-divisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise.

A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10.00 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or sub-agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

N. B.—Unauthorized publication of this advertisement will not be paid.

At the Yarmouth Y.M.C.A. Boys' Camp, held at Tusket Falls in August, I found MINARD'S LINIMENT most beneficial for sun burn, an immediate relief for colic and toothache.

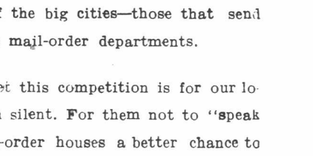
Offsetting Competition

The thing for the merchants of this community to do in their own interests is to advertise faithfully, and to make their printed announcements interesting and helpful to those whose trade and favor are desired.

The serious competitors of the retailers of this community are the big stores of the big cities—those that send out catalogues and have mail-order departments.

The poorest way to offset this competition is for our local merchants to remain silent. For them not to "speak up" is to give the mail-order houses a better chance to get business from this community.



A WORD TO THE PUBLIC

When you send your money out of this community, you enrich the great shops and impoverish this community. Strengthen, not weaken, the merchants of this community. It will all be returned to you in the form of better service and better values.

NEWS OF SPORT

NANAIMO LOST TO VISITORS SUNDAY

A bunch of errors and the inability of local batsmen to find Biddle, the visitors' pitcher, was the cause of Nanaimo's defeat Sunday by the B. C. Telephone Company's baseball team of Vancouver to the tune of 6 to 3. Out of the nine runs scored only one was earned and that went to the credit of Nanaimo. This was in the third inning when E. Martin singled, stole second, went to third on Shepherd's sacrifice and scored on Piper's sacrifice fly to deep left field.

Owing to H. Martin's illness, Harry Boyce pitched for Nanaimo and despite the fact that he had not done any pitching for some time, went into the box and twirled a splendid game. Only four hits were secured off his delivery and he fanned nine batsmen and had he been given any kind of support whatever would have won his game.

Sunday's game was a weird exhibition of baseball as far as fielding was concerned as a total of seventeen errors would indicate, thirteen of which go to the credit or better the discredit of Nanaimo, while the visitors got away with but four misplays. It was by reason of making fewer misplays that the visiting Telephone boys were enabled to take the measure of the locals Sunday before a fair-sized crowd of fans, who did not fail to root for a home victory.

The box score of the game is as follows:

Nanaimo.	AB.	R.	H.	PO.	A.	E.
Piper c	3	1	1	12	3	3
Little ss	4	0	0	1	0	1
Killeen 2b	4	0	0	3	2	4
Boyce p	3	1	0	0	3	1
Beattie, cf	3	0	1	3	0	0
Weeks lf	4	0	0	1	0	1
Thompson 3b	3	0	0	2	1	3
E. Martin 1b	4	1	1	5	1	1
Shepherd rf	3	0	1	0	0	0
	31	3	4	27	10	14

Vancouver.	AB.	R.	H.	PO.	A.	E.
Mowatt cf	5	0	2	0	0	0
Black 1b	5	2	1	7	0	0
Bullard ss	4	0	0	0	2	2
Lemon c	4	1	0	10	3	0
Biddle p	4	1	0	0	4	1
Farmer lf	4	1	1	2	0	0
McGuigan 3b	4	0	0	4	2	1

Hits . . . . . 1 0 1 0 0 1 1 0 0—4

Summary: Earned runs—Nanaimo, 1. Two-base hits—Mowatt, Piper. First on balls—Off Biddle 2, Boyce 1. Struck out—By Biddle 9, Boyce 9. Left on bases—Nanaimo 5, Vancouver 4. Double Plays—Boyce to Martin to Piper, Bullard to Fontain to Black. First base on errors—Nanaimo 3, Vancouver 4. Hit by pitcher—Thompson by Biddle. Umpire—J. Aitken.

JOHNSON MATCHED TO FIGHT LANGFORD

Paris, June 29.—Undiscouraged by his defeat on points Saturday night in a twenty-round fight for the heavyweight championship of the world by Jack Johnson, Frank Moran, of Pittsburg rested yesterday at his camp at Meriel-on-the-Oise. Johnson also remained at his training quarters, nursing a badly swollen hand and receiving a number of visitors. Johnson attributed his injured fist to the fact that he wore for the first time four-ounce gloves instead of gloves weighing five ounces.

Johnson has agreed to fight Sam Langford the middle of October. For this battle he will receive $30,000 win lose or draw, and in addition will be given 50 per cent. of the moving picture receipts. The articles for the fight with Langford will be signed in London July 15.

Beyond a bruised nose received by a punch from Johnson in the tenth round, and a cut over the eye, Moran shows no effects of the punishment administered to him by Johnson.

"I do not look like a man who had been killed," said the Pittsburg man as he was partaking heartily of a substantial breakfast. "I figured I could whip Johnson in view of his age, but I now believe him to be as strong as he ever was. I hope to secure a match with Sam Langford, as I want to meet the toughest man I can get. I believe I could have won from Johnson except for the foul blow on the nose in the tenth round which sent the blood down my throat and strangled me. The result of the fight has anything but discouraged me, and I shall go into training immediately."

DOMINION DAY AT NORTHFIELD

The committee of the Dominion Day Celebration announce their annual sports to be held at Northfield, Wednesday, July 1st.

Following is a list of the events:
Girls race, 6 years and under.
Girls' race, 8 years and under.
Girls' race, 10 years and under.
Girls' race 12 years and under.

COULD NOT EAT—FAILING FAST

Captain On Great Lakes Restored To Health By "Fruit-a-tives"

For thirty years, Captain Swan followed the Great Lakes. He has now retired and lives at Port Burwell, where he is well known and highly esteemed.

H. SWAN, Esq.

PORT BURWELL, ONT., May 8th, 1913.

"A man has a poor chance of living and enjoying life when he cannot eat. That was what was wrong with me. Loss of appetite and indigestion was brought on by Constipation. I have had trouble with these diseases for years. I lost a great deal of flesh and suffered constantly. For the last couple of years, I have taken "Fruit-a-tives" and have been so pleased with the results that I have recommended them on many occasions to friends and acquaintances. I am sure that "Fruit-a-tives" have helped me greatly. By following the diet rules and taking "Fruit-a-tives" according to directions, any person with dyspepsia will get benefit". H. SWAN

"Fruit-a-tives" are sold by all dealers at 50c a box, 6 for $2.50, or trial size 25c, or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

City Hall, Nanaimo. t.f.

LAND REGISTRY ACT.

In the Matter of an Application for a fresh Certificate of Title to Lot 12 Oyster District, except 1 acre in the Northwest corner.

Notice is hereby given of my intention at the expiration of one calendar month from the first publication hereof to issue a fresh Certificate of Title in lieu of the Certificate of Title issued to George McMillan and John McMillan on the 9th of July, 1901 and numbered 6929 C, which has been lost.

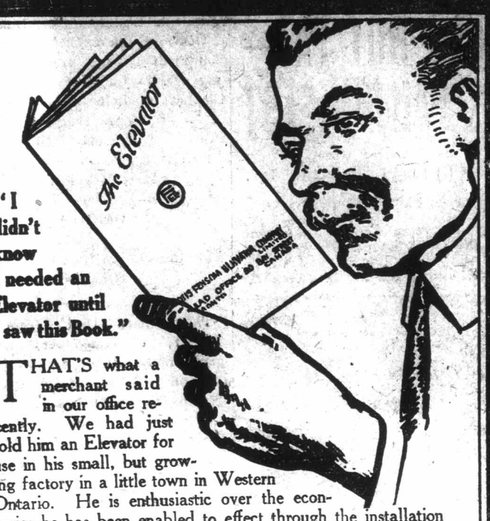
Dated at the Land Registry Office, Victoria, British Columbia, this 8th day of June, 1914.

S. Y. WOOTTON,
Registrar General of Titles.
June 10, 1914.-30d.

WATER NOTICE

Application for a license to take and use and to store or pen back water will be made under the "Water Act" of British Columbia, as follows:

The name of the applicant is The Qualicum Water Company. The address of the applicant is Qualicum Beach, Vancouver Island. The name of the stream is Mosquito Creek. The stream has its course in the Hamilton Swamp, D.L.s. 34 and 42, Newcastle district, and flows in a northerly direction and empties into the Gulf of Georgia, about two miles east of the Little Qualicum River. The water is to be diverted from the stream on the west side about 1,000 feet from the mouth. The purpose for which the water will be used is waterworks purposes. The land for which the water is to be used is described as follows: Lots 54 to 63 Newcastle district and adjacent property. The quantity of water applied for is as follows: 1 cubic foot per second. This notice was posted on the ground the 23rd day of May, 1914.



A copy of this notice and an application pursuant thereto and to the requirements of the "Water Act" will be filed in the office of the Water Recorder at Nanaimo, B. C. Objections may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B. C.

"I didn't know I needed an Elevator until I saw this Book."

THAT'S what a merchant said in our office recently. We had just sold him an Elevator for use in his small, but growing factory in a little town in Western Ontario. He is enthusiastic over the economies he has been enabled to effect through the installation of a small hand-power Elevator costing but $70.00. He has discovered the secret of efficiency in handling goods and filling orders. He has learned how to cut out unprofitable methods and reduce the cost of labor by eliminating waste time and needless effort.

Perhaps you may find in this Book the solution of your most difficult problem. Isn't it worth writing for?

CARD

Mr. John Kidd, East Wellington, wishes to express his heartfelt thanks to the gentlemen who recently took up a subscription in his behalf, and also those who contributed to the same. 1t.*

Mr. C. St. Barbe of Sidney, a well known journalist of B. C., is in the city for a few days. Mr. St. Barbe was the first editor of the Vancouver Province and was also editor of the Rossland Miner.

The Royal Bank of Canada will commence to erect their new premises at Union Bay on the 2nd. of July which will be similar to that recently built at Courtenay and will cost in the neighborhood of $6,000.

Owing to Wednesday being Dominion Day, the local baseball team will hold a big practice this evening on the Caledonian Grounds. At the close of the practice a business meeting of the club will be held in the parlors of the Lotus Hotel.

On the Caledonian Grounds Sunday afternoon, a team representing the Merchants' Employees' Association of this city defeated Pat. Burn's Shamrocks of Vancouver, at baseball by a score of 14 to 5. The game was called in the fourth inning to allow the visitors to catch the afternoon boat for home.

James Patterson, eight years of age, son of Mr. and Mrs. Patterson, Gillespie St. was run over by a coal car last evening and suffered a fracture of the leg above the knee. The lad was removed to the hospital and given every attention.

Ask for Minard's and take no other.

McRae & Lucier's store will be open tonight to 9 o'clock.

Madame Verona, the great palmist and cord reader of the world, one week only, Vendome Hotel, room 1. Readings today for those in business during the week. 3t

$1,000,000 mystery. Bijou, Tuesday.

Under a special dispensation order from the American secretary of labor the two Hindu girls who arrived on the Empress of Russia on May 30 and were refused admission to the United States by officials of the United States immigration service have been allowed entry on bonds. The children aged 14 and seven years respectively were brought over from Calcutta by two missionaries, Rev. E. G. Eaton and Mrs. Eaton, who planned to put them in a university maintained at Pasadena by the Pentecostal Church of the Nazarene in order to train them for missionary service in India.

HOSPITAL ACCOUNTS.

Tuesday, June 30th is the end of the fiscal year for the Nanaimo Hospital and all accounts against the institution must be sent in by Thursday, July 2nd.

JOHN SHAW,
Secretary.

CITY COUNCIL IN SESSION

(Continued from Page 1)

The recommendation of the committee was endorsed on motion of Ald. Young, seconded by Ald. Forrester.

City Engineer Owen reported expenditure in wages during the week of $359.70 on streets account and $491.40 on Waterworks account. He also reported that up to Saturday last the sum of $2467.05 had been expended on the Nicol street regrade.

City Clerk Gough reported the petition presented for the construction of a cement sidewalk on Prideaux street was sufficient to allow the work to proceed.

Ald. Forrester moved the report be received and filed and the Street committee instructed to proceed with the work as soon as possible. The motion was seconded by Ald. Young and adopted.

The bylaw to consolidate the several Permanent Sidewalks Construction Local Improvement Bylaws was reconsidered by the Council and finally adopted, the clerk being instructed to sign the same and affix the Corporate Seal thereto.

Mayor Planta informed the Council that the Nicol street ratepayers were in favor of having that street paved. He had been told by a resident of that street that a large majority of the property owners of Nicol street were in favor of having the street paved and he felt the Council should take steps to have the paving arranged for. He was of the opinion the proper procedure was for some member of the Council to ask permission to introduce a bylaw to have the work carried out in accordance with the wishes of the property owners affected.

Ald. McKinnell understood a petition was being circulated in favor of the proposal.

Ald. Young reminded the Council that the Legislative Committee had not yet compiled the bylaws so that they could be made workable in the courts.

In reply to Ald. Young, Ald Busby stated the committee was at present at work on the bylaws and would put them into proper shape.

Ald. Busby brought up the question of more assistance being needed for City Clerk Gough, and after a lengthy discussion on the subject the Council, on motion of Ald. McKenzie, seconded by Ald. Young, authorized the Finance Committee to engage whatever extra help was required in the City Clerk's offices.

Council then adjourned.

CONSIGNEES MONDAY

C. Piper, Hong Chong, A.J. Smith P. Burns, E. Quennell, L. Manson, G. Lake, Order Merchants Bank, J. S. Knarston, F. Wagstaff, J. Hirst, J. S. Brown, Kwong Yick Lung, G. S. LOW EXCURSION FARES are being offered on the Grand Trunk Pacific Steamship six-day cruises to the Alaska Coast (Stewart) for the month of July only. $38.00 includes means, berth and all expenses. Write to C. F. Earle, Passenger Agent, Victoria, B. C., for illustrated booklet and sailing list.

Chief Forester MacMillan announces that the forestry board has decided to exempt the district of Esquimalt from the requirement under the Forest Fires act of the issue of permits before fires can be started. The board took into consideration the fact that there is very little timber in the district, and that the local authorities would be quite well able to look after any fires which might start.

The earthquake in Sumatra, which did so much damage to shipping and buildings, was recorded on the seismograph at the Gonzales Hill observatory, Victoria, the pendulum continuing to vibrate for two hours. Two other earthquakes were recorded during the week but both were small affairs.

Arrangements have been made by the transportation department of the British Columbia Electric Railway Company, Vancouver, for the accommodation of heavy traffic on Dominion Day, the number of special attractions offered, and their location being such as will probably demand the services of all available city and interurban cars, provided the weather remains favorable.

Now that the railway is open to Fort George, several gangs have been put on at different places along the line by Foley, Welch & Stewart to load the contractors' outfits which are to go through to Fort George for use on the Pacific and Great Eastern railway.

VOLUME XIV NANAIMO, VANCOUVER ISLAND, BRITISH COLUMBIA, WEDNESDAY MORNING, JULY 1, 1914 NUMBER 99

ATTRACTIONS FOR DOMINION DAY

Northfield Has Arranged a Splendid Program of Events For its Annual Celebration Today.

With weather such as there has been this week today's holiday will be thoroughly enjoyed by all Nanaimo citizens. There is no celebration in the city, but there are enough of attractions in the vicinity to provide ample entertainment for all who care for this form of enjoyment. Besides the beaches and rivers and woods are free to picnickers and there will be a general exodus from the city.

Among the outside attractions is a celebration at Parksville. A first-class programme of sports has been arranged, and the day's events will be brought to a close with a dance commencing at 11 o'clock. This should prove an attractive day's outing for local owners of automobiles and rigs.

Northfield also is holding a big demonstration. Anything that Northfield sets its hand to is invariably well done, and its celebrations in the past have all been remarkably successful and thoroughly enjoyable to the visitors. The programme today is more ambitious than ever. Apart from field events in which athletes, women and children are all catered for, there is to be a big football match and a big baseball game. The competitors in the former will be the Nanaimo Athletics and Northfield Violets, the holders of the People's Shield, and in the latter the Northfield Beavers and a team from Ladysmith. The Silver Cornet Band will be in attendance during the sports, and Harvty's orchestra will play for the grand dance with which the celebration will be brought to an end. Such a programme ought to

...e sports will commence at 9 o'clock prompt, all entries taken on the field. The entries for the quoiting competition close at 11 a. m.

The judges' decision will be final.

The annual picnic of the Onward Lodge No. 2 I.O.G.T. will be held today (July 1). Protection Island is the destination and launches leave the Farmers' Landing at 9:45 a. m. Each member is entitled to take a friend. All members and friends heartily invited and a good time is assured.

SCOUTS GO TO CAMP ON FRIDAY

The First Nanaimo Troop, Boy Scouts will go to camp at Parksville on Friday, July 3rd, instead of Saturday as announced. This alteration is owing to the fact that the train does not run to Nanoose on Saturday.

About thirty-five Scouts will be under canvas this year for the week's training and everything points to a very successful camp.

SIX WOUNDED BY HONOR SALUTE

Kansas City, June 30.—A shot that wounded six persons seated on the observation platform of an eastbound Burlington train near Liberty, Mo., last night was an "honor salute" fired for the women on the platform, according to Fred Scudiero, 24 years old who admitted today that he fired. He said he had no intention of injuring anyone, as he fired his shotgun in the air.

Scudiero's arrest followed the arrest of two companions who, with Scudiero, had been hunting near the scene. Scudiero is held under a formal charge of investigation.

NO PAPER TOMORROW

Today being a holiday there will be no issue of The Daily Herald tomorrow.

DEATH OF MRS. JOSEPH McCOURT

...n Resident ...ed Away ...Vancouver at an Early Hour Yesterday Morning.

The death occurred in Vancouver at an early hour yesterday morning of Mrs. Joseph McCourt, for many years a resident of Nanaimo.

The deceased had not been enjoying the best of health for some time, but her condition was never such as to cause serious alarm to her relatives. On Sunday night, however, she suffered a stroke of paralysis, and death resulted at 2 o'clock Tuesday morning.

A native of Pennsylvania, aged 64 years, Mrs. McCourt came to British Columbia 16 years ago, taking up her residence in this city and lived here up to 7 years ago when the family moved to Vancouver where they have resided up to the present time. The deceased was well known in Nanaimo and had many friends here who will extend their sympathy to the bereaved relatives in their hour of sorrow. Besides her husband, the deceased leaves to mourn her loss, one son, Mr. Samuel McCourt of Vancouver, formerly of this city, and Miss Jennie McCourt who was residing with her parents.

The funeral will be held in Vancouver, the date of interment not yet been fixed upon.

PIERROT PERFORMANCE ON NEWCASTLE ISLAND

Arrangements are in progress to give a Pierrot entertainment on Newcastle Island facing towards the gap on Thursday evening, July 23rd. The proceeds of the concert will go towards the new hospital fund, and the promoters will be assisted by the Ladies Auxiliary. The plan of the promoters at present include a ten-piece orchestra, while most of the prominent vocalists and entertainers in the city and district have promised their assistance. If the concert should prove a success, as there is no doubt it will do, other similar entertainments will be given during the summer season. It is a splendid idea and the promoters should be given every encouragement and assistance in their original venture.

Messrs. William and Hugh Mitchell leave this morning for Coleman where they will take up their residence.

"MR. SPEAKER"

The Hon. James Lowther, Speaker of the British House of Commons. The Speaker in Britain's Parliament is not, as in Canada, a member of the House but is a non-partisan and well paid official. Mr. Lowther is an ardent golfer.

JACK KONG GIVEN LIFE SENTENCE

Judge Gregory Described the Crime as One of Almost Unparalleled Cunning and Ferocity.

Vancouver, June 30.—At the close of the Vancouver assizes this morning Mr. Justice Gregory sentenced Jack Kong, the Chinese found guilty of manslaughter in the case of Mrs. Charles J. Millard, to life imprisonment. Before sentence was passed Alexander Henderson K. C., for the defence, made a plea for leniency.

Mr. Justice Gregory replied'

"You had better address your remarks Mr. Henderson, to the minister of justice.

To the prisoner the judge said: "While I personally feel that your crime was murder, the jury in their discretion found you guilty of manslaughter, and there certainly was evidence on which they might very properly have come to that conclusion. The parliament of Canada has fixed the extreme penalty for the crime of manslaughter at life imprisonment. After having considered the evidence, I cannot find any extenuating circumstances in the case which should lead me to impose a lesser penalty. On the contrary, I find that your crime was characterized by almost unparalleled cunning and ferocity. The sentence of the court is that you be confined in the penitentiary for the term of your natural life."

Other sentences at the assizes were: Nick Cobett and Dominic Savali, attempted murder, 5 years in the penitentiary; Altx. Yossitz, attempted murder, 2 years and 6 months; Henry Glasson, attempted murder, 3 years and 6 months; Donato Debonas, wounding, 3 years and six months; Harvey Lamotte Virgil, manslaughter by automobile, 2 years and 6 months; Charles Whitem, wounding with intent, 3 years and 6 months; A. J. Smith, conspiracy to defraud, 4 years; Shajoo Ram, perjury, five years; Fred Williams, indecent assault on child, 2 years and fourteen lashes; Thomas Papas, offence against morals, 5 years; Hames Vaise, offence against morals, 5 years; Richard Wallace, passing worthless banknote, 2 years and 6 months; Joe Rasselli, wounding, 18 months hard labor; James Turner, false pretences, 12 months; Leander Peltier, aggravated assault, 2 months from May 26 Henry Hooper, false pretences, suspended sentence; James Page, assault, released from detention.

PICNIC TODAY

With the good weather in prospect the Wallace Street Methodist A. B.C. basket picnic bids fair to be one of the most successful held under its auspices. All the arrangement are now completed and Tom McLay has given his word to provide a good boat service to Newcastle Island.

A committee of young ladies will look after the sale of ice cream and cooling drinks to all who desire such refreshments, and the hot water proposition is in charge of a gentleman who thoroughly understands the business. An impromptu program of sports and games will be arranged for the amusement of all who may patronize the event.

RATEPAYERS TO VOTE TOMORROW

City Sewer Extension Bylaw Vote Tomorrow—Every Vote is Required to Carry This Important Measure.

The City Sewer Extension Bylaw vote will be taken tomorrow. The polling place is the Old Court House on Front street next to the post office building. Voting will start at 9 a.m. and close at 7 p.m.

The advantages of passing this bylaw are readily recognized by the great majority of the citizens. The danger to its favorable consideration by the public, however, is that in the belief that the bylaw will carry not enough people will take the trouble to attend the poll to give it the necessary majority, a three-fifths majority being required to pass it. This means that three votes in opposition to the bylaw are equal to five in favor of it. It behooves all voters therefore, in favor of the passage of the bylaw to be sure and vote tomorrow.

The bylaw asks for the sum of $30,000 and with its passage the last obstacle against the immediate paving of the streets already outlined will have been removed. From the standpoint of health, convenience and the provision of work for the local workmen the bylaw should be passed.

The arguments in favor of the bylaw are sufficiently well known by this time so that further comment is superfluous. What is required is for every ratepayer to feel the necessity of going to the polls and casting his or her vote. If this is done there is no fear but that the bylaw will be carried by a handsome majority.

RIVAL ARMIES MET AT EXTENSION

The Blue and Red detachments from the Civil Aid Force of Nanaimo and the 88th of Victoria, who have been conducting a series of manoeuvres between here and Ladysmith since Sunday afternoon met yesterday morning near No. 4 mine, Extension, where an engagement took place. Last night both armies bivouacked at Chase River and it is likely they will come into the city early this morning.

A conference of the umpires was held last night where the points in the competition were gone into carefully to see which were the victors.

Since entering into the manoeuvres both detachments have lived a strenuous life, sleeping in their clothes and bivouacking at night under their blankets. Forced night marches have been frequest while the scouts have also had a busy time. The Nanaimo Cadets attached to the troops have had a royal time and have learned more of what real scout work is like in the last few days than they ever knew before. Both officers and troops of all regiments engaged have benefited from the manoeuvres.

MORE PRIZE CHICKENS STOLEN ON FIVE ACRES

The chicken thieves who have been operating on the Five Acres these last few weeks made another raid Monday night, the victim this time being Mr. Wm. Newbury, the well-known florist. Mr. Newbury was raising some prize stock for exhibition and breeding purposes, and the raiders lifted all the pullets from one pen leaving only the rooster.

This makes it evident that the thieves are not ordinary chicken snatchers. This makes the fourth theft of the kind and it is fairly evident that the depredations are the work of one party. In the four cases which have been reported to the police, prize birds have been taken in every instance. Moreover only pullets are taken. Evidence was also left at Newbury's which shows that it is live chickens and not dead ones the thieves are after. Some party or parties are planning to raise prize stock at the expense of local poultry raisers and so far they have succeeded only too well.

The police are patrolling the district, but so far have failed to come across a clue which might lead to the apprehension of the theives.

MR. AUGUSTINE BIRRELL

Chief Secretary for Ireland. He made the statement in the British House of Commons that the Nationalist Volunteers were increasing by 15,000 weekly, but that their purpose was purely defensive.

REFUSED TO BE COERCED

Ontario Premier Says That Province Refused to be Coerced or Threatened By Clergymen.

Toronto, June 30.—All last night and today telegrams of congratulation poured into the Parliament buildings and the home of Sir James Whitney felicitating the Premier upon his return to power with practically the same following in the House that he had in the last Parliament. The Premier was particularly cheerful and elated over the result of yesterday's vote. Today Sir James made the following statement:

"Again the people of Ontario have placed my colleagues and myself under a tremendous load of obligation to them. The acts and policy and the work done by the government have been justified, and indeed, as is well known, they were hardly criticized by our opponents.

The outstanding fact is that the people of the province refused positively to be threatened and coerced by a few demagogic clergymen, who, anxious above all things for the success of Mr. Rowell, were not ashamed to make use of a question like the so-called temperance question as a scourge to drive us out of office and put their friends into power."

Accounts are probable in North Wentworth, West Kent, North Bruce, and East Lambton, where the majorities are unofficially reported as being very close. There are also possibilities of recounts being demanded in North Brant, South Essex and South Oxford.

The final results show that W. McDonald, Liberal, was elected in North Bruce by a majority of 12. A Sinclair, Conservative, defeated Colonel Mayberry in South Oxford by a majority of 4. The net Conservative majority in the House will be 59.

The Inland Revenue collections for the month of June were:

Spirits	$ 734 45
Malt	1101 08
Raw Leaf Tobacco and Cigars	278 60
Total	$2215 13

The bi-annual convention of the Grand Grove officers of the United Ancient Order of Druids of B. C. was held at the Oddfellows hall at Ladysmith on June 26th.

Among the passengers to Vancouver yesterday afternoon per the Patricia were Mr. and Mrs. W. T. Kemp, M. Woodburn, C. F. Wilson, Mrs. Dan Campbell, Mr. and Mrs. Wm. Bogle, Morgan O'Brien, Mr. and Mrs. Jos. Neen, J. Briginshaw, Alex. Henderson, James Lewis and Mrs. J. Hillier.

Yesterday was the last day for securing the ten per cent discount for the prompt payment of provincial taxes and Assessor Edwards and his staff had a busy day of it. Although they were not able to total up the amounts collected so far for 1914 they are under the impression that the amount will be greater than last year. Other points report the same satisfactory condition of affairs despite the general business depression existing throughout the country.

RIOTING FOLLOWS ON ROYAL ASSASSINATION

London, June 30.—Anti-Servian riots are occuring in various parts of Austria-Hungary, as well as at Garayeod as the result of the grim tragedy that has befallen the ill-fated house of Hapsburg.

Several hundred persons, including the Servian deputy, Athansasius Solo, were arrested during the rioting which lasted until martial law was declared. The mob divided itself into several groups and marched through the streets everywhere wrecking and destroying the property of the Servians. Solo was arrested at Nevesinge and charged with inciting sedition.

The rioters consisted for the most part of Moslems of the lowest class. They looted shops, throwing the contents into the streets and invaded private dwellings. The residence of a rich Servian, Mr. Jestenovich, a member of the Bosnia diet and stepfather of the Servian minister of Russia, was pillaged and all the furniture of the Hotel Europe, belonging to Jestenovich was smashed. The hotel omnibus, carriages and sledges in the stable were smashed beyond repair. Jestenovick was arrested.

The mob wrecked another Servian-owned hotel, many other hotels, cafes and shops. A veritable panic was created and women threw themselves on the ground weeping hysterically. The police were powerless, while Servians were chased and maltreated. Some retorted by firing on the crowds. One man carrying a portrait of the German emperor was killed. Finally large detachments of troops were called out and martial law was proclaimed.

SOMERSET HOTEL CHANGES HANDS

Mr. Jos. Carr Old-Time Resident and Well Known in Nanaimo Has Taken Over The Popular Hostelry.

A couple of property deals of considerable importance in the Wellington district were practically completed yesterday, by one of which the Somerset Hotel, the well known wayside hostelry, again changes hands. The new proprietor is Mr. Joseph Carr, an old resident of the district and well known in Nanaimo. He has lived for many years on his ranch, adjoining the Somerset Hotel, so that he starts in the hotel business with the advantage of a wide circle of acquaintances and friends.

Mr. Jarrett- from whom Mr. Carr is buying the business, made considerable alterations and improvements to the hotel, and under his genial management it has become the most popular of the wayside hostelries on the north road. Mr. Carr takes charge of the business today, and there is no doubt that he will make an admirable and very successful host.

The second deal was the sale of the Carr ranch to Mr. Jonathan Haugnan. The ranch consisted on some 96 acres of land with house and outbuildings, stock, machinery, and implements. The two sales together aggregate something like $15,000.

MONDAY WAS THE HOTTEST DAY

Monday was the hottest day of the present year, the thermometer registering 80 degrees. Yesterday the highest temperature registered was 76 and on Sunday 76.1. The amount of rainfall during June at Nanaimo was 1.7 and there were 249 hours of sunshine. The minimum temperature for June was 41.8.

London, July 1.—Sir Colin F. J. Campbell, for many years head of the musical college for the blind, and who was knighted in 1909, died today.

A Chinaman employed at Extension got caught in a rope Monday morning and the injury was so great that the doctors found it necessary to amputate one of his legs. He is now in the Ladysmith General Hospital.

WILL RIVAL THE BIJOU

Opera House Improvements Nearly Complete Will Make Place Equal of Bijou in Appearance.

Good progress is being made on the alterations on the Opera House. Mr. Nichols, who holds the lease, is personally in charge of the reconstruction, and under his able management the house is quickly assuming the appearance of a metropolitan theatre. When finished it is said that the interior of the house will rival, if indeed, not surpass the Bijou.

The top gallery of the house has been taken out and a new balcony built extending over considerable of the floor space, and giving a much increased seating accomodation. At the rear of the balcony a large rest room is being built for ladies. New seats are being placed throughout the house, and the stage improved. A fine appearing orchestra pit has been constructed with private boxes at either side. In both the ground floor and the balcony, the lower walls are being panelled. For the present it will not be possible to tint and decorate the walls, but just as soon as the plaster dries thoroughly, this will be done. More exits have been built and in every way Mr. Nichols has planned for the comfort and safety of patrons.

Mr. Nichols has not decided yet when the house will be opened, or with what show, but he has ambitious plans for the place, and will give Nanaimo the best that can be had. If certain unformulated plans are acted upon, the city will be more than surprised at the class of shows that will be presented.

The improvements will be finished in about a week's time, and announcement of when the house will be opened will be made ... ords.

CONSIGNEES TUESDAY

G. R. Conway, Sam Lung, Pong Kee, A. J. Smith, P. Burns, Rawlinson & Glaholm, T. Wallace, F. Wagstaff, Crescent Fish Market, E. Quennell, D. H. Beckley, J. Bevan, L. NANAIMO STUDENTS TYPEWRITING TESTS

The result of the Remington Typewriter Tests held in the Sprott-Shaw Business College, Nanaimo, have just been received from the head office of the Remington Typewriter Co., New York, where they have been sent for correction. The marks made by the students have not come to hand with the exception of the Gold Medal Test. The successful students are as follows:

Primary Award — Remington pennant and 3½ months attendance of two hours per day typewriting—speed required, 25 words per minute net—Miss Hattie Nicholson, Miss Agnes McArthur.

Intermediate Award — Certificate and card case, writing at the rate of 40 words per minute net—Misses Elsie Jackson, Doris Hansen, Caroline McMillan, May Saville.

Gold Medal Award—Speed required 55 words per minute net—Miss Willa McGirr.

Miss McGirr succeeded in writing on this test, 70 words per minute net, and has been highly commended by the New York Board.

The college is open during the summer months. Teachers and students who wish to devote part of their holidays to studies may enter at any time.

THE ONTARIO ELECTIONS

The Temperance people in Ontario are not without political discretion, and what is rarer still political gratitude. They have refused to be made the dupes of a mean political job and have shown their confidence in the man who has given them reasonable temperance legislation. Rowell, the Liberal leader, has played his last trick, and to all appearances is out of the game. It was a gamester's chance he took. The Whitney administration is acknowledged to be the best Ontario has ever had. Sir James himself is one of the strongest personalities ever known in Ontario politics. His own record as well as the record of his administration left his Liberal opponents with no hope of accomplishing his defeat, the more especially as they had gone out of office under a big cloud of mismanagement and worse. Sir James had taken pains to give legislative effect to the temperance sentiment of the province. The power of dealing with the liquor traffic was handed over to the people themselves by a measure of prohibition, and [illegible] the people, whether Liberals or Conservatives, could not but be satisfied with the legislation they possessed. The result of the elections has shown that they were satisfied and faddists and fanatics and political gamesters have suffered a well-deserved humiliation.

with the cry of "Abolish the Bar," and on that issue he has gone down to humiliating defeat. His idea was that on such an issue he would rally all the temperance people of the province to his side which meant overwhelming defeat for Sir James Whitney. He attempted to gain political office by sweeping away all political lines. He deserved to fail and the reasons for his failure are not far to seek. In the first place he really asked the Temperance people to turn out of office the one man who had given them temperance legislation. His political cast was based first of all on political ingratitude, and the strange thing is that the churches fell for it. It speaks very little for the sagacity of their ministers, but the fact remains. Sir James Whitney had given the people reasonable temperance legislation, legislation which met the wishes and satisfied the demands of the people. Mr. Rowell proposed unreasonable legislation, legislation which was not only unnecessary but which was oppressive and tyrannical. Yet the churches lined up solidly with Rowell, and their ministers joined in the crusade against Whitney, in spite of his excellent administrative record, and even against the fact of his great and earnest services to temperance. The churches have been turned down in this campaign with Rowell, their political inspiration and leader. They have paid the penalty of ignoring the public will. Christ started His campaign of world salvation against all authority and without regard to governments. His scheme began and ended with the individual. The Kingdom of Heaven was to come on earth in and through the change in the individual. Christ himself suffered crucifixion when he had only to will it to escape. His ministers today would legislate the world to Heaven regardless or set up the Kingdom of Heaven on earth by Acts of Parliament. If they had paused to consider in Ontario they would probably have given full recognition to the fact that the people had as much temperance legislation as they wanted. They would have realized that the people had all the legislation that was necessary to abolish the bars, and that the bars only remained because the people wanted them to remain. No doubt the people in this did not see eye to eye with the churches, and the Liberal leader arrogantly presumed that they did not know what it was proper for them to have. This is the rock on which Mr. Rowell and the churches have foundered in this election. The reasonable temperance people, whether Liberals or Conservatives, could not but be satisfied with the legislation they possessed. The result of the elections has shown that they were satisfied and faddists and fanatics and political gamesters have suffered a well-deserved humiliation.

The St. Eugene mine at Moyie, B. C., which was located in 1893 by an Indian, Father Cocola, a priest, and James Cronin, has produced up to date over $12,000,000 in silver and lead. For several years it produced three-fourths of the lead output of Canada. Then the ore bodies apparently diminished, and the property was practically shut down. Again new ore shoots have been found and some 35 men are employed and the camp which at one time was amongst the richest and most prosperous in the west, gives promise of again coming back to its former state.

FAST LOSING HIS GRIP IN MEXICO.

Latest picture of General Carranza, Constitutional leader who, it is reported has been overthrown by General Villa, photographed at Saltillo, where he had established his headquarters. Should this state of conditions be true Mexico can be verilly said to have a revolution within a revolution. Shrewd thinkers of Mexico have long reasoned that sooner or later, Villa and Carranza will have a "dog fall." Carranza while a profound student of government, has not the dashing impetuosity of Villa, or at least has not had an opportunity to win battles at the head of his soldiers like Villa.

ENTIRELY BALD

Her Hair Commenced to Grow after Two Weeks' Use of Newbro's Herpicide

"Fever caused me to be entirely bald. I had given up all hope of again having hair when I was advised to use Herpicide. After two weeks my hair commenced to grow. I now have the most beautiful head of hair anyone ever saw. Praise to Newbro's Herpicide."

Thus writes Mrs. Howard Bailey, of Bellevue, Mich. We can point to thousands of instances where the proper use of Herpicide has been followed by a remarkable growth of hair.

Newbro's Herpicide is "the original remedy which kills the dandruff germ" and stops falling hair.

Applications may be obtained at the best barbers and hair dressers.

Newbro's Herpicide in 50c and $1.00 sizes is guaranteed to do all that is claimed. If you are not satisfied your money will be refunded.

FRED C. STEARMAN, Druggist, Special Agent.

ZAPATA NOW REBELS AGAINST CARRANZA

Mexico City June 30—News reached Mexico City today that Emiliano Zapata, the southern rebel, has published a decree rejecting alliance to General Carranza and saying that the constitutionalist chief had resolved to accept the plan of Ayala, the origional Agrarian proclamation of the southern leader.

Zapata is said to have declared that he intends to extend his operations along the western coast of Mexico as far as Sonora and that he will fight Carranza forever.

The information was brought to Mexico City by persons who arrived from towns under the control of the followers of Zapata in the state of Morelos.

Minards Liniment for sale everywhere.

Commuuication

Dear Sir:—

Notwithstanding the editorials of the Nanaimo press, many of our citizens feel that this bylaw business is at present overdone. The paving scheme which is at present contemplated was pushed through under clause 9 and consequently gives the ratepayers of the streets no chance to object, though it will impose an almost intolerable burden of taxation on the working class residents of Haliburton and other streets involved.

But if the local press are correct in saying that the defeat of the money bylaw, which is to be voted on Thursday, will mean the holding back of this work, then it behooves those citizens who are feeling the ever increasing burden of city taxation to vote on Thursday against any further financial outlay in the meantime.

The City Council of Vancouver has decided in view of conditions at present prevailing, not to put forward any further money bylaws until next January.

Can Nanaimo afford to do so?

Yours truly,
LAMONT ROSS

At midnight last night West Virginia came under the operation of the prohibitory law, and henceforth the sale of intoxicants will not be lawful in that state. This means that nine states of the American Union, having an aggregate area of 2,137,750 square miles and a population of 46,629,750 are under prohibition.

NoblesseOblige

**Rank imposes obligations—
or—as the French put it—"Noblesse Oblige."**

It is a very natural and right principle that those who by their position in life command the respect of others should deserve it and be worthy of maintaining their position. "Much is expected of those in high station."

But this principle is not confined to persons of noble birth—it has a hundred applications. It applies, for example, to those manufacturers of reputation and prestige who make goods of high quality and who advertise them constantly in the newspapers of the land.

By their advertising they have attained an eminence where the very best in quality and good service is expected of them. They have set a standard and their very business life depends on the constant maintenance of it.

So that when you buy advertised articles you rest assured that you are getting the best value that money can buy.

Well may you place your faith in advertised goods. Well may you give them preference over articles which you can only hope may prove satisfactory.

For the principle of "Noblesse Oblige" is your guarantee of excellence in Advertised Goods

If you are doing a local business talk over your advertising problems with the Advertising Department of this newspaper.
If you are doing a provincial or national business it would be well for you to have the counsel and assistance of a good advertising agency. A list of these will be furnished, without cost or obligation, by the Secretary of Canadian Press Association, Room 503, Lumsden Building, Toronto.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining right of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the North-west Territories and in a portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,500 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-agent in the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal sub-divisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10.00 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or sub-agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

N. B.—Unauthorized publication of this advertisement will not be paid.

At the Yarmouth Y.M.C.A. Boys' Camp, held at Tusket Falls in August, I found MINARD'S LINIMENT most beneficial for sun burn, an immediate relief for colic and toothache.

ALFRED STOKES,
General Secretary.

Bombardier Wells knocked out Colin Bell in the second round of a scheduled 20-round bout at the Olympic Club last night in London for the championship of Great Britain.

MEXICAN MEDIATORS DECLARE A RECESS

Niagara Falls, Ont., June 30.—After a conference today between Ambassador DaGama, of Brazil, and Ministers Naon and Suarez, it was announced that mediation would formally recess tomorrow until such time as the constitutionalist delegates and Huerta representatives could confer informally on Mexico's internal problems.

The mediators came to this decision after reading General Carranza's note asking for time to consult his generals as to the informal parleys.

Minister Suarez referred to the Carranza note as satisfactory and sensible and its explanation of the need for time. All the mediators and their secretaries began immediately to make plans for departing tomorrow or Thursday, and it is now expected that by the end of the week the entire mediation colony will have left here. No time has been set for reconvening of the mediators, but it is not believed they will gather again for another two or three weeks

CANADIAN TENNIS TEAM

The Canadian tennis team which will compete for the Davis Cup has been selected and is as follows: Powell and Schwengers, of Victoria, Maires, of Winnipeg, and Sherwell, of Toronto.

HEADACHES ALMOST DROVE HER WILD

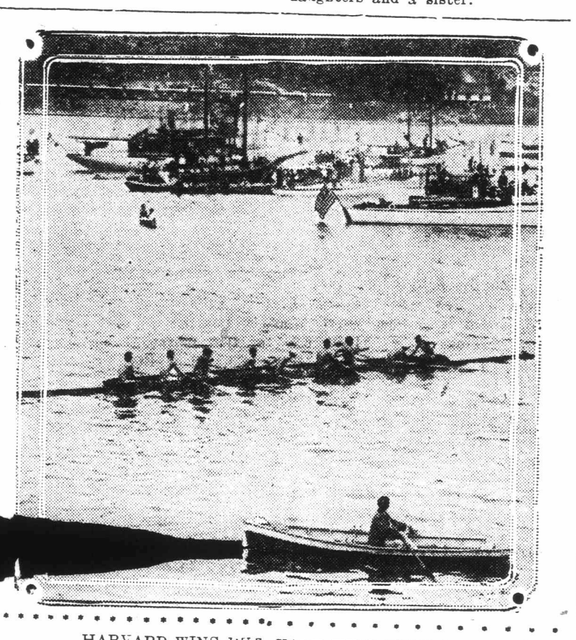
Until A Friend Advised Her To Use "Fruit-a-tives"

NEWBURY, ONT., May 29th. 1913.

"About four years ago, I was in a dreadful run-down condition, weak and hardly able to walk up stairs. Weakness peculiar to women was the chief trouble. I had Headaches that almost drove me wild, and most distressing constipation. I took many dollars' worth of medicine from the doctors without any good results.

A neighbor advised me to take "Fruit-a-tives" and they proved to be the best medicine I ever got and the only medicine to do me any good. Today, I feel as a young girl, and am able to go about my household duties as usual. My health is splendid and "Fruit-a-tives" is the cause of it". MRS. WM. CRIM.

50c a box, 6 for $2.50, trial size, 25c. At all dealers or from Fruit-a-tives Limited, Ottawa.



TO MAKE ATLANTIC TRIAL.

St. Johns, Nfld., June 30.—preparations, were made today for the work of assembling the Hydro-aeroplane America in which Lieut. J. C. Porte a former British naval officer, hopes to cross the Atlantic early in July.

Henry Gill, who arrived last night ta make final arrangements for the flight and select the starting place looked over the ground today.

LEFT OVER A MILLION

Toronto, June 30.—The will of W. Harris, of Harris Abattoir Co., was probated today. He left over one million to his widow, four sons, five daughters and a sister.

HARVARD WINS BUT YALE WINS BETTER

Yale and Harvard met on the water for the 'steen' time Friday and to the surprise of everyone, including Yale, Yale's crew won out over Harvard in record breaking time. Though Yale won, the finish was so close the spectators did not know who had crossed the line first until they got home, and read their evening papers. In the photograph above, showing the finish of the Harvard-Yale crew race Harvard's crew is at the left and they seem to be in the lead, but the picture was taken at an angle and Yale really won by 4 feet.

VERNON MAY BOX COULON AT VANCOUVER

Aberdeen, June 30.—Tex. Vernon and Monte Attel fought a ten-round draw at the Forresters' smoker last night. Tex showed wonderful improvements since his last bout with Attel At least six of the rounds went to Tex who carried the fight to Attel from the first round. Tex opened the first with speed that surprised Attel. The crowd favored a decision for Tex.

Vernon's next bout may be at the Brighthouse Arena near Vancouver, B. C. The promoters want him to meet Johnny Coulon, former bantamweight champion of the world, in a fifteen round bout within the next couple of weeks and Tex may accept. He thinks he can lick the Chicago boy and some time ago before Kid Williams took Coulon's title from him Vernon tried to arrange a match with Coulon for a side bet.

JUMPED OVER FALLS.

St. John's, N. B., June 30.—In an unsuccessful attempt to commit suicide, Mrs. Harold Climo of this city today performed a feat that last year proved too much for the nerve of daredevil Rodmand Law, the aviator an athlete who has dared death so often for the moving pictures.

As far as is known she is the only person who has made the jump and escaped death.

VAISE-O'LEARY BOUT.

Vancouver, June 30.—It is ever money and take your choice with the fight fans of the city on the result of the Johnny O'Leary-Frenchy Vaise lightweight championship bout at the Brighouse Arena tomorrow afternoon. The training camps of both boxers were visited by hundreds of enthusiasts yesterday afternoon, most of the crowd watching O'Leary work first at 3 o'clock at the Colonial Club, and then going out to the Olympic Club for Vaise's session at 4 o'clock. Opinion was pretty well divided amongst the fans, and nobody had the temerity to offer odds on the contest.

Backers of O'Leary are jubilant because he is being handled by the veteran Dick Wylie. The latter trained Vaise for his two former contests with Joe Bayley here, and it was thought that he would look after the champion's preparation again, but O'Leary beat Vaise to the Colonial Club, and is getting the benefit of Wylie's knowledge.

A new champion was made in the Brighouse Arena last Dominion Day when Vaise separated Bayley from his title, and there may be another new champion tomorrow afternoon when Johnny Coulon, former champion bantamweight boxer of the world, raises aloft the arm of the winner. Coulon will talk over the rules with the boxers today and clear up all points so that when the boys get together tomorrow afternoon at 2 o'clock they will be ready to proceed without any delay. The preliminary bout between Gil Martin of Vancouver and Jimmy O'Brien of Renton will commence at 1:30 o'clock sharp.

CALIFORNIA GIRL IN ENGLISH FINALS

Wimbledon, England June 30—Miss E. Ryan of California today beat Miss H. Aitchison in one of the semi finals of the English ladies lawn tennis singles championship by 6-4, 6-3. Miss Ryan meets in the finals Mrs. Larcombe, champion of 1912. The winner plays the title holder, Miss Lambert Chambers.

Do you eat the best corn in the whole world?

Perhaps you couldn't say off-hand what corn is the sweetest and most nutritious. Then let us tell you—it's the peerless Southern White Sweet Corn which is used in making

Kellogg's CORN FLAKES

We don't stop at selecting the best corn. We take only the hearts of it. These "Sweet hearts" are cooked under very high temperature, then rolled into flakes. Then comes the toasting which gives them their rich brown color.

Surely, when you buy Corn Flakes, you want the original—which is Kellogg's.

JAPAN HAS HOPELESS CASE IN CALIFORNIA

Tokio, June 30.—Takaaki Kato, the Japanese foreign minister today announced that details of the treaty negotiations between Japan and the United States on the subject of the Californian alien land ownership legislation would not be published out of deference to a request of the United States government and also because the publication was deemed unnecessary.

The comment today of the more moderate among the leading newspapers unanimously expresses dissatisfaction with America, but following the cue given by the foreign minister, shows a disposition soberly to discuss the subject in the hope of enlightening instead of exciting the public.

The fear is expressed that Japan's case is hopeless and there is evidence of a strong feeling that the time has arrived to fix the status of Japanese subjects living abroad.

HENLEY REGATTA.

Henley-on-Thames, England, June 30.—The Winnipeg Rowing Club crew which created a very favorable impression in their trial row on Saturday, meet the Thames Rowing Club in the first round of the Grand Challenge Cup Thursday. They should easily qualify for the second round in which case they will have worthy opponents in either Harvard University or the Union Boat Club of Boston Mass.

In the Diamond Scull Dibble of Toronto meets Scrutton on Wednesday, and if successful should be seen in the final.

The Winnipeg eight had a good outing yesterday, but easy work was the order, with the practicing of starts as the feature.

Dibble, who is in the pink of condition, passed over the course with Ernest Barry, his coach. Fred Manthie, president of the Don Rowing Club will follow Dibble's race on Wednesday in the umpire's launch.

The Union Boat Club of Boston and the Harvard University eight had spins over the course. Both showed good form. Boston was only doing light work, but the 'varsity eight underwent a half-course trial against the stream, which they rowed in 3 minutes 22 seconds.

In the Matter of an Application for a fresh Certificate of Title to Lot 12 Oyster District, except 1 acre in the Northwest corner.

Notice is hereby given of my intention at the expiration of one calendar month from the first publication hereof to issue a fresh Certificate of Title in lieu of the Certificate of Title issued to George McMillan and John McMillan on the 9th of July, 1901 and numbered 6929 C, which has been lost.

Dated at the Land Registry Office, Victoria, British Columbia, this 8th day of June, 1914.

S. Y. WOOTTON,
Registrar General of Titles.
June 10, 1914.-30d.

WATER NOTICE

Application for a license to take and use and to store or pen back water will be made under the "Water Act" of British Columbia, as follows:

The name of the applicant is The Qualicum Water Company. The address of the applicant is Qualicum Beach, Vancouver Island. The name of the stream is Mosquito Creek. The stream has its course in the Hamilton Swamp, D.L.s. 34 and 42, Newcastle district, and flows in a northerly direction and empties into the Gulf of Georgia, about two miles east of the Little Qualicum River. The water is to be diverted from the stream on the west side about 1,000 feet from the mouth. The purpose for which the water will be used is waterworks purposes. The land for which the water is to be used is described as follows: Lots 54 to 63 Newcastle district and adjacent property. The quantity of water applied for is as follows: 1 cubic foot per second. This notice was posted on the ground the 23rd day of May, 1914.

A copy of this notice and an application pursuant thereto and to the requirements of the "Water Act" will be filed in the office of the Water Recorder at Nanaimo, B. C. Objections may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B. C.

Mr. Thorney-Croft, of the B. Forcimmer staff, and bride have arrived from Toronto and taken up residence on Irwin street.

RIOT AT CHICAGO GAME.

Chicago, June 30.— A near riot marked the first game of the Cincinnati-Chicago series yesterday, which Chicago won 10 to 7. In the sixth inning Moran fouled down the third base line. Hoblitzell protested to Umpire Eason that the hit was fair and was ordered to the club house. Manager Herzog ran into the argument and was ordered to the club house also. In a few minutes one of the players took Moran's bat and threw it towards the players' bench. The aim was wide and the bat landed in the field boxes. Immediately spectators charged upon the field, but they were calmed by attendants and players. The arguing continued and before it ended Mullaney, Miller and Douglass had joined Herzog and Hoblitzell. A few moments later Moran slid into second base and spiked Sweeney's thumb. Sweeney became angered at Moran and it was necessary for players and Umpire Quigley to stop play. Berger was sent to the club house early in the game.

TIMES ADVISES PEACE ON IRISH QUESTION

London, June 30.—The debate in the House of Lords on the home rule amending bill begins tomorrow. There has been much running to and fro amongst the Unionist members to draft an amendment. Regarding these and the general action of the Unionist peers today's Times offers more interesting editorial injunctions.

"It is absolutely vital that the Lord's amendments should be sufficient to secure temporary peace," declares the Times. "All these proposals can do is to make the best of a desperate situation by laying down the basis of a temporary truce. Everything is staked upon their acceptance by the country."

The Times proceeds to declare that it is absolutely certain that the Unionist leaders themselves will sooner or later have to take up the settlement of the Irish question.

"We should like, in short," says the Times, "to see the Unionist leaders make it clear that while condemning the Home Rule bill root and branch, and refusing altogether to accept it, they are prepared, as soon as ever they may be in a position to do so, to deal with the Irish problem as part and parcel of other outstanding problems by way of a general convention."

Former Member Dead.

Henry Joseph Wilson, Liberal member for Holmfirth, Yorkshire from 1885 to 1912, died today, aged 81. He was a strenuous opponent of the Boer war in the height of the war fever. The sincerity of his convictions, his public service and his benefactions commanded universal success.

Unionist Returned.

Roland Edmund Prothero, Unionist was returned today unopposed to represent Oxford university, replacing Sir William Anson, deceased.

Mr. Prothero is agent-in-chief to the Duke of Bedford.

NANOOSE NOTES

Mr. John Renwick and Mrs. Renwick, of Honolulu, were the guests of Mrs. Williams of Chatworth Villa last week.

Mr. John McDonald, manager of the Merchants Bank at Ontario, accompanied by Mrs. McDonald, are guests of Mrs. M. J. Williams of Chatsworth Villa.

Mrsl Muri paid a short visit to Ladysmith last week and returned to Nanoose Friday.

VOLUME XIV — NANAIMO, VANCOUVER ISLAND, BRITISH COLUMBIA, FRIDAY MORNING, JULY 3, 1914 — NUMBER 100

THE EXPLOSION AT HILLCREST

Expert Evidence Given at the Enquiry Has Theory Explosion Was Caused by Cave of Rock Which Caused a Spark.

Hillcrest, Alta., July 2.—The enquiry into the cause of the explosion which occurred here recently causing the death of nearly 200 miners was continued today when considerable expert evidence was taken. Engineer Hutchinson in giving evidence, stated it as his belief that the explosion occurred in Room 33 in the old No. 1 south shoot as the explosion did the most damage in this locality and the bodies found here were badly mutilated and burned. In making an investigation he had found considerable dust in this section which would lead him to believe that there was a very large amount of dust prior to the explosion. As all the lamps carried by the miners were found to be in good condition it is the opinion of experts that the explosion was caused by a cave in of rock which would have made a spark which in turn ignited gas, the force of the explosion being augmented by tht large quantity of dust.

LORDS MAY PASS AMENDING BILL

London, July 2.—The House of Lords today debated the Home Rule Amending Bill and will likely give the Bill the second reading, what amendments will be made being done when the Bill reaches the Committee stage.

In the early debate a number of the miners' Unionists stated their intention of supporting the measure, not that they liked the same but because they dreaded the prospect of a civil war if the Bill is defeated.

FUNERAL OF LATE MRS. J. McCOURT

The funeral of the late Mrs. Joseph McCourt, a former well known resident of Nanaimo, whose death occurred in Vancouver on Tuesday morning last, took place yesterday afternoon from the family residence, Harris street, the interment taking place in the Mountain View Cemetery, Vancouver.

Beautiful services were conducted at the home by the Rev. A. M. Sanford, a former pastor of the Wallace Street Methodist church in this city, who spoke of the many sterling qualities of the deceased and referred in feeling language to the days when she was a member of his church in Nanaimo and in later years also a member of his congregation in Vancouver. Rev. Sanford was assisted in the services by the Rev. Mr. Brown, and of the six pallbearers three were either residents or former residents of this city, viz, J. A. Malacord, W. H. Kelley and T. B. Booth. There were a large number of floral offerings from friends in Vancouver and Nanaimo attesting in an eloquent [redacted] in which the de[redacted] those who knew [redacted] widespread was the sorrow occasioned by her death.

Miss Olga Milliar arrived on the Princess Patricia on Wednesday evening and is the guest of Miss Dorothy Pargeter, Kennedy street.

SHIPPING BRISK AT LOCAL WHARVES

The following vessels have coaled at the wharves of the Western Fuel Company during the week: Eastholm cargo; Clansman, bunkers; Tepic, bunkers and scow; British Columbia, bunkers; Westham, bunkers and scow; Ameco, scow; Kingfisher and Celestial Empire, bunkers; Gypsy, bunkers and scow; Superior and Alcedo, bunkers. The S. S. Thor is also taking on another full cargo for San Francisco.

"BOB" KIRKPATRICK DROWNED WEDNESDAY

A sad drowning fatality at Page's Lagoon marred the Dominion holiday on Wednesday. The victim of the accident was Bob Kirkpatrick, a well known resident of the Five Acres.

Deceased formed one of a party which is camping out at the Lagoon, and Wednesday there was a big number of visitors. Towards evening Kirkpatrick donned a bathing suit and with two other friends, J. Malpas and J. Cochrane, pulled out to a motor boat at the north end of the Lagoon. Kirkpatrick boarded the launch while his two companions remained in the boat.

Kirkpatrick, it is said, while talking to his companions stepped off the launch on to the gunwale of the boat, with a result that it tilted over throwing all three into the water. Cochrane and Malpass grabbed one of them to the motor boat and the other to the row boat, but Kirkpatrick was never seen to come up. A cry of alarm was at once raised, and Matt Parr, among others hastened to the scene. Parr located Kirkpatrick, and after one or two attempts succeeded in raising him. Kirkpatrick was quite helpless and was hurried ashore where everything possible was done to bring him around, but without avail. Dr. McPhee, hastily summoned from town, found life extinct.

The deceased, who was only thirty years of age, was a native of Liverpool, England. He is survived by his mother and brother, James W. Kirkpatrick, both residing on the Five Acres.

The funeral will take place tomorrow from the family residence on the Five Acres at 2 o'clock, to St. Paul's church at 2:30, where the services will be conducted by the Rev. W. E. Cockshott.

NANAIMO CADETS LEAVE MONDAY

Nanaimo Public School Cadets Leave For Camp Near Victoria Monday Morning—About 40 Going.

The Nanaimo Public School Cadets go into camp at Macaulay Plains, near Victoria, on Monday next. About forty members will leave for the week at the camp where they will be under canvas with the Seaforth Cadets, from Vancouver. Principal Archer, of the High School will be in charge of the local boys, and he asks that the Cadets assemble at the Central School grounds on Monday morning at 7:15. The boys will entrain at 8:35.

Free transportation and board is provided by the government and in the manoeuvres and general camp training that the cadets will enjoy while they away, they should have a very pleasant time.

The Cadets are asked to bring the following to camp with them:

Knife, fork and spoon, plate, cup and saucer, bowl for porridge, change of underclothing, boots, civilian clothes to save uniform, towel, soap, brush and comb.

NANAIMO MUSICIAN MADE BANDMASTER

Mr. W. Smith has been appointed bandmaster of the Fifth Regiment Band of Victoria. This welcome news will hardly come as a surprise to his many friends in Nanaimo. Mr Smith, for some time, was bandmaster and cornet soloist for the Silver Cornet Band and he soon made his qualities feit. He came to Nanaimo from Tyneside having been cornet soloist in the well-known Heiburn Band. While every effort was made to keep him here, it was recognized that his ability called for a wider field. His appointment as bandmaster of the Fifth Regiment is a great honor but one thoroughly deserved, and he has probable the distinction of being the youngest bandmaster in B. C. He is still under thirty years of age and should have a great future before him.

OCEAN FLYER READY TO MAKE HISTORY

Rodman Wanamaker's mammoth flying boat America, in which Lieut. John Cyril Porte, the daring English officer, and George E. Hallett will attempt to cross the Atlantic ocean, was successfully launched at Hammondsport, N. Y. and its first exhibition trip was so successful that it is planned now to start the history-making flight July 16th. The starting point will probably be from St. John's, Newfd. The photograph above shows the flyer just before launching with engine section in place, though side planes were not adjusted. The bow of the boat and cabin for aviators can also be seen in the photograph.

WARRANTS FOR RIOTERS

Butte, Mont., July 2.—Warrants for the arrest of those implicated in the raiding of local headquarters of the Western Federation of Miners, the blowing and robbing of the Miners Union safe, on the night of June 13, the stealing of powder from the Stewart mine on June 23, and for the blowing up of the Miners Union Hall were issued today by the county attorney's office.

PORTUGAL TO EXHIBIT

Washington, July 2—Reports from the American minister to Portugal, Thomas Birch, said today otat Portuguese senate had appropriated $100,000 for its exhibit at the San Francisco exhibition.

RECEIVER FOR RAILROAD

Cincinnati, July 2.—Application for a receiver was made in the United States District Court here today for the Cincinnati, Hamilton and Dayton Railroad.

A. ARMSTRONG BACK FROM TRIP TO ENGLAND

Mr. Arthur Armstrong, foreman of The Daily Herald job printing department, returned Wednesday night from a several months' visit to the Old Country at his old home at Wigton, Cumberland.

While away Mr. Armstrong motored over the greater portion of the north of England and returns feeling fit as a fiddle. He states that all through the north the crops never looked better and the farmers are looking for a bumper crop.

Trade generally, as far as he was able to judge, is much better in England now than it was when he left there a few years ago. Many of the industrial disputes are being amicably settled and there is a growing feeling of confidence in business generally. Quite a lot of building is in progress, and while there are still many men out of work the number does not appear to be so many as formerly.

Mr. Armstrong says Canada is much talked of in England, even more than Australia, and many are planning to come out here.

CUSTOMS RETURNS

The following are the collections for the month of June:

Nanaimo	$4,581.54
Alberni	27.00
Chemainus	1,520.83

Ladysmith	320.15
Union Bay	829.77
Port Alberni	286.41
Total	$11,821.44

DOMINION DAY GREATLY ENJOYED

Local Sports Attracted Large Crowds and Picnics Around the Harbors Were a Big Feature.

Canada's great holiday was favored by glorious weather on Wednesday and Nanaimo citizens sought pleasure and enjoyment in various forms. The fete at Parksville and the regatta at Cowichan attracted equal numbers of local autoists, while the celebration at Northfield drew a large crowd of local sport fans. Then again the harbor and the adjacent islands proved immensely popular with picnic parties, and every vantage point was occupied with crowds of merry-makers. There are few cities with the same boating facilities as Nanaimo and Nanaimoites enjoyed them to the full Wednesday.

NORTHFIELD CELEBRATION

The big district attraction was the celebration at Northfield yesterday. The sports programme began in the morning and continued right through the afternoon till the evening. There was a large crowd present, and the sports were thoroughly enjoyed. The day's proceedings were brought to a close with a ball for which Harvey's orchestra supplied the music.

PARKSVILLE

The sports at Parksville proved a great success, and the celebration altogether was carried through with great spirit. In the horse racing events there were one or two mishaps. Mr. Neill was thrown from his mount owing to the crowd encroaching on the course, and Mr. Fisher's "Buster" bolted into the bust, its rider being swept out of the saddle by a branch of a tree. Mrs. Page presented the prizes to the successful competitors, and in the evening a dance was held, the music being furnished by Arnold's orchestra.

A. B. C. PICNIC

The Wallace Street Methodist A. B. C. picnic on the holiday to Newcastle Island was an immense success. Hundreds made the trip, and McLay's launch had more than it could do to handle the crowds.

An able committee had charge of affairs and the following sports programme was run off:

Married Ladies Race—1st, Mrs. Atkinson; 2nd, Mrs. Corlett.

Single Ladies Race—1st, N. Martin 2nd, B. Pow.

Tie Race—1st, N. Martin; 2nd, B. Pow.

Oatmeal Race—1st, T. Smith; 2nd, Geo. A. Coombs.

Girls Race, under 9 years—1st, B. Smith; 2nd, C. Thorpe.

Girls Race—1st, M. Smith; 2nd, B. Vater.

Egg and Spoon Race—1st, N. Martin; 2nd, Mrs. A. Smith; 3rd, B. Pow.

Boys' Race—1st, A. Atkinson; 2nd, Wm. Atkinson.

Thread the Needle Race—1st, R. Bradwell; 2nd, B. Pow.

GABRIOLA ISLAND

Gabriola Island was a busy place on Wednesday, especially at Taylor Bay. This point is getting to be a favorite resort with many Nanaimo people, the trip from town being just far enough to make a pleasant sail and the environs at the place being ideal in every respect for an outing. The fast launch of the Nanaimo Boat House could not begin to handle the crowds that wanted to go first thing in the morning and all day long full passenger lists awaited the launch. Baseball and other sports were held and all thoroughly enjoyed themselves in the Gulf breezes.

MR. COBURN BACK FROM TRIP EAST

Local Lumberman Gives Impressons of His Tour. Crops Are Well Advanced and the Trades Are Picking Up.

Mr. John W. Coburn, general manager of the New Ladysmith Lumber Company, returned Wednesday night from a flying trip to the Maritime provinces.

Mr. Coburn, who is a keen observer, reports business conditions very quiet throughout Canada. He believes, however, that the depression has now reached rock bottom, and from this on there is bound to be an improvement, although the process of recovery will be very gradual.

In Nova Scotia, Mr. Coburn states that the steel industry is very quiet, as is also the coal business at the present moment, although the output during the past year has been large.

The hopeful feature about the maritime provinces is that the people are paying renewed attention to agriculture. This is very noticeable to one who has not been there for some time. Old farms are being taken hold of with energy, and abandoned farms are being placed on a scientific basis. There is a good market for all farms in the Maritime provinces, he says, and the farmers are obtaining the best of prices.

Passing through the Northwest Mr. Coburn says that he never saw the crops looking better. Everyone there is looking for a bumper crop, and as the crop is now two weeks ahead of the season, the probability of injury by early frosts is to a large extent removed. The harvest of such a crop as anticipated will do much towards the restoration of normal conditions.

Mr. Coburn, while en route home stopped off at Calgary for a short time, and while he does not wish to [redacted] as regards oil stock investment, he thinks that the strictest investigation should be made by the prospective investor before buying.

HIKING FROM VICTORIA

About a couple of weeks ago a detachment of the Fifth Regiment, of Victoria, which has been on duty here, left with a twelve-pounder gun on a hike to Victoria. The detachment was in charge of Lieut. K. Bovill, and made a record march on the trip down. The detachment is now on the road back. It left Victoria on Wednesday and expects to reach the barracks today.

ROBBER KILLED IN GUN BATTLE

Pendleton, Ore., July 2.—One robber was killed and another desperado and Deputy Sheriff M. C. Duffy, of Heppner, Ore., were wounded during a gun battle that occurred in a chair car on Oregon-Washington Railroad Train No. 5 west-bound early today when three masked bandits held up the train two miles east of Meacham 50 miles east of Pendleton and robbed the passengers and express car.

The wounded robber and his companion escaped into the wild mountainous country and two posses are in pursuit.

One is led by Deputy Sheriffs J. Estes and Joseph Blakeley, of this city, and another has started out from La Grande.

MR. JOHN STEPHENS DIED ON WEDNESDAY

The death occurred on Wednesday morning at the family residence on the Five Acres of John Stephens, an old resident of Nanaimo district. Deceased who was 56 years of age had been ill for some time, and the end was not unexpected.

The late Mr. Stevens was born in Bilbao, Spain, but he was of English parents and was brought up in England. He came out to this country in 1891 and helped to sink the protection shaft. He continued to work in the local mines up to five years ago, when he took up poultry raising. His health began to fail about 18 months ago, and since January he has been confined ta his bed with heart trouble.

The funeral, which is in the hands of Mr. A. E. Hilbert, will take place from the family residence, Five Acres tomorrow at 2:30 o'clock, the pallbearers being as follows: J. Malpas, J. Leonard, J. Heager, A. McLennan, A. Fraser and J. Crutchley. The Rev. Mr. Green will officiate.

He leaves to mourn his loss three brothers, William Daniel, Ellis and Thomas, and one sister named Annie, all of Platt Bridge, near Wigan, Lancashire, Eng., also a widow and five children, three daughters, Mary, at present teaching school in Merritt, B. C.; Rose, of Duncan; and Mrs. E. Le Coque, of this city; and two sons, Arthur and Charles, both of this city.

WON'T STAND FOR WHITEWASH.

Paris, July 2.—M. Pichon and M. Hubert, the Labor members of the government commission appointed to investigate the recent fatal subsidences in the streets of Paris, resigned their places claiming the enquiry was merely intended to be a "whitewash."

NEW BUSINESS OPENS MONDAY

Mr. John Wardill Will Open a Bicycle and General Repair Shop in Premises Lately Occupied by the Crescent Grocery.

Monday next will witness the establishment of another business in Nanaimo when John Wardill opens a Bicycle Shop and General Repair establishment in the premises on Victoria Crescent recently occupied by Mr. J. B. Davies, as the Crescent Grocery.

Mr. Wardill will handle everything in the bicycle line and will visit Vancouver today to purchase his stock of bicycles, supplies etc. He will open up with a complete stock, everything new, and will open to do all kinds of repair work to bicycles, guns, lawn mowers and in fact all kinds of small machinery that requires putting into shape.

That Mr. Wardill will receive his share of the public patronage there is little doubt. A native son of Nanaimo there are but few boys in the city who are more widely known or more popular than he. He is fully proficient in the work he intends undertaking and has a good knowledge of the business, having been in the employ of Mr. Jessop and the late J. S. Hall for the past five years.

HALL'S BICYCLE STORE CHANGES HANDS

Hall's Bicycle shop on the Crescent changed hands yesterday, the business being purchased by Mr. G. H. Walker, brother of Ald. Busby. Mr. Walker will continue to give the first class, efficient service of the former proprietor, and while there is a large stock of bicycles on hand he is ordering more new machines. The popular motor cycle agencies will be handled and special attention paid to repair work of all description on motor cycles and bicycles.

Mr. Dave Young, who has had 15 years experience in bicycle work will be Mr. Walker's manager, and he will be assisted shortly by Mr. Walker's son, Charles, who is leaving Lincoln, Nebraska, to make his home in Nanaimo.

MONEY BYLAW WAS ENDORSED

Nanaimo Ratepayers Yesterday Voted $30,000 for the Extension of the Sewerage System in Nanaimo.

By a vote of 378 for, to 93 against, the ratepayers of Nanaimo yesterday endorsed the proposal to borrow the sum of $30,000 upon the security of the sewer rentals for the purpose of extending the sewerage system to parts of the city not provided for in the origional sewerage scheme.

All money bylaws require a three-fifths majority to carry, which in the case of yesterday's vote meant 283 votes. As 378 votes were cast in favor of the measure the proposal was therefore endorsed by a majority of 95 votes.

With the passing of the Sewerage Loan Bylaw the way is now clear for the accomplishment of considerable work, including the laying of larger water mains, the installation of a sewerage system, and finally when these two jobs are completed, the paving of a number of streets in the city.

FLEEING FROM CAPITAL

Mexico City, July 2.—Fifty British residents, including thirty women and children, will leave the capital tomorrow for Vera Cruz. From that port they will proceed to Jamaica.

VIENNA RECEIVES ITS ROYAL DEAD

Vienna, July 2.—The bodies of the assassinated Archduke Ferdinand and his consort, the Duchess of Hohenberg, arrived here today from Trieste where an imposing demonstration accompanied the landing of the bodies from the battleship Viribus Nintus.

The entire community thronged the shore or took up positions on board ships in the harbor at an early hour. On the San Carlo wharf a large space had been kept free for the two catafalques, which were draped in gold and black. On the left stood the generals and admirals and other officers of the army and navy, with the commander-in-chief of the Austro-Hungarian navy, Rear Admiral Oskar Hansa, at their head. On the right were the governor of the marine province, Prince Hohenlohe Schillings fuerst and many other state and municipal officials in brilliant decorations. There was an enormous gathering of members of various societies and deputations representing shipping, commerce and the different trades.

All the Catholic clergy of Trieste and the clergy of other denominations had assembled and behind them was drawn up a naval guard of honor while the whole square was lined by the students. The two caskets shrouded with national flags, were transferred from the battleship to a barge draped with black. This was towed by a tender to the shore amid artillery salutes and the tolling of church bells.

The guard of honor presented arms as the caskets were carried to the catafalque, followed by the members of the households of the archduke and duchess.

The Right Rev. Andrew Karlin, bishop of Trieste assisted by a large number of clergy, blessed the bodies and a long procession was formed. The caskets were placed on two hearses, drawn by six horses. Seven coaches filled with wreaths headed the procession, with the priests following.

STREET IMPROVEMENTS

The vote on the Sewer Loan Bylaw yesterday was smaller than the vote on the water bylaw, but the result was equally satisfactory. The bylaw passed with a decisive majority, and the way is now clear for a comprehensive scheme for street improvement. At the same time we prefer to think that the measure was endorsed by the ratepayers on its own account rather than because of the improvements which depended upon it. It is difficult to understand the point of view of the ratepayers who will vote against such a bylaw. There is nothing of more importance to a city than a good and efficient sanitary system. The health of a community depends upon its sewers and from this point of view alone the bylaw yesterday could not very well have been turned down. But, as we have pointed out all along, apart from the work for which it provided being a work of necessity, it was also a preliminary to a big scheme of street improvement. On this last subject, however, while it cannot be denied that the paving of the streets is very much to be desired, it is not a work of necessity to the same degree that the extension of the city sewer system is. It cannot be denied [illegible] that many of our streets, and especially those on which the traffic is heaviest, cannot be allowed to remain in their present state. Some improvement of some kind must be carried out. The question to be decided is whether this improvement shall take the form of temporary repairs, or permanent paving. In the end it is a matter of cost, and thereafter of taxes. The ratepayer himself is the doctor. It is for him to say how far he will go and how much he can afford to pay. It is his wishes which the council is trying to carry out. In our opinion the ratepayers will find it as cheap now and infinitely cheaper in the end to have the streets paved. Patching and repair work is always costly and never satisfactory. There is no doubt of the benefits and advantages which would accrue to the city from the carrying out of the comprehensive paving scheme now before the citizens. We all want to see these improvements carried out as speedily as possible. Still there are many ratepayers who are dubious about incurring the financial obligations these improvements would impose upon them. The matter is entirely in their hands. There is no idea on the part of the Council of forcing this scheme upon them. If we understand the position, the request for these improvements came from the ratepayers themselves, and there has been no evidence that they have changed their minds in the interval. On the contrary the signs are that the ratepayers on other streets will asked to be included in the work now contemplated. What is essential is that property owners affected should understand that they themselves have the final word in endorsing or vetoing the proposition. This is their right, and there is no intention on the part of the Council to deprive them of it. We believe that in their own interests, as well as in those of the city, they will support the present scheme. They have, indeed, already approved it, and nothing has since occurred to affect or change their views. Consequently it may be confidently expected that this long delayed scheme of street improvement will be started without any further delay than is necessary.

Canada has usually exceptionally good weather for the celebration of its birthday as a Dominion, and Wednesday was no exception to the rule so far as Nanaimo and the coast of British Columbia is concerned. There was bright sunshine all day, and just enough of a breeze to cool the hottest rays of the sun. It was truly British Columbia holiday weather, and there were few citizens of Nanaimo [illegible] to take advantage of it to enjoy an outing of some sort. After the celebration at Northfield perhaps the biggest crowds were attracted to the harbor. There were innumerable picnic parties on every point of vantage, and the whole city delivered itself up to the holiday spirit. It was most unfortunate that such a glorious day should have been marred by a sad drowning accident at the Lagoon. This is the second fatality of the kind that has occurred within the last few days, and in both cases the accident appears to have been one which could not have been prevented. A tragedy at a merry-making is more than usually impressive, and general sympathy will be felt for the relatives of the deceased.

MR. J. WILKINSON ON THE LOCAL SITUATION

Mr. J. Wilkinson, of Ashington, who is on a visit to his nephews, Messrs. H. and M. Wilkinson, contributes an interesting article on the local situation. Mr. Wilkinson has for many years taken an active and a prominent part in the public life of Northumberland, and besides the experience gained from holding many public offices has been trained to use his powers of observation. His suggestions, therefore, will be read with considerable interest. They are as follows:

Let me first explain myself by saying that I have no stake or interest in anything in Nanaimo, being a visitor to different parts of Canada and as far as I can judge of the state of Nanaimo there seems to be a standstill in general business. Land is neither bought nor sold as it ought to be. Part of the people are parading the streets and not purchasing to any great extent. Tradesmen who use tools are not having the work as in former times, and I could go on.

The above conditions are contributed by an industrial strike among the miners. There are many who speak against the miners. Some say if wisdom had been exercised the strike would not have lasted more than four months. Others say that a certain element have entered the miners' union which was undesirable. From the mine owners I have heard nothing nor am I likely to hear anything. After due consideration on the matter I have come to the conclusion that there must come a strong-minded man who can use his good offices to bring [illegible] mine owners and workmen together and have a round table conference wherein the most objectionable things can be discussed and the good man to prove himself the arbitrator.

Speaking for myself and having had some experience in trade disputes I should say in the first place let the men prove themselves to be a bona fide trade union legally and constitutionally formed and willing to discuss matters fairly and squarely, and that they abide by the chosen arbitrator to carry out his award and recommendations. Secondly, the mine owners to acknowledge the representative from such union and upon no consideration will they listen to any but union officials covering where the disputes are held. Thirdly all hands that were employed previous to the strike be given their work upon a time limit, say not exceeding six weeks from the commencement of the starting of the miners working. Fourthly that the past be deleted from the minds of both parties and the agreements come to will be binding for not less than 12 months or a term over that most agreeable to both parties.

I don't see any way out of a most miserable state of affairs which is appalling and upsetting a prosperous little city where people depend upon the work that is done by the miners and the huge capital that is risked by the mine owners. Every sensible man knows and knows well that there is more than one interest in any concern and without one you can not have the other. Common sense people would, I am sure, join with me and wish that this industrial strife was at an end.

JOHN WILKINSON,
Albert Street.
Nanaimo, B. C., July 2, 1914.

PRINCESS PATRICIA POPULAR PLEASURE BOAT

Victoria, July 2.—Under the auspices of the Connaught Seamen's Institute the forthcoming excursion to Bellingham by the fast C.P.R. Gulf steamer Princess Patricia, providing the weather conditions are favorable, will undoubtly be a great success.

According to the present indications, it will be a bumper crowd that will take passage by the Princess Patricia when she sails for the Sound port on Saturday next.

The advance bookings have been exceptionally heavy and the promoter of the excursion anticipate that the accomodations of the vessel will be severely taxed. This is the first excursion that has been arranged to Bellingham, and as the people of the Sound port have been in the habit of making occasional excursions here in the past, it is expected that the interchange of visits will be continued in the future.

At a speed of twenty knots the Princess Patricia, which is one of the finest coastal crafts in these waters, will make the run from Victoria to Bellingham in two and one-half hours, which will be the fastest time that has ever been made between the two ports.

JULY ROD AND GUN.

Rod and Gun for July, published by W. J. Taylor, Limited, Woodstock Ont., is out with a very striking cover design, an Indian shooter in full regalia, to the ordinary reader suggestive of a vanished race, to the trap-shooter a reminder of the annual "Canadian Indians' Tournament" at Niagara-on-the-Lake. Within the magazine is contained an account of the recent Grand International Tournament at St. Thomas, Ont. For the sportsman, tourist and lover of the out-of-doors, there is an interesting bill of fare which includes: A Canoe Trip from Lake Temiscaming to Lake Abitibi, an article on Newfoundland, the sportsman's paradise; the story of "An Off Week" on the outskirts of Jasper Park, Alta., Reminiscences of Fishing in Rideau Lakes; two good stories, Canadian Camp Life and Cupid Alias Uncle Zeb White; Goin' Fishin'; The Value of the Birds, a plea for an international treaty of protection; Skunks and how to take them; and a host of other material of the kind that readers of out-door literature enjoy.

LITTLE IMITATION OF SEPTEMBER MORN

THE EXCUSE

One bright summer afternoon, some three seasons ago, towards six o'clock, I was walking up Commercial street when my attention was aroused by hearing loud laughter proceeding from a group of people who were lined up on the sidewalk. Hurrying to the spot a most surprising, but pretty sight met my gaze.

Walking boldly down the middle of the walk with a pose which would have done credit to a drum major, with shoulders well back and her little arms swinging at her side, was a curly golden-haired little girl some eighteen months old. But what caused the excitement was the fact that the little cherub was adorned in her birthday suit only.

AND THE EFFUSION.

A little babe with toddling feet
Thro' open door she reached the street
New visions met those roguish eyes,
Which twinkling with glad surprise,
The world that met her at the door
She then decided to explore.

She set off boldly on her way,
The sun shone bright, 'twas a glorious day,
Yet hands were raised tho' not in fright,
Laughter rang out on left and right,
And people stopped to see the sight,
All eyes were held by the tiny mite.

Now why do the people stare and shout,
Is there anything strange as our maid trips out?
Oh dear no! What d'you suppose?
Our little miss was without her clothes.
Now how did she get here? Oh there's the rub;
She had just escaped from out of her tub.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining right of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the North-west Territories and in a portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,500 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-agent in the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal sub-divisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise. royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10.00 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or sub-agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

N. B.—Unauthorized publication of this advertisement will not be paid.

At the Yarmouth Y.M.C.A. Boys' Camp, held at Tusket Falls in August, I found MINARD'S LINIMENT most beneficial for sun burn, an immediate relief for colic and toothache.

Sealed Tenders addressed to the undersigned and endorsed "Tender for Quay Wall and Excavation at Victoria Harbor, B. C.," will be received at this office until 4.00 p. m., on Monday, July 27, 1914, for the construction of a Quay Wall and Excavation at Victoria Harbor, B. C.

Plans, specification and form of contract can be seen, and forms of tender obtained at this Department and at the offices of the District Engineers at Victoria, B. C.; New Westminster, B. C.; Confederation Life Building Toronto, Ont. and Shaughnessy Building, Montreal, P. Q.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures, stating their occupations and places of residence. In the case of firms, the actual signature, the nature of the occupation, and place of residence of each member of the firm must be given.

Each tender must be [illegible] by an accepted cheque on a bank payable to the order of the Honourable the Minister of Public Works, equal to ten per cent (10 p.c.) of the amount of the tender, which will be forfeited if the person tendering decline to enter into a contract when called upon to do so, or fail to complete the work contracted for. If the tender be not accepted the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender.

NOTE:—Blue prints can be obtained at the Department of Public Works by depositing an accepted bank cheque for the sum of $25.00 made payable to the order of the Honourable the Minister of Public Works, which will be returned if the intending bidder submit a regular bid.

By order,
R. C. DESROCHERS,
Secretary.
Department of Public Works,
Ottawa, June 4, 1914.

Newspapers will not be paid for this advertisement if they insert it without authority from the Department.—53339. 3t.

In the Highest Degree Profitable

Some men figure that as the mercury climbs up sales will fall down. And figuring that way, fate is kind and does not disappoint them.

So there has grown up a commercial superstition that Summer is a dull season.

No greater fallacy has ever gone so long unchallenged.

Summer *is* a dull season for many lines—but there is no fundamental reason why it should be.

For instance, take a typical case—that of the Canadian wallpaper manufacturers.

They wished to secure their placing orders from the retailers before the early Fall—when American lines are offered. Through education by Advertising, they advanced the season to start the middle of June, instead of the end of August, and they now beat their foreign competitors to the market by nearly three months.

Perhaps you face a selling problem that education by Advertising will solve. Perhaps your Summer business needs the tonic of Summer Advertising.

As the mercury climbs up to its highest degree, increase, rather than slacken, your Advertising and selling efforts. You will find it profitable—*in the highest degree.*

Advice regarding your advertising problems is available through any recognized Canadian advertising agency, or the Secretary of the Canadian Press Association, Room 503 Lumsden Building, Toronto. Enquiry involves no obligation on your part—so write, if interested.

ENGLISH CREWS OUT OF BIG REGATTA

Henley-on-the-Thames, July 2.—The Grand Challenge Cup, the blue ribbon of the big regatta is going aboard this year. Not an English crew remained in the contest for the Grand Challenge Cup, the chief event of the Royal Regatta, after the rowing of today's four heats, the Union Boat Club of Boston, Harvard University second crew, and Winnipeg, Canada, as well as the Mayence Rowing Club of Germany, were all victorious over their English opponents. In tomorrow's semi-finals Harvard is pitted against Winnipeg and Boston against Mayence. The Germans' time of seven minutes 22 seconds was the best recorded, beating Harvard's performance by fifteen seconds.

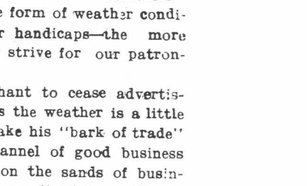
"It's Always Fair Weather!" ---

"SUMMER is here I'll Save Money by cutting out my Advertising." Thus a few merchants still delude themselves. They thereby confess

themselves beaten by the weather. But most merchants, in these times of keen business, would scorn to make such a move. The more obstacles—whether in the form of weather conditions or other handicaps—the more earnestly they strive for our patronage.



For the merchant to cease advertising as soon as the weather is a little warm, is to take his "bark of trade" out of the channel of good business and beach it on the sands of business dullness to await "fair weather." But with the modern type of merchant it is always fair weather. His is an "all-year-round" store—a store ever ready to serve you and serve you well.

He is a believer in all-year-round advertising. He does not take his advertisement out of the newspaper the first day of warm weather. He knows you may be in the market for something he can sell you—in July as well as in January.

He invests his money in newspaper space—every week in the year—to let you know he can serve you—and it's safe to assume that he "has the goods" in the fullest sense of the phrase.

You can obtain helpful advice on advertising free of cost and without obligation by consulting the business Department of The Daily Herald.

NEWS OF SPORT

LOCAL FANS FAVORED O'LEARY

Vancouver, B. C. July 1.—The Canadian lightweight championship changed hands today when Referee Johnny Coulon, former world's bantam champion, passed the title to Johnny O'Leary, of Seattle, after a fast fifteen round contest between O'Leary and "Frenchie" Vaise, of Renton, Wash., who acquired the title just a year ago to the day in the same rinb.

According to "Shorty" Graham and other local men who saw the mill O'Leary clearly had it over his opponent. Certain sport writers, however, are of a different opinion, as the following wire from the Colonist would indicate:

"It was an unpopular verdict. The worst that the Renton boy should have received was a draw, and the O'Leary contingent was as much surprised at winning as was Vaise in having the title taken away from.

"Throughout the entire fifteen rounds the boys battled fiercely with little advantage either way. O'Leary, a clever boxer and fast on his feet, gave the most scientific display of the pair, but his opponent, rugged and possessing a heavy punch, landed the most telling blows, and if anything, was the aggressor in the majority of rounds. Towards the close, both boys tired and lost many fine chances by wild swinging. A whirlwind finish by O'Leary in the fifteenth round evidently made an impression with the referee, for he promptly held the Seattle boy's glove aloft in token of victory when the final gong sounded.

HARRY VOLLMERS WON COWICHAN SPEED RACE

Cowichan people scored another big success with their annual regatta on Dominion Day. A splendid program had been arranged, and some fine races contributed to the pleasure of the large crowds present.

One of the features of the programme was the open motor speed boat race. For this event Mr. H. Vollmers, the well-known local boat builder, took down his speedy "Imp" and carried off the first prize, beating Mr. A. H. Pease's "Legal Limit," of Victoria. Two Nanaimo boys, R. McGregor and W. Stove, carried off the single sculling for dinghies, and in the Indian canoe races the Nanaimo crews were beaten by the Malahat tribe. It is also worthy of note that the motor boat race for amateurs was won by a launch built by Mr. Vollmers for Mr. T. Kingscote.

The regatta, as usual, was held under the auspices of the Cowichan Bay Yacht Club, and a Nanaimo band under the leadership of Mr. C. A. Raine supplied the music.

DOMINION DAY SPORTS ELSWHERE

Henley, Eng., July 1.—The opening day of the Royal Henley Regatta was taken up principally with the elimination heats of the Diamond Sculls among the visitors, in which was Robert Dibble, of the Don Rowing Club, Toronto, the American amateur champion. Dibble was drawn against F. F. Scrutton, of the Vikings Club, a strong oarsman. Dibble however, had the race well in hand from the start. At the quarter mile he was a length and a half ahead and steering beautifully, while Scrutton, who has only lately been specializing in sculling, was all over the place. The Canadian was right away at the half-mile, reaching the halfway mark in 4 minutes, 27 seconds. Then, without exerting himself, he increased his lead, and won by three lengths, in 9 minutes, 40 seconds.

LACROSSE.

Vancouver, July 1.—The V. A. C. made it three victories apiece in the Minto Cup series by their defeat of Westminster today by a score of 7 to 5. The Vancouvers were at all times in front, but Westminster threw a scare into them at the beginning of the fourth quarter. Fortunately for the V. A. C., their home had the stamina and the spirit to come back and win a well-played victory.

New Westminster, July 1.—The Victoria lacrosse team again went down to defeat this afternoon, this time by the overwhelming score of 14 goals to 2. So far "Skinner" Poulin's aggregation has failed to carry a victory this season. The doughty little manager is not yet discouraged, and promises to keep working for the Coast championship as long as there is the slightest chance. Today's game at Queen's Park drew only a few hundred spectators.

BASEBALL

The Tacoma Tigers sprang a surprise on the holiday and checked the Bees in their uphill climb by taking both games, the morning score being 8 to 4 and afternoon 7 to 5. On each occasion a crowd of 2,000 over-confident fans amazedly watched the Tigers pound their way to victory. It was a case of "pride going before a fall," and no mistake.

Sealed Tenders addressed to the undersigned, and endorsed "Tender for Drill Hall, Vancouver, B. C.," will be received at this office until 4 p. m., on Monday, June 29, 1914, for the construction of the aforesaid building.

Plans, specification and form of contract can be seen and forms of tender obtained at the offices of Messrs. Perry and Fowler, Architects Vancouver, B. C., at the office of Wm. Henderson, Resident Architect, Victoria, B. C., and at this Department.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures, stating their occupations and places of residence. In the case of firms, the actual signature, the nature of the occupation, and place of residence of each member of the firm must be given.

Each tender must be accompanied by an accepted cheque on a chartered bank, payable to the order of the Honourable the Minister of Public Works, equal to ten per cent (10 p. c.) of the amount of the tender, which will be forfeited if the person tendering decline to enter into a contract when called upon to do so, or fail to complete the work contracted for. If the tender be not accepted the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender.

By order,
R. C. DESROCHERS.
Secretary.
Department of Public Works.
Ottawa, May 23, 1914.
Newspapers will not be paid for this advertisement if they insert it without authority from the Department.—60551. 3t.

TO DISCUSS ISLAND STRIKE.

Kansas City, Mo., July 2.—Members of the international executive board of the United Mine Workers of America met today at the call of John V. White, president.

It was expected the conference would spend most of the time discussing problems arising out of the Vancouver Island miners' strike. A number of routine appeals from the various districts are to be considered and disposed of.

To MICHAEL FOY,

TAKE NOTICE that you as one of the co-owners in the "Copper King" "Copper Queen" and "Logger" Mineral Claims, situate in the District of Nanaimo, Vancouver Island, about two (2) miles south of Elk Bay, have failed to contribute your proportion of expenditure on account of said Mineral Claims required by Section 48 of the Mineral Act and that this notice is published once a week for a period of ninety (90) days and if at the expiration of said period you should fail or refuse to contribute your proportion of the said expenditure (required by the said Section 48) together with all costs of advertising your interest in the said Mineral Claim will vest in manner provided in Revised Statutes of British Columbia 1911, Chap. 157, Sec. 28.

Dated 23rd day of June, A. D., 1914.
June 30. 1aw. H. McCORMICK.

LAND ACT

Nanaimo Land District—District of Nanaimo.

BRIEF MENTION

Mr. Mark Bate is getting ready for another trip to the Old Country. He will leave in a week's time, and will spend the summer visiting friends and touring the country.

In the Herald report of the sale of the Carr ranch at Wellington it was stated that the purchaser was Mr. Jonathan Haughton. This was a mistake. The new owner is a relative of Mr. Haughton's who only recently arrived from the Old Country.

Miss M. Creighton was among the passengers from Vancouver last evening on the S. S. Princess Patricia.

Mrs. Hy. McIndoo and daughter, Miss Calbeck were passengers from Vancouver last evening on the S. S. Princess Patricia.

All members of St. Andrew's Presbyterian Church Choir are requested to attend special practice tonight at 8 p.m. sharp. Song service on Sunday on the occasion of the anniversary of the present pastorate.

Mrs. Paul Bennett and Mrs. T. B. Booth have returned home from a two weeks' visit to relatives in Prince Rupert.

LOW EXCURSION FARES are being offered on the Grand Trunk Pacific Steamship six-day cruises to the Alaska Coast (Stewart) for the month of July only. $38.00 includes means, berth and all expenses. Write to C. F. Earle, Passenger Agent, Victoria, B. C., for illustrated booklet and sailing list.

The many friends of Mr. George Williams, Albert Street, will regret to learn he is confined to his home seriously ill.

The new Socialist Hall on the Esplanade was formally opened last evening in the presence of a large number of people who enjoyed a concert, followed by a dance, which was continued until 3 a. m. this morning, the music being supplied by the S. D. P. orchestra. Mr. J. Hodgkinson occupied the chair at the concert and delivered an address. The new hall has a seating capacity of about two thousand.

Mr. Charles Manifold and sister Miss Edith, returned home last evening from visiting friends in the Terminal City.

Fish! fresh daily, best quality only. All kinds in season. Delivered twice daily around city. Phone 198. B. C. Fish Market, Crescent. 6t.

Ask for Minard's and take no other.

Harry Henry, an Indian, was yesterday fined $10. by Magistrate Simpson for being under the influence of liquor. John Vassili, a Russian, was fined $100. and costs for supplying the liquor to Henry.

Mr. and Mrs. Geo. A. Fletcher and Mr. and Mrs. A. E. Hilbert motored up to Cumberland on Dominion Day and toured through the Comox Valley. They returned yesterday having had a splendid outing.

The maximum temperature on Wednesday was 81. Yesterday it rose to 82.8, the hottest day there has been this summer.

Messrs. George Pearce, George Lumb and George Pearce Jr, returned to Nanaimo last evening from spending Dominion Day on the Mainland.

Mrs. John K. Hickman and Mrs. Reg. Hickman returned home yesterday from visiting friends in the Terminal City.

Messrs. Richard Eastham, Charles Martin, William Hoggan and V. H. Harrison, representatives of the Nanaimo Gun Club, returned home last evening from participating in the big Dominion Day shoot held by the Vancouver Gun Club.

Mr. George Armstrong of Messrs. Armstrong & Chiswell, was over to Vancouver yesterday on a business trip.

Mr. James Hodgson and bride (nee Miss Mamie Carroll) returned yesterday from their honeymoon trip to Seattle, Vancouver and other Mainland cities.

Mr. T. P. Elder, of the local legal firm of Bird, Leighton & Darling, was in Vancouver yesterday in support of the appeal of Thomas Moore against a recent decision of Judge Barker who upheld Magistrate Simpson's conviction of Moore on a charge of assault with a sentence of 30 days imprisonment. The argument in the appeal was heard in chambers by His Lordship, Mr. Justice Murphy who refused the same. Moore will therefore serve his origional sentence.

R. W. Hulburt, former proprietor of the Coquitlam Star, is in the city for a couple of days.

The S. S. Princess Patricia carried a large number of passengers to and from Vancouver Wednesday.

Mrs. (Rev.) S. J. Thompson, late of Nanaimo, now of Wesley Parsonage, Victoria West, has received the sad news of the death of her mother, Mrs J. Kenner, which occurred at the home of her son-in-law, Dr. W. R. Bell, of London, Ont., last evening. The deceased lady had been ill for some months, so that her death was not unexpected.

Mrs. Martindale's kindergarten will hold the closing exercises this morning at 10:30 o'clock. All parents and friends are invited to attend.

MAN WAS FINED FOR DISCHARGING REVOLVER

G. S. Sultzer appeared in the Police Court yesterday morning to answer to the charge of having discharged a revolver in the direction of an engineer employed at the Reserve Mine. There was no quarrel in the case, the accused having returned to the mine under the influence of liquor. He engaged in conversation with the engineer on the subject of shooting, when he pulled out a gun and fired, the shot passing within a short distance of the engineer.

Provincial Constable Attree stated that a number of men were carrying firearms at present, and this, he thought might be a source of trouble Sultzer's weapon was a high-power one and dangerous to carry.

Magistrate Simpson imposed a fine of $20.00 and costs.

BIG TOURNAMENT BY LOCAL TENNIS CLUB

The Nanaimo Lawn Tennis Club held an interesting tournament Wednesday, the finals of which will be played tomorrow. This is the first handicap tournament held by the club, the results of Wednesday's games being as follows:

Ladies Doubles (first round)— Mrs. Peto and Miss Priestley (scratch) beaten by Mrs. Rigby and Miss Teague (owe 15) 6-4 2-6, 6-4.

Mrs. Leighton and Miss Rose (scratch) a bye.

Ladies Singles (first round)—Mrs. Rigby (owe 15) beat Miss Walker (rec: 15), 6-2, 6-3. Miss Teague (scratch) beat Miss Priestley (rec: 15) 7-5, 5-7, 6-4.

Mixed Doubles (first round)— Miss Priestley and F. N. Bressey (scratch) beat Miss Teague and Barrington-Foote (owe ½15) 6-0, 6-3. Mrs. Rigby and B. G. Wickings-Smith (owe ½15) beat Mrs. Peto and T. B. Benfield (owe ½15) 8-6, 5-7, 6-3.

Men's Doubles—Leighton and Barrington-Foote (owe 30) beat D. R. Edwards and R. H. Niemeier (Scratch) 3-6, 6-1, 6-4.

Men's Singles (first round)—Leighton (owe 30) won by default from Mitchell (owe 30). Elder (rec: 15) lost to Yule (rec: ½15) 6-4 and 6-0. Second round, 1st, Leighton meets Hinton (rec: 15); 2nd, Horsford (owes 30) won to Granger (rec: ½15) 6-3, 6-2; 3rd, Paton (scratch) beat Pocklington (scratch) 6-3, 0-6, 6-4; 4th, Bressey (owes 30) meets Wickings-Smith (owes 30); 5th, Archer (scratch) lost to Hunt (owes 30) 6-0, 8.6; 6th, Edwards (rec: ½15) to meet Barrington-Foote (owes 30); 7th, Niemeier (scratch) beat Benfield (owes 30) 6-2 11-9; 8th Napier (owes 30) meets Yule (rec: ½15). Third round—The winner of set one play Horsford; Paton plays winner of set four; Hunt plays winner of set 6; Niemeier plays winner of set eight.

VOLUME XIV NANAIMO, VANCOUVER ISLAND, BRITISH COLUMBIA, SATURDAY MORNING, JULY 4, 1914 NUMBER 101

LORDS FEAR A CIVIL WAR

Declare They Will Support Asquith's Amending Bill in Order That Civil War May be Averted.

London, July 3.—The second day's debate on the Amending Bill attracted almost as large an audience as the first, less interest being naturally attached to the discussion than on the previous day when Lord Lansdowne disclosed the attitude of the Unionist leaders. Perhaps the chief feature of the resumed debate was the general agreement expressed on the point, namely, that the first necessity was to avert the danger of civil war. Another feature was the warm commendation given to the Archbishop of York's suggestion of a conference of Irishmen on the subject of a permanent settlement. Lord Dunraven advocated the conference. Among those who supported it in some form or other were Lord Islington, Lord Sydenham, Lord Lovatt and Lord Shaftsbury.

The only ministerial speaker was Lord Wimborne. He stated that the bill was put forward, not as a settlement, but as an arrangement by which the fears of Ulster Unionists might be allayed. Apparently, he contemplates a change in the six-year limit, for he said that whether the period was six years or longer or an indefinite period, he looked forward to an eventful compromise.

Lord Dunraven, who has long been a prominent advocate for some form of devolution in Ireland, was unsparing in his criticisms of the bill. He objected to "cutting up Ireland alive," and said that inextricable confusion would be caused by having one customs post office system in the greater part of Ireland and another system in the excluded areas. He doubted whether exclusion will prevent a civil war. A much simpler plan, he said, "would be to drop these bills and ask Irishmen to confer together and see whether they can not suggest a reasonable settlement of the question."

The Duke of Abercorn, speaking as an Ulster volunteer, said that he looked upon the bill as the only loop hole he could see for the avoidance of one of the most awful calamities.

Lord Londonderry, chairman of the Ulster Unionist Council, said that the bill was a horrible one, but that he would support it in order to avoid civil war.

The Marquis of Salisbury announced that he would support the amending bill for the same reason, much as he disliked it. He expressed the hope that Lord Willoughby De Broke could be induced in the interests of a settlement to drop his amendment for a rejection of the bill.

CHICKEN THIEVES STILL OPERATING

Mr. Jack Jones, the well known chicken fancier on the Five Acres, received a visit Thursday night from the chicken thieves who have been abroad in the city and district the last few weeks.

Like the other recent cases where fowls have been stolen the thief or thieves made for the high bred stock and relieved Mr. Jones of eighteen choice birds. From a fancier's standpoint some of the birds were exceptionally valuable, being Black and Red Exhibition Game. They were splendid birds and Mr. Jones' friends had been predicting that he would clean up all the shows with them this fall. Probably it would take one hundred dollars to cover Mr. Jones' loss.

It would appear that the mysterious chicken thieves who have operated lately are experienced poultry judges of high class birds for on several places on the Five Acre Lots it is only this class of chicken that are stolen. Black Exhibition Game are a hard fowl to raise, which has a tendency to increase their value in addition to the class of the bird itself.

It is likely that the eleven-paddle Indian canoe crew who won second place at the Cowichan regatta on Dominion Day will make the trip on the Patricia to Bellingham from Victoria to compete in the Indian canoe races at that place.

CADETS GO INTO CAMP MONDAY

The engineers from the Work Point Barracks are at work at the Macaulay Plains camp preparing for the arrival of nearly 1,000 cadets on Monday next as well as some fifty school teachers of the Province who will undergo six weeks' training there for the purpose of obtaining certificates which will qualify them to act as instructors for cadet corps. More tents are being erected and cook houses built.

The staff in charge of the camp for cadets, which will last from July 6 to the end of the week, are as follows: Camp commandant, Lt.-Col. R. G. E. Leckie, of the 72nd Seaforth Highlanders, of Vancouver; D. A. A. G. and Q. M. G., Captain R. V. Harvey, of the 88th Fusiliers, of Victoria; chief staff officer, Major W. H. Belson, inspector of cadets, district 11; chief instructor, Lt. A. Mulcahey R. C. G. A., with other instructors drawn from the permanent force at Work Point.

The total of 941 cadets, who are expected on Monday, will be made up as follows: Vancouver City Corps 411; South Vancouver, 100; North Vancouver, 50; 72nd Seaforth Highlanders Cadet Corps, 100; Victoria Central School, 150; Esquimalt School, 50; Nanaimo Cadets 36, in charge of Principal Archer of the Nanaimo Public Schools. Seventy unattached boys from Victoria, under Mr. I. St. Clair, will also join the camp.

B. C. BAPTISTS MAKE GAINS

Annual Convention of Baptist Churches of British Columbia is Now in Session in Vancouver.

Vancouver, July 3.—The membership of the Baptist churches in B. C. at the present time is 4992. This was given out at the convention which is being held in the First Baptist church this morning by the convention secretary, Rev. Mr. Avauche of Hammond. This is a net gain of 390 over the membership of last year. The total number joining the denomination numbered 889, but this was reduced when the number of those who had severed their church connection had been deducted. This membership does not take into account the families of members.

The churches of the province during the year raised through various channels $118,946.32. This was raised as follows: Sunday Schools $9115.37; B.Y.P.U., $1001.67; missionary societies, $2394.15; mission bands, $37.50; ladies' aids, $3159.82; 'other sources, $698.14. The churches themselves raised $102,539.34.

Forty-three churches contributed to this amount. The total amount raised per member is $27.11 for church work, and for missions, $3.87 per member.

There was raised for missions during the year the sum of $16,887.55. This was raised as follows: Donations from churches, $12,465.12; B.Y.P.U., $448.45; circles, $2196.43; mission bands $37.50, and through other sources, $1730.45.

The missionary report, which showed that expenditure had amounted to $12,495.19 and receipts to $12,773.13, was adopted. Reports of all the missions in the province were read and showed that splendid progress had been made in most cases. The report added that the board had to make time to a certain extent owing to the lack of funds due to the financial stringency. During the year the board held seventeen meetings and the executive twenty-three.

FOUND GUILTY OF FRAUD.

New York, July 3.— William H. Cooper, formerly head of the New York Central Realty Company charged with using the mails to defraud some 800 investors out of $475-000, was found guilty today by a jury in the Federal Court. Many of his victims were officers and enlisted men in the United States army and marine corps. The sentence was deferred.

That an increase of nervous disorders is due to increase in the use of wireless telegraphy, overcharging the atmosphere with electricity is a theory advanced by a European physician.

EX-PRESIDENT AT PLAY.

Theodore Roosevelt, back from his strenuous South American expedition and still more recent European trip where he attended his son's marriage at Madrid, has at last sought a much needed rest. Here the ex-president is shown at play, some may class it as work, fishing (not in the River of Doubt, he will probably fish there when he re-enters the political game), his son Archie is by his side, probably telling papa where to best cast his line for if anyone ought to know, it is Archie. The ex-president's favorite diversions are fishing and horse-back riding, also political 'confabs' and the last sport is probably the most refreshing to the Colonel.

MAY COME WEST.

Ottawa, July 3.—Sir Wilfrid and Lady Laurier will spend July at Athabascaville. The Liberal leader may take a trip West in the fall. He will address a number of political meetings in Eastern Canada next autumn.

BENJAMIN STONE IS DEAD.

London, July 3.— Sir Benjamin Stone, president of the National Photographic Record Association, died yesterday. He was born at Birmingham in 1838.

NATIONALISTS LAND ARMS.

Dublin, July 3.—In the absence of the police the Irish National volunteers succeeded in landing here 4.500 cases of rifles. The arms and ammunition were taken from a boat which had been hovering about the coast of Dublin for two days.

WEDDING PARTY CAME TO GRIEF

Everett, Wash., July 3.—Seven persons, comprising a bridal party were seriously injured, one perhaps fatally at midnight last night near Machias Hill, when the automobile in which they were riding jumped the road and fell over a steep gulch. Miss Cora Chapman of Everett, sustained several broken ribs and internal injuries. Mrs. Minnie Robertson, of Snohomish, the bride, was terribly lacerated and has several broken teeth, and Arthur A. Boyle, the groom, suffered a broken arm. Sidney Sheldon of Everett, also has a broken rib and several bruises, while Robert Stevens and Mrs. Stevens, his wife, sustained fractured arms. The party were returning from the wedding in a taxicab.

NEGRO KILLED EIGHT WITH AXE

Branchville, Tex., July 3.—Cholly Mannings, a negro, killed eight other negroes here today with a short-handled axe, because he suspected they had charged him with horse theft. Twice this week, when arrested at small towns near here on the charge, Mannings broke jail. He arrived here today, and after the killing was arrested, but escaped from a train en route to jail.

DUNSMUIR LOST SUIT.

London, July 3.—The Privy Council today allowed the appeal of the Canadian Collieries, Ltd., against Dunsmuir, and dismissed the cross appeal The actions were in connection with the sale of the Dunsmuir collieries on Vancouver Island to Sir William Mackenzie of the Canadian Northern Railway company.

COMMITTED ON MURDER CHARGE

Mrs. Sheldon and B. Burdett Will Face Trial at the Fall Assizes For Murder of Mrs. Burdett.

Vancouver July 3—Mrs J. Sheldon of Lytton and Bertrand Burdett of Burnaby were both committed for trial yesterday by Magistrate Alexander for the next assizes at Clinton on a charge of murdering Mrs. Burdett, the wife of the accused man. The charge arises out of an illegal operation which caused the death of the young woman, and which it is alleged was performed by the female prisoner with the knowledge and consent of the young husband. As the alleged offense was committed in Lytton, the trial will have to be held in the Cariboo district.

The most important evidence was given by Chief of Provincial Police, Thomas Smith, who said that on the evening of his arrest Burdett called him to his cell and said that he wished to make a statement of all he knew. He was duly warned and his statement taken down in writing. Briefly his statement is that Mrs. Sheldon had lived near them in Burnaby and he had heard that she performed this kind of operation for $25. The accused said that he was out of work at the time and he and his wife had a baby 18 months old. His wife was anxious to go out to work to keep them from becoming destitute, and not knowing that there was any danger or that such an operation was a criminal offense, he interviewed Mrs. Sheldon with a view of getting her aid for his wife. He said that Mrs. Sheldon admitted that she did the operation for $25, and told him that it only took about two minutes and that there was no danger. Mrs. Shildon was leaving for Lytton and arranged that Mr. and Mrs. Burdett should come there. On arriving at Lytton, he said he told Mrs. Sheldon not to lay hands on his wife if there was any danger, but she assured him there was not. The young husband told of bringing his wife back to Vancouver in a state of collapse from hemorrhage and of later calling in medical aid.

Burdett is only 21 years of age. He is being defended by Mr. Elmer Jones. Mrs. Sheldon, who has made no statement of her defence, is defended by Mr. J. W. deB. Farris. Mr R. L. Maitland is prosecuting for the crown.

The "Chucuito," a motor launch owned by Mr R. Corfield, of Koksilah, was totally destroyed by fire at Cowichan Bay on Tuesday night. She was being run down from the Koksilah River to the wharf in charge of Mr. Corfield's brothers when an oil lamp aboard capsized and instantly set fire to the craft.

CHAMBERLAIN PASSED AWAY

Noted Statesman and Tariff Reformer of Great Britain Died of Heart Failure in His Seventy-Eighth Year.

London, July 3.—Rt. Hon. Joseph Chamberlain died here last night. His death, which removes one of the most striking figures of British politics in the past generation, came as a surprise, as the condition of his health was not publicly known to be any worse than at any time in the last two or three years.

Mrs. Chamberlain, who never left her husband's side since he was stricken with paralysis seven years ago, and his son, Austin Chamberlain, were with Mr. Chamberlain when death occurred at 10:30 o'clock last night at his London residence. The event cast a gloom over the London season, which was at its height.

Mr. Chamberlain's last public appearance was at a garden party on the grounds of his Birmingham home on May 6 last, when, with his wife and son he received several hundred constituents. Mr. Chamberlain was wheeled out on the lawn in a chair and appeared feeble when he lifted his hat to friends and neighbors in acknowledgement of their salutes.

The cause of Mr. Chamberlain's death was announced as heart failure Although he had been gradually sinking since Tuesday, members of the family had preferred his condition should not become publicly known.

The Right Hon. Joseph Chamberlain was the pioneer in Great Britain of tariff reform, and the great advocate of imperialism. For thirty-eight years, with a brief interregnum, he represented Birmingham in parliament. In 1906 his career of stormy activities was ended by a stroke of paralysis. The blow fell when he was in the midst of a strenuous campaign for the establishment of a protective tariff with preference for the British colonies, and just after his constituents had celebrated the thirtieth anniversary of his first election.

Since that day the strong fighter had been an invalid, a pathetic onlooker at politics. His chief consolations were the growing political prominence of his son Austen Chamberlain, and the loyalty of his constituents. Birmingham would not dispose of her leader, although he was no longer able to represent them upon the floor of the house of commons. In each election he was returned to his old seat, and appeared afterward in the house but once, when amid respectful silence, he made his way to the speaker's desk on the arm of his son, and took the oath of office. January 5, 1913. Mr. Chamberlain wrote to his constituents, resigning his seat, and saying:

"I cannot hope again to do my work in parliament, and I feel that our city and the constituency need the services of a younger man."

While his greatest claim to fame was his determined and brilliant advocacy for years of a protective policy for Great Britain, the citadel of free trade, he will also be remembered as the bitterest and most forceful opponent of Gladstone in that statesman's efforts for home rule for Ireland; as one of the founders of the Liberal-Unionist party; and as the minister whose policy in South Africa involved his country in the greatest war it had experienced since the Crimean conflict, but blotted out the two Boer republics and made South Africa all red."

From the day he left University college, London, to enter his father's screw factory at Birmingham, Joseph Chamberlain devoted his best energies to the principle of constructive reform. It was in 1868, just 32 years after his birth in London, that he received his baptism of public life, as town councillor of Birmingham, later serving as mayor for successive terms. He gave his whole time to the cause of municipal reform, and what had been previously one of the worst governed cities in England, became a model for municipal reformers.

In 1876 he entered parliament, being elected without opposition as a Liberal from Birmingham. In his early years in the Commons he sat among the home rule Liberals with whose aspirations he was supposed to sympathize, but a few years later he emphatically disabused his associates in the house of any notion they may have had of his belief in separate government for Ireland.

In less than four years he was a cabinet minister, entering Gladstones government in 1880 as president of the board of trade, and in less than a decade his hold on popular opinion was almost as great as Gladstone's.

Joseph Chamberlain was born in London, July 8, 1836, one year before Queen Victoria came to the throne. Although a Londoner by birth, it was in Birmingham that his large wealth and his political reputation were gained. He went to Birmingham in his 18th year to join his cousin, Joseph Nettleford, in developing a patent for the making of pointed screws. The firm became known the world over in a few years.

The funeral of the deceased statesman will take place on Monday next, services being conducted at the Messiah Church, and in accordance with the wishes of Mr. Chamberlain the services will be quite simple. The interrment will take place in Highbury cemetery.

NEW STORE FOR NEWCASTLE TOWNSITE

Mr. A. R. Inglis the contractor, with a force of two men has been engaged during the past two weeks fixing the large corner store in the new Cleland Block on the corner of Fourth street and Union Avenue, Newcastle Townsite, for the North Nanaimo Trading Co.(J. B. Davies, manager.)

The store front is of British plate glass and is one of the most modern in the city. The fixtures were installed by Mr. Eugene Brown, and decorated by Mr. J. H. Cooper. The establishment presents a most business-like appearance and reflects credit on all the tradesmen concerned. The window shades and a mahogany display table were furnished by Messrs. J. H. Good & Co.

The firm carry a full assortment of high class groceries, provisions, fruit confectionary, soft drinks and ice cream. Mr. Davies has had an experience of forty years in the grocery business, and assisted by Mrs. Davies will devote his personal attention to the business and hopes to merit a share of the public patronage.

STUDENT IS DROWNED.

Regina, July 3.—Percy Clindinning, a Regina college student was drowned in the river on his brother's farm near Midale, Sask., yesterday. Deceased was a second year man at the college and popular.

NANAIMO END GULF CABLE

New Improvements are Being Made at Kanaka Bay on Newcastle Island Where the Submarine Cable Lands.

In order to improve the telephone communication between Vancouver and Nanaimo extensive changes in the routing of circuits are being made by the British Columbia Telephone company. The recruits that connect with the forty-mile Point Grey-Nanaimo submarine cable are at present strung from the Telephone company's office on Seymour street via Granville street and pass under False Creek by means of a 3000-foot submarine cable. These circuits are being restrung up Seymour street and over the Connaught bridge which will necessitate about 400 feet of submarine cable which will greatly improve the line. New circuits of a larger capacity are also being strung in Victoria to connect with the island main land cable and similar improvements are being carried out at Kanaka Bay where the cable lands in Nanaimo.

Yesterday afternoon, Dr. W. F. King, chief of the astronomical branch of the Federal Government, and Dr. J. S. Plaskett, conferred with Sir Richard McBride relative to the road to be built to the site of the astronomical station at Little Saanich Mountain.

Major Byng Hall announced yesterday that, arising out of the experience of the field manoeuvres held by the regiment this week, it is proposed to raise one or two companies of cyclists in connection with the 38th.

Hon. Dr. Young, Minister of Education, returned home to Victoria yesterday evening from Chilliwack, where he had been officiating at a function in connection with the closing exercises of the public school at that point.

PAY HOMAGE TO ROYAL DEAD

Crowds of Mourners Visit the Chapel Where Bodies of Murdered Archduke Ferdinand and Consort Lie in State.

Vienna, July 3.—Crowds of mourners visited the chapel of the Hofburg today, when the coffins containing the bodies of Archduke Francis Ferdinand and the Duchess of Hohenberg lay in state.

A continuous procession marched past the catafalques.

Emperor Francis Joseph left the suburban palace at Schonbrunn early today for the Hofburg. As he passed through the streets thousands of people cheered him.

Although the court chapel was not opened until eight o'clock the crowds began to assemble outside before dawn.

The bodies lay in silver coffins, ornamented with gold. That of the archduke was decorated with gold bands and oak leaves, while that of the duchess was covered with lilies. Life guards formed a guard of honor.

In the front of the coffin reposed two wreaths bearing the simple inscription, "Sofie, Max, Ernst." They were from the archduke's children. Other floral designs, numbering several hundred, were placed in apartments adjoining the chapel.

Masses were said at all the altars of the chapel from 8 o'clock in the morning until noon. At 10 o'clock court choir entered and sang the Miserere, and from noon until 1 o'clock the bells of the city churches tolled.

CONSIGNEES FRIDAY.

Rex Cooper, P. Burns, J. Hirst, H. Vollmers, Whitty Bros., Ramsay Bros, Nanaimo Canning Co., New Ladysmith Lumber Co., Nanaimo Builders Supply, W. Hoggan, A. R. Johnston, Vancouver-Nanaimo Coal Co., Rawlinson & Glaholm, Crescent Fish Market, Nanaimo Gas & Power Co., Thompson, Cowie & Stockwell, Imperial Laundry, Western Fuel Co., W. H. Morton, L. Manson, Jim Tom Long, G. S. Pearson, J. H. Good, W. J. Holden, Vancouver Milling & Grain, Sam Sing, Sum King, 72nd. Regiment, M. A. Rowe, Robinson Bros., Nanaimo Electric Light, J. H. Bailey, W. J. Pollard, G. Hollingworth, F. E. West, D. Spencer, C. F. Bryant, W. Jarvie, E. Devlin, Workman's Co-op Assn., J. Alvare, Pacific Dredging Co., J. Wallace, C. Piper, A. C. Van Houten, J. Bevan, D. H. Beckley, Wing Wah, Hayward and Dods, J. S. Knarston, U. B. Co., E. Quennell, W. H. Burk, T. Hodgson, A. J. Smith, Storekeeper Wellington, W.M. Langton, J Sampson.

Mr. H. R. MacMillan, chief of the forest branch of the Provincial Government, stated yesterday that as yet only a few small and unimportant fires had been reported as the result of the recurrence of dry and hot weather. Should the present hot spell continue without any material rainfall he feared that the department would have some serious conflagrations to combat.

IN CONFERENCE ON MOTOR BUS QUESTION

The Street Committee of the City Council last night was in conference with a committee of the Board of Trade on matters in connection with the proposal of the District Motor Bus Company of Victoria to inaugurate a motor bus service in Nanaimo.

The Street Committee will submit a report on the subject at next Monday's meeting of the City Council.

FLEES FROM ROYAL COURT OF ALBANIA

Vienna, July 3.—Princess William of Wied, wife of the new ruler of Albania, left Durazzo today with her children, in consequence of the critical situation there. She has gone to Bucharest. It is generally believed that the departure of the princess foreshadows the abdication of Prince William.

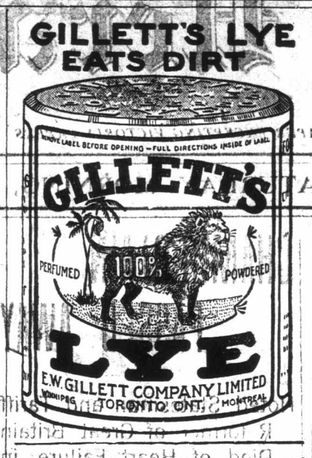
"JOE" CHAMBERLAIN

The death of the Rt. Hon. Joseph Chamberlain removes one of the most notable figures in Imperial politics. Whether he will eventually rank among the great British statesmen or be remembered as a more than usually clever and successful politician time alone will show. His death brings to a close one of the most curious careers in British politics. In the end he succeeded only at the sacrifice and denial of every principle on which he entered public life. Before he turned his attention to politics he had taken an active part in municipal affairs in the city of Birmingham He had been remarkably successful in business, and the qualities which had done so much for his own business, he applied to the affairs of the municipality. Three times he was elected Mayor of the great manufacturing city, and to the very end of his long career he enjoyed the full confidence of the people of Birmingham. Here is remarkable proof of the striking personality of the man, as well as of his great ability. His change of front and conviction never affected his popularity or his following. He began and died the political idol of Brummagen. Not much was known of him beyond Birmingham in the early seventies, but he was extremely radical in his views and was even credited with Republican leanings. It was as a Radical that he made his debut in politics, and his exceptional abilities soon carried him to the front. He was taken into the cabinet by Gladstone, and there was really no one between him and the Liberal Premiership. But irreconcilable differences developed between him and his leader on the Home Rule question, and he split the party in twain. With the Duke of Devonshire he allied himself with the Conservatives, and his next cabinet position was under Lord Salisbury. Following the great Conservative leader's death Chamberlain became the most important and influential figure in British politics. He controlled the machinery of the Unionist party, and practically deposed his old time Liberal colleague, the Duke of Devonshire, from the presidency. He is held to have been chiefly responsible for the Boer war, and his active career ended with the inauguration of the tariff reform campaign. Here again he fractured the Unionist party, as he had previously rent the Liberals. And he failed with the English people. This is a curious fact in his great career. The temporary wreck of two great parties must be placed to his credit, and yet his name is connected with no great measure of reform. The millenium of three acres and a cow is further off than ever it was. For the last eight years he has been an invalid. In spite of his outstanding personality, his incomparable ability and his "raging tearing propaganda" Free Trade triumphed at the polls in 1906. Chamberlain was then verging on seventy years of age, and no doubt due to his frenzied exertions in the campaign and the bitter disappointment of defeat, he was seized with an illness from which he never fully recovered. He retained his seat for Birmingham almost to the end, but his active career was ended. But for his illness and his enforced withdrawal from the House of Commons and the public platform the political history of the last few years might have been very different. He was easily the greatest Parliamentarian of them all, a born debater, and a personal influence unequalled since Gladstone's death. Throughout his whole career his plain "Joe" Chamberlain with the people familiar form of address which more than anything else indicates his popularity. His illness called him from the front with the fight still raging and still to be won. Therein fate again interposed in his career. With the premiership of the Liberal party in sight he severed his connections with that party and sought a fresh alliance. Again when he had travelled almost to the premiership of the Unionist party a sudden and unexpected illness ended his career. The generation who knew him will remember him as a dominating personality and a born political fighter, and his death will be mourned all over the United Kingdom.



SAME OLD GAME

The Department of Justice exercised its clemency in regard to several of the miners who were imprisoned in connection with the disturbances last August. The Minister of Justice took this action on the strength of certain representations made to him by various parties. Sir Richard McBride, as well as Mr. F. Shepherd, the local Dominion member, both used their good offices to have the men released. Some question has now arisen as to the sentences being served by the men still in prison. It is alleged that the commitments were not made out in accordance with the sentences of the assize court judge, and that as a consequence the men are being kept in prison illegally. It is obviously a matter for investigation, and so far as the local strike-makers are concerned it is a further opportunity for gross misrepresentation. On the word of President Foster the authorities to whom he has referred the matter are doing nothing, and Sir Richard McBride cannot be moved unless under the compulsion of some law. The point, we must confess, is rather obscure, but the intention is plainly to put the Premier in wrong with the workers. This is all the consideration which anyone can expect to get for trying to do anything for these so-called labor leaders. We wonder what particular law it was which compelled the premier to submit the recent offer of a settlement. Sir Richard really acted as sponsor to a proposition fashioned by Farrington. Yet at the first opportunity his good offices are not only forgotten but denied. This is how Foster et al have played the game for over eighteen months. Everybody who has had anything to do with them, including Farrington, has been made to feel sorry for it. They put the case and the cause of the men out of court from the first day they touched it. The various labor societies on the coast are beginning to find them out and the day is rapidly coming when nobody or no organization will have anything to do with them.

President Foster in a speech before the Vancouver Trades and Labor Council declared that during the trouble on the island the homes of striking miners had been canvassed and guns and ammunition had been confiscated. If the men in Nanaimo will weigh this statement they will see just how much reliance is to be placed in anything President Foster has to tell them.

Mr. W. H. Ault, an official of the poultry branch of the Dominion department of agriculture, visited Duncan on Thursday last with Mr. J.R. Terry and held a conference with Mr. W. Paterson of the Cowichan Creamery Association on the local and provincial egg situation. With Mr. Terry he also visited several of the large poultry ranches in the Cowichan district.

Forest Mills of British Columbia, Limited, is applying to the comptroller of water rights for approval of its plans for works to be installed for the utilization of the water from Crazy Creek, in the Kamloops water district, which the company is authorized to take.

The current issue of the Provincial Gazette contains notice that certificates of incorporation have been granted to the following companies: Ardell & Kirchner, with head office at Vancouver, and capitalized at $10,000; C. A. Stahl & Co., Vancouver, $10,000; Douglas Lake Cattle Co., Victoria $40,000; Five Sisters Block, Victoria, $400,000; Honeyman & Co., Vancouver, $40,000; Mainland Navigation Co., New Westminster, $25,000; Paterson Alberta Oil Wells, Vancouver, $100,000; Pennsylvania Oil Wells of Pitt Meadows, Vancouver, $1,000,000; West Vancouver Hollyburn Oil Co., $500,000; Whinstone Macadam Quarries, Vancouver, $200,000. The Canadian Copper Corporation is granted a certificate as an extra-Provincial company."

The American barkentine Kohala, Captain Langfelt, is expected to arrive at Chemainus some time in August to load a cargo of lumber for the West Coast. She is now thirty days out from Coquimbo, Peru, on her way to British Columbia waters. The Kohala is owned and operated by Hind, Rolph & Co., of San Francisco. She is a vessel of 776 tons register with a carrying capacity of 1,000,000 feet of lumber.

The mystery of the tragic disappearance of Colonel R. F. Lindsell C.B. in April last, has been solved by the finding of his body on the 18th, instant just off the mouth of the river at Bella Coola by one of the cannery hands.

J. B. Davies, Manager

For the first time in the course of the last fourteen or fifteen years the Provincial land registry office of New Westminster work is now up to date. All overtime work has ceased and Registrar J. C. Gwynn is authority for the important announcement that anyone putting in an application for registration could, providing the papers are in proper order, receive his certificate of title within the short space of one week.

It is understood that arrangements have been completed to float the Canadian cruiser H.M.S. Rainbow into the Esquimalt basin within the next day or two for her much needed overhaul. The actual date for the dry-docking of the warship has not been set, but it is anticipated that she will be hauled out either today or the early part of next week.

Ten Victoria firms and citizens were fined $5. by Magistrate Jay yesterday for failing to keep their several properties, situated within the limits of the corporation, free from thistles.

The Osaka Shosen Kaisha is now building nine steamships, aggregating 3,000 tons, at various shipbuilding yards in Japan. Two vessels of 9,000 tons each are building at the Mitsu Bishi and the Kawasaki yards, and are to be completed in July and September, 1915, respectively. These big vessels are intended for the Hongkong-Victoria service and will be named the Hawaii Maru and Manila Maru. They will be the largest yet built by Japanese transportation concerns for the transpacific trade.

Sir Richard McBride was Thursday in receipt of a private letter from Sir Donald Mann, Vice-President of Canadian Northern Railway, in which it was stated he would reach Victoria in about three weeks' time. Sir Donald has not been west for some months, and his present visit, while one mainly for inspection purposes, may be taken as preliminary to a forward movement in respect to the development plans of the company.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining right of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the North-west Territories and in a portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,500 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-agent in the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal sub-divisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10.00 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or sub-agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

Plumbing

Is just as useful and just as much a necessity to a home in the country or the small town as it is to the palace in the city.

The city water pressure and sewage system are no longer essential to a perfect working plumbing installation. A few words with us and you will be convinced that we can give you every convenience at the same low prices that prevail in the city.

Hot Water Heating

Is not expensive to install. It is the most satisfactory and in the end the cheapest method of heating any building from the cottage to the mansion. A properly installed system of this kind will cut down your heating bills and your house will be much more comfortable.

This system can be installed in houses that are already built—or if you are building get our prices before you decide on your heating system.

Let us know your requirements and we will help you solve your plumbing problems—Just drop us a line. Remember we charge nothing for advice. Remember that we sell direct from Supply House to Consumer and save you all middlemen's profits.

NEWS OF SPORT

LOCAL CRICKET CLUB TO PLAY GARRISON

The local cricket club will meet a team from the Garrison this afternoon on the Caledonian Grounds. The match will start at 2 o'clock and an interesting game should be seen. The following players will represent the local club: A. Paul, H. Upson, A. Leighton, R. Hindmarch, W. Mitchell, L. Shepherd, J. Hodgson, W. Bramford, R. Cape, G. Wilton and O. Dobeson.

WINNERS IN BRITISH ATHLETIC CHAMPIONSHIP

London, July 3.—Homer Baker, of the New York Athletic Club, won his heat in the British half-mile amateur championships today in 2 minutes and 2-5 seconds. He was one of the American athletes entered for the heats of the British field and track championships at Stamford Bridge Grounds, London.

Homer Baker also won his heat in the quarter-mile championship by 4 yards in 50 4-5 seconds.

The other winners of heats were Mitchell, London university, 51 3-5 seconds; Seedhouse, London A.C., 50 4-5 seconds; Jacob Hearn, 50 2-5.

The four miles flat championship was won by the holder, G.W. Hutson of the Surrey A.C. in 19 minutes, 14 5-8 seconds.

The putting of the weight championship was won by A. R. Taipele, of Finland, at 44 feet 7½ inches; H. Harrison, of the New York A. C., was second with 43 feet, 6½ inches

The final game for the Mann Cup, emblematic of the amateur lacrosse championship of the world will be played at Vancouver today between Brampton and the V.A.C. Brampton won the first game by the score of 5 to 4.

PROFESSIONAL LACROSSE IN BAD STRAITS

Vancouver, July 3.—It is extremely doubtful whether or not the New Westminster and Vancouver Lacrosse teams will finish the season. A meeting of the League was called for tonight but no New Westminster delegates were in attendance and it is almost a certainty that the V. A. C. will abandon the League. The poor patronage accorded the two teams is the reason ascribed for the present condition in the affairs of professional lacrosse on the Coast.

WINNIPEG EIGHT LOST TO HARVARD

Henley-on-Thames, Eng., July 3—Two United States eight-oared crews, the Union Boat Club, of Boston, and the Harvard university second crew, were left to fight tomorrow for possession of the grand challenge cup by victories today in the semi-final heats over Winnipeg and Mayence respectively.

The race between Harvard and Winnipeg, which came first, was a hard one, and resulted in the best time recorded at this year's regatta, seven minutes flat. This has been beaten only on three occasions in the Grand Challenge cup since official time records have been kept. In 1891 Leander rowed the finals in six minutes, fifty one seconds, and this was equalled by New College, Oxford, in the final in 1897. Leander in 1907 did the course in six minutes, fifty-eight seconds.

Winnipeg went away to twenty-one strokes to the first half minute, and forty two the first minute, while Harvard struck twenty to the half and thirty-eight to the minute. At the half-mile the boats were even but before the half-way mark was reached Harvard had pushed a little ahead. The time was three minutes, twenty-four seconds.

The Canadians then spurted and Harvard replied. Harvard then went in front, and at the mile led by three-quarters of a length. The Harvard men were rowing thirty-six to the minute, and retained their advantage to the end although the Canadians made a last great effort to overhaul them.

C. M. Stuart, of Trinity Hall, Cambridge beat E. G. Williams, of the Viking Rowing Club, by a length and a half in the first semi-final of the diamond sculls. His time was eight minutes and forty-five seconds.

The Grand Challenge Cup has left England only on four other occasions. It was captured by the Royal Nautical Club of Ghent, Belgium, in 1906 1'07 and 1'10, and by the Sydney Rowing Club, New South Wales, in 1912.

Giuseppe Sinigaglia, of Como, Italy beat Robert Dibble, of Toronto, American amateur sculling champion, in the second semi-final of the elimination sculls. The Italian won by five lengths in 8 minutes, 33 seconds. Dibble collapsed at the finish and fell out of the boat but was rescued.

HATCH IS AFTER SING. SWANSON

Vancouver, July 3.—Al. Hatch, the clever wrestler, is out with a challenge to wrestle any athlete in the world at 145 pounds. Al prefers W. Miller, the St. Paul grappler. He is willing to give a substantial side bet. When he issued the challenge yesterday Hatch stated that he thought he would be able to get a match at his own weight when he broke away from the amateur ranks, but he has yet to secure a bout at 145 pounds in the professional game. He says he is willing to meet Sing Swanson, who is now at Merritt, at this weight any place and at any time. The local boy is going back to Prince Rupert on July 26 to wrestle Sigurdson in a return match. Last time he went against Sigurdson he hurt his shoulder after wrestling about twenty minutes.

Minards Liniment for sale everywhere.

When you've ordered Silk do you accept Sateen?

Almost a foolish question, but—not quite!

There are still some people who order Kellogg's Corn Flakes and are given a substitute "just as good"—and accept the imitation.

The difference between

Kellogg's

CORN FLAKES

and the "just as good" kind is even greater than the difference between silk and sateen.

The great difference is in the flavor and the nutriment.

Be sure that you ask for and get Kellogg's. It is the original.

COWLER MATCHED WITH JACK LESTER

Tom Cowler, the Nanaimo heavyweight, who put Casey Jones away at Tacoma on Wednesday night, has been matched with Jack Lester for Six Rounds at Aberdeen, Wash., tonight. If he gets by Lester and then succeeds in beating Kid Kenneth at Taft, Cal., on July 30, Cowler will be in line for any of the white hopes. He made a great hit with the Tacoma fans and they think pretty well of the big fellow.

VANCOUVER NABOBS HERE ON SUNDAY

The Nanaimo Baseball team will play an exhibition game Sunday with the Kelly Douglas "Nabobs" of Vancouver, the game being played on the Caledonian grounds, commencing at 2.30 sharp. Harry Martin, Nanaimo's no-hit pitcher will be on the slab for the locals and as he has fully recovered from his recent illness the fans can look forward to an interesting contest.

In Sunday's fixture Nanaimo will field the following team:

Piper, 3b.; Little ss.; Killeen, 2b.; Boyce, c.; Beattie c.f.; Shepherd, r.f. Martin, 1b.; Weeks, l. f.; H. Martin, p. Reserves, Drake and Thompson.

ENGLISH KICKERS CALL OFF TEST.

Melbourne, July 3.—The English footballers who have been touring Australia, refused to play the final test match on Saturday. They state that they have too many players disabled, but the local officials declare that only three of the visitors are incapacitated. When the Australians were in England they were forced to play with only thirteen men, assert local officials. The Englishmen want to play in Melbourne in August.

JEALOUSY BELIEVED TO BE CAUSE OF CRIME

Yankton, S. D., July 3.—Nellie Brewer, a seventeen-year-old schoolgirl, is dead today, having been shot Charles Bowman, a cousin, was found lying across the body of the girl unconscious. His skull is fractured. It is believed Bowman killed the girl, but mystery surrounds the manner in which he received his injuries. It is said jealousy prompted the deed.

$80,000 FIRE LOSS.

Saskatoon, Sask., July 3.—Fire last night destroyed the Peter Wiebe flour mill and the National elevator at Langham, Sask. The loss on the flour mill is estimated at $35,000 with $5,000 insurance on the building. The elevator loss is $50,000. Thirteen hundred bushels of wheat were destroyed with the mill, and 400 with the elevator. The cause of the fire is unknown.

EARL GREY SAYS NO PROFIT IN SITE PLAN

London, July 3.—Earl Grey, giving evidence at the Dominions' commission, said nobody connected with the scheme of erecting an Imperial building on the Aldwych site was working for profit. The building was intended merely to display Dominion produce, not as a market. The commission meets here again in November after visiting Canada.

Keep Minard's Liniment in the house.

NOTICE

Notice is hereby given that on the 3rd. day of August next application will be made to the Superintendent of Provincial Police for a transfer of license for the sale of liquor by retail in and upon the premises known as the Somerset Hotel, situated at Wellington district, in the province of British Columbia, from Frederick George Jarrett to Joseph Emerson Carr of the said Wellington district province aforesaid.

HAVE PRETTY HAIR

Soft Fluffy, Abundant--Use Parisian Sage. It Stops Falling Hair and Itching Scalp.

If your hair is not as soft and beautiful, or as fresh and full as that of some friend, do not despair—do as she does—give it daily attention. Beautiful hair is largely the matter of a little care. If it is too thin, make it grow. If it is too dry and brittle, soften it up—lubricate it. If you have dandruff it is because the scalp is too dry and flakes off. Freshen up the scalp and dandruff will go.

Parisian Sage, sold in fifty cent bottles at drug and toilet counters, is just what you need—it softens the scalp, nourishes the hair roots, immediately removes dandruff, and makes the hair wavy, lustrous and abundant.

Parisian Sage quickly stops itching head; cleanses the hair of dust and excessive oil; takes away the dryness and brittleness, makes it seem twice as abundant, and beautifies it until it is soft and lustrous.

You cannot be disappointed in Parisian Sage. Always sold on money back if not satisfied plan. Look for the trade mark—"The Girl with the Auburn Hair." It's on every package—accept nothing else.

F. Schwarze, the Photographer

Will please you in every way by taking pictures or enlarge some from life or copy.

CANNOT KILL A CHICKEN THIEF

Answering the communication to The Herald published in yesterday's issue from a Five Acre resident anent chicken thieves The Herald is informed by a well known local legal man that a person would not be justified in shooting a chicken thief with the intention of killing or seriously wounding him unless the thief was armed and threatened the life of the man who was being robbed. The party being robbed would be justified, however, is peppering a chicken thief with a dose of fine shot which while not seriously injuring him would cripple him to such an extent as to make his capture possible.

FIVE HINDUS MAKE ESCAPE

Nanaimo Hindus Implicated in Conspiracy Against Immigration Authorities at Vancouver—Hindus Control Ship.

Vancouver, July 4.—Five Hindus, members of the Komagata Maru colony, landed in Vancouver at 11.45 a. m. yesterday as the result of a neat plot against the immigration authorities which has further complicated the situation. Superintendent Reid this morning stated that he knew nothing of the matter.

The incident was witnessed from the end of Pier A and the affair has introduced a totally new phase into the tangle in which the Komagata Maru, her passengers, the Japanese owners, their agents and the immigration people are concerned.

The five Hindus on the Komagata wrote to friends ashore complaining of the food they were getting. They stated that they had asked Gurdit Singh for a return of some of the money they entrusted to his care in those now faroff days when they embarked at Hongkong. If this was forthcoming they would buy the food they needed.

Gurdit Singh declined. "Wait till we get ashore and I will talk business," said he.

The five men referred to wrote to relatives at Nanaimo asking them to come over and hold a palaver and yesterday morning the three Hindus from Nanaimo arrived. They interviewed the immigration people and got permission to go out on the government launch and talk to the quintette in whom they were interested.

When the launch got up to the gangway it was evident that there were things preparing. From Pier A the Hindus could be clearly seen with the aid of binoculars as they flocked to the rail howling and jabbering. The result was that the three Nanaimo Hindus in the launch could not be heard by the five friends on board It looked like a deadlock and then a very modest request was put.

It was to permit the five on board to get into the launch and talk over the food question with their Nanaimo friends in comfort. The permission was granted and the five were seen to descend the gangway into the patrol boat. No sooner were the five in the boat than the Hindus on deck clapped on the tackle of the gangway and hauled the ladder up far out of reach of those in the launch.

The officers on the launch pleaded and threatened but without result. The Hindus on board were in charge. They had the gangway hauled up and would not allow the Japanese crew to lower it or even heave a line to the launch. The Hindus lined the rail on the bridge deck and jeered and cheered and emitted wild yells of victory and after a most undignified period the launch representing the immigration of the Dominion government, came in to the boat landing at Pier A and the officers marched the five Hindus into the office.

What is to be done with them. The Hindus aboard the ship are closely watching the gangway and the Japanese captain and chief engineer and steward who were ashore, had great difficulty in getting back on board their vessel.

It is suggested that if the Hindus on the Maru refuse to allow the five now on shore to be returned to the ship, the venturous quintette may be deported on the Empress of Asia, which will leave here on Thursday for the Orient.

The immigration department says nothing but there is absolutely no doubt as to the incident. It was seen by more than one person.

The Japanese captain of the Komagata Maru is now conferring with the Hindu leaders aboard the boat, and said if he could not get them to lower the gangplank he would seek the aid of the city police.

The Province office was invaded by a deputation of Vancouver Hindus this morning who wished to have their views put before the public. Briefly summarized, their case is:

The immigration people have refused to allow Vancouver Hindus to get near the Komagata Maru in order to talk with their friends. Yet they not only took out three Nanaimo Hindus in the government launch but allowed the five to come aboard the launch and talk with their friends. The Vancouver Hindus consider this a case of unjust discrimination. If Nanaimo Hindus they say, can get the use of the immigration launch, surely Vancouver Hindus should be accorded a similar privilege.

KRAFCHENKO MUST PAY DEATH PENALTY

Ottawa, July 4.—After a lengthy sitting of the cabinet council yesterday, the recommendation of the Government in connection with John Krafchenko, sentenced to hang at Winnipeg on July 9, was sent to the Governor-General for final ratification. The cabinet has recommended that the petition for clemency be not granted but that the law be allowed to take its course. The order-in-council will be signed by the Governor-General in a few days.

WON GRAND PRIX

Lyons, France, July 4.—The Grand Prix of the Automobile Club of France was won today by Lautenschlager.

JULY FOURTH'S TOLL OF DEAD

Numerous Fatalities Recorded as Result of Explosion of Fireworks, Also Storms and Wrecks in United States.

Wilson Creek, Wash, July 4—A few charred bones were buried last evening with an Odd Fellows' service as the final rites over the remains of John T. Friend, who was burned to death yesterday morning in his home. which was consumed by fire. The victim was a pioneer of this country, had served in the civil war and was about 75 years old.

His son had started into town to attend the celebration and with only the father and mother at home the fire call was heard, the alarm having been sounded by neighbors.

In attempts to save valuable papers the frenzied man, after being barred out of the house, entered unnoticed through the side window and before he could get out was struck by the falling roof.

The building collapsed, carrying the victim to the cellar, where all semblance of a human being was burned away. Only a small portion of the trunk was left intact, the head, arms and legs being burned.

Sallisaw, Okla., July 4.—Two persons were killed and ten seriously injured in a picnic ground near Sallisaw late yesterday when a building in which many persons had taken refuge from a storm, was struck by lightening and wrecked. Several thousand persons were on the ground attending a Fourth of July celebration and political rally. United States Senator Gore, who had just finished speaking when the crowd was driven to shelter, was not injured. The dead are:

Hooper McKeill, a youth of Sallisaw, and John Stewart, a farmer of Atkins, Okla.

Five other persons are reported to have met death in the storm. It was said tonight that two women injured on the picnic grounds had died after being revived.

A message also said three children had been killed by lightening in a gypsy camp near the town.

Macon, Ga., July 4.—Six persons were seriously injured and more than a score of others hurt today when a Fourth of July excursion train on the Georgia Southern and Florida Railroad collided head-on with a Macon & Birmingham Railroad passenger train, seven miles south of here.

Neither of the trains were running more than twenty miles an hour. according to witnesses, and it is believed this prevented the wreck from being more serious. The engines met on a thirty-foot trestle and were wrecked. Both trains, however, remained on the track.

Duluth, July 4.—Duluth's third "sane" Fourth of July opened with the death of a boy from tetanus, due to a wound from an exploding cartridge. William Packer, aged 14, was tinkering with a 45-calibre revolver shell when it exploded.

FOUNDRY FIRE AT BOLTON.
