LOCAL HAPPENINGS

THE GUIDE-ADVOCATE welcomes all items of interest for this column. Call phone 11, send by mail or drop item in GUIDE-ADVOCATE Letter Box.

SUNDAY IS ST. ANDREW'S DAY.
Just a few hats left to clear at half price.—M. E. GEORGE.

FORD SIZE GUARANTEED TIRES at \$15.00 up.—RAY MORNINGSTAR.

PAY YOUR TAXES before December 1st, before the five percent is added.

PREMIER DRURY says that blind partyism is Canada's national sin.

The present price of butter makes its use almost prohibitory in many households.

The London Provincial Normal School has 177 female and only 16 male students enrolled.

TURKEYS are said to be roosting high this fall. Is it a sign of a mild winter or a tough Christmas?

PERSONAL Greeting Christmas Cards are being printed at The Guide-Advocate. Call and see samples.

The Guelph Herald says the Drury Government should be able to take care of anything that crops up.

CLEAN your brass bed with a little kerosene then polish with a little whitening, using a chamois for the purpose.

The Prince of Wales Victory Loan flag for Watford and Warwick is on exhibition in Mr. J. H. Hume's office.

SOME real bargains in used Ford and Chevrolet cars.—RAY MORNINGSTAR, Watford Garage.

A NUMBER from Watford have been to London to hear Gipsy Smith and all were deeply impressed with his exhortations.

WHEN Mary had her little lamb you'd buy a herd of swine, for what you now pay for a ham, that's mostly lard and brine.

The German "Her" is an equivalent for the English "Mr." but the American "her" is more than the equivalent for any "Mr." on earth.

A HEAVY pall of clouds completely hid the sun on Saturday morning at the time the annular eclipse was scheduled to be visible here.

THERE is a shortage of 38,000 school teachers in the United States. That, of course, is the inevitable result of so many good teachers resigning to become janitors.

"It's a mighty good thing," said Uncle Eben, "dat de Ten Commandments was handed down direct, instead of bein' 'bliged to go thru de hands of a lot of committees."

A MAN, selling Victory Loan Bonds, says the Toronto Star, called at a residence in Jarvis Street and sold a \$100 bond to the lady of the house and \$6,000 worth to the maid.

AN increase of twenty-five per cent was recently made in the advertising scale of the Saturday Evening Post, making the rate ten dollars a line, or \$140 an inch, each insertion.

The Grand Trunk Railway will take 77 passenger trains off its Ontario lines on Sunday next owing to the coal shortage, according to a report from London. Particulars will be received by the Station Agents today (Thursday).

J. H. HUME ticketed three people to the Old Country this week—James McClung, Thomas Myers and Joseph Wardman. They sail on the Empress of France to Liverpool.

The regular meeting of Tecumseh Chapter I. O. O. E. will be held on Tuesday afternoon, Dec. 2, at 3 p. m., at the home of Mrs. Prentiss. Program is in the hands of the hostess.

You know the people want to know and the people know that you want them to know, and we know that you know the way to let them know is by using Guide-Advocate Want Ads.

Owing to the high rate of exchange on New York, the Postoffice Department has issued instructions that no further postal notes whatever will be sold for remittance to the United States.

A NUMBER of Watford ladies went to London on Saturday to hear Gilbert and Sullivan's tuneful opera H. M. S. Pinafore and were well pleased with the rendering of this always popular old-time production.

BELL TELEPHONE workmen are putting in six additional phones in the village this week. They are for J. Doar, T. D. Rayner, Miss L. Waugh, Williams Bros. Garage, Mrs. R. J. McCormick and Ed. Mackness. There are now 115 phones in the municipality.

THE GUIDE-ADVOCATE is anxious to have correspondents in all districts. If your territory is not represented will you send us the news, or suggest the name of someone who would be likely to do so? We furnish stamped envelopes and writing paper.

THE MEMORIAL CROSS for mothers and wives of soldiers killed in action will be ready for distribution by the Militia Department in the course of a couple of weeks. The cross will be given only to the widow of a married soldier or sailor and to the mother of an unmarried soldier or sailor. The cross is of silver, hinged from a purple ribbon.

BARGAINS IN MILLINERY AT MISS GEORGE'S.

Construction of the hydro line between Craig and Parkhill is going on rapidly.

DR. NEWELL wishes to convey his sincere thanks to the many friends who remembered his recent birthday.

We are now carrying a nice assortment of Chevrolet parts, which Chevrolet owners will appreciate.—RAY MORNINGSTAR.

THE best Christmas gift you can make to a friend at a distance is a year's subscription to The Guide-Advocate—a gift that is welcomed and appreciated every week in the year. New subscribers receive the balance of this year free.

HEAR Lieut.-Col. G. O. Fallis, C.B.E., in the Lyceum, Wednesday, Dec. 31st. He was through the Great War from the beginning and knows "the story" and tells it in a thrilling and patriotic fashion. Come.

IN THE Victory Loan campaign, Lambton County stood second in St. Clair district, comprising Lambton, Essex, Kent and Elgin counties, with the grand total of \$4,353,750. Essex County led the list with Lambton, Kent, and Elgin as runners up.

"THE ROD OF GOD!" Have you heard the thrilling story of God's wonder-working rod? This will be the topic on which the Rev. T. DeCoursey Rayner will speak in the Congregational Church, Watford, on Sunday evening at 7. You are invited to be present. Morning service at 11.

THOSE who attended the lecture on "Ancient Athens" given by Prof. Fox of the Western University, in the Lyceum on Wednesday evening were amply repaid, as the lecture was a treat of a high order. The professor is well versed in the subject and the lecture was full of elevating information and instruction, clearly and forcibly conveyed.

A QUIET WEDDING was solemnized at the Brooke Parsonage on Wednesday last by the Rev. S. J. T. Fortner, when Miss Charlotte Smith, daughter of Mr. and Mrs. Alfred Smith, of Watford, became the wife of Mr. Charles Cressey, son of Mr. and Mrs. George Cressey of Warwick. The young couple were unattended.

I WISH to sincerely thank all, and especially those unsolicited, who so splendidly helped me to win a special cash prize in the Battlefields Tour campaign of the London Free Press. The contest closes Dec. 6th and I again ask your help in my final effort to secure the trip. Please speak to your neighbors and friends and hand any subscriptions into Swift's store or communicate with me and I will gladly call for them.—VERA A. M. FULLER.

MISS ISABELLA TAYLOR died at the Ontario Hospital, London, on Monday morning, the funeral being held on Tuesday from the home of her sister, Mrs. A. G. Brown, Watford, to the Watford cemetery, the Rev. S. J. Fortner officiating. Miss Taylor resided with her sister for several years but for the past few months has been in London.

THE DANCE given by the Junior Progress Club in the Armory on Thursday night was well attended and a very pleasant time spent until the early hours of the morning. The Kineto organ, of Parkhill furnished excellent music. About \$50 was cleared which will be devoted towards defraying the expenses of the Hockey Club in their J. O. H. A. games. Another dance will be given on Dec. 9th.

Tax by-elections for the Ontario Cabinet ministers will be set for the last week of December and the Legislature will open early in February, according to Premier Drury. Application will then be made to the Dominion Government for a referendum on the Prohibition question. Mr. Drury is determined to stop "boot-legging," and the only proper way to do it, he declares, is to appeal to the Federal Government.

ANNIVERSARY SERVICES will be held in the Watford Baptist Church Sunday next, November 30th. Rev. E. S. Haverstock, B.A., B.Th., will preach in the afternoon at 3 o'clock and evening at 7 o'clock. The choir will render appropriate selections, assisted by the Arkona quartette. Mr. Haverstock is an old Watford boy, this being his birthplace, and like many other Watford boys has made good, and will be pleased to meet his Watford friends again at these services.

A number of the lady friends of Mrs. M. J. Mitchell were invited to the home of Dr. Hicks on Tuesday evening, Nov. 25th, to celebrate Mrs. Mitchell's birthday. Tangible evidence of the good wishes expressed was shown by the number of beautiful gifts received by the hostess. After a delicious supper the guests adjourned to the parlor, where each contributed either to the musical or literary part of the program. "She's a Jolly Good Fellow" closed a most enjoyable evening.

LET us charge your storage battery this winter. We will keep it charged and filled for 50 cents per month.—RAY MORNINGSTAR.

"THE INSIDE STORY OF THE GREAT WAR" by Lieut.-Col. G. O. Fallis, C.B.E., for several months with Gen. Haig's Hdqts. staff, and one of five Canadians to be called to Buckingham Palace, and specially presented by the King with the distinguished honor of Commander of the British Empire. He has spoken in many of the leading Canadian cities. Hear him in the Lyceum Wednesday, December 3rd, at 8 p.m. Admission only 25 cents. A real treat.

PERSONAL

Miss Laura Humphreys left for Toronto on Wednesday of this week.

Robt. Tiffin, London, was home over Sunday.

Miss Marguerite Cook, is visiting at Mr. A. Stoner's, Arkona.

Mr. W. F. Percival, of Toronto, was here last week to visit his sister, Miss Sarah Percival.

Mrs. Eliza Hagle left on Monday for Inkster, Mich., where she will spend the winter with relatives.

Mrs. J. Johnston, Ingersoll, a former resident of Watford, is the guest of Mrs. Lowry this week.

Dr. Newell was showered with about 200 postcards, letters and telegrams from friends on his birthday last Friday.

Mrs. Geo. Holt, of Strathroy, a resident of Watford 28 years ago, spent last week in Watford renewing acquaintances.

Mrs. J. H. Jackson and sister, Mrs. J. H. Willits of Monroe, Mich., spent the first of the week with relatives in Sarnia.

Mrs. J. H. Willits who has been visiting her sister Mrs. J. H. Jackson, Huron St., left Tuesday for her home in Monroe, Mich.

Rev. A. C. and Mrs. Tiffin, with their daughter Miss Greta spent Monday and Tuesday attending the Gipsy Smith meetings.

Mrs. F. Humphrey, who has been visiting her cousins the Miss Waugh's for the past few weeks returned to her home in Hamilton on Wednesday.

The editor and publisher went to Toronto Thursday morning to attend the 61st annual meeting of the Canadian Press Association held in the King Edward hotel Thursday and Friday.

The Rev. S. J. T. Fortner has received a communication from the Official Board of the Methodist Church, Independence, California, unanimously extending to him the pastorate of that church. Mr. Fortner served the congregation as pastor a few years ago. This is the second invitation he has received from the above church during the last seven years.

The Trustees of Bethel church request those who have not paid for the care of their plots in the cemetery to do so at their earliest convenience as they would like to get the books closed before the end of the year.

The organization of the Forward Movement of the Bethel church, Arkona circuit, of the Strathroy District, has been completed. Officers are as follows—

Chairman—J. F. Smith, Vice-Chairman—Henry Chase, Secretary—John G. Cable, Treasurer—Miss Elsie Brown, Captain of Intercessory Committee—Mrs. W. J. Vance, Captain of Personal Workers—Miss Jennie Vance, Captain of Stewardship—Harvey Vance, Evangelicity—Rev. John Ball, Captain of Publicity—Fred L. Smith, Financial committee—Henry Vance.

The annual meeting of the Women's Auxiliary of St. Mary's church, Warwick, was held at the Rectory, on Thursday, Nov. 20th. At the meeting a bale was packed to be sent to Walpole Island. The contents of the bale were valued at \$38.50. The retiring president gave an interesting report of the year's work and the report of the Sec.-Treas. showed that the past year had been a successful one financially. The receipts for the year amounted to \$89.25. The officers elected for 1920 are as follows: Hon. Pres., Mrs. Shore; Pres., Mrs. B. Dann; Vice-Pres., Mrs. E. O. Herbert; Sec.-Treas., Rev. W. M. Shore; Auditor, Miss D. Wordsworth. Delegates to the annual meeting, Mrs. Vance, Mrs. C. Hawkins, with Mrs. Kirewell and Mrs. Baird as substitutes.

The lumber-jaden steamer Myron headed for his last voyage on Monday in a gale on Saturday afternoon near Whitefish. It is believed the crew of eighteen perished. The captain was rescued two days later in an exhausted condition.

A quiet wedding was solemnized at the Baptist parsonage, Thamesville, last Wednesday afternoon, Nov. 12th, when Miss Margaret Etta, second youngest daughter of Mrs. Nathan Pelfrey, of Thamesville, was united in marriage to Mr. Walker John Lapp, of Rutherford, Lambton county.

Mrs. Hans Johnson has two common bred-to-lay ducks which are hard to beat. Since they have laid 121 eggs, one of the ducks laying 3 in August, 32 in September, 28 in October and 10 in November, while the other laid 20 in September, 28 in October and 10 in November. Both ducks are still on the job.

Williamson—Jarriott

A very pretty autumn wedding was solemnized at the home of Rev. Mr. Savers on Wednesday, Nov. 12, at 3.30 p. m. when Miss Gladys Leila Alberta, oldest daughter of Mr. and Mrs. Robert Jarriott, was united in marriage to Mr. Alfred Kinney, oldest son of Mr. and Mrs. Henry Williamson, both of Warwick, by Rev. Mr. Savers of Watford. They were attended by Miss Lily M., sister of the bride, and Mr. Basil, brother of the groom. The bride looked charming in a navy blue suit with hat and furs to match, and wore the groom's gift, a gold necklace set with pearls.

The bride and groom left for Sarnia amid showers of confetti and good wishes. They will be at home to their friends after Dec. 1.

WARWICK.

Mr. and Mrs. Grant Small and daughter of Ridgeway, spent Sunday at the home of W. H. Luckham, 15 sideroad.

Mrs. T. L. Luckham Jr., spent a few days last week with her sister, Mrs. Kelvin Hodgins, of Plympton.

Mr. and Mrs. Clifford Richardson left on Saturday for Flint, Mich., where they will spend the winter.

Miss Violet Minielli spent the week end at the home of her friend, Miss June Baird.

Master George Kingston spent last week with his grandparents, Mr. and Mrs. Peter Kingston.

Miss Ada Minielli spent the week end in London, the guest of Miss Mildred Fortune.

Mrs. H. L. Richardson and son Cameron, of Hartshorn, Alberta, is visiting her mother Mrs. D. Cameron.

Mrs. Geo. Harper, 12 sideroad, who has been under the doctor's care for several months, was taken to Clinton Hospital on Saturday, where she will undergo an operation.

Rev. A. C. Tiffin, of Watford, will preach at Bethel next Sunday afternoon at 2.30. Sunday School at 1.15. Everybody welcome.

St. Mary's church Sunday School, of Warwick Village, will hold its Christmas entertainment in the Orange Hall, on the Monday before Christmas, Dec. 22.

Warwick Union, L. O. L. 1029 purpose holding an arch meeting on Wednesday, Dec. 3rd at 8 o'clock. Visiting brethren welcome.—JOHN SAUNDERS, W. M.; R. J. LUCAS, Rec.-Sec.

An entertainment under the auspices of Grace Church Sunday School, 4th line, will be held in the School House, on Friday, Dec. 19th. Admission, adults 25c, children 10c, all are invited. n28-4t.

Hear Lieut.-Col. Geo. O. Fallis, C.B.E. (Commander of the British Empire) tell in his thrilling fashion "The inside story of the great war" in the Lyceum, Wed. Dec. 3rd, at 8 p.m. Admission 25 cents. Its worth while.

The Trustees of Bethel church request those who have not paid for the care of their plots in the cemetery to do so at their earliest convenience as they would like to get the books closed before the end of the year.

Short Course in Agriculture at Watford

Warwick young men should avail themselves of the opportunity of attending the Four Week's Short Course in Agriculture to be held in Watford, beginning January 6, 1920. Interview any of the young men who attended last year. Find out their opinion. They all purpose attending this coming January. No farm young man can afford to miss this opportunity of receiving practical education in the "why and wherefore" you do certain things on a farm.

The course is designed with the idea of not teaching the science of farming but to deal with the every-day topic of the farm in a practical manner. A few of the topics dealt with are: Farm Book-keeping, Breeding and Feeding of Livestock, the origin, early history and families of pure bred stock, Composition of Fertilizers, Requirements of Soils and Crops, How to buy Fertilizers judiciously, Culling Poultry Flocks, choosing best layers, Common Diseases of Animals and Remedies, Cream and Milk Testing, Orchard practice, pruning and spraying, Public speaking.

Farming is much more than the mechanical plowing, seeding and feeding. It gives us results when it is done by one who knows the why and wherefore of what he does.

The young men who attended the Four Weeks Short Course in Agriculture held in Watford last January are now receiving special training in livestock judging. Agricultural Representative, W. P. Macdonald, accompanied by the boys are visiting the best herds in the county to practice judging. Three young men will be selected to represent the County in an Inter-County Livestock Judging Contest conducted at the Ontario Provincial Winter Fair, Guelph.

Officers Elected

A union meeting of the U. F. O. and the Lambton Farmers' Co-operative Association was held in the Council Chamber, Petrolia, on Saturday. There was a full attendance. The chair was occupied by the president, Mr. Herbert Darvel. The following officers were elected—

President—Herbert Darvel, Alvinston.
Secretary—A. W. Campbell, Alvinston.
Director for East Lambton, to attend U. F. O. Meetings—Arthur E. Vance, Forest.

Director for West Lambton—Byron Young, Bridgeton.

TOWNSHIP DIRECTORS
Bosanquet—Burton Well, Forest.
Warwick—Clas. E. Smith, Watford.
Brooke—John Darvel, Alvinston.
Euphemia—John Barron, Bothwell.
Plympton—Angus McLaren, Forest.
Enniskillen—W. A. Brock, Petrolia.
Dawn—Geo. Sterrhoef, Oil Springs.
Sarnia—Clas. Hardy, Sarnia.
Moore—Alex. Gray, Courtright.
Sombra—David Grant, Bickford.

A resolution was passed re-naming the Lambton County Co-operative Association (apart from the commercial aid) to the Lambton Union Farmers of Ontario.

Bethesda S. S. are holding their Christmas Tree and Entertainment, on Tuesday evening, December 23rd.

We are now carrying a nice assortment of Chevrolet parts, which Chevrolet owners will appreciate.—RAY MORNINGSTAR.

The Walnut Methodist Church will hold its Christmas entertainment, on Thursday evening, Dec. 18th. Further announcements later.

Mrs. W. Warren met with a very serious accident at the home of her daughter, Mrs. W. Soper, in Wood, by falling down stairs, a break in one shoulder and several bruises are the result.

"The inside story of the Great War" by Lieut.-Col. Geo. O. Fallis, C. B. E., (one of five Canadians) to be presented by the King with the distinguished honor of Commander of the British Empire, in the Lyceum, Wednesday Dec. 3rd, at 8 p. m. He is a brilliant and interesting lecturer.

An old and much beloved resident of the twelfth line passed peacefully away on Thursday, Nov. 28th, in the person of Mrs. John Hair, aged 77 years. The funeral was held from the family residence, lot 28, on Saturday to St. James' church cemetery, the Rev. S. J. T. Fortner taking the service. A more extended notice will appear next week.

A freak of nature was born on the farm of Mr. Duncan Cameron, on 3, a couple of weeks ago in the form of a three-legged calf. The "freak" is perfectly natural in every shape except for the fact that it has only three legs, two hind and one foreleg, there being not the least sign of a fourth leg having commenced to grow. It is skipping about the barn yard with the rest of the calves and can get about almost as easily as the others.

The Bracebridge Gazette of Nov. 20th in its "Echoes of the Hunt" has the following:
"Councillor Morris—Shooing horses is not in it with shoeing deer."
"Roscoe Kearney, nephew of Comm. Morris, had a few long range shots at a large bear but Bruun would not take any chances with a hunter of Mr. Kearney's ability and beat it while the beating was good."

How's This?

HOW MRS. BOYD AVOIDED AN OPERATION

Canton, Ohio.—"I suffered from a female trouble which caused me much suffering, and two doctors decided that I would have to go through an operation before I could get well.

"My mother, who had been helped by Lydia E. Pinkham's Vegetable Compound, advised me to try it before submitting to an operation. It relieved me from my troubles so I can do my house work without any difficulty. I advise any woman who is afflicted with female troubles to give Lydia E. Pinkham's Vegetable Compound a trial and it will do as much for them."—Mrs. MARIE BOYD, 1421 5th St., N. E., Canton, Ohio.

Sometimes there are serious conditions where a hospital operation is the only alternative, but on the other hand so many women have been cured by this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, after doctors have said that an operation was necessary—every woman who wants to avoid an operation should give it a fair trial before submitting to such a trying ordeal.

If complications exist, write to Lydia E. Pinkham Medicine Co., Lynn, Mass., for advice. The result of many years experience is at your service.

Guide-Advocate

WATFORD, NOVEMBER 28, 1919

Hannibal did not use tobacco in any form.

Goliath absolutely declined to don D. V. B.'s.

Ghenghis Khan preferred the steps to the elevator.

Moses had an unconquerable aversion to motorcycles.

Doctor Johnson would not put his foot in an automobile.

Old Colonel Eve positively refused to wear corset-covers.

Peter the hermit never spent a cent for phonograph records.

Gustavus Adolphus would not patronize the parcel post.

Nero could not be persuaded to buy an electric fan.

CURRENT COMMENT

By the way, we should like to suggest that one of the first things the new minister of education should do is to abrogate that foolish regulation providing for the unnecessary "u" in words such as labor, harbor, honor, et cetera.—Goderich Signal.

It is estimated that the recent Provincial election and referendum cost not less than \$1,200,000. Not a great many years ago a poll was manned at a cost of \$6-\$8 for the returning officer, \$2 for the poll clerk, and \$1 for the constable. In the recent election these officials were paid exactly three times these figures, and as many of the polls had a double crew the cost was still further increased. The printing of the lists of voters also was a very heavy item.—Ex.

The Government is understood to be considering the abandoning the War Saving Stamp idea and replacing it with another one. The War Saving Stamp scheme has never been a success, for several reasons. In the first place, it was suggested in Canada because of the results which had attended it in the United States; but over there they had it under way while the war was at its height, and the people responsive. The Government is now understood to be considering a scheme to replace the stamps with Saving Certificates, leaving out the war idea. The new issue will bear interest at the rate of five per cent. and be non-taxable. Probably the sale of the stamps will continue until the end of the year so as to dispose of as many as possible of those on hand. The amount of the new issue has not yet been decided on.

One of the last acts of Hon. Dr. Cody as Minister of Education, was to complete arrangements with the University authorities to provide for joint examinations for matriculation and entrance to Normal Schools and Faculties of Education. Dr. Cody for some time past had been negotiating with the University authorities, with the object of reducing and simplifying the examinations required for high school pupils. The high schools in the past have been required to prepare candidates for two types and standards of examinations based on the same courses. By the new arrangement the work of the schools will be materially lessened, and the pupils will have the opportunity of qualifying at the same examination for entrance to the Normal Schools or the Faculties of Education and the Universities.

New express packing rules will go into effect on December 10th. The new rules will not permit the use of paper wrapping for packages over 25 pounds, nor ordinary paper boxes, wrapped, or unwrapped, when the weight of package is over that limit. For shipments over 25 pounds, wooden containers, or containers of fibre-wood, pulpwood or corrugated straw-board material are required. The cartons must be made of materials of specified "test strengths," similar to those required for the freight service, and the containers must bear the stamp of the manufacturers to certify that the material used is of strength required for the weight of the shipment carried in it. Shippers who wish to acquaint themselves with the new express regulations would do well to study these rules, copies of which may be secured at any express office.

A Standard Medicine—Parmelee's Vegetable Pills, compounded of entirely vegetable substances known to have a re-vivifying and salutary effect upon the digestive organs, have through years of use attained so eminent a position that they rank as a standard medicine. The acting should remember this. Simple in their composition they can be assimilated by the weakest stomach and are certain to have a healthful and agreeable effect on the sluggish digestive organs.

BUILD IT NOW

If You Need That House BUILD IT NOW

Your first peace-time work is the building of that new house you had to go without while the war was on.

Both labor and materials are available once more and a great deal of government building, state work and factory construction already is under way. Measure the amount of satisfaction and service your new home would bring and you'll want to get started at once.

The sensible thing then is to BUILD NOW and we have all the material to build the sensible way—framing, siding, trim, shingles, doors and Beaver Board—the manufactured lumber, knotless and crackless—for the walls and ceilings. Speak to us about it today.

The Road—As It Is and As It Seems In Overland 4 on Three-Point Suspension Springs

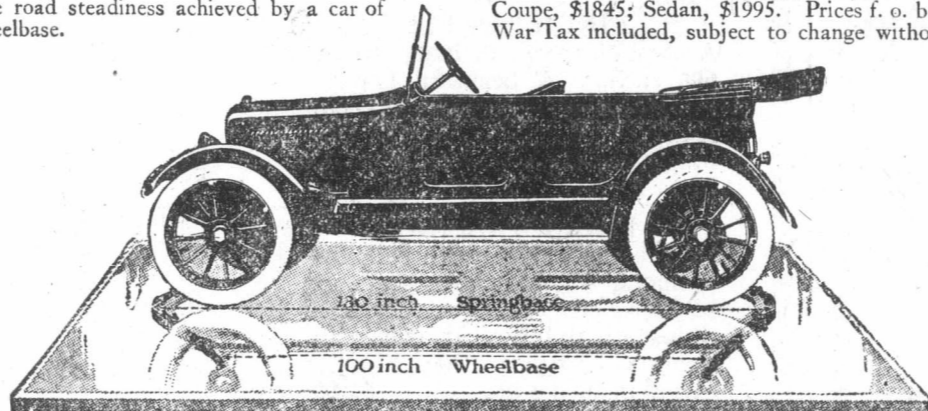

OVERLAND 4 does not change the road, but it does change the manner in which you can ride on it. This comfort achievement, the greatest since the introduction of pneumatic tires, is made possible by the wonderful cushioning ability of Three-Point Suspension Springs—exclusive with Overland.

The Diagonal attachment of the Three-Point Suspension Springs at the ends of a 130-inch frame gives the road steadiness achieved by a car of long wheelbase.

Yet Overland 4 retains all the advantages—lightness, economy, and ease of handling, of 100-inch wheelbase.

Overland 4's equipment is no less admirable than its construction. The list is complete from Auto-Lite Starting and Lighting to Demountable Rims.

Come in and see this remarkable car. Ask for Booklet. Overland 4 Touring, \$1195; Roadster, \$1195; Coupe, \$1845; Sedan, \$1995. Prices f. o. b. Toronto, War Tax included, subject to change without notice.

J. R. McCORMICK, DEALER, WATFORD

All prices subject to change without notice.

or some sort of sheer cotton fabric with fllet insets. For the woman who wants to do a clever little piece of dressmaking at home and who wants a practical but smart about-town dress, a very good way to begin would be to get a fairly elaborate lingerie gilet and work up to it with thin black taffeta.

DANCE HAT AN INSPIRATION

Angora and Organdie, With Just the Right Touch of Color, Made Genuine Triumph.

She was going to a dance, and she wanted a hat. Time was when a girl had a frock and was duly grateful, but now she must have a hat as well. That was how the trouble began. She had her organdie hat, but that was beginning to show signs of wear. It wasn't dirty, but the crown had lost some of its perkiness. What could she do?

At last a happy thought struck her. Aunt Di, who always has the fashions at her finger tips, had at her last visit talked of nothing but contrasting materials on hats, gowns, everything! Here was the chance. There was the ball of angora she had left from her sweater collar, a lovely soft gray. She would knit it into a big tam crown and put it on the blue organdie brim. No sooner said than done. Before long the hat that had seemed come for, flaunted a soft tam of angora. Nestled in the folds of it, at one side, a huge pink rose added the bit of color needed. Out of apparently nothing had sprung a dance hat, a novelty that was one of the attractions of the evening.

IN PEARL GRAY HORSEHAIR

Horsehair makes the most perfect fabric for small hats, for it may be twisted and draped into the most modish shapes. This fetching turban of pearl gray horsehair needs as its only ornament the delicate lined gowrie feathers so jauntily affixed at the back.

POOR THIN BLOOD BRINGS INDIGESTION

Make the Blood Rich and Red by Using Dr. Williams' Pink Pills.

Thin-blooded people generally have stomach trouble. They seldom recognize the fact that thin blood is the cause of indigestion, but it is. Thin blood, weak, watery blood, is one of the most common causes of stomach trouble. The glands that furnish the digestive fluids are diminished in their activity, the stomach muscles are weakened and there is a loss of nerve force. In this state nothing will more quickly restore appetite, digestion and a normal nutrition than good, rich, red blood.

Dr. Williams' Pink Pills act directly on the blood, making it rich and red, and this enriched blood strengthens weak nerves, stimulates tired muscles, and awakens to normal activity the glands that supply the digestive fluids. The first sign of returning health is an improved appetite and soon the effect of these blood improving pills is felt throughout the whole system. You find that what you eat does not distress you and that you are daily growing stronger and more vigorous. Mr. J. J. Murray, Regent street, Toronto, bears testimony to the value of Dr. Williams' Pink Pills in cases of this kind. He says: "During the latter part of 1918 I was a sick man. My stomach seemed simply down and out. I had no desire for food, and when I ate it distressed me. I was pale, did not sleep well, naturally got up in the morning feeling grouchy. My wife was worried over my condition and urged me to try Dr. Williams' Pink Pills, reminding me of the good they had done our eldest daughter when she was in a somewhat similar condition. I decided to follow her advice and got a supply and here is the story in a nutshell: I have got my appetite back, sleep soundly at night, enjoy my meals and am so gratified with what the pills have done for me that I strongly advise their use for all pale, sick people."

You can get Dr. Williams' Pink Pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.

POPULAR BLACK AND WHITE

Old but Always Effective Combination Is Here Again, Only Just a Little Different.

Every once in a while—every season at least—the fashion authorities come out with what appears to be the astounding news that black and white is very much the vogue. The fact is, the magic combination is perennially smart, only there are magpies and magpies.

The present black-and-white combination is just a little different from anything that you have ever worn before. It is most striking when it takes the form of a black taffeta slip with a sheer lace and organdie overdress. The black silk is not very extensive. The skirt is scant and as short as you feel is consistent with the present fashion and the waist rarely extends many inches above the belt, as a flesh-colored georgette is quite apt to take its place for the foundation of the shoulder and sleeve portions.

The white organdie and lace takes the form of a peplum or plastron on the skirt, and comes up sometimes in V's on the bodice. But there is a wide diversity and the skill of the designer is taxed in thinking of new and interesting ways of combining this white over black.

These black-and-white frocks lend themselves particularly well to garden party or other outdoor occasions, and you are wise if you plan to include one on your week-end visit to the country, because they will stand up better after packing than the frock that is all organdie and all sheer. And just at present they have considerably more distinction than any other sort of afternoon frock.

For more practical wear there is nothing so fetching at present as the black satin or taffeta frock that has cuffs and deep shawl collar or gilet of tucked organdie or embroidered mull

THE TORTURES OF RHEUMATISM
Happily Stopped When He Began To Take "Fruit-a-tives"
8 OTTAWA ST., HULL, P. Q.
"For a year, I suffered with Rheumatism, being forced to stay in bed for five months. I tried all kinds of medicine without relief and thought I would never be able to walk again. One day while lying in bed, I read about "Fruit-a-tives" the great fruit medicine; and it seemed just what I needed, so I decided to try it. The first box helped me, and I took the tablets regularly until every trace of the Rheumatism left me."
LORENZO LEDUC.
50c. a box, 6 for \$2.50, trial size 25c.
At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

Buy in the Home Town
Buying in the home town benefits both the buyer and the merchant. It helps to improve the streets, to reduce taxation, to bring the goods that are needed to a common centre where they are needed. It circulates money, giving all an equal chance to secure some of it, and in this way buying in the home town helps the merchant, lowers the price of goods to the consumers, aids financial institutions, gives more money to taxes for better roads, better police and fire protection, helps the newspapers, enables the municipality to pay better wages to school teachers, assists in the erection of better churches and public institutions, and finally establishes better residential districts, and this way prosperous cities and towns are built up. The object therefore, of all loyal citizens should be to buy the things they require in the place in which they live.

MY HEAD!
When the head feels thick or aches, when one feels all out-of-sorts—perhaps a coated tongue—it is the signal that poisons are accumulating in the system, and should be cleaned out at once.
Auto-intoxication can be best ascribed to our own neglect or carelessness. When the organs fail in the discharge of their duties, the putrefactive germs set in and generate toxins—actual poisons, which fill one's own body.
Sleepiness after meals, flushing of the face, extreme lassitude, biliousness, dizziness, sick headache, acidity of the stomach, heartburn, offensive breath, anaemia, loss of weight and muscular power, decrease of vitality or lowering of resistance to infectious diseases, disturbance of the eye, dyspepsia, indigestion, gastritis, many forms of catarrh, asthma, ear affections and allied ailments result from auto-intoxication or self-poisoning.
Take castor oil, or procure at the drug store, a pleasant vegetable laxative, called Dr. Pierce's Pleasant Pellets, composed of May-apple, aloes and jalap.

THE FIRST PAIR OF GLASSES
It is very important that your first pair of glasses should be right. We do not hesitate to say to you that our optical work is the best that skill can make it. We want you to know this from actual experience.
You receive here a thorough, scientific examination of the eyes and vision and the proper lenses to suit your individual case. No guess work but good work. Come here first and save time and money.
Sight testing free.

Jeweler and Optician
ISSUER OF MARRIAGE LICENSES
Sleep is the great nourisher of infants, and without peaceful sleep the child will not thrive. This cannot be got if the infant be troubled with worms. Miller's Worm Powders will destroy worms and drive them from the system, and afterwards the child's rest will be undisturbed. The powders cannot injure the most delicate baby, and there is nothing so effective for restoring the health of a worm-worm infant.

BUILDING AN ICEHOUSE
Good Type for Use on the Average Farm.
Every Milk Producer Should Have One—The Work and Cost of Erection Light, Compared With the Benefits.
(Contributed by Ontario Department of Agriculture, Toronto.)
EVERY Ontario farmer who produces milk,—and most of the farmers do,—should store a quantity of ice each winter in order to make it easier for him to cool the milk down after the evening milking, and to keep it sweet for such short periods,—week-ends for example,—as he may be required to keep it before delivering it at the cheese factory or other point of disposal. In order to preserve the ice satisfactorily some form of ice-house or shelter is necessary. The purpose of this article is to describe in a few words a type of ice-house which will give good satisfaction.

The ice-house does not necessarily have to be expensive, but certain conditions in regard to it must obtain if the ice is to keep well. These I shall emphasize first and they are: protection of ice from sun's rays, this is the wall, good drainage from the bottom of the house, either natural or artificial, free circulation of air through the top, air-tight foundation, plenty of good quality of dry sawdust on all sides of the mass of ice, and close packing of the ice. If these conditions can be secured in a rough bin built under a shed, or a lean-to on the shady side of a building, all well and good unless one has other good reasons for building a more expensive structure elsewhere. The matter of convenience is often a deciding factor in this case, and the type of ice-house I am about to describe is a good illustration of this fact. Only once have I seen it in use, but there is no reason why it could not be used quite generally.

This particular type consists of a lean-to structure of wood at one end of the barn which has the stable underneath. The size would vary with the amount of ice required, but probably a building 15 feet square and 12 feet high would be large enough for most farmers' needs. In this structure and at the side adjacent to the barn, or rather the basement wall, is built a concrete enclosure about 6 feet square and 6 or 6 1/2 feet high. A door in the basement wall admits one to it. In the side opposite to the doorway there is a row of 3 or 4-inch tile near the bottom for letting in the cold air from the ice which is packed closely to the concrete storage on all three sides and over the top as well. Between the top of the storage and the barn there is a narrow passage-way or flue for allowing the foul or used air to get out, hence good circulation in the storage is provided for. In this particular case the farmer has his milk-room containing cream separator, etc., adjoining this storage and whenever he wishes to cool milk or cream or store it he puts it in this storage. Other articles, such as butter and meat, are also stored at times but of course only for a few days at a time. Hence much handling of ice is saved as well as considerable time. The building is made of wood, the studding being boarded on both sides. It would be advisable to fill the space between the two boardings with planer shavings or good quality sawdust. The roof is covered with shingles. The gables are left somewhat open for ventilation. Plenty of sawdust is used around the ice next to the walls, and also a good depth over the top, none however is used between the cakes of ice. If a few cakes of ice are required for household use they may be easily taken out of the sawdust in the top of ice-house or at one side if more convenient.

It will be seen, therefore, that this type of ice-house does double duty in a degree, namely, providing a small ice-cold storage room, cooled by the ice mass directly, in addition to housing ice for various incidental uses in the summer-time. In a case of this kind there would not be much need for taking out ice except for supplying the household refrigerator as the storage-room would take care of the ordinary cooling and preserving of products.
Believing this arrangement to be valuable, and in many cases practicable on Ontario farms, I have much pleasure in recommending it to farmers in general.—R. R. GRAHAM, O. A. College, Guelph.

For Frost Bites and Chilblains—Chilblains come from undue exposure to slush and cold and frost-bite from the icy winds of winter. In the treatment of either there is no better preparation than Dr. Thomas' Electric Oil, as it counteracts the inflammation and relieves the pain. The action of the oil is instantaneous and its application is extremely simple.

Economy of Ford Service
WEAR is unavoidable even in the best car, but certain parts wear out more quickly than others. There is no need of scrapping your car because the piston rings have seen their day, because the platinum points of the vibrators are worn out. Probably the rest of the car is as good as new.
Medical men agree that the human body is renewed, cell by cell, every seven years. You can do the same with your Ford Car and prolong its life at minimum cost by replacing worn parts from time to time.
Ford service has been the means of doubling the lives of hundreds of Ford Cars, and cutting down the cost of motoring. The fact that a Ford Touring Car, which costs \$690, f. o. b. Ford, Ont., can be purchased part by part separately for \$917 is ample proof of the economy of driving a Ford Car.
It will pay you to have your car overhauled during the winter months. 700 Canadian Dealers and over 2,000 Service Garages supply genuine Ford parts and prompt repair service.
When buying, choose a Ford, and take advantage of the economy of Ford service.

W. W. Ballantyne writes an advertisement

Neidpath Farm
Near Stratford, Ont.

Dear Sir:—

The Delco-Light Plant you sold me to light my farm has not only given us the pleasure and convenience of electric light in all our buildings, but it is rapidly paying for itself in the work it does.

It would be a good investment for us aside from the lighting altogether. So far, we have found 16 jobs for Delco on our farm, and we are constantly finding new jobs for it. We are using power from Delco-Light to run:—

- | | |
|-----------------------------|--|
| (1) 3-unit milking machine. | (10) Vacuum cleaner. |
| (2) Cream separator. | (11) Electric iron. |
| (3) The pump in the dairy. | (12) Toaster. |
| (4) Root pulper. | (13) Charging batteries on our motor car. |
| (5) Emery stone. | (14) Pumping water for household use. |
| (6) Horse clippers. | (15) Lighting our home, stable, outbuildings and yard. |
| (7) Sheep-shearing machine. | (16) Violet ray generator. |
| (8) Fanning mill. | |
| (9) Washing machine. | |

We have never figured this work down to so many hours per day, but we do know that we can operate the farm with one less man than we used to. Figure out the wages and board of a farm hand and you can see what the Delco-Light plant saves us.

We used to run a gas engine on the milker and cream separator, at a cost of 10 cents a day. Our Delco-Light plant supplying light and power for the whole farm costs only 7 cents a day.

It would not only be a harder proposition to run our farm without Delco-Light, but it would cost us a lot more money. We have no hesitation in recommending any farmer to harness up his farm to Delco-Light.

Yours truly,

(Signed) *W. W. Ballantyne*

The man who considers Delco-Light something that he will buy—when he can afford it—should heed this strong letter from Mr. Ballantyne. It costs more money to farm without Delco-Light. Can you afford, then, to delay equipping your farm with light and power?

Exclusive Delco-Light Features

Where there is a boy on the farm, he can look after this simple plant. These features insure care-free, long-lasting service for you.

It is direct-connected. There are no belts to slip, break or be replaced.

It is self-cranks. Pressing down on a lever starts the engine and it stops automatically when the batteries are charged.

It is air-cooled. There is no water to carry, to freeze or to boil away.

There is only one place to put oil. There are no grease cups.

A simple mixing valve regulates the fuel supply. There is no complicated carburetor.

Ball and roller bearings cut down friction and increase efficiency.

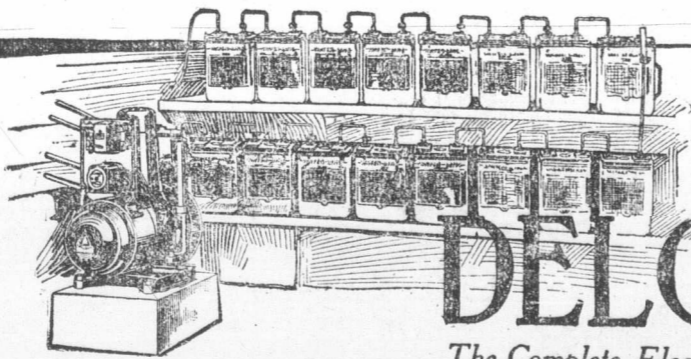

Thick-plate batteries are long lasting.

75,000 Delco-Light plants are operating in Canada and the United States. This in itself proves the practical nature of the plant. Let us put you in touch with some of these people.

You owe it to yourself and your family to learn what Delco-Light will do for you. As a start toward greater comfort and larger profit, ask us to send you the Book "Pays for Itself," written by practical farmers.

Must Not Peddle Spectacles

At the last session of the Legislature an "optometry act" was passed, but it was not to become effective until a proclamation was issued by the lieutenant-governor. This proclamation is published in this week's Ontario Gazette.

The act fixes a maximum fine of \$100 and a minimum fine of \$10 for any person convicted of selling, or fitting, or supplying "glasses by going from house to house or from place to place, in any other manner than from a permanent place of business and notwithstanding that he is the holder of a municipal license as a peddler or transient trader."

Similar penalties are provided for anyone appending to his name the term "Optometrist," or "Optician," or any other initials that he is not entitled to to deceive the public. It is also provided in the act that every person selling or fitting glasses shall deliver to each customer or person fitted a bill of purchase which shall contain signature and address of the dealer with the specifications of the lenses and frames, and the price charged.

Good-bye to Asthma. Persons suffering from that extremely trying trouble known as asthma know what it is to long with all their hearts for escape as from a tyrant. Never do they know when an attack may come and they know that to struggle unaided is vain. With Dr. J. D. Kellogg's Asthma Remedy at hand, however, they can say good-bye to their enemy and enjoy life again. It helps at once.

Of Much Value to Students

The collecting and preserving of insects and the mounting of insect collections has become an important part of the work of the students in many of our schools. The teachers who have specialized in agriculture have learned something of the methods of collecting and preserving insects and are arousing the interest of their pupils in this fascinating subject. In order to assist those desirous of securing accurate information Entomological Circular No. 12 "Directions for Collecting and Preserving Insects" has been prepared by J. H. McDunnough, M. A., Ph. D. This circular may be obtained free upon application to the Publications Branch, Department of Agriculture, Ottawa. It indicates concisely some of the most essential features in connection with the collection of insects, and aims to arouse an interest for intelligent collecting of insects. Insects are very delicate creatures and unless the greatest care is observed in both collecting and packing for shipment an otherwise valuable collection may be rendered practically worthless from both the aesthetic and the scientific standpoint.

For years Mother Graves' Worm exterminator has ranked as the most effective preparation manufactured, and it always maintains its reputation.

The Late Alvin J. T. Cochrane

A very sad death occurred on Monday, Nov. 17th, at Hotel Dieu Hospital, Windsor, when Alvin J. T. Cochrane, of Dutton, passed away after an illness of only three days of uremic poisoning, aged 38 years and 12 days. The late Alvin Cochrane had many relatives in Watford and Brooke, where he frequently visited, his mother being Jemima Saunders daughter of the late James and Ann Saunders of Brooke, and his father, the late Matthew planing mill and contracting business in Dutton, having worked at the carpenter trade in Watford before going to Dutton.

On learning Monday afternoon of the serious condition of her son, his mother with her daughter Anna, left at once for Windsor, and although he was unconscious when they reached his bedside, they remained with him until he passed away three hours later.

The deceased was born in Dutton and after receiving his education in the schools there, went to Toronto, where he resided until going to Windsor only two years ago. He was unmarried and leaves his mother and three sisters, Misses Myrtle, Anna and Lillian, at Dutton, and one brother, Neville J. Cochrane, Windsor.

The funeral was held on Thursday afternoon at Fairview cemetery, Dutton, and was largely attended. The service was conducted by Rev. C. H. P. Owen, rector of St. Peter's church, and the choir of the Anglican church assisted at the service. The floral offerings were beautiful, among which was a cross of white roses from mother, brother and sisters. Among the relatives attending the funeral were Mrs. W. T. McCormick and Mrs. Walter Cook Jr., of Watford.

The deceased's father, the late Matthew Cochrane, who died several years ago, was buried at St. James' cemetery, Brooke.

ARKONA

New Raisins—Peels etc. for the Xmas trade.—Brown Bros.
