What seems to be a satisfactory marital arrangement it for husband and wife to run the home together, the man to run the lawn mower and furnace and the wife to run the rest of the house.

Mr. John Doar met with an accident while working on the railway track on Monday. By some means he was struck in the face by a pair of heavy rail-lifting tongs, causing cuts on the head and face that required several stitches to close.

The meeting of the officers and directors of the East Lambton Agricultural Society will be held in the Council Chamber on Saturday, June 9th, 1923, at 7.30 p.m. for revising price lists and general business.—J. R. McCormick, Sec.

The most massive and spectacular of all the famous Valentino love dramas "The Young Rajah" a story that sweeps you from New York's glittering ballrooms into the ageless mystery and passions of the Orient, will be the special attraction at the Lyceum, Wednesday, June 20th.

The June session of the Lambton county council opened at the county court house building on Monday afternoon at 2 o'clock with Warden Nicholas Sitter presiding. No business of unusual importance is scheduled for discussion or disposition at this summer session and it is expected that it will be of a more or less routine nature.

The Cemetery Committee of St. James' Church, Brooke, requests that all those who have not paid for the caring of plots during the past season, do so, at once. Payments may be made to the rector, Rev. J. H. Hosford or to the church wardens Dan Kelly and R. J. Lucas.

King George was 58 years old on Sunday. On Monday the local banks and public school observed the statutory holiday, but other business was conducted as usual. The high school kept right to work, the proximity of the sessional examinations preventing the observance of the day there.

New steel supports have been placed against the outside walls of the Lyceum building. It is said that this work became necessary on account of the weighty political speeches that will be delivered in the hall previous to the election, which would have a tendency to make the walls bulge.

In accordance with promises in the legislature, a proclamation now appears in the Ontario Gazette announcing that the age of compulsory education will not be raised next September to include those of 16 to 18 years of age, as the adolescent school attendance act provides. This clause of the act will, however, become effective on Sept. 1, 1925.

The Cemetery Committee intends having a bee on Friday afternoon for the purpose of helping the work of beautifying the cemetery. All parties owning lots, or any others interested, are requested to attend and help make the resting place of our departed a credit to the town and to ourselves. Bring necessary tools with you.

Wednesday half holiday bargains at Swift's. Work shirts 79c each.

Watford Baseball League games so far resulted as follows: June 1, Parkhill beat Watford 6-5; June 4, Strathroy beat Watford 3-2; June 6, Watford beat Parkhill 7-6.

The dance given by the Baseball Club in the Armory on Wednesday evening was well attended and a most enjoyable affair throughout. Fischer's orchestra of Strathroy furnished the music and Lambton's 149 I.O.D.E. furnished the lunch.

Some half hundred Oddfellows of Peabody Lodge and visitors from surrounding lodges paraded to Trinity church on Sunday evening to observe the anniversary of the lodge and the 104th anniversary of the Order by attending church in a body. The usual service of the church was used and popular hymns sung, and the rector, Rev. J. H. Hosford, preached an appropriate sermon. The weather being quite warm the congregation was not very large.

The London Methodist Conference closed Tuesday afternoon. In the final draft of stations some changes were made in the Strathroy district. Rev. C. Stuart will be stationed at Petroler in place of Rev. W. K. Hager who remains at Watford. Rev. R. Brookes goes to Kerwood in place of Mr. McAllister, superannuated after 42 years. Rev. E. J. Roullston will have charge of the Arkona church and Rev. C. E. Taylor has been placed at Camlachie. Rev. W. K. Hager of Watford was elected chairman of Strathroy District.

Saturday night bargains in men's balmbrigan suits and drawers 69c.—Swift's.

Traffic officers have been instructed by departmental heads to be especially vigilant this year and apprehend all reckless drivers. It is pointed out that speeding is not the most serious danger in front of other cars, but make dangerously sharp turns, thus imperilling not only their lives but also of others on the highway. Young men, accompanied by young women, are declared to be the greatest offenders along this line. We are out to get the dangerous drivers and thus make the provincial highways safe for the travelling public, is a statement made.

A quiet wedding was solemnized at the Brooke Methodist Parsonage, Watford, on Wednesday, June 6th, by Rev. T. A. Steadman, when Miss Margaret Frances Chambers, daughter of Mr. and Mrs. Swanton B. Chambers of Warwick, was united in marriage to Mr. William Frederick Lawrence. The happy young couple are now receiving the congratulations of their many friends.

It contained 77 girls dresses, 27 pillow slips, 10 towels and 2 quilts, and from Toronto will be sent to the Zenana Missionary workers in India.

The electric storm on Tuesday evening caused considerable damage throughout the country. In this township two barns and a large shed belonging to Mr. Chas. Smith, second line north, (the old Henry Baird farm) were consumed by fire, the result of being struck by lightning about nine o'clock. Fortunately the machinery and other contents were saved, but Mr. Smith's loss is a heavy one. Insured in the Lambton Farmers' Mutual Fire Ins. Co. for a nominal amount.

On Friday afternoon, May 25th, at the home of Miss Margaret Chambers, Cedar Lane Farm, 4th line, Warwick, a number of girl friends and members of the D.O.B. Club gathered and presented her, prior to her marriage, and Mrs. A. DeClarke (nee Miss Rheta Bryce) with a miscellaneous snowder. The afternoon was spent in playing games and social chat and was brought to a close with singing "For They are Jolly Good Fellows." After which a dainty lunch and lemonade were served by members of the club.

The regular meeting of the Warwick Women's Institute was held in the Town Hall on Thursday evening, May 10th. The meeting opened with "The Maple Leaf" followed by prayer. Auld; district representatives, Mrs. B. Smith, Mrs. D. Auld, and Mrs. C. Morris; organist, Miss Anna Auld, Miss Grace Thompson; auditors, Mrs. V. Barnes, Mrs. A. Smith. Miss Annie Ross read a paper on "Ten Commandments to a Housewife", which

was very much appreciated. The meeting closed with "God Save The King."

Reeve Parker spent the week in Sarnia at the county council.

Adam Higgins, ex-deputy-reeve of Warwick, was the guest of the county council on their trip to Detroit on Wednesday. Wm. J. Davis of Euphemia, ex-Warden, was also a guest.

What might have been a serious accident occurred last Sunday afternoon on the 4th line, when Mr. Will Cable and little brother, Howard, were on their way to Bethel Sunday school with their driver and rubber-tired buggy. A nail in a board lost from a gravel box last Saturday punctured one of the tires, and immediately the wheel buckled or collapsed, frightening the horse which ran, throwing both occupants out of the buggy. Mr. Cable hung on to the reins, turning the horse around in direction of home, and then went to his little brother whose cries alarmed him. Neither was hurt beyond a severe shaking up and a big scare. When the horse arrived home the buggy was badly damaged.

BROOKE

The next meeting of the Brooke W. I. will be held at the home of Mrs. D. McNeil on Thursday, June 14th, members and visitors are cordially invited.

CHOP STUFF

Mr. Delmer of Forest will open a pool room in Strathroy.

West Lambton Orangemen will celebrate the Battle of the Boyne at Chatham this year.

George Hodgins, of Ailsa Craig, who had his right arm badly shattered during an engagement in the Great War, recently had the injured member amputated a few inches below the elbow at Victoria hospital, London.

One day recently Roger Campbell, 6th con., Bosanquet, released a toy balloon with a note attached to it asking finder to notify him where it had landed. He received a letter saying it had been picked up in Oxford county.

Mrs. A. Dennis of Sarnia, who was one of the victims of the Automobile accident four weeks ago when a G.T.R. engine hit the car driven by George Borrowman, died Thursday as a result of injuries sustained in the accident. This makes the second death due to the crash.

G.W. Sulman of Chatham has opened the crate containing the Egyptian mummy which he bought from a museum in Cairo during his recent visit, and is now busy deciphering the hieroglyphics painted on the wrappings of the mummy. According to Mr. Sulman, it was often the custom to leave rings on the fingers of the dead. When the mummy was unpacked the wrappings were torn, which indicated that some person had searched before Mr. Sulman to see if there were jewels on the hands. The mummy is that of a female who lived 2,303 years ago. The painting and hieroglyphics on it are in an excellent state of preservation.

An unusual accident occurred at West Lorne Tuesday evening with almost fatal results. Henry Mack, a cream gatherer of the district was engaged in filling the tank of his automobile with gasoline at Davd Mistele's garage, when in some manner the gasoline pouring from the hose became ignited and Mack, in the excitement, swung the hose around, striking the Ford touring car belonging to J. A. McRae, clerk of Aldborough township, that was standing near the scene. The blazing gasoline poured over Mr. McRae's car, enveloping it in flames, and before the fire could be extinguished the car was badly burned. Mr. Mack was severely burned, a quantity of the gasoline spilling over his clothing.

Amos L. Matthews of the 10 line Plympton, passed away on Tuesday evening, May 29th, after a lingering illness. Mr. Matthews is one of Plympton's pioneers, being in his 89th year. He is survived by one daughter, Mrs. Henry Walker, in the Canadian west, and four sons, William, Leonard, Robert and Wesley, all of Plympton. The funeral took place Thursday afternoon. Rev. A. W. Brown conducted the service, and three of the deceased's former pastors, the Reverends Ball, Johnson and Walden, who were attending conference in Sarnia, took part. The bearers were A. E. Patterson, A. Wellington, Alf. Symington, A. Lowrie, and John Gray of Plympton, and Geo. Emsley of Sarnia. Interment took place in Beechwood cemetery, Forest.

NOTE AND COMMENT

Four newspaper proprietors in Welland county have made an assignment during the past few months.

A Jersey City man was sent to jail for six months for refusing to accept a cheque for \$1,050 under the workmen's compensation laws, while he asked for \$10 weekly for life.

Approximately 15,000 residents of the Canadian border went to the United States on Victoria Day to spend their money in Michigan shops. Of course the excuse was that the Canadian stores were closed.

Kaiser Wilhelm has gone into the study of theology and is busy writing a new version of the bible. The present bible does not harmonize with his ideas, so he will write one that does.

Stratford Beacon-Herald: Some of the politicians in the present campaign are accusing each other of advocating different policies in different places. But what would you have? A policy that might be popular in one place might be quite the reverse in another.

A Coney Island baker died from injuries suffered when he was drawn into a dough mixing machine in his shop. In the excitement of watching a blacksmith release the body with a sledge-hammer a woman fell dead of heart disease.

Will Canada be able to get along without the Chinese laundry and the Chinese restaurant? Apparently Canada will have to learn to do so. Under the new regulations only Chinese merchants and students are to be admitted, and it is not likely that either will be allowed to take in washing or serve meals.

We notice some municipalities are running a campaign bearing the euphonious title "Home, Loyalty and Prosperity." It appears to have the right ring about it and with the people of any community behind such a slogan there should be something doing. No room for slackers in such a campaign, however. Get the idea "Home, Loyalty and Prosperity," punctuate it any way you think best but keep the triple headpiece to the front.—Brussels Post.

Parkhill Gazette: The recent hanging of a woman in Western Canada is an indication that woman is now regarded as a person in the eyes of the law. Formerly she had no say in making the law. If she broke the law this was taken with consideration and clemency was meted out to her. But now, she helps make the law and to enforce the law. She is a citizen and if she breaks the law she has every right to pay the penalty. Hanging is a horrible thing but the best way to avoid it is to observe that old law "Thou shalt not kill."

Hamilton Herald: Valera may be a fanatic, but he is not without some of the arts of the politician. In calling upon his republican followers to give up their arms he tells them that "laying aside your arms now is an act of patriotism as exalted and pure as your valor in taking them up." A delightful example of making a virtue of necessity. It is not so very long since Valera made public declaration that his war against the Free State was "a war of extermination." He finds now that if the war were continued, it is not the Free Staters who would be exterminated.

A suggestion has been made to print ballots for women voters a different color from those to be used by male voters in the Ontario elections. It cannot be done, state legal officers of the Crown without the Ontario Elections Act being changed. The statute provides that the ballots shall be uniform. The papers for ballots is of special weight and kept in safety and every bit of it has to be accounted for. The printer who prints the ballots has to make an affidavit accounting for the paper used. The ballot paper is all ready for the elections and the suggestion to change the color cannot be entertained state legal officials.

Kingston Standard: The world has not yet learned the true lesson of history that war is not the final arbitrament and the means of bringing peace. History books need to be written from that point of view. Begin at the beginning—disarm the schools or, as someone said the other day, take the knives out of the nursery. Let the history books teach the absolute futility of war; how one war has led to another all through the centuries; how the earth is saturated with the blood of countless and strewn with the ruins of men's best work. Let one war be fought—the one against disease, poverty, vice and ignorance; if this were fought, if history books emphasized this as their chief lesson, in years to come men would marvel at the madness of men slaughtering each other to secure peace.

The difference between the manner in which Danes and Canadians ship their bacon to the British market is that the Danes ship the sides in bales, whereas the usual Canadian custom is to pack in boxes. Some of the Canadian packing houses, however, have adopted the bale method and are finding it satisfactory. A bale contains four sides wrapped in cheesecloth and covered with jute sacking. The Peterboro packing house has adopted this method, shipping about twenty percent of its bacon in bales. Only such sides as will make leanest Wiltshires, and are as nearly as possible identical with the Danish sides of the first grade, are chosen. The percentage corresponds very closely with the percentage of "selects" that are taken in at the Peterboro packing house, indicating that the select bacon hog, as identified on foot, is the type that is actually turning out the higher priced product.

LESSONS FROM HOG GRADING

A few hours at the elbow of a hog grader at one of the abattoirs or stock yards in Canada would be time well spent. One may learn much about hog grading from reading and conversation, but the lesson is much more impressive if one sees a shipment divided into separate lots according to grade, more especially if the shipment contains specimens from ones own farm.

A grader has three principal points to bear in mind—weight, length and form. Many hogs of ideal weight are assigned to the thick-smooth group because they are too short for selects. Others may have the correct length and weight, but are so rough in shoulder as to put them outside the select section. One may doubt the justice of a grading report if he has never witnessed grading in practice, but he is unlikely to do so if he sees the work done by an official grader.

It is equally instructive to go through the packing plant and to be shown collections of sides made from hogs of the different market grades. The Wiltshire side is of definite form, and of weights ranging between certain limits. The characteristics of the side that brings the highest price are well understood and the first grade of Wiltshire is obtainable only from a select bacon hog. Like No. 1 hard wheat, No. 1 cheese, No. 1 creamery butter or fancy fruit, the select hog is worth the higher price. A hog raiser will profit greatly by visiting a stockyard or an abattoir and seeing for himself the actual grading of a shipment of hogs.

Issued by the Director of Publicity Dominion Department of Agriculture Ottawa, May 25th, 1923.

THE WESTERN FAIR

Sept. 8th to 15th, 1923
Queen's Park, London, Ont., will be one of the busiest places in Canada during the next few months. Contract has been let and work started on a new manufacturers building 170x291 feet, two stories high, this will accommodate over three hundred exhibits and will be one of the finest buildings for Exhibition purposes to be found anywhere, space may now be secured in this building on application to the Secretary. The sanitary sewer which was partially laid last year is being completed across the grounds by the City Council. Contract has been let to move two sections of the large cattle barns which will make a wonderful improvement giving more room and opening out the grounds to the new block of land purchased by the Board this year. Later in the season some of the buildings will be painted and the whole Exhibition grounds will take on a new appearance for this the banner year. All information as to space, concessions etc., given on application to the Secretary, General Offices, Dominion Savings Building, London.

Could Only Drink Hot Water She Says

Mrs. A. White Finds Relief in Her First Dose of Dreco—This Splendid body builder Went to the Root of Her Troubles Immediately "It is a Wonderful Medicine," says this Grateful Lady.

Many women are suffering the ailments that made life a misery for Mrs. A. White of 1063 Mabel street, London, Ont., for over two years. Indigestion, gastritis, dizzy spells and pains in the body—how many do not know them? Suffice it is to say that the remedy is simple as Mrs. White found when she took her first bottle of Dreco, the natural herb tonic and regulator. Here is Mrs. White's story that every sufferer should read and profit by it.

"I have never taken a medicine that did me as much good in so short a time as Dreco," declares Mrs. White. "I suffered for two years from gas bloating me up after meals. It was so bad sometimes, it pressed against my heart, causing palpitation and shortness of breath. I could only drink hot water. My liver was sluggish, causing dizzy spells and I had severe pains between my shoulder blades. Constipation was also a source of great annoyance. I surely feel fine since I started to take Dreco and I gladly praise it for restoring my health. I have felt better in the past week than I have for many months. My appetite is improving and the pains through my shoulders have been greatly relieved. My bowels are becoming regulated and I haven't had an attack of indigestion since I began taking this remedy. Dreco is a wonderful medicine."

All the symptoms described by Mrs. White are due only to one thing, a run down digestive system, to correct which, Dreco is especially compounded from Nature's own herbs, roots, bark and leaves. Give Dreco a trial to-day. You will find in it the same curative properties that Mrs. White discovered. Dreco contains no mercury, potash or habit forming drugs.

Dreco is being specially introduced in Watford by Siddall's Drug Co., and is sold by a good druggist every where.

HOW DELICATE GIRLS ARE MADE STRONG

Rich, Red Blood Needed to Keep Up Their Vitality.

It should be constantly borne in mind that pale, bloodless girls need plenty of nourishment, plenty of sleep and regular out-of-doors exercise. But a lack of appetite and tired aching limbs tend to hinder progress. To save the weak, thin-blooded sufferer, she must have new, rich red blood and nothing meets a case of this kind so well as Dr. Williams' Pink Pills. These pills not only enrich and increase the blood supply, they help the appetite and aid digestion, relieve the weary back and limbs thus bringing new health and strength and transforming anaemic girls and women into cheerful, happy people. Among the thousands of girls who have obtained new health through the use of Dr. Williams' Pink Pills is Miss Lydia G. Garneau, Freeman, Ont., who says:—"About two years ago I was in a very nervous and run down condition. I could not eat, did not sleep well and was fast becoming an invalid. I was subject to fainting spells which made it very embarrassing to go in company as I never knew when a fainting spell might come on. After several fruitless treatments I was advised to try Dr. Williams' Pink Pills, and by the time two boxes were used I felt an improvement. I kept on taking them, and am now thankful to say that I owe my present health and happiness to this medicine which I cheerfully recommend to other run down girls."
 If you are weak or ailing, avail yourself at once of the home treatment which Dr. Williams' Pink Pills so easily afford, and you will be among those who rejoice in regained health. These pills are sold by all dealers in medicine, or may be had by mail at 50c a box by writing The Dr. Williams' Medicine Co., Brockville, Ont.

When the Legislature dissolved last week, the standing was: Conservatives 25; Liberals 25; Farmers 43; Labor 11; Independent 5; and vacant one.

Alone From Uscilug to Milwaukee Via Canada

Eleven-year-old Polish Boy Makes Long Voyage Alone.

TRAVELLING does not tire or trouble this little fellow. Though he does not speak any English other than two or three words which he picked up en-route, he travelled alone from his home at Uscilug on the Russia-Austrian boundary to Milwaukee, burdened only with a small valise and a sheaf of tickets and immigration documents. Keith Herz is his name. Orphaned by his mother's death three years ago, he was going to his father in Milwaukee, who had made arrangements for his transportation.
 When Keith arrived at Warsaw he was conducted by an agent of the Canadian Pacific Railway to Antwerp, which he would carry him through to his destination. Crossing to England he left on the "Metagama," being, from the time he sailed on the "Metagama," under the care of the Canadian Pacific. The direct mileage from Milwaukee to Uscilug is not by any means the full mileage of his travels. The ship's officers estimate that he ran at least twenty miles a day over the vessel, and the port officials had an anxious time when he made sur-reptitious peregrinations in search of someone who spoke his own tongue. He was glad, of course, to meet his father, but what an adventure it is to travel far and alone!

The Sales Manager's Mid-week Chat
 by Long Distance

The enthusiasm generated on Saturdays seems to die down around mid-week.
 Sales Manager Johnson knows his men. He is their inspiration and they are all for "the Chief."
 The Saturday morning sales conference is a real "get together" meeting; and when the Chief speaks, his voice is the force that makes them want to do better. He talks as one who knows. When their enthusiasm dies down around mid-week Johnson knows the need for revival. His three minute chat with each of the boys on the road works wonders. Perhaps he got the idea from the Church's mid-week meetings.
 Long Distance makes it possible, and Station-to-Station rates make it inexpensive.

William Patton, a farmer living near Dundalk, has a barnyard freak in his flock of ducklings which is causing much attention and amusement. It is a duckling with four legs. The bird is otherwise quite normal, and very much alive. The extra set of legs does not prevent the duckling from getting around the yard with the rest of the flock. When walking it puts down two and carries two.

War Memorial Dedicated

The memorial to soldiers of Arkona and district who lost their lives in the Great War, erected in the beautiful cemetery here through the efforts of the Women's Institute, was dedicated Monday afternoon by Brig-Gen. W. B. King with fitting ceremony.

There was a large gathering at the service, which was marked by the presence of veterans of the war, who marched to the cemetery under the command of Major Williams. The school children marched to the ceremony in a body and opened the service with "The Maple Leaf Forever." Bouquets carried by the children were placed at the foot of the monument.

Reeve Fred C. Eastman acted as chairman and visitors were present from Toronto, London, Sarnia and adjoining towns and villages.

Rev. Mr. Johnson opened the unveiling exercise with prayer and Rev. Mr. Gale gave the Scripture reading. The honor of unveiling the handsome monument fell to the lot of Nursing Sisters Crawford and Augustine.

In dedicating the memorial Gen. King reviewed briefly the glorious history of the British Empire during the past 200 years and the most glorious period in that time, the war which took the lives of those to whom the memorial was unveiled.

Following the dedication "The Last Post" was sounded by Bombardier Woolvett and the dedication prayer was offered by Rev. Mr. Jones.

During the course of the ceremony Rev. Mr. Gale and Dr. Wood gave a fine duet and the Arkona Band, assisted by members of the Forest Band, rendered several fitting selections.

Col. C.S. Woodrow, of Sarnia, was present at the ceremony and gave an address in which he pointed with pride to the patriotism, co-operation and sacrifice of the Canadian boys in the war.

Inscribed on the base of the monument are the names of the men who paid with their lives that Canada might not have to shoulder the yoke of oppression. The names on the memorial are: Pte. George Patterson, Lance Corp. Roy M. Fair, Pte. George Pattick, Pte. William Tor-

FIRE AT THE ELARTON SALT WORKS

On Thursday last quite a serious fire occurred at the Salt Works, caused, it is supposed by a spark from the smoke stack falling on the shingle roof of the middle building and apparently smouldering for some time, unnoticed, for when the alarm was given to the men working there, the roof was well alight.

A very considerate neighbor put a general fire call over the telephone wires and at once motors were on the way, from all directions and in a very short while at least 70 men were working hard to overcome the flames, and it is very gratifying to be able to record that, although at first their task seemed an impossible one, they were eventually successful and were able to check the fire and confine the damage to the one building and the large brine tank adjoining it.

The buildings are insured with the Nationale Fire Insurance Company of Paris, France, and their inspector in London paid an early visit to the Works and no difficulty was experienced in arriving at a satisfactory settlement of the loss.

The Salt Works Company do not insure their stock against fire, so this loss they take themselves, but fortunately the demand for Elarton Salt is such that there is never a big stock on hand.

A large staff of carpenters etc., soon got busy and made short work of the reinstatement and very little trace now remains of the fire which at one time spectators thought must burn the whole place to the ground.

Major J. H. Franklin, President of the Elarton Salt Works Co., Ltd., wishes to convey his warmest thanks to all those who so very kindly left whatever they were doing and came in their cars, bringing buckets with them, directly they heard the Salt Works were on fire.

There is not the slightest doubt, that, but for the promptness with which every one responded to the alarm, and the magnificent way every body worked on arriving at the scene of the fire, the Works now would be in ruins, and although Major Franklin did try to convey his thanks personally, at the time, he feels that he did not express himself to all as he would have liked and he does desire to put on record his appreciation of, and admiration for, the splendid spirit shown, whereby no one on the spot spared themselves in the least, but gave of their very best and could have done no more if it had been their own property they were trying to save.

KINGSCOURT

On Monday evening, June 4th, the relatives of "Uncle Ben" Williamson met at the home of his daughter, Mrs. Wm. Cox, to spend a social evening and to congratulate him on the occasion of his 84th birthday. Supper was served at six p.m. to about 200 including his immediate family and nieces and nephews, great nephews and four great-great-grandchildren. After supper he was presented with a gold headed cane and pipe, to which he made a suitable reply. Mr. Williamson was born in the county of Lanark and came to Watford with his parents at the age of six years, where they settled on farms adjoining Bear Creek. At this early period the country about that place was all bush and Mr. Williamson still has vivid recollections of the hardships as well as the genial good fellowship, which fell to the lot of the early pioneers who blazed the trail for the present generation. "Uncle Ben", as he is familiarly known is the only living member of his family and in spite of his advanced years, he is quite active and enjoys the best of health, and only two years ago did he give up the idea that he could handle a rifle as good as the best. Relatives were present from Sarnia, Brantford, Petrolia, London, Glencoe, Watford and vicinity.

B. & E. TOWNLINE

Mr. and Mrs. G. Howlett and Miss Mae visited with Mrs. A. Ironsides, Sunday.

The regular monthly meeting of the "Builders' Club" was held on Thursday, May 31st, at the home of Mrs. S. O'Hara. After the meeting all partook of a maple taffy pull, which was enjoyed by all.

Mrs. R. Higgins is visiting her daughter, Mrs. J. Hall for a few days.

We are sorry to say that Mr. G. Kells is confined to his bed.

An esteemed citizen of Ailsa Craig, Miss Mary McNaughton, died suddenly while visiting her sister at Bay City, Mich.

WANSTEAD

Miss Mary Parker spent the weekend with friends in Sarnia. Mr. and Mrs. Albert Spearman, Forest, visited at the home of J. C. Graham on Sunday.

Mrs. Alma Ramsay who spent several days in Sarnia attending the London Conference of the Methodist church which was in session there returned Sunday evening accompanied by her daughter, Miss Gladys Ramsay and Mr. C. F. Prong of Aylmer, who had been in attendance at the conference. They returned to Aylmer on Monday.

The Wanstead Farmers' Club will load hogs again on Saturday, June 9th. The last shipment of hogs graded 38 per cent. selects, and a deck of spring lambs shipped at the same time sold for 19 cents per lb.

The lectures on hog grading and breeding given last winter in connection with the Short Course conducted by the Department of Agriculture, are beginning to bear fruit, as already a big improvement is noticeable in the class of hogs being marketed here. A few who profess to see no virtue in hog grading are following along the same old lines, but it is not a mistake to keep on producing an article that is not wanted. Too long the farmer has been neglecting the marketing end of his business and in this connection he can learn considerable from the manufacturers who always put markets first. The Wanstead Farmers' Club will be the means of putting hundreds of dollars in the pockets of the farmers of this district by selling the hogs on a graded basis and getting the bonus of 10 per cent. for them. Ship cooperatively.

The regular meeting of the U.F. Y.P.O. Club was held Tuesday evening, June 5th, and was largely attended in spite of the thunder shower. The young people being desirous of furthering the interests politically of the U.F.O., had arranged for Mr. L. W. Oke, the candidate to be present. Mr. Oke was accompanied by Mrs. Oke who gave a splendid address, also Mr. and Mrs. Darville of the Sydenham Club, Alvinston, who also spoke. Mr. Smale, who is always welcome gave an interesting address on the U.F.O., the reason for its existence and what it had accomplished. Mr. Oke who was in excellent form dealt with political questions of the day for an hour and a half in an interesting and comprehensive manner. He dealt at some length on the reasons for the increase in the provincial debt. By analyzing and itemizing the accounts he was able to show that while the expenditures were large they were necessary and also largely revenue producing, such as Hydro. Mr. Oke also dealt with the way the Drury Government had dealt with the great moral questions of the day. Their stand on the liquor question was compared with that of Mr. Ferguson, who along with others had by every means humanly possible tried to prevent and obstruct the enforcement of the law which they themselves had placed on the Statutes. "Consistency thou art a jewel." The policy of Mr. Hay appeared to be the time honored policy of shirking responsibility by offering further referendums to the electors.

The government's policy to quote the Premier's words is "There must be no turning back." Mr. Oke closed by explaining the two bills he was able to put through the House and showed that his amendment to the Judiciary Act had been instrumental in getting \$105,000 for the beet growers of Ontario, \$42,000 of which came to Lambton. Many questions were asked all of which the candidate answered satisfactorily. Three cheers for the candidate was given after which the meeting closed with the National Anthem. So far we have not heard from the Opposition.

RURAL DEANERY OF LAMBTON COUNTY MEET AT WARWICK

The spring meeting of the rural deanery of Lambton held at Warwick village Tuesday was a most successful gathering with a large attendance. The rural dean, the Rev. F. G. Newton, of Sarnia, presided. Interesting features of the session were addresses on immigration by John Farrell, of Forest, and the Rev. D. W. Collins of Sarnia.

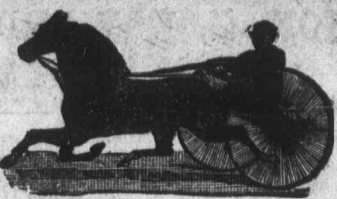

Mr. Farrell who is the government immigration agent for Western Ontario had been invited to speak on his methods of work and of particular interest to churches. He related how he ascertained the church affiliations of each newcomer and took steps to place him in touch with a pastor of the church to which he belonged. The address of Mr. Farrell was found satisfactory and interesting in every phase.

W. D. Young, Anglican missionary on Herschel Island spoke of his work in a new mission at Shingle Point, on the island where a church was completed prior to his departure on furlough.

In the business part of the meeting there was a discussion on church extension of Bridgen and Oil Springs and the advisability of the erection of a church to meet the needs of the two localities.

See Here, DAD ! What Does Your Boy Think Of YOU ?

Remember last year how you promised the boy a real Bicycle if he made good at school this year? Remember how he's kept thinking of that "Bike" all spring. Perhaps, he's reminded you of it several times, but you've been so busy you paid no attention to him. What does he think of you, Dad? Is he still going to keep on thinking he's lucky enough to have the best old Dad on earth, or is he going to lose confidence in your promises. He trusts you, Dad, and he's depending on you. He needs that Bicycle.

Remember so many years ago when you needed a Bicycle, too. You dreamed about it a good many times before you got it. And then, when you did get it, remember all the hikes and trips and fun you and the other kids had? Remember, the fishing trips on Saturday?

Or, perhaps you didn't have a Bike, Dad. Are you going to deprive your boy of something he can have, but you won't let him, because you had no Bike when you were a boy. You didn't have lots of things your boy has or is going to have today—but that's no reason for saying he can't have them. You want your boy to have a better education than you had, probably; a better chance in life; a few more pleasures and joys.

You're not buying a Bike for this year, Dad. You're buying for next year and the next and the next and so on. And we'll make the price right. You don't need to pay cash—pay it as you wish.

Holiday time is here now, Dad! Holiday time is Bicycle time. Don't say a word about it to him. Slip in tonight when you're down town for the mail and see the brand new Bikes.

We'll wait open for you tonight, Dad!

WATFORD, ONTARIO

HON. G. HOWARD FERGUSON SPEAKS AT WATEORD

Ontario Leader of Conservative Party and Mr. W. R. Dawson, candidate for East Lambton Address Electors in Lyceum.

The Lyceum was crowded Thursday afternoon by electors anxious to hear Hon. Howard Ferguson and Mr. W. R. Dawson speak on the political issues of the hour. This was the first meeting of Mr. Ferguson's Western Ontario tour and his speech was attentively listened to and enthusiastically received. He reviewed the road program of the Drury Government, denounced their extravagance, which he declared, was out of all proportion to the financial ability of the province; declared Hon. Peter Smith had lost the province thousands of dollars by his methods of bond selling, and predicted direct taxation in Ontario if the administration was returned to power.

"My question to the farmers is this: What has the Prime Minister done for you?" Hon. Mr. Ferguson put it, "and I ask you that because I want it understood that I am not in opposition to the farmers, but that I am in opposition to that aggregation in Queen's Park which misrepresents the farmers. I say they have done but one thing for you and that is raise your taxes anywhere from 50 to 150 per cent. What else have they done?"

"Raised their own salaries," an obliging voice replied. "I had forgotten that," Mr. Ferguson returned, "but that is because they have been so good at the raise, and they are good not only in raising their own salaries, but in raising the money out of you. But what is a mere six hundred a year to men who are accustomed to dealing in reckless millions and who should be back on the farm?"

Hon. Mr. Ferguson warned the electors of East Lambton that Hon. Mr. Drury would doubtless come this way later and attempt to lay claim to many farming benefits which he had not conferred upon them. For instance, he had gone about other parts of the province talking in a highly idealistic manner and saying that his aim was to elevate the rural communities. But he should not forget, nor should the voters of Lambton, that the Community Hall Act was on the statute books long before the Drury Government was ever heard of. That was a legacy from the Conservative regime which put under way those fine things of which Hon. Mr. Drury had talked so freely, but which he had left up in the air with his words.

Tien, as to actual Government expenditure on the farms, Hon. Mr. Ferguson continued: The old Conservative Government expended six and a half per cent. of its revenue on agriculture and was condemned, because of its so-called parsimony and niggardliness towards agriculturists, but the Drury Government, in the last year reduced that percentage to a little over three, and that represented one of the things they had not done for the farmers. The Drury Government, in spite of great openings to help the farms, had fallen down. For instance, if there was one thing which the farmers needed more than anything else, it was power, but when a fine opening was presented in the Legislature to have Hydro power extended in to the rural communities, it was the Prime Minister who was tossed into the balance and found wanting. That was the movement to have the movement bear 80 per cent. of the cost of the trunk extension lines, but in spite of the Drury failure, Hon. Mr. Ferguson was confident that something could be worked out in the interests of the agriculturists, providing, of course, that Ontario got a stable government instead of a wavering one. "We offered to help the bill through the house," Mr. Ferguson recalled, "but the Premier lacked the courage because the corporate interests did not want it, and they have more influence with the Government than any other body in Ontario."

Mr. W. R. Dawson Speaks

Mr. W. R. Dawson, of Inwood, the candidate of the Conservative party in Lambton East, dealt with a few Government weaknesses and showed how their shattered political plans had left them with a tottering platform. For example, they had preached economy, but having consulted Mr. Webster, the candidate felt that Hon. Mr. Drury must have used a different dictionary. It must surely be a new dictionary which the Premier was preparing for the public, a dictionary which would prove as tricky as his election battle cry. For the mere fact that the Ontario debt reached only fifty-four millions in 52 years, forgetting all about Hydro expenditures, and that in four years of Drury rule it climbed to \$122,000,000 seemed strangely in

conflict with Mr. Webster's definition of economy, but perhaps the Premier would title his book "Drury debts and taxes substitutes for economy." Again there was that green-eyed monster patronage, which in any other man's household seemed a hideous monster, but it must be like sin "which seen too oft we first endure, then cherish, then embrace," for Mr. Drury had been most lavish in his embraces. He started his flirting with the green-eyed monster in the first six months of his rule. Then the wedding came quickly, but the marriage ring was costly for it was bought on the installment plan and one of the beneficiaries of the installment plan is now being paid off at the rate of \$125 a day, that being a legal gentleman with the Gregory Commission.

There were too many patronage cases for Mr. Dawson to mention but he gave the assurance that if he became the representative of East Lambton one of his first aims would be to shatter that wedding ring of the green-eyed monster which the Drury Government so greatly cherished. "If we get in somebody is going to get hurt," he declared. "As a matter of fact somebody is going to get hurt anyway, for if we don't get in it will be you farmers and other electors of Lambton who will get hurt in your pocket books." As to roadways, Mr. Dawson was generally critical on the grounds of cost rather than principle, and he pointed out one rather startling fact, startling that was, to the electors of Lambton who were interested in the education of their children, and it was that the Drury Government had spent more money on 34 miles of improved highway in Peel County than they would spend on the education of the children of Lambton in 140 years on the present scale of spending.

A brief speech was made by E. R. Dennis, president of the Western Ontario Conservative Association, who paid a fine tribute to Mr. Ferguson as a man and a leader and predicted victory for the party at the polls on June 25. Mr. T. B. Taylor of Watford filled the position of chairman of the meeting in a most efficient manner.

FOREST

Mrs. Beatty of Manitouling, Manitouling Island, is visiting her sister, Mrs. Susan Johnson, who has been in ill-health for some time, but is now improving.

Miss Jennie Smith has been appointed a delegate from the Forest Congregational church, to attend the Union meeting of Congregational churches held in Ottawa the first week in June.

About forty young people of the Forest Methodist church spent a social time at the home of Mr. and Mrs. Clare Stonehouse, townline, Bosanquet and Plympton, on Monday evening. Games and music were enjoyed to the utmost by all. Before returning to their homes Mr. and Mrs. Stonehouse were presented with some beautiful pieces of fancy china.

When a mother detects from the writing and fretting of a child that worms are troubling it, she can procure a reliable remedy in Miller's Worm Powders which will expel all worms from the system. They may cause vomiting, but this need cause no anxiety, because it is but a manifestation of their thorough work. No worms can long exist where these Powders are used.

W. R. DAWSON

To the Electors of Lambton East: THE DRURY GOVERNMENT AND PARTY PATRONAGE

This week I draw your attention to one more promise made four years ago which has been disregarded, and I do not need to remind you how at that time the system of party patronage as practiced by the two old line parties, was held up before as something to be avoided, and the definite promise was made and incorporated in the platform, that if entrusted with the reins of government, the system would be abolished.

Shortly after the election was over and a cabinet had been decided upon a seat was necessary for the Hon. Manning Doherty, the elected member for Kent was prevailed upon to resign his seat in favor of the cabinet minister, and in the course of time he was made Registrar of Kent county. Then the Hon. Mr. Raney was found to be without a permanent seat and the member elect for Wellington kindly gave up his constituency and was also promptly rewarded by being appointed Police Magistrate.

We have seen Mr. R. T. Harding K.C., who distinguished himself as counsel for the timber commission and who also acted for Mr. E. W. Backus in his now famous timber deal, placed in a position where he received as fees, the modest sum of \$26,448.19.

Mr. W. D. Gregory, who as a particular friend of the government, sat on the Public Service Commission was made chairman of the Hydro Electric Inquiry, seeking to destroy the spirit of Sir Adam Beck, and the greatest public ownership enterprise in the world, has already received as fees \$17,940.00 and is still going strong.

Mr. Gordon Waldren K.C., for his good offices has been enriched to the extent of \$11,017.00. Mr. Shirley Dennison K.C., who completed the bitter partisan persecution started by Mr. Drury has been paid \$12,500.00.

Mr. N. W. Rowell K.C., who was government counsel in the Shilville Clark litigation and who is now assisting on the Gregory Commission has received for his labor \$17,700.00 and his firm have received \$29,950.00.

Then getting closer home, I find that one of the men who so vehemently denounced party patronage in East Lambton four years ago has applied for the best paying job in Lambton, the Registrarship of Lambton county. It is reported that the appointment has already been made and that the government is only waiting until after the election is over to declare it.

It is my candid opinion that the system of party patronage will never be entirely eliminated from our politics and so long as the public treasury is not robbed in the process, I do not regard it as a serious crime. It is just one more instance in this case of a promise made last election time which has not been fulfilled. Promises will be forthcoming this election, no doubt. Can we, in the face of what has happened to the promises in the past, rely on them this time?

Yours truly,
W. R. DAWSON.

Sores Flee Before It.—There are many who have been afflicted with sores and have driven them away with Dr. Thomas' Electric Oil. All similarly troubled should lose no time in applying this splendid remedy as there is nothing like it to be had. It's cheap, but its power is in no way expressed by its low price. m

SOMBRA'S POSTMASTER DROWNS AFTER SAVING WIFE

SOMBRA, June 3.—After saving his wife from drowning in the Sydenham River at Brown's Ferry, five miles from here, this afternoon, John McKillican, postmaster at Sombra, who was recognized as an expert swimmer, sank from the exertion and was drowned in 15 feet of water. The body was recovered.

At 4.30 o'clock Mr. McKillican drove his automobile on the ferry on the east side of the river, with his wife and three small sons as passengers. Arriving at the bow of the ferry the brakes on the motor refused to work and the car kept on going until the rear fender caught in the bow, the automobile being suspended over the water. The little boys, Harold, aged 7; Donald, 9; and Jack, 11, clambered to safety. Mrs. McKillican became excited and jumped into the river, her husband diving after her into 15 feet of water. After a hard battle he succeeded in getting his wife to the side of the boat, where willing hands dragged her unconscious body to the deck. In the excitement her husband was forgotten and it was several minutes before he was missed.

Frantic search was then made for him and his body was recovered a short time afterwards. Medical aid was summoned from Wallaceburg and Sombra, Dr. Cathcart, of Sombra, using a pulmotor, but to no avail. Dr. Cowan of Wallaceburg, also hurried to the scene of the drowning.

James Vye made a spectacular trip to the ferry, hand over hand along the cable, but arrived too late to be of any aid to the postmaster.

Mrs. McKillican was rushed to the home of Mrs. William Vye, where she soon recovered consciousness.

The family was returning home after a visit to Mrs. McKillican's parents, Mr. and Mrs. Arthur Dell, of Buthill, when the accident happened. Mr. McKillican had been postmaster here for the past 14 years and was held in high esteem by every resident. He belonged to a number of lodges.

Besides his wife and three children he is survived by his mother; one brother, Benjamin of the Township of Sombra, and one sister, Mrs. Annie Burnham, who assisted her brother in the post office.

HALL'S CATARRH MEDICINE

Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE is a tonic and Blood Purifier, and acts through the blood upon the mucous surfaces of the body, thus reducing the inflammation and restoring normal conditions. m

TWO THINGS THAT HURT THE EYES

A person has been known to say, "I have ruined my eyes by reading too much." Not so—the eyes were made to use. One sure way to permanently injure the eyes is

READING BY INTENSE LIGHT

The light should come through ground glass to soften it. Never use clear glass for either gas or electricity. Oil lamps give out a soft light, therefore clear glass chimneys.

READING BY DIM LIGHT

Take our advice—do not read or sew by a dim light—it will be a direct strain upon the sight centres of the brain. On these two things hang the fundamental laws of sight economy. Never use cheap or pick-up glasses—come to us for advice about things optical. Everything needful here.

Take good care of your iiiiii's!

MRS. ANDERSON TELLS WOMEN

How Backache and Periodic Pains Yield to Lydia E. Pinkham's Vegetable Compound

Leslie, Sask.—"For about a year I was troubled with a distressing down-bearing pain before and during the periods, and from terrible headaches and backache. I hated to go to a doctor, and as I knew several women who had taken Lydia E. Pinkham's Vegetable Compound with good results, I finally bought some and took four bottles of it. I certainly do recommend it to every woman with troubles like mine. I feel fine now and hope to be able to keep your medicine on hand at all times, as no woman ought to be without it in the house."—Mrs. OSCAR A. ANDERSON, Box 15, Leslie, Sask.

Mrs. Kelsey Adds Her Testimony

Copenhagen, N. Y.—"I read your advertisement in the papers and my husband induced me to take Lydia E. Pinkham's Vegetable Compound to get relief from pains and weakness. I was so weak that I could not walk at times. Now I can do my housework and help my husband out doors, too. I am willing for you to publish this letter if you think it will help others."—Mrs. HENRY KELSEY, R.F.D., Copenhagen, N. Y.

Sick and ailing women everywhere in the Dominion should try Lydia E. Pinkham's Vegetable Compound before they give up hope of recovery. c

Internal parasites in the shape of worms in the stomach and bowels of children sap their vitality and retard physical development. They keep the child in a constant state of unrest and if not attended to, endanger life. The child can be spared much suffering and the mother much anxiety by using a reliable worm remedy, such as Miller's Worm Powders, which are sure death to worms. m
