## TEACHERS INSTITUTE MEETS AT DIGBY

Inspiring and Timely Address by Town Clerk Alfred Hoden.

At the Teachers Institute held at Digby on Friday, June 15th, 1923, the following were present: Miss M. B. MacLeod, principal of Digby Academy, in a few brief remarks, set the teachers thinking of the possibilities wrapped up in a nature lesson. For example, from mosses the teacher can pass to consider forest fires, peat, fuel, coal, and geography; from that the pupils can make use of these lessons by reciting them in a composition lesson. Therefore, nature work is not a hindrance, but vitally connected with everything else in the school work.

The discussion of these lessons was deferred until the afternoon session. Miss D. Baker, of the Normal College, Truro, gave ample food for thought in her exposition of the educational value of play. This is (Continued on Page Five.)

## WEDDING

**Bremen-Marshall.**  
Married at the home of the bride, June 15th, 1923, by the Rev. G. D. Dyer: Marie Marshall, daughter of Mr. and Mrs. H. A. Marshall, to Horace Bremen, of Annapolis.

To the strains of the wedding march played by Lou, sister of the bride, the bridal couple took up their position under a beautiful arch of evergreen and purple blossoms, and from the centre of the arch hung a large ball of the same blossoms. The bride was married in her travelling dress and carried a beautiful maiden hair bun.

After a delicious luncheon the happy couple left by auto for Yarmouth en route for Boston for a two weeks' visit.

## GIFT TO ANnapolis ROYAL HISTORICAL ASSOCIATION

A very interesting gift is to be presented to Mr. Armstrong by the Annapolis Royal Historical Association. It consists of a beautifully drawn copy, in colors, of the Association Coat of Arms, and the following inscription: "A parting gift from the Association to its faithful and esteemed Secretary-Treasurer, I. R. James Armstrong, on the occasion of his retirement from office, May 8th, 1923." The date referred to being the last meeting of the Association at which Mr. Armstrong performed his duties. The inscription and Coat of Arms are the work of W. J. Moulé, of Ottawa, the artist who painted the "History of Port Royal in Her Majesty's" displayed in the main corridor of the Officers' Quarters, now the Administration Building of Fort Anne.

LETTER WRITTEN BY MISS EUGENIA BOGART AND READ AT EMPIRE DAY EXERCISES AT "GOAT ISLAND"

"What Is the Tradition of Nursing?" It is as old as civilization itself and has its roots in the mother—instinct with that desire to nourish and care for the weak.

Down through the ages we can follow the history of nursing. In the early Christian era we find Phoebe the friend of St. Paul, with her deaconesses going about ministering to the sick. In the 4th century there were wealthy Roman matrons who gave their palaces as hospitals and spent their time caring for the sick. Then follow the famous Abbesses with monks and nuns serving as nurses. Again with the wars of the crusaders came new enthusiasm and the military orders of nursing found knights and sisters laboring side by side in the hospitals of St. John of Jerusalem and on the route to the Holy Land. Through the middle ages we have the spirit of devotion kept alive by such nursing saints as Elizabeth of Hungary, St. Francis of Assisi—and their followers. In France the Sisters of charity under St. Vincent de Paul visited the sick in their homes.

With the early settlement of Canada came French nuns, pioneers in nursing, opening two of the oldest hospitals in America, the Hotel Dieu of Quebec in 1639, and of Montreal in 1642. The fascinating story of Jeanne Mance should be known by every Canadian girl.

At the opening of the 19th century nursing was at a low ebb. Outside the Sisterhoods nursing was considered degrading and only the lower classes were employed in hospitals. Then came Florence Nightingale, of whom it is said she became a legend in her own life-time. But that legend still lives. All the world knows that girl of high education and culture, who, moved by a wave of pity, gave up a life of society and pleasure for the horrors of the Crimean war. Thru the wards at Scutari holding her Roman lamp she passed as the spirit of mercy giving comfort and cheer to the soldiers. So runs the legend. Yet long before the Crimean war Florence Nightingale had given herself to the study of nursing and hospital management. A friend who died two years before the war had written these lines to her:—"In future years, in distant climes, should war's dread strife its victim's claim;

DEAFNESS

NOISES IN THE HEAD absolutely cured by "LARMALENE" the new Continental remedy which instantly operated upon the affected parts with complete and permanent success. Astonishing cures are recorded. Mrs. K. Wilkinson, of Stroud, writes:—"I feel a new woman, for I can go to bed and get a good night's rest now, which I had not been able to do for many months. It is a wonderful remedy, and I am delighted to recommend it." Nothing equals this new preparation, and every sufferer should give it a trial. Price \$1.00 per box, post free from "LARMALENE" Co., 19 South View, Watling Street, Dartford, Kent, England.

HOW DELICATE GIRLS ARE MADE STRONG

Rich, Red Blood Needed to Keep Up Their Vitality.

It should be constantly borne in mind that pale, bloodless girls need plenty of nourishment, plenty of sleep and regular out-of-doors exercise. But limbs tend to hinder progress. To save the weak, thin-blooded sufferer, she must have new, rich red blood and nothing meets a case of this kind so well as Dr. Williams' Pink Pills.

These pills not only enrich and increase the blood supply, they help the appetite and aid digestion, relieve the weary back and limbs, thus bringing new health and strength and transforming anemic girls and women into cheerful, happy people.

Among the thousands of girls who have obtained new health through the use of Dr. Williams' Pink Pills is Miss Lyla G. Garneau, Freeman, Ont., who says:—"About two years ago I was in a very nervous and run-down condition. I could not eat, did not sleep well and was fast becoming an invalid. I was subject to fainting spells which made it very embarrassing to go in company as I never knew when a fainting spell might come on. After several fruitless treatments I was advised to try Dr. Williams' Pink Pills, and by the time two boxes were used I felt an improvement. I kept on taking them, and am now thankful to say that I owe my present health and happiness to this medicine, which I cheerfully recommend to other run-down girls."

If you are weak or ailing, avail yourself at once of the home treatment which Dr. Williams' Pink Pills so easily afford, and you will be among those who rejoice in regained health. These pills are sold by all dealers in medicine, or may be had by mail at 50c. a box by writing The Dr. Williams' Medicine Co., Brockville, Ont.

FRAIL CHILDREN BUILD STRENGTH RAPIDLY ON Scott's Emulsion

Should gentleness, unchecked be-times strike more than sword, than cannon main. He who thus reads these truthful rhymes Will trace her progress to undying fame."

She labored incessantly and accomplished wonders in the Crimea. The hospitals there were in horrible conditions—no sewage system, no laundry, no supplies, no fit food for sick men. With the nurses she brought with her she systematized a nursing service for the first time in the British army. Besides this she established laundries, diet kitchens, brought about extensive sanitary improvement and provided clothing, food, equipment, surgical dressings whenever the army system failed, which it usually did. Hers was the first Red Cross service!

Yet the Crimeans experience was only the beginning of her real work. Later from her sick room in London, Miss Nightingale played a large part in reforming the sanitary administration of the British army, in reconstructing hospitals all over the world, in founding the modern art of nursing, setting up a sanitary administration in India and countless other reforms. She was inspired by intense purpose to remodel and save British armies in the future and although an invalid would give herself no rest.

The conception of the modern nurse is not that of a saint or a soldier. The world was proved her to be an efficient scientifically trained expert and a valuable part of the army.

The great nursing leaders were first of all great nurses—but with their tenderness and devotion they were vigorous, forceful, capable women with clear vision and judgment and with fearless courage. It was with these traditions behind them that our nurses went through the European war ready and eager to serve with our gallant men who gave their lives so freely.

BUILDING AND THE BUYERS' STRIKE

There is a buyers' strike on in the building business in the United States. The demand for higher and ever higher wages is the monkey wrench that has got into the machinery.

The Board of Education of the city of New York had planned a building program involving upward of thirty-six million dollars. This has now been deferred to a large extent.

Masons were getting \$10, and in many cases \$12, per day, but decided that it was not enough. Thereupon the contractors threw up their hands, and backed by the Board of Education, they resolved to close down, and do no more building until prices receded. Aside from the schools New York had a building programme in hand, in large work only, amounting to upward of forty-two millions and this has been dropped until such time as there is a reasonable deflation in prices of both labor and materials.

The New York Telephone Company was \$12 per day, but decided that it was not enough. Thereupon the contractors threw up their hands, and backed by the Board of Education, they resolved to close down, and do no more building until prices receded. Aside from the schools New York had a building programme in hand, in large work only, amounting to upward of forty-two millions and this has been dropped until such time as there is a reasonable deflation in prices of both labor and materials.

In many other United States cities a similar condition pertains. The people have been bled to such an extent that they are now prepared to fight back, and it is predicted that both labor and building materials will be much lower in price before the business revives to even the point where work upon uncompleted structures will proceed. If one may judge from the newspapers this buyers' strike has the people solidly behind it, the chief argument being that building costs go directly into living costs. This, in turn, stimulating a demand for higher wages in all occupations, thus enlarging the vicious circle in which business and industry are imprisoned.

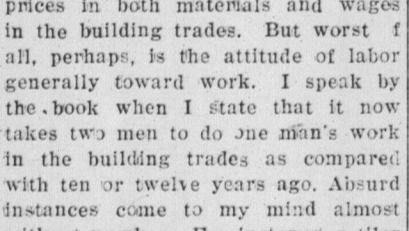

In Canada, while we are not faced with all the ills that pertain in our neighbor's country, we are none the less feeling the effects of increased prices in both materials and wages in the building trades. But worst of all, perhaps, is the attitude of labor generally toward work. I speak in the book when I state that it now takes two men to do one man's work in the building trades as compared with ten or twelve years ago. About instances come to my mind almost without number. For instance, a tiler taking two weeks to tile a bath room that in the old days would have been completed in a week or less. Two men are engaged in laying brick hearts. One man mixes a few pints of cement, and sits down for the day while another man fits in the brick.

From a close view of the situation I was impressed with the fact that this helper must have been brought along for conversational purposes. At least this is about all he did, aside from smoking cigarettes. In the interval a three thousand dollar truck stood at the door awaiting these gentlemen's pleasure. Two men arrive to lay a flag walk, and begin operations by trying to borrow a shovel, as they were too "mitty" to bring one along. Shovel secured one man removes a few inches of soil where the flag are to be placed while the other man looks on. Soil removed the other looks on while the other man fits the stones. To sum up, I have seen a Pennsylvania Dutch woman lay a better walk in two hours than these two took a day at.

In those days workmen do not move about without an assistant, a helper. Said assistant may be as useless as a fifth wheel to a wagon, but none the less they are deemed to be necessary, and, of course, you pay for the luxury. I recall a specific instance. A water motor was required. The thing was not as big as an alarm clock, and anybody with a monkey wrench could have made the connection, but none the less it took two men and a boy to put it in place. In this instance the three were civic employees, and now and again we wonder why our taxes have increased so-thing like one hundred per cent. within a few years.

If our labor leaders would let up on the wage business and preach production to their members we might get somewhere. High wages are by no means objectionable, in fact they are very desirable, but with high wages should go economical and high production, both of which are now sadly lacking. (Saturday Night)

### A STRANGE CATCH

A strange catch was made by a fishing party from a neighboring town recently. The party consisted of the minister, the doctor, the druggist and the Chief of Police. Near Lochaber was the scene of their piscatorial efforts and the luring of the trout was accomplished with bait. They were staying at a farm house, and before retiring they all, with the exception of the Chief of Police, unbaited their hooks and were prepared to jig fresh worms in the morning. The Chief went on the principle that a worm on the hook was worth two in the

ground and he would make the earlier getaway in the morn. He reckoned not with the family cat. In the morning there was the poor feline tagged completely on the outside of the neck with the chief's hook and out at the end of all his line. An operation had to be performed which was highly successful, as the necessary artists in the doctor and druggist were just the men for such a job. But the Chief had to do the holding, the story goes, and the presence of the parson was necessary to keep his language with respectability, as his temper was being tried by the squirming and lacerating scratches of the unfortunate tabby.—Eastern Chronicle.

## SEVEN YEARS OF TORTURE

Headaches and Indigestion  
Ended By "Fruit-a-tives"

The Marvellous Fruit Medicine

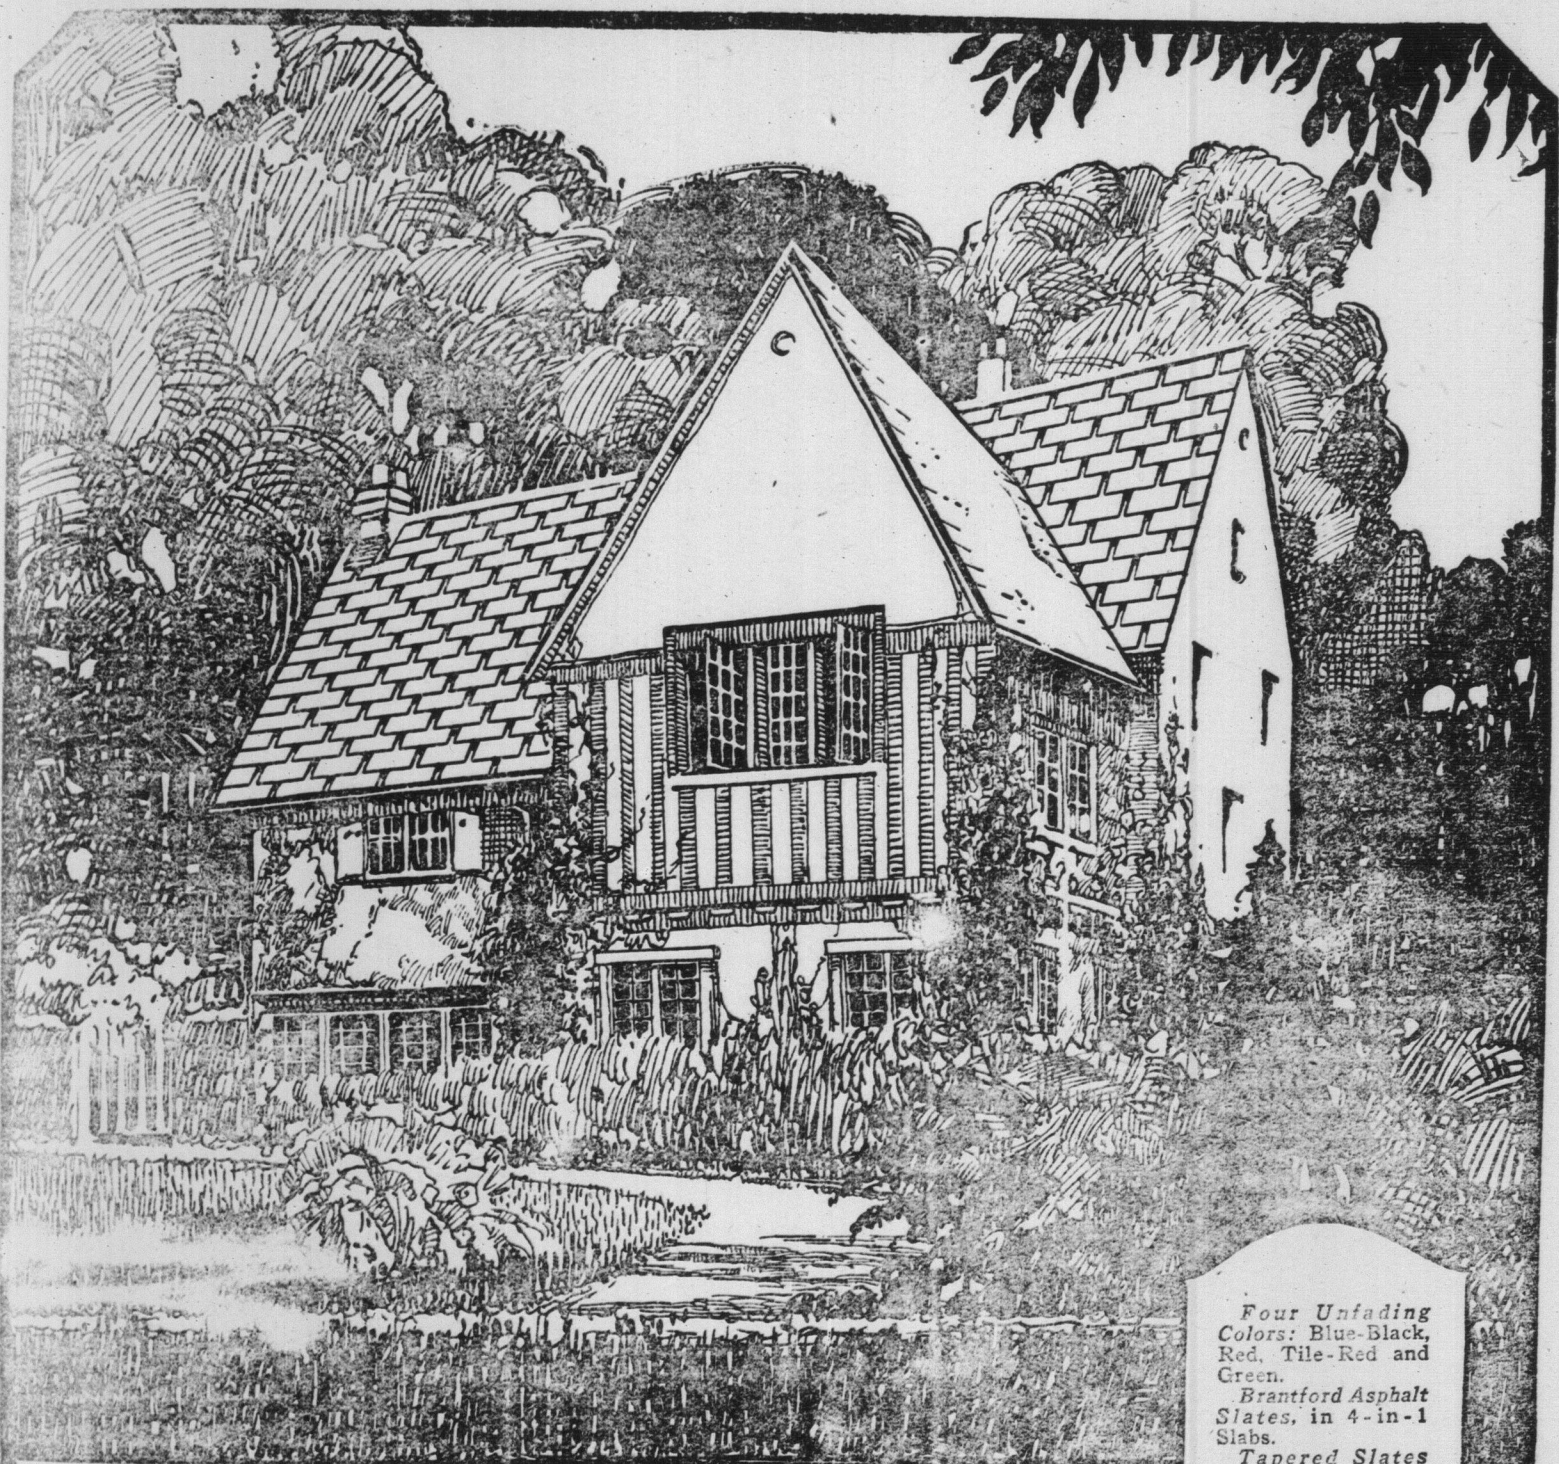

Like thousands and thousands of other sufferers, Mr. Albert Varner of Buckingham, P.Q., tried many remedies and went to doctors and specialists; but nothing did him any good.

Finally a friend advised him to try "Fruit-a-tives"—now he is well. As he says in a letter:

"For seven years, I suffered terribly from Headaches and Indigestion. I had belching gas, bitter stuff would come up in my mouth, often vomiting, and was terribly constipated. I took Fruit-a-tives and this grand fruit medicine made me well."

50c. a box, 6 for \$2.50, trial size 25c. At dealers or sent by Fruit-a-tives Limited, Ottawa, Ont.

Rev. G. P. Raymond, who was a successful orchardist at Berwick has moved to New Minas where he will reside for a while before moving to Kentville. Mr. Raymond has received an appointment as general agent for Nova Scotia of the Canadian Life Assurance Co., and will vigorously prosecute his work.

### MIDDLETON

Middleton.—Middleton's largest industry, the wood-working factory of A. W. Allen and Son, while making steady progress during the past twenty years of its establishment, is now about to take a big step forward.

They have commenced operations on the construction of two new buildings to be built of concrete blocks. A factory for the manufacture of their finished products 40 feet by 90 feet, and two stories high, is to be constructed east of the old wooden structure now used for this work. All the machinery will be moved to this new building which will be practically fire-proof, and be large enough to allow installation of proposed new machinery for lines that the firm is not now producing.

In addition to this, a saw mill, also concrete, 36 feet by 80 feet, will be built, with attached drying room of five or seven new kilns to accommodate the increased business.

The old mill will be used as a stock room, alterations being made in the ground floor to facilitate the handling of the finished products.

At present thirty men are employed by the firm, but they have need of several skilled woodworkers and a number of unskilled laborers.

"I was out walking with my first husband when my present husband ran over him with his machine. That was the beginning of our friendship."

They've promised us a "golden era", and a grain elevator, and now, says a headline, they think they "can divert the Gulf Stream towards Nova Scotia." My, but we are getting on!

## WEDDING

**Barnes-Carter.**  
A quiet but very pretty wedding took place at 5 o'clock, at the Baptist parsonage, Bridgetown, on Saturday, June 2nd, when Lena Minnie Barnes, fourth daughter of Mrs. Robert Barnes, of Bridgetown, N. S., was united in marriage to Harry Enos Carter, son of Mr. and Mrs. John L. Carter, also of Bridgetown, N. S. Rev. F. H. Eaton, officiating.

The bride was attired in navy paillette silk with hat to match and was attended by her aunt, Mrs. Benjamin Barnes. The groom was attended by Mr. Benjamin Barnes, uncle of the bride.

After the ceremony they returned to the home of the bride's aunt and uncle, where a dainty luncheon was served to which a number of invited guests were present.

On Monday they proceeded to Liverpool, Queens Co., where they will reside in the future.

He: "Have you ever met a man whose touch seemed to thrill every fibre in your body, Miss Maitland?" She: "Yes, once; the dentist."

## OBITUARIES

### Mr. Herbert Willett Bent.

Belleisle was saddened on Thursday evening, May 24th, when it became known that Mr. Herbert Willett Bent had passed away. Mr. Bent was stricken while attending church three weeks before. His condition at first was not considered serious, but after two weeks his physicians became alarmed and grave fears were entertained for his recovery. His children who were away were summoned to his bedside. During his weeks of illness he was most tenderly cared for by his wife and children. Mr. Bent was a man who led a very active life, being interested in everything pertaining to the welfare of the community. He was a faithful member of the Granville Methodist Church for many years, being superintendent of the Sabbath school. He was also a charter member of Belleisle Division, acting as W. P. at the time of his death. He took a great interest in the Belleisle Fruit Co. and was manager for a number of years.

He leaves to mourn their loss his widow, formerly Miss Alice Whitman, of Lawrenceport; five children, viz: Mrs. (Rev.) C. L. Gesner, of Port Granville; Rev. John W. Bent, now stationed at River Hilbert; Harry, of Belleisle, and Stanley and Roy, at home, also five grandsons, besides a host of friends.

Mr. Bent was the eldest son of the late Stephen Edward and Janie Willett Bent, of Tupperville. He has just celebrated his 67th birthday.

The funeral took place on Sunday afternoon at 3 o'clock, from his late home, and was very largely attended.

The service was conducted by his pastor, Rev. J. H. Freestone, assisted by Rev. H. Rackham, of Lawrenceport. The choir beautifully rendered "We are Passing Down the Valley One by One".

The floral tributes were beautiful, consisting of the following: Pillow, from wife and children; Wreath, from grandsons; Pillow, from the Belleisle Fruit Co.; Spray, from Belleisle Division; Wreath, from Granville Sunday School; Flowers, from John and May; Cut Flowers, from Sea Troop, besides flowers from other friends.

Interment took place at Granville Centre on Sunday p.m., the four sons acting as underbearers. After the usual service the burial service of the Sons of Temperance was read by Deputy H. G. Parker, Belleisle, an Seymour Division, taking part in the service.

The sympathy of the entire community goes out to Mrs. Bent and family in their hour of deep affliction.

Mr. K. C. Crowell, barrister, he decided to locate here for the practice of his profession. Mr. Crowell who is a brother of Miss Gladys Crowell, of the teaching staff of the Bridgetown school, was at the time of the war in his last year in Engineering, but heard the call of King and County and saw much active service overseas, losing a leg in action.

Returning at the close of the war he entered upon the study of law and was in due course admitted to the bar and previous to coming to Bridgetown was in the law firm of McLean, Ralston and Burchell, of Halifax.

### Richard Carr.

Richard Carr, a highly respected resident of Lequille, passed away at the home of his daughter, Mrs. A. Coombs, on Saturday, June 2nd, at the age of 77. He is survived by his widow, formerly Miss Susan Ringer, of Northfield, Queen's County, and five children: Lawrence and Murray, of Lequille; Everett, of Topsfield, Mass.; Mrs. Aldridge Coombs, of Lequille, and Mrs. Harold Rawding, of Annapolis Royal. The funeral services were conducted by Rev. A. Gibson at the home on Monday afternoon, with burial in Woodlawn cemetery.—Spectator.

**Mr. C. F. Armstrong.**  
Nictaux lost recently one of its most esteemed and respected officers, Mr. C. F. Armstrong. The deceased was a son of the late Whitman Armstrong, of Granville Ferry, spent the greater part of his life on the old homestead, a Stoney Beach, but removed to the portion of Nictaux adjoining Middleton some twenty years ago. He was a man of upright Christian character and an honored deacon in the Baptist Church. He was for many years an official in the County Sunday School organization and also took an active interest in temperance matters being for several years Secretary and Inspector for the County of Annapolis.

He leaves to mourn their loss, wife one son Lewis, at home; one son in the U. S. and one daughter. The funeral services were conducted by Rev. R. F. Allen and were largely attended.

Rev. F. M. Milligan, Acting Secretary of Boys' Work for the Maritime Provinces, and Miss Mary Allison, Secretary of Girls' Work, were both in town last week and leaders in this work. Mr. Milligan also addressed the High School, and preliminary plans are being made for Taxis and C.G.L.T. camps this Summer at Pinehurst on the LaHave River, a most beautiful spot.

NARROW ESCAPE  
Car With Five Persons Topped Over Embankment.

Kentville.—Five people had a narrow escape from death when their Ford car went over a fifty-foot bank on Beech Hill, Kentville. The car, driven by Mr. Keddy, of Berwick, turned out to avoid a passing car and skidded over the bank, turning over twice. The occupants, two women and two children, were, except for a few bruises, uninjured.

Mrs. G. Roy, of Kentville, is in the Windsor Hospital with a broken arm, sustained when Dr. Shaw's car overturned near Windsor on Monday. None of the other occupants were hurt.

## Personal Mention

Mr. John Frederick, of East Jordan, Shelburne County, is visiting his brother, Mr. H. A. Frederick.

Boyd E. Chute, Inspector of Weights and Measures at Calgary, arrived home Thursday because of the very serious illness of his mother, Mrs. Harry M. Chute, formerly of Bridgetown, now residing at Brooklyn.

The rains of the past week were worth many thousands of dollars to the country, for rain was badly needed to loosen up dry hard soil and bring vegetation along. It served also another purpose putting out the many fires started by the usual number of careless people throughout the province.

Mr. Will Hiltz, Chief Clerk to the General Accountant of the D.A.R., at Kentville, spent a few days here, accompanied by Mrs. Hiltz. In company with Dr. and Mr. and Mrs. Geo. Dechman they made a most successful fishing trip to Milford Lakes, capturing thirty-seven trout, the largest weighing over a pound and a quarter. While in town Mr. and Mrs. Hiltz were guests of Dr. A. A. Dechman and of Mr. and Mrs. George Dechman.

TEACHERS' INSTITUTE MEETS AT DIGBY

(Continued from Page One.)

pecially seen in team games. In them the child gets a very essential part of his training. Their value, from her point of view, cannot be over-estimated. It is always a treat to listen to Miss Baker.

The Institute adjourned to meet at 2.00.

Prof. DeWolfe, of the Normal College, to whom the teachers always listen with delight, gave the opening talk in the afternoon. He expressed the willingness of the Normal College to recommend to inspectors that teachers who attend the Summer School of Science and do good work and have written on M. P. Q. examination and failed, be granted a third rank license, or have a third raised to a second, provided the second rank exam. has been written. He expressed his willingness to go further than this and recommend those for a third rank who have not written on M. P. Q. exam. This has never yet been done.

His words to the teachers were: "Teach from the object. Get the children to observe. Then use the text book to discover what other people have learned about the subject."

There was a brief discussion on primary busy work, several teachers mentioning some of the material used by them to keep the little ones occupied. Inspector Foster then led a discussion on elementary arithmetic. He emphasized: "Always use numbers with the children can read. Teach arithmetic to classes rather than working with and helping individual. Be sure to teach the principles. Many teachers fall here."

This concluded the Institute. After introductory remarks on union by Inspector Foster, Miss MacLeod, President of the Digby Branch of N. S. Teachers' Union, took charge, and in very forceful and definite terms outlined the reasons why every teacher should be a member of the Union. She emphasized the necessity of united action, and outlined the aims of the Union.

It was decided to unite the two counties of Annapolis and Digby as one branch of the N. S. Teachers' Union.

Dainty and appetizing afternoon tea was provided and served then by the wives of the School Board members and the Digby teachers. Over the social cup of tea a number of names of teachers from both counties was added to the Union.  
Thus ended a very busy, helpful and inspiring day.

### MT. HANLEY

Lloyd Armstrong, who has been spending a few days at home, returned to Halifax Saturday, where he has been during the winter months taking a business course at the Maritime Business College. Lloyd expects to get through the last of this month.

Recent guests at the home of B. M. Armstrong's, were: Mr. and Mrs. Hallett Bruce, Wilmot; Mr. and Mrs. Alfred Healy, Outram, also Mr. and Mrs. Ed. McKenzie and family, Port George. The Misses Katie and Alice May and Hazel Craig, Victoriavale; Miss Zelma Fritz, Douglasville, also the Misses Annie Morehouse and Doris Healy, Outram were all weekend guests of Miss Clara Armstrong.

B. M. Armstrong has the foundation laid for a new barn.

Mr. John C. Baltzer has returned to Mt. Hanley after visiting his granddaughter, Mrs. Leslie Strong, Lawrencetown, also friends in Middleton, Aylesford, Hall's Harbor, Black Rock,

and other places of interest. Mr. Baltzer, though quite old, looks and gets around like a young man, always ready to joke and enjoy both young and old company.

Mrs. Eva Chute, of Brooklyn, N. S., daughter of Zebulen Elliott, of Mt. Hanley, we are sorry to report, is very sick at time of writing. Her son Boyd came home Thursday last from the West.

We understand J. S. Miller, Mt. Hanley, has purchased a new Star auto from E. Power, Middleton, N. S.

#### MINERS OF ANTHRACITE COAL MAY STRIKE AGAIN THIS YEAR

Washington.—Consumers of coal both in the United States and Canada are menaced by danger of another strike in the anthracite coal region in September. Not only has there been no renewal of the contract between miners and operators which expires in August, but high officials have been advised that trouble-making elements among the miners are trying to force such demands on the operators that no contract will be possible and a strike will result. A convention of miners a month hence will determine what their demands will be and whether extremists are in the saddle. High officials here are deeply apprehensive since a strike would mean coal scarcity next winter a certainty both in this country and eastern Canada. No trouble is expected in soft coal fields.

### C. N. R. POSITION IS BETTER THAN REPORT SHOWS

C. N. R. Directors' Annual Report Does Not Reflect Actual Railway Conditions Now.

Montreal.—That the annual report of the Directors for 1922 covering the Canadian Northern, Canadian Government and Grand Trunk Pacific Railways, does not reflect the present position of the Canadian National system as a whole, was indicated in the statement of earnings for the month of April, issued Wednesday night. This earnings statement covers the amalgamated Canadian National system, including the Grand Trunk and Central Vermont railways, and shows notable increases over 1922.

The gross receipts of the Canadian National system in April of this year, the last calendar month for which figures have yet been made up, amounted to \$2,056,212, an increase of \$5,783,244, or 37.9 per cent, as against April, 1922. This general increase in gross earnings did not arise, traffic officials of the railway state, from increased tonnage in any one commodity. It was the result of a general growth in the business of the railway, all classes of traffic being favorably affected. The Canadian National system during April paid out in expenses \$18,826,000, this amount being \$2,582,167, or 15.9 per cent, in excess of the month of April, 1922.

The net earnings of the Canadian National system for April, 1923, were \$2,220,311, representing an increase in net of 228.78 per cent, over April, 1922, when the National system had an operating deficit of \$974,955.

Mr. Cyril Whitman has returned home from Shelburne, Maine, where he spent the past three years.

Mr. George Connell, of Nictaux, was a recent guest of his son and wife, Mr. and Mrs. Ralph Connell.

On Thursday evening, May 31st, Mr. and Mrs. Herbert Whitman, of Nictaux, celebrated their golden wedding. We wish them many more happy years of married life.

We regret to report the death of Mrs. Henry Beals, which took place at her home Monday evening, May 28th. During her sickness she was tenderly cared for by her husband, two sons and Mrs. Ada Balcom. The bereaved family have the sympathy of the community.

Recent guests at the home of Mr. and Mrs. Primrose Whitman were: Mr. Frank Whitman, of Kentville; Miss Eva Daniels, of Bridgetown; Mr. and Mrs. Warner, of Lawrence town, and Mr. and Mrs. Herbert Whitman, of Nictaux.

### FAMOUS OLD SHIP "GLORY OF THE SEAS" BURNED AT SEATTLE

Seattle.—The famous old clipper ship "Glory of the Seas," said to be the fastest vessel of her type in the world, was burned on the beach here recently, efforts to have her preserved as a historic relic having failed.

The Glory was built in East Boston in 1869 by Donald McKay, of Jordan River, Shelburne County, N.S., famous builder of fine ships. She made the voyage from Havre, France, around the Horn to San Francisco in ninety days, a record said never to have been surpassed by a vessel of her type.

The passing of the Glory of the Seas will come as an welcome news to Nova Scotians in particular, since that staunch old vessel, of which it

### MRS. J. GANEY IS OUT WITH FACTS

Declares Tanlac Ended Long-Standing Suffering From Indigestion, Nervousness and Insomnia.

"Nothing seems more wonderful to me than Tanlac," is the high tribute paid the medicine a few days ago by Mrs. Jeannette Ganey of 25 Ontario St., W., Montreal.

"For five or six years I had been in bad health, suffering from indigestion, palpitation of the heart and extreme nervousness. I could get no restful sleep, and was in such a deplorable condition I was absolutely discouraged.

"Seeing what others had to say about Tanlac I decided to try the medicine myself, and it was one of the best decisions I ever made. Why, the treatment has relieved me entirely of indigestion and palpitation, and has made my nerves perfectly calm and my sleep sound and restful. My health is just splendid now, and I have as much strength as I ever did in my life. It's a pleasure to recommend Tanlac after all it has done for me."

Tanlac is for sale by all good druggists. Accept no substitute. Over 37-million bottles sold.

Tanlac Vegetable Pills are Nature's own remedy for constipation. For sale everywhere.

### NORTH RANGE

Mrs. Joseph Bell, from Connecticut, accompanied by her two sons, Lemuel and Edward, came home to attend the funeral of her brother, Mr. Roy O. Height, who passed away after two and a half years illness. He had sleeping sickness which left him shattered in body and mind. Roy was an upright young man and the main support of his parents up to the time he was stricken. He was a member of the North Range Baptist Church, also of the choir, and was a general favorite with all. Before dying he picked out the hymns to be sung at his funeral, also the scriptures to be read, psalms 102 and his text from James 5-15.

Miss Lennie MacNeil is home on her vacation after a very successful year spent in the college at Waterville.

Mrs. Sarah McNeill, who spent the winter in Wolfville, returned home a short time ago. She spent last week at Hill Grove, the guest of Mrs. Robt. Bell.

The Dugby and Bear River S. S. convention was held in the North Range Baptist Church Friday, May 25th. It was largely attended and many matters of interest were discussed.

Most of our young men have gone away for the summer months. Mr. J. M. Theriault and Mr. A. H. Hetch, went to Uncle Sam's land on Tuesday.

A large number from this place attended the funeral of Mr. F. Hutchinson on Sunday 27th at Barton.

Mr. Howard Marshall and son Benjamin, are employed doing over the house of Mr. C. G. Robbins in Ross-way.

Mrs. Gordon Scragg from Greenland, N. S., is visiting her parents, Mr. and Mrs. James Height.

We were glad to notice Mr. and Mrs. Treffy in the congregation Sunday. Glad to see them out again after being housed all winter.

### POPULAR MOVE

At Chatham, Ont., the county police have issued a warning to young men that the practice of parking their automobiles along country roads with the lights off while they "spoon" with their girls will not be tolerated.

has been said "there was never wind enough on the ocean to fully test her capabilities," stood as a monument to the genius of one of the most famous of Nova Scotia's sons, Donald McKay, designer of the Glory of the Seas and of numerous other sailing ships, the man who put more romance into shipbuilding industry than any other individual, whose sailing ships were the speediest and most graceful, and who has been immortalized in poetry, painting and sculpture, was born at Jordan River, Shelburne Co., Nova Scotia, September 10th, 1810.

One of three brothers destined to be illustrious, he spent his boyhood playing along the white beaches of Shelburne County. Dying at his home, Hamilton, Massachusetts, Sept. 20th, 1880, he had achieved international fame as a designer of clipper ships, and his praise had been heard in the royal courts of Europe. His best stands among those of the immortals in the Louvre, Paris.

Miss Mabel Brown, accompanied by her friend, Miss Chapman, spent over Sunday at the home of the former's parents, Mr. and Mrs. George Brown.

Mrs. C. C. Chute and daughter Ruby were recent guests of Kenneth Chute at East Margareville.

Mr. and Mrs. Arthur Coleman and two children and Wylie Goucher motored from Halifax on Saturday and stayed over the King's birthday with their mother, Mrs. Ella Goucher.

Mrs. Stewart Dodge and Mrs. John Masters were week-end visitors of Mr. and Mrs. Arthur Gates, of Forest Glade.

Mr. and Mrs. Arthur Lee and Miss Pierce, of Auburn, visited Mr. and Mrs. M. Balcom on Sunday.

Recent visitors of Mr. and Mrs. J. G. Masters were: Mrs. Eliza Stronach and Mrs. Bessie Wilkins, of Middleton; Mr. and Mrs. Sam. Cropley, of Kingston, and Mrs. Arthur Stronach, of Spa Springs.

Miss Vivian Longmire spent the week-end at her home in Granville, going on the "Owl" Friday evening, and returning Monday morning.

Miss McKay went to Deep Brook on Friday evening's train to stay over the King's birthday with friends there.

Glad to report Mrs. William Gates who has been quite sick, able to sit up for a short time every day.

Mrs. Fowler is improving slowly. There passed away on Thursday morning at his home on Pleasant St. of pneumonia, Ezekiel Pierce, leaving to mourn their loss, four sisters, Edna, with whom he lived; Mrs. Edward McNeil, Mrs. Wm. Andrews, of Melvern Square, and Mrs. W. Plumb, of Margareville. Much sympathy is felt for the sister who lived with him and so tenderly cared for him during his illness.

### "EMPIRE DAY" AT LOWER GRANVILLE

"Empire Day" was observed at "Island" section, on the school grounds on the afternoon of May 23rd.

A goodly number were present, including parents and Institute members under whose auspices the following programme was carried out: Opening Prayer—Rev. W. G. Heister.

Flag Raising followed by singing: "We Salute Thee"—School. Address—Rev. R. B. Thomas.

Singing 1st verse of "Recessional", children march to place where tree to the soldiers of the allies had been planted.

Address—Archdeacon Watson. Singing 2nd verse of "Recessional" and marching to the spot where tree to nurses is being planted.

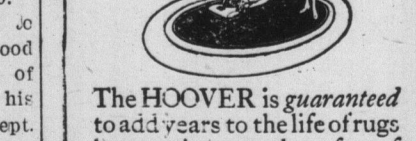

Singing "God Bless This Tree we plant"—School. Address—Rev. G. W. Heister.

Reception "The Boy and the Work" (Edwin Markham) Sylvia Heister. Reading of letter from Miss Eucenia Bostar (one of our own girls who now distinguishes by her work as nurse in Serbia and Montenegro).

Singing, remainder of "Recessional" while school marches back to centre by flag-pole.—School. Recitation, There's But One Way" (Alfred Noyes) Marjory Johnson. Singing, O Canada! School.

Speeches were then made by E. H. Porter of Karsdale, Miss Elizabeth Bells and Mrs. Horace Johnson who spoke in behalf of the school committee of the Women's Institute of Lower Granville. The President, Miss S. E. P. Elliott then invited all present into the school room where refreshments were served.

**ONE EAR OF CORN**  
133 YEARS OF AGE

Miles City.—Probably the most interesting exhibit entered at the Montana state corn show here is the 133-year-old ear of corn which is placed on exhibition by Leo Bennett, of Bennett Brothers of the Licon Creek district. It is believed to be the oldest ear of corn extant in the United States.

The ear consists of the cob and a small row of kernels remaining after all these years, with some kernels which have been removed and contained in a small glass bottle as a part of the exhibit.

This particular ear has been handed down in the Bennett family from father to son. Its origin is accounted for by a leaf taken from a dally in the handwriting of the great grandfather of the Montana Bennetts and written in Halifax in 1789. It reads as follows:

"Halifax, N. S.—On 24th June, 1789, received this ear of Indian corn this day from Capt. Parker, of Shelburne, just arrived from New York (Signed) Michl' Bennett."

Captain Parker, Mr. Bennett explains, was an officer in the English navy and had been stationed at Manhattan, and, going north, took along samples of Indian corn to Nova Scotia to exhibit to the people of that northern country, and the ancestor of the Bennetts was made the recipient of one ear.

A son of the original Bennett, Edward Michael Bennett, born 1804, emigrated to western Iowa in the early 50's of the last century, and is believed to have been the original and pioneer corn raiser in that part of the Hawk-eye state. And thus down through the Bennett family has been handed this ancient relic of the past.

Curio seekers have practically denuded the ear of its kernels, but enough remain to indicate the kind of corn raised by the Indians on Manhattan Island nearly a century and a half ago. Mr. Bennett says it is likely that, with the consent of the relatives, he will place the exhibit in the possession of the Montana State college at Bozeman.

**BABY'S OWN TABLETS**  
OF GREAT VALUE

Mrs. Hermadis Chagnon, Ste. Theodose, Que., writes:—"Baby's Own Tablets have been of great value to me in keeping my little one well and I would not be without them." Thousands of other mothers say the same thing. They have learned by actual experience the value of the Tablets in regulating the bowels and stomach; banishing constipation and indigestion; breaking up colds and simple fevers; and keeping the baby free from the many simple ailments of childhood. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

**Yours to Enjoy**

"Thank God for Tea! What did the world do without it—how did it exist? I am glad I was not born before Tea."

Thus wrote the brilliant Sydney Smith in the early days of the nineteenth century, and countless thousands have echoed his sentiments since. But if Sydney Smith could so enthuse over Tea as it was then, what would he say of it to-day, when science in growing and art in blending have brought your cup of Tea to such a high point of perfection.

And what would he think of to-day's cost? At an incomparably lower price you are able to enjoy Tea of a deliciousness Sydney Smith never knew or imagined.

**MORE FIGURES**

The Boston Monitor, which is vigorously combating the claim that prohibition is not "prohibiting" in the United States, brings forward the figures of admission to the alcoholic wards of Bellevue and King's County Hospitals as evidence. In 1916, before the United States went dry, admission totalled 11,203, while in 1921, the last year for which figures were available they were down to approximately 2,750.—Farmer's Sun.

**WHEN TO PERORATE**

The lecturer had been speaking at length to a rather large audience when suddenly something went wrong with the lights and the hall was plunged in darkness.

"Ladies and gentlemen," he announced, "this is not going to interrupt me in the least. All I ask is that the last person going out will give a signal so that I may end my speech."

**INSULIN FREE FOR PATIENTS**

**New Brunswick Minister of Health Has Arranged For a Supply**

Toronto.—The first Canadian Provincial Government to administer insulin free to patients through the Department of Health will probably be that of New Brunswick, says The Toronto Star. A visit for this purpose has just been made to Toronto by Hon. Dr. William F. Roberts, the enterprising Minister of Health of the New Brunswick Government.

Accompanied by Dr. Donnelly, Dr. Roberts made a thorough investigation of the treatment of diabetes by the famous insulin extract and its manufacture in Toronto. A whole morning was spent by Dr. Roberts with Dr. F. G. Bankling, inspecting the diabetic clinic at the Toronto General Hospital and going into the details of the administration of the extract. At Dr. Bankling's own office some remarkable cases, treated by Dr. Bankling and his assistant, Dr. F. W. W. Hipwell, were shown to Dr. Roberts.

At the Connaught Laboratories later on Dr. Roberts was assured that he could be supplied with insulin by Dr. Duffries.

The only insulin centre in New Brunswick at present is the General Hospital at St. John, but a widening out from this centre is part of Dr. Roberts' plan.

Mr. and Mrs. Wilbur Banks and family, West Inglewille, Miss Hilda Mitchell, Hampton, and Miss Esther Chute, Dorchester, Mass., were recent visitors at the home of Mr. and Mrs. D. M. Hall.

Mr. Judson Chute and son, Lawrence, West Clarence; Mr. Ralph Berry, West Paradise; Mr. and Mrs. Fred Charlton and baby Laurie, Mt. Rose, were recent visitors at the home of Capt. E. Brinton.

Mr. Lester Hines, Mt. Rose, spent the week-end with Mr. Chester Hall.

Mr. Robert Early, piano and organ tuner, Margareville, has been calling on Friends here this week.

Miss Susie Poole has resumed her position as clerk in Maxwell's, (now A. H. Pilcher's) store, at Bridgetown.

Mr. Ira Brinton has purchased a new Ford car from Mr. Phinney, of Middleton.

Quite a number from here attended the house-opening at Port Lorne, May 27th. The church with a new ceiling and coat of paint presents a very neat appearance.

Mr. Joseph Hall has been spending the week putting in crop on his farms in this section.

Mr. and Mrs. Joseph Phinney, of Upper Granville, and Mr. and Mrs. Vaughn Poole and baby Irene, were recent visitors at the home of Mr. and Mrs. Bradford Poole.

**THE WEEKLY PAPER**

An ex-Governor has the following to say about the value of a weekly paper in the community:

"Each year the local paper gives from \$500 to \$1,000 in free lines to the community in which it is located. No other agency can or will do this. The editor, in proportion to his means, does more for his own town than any other ten men, and in all fairness he ought to be supported—not because you like him or admire his writings, but because the local paper is the best investment a community can make." It may not be brilliantly edited or crowded with thought, but financially it is of more benefit to the community than the preacher or the teacher. Understand me, I do not mean mentally, and yet on moral questions you will find most of the papers on the right side. To-day the editors of the local papers do the most for the least money of any people on earth."

Miss Charlotte Fash is visiting Mrs. Wm. Johnson.

Mr. and Mrs. George Clark, who have spent the last few weeks in Middleton, spent a few days with Mrs. Clark's parents, Mr. and Mrs. Norman Healy, before moving to Lawrence-town.

Mr. Archie Beardsley, of Halifax, spent a few days recently with his parents, Mr. and Mrs. Charles Beardsley. He left on Tuesday for Bridgeport, Conn.

The work of repairing the church has been completed and it was reopened again on Sunday evening, May 27th. A large quantity of plants in full bloom helped much to the appearance and we believe everybody was pleased both with the appearance of the church and also the service.

Rev. A. Gibson, of Annapolis, preached a very appropriate sermon. Rev. M. W. Brown, D.D., gave a historic sketch of the church. Pastor Dixon also spoke in his usual pleasant way. A collection of sixteen dollars was taken.

Mr. R. Longley, of Paradise, was calling in the village on Saturday.

**GHOST OF THE SEA**

Few stranger stories have been brought up from the sea than that of the silent sentry of H.M.S. Arladne, told by the diver who has been working on the wreck of the cruiser sunk by a German submarine five miles off Eastbourne in 1917.

According to the diver, Dan Homer, of Glasgow, he saw a marine supported by a portion of the ship standing as though on duty, his rifle with bayonet fixed grasped in his hand. He seemed as though he had been in the same position in the dim shadows of the wreck for five years, standing sentry over the dead, for 34 men are believed to have gone down with the ship.

The diver told the story when he came up from the wreck after being imprisoned there for an hour. He got into an awkward corner and narrowly escaped with his life. He was in a condition of much stress at the time after his experience.

Roger Sabine, of New Tusket, had an eye completely destroyed Friday when a pitch fork with which he struck a cow, broke, and the prongs rebounded, entering the eye.

**MINERS TURN DOWN THE PART STRIKE TIME PROPOSAL**

Glace Bay, N. S.—Two Locals, Dominion No. 1 and Dominion 24 (Victory) turned down the resolution submitted by the District Executive calling for a part strike to enforce a re-opening of the wage contract with a view to securing the rates of '21. At a special meeting of the large and important local of No. 1 decided against the proposition. It also rejected a resolution put forward by the second Progressive party in the district.

Alex. Howatt, who is expected to propose John L. Lewis for national Presidency. The locals have not yet been heard in with reference to those resolutions. The Provincial Police having been demobilized the resolution with regard to the presence of that force in Cape Breton will not now be pressed.

How millions of men enjoy quicker, easier shaves

When we perfected a shaving cream with 5 distinct advantages, we asked men to try it. Millions did. They found out how to reduce shaving time and at the same time save skin irritation.

We ask you to discover the same things by a test at our expense. The 5 advantages of PALMOLIVE SHAVING CREAM are the result of 130 laboratory experiments—covering 18 months' time. Study them: It multiplies itself 250 times in rich lather.

Softens any beard in one minute, without rubbing in. Lather lasts—10 minutes if necessary. Strong-walled bubbles hold hairs erect for easier cutting. Blended palm and olive oils have lotion-like effect on skin. Millions of men have found these claims true. We ask from you merely the courtesy of a trial. We, only, can lose by that. ## AN ACCIDENT AT WOLFVILLE

Wolfville—A serious motor accident occurred Saturday evening when a car, driven by Mrs. L. W. Sleep, got out of control and ran into a tree on Gasperau Avenue. The car was badly smashed while Mrs. Sleep, who was the only occupant, sustained many serious injuries. She was conveyed to her home on Summer Street, and though consciousness had returned on Sunday night her condition was still very critical. Her many friends hope for her speedy recovery.

## LORD GOVERNOR GENERAL TO VISIT DIGBY

Official notice has been received in town that His Excellency, Lord Byng, Governor-General of Canada, with Lady Byng and Miss Walpole and official staff, will be in Digby on Saturday, August 4th, and will hold a reception between the hours of 10 a.m. and 12 noon. They will then go to the Municipality of Clare where it is said they will spend a two weeks' vacation, residing in Church Point.

## ORDERS AN INVESTIGATION

The Attorney General's Department has instructed W. G. Parsons, of Middleton, acting Crown Prosecutor to make a complete investigation into the auto accident near Clementsport, in which Mrs. Warren was fatally injured. Mr. Parsons has been instructed to take proceedings against the parties involved if the evidence warrants it.

## Local Happenings

The regular June term of the Supreme Court will begin at Bridgetown on the 16th. It is understood that Hon. Mr. Justice Ritchie will preside.

It is announced that Rev. C. A. Munro, former of Annapolis Royal, and lately in New Aberdeen, C. B., has accepted a call to the United Church (Methodist and Presbyterian) in Newport, Hants Co., to take charge this Summer.

Vice-President G. M. Hill of the C.P.R., arrived in Digby last Wednesday, where he was met by General Manager George E. Graham, of the D.A.R. They proceeded to Yarmouth, returning to Kentville Wednesday evening. The Vice-President is understood to have been making an inspection of the road and incidentally enjoying the apple blossom. He was accompanied by C. H. Tompkins, Supt. of Motive Power; W. J. Pridemore, Master Mechanic; F. M. Woodman, General Superintendent; C. Whittier, H. Derby, W. S. Bourne, all of the C.P.R.; V. G. R. Vickary, President of Y. Helms & Co., Yarmouth, and Col. Duff, Secretary of the St. John Dry Dock Company.

Salmon catches during the past week or so have been unusually good. Mr. Avaré Boudier got a little over ten hundred pounds of salmon from his weir at Hampton in two successive tides. The fish weighed up in the case of the largest to about thirty pounds. The two fish catches mentioned above Mr. Boudier believes is a record for this part of the Bay at least.

In the item in last week's issue referring to the visit of the President and the Secretary of the Bridgeport Electric Light Heat and Power Company, the name of the former Secretary, R. W. Elliot was given. This should have read A. C. Mills, now Secretary-Treasurer for the Company.

Will the party who borrowed from Dr. Jost's veranda last week the Indian blanket and large square cushion please return them at once and thus save further trouble?

Owing to the Rector being at Young's Cove for a service at 11 a.m. next Sunday, there will be no service at that hour in St. James' Church. There will, however, be the usual celebration of Holy Communion at 8 a.m. and service in the evening at 7:30.

Commencing tomorrow evening and continuing until further notice there will be a service on Thursday evenings in St. Mary's Church, Belleisle, commencing at 8 o'clock.

The Nova Scotia Methodist Conference meets this week at Parrabro, Rev. J. H. Freestone and Rev. Dr. Jost are going from the church here, while the lay delegates are Dr. M. E. Armstrong, Mayor Hicks and P. E. Bath.

On account of rain the Tuxis Annual Track meet to have been held here last Saturday had to be postponed to a time in the near future, announcement of which will be given.

The valley is now a place of beauty and fragrance. The blossoms on the earlier varieties of fruit are well out and in a few days all varieties will be in full bloom. So far as one can judge at this early date the indications point to a large crop.

The "Pantry Sale" arranged to be held under the auspices of St. James' Church Women's Auxiliary next Saturday has been postponed until the following week—Saturday, June 23rd. Mrs. (Rev.) A. J. Prosser received on Tuesday and Wednesday afternoons. Receiving with her on Tuesday were Mrs. A. D. Brown and Mrs. W. I. Stronach. In the dining room Mrs. E. D. Kelly and Mrs. E. P. Caldwell. On Wednesday afternoon Mrs. E. C. Young and Mrs. W. A. Warren in the dining room. Mrs. E. C. Hall and Mrs. W. W. Chesley. The floral decorations were very pretty in purple and white iris and in tulips. A very large
