The copy filmed here has been reproduced thanks to the generosity of:

National Library of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Bibliothèque nationale du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaît sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

"I have found your book very useful and would not be without it for twice its cost to me. It is only last week that I found several cases mentioned in reference to the Landlord and Tenant Act, which were worth a good deal to me."—L. F. CLARRY, Esq., Hastings.

"I find your collection of cases upon the Statutes of the greatest possible value."—W. E. MIDDLETON, Esq., Toronto.

Second to none in Accuracy and Conciseness

Ten dollars will supply you with a complete record of the judgments of the High Courts of England and House of Lords, etc.

THE LAW JOURNAL REPORTS.

The Oldest-established Reports, Commencing 1822.

These old-established REPORTS are now in their 83rd year of existence, and the Proprietors would draw the attention of the Profession to some of the points upon which excellence is claimed for them.

1. SIMPLICITY OF ARRANGEMENT AND FACILITY OF REFERENCE—

There is only one volume in each year for each Division of the Courts.

The LAW JOURNAL REPORTS and Statutes for each year may be conveniently bound in 3 vols., or if thin paper is used, it can be bound in one convenient volume. The system of citation has not been materially altered for over 60 years.

2. CONCISENESS AND ACCURACY—

The LAW JOURNAL REPORTS form by far the most extensive and authoritative series of English Reports extant. The Editors have always endeavored, and it is believed with success, to avoid prolixity, both in the head notes and in the statement of facts, and to restrict the Reports of Cases so far as is possible to the elucidation of the points of law decided in them. ON THE QUESTION OF ACCURACY the LAW JOURNAL REPORTS have NEVER been impeached.

3. MODERATE PRICE—

The subscription of the LAW JOURNAL, the LAW JOURNAL REPORTS, and the Statutes of the current session is only £1 4s. per annum.

Omitting the Statutes the above in Canada are \$10, or as follows:

Law Journal Reports	only \$10 00
Statutes	2 00
Law Journal, Weekly	6 50

Thin paper issue will be supplied at the same price a year. \$10. It can be bound in one neat volume, so that the year's reports, bound in half-calf, will only cost \$11.50.

Subscribers to Law Journal Reports are entitled to purchase "Mews' Annual Digest" with its quarterly issues for the same year, at \$2.00.

The Municipal Manual

(11th Edition), being the 6th Edition of "**Harrison's Municipal Manual**," revised and almost entirely re-written, by **C. R. W. BIGGAR, M.A., K.C.**, formerly Solicitor and Counsel for the Corporation of the City of Toronto.

IT INCLUDES:

- (1) "The Municipal Act" (Revised Statutes of Ontario, 1897, chap. 223); with the amendments made by 61 Vict. chaps. 23 and 36 (Jan., 1898); 62 Vict. (1st Session), chaps. 2 and 5 (Aug., 1898); 62 Vict. (2nd Session: April, 1899), chaps. 26 and 30, and 63 Vict., chaps. 9, 38, 35, 36, and 37 (April, 1900).
- (2) Full Notes of Municipal Cases reported to June 1st, 1900, in Canada, England and the United States.
- (3) Forms of By-laws (revised by **ALEXANDER BRUCE, K.C.**, of Hamilton; and **Z. A. LASH, K.C.**, of Toronto), Debentures, Rules of Order, etc.
- (4) An Historical Sketch of the development of Municipal Institutions in this Province, from 1788 to 1900.
- (5) A Comparative Table—showing (in parallel columns) such sections of the *Code Municipal* of the Province of Quebec, the Municipal Acts of Manitoba and British Columbia, and the Municipal Ordinances of the North-West Territories as correspond to those of the (Ontario) Municipal Act or relate to the same subjects.
- (6) A Tabular Guide to the Counting of Ballots at Municipal and Provincial Elections, with reference to all the reported decisions applicable thereto.
- (7) A Synopsis of the Law relating to the payment by Counties of their share of the Expenses of the Administration of Justice, revised by His Honour **JUDGE MACDONALD** of Brockville—(especially useful to County Judges and other members of the County Boards of Audit).
- (8) A List of the Municipalities of Ontario, with references, showing all the Special Statutes and Proclamations relating to each Municipality.
- (9) A List showing what Local Municipalities (or portions thereof) compose the County Council Divisions of this Province, as established under "*The County Councils Act, 1896.*"

(10) An Index of the Cases Cited (over 5,000 in number), with a reference to the Volume in which each is reported; and

(11) A complete Subject Index (over 100 pp.), prepared by ALAN M. DYMOND, K.C., Esq., Law Clerk of the Legislative Assembly of Ontario.

This new "MUNICIPAL MANUAL" is recognized as a text book of authority.

Chief Justice SIR WM. R. MEREDITH—himself a leading authority on municipal law—recently referred to it as "an accurate compendium of the law relating to municipal institutions in this Province." MR. JUSTICE MOSS, of the Ontario Court of Appeal, is equally commendatory; and the late MR. JUSTICE ROSE, in a judgment delivered September, 1901, speaks of "MR. BIGGAR'S admirable text book, in which all the recent cases on the subject are carefully collected and clearly reviewed." Letters from many other Judges, as well as from lawyers and municipal officers, give abundant testimony to the accuracy and completeness of the "Manual."

The following letter to the publishers by Hon. Justice Dillon, Author of the work on Municipal Corporations, the standard treatise in the United States:

NEW YORK, Nov. 23, 1901.

DEAR SIR,—Allow me to say, respecting the eleventh edition of the Canada Municipal Manual, recently published by you, being founded on the sixth edition of Harrison's Municipal Manual, that it is, in my judgment, a work of the very highest merit. The extensive use which I made of Harrison's Municipal Manual and publicly acknowledged, in the preparation of my treatise on Municipal Corporations, shows my high opinion of that work. The revision and additions of Mr. Biggar have brought down the constantly developing law of Municipalities to the present time. No lawyer or Judge interested in the law of Municipal Corporations can consult the present edition, with its reference to more than two thousand Canada cases, without instruction and profit.

Very sincerely yours, (Sgd.) JOHN F. DILLON.
