BRITISH ABOUT TO COMMENCE BELGIAN DRIVE

Early Resumption of Operations Forecast in German Statement.
LOSE IN CHAMPAGNE
Kaiser's Men Fail to Recapture Positions From French.

London, June 19.—Indications point to an early resumption of operations on a grand scale in Belgium and France, if, indeed, they have not already begun in Flanders and Champagne. A significant statement in the latest Berlin official communication says that in Flanders and Champagne "the fighting activity has been revived at several points."

Aside from this there is no information as to the exact status of affairs. In Champagne the Germans have made an attempt to recapture positions between Mont Bland and Mont Camille, taken by the French Monday, but met with repulse, suffering heavy casualties. To the northwest, around Craonne, heavy artillery duels are being fought.

The situation in Flanders is even more obscure, as neither the British nor French statements tend to clarify the German report of the resumption of hostilities. Artillery duels of great intensity are known to have been in progress between Boesinghe and Frelinghen, and in the regions of Houthulst and Het Sas, while to the south in France, in the neighborhood of the Bapaume-Cambrai road, the British troops have resumed their trench raiding operations, destroying German dugouts and taking prisoners.

CANADIAN TROOPS HOLD HORSE SHOW

Torrential Rains Fail to Alloy Pleasures of Occasion.
MOUNTS LOOK SLEEK
Animals Have Had Great Improvement in Condition Since Spring.

By Stewart Lyon.
 Canadian Headquarters in France.—(Via London, June 19).—The Canadian corps held its annual horse show today amid torrential rains. That did not matter, for there were no ladies, and there was no spring millinery and no grand stand. Under these conditions the horse came to his own as a centre of attraction. The transformation in the condition of the artillery and transport animals since March and early April, when serious losses were sustained because of the long-continued bad weather, is most remarkable. Sleek, finely-groomed horses, their spirit restored by careful handling, pranced about as if they had never experienced the hardships of winter.

A battery horse of the original division carried on his broad-band three narrow straps of gold braid, such as the wounded men wear on their tunic sleeves, as a badge of distinction. This horse was wounded in the flank at Ypres in 1915, lost a rib at the Somme, and was shot in the neck at Vimy. He is in perfect good condition, and doubtless spine great yards to the remnants that are his stable companions.

While judging between rival batteries is not so dangerous as umpiring a baseball match, it is, perhaps, as well that the judges are chosen from outside the corps. Their awards today were such as to encourage a lot of young fellows who never got prizes before to spend laborious days and nights keeping their horses and equipment in tip-top pink.

Out on the front there is nothing more serious to report than affairs of the trot, in which enemies, working in parties in the region northwest of Fresnoy, were dispersed.

CURRIE IS APPOINTED AS BYNG'S SUCCESSOR

He is the First Canadian to Command Expeditionary Force and the Troops are Highly Elated Over Choice Made—Sir Arthur, Born in Middlesex County, Went Overseas From Victoria Garrison.

By Stewart Lyon.
 Canadian Headquarters in France, via London, June 19.—Sir Arthur Currie, who has been acting commander of the Canadian Corps since Sir Julian Byng left, returned to headquarters this morning, having been authorized to take over the command. Sir Arthur came to France with the original Canadian overseas contingent as a brigadier, and has had a part in all the major engagements of the corps. His appointment greatly pleases the men in the trenches. He is the first Canadian to command the corps. His predecessors, Generals Alderson and Byng, were both imperial officers of long service and distinction.

Remarkable Rise.
 The new commander of the Canadians has had a remarkable military career since he joined the Canadian Garrison Artillery as a private at Victoria, British Columbia, fourteen years ago. He was lieutenant-colonel of the garrison when he left for overseas. His rapid rise was due to efficient and brilliant work in the service. In the three years which he commanded the "grade," previous to the outbreak of the war, two of the batteries took first and second awards each year.

When the first Canadian contingent was mobilized for overseas service, Sir Sam Hughes, then minister of militia, first selected Sir Arthur Currie for

SIR ARTHUR CURRIE, who is now in command of Canadians at the front.

ROYALTY GIVES UP GERMAN TITLES

King Orders Princes of Family to Take English Surnames.
CONFERS PEERAGES
His Majesty Creates Marquises and Earldoms for Relations.

London, June 19.—The following official announcement was made today:
 The King has deemed it advisable in the conditions brought about by the war that those princes of his family who are his subjects and bear German names and titles should relinquish those titles and henceforth adopt British surnames. At the same time and consequent upon this decision the King has been pleased to confer peerages of the United Kingdom on the following:
 Duke of Teck, marquis; Prince Alexander of Teck, earl; Prince Louis of Battenberg, marquis, and Prince Alexander of Battenberg, marquis.
 A further abolition of German titles held by members of the English royal family residing in England is indicated in tonight's court circular, which announces:
 The King has been pleased to confer peerages of the United Kingdom on the following:
 Duke of Teck, marquis; Prince Alexander of Teck, earl; Prince Louis of Battenberg, marquis, and Prince Alexander of Battenberg, marquis.
 A further abolition of German titles held by members of the English royal family residing in England is indicated in tonight's court circular, which announces:
 The King has been pleased to confer peerages of the United Kingdom on the following:
 Duke of Teck, marquis; Prince Alexander of Teck, earl; Prince Louis of Battenberg, marquis, and Prince Alexander of Battenberg, marquis.

The circular adds that the princesses of the royal family who bear the title Duchess of Saxony have at the King's desire relinquished that title and the King has directed that royal warrants be prepared stating what they will be styled in the future.
 The Times says it understands Prince Louis of Battenberg will take the title of Marquis of Mount Batten. "This," says The Times "is simply an English translation of the German name, but it is not perhaps wholly accidental that the new name of the former sea lord's family should also be that of the little headland overlooking the old eastern harbor of Plymouth, from which the famous Drake sailed."

Order is Approved.
 The King's order is commented on by the morning newspapers with enthusiastic approval as a reform in part of the war has been the cause of the monarchy and as emphasizing the fact that nowadays the court must identify its interests with the interests of the nation.
 Englishmen always have been intolerant of foreign titles in court circles, and the retention of German titles since the war has been the cause of a great deal of irritation. The King in the newspapers today is the subject of many warm encomiums for perceiving and appreciating the preferences of the nation.
 The new reform provides for the eventual complete disappearance of the titles "highness" and "serene highness" in Great Britain, while the titles of "royal highness," "prince" and "princess" will be confined to the children and grandchildren of the sovereign.
 Thus in the course of time many descendants of the sovereign will become commoners and only entitled to be known as "mistress."

RUSSIANS FIGHT TURKS IN MANY ENCOUNTERS

Petrograd, via London, June 19.—The following official communication was issued today:
 On the western and Rumanian fronts there has been little fire.
 Caucasus front: Southeast of Kalkit, our reconnaissance detachments drove back Turkish outposts. An offensive by the Kurds near Tchelik Semack, ten versts north of Ornot, was also repulsed by our fire. Near Baburgur, sixty versts east of Sennek, we dispersed a large body of Kurds, making a raid behind our positions.
 Our airplanes have dropped bombs at various points in the rear of the enemy's lines.

EARLY DEVELOPMENTS IN SERBIA EXPECTED

London, June 19.—The Macedonian theatre also still holds forth the promise of early developments on a large scale. While along the line where Gen. Sarrail's forces are facing the Teutonic allies near the Greco-Serbian border the reports show only artillery duels to be in progress, the entente commander is still pouring men into Thessaly and occupying important localities. Another indication that the Greeks are turning toward the entente cause is shown by the fact that considerable quantities of arms and ammunition have been surrendered by the population of the invaded towns and villages.

BORDEN BLAMED BY HUGHES FOR FAILURE OF RECRUITING

Charges Made by Hughes
 Premier Borden did not answer letter written by Hughes last October urging enforcement of the Militia Act. The premier might have been influenced by the strong agitation against conscription due to lavish use of Prussian gold. Premier Borden asked him on many occasions to slow down on recruiting.
 Certain so-called labor leaders, who had caused outcry against recruiting, were in the pay of German agitators in the United States. One reason why the voluntary system fell down was the influence of prominent men who wanted cheap labor and big profits. They influenced the imperial munitions board, the cabinet and prime minister. Sir Thomas White had warned the premier that manufacturers were protesting because Toronto's recruiting was too fast. Journalists in German pay were preaching pacifism.

HANNA IS GIVEN POST OF FOOD CONTROLLER

Former Provincial Secretary Is Clothed With Sweeping Powers to Regulate Prices and Distribution Throughout Canada.

By a Staff Reporter.
 Ottawa, June 19.—Premier Borden announced in the house this afternoon that Hon. W. J. Hanna, former provincial secretary, had been appointed food controller for Canada. No salary is attached to the position.
 The order-in-council defining the duties and powers of the food controller provides that he shall make necessary investigations into the quantities, location, ownership, sources of supply and prices of any article of food in Canada, and that he shall ascertain domestic requirements and facilitate the export of the surplus to Great Britain and her allies subject to the approval of the governor-in-council. The food controller may make regulations governing the prices of food and the storage, distribution, sale and delivery thereof, providing for its conservation and governing consumption in hotels, restaurants, cafes, private houses, clubs, etc. It is further provided that, subject to the approval of the cabinet, the food controller may requisition, store, sell and deliver food, and may appoint a necessary staff to carry on the work. Provision is made for co-operative action between the department of the Canadian Government or of the government of Great Britain and the allied countries.
 Hon. Mr. Hanna, who is a lawyer, with his home in Sarnia, was born in Middlesex County 55 years ago. He has represented West Lambton in the legislature for 15 years. In 1905 he became provincial secretary. He resigned the post some months ago, remaining in the Ontario cabinet without portfolio.

MALARIA CAUSES BRITISH RETREAT

Troops Evacuate Part of Eastern Bank of Struma.
OVERRUN THESSALY
French Forces Reach Southern Limits of Grecian Province.

London, June 19.—An official statement from British headquarters at Salonica issued tonight reads:
 "Owing to the advent of the malarial season our troops east of the Struma have been somewhat withdrawn. Our patrols are active on the east bank and have cleared Homonod, Jenikol, Cuculuk, Cavdarmah, Elisan and Haznatar, which small hostilities evacuated by us is completely dominated by our positions on the hills west of the river."
 "Our air force has bombarded the Forna and Tumba stations, east of Seres, Sarjak, five miles south of Demir Hassar, and Sivrach, thirteen miles northeast of Petrank. The latter detachments are participating in the occupation of Thessaly and Piraeus."
 An official communication issued at Paris tonight says:
 "Eastern theatre: Our artillery counter-batted the enemy artillery in a lively fashion in the region of Monastir."
 "Thessaly: Our troops have reached Furka Pass on Othrys mountain, the southern limit of Thessaly, and hold a considerable quantity of arms and munitions has been surrendered to them by the population."
CONSTANTINE AT LUGANO.
 Bern, via Paris, June 19.—The former Greek King, Constantine, is expected to reach Lugano tonight. Constantine's suite numbers forty.

ALLEGED PICKPOCKET TAKEN AT MONTREAL

Man With Many Aliases, Wanted in Toronto, Arrested on Street Car.

Montreal, June 19.—David Allan, alias George Lamont, alias Cameron, was arrested here today on the strength of a three-year-old warrant, issued in Toronto, charging him with being a pickpocket. Allan is alleged to have slipped out of Montreal on the 19th of last month, N.Y., the trio being taken off a street car by local detectives. The latter are being held pending enquiries about them.

The Cat and the Parrot.

John: Yuh bet yuh, Sam Fuse don't like Jo Flavell and Jo don't like Sam.
 Hok: Sir Joseph says Sir Sam, in pressing for conscription, is taking men from the munition plants, I'm for both. But who was it that wanted to invite the Kaiser to come over and save Ireland from home rule?
 John: It wasn't Hum Smith, yuh bet, but Sam Fuser's a sin finer'n silk. An Jo Flavell's wearin' silk britches takin' up the kollek in his church. An they both are Lindsay Knights.
 Hok: But "birds in their little nests agree."
 John: Politics ain't no bird nest. It's a cat an' parrot managery, an' Sam thinkin' he's both the bird an' the boss.

New Casement Screen Door

This door is different because it fits against the outside of the door-casing instead of between casings. This makes it easy to hang, as it eliminates the troubles of fitting. It can be lifted on or off in a moment, because it is equipped with lock hinges similar to a shutter. A wire spring is provided to attach to centre of door and to door frame. The frame is of wood, varnished, and is so strongly constructed that it will not sag or warp. Fitted with good quality wire cloth.

Design is another consideration in this door, for it is neat and protects the wire screen at vital places. Made in 3 sizes: 2 ft. 8 in. x 6 ft. 8 in., 2 ft. 10 in. x 6 ft. 10 in., and 3 ft. x 7 ft. Complete with fittings, 2.75

ALLES URGENTLY NEED MANY MEDICAL MEN

Have to Care for Five Million Persons on All Fronts.

Chicago, June 19.—A statement calling attention to a shortage of medical men on all the allied fronts, as well as in England itself, was issued here today by Col. T. H. Goodwin, medical officer with the British mission to the United States, who is touring the country to inspire the volunteering of medical men for service abroad. Col. Goodwin seeks medical men in addition to the 20,000 required by the new American army.

"It is not so much that allied medical officers have disappeared that cause the shortage, but the great increase in the demands for them to take care of 5,000,000 men on five fronts," Col. Goodwin said. "More than 300,000 hospital beds are being maintained in the British Isles alone, there are 27,000 beds in Malta, and many thousands more in Salonica, Egypt, Mesopotamia, India, and of course in France."

COLLAPSES IN CREEK.

Special to The Toronto World. Guelph, June 19.—One of the best known residents of Guelph, Robert J. Barker, 65 Park avenue, was stricken down yesterday while fishing a few miles from Guelph and lies at present in a precarious condition at the general hospital.

NEW YORK GIVES MUCH TO RED CROSS FUNDS

Nearly Twenty Million Dollars Subscribed in Two Days.

New York, June 19.—Total subscriptions of nearly \$20,000,000 have been made to the Red Cross fund during the first two days of the campaign here, it was stated at a Red Cross luncheon today. New contributions of \$5,428,000 were announced. Teams led by Mayor Mitchell and J. P. Morgan have each reported subscriptions of more than a million dollars.

TO AVERT COAL SHORTAGE.

Special to The Toronto World. Brantford, June 19.—Brantford is endeavoring to have the department of public works at Ottawa do such dredging at Port Dover, Brantford's outpost on Lake Erie, as would allow coal boats to come from Erie, Pa., and thus relieve the railway car shortage, which proved such as to seriously hamper local industry during the past year. Much time would be saved by using the rail and water route.

COUNTY RATE INCREASES.

Special to The Toronto World. Brantford, June 19.—The estimates were discussed at the opening sessions of the county council of Brant here today, and indications are that the rates will be considerably increased. Coal will total over \$700 more than last year, roads and bridges will cost for \$12,000 in place of \$4500, and all institutions will have to have increased grants owing to the increased cost of living. Brantford General Hospital will receive \$1500 in place of \$1000.

MONTREAL PAPER SAYS ISSUE BEFORE PEOPLE

Canada Either Has to Make Separate Peace or Fight.

Montreal, June 19.—The Montreal Star (Conservative) says in part: "Canada is sternly confronted with three alternatives: (1) she can go on with the war; (2) she can agree to an armistice for the summer, which would be the practical meaning of a referendum; or (3) she can sign a separate peace with Germany, which would be the practical meaning of finally rejecting conscription. Shall Canada accept to wavering Russia the example of a British nation taking either one course or the other? This is the real issue in plain language, which is now before parliament."

TORONTO MAN SPEAKS BEFORE ROTARY CLUBS

J. A. Macdonald Addresses International Convention at Atlanta.

Atlanta, Ga., June 19.—J. A. Macdonald of The Toronto Globe made the principal address before the International Association of Rotary Clubs' convention today and was greeted with applause when he referred to Canada and the United States fighting side by side for the cause of world democracy. Vocational meetings occupied the afternoon session.

HOFFMANN RESIGNS.

Berne, June 19.—M. Hoffmann, member of the Swiss federal council, who was concerned in the recent attempt to institute negotiations for a separate peace between Germany and Russia, has resigned.

OWNERS FAIL TO GAIN APPAM FREIGHT MONEY

Court Holds Submission to Capture Forfeits Rights.

New York, June 19.—On the ground that submission to capture by a ship constitutes abandonment of the cargo entrusted to it, the federal court here today dismissed the suit of the owners of the British steamship Appam to recover as freight money the proceeds of the sale of her perishable cargo. The Appam was captured last February off the Canary Islands, while bound from British West Africa for England, by the German raider Moeve. Her prize crew subsequently brought her into Hampton Roads, Virginia, where she was returned to the British owners by the supreme court, which held that the title of the captors was forfeited by a breach of American neutrality in overstaying the time allowed a belligerent in a port of this country as a neutral.

NEWSPAPER WINS SUIT.

Right Upheld to Refuse to Accept Certain Advertisements. Montreal, June 19.—The Montreal Star has won a long drawn-out suit, brought on behalf of the Lyons Cut-Rate Drug Stores against the paper for having refused to accept certain advertising matter in connection with a contract for advertising which the drug people had with the Star. The suit was for \$10,000 damages. The Star won in the lower court, and today the court of review gave judgment in its favor in an appeal, holding that the newspaper had a right to protect its columns from advertising matter which it regarded as objectionable.

FIGHTING REVIVES.

Berlin, via London, June 19.—The supplementary official issued by the war office this evening says: "In Flanders and Champagne the fighting activity has been revived at several points. Otherwise there is nothing new to report."

FRENCH HOLD GROUND CAPTURED FROM FOE

Great Artillery Activity Kept Up by Both Sides.

Paris, June 19.—The official report issued by the war office tonight reads: "There is no event of importance to report with the exception of great artillery activity on both sides in the neighborhood of Craonne. Belgian communication: The usual artillery actions occurred. They were particularly intense during the night before the ferryman's house, Steenstraete and Haisa. The Germans made an attack last night on the positions in the Champagne, between Mont Blond and Mont Carnillet, which were taken by the French yesterday. Today's official statement says the Germans were repulsed with heavy losses. Violent artillery fighting occurred in the Champagne.

ANOTHER BRITISH LOAN MADE BY WASHINGTON

Washington, June 19.—Another loan of \$35,000,000 was made today to Great Britain by the treasury. The Belgian minister also received today \$7,500,000, the second monthly instalment of the \$45,000,000 given to Belgium. Today's loan to Great Britain is the first advanced to the allies up to \$323,000,000, of which Great Britain has received \$231,000,000.

AUSTRIANS PENETRATE ITALIAN FORWARD POST

Ally's Infantry Beat Off Assault Northeast of Jamiano.

Rome, via London, June 18.—The official communication issued today by the war office says: "Last night the enemy succeeded in penetrating one of our minor advanced posts on the southeastern slopes of Monte Rombo. The position was immediately kept under an effective fire by our batteries. Enemy detachments the same night made a surprise attack against our position on Hill 219, northeast of Jamiano, (Carso sector) but was repulsed with severe losses and left ten prisoners in our hands. "The artillery has shown great activity in the Asaigo Plateau. There has been desultory firing on the Carnia front."

Public Mind in Australia Prepared for Selective Draft

Canadian Associated Press Cable. London, June 19.—The Times Sydney correspondent says that statements by federal ministers and members since holding the secret sitting clearly indicate that the federal parliament intends to make a final effort to obtain recruits under the voluntary system. Recent returns suggest this is extremely unlikely. The public mind gradually is becoming reconciled to selective compulsion.

NEW GREEK MONARCH CHIP OF THE OLD BLOCK

King Alexander Will Follow Policy of Pro-German Father.

New York, June 19.—The Sun this morning prints the following from London: The publication of the proclamation of the new King Alexander of Greece comes as a shock to England, France and Italy. The new and youthful monarch pledges himself to carry out "the brilliant policy of his revered father," the notoriously pro-German Constantine, and uses the language of an absolute monarch. The press of the allied nations demands if it has been hounded and if another German diplomatic trick has succeeded in the Balkans. There is a universal demand that if King Alexander attempts to follow any such course as did Constantine, he be instantly elected without ceremony, that the allies take direct control of the country, establish Venizelos in power and keep him there by force, if necessary.

FOE'S SEAPLANES DO NO DAMAGE IN RAID

Hostile Bombs Hit No Objectives in Gulf of Riga.

Petrograd, via London, June 19.—An official communication issued today says: Five enemy hydro-aeroplanes dropped forty-one bombs in an attempt against ships, hangars and batteries at our base in the Gulf of Riga. None of the objectives was hit. Only one sailor was wounded. The hydro-aeroplanes were driven off by the fire of our coast batteries, which, during the several consecutive days, have repelled similar unfruitful attacks.

ADVERTISE IN THE WORLD

OPTIMISTIC REPORT REGARDING CROPS

Potatoes Slow in Coming Up, But Have Now Got Good Start.

PASTURE EXCELLENT All Classes of Farm Stock in Good General Condition.

An optimistic report of crop conditions throughout the province was issued yesterday by the Ontario Department of Agriculture. Not only are the spring grains developing in a most satisfactory manner, but every other variety of crop as well, with the exception of apples. Other varieties of fruit are said to be doing well. The following is the report:

Spring grains are coming forward in a most satisfactory way. Oats and barley have never looked better, and there has been a wonderful recovery of fall wheat.

Weather during the week has still further delayed the planting of late crops. On Sunday, the 10th inst., a precipitation varying from 2 1/4 to 3 1/4 inches occurred in the Prince Edward-Frontenac region, and some newly planted corn and potatoes were injured.

Corn planted late, taking the present weather, has done better than the seed put in earlier in the season, some of which rotted in the hills and had to be replanted. There is some planting of corn and beans yet to be done, and considerable millet and buckwheat will yet be sown.

Potatoes have been slow in coming up, but the warmer weather of the week has given them a nice start, and most fields are looking encouraging. Roots generally are looking well; many have some turnip land yet to sow.

Pastures have come along amazingly well of late, and at present look in first-class condition where not too closely cropped by live stock. Clover and timothy are growing rapidly, and an average yield of hay is now looked for, while earlier in the season a small return was anticipated.

Vegetables are coming along well. Early tomatoes are doing nicely, and there will be more grown than usual.

Orchard fruits, with the exception of winter apples, will do fairly well, cherries and plums being in the lead. Many growers are throwing the small sprays. Small fruits are described as being very promising.

Live Stock. All classes of farm stock are in good general condition. The market here is improving, as they are not so plentiful owing to heavy shipments to the west in the spring.

Prices for cattle have had a downward tendency, beef animals selling at 11.50 a cwt., and dry cows 1 1/2 c. lower. Good grade milk cows, however, can still command 100 to 120 a head. Cattle on the grass are putting on flesh. Welland county reporters' clubs as exerting a most marked influence in encouraging farmers to take an interest in raising pure bred stock.

Bacon hogs are a little down in value, although young pigs from six to eight weeks can hardly be got "at any reasonable price," as one representative puts it.

With most farmers all kinds of fodder, except hay, are practically exhausted, although here and there a little surplus or other feed is yet in store. The lush pastures are having a marked effect upon the milk flow, which was never fuller, taking the number of cows into consideration. 2,000 boxes of cheese were sold at Peterborough during the week for 30 1/2 c. a pound, while over 200 a pound was offered in Frontenac County. Dundas County reports that the price fixed for cheese at 21 3/4 c. a pound f.o.b. Montreal, nets the producers only 20 1/2 c. a pound or a trifle over.

Labor: Requests for help during the haying and harvest seasons are now being made to representatives of the county divided. Fruit and vegetable growers are also asking for assistance. The demand for help is being met in most cases.

FOR THE EMPIRE

Flight Lieut. William Eric Lockhart, B.A. Sc., a nephew of Dr. John Hunter of the board of education, was killed in action June 12 while serving in France with the Royal Flying Corps. Lieut. Lockhart was 24 years of age and a son of the late W. T. Lockhart, ex-M.L.A. for West Durham, and of Mrs. Lockhart, who now resides in Newcastle.

Pte. H. N. Smith, 189 Emerson avenue, has given nine months of service and is now returned. A son, Pte. Edward, is still fighting in France after a year and a half of service, and word has just been received of the death in action of the second son, Pte. Samuel Smith. The late Pte. Samuel Smith was twice wounded, once at the Somme fighting in September last and in the following month he again was wounded. He was 25 years of age and enlisted from Calgary when the war broke out, going with Calgary battalion. At the time he was farming in Alberta.

Pte. John S. Brown, who is reported to have died of wounds, formerly lived at 148 Morton street. He was 20 years of age when he enlisted with the battalion that went overseas in May, 1916, commanded by Lieut.-Col. Barker. He had been in the trenches about ten months.

Pte. Jack Squires is now officially declared dead, according to word received by his sister, Miss G. M. Squires, of 655 East Queen street. Pte. Squires was 17 years of age when he enlisted in June, 1915. Pte. Squires was employed in the Dunlop Rubber Company prior to enlistment. He is survived by two sisters in Toronto and two brothers, one of whom, George, is with the R.I.C. in England. Captain Percy Joffe, M.C., son of Mr. and Mrs. George H. Joffe, 30 Delaware avenue, a Toronto boy attached to the Royal Irish Rifles, has been wounded. Official word says he was injured in the fighting at Souchez River, June 7. He was in the same engagement as the late Major William Edmond, who died of wounds. Beyond stating that his son was wounded, Mr. Joffe has received no details from the war office. The wounded officer went overseas as a private in the 19th Canadian and received his decoration only a short time ago.

Corp. W. G. Hammond, whose mother, Mrs. W. Rogers, lives at 68 Dawes road, has been wounded but is remaining on duty. Corp. Hammond is 23 years of age and went overseas with the Royal Canadian Dragoons in August, 1915, arriving in France during December of the same year. He was wounded on July 1, 1916, and after two months in the hospital returned to the front again.

Acting Corp. W. W. Garlick, wounded in the right arm, lived at 104 Macdonell avenue. He is 21 years of age and single. He has been a year in France and before enlisting was a plumber by trade. He has a brother, Pte. R. A. Garlick, in France, who enlisted in the same battalion, and his father, who enlisted in a Peel battalion, and is now in England as an army baker.

Sapper F. Gibson, who has been wounded, went overseas only a few months ago with the engineers. Ottawa reports that his kin reside at 881 Lansdowne avenue, but here the wounded soldier is unknown.

Sapper F. G. Carter, who when he enlisted in the engineers, lived at 390 Parliament street, is reported wounded. His parents are in Chatham. He had been in France only a short time.

Pte. A. S. Sewell, 137 Baldwin avenue, who is reported wounded, came from the United States to enlist. The address of his next of kin is not known, but the telegram received at the lodging house where he roomed while here stated that he was dangerously wounded June 9 and now lies at No. 17 casualty clearing station, Leptonet.

Pte. Frank Simmons, who enlisted from 108 Huron street, but whose mother now lives at 283 Spadina avenue, is reported as wounded. The young soldier, who went overseas last year, comes of fighting stock, as his grandfather fought with the imperial army thru several African campaigns, and his father, now a sergeant connected with the school of instruction, Camp Borden, was also at one time with the British forces. Before going overseas the young man was employed here as a tinsmith.

Pte. George Mitchell, whose relatives live at 25 Clark street, has been reported dangerously wounded. June 6. He went away 18 months ago and has been in France since last November. Before enlisting he was a tinsmith. He was born in Scotland and came to Canada 10 years ago.

He is 30 years old and unmarried. Pte. R. O. Smithson, whose mother lives at 372 1/2 Symington avenue, is in the hospital at Camiers, France, suffering from gas poisoning and severe shell shock. Pte. Smithson is 20 years of age and is the only support of his mother. He was working on the Lambton School when the recruiting sergeants of a Toronto battalion got him to enlist. He had been away from Canada just three months to the day when he was wounded.

Pte. Henry Stewart, 9 Dundas ave., has been wounded in the right arm and back. He went overseas two years ago and reached France about six weeks later. Six months after reaching France he took sick and was transferred back to England, where he remained for over a year. Before enlisting he worked for the Conger Coal Company. He was born in Aberdeen, Scotland, and came to Canada 11 years ago. He is 36 years of age.

A LITERARY BARGAIN: RIDPATH'S LIBRARY OF 25 VOLUMES.

The gratifying response of World readers as subscribers to The Ridpath Library of Universal Literature indicates very clearly that the offer made by this newspaper to their readers is an advantageous one. The World yesterday was deluged with orders, both by mail and callers, handing in subscriptions for a set of these books. The exceptional value of this set at the price offered appeals to everyone of a literary and cultured turn, and to the family man who desires to furnish his children with the best literature, this offer appeals the strongest.

A literary product of the standing of The Ridpath Library is rarely put on the market at a bargain price. The fact that over 30,000 sets of these books were sold in the United States and Canada on the installment plan at \$77 a set, is proof positive that it is a real bargain at the price offered by The Toronto World, namely, \$25. This covers an easy method of payment, namely, \$1 down and \$3 per month, which places the books within the reach of those of even moderate means.

The announcement on another page explains the terms on which they can be obtained, and as this paper has only obtained a very limited supply of all our readers who desire to obtain a set should act at once. Delivery of the books will be made immediately after the order is received.

STRUCK BY AUTOMOBILE AND INSTANTLY KILLED

Little Myra Phillipson Victim of Motor Accident on Danforth Avenue Yesterday.

While crossing from the north to the south side of Danforth avenue, yesterday afternoon, three-year-old Myra Phillipson, 98 Hiawatha avenue, was instantly killed when struck by a motor car driven by Isaac Shiner, 529 Dupont street, and belonging to Mr. Walton, 17 Danforth avenue. The accident happened at the corner of Danforth and Jones avenues and it is the third motor car fatality this month.

The evidence of eye-witnesses showed that the little girl stepped off the sidewalk, ran in front of an eastbound motor car and was struck by the front wheel. The girl, who was carried into the office of Dr. Broad, 480 Danforth avenue, died before she was held. It is not likely that there will be an inquest.

COMMITTED TO REFORMATORY

Arthur Pelly Pleaded Guilty to Charge of Burglary.

In the police court yesterday Arthur Pelly pleaded guilty to the charge of burglary, committed at 283 Spadina, Ossington avenue, and stealing there from a gold chain, locket, and table knives. Crown Attorney Corley informed the magistrate that the young man's record of crime was bad, and that he had been committed many times for juvenile delinquencies, and when released on parole has invariably returned to the paths of crime. When arrested, Pelly had in his possession two articles of jewelry. He was committed to the Ontario Reformatory for two years, less one day.

GENESE CASE LAID OVER.

When the Ottawa Separate School case came up on the list in the second divisional appellate court yesterday morning Sir William Meredith set it aside until the end of the holiday season. The case came up by way of an appeal of Chairman Genese from the refusal of Justice Kelly to quash proceedings in a motion by Mackell and others to commit him for breach of an injunction granted by Justice Lennox. The injunction restrained Genese from paying unqualified teachers and he objected to parole being granted on the ground of irregularities.

GRAND TRUNK RAILWAY SYSTEM

Great Lakes Service, 1917.

Commencing Wednesday, June 20, Grand Trunk Railway will operate train from Toronto to Sarnia wharf, leaving Toronto 10.45 a.m. Wednesdays, Saturdays and Mondays, making close connection at Sarnia wharf with Northern Navigation Co. palatial steamships for Sault Ste. Marie, Fort William, Port Arthur and Duluth. Train will also run from Sarnia wharf to Toronto immediately on arrival of Northern Navigation Co. steamships Sundays, Tuesdays and Fridays, commencing Friday, June 22. Full information may be secured from any Grand Trunk ticket agent, or C. E. Horning, district passenger agent, Toronto.

MUST PAY INSURANCE.

Judgment against three insurance companies for a total of \$4026 was given out at Osgoode Hall yesterday afternoon by Justice Kelly in the action brought by J. Livingston. Livingston kept a general furnishing store on Yonge street, and on February 26, last, the store and contents were damaged by fire. His British American fire policy was voided because of a clause in the policy which required that the store be insured against fire by the Canadian Pacific Insurance Company and the Firemen's Fund Insurance Company.

Has a Place of Its Own Above Other Foods

The rising price of foodstuffs has emphasized the need of finding foods which contain the greatest food value. The Farmers' Dairy milk steps into the breach. The drinking of this food will enable you to economize considerably in the purchase of other foods. It will mean better health. It will help your children grow strong and happy. You can lower your cost of living by using more of this food—The Farmers' Dairy Milk.

This milk has a place of its own ABOVE other foods. It is better than ordinary milk. It is cleaner. The Farmers' Dairy milk contains more rich cream (body-building fats) than other milk. And yet this food—valuable as it is—costs no more than the ordinary milk. By using more of this milk you will get more and better food value at a lower price.

For economy and health's sake get this better-than-ordinary milk.

Case Arising Out of Sale Of Ties in County Court

Suit was commenced yesterday in the non-jury county court before Judge Coatsworth by R. L. Graham against C. E. A. Carr for \$183.57 for 690 ties and commission. The defendant has entered a counter-claim for \$1075.50 as commission for ties sold.

Child's Eyelids Were Inflamed

Waxy Discharge Bound Lids Together—After Months of Suffering, Cure Was Discovered.

Toronto, Ont., June 19.—Beside emphasizing the effectiveness of Dr. Chase's Ointment as a cure for granular and inflamed eyelids, this interesting case shows how invaluable Dr. Chase's medicine is to persons living in the isolated rural sections of western Canada.

A remarkable feature of this case is also the fact that both grandmothers, when written to for advice, sent along a sample box of Dr. Chase's Ointment. This goes to show how well this great ointment is known as a cure for granular and inflamed eyelids.

Mr. E. P. Kimball, Entwistle, Alta., writes: "Our little girl from birth was troubled with inflamed eyelids, and, in spite of several remedies, grew worse until at the age of 18 months her eyes could not be opened after sleep without bleeding, a waxy discharge sticking the lids together and adhering with great tenacity. The child's grandmothers were consulted by mail, and both responded with a little sample box of Dr. Chase's Ointment. These were used as directed and lasted until we could obtain a further supply from Edmonton. Improvement was very marked from the first application. The waxy discharge was easier removed and soon did not appear. Inflammation subsided, and has not returned. Her eyes have been a little weak, due doubtless to our neglect to use the proper remedy at the start, but are improving slowly. We have always thought well of Dr. Chase's medicine, and have known of their success in civilized countries, but back here in these wilds they often prove not only good medicines, but regular necessities in time of trouble."

SOLDIERS OF THE SOIL "CARRY ON" VIGOROUSLY

Y.M.C.A. National Council Have Placed Boys on Farm and Interested Churches.

The plan recently organized by the special committee of the national council of the Y.M.C.A., with Frank Yeigh as chairman and Taylor Statten, secretary, known as the S.O.S. (Soldiers of the Soil) is meeting with a ready response; already over fifty churches of all denominations have actually started work under its system. A great many of them have placed boys on farms, while others have loitered their children in the spirit of the campaign.

The purpose is explained in a pamphlet that has just been issued by the national council, where it states that its aims are threefold: to enlist and encourage boys in food production; to provide attractive incentives for keeping them interested in their work, and to relate this service to their religious growth and development, and the slogan is "Every Canadian boy a producer of food."

INCOME TAX CASE.

The first case on today's list in the second divisional appellate court at Osgoode Hall will be the appeal of Judge McGilivray to the effect that the salaries of Dominion civil servants are liable to income taxation. The appeal is from a judgment given in favour of the City of Toronto.

VETERAN APPOINTED.

Pte. A. W. Geddes of Calgary, late of the "Princess Pats," has been appointed by the national council of the Y.M.C.A. as farm boy secretary for the Brooks and Huron Counties, and started his duties yesterday.

CANADIAN STEWART CO. Suing SUB-CONTRACTORS

Action to Recover Large Sum in Connection With Toronto Harbor Work.

Action to recover the sum of \$180,619.73 in connection with a Toronto harbor contract has been entered at Osgoode Hall by the Canadian Stewart Company against I. A. Hodge of Syracuse, New York. In October, 1913, the Canadian Stewart Company entered into a contract with the minister of public works for the erection of a sea wall, break water, ship channel, turning basin, etc. In February, 1914, a sub-contract for part of the ship channel was let to the defendant, but it is alleged that the work was so negligently done that the greater portion of public works for the erection of public works was lost and it is further alleged that Hodge refused to remedy the condition complained of.

FINED TWO HUNDRED.

Convicted of having liquor in his possession in Lambton Park, Frank Rawlings was fined \$200 and costs when he appeared in the police court yesterday. It was due to the pleading of Rawlings' counsel that the fine was not made \$250.

NARROWLY ESCAPED.

G. A. Playfair, 735 Broadview avenue, had a narrow escape from serious injury when his motorcycle crashed thru a plate glass window in the store of J. Kammon, 236 Danforth avenue, Monday night. Neither Playfair nor his machine was hurt.

VETERAN LAID TO REST WITH MILITARY HONORS

Funeral of Pte. W. H. Smith, 234th Battalion, Took Place to Prospect Cemetery.

Military honors were accorded the late Pte. W. H. Smith, of the 234th Battalion, a returned soldier who died in Spadina Military Hospital on Sunday night of heart trouble. The funeral service, which took place yesterday afternoon, was held in Bates and Dods' undertaking parlors, and was conducted by Rev. Canon H. C. Dixon. Nearly 100 returned soldiers marched in the funeral cortege as far as Shaw street, where they boarded a street car to take them to Prospect Cemetery. A firing party was composed of members of the 109th Regiment. The firing party, it was said later, had no blank cartridges, a detail which aroused the indignation of the veterans. Sgt.-Major Crighton represented the mayor at the services. Capt. Bartlett officiated at the grave. Pte. Smith was less than 18 years old, and had no relatives in Canada.

NEARLY ELECTROCUTED.

When he climbed to the roof of the Toronto Hydro-Electric station on Mavety street, Monday night, after a baseball, Oliver Kimber, aged 13, 1698 Dundas street, came in contact with some high voltage wires, and was nearly electrocuted. He was badly shocked, was rendered unconscious, and was burned about the head and back. Fireman Spier, of Keele street firehall, went to the boy's rescue, and first aid was rendered by a nearby doctor. The boy was then taken home.

Toronto 5 Providence 1 BOWLING Trophy Games Lacrosse Oakville In T.L.L.

SILVER FOR LARRY THEN HE MADE HIT

Bunny Hearne and Leafs Wallop Grays on Lajoie Day at Providence.

Providence, R. I. June 19.—Larriping Larry Lajoie led his band of pennant chasers against the Grays this afternoon in the first game of the series and bagged away the bacon by a 5 to 1 score. The game was won in the first two innings when Lajoie's home run was batted out of the box, all the visitors' runs coming in these two seasons. What the Leafs did to the Grays was a caution, but at that time they were just one-half of what they deserved. This was in the third inning for slow fielding on the part of Lajoie and Cooney gave the Naps two runs in the first inning and the Leafs were off to a flying start. The day was dedicated to Manager Lajoie, and his Wagonwheel and Fall River friends were out in some force. There was no storming of the gates. Lajoie was presented with a handsome silver trophy by his friends. In the absence of a life-size baseball supported by three crossed bats in silver. The gift was made on the first inning on Lajoie's first appearance at the bat, and contrary to the usual procedure it was not until the second inning that he made a whirling base hit. The Leafs played gilt-edged ball all the way and outclassed the Grays in every department, showing barrels of ginger and hitting every minute while the Grays looked anything but the desire to get under the mill for strikes. Allenberg singled to right off and was sacrificed to second, scoring on Whitman's double. Lajoie's hit brought Whitman in. Lajoie's second home run hit Blackburne hit to Cooney and Brainerd. Lajoie's third home run hit the slowpokes. Schultz made a base hit, scoring in the second, but he was forced at second on Allenberg's drive to Cooney. Slow work resulted in a double play. Jacobson hit for a base, and a double steal was successful. Thomas dropping players' fine throw after leaving his mat. Then both scored on Whitman's single to left. Two more will be played tomorrow. THINK PROVINCE IS MILKING CITY

Search for New Sources of Revenue Discloses Provincial Harvest. **OVER FIVE MILLIONS** Effort Will Be Made to Have Burden More Evenly Distributed.

Of the ten Toronto members of the Legislature, Hon. Thomas Crawford was the only one who paid any attention to the call of the mayor and attended the conference with the board of control yesterday regarding an adjustment of the city and provincial account. After a long discussion it was decided that all heads of departments state their views on new sources of revenue, then, after a conference, the board of control and the Toronto members will wait on the government.

In stating the reason for the conference, Mayor Church was of the opinion that police court fines should be retained by the municipality instead of going to the government, that the registry office fees should be increased and that the province should pay a larger proportion of hospital maintenance. He was also of the opinion that the province should pay a larger proportion of the charges connected with the technical school and the high school of commerce. He submitted a statement containing twenty items, from succession duties to amusement tax, which showed he had more than \$5,000,000 from different sources. About 60 per cent. of this was taken from the city.

The province, he said, should make a grant toward the isolation hospital, as many of the cases had their origin outside the city. The province should pay the city an amount as large as the province pays toward the technical school and the high school of commerce. He submitted a statement containing twenty items, from succession duties to amusement tax, which showed he had more than \$5,000,000 from different sources. About 60 per cent. of this was taken from the city.

SHALL YACHTSMEN STOW AWAY BEER?

License Board is Speechless and Solicitor Will Not Speak.

The Ontario Temperance Act allows a person to keep liquor in his dwelling house, and many yacht owners who are anticipating spending several weeks on their boats this summer are wondering whether they will be permitted by law to carry liquor. They contend that while on board their yachts will be their dwelling house for the time being.

The members of the Ontario License Board, when questioned, could not give a definite answer. Eudo Saunders, solicitor to the board, refused to comment on the matter. He said that a man on a boat is not a man on a boat and that he sleeps on board and takes his meals there would be within his rights in taking liquor with him. The Ontario Temperance Act does not, however, include yachts in the list of structures which could be considered dwellings.

A city resident who has a country home on the lakes or elsewhere may carry from his city home to his dwelling house in the country any liquor he desires, provided the bottles are sealed and the original seals have not been broken. This is applicable only when the summer home is really used as a dwelling for a part of the year.

WELL KNOWN FARMER DIES

Sudden Death for Second Time Carries Off Member of Well-Known Western Ontario Family.

For the second time in a few weeks a sudden death has come to a well-known western Ontario family. A short time ago Franklin Robinson, former deputy minister of the interior for Saskatchewan, died suddenly while on a visit to Toronto, and yesterday his brother, J. B. Robinson, who up to then had been in excellent health, died at the home, Linsdale Farm, near St. Thomas. The latter was a graduate of the Ontario Agricultural College and had for several years practiced as a veterinary surgeon at Washington, D.C. Lately he had returned to manage the home farm at St. Thomas. Mr. Robinson was known at college to his friends generally as "Jabel." His father was the late Jabel Robinson, M.L.A. for West Elgin.

MURRAY BAY HOTEL OPENS

The famous Manoir Richelieu at Murray Bay will again open on June 29th. This most exclusive summer resort in Canada is directly on the St. Lawrence River in the Laurentian Mountains. Service and cuisine are unexcelled. Salt water swimming pool, golf, tennis, riding, driving, bowling and billiards—all in connection with the hotel. Reservations are rapidly coming in, and the accommodation is being well taken in advance by regular visitors. Mr. Krom, the manager of the Canada Steamship Lines, 9-11 Victoria Square, Montreal, will be glad to give complete information.

REALIZED OVER THOUSAND

Reports from the treasurer, Mrs. Buejard, show that more than \$1000 will be cleared by the garden fête held at "Ardwood" under the management of the war relief auxiliary.

BETTER DISCIPLINE REQUIRED

Special to The Toronto World. Kingston, June 19.—Reeve James Halliday, of Portsmouth, has written military headquarters stating that better discipline must be maintained at the Mowat Memorial Hospital. In his assessment in the street, and that better conditions must prevail or he will ask the department of militia to move the institution out of his municipality.

Winnipeg Man Cured

Says Dr. Cassell's Tablets Saved Him From Nervous Breakdown.

Mr. G. C. Inman, 230 Harcourt street, Sturgeon Creek, Winnipeg, for many years a well-known man in the business life of Canada, says: "I was terribly rundown and weak. I had no appetite and I suffered if I forced myself to eat. My nerves were in a bad way, and my sleep very disturbed. Everything pointed to a nervous breakdown. Then I got Dr. Cassell's Tablets. The first result was a good sleep, and then my health rapidly improved. It was really astonishing how my strength and fitness came back."

Mr. Inman is now in England, managing the well-known firm of A. W. Inman and Son, Printers and Publishers, Leeds. Letters will reach him there.

A free sample of Dr. Cassell's Tablets will be sent to you on receipt of 5 cents for mailing and packing. Address: Harold F. Ritchie & Co., 10 McCull street, Toronto.

Dr. Cassell's Tablets are the surest home remedy for Dyspepsia, Kidney troubles, Sleeplessness, Anemia, Nervous Ailments, Nerve Paralysis, Fatigue and Weakness in Children. Especially valuable for nursing mothers and during the critical periods of life. Sold by druggists and stockpayers throughout Canada. Price: One tube, 50 cents; six tubes for the price of five. Beware of cheap imitations. The composition of Dr. Cassell's Tablets is known only to the proprietors, and no imitation can ever be the same. Sole Proprietors: Dr. Cassell's Co., Ltd., Manchester, England.

MAJOR ATTENDS THE FUNERAL

Of Little Louisa Stoutley

Funeral service for Louisa Stoutley, 18-month-old daughter of Mrs. E. R. Stoutley, were held in Trinity Church, East King street, at 3:30 o'clock yesterday afternoon. The simple ceremony of the English Church was conducted by Rev. Canon H. C. Dixon, followed by an extemporaneous prayer for the child, for the family and the husband who is now overseas.

Among those who attended the services were: Mrs. Stoutley, her three small sons and a relative, Mayor Church, Sergt.-Maj. Crighton, Henry Roland and Alfred Coyle. A bouquet of white flowers given by Mayor Smith, James S. Smith, David Vise, Robt. Wilkinson.

RAIN SPOILS GARDEN PARTY

Toronto Graduate Nurses' Club Event Well Attended.

Four hundred people attended the garden party given by the Toronto Graduate Nurses on their club grounds, 2000 Avenue Road, on Sunday afternoon. The guests were received by Mrs. Marshall, president of the club, and vice-president, Miss Mattan. The grounds were taxed to capacity, and it was almost impossible for the crowd to dance. Owing to the rain the last half of the program had to be called off. John Ross Robertson, who donated the premises and furnished the club for the nurses, was present.

O.T.C. Men Were the Guests

Of the Women's Press Club

The weekly meeting of the Women's Press Club had a very good attendance yesterday afternoon, when, in addition to the members and their work-friends, Capt. Wallace and a contingent from the officers' training school were the guests. Mr. Coleman, who is from Australia and a late member of the theatrical company of Sir Herbert Tree, gave a bright address, in which he said he was never happier in his life than now. He also stated that at least a dozen of the company had enlisted. Mr. Rennie humorously related that when he heard that only one shot in ten thousand found its mark he was encouraged to enlist by the thought that he could count from the first shot heard and then dodge the ten thousand. Testimony of the happiness of the men in training was also given by Mr. Brahan. Miss Mason presided.
