**BYE LAWS**  
OF THE INCORPORATED  
**DIOCESAN CHURCH SOCIETY.**

---

1st. At all meetings of the Society or its Committees, before entering upon business, the "appointed prayers" shall be said.

2nd. His Excellency the Lieutenant Governor for the time being, if a member of the Church of England, shall be respectfully requested to be joint Patron of this Society, with the Societies for the Propagation of the Gospel, and for Promoting Christian Knowledge.

3rd. The Bishop of the Diocese shall be President of the Society, with a control over all its proceedings, and no alteration shall be made in the Bye-Laws without his approval.

4th. The Archdeacon of Nova Scotia shall be the first of the Vice Presidents, whose number shall be limited to seven. There shall be also a Secretary, an Assistant Secretary, and a Treasurer.

5th. All Members of the Church are invited to unite with the Society as Subscribers; and every Clergyman licensed by the Bishop, and all Laymembers of the Church of England subscribing not less than Five Shillings annually, or Ten Pounds at one payment, shall be members of the Incorporated Society, and entitled to vote at all meetings of the same. But no Subscriber shall enjoy any of the privileges of an Incorporated Member, whose subscription is more than one year in arrear. The annual subscriptions shall be considered due upon the first day of January in each year.

6th. The Executive Committee shall consist of the President, Vice Presidents, Secretary, Assistant Secretary and Treasurer of the Society, who shall fill the same offices in the Committee; of all Clergymen licensed by the Bishop of the Diocese; together with twenty Laymen to be chosen as hereafter provided; and such other members of the Society as may be chosen by the Local Committees, according to the ninth Bye Law.

7th. An Annual meeting of the Society, open to all its members, shall be held at Halifax in the month of October, or at such time as the Executive Committee shall appoint; at which meeting the vacancies in the Executive Committee shall be filled up, the Secretaries and Treasurers shall be elected, and any vacancies in the number of Vice Presidents may be

called up at the pleasure of the Society. A Special General Meeting may be called at any time when the President, or, in his absence, two or more Vice Presidents, or the Executive Committee, shall consider it desirable to appoint such Special General Meeting.

8th. The Executive Committee shall meet monthly during the year, with the exception of July, August, and September; and a Special Meeting may be called by the President, or in his absence, by a Vice President.

9th. The Members of the Church in every part of the Province, are invited to co-operate with the **DIOCESAN CHURCH SOCIETY**, by forming Local Committees under the direction of their respective Clergymen, either in each Mission or Parish, or in more than one Mission or Parish united, as shall be deemed most convenient, and in strict accordance with the designs and Rules of the **DIOCESAN CHURCH SOCIETY**. Every Rural Local Committee shall have the power of appointing any one member of the Society to be a member of the Executive Committee. It is recommended to the Local Committees to forward their funds, as they may be collected, to the Executive Committee, who will faithfully apply them to the general objects of the Society; but when the Local Committee desire it, they shall receive Books at cost and charges, to the amount of one-fourth of their remittances, or the said one-fourth may be placed in the hands of the Endowment Sub-Committee, for the benefit of the Parish or Mission where the money was contributed.

10th. The following objects shall more particularly engage the attention of the Society, as soon as their means may enable them to afford such attention:—

- 1.—Provision for Assistant Missionaries.
- 2.—Missionary visits to neglected and destitute places, under the direction of the Bishop.
- 3.—Assistance to the Endowment of Parishes.
- 4.—Assistance to the erection and enlargement of Churches and Chapels belonging to the Church of England, in peculiar or extreme cases.
- 5.—Supplies of Books and Tracts published by the Society for Promoting Christian Knowledge, and such other Books and Tracts in strict conformity with the principles of the Church of England, as having been first carefully examined and approved by a Committee of Revision, to be appointed by the Executive Committee, shall then have received the approval of the Executive Committee, and, lastly, the written approbation of the Bishop.
- 6.—Assistance to the erection of Parsonage Houses.
- 7.—Assistance to deserving young men, desirous of being qualified for the Ministry of the Church, but requiring aid in pursuing their studies at the Collegiate Establishment at Windsor.
- 8.—Aid to Sunday and other Schools, in which due attention is paid to instruction in the principles of the Church of England.

- 9.—Encouragement to the instruction and training of respectable Teachers for Sunday and Daily Schools.
- 10.—Upholding, by all possible and proper means, the Collegiate Establishments at Windsor.
- 11.—It shall also be one of the objects of the Society to provide for the Widows' and Orphans of deceased Clergymen, but no part of the Society funds shall be appropriated to this object, except such as shall be specifically given and paid into the Society therefor.

To these objects, generally, the contributions will be applied ; while those who desire it may have their individual contributions scrupulously confined to any one or more of these objects. And as some Members of the Church, who are not unmindful of the great spiritual wants of their own neighborhood, still feel constrained, in pious gratitude for the blessings they enjoy, to allot something, however small, from the means with which a gracious Providence has blessed them, towards the spread of the glorious Gospel among the nations which still sit in darkness—

11th. This Society will gladly receive and forward to the Society for the Propagation of the Gospel whatever sums may be given for the conversion and instruction of the Heathen ; to which object such sums will be strictly confined by the East India Committee of that Society.

12th. The Accounts of the Society shall be closed on the 31st. December in each year, and shall be audited in one month from that time, by auditors to be appointed by the Executive Committee.

13th. An Annual Sermon shall be preached before the Society. The Preacher, time, and place, to be appointed by the President.

14th. At each Annual Meeting of the Society, the first five on the Executive Committee shall go out of office ; but all or any of them shall be eligible for re-election. The new Members shall be first proposed and seconded, then elected by ballot and placed at the bottom of the list.

15th. None of the above Bye-Laws shall be altered, except at a General Meeting of the Incorporated Society ; and a full year's notice of a proposal to change any of them must be given previous to the meeting at which the proposed alteration is to be effected.

## ANNUAL GENERAL MEETING.

THE Annual General Meeting of the Society was held on Tuesday, June 30, 1857, in the National School Room, Halifax.

The Venble. the Archdeacon, in the absence of the Bishop, took the Chair at 2 o'clock, P. M.

It appeared evident, from the small number present of Clergymen and lay delegates from the Country, that June is not the most convenient season of the year for holding the Annual Meeting.

After Prayers and reading the minutes of the preceding meeting, the Secretary was called upon to read the 19th Report of the Executive Committee.

It was moved by Lieut. Col. Myers, seconded by the Revd. T. Morris, and Resolved, that the Report of the Executive Committee be received and adopted, and that it be printed and circulated under the direction of the Executive Committee.

It was moved by L. Hartshorne, Esq. V. P., seconded by N. Clarke, Esq., and Resolved, that the Honble. M. B. Almon be appointed one of the Vice Presidents of the Society, in the place of David Hare, Esq. deceased.

The first five on the list of the Executive Committee then went out of office.

It was moved by N. Clarke, Esqr., seconded by T. A. Brown, Esqr. and Resolved, that in future the new members of the Executive Committee should first be proposed and seconded and then balloted for.

In accordance with the above Rule, the following Members of the Society were elected by ballot to be Members of the Executive Committee :—Lieut. Col. Myers, J. R. Smith, Esq., E. B. Meynell, Esq., John Silver, Esq., and W. C. Hare, Esq.

Whereupon a vote of thanks was unanimously given by the Meeting to the Revd. Secretary, for his efficient and able services during the past year.

It was moved by the Revd. T. Morris, seconded by the Rev. J. Stewart, and Resolved, that Henry Pryor, Esq. be requested to act as Asst. Secretary during the ensuing year.

It was moved by the Revd. J. Shreve, D. D., seconded by the Revd. E. Maturin, and Resolved, that W. C. Silver, Esq. be requested to act as Treasurer for the ensuing year.

It was moved by T. A. Brown, Esq., seconded by the Revd. J. Shreve, D. D. and Resolved, that the warm thanks of the Meeting be offered to the Revd. W. T. Morris, who preached before the Society on Sunday the 28th inst.

The Secretary read a Report submitted by the Executive Committee, relative to aid to parishes of long standing when deprived of external aid.

The Report was received for consideration, but as such aid was not one of the objects of the Society—

Notice was given by the Revd. T. Maynard, that at the next meeting of the Society he would move its adoption.

The application from Windsor for aid in supporting their Rector, was deferred to the next Meeting, as not coming within the objects recognized by the Society.

The Secretary in the name of the Revd. J. M. Campbell, moved the following Resolution, notice of which had been given at the last Annual Meeting—

That in future no grants be made from this Society to aid in building Churches except upon the condition that all the seats be free.

The Resolution was seconded by the Revd. J. Ambrose, and passed by a large majority, upon a division of the meeting.

The Revd. J. H. Drumm gave notice that at the next meeting he would move that the above Resolution be rescinded.

It was moved by the Rev. E. E. B. Nichols; seconded by the Rev. J. Ambrose, and unanimously resolved, that the next Annual Meeting of the Society be held in the month of October, 1858, or at such time as the Executive Committee deem necessary.

The Rev. R. Jamison gave notice that at the next annual meeting he would move that the Society adopt, as one of its objects, a superannuation fund for assisting clergymen who may be incapacitated for further labor, in the same manner as it adopted the Widows and Orphans fund.

The Rev. W. Bullock gave notice that at the next annual meeting he would move an extension of the time during which, under the 14th Rule of the W. & O. fund the Orphans could draw the pension.

The meeting was dismissed with the Apostolic benediction.

## REPORT.

THE Executive Committee, before entering upon a Report of their proceedings, during the year 1856, invite all the members of the Society to unite in ascribing thanks and praise to Almighty God for His past blessings. "Except the Lord build the house, their labor is but lost that build it." Whatever success has attended our efforts is to be imputed solely to the aid and protection of Divine Providence. Our duty is to be thankful that we are allowed to be the instruments for continuing upon earth the work of Christ's Church, and to use our privilege with all diligence.

Our Holy Exemplar, while among men, went about doing good to their bodies and souls. He has left us a pattern of self-denying love, as well as of purity and holiness, to be imitated by all his followers. It was one of the primary objects of this Society to unite all members of the Church in love and Christian charity. Let us then revert as nearly as possible to that blessed time when "Believers were of one heart and of one soul," inspired with a common ardor in one great enterprise, and with common cordiality and zeal contributing to its promotion.

The experience of the past year tends still more forcibly to impress the Executive Committee with the great importance of this Society, with regard to the future existence of the Church in this Diocese, and they wish to convey the same impression to the mind of each of its members.

Although the Society has grown and increased, although it has spread and taken root in all parts of the Province, yet it must be considered but in its infancy. It still needs for its welfare the warmest support and most cordial co-operation of all its members. It requires now, perhaps, more than at any other period of its existence, the prudence and wisdom of its directors. For the many demands for assistance which will be made as the S. P. G. withdraws its aid, will render it no easy task to distribute our limited income to the best advantage.

It is to be hoped that a feeling of selfishness will not be manifested, but that each parish will now do all in its power for the general good of our Church, although deriving no immediate return. The Society, on its part, will, as its funds permit, gladly assist those who are willing but unable to support their own burden.

The Executive Committee has been able to sustain the usual engagements of the Society, and somewhat to extend its operations; and they submit the following account of their proceedings:—

The total receipts of this Society, during 1856, amounted to £2201 10 6.

Viz. :—

Widows & Orphans Fund	£341 13 3
Bishopric Endowment	109 9 1
Endowment of Parishes	649 6 11
Superannuation Fund	45 6 4
Colporteur Account	121 11 2
Donations to be funded	20 4 0
General purposes	913 19 9

The amounts received for the *Widows and Orphans Fund*, and for the *Endowment of Parishes*, have been intrusted to the respective Committees appointed for those objects. Their Reports (printed in the Appendix) will give all necessary information.

The Bishopric Endowment Fund, amounting in all to about £1700 is held in trust by this Society, the annual interest to be paid to the incumbent of the Bishopric.

The small amount to the credit of the superannuation fund has been contributed by a few who think that some provision should be made for Clergymen who may, either by age or infirmity, be incapacitated for further labor. A benevolent lady in Halifax had the honor of contributing the first five pounds to the fund. It is to be hoped that the Society may be enabled to adopt it as one of its objects, in the same way as it did the Widows and Orphans fund. Meantime the amount is held in trust by the Society, under a Resolution permitting it so to hold any money given for Church purposes, and to apply the interest in accordance with the wish of the donor. The Colporteur account was created by a grant of £70 from the N. S. Foreign Dist. Com. of S. P. C. K., and the sum of £40 stg. set apart by this Society for that purpose.

Agreeably to a Resolution passed at a General Meeting of this Society, in October, 1855, all donations of £10 and over are funded, and the interest only applied to general purposes. From this source has arisen the £20 4s. above mentioned.

The Executive Committee submit the following account of the expenditure for the various objects of the Society :—

#### MISSIONARIES.

During the year 1856 the sum of £587 10s. has been paid towards the support of Missionaries in the following places :—

Bridgewater, a Travelling Missionary on the Western Coast, Newport, Annapolis, Albion Mines, Pugwash, Chester, Westport, Milford, Musquodoboit; also to the Rev. J. Breeding on the Eastern shore, and to the Rev. W. G. Jarvis at Guysboro.

The Executive Committee has also made grants of £40 to Maitland and £20 to Rawdon, to assist them in maintaining their Missionaries, whose incomes were quite inadequate to their necessity.

The question must soon be considered by the Society, whether we are able to assist the poorer parishes, in proportion to the withdrawal of aid from the S. P. G.

The following extracts from the Reports of the Missionaries, made through the Bishop to the S. P. G., will show the variety and extent of their labors.

The Missionary at Maitland, to which place this Society grants £40 per annum, attends at seven stations for the regular performance of Divine Service, viz., Kenneteook, Five Mile River Church, Maitland, Rockville, Upper Shubenacadie, and the Gore. At these places, some of which are distant from his home, he has performed 103 services during the past year, among attentive and increasing congregations, and paid 190 pastoral visits. The people in this mission, which has but lately been set apart from Rawdon, are doing the best they can to support their Church. The number of Church Members is about 500, of whom 25 are communicants. They have raised during the past year £167 10s. for church purposes, and have undertaken to build a parsonage, which will make the position of their clergyman much more comfortable.

In the district of Sherbrooke, to which the Society has for several years contributed £50, the people are very poor, so much so, indeed, that the Executive Committee consented to forego temporarily the sum required to be made up by the people to their minister.

The services of the Missionary are very affectionately received by the people, among whom he has paid 217 pastoral visits, and held regular services at the following stations,—Sherbrooke, Annapolis Road, Kentville Road, and Dalhousie, and occasional services at several other places.

The Missionary at Pugwash reports that in the discharge of his duty he has travelled 2152 miles, and paid 596 pastoral visits and visits to the sick. The 500 Church people under his care are scattered over an area of 250 square miles. He has four regular stations for Divine service, viz., Wallace, where a new church is building, Pugwash, River Philip, and Victoria Settlement. The people have raised £71 18s. 3d. for Church purposes.

The Missionary at Westport, who is in part supported by this Society, has paid a thousand pastoral visits, travelling across the stormy straits, from the islands to the main land under his care. He reports that the Church in his district is increasing, the number now amounting to 400, of whom 38 are communicants. The following extract from his letter will show the spirit with which he labors:—

“But one thing is very observable, which gives the Missionary courage to go on in the midst of all dangers and difficulties which he has to encounter in this Mission; viz., that the people set such a value on the ordinances of our Church, their attendance in Church on the Sabbath day, and the desire they have for the Missionary to visit them, and when visited, the solemn manner observed when the reading of and meditation on the Scriptures is carried out, and in the time of prayer.”

“The infant baptisms are double the number this year to last year, and I take all this to be a good proof and cause of thankfulness that the good work is progressing in my Mission.”

In the Mission of Bridgewater, which extends over 300 square miles, the Missionary reports that there are between five and six hundred Church Members, of whom 33 are communicants. He has regular service at 10 different stations within his mission.

The people there have made great exertion to support their Missionary and erect their Church. The following letter from the Revd. H. DeBlois, will not be uninteresting :—

“ Thus far hath the Lord prospered us, may well be our grateful exclamation in viewing the events which have transpired in the Mission during the year that is now drawing to a close. At its commencement all was gloom and uncertainty, the downfall of our Church, on which so many praiseworthy exertions had been expended, had well nigh caused even the most sanguine to despair ; but feeling at last that the cause was God’s, and not our own, in His strength we pressed on, and have now the satisfaction of beholding our Sanctuary almost finished, humble indeed it is true, but consecrated by the affections of many, to whom but a few short months ago such an event had been deemed almost miraculous. There will still be existing upon it a debt of about two hundred pounds currency, which we are using every exertion to liquidate, so that we may have a free Church of the living God. My people would have borne a large share in paying off this sum had it not been a season of more than usual commercial depression among us. Through the kind permission of the Bishop, I spent a portion of the summer in collecting subscriptions, which resulted favourably, in the different Country Parishes.”

Extract from a Letter written by the travelling Missionary on the Western Shore to the Bishop of the Diocese :—

TUSKET, NOVA SCOTIA, Decr. 31st. 1856.

MY LORD,

I herewith send you the annual return for this Mission. During the past year I have travelled 2,840 miles, viz. :—Walked 1440, and rode 1400 miles ; Baptized 15 persons, Married 1 and Buried 1 ; distributed 26 Bibles and Testaments ; 24 Prayer Books and 500 Religious Books and Tracts, and made 860 pastoral visits. I have constantly visited the settlements along the coast between this and Port Latour, which is over 60 miles in extent, where I have preached 212 times during the year.

Owing to there being no wardens or vestry in either of the Churches where I officiate, the whole burden of every thing falls on myself. Under such multitudinous labour, I sometimes feel my physical energies giving way. I have no desire to complain, but would cheerfully submit to any toil so that I may be instrumental in bringing souls to Christ. I bless God I never feel so happy as when making known Jesus Christ and him crucified, Jesus and the resurrection. But notwithstanding all my exertions, I feel that it is absolutely necessary that an additional Clergyman be employed if the Mission is to be successfully sustained.

A Clergyman ought to be stationed at Barrington, from whence he could visit the settlements of Wood’s Harbour, 10 miles on the west, and Port Latour, 10 miles on the east. At Port Latour nearly two acres of land have been secured for a burial ground and site of a Church, and the people last Spring voluntarily pro-

cured the timber, and on a fixed day assembled and fenced it. There are now on the ground the frame, lumber, shingles, nails, glass, &c. &c., ready to commence the erection of a Church in the Spring.

Recently the Ladies held a bazaar there, from which the sum of £21 was raised in aid of the erection of the Church. At Wood's Harbour an acre of land has been given for the site of a building to answer the purpose of a Church and School House. At Tusket we have commenced the erection of a Parsonage House. Mr. Hatfield very generously gave an acre of land for the site. The House is now rough boarded and shingled. I succeeded in collecting from abroad £120 in aid of the building. During the autumn a Seraphine was added to the Choir of the Tusket Church at a cost of over £30, which the ladies of the Church succeeded in raising, partly by contributions and partly from the proceeds of a bazaar.

I have commenced preaching a series of Missionary Sermons at the various settlements, in order to indoctrinate the people with what the Church of England is doing at home and abroad. I hope to raise the subscriptions to the D. C. S. more than the amount of last year. I have endeavoured to observe all the Fasts and Festivals of the Church, and explain them to the people.

#### CHURCHES.

The following Amounts have been paid for this object :

Second moiety of grant to Church at Ship Harbor	£10	0	0
Amount of grant to Church at the Forks, near Windsor	7	10	0
First moiety of grant to Church at Cox Heath, C. B.	5	0	0
Do. do. Tracadie	5	0	0

A grant of £10 has been made toward completing a new Church at Conquerall, and grants of £20 and £10 respectively to Bridgewater and Wallace, which had lapsed, were continued for six months more from Oct. 19, 1856.

The Committee have much pleasure in observing that in the new Churches which have lately been built, more attention has been paid to Architectural beauty and general adaptation to their sacred purpose.

#### BOOKS.

The Executive Committee has paid £18 15 3 for Books from the Depository of the S. P. C. K., to be returned to several of the Parishes for the one-fourth of their contributions.

The Colporteur, during the short time the Committee was able to retain his services, sold 116 Bibles, principally of large size, 174 Testaments, and 64 Prayer Books, besides other Books on the list of the S. P. C. K., amounting in all to about £116.

The Committee have now ready a good selection of Books for this purpose, and much regret that they cannot obtain a person both able and willing to undertake the important duty of Colporteur. For this duty they offer at the rate of £5 per month, and a commission of ten per cent upon the amount sold.

A grant of £25 was made toward paying for the Parsonage at Sydney, C. B., upon condition that the people there would raise the sum of £75 for the same purpose, within one year from the 17th of October, 1856.

Grants were also made of £5 to a Church school at Sherbrooke; of £10 towards a Church school house at Pictou.

The expenditure above noticed, together with the current and contingent expenses of the Society, amount to £857 7s. 4d., leaving a balance in the Treasurer's hands at the end of the year of £464 18s. 2d., from which must be deducted the salary of the Missionaries for the preceding quarter, and the unpaid grants. This would show the true balance to be about £125.

A small saving has been made in consequence of the vacancies which have occurred in several missions.

The Committee regret that they have not been able to obtain, in accordance with a Resolution passed at the last General Meeting, any historical and statistical accounts of the Parishes for publication in the Report, but hope to be more successful during the ensuing year.

In noticing the income with which the operations of the Society are to be continued during the year 1857, the Committee cannot but express a regret that the changes which have taken place among the Missionaries in some Parishes, and the absence of others, have prevented several Collections from being made. From some other places, also, the contributions have not yet been sent in. They will no doubt be forwarded during the year; but it would be more advantageous to the Society if the Collections were made and sent in with greater regularity.

The total amount received up to the time of the Annual Meeting is £655 17s. 2d. for the general purposes of the Society.

The following extract from a Letter by the Revd. R. F. Brine, will shew the ability of the people there :—

“The hold the Church has in this Parish is far from being secure, and I find it very difficult to accomplish my purposes for its permanent advantage. The number of Church people is very small, and their means are far more limited than many abroad seem to think. The actual amount they have raised the past year has exceeded £200, and when I assure you that some heads of families in very moderate circumstances are annually paying from £12 to £15 each, I think the Society will consider my Parishioners well deserving of all the aid they can possibly afford.”

All for the general purposes of the Society. The zealous Missionary on that rocky coast accompanies the remittance with the following Letter:—

"I was fearful when I commenced my collections that I should not approach the sum collected last year; but at the close I see I have gone beyond it. This fear arose not because I was apprehensive that those of my flock who have hitherto given regularly and cheerfully, had become cold and lax in aiding the funds of our noble Society: but owing to the total failure of the Mackerel catch last Fall, which was a great disappointment and loss. Many severely felt it. When they complain, my motto to them is, "God will provide." I suppose, as there are so elsewhere—and many, and I must include a goodly number of my dear Sunday School children give cheerfully: while there are others that, if they give, do it grudgingly: not a few do nothing."

"Besides sending this sum to the Society, all who have pledged to pay our younger Brother in the Ministry, the Revd. W. E. Gelling, his stipend, will, I have no doubt, do so."

"You will rejoice with me when I tell you, that he has quite won the affections of the chief part of my people. His plain and friendly manner and kind disposition have thus endeared him to them,—and what is infinitely more, his spiritual advice and pulpit appeals for them to lead better lives are, I trust, a convincing proof he does not wish to live among them in vain."

 We have much pleasure in noticing the receipt of £15 8 6 from the congregation at the Bishop's Chapel.

Liverpool has sent the noble contribution of 78 12 5

Which is £10 more than last year's return; but we regret to say they did not send in a list of Subscribers in time to appear in this Report.

Lunenburg has sent 20 0 0

But the list has not been sent in in time for publication. The Rector of that Parish thus notices the contributions of his people:

"Beside this, I have now another Church in hand requiring immediate repairs to the amount of £70, and this sum is already half made up. Our new Organ and an Organist for teaching and training the Organ pupil and choir, have also drawn heavily upon us.

"During the year we have also aided other Churches at Bridgewater and Barington to the amount of nearly £50.

"Thus my respected fathers and brethren will see that we have been doing not less, but more, for Church objects, though a smaller amount than usual is remitted to the D. C. S. I hope however to have a little more by the annual meeting in June, till which time our list of Subscribers' names will not be complete."

Maitland £14 12 3

This is the first contribution from this place since it was set apart from Rawdon. Some who formerly subscribed in the Stewiacke list, now send their contributions through Maitland.

Mahone Bay—no return made.

Manchester—no return.

Melford 2 5 4

"The amount contributed (says the Missionary there) may appear small when compared with the sums raised in a number of the Parishes, yet taking into consideration the circumstances of the people, it is quite as much as I could reasonably have expected at present. In all probability we shall (D. V.) be able to effect more for the Society another year, according as its nature and operations shall have become better understood, and its usefulness more generally known and appreciated."

Musquodoboit—no return, except a collection of 18s. 9d. for W. & O. fund.

New Dublin £22 1 6

Domestic affliction in this Parish prevented the Rector from devoting as much time as usual to the collection.

## APPENDIX.

## REPORT OF THE SUB-COMMITTEE UPON ENDOWMENT OF PARISHES.

THE Sub Committee upon the Endowment of Parishes beg leave to submit the following Report to the Executive Committee.

The total amount received for this object during 1856, was £649 6 11. Of this sum £141 11 8 is the amount of fourths of contributions from the Parishes, reserved for their own endowment in accordance with the 9th Rule of the Society. Interest on funded money £49 15 3. Donation from Dr. Almon £5, and £453 held in trust, being special donations and the proceeds of Glebe lands sold.

In May 1856, the Committee returned to the Parish of Liverpool the amount of their reserved fourths £64 3 2, and made a grant of £15 16 10 from the general Endowment fund. The whole sum £80 has been invested for the benefit of the incumbent, on Bond and Mortgage in the town of Liverpool.

A grant from the general fund of £5 4 0, has also been made to Lunenburg, and it together with the reserved fourth belonging to that Parish, in all £35, has been invested there for the benefit of the incumbent.

Of the money under the charge of this Committee, £1125 has been invested on Bond and Mortgage at five and a half per cent interest, which has enabled the Committee to increase the rate of interest on all money held in trust for Endowment.

The donation from J. W. Almon, Esq. M. D., being intended as a prize for that Parish which should during 1856 raise the largest amount for its own Endowment, has been transferred to the credit of Antigonishe, the Committee having been satisfied that that Parish was justly entitled to the prize.

Memorandum of Money in the hands of the Endowment Committee at the end of 1856, which accumulates at the rate of 4 per cent. per annum.

### ENDOWMENT RULES.

The following Rules for the guidance of the Endowment Sub-Committee were adopted by the Standing Committee, May 17th, 1850 :—

I. The investment of Endowments may be made in lands, houses, stock in banks, or other companies, money invested in mortgages, or other securities, to be approved of by the Endowment Sub-Committee, and to be conveyed and held for the benefit of the incumbent or resident Missionary, for the time being, of any Parish or Mission for which they are designed, the said incumbent or resident Missionary to receive the yearly proceeds only of the interest or rents arising from such Endowment.

II. The conveyance or trust of such Endowment may be made either to the Society for the Propagation of the Gospel, or to the Church Corporation of the Parish, or to the Diocesan Church Society, if it should hereafter become incorporated.

III. When real property is purchased and conveyed for Endowment, it shall be free from any debt or incumbrance.

IV. The annual proceeds arising from such Endowment shall be withheld from any incumbent or resident Missionary of any Parish or Mission who may be suspended by the Bishop of the Diocese from performing public services in the Churches in his Parish or Mission, during the continuance of such suspension.

V. The Endowment Sub-Committee shall hold any sums contributed toward the endowment of any Parish or Mission, as well as the reserved one-fourth of any contributions that may be made by any Parish or Mission, in trust for such Parish or Mission, and obtain such a rate of interest for the money as may be practicable consistent with safety, until an opportunity shall arise of investing it for the permanent endowment of such Parish or Mission; and if, in the judgement of the Endowment Sub-Committee, such opportunity or proposition for endowment shall come within the true intent and scope of the foregoing regulations, they shall authorise the said one-fourth to be paid to the Parish or Mission so applying for it.

VI. If any difficulty shall arise as to whether any opportunity or proposition for endowment be agreeable to the foregoing Rules, or if any other point relative thereto should be disputed or doubted, the question shall be referred to the Standing Committee of the Diocesan Church Society at their next meeting then ensuing.

VII. All applications from any Parish or Mission to the Endowment Sub-Committee for aid, shall be signed by the Rector and Church Wardens of such Parish, or by the resident Missionary, accompanied by a Resolution of the Local Committee of the Diocesan Church Society in its favor, in such Mission; and shall state the nature, situation, value, and annual profits of the investment desired to be made, the names of those in whose behalf it is to be made, the office where it should be duly registered, the sums that are contributed for its purchase, and all other particulars which may enable the Endowment Sub-Committee to form a correct judgment. All such applications to be made to the Secretary of the Diocesan Church Society, who is ex-officio Secretary of the Endowment Sub-Committee.

REPORT OF THE SUB-COMMITTEE UPON PROVISION FOR  
WIDOWS AND ORPHANS OF THE CLERGY.

The Sub-Committee upon Provision for the Widows and Orphans of the Clergy, have great pleasure in stating that the past year has not produced any demand upon the fund under their charge, and they trust that, if in the mercy of God, another year should pass over without any death among those insured, they will be able to make a small increase in the amount of the pension promised.

The total receipts for the fund up to the end of 1856 were £1344 15s 7d., including interest. The income of the Society during the past year, arising from the interest of the money collected, the premiums of the Clergy, and the collections at the Annual Sermons in each Parish, amounted to £235 5s. 8d. We may safely count upon an equal amount in each year.

The Committee regret that they have not been able to find a satisfactory investment for the money, and that it is as yet yielding but four per cent.

Certificates are now held by thirty-seven clergymen, whose united premiums amount to £117 10s. 8d.

As the calculations upon which the scheme was based were made with the understanding that there should be annual collections in each parish for the benefit of the fund, the Bishop of the Diocese has requested the Clergy to make such annual collections. This request has been in almost every instance complied with.

Your Committee would remark that a wish has frequently been expressed by the Clergy that the pension should be continued to the Orphans somewhat longer than is provided for by the 14th and 15th Rules.

As the Rules of the fund have been printed in the last two Reports, it is thought they may be omitted from the next.

## CHURCHES.

Every application for aid in the erection of a Church must contain the following information :—

- 1.—The precise situation, especially with reference to the nearest Church, and to the amount of population within five miles of the Church.
- 2.—The Title of the Ground on which the building is to be erected.
- 3.—The size of the building; the numbers it can accommodate; and probable amount of the congregation that will usually attend it.
- 4.—The supposed cost of the building; the progress it has made towards completion; and the amount of contributions on the spot in money or labour.
- 5.—The frequency and regularity of the proposed services in the Church.
- 6.—The manner in which the pews are to be disposed of—number of free seats, &c.

It is the wish of the Executive Committee that no Clergyman should, when building a Church, rely upon aid from this Society without first ascertaining whether it is in the power of the Society to grant any assistance.

All grants to Churches are made on the following terms, namely : That the first moiety be called for within one year, and the second within two years from the date of the grant. The first moiety may be claimed when the exterior is finished—the second when the interior is finished.

At the last Annual Meeting it was Resolved, that in future no grants be made from this Society to aid in building Churches, except upon the condition that all the seats be free.

A Resolution was passed, Oct. 14, 1854, by the D. C. S., directing the "Endowment Sub-Committee to receive and hold any money given in trust to the Society for Church purposes, and to pay over the annual interest arising from the same, when invested, toward the furtherance of the special object for which it was given."

With reference to a Resolution authorizing the employment of Assistant Missionaries, it was Resolved on the 17th August, 1849 :—

"That no part of the Funds of this Society shall be paid under that Resolution, until the first and each subsequent Quarterly payment of the £50 to be provided by the People in such cases, is actually paid in advance to the Treasurer of the Local Committee."

"Resolved,—That it is the opinion of the Executive Committee, that it is the intention of the fifth Bye Law, that the annual payment of five shillings to the general objects of the Society constitutes a Member; but that any person may devote his money to any particular object which is recognized by the Society."

At a Special General Meeting of the Society. Oct. 14th, 1854, it was Resolved—"That the Rule under which the Assistant Missionaries of this

“ Society are employed is not to be construed so as to preclude the Executive Committee from making a grant for one of the said missionaries to a separate cure, whether of an old or a new Parish, in any case where they may think such grant to be necessary.”

At a meeting of the Executive Committee, April 20, 1855, it was directed that the following *form of Legacy* be printed in the next Report :

“ I give to the Diocesan Church Society of Nova Scotia the sum of £——— to be applied to the general purposes of the Society.” And the Receipt of the Treasurer of the Society shall be sufficient discharge for the same.

At the General Meeting of the Society, Oct'r 10, 1855, it was directed, “ That all donations of £10 and upward be funded, and the interest only applied to the general purposes of the Society.”

It was also resolved—

“ That the Society will not make its usual grant toward the payment of an Assistant Missionary appointed to a separate cure, unless the people there consent to pay *toward the endowment fund of their Parish or Mission*, all the proceeds of whatever Glebe Lands may be in that Parish.”

At a meeting of the Executive Committee, Oct. 19th, 1855, the following Resolution was adopted :—

“ That in future all subscription lists received before the 31st March in each year will appear in the next forthcoming Report, while those received after that date shall be omitted.”

At a meeting of the Executive Committee, April 18th, 1856, it was directed :—

“ That if Reservations and Special Donations are not mentioned at the time when the contributions are sent in from the Local Committees, the whole amount will be considered as devoted to the general purposes of the Society.”

☞ The attention of the Local Committees is particularly requested to the above Resolutions.

At a Meeting of the Executive Committee, in February, 1857, it was Resolved—That in future but one Sermon be preached before the Society at its Annual Meetings, and that the sum of £5 be offered to the Preacher toward defraying his travelling expenses.
