APPOINTED TO BE USED "AT ALL MEETINGS OF THE BOARD, AND OF COMMITTEES," BEFORE THEY COMMENCE BUSINESS.

Prevent us O, Lord in all our doings, with Thy most gracious favour, and further us with Thy continual help; that in all our works, begun, continued, and ended in Thee, we may glorify Thy Holy Name, and finally by Thy mercy obtain everlasting life, through JESUS CHRIST our LORD. *Amen.*

(Board of Home Missions only.)

O, God, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with Thy favor our Sovereign Lady, Queen Victoria; and so to rule her heart that she may in all things seek Thy honour and glory. Prosper with Thy blessing our missionary work. Comfort with Thy Grace those benefactors who contribute to its support. Bless the Ministry of Thy servants, the clergy; and the endeavours of all who are engaged in promoting the knowledge of true religion. And may Thy Holy Spirit direct all our consultations to the advancement of Thy Glory and the good of Thy Church, through JESUS CHRIST our LORD. *Amen.*

(Board of Home Missions only.)

O, LORD JESUS CHRIST, Who at Thy first coming didst send Thy messenger to prepare Thy way before Thee, grant that the ministers and stewards of Thy mysteries may likewise so prepare and make ready Thy way, by turning the hearts of the disobedient to the wisdom of the just, that at Thy second coming to judge the world, we may be found an acceptable people in Thy sight, Who livest and reignest with the FATHER and the HOLY SPIRIT, ever one GOD, world without end. *Amen.*

(Board of Foreign Missions only.)

Almighty God, who, by thy SON JESUS CHRIST, didst give commandment to the Holy Apostles that they should go into all the world and preach the Gospel to every creature, grant to us whom Thou has called into Thy Church a ready will to obey Thy Word, and fill us with a hearty desire to make Thy way known upon earth, Thy saving health among all nations. Look with compassion upon the heathen that have not known Thee, and on the multitudes that are scattered abroad as sheep having no shepherd. O Heavenly FATHER, LORD of the harvest, have respect we beseech Thee, to our prayers, and send forth laborers into Thine harvest.

Fit and prepare them by Thy grace for the work of their ministry ; give them the spirit of power, and of love and of a sound mind ; strengthen them to endure hardness ; and grant that both by their life and doctrine they may set forth Thy glory, and set forward the salvation of all men, through JESUS CHRIST our LORD. *Amen.*

(*Board of Foreign Missions only,*)

O merciful GOD, who hast made all men, and hatest nothing that THOU has made, nor wouldest the death of a sinner, but rather that he should be converted and live, have mercy upon all Jews, Turks, infidels and heretics, and take from them all ignorance, hardness of heart and contempt of Thy Word, and so fetch them home, blessed LORD, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold under one Shepherd, JESUS CHRIST our LORD, Who liveth and reigneth with THEE and the HOLY SPIRIT, one GOD, world without end. *Amen.*

Almighty GOD, Father of all mercies, we Thine unworthy servants do give Thee most humble and hearty thanks for all Thy goodness and loving kindness to us and to all men ; more particularly for the providential support by which our work has been thus far sustained ; but above all for Thine inestimable love in the redemption of the world by Thy Blessed Son, for the means of grace, and for the hope of glory which Thou hast given us in the same our Lord and Saviour JESUS CHRIST : to Whom, with THEE and the HOLY GHOST, be all honour and glory, world without end. *Amen.*

Our FATHER, which art in Heaven, Hallowed be Thy Name ; THY kingdom come ; Thy will be done in earth as it is in Heaven ; give us this day our daily bread ; and forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation, but deliver us from evil ; for THINE is the Kingdom, the power and the glory, for ever and ever. *Amen.*

The grace of our LORD JESUS CHRIST, and the love of GOD, and the fellowship of the HOLY GHOST, be with us all, evermore. *Amen.*

This fund shall be formed, and consist of all subscriptions, donations, legacies and other contributions given and paid to the Synod for this special object, and of all premiums received under these Rules, and of all benefits arising therefrom ; and this fund shall be held and applied to and for this particular object, and none other.

Endowment Rules.

The following Rules for the guidance of the Endowment Committee were adopted May 17, 1850 :—

1st. The investment of Endowments may be made in lands, houses, stock in banks or other companies, money invested in mortgages or other securities, to be approved of by the Endowment Committee, and to be conveyed and held for the benefit of the Incumbent or resident Missionary for the time being of any Parish or Mission for which they are designed, the said Incumbent or resident Missionary to receive the yearly proceeds only of the interest or rents arising from such Endowment.

2nd. The conveyance of trust of such Endowment may be made either to the Society for the propagation of the Gospel or to the Church Corporation of the Parish or to the Diocesan Synod.

3rd. When real property is purchased and conveyed for Endowment it shall be free from any debt or incumbrance.

4th. The annual proceed arising from such Endowment shall be withheld from any Incumbent or resident Missionary of any Parish or Mission who may be suspended by the Bishop of the Diocese from performing public services in the churches in his Parish or Mission during the continuance of such suspension.

5th. The Endowment Committee shall hold any sum contributed toward the endowment of any Parish or Mission in trust for such Parish or Mission, and obtain such a rate of interest for the money as may be practicable, consistent with safety, until an opportunity shall arise for or investing it for the permanent endowment of such Parish or Mission ; and if, in the judgment of the Endowment Committee, such opportunity

or proposition for endowment shall come within the true intent and scope of the foregoing regulations, they shall authorize the said sums to be paid to the Parish or Mission so applying for it.

6th. If any difficulty shall arise as to whether any opportunity or proposition for endowment be agreeable to the foregoing rules, or if any other point relative thereto should be disputed or doubted, the question should be referred to the General Committee of the Board, at their meeting then ensuing.

7th. All applications from any Parish or Mission to the Endowment Committee for aid shall be signed by the Rector and Church Wardens of such Parish, or by the resident Missionary, accompanied by a resolution of the Local Committee of the Board of Home Missions in its favor in such Mission; and shall state the nature, situation, value and annual profits of the investment desired to be made, the names of those in whose behalf it is to be made, the office where it should be registered, the sums that are contributed for its purchase, and all other particulars which may enable the Endowment Committee to form a correct judgment; all such applications to be made to the secretary of Board of Home Missions, who is *ex officio*, Secretary of the Endowment Committee.

The Endowment Committee, in a Report May 11th, 1863, made the following recommendations:—

“That while no restriction is made as to the sum which a Parish may withdraw from its ‘*Reserved Fourths*’ and invest as heretofore, yet that \$1000 be the minimum to which they should amount before they can be placed in trust with the Board, and the interest be payable to the Incumbent.”

“With reference to the control of the Board over the *Reserved Fourths* the Committee state that they have no wish to interfere in any way with the rights of the parishes to manage their own property. They would merely, for the better security of this Fund for the support of the Clergy recommend—That a rule be adopted which would require that, when an investment made by any Parish from its *Reserved Fourths* may be paid off, the money be returned to this Board to be held under the same rules and on the same terms as before, until, such time as the Parish may be able to procure another satisfactory investment.”

The first recommendation was adopted; the second was not.

RULES AND REGULATIONS.

CLAUSE 1.—Where there is no special condition, all grants shall be made for three years from the first of the month preceding or following the date ; yet the Board may, for what it considers good and sufficient reasons, discontinue a grant after six month's notice. In every case the grants shall cease at the expiration of the three years, unless renewed at least six months before their termination.

CLAUSE 2.—All Parishes or Missions receiving aid from the Board shall, by their Wardens or other representatives, pay into the funds of the Board, through the Secretary, at least one month before the 31st March, 30th June, 30th September, and 30th December in each year, such amount as may by mutual consent be arranged between themselves and the Board ; provided always, that the Board, if in any case it is satisfied that half-yearly payments would be more for the interests of all parties concerned than quarterly, may frame their agreement with the Parish accordingly.

CLAUSE 3.—At the beginning of every quarter—to wit, on 1st April, 1st July, 1st October, 1st January—the Secretary shall accept the order of the Missionary for the preceding quarter's salary as agreed upon jointly by two contracting parties. But where half-yearly payments, have been allowed, the Secretary, at the expiration of the six months if the amount due from the people has not been paid up, shall only accept the order for the amount of the Society's grant for that period.

CLAUSE 4.—When a Parish or Mission fails to make its regular remittance when due, the Secretary shall at once make enquiries by letter, or, if thought necessary, shall visit in person, or a deputation may be sent, to enquire into the cause of such default, and report to the Board. Should the amount due from the Parish not be paid within three months from the date at which it becomes due under the agreement with the Board, the grant shall cease and it shall be the duty of the Treasurer to make no further payment ; nor shall the grant be renewed until the arrears due at the time of cessation be paid up.

CLAUSE 5.—The aim of the Board is, and it should be that of the Missions themselves, to make the Missions as quickly as possible self-

sustaining, in order that funds of the Board may be applied to the opening of New Missions and to the extension of the work throughout the Diocese.

CLAUSE 6.—In furtherance of the objects of the Board it required that each of its Missionaries shall take care that every eligible person within their respective Missions be solicited to contribute to the General Fund of the Board, and that quarterly returns of the amount of such contributions shall be made by the Missionary to the Secretary in Halifax.

CLAUSE 7.—The Board, for reasons which it shall deem good, may allow a Parish or Mission to pay a certain specified amount of their Incumbent's salary in kind, at *Cash* prices, and his receipt for the sum in the form of a bill of items, shall be counted by the Wardens or Representatives towards making up the amount to be paid by the Parish or Missions; and may also allow the receipt of the clergyman for money given at the offertory to be received from the Warden as part of the conditional payment required by the Board from the people.

Churches.

Every application for aid in the erection of a church must contain the following information :—

- 1.—The precise situation, especially with reference to the nearest Church and to the amount of population within five miles of the Church.
- 2.—The title of the ground on which the building is to be erected.
- 3.—The size of the building, the numbers it can accommodate, and probable amount of the congregation that will usually attend it.
- 4.—The proposed cost of the building, the progress it has made towards completion, and the amount of contributions on the spot in money or labor.
- 5.—The frequency and regularity of the proposed services in the Church.
- 6.—That all the sittings are to be free and unappropriated.

It is the wish of the Board of Home Missions that no Clergymen should when building a Church, rely upon aid from the Board, without first ascertaining whether it is in the power of the Board to grant any assistance.

GENERAL REGULATIONS.

All donations of ten Pounds and upwards are funded, and the interest only applied to the general purpose of the Board.

The Board will not make its usual grant toward the payment of an Assistant Missionary appointed to a separate cure unless the people there consent to pay *toward the Endowment Fund of their Parish or Mission* all the proceeds of whatever glebe lands may be in that Parish.

All subscription list received before the 31st December in each year will appear in the next forthcoming Report, while those received after that date shall be omitted.

If the reservation and special donations are not mentioned at the time when the contributions are sent in from the Local Committees the whole amount will be considered as devoted to the general interests of the Board.

 The attention of the Local Committees is particularly requested to the above regulations.

All applications for aid from this Board are proposed at one meeting of the Board and considered at the next.

No person shall be qualified to vote at any general meeting of the Board, nor be elected a member, who has not been a subscriber for three months preceding the day of meeting.

At the General Meeting in 1869, the following resolution was adopted :

The Church property in any Parish which is actually occupied by the Incumbent of the said Parish shall be valued by competent valuers upon his taking charge, and be considered at the same value for salary during his Incumbency ; and the valuers shall be appointed as follows, viz : one by the Parish, one by the Board of Home Missions, and another by those two.

PROSPECTUS.

Church Endowment Fund.

Forasmuch as the Committee appointed in 1858 to raise an Endowment Fund for the support of the Ministers of the Church of England in this Province have resigned, and the proposed scheme is now in abeyance, many members of the Church, deeply impressed with the necessity for immediate action, and believing that some of the obstacles encountered by the Committee have disappeared, have resolved (in compliance with the request of the Lord Bishop) to attempt to carry out this important work without further delay, availing themselves of a very liberal offer of James R. Mosse, Esq., to devote his time and attention for one year to the promotion of this object, as Secretary and Agent, without any remuneration.

It is proposed to raise a sum of money as an Endowment Fund for the Church of England in this Province, upon the basis of this Prospectus, and strictly in conformity with it; the money subscribed and paid to be held for the present, in trust, for that purpose, by the Hon. M. B. Almon and Edward Binney, Esq., the Treasurer of the Fund—to the latter of whom subscriptions may be paid—and who will receive and hold the same as Trustees, provisionally, until the next annual meeting of the Diocesan Church Society of this Province, when all subscriptions, which shall have been received by them, shall be paid over to the said Society (provided it shall consent to receive the same) which shall also receive all further subscriptions and contributions of this Fund, unless at any time hereafter it should be thought advisable to apply for an Act of Incorporation for said Fund.

All monies so collected to be held by the Diocesan Church Society in trust, solely and strictly for the objects, purposes, and designs, and under the rules, regulations, and provisions set forth in the present Prospectus. The future management and investment of the said trust funds to be vested in a Committee of the said Society, to be appointed at such annual meeting of the Society; but neither the Society nor such Committee to have any power to change, or in any respect to vary from or to control the objects, purposes and designs of such Fund, set forth in the said Prospectus, or any of its rules, regulations, and provisions whatever.

1. The proceeds and annual income arising from this Fund shall be appropriated solely and exclusively towards the support and maintenance of the Church of England within this Province in the following manner.

2. The annual deduction of £100 stg. which the Society for the Propagation of the Gospel intend to make from the amount of their present grant, (which has been transferred by them to a sub-committee of the Diocesan Church Society,) shall be made good out of the proceeds of this Fund, so that the said grant shall be kept up and maintained in its full integrity, at the sum which may be required, for the purpose of paying all the Rectors and Missionaries who shall be on the list of the Society for the Propagation of the Gospel, on the day when this Fund shall go into operation, the full amount of the salaries to which they may on that day be entitled from the said Society.

3. Whenever and as often as any of the Rectors or Missionaries on the said list on the day above named shall die, or from any cause shall cease to be entitled to receive the salaries to which they were at that time entitled, out of the said grant of the Society for the Propagation of the Gospel, then the said grant is no longer to be kept up at its former amount, but only at such an amount by contribution from this Fund as will suffice for the payment to those Rectors and Missionaries still living, and entitled to receive the same salaries from this Fund. And every new Rector or Missionary, appointed in their places, shall be paid out of the annual proceeds of this Fund a yearly sum, according to the class and scale arranged for that purpose, and herein contained.

4. In like manner, whenever and as often as any of the present Rectors or Missionaries, now on the Government list and paid by it, shall die, or cease to be entitled to be so paid, then every new Rector or Missionary appointed in his place to any parish or Mission shall be paid out of the annual proceeds of this Fund, according to the same class and scale; and whereas there are some parishes and missions of which the incumbents are not paid either by the Government or by the S. P. G., the said incumbents and their successors shall be on an equality, in respect to their claims upon this Fund, with the successors of the Clergymen now upon the lists of the Government or of the S. P. G.,—it being understood that "parishes" shall have always the first claim upon this Fund, except on all questions under Clause No. 8, which shall still be decided by seniority of appointment, as there provided.

5. If from any unforeseen cause, the present grant of the Society for the Propagation of the Gospel, subject to the present reduction of one hundred pounds (£100) stg. a year, should fail, or if the present provision by Government for certain Missionaries should not be continued (neither of which contingencies it is fully believed will occur, and are only hereby provided for "ex abundanti cautela") then in such case, the annual proceeds of this fund shall, according to their means, be appropriated towards the payment of the old Rectors and Missionaries, whether on the Government list or on that of the Society for the Propagation of the Gospel, and of the other Rectors and Missionaries claiming under this Prospectus, rateably by an equal per centage deduction from the old

salaries and new allowances, under Clauses Nos. 3 and 4, as the state of the Fund may require and will permit.

6. If the annual proceeds of this Fund after providing for the payment of fifty-one claimants according to Clause Nos. 3 and 4, should exceed the amount required for fully carrying out the proposed scheme, then, in the first place, the surplus shall be devoted to the payment of additional Clergymen, under the same classification and at the same rates, and preserving as nearly as may be the same proportionate numbers in each class as are herein prescribed. But if at any time the income of this Fund shall exceed what is necessary for the fifty-one payments now provided for, and such additional payment as may hereafter be agreed on, and there shall be no need nor opportunity of adding to the number of Clergymen to be paid out of this Fund by any further sub-divisions of parishes, then such surplus shall be applied to increase the allowance to each Clergyman, "pro rata."

7. The sub-joined scale is that referred to in Clauses 3 and 4. It provides for fifty-one Clergymen, and is based upon carefully prepared calculations, so that reliance may be placed upon the capabilities of the Fund to supply the payments proposed for the respective classes.

The Clergymen are to be divided into three classes :

CLASS 1, will contain twenty-one Clergymen, who must have officiated in this Province more than fifteen years, who are to receive £75 Currency per annum.

CLASS 2, will contain fifteen Clergymen, who must have officiated in this Province more than five years, who are to receive each £50 Currency per annum.

CLASS 3, will contain fifteen Clergymen, who are to receive each £30 Currency per annum.

8. All removals from one class to another must depend not only upon the standing of the individuals, but also on vacancies in the upper classes. If at any time there shall be more Clergymen holding appointments within the Province than the number for whom provision is made in clause 7, or by the Committee under the conditions of clause 6, then admission to class 3 must also depend upon vacancies in that class,—the seniority of original appointment in this Province deciding the question. The standing of any Clergymen, who, after leaving this Diocese, except on account of ill health, shall return to it again, shall be reckoned from his appointment to a parish or mission on his return and any previous service shall not be reckoned. If any Clergymen officiating in this Province shall cease to hold any parochial or missionary appointment, but shall not leave the Diocese, and after an interval shall again be appointed to any parish or mission, he shall take his place upon the lists in the position in which he

stood when he ceased to officiate, as soon as a vacancy shall occur in the class to which he belonged.

9. Every Clergyman applying for his salary under this scheme must furnish proof that provision has been made by those to whom he ministers for the payment to him of at least one hundred pounds (£100) currency for the past year, or at least fifty pounds (£50) currency for the past half year.

Note.—This amount may be made up from local endowment, from the subscriptions of his congregations, from pew rents, or from any other source (except from this Fund), and may include the fair estimated yearly value of the Glebe or Parsonage, if any. This estimate shall be settled by the committee, and every care shall be taken to arrive at a just and equitable conclusion.

10. The application of the Clergymen shall be made annually or semi-annually to the Secretary of the Church Endowment Committee. It shall state the number of years' service in the Province of the party applying, and contain a solemn declaration, either by himself or by the Church wardens, or by three members of the Vestry, that the amount guaranteed by the parish has been actually and "bona fide" subscribed. Upon this application with such statement and declaration, the Treasurer of the Fund shall be authorized by the Chairman to pay to the applicant the amount to which he is entitled by his length of service.

11. On the expiration of eighteen months from the commencement of his incumbency or mission, and at the end of each half year thereafter, the application of the Clergymen shall be accompanied by a certificate that the whole of the subscription for the year preceeding the last six months has been "bona fide" paid. And if such certificate be not furnished, he shall nevertheless be paid the amount then due from this Fund, but he shall not be entitled to any further payment so long as he shall remain in the same cure until he be again enabled to, and do certify that the payments due under the agreement with his people are not more than six months in arrear.

12. It is proposed that the sum of forty thousand pounds (£40,000) currency shall be raised, but if this amount be not realized, then the payment of each class of Missionaries will be reduced "pro rata"; and this scheme is not to go into operation until at least twenty thousand pounds (£20,000) shall have been subscribed and paid into the hands of the Treasurer. It is hoped, however, not only that the sum of £40,000 will be subscribed, but that by judicious management it will so accumulate as to secure a provision for the increase of parishes, missions and missionaries in this Province.

13. As this Fund is raised with a view to the support of the Ministry in places where a sufficient provision for the clergyman cannot be pro-

14. No Missionary receiving any portion of this stipend from any Society in England at the time when this Fund goes into operation, shall receive any payment from this Fund, except such as is secured to him under clauses 2, 3, 4, and 5, so long as he continues to receive the payment from such Society in England.

The foregoing Prospectus was accepted adopted at the Annual General Meeting of the Diocesan Church Society, at Halifax on the 12th day of October, 1860; and the following gentlemen were appointed the Committee to carry the Church Endowment Fund into effect:—Hon. M. B. Almon, Hon. Mr. Justice Bliss, A. M. Uniacke, Esq., D.C.L., Hugh Hartshorne, Esq., D.C.L., A. M. Cochran, Esq., M. P. P., C. B. Bowman Esq., C. H. Harris, Esq., Q.C., W. C. Silver, Esq., Wm. At a meeting of this Committee, held in Halifax on 24th October, 1860, the following officers, were appointed:—Hon. M. B. Almon, Chairman; A. M. Uniecke, Esq., Vice do.; Edward Binney, Esq., Treasurer; J. R. Mosse and Nepean Clarke, Esq., Secretaries.

And the Prospectus, as above, was ordered to be printed and circulated.

Report of the Board of Home Missions.

The Board of Home Missions, in presenting their Annual Report, are obliged still to deplore a deficiency in the funds necessary to carry on the proper work of the Church. A glance at the Treasurer's accounts attached hereto, will show a large sum on the wrong side of the balance sheet. The Board have anxiously considered every plan of increasing the revenue for Home Missions without injury to other objects. In the autumn, sometime before the Thanksgiving, the Bishop issued a pastoral letter asking that the contributions of the faithful should be given to the Board, as a special offering, not to be interfered with the usual collections. In response to this appeal about a thousand dollars were raised. Deputations were also sent to several of the largest parishes and to some of the smaller ones, the Secretary visiting the parishes along the Intercolonial and W. and A. Railways, the Archdeacon taking the Western shore. The result of their work shews a decided increase in the amounts raised from the parishes, in some instances double last year's collections having been sent in. But unless this can be done systematically every year, the efforts now made will prove but a flash in the pan. There are in reality only two sources from which any material increase in the resources of the Board can be derived. The first is from bequests. Very little has been done for the Church in this way by her wealthy members; and until those of her sons who have been blessed of God with inherited wealth, or have been endowed by Him with the gifts which amass wealth, give back some appreciable portion of what they have gained for His service, they cannot have done their duty to Him, and it is comparatively useless to press upon the poorer members the need of their doing more.

The second source is that of voluntary offerings. And the secret of increase from these is system. Either the tithe, or some other settled plan for each income whether great or small, whereby a fixed amount is set apart as God's share, and which is decided on principle in accordance with the real needs of the Church and the relative importance of the claims made upon her children, must be substituted for the spasmodic and irregular giving now practised by Church people. Could this be done, the Church's needs would be fully met. But this is a principle which must be built up and carefully nursed, till from an infant it becomes a full grown man. The Board feels the need of some one of energy and determination, who will begin and persevere in this great work, not resting till the principle is allowed and acted upon universally throughout the Church; which action alone will relieve her from this ever

increasing burden of funds. Whether the present Travelling Agency Annual meeting importance can be

increasing burden of debt, and the constant and harassing calls for more funds. Whether this can be best done by the appointment of a permanent Travelling agent, might well be a question to be settled at the ensuing Annual meeting to be held in July next. No question of greater importance can engage the attention of the Church at that time.

The new work undertaken by the Board last year, in faith that its income would be proportionately increased, has been prosecuted with vigour, and could be enlarged to almost any extent. It will be a lasting disgrace to the Church if any portion of this is obliged to be given up.

The receipts for the various funds are as follows :—

Widows' and Orphans' Fund	1931 83

These figures will shew the Funds at the disposal of the Board. It is also to be observed that the amounts here stated to have been received for the assessment for Bishop's income represent only the sums actually paid into the Secretary's office and passing through his books. In future nothing paid for this purpose will pass through the Secretary's books, but any monies paid through him will be handed over directly to the Treasurer, who will give his receipt therefor.

Report of the Widows' and Orphans' Fund Committee.

The Widows' and Orphans' of the Clergy Fund is a very important part of the machinery of a Diocese. Not only does it help the Clergy directly in their work by assuring them that in case of their death their families will not be left penniless; but a well conducted Fund of this nature is one of the great inducements to bring good men into the Diocese. If a clergyman has an offer of work here, one of the first questions he asks whether there is a Widows' and Orphans' Fund; and what are its conditions. Many of our country clergy are unable with their small pittances to insure their lives for an appreciable amount. But all can become members of the Widows' and Orphans' Fund. And as a matter of fact, many of our clergy have joined it.

The Widows' and Orphans' Fund of this Diocese can hardly be considered to be in a satisfactory condition, as regards the amount paid to the widows of the clergy. The interest derived from investments, together with the subscriptions from parishes, is quite sufficient to pay \$100 a year, as originally proposed. But no Diocese should be content with that. Few widows of the clergy have private incomes; and the small amount guaranteed from this Fund would hardly clothe them, to say nothing more. And while it is not to be expected that this Fund should give them as good a living as their husbands earned while alive, it should certainly keep them from want. And a very heavy burden would be removed from the hearts of our poorly paid and hard worked clergy, if they knew that the church would not allow their widows and families to starve in case of their death.

It is a matter of regret that a larger proportion of the younger clergy do not take advantage of the benefits of the Fund. The amount paid to the widows is small; but it is better than nothing. Some of the clergy not yet on the Fund are unmarried; but even so, it is a question whether their duty to the Diocese should not induce them to become contributors to the Fund. Membership in the Fund means a yearly premium and a yearly collection from their parishes. These would be a material help to the Fund and would place it out of debt. It must also be remembered that entrance on the Fund after the lapse of some years necessitates the payment of back premiums, which proves too heavy a burden in most cases, the result being that the clergyman never joins. It is probable that at the next meeting of Synod this question of back premiums will be pressed on the attention of the church, with a view to substituting some

small sum as a fund to bring almost brethren. But Diocese, that he worthier object impartiality.

small sum as a fine. If this could be done, doubtless the effect would be to bring almost all the clergy not yet on the Fund into line with their brethren. But the Committee earnestly urge upon the laymen of the Diocese, that here is an opportunity for greater liberality. There is no worthier object for bequests. The Fund is administered with the utmost impartiality.

The list of the Clergy upon the Fund for the current year is subjoined ; three clergy have retired from the Fund, receiving 75 % of premiums paid ; one has died.

Premiums of Clergy.....	\$ 536 84
Donations.....	5 50
Collections.....	526 64
Interest on Investments.....	1075 51

There is a very unusual proportion of Widows upon the Fund. This could not have been foreseen, but it causes the Fund to be unable to pay the full sum of \$200 a year, which at one period it had begun to pay. \$175.00 has been paid to each Widow this year.

With reference to the investments there is no cause for alarm, beyond the constant decrease in value occurring all through the country. The actual payments of interest fluctuate somewhat in the regularity with which they are made, but all of them are as good as can, on an average with that of any similar fund, be expected.

The Committee earnestly begs that the Clergy will make a special effort to bring the claims of the Fund to the consideration of the Parishes, feeling sure that such a charitable object must always elicit a warm response.

Every Clergyman upon the Fund is required by Rule 7, to make at least one collection annually in its behalf.

The Treasurers' accounts, duly audited, are herewith submitted.

Report of Superannuation Fund Committee.

TO THE BOARD OF HOME MISSIONS :

The Committee on the Superannuation Fund beg to present the following report :—

There are at present three Clergymen upon this Fund, receiving \$200 each ; viz. Rev. S. J. Shaw Smith, Rev. Canon Maynard and Rev. J. O. Ruggles.

The income of the Fund is about \$1600 per annum, so that it is increasing rapidly. The whole question of the superannuation Fund is under consideration of the Synod, and its constitution and rules will probably be modified at the next session. It is contemplated to fix a regular scale of fees, payable yearly, in the same way as the W. and O. Fund premiums are paid, and to allow a larger annuity than the present rules provide in case of incapacity. Whether this can be wisely done or not, it is certain that \$200 is too small a sum to supply the needs of an aged or incapacitated clergyman, and should be increased to at least \$400.

Report of the Board of Domestic and Foreign Missions.

The Board of Domestic and Foreign Missions in presenting its report to the Synod has little to record but a bare statement of contributions. Since the establishment of the Central Board of Domestic and Foreign Missions, of which every churchman and churchwoman in Canada is a member, this Board has been the medium of transmission of the offerings of the Diocese to the Treasurer of the Central Board. This Synod sends its representatives, in the person of the Bishop and of two clerical and two lay delegates, to the quarterly meetings of the Central Board, by whom the money raised for the various purposes of missionary operation throughout the entire church is carefully distributed. The whole amount raised during the three years, 1886-89, is \$81,315.08, of which Nova Scotia has sent \$4,358.43. This Diocese was for several years lowest on the list. It has now advanced one step. But the next Diocese above it is Niagara, with a contribution of \$8,880 for the three years. It is satisfactory to observe that Nova Scotia has begun to rise to its duty in the matter of Domestic and Foreign Missions, and there is no doubt that the next triennial period will see a substantial increase in the amounts given to this branch of Christ's work.

One very useful way in which Domestic Missions may be aided is by the support of one or more Indian boys or girls in the homes founded by Rev. E. F. Wilson. The Shingwauk and Wawanosh homes, the former for boys and the latter for girls, at Sault S. Marie, are well known. It is not so well known that Mr. Wilson, with that zeal and energy which has everywhere characterized his work, has established other homes in the North West at Elkhorn, Manitoba. Several Indian girls are already being supported by Sunday Schools in this Diocese. The cost per year for each is only \$40, and it would be a most practical way of helping missions and benefitting in every sense the aboriginal races should any benevolent Churchman assume the amount necessary to maintain a child.

The great question of supporting missionaries sent into the foreign field from Canada was warmly discussed at Provincial Synod. It was wisely determined not at present to undertake this. But the S. P. G. has promised to take any duly qualified missionary proposed by the Canadian Church upon its list, using as his stipend amounts forwarded for that purpose from Canada. This again will prove a very definite and popular mode of applying our offerings for Foreign Missions, of which it is to be hoped that many of our church people will in the future avail themselves, and the ensuing Synod will not separate without an attempt being made to inaugurate a society to encourage systematic giving.
