QUESTION XXVIII.—What are the Reports of the several Committees?

REPORT OF THE COMMITTEE ON TEMPERANCE.

Your Committee are glad that the past year has been one of unexampled advance for temperance work. In nearly every struggle against the bar-room system the temperance army has been successful. The liquor traffic is becoming more generally regarded as a foe to all the best interests of humanity. Its advocates, beaten at the polls as well as on the platform, instead of accepting the wish of the people, expressed with such emphasis, have asked Parliament to come to their rescue and fight for the traffic and against the people. The Senate has already done its part towards granting this cowardly request. All honour to the faithful ones of that body who have been true to the interests of temperance. The opinion of this Conference regarding the action of the Senate in reference to the amendments to the Canada Temperance Act, has already been expressed by the resolution which was carried unanimously by a standing vote yesterday, and which we here insert in our report:—

Moved by Dr. Hunter, seconded by Johnson Harrison, Esq.,—"That this assembly of ministers and laymen, representing the Methodist Church within the bounds of the Niagara Conference, has learned with regret and alarm that the Honourable the Senate of the Dominion of Canada has recently instituted legislation authorizing the sale of beer and light wines in the counties in which the Canada Temperance Act has been adopted; that should such legislation receive the sanction of the House of Commons it would practically destroy the operations of the Act, and thus outrage the convictions of the free and independent electors of more than seventy constituencies in which the Act has been adopted by an aggregate majority of more than 45,000. It would also render futile the efforts to secure its adoption in other counties, and frustrate the design of our legislators in framing and passing the Act. We, therefore, enter our earnest and emphatic protest against this shameful attempt on the part of an irresponsible part of the Legislature to prevent the expressed wishes of the people, and we hereby pledge ourselves to resist to the utmost any Government, or political party, aiming at or tolerating such an attempt; and we appeal to the representatives of the people in the House of Commons to refuse their sanction to

this unworthy endeavour to frustrate the will of the electors and destroy those representative institutions which are the heritage of the British people everywhere."

We also take pleasure in presenting the reply of the Medical Society of Ontario to certain questions submitted to that Association by the W. C. T. U., and as follows:—

The Special Committee appointed to answer the questions submitted to the Association by the Ontario W. C. T. U., present the following report:—

Is the beverage use of alcoholic liquors by persons in health beneficial? A.—No.

Is the indiscriminate use of alcoholic liquors by persons not in health beneficial? A.—No.

Is alcoholic liquor as obtained in common sale necessary in medical prescriptions, if so, in what cases particularly? A.—No, except in cases of emergency.

What ought to be the attitude of the medical profession towards the sale of intoxicants? A.—The medical profession is opposed to the indiscriminate sale of alcoholic liquors.

The report after full discussion was adopted.

Your Committee regret that in many instances the Dominion License Commissioners have given vendors' licenses in Scott Act counties to those who have had tavern and shop licenses, thus violating the spirit, if not the letter of the law.

We would recommend our people to vote against candidates for municipal and parliamentary honours who hold anti-temperance sentiments.

We should not only vote for prohibition, but use our best endeavour to discourage the use, sale, and manufacture of intoxicating liquors for beverage purposes. Let us stand for the right, and against this body and soul-destroying traffic. God is on our side.

"Though scoffers ask where is our gain,
And mockers say our work is vain,
Such scoffers die and are forgot,
Work done for God, it dieth not."

REPORT OF THE SABBATH-SCHOOL COMMITTEE.

The following statistics indicate the condition of the Sabbath-schools within the bounds of the Niagara Conference:—Number of schools, 258; officers and teachers, 2,805; scholars, 21,800; conversions during the year, 1,985; meeting in class, 4,122; copies of connexional Sabbath-school periodicals, 26,620; amount raised for school purposes, \$11,089.57; amount raised for Sabbath-School Aid Fund, \$196; schools using uniform lessons, 237.

These figures indicate that the important work of Sabbath-school instruction is receiving much consideration and care, and that God's blessing is being given to this department of our work. In carefully considering the statistics your Committee are impressed that there is cause for much thankfulness, and also for considerable improvement in certain particulars.

Amongst matters for special thankfulness are the following:—

1. The large number of schools using uniform lessons, 237.
2. The large proportion of officers and teachers who are members of the Church; for out of a total of 2,805, we find 2,506 are members.
3. The number of conversions amongst the scholars—1,985—which is almost ten per cent. of the total number of scholars; and it is also gratifying to note that 4,122 scholars are meeting in class.
4. The contributions to the Sabbath-School Aid Fund amounting to \$196, we think, shows a growing interest in the general work of the Sabbath-school.

But while these items of the report are gratifying, there is room for improvement in several particulars, to which we would respectfully call attention:—

1. The returns are in not a few cases imperfect; this has been a source of labour and inconvenience to the Committee, and we would respectfully submit that Superintendents of Circuits should see to it that the reports of the schools within the bounds of their Circuits are all properly prepared for the District Meetings; all the items should be supplied before handing in the schedules to the District representative, inasmuch as, owing to subsequent additions and alterations, it has been found impossible to prepare a perfectly correct report for presentation to the Conference.
2. We think that it is to be regretted that a number of schools do not take any of our denominational literature, which is at once sound in teaching, interesting in its treatment of moral and religious subjects, and cheap in price. We also call attention to the fact that 4,053 copies of periodicals other than those published by the connexional establishment are taken by our schools.
3. Another serious defect in our Sabbath-school work is that out of 258 schools there are only 45 which are reported as having regular teachers' meeting for the study of the lessons.

4. Your Committee would further call attention to the fact that only 3,027 scholars are reported as learning the Catechism, and only 3,668 who have signed the temperance pledge. We respectfully urge that the instructions in the doctrines of our faith and in Biblical history which are secured by the regular and frequent use of the Catechisms are of prime importance, and though this may not be the most agreeable part of the Sabbath-school work, its value and fruit will appear "after many days;" and in regard to temperance teaching, we are of the opinion that every Sabbath-school should be a temperance society.

Your Committee would respectfully suggest that our Sabbath-school scholars should be taught, to attend the public service of the sanctuary, and that both teachers and scholars should have impressed upon them the fact that the Sabbath-school is neither superior to, nor even of equal importance with the Church.

In conclusion, your Committee have been pleased to learn that a sister Conference last year appointed a special agent to travel through its bounds to hold Sabbath-school Institutes and in other ways promote and foster this important branch of Christian work; and we venture to hope that it may be found practicable at no very distant date to appoint such an agent within the bounds of this Conference.

All of which is respectfully submitted.

J. COOPER ANTLIFF, *Secretary*.

REPORT OF THE COMMITTEE ON SABBATH OBSERVANCE.

Your Committee beg to report:—

1. We are thankful for the unanimity of sentiment existing among the Protestant Churches of our Dominion respecting the sanctity of the Lord's Day, especially because of the growing desire on the part of many for greater liberty of action in the matter of pleasure-seeking on the Day of Rest.

2. We strongly protest against the running of passenger trains, the carrying on of public works, the keeping open livery stables, the selling of milk, the issue and sale of newspapers, secular or religious, on the Sabbath.

3. We heartily approve of the efforts made to remove all conflict between the Dominion and Provincial legislation regarding the Sabbath, and rejoice in the success that has attended such efforts.

4. We have noticed with pleasure the promptness on the part of the member for North Hastings, who, as soon as the prerogatives of the Commons and Local Legislature were defined by Sir Alex. Campbell, introduced a bill "For the Better Observance of the Lord's Day," which passed the House, and is now the law of this Province.

We are gratified that by this bill the Sabbath pleasure-seeker can no longer be regarded as a "traveller," this latter term being so defined in the Act as to grant the pleasure-seeker no shelter.

5. We highly approve of the general condemnation of the leading newspapers, uttered against the distribution of newspapers on the Lord's Day.

6. We recommend: (1) That attention be called to the substance of this report from all our pulpits. (2) That sermons on Sabbath observance be preached at all our appointments, in harmony with our Discipline, paragraph 220.

REPORT OF THE COMMITTEE ON MEMORIALS.

Your Committee report as follows :—

1. Regarding the memorial from Milton District respecting the payment of the expenses of lay delegates to Conference, your Committee make no recommendation.

2. As respecting the memorial asking for the establishment of a billeting fund, we recommend that a fund be established to be known as the Billeting Fund of the Niagara Conference, to which each delegate, lay and ministerial, shall pay annually \$2.50, from which fund the board of all delegates for whom homes have not been secured by the ministers in the town or city when Conference is held, shall be paid.

3. In reference to the memorial relating to the Missionary Reports, we recommend that an urgent request be forwarded to the General Board of Missions, asking that the Missionary Reports be forwarded to the Circuits not later than the last day of October in each year.

4. As touching the memorial relating to the "Invitation" system, we recommend, that we recognize the right of our Quarterly Official Boards to express their wish in the selection of their pastors. Still, we believe, the interests of the Church will be better served by leaving the Stationing Committee free in the exercise of its prerogatives.

Respectfully submitted.

Clause No. 2 of this Report was discussed at some length, and the following motion prevailed :—Moved by the Rev. T. W. Jackson, seconded by the Rev. R. B. Rowe,—“That each member of Conference outside of the town where Conference is held be required to pay \$2 into a Billeting Fund, said sum to be paid through the Financial Secretary of each District to the minister in charge at seat of Conference, who shall be responsible to provide billets for all such members of Conference ; and any member not forwarding such sum shall not be entitled to a billet, and the balance, if any there be, shall be retained as a Billeting Fund.” With this amendment the Report was adopted.

SUPERANNUATION FUND.

To the President of the Niagara Conference of the Methodist Church, with the Ministers and Lay Members in Conference assembled:

The following resolutions were adopted by the Board of the Superannuation Fund, and unanimously recommended to the Annual Conferences for their adoption, and publication in the Minutes of the several Conferences:—

Resolved,—1st. That the names and addresses of the Treasurers of the Fund be published in the Minutes of each Annual Conference; the names and addresses of all Superannuated Ministers, and of all widows who are claimants on the Fund; and the names and dates of birth of all children of deceased Ministers whose widows are now claimants on the Fund (the children being sixteen years of age), be published in the Minutes of the Conferences to which they respectively belong.

2nd. That each Annual Conference forward to the Clerical Treasurer, through its Secretary, immediately at the close of the Conference, a certified copy of the tables containing the amounts raised for ministerial support and connexional collections on each Circuit and Mission throughout the bounds of their respective Conferences, omitting the Children's Fund and any special collection that may be raised by the authority of the Annual Conferences only; as there is often a delay in the publication of the Minutes which interferes with the preparation of the Report of the Committee on Estimates in time for the Financial District Meetings.

3rd. That all parties sending money to the Treasurer give a detailed statement of the amounts, so that he may know how to give due credit to the Circuit or Minister entitled to receive such credit.

4th. That any changes made by the Financial District Meetings in the apportionments made to Circuits or Missions be reported to the Treasurer, and that the Secretary of the Meeting furnish a complete list to the Clerical Treasurer of these apportionments as finally passed by the District Meetings.

The Treasurer would particularly request that all parties holding moneys belonging to the Fund would forward promptly to him at the Mission Rooms, Toronto, all sums that may be in their hands, in accordance with the above resolutions.

Signed by order and on behalf of the Board of the Superannuation Fund of the Methodist Church.

MISCELLANEOUS RESOLUTIONS.

To Rev. John A. Williams, D.D.

Moved by the Rev. Amos E. Russ, M.A., seconded by the Rev. Thomas Brock, and

Resolved,—That as Dr. J. A. Williams has been taken during this year from the Presidency of the Niagara Conference, and appointed General Superintendent, this Conference desires to express and hereby convey to our honored brother its high appreciation of his gifts, fidelity, and efficiency; that, although this Conference sustains a great loss by his removal from its pastorate and committees, it fully approves of the wisdom of his appointment by the General Executive to the high office he now holds, and for which he is so eminently qualified. We earnestly pray that the Head of the Church may long spare him to give his mature counsels and official administration to Methodism throughout the Dominion of Canada.

To Rev. Alexander Langford.

Moved by the Rev. Thomas Brock, seconded by the Rev. John Kay, and

Resolved,—That the thanks of this Conference are due to the Rev. Alex. Langford for the most efficient and satisfactory services rendered by him as Secretary of Conference. We would also express our high appreciation of his counsels in the various positions assigned him in our work. And we further assure him that he and his family carry with them to their new and important field of labour the kindest remembrances and earnest prayers of this Conference; and may the great Head of the Church crown the labours of our brother with the same success that has been vouchsafed to him during the years of his sojourn among us.

To Rev. William Williams.

Resolved,—That this Conference deeply regrets the removal of our brother the Rev. Wm. Williams to another Conference; and while bowing loyally to the decisions of the Church through its Committee on Transfers, we would indicate our high esteem for him, and pray for himself and family great happiness and usefulness in their new field of labour and their new Conference relations.

James Young.

The Committee, consisting of Revs. James Masson, J. S. Williamson, and Dr. Hunter, to whom the case of James Young was referred, reported as follows:

"We recommend that James Young's name be inserted in the Minutes in connection with the Welland District as 'permitted to attend College.' That the District Superintendent request him, at the close of the present Conference, to forward a letter from the Presiding Elder of his District, certifying that there are no objections to his moral and religious character. That his years spent at College shall not be counted in his ministerial standing in relation to the Superannuation Fund." Report adopted.

To the Book Steward.

Moved by the Rev. Dr. Hunter, seconded by Thos. C. Watkins, Esq.,—That we have listened with great pleasure to the most encouraging report of our esteemed Book Steward, the Rev. Wm. Briggs, and rejoice in the marked prosperity of the institution over which he presides. We are gratified at the reported increase in the circulation of our connexional organ, the *Christian Guardian*, and of the various Sabbath-school papers; and we assure the Book Steward and Editors of our hearty co-operation with a view to still further increase the influence and usefulness of our Book and Printing Establishment. That this Conference has heard with pleasure the address of the Rev. Dr. Withrow, relative to the *Methodist Magazine* and Sunday-school periodicals under his editorial charge. We offer our brother congratulations on his recovery to health, and we shall continue to do what in us lies to promote the circulation of our connexional publications, and we earnestly recommend our Sabbath-schools to take the publications issued at our own Book Room.

That this Conference, having carefully considered the present state of the University question, and the relation thereto of Victoria University, hereby expresses its approval of, and pledges its support to, the Board of Regents in their action of the 9th of January last, as securing in the perpetuation of Victoria as a strong Arts College the traditional policy of Methodism in guarding the moral and religious character of the higher education of the youth of our people, and at the same time opening the way for the full enjoyment of the many and valuable advantages of our common University endowment by all the youth of our Church. Rev. Dr. Douglas.

Moved by the Rev. J. C. Antliff, B.D., seconded by the Rev. W. J. Maxwell,—

We pray our Divine Master to spare him very many years for the comfort and edification of the Church. Carried.

Preachers' Aid Fund.

Moved by the Rev. J. S. Williamson, seconded by Joseph Rippon, Esq.,—

That whereas the assessment for the Children's Fund has been reduced, in consequence of which some of the ministers will suffer, owing to the sudden withdrawal of the help they received from said Fund,

Resolved,—That we recommend that a collection be taken up for the relief of such cases at every appointment, in the month of March, to be known as the Preacher's Aid Collection, and that the Secretary of Conference be the Treasurer, and the Conference Special Committee be the disbursers of all moneys so raised. Carried.

To Rev. Alex. Burns, D.D., LL.D.

Moved by the Rev. G. A. Mitchell, B.A., seconded by the Rev. D. E. Brownell, and

Burns, D.D., LL.D., Principal of the College, we take great pleasure in expressing our continued confidence in the management of the College, and we rejoice in the grand work already done by this pioneer institution, and also to know that its efficiency is ever increasing; and we hereby assure those in authority that we will use our influence to recommend this institution to the confidence and patronage of our people throughout this Niagara Conference.

To Rev. E. H. Dewart, D.D.

Moved by the Rev. Thomas Brock, seconded by the Rev. W. J. Maxwell,—

That as a Conference we place on record our high appreciation of the exceedingly appropriate and instructive sermon preached by the Rev. Dr. Dewart on the occasion of the ordination of four probationers of this Niagara Conference—that we assure him of the great gratification his visit has afforded us, and pray that the great Head of the Church may continue to him the strength to fill the responsible position to which the Church has appointed him. Carried.

The "Christian Guardian."

Moved by the Rev. D. L. Brethour, seconded by the Rev. Jas. Gardiner, D.C.L.,—

Recognizing that Christian literature is essential to the education of the members of our Church and people, and believing the *Christian Guardian* to meet this necessity, and recognizing the great ability shown in its editorial management, and in its faithfulness to every interest of our Methodism, we pledge ourselves to use our utmost endeavour to have it placed in all the homes of our people, as among the best agencies for deepening the Christian life of the Church, as well as an important connexional bond. Carried.

On Tobacco.

Moved by the Rev. J. S. Ross, seconded by Jos. Rippon, Esq.—

That this Conference desires to discountenance the use of tobacco, and urges upon all our ministers and members strongly to discourage its use in the community. Carried.

Respecting Statistics.

Moved by the Rev. G. W. Calvert, seconded by the Rev. T. W. Jackson,—

That inasmuch as the returns to the Conference are very imperfect, thereby giving the Statistical Committee a great deal of extra work and annoyance, and rendering it almost impossible to prepare a correct statement for the printer, we strongly recommend greater painstaking on the part of District Secretaries; and further, that henceforth no moneys shall be received nor any returns changed after the Statistical Committee has been appointed. Carried.

Remitting of Connexional Funds.

Moved by the Rev. W. J. Hunter, D.D., seconded by the Rev. Geo. W. Calvert,—

Carried.

Moved by the Rev. Thomas Boyd, seconded by the Rev. T. L. Wilkinson,—

That the stations of the ministers and preachers of the seven western Conferences be bound with the Minutes of the Niagara Conference. Carried.

OBITUARIES.

THE REV. EDMUND E. SWEET.

Our departed brother was born at Plymouth, England, Feb. 4th, 1812, and died at Brantford, September 27th, 1884. His parents were Methodists, and they brought him up in the nurture and admonition of the Lord. The gracious influence of the Holy Spirit was manifest in him when but ten years of age, but his religious life suffered from repression. He says of his experience at this time: "I might have obtained instruction and help if I had but opened my mind; but I did not, and for want of this, these impressions gradually became less distinct, though never obliterated." In September, 1828, he formally united with the Wesleyan Methodist Church, at Caermarthen, in Wales, but at that time, and for some years afterwards, he was troubled with doubts as to his acceptance with God. Light, however, came at length, and while he was praying and instructing a companion to believe, there was vouchsafed to him the witness of the Holy Spirit. Shortly afterwards he was appointed a class-leader, and then a local preacher, which latter office he filled for fifteen years, and had considerable success. He was also an earnest temperance worker, and it is worthy of remark that he founded the first "Band of Hope" in Canada. In 1855 he accepted a call to the itinerancy in Canada and laboured on the following stations: Huntingdon, L'Original, St. Andrews, Osgoode, Bell's Corners, Bolton, Sawyerville and Three Rivers. In 1873, on account of failing health, his name was placed on the superannuation list, and he relinquished the active work, feeling that his labour in the Lord had not been in vain. Both in England and in Canada are honoured ministers who are his sons in the Gospel. He spent the evening of his life in Brantford, where, in 1874, he suffered the loss of his estimable wife. He was highly esteemed by the officials and members of Bran Avenue Church, to whom he rendered good service, both by his wise counsel and consecrated labours. Gradually he became weaker as the years rolled by, till at last he gently fell asleep in Jesus. In character he was thoroughly upright and of an affectionate disposition. His gifts were of a high order, and he made full proof of his ministry. "His memory is blessed."

THE REV. JOHN ELLIOTT.

The Rev. John Elliott was born in Cumberland, England, Oct. 17th, 1824. His parents were pious Wesleyan Methodists, and their house was the minister's home. During his boyhood the family came to Canada, and settled in the township of Trafalgar, in the county of Halton. At the age of 17 he was converted

to God under the ministry of the Rev. Rowley Heyland. Five or six years afterwards he became a local preacher, and continued to render good service as such until the year 1862, when he entered the ministry of the New Connexion Church. The following year he was ordained for special purposes, and in due course was received into full connexion with the Conference. He travelled in succession the Holland, Howick, Mt. Forest, Malahide, Straffordville, Otterville, Strathallan and Richwood Circuits, filling out the three years on each charge except the first and last, and proving himself a faithful minister of Jesus Christ. Till near the close of his ministry he enjoyed robust health, but last summer, when on his way to Conference, he was taken ill, and subsequently confined to bed several days; recovering, he was again able to attend to his circuit work, though with diminished strength and a tendency to heart disease. On the morning of his death, Jan. 31st, 1885, he rose as usual and attended to some out-door duties; returning to the house, he was removing the snow from his feet when, with an exclamation of pain, he sank to the floor. Loving hands lifted him to his couch, but in a few moments the pulse had ceased and his spirit had passed within the veil. The suddenness of our brother's decease precluded the leaving of death-bed testimony, but we do not on this account have any misgiving as to his preparedness for the call. His was a consecrated life, fidelity was his watchword, and fearlessness in the discharge of duty the most prominent feature of his character. A man of marked individuality, he formed and never lacked the courage of strong convictions, and though his manner was sometimes brusque, there was behind it a kindly spirit that took a strong hold on those who knew him best. An Elijah in denouncing the Ahabs and Jezebels of society, he as suddenly ceased to work and live.

THE REV. HENRY M. COSFORD.

In answer to the solemn question "Who have died?" it is our painful duty to mention the name of Bro. Henry M. Cosford, one who a year ago might have been chosen as one of the most sturdy and promising young men of our number. Bro. Cosford had only laboured three years in the active work of the ministry, and spent one year at Montreal College, when he was summoned to his Father's house to receive his eternal reward. The rest can be best said in the language of Professor W. I. Shaw, M.A., of Montreal Theological College, under whose care and tutorship our departed brother spent the last months of his life: "Bro. Henry M. Cosford, during his first session at the Wesleyan Theological College, Montreal, gained a high place in the esteem of both his instructors and fellow-students for his more than average ability, his enthusiastic devotion to his studies, and his earnest, manly Christian character. During vacation in the summer of 1884, he was placed in temporary charge of the Lachine Mission, in the suburbs of Montreal. On returning to College in September, he appeared at the opening exercises with his health severely impaired, and at once succumbed to a malignant type of typhoid fever. Everything possible was done for his recovery, but, after an illness of two weeks, he had to yield to the power of disease, and on Oct. 11th he was taken from a brief but faithful experience of God's

service on earth to the nobler service of the skies, leaving to sorrowing friends a clear testimony of the sustaining power of Christian faith and hope." He travelled three years, and had entered on second year at Montreal Theological College.

THE REV. SCHUYLER STEWART.

Was born in Petersburg, Rensselaer Co., N.Y., March 9th, 1804, and died near Jerseyville, August 21st, 1884. His parents were members of the M.E. Church. He writes of preservation and deliverance as indicating the Divine goodness in his early life. Near the close of his 17th year his conversion was clear and joyful. He united with the M.E. Church in Troy. Immediately engaging in evangelistic work, he met with many hindrances. Convinced of his call to preach the Gospel, in 1824 he returned to his early home in Milton, Saratoga Co. Here God honoured him in promoting a revival of religion. License to preach was given him on February 18th, 1826, signed by Rev. Daniel Barnes, P.E. He joined the itinerancy as a helper on the Williamstown Circuit, Oct. 1st, 1827. Extensive revivals, accompanied by manifestations of Divine power, followed. He came to Canada shortly after. He was present—an observer—at the Hallowell Conference when the union of 1832 was introduced. In 1835 Rev. John Ryerson sent him as an assistant to that faithful minister, Rev. John Black, on Cavan Circuit, covering eight townships and the Rice Lake Indian Mission. At the ensuing Conference he was received on trial and stationed on Nelson Circuit. Next year he located, becoming again a local preacher. In 1843 he withdrew from the Wesleyan Church and joined the M.E. Church. At the formation of the Bay of Quinte Conference in 1843, he was received on trial. He laboured on Brockville, Blenheim, Oxford, London, Huron Mission, Thames, Malahide, and Dorchester, between 1843 and 1850, when he was taken sick. In 1852 he was Agent for the Book Room; then Supernumerary until 1858; and at Barton and Grand River in 1861, when he superannuated. His checkered course discounts his usefulness. A sincere but eccentric character, he helped many heavenward. He celebrated a jubilee as a preacher in 1876. He was esteemed in the Church, and his labours as an itinerant were not in vain in the Lord. As a superannuate he was agreeable and helpful. Just before last Conference, a Sabbath's work occasioned illness, resulting in dropsy. Though suffering greatly, he patiently endured, sustained by very manifest consolations. His joy was especially great in view of the harmonious prospects of the united Church. He was waiting life's close, when on the morning of August 21st, 1884, in his 81st year, he was gathered "like a shock of corn fully ripe."

THE REV. RICHARD PHELPS.

The Rev. Richard Phelps was born in Pleasant Valley, New York State, April 25th, 1797. Of his parentage and early training we have no account. He came to Canada in the year 1823, and settled in the vicinity of Ottawa.

He was converted to God at the age of eighteen, and immediately connected himself with the Church; and on coming to this country, continued in

the Methodist Episcopal Church. His first official relation to the Church was in the capacity of an exhorter—the late Rev. William Case having licensed him “to improve his gifts by way of exhortation, in the Ottawa Circuit.” This was in the year 1825. From that period he “preached the word.” He was appointed to work on the Cobourg Circuit, under the Chairman, in 1826; and in the year 1833 was ordained, and entered into full connexion with the Conference. He laboured successfully on various Circuits until after the rebellion of 1837, when he went to the United States and united with the Erie Conference of the Methodist Episcopal Church. He returned to Canada in 1844, and continued in the ministry of the Methodist Church until called away by death.

Father Phelps saw all the changes in Canadian Methodism—all the breaches and all the unions. He was an earnest, whole-souled Methodist preacher, and many were added to the Church through his ministry. In public and private life he was a blameless man, and won the affection and confidence of all who knew him. After twenty-nine years in the active work of the ministry, he superannuated in 1855. He continued to work as he had strength and opportunity until the very last, going from place to place to supply or aid in special services. He visited the Kelvin Circuit last January, and learning that special meetings were in progress, he determined to assist in the same. After taking an active part in the service he returned to the parsonage, and during the night was taken seriously ill. His sufferings were very great, but he bore them like a Christian, and during the intervals between paroxysms of pain he was engaged in praise and prayer. On his death-bed he exhorted sinners to repentance, and in warm entreaty urged backsliders to return to the Saviour. He gradually sank until, on the 27th January, 1885, he peacefully passed away. His last audible words were: “I pillow my head on my Saviour’s bosom, and breathe my life out sweetly there.” His remains were interred in the Ridgetown Cemetery. An honoured, devoted, and very aged minister has passed to his reward.

THE REV. JOHN BAXTER.

The Rev. John Baxter was born in the township of Bertie, county of Welland, August 12th, 1807. He was converted to God in the spring of 1826. In youth he proved himself zealous for God and the salvation of souls, and at length opened his mind to the Rev. Samuel Belton, about preaching. On receiving encouragement, he went to Cazenovia College, New York, where he received some training for his future work. He received his first license to exhort from the Rev. Joseph Messmore, on the 26th of August, 1827. He was afterwards licensed as a local preacher, in which capacity he rendered acceptable service to the Church till the year 1831, when he was sent to Westminster Circuit, under the superintendency of the Rev. Horace Dean. He was ordained at the Conference of 1835.

For twenty years he laboured faithfully on some of the heaviest fields of toil in the Methodist Church, even in that early day, and in some measure contributed to give our Church the position which it occupies to-day. Few

men have left the record of a purer life. He "approved himself as the minister of God, by pureness, by long-suffering, by kindness, by love unfeigned;" and, as a consequence, he was always well received by the people wherever he went.

Among other duties which fell to his lot was that of preaching to the Indians. In order to do this efficiently, he diligently studied their language, and so far mastered it as to be able to preach the word of life to them in their own tongue.

Through failing health he was compelled, in 1852, to take a superannuated relation. Since that time, on several circuits, he has rendered valuable service to the Church he loved so well—two years doing active circuit work.

Brother Baxter was an ardent, intelligent lover of the doctrines, discipline, and usages of the Methodist Church, and, as long as he was able, a regular attendant on all the public and social means of grace—never missing his class when possible to be present.

During the early part of his protracted illness he gave abundant evidence of the presence of his Saviour; and the precious Gospel he had delighted in preaching to others, abundantly sustained and cheered him. In the early part of 1884, paralysis began to affect his brain, and during the remainder of his days he was only at times conscious. He exchanged mortality for life on the 12th December, 1884, aged seventy-seven years and four months. Besides the aged partner of his life, three children (one son and two daughters) survive him. May they all meet in heaven.

THE ANNUAL ADDRESS
OF THE
NIAGARA CONFERENCE OF THE METHODIST CHURCH
TO THE
CHURCHES UNDER ITS CARE.

DEARLY BELOVED BRETHREN,—

With emotions of gratitude and joy we address you on those topics which have engaged our attention in review of the toils and conflicts, the successes and triumphs of the year.

The readjustment of the work, consequent upon the unification of Canadian Methodism and the numerous and conflicting interests involved, were a source of prayerful solicitude, as "your servants for Christ's sake" went forth to their respective fields of labour twelve months ago. We are glad to say that the history of the year has dissipated our apprehensions. No friction has impeded the movements of our connexional machinery, no "roots of bitterness" springing up have troubled us, but "the peace of God which passeth all understanding has kept our hearts and minds through Christ Jesus." Gracious seasons of revival have been experienced throughout the Conference, and with devout thanksgiving to Almighty God we record a net increase in the membership of the Church amounting to 2471.

The material interests of the Church have kept pace with its spiritual prosperity. The amount required to meet the claims of the Superannuated Ministers' Fund has been cheerfully contributed; the Missionary Society has retained its place in the affection, confidence, and liberality of our people. The various connexional funds have shared in the general improvement, while in many instances local churches have been relieved from embarrassment. We give thanks to God for the courage and endurance of our brave Volunteers, and the skill and prudence of their commanders, which have resulted in the speedy suppression of the rebellion in the

Northwest; and we extend our sympathies and prayers to those who have suffered privation and bereavement in consequence of the same. It is worthy of note, and should encourage our faith in the utility of Christian missions, and especially those under our care, that not one of our Methodist Indians has taken up arms against the flag of our country. We commend to your hearty sympathy and co-operation, the great temperance movement of the age, which contemplates the universal prohibition of the traffic in intoxicating drinks. In the light of the New Testament, it is the manifest duty of every Christian to abstain from all that can intoxicate, and lend his influence to secure, in a constitutional manner, the legal prohibition of a traffic which is the most prolific source of all evil. The attempt of the Honourable the Senate of the Dominion to destroy the efficiency of the Canada Temperance Act has called forth the united and indignant protest of the Conference in a resolution which you will find in the published Minutes; and we earnestly entreat you to join with us in the pledge to resist to the utmost any Government or political party conniving at such an interference with the constitutionally expressed wishes of the people.

You will regret with us the violation of the sanctity of the Lord's Day by the issue of Sunday newspapers in Toronto, and their sale in various parts of the Province; and we exhort you to discountenance and resist this and every other form of Sabbath desecration. We invite your careful attention to the subject of higher education in its relation to the proposed plan of University Federation. As a Church we are pledged to the traditional policy of our fathers, and we are glad to find that the Board of Regents of Victoria University, in accepting the principle of Federation, have carefully guarded the continued existence of the University, with all the moral and religious safeguards so vital in the education of our sons; and we do not doubt that the free discussion of the General Conference will save us from any mistake in a matter so far reaching and important.

Suffer us to remind you that in the Sabbath-school you have the most inviting and fruitful field of labour. With the multiplication of Churches by the various denominations, we must look more and more to our Sabbath-schools as the recruiting ground of the Church. If you have a heart to love and a tongue to speak for Jesus, consecrate them to the work of bringing the children to God in the morning of their life.

In this age of printing-presses and books, let it be your first care to provide a wholesome literature for the family and the Sabbath-school. No Methodist home should be without our connexional organ, the *Christian Guardian*, second to no religious newspaper on this continent. The *Canadian Methodist Magazine* is worthy of your continued support, and we recommend that our own Sunday-school papers be taken in preference to any others.

As a Church we have been called to mourn the loss of some of our honoured fathers and brethren, who have fallen asleep in Jesus during the year. The religion which they recommended to others in life sustained them in the hour of their departure. We record the death of six ministerial members of our Conference who have passed from conflict to victory; and we share with the Church at large in mourning the decease of the General Superintendent, the Rev. S. D. Rice, D.D., to whose counsels and labours the Connexion is so much indebted. Of him it may be truly said that "After he had in his own generation served the counsel of God, he fell on sleep."

You cannot, dear brethren, be too deeply impressed with the necessity of an abiding sense of your personal acceptance with God through faith in the sacrifice of the Lord Jesus Christ. This is the secret of your joy and your strength. If you have this, you will cherish and prize the social means of grace, and the public services of the sanctuary; your religion will furnish its own entertainment, and you will have no relish for the theatre, the card-table, the pleasure-dance, or any amusement offensive to God and injurious to the soul. If you have this joyful knowledge of salvation by the forgiveness of sin, you will press forward to the attainment of salvation from its power and pollution. This is "our high calling's glorious hope"—the present fulness of the "exceeding great and precious promises" given unto us.

The present session of Conference has been rich in blessing; and now, at its conclusion, we exhort you, "Brethren, pray for us," that your ministers may come to you in the "fulness of the blessings of the Gospel of peace;" that this year may be as the former, and much more abundant. "Finally, brethren, whatsoever things are honourable, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, if there be any praise, think on these things." "And the God of peace Himself sanctify you wholly; and may your spirit, soul and body be preserved entire, without blame at the coming of our Lord Jesus Christ. Faithful is He that calleth, who also will do it."
