FORCED ENDING OF MINING CRISIS SEEN

SUPREME POWER MAY BE USED BY THE PREMIER

Slow Strangulation of Great Industries Continues

TEN-DAY RECESS

Churchill Says Coal Stoppage Means Hard Times in Great Britain

United Press Dispatch. LONDON, May 22.—With Parliament in recess for 10 days, Premier Baldwin is now faced with a serious dilemma. His efforts for a coal peace have broken down, and unless he is prepared to use his new position of almost supreme power, which came as the result of his leadership in settling the general strike, to coerce both sides, the present slow strangulation of the great industries must continue. This would result in an almost incalculable loss in trade.

Winston Churchill in his final budget speech Thursday, declared a coal stoppage of fourteen weeks would mean hard times in Great Britain for at least two years.

CONFOUNDS PROPHETS

The present coal situation confounds most political prophets, who believed at the end of the general strike that owners had been rendered more reasonable by the rally of workers in general to help the miners and that the latter would be less obstinate when the support of the whole trade union movement was withdrawn from them.

TALK OF COMMISSION

Under British law, parliament is supreme, and when the Commons introduces legislation setting up a commission with Lord Reading as chairman, and with power to enforce compulsory arbitration on both sides. Even then it is realized that the coal industry is one in which volunteers cannot supplement miners, and in the last analysis only starvation can force them back to work.

PLAY FIRST RADIO GAME OF CHECKERS

Representatives of Selkirk and Winnipeg Have Exciting Contest

Winnipeg, May 22.—Taking out draughts boards and following the moves of the two players as numbers of squares were announced, thousands of people in Winnipeg and beyond participated, practically speaking, in the first radio game of checkers ever played in Canada, if not the entire continent.

DIES IN CHICAGO

William Kane, Formerly of Kane's Corner Survived by Wife and Brother

The death of William Kane, formerly of this city, occurred in Chicago, on Wednesday. He belonged to what is known as Kane's corner, and at one time was a wholesale butcher in the city market. Some years ago he went to Chicago where he was employed as a sheep buyer for Hammond Brothers, a large packing house there.

Mumtaz Begum Fails To Regain Her Baby

Canadian Press. LONDON, May 22.—A despatch to the Daily Express from Allahabad, British India, says that Mumtaz Begum, the Nauch dancing girl, formerly favorite of the Maharajah of Indore, has vainly applied to the court of Amritsar for the restoration of her baby, which she alleges her parents kidnapped.

British War On American Films Breaks Out Again With Renewed Vigor

Turkish Cops Evolve Real Brake Tester

British United Press. LONDON, May 22.—Modern Turkey has gone the "speed trap" one better through the invention of the "brake trap" according to British travelers returned from Constantinople. Turkish legislators recently passed a law specifying proficiency for automobile brakes. Now motorcycle cops have evolved a 12-foot plate well studded with six-inch spikes. From a hiding place along the road they toss the plank into the road about 50 feet in front of a passing automobile. If the car stops in time, it is considered to have "legal" brakes. If it fails the motorcycle cops, they are ordered to take the car to a garage to have the brakes fixed.

Edgar McCarron, Hospital Firm, Found Lifeless in Wallace Hotel

Charlottetown, May 22.—Edgar McCarron, 66, a Canadian who had been in hospital since his death in Reading, was found lifeless in a bed at the Wallace Hotel here yesterday.

DR. MAUD GOODWIN DIES IN READING

Formerly of Saint John, She Was Practicing Osteopathy in United States

Reading, Mass., May 22.—The death of Dr. Maud Goodwin at the home of her son in Reading, Mass. Mrs. Goodwin, an osteopath, was the widow of A. L. Goodwin, an American who was a partner in the Reading Fruit and Produce Co. in this city, and leaves three sons, A. Leslie, of Reading, Mass., Walter G. of Boston, and Horace Goodwin of this city, E. A. Goodwin, fruit dealer, is brother-in-law. Three grandchildren also survive. Mrs. Goodwin had been ill for several months, but continued to rally, and her family had hope of her recovery, until a sudden relapse yesterday.

Doctor Criticizes Kitchenerite Abode

ATLANTIC CITY, May 22.—Kitchenerite apartments, the joy of the newlyweds, have come up for criticism before the first annual American Health Congress now in session here. "The small apartment," said Dr. Christina M. Leonard, of the Philadelphia Guild Guidance Clinic, "does not give sufficient outlet for excessive energy and the close association of the family dwarfs and cramps the personalities of its members."

Horses Perish In \$3,000 Devon Fire

Special to The Times-Star. FREDRICKTON, May 22.—A large barn in Devon owned by Harry Pond was destroyed by fire about 1.30 this morning. A valuable team of horses owned by Arthur Titus, Jr., were burned in the building. The ell of the house adjoining occupied by Mr. and Mrs. Clarence McLagan also was destroyed. The loss was estimated at about \$3,000.

The small baby deserted by a young woman here a few days ago is still in the Children's Aid Home. It is hoped the woman will be found in a few days.

Greek Dictator Dismisses His Own Son From Navy For Absence Without Leave

Athens, May 22.—Prime Minister Theodor Pangalos, who is virtually dictator of Greece, has issued a decree dismissing his own son from the navy. The young man, Second Lieutenant Cheseus Pangalos, left for abroad without the permission of the Minister of Marine. The fact that Cheseus was on the inactive list at the time did not alter his father's decision.

NEVADA MURDERER EXECUTED BY GAS

Copper Miner Had Slain 16-Year Old Sweetheart in Ruth Last Year

CANADIAN PRESS. STATES PRISON, CARSON CITY, Nev., May 22.—Nevada made forfeit the life of a murderer yesterday by lethal gas, this state's form of capital punishment. The man, who was the slayer of Ruth, Nev., was the man who said the extreme penalty. The law demanded his death for the slaying of a 16-year-old sweetheart. The spark of life vanished quickly from the body of the condemned man. Four notes of the head, stretched over a period of two and a half minutes, told a story of the effectiveness of the hydrocyanic acid sprayed into the concrete death vault in which Kuchik sat strapped to a chair.

SCHOONER QUETAY IS VICTIM OF FIRE

Vessel Known Here Burned to Water's Edge Off Main Coast

A despatch from Rockland, Me., this morning states that the British schooner Quetay, a craft familiar along the Saint John waterfront, has been burned to water's edge at a point one and a half miles off Schoodic Island whistling buoy. The schooner was badly damaged in a stiff blow on Thursday, when the coasted the United States steamer Quetay. Last night an explosion occurred on board, and soon the vessel's cargo of pulp was burning furiously, lighting up the sea for a long distance.

MURFIELD, Scotland, May 22.—Play in the British amateur golf championship will begin Monday morning, with eighty-eight pairs starting. There will be eighteen holes match play mornings and afternoons, until the thirty-six hole final round over the course of the Honourable Company of Edinburgh Golfers.

SMALL POSSE IS SUCCESSFUL IN Nfld. FOOD RIOT

Invalidate Community and Arrest Ringleaders of Gang NOW AWAIT TRIAL

Villagers Given Only 48 Hours To Deliver Up Fomenters to the Police

ST. JOHN'S, Nfld., May 22.—How a posse of 20 men, headed by a local police inspector, invaded a community of 1,000 and secured the ringleaders of a gang of 80 which had recently marched on Harbor Grace, a neighboring village, beaten up the Government's Poor Relief Officer, Alexander Squires, father of Sir Richard Squires, a former Premier of the Dominion, ransacked his office and terrorized the countryside generally, was told with the arrival here of the alleged culprits in charge of their captors.

STORM IN WEST WORTH MILLIONS

WINNIPEG, Man., May 22.—Snow and ice which fell over the western area in Manitoba and Saskatchewan during the past 24 hours, are worth millions of dollars to the farmers, crop experts declared today. As a result of the snow falls, crops within the area of precipitation, have been ruined in advance of the average for this time of the year, they say. Never since the summer of 1918, have the spring indications pointed to such a bountiful harvest. All danger of soil drifting is now regarded as past.

INFLUENZA HALTS FISHING IN Nfld.

Difficult to Get Doctors at Various Points on Southwest Coast

ST. JOHN'S, Nfld., May 22.—Fishing operations along the southwest coast have been held up on account of a "flu" epidemic which has reached proportions that appeals for help have been sent to Hon. J. R. Bennett, Colonial Secretary, who at once started a movement for relief. Much difficulty was experienced in getting doctors near the adjacent villages to go to the most seriously situated communities which were Rose Blanche, Laminale, Bugeo and LaPolice. A doctor and two nurses were sent out from here but the majority of the physicians along the southwest coast were so busy in their own communities that they could render little assistance to the more isolated settlements.

Lloyd George Tabor With Labor Party

LONDON, May 22.—"I have no intention of leaving the Liberal party but the Liberal party might leave me," Lloyd George is quoted as remarking when asked today with regard to his future. He is now in Manchester stirring up the friendly Liberals there while the Labor party are asserting that he would like to come in with them "on his hands and knees," but they won't have him.

3 IN FAMILY HELD

Grandmother, Daughter and Granddaughter Charged With Shoplifting

TORONTO, Ont., May 22.—Members of three generations of the same family were arrested on charges of shop-lifting, when city detectives took into custody yesterday Mrs. Elizabeth (an Laven) aged 84; her daughter Mrs. Mary McPhail, and a daughter of the latter, aged 11. All reside at Montclair, Ont. They are alleged to have stolen articles of wearing apparel from a local departmental store. The articles were recovered from their lodgings, police say.

FRENCH ADVANCE ON RIFFIAN FRONT

Success Due to Enemy's Preparation For More Important Offensive

FZ. Morocco, May 22.—Success of the French advance from Mounts Rokbi and Boudians is due to a plan of Rifian chiefs to meet the advance of the French in the Rifian territory taken in the period here. The Rifians have made no attempt to hold the territory taken in the advance from Mounts Rokbi and Boudians. This is taken to mean that the Rifians will not defend Targuiet, but will reform their lines further west to prepare for the French offensive expected in the Zoual territory.

WOMAN SENTENCED

For First Time in London, Ont. Female Defendant Jailed For Fraud

LONDON, Ont., May 22.—Jean Prescott, 34, a domestic, was sentenced in city court yesterday to two months in jail, with a recommendation for deportation at the expiration of her term, after being convicted a week ago on a charge of fraud, involving a sum of \$850. It marked the first time in the history of the court that a woman was sentenced on such a charge. She was alleged to have given a check, with the purchase of a new car, for \$850, when the balance of her account in the bank did not exceed \$192.

Foils Kidnapers

Mrs. Gloria Morgan Vanderbilt, widow of the late Reginald Vanderbilt, is seen with her children. She is shown with her infant daughter, Gloria, who was kidnapped at once with her infant daughter, Gloria, little above with her, because of numerous threats to kidnap the child. Little Gloria is heirless to \$2,500,000. Pending the sailing, the Vanderbilt mansion in New York is guarded by a number of armed detectives.

BRITISH ADVANCE ON RIFFIAN FRONT

Success Due to Enemy's Preparation For More Important Offensive

FEZ, Morocco, May 22.—Success of the French advance from Mounts Rokbi and Boudians is due to a plan of Rifian chiefs to meet the advance of the French in the Rifian territory taken in the period here. The Rifians have made no attempt to hold the territory taken in the advance from Mounts Rokbi and Boudians. Oshawa-Built Car Cheaper In West Indies, Member Claims

OTTAWA, May 22.—Speaking on the budget resolutions in the House of Commons last night, M. McLean, Liberal, Meaford, read an editorial from a newspaper which said that a Canadian citizen resident in Toronto visited Nassau, British West Indies, where he found that he could purchase a differently equipped Oshawa for \$1,200. He did not do so, but returned to Oshawa, where he inquired the price of a new car. At the factory, he was informed that it would cost him \$2,095. It was very strange that the Canadian purchaser should be charged a much greater price than the resident of the West Indies.

STORM GREET'S EXHIBITION OF WAR PICTURE

"The Big Parade" Is Called "Portentous Nonsense" CRITICS LASH OUT

Brings Problem of United States Propaganda to Front Again

By H. BAILEY. British United Press. LONDON, May 22.—The film war between the producers of Great Britain and America, which up to now has consisted only of a series of woody skirmishes, has taken a new turn with the exhibition here of the American war film "The Big Parade."

The critics of the London papers are uncertain whether to laugh at the film or denounce it.

ALL-AMERICAN. They all point out, however, with more or less emphasis, the significant fact that in the whole picture there is not a single reference to the part played in the war by the British, Canadians, French or any others, and that Americans seeing the picture must have had the impression confirmed that only the Americans fought the war and won the war.

THE DAILY EXPRESS. The picture very seriously calls for the attention of the "pious non-resistance" and asks "Do we want the new generation to regard the war as a bloodless bloody melodrama and a festival of chewing gum flirtations with lively French farm girls?"

THE THING is more in the spirit of Hollywood than of the Soul of America. It vulgarizes sacred memories and its raucous homages intensify the silence of secret places. The verdict of the people over here "condemns the picture as unwelcome and they want our money and now they have our glory."

A COLOSSAL ADVT. The Daily Mail says that the film might be diverting for Americans, but it should not have been sent to Europe. Fortunately, it adds, the British people possess a sense of humor. The Morning Post calls it the most colossal advertisement the Americans have yet issued.

THE EXHIBITION has served to bring to the front once more the problem of American propaganda by means of motion pictures which has been vexing the minds of imperialists for a long time.

SUMMER OPENING AT THE IMPERIAL

Monday Will Be Gala Occasion With Grand All-English Bill

On Monday Imperial Theatre will emerge from winter conditions into a dainty summer garb which will prove surprisingly attractive to its patrons.

Coincident with this partial transformation, a very fine bill of pictures is promised, which has been called an all-English show because it happens that the subject matter belongs to the Old Country. First National Pictures, Inc., will furnish the main picture, which is an elaboration of Israel Zangwill's powerful drama "We Moderns," in which Colleen Moore will be the leading star.

The great climax of this picture is a collision of Zepelins in mid-air. Perhaps equally interesting to many people will be a complete tour of the great city of London, showing its places of interest, astounding traffic, military turn-outs and other absorbing scenes, which nothing short of an actual visit can duplicate. There will be special music and miscellaneous reels.

When You Think How Hard it is for Two People of Different Sexes and Viewpoints, With Different Habits and Training, to Adjust Their Ways to Each Other, the Wonder is That Divorce From "Incompatibility of Temperament" Isn't Universal.

WHEN we hear about a couple getting a divorce on the grounds of incompatibility of temper we instinctively feel that it is too trivial a reason for breaking up a home and we condemn them as poor sports who did not have enough grit to carry on and make the best of their bargain.

If it had been something big, now, Drunkenness. The drug habit. Infidelity. If the husband had been a brute who beat his wife or the wife a virago, we could have sympathized with them. But just to get a divorce because they didn't think alike on politics and religion, and hadn't the same taste in pie. Pooh! Quitters. A yellow streak. We've no pity for them.

Yet when you come to think of it, is there really anything else in the whole wide world that comes so near to justifying divorce as incompatibility of temper? Is there any other such good reason for men and women parting and going their separate ways as the fact that they have not one thought or desire or interest in common? And is there any other torture comparable with having to live in intimate daily contact with a person who continually rubs your face the wrong way, who gets on your nerves, who rasps your sensibilities and keeps you in a perpetual bad humor?

IT IS a lot easier to forgive an occasional big fault than it is to put up with never-ending petty irritations. The big sinners at least take a day off from their vices now and then, but the little sinners who sin against our habits and ideals and conventions are always on the job.

So when you think of this and consider the difficulties there are in the way of every man and woman who get married adjusting themselves to each other, you are not surprised that divorce is so common. You only wonder that it isn't universal.

HERE are two persons of different sexes, doomed by nature to look at everything from different standpoints and to react differently to every situation. Back of them is a different heredity, often a different race. In their veins flow alien currents of blood. They have been brought up with different standards, in different schools of thought. Different habits have been bred in them. They worship different gods and at different altars, and eat different dishes.

What marvel that such a couple come to grief on the rocks of incompatibility of temper? The miracle of it is that any of them have the wit and wisdom to steer around it.

But the terrible and pathetic thing about it is that in hundreds of these cases each husband and wife live a cat-and-dog life and make each other perfectly miserable or else break their marriage vows, nobody is really to blame. Each is perfectly right from his or her standpoint, only they can't agree. They can't adjust themselves to each other.

THE woman who has been brought up in a happy-go-lucky household, where the only use any one saw for a dollar was to spend it as quickly as possible, where meals were movable feasts, that were as liable to happen at one hour as another, is a thorn in the side of a husband who has been trained from his youth to make a fetish of thrift, order and promptness.

And, on the other hand, the woman whose mother and who scrubs the back of every kitchen shelf and regards a chair out of place or ash on the rug as a high crime and misdemeanor, is fretted into nervous prostration by a husband who never can be taught to wipe his feet on the doormat or kept from missing up the best sofa cushion.

There are women who die of broken hearts, from to death by the coldness of their husbands. They have come from warm-hearted, demonstrative families. They have been accustomed to having a fuss made over them and to seeing their father's lower-like adulations to their mother, and they think that their husbands do not love them because they never tell them so. They cannot understand the dumb, repressed temperament that is utterly incapable of showing what it feels.

AND there is the gay, pleasure-loving man, who likes to dance and dine in restaurants and jazz the fellow whom every body likes and who has holes in his pockets, but no wife's economy can ever sew up. What superhuman wisdom and patience it takes in a woman to keep from nagging him, if she has been brought up in an austere family that frowned on all frivolous amusements and whose watchword was duty instead of good times.

Then there is the eternal conflict over little trivial personal habits and ways, over things as small as cooking. Irvin Cobb said once that the Civil War was fought not over secession or slavery but over hot bread and cold bread. Certainly many thirty or forty year family wars are waged over what strength the breakfast coffee shall be and the use of onions in the soup.

AND certainly it is no trivial matter for one accustomed to a sophisticated, highly cultured cuisine to have to insult your palate with plain, ignorant, boiled food because the partner of your bosom has had his or her early education in eating neglected.

Probably no woman who has been reared in the belief that one's good clothes should be kept for company, and that any sort of old messy dunder was good enough for home consumption can realize the disgust the inspires in her husband's breast when she comes down to breakfast in a boudoir cap and a soiled kimono and no complexion, if he is of the fastidious sort to whom slovenliness is a mortal sin.

It is these little things, the niceties of life that one has been taught to observe and the other hasn't the order and thrift one has been bred to, and the other hasn't the difference in point of view, in taste, in habit, that makes the inevitable friction between husbands and wives that is at the bottom of almost every divorce.

AND when you think how hard it is to give up our old opinions and ways of doing things, the wonder is that so many persons are able to do it and that so many couples do adjust themselves to each other and get along in reasonable peace and harmony. DOROTHY DIX.

Very Feminine Is Milady's Version of Men's Suit

They may be strictly tailored, but a feminine touch comes in here and there. They may be strictly tailored, but a feminine touch comes in here and there. IN NEW YORK SEE-SAWING UP and DOWN BROADWAY

SEE-SAWING up and down Manhattan Isle, I made my annual pilgrimage to a shrine that stands with branches groping to catch the sun just outside a modest red brick house at No. 41 Washington street. For hundreds of times a year I pass the tree without so much as a casual notice. A million others pass throughout the year, but I do not mark it out from the other trees that line the curb. They do not notice a plaque on the house memorializing young Alan Seeger, who lived there and began his career as a poet. Perhaps you, too, have forgotten on such-and-such a day. And he would.

ALREADY we have Mother's Day and keep clean, wash, bread, fruit, flower and what-have-you day. But other day I happened upon a brand new day in the process of being made. It seems that straw hat day, which falls in mid-May, is to have a little brother. Hereafter when we don our straws we shall also be requested to don shoes of lighter weight and shading. The virtues of this will be preached us and in a few years millions of us will probably be doing it. And it all started—for I saw it—with three big leather and hide men from somewhere chattering in an office with none other than Richard Dix and asking him would he please wear such-and-such shoes on such-and-such a day. And he would.

SAW Nellie Revel, "the world's most celebrated invalid," and she was getting ready to go to Chicago, she said, to keep a date made 40 years ago with George M. Cohan. At that time he was complaining about theatre troubles and Nellie, with customary frankness, came back with: "Well, why don't you build your own theatre?" But George was then but a youth and hadn't a fair chance of financing a chicken coop. "Some day I will," he answered with "bohemian enthusiasm." And when I do, I'll have you there to open it." And sure enough when George opened his Chicago house he wired Nellie that he hadn't forgotten his promise.

WALKING by the little book shop in the Times Square subway I inquired what type of literature was in greatest demand among subway users. "We don't sell anything much except detective stories." And since mystery tales keep one up until midnight finding out the answer. And since most subways reach their destination within an hour, at least, and hence must go to their offices without knowing who killed Cock Robin. Well, maybe you can supply the answer. GILBERT SWAN.

A Thought

Knowest thou not this of old, since man was placed upon earth, that the triumphing of the wicked is short, and the joy of the hypocrite but for a moment?—Job 20:4, 5.

Is this your BIRTHDAY

MAY 22—You possess great ability, which will not awake unless you are so fortunate as to have your ambition aroused. Do not let your pride gain too great a hold. You are gentle, kind, and generally sincere, and if you are fortunate in securing a mate who will bring out the best in you, you will be very happy. Despite jealousy and gossip and only cultivate the best. Your flower is a lily. Your birth-stone is an emerald, which means success in love. Your lucky colors are red and yellow. MAY 23—You have a personal magnetism and force of character that enables you to assume a leading role. You are capable of concentrated effort and work with enthusiasm and vigor. You are trustworthy, and love with the same concentration you apply to your work. Be careful in speech, and never be ashamed to speak if you have done wrong. Your birth-stone is an emerald, which means success in love. Your flower is a lily. Your lucky colors are red and yellow.

ADVENTURES of the TWINS

Nick and Nancy and the Whiffet and the crew and the barred owl all helped Pen Snatcher, the newspaper man, to deliver his papers. Everyone in Out-of-Door Land as well as all the little fairy suburbs received a copy of the "Hollow Log Gazette." And these are the advertisements they read for all the lost things. "Lost—One head, Mister Ringtail. Coon lost the head off his very best cane on Friday. An extra head wouldn't do anybody any good, so please return it at once if not sooner. That is—if you find it." The next one said: "Lost—Five mislaid my glasses. I usually put them on the mantelpiece, but they aren't there. And they're not in my work-basket, or in my book, or in the Sugar-bowl where I sometimes put them by mistake. Finder please return at once as I have to do my darning. Reward, Mrs. Bunny." "P. S.—Never mind. I found them. I had them on."

RED FREEDOM SOON ENDS IN POLISH CITY

WARSAW, May 21—A local Communist organization at Wisnys near Vlna, displayed a communist banner today and proclaimed the introduction of a Soviet regime. The police interfered immediately and the affair ended with a number of arrests.

"AFTER FOUR YEARS' SERVICE in Cuba and the Philippine Islands, I suffered greatly from indigestion. Nothing I took gave real relief. A friend suggested I take a couple of Fleischmann's Yeast cakes daily—I did. In about a month the attacks of indigestion had disappeared. I enjoyed my food. Since then I have had wonderful health and a clear complexion—all due to Fleischmann's Yeast." Louis B. Thomas, Philadelphia, Pa.

New Lives for Old

Vigorous, vital—freed from constipation, skin and stomach ills—through one simple food

"LAST DECEMBER, there appeared a blotch of little blisters at one corner of my mouth. They gradually spread on my face and were very embarrassing. I tried different remedies but nothing seemed to help. So I decided to try Fleischmann's Yeast. I have been (and still am) taking two cakes of Yeast regularly each day for the past four months. I can truthfully say that, aside from clearing up the pimples, it has improved my health in general. I am thankful for Fleischmann's Yeast." Gertrude Souder, Detroit, Mich.

Not a "cure-all," not a medicine in any sense—Fleischmann's Yeast is simply a remarkable fresh food.

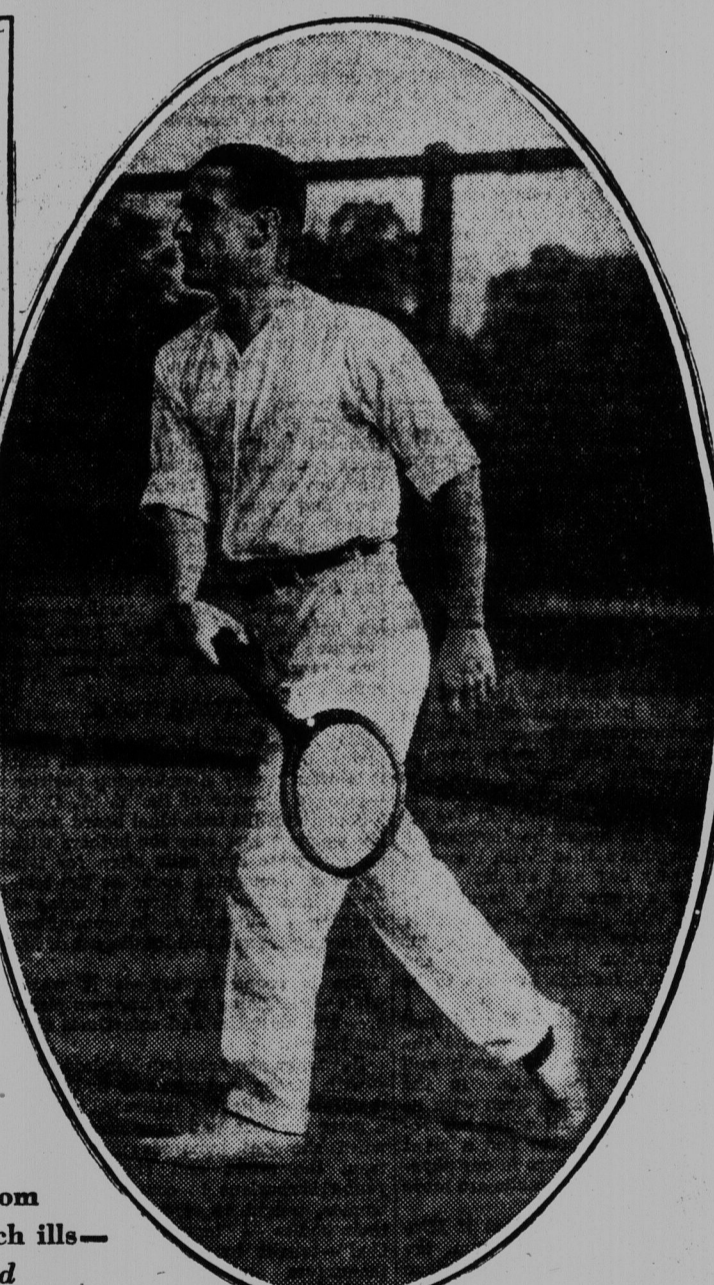

The millions of tiny active yeast plants in every cake invigorate the whole system. They aid digestion—clear the skin—banish the poisons of constipation. Where cathartics give only temporary relief, yeast strengthens the intestinal muscles and makes them healthy and active. And day by day it releases new stores of energy.

Eat two or three cakes regularly every day before meals: on crackers—in fruit juices, water or milk—or just plain, nibbled from the cake. For constipation especially, dissolve one cake in hot water (not scalding) before breakfast and at bedtime. Buy several cakes at a time—they will keep fresh in a cool dry place for two or three days. All grocers have Fleischmann's Yeast. Start eating it today!

And let us send you a free copy of our latest booklet on Yeast for Health. Health Research Dept., L-730, The Fleischmann Company, 208 Simcoe St., Toronto, Ont., Canada. FLEISCHMANN'S YEAST IS MADE IN CANADA

THIS FAMOUS FOOD tones up the entire system—aid digestion, clears the skin, banishes constipation.

"YOU LOOK SO MUCH BETTER than we, who have had vacations, do remarked several of my teachers today. Is it the arduous work of summer school or prosperity that agrees with you? The truth is that Fleischmann's Yeast has cured the constipation that sapped my strength for so long. To-day I feel like a new man." Charles F. Willis, Baltimore, Md.

"MY LITTLE SON Harry was very frail. In addition he was afflicted with boils. The suffering was intense, we were almost distracted. Then we decided to feed him Fleischmann's Yeast. We gave him nothing else. Certainly Yeast is entitled to all credit for his recovery. Harry has never had a recurrence of the trouble. His eats well, and his bowels are regular. And we are thankful for the benefits he received." Harry E. Heckinger, Cincinnati, O.

BAPTIST WOMEN SAY LIQUOR ACT BEING ENFORCED

The closing sessions of the quarterly meeting of the executive of the United Baptist Women's Missionary Union of the Maritime Provinces were held yesterday and business preliminary to the annual convention in the last week in

August was completed. Mrs. W. G. Clarke, of Fredericton, president, was in the chair. At the closing session the following resolution was passed: "The executive of the U. B. W. M. U., representing the United Baptist women of the Maritime Provinces, notes with thankfulness the efforts now being made to enforce our Prohibitory Law and we further urge upon our legislators and all officers responsible, a strict enforcement of the law."

AFTERNOON SESSION.

In the afternoon consideration was given the placing of home mission workers. A committee was appointed to draft a letter to be sent to district and county meetings to have reference to women

workers, available to assist in evangelistic endeavors in rural districts. The mission band supply committee's recommendation that 2,000 new mission band boxes be purchased was approved. Miss Wilson, who has returned from six years of mission work in Bolivia, has written a pageant depicting life in that country and a committee was appointed to arrange for the publication of this pageant. At the closing evening session the provincial secretaries gave their reports as follows: New Brunswick, Miss Augustus Sils; Nova Scotia, Miss Lockhart; Prince Edward Island, Mrs. Glidden. Arrangements were made for missionary representatives to attend the district and association meetings which will take place in June. Miss Bessie Lockhart was appointed to attend the Nova Scotia annual meeting and Miss Grace Baker was appointed to attend the New Brunswick meeting.

Mrs. W. C. Cross submitted a draft report for the convention program. Rev. Mr. Orchard, secretary of western missions, is to address the convention on the missionary work in the Western Provinces. Mission band and guild work will be specially featured in pageants at the convention. Mrs. H. H. Coleman, of Moncton, spoke of the necessity of keeping the temperance question before the public and it was decided to have a speaker on temperance and prohibition address the convention.

PRESBYTERIAL TO MEET HERE TUESDAY

The inauguration of the Saint John Presbyterian Women's Missionary Society of the United Church of Canada is to take place in Saint John next week, when the missionary societies of the former Presbyterian, Methodist and Congregational churches in this district, which have entered church union, are to be amalgamated in one body. The program for the meeting has been prepared by an interim committee composed of Mrs. John Mowat, Mrs. George Baskin and Miss Vessey, of St. Stephen, and Mrs. T. H. Sommerville, of Saint John. The sessions will be held in the Portland United church, opening on Tuesday evening and concluding on Wednesday afternoon. Delegates from all sections of the district are expected to be in attendance and will be entertained in city homes. Mrs. Mowat, of St. Stephen, will be unable to attend because of ill health, and this fact is much regretted.

A MEDICINE THAT GIVES STRENGTH

New Health Comes to Those Who Build Up Their Blood by the Use of Dr. Williams' Pink Pills.

Dr. Williams' Pink Pills are a strengthening medicine. Surely and effectively they build up the blood, invigorate the appetite, tone up the digestion, give brightness to the eye, color the cheeks and lips, and firmness to the step. These pills have direct action on the blood, making it health-bearing streams; thus no part of the body can escape their beneficial action. Weak men and women, boys and girls find new health and strength through the use of this world-renowned blood builder. Mr. N. H. Langville, C. N. R. agent at New Germany, N. S., says: "In November, 1924, I had a severe illness which left me in a very run-down condition. I had a supply of Dr. Williams' Pink Pills and derived great benefit from them. My appetite which is now normal I owe to the use of these pills. I can therefore recommend Dr. Williams' Pink Pills as a fine tonic." They Dr. Williams' Pink Pills for anemia, rheumatism, neuralgia, nervousness. Take them as a tonic if you are not in the best physical condition and cultivate a resistance that will keep you well and strong. Social Notes of Interest

Mrs. Frank Lewis gave a small but very enjoyable bridge at her residence, 2 Saint James street, on Thursday evening in honor of Miss Ethel Wigmore, who is visiting her parents, Hon. R. W. Wigmore and Mrs. Wigmore. West Saint John, left this week for Moncton en route to his home in Campbellton. Miss Kitty Darrell, of Hamilton, Bermuda, is a guest at the Clifton House. Before returning home she will visit her niece, Miss Barbara Smith, a student at Edgichill School, Windsor, N. S. Miss Darrell expects to return to Bermuda, via New York.

Mr. and Mrs. M. H. Dunlap announce the engagement of their daughter, Margaret, to Murray E. Nixon, son of Mr. and Mrs. George H. Nixon, wedding to take place June 8.

Mrs. Ernest DeVenne, 4 Barker street, gave an enjoyable birthday party yesterday afternoon in honor of her little daughter, Dorothy, who attained her fifth birthday. A large birthday cake, lighted with pink and white candles, with the girl's name on top, centred the nicely arranged table. Pink streamers hung from the chandelier to each little guest's plate. Each child brought appropriate gifts. Supper was served at 6 o'clock, after which music and games were enjoyed. Mrs. Ernest Marshall, Little River, and Mrs. Arthur Garnett assisted in serving. Those present were: Olive Byfield, Marjorie Merrill, Margaret Black, Constance Godwin, Audrey DeVenne, Helen DeVenne, Olive Ward, Eileen Ibbotson, Lloyd Marshall, Gordon DeVenne and Norman DeVenne.

Mr. and Mrs. Herbert McAdam, of St. Stephen, motored to the city yesterday in the afternoon. They were accompanied by Miss Etta Sampson and Miss Bertha Bailey, members of the city teaching staff, who will be their guests until after the holiday.

Miss Hazel Woodbury, who has been visiting her mother, Mrs. Elizabeth Woodbury, at St. George's, has returned to the city. Miss Helen Scovil, who has been the guest of Miss Kaye Cookburn at St. Stephen, has returned home.

Mrs. Leonard Tilley and Miss Ethel Hazen Jarvis leave this evening for Washington. Mrs. Tilley will represent the Canadian Red Cross at the Pan-American Conference, which concludes its sessions on June 6. Mrs. Jarvis has been appointed to represent the New Brunswick Red Cross at the conference.

Mrs. Everett Hunt and little son, Fraser, have returned from Fredericton, where they have been the guests of Miss Nan Fraser.

Mrs. Brehm, who spent the winter with her sister, Mrs. W. C. H. Grimmer, Germain street, has returned from a short visit to Montreal and is at present the guest of her sister, Mrs. F. H. Grimmer, at St. Andrews.

Mr. and Mrs. C. S. Everett, of St. Andrews, were recent guests in the city.

Prominent Writer To Spend 5 Years Here Bonnydale Dale, his assistant, "Laddie" and their Airedale, "Dash," came to town yesterday in their tourist sleeping motor car and left for Fredericton after a short stay. Mr. Dale, who is widely known as a writer on outdoor life in Canada, proposes to reside in New Brunswick for five years for the purpose of studying the topography, wild animals and game birds and fish of the province, with the object of writing an authentic book for the information of tourists and others interested in the great outdoors. Mr. Dale has been in Nova Scotia for seven years. While there he wrote a book on the attractions of that province, and took over 1,000 photographs of living birds, animals and fish. He has contributed to many publications, including magazines devoted to life outdoors, and dailies in several cities. While in Fredericton Mr. Dale will confer with the Department of Lands and Mines regarding forest laws, fish and game laws, and will ask permission to enter the woods at any time.

CLAIMS UNFAIR TRADE METHODS RUIN BUSINESS

Head of Retail Merchants Association Condemns Price Cutting
ADVOCATES FAIR TRADE LEAGUE

Urges Get-Together of Retail and Wholesale Dealers Here

Price maintenance as a fair trading policy, was the subject of an address delivered last evening by Joseph T. Crowder, of Vancouver, Dominion president of the Retail Merchants' Association of Canada, to a representative body of the local Retail Merchants' Association and Wholesale Grocers' Guild, at a banquet at the Admiral Beatty Hotel.

M. E. Grass presided with Mr. Crowder, L. W. Simms, president of the Saint John Board of Trade, and W. S. Fisher on his right, and Hon. J. B. M. Baxter, K.C., Premier of New Brunswick, David Magee and William Hawker on his left.

tures was called at Toronto in March, and the Canadian Fair Trade League had been created which would make it possible for the manufacturer to set a fair price upon his goods to the consumer and see that the distributors observed this price.

He pointed out that the idea of the manufacturer setting his price was not a new one, but had been carried out in Canada for many years by a number of the leading firms, some setting a fixed price for all localities, others varying the price for different zones as transportation and other charges made advisable.

Many of the British Columbia retailers had co-operated with the manufacturers on a maintained price basis and had materially increased their sales without charging prices out of proportion with those charged for similar commodities and comparable with those charged in other parts of Canada.

FALSE IMPRESSIONS

The speaker said that many false impressions had been circulated by people who wished to make it seem that the Canadian Fair Trade League wished to raise prices. Such was not the case. The manufacturer would state his price which would have to meet competition from every other manufacturer in his line. He instanced the bar chocolate business as one in which the price was maintained at five cents, and yet competition in this line was particularly keen.

In Great Britain, Mr. Crowder said, the principle had been in vogue for many years, and yet some commodities that have had their price established for a quarter of a century, were selling there at prices less than they were bringing in Canada in a wide open competitive market. He pointed out that the movement was not a price-fixing one, but a price-maintaining one.

IS QUESTIONED

In reply to a question as to whether the movement would not put chain and department stores and mail-order houses out of business the speaker said that firms did not go out of business because they sold at a profit but because they made losses. Competition for the public favor would remain keen but the price competition would be lessened.

be between the manufacturers as was now the case in the automobile industry. Dealing with the legal aspect of the movement Mr. Crowder said that Premier King had stated that there was nothing illegal in fixing a common price or resale price. The offence lay in the action being detrimental to the public interest.

conditions in the country. Last year, he said, \$10,000,000 worth of fruit and vegetables of the kind that could be produced in Canada were imported. If prices could be stabilized this would be prevented, but a man could not sell articles for 25 cents when his competitor was selling the same articles at 17 cents.

GIVEN VOTE OF THANKS

Mr. Simms, in moving a vote of thanks to the speaker, spoke of the interest in retail prices felt by the manufacturer and said that price cutting must in the long run prove to be injurious.

Mr. Fisher, in seconding the motion, mentioned the necessity for proper rail rates, nationalization of the harbor, development of natural resources, and called to the attention of the members the recently formed export club.

Mr. Magee said that price maintenance must appeal to every right-thinking man.

The following resolution was passed

MARRIED 70 YEARS

Chippenham, England, Man of 93 and Wife of 91, Have "Pearl" Wedding

LONDON, May 22.—Mr. and Mrs. George Webb, of Chippenham, recently celebrated their "pearl" wedding, having been married on April 3, 1856—70 years ago.

Mr. Webb was 93 on New Year's day, and his wife is two years younger. Both worked on the land, and Mr. Webb has lived in the village all his life. They became engaged when Mr. Webb was a cowman and his wife a dairymaid.

"As a boy," said Mr. Webb, "I worked for four cents a day. That was my first wage; when I became a cowman I was paid \$2.50 a week." The old couple look after their garden, and they both have such good eyesight that they read without glasses.

When she was a child Mrs. Webb was taken to a tea in celebration of Queen Victoria's coronation, and after the Indian Mutiny she and her husband attended a peace dinner, which was

served at tables in the village street. All the guests had to carry their necks.

"Resolved, That this meeting goes on record as favoring the principle of price maintenance as a fair trading policy and pledge our co-operation to the officers in charge of this movement so that business conditions in Canada may be improved generally."

At the suggestion of F. W. Daniel the words, "to the ultimate advantage of the consumer," were inserted.

The following were appointed a committee of retail grocers to meet with the wholesalers for the further consideration of the question: North End, Messrs. McAlary and Harold Gault; West End, Messrs. Donovan and T. Rippey; South End, J. H. Kelly and T. W. Rowley; Valley, F. S. Purdy and Frank Byron; Centre, M. B. Grass and F. Reicker; Fairville, W. C. Ross and J. Allison; East Saint John, Allick Taylor.

Mr. Grass was appointed to represent the retailers on the finance committee. It was suggested that members might be secured through the travelling salesman for wholesale houses.

Nervous Strain of Modern Life

LIFE was never lived at such high tension. There is a mania for speed, hurry and excitement. Nerve force is consumed at a tremendous rate and there is little time for recuperation.

But there is a limit to human strength. Sooner or later there comes the nervous breakdown.

There is usually plenty of warning of the approach of nervous exhaustion or collapse. You find you do not rest or sleep well. You are nervous and irritable. Little things annoy and worry you. You may have indigestion and headaches.

To get away from this condition you must have rest. You must help the nerves to get back health and vigor. The most effective restorative of the nerves is Dr. Chase's Nerve Food. Many have been restored after months or years of the most serious forms of nervous trouble. But prevention is the wiser course. It is so easy to head off trouble by using this great restorative when the warning symptoms come. You will feel younger and look younger and your friends will notice this and compliment you. THE SYMBOLS OF A DISTINGUISHED MOTOR CAR

The Wonder-Car of the Industry-Performance that eclipses Everything in its Class

AT no other time in the history of the industry has a new car been accorded a reception like that of the Willys-Knight "70." At its price, it becomes, we believe, the outstanding value of the world in the six-cylinder field.

Combining the world renowned advantages of the Knight, Sleeve-valve motor (smoothness, long life, simplicity, economy) with revolutionary achievements in Six Cylinder engineering, has given this new "70" speed, power and pickup that out-performs any other car of its size and type and class.

It has the only type of engine that actually improves with use. No carbon to remove. No valves to grind. Better and smoother at 50,000 miles than at the beginning.

Drive it at 2 to 65 miles or faster; the engine quietly purrs on; not a semblance of vibration. At all speeds there is a complete absence of all road shocks. As a result of its advanced engineering there is absolutely no wandering, no shimmying, no wheel-fight.

These features of performance are embodied in a Sedan of distinctive elegance, superbly equipped and finished in the height of luxury. All waste space has been eliminated.

Such items as four-wheel brakes, air purifier, gasoline filter and thermostat are, of course, included as standard equipment. A special feature provides instant starting in zero temperatures.

See this wonder-car today. Ride in it, and enjoy a performance you never thought possible. Easy time payment terms at low cost.

For those who want the finest—the Willys-Knight Great Six: 7 Passenger Touring, 4 Passenger Coupe, 5 Passenger Sedan, 7 Passenger Sedan.

Planetary Transmission

Quality of mechanical design is just as important in a motor car as quality in the materials used in executing that design.

The planetary transmission is an exclusive Ford feature and is conceded to be the ideal speed control for a light car.

It gives complete control through foot pedals and leaves the driver's hands free to manipulate the steering wheel. Since the gears are constantly in mesh, there is no possibility of clashing; speed changes are made instantly and noiselessly. This transmission costs more to build than the conventional sliding gear type but is used because of its superiority.

The consequent ease of operation is a constant satisfaction to the Ford owner.

MAYOR URGES STUDENTS WORK IN COMMUNITY

Points to Loyalists in Address Given at High School

INTEREST ASKED IN AFFAIRS OF CITY

Lt.-Col. Harrison Lauds Late Miss Warner—Fairville School

Exhorting the students to do their utmost, by their individual efforts, for the prosperity of the community, and subsequently the nation, in which they live, Mayor W. W. White, who addressed the Saint John High School students yesterday afternoon, held the close attention of the young people throughout the duration of his address.

Mayor White painted a graphic word picture of the Loyalists' arrival at Saint John and urged the boys and girls in the audience to emulate their forbearance, bravery and high ideals.

"The cargoes which the Loyalist vessels brought to our city," the Mayor said, "were far richer than any mercantile commodities. They were cargoes of zeal for patriotism, duty and progressiveness. The Loyalists severed themselves from all ties in order to hold to their ideals. This was a practical demonstration, and they have given us a heritage which we must do our best to sustain. We are proud of this heritage," the Mayor remarked.

"Take an interest in the affairs of your community and your nation. Prosperity is the result of effort. See that you exert yourself to the utmost," the Mayor urged.

Mayor White congratulated the pupils on the high standard of their program and expressed his pleasure at being asked to address the students.

LT.-COL. HARRISON. Lt.-Col. W. H. Harrison, M. L. A., whose address preceded that of the Mayor, dealt briefly with the biography of the late Miss Warner and asked the young lady students to make her ideals their own.

"As a war nurse," said the Colonel, "the late Miss Warner shirked no duties. Her path lay always in the course of danger. She ceaselessly courted duty and in her zeal and de-

tion to the sick and wounded she did not falter." "By her constant attention, day and night, to the men gassed and severely wounded in the Great War, fearless of fatigue and bombardments, she has won the admiration of all," Colonel Harrison said.

"This portrait," concluded the Colonel, "with its inscription, will serve as a memorial of the grace and beauty of character that shone in her face—the printed record will perpetuate the memory of her noble deeds. May you young people keep ever fresh the memory of and emulate her deeds of service to her fellow creatures, her self-sacrifices and her ennobling love."

IN FAIRVILLE. The Fairville Superior School of which I. Newton Fanjoy is principal, observed Empire Day with public exercises in the Gayety Theatre, Fairville. The theatre was decorated with flags and bunting for the occasion. The pupils led by the cadet corps followed by the older girls wearing red, white and blue, paraded from the school to the theatre. Mr. Fanjoy was chairman and gave an opening address of welcome. A pleasing feature was presentation to Miss Mildred Crosby, of Grade 8, of the prize given by Windsor Chapter, I. O. O. F., for highest marks in Canadian and British history. H. M. Stout made the presentation. An interesting address given by L. W. Simms was entitled "Our Part in World Affairs." Rev. J. S. Bonnell, of St. Andrew's church, gave a stirring patriotic address entitled "Canada's part in the World War." Rev. C. T. Clark moved the vote of thanks to Mr. Simms and Mr. Bonnell and to Thomas O'Tourque, proprietor of the theatre. Miss Katie Fox was pianist and Miss Mae Delta violinist in the accompaniment for choruses.

The other numbers in the program were as follows: Chorus, "O Canada," with demonstration by the cadets, led by Charles Cheeseman; recitation, "Children of the Empire," by Mary Clark, Grade 7; chorus "The Empire is our Country," by the school; recitation, "The Native Born," by Ethel Reid and Jack Allan; violin solo, Norma Linton, Grade 8; chorus and solo by Margaret Stout, "A Song of Canada"; salutation of the flag by the school.

The primary grades of the Fairville Superior School held their Empire Day exercises in Grade 11 room. Pupils of Grades 1 and 11 both taking part. The program was as follows: Chorus, "O Canada," flag exercise and drill, by Grade 11; recitation, "My Country," by Raymond Keating; exercise, "Making of the Union Jack," by girls and boys of Grade 11; flag chorus by boys and girls of Grade 11; flag colors exercise by Grade 11; recitation, "Spring," Grade 11; exercise, "What the Colors Teach," Grade 11; salutation of the flag and the National Anthem.

ST. ROSE'S. St. Rose's School, Union Point, observed Empire Day with a very pleasing program. Arthur N. Colton, principal, was chairman and the pupils gave a pleasing operetta, "The Wooming of Miss Canada." Those taking part were Dorothy Colley, Lillian Gray, Beatrice Heenan, Hazel O'Neill, Rita Inch, Mar-

LAUDS EXPENDITURE ON HUDSON BAY RLY.

Premier of Saskatchewan Endorses Federal Government's Decision in Speech

WINNIPEG, Man., May 21.—Heartily endorsing the decision of the Dominion government to spend \$8,000,000 on the Hudson Bay Railway this year, Hon. James G. Gardiner, premier of Saskatchewan, declares this was practically all that could be expended in that time, even if parliament was to vote twice the amount of money, when addressing the Young Liberal Club of Winnipeg at a banquet in his honor here last night.

Premier Gardiner discussed two important questions, the tariff and transportation and made an appeal for unity on the part of the Liberals, under one leader, in the interests of the fundamental principles for which Liberalism stands, especially the principle of Canadian unity.

He hailed with satisfaction the decision of the King government to investigate the use of the Transcontinental all-rail route, and he was satisfied that if the lines were used in the way originally planned it would prove a boon to the country and help to solve the problems of the Maritime Provinces.

Road Work Commences. GAGETOWN, May 21.—Work on the roads commenced this week under the local road commissioner, Michael Law. Ditches are being cleared, and the gravel which was hauled last winter from the gravel pit on the McKeaney property and deposited at various centres is now being hauled and spread on the roads.

Men do laundry work covertly in the wash bowls of hotels the same as women, it was brought out recently by Mrs. Lois P. Hughes, hostess at the Hotel McAlpin in New York, who was one of the speakers at the women's day program held in Paul Bevere Hall, Boston, in connection with the New England Hotel Men's Exposition.

"Men wash their underwear and hang them in their wash bowls and hang them on chairs to dry in their rooms, just as women do," said Mrs. Hughes, explaining the theory that women are the only offenders in this respect. "Their reasons vary, however; women do it largely for economy and men to save time."

"Spitting on the floor is the commonest offence against the hotel among men, and writing telephone numbers on the wall paper, the irritating trick to which most women are prone," said Mrs. Hughes.

"Both men and women have the trick in common of shaking the ink from their fountain pens on the carpets and rugs of hotels, annually spilling many dollars' worth of floor coverings. "Now that women smoke cigarettes, they are just as careless about burning the tops of bureaus and tables as men are. They are almost equally responsible for this sort of damage to hotels. The cigarette and cigar are prodigious destroyers of bad linen, blankets and spreads, fine towels, rugs and carpets."

This Stunning Studebaker Big Six Roadster

The Perfect Graduation Gift

Gem of all Studebakers—\$2265 By all odds the finest roadster to be had within \$1000 of its price

WHAT finer gift than this dashing new Studebaker Roadster? To be the owner of this car of surpassing beauty and performance means a world of new freedom and pleasure.

Three sit comfortably in the wide front seat—two in the rumble seat beneath the rear deck. It's built low to the road for smartness and roadability—and powered with the famous Big Six engine, offered for the first time in a roadster of racy design and stream-line smartness. Only seven American cars equal the Big Six Sport-Roadster in rated horsepower, and they cost two to five times its price. Hence we urge you to compare its thrilling performance with that of the most expensive cars.

Miles mean little to this sturdily built Roadster. Unit-Built to the highest standards in the industry—it will maintain its able performance for years. No "extras" to buy. The Big Six Roadster comes to you completely equipped—ready for the road as it stands. Chassis and engine are especially designed for the Studebaker-built body. Full-size balloon tires, long, resilient springs and snubbers assure unsurpassed riding ease. Body is finished in two tones of green gray, in pleasing contrast to the natural wood wheels and the nickel plating of the radiator, windshield frame and rear-deck rails. Genuine leather upholstery, with the seat back adjustable to the exact angle desired. The spark is automatically controlled by speed of the engine. The spark lever is thus made obsolete and is replaced by the safety lighting control on the steering wheel. Equipment includes windshield wings, front bumper and rear bumperettes, gasoline gauge, stop light, automatic windshield cleaner, air cleaner, oil and gas filters, motometer, coincidental lock to ignition and steering controlled by the same key locking the tool compartment in the left door and the spare-tire carrier at the rear. Spare tire, tube and cover are standard equipment. Under Studebaker's fair and liberal Budget Payment Plan, this Roadster may be purchased out of income at time-payment rates as low as any known to the motor world.

The New-Day JEWETT SIX Don't be content with a look—or even a ride. You don't drive a car standing on the curb. Get inside! Drive—actually take the wheel and drive yourself. For that's what you want a car for. And in its ability to handle more easily, respond more quickly, negotiate traffic more speedily and safely—in all these things the New-Day Jewett actually delivers a brand of performance you simply can't get in other cars of any price.

It's amazing what a difference you feel the moment you first step inside the New-Day Jewett Six. You have such a secure feeling. You know there's something solid and substantial under you. You imagine you're driving a much larger and heavier car. Try it—it's almost uncanny—this feeling of confidence, of dependableness, of complete traffic mastery. You can see everywhere. Jewett has almost completely eliminated the deadly "blind spot." The lightest touch of the fingers controls steering—turning you completely around in the narrowest of streets, if you choose. Acceleration is instantaneous—and the perfected Paige-Hydraulic 4-Wheel brakes bring you to cushioned rest almost immediately. Phone us—we'll arrange such a drive anytime, entirely without obligation.

Only The "New-Day" Jewett Six offers all these features: Lightning-like acceleration—Paige-Hydraulic 4-wheel brakes—Abundant power and speed for any driving need—Easiest steering, shifting, and parking of any car built—Clearest vision—almost total elimination of the deadly "blind spot"—steel body—Interior roominess equal to much longer cars—Paige quality throughout in materials and workmanship—And Jewett's lowest closed car price. \$1345 for the Standard Sedan; De Luxe Sedan, \$1485; De Luxe Touring Car, \$1625; Paige Hydrovac 4-Wheel Brakes without extra cost. GREAT BRITAIN HAS BIG PENSION LIST

Total For Current Year is £127,450,000—£63,957,000 Due to War

For the current fiscal year, ending March 31, 1927, the British Government is obligated to pay pensions in the aggregate sum of £127,450,000. Of these amounts the largest are for war pensions, including merchant seamen's pensions and administration, amounting to £63,957,000, according to advices received by the Bankers Trust Company of New York by its British Information service, and pensions charged to defence votes amount to £16,288,000, or altogether £80,245,000 for what may be designated as pensions for military purposes. Old age pensions and widows' and orphans' payments call for £23,795,000; £4,888,000 is payable to school teachers, £2,984,000 to the police and £2,447,000 to civil servants. These payments will exceed those for the previous year by £2,568,000 and compare with a total of £20,051,000 in the year which ended March 31, 1915.

LEARNS ENGLISH, FREED OF CRIME

Innocent Men Convicted of Murder By Court Interpreter Making Mistake

Rafaelo Morello, who was sentenced on April 27, 1918, to life imprisonment in New Jersey for the supposed murder of his wife, Anita, had to learn to speak English. The State Court of Pardons released Morello after it discovered that an interpreter's version of the testimony of a witness, which resulted in Morello's conviction, was altogether wrong. Morello, at the age of 25, was called by the draft board in 1917 and accepted for service. On the night of November 26, 1917, he went with his wife to the home of her parents in Newark to spend the night there, as he was to report at Camp Dix for service the next day. She tried to urge him to claim exemption as they lay in bed. He refused. After he fell asleep there was a shot and he awoke to find his wife dead beside him. Fearing that he would be accused of the crime, he picked up the revolver and wounded himself. A neighbor entered the room after hearing the shots and found husband and wife side by side, the one wounded, the other dead. This is the neighbor who testified. Morello was sentenced to life imprisonment for the crime, when the court interpreter translated from the

neighbor's testimony so as to make it appear that Morello had freely admitted the killing.

At a loss to understand why he was sent to prison, Morello learned to speak the language. Finally he told the true story of the shooting affair and the Court of Pardons subsequently freed him.

Boston Clergyman To Marry Waitress

The Rev. Dr. Arthur Webber Perry Wylie, rector of All Saints' Episcopal Church, Dorchester, Boston, and Miss Rosa Beatrice Dodds, waitress in a Boston restaurant, will be married June 1, it was learned recently, the couple confirming the report. Their marriage is the result of a romance dating back 13 years to when Dr. Wylie went to Boston to complete his theological studies.

YOUNG ELEPHANT PLAYS ON VESSEL

Steamship From India Lands Animals at Boston For Circus

A herd of six elephants, two youngsters and four adults, fresh from the jungles of India, arrived recently aboard the Ellgrem Line steamer Kalomo, at Boston from Calcutta and Colombo. Two others died while the ship was passing through the Mediterranean, the change of climate and the cold proving too much for them. A few hours after the ship's arrival, the animals were coaxed into big slatted crates, swung over the side by the derricks onto the pier, and put into a car to be taken to Peru, Ind., to be trained for work with the Sello circus. Mrs. Jumbo is the largest of the lot, tipping the scales at nearly three tons. She was so big that it was found impossible to get her into the compartment on the shelter deck occupied by the others, and so she made the long trip in the open, being protected from

ESSEX

In reply to inquiries from motor buyers, this definite assurance is made to the public:

There is no intention to either discontinue manufacture of the Essex "Six" or to change its name.

Essex is our largest selling car. More than 800,000 are in service. Daily production has just been increased 50 p. c., which will make the May output for the Coach alone greater than the entire Essex May output for last year, the then record Essex month.

Production of both the Hudson Super-Six and of the Essex "Six" will be continued with the intent to keep them the outstanding values of their respective types.

The Oil that for 13 Years Has given the "film of protection"

Motor oil in action is not the cool, gleaming liquid you see poured into your crankcase. Only a thin fighting film of that oil protects your motor; a film lashed by heat, harried by friction. And the film must be able to resist punishment for many long driving hours.

Far too often the ordinary oil fails. The film breaks, curls up, burns. Through the shattered film metal chafes against metal. Vital parts are bared directly to destructive heat and friction. The result? A slow march to a repair shop.

Tide Water Engineers spent years in studying not oils alone, but **OIL FILMS**. After thousands of tests, they perfected in Veedol an oil that gives the "film of protection," *thin as tissue smooth as silk, tough as steel*. More than 3,000 laboratory tests a month at the Tide Water refinery insure a "film of protection" always uniform, always trustworthy.

Any dealer displaying the orange and black Veedol sign will gladly drain your crankcase and refill it with the correct Veedol oil for your car. Have this done today and be sure to ask for Veedol by name.

BEAVERBROOK HAS INVITED TWO MORE COUPLES FOR TRIP

Former Principals of Harkins Academy and Their Wives to Go

FREDERICTON, May 21.—Dr. Philip Cox, professor of natural history and geology at the University of New Brunswick, and Dr. F. P. Yoston, a medical practitioner, of Montreal, former principals of Harkins Academy, Newcastle, together with their wives, have been invited by Lord Beaverbrook to join the party of New Brunswick high school teachers who will tour Great Britain during July and August under Lord Beaverbrook's traveling scholarship plan which is being inaugurated this year.

In communicating the names of the twenty-five New Brunswick high school teachers selected for this tour to Lord Beaverbrook, Mr. Justice Crockett, chairman of the committee of selection, incidentally expressed regret that there were no representatives included from the school at Newcastle formerly attended by Lord Beaverbrook. In a reply by cable Lord Beaverbrook requested Mr. Justice Crockett to extend an invitation to Dr. and Mrs. Cox and Dr. and Mrs. Yoston, to be his guests on this summer's tour and to join the party leaving Canada the first of July.

Letters to the Editor

(Will correspondents favoring The Evening Times-Star with letters on matters of public interest please note that it is necessary to append name and address for publication. The shorter communications are given the right of way.)

Editor Times-Star:—

Sir,—Interest has been created recently by several articles which appeared in the columns of your paper, with regard to maternity accommodation for poor married mothers. And after reading your Editorial of Thursday, May 6th, it has occurred to us that the time is now opportune to place before you the position of the Evangeline Hospital relative to this question.

The Evangeline Hospital has provided a ward with six beds fully equipped and ready for the accommodation of any poor married mother whom the city authorities may see fit to send. There such cases get the best possible care, at the hands of nurses thoroughly trained and efficient in maternity nursing. These services and this accommodation, according to the arrangement holding good throughout the province, would cost the city \$1.50 per day per patient.

The Evangeline also has provided accommodation for married mothers, who, while desirous of saving some-thing toward maintenance, could not face the responsibility for the full hospital charges. This provision has been, and undoubtedly will be again, gratefully recognized and accepted.

It should also be known that the Evangeline Hospital provides shelter and nursing for unmarried mothers, who turn to this haven in their hour of need. In this regard your Editorial says, "The terms seem exacting." We would respectfully submit that this is not in accord with the facts. Every woman, coming under this heading is expected to do "something," but that something is dictated by her condition of health, and the direction of such work is under the careful supervision of a thoroughly skilled nurse. Is it wise to allow people to sit about idly? Work, provided it is not exacting, is helpful and stimulating rather than otherwise.

Your Editorial mentions the need of student nurses proceeding to Montreal for their maternity training. Now, previous to the Evangeline Hospital moving into its present location, it was affiliated with the General Public Hospital, and Saint John students received their maternity training at that institution. Unfortunately, the accommodation was limited in the new premises, consequently, training ceased, but only for that reason. The effectiveness of the training has never been called into question. Recently a new wing has been added to these premises, thus greatly increasing the accommodation, and making it quite possible for the Salvation Army authorities to offer to the city training facilities for their student nurses, and arrangements for this course, we think, be easily effected, if the city so desires. There is also ample room for future extensions, if the necessity for this should arise.

Sir, the above we trust will make the position of the Evangeline clear to yourself and readers, namely: this institution has done what it could to meet—as they arose—the needs of such cases as could suitably be dealt with; that it has provided up-to-date accommodation for the nursing of maternity cases, and that it can offer to the city suitable accommodation for such maternity cases as could suitably be dealt with.

SALE OF HOLDINGS OF SINCLAIR CO. TO FRASERS ASSERTED

256 Miles of Leasehold and 15,000 Acres Grant Involved

NEWCASTLE, May 21.—It has been rumored in lumber circles that the Sinclair Lumber Co., of Newcastle, have sold their lumber lands to Frasers Ltd. Although nothing authentic has been given to the public, it is understood that negotiations have been going on between the two lumber companies for some time. The Sinclair Lumber Company own 256 miles Crown lands and 15,000 acres grant. All this is said to have been sold to Frasers Ltd.

The Sinclair Lumber Company was founded by the late Edward Sinclair in 1901. The business was sold to the late Mr. Sinclair's son-in-law, John McKane, who operated the business for some three years when William and E. H. Sinclair, sons of the founder, repurchased the property and have operated it successfully ever since.

NO LAND AT POLE

Capt. Bernier Declares Canada Owns All Land up to 90 Degrees

Canadian Press

QUEBEC, Que., May 21.—"The North Pole means nothing to Canada. What do we want the pole for? Have we not claimed all the land up to a position of ninety degrees? During my voyages to the Arctic Circle in past years, I have taken over 500,000 square miles of territory for this Dominion. I always believed there was no land at the Pole, and I still hold to that same opinion."

Such was the statement of Captain J. E. Bernier, Canadian Arctic explorer, at a meeting of the board of trade here yesterday.

NEWCASTLE CHIEF ASKED TO REMAIN

NEWCASTLE, May 21.—At a meeting of the town council, held here last evening, the aldermanic board would not accept the resignation of Chief of Police Hopkins.

Some time ago Chief Hopkins was made heir to a fortune through the death of his father and for this reason he submitted his resignation to the town council for their consideration. The chief has been an eminent officer and the council has asked him to remain in Newcastle and reconsider the resignation.

FRENCH DIVORCE IN MONTH COSTS \$3,100

Canadian Press Despatch

PARIS, May 21.—A divorce in this country on the ground of abandonment of the conjugal domicile now costs \$2,200 with \$600 court costs added, or \$2,800 in all, if happily both parties to the divorce suit are willing that the duration of the legal proceedings shall be only one month instead of the usual four months.

There is no stipulated period of residence required by the French divorce courts, which take jurisdiction on the assumption that the husband has established his domicile in this country. The lease of an apartment for three months is sufficient proof of domicile here.

LOCAL FANS FACE CHOICE OF THREE LEAGUE OPENINGS ON THE QUEEN'S BIRTHDAY

City League, County League and South End Anticipate Big Year As Schedules Get Under Way

BASEBALL fans in the city face the unusual choice on May 24, Monday next, of three senior league openings, an event unprecedented in the history of amateur baseball here.

CITY LEAGUE Water Department vs. Saint Johns, East End grounds, 3 p.m.

COUNTY LEAGUE St. Rose's vs. Shamrocks, East End, 10:30 a.m.

SOUTH END LEAGUE Royals vs. St. John the Baptist, South End, 3 p.m.

Martellos vs. Crescents, South End, 7 p.m.

This is a formidable lineup and will satisfy the most exacting fan, and unless his choice is already made will give him quite a time in making a choice.

CITY LEAGUE The City League opening on the East End features the first appearance of the Water Department, who won the Maritime title in such convincing fashion last year after a sensational race with the St. John the Baptist team.

COUNTY LEAGUE The City and County League will open with a double-header on May 24, according to a decision reached at a meeting of the league last evening.

AMERICAN LEAGUE The City and County League will open with a double-header on May 24, according to a decision reached at a meeting of the league last evening.

DUTY OFF SOME AUTO PARTS; STATEMENT ON CAR TARIFF

Modifications Decried to Restrict Smuggling, Robb Declares in Announcing Latest Changes to Commons

FORKE BLAMED BY DRAYTON FOR CUTS

25 Per Cent. Drawback for Materials Used in Motor Manufacture Granted Until April 1 Next, If Two-fifths of Finished Articles' Cost is Made in Dominion

OTTAWA, May 21.—Hon. J. A. Robb, Minister of Finance, announced in the House of Commons today modifications in the automobile tariff. The reduced duties on imported cars, announced in the budget, remain, but these changes, in brief, are proposed:

1.—Certain automobile parts, such as horns, distributors, etc., of a kind not made in Canada and imported by automobile manufacturers for use as original equipment in the manufacture of automobiles enter free of duty.

2.—Chassis enter at the same tariff rates as given for automobiles in the budget recommendation, namely, 12 1/2 per cent. British preference, 17 1/2 per cent. intermediate and 20 per cent. general for cars valued at \$1,200 or under and 15 per cent., 25 per cent. and 27 1/2 per cent. respectively for cars valued at \$1,200 or over.

3.—The budget tariff rates on automobiles of \$1,200 value, or under, will apply to new cars only.

4.—Tops, wheels and bodies for automobiles will be dutiable at 20 per cent. British preference; 27 1/2 per cent. intermediate, and 30 per cent. general.

5.—Chassis, tops, wheels and bodies for locomotives, motor cars for railways and tramways will be dutiable 22 1/2 per cent. British preference; 30 per cent. intermediate, and 35 per cent. general.

6.—Twenty-five per cent. drawback on materials used in automobile manufacture to be granted till April 1 next, if 40 per cent. of the cost of the finished article has been produced in Canada. In the budget resolutions 50 per cent. of the cost had to be produced in Canada.

The general tariff is applicable to imports from the United States.

MEIGHEN'S RETURN WAITED.

All the tariff items in the budget were approved tonight before the committee rose. The two tariff resolutions under consideration were not finally disposed of, however, Mr. Robb pointed out that Mr. Hon. Arthur Meighen, Opposition leader, desired to speak on the resolutions and suggested that their final approval be withheld until Tuesday, when it was expected Mr. Meighen would be in the House.

PROFIT IN SMUGGLING.

In the course of the discussion, J. A. Robb, replying to Sir Henry Drayton, said that it had been found that the high duties had made it profitable to smuggle cars. It had occurred to him that if smuggling were so profitable it might be well to look into the matter. The automobile industry, it had been found, had been taking full advantage of the old duty, but those engaged in the production of parts had not been doing likewise. He believed that the automobile industry suggested the reduced tariff was being accorded sufficient protection to make a profit.

Sir Henry Drayton asked Mr. Robb if he had any idea what protection the automobile industry in Canada was entitled to.

CALLS PROVISION WISE.

The minister replied that his investigation into the matter had led him to the conclusion that the provision requiring that the per cent. manufacture in Canada was an exceedingly wise one. He had discovered that some motor plants were not manufacturing, but were merely assembling in Canada. These plants were not so much interested in the Canadian market as they were in exporting under the treaties which granted favorable consideration to Canadian products. He had no wish to injure the motor industry of Canada, but he wanted this industry to do a reasonable business in the Dominion. He had come to the conclusion that it was enjoying too much protection.

GOVERNMENT PROPOSAL.

With reference to the manufacture of parts, Mr. Robb said the Government would be in a better position to deal with them when they got together and agreed on just what they wanted. The Government proposed to give the automobile manufacturers reductions on certain parts not made in the Dominion. Sir Henry Drayton asked the minister if the smuggling of cars into Canada was really a reason for reducing the tariff.

NEWFOUNDLAND LADY SUFFERED WITH HER BACK AND FOUND RELIEF BY DODD'S KIDNEY PILLS.

Mrs. S. Snelgrove is Now Very Enthusiastic About Dodd's Kidney Pills.

EXPLOITS, Nfld., May 21.—(Special)—After suffering untold pain and discomfort for ten years, Mrs. S. Snelgrove tells how she found relief by using Dodd's Kidney Pills. She says: "I have used your Dodd's Kidney Pills and they have done me a lot of good. I suffered with a bad back and was not able to walk upright. I also suffered from rheumatism and diabetes. My sleep was broken and unrefreshing and my appetite was fitful. After taking six boxes of Dodd's Kidney Pills my back is better and I am able to walk and work in comfort. I always keep Dodd's Kidney Pills in the house and would not be without them."

All that is claimed for Dodd's Kidney Pills is that they are a kidney remedy. They heal and strengthen the kidneys. They are used to treat rheumatism, urinary troubles, diabetes and heart disease, because all these ills are either of the kidneys or caused by diseased kidneys.

IMPERIAL Spick and Span for the Summer Season IMPERIAL'S OPENING MONDAY An All-English Programme For Victoria Day Israel Zangwill's Superb English Social Drama "WE MODERNS" PEOPLE IN THE STORY: MARY SUNDALE, crazed with post-war notions of propriety, Colleen Moore. JOHN ASHLAR, in love with Mary and the choice of parents, Carl Miller. OSCAR PLEAT, a poetic Bohemian, one of the new sort, Sir Robert Sundaule, of aristocratic English family, Claude Gillingwater. LADY SUNDALE, mother of social influence, Clarissa Selwynne. THIS WELL-KNOWN ENGLISH NOVEL and stage play treats cynically of the mad careers of some young folks whom the unrestraint of war conditions put completely off their balance of propriety. Even in punctilious English homes the effects of this wild Bohemianism is depicted in the picture. Colleen Moore makes a real flapper and Jack Mulhall, as the courteous chivalric English lover, portrays types for which they are eminently fitted. The scenes in London's social circles, throughout the great city and aboard the passenger Zeppelins are spellbinding in richness and novelty.

ALSO SCENIC TOUR OF THE CITY OF LONDON AS AN ADDED FEATURE to the splendid English drama "We Moderns" a pictorial quite comprehending the most interesting sights of London has been engaged for our summer opening. Therefore the luxury of a movie-lantern through the great British capital, to the sweep of music and the comforts of an arm-chair is in store for Monday's and Tuesday's patrons.

SAINT JOHN MEN TO ATTEND GREAT SHRINE MEETING

Leave Here Next Friday for Convention in Philadelphia

RECEPTION TO BE NOTABLE EVENT

Luxor Ceremonial at Moncton is Arranged for July 29

The 82nd Imperial council session of the Ancient Arabic Order Nobles from New Brunswick have made arrangements to go to Philadelphia for the big Shrine convention and sequent-centennial exposition which is now being held there. Among those who expect to attend are Mr. and Mrs. Percy Jordan and son and Mr. and Mrs. Glendon H. Allen, as well as others from Saint John and places outside the city.

WILL BE NOTABLE

Charles Robinson, recorder of Luxor Temple has received a letter from W. Freedom Kendrick, Mayor of Philadelphia and past imperial potentate of the Shrine, stating that they are preparing to have one of the biggest events ever held in Philadelphia and the greatest reception any Shrine convention has ever been given. Mr. Robinson has much information of interest to those who intend to go on the trip. A special car of nobles from Phila Temple, Halifax, will go through here on Friday and a special train load from Karnak Temple, Montreal also will attend. Anna Mearns of Bangor, Me., who will travel in a special train and local nobles have been invited to join these parties.

Part of the convention activities will be held in the handsome new Philadelphia municipal stadium, which has a seating capacity of 10,000.

A big ceremonial session of Luxor Temple, Saint John, will be held in Moncton on Thursday, July 29, it was decided at a meeting of the executive of the temple held here on Friday evening. A large class of candidates now wait to "travel the hot sands" and committees are making arrangements to make this ceremony one of the biggest events in shrine circles in New Brunswick in years.

PASTOR AND WIFE ARE GIVEN WELCOME

Victoria Street Church Greets Rev. and Mrs. E. R. McWilliam

A congregational welcome to the new pastor of the Victoria street Baptist church, Rev. E. R. McWilliam and his family, was extended at a meeting on Thursday evening. Congratulations to church and master were extended by Rev. H. Mahon, of the Douglas Avenue Christian church; Rev. Dr. S. S. Poole, of the German street Baptist church; Rev. James Dunlop, of Central Baptist church; Rev. R. O. Morso and Rev. G. Swin. Rev. Mr. MacWilliam noted the appreciation of himself and Mrs. MacWilliam for the welcome extended.

A musical program included selections by the Victoria street male quartette, Messrs. Sparks, J. W. Mott, E. Mott and McAulay; piano trio, Messrs. Brown and solo by Mrs. Brentnall.

Refreshments were served by a committee of ladies. Deacon Stanley Clark acted as chairman of the evening and Mrs. G. Doucey was convener for the refreshment committee.

AWAY FOR HOLIDAY

Fishermen Off to Whip Stream and Lake—Attractions in City Monday

Outgoing trains and river steamers today carried many who were getting away for the week-end and the Victoria Day holiday on Monday. Most of the men folk were carrying fishing gear and the finny beauties will have to watch out or be captured by some of the followers of Isaac Walton.

For those who stay at home the holiday will offer a varied program of entertainment. Baseball fans will have the opportunity to see teams from the three senior leagues in action, the official openings of all being held on that day. Also there will be other games. The theatres are offering special programs.

IN ENGLAND.

While Canadians are celebrating Victoria Day on Monday, the residents of the British Isles will observe a dual festival day, Whitsun Monday and Empire Day. In the old country Whitsun Monday is one of the most notable holidays of the year, taking precedence on the present occasion even over Empire Day. In Canada May 24 is Victoria Day, but in England it is Empire Day, and sometimes there is some confusion in this country because of the different designations.

CLOSING MEETING.

The Zion church group of Trail Rangers held its closing meeting of the season last night as a supper gathering. Albert Purdy presided. Reference was made to the gratifying fact that the Zion Trail Rangers had won both the skating meet and the recent track meet conducted under the auspices of the Boys' Work Board. Short addresses were given by Rev. George Orman and by Herbert Naves.

As Hiram Sees It

CLIFTON SPRINGS, N. Y.—Just when I was beginning to think I'd be quite a man yet if I lived long enough, along come that there noontime and hit me another wallop, that sent me back to bed again for a couple of weeks or so. I left me as weak as the tea I used to drink one time in a boarding house. If you drink two cups you'd find. Doc Jewett says I'm the toughest slab o' hornbeam he ever seen, or I wouldn't be here now. I told him me an' Mayor White had a hull lot 'o' work to do—an' I had to get back an' 'beat the drum. They ain't nobody goin' to sleep on the job if I kin help it—By Heav!

Well, sir—you can't get away from old Saint John—wherever you go. A woman from East Orange, Noo Jersey, was tellin' me yesterday she ned to hev an operation one time an' the doctor said he hed to hev a nurse he could depend on—so he got Nurse Dykeman from Saint John. I see Doc Webster says if he wed a nurse he'd pick depend on—so he got Nurse Dykeman from Saint John. I've hed about six 'em from Ontario lookin' after me here at different times—an' they're the salt of the earth—yes, sir. The some doctors from Canada here, too—an' one o' the male nurses comes from the Eastern Townships an' hev a farm out Saskatchewan way that he may live on sometime. He's one o' the boys that was overrass an' hed to cross the line to get a job when he come back. The more Canadians in Noo York state now than they was Loyalists went from here to Canada after the Revolution.

LONDON AND NEW YORK BOLE FOR GENE PEARSON

Female Impertinator, Here With Originals, Confirms Report of Offers

Reports that Gene Pearson, famed female impersonator with the "Originals" now playing at the Opera House, is being sought after by London, Eng., theatre interests, were confirmed yesterday when Mr. Pearson stated that he had been communicated with by the Oswald Stoll interests, they being desirous of having him make a European tour under their management.

Mr. Pearson said that as he is also being urged by the Keith-Albee theatre corporation of New York to contract with them for appearances on their circuit, he has not yet decided which offer he will accept. Although he would make no announcement of the salary involved, he said that the New York offer carried with it a weekly remuneration of \$200 more than the London contract.

If either offer is accepted, Mr. Pearson said that Leonard Young, famous for his original "Duchess" characterization, and Stuart Callahan, toe dancer, would appear with him.

Following the closing performances of the "Originals" here, Mr. Pearson will leave for Montreal, where he will appear at the Capital Theatre for a week's engagement. On the expiration of his Montreal contract, Mr. Pearson will visit his home in Toronto for a short while before making further appearances elsewhere.

LAUNCH IS SOLD.

The government inspection gasoline launch Sanawa Naba has been sold to Joseph Holland of the North End. This boat has been laid up in Carleton for some time, and recently the government called for tenders. Word was received that the tender of Mr. Holland had been accepted.

HEARD ABOUT RUSSIA

The regular meeting of the Waw Waw Tay See C. G. I. T. group of Exmouth street church had a special speaker at its meeting on Friday evening Fred M. Myles who gave an interesting talk on his experiences in Russia. Miss Mary Nixon, the president, was in the chair. A vote of thanks was given the speaker by Miss Marion Cosman, leader of the group.

MARRIED HERE

Miss Leslie Gill of Barbados, B. W. I., a passenger on S.S. Chaudiere, arriving here on Monday, was united in marriage to Prince Brothwaite, of Sydney, C. B., last evening at St. Philip's parsonage. Rev. C. McLaren officiated. Mr. and Mrs. Brothwaite left today for Sydney, where they will reside.

GIRLS AND MOTHERS AT BANQUET TABLE

Many Attend Closing Function of C. G. I. T. of St. David's

A large attendance marked the closing function of the C. G. I. T. of St. David's church last evening when the annual mother and daughter banquet was held. The tables were beautifully decorated with the C. G. I. T. colors, and were centred with large baskets of snapdragons. The banquet was arranged by the leaders, Mrs. Elvira Pike and Miss Marjorie Clarke, assisted by an able committee. A singing by the members was heartily joined in by everyone. Miss Mary Ritchie, president of the senior group, was the capable toastmistress.

TOAST LIST

The toast to the King, proposed by Constance Barton, was responded to with the national anthem. "Our Country" was proposed by Ian Wilton and the singing of "O Canada" formed the reply. "Our Church" was proposed by Doris Steele and responded to by Rev. Hugh Miller; "Our Guests," by Louise Fraser, replied to by Robert Reid; "Our Mothers," proposed by Audrey Jones and replied to by Mrs. S. M. Logan; "The C. G. I. T.," proposed by Miss Milligan and responded to by Mary Dolg; "Our Next Merry Meeting," by Jane Sutter. Audrey Jones, mother, and Marjorie MacPhail gave two very clever readings. The address of the chief speaker of the evening, Marjorie Trotter, was listened to with close attention and keen appreciation by the girls and their parents.

A vote of thanks, moved by Eleanor Logan was tendered to the ladies who had prepared the good things and on motion of Margaret MacLean three cheers were given for Mrs. R. A. Jamieson's class, former C. G. I. T. members, who acted as waitresses. The happy gathering was brought to a close with the singing of Taps.

Presentations Made By Fairville Choir

The choir of the Fairville United Church were entertained on Thursday evening at the home of Mr. and Mrs. William A. McColgan, Harding street, Fairville. Miss Lucy Black and Purdy Cougle, two of the church members, who are to be married in the near future, were the guests of honor. H. M. Stout, choir leader, presented to them a handsome Windsor chair on behalf of the choir, and to Miss Black a nicely bound hymn book. After a choir practice, the evening was spent in games. Miss Audrey McColgan was accompanied. The hostess was assisted in serving refreshments by Mrs. Alfred Clark and the Misses Vivien and Audrey McColgan. Those present were Mrs. Arthur Long, Miss Lucy Black, Miss Marion Black, Miss Gladys Scott, Miss Edrya Cheseman, Miss Sadie Cougle, the Misses Hazel and Lottie Kelly, Miss Edna Shaw, Miss Audrey McColgan, Miss Vivian McColgan, H. M. Stout, Ralph Millett and Fred Duff.

Pollyannas Make Gift To Miss Kelly

The Pollyanna Club of Central Baptist Church met at the home of Mrs. G. W. Stegmann, Horsfield street, on Thursday evening, with the president, Miss Marion Rolston in the chair. Miss Rolston, on behalf of those present, presented a club bag to Miss Laura Kelly, one of the members, and expressed regret at her intended departure from the city. Miss Kelly will leave in the near future for Edmonton, Alberta. She feelingly thanked her friends for their gift. A sing-song was enjoyed, and delicious refreshments were served by the hostess.
