Specifications and form of tender may be obtained at the City Engineer's Office.

J. HUTCHSON, City Engineer.  
Guelph, March 27th, 1905.

## THE TORONTO AND HAMILTON RAILWAY COMPANY

### NOTICE TO CONTRACTORS

Tenders will be received by the undersigned up to the FIRST OF MAY NEXT, at noon, for the grading, culverts, masonry, bridges and other works required between Toronto and Niagara Falls, Ontario. On and after the 27th of this month plans and profiles may be seen, and specifications obtained, at the company's engineering department, Pacific Building, Scott and Front streets, Toronto. The lowest or any tender will not necessarily be accepted.

FREDERIC NICHOLLS,  
President.

Toronto, 16th March, 1905.

## OLD DOORS WANTED

I am open to buy a few walnut doors from old buildings being torn down. Please state sizes, prices, or telephone N. 2701. JAS. ROBERTSON, 10 Front St. E., Toronto.

## WANTED

A Competent Architectural Draughtsman.

Apply C. J. GIBSON,  
75 Yonge Street, Toronto.

## THE CORPORATION OF THE CITY OF REGINA CITY ENGINEER WANTED

Wanted—A Resident Civil Engineer for the City of Regina to take full charge of all the public works of the city. Applications addressed to the Chairman of the Board of Works Committee, care of the Secretary Treasurer, City of Regina, will be received up till FRIDAY, 14TH APRIL, 1905.

J. KRISO HUNTER, Secy-Treasurer.

## Tenders Wanted

Sealed tenders addressed to the Chairman of the Public Works Committee, for the construction of about 10,000 superficial feet of concrete walk, 2,500 superficial feet of crossings, 4,000 lineal feet of concrete curbing, will be received at the office of the undersigned up to 4 p.m. on SATURDAY APRIL 22nd, 1905.

Plans, specifications, form of application and instructions to bidders may be had on application to the office of Richard Smith, Town Engineer. Each tender must be accompanied by an accepted marked check or cash deposit for not less than 2½% of the estimated cost, which will be subject to forfeiture in the case of failure on the part of the contractor to enter into a written contract if called upon to do so.

The Town or Committee reserves the right to reject any or all tenders or to accept any bid that appears advantageous to the Town of Midland.

THOS. I. TRURMAN, Town Clerk.  
Midland, March 29th, 1905.

## TOWN OF PORT ARTHUR TENDERS

Sealed tenders, addressed to the Chairman of the Electric Railway and Light Commissioners, will be received at the office of the undersigned up to 12 o'clock, noon, of FRIDAY, MAY 5TH, 1905, for the purchase of the following Electrical Machinery:

One (1) 150 H. P. Wheelock Compound Condensing Engine.

One (1) 80 H. P. Boiler, Shafting, Pulleys and Belting.

One (1) 500 Volt 45 K.W. Railway Generator.

One (1) 60 K.W. 2000 Volt 125 Cycle Alternator. With all necessary switch-board and attachments.

All of which can be inspected at the power house at Current River, Port Arthur.

Tenders will be received in whole or in part. Tenders to be marked "Tenders for Electrical Machinery."

The lowest or any tender not necessarily accepted.

J. McTRIGUE,  
Secretary Electric Railway and Light Commissioners,  
Corporation Offices, Port Arthur, Ont.,  
March 28, 1905.

## TENDERS

### Concrete Storage Warehouse

Proposals and tenders will be received by the undersigned for the erection of a Cement and Armored Concrete Storage Warehouse 21' x 100' to be erected at Toronto Junction for Messrs. Pugsley, Dingman & Company. Plans can be seen and all information obtained from

F. H. HERBERT, Architect,  
9 Toronto Street.

## WATER WORKS IMPROVEMENT

### Saint John, New Brunswick

Sealed bids or proposals will be received at the office of the Common Clerk until 3 p.m. of WEDNESDAY, APRIL 12TH, 1905, for the construction of proposed Water Works Extension, which will be let in four contracts as follows:

Section 1—10,300 feet 33" woodstave pipe line and accessory structures.

Section 2—7,400 feet 39" reinforced concrete aqueduct.

Section 3—7,500 feet 48" reinforced concrete aqueduct (part in tunnel.)

Section 4—Concrete Masonry Dam on Mispic River (with headworks and gate-house.)

All bids must be made on the blank form of proposal, which with contract and specification will be furnished intending bidders.

Each proposal on each section must be accompanied by a certified cheque for \$2,000, payable to the City of Saint John. A bond of \$15,000 on each of Sections 1, 2 and 3, and a bond of \$10,000 on Section 4, will be required for the faithful performance of the contract.

Intending bidders can obtain copies of specifications, and plans may be seen either at the office of the Common Clerk, Saint John, or at the office of the Consulting Engineer, Snow & Berbour, Boston.

The Board reserves the right to reject any or all bids or to accept any bid, should the Board deem it for the interest of the City so to do.

WALTER W. WHITE, Mayor,  
Chairman Water and Sewerage Board.

**Studebaker Sprinkler**

(PATENT IMPROVED.)

Does not clog or get out of order. Greatest width of spray. Can be graded from driver's seat to any volume.

We also make an . . . **IMPROVED VERTICAL SPRAY** for Pavements.

Stackpole Patent Improved **Street Sweeping Machine** Is the Standard of Perfection. Because no sweeper so effectually does the work for which it is designed as "The Studebaker." It Sweeps Clean. No sweeper is constructed with the same degree of care and mechanical precision. It Wears Well. "The Studebaker" has the smallest number of working parts, and has less gearing than any other sweeper made. It is free from all unnecessary complications. With reasonable care it does not get out of order. Send for complete descriptive catalogue.
