COMPRISING A DETAILED VIEW OF THE POLITICS, LITERATURE, BIOGRAPHY, PARLIAMENTARY HISTORY, COMMERCE, STATISTICS, etc., during a most important period. ALL THE STATE PAPERS OF ANY IMPORTANCE ARE GIVEN AT LENGTH. It was suggested to DODSLEY BY THE RIGHT HON. EDMUND BURKE, who conducted it for many years, and when no longer able to hold the pen himself, he directed that of his substitute, MR. IRELAND. The great questions which occupied the talents and attention of this, one of the greatest of men, called forth from time to time the most splendid displays of eloquence, which was listened to, and since read by admiring multitudes, and his public labors were one continuous struggle against the stupidity, venality, and selfishness of the politicians of his day. It is safe to assume that had his advice been taken, the necessity for *American independence would never have had any existence*, Warren Hastings would have been hanged, and the world would never have been cursed with a *Napoleon*. THE CONTEST WITH THE AMERICAN COLONIES, the impeachment of WARREN HASTINGS, and the *French Revolution*, all of which were commenced and concluded during the publication of the above; the relationship between England and what is now the United States and Canada, occupies nearly twenty columns in the closely printed index, representing many hundreds of pages. *Hundreds of authors are indebted to this bold and uncompromising lover of justice*, for his complete and invaluable information retailed to their readers. On the subject of Canadian history, these volumes are of extraordinary interest. Long accounts are given of the Indian and French wars, and completely cover the interesting period of 1812-14.

STANDARD MISCELLANEOUS DIVINITY

654 **Taylor's** (Bishop Jeremy) WHOLE WORKS, with LIFE and critical examination of his writings, by BP. HEBER, *portrait*, 15 vols, 8vo, boards, uncut, 4.50, London, 1822.

OUR AUTHOR was one of the most LEARNED OF CHURCHMEN. His genius, learning and his devotion has placed him in the FRONT RANK of eminent ENGLISHMEN. We have known notorious infidels in England to read his works on account of the beautiful diction. HAZLITT in his *Table Talk* well says: "There is a flush like the dawn over his writings. The sweetness of the rose, the freshness of the dew, there is a softness in his style, proceeding from the tenderness in his heart; but his head is firm and his hand is free."

655 **Barrow** (Dr. Isaac) THEOLOGICAL WORKS, with *portrait*, not a handsome but a cheap lot, complete in 8 thick 8vo vols, good Oxford edition, 1.50, at the University Press, 1830.

Our author was a profound Theologian, an eminent Mathematician, a good Classical Scholar, and one of the greatest Wits of the age. His vigorous but unpolished eloquence has been admired by most men of letters.

656 **Michaelis** (J. D.) INTRODUCTION to the NEW TESTAMENT, from the 4th German edition, enlarged with notes and a dissertation on the origin and composition of the three first Gospels, by DR. HERBERT MARSH, 6 vols, 8vo, boards, uncut, 1.00, 1823.

659 **Horne** (Thos. Hartwell) Introduction to the CRITICAL STUDY and KNOWLEDGE of the HOLY SCRIPTURES, 5 vols, 8vo, cloth, 2.75, 1839.

One of the most reliable and comprehensive works on the History, Philosophy and Antiquities of Judaism and the interpretation of the Scriptures with which we are acquainted.
