To Whom It May Concern:

WHEREAS, certain people (who are not aware of the real object) have seen fit to circulate the report that the Undertakers' Association of Ontario is a great monopoly for the purpose of compelling its members to charge a uniform price over all the country, thus making the public pay far more than the work is really worth. Now I wish to inform the public that such is not the case; but it is an Association purely for the benefit of its members, and further, when it was organized a few years ago it was found that about ten per cent. of the undertakers of Ontario were competent men, but to-day through the benefits of the association, there are 90 per cent. of them all able to do the Undertakers' work in first class manner. In thanking the public for past favors I wish to inform the public that my stock equals any house outside the large towns and cities, in Cloth, Furnished Caskets, Coffins, Trimmings, etc., and at prices as low as any body in the business, and in a manner in keeping with the profession. Calls, night or day, promptly attended to. A good hearse when required. Residence in rear of Warehouses.

County Council.

Reeve Milne, supported by Reeve Ratz, introduced a motion to the effect that in the opinion of this Council the tendency of school legislation has been to build up High Schools and Collegiate Institutes, to the detriment of the Public Schools, and that no public money should be expended for school purposes except for common schools, and we recommend that such legislation be enacted as will make the common schools as efficient as possible.

In reference to a foot bridge asked for at Wingham, a committee was appointed to confer with the solicitor to see if the county was responsible for it, and if so, the bridge to be put on the list of county bridges rebuilt.

A lot of discussion occurred over an increase of salary, asked for by Treasurer Dr. Holmes. \$1,500 was first proposed; a motion to leave it where it was—\$1,200—was voted down, and an amendment making the salary \$1,350 while he is handling the sinking fund, was finally passed.

The executive committee recommended that the usual grant of \$10 be made to Prisoners Aid Association. In reference to a motion that \$8,000 be appropriated to a House of Refuge, it was recommended that no action be taken. The usual grant of \$25 each to be made to the East and West Huron Teachers' Associations. That the request of the Wingham Horticultural Society, for a portion of the county grant, be not recognized. That the county printing be awarded to F. G. Neelin.

The Treasurer was instructed to allow no member of the Council, or other persons, to know to whom loans of money are made from County funds. In reference to the application of the several high school boards in the county for the proportionate cost of the maintenance of county pupils attending the respective High Schools, the committee recommended that they are to be paid the following sums (less the fees received by them), Goderich, \$828.87; Clinton, \$750.59; and Seaford, \$937.06.

Moved by Mr. Ratz, seconded by Mr. Beacom, that for those made wards of the county during the present session the treasurer remit the amount quarterly as in the case of the other wards. Carried.

The educational committee reported, advising that 500 copies of the Inspectors' report be printed; that one gold and two silver medals be provided for each inspector to be awarded to pupils at the public school; that Zurich be a central place for holiday entrance examinations in connection with the Goderich High School; that Geo. Connor be appointed to the Agricultural College; that the motion of Messrs. Kaine and Saunders in reference to special legislative grants to public schools holding a fifth class, and that the warden and clerk prepare a memorial setting forth the above and forward the same to the Lieutenant-Governor in Council, be adopted.

A grant of \$300 was appropriated to be divided among the three Riding Shows.

A grant for the establishment of a poor house in the county was refused. The usual amount of accounts were passed and routine business done, and the council adjourned.

HURON.

Goderich Harbor is frozen over and the ice extends a long distance into the lake.

The deputy-reeve, the clerk, and two auditors and the assessor of Goderich township are all bachelors.

A week ago last Saturday, Mrs. Mitchell, mother of the editor of the Goderich Star, went to London, on her way to visit a son-in-law, at Windsor, who was at the point of death. She went up town at London to visit some old friends and while on her way to the station again met with a bad accident; a runaway team, dashing along the street, struck her, causing injuries that necessitated her removal to the hospital, where she still remains.

What might have been a serious fire happened while Messrs. W. and R. Green were putting in some electric lamps in the Brunswick Hotel, Wingham, the other day. The latter struck the chandelier, breaking it, the oil took fire. A table was thrown on the fire, to smother it, and as help was near, it was soon put out.

Clinton is shortly to have an incandescent light system independent of the present electric service.

Hotel licenses in Wingham have been raised from \$160 to \$190.

A very successful Sunday School convention was held in Wingham last week. Very encouraging reports were listened to from all parts of the county. Discus-

sions on important Sabbath School topics were held which were of great profit to those present. The closest interest and the best of interest prevailed throughout, and the delegates and visitors were much strengthened in their work by the convention. The following officers were elected for the ensuing year: President W. H. Kerr, Brussels; Vice-Presidents, S. Gracey, Wingham; Jas. Scott, Clinton; Rev. J. S. Henderson, Hensall; Rev. J. H. Simpson, Brucefield; and Rev. J. A. Osborne, Gorrie; Executive Committee, Davidson, Goderich; J. S. McKim, Blyth; Rev. W. Craig, Clinton; Rev. S. Sellery, Wingham; and W. M. Gray, Seaford; Corresponding Secretaries, A. H. Manning and H. Foster, Clinton; Minute Secretary, Israel Taylor, Clinton; Treasurer, J. C. Stephenson, Clinton.

A serious accident which terminated fatally befell a young man named John Watson, con. 16, township of Grey, last Thursday afternoon. It appears he and his brother were working in the bush and when felling a large tree, it broke a limb from another tree which came down striking the young man, who was hurrying off to a safe distance. Upon examination it was found that one of his legs was broken. Medical aid was summoned and the fractured limb set, which seemed to be the only apparent injury. The patient was doing as well as could be expected until about midnight, and lapsed into a state of unconsciousness, in which state he remained until death relieved him on Saturday. He was a steady and industrious young man and his sad death is a severe blow to his father and brothers. The sympathy of the whole community will be given to them in their terrible affliction.

Peter McGowan, late of Farguhar school, Exeter, has been engaged to teach No. 5, Osborne, at a salary of \$450. Mr. Hogarth, late teacher, received a salary of \$450.

George A. Sprout has rented his farm on the 2nd concession of Tuckersmith to Hugh J. Grieve for four years. It contains 200 acres.

PERTH.

Director of ceremonies, Bro. E. W. Alexander, Listowel; Co. Lecturer, Bro. J. Dixon, Mornington; Co. Deputy-Lecturer, Bros. Jas. Carson, Mornington; and Adam Strong, Wallace.

It was decided to hold a grand celebration in Listowel next 12th of July.

Miss Clara, daughter of Mr. John Stephenson, of Elma, died very suddenly at Grand Valley, where she had been teaching, last week. She was only ill one hour.

Constable Bulmer, of Listowel, has been re-appointed at a salary of \$350, the same salary.

Jas. Moorehead, of Milverton, has been appointed caretaker of the Listowel High School at a salary of \$200 per year.

J. Johnston, of Atwood, had a narrow escape from choking to death one day recently by reason of a bone lodging in his throat while in the act of eating his meal. By prompt and skilful assistance of the doctor the bone was extricated.

Wm. Macfarlane has bought the Breen farm of 100 acres, lot 41, con. 5, North Easthope, price \$5,350.

Milverton Sun: A young man by the name of Brookser, hailing from Hamburg, was arrested by Constable Fraser of that place, in Milverton on Tuesday, under a warrant charging him with stealing apparel from a hotel. The young man had secured a position in town, and had only arrived the day before his arrest. He is a tailor by trade.

Martha, wife of Richard Strong, died at her home in Listowel, on Jan. 25, in her 70th year. Mr. and Mrs. Strong were early pioneers of the township of Wallace, where they spent many years of active life, and upon retiring from the farm moved into Listowel about a year ago. They were of Irish nationality and active members of the Church of England.

C. E. Harris, of the C. P. R., Brandon, son-in-law of James Donaldson, sr., 8th con., Elma, and a former Elmaite, is the inventor of a sleigh barrow; that is, a wheelbarrow in which a stout runner of 1 1/2 or 2 inch stuff a couple of feet long is substituted for a wheel. The rig works like a charm over ice and snow.

W. S. Buchanan, son of W. A. Buchanan, drover, Donegal, had the misfortune to get his right leg broken about midway the other day. He and his companion Arthur Miller, were wrestling in the school yard when Buchanan tripped Miller, the latter falling on Buchanan's leg with the above result. The boy has been unfortunate, three years ago last fall having had his leg broken by a board falling on it.

The Elma Mutual Fire Insurance Co., now has policies amounting to \$830,910 and unassessed premium notes to the amount of \$39,126.78 and all claims adjusted have been paid, leaving a balance of \$934, with \$99.24 yet to collect. At the annual meeting last week the retiring directors, Messrs. Jones, Grieve, Gray, Richmond and William Hewitt were re-elected. The old officers were installed as follows: Wm. Shearer, president; James Donaldson, vice-president; Robt. Cleland, sec.-treasurer.

WELLINGTON.

Edward Swartzenberg, township of Puslinch, had his barn, stable and contents, together with 7 horses, a threshing machine and all his cattle destroyed by fire the other night. He only saved one calf and one sheep. The loss is between \$2,000 and \$3,000. There was no insurance on the stock, but the building was partly covered by insurance.

Alex. Yule, the famous Harriston baker, has ordered five car-loads of Manitoba flour.

The receipts of the Guelph general hospital amounted to over \$11,000 last year.

We are sorry to report the death of Miss Mary Greer, daughter of Mr. Thos. Greer, of the 6th con. Wallace, who died on Saturday, Jan. 23rd. Her death has cast quite a gloom over the young people as she was well known and a general favorite among all who knew her. She had been teaching school on the 3rd con. Wallace until a little over a week before she died.

BRUCE.

A girl named Annie Wannamaker, was some time ago sent by the Walkerton authorities to Toronto, her father being in jail and her mother dead. She was taken care of by the Salvation Army for a while and then sent to the Industrial school at the expense of the county of Bruce, according to statute. Recently Bruce county tried to get released from responsibility but failed, and now the Salvation Army is taking steps to make the county reimburse them for their keep of the girl.

The Grey and Bruce Mutual Fire Ins. Co. held their annual meeting recently. The company now has 1010 policies in force—400 of which were taken last year—representing a risk of \$1,070,110. The company pays \$496 in salaries and expenses. The new officers are: David McNichol, President; Hugh Wilson, Vice Pres.; David Jacklin, Daniel McDougall, Christian Taylor, Andrew Marshall and Chas. D. Knapp, directors.

It is said the Lake Shore & Michigan Southern Railway has secured control of the Lansing & Northern Michigan Railway, and the Chicago & West Michigan Railway. They have heretofore been valuable connections of the Chicago & Grand Trunk.

It is reported that Mr. E. Teskey intends to return to his farm. A year or so ago he rented it to Mr. Hutchison, but he soon got tired of village life and we welcome him back to this neighborhood again.

There was a great Reform meeting held in Mildmay on Friday night last, several from this neighborhood being present. The meeting was, of course, strongly in favor of Truax.

Sleighting is simply elegant. The roads are fine while the woods are not full enough of snow to make chopping and logging difficult. The consequence is that all who can are busily employed in cutting wood and saw-logs.

Death has claimed another victim in the person of Mr. Wm. Wynn, who died on Monday evening last after a short illness of only one week. He had reached the advanced age of 86 years.

Mr. Thos. McMichael has been quite poorly for the past few days. We hope soon to be able to see him out again.

The Grip has not entirely left this section yet. Mrs. S. Vogan had an attack of it last week, but is now much improved.

We expect to see Mr. Thos. Ritchie home again soon completely cured.

Belmore.

Mr. J. Terriff of this place led a young lady from near Clifford to the hymenial altar last Wednesday, 3rd inst. They are now living in Belmore. We wish the couple joy, happiness and prosperity.

Mr. Geo. Brimmer arrived home last Saturday.

Mr. Jas. Flemming was away attending the funeral of his brother-in-law. This is the second brother-in-law they have buried within a few weeks. His sister Ellen who was sick there for some time returned with him.

Mr. Jno. Wisner was married on Monday, 1st inst.

Mrs. (Rev.) A. C. Stewart was called away last Thursday to Toronto to see her mother, who is sick.

The excitement is raising over the coming elections.

A large number of people from this place attended the concert in Wroxeter last Wednesday evening. They thought it was a grand success.

Part of the brick of the front wall of Mr. Wyness' store gave away on Thursday at 12.30 P. M., and came to the sidewalk with a crash. But happily no person was on the sidewalk at the time or they would have been instantly killed.

It has been reported that some persons of this burgh had been helping themselves very freely to some wood belonging to the school. They were tracked for some distance. The trustees have put doors on the wood-shed, so the intruders will have to visit some other place or else find wood in a different manner than stealing.

Messrs. Stinson and McDermott shipped two car-loads of cattle from this place on Thursday last for Toronto.

Mr. and Mrs. Hepinstall of this place are at present visiting their son in St. Thomas.

Mr. Chaplain Harris of Manitoba has been visiting his father, Mr. Daniel Harris.

The lecture which was to have been given in the Methodist church last Thursday evening by the Rev. Mr. Smith, of Harriston, on "Ireland and the Irish," was not given on account of Mr. Smith being very ill. Very many were disappointed and hope to hear him soon.

Mr. Amos Willis has been suffering very bad with la grippe.

Mr. Rapp, of Listowel, was in town last week.

Messrs. Bolton and Rapp were around with a petition to get licence for the Arlington House but failed. Mr. B. was once a great temperance man. What is he now?

Mr. John Clegg, of Gorrie, is talking of moving to this place.

A machinist from Galt has been placing the machinery in Mr. Dick's new mill.

Mr. Jos. Crosier, of Drayton, was in town last week.

Mr. A. G. Whitner, of Belleville, gave Fordwich a call on Tuesday morning.

Mr. Jas. McDermott is visiting friends in Simcoe county.

We are pained to report the death of Mr. John Gibson, a promising and highly esteemed young farmer living a few miles east of here, on the 6th concession, which occurred on Friday last from some unknown illness. He had been ill for a week or so with an ordinary illness, and was recovering nicely, but he suddenly took an unforeseen turn for the worse

and in spite of the best efforts of two skilled physicians, he died at one o'clock p. m. Deceased was a strong, robust young man of only 26 years, of a genial, jovial disposition and his death came not only as a surprise but as a heavy blow to his hosts of friends. He leaves behind to mourn his loss, a father, mother, five brothers, four sisters, a wife (formerly Miss Scott, of this village) and one little child. His funeral occurred on Sunday last and the procession was over one mile in length.

Mr. H. Haase sold his house and lot, one acre, near Strome's mill, the other day, to Mr. J. Moss, who returned from Manitoba last fall.

Mr. James Spence, brother of Dr. Spence, is expected to take possession of the temperance house here on April 1st next.

Mrs. Andrew Wilson, accompanied by Masters Blair and George Wilson, is visiting with her brother, Dr. John Bell, Detroit, at present.

Mr. James McCracken, of Bluevale, spent Saturday and Sunday at Mr. Paul Powell's, Glenfarrow.
