## HON. OLIVER J. LEBLANC RETIRES

### After Thirty-five Years of Efficient Service to Kent County, the Liberal Veteran Takes A Rest

Peddie, N. B., July 10.—Before one of the largest and most representative conventions ever held in Kent county, Hon. O. J. LeBlanc, the present federal member who has passed his four-score years, retired from the political arena in which he has figured for thirty-five years as representative of Kent, and asked the assembled delegates to choose some younger man. He was given a splendid reception and the vote of Kent before the delegates proceeded to take his place. Then, after a ballot, Arthur G. B. Smith, of Kent, was chosen as the Liberal standard bearer at the next dominion election. Clifford Atkinson, who has been the English candidate in the district in opposition to the Liberal government and it was unanimously decided to leave the cause of the Acadian

candidates to a committee who would submit names of good men to a convention at a later date. There was splendid enthusiasm and hearty endorsement of the Liberal leaders, Sir Wilfred Laurier, Hon. Wm. Pugsley and Hon. C. W. Robinson, with resolutions of confidence in them, the policy of the Liberal party, and particularly the reciprocity proposals. There was much regret because the minister of public works could not attend owing to his call to Ottawa, and because Hon. Mr. Robinson was suddenly summoned to Nova Scotia. Hon. C. H. LaBillois, the popular representative of the Acadian people, also long in provincial politics, was, however, present and made a splendid address at the close of the convention.

## WOULD DRIVE TRADE AWAY

Montreal July 5.—Montreal should hesitate before attempting to struggle the commerce of our port by such a backward step, declared Major G. W. Stephens, president of the Harbor Commission, talking about the city's proposal to impose taxes of \$200,000 a year on harbor property. Major Stephens, who has just returned from Europe, declares that if this civic tax is imposed it will necessitate the re-imposition of tonnage dues on all vessels, the raising of wharfages to more than double their present level, and an increase in rentals charged for spaces and privileges on the water front. This he says, would destroy Montreal's competitive position and would drive our trade to New York, Portland and Boston. Major Stephens declares that Montreal will first of all have to show that right it has to tax property, which the Commissioners held to be Federal property. The Major has just returned from Europe where he has been negotiating with Lloyd for better insurance rates for vessels on the St. Lawrence route.

## ARTISTIC STATIONERY ON I. G. R. SLEEPING CARS

Travellers by any of the I. G. R. through trains can obtain on the sleeping or parlor cars something really artistic in note paper, should they wish to do any writing during the journey. The stationery, which is supplied free of charge is a Toile Moiree with the words, "en route Intercolonial Railway of Canada" embossed in white in the upper right-hand corner, and is of the finest quality and finish.

## HAPPIEST GIRL IN LINCOLN

A Lincoln, Neb., girl writes, "I have been ailing for some time with chronic constipation and stomach trouble. I began taking Chamberlain's Stomach and Liver Tablets and in three days I was able to be up and got better right along. I am the proudest girl in Lincoln to find such a good medicine." For sale by all dealers.

## CONSERVATIVE CONVENTION JULY 25TH

A convention of the Conservatives of Northumberland to select a standard bearer for the next election is called to meet at Chatham July 25th instant.

## ORANGEMEN ATTEND ST. MARK'S

### Rev. F. C. Simpson Addresses Several Lodges on the Ne Temere Decree Sunday Evening.

No Surrender L. O. L. No. 47, of Newcastle, accompanied by Empire Lodge of Newcastle, D. O. No. 143, of Loggieville and True Blue Lodge No. 90 of Chatham, attended St. Mark's Church, Douglastown, in a body Sunday evening. The Newcastle Citizens Band was present. The Loggieville members came up by the Glauys F. while the Doonchy N. was chartered by the Newcastle and Chatham lodges. About 150 members were in regalia and they made an excellent turnout. The church was beautifully decorated with Orange emblems, flowers and flags and the service was an inspiring one. Rev. F. C. Simpson preached a scholarly and eloquent sermon from the text, 2nd Cor. X. 7. In his discourse Mr. Simpson touched upon the now famous Ne Temere decree and strongly set forth the Presbyterian church's attitude towards it. Rev. Mr. Simpson's sermon was preached in answer to Rev. P. W. Dixon's recent letter in the local press. As we have already published Father Dixon's able and interesting letter, we will, next week, print Rev. Mr. Simpson's sermon in full.

## WHERE HAVE THEY GONE TO?

### The Good Sensible New England Girl of Ten Years ago and the Substitute Compared

Boston, July 6.—How the high cost of living is supplanted by the high cost of dressing is graphically told by Miss Marguerite Sullivan, a stenographer, who has compiled facts and figures to prove her assertions that the average working girl spends more on clothing herself than she can afford. We hear so much these days in regard to the high cost of living, says Miss Sullivan, that we feel it almost incumbent upon us to curb our hunger. But have you ever stopped to consider the cost of high dressing, about which nothing is said? The yearly output of the average working girl for clothes and the customary accessories is appalling. The wage of the office girl today far exceeds that of a decade. The girl who draws a weekly salary of \$15 possesses a wardrobe that would put Cleopatra to shame. Any number of them can exhibit suits for which they have paid \$45, hats \$25, shoes \$3, \$4 and \$5. Practically every cent they earn is applied to the adornment of their person. Have you noted the quality of the shirt-waist of the average working girl? Five dollars. Yes, indeed, why, that is nothing! Only a third of her weekly salary! Then, of course you could not expect her to wear a 25 cent belt with a \$5 shirt-waist. Not she. But of all the extravagances of the age stockings beat the record. I know a young working girl, drawing a weekly salary of \$8. Each week she purchases three pair of the finest, thinnest, daintiest stockings at 38 cents a pair. Why doesn't she darn them? What? Wear darned stockings with her \$4 pumps. Where will she be when her working days are over? Ten years ago the average working girl purchased clothes with an eye to their durability. She was neat, well groomed and natural. Her clothes were warm, comfortable, modest and attractive. She was above all, womanly. But it is queer, where our good, sensible, wholesome, New England girl has flown to? Do you admire the substitute?

## SERIOUS FIRE AT HURLEY BROOK

### Timothy Hurley's Mill and Lumber Destroyed and Loss May be \$5,000

The rotary mill and a quantity of lumber, owned by Timothy Hurley, of Hurley Brook on the I. C. R., was destroyed by fire Friday morning. The loss may total in the vicinity of \$5,000. It is not known if the property is insured. The fire is supposed to have originated from a spark from the engine, and had been burning some time before being discovered.

## DOUGLASTOWN NOTES

Miss Janie Beckwith and Miss Cope and Mr. Montreal came Saturday to visit Mr. and Mrs. Robt. Simpson of Douglastown. Mrs. Allingham spent Sunday with Mr. Flora Stewart of Douglastown. Mrs. F. C. Simpson and Miss Annie Morrison returned Saturday afternoon from Jacquet River where they attended the Presbyterian. Wm. Wood of St. John I. R. C. mail clerk, spent Sunday with his mother, Mrs. Wm. Wood, Sr. Mrs. Alex. Cameron of Black River is visiting her parents, Mr. and Mrs. Joseph McKnight. Mr. Albert Gunderson is building a new house in Rosebank. The road commissioner has made an excellent job of the highway in Upper Douglastown and Rosebank, using the road machine with good effect. All that is needed now is the spending of a few dollars in cleaning off the loose stones and remains of several old stone fences which encumber the Rosebank sidewalk nearest the river and makes it exceedingly dangerous for bicyclists and very inconvenient even for pedestrians after dark.

## ARTHUR JONES

The funeral of Arthur Jones took place from the home of his parents, Wednesday afternoon at 3 o'clock to the Miramichi cemetery. The cortege was a very long one. Hickson's mill closed down to allow the men to attend the funeral. Rev. S. J. Macarthur conducted a very solemn service at the house and also officiated at the grave. The floral tributes were numerous, the room being banked with flowers sent by friends of the family. The pall-bearers (play-mates of the deceased) were: Tommy and Archie Matheson, Perley and Richard Fagan, Mike Mitchell and Willie Adair. The floral tributes comprised a wreath from mother and father. Wreath—Master Freeman Matheson. Cut flowers—Bratner and Sister. Wreath—Tommie and Archie Matheson. Wreath—Mr. and Mrs. James Forrest. Cut flowers—Miss Bayle, Mrs. Robert Fagan, Misses Robinson, Corrine Lawlor, Gertrude Vickers, Asma Mitchell, Mildred Reid, Rose Keary. Mr. and Mrs. Harry Jones thank their friends for their kindness and sympathy in their sad bereavement.

## DOUGLASTOWN SCHOOL MEETING

Douglastown annual school meeting was held Monday night, Mr. David Anderson chairman. The secretary's report showed receipts of \$1561.14 and expenditures of \$1487.98 during year leaving balance on hand of \$73.16. The Auditor Mr. F. A. Phillips reported the accounts correct. The reports of the Auditor and Secretary were received and adopted. Mr. Allan MacLean, secretary, was re-elected trustee. The other two members of the Board are Messrs. Alex. Jessamine and Thos. J. Barnett. Mr. Robt. H. Jessamine was elected Auditor. The assessment for next year was fixed at \$1200.00 same as last year. Mr. James Ahern asked if there were any word from the Board of Education re building a new school house in Douglastown, and anything about a new primary department in Rosebank or conveyance of Rosebank pupils to the present school. In reply the Secretary said he had written to the Chief Superintendent asking the latter to authorize the Inspector to call a meeting to consider such matters and attend himself. Dr. Carter had replied that he could not attend a meeting in Douglastown anyway soon, but that something would have to be done for Rosebank in the near future. Dr. Carter had not yet authorized the Inspector to call any special meeting. The chairman then called upon any Rosebank ratepayers present to state the desires of that end of the district. There was, however, but one resident of Rosebank present, and he declined to make any request of the meeting for any change in the present arrangements. The question of building a new

## TO-DAY'S BIG CELEBRATION

The moving pictures will be operated from 4 to 6, and at 9.30 p. m. dancing will begin in the Opera House. All the Orange Lodges of Westmorland, Kent and Northumberland counties are expected to send contingents. The efficient committee in charge are: John Williamson, chairman; Allan Russell, chairman Refreshment committee; Clifford Allison, chairman games; Geo. T. Bethune, chairman Decorating committee; D. C. Smallwood and Wm. A. Touchie, committee to look after horses; Harry A. Taylor, Wm. Corbett, Jr., James Ahern; Daniel, Clifford and James Macdonald. \*\*\*\*\* schoolhouse in Douglastown was postponed, the general opinion being that the district should hold the present site, which might soon be very valuable, and during the present summer make some repairs on the present building. Adjourned.

UPPER CHARLO SCHOOL

This school which has been in charge of Miss Francis J. Hall, of Bathurst during the progressive term, closed for the summer vacation on Friday the last day of June.

There was a large number of visitors among them being many of the parents of the pupils and other friends who anticipated that the proceedings would be interesting and they were not disappointed. The school work reflected great credit on both the teacher and the pupils, and showed that they made good use of their time in school, for which the teacher was congratulated for her energy and zeal.

Miss Hall has given excellent satisfaction during the time she has had charge of the school and the ratepayers whose children have been attending school are sorry that she has resigned and could not remain longer where she would like to remain and where her services were appreciated.

She was presented by the pupils with a cut glass berry set of dishes consisting of six pieces, and a vase (china hand painted) besides she received from five of the pupils individual presents.

The pupils entertained the visitors with a well selected programme of choruses and songs, recitations and dialogues in the presentation of which they cleverly sustained their several parts.

At the close of the proceedings the Secretary of the trustees Mr. J. S. Bassett made an appropriate address congratulating the pupils on the progress they made in their school work during the school year, and complimenting the teacher on the successful manner in which she conducted the school during the long time she had charge of it.

SNOW COVERS MANY PEAKS

Sublime mountains scenery 19 miles from Vancouver, was the place selected by Father Campbell pastor of St. Patrick's for an outing for the Altar Boys and First Communion Children at the close of the school.

Nineteen miles from Vancouver, a River Park, on the North Arm of Burrard Inlet, are mountains that rise themselves to nearly mile high peaks, show from the water side and of theed luxuriant in Nature's garb of forest and fern almost to the top-most dome, on which great fields of snow lie gleaming in the sun, with here and there a tree top showing through.

The rugged slopes are softened and mellowed by variegated foliage and moss, while laughing waters whipped to a foam of silver sheen, leap and plunge down hundreds of years to form.

What a sublime sight for the tired city dweller, who seeks respite from the business battle of the week at the inn—"Vancouver paper"

IN THE MOTHER LAND

A correspondent in the Old Country with the Canadian Contingent writes us of the good times they have had at the hands of our brethren across the seas. They received an enthusiastic welcome at Liverpool and the Londoners think that the Canadians are the real top-notchers. The strength of the Canadian troop is 712, including 53 officers and they have been quartered at Duke of York's School, Chelsea, and as our correspondent says, "have had the time of their life."

THAT AWFUL BACKACHE

Cured by Lydia E. Pinkham's Vegetable Compound

Morton's Gap, Kentucky.—"I suffered two years with female disorders, my health was very bad and I had a continual backache which was simply awful. I could not stand on my feet long enough to cook a meal's victuals without my back nearly killing me, and I would have such dragging sensations I could hardly bear it. I had soreness in each side, could not stand tight clothing, and was irregular. I was completely run down. On advice I took Lydia E. Pinkham's Vegetable Compound and Liver Pills and am enjoying good health. It is now more than two years and I have not had an ache or pain since I do all my own work, washing and everything, and never have the backache any more. I think your medicine is grand and I praise it to all my neighbors. If you think my testimony will help others you may publish it."—Mrs. OLLIE WOODALL, Morton's Gap, Kentucky. Backache is a symptom of organic weakness or derangement. If you have backache don't neglect it. To get permanent relief you must reach the root of the trouble. Nothing we know of will do this so surely as Lydia E. Pinkham's Compound.

Write to Mrs. Pinkham, at Lynn, Mass., for special advice. Your letter will be absolutely confidential, and the advice free.

INDEPENDENT ORDER OF ODDFELLOW'S

Grand Master with Degree Team from Moncton Visit Campbellton.

Grand Master Dr. E. D. Smith, of St. John, accompanied by a degree team from Moncton, came to Campbellton on the Ocean Limited on Friday for the purpose of conferring degrees and instituting a new lodge for Jaquet River. The Moncton contingent consisted of Messrs. Isaiah Steeves, J. M. Ross, W. B. Logan, John Fraser, P. A. Macgowan, Alex. Stronach, H. Curlye, Joseph Barton, Gordon Jannin, Howard McWilliam, and Menhar and Chester A. Buck. At Jaquet River they were joined by some twenty-five residents of the place, who proceeded to the town where the lodge was duly organized and degrees conferred upon some twenty-five members of North Star Lodge. This was the first regular meeting of the Campbellton lodge since the fire, but it is in a very satisfactory condition, and it is the intention to proceed this season with the erection of a new lodge room. After the degree work refreshments were served by the ladies and the Moncton contingent returned home on the Ocean Limited Saturday, after having a most enjoyable time.

The following officers were elected:—W. G. D. F. Graham; V. G. Harry Miller; R. S. W. Storey; F. S. A. F. Ferguson; Treas. W. Malcolm; L. S. N. G. J. T. Reid; Warden, H. McLellan; Conductor, H. Currie; O. G. R. Keith; I. G. H. Montgomery; R. S. S. Jos. Goldenberg; L. S. S. A. McG. McDonald, Chaplain; Rev. Geo. Morris.

The lodge is in a healthy condition and the enthusiasm of the new members bids fair to carry the work on to a very successful issue.

At the meeting on Monday evening July 3rd, held in the Curling Rink one candidate was initiated. The lodge will hold regular meetings weekly and a committee has been appointed to deal with the matter of a new hall.

BASEBALL AT PRICE

Saybec broke into the Matapedia baseball season by going some. They came up to Price on Sunday, July 2 and sauntered through the local nine to the tune of 5 to 1.

It was a hot afternoon and the fans were gasping for breath in deep, sonorous gasps.

The features of the game were the super-excellent pill twirling by E. Fisher of Saybec, who confused confounded and confounded the Price stick artists through nine hard innings, and the sky-scraping swot of Mr. Eustache Languis resulting in a rottaway to third and then some to home sweet home. The latter's little brother, Master Edmond Langis played classy ball at third.

Mr. J. Rostand of Price pitched one good game while his arm lasted, but it wited in the fifth. His delivery was swift as a bolt from the cerulean blue so swift, in fact that his right wing couldn't stand the pace. Smoky as his balls were, they failed to prevent the visitors from elucidating his mystery. Mr. J. Dupe stepped into the box in the sixth but was unable to make the Saybecers say "well, I'll be gosh-awiggled."

Geo. Gallant caught a plucky game for Saybec with a fractured finger. Umpire, Mr. Arthur Roy.

Saybec Team—Edward Fisher, P; George Gallant, C; Eustache Langis, 1B; Vine Summers, 2B; Fred Ellis, SS; Edmond Laog, Gauchier, LF; Ernest Tremblay, RF; R. W. Costello, CF.

Price Team—Joseph Rostin, P; X. Michaud, LF; J. LaBrie, 2B; J. Dube, CF; E. Michaud, 3B; E. Gagne; 1B; A. StLouis, SS; J. Barre, RF; Adolphe Poiries, C.

It was sad. We did miss a few names on the roll of coronation honors, and some of them worked hard for it too.

\$3,600 in Cash Prizes for Farmers

WHEN you enter the Canada Cement Prize Contest, your dealer will assist you. Consult him in reference to conditions of the contest. Refer all questions of doubt to him to decide. Confer with him when his experience and advice and his knowledge of our plan would seem helpful. Don't hesitate about doing this. We have requested him to assist to the best of his ability any farmer in his locality competing in this contest—whether it's a matter involving the application of cement, or how to go about winning one of the prizes offered in this contest. Do you realize that you have a good chance as the next man to win one of these prizes? There are four for each Province, as follows: PRIZE "A"—\$100.00 to be given to the farmer in each Province who will use during 1911 the greatest number of bags of "CANADA" Cement. PRIZE "B"—\$100.00 to be given to the farmer in each Province who in 1911 uses "CANADA" Cement on his farm for the greatest number of purposes. PRIZE "C"—\$100.00 to be given to the farmer in each Province who furnishes us with photograph showing the best of any particular kind of work done on his farm during 1911 with "CANADA" Cement. PRIZE "D"—\$100.00 to be given to the farmer in each Province who submits the best and most complete description of how any particular piece of work shown by accompanying photograph was done. Contest will close on November 15th, 1911, and as soon as possible thereafter, prizes will be awarded. Be sure and get a copy of our Contest Circular, telling all about the contest. Ask your dealer for one or use the attached coupon, if you find it more convenient. In writing us, mention whether you have received your copy of "What the Farmer Can Do With Cement," a beautifully-illustrated 160-page book, which tells you how to build with cement, so that you can do much of the work yourself. It's a mighty handy and useful book, and should save you many a dollar. Farmers who have received it say it is splendid. Write to-night and it will go back to you with Prize Coupon Folder, by return mail. Canada Cement Company, Limited, Montreal.

**A BOON TO METAL WORKERS**

New Calculating Device, which will Supplement Plan and Elevation Drawing Invented by Chatham Boy

Canadian Patent rights have been granted to Wm. Craig for a new calculating device, which will supplement that part of geometrical designing known as plan and elevation drawing as applied to sheet metal work. The tool is really a combination of square protractors, rule and a flexible gauge, and it is believed its use will practically do away with the customary methods of obtaining measurements from drawings.

These methods are tedious and require much time, while this new calculating device will give more accurate results in less than one quarter the time and by very simple manipulation.

The rule contains graduations, which make the calculating of diameters, circumferences, squares and their respective properties very simple. Various arithmetical problems in fractions and mixed numbers (decimals included) can be very quickly solved with the device.

Though it was designed to suit the sheet metal worker's needs, it is not confined to this line of work, but in time may be used in other fields.

The specifications contain a new idea which the inventor has worked out which even with the present methods could be used very advantageously, but which adds greatly to the usefulness of the tool. It is of simple construction and it is believed that it will soon become a popular tool. It will be known as the "Craig Calculating Square."

The U. S. patent has also been applied for.

The inventor is a well known Chatham boy and is the youngest son of Samuel Craig, formerly of Fredericton.

**EXCURSIONS TO WESTERN CANADA**

The Grand Trunk Railway System announce that on Tuesday, June 13th and 27th, July 11th and 25th, August 8th and 22nd, September 5th and 19th, 1911, Home-seekers' Excursions will run from all Stations in Ontario and Quebec to Western Canada, via Chicago and Duluth or via Chicago, St. Paul and Minneapolis, at reduced round trip fares.

The well-known double track line of the Grand Trunk from the East to Chicago appeals to the traveller, and with the superior train service that is offered by this line, including the famous "International Limited" from Montreal daily at 9:00 a. m., and which is the finest and fastest train in Canada, many passengers will be attracted this way. The route via Chicago is a most interesting one, taking passengers through the principal cities and towns in Canada, and in the States of Michigan and Indiana. In addition to this a choice of seven lines between Chicago and St. Paul and Minneapolis is offered.

Owing to the great number of Canadians who reside in Chicago, St. Paul, Minneapolis, Duluth and other cities en route, there is no doubt that the Grand Trunk will find many patrons who will take advantage of the opportunity thus afforded them for brief visits at the stations with their friends.

Canadian citizens are exempt from so-called Immigration Examination, and there is no detention at any point. Baggage is carried through the United States in bond without requiring any special attention on the part of the passenger. Inspection is not necessary at any of the points at the border.

Another feature that will appeal to the home-seeker is the comfortable transfer at points like Chicago, St. Paul and Duluth into fresher ventilated clean cars, avoiding the necessity of travelling a long distance in the same car.

In addition to the above routes, the sale of tickets is also authorized via Sarnia, and the Northern Navigation Company's magnificent Steamers across Lake Huron and Lake Superior.

For further particulars apply to any Agent of the Grand Trunk Railway System, or write to Mr. J. Quinlan, District Passenger Agent, Bonaventure Station, Montreal, or Mr. A. E. Duff, District Passenger Agent, Union Station, Toronto.

**Would You Provide for the Care of Canada's Needy Consumptives?**

WHEN SEND YOUR CONTRIBUTIONS TO THE MUSKOKA FREE HOSPITAL FOR CONSUMPTIVES

MUSKOKA FREE HOSPITAL FOR CONSUMPTIVES. MAIN BUILDING FOR PATIENTS.

A national institution that accepts patients from all parts of Canada. Here is one of hundreds of letters being received daily:—

John D. McNaughton, New Liskeard, Ont.: A young man not belonging here, and suffering from, it is believed, consumption, is being kept by one of the hotels here. He has no means and has been refused admission to our hospital. The conditions where he is offer him no chance. Could he be admitted to your Free Hospital for Consumptives? If not, could you inform me where he can be sent, and what steps are necessary to secure prompt admittance?

NOT A SINGLE PATIENT HAS EVER BEEN REFUSED ADMISSION TO THE MUSKOKA FREE HOSPITAL BECAUSE OF HIS OR HER INABILITY TO PAY.

Since the hospital was opened in April, 1902, one thousand five hundred and twenty-four patients have been treated in this one institution, representing people from every province in the Dominion. For the week ending November 20th, 1909, one hundred and twenty-five patients were in residence. Ninety-six of these are not paying a cent for their maintenance—absolutely free. The other twenty-nine paid from \$2.00 to \$4.00 a week. No one pays more than \$4.00. Suitable cases are admitted promptly on completion of application papers.

A GRATEFUL PATIENT  
Norah P. Canham: Enclosed you will find receipt for my ticket from Gravenhurst, hoping that you will be able to oblige me with the fare. I was at your Sanatorium ten months, and I was sent away from there as an apparent cure. I am now working in the city, and I am feeling fine. I was most thankful for the care I got from the doctors and staff, and I must say that I spent the time of my life while I was there.

The Muskoka Free Hospital for Consumptives is dependent on the good-will and gifts of the Canadian public. Money is urgently needed at the present time to make it possible to care for the large and increasing number of patients that are entering the institution.

**Will you help?**  
Where greater urgency?  
Truly, Canada's greatest charity.

LET THEM GO

Some of our contemporaries are most persistently prophesying the defeat of the Reciprocity Agreement and the downfall of the Canadian Government because of the defection of such men as Sir Win Van Horne of the Canadian Pacific, John C. Eaton of the T. Eaton Co., Honorable Clifford Sifton and many others who have waxed rich on the profits from government grants, government contracts, or the fruits of other men's labors appropriated in other ways. It will take a lot of such desertions to kill the Liberal party so long as that party can successfully marshal the common people—the working artisans and farmers of the country. The desertion of Sir Robert Perks, the great contractor, and some hundred of the aristocratic, rich and titled Liberals, just before the recent crisis in Britain did not destroy, or even weaken to any appreciable degree, the hold of the Radical government upon the United Kingdom. Rather, by such weeding out of undesirable elements from its midst, the Radical cabinet was strengthened. So it will be in Canada. The party that will finally win and hold this Dominion will not be a party of railway magnates, land speculators and Captains of Industry, but a party of the common people. The quicker such men as Van Horne and Eaton leave the Liberal Party the better for the real Liberals that are left.

Only one thing can overthrow the Liberal party in Canada and that is such a change in the attitude of the working man towards it as happened in British Columbia in the last provincial election, when class-conscious Labor voted so solidly for Socialism that the Liberal candidates were swamped, and the Conservatives, who secured less than fifty per cent. of the total vote, yet managed to elect 38 of the 42 representatives, the Socialists now having 3 in the House and the Liberal Party only 1.

Something exactly similar happened in Cape Breton County last month, when in the Provincial General election the Socialists ran a candidate for the first time and (according to the final figures published in the Conservative Glace Bay Standard) polled 713 votes, or between five and six per cent. of the total, with the result that the two Liberal members were defeated by a narrow margin by the Conservative nominees. Unless there was a landslide of Liberal voters to the Conservative ranks, which is not at all probable, the Socialist candidate drew his support mainly from those who had once been Liberals.

Any wholesale desertion of the Liberal Party by the great speculating and manufacturing interests, as is alleged by opposition papers to be a fact, will tend to more and more heal the breach between Liberalism and Labor, and thus keep the Conservatives still longer in the cool shades of opposition. It is not the attitude of the millionaire so much as that of the common laborer that the Liberal party needs to carefully study. With the masses, not the classes, lies the dominion of the future.

LET CANADA BEWARE

According to a Canadian Press despatch from Los Angeles, California, dated June 28th ultimo, Mrs. Ortie E. McManigal's attorneys, Clarence S. Darrow, Joseph Scott, Leesumpte, Davis and Job Harriman, declare that it is difficult to characterize in temperate language their opinion of the cruel treatment accorded Mrs. McManigal the day before, that under the subterfuge that contempt proceedings against her were to be instituted because of her failing to testify, detectives an hour and a half tortured her to such extent mental and bodily extremity that she finally fainted, and required a physician to restore her; that it was added by her attorneys that the prosecution offered to send Mrs. McManigal to a hospital if she desired to go, but that she steadfastly asked to be permitted to return to her attorneys; that Arthur Veitch, deputy district attorney, stated positively that there had been no "Third degree" methods used in connection with Mrs. McManigal and declared equally positively in answer to a question about a rumor that McManigal at last had been promised complete immunity that such was not and would not be the case.

The above charges may or may not be absolutely true, but charges against United States officers of torturing witnesses in order, after they have weakened and half-crazed them by physical and mental suffering, to extract from them some testimony favorable to those who are working up the case for the prosecution, are becoming so common of late that there must be some ground for some of the allegations so persistently made. The most southern of the United States have largely relapsed into the barbarism common to Corsica, Sardinia, Sicily, Albania and Montenegro, the names of the vendetta and the blood feud of primitive peoples; and, it would seem that the mediaeval practice of torturing witnesses is reviving in the north of the republic. Such doings, if unchecked, will be revenged by assassination or rebellion, which will lead to more repressive measures against supposed criminals, and this to more assassination or more rebellion and finally to either a successful revolution or utter subversion of order.

While there is much good in the United States system that Canada might adopt with advantage, the less she copies the United States modes of dealing with witnesses and persons accused of crime the better. The closer Canada draws to the mother country—the more we assimilate ourselves to what is best and most progressive in the moral and social thought of Britain and northwestern Europe—the more our government becomes like the home government, and the more our political parties conform to the standards of corresponding parties in the Home land the safer and more lasting will be the national foundation Canada is building for herself.

TAXATION

Speaking in Vancouver not long ago Joseph Fels, the millionaire Single Taxer of Philadelphia, gave a humorous account of how he first blossomed out as a philanthropist.

Seven years ago on one of his sundry trips from England to the United States "to get another breath of American corruption," a real estate agent of Philadelphia recommended him to buy a piece of property as a good investment. The agent frankly admitted that there was no railway due there just then, but the land would come in by and by. It was 11½ acres in extent and the price was \$35,000. He finally bought it at \$32,000 and then he turned around to see what he could make of it. He decided to hand it to an association to be divided into forty garden plots for the use of the people, he retaining his ownership.

He said to himself, "Fels, you will certainly get your name in the *Dominion* book," but as one of the conditions he decided to get it into as many newspapers as he could, accompanied by his picture. He thereupon became such a celebrity that he was invited to afternoon teas. The house on the property he gave to another society for the use of needy young women, and a condition of that was that he should appear in the papers as the charitable Mr. Fels. Last year when he returned to Philadelphia he found the property still there and the agent came to tell him for how much it could be sold. He was told that at that time he could get \$100,000 and if he held it two years more he could get \$125,000.

"I said to Yokaum," said Mr. Fels, "if they want that property, at \$125,000 tell 'em they can have it."

"Now, ladies and gentlemen, I sold that property for that sum. Now I ask you who made me that \$90,000. Did I? No; I did not."

"Did that property belong to me? No; it did not. It was made \$90,000 more valuable by the people of Philadelphia, who increased it by their building, and to the people of Philadelphia it should belong. And I have the courage to say to you that I do not own it rightfully. I know that four-fifths of you here are interested in the land question. But how many of you here have the courage that I have and will stand up and say that the city should own the property which is now in your name?"

Joseph Fels is honorary president of the Ontario Tax Reform League, which is urging that municipalities be allowed to reduce taxes on buildings and other improvements and increase taxes on land values, which greatly improved plan of taxation has long been recommended for our own town of Newcastle by Alderman H. H. Stuart.

The city of New Westminster, B. C., has decided by a plebiscite to exempt buildings and all improvements and levy taxes on land values only. Vancouver adopted the same system about two years ago. Edmonton was the first Canadian town to adopt the new idea. It has worked admirably. Vancouver has found it to be the best move it has ever made.

More than 400 Municipal Councils and boards of trade in Ontario have asked that the laws of Ontario be changed to permit any town or Municipality to make the change if it so desires. The same thing was asked of the Local Legislature by Campbellton at

last session, and, we trust, the Newcastle Council will demand the same right of the Legislature next Spring.

This is how, says the Dartmouth (N. S.) Patriot, the present system of taxation works out: "A house assessed at \$5000, pays at the present rate, from \$75 to \$100 a year into the town treasury. In thirty years the owner would pay 12 x \$30 a year the sum of \$4400. The interest on that sum at 5 per cent payable yearly is worth nearly as much more or over \$4400 in all. That is the owner pays as much in taxes on his house in 30 years as his house is worth. During all those years also his house is depreciating. Land does not depreciate as a rule. A building must."

"When every lot within a city's limits," says the Ottawa Journal, "has to bear its equal share of taxation no rapacious speculator will buy up vast tracts and leave them idle, trusting to the industry of others for immense unearned increments. No home builder will hesitate to add a coat of paint or a verandah, fearing an undue increase in assessment."

Putting all, or the principal part, of taxation on land values, will not solve all the difficulty and injustice in taxation plans of the past, but it will greatly simplify and facilitate the collection of taxes, distribute the burden of taxation more equitably and will greatly lessen the extreme ease with which land is now grabbed up by speculators and monopolized. Our taxation system is hopelessly out of date, and the new way outlined above would be a long step in the right direction.

BABY'S OWN TABLETS

CURE SUMMER COMPLAINT

Baby's Own Tablets should be kept in every home where there are babies or young children. At no time of the year is baby in such danger as in summer. At the first sign of illness the Tablets should be given to the little one, for summer complaints come on so quickly that unless prompt aid is at hand baby may be beyond help in a few hours. The Tablets never fail to relieve the sick child, and if occasionally given to the well child will keep him well. Mrs. Desire Martin, St. Denis, Que., writes: "I have a baby three months old who suffered from colic and constipation. Castor Oil was of no help at all, but Baby's Own Tablets speedily cured him and now I always keep them in the house." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

FRANK O'DONNELL DROWNED IN WEST

Frank O'Donnell aged 31, son of Mrs. Phillip O'Donnell of Barnaby River, was drowned at Edward, Washington, on June 20th. His mother and following brothers and sisters survive:—James and John O'Donnell of Barnaby River; Patrick in the United States and Simon of Campbellton; Mrs. Thomas Tobin, Chelmsford; Mrs. William Dinan, Douglastown; Miss Margaret, Augusta, Me., and Miss Gabriella at home. The sympathy of the community goes out to the bereaved mother and family.

Dr. Pierce's Favorite Prescription

Is the best of all medicines for the cure of diseases, disorders and weaknesses peculiar to women. It is the only preparation of its kind devised by a regularly graduated physician—an experienced and skilled specialist in the diseases of women.

It is a safe medicine in any condition of the system. THE ONE REMEDY which contains no alcohol and no injurious habit-forming drugs and which creates no craving for such stimulants.

THE ONE REMEDY so good that its makers are not afraid to print its every ingredient on each outside bottle-wrapper and attest to the truthfulness of the same under oath.

It is sold by medicine dealers everywhere, and any dealer who hasn't it can get it. Don't take a substitute of unknown composition for this medicine of known composition. No counterfeiter is as good as the genuine and the druggist who says something else is "just as good as Dr. Pierce's" is either mistaken or is trying to deceive you for his own selfish benefit. Such a man is not to be trusted. He is trifling with your most priceless possession—your health—may be your life itself. See that you get what you ask for.

P. F. MORRISSY TO GET PENSION
Three provincial teachers were placed on the teachers' pension list at a meeting of the Provincial Board of Education Thursday. There are Miss Catherine Hennessy, Moncton, with half a century record in the teaching profession, and Mrs. Elizabeth Yandall, St. John. The third teacher to secure a pension is Mr. P. F. Morrissy of Newcastle, who has taught school on the North Shore for nearly forty years.

CLARK'S PORK AND BEANS.
Besides being one of the most nutritious foods Clark's Pork and Beans have a delicious appetizing taste that makes their regular appearance at the table a welcome sight to all members of the family. Clark's Pork and Beans are the best Pork and Beans on the grocers' shelves. Wm. Clark, Mfg., Montreal.

THE HOT WAVE
Another terrific thunder storm burst over the province last Thursday afternoon, when considerable damage was done in several places. George Mitchell, of Rexton, who happened to be out in the beginning of it, received a shock which rendered him unconscious for several hours, but he has now recovered. The house of T. McDermott, Rexton, was badly shattered. Yesterday afternoon, in Newcastle, the thunder was very severe, and for a few minutes hailstones half an inch in diameter fell. The heat for several days has continued intense.

Six minutes is all the time required for brewing Red Rose Tea, and the result is a beverage of matchless flavor and satisfying strength. The verdict of your family will be that RED ROSE TEA is good tea.

About 100 Miramichi people went on the pilgrimage to Ste. Anne de Beupre last week. Altogether about 1600 went from the Maritime provinces.

NEWCASTLE GAINS 17 PER CENT.
Newcastle's population is now announced as 2,945. In 1901 it was 2507. The gain in ten years has thus been 438 or about 17 per cent.

The woman of today who has good health, good temper, good sense, bright eyes and a lovely complexion the result of correct living and good digestion, wins the admiration of the world. If your digestion is faulty Chamberlain's Stomach and Liver Tablets will correct it. For sale by all dealers.

TEACHER PROMOTED
Mr. Norman D. Case of Fredericton, who for the last year has taught the miscellaneous school at Chatham Head, has accepted the Principalship of Nelson graded school for the coming year.

Right in your busiest season when you have the least time to spare you are most likely to take diarrhoea and lose several days' time, unless you have Chamberlain's Colic, Cholera and Diarrhoea Remedy at hand and take a dose on the first appearance of the disease. For sale by all dealers.

UNITED BAPTIST CHURCH
It is expected that the Rev. B. H. Thomas of Dorchester, N. B., will occupy the above pulpits on Sunday next in the absence of Rev. Dr. Cousins, who will take a rest in Carleton Co., after attending the Provincial Baptist Convention in Hartland, which opened on the 10th.

CHATHAM PULP MILL
Plans for the reorganization of the Miramichi Pulp Company or for the purchase of their mill in Chatham are being made. If the plans now under consideration are put into effect the plant will be improved and enlarged and its capacity increased from forty five tons to ninety tons of pulp per day.

ITCHING, BURNING, SKIN DISEASES CURED FOR THIRTY-FIVE CENTS.—Dr. Agnew's Ointment relieves in one day, and cures Tetter, Salt Rheum, Scald Head, Eczema, Barber's Itch, Ulcers, Blisters and all eruptions of the skin. It is soothing and quieting and acts like magic in the cure of all baby humors. Sold by A. E. SHAW'S Pharmacy. 35c.—47

INJURED IN QUARRY
John Black was severely injured in the Indiantown quarries on Saturday, being caught in the fall of a large stone and his right arm was badly crushed at the elbow and his leg also injured. Dr. McManus was summoned and the injured man was brought by train to Hotel Dieu. The injured arm can probably be saved.

SPEECHLESS AND PARALYZED.—"I had valvular disease of the heart," writes Mrs. J. S. Goode, Truro, N. S. "I suffered terribly and was often speechless and partially paralyzed. One dose of Dr. Agnew's Cure for the Heart gave me relief, and before I finished one bottle I was able to go about. To-day I am a well woman." Sold by A. E. SHAW'S Pharmacy. 43

SENT TO PENITENTIARY

George Anderson and Roy Oakes who pleaded guilty to the robbery of the D. J. Beckley establishment at Rogersville were sentenced to five years each in the Dochester penitentiary by Col. Mackay at the police court Thursday. The maximum penalty is fourteen years.

THE GOVERNOR'S WIFE A PRISONER.—Mrs. Z. A. Van Loven is the wife of the governor of the county jail, Napanee, Ont., and was a great sufferer from rheumatism. When the best doctors in the community and "specialists" failed to help her, she buried her scepticism of proprietary remedies and purchased South American Rheumatic Cure. 4 bottles cured her. Sold by A. E. SHAW'S Pharmacy.—12

NEW FOUNTAIN MUCH APPRECIATED
The drinking fountain, that long ago was set up in the square, but later removed, has been set up in the street opposite the Town Hall and between that building and A. H. MacKay's store, one of the most public places in town. The fountain affords drinking accommodation for man and beast and will be much appreciated by the citizens.

TWITCHY MUSCLES AND SLEEPLESSNESS.—The hopless heart-sickness that settles on a man or woman whose nerves are shattered by disease can best be pictured in contrast with a patient who has been in the "depths" and has been dragged from them by South American Nerveine. George Webster, of Forest, Ont., says: "I owe my life to it. Everything else failed to cure." Sold by A. E. SHAW'S Pharmacy.—11

A Few Of The Many Reasons That

LITTLE'S PURE WOOL YARN

IS BETTER THAN ANY OTHER YARN ON THE MARKET It is Made From Pure Wool

It is perfectly smooth and even, no lumps or fine places in it. We use nothing but the most modern and up-to-date machinery, which is guaranteed not to cut or break the wool fibre in going through the different processes of manufacturing. All the Dyes, Soaps, Oils, etc., that we use are the very best we can buy, and are something that we know will not injure the wool in any way. In fact we are doing the very best we can, in every way we can, to put up an article that will satisfy our customers in every respect. We never forget that a satisfied customer will come again. ### ACCIDENT AT MATAPEDIA

Man and Horse Killed by Lightning.

On Monday afternoon Stanford Hopper of Matapedia was killed by lightning as was also the horse he was riding.

As far as can be learned the deceased was engaged towing three spows on the river while the storm was at its height and was riding one of the horses, both being killed by the one shaft of lightning. The other horses started off across the river dragging the dead animal with them while Hopper dropped into one of the deep pools. The body was recovered and Dr. Martin the coroner viewed it on Wednesday evening. Deceased was only 22 and was highly respected in the community. He leaves a young widow and one child.

#### BLACK CAPE

Black Cape, July 3rd.—Quite a number of our young people attended the coronation celebration at New Carlisle on the 22nd.

Mrs. Thomas Young of Oak Bay Mills is visiting her mother, Mrs. Peter McEac.

Mr. Hugh Johnston has returned from Matapedia where he has been for some time on duty.

Mr. and Mrs. D. L. Campbell and son have returned from Paspébiac West.

Two steamers are in the harbor of New Richmond loading lumber one for Montgomery & Sons and the other for the Casapedia Mill and Trading Co.

The Norwegian barque Sepridg which has been loading a cargo of deal at Pritchard's Cove for J. H. Starak sailed on Sunday morning.

A large picnic was held at the New Richmond Driving Park on Saturday and was largely attended the day being all that could be expected we hope that our New Richmond correspondent will give the GRAPHIC a full report of the great time being spent.

Our schools closed on Friday for the holidays.

Miss Janie Campbell arrived home from Broadlands today where she has been teaching school.

Miss Lily Campbell of Montreal is spending her vacation at her home.

Mrs. J. H. West and children have returned from Port Daniel.

#### NEW CARLISLE

Coronation Day was celebrated here and everything went off satisfactorily. There were over 2300 people from up and down the coast. The Chatham band supplied the music. One feature of note was the marching of about three hundred children, through the village down to the grounds. The three clergymen of the place took an interest in the children.

The young people had a very enjoyable picnic on Dominion Day at St. Godfrey.

Master D. Shearer is improving slowly from his illness and we trust will soon be about again.

Mrs. Capt. Clifton Smith and Miss Ella Smith arrived here a few days ago.

Miss Gertrude Smith of Dee Side is visiting her home here.

Mrs. Thomas Smith and daughter have returned to their old home for the summer.

### BETTER SEWERAGE FOR CAMPBELLTON

Town Council in Regular Session Decide to Improve The Sewerage System.

Campbellton, N. B., July 4.—At the town council meet to-night Councillor Alexander from Water and Sewerage Committee submitted a further report recommending that a new sewer outlet be provided at Andrew St. to relieve the present outlet which is in an unsatisfactory state. Through the new sewer the Andrew Street and Water Street East sewerage would flow to the river and it is supposed to take this outlet through the Shives mill property, permission for which has been received. The size of the new outlet will be 16 inch cast iron. Also recommending that the present outlet on Water Street which runs through the Town Lane east of Victoria Street be enlarged to relieve the congestio. at this point making the outlet 16 inch cast iron, and further recommending that the tender of W. J. Christie for the laying of sewer on Hanover Street for \$577 be accepted. After discussion and explanations from the Town Engineer the report was received and adopted.

#### WEDDINGS

##### SHIVES—WRIGHT

Summerside, P. E. I., July 5.—The marriage was performed yesterday morning at the residence of the bride's sister, Mrs. Henry T. Holman, Summerside, of Miss Lou Wright, third daughter of Mr. E. H. and Mrs. Wright, of Summerside, to Mr. Reginald K. Shives, of Campbellton, N. B., eldest son of the late Mr. Kilgour Shives, Rev. James H. Strothard officiating. The bride wore a travelling suit of white serge. The house was tastefully decorated for the occasion. The happy couple left on a wedding trip to Montreal, Toronto, Niagara Falls, and other Canadian cities, after which they will return to Summerside by the Casapedia and will reside in Campbellton, N. B.

## The wonderful hand tailoring in Fit-Reform Suits

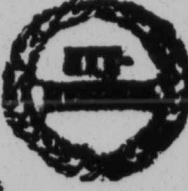

If you could be in the Fit-Reform workrooms and see a Fit-Reform Suit being made, you would be amazed at the amount of hand tailoring put into each garment.

What you see when you look at the completed suit, is only a small part of the workmanship.

It's the hidden part—the intricate stitching—the hand shaping—the patient moulding—that gives Fit-Reform garments so much style and grace.

It takes expert tailors to do the kind of work demanded by Fit-Reform. The specialists in the Fit-Reform workrooms are the best tailors in Canada today.

Compare these garments with the best custom work you know of, and you will find that the Fit-Reform standard of hand tailoring is the highest in the Dominion.

This does not mean that Fit-Reform garments are expensive. Prices for high class Suits are \$18, \$20, \$22, \$25 up.

**Try this Thirsty Flour**

A very thirsty flour. Absorbs a lot of water. Because it contains so much gluten. Manitoba wheat is wonderfully rich in sturdy gluten. And, think of it, FIVE ROSES is milled exclusively from the very cream of the Manitoba wheat berries. So FIVE ROSES must be awfully thirsty, don't you see. In your mixing bowl it greedily absorbs more water. So you get more loaves than usual without using more flour. You use less. Your flour lasts longer, doesn't it? Less trips to your dealer. That's how FIVE ROSES saves money. Actually saves YOU money. Use this economical flour.

**\$3,600 in Cash Prizes for Farmers**

ARE you one of the thousands of Canadian farmers who have used or intend using Canada Cement for the construction of some farm utility? If you contemplate building anything whatsoever of concrete, make up your mind right now to build it with a view to winning one of the prizes we are offering. Read the rest of this announcement and you will learn how you may try for a share in the \$3,600 we are giving away, to encourage the use of cement upon the farm. Throughout Canada the farmers have taken such a keen interest in our campaign that it has inspired us to go further along these educational lines. We have decided, therefore, to offer a series of four \$100.00 prizes to each of the nine Provinces, to be awarded as follows:

PRIZE "A"—\$100.00 to be given to the farmer in each Province who will use during 1911 the greatest number of bags of "CANADA" Cement for actual work done on his farm.

PRIZE "B"—\$100.00 to be given to the farmer in each Province who uses "CANADA" Cement on his farm in 1911 for the greatest number of purposes.

PRIZE "C"—\$100.00 to be given to the farmer in each Province who furnishes us with a photograph showing best of any particular kind of work done on his farm during 1911 with "CANADA" Cement.

PRIZE "D"—\$100.00 to be given to the farmer in each Province who furnishes the best and most complete description of how any particular piece of work shown by photograph sent in, was done.

In this contest no farmer should refrain from competing, because of any feeling that he may have little chance against his neighbor who he thinks might use more cement than he does.

For it will be noted that Prizes "C" and "D" have no bearing whatever on quantity of cement used. The man who sends us the best photograph of so small a thing as a watering trough or a hitching post, has as much chance for Prize "C" as a man who sends a photograph of a house built of cement—and the same with Prize "D" as to best description.

Canada Cement is handled by dealers in almost every town in Canada. Should there not happen to be a dealer in your locality, let us know and we will try to appoint one.

Contest will close on November 15th, 1911, and all photos and descriptions must be in our office by that date. Awards will be made as soon as possible thereafter. The jury of award will consist of: Prof. Peter Gillespie, Lecturer in Theory of Construction, University of Toronto; W. H. Day, Professor of Physics, Ontario Agricultural College, Guelph; and Ivan S. Macdonald, Editor of "Construction."

Now, you cannot hope to do concrete work to the best advantage unless you have a copy of our free book, entitled, "What the Farmer Can Do With Concrete." This book tells how to construct well-nigh anything on the farm, from hitching post to silo. Whether you enter the contest or not, you'll find this book most helpful. A post-card asking for the book will bring it to you promptly. Send for your copy to-night. From your cement dealer or from us, you can obtain a folder containing full particulars of contest. If you send to us for it, use the coupon provided in this announcement.

**AT LAST, A CURE FOR RHEUMATISM**

"Fruit-a-tives Cured Me" Says Mrs. Barber. "I was helped out of my Rheumatism for nearly a year and down the right side, the pain was dreadful and I could not move for the agony. I was treated by 10 physicians without help. I saw 'Fruit-a-tives' advertised in 'The Telegram' and decided to try them. After I had taken one box, I was much better."

When I had taken three boxes, I could use my arm and the pain was almost gone. After taking five boxes, I was entirely well again. The cure of my case by 'Fruit-a-tives' was indeed splendid because all the doctors failed to even relieve me. 'Fruit-a-tives' cured me!  
Mrs. LAZZI BAXTER.  
4 HOME PLACE, TORONTO, Dec. 15, '09.

In hundreds of other cases, 'Fruit-a-tives' has given exactly the same satisfactory results because 'Fruit-a-tives' is the greatest blood purifying medicine in the world. 'Fruit-a-tives' is the famous fruit medicine regulates kidneys, liver, bowels and skin, and prevents the accumulation of uric acid, which is the prime cause of Rheumatism. 'Fruit-a-tives' will positively cure every case of Rheumatism, when taken according to directions. See a box, 50c for \$2.50, or trial size, 5c. Amatite Roofing Needs No Painting.

**AMATITE** roofing is so-called. It doesn't need to be watched over and fussed with and cared for.

It takes care of itself from the start. As soon as it is laid on your roof, you can go away and forget about it.

You don't have to paint Amatite every two years as you do the "rubber" kinds. Amatite has a mineral surface which needs no painting.

The mineral surface is better and more durable than many coats of paint.

Back of the mineral surface is a layer of pitch, the greatest waterproofing compound known. Back of the pitch is a layer of felt (a whole ready roofing in itself), and behind this is another layer of pitch and another layer of felt. The result is a strong, durable roof which can take care of itself in any climate without painting.

We will be glad to send you free a sample of Amatite Roofing so that you can see for yourself just what it looks like. Address our nearest office.

**Everjet Elastic Paint**  
Low in price. Great in durability. Available for repainting the life of nearly anything. Houses, iron work, etc.

**Cresoloid** Lin Disinfectant and Germ Destroyer.  
It will keep flies away from the corn. It will keep lice and ticks away from the pig, make excellent laundry and bathroom disinfectant.

RICHIBUCTO NEWCASTLE GAME TO-DAY

## SPORTS

PEASLEY QUITS BASE-BALL

Richibucto and Newcastle will clash again on Farrell field this afternoon and we hope with better results for the home team than when these two last met. Lind and Graham will form the battery for Newcastle, while Shaddick and Murray will hold down the visit and good games can be expected.

Newcastle and Richibucto will clash again on Farrell field this afternoon and we hope with better results for the home team than when these two last met. Lind and Graham will form the battery for Newcastle, while Shaddick and Murray will hold down the visit and good games can be expected.

The Campbellton Graphic has the following report of the Newcastle-Campbellton game:

On Saturday 1st July we had a visit from Newcastle Ball team, but we did not receive them to Van Bavin. It was a hot day for swimming even and on the ball players all went to sleep in the third innings with the result that Newcastle pinched their loss in that session and thereafter we made endeavors to keep our eyes open—even the bandmen feeling the heat. No, we didn't win and the man who scores the errors, fell into a sweet slumber after the second innings, a slumber so deep that copious libations of iron brew failed to awaken him, hence the reason of no score. Next time we play Newcastle we shall see that the man with the pencil is awake—very wide awake, believe us.

James J. Jeffries, the only world's champion heavy weight that ever haded the prize, and whose defeat by Jack Johnson a year ago at Reno merely increased his dislike of crowds, was in Chicago Wednesday, en route to Florida.

Jeffries was at the idea that he was negotiating the British public during the week. The exchange was that Johnson had not given up and down Piccadilly, Haymarket, "but there, Johnson likes that sort of thing."

Jeffries didn't mix up much on the subject. "All that stuff is for advertising," said he, "and I'm out of it all time. I never see it and you couldn't see it and you couldn't see it and you couldn't see it."

"I have many old friends," he said, "I think he is a good man and I realize that another"

Jeffries smiled reminiscently as he talked of the fight with Johnson that lost him his title. He said: "All that is lost and buried. I'm a business man now. My trip abroad did me a lot of good. I've got a fresh point of view and feel fit to get into the real game of life—business."

Jack Gleason, who, with Tex Rickard, promoted the Reno battle, in which Jeff met defeat, sat near him in the grand stand at a ball game, but the former champion did not seem to be looking for close communion with anybody. He weighs 255 pounds.

The Dalhousie Superior School held its public closing yesterday afternoon at 2 o'clock. A large number of the parents were present and the following programme was carried out:

- 1 Opening Chorus—by Primary Department
- 2 Recitation—"Which was the fairest" by Mattie Cook.
- 3 Hoop Drill by Primary girls.
- 4 Song—"Star of the East" by School.
- 5 Recitation—"My Best Friends," by Gladys Strong and Keays McNeill.
- 6 Song—"Gathering Flowers" by Junior girls.
- 7 Recitation—"The School house Key" by Beulah Gallop.
- 8 Chorus—"O Canada" by the School.
- 9 Minuet by Vera Simpson and Elma Cook.
- 10 Recitation—"Lost, Three Little Robins" by Albert Murchie.
- 11 Song—"The Birds" by Primary Department.
- 12 Recitation by Vaughan Mott.
- 13 Song—"The Gypsy Daisies" by 4 junior girls.
- 14 Presentation of prizes.
- 15 God Save the King.

The Silver medal offered by Mr. S. L. T. Clifford for best chemistry in X grade was won by Eliza Wallace, very closely followed by Alfred Kirk. Beverly Scott won the Mercier & Magee prize for best translation. Jessie — carried off the prize for best science in High School entrance. Grace Ewen won the prize for the best Latin in grade VII. Alfred Kirk received the prize for best geometry in grade IX.

A book was given to Albert Murchie by Mr. Geo. Seely for perfect attendance in grade IV. Philomene Methot won the prize for the best attendance of the girls in grade IV given by Mr. Seely.

Two other books given by Mr. Seely to pupils in the III grade for the best attendance were won by Leo St Onge and Lillian Bateman.

McKay was given a prize for highest standing in grade IV.
