The copy filmed here has been reproduced thanks to the generosity of:

National Library of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol ➡ (meaning "CONTINUED"), or the symbol ▼ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Bibliothèque nationale du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole ➡ signifie "A SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

INTRODUCTION.

We are still pleased to be able to state that Ottawa is growing satisfactorily.

With our issue this year, we are giving a Map of Ottawa and Hull, with their Suburbs, that cannot fail to be very useful to our patrons. Extra copies of this map will be for sale at our Office, 51 Sparks Street, also at the leading book stores. The prices will be \$1.25 mounted on canvas with rollers and varnished, or 75 cents unmounted.

We have made a change in the printing of the Street part of the Directory, by using smaller type. We now have three columns instead of two, and by placing a heavy line at the commencement of each street, and a dotted line to mark the commencement of each side of the street, we think perusers of that part of the work, will find what they are looking for, much more readily than heretofore.

As the Dominion Government is still unsettled we cannot fill in the names of the Hon. Gentlemen who will be the heads of the different departments, but will do so as soon as possible after the appointments are made.

We have an increase in individual names over last year of 1,138, making total number of individual names 21,138, which multiplied by three will make the total population of Ottawa about 63,414.

In your own interest as well as ours, see that our name is on the order before signing.

Thanking all who so kindly assisted us in procuring information,

We remain, yours truly,

The Might Directory Company of Toronto, Limited.

J. M. MIGHT, *President and Mng. Director.*

Do you intend to give up house, go abroad, board out, or spend the season at Aylmer, Britannia, Rockcliffe, the St. Lawrence, or some other resort, if so, you of course do not care to take your furniture with you, neither do you wish to pay rent for a house and leave it there; you will look around for a good, safe place to store it, and if wise, will come to us, as we make a business of storing furniture and other goods, and have a building which is properly fitted up and devoted entirely to that purpose. We issue warehouse receipts for everything placed in our keeping, and our rates are very low.
