The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

RULES ADOPTED BY THE CHURCH SOCIETY.

DECEMBER, 1859.

1. Whereas, it frequently happens that persons from various parts of the Diocese, and from other Dioceses, make application for assistance in building Churches, Parsonages, &c., to the Clergy and Laity of the Church throughout the Diocese, without any recognized authority and proof of the facts of the case for which application is made: Resolved, therefore, that the Bishop be respectfully requested to establish as a rule in the Diocese that no clergyman or layman be permitted to collect money for any Church purpose beyond the bounds of his own mission, or to proceed to any other Diocese for the same purpose, without the sanction and approval of the Bishop, given as a heading to his Subscription list; and that it be the duty of such collector to communicate with each clergyman before he makes a collection in his parish; and that, on his return from his collecting tour, every person collecting shall present his Subscription List to the Bishop, and account for all money received. And further, that no person from any other Diocese shall make collections within this Diocese without first obtaining the sanction of its Bishop, under his hand and seal.

2. Resolved, That inasmuch as great inconvenience and loss arise from the delay that often takes place in making the collections for the Church Society and transmitting them to the Secretary, the Clergy are therefore requested to make the collections on some Sunday during the month appointed for each collection, and to see that they are forwarded without delay to the Secretary.

DECEMBER, 1860

3. Resolved, That no change shall be made in the Constitution of this Society, unless notice has been given at the previous quarterly meeting; and further, that all proposed changes of the Constitution shall be brought before the Standing Committee for them to report upon.

MARCH, 1861.

4. Resolved, That all applications for grants of money, books, &c., shall be submitted for the consideration of the Standing Committee previous to action by the Society thereon.

OCTOBER, 1862.

5. That, seeing it is absolutely necessary for the successful working of the Church Society, and the furtherance of the various objects embraced by its Constitution, that all parts of the Diocese should co-operate: Be it therefore Resolved, that no assistance be given to any Parish or Congregation unless all the collections are regularly made by such congregation, and a Parochial Association established in connection with the same, from which collections are annually made for the Society; and further, that the Bishop be respectfully requested to apply the same rule to the S. P. C. K. Fund, for assisting in the building of Churches in the Diocese.

JUNE, 1867.

6. That no resolution passed at any meeting of the Society shall be considered to be in force until brought up and confirmed at the next meeting, except such as refer to business which has been brought before the Standing Committee, or such as ask for the appointment of Committees.

JUNE, 1868.

7. That all applications for aid from the Society must be with the Secretary at least three days before the meeting, otherwise they cannot be entertained until the following meeting.

8. That grants made from the General Purposes Fund, and not claimed by the expiration of two years from the time that they are promised, be cancelled.

9. That every application made to the Church Society by Clergymen regarding arrears of salary due by their congregations, be signed both by the Clergyman and the Church Wardens, with a view of making known to such congregations the amount of arrears due, and of influencing them thereby to a due regard to their obligations in relation to the salary of their Clergymen.

CONSTITUTION

OF

The Church Society of the Diocese of Huron.

Adopted by the Society and Confirmed by the Bishop.

Incorporated for promoting the following objects:—

FIRST—For the encouragement and support of Missionaries and Clergymen of the United Church of England and Ireland within the Diocese of Huron, and for creating a fund towards the augmentation of the stipends of poor Clergymen, and towards making a provision for those who may be incapacitated by age or infirmity, and for the Widows and Orphans of the Clergy of the said Church in the said Diocese.

SECONDLY—For the encouragement of education, and for the support of Day Schools and Sunday Schools in the said Diocese, in conformity with the principles of the said Church.

THIRDLY—For granting assistance, where it may be necessary, to those who may be preparing for the Ministry of the Gospel in the said Church, within the said Diocese.

FOURTHLY—For circulating in the said Diocese the Holy Scriptures, the Book of Common Prayer of the said Church, and such other Books and Tracts as shall be approved by the Central Board or Managing Committee of the said Association.

FIFTHLY—For obtaining and granting aid towards the erection, endowment and maintenance of Churches, according to the establishment of the said Church in the said Diocese; the erection and maintenance of Parsonage Houses; the setting apart of Burial Grounds and Church Yards; the endowment and support of Parsonages and Rectories, according to the same establishment, and the management of all matters relating to such endowments.

I.

That before the Society shall enter upon any business at any of its meetings, the following prayers shall be said:—

PREVENT US, O Lord, in all our doings, with Thy most gracious favour, and further us with Thy continual help; that in all our works, begun, continued, and ended in Thee, we may glorify Thy holy name, and finally by Thy mercy obtain everlasting life, through Jesus Christ our Lord.—AMEN.

O GOD, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we humbly beseech Thee to prosper with Thy blessing the designs of this Society and to comfort with Thy grace those benefactors who contribute to its support. Visit with Thy favour our Sovereign QUEEN VICTORIA, and all in authority under her, and so rule their hearts, that they may in all things seek Thy honour and glory. Bless the ministry of Thy servants, the Clergy; the endeavours of all who are engaged in spreading the knowledge of true religion in this Province, and the labours of those Missionaries who are promoting the same in foreign parts. Inspire continually the Universal Church with a spirit of truth, unity and concord, and because it cannot continue in safety without Thy succor, preserve it evermore by thy help and goodness; and may Thy Holy Spirit direct all our consultations to the advancement of Thy Glory, and the good of Thy Church, through Jesus Christ our Lord.—AMEN.

OUR FATHER, which art in Heaven, hallowed be Thy name. Thy kingdom come. Thy will be done in earth, as it is in Heaven. Give us this day our daily bread, and forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation; but deliver us from all evil; for Thine is the kingdom, the power and the glory, for ever and ever.—AMEN.

AND WHEN BUSINESS IS ENDED.

ALMIGHTY GOD, Father of all mercies, we, Thine unworthy servants, do give Thee most humble and hearty thanks for all Thy goodness and loving kindness to us and to all men; more particularly for the providential support by which this Society has been enabled to extend the knowledge of Thy sacred Truth. But above all, for Thy inestimable love in the redemption of the world by Thy blessed Son; for the means of grace, and the hope of glory which thou hast given us, in the same our Lord and Saviour Jesus Christ; to whom with Thee and the Holy Ghost, be all honour and glory, world without end.—AMEN.

THE Grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost be with us all evermore.—AMEN.

II.

That the Society shall consist of the Lord Bishop of the Diocese, and of all Clergymen and Laymen who shall contribute to its funds.

III.

That the Lord Bishop of the Diocese be President, and the Dignitaries within the Diocese be Vice-Presidents of the Society.

V.

That every incorporated member of the Society shall subscribe not less than Five Dollars annually to the funds of the Society, or contribute not less than Fifty Dollars in one sum, or land to the value of One Hundred Dollars; and it shall be the duty of the Secretary, on the first day of April in each year, to notify all incorporated members who have not paid for the current year, and at the meeting in the month of June in each and every year to make a return of those who have not paid up the Five Dollars for the year ending 31st of March previous, and such shall cease to be incorporated members of the said Society. The Lay Representatives of the Synod shall be, during their continuance in office, members of the Society, upon the ground of the contributions from the congregations they severally represent.

VI.

That the Standing Committee shall consist of, in addition to the members *ex officio*, fifteen Clergymen and fifteen Laymen, who shall be elected by ballot out of the incorporated members at their quarterly meeting in June, of whom five of each order shall retire each year.

VII.

VIII.

That the paid officers of the Society shall be the Secretary, and an Assistant if required, also the Auditors; and that the Secretary shall furnish security to the satisfaction of the President and Standing Committee,

XII.

That with regard to all meetings of the Society, and to the making altering or repealing any by-laws, rules or regulations, it is to be specially noticed that by the Act of Legislature, 7 Vic., ch. 68, it is enacted that no act of the Society, or meeting of the Corporation shall be valid, unless six persons of the Corporation, at the least, shall be present, and the major part of them consenting thereto. And further, that no constitution, by-law, rule, or regulation of the Society; nor any abrogation, repeal, change or alteration of the same shall be of any force or effect until it shall have been confirmed by the Bishop, in writing, under his hand.

XIII.

XVI.

That in order more fully to promote the objects of the Society, each congregation, in the person of its clergymen and churchwardens, shall be a sub-association in correspondence, through its chairman, the Clergyman, with the Parent Society, and may be denominated "THE PAROCHIAL ASSOCIATION OF THE CHURCH SOCIETY." The Committee, which shall consist of the above-named, with power to add to their number, shall meet so often, and at such periods, as they themselves decide to be most convenient, inviting the co-operation of all the parishioners in their deliberations and designs. They shall collect subscriptions and donations from the members of the Church, in such manner as they shall deem most effective, and endeavour, by every means in their power, to augment the resources of the Society. All money raised to be transmitted to the Secretary of the Parent Society.

XVII.

That four collections be made annually, the proceeds of one of which shall be devoted to the Widows' and Orphans' Fund, and that of the other three to Missionary purposes; and at such other times and for such purposes as the Bishop may direct. The collections to be forwarded to the Secretary of the Society. It shall be the duty of every clergyman to give notice of these collections, and to call the attention of their congregations to the importance of the objects, and their claims for liberal support.

XVIII.

That all money shall be paid by cheques on the Treasurer, signed by the President, (and in his absence by the person administering the Diocese, and in case of the vacancy of the See, by one of the Vice-Presidents,) and countersigned by the Secretary.

RESOLUTIONS

PASSED AT THE TWELFTH ANNUAL MEETING, HELD ON THE
7TH OF JUNE, 1870.

The Annual Meeting of the Church Society was held in the City Hall, London, on Tuesday evening, June 7th, 1870; the President, the Bishop of Huron, in the chair.

The Report was read by the Secretary.

Moved by the Very Rev. Dean Hellmuth, seconded by F. W. Thomas, Esq., and

1. *Resolved*—That the Report now read be adopted, and printed for circulation. Carried.

Moved by Rev. D. Armstrong, seconded by Rev. W. Brookman, and

2. *Resolved*—That the many mercies of the past year, and the measure of success which has attended the efforts of this Society, call for heartfelt thankfulness to Almighty God. Carried.

Moved by Rev. H. Caulfeild, seconded by Rev. J. Smythe, and

3. *Resolved*—That the increasing wants of the Diocese, and the fact that the annual reduction of the assistance derived from home leaves the support of the Church almost entirely on our members throughout the Diocese, call for greater and more systematic effort being made on behalf of the objects of the Church Society. Carried.

The Rev. E. Sullivan, A.B., Rector of Trinity Church, Chicago, kindly attended and addressed the meeting; and the choir of St. Paul's Cathedral, under the leadership of Mrs. Raymond, added very much to the interest of this meeting.

TWELFTH ANNUAL REPORT
OF THE
INCORPORATED CHURCH SOCIETY
OF THE DIOCESE OF HURON.

In presenting their Twelfth Annual Report, the Standing Committee are gratified in being able to report to the Society an increase of income over the previous year; still they are far from satisfied with the returns made, as compared with the ability of our members and the important work which the Society has in hand. Taking the Church population in the diocese at 100,000—and the census this year will probably shew that it is from 5 to 10,000 more—the income sent in to the Society from the diocese will only give about $9\frac{1}{2}$ cents per head; and if we add to this the amount subscribed in cash during the year to the Sustentation Fund, it will only raise it to an average of about 16 cents, which is not much more than half what our people are well able to give for the general work of the Church, in addition to all demands for local objects. Is it, then, without reason that the Committee still ask that further exertions be made on behalf of the objects of the Church Society?

Income.

The income for the past year derived from the Diocese is \$9295.52, against 8923.69 received during the previous year, showing an increase of \$371.83; but as the income of the previous year was less by \$610 than that of the tenth year, it still leaves the income of the past year more than \$200 less than that of the tenth year.

General Purposes Fund.

The amount received for this Fund from the Diocese was \$5538.11, which, after paying all expenses, including \$250 grants to churches previously promised, and \$465 to the Widows' and Orphans' Fund, has enabled the committee to carry \$2709.33 to the help of the Mission Fund. The amount placed to the credit of this Fund would have been much increased had all the parishes sent in Parochial Association collections as directed by the constitution, and the non-compliance with this rule involves much inconvenience and confusion.

Mission Fund.

This Fund, though still labouring under great difficulty, shews an improvement compared with the previous year. The debt standing against it is reduced by \$567.58, although the S. P. G. grant was diminished during the past year by £80 stg. to over \$480. Had it not been for this the improvement would have been over \$1000. As, however, the S. P. G. have given notice that another reduction of £80 stg. is to be made in their grant from January 1st next, it is absolutely necessary that greater exertions be made on behalf of this Fund, unless the Society is satisfied to allow it to drag on under a load of debt for a number of years to come.

Widows' and Orphans' Fund.

The income of this Fund from investments is gradually improving; but alas! the claims on it increase in greater ratio. The claimants are now eight, and the pensions \$1600 a year, a sum which absorbs the entire income from the investments, leaving only the proceeds of the annual collection and the amount annually paid from the General Purposes Fund, as directed by the by-law, to increase the capital. Two or three more claimants on this Fund would compel the committee to reduce the pension paid to each widow; it is evident, therefore, that unless some steps are taken to improve this Fund, the small pensions now paid to the widows of clergymen must ere long be reduced. This is a very important matter, and the committee would commend it to the serious consideration of the Society.

Depository Fund.

Sales of books continue to be made by Messrs. E. A. Taylor & Co., who have charge of the Society's Depository, and grants to the value of \$232 have been made to various Sunday Schools during the year. A large stock of hymn books, &c., is now on hand. An attempt has been made to supply Sunday School libraries and Church tracts from the S. P. C. K. stock of books, and it is hoped that during the coming year arrangements will be made to supply the Diocese with these publications.

Sustentation Fund.

During the past year the Rev. T. C. DesBarres has perseveringly acted as agent for this Fund, and has successfully canvassed various parts of the Diocese, and is still faithfully pursuing his arduous labours. The investments to the credit of this Fund, including the £1000 stg. from S. P. G., now exceed \$12,000, which will enable it in future to give substantial assistance to the Mission Fund.

The subscriptions in cash sent in during the past year were \$7062.65, and the notes and promises on hand are now over \$36,000.

Commutation Fund.

During the past year five of the senior non-commuted clergy have been placed on this Fund for \$200 each, and for the past three quarters they have been paid at this rate.

Episcopal and Archdeacons' Fund.

The investments belonging to this Fund shew a gradual improvement, and the present state of the interest account leads the committee to hope that this Fund will be relieved, or very nearly relieved, from all difficulty by the end of another year, and thus enable the fund to pay a larger stipend to the Bishops than at present.

Rectory Lands.

During the past year much progress has been made in selling the Rectory lands, as permitted by the Act of Parliament; and already the lands of four of the rectories have been brought into the market. The accounts explaining the present position of these trusts, and the various other trusts administered by the Society, will be found appended to this Report.

During the past year one of our Vice-Presidents has been summoned away by death, the Hon. G. J. Goodhue, who was a Vice-President of the Church Society previous to the division of the Diocese of Toronto, and who always took a lively interest in the well-being of this Society from its incorporation, and in the disposition of his property, as a token of remembrance, has left a legacy of \$2,500 to the Sustentation Fund, which, probably, before the end of another year, will be paid over to that Fund. Another well-wisher of the Society, the late John Bowman, of the Township of London, has left a noble example of liberality, which we may justly hope that others of our members, to whom God may give the ability, will, from time to time, follow. His legacies, including an endowment for St. George's Church, London Township, will, when paid, add over nine thousand dollars to the funds of this Society. Among our Clergy, also, death has been busy during the past year, two of our number having been called away—the Rev. Dr. Wilson, of Sarnia, and the Rev. S. DuBourdieu, of Clinton, both among those ordained by our present Bishop, the former laboured but a short time in the Diocese, and the latter for about eight years worked faithfully among us, and was highly esteemed by all who knew him, and both are felt as a great loss, for the staff of Clergy in the Diocese is much below the present requirements.

On viewing the successful working of the Society for the past twelve years, and the present state of the several branches of our work, the committee gratefully acknowledge that the Lord has prospered us, and they feel assured that if only our people will act up to their ability, the blessing of God will be abundantly vouchsafed to continue the same work during all future years.
