TWENTY-FIFTH ANNUAL REPORT  
OF THE  
MANAGING COMMITTEE  
OF  
**ST. ANDREW'S CHURCH, LONDON**  
FOR THE YEAR 1875.

---

1. In presenting the Twenty-Fifth Annual Report of the Congregation, the Managing Committee would desire to acknowledge the goodness of God vouchsafed to us during the past year, and to render Him our thanks in permitting us once more to meet in regard to matters pertaining to His cause.

2. It is with regret that your Committee allude to the difficulties and trials through which the Congregation passed during the year, and more especially in reference to the removal to another field of labor of our late beloved Pastor. Your Committee sincerely hope that the separation of the Pastoral tie may, in the

Providence of God, be overruled for good to this congregation, and that happiness, peace, renewed health, and a prolonged sphere of usefulness, be granted Mr. Sectt in that portion of our Lord's vineyard to which he has been called.

3. Your Committee were greatly encouraged in their work in finding the Congregation so fully represented from Sabbath to Sabbath throughout the year. This to them was a hopeful indication that the unhappy dissensions in the Congregation would be healed under a new pastorate, and your Committee now congratulate the Congregation that this wished for result is consummated, as witnessed by the unanimous call to the Rev. Mr. Murray.

4. Your Committee have much satisfaction in reporting considerable progress in the financial condition of the Congregation. The interest and compound interest which had been accruing in the past year, 1874, amounting to \$790, have been paid off. The interest due on all the Church liabilities for the year just ended has been met, and we commence 1876 with our Minister's quarterly salary paid in advance, and our other current expenses settled.

5. The Treasurer's books have been audited and found correct, and an abstract of the receipts and disbursements for the year is annexed to this report.

6. Your Committee, about three months ago, opened a Subscription List for the purpose of meeting our

liabilities, and they are glad to report that a sum of \$959.50 was subscribed by 103 subscribers, of which there was collected at 31st December \$854. This Subscription List is still open for parties who have not as yet subscribed.

7. Your Committee, in conclusion, would respectfully recommend that the Monthly Special Collections be continued, and that such collections be as liberal as circumstances will permit.

8. According to the Rules of the Congregation, six Managers retire annually, and those whose term of office now expires are:

R. S. MURRAY,  
JOSEPH ATKINSON,  
ALEX. PURDOM,

GEORGE GRAY,  
ROBERT SCOTT,  
ALEX. TYTLER,

who are eligible for re-election.

All of which is respectfully submitted, on behalf of the Committee by,

ALEX. DAVIDSON,

Secretary.

ALEX. PURDOM,

President.

# REPORT

OF THE

## Board of Trustees of St. Andrew's Church.

The Board of Trustees of St. Andrew's Church beg leave to submit the following report.

1. With feelings of profound sorrow the undersigned have to report the death, on the 12th of February, 1875, of John Birrell, Esq., one of the original Trustees and office bearers of this church, and also one of the most liberal supporters of the congregation ever since its formation. His sudden death reminds us that in the midst of life we are in death, and that we know not what a day or an hour may bring forth.

2. On the 25th of February, 1875, the Board of Trustees met to consider what steps should be taken to fill up the vacancy at the Board caused by the death of Mr. Birrell, when it was unanimously agreed to appoint Joseph Atkinson, Esq., to the position of Trustee of St. Andrew's Church, and that Warren Rock, Esq., be instructed to prepare the necessary papers for Mr. Atkinson's appointment, and to get the same executed and recorded according to law.

3. In the fall of 1874 the undersigned discovered that several years ago, when drawing up the papers for

the appointment of two Trustees, an error was committed in executing and recording the papers, and it was found necessary to get an Act of Parliament passed to rectify the mistake and legalise the sale of certain lots sold. The expense of passing the Act through Parliament was \$90, which has been paid by the Managing Committee.

4. The undersigned have to report that they cannot find any regular Minutes of the former transactions of the Board, the only Minutes they have to refer to being what can be gleaned from the minute book of the Managing Committee. The Board have now agreed to procure a minute book and in future all the transactions of the Board will be faithfully recorded, and the deed of the property and all the papers of importance affecting the church property will be copied into the minute book for future reference, all of which is respectfully submitted.

## ST. ANDREW'S CHURCH SABBATH SCHOOL

AND

### BRANCH SCHOOLS

FOR 1875.

---

The annual meeting of the Office Bearers and Teachers of the above schools was held in the Library, on the evening of Monday, January 10th, 1876 Reports from the various schools for the past year were submitted, and the Office Bearers for 1876 appointed.

The report from the Central School shows the attendance during the year to have been slightly in advance of previous year. This is very satisfactory, when the circumstances in which the congregation and school were placed during the past year are considered. Not only did the cause suffer from want of a regular pastor for nine months of the year, but by sickness and removal from the city, the school was deprived of some of its most faithful teachers.

The ordinary collections have increased, but there has been a great deficiency in the amount collected for our pupils at Pointe aux Tremble; this is partly accounted for through change of teachers and the interest not being maintained by the annual visit of the Agent.

The Bible class has suffered from the want of a regular teacher, but the morn of a brighter day seems to have dawned, and there is much cause for gratitude in the Lord having given us a stated pastor ere the

year closed, and that we are privileged to begin new year under happier auspices.

We have to lament that we cannot speak positively of any known cause of conversion in the school, but we are confident of this, that on the part of many of the teachers the seed has been sown in faith and watered with tears, and the "harvest time" will surely come.

We would again seek the co-operation of parents in this great work of training the children for Jesus. Give us your sympathy and prayer; endeavor to secure regular attendance and the preparation of the lessons on the part of the children, and come and see us.

## HAMILTON ROAD SCHOOL.

The Report from this School for 1874 showed that it had been seriously affected by the opening of a new Methodist School on the adjoining street. We regret to say that during the past year it has been more seriously affected by the removal of some of the teachers whose places could not be filled, although an appeal was made to the Central School for help, and it was finally resolved to close the School on the last Sabbath of December. This has been done.

This School was established some 20 years ago by the Presbyterians, and has been sustained through many difficulties, and it was with great reluctance the resolution to close it was adopted. The children will not, however, be destitute of Sabbath School privileges, as there are other Schools now in the immediate neighbourhood.

How true it is, "One soweth and another reapeth."
