## ADMISSION.

Students are admitted under the "Regulations of the Council of Public Instruction relating to County Academies.

- (a) By passing an examination upon the following subjects :
- (1)—English Grammar and Analysis.
  - (2)—Arithmetic and Algebra.
  - (3)—Drawing and Simple Accounts.
  - (4)—Geography and History.
  - (5)—Useful Knowledge.

The scholarship required is that prescribed for Grade VIII, of the Common School Course. Copies of questions set at previous examinations may be obtained from the Principal.

(b) If they have been admitted to full standing in any County Academy subsequent to Nov. 1st, 1885.

(c) If they hold Teachers Licenses, Provincial High School Certificates or Normal School diplomas.

Those also may be exempt from examination who shall present certificates of scholarship from any institution, which the Principal shall deem equivalent to the passing of the entrance examination.

The Supplementary Examinations mentioned in the calendar are for such candidates as can show good reason for not having presented themselves at the regular examination.

## SPECIAL STUDENTS.

Students who do not take the full course are not recognized under the regulations of the Council of Public Instruction. They may however, in special cases be admitted on payment of the regular fee, if deemed advisable by the Principal, providing there is no encroachment thereby on the accommodation or privileges of the regular students.

## CLASSIFICATION.

All admissions to the Academy are to the *First Year*, or "D Class, unless the candidate shows ability to enter a higher class.

Teachers Licenses and High School Certificates of Grades B, C and D will admit to the A, B and C classes respectively. Others are required to pass a Classification Examination on entrance. One such examination is held at the beginning of each term.

## FEES.

Students from beyond the limits of the county are required to pay an annual fee of Ten Dollars. The payment of two full annual fees will entitle a student to attendance for any number of terms desired.

Students belonging to the county are exempt from the payment of this fee.

All special students are required to pay a fee of one dollar.

These fees are payable to the Town Clerk previous to enrolment.

## EXAMINATIONS AND PRIZES.

An examination of all classes will be held, beginning April 15th. Students making 50% or upwards at this examination, will be entitled to certificates admitting them to the Provincial Examination of High School Students. On the results of this examination also, will be awarded the following prizes:

NOTE.—Winners of General aggregate prizes are not eligible for departmental prizes.

NOTE.—No student shall be eligible for a prize who does not show approved proficiency in all the subjects of the regular course.

NOTE.—A student may forfeit his right to a prize or certificate, if he withdraws previous to the end of the term without special permission.

NOTE.—Prize collections of Local Flora shall be the property of the Academy. All collections must be handed in on, or before the 18th of June.

NOTE.—The medals of the Fourth and Third years shall be known respectively as the Senior and the Junior Graduation medals.

The results of this examination will be announced and the prizes distributed at the annual Convocation to be held on the closing day of the term. The names of all prize-winners will be published in the local newspapers, and the names of the winners of the more important ones will be recorded in the annual catalogue.

#### PROVINCIAL EXAMINATIONS AND CERTIFICATES.

The *Provincial Examinations* will be held in the Academy at the end of the term in accordance with the regulations of the Council of Public Instruction in regard to the examination of High School students. Each candidate will receive from the Superintendent of Education a certificate containing the marks given in each subject by the examiners and the High School Grade which the candidate has successfully passed.

#### DALHOUSIE UNIVERSITY.

A Certificate from the Pictou Academy will admit the winner to the University of Dalhousie, Halifax, Nova Scotia, without passing the Matriculation Examination.

#### DISCIPLINE.

Under the School Law of the Province of Nova Scotia, the Academy is subject in its particular management to the "Rules and Regulations of the Public Schools of Pictou Town," as published and amended from time to time. Students are accountable to the ordinary disciplinary authority, even to suspension or expulsion, for any conduct in their boarding houses or elsewhere, which tends to affect injuriously Academic discipline or the principles of sound morality. Liability to discipline exists for any offence prior to a regular withdrawal from the institution.

#### BOARD.

The Pictou Academy is not a Boarding School. Board is obtained in private houses, where the rate of ordinary accommodation is about \$3.00 per week.

#### STUDENTS' ORGANIZATIONS.

The Pictou Amateur Athletic Association is open on special terms to students. It includes cricket, football, baseball, quoit, and

### SCIENTIFIC WORK.

In practical Botany, Entomology, Chemistry, &c., students may join some one or more of the "clubs" of the "Pictou Academy Scientific Association." The Association is made up of sections called clubs, having organizations independent of each other, each devoted to the practical study of some branch of Natural Science. The clubs meet generally once a week in some room of the Academy building, and have the aid of the Academy Staff, and the free use of the Laboratory, Museum and Library.

#### PICTOU ACADEMY SCIENTIFIC ASSOCIATION.

Includes a number of separate working sections or Clubs. The Principal is ex-officio, President. The Academic Faculty, with Superintendent A. H. McKay, LL. D., is the Executive. It exercises general supervision and direction over the Scientific work of the Sections, and has special charge of the collections in the Museum, Library and Laboratories.

ENTOMOLOGICAL CLUB.—About 2000 specimens of local insects in collection.

ORNITHOLOGICAL CLUB.—About 250 specimens of local birds and mammals mounted.

BOTANICAL CLUB.—Herbarium of local flora.

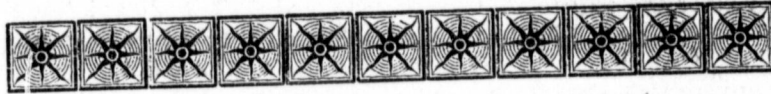

CHEMICAL CLUB.—Work in Chemical Laboratory.

MINERALOGICAL AND GEOLOGICAL CLUB.—Extensive collection in Museum.

CHORAL CLUB.—Has a piano and a small musical library.

The General Museum contains collections of scientific apparatus, illustrating all subjects in the course of study, including physiological models, skeletons, specimens preserved in alcohol, &c.

## Affiliated Departments.

### INSTRUCTORS.

1886. Miss Annabelle McKenzie, Drawing and Painting.
1893. Miss Bessie Fraser, Graduate of Halifax Business College, (Stenography and Typewriting.)
1894. Miss Kate Thompson, Graduate in Pianoforte, Harmony and Theory of Music of the Music Department of the Pictou Academy, and student of the New England Conservatory of Music, under Louis Mass, and Dr. Percy Goetschius, (Pianoforte, Harmony, &c.)
1894. Miss M. J. H. Olding, pupil of Signor Rotoli of the New England Conservatory, and of Mr. G. Osgood of the Milan Conservatoire (Voice).
1894. Miss Janie McKenzie, student of the New England Conservatory of Music (Violin).

The connection of these departments with the Academy consists in their being conducted in the same building under the control of the same Principal. They are supported by fees. Certificates, presented quarterly in these departments are marked on the following basis: Maximum for Drawing and Painting, 100; for Pianoforte-Harmony or Vocal Culture, 100; for Violin, 100; for Stenography or Type-writing, 100.

### MUSIC.

PIANOFORTE.—It is intended that a student in the Musical Department of the Pictou Academy shall pursue a course of studies marked out by the institution. This course is divided into *four* grades or classes. A graduate in this department will have gone over all the work required for the first three grades in the New England Conservatory of Music, and will therefore be able to enter the *fourth* grade of the institution. A student in finishing the course is expected to give a recital, without which a certificate will

## Alumni Association.

The Pictou Academy Alumni Association was organized on the tenth of November, 1893. The purpose of the promoters was to have a society similar to the Alumni Association of a College. That the design was feasible was most obvious, because few similar institutions had as long a role of students that had won position and renown in the various walks of life. That such a society would foster the esprit-de-corps of all educated within the Academy's historic walls, help to keep alive the remembrance of pleasant and profitable days spent therein, and be advantageous in many ways to the Academy at present was generally acknowledged. The replies to the circular letters, sent to those residing without the town, unanimously agreed upon the desirability of such an organization, and thus encouraged the promoters were able, in an enthusiastic representative meeting, to make the proposed Association a fact.

A constitution was adopted, and the following officers appointed:

HONORARY PRESIDENT, Sir William Dawson, Montreal.  
PRESIDENT, Hon. Clarence Primrose, Pictou.  
1st VICE PRESIDENT, H. H. Hamilton, Esq., Mayor, Pictou.  
2nd " " R. P. Fraser, Esq., Pictou.  
3rd " " Rev. Anderson Rogers, New Glasgow.  
4th " " Prof. J. E. Creighton, Cornell University.  
5th " " D. MacLennan, Esq., Port Hood.  
SEC'Y-TREAS., A. C. L. Oliver, B. A., Pictou.

EXECUTIVE COMMITTEE: The officers, together with Principal McLellan, James Yorston, Esq., J. Sim Harris, High Sheriff, C. E. Tanner, Esq., William Ross, Esq., and E. M. MacDonald, LL. B.

The objects of the Society are to promote the interests of the Academy, to collect and preserve the historical facts in connection with its growth, to adorn the walls of its halls with the portraits of the founder and the more famous teachers and graduates, to encourage the present students by prizes, and to foster an *esprit-de-corps* among its graduates.

For the Session of 1893-94, the Association donated prizes to the amount of \$75.00; and for 1894-95 the same amount for the same purpose has been given. The example of the Association has been followed by others, and this year, the prize list includes two gold medals, a silver medal, and \$135.00.

Under the auspices of the Association, on the 16th of February, 1894, a public meeting that crowded Convocation Hall to the doors was addressed by three of the older graduates, Dr. A. H. MacKay, Rev. D. M. Gordon, and Rev. Anderson Rogers. It is the wish of the Executive to have similar meetings held yearly.

The annual public closing exercises on June 22, were also under the auspices of the Association. The presence of Chief Justice MacDonald of the Supreme Court added grace and dignity to the occasion; and the presentation of the gold and silver medals by him preceded an interesting and kindly address to the students.

The Annual General meeting was held on July 4, 1894. The report of the Executive, touching upon the facts mentioned above, and the financial report of the Treasurer were read and adopted. As the officers and Executive had not held office a full year, they were re-elected with the exception of ex-Mayor Hamilton, who resigned in favour of Mayor Sutherland. A congratulatory letter was voted to John D. Logan for the honor brought to himself, and the Academy by his brilliant career at Harvard. Seventy-five dollars was voted for prizes for '94-'95. Auditors were appointed.
