2. Competitions may be organized and conducted with any one, or any two (but not more than two), of the crops and areas mentioned in sections I. and II.

3. The fields or plots entered for competition must be clearly defined and marked with stakes or otherwise by the competitor in advance of the visit of the judge, which shall be made at the discretion of the Soil and Crop Instructor. Competitors will not be allowed to choose locations at the time of the judge's visit, and in cases where the field has not been marked in advance the judges will be instructed to include all the crop of the kind entered in the competition that is in the field where the plot is said to be located.

Competitors must record location of plot with the Secretary at time entry is made. Forms will be sent to the Secretary for this purpose.

Directions for the judge as to location of the plot on the farm must be left at the residence on the farm. In case of absence or non-residence, word must be left with the Secretary. Judges will not search for the owner.

4. There must not be less than five bona-fide entries for each kind of crop from any one institute, and no competitor may compete for prizes offered by more than one Farmers' Institute. (Only one entry in each competition will be allowed from one farm.)

Of this amount, the Farmers' Institute conducting the competition will be entitled to a grant of \$35 when the competition is arranged for one kind of crop only, or to a grant of \$70 when competitions with two kinds of crops are organized, which grants will be paid to the institute by the Provincial Department of Agriculture.

6. An entry fee of not less than 50 cents and not more than \$1, the exact amount to be at the discretion of the institute, shall be paid by each competitor for each kind of crop into the funds of the institute, which money shall be applied to the amount to be contributed by the institute to the prize-money for each crop in competition. All of the fields entered for competition must be within the area defined by the institute holding the competition.

7. All individual entries for each competition must be forwarded by the Secretary of the Institute to the Soil and Crop Instructor, Victoria, B.C., not later than June 1st.
