The copy filmed here has been reproduced thanks to the generosity of:

National Library of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Bibliothèque nationale du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

The Bay lies calm and motionless,  
No stir on its chilly deep,  
Nor ripple around its shore line,  
Where the Giant lies asleep;  
For the wrath that raged is over,  
The blast and fury now  
Are quelled, and Man may venture forth,  
No pallor upon his brow.

The clouds o'er the dome of Heaven,  
That smothered the radiant light  
From the fair celestial regions,  
Have rolled from before our sight;  
And the earth is bathed in splendor  
While mountain, valley and stream  
Reflect in a million glinting shafts  
The dazzling solar beam.

'NO SIR ON HIS CHILLY DEEP.'

The reign of the Thunder Giant,  
Whose anger in flash and roar  
Had held the Great Lake in terror,  
Is now forever o'er ;  
And he lies near the peaceful waters,  
So long by his fury thrilled,  
To be laved in their friendly forgiveness  
'Till the last gurgling wave is stilled.

"This Giant, Nanna-bijou."

The hoary sages tell,

"Dwelt here since earliest memory,

And cast o'er the lake his spell;

Till a mighty Indian warrior,

The saviour of his race,

Pierced the cloud enshrouding the mountain,

And dared him, face to face."

*John Forde, Photo.*

"TILL THE LAST GURGLING WAVE IS STILLED."

"The leader of our tribesmen,  
Approaching the gods in fear,  
Had, by homage and sacrifices,  
Obtained a listening ear  
From the frowning god of Thunder,  
Whose earthly power and sway  
Had been untold ages vested  
In the Giant of Thunder Bay:"

"And by treaty, grimly worded,  
He was granted the meagre right  
To win peace for his outraged people,  
Or die in a valiant fight  
With the Giant grim of the mountain,  
Who, from under his pall of cloud,  
Wreaked wrath over land and water,  
In flame and in thunder loud."

*John Fork, Photo*

"HE LIVES BY THE PEACEFUL WATERS"

From sire to son these sages  
Relate the glorious tale,  
"How the warrior decked for battle,  
Dashed through the cloudy veil,  
Coiled up the precipitous reaches,  
And dared to engage in fight  
A monster who dealt in Thunder,  
With his puny, human might."

"All earth foretold the outcome.  
When feeble human breath  
Gave challenge to flaming lightning.  
The weaker must suffer death:  
But every Indian heartbeat  
Throbb'd forth the quivering prayer.  
That the gods would reward the warrior  
Who died in the tyrant's lair."

"THE EARTH IS BAIDED IN SPLENDOR"

"And Heavenly approbation  
Was won by the glorious deed:  
The gods in consultation  
Discussed a fitting meed  
For the daring tribal leader;  
And e'er day drew to close  
They bade the raging demon  
Thenceforward to repose."

“Next morn lit a peaceful Northland,  
While the sun sent cheering beam,  
No more by cloud impeded,  
O'er lake and field and stream;  
And by Superior's waters  
The sleeping Giant lay,  
Outlined in light on his mountain,  
Whence the clouds had rolled away.”
