CHARLOTTETOWN, PRINCE EDWARD ISLAND, WEDNESDAY. NOVEMBER 3, 1886

AYER'S Sugar-Coa If the Liver bebowels are constipated, or if the stoma fails to perform its functions properly, u Ayer's Pills. They are invaluable.

For some years I was a victim to Liver Complaint, in consequence of which I suffered from General Debility and Indi-gestion. A few boxes of Ayer's Pills restored me to perfect health.—W. T. Brightney, Heuderson, W. Va.

Regulate

my bowels. These Pills are mild in action, and do their work thoroughly. I have used them with good effect, in cases of Rhematism, Kidney Trouble, and Dyspesia.—G. F. Miller, Attleborough, Mass.

Ayer's Pills cured me of Stomach and Liver troubles, from which I had suffered for years. I consider them the best pills made, and would not be without them.— Morris Gates, Downsville, N. Y.

I was attacked with Bilious Fever, which was followed by Jaundice, and was so dangerously iii that my friends de-spaired of my recovery. I commenced taking Ayer's Pills, and soon regained my customary strength and viror.—John C.

Last spring I suffered greatly from a troublesome humor on my side. In spite of every effort to cure the eruption, it increased until the flesh became entirely raw. I was troubled, at the same time, with Indigestion, and distressing pains in

The Bowels.

By the advice of a friend I began taking Ayer's Pilis. In a short time I was free from pain, my food digested properly, the sores on my body commenced healing, and, in less than one month, I was cured. —Samuel D. White, Atlanta, Ga.

I have long used Ayer's Pills, in my family, and believe them to be the best pills made.—S. C. Darden, Darden, Miss.

Aver's Pills,

Pattison, Lowell, Nebraska.

For years I have relied more Ayer's Pills than anything else, to

Sonsible Words

Sensible Words

After all the frothings of the New ork of the courregeous conduct of the Canadian Government in its dealings of the sea, the dying man waited in patience, and it is arterited to courre of the room, like a gigantic coffin with fingers and hands, told off the seconds with the monotonous tick-tack, tick-tack of its tribe:

At the arter the tide turns! Mother, we the monotonous tick-tack, tick-tack of its tribe:

At the all the frothings of the New ork of General Grant's life hand to more singing, as the tall, old-flashing the picture, as drawn by certain reckless transgressors, is decidedly the monotonous tick-tack, tick-tack of its tribe:

At the arter the tide turns! Mother, we the monotonous tick-tack that Haw-taker that had the tide turns! The dying man belief one of the cyclopean faces in some old Hellenic bas-relief, went or elling off the seconds with the same relentless tick-tack that Haw-the means the complex of the season's operations. He declares that had he, this year, had the privileges which were obtained under the sub site of the season's operations. He declares that had he, this year, had the privileges which were obtained under the sub site of the season's operations. He declares that had he, this year, had the privileges which were obtained under the sub the on the lonesome sands of the season's operations. He declares that had he, this year, had the privileges which were obtained under the sub the one holonesome sands of the season's operations. He declares that had he, this year, had the privileges which were obtained under the sub privileges which we

Mr Gladstone publishes an addendum this the tidal movements of the sears, in a district embracing sixty mare miles or so by the sea I need the hour and minute of no less him ninety-three demises in my minmediate practice, and every oil of them have all gone out with the tide, save four who died suddenty by fatal accident. It is a riddle—mystery. But I, who have sat ith my fingers on the wrist of any a feeble patient, and noticed the pulse rise and strengthen, or nik and vanish with the turning of actide, know that it is a fact.

The Spanish Treaty.

(St. John Stm.)

The history of the treaty is rather teresting for several reasons. To ard the end of 1884 arrangements were made looking toward a commercal treaty between Great Britain and pain. It was provided that, pending a completion of the final treaty, a imporary convention should take lace, under which Great Britain and pain. It was provided that, pending a completion of the final treaty, a imporary convention should take lace, under which Great Britain and pain. It was provided that, pending a completion of the final treaty, a imporary convention should take lace, under which Great Britain and pain. It was provided that, pending a completion of the final treaty, a imporary convention should take lace, under which Great Britain and pain. It was provided that, pending a completion of the final treaty, a imporary convention should take lace, under which Great Britain and pain. It was provided that, pending a completion of the final treaty, a imporary convention should take lace, under which Great Britain and pain. It was provided that, pending a completion of the final treaty, a imporary convention should take lace, under which Great Britain and pain. It was provided that, pending a completion of the final treaty, a imporary convention should take lace, under which Great Britain and pain. It was provided that, pending in the first question at Hawarden, that the history of the years in which the Lunion, and the name and the new and cheap edition, in the new and

payment from any other quarter, the bill was presented to the Sun

walley did not come.
Walley won't get here, mother, I'm gone," he murmured weari"I shall be dead before the tidens again."
The prediction was verified. He at out with the tide, as Barkis in the wonderful etching of kens, and as the souls of many have gone before and since, longed and waited-for Walley wived less than an hour after the tools who less than an hour after the tools was each souls of many before the tidens agains. The coal business of tools has grown very rapidly of late years; and in 1885 one third of the total output of coal, 494,000 tons, was sold to Quebec, in addition on a considerable quantity that found after by those in authority, and like braggarts, they squealed lustily when their game was up. This Boston the Maritime provinces is taken by the western Provinces; and New Brunswick and Nova Scotia sugar sed less than an hour after the sentiments in the interest, as he nimgoing wave had receded—but self says, of fair play. He did not late. The tide of life had ebbed damn the Canadian Government, the country largely by the "Upper Canadians." The cutters and the officers, and defy the law and its makers, and he returns that are in charge of live, widelaw and its makers, and he returns awake man are not erving out for so ended the old doctor's story hose parallel I have listened to any times in the folk-lore of this imitive community—stories of the ang and old, the grave and gay, hose souls, like that of Barkis, had ne with the tide.

Mind you," reiterated the grim practitioner, "I proffer no exmanation of the fact, But fact it is, and no superstitious fancy of the going population, that the pulses the living human heart rise and its makers, and he returns to Boston with a good opinion of our neighbors, but with a greatly respectation, or invoking the aid of our dued revenue, the latter fact entire judges of our New England monopolists, who seem determined to make the American consumer of fish pay dear for the privilege of quarrelling with Canadians.—Canadian American.

Mr. Gladstone Speaks Again.

Mr. Gladstone publishes an addentification of the grave and the living human heart rise and the first But fact it is, and no superstitious fancy of the going population, that the pulses that again and he returns to Boston with a good opinion of our neighbors, but with a greatly responsion, or invoking the aid of our neighbors, but with a greatly responsion, or invoking the aid of our neighbors, but with a greatly responsion for our neighbors, but with a greatly responsion of our neighbors, but with a greatly responsion, or invoking the aid of our neighbors, but with a greatly responsion, or invoking the aid of our neighbors, but with a greatly responsion, or invoking the aid of our neighbors, but with a greatly r

Sore Eyes

The eyes are always in sympathy with the body, and afford an excellent index of its condition. When the eyes become weak, and the lids inflamed and sore, it is

Cured

My eyes are now in a-splendid condition and I am as well and strong as eyer.

Mrs. William Gage, Concord, N. H.

For a number of years I was troub with a humor in my eyes, and was una to obtain my relief until I commence using Ayer's Sarsaparilla. This medic has effected a complete cure, and I bell it to be the best of blood purifiers C. E. Upton, Nashua, N. H.

From childhood, and until within a femonths, I have been afflicted with Wet and Sore Kyes. I have used for the complaints, with beneficial results, Ayer Sarsaparilla, and consider it a great hopuritier.— Mrs. C. Phillips, Glover, Vt.

I suffered for a year with luftamm tion in my left eye. Three ulcers form on the ball, depriving me of sight, a causing great pain. After trying ma other remedies, to no purpose, I was fina induced to use Ayer's Sarsaparilla, and,

three bottles of this medicine, have entirely cured. My sight has bee stored, and there is no sign of infa tion, sore, or uleer in my eye.— K T. Bowen, Sugar Tree Ridge, Ohio.

My daughter, ten years old, was affi with Secofulous Sore Eyes. During ast two years she never aw light of tind. Physicians of the highest stan xerted their skill, but with no perms uccess. On the recommendation
