The regular meeting of the Women's Missionary Society of the Methodist Church will be held at the home of Miss Kerr on Tuesday, Oct. 31st, at 7.30 p.m.

If you feel chilly these cool mornings a good way to get warm is to remember that you have no coal in the bin and then you will get quite hot under the collar.

Calvary and Watford Baptist churches. Service at Watford at 3 o'clock, service at Calvary at 7.30. Subject "Confession". Baptismal service at Calvary church.

The Dominion Express Co. is now taking orders to U.S. points without any exchange being added. This will be agreeable news to those who have to make remittances to American points.

Read ten special offerings this week. It will pay.—Swift, Sons & Co. R. Hillis, Windthorst, Sask., in renewing his subscription to the Guide-Advocate reports a good crop in that district this year but that the threshing is not quite all done. Excellent weather.

We haven't noticed this year any of our enterprising advertisers calling attention to their special bargains in coal hods and ash sifters as is customary at the present season.

The informal dance held in the Armory Wednesday evening under the auspices of Lambton's 149 I.O.D.E. was well patronized and was very enjoyable. The Kinetograph of Parkhill furnished excellent music.

Men's odd trousers. Buy Blue's Reliance Brand, the best in the market, \$3.50 to \$4.50.—Swift's.

The Watford Methodist church Thanksgiving services will be held on Sunday, Nov. 5th and a thanksgiving dinner will be held on Monday evening, Nov. 6th, not on Tuesday as previously advertised. For full particulars see advertisement elsewhere in this issue.

The Yucaipa, Cal., News speaking of the wonderful flower gardens in California says—G. D. Lee has a very attractive arrangement around his home on South Sixth. A screened north-east porch has asparagus plumosa fern trailing over walls and ceiling and is a delightful retreat during the warm days.

Promotions in the Lambton regiment are announced in general orders in Saturday's Gazette. Capt. S. G. Stokes, M.C., is appointed provisional major. Capt. W. A. Williams becomes provisional major vice Major R. H. Stapleford, who is retired and permitted to retain the rank of captain.

It has become compulsory now for all commercial motor vehicles to have maximum loading painted in a prominent position on the body so that traffic police and others may readily know the license fee being paid by the owner and also whether the vehicle is being overloaded or not.

A number of local Freemasons went to Petrolia Friday to attend the Lodge of Instruction for St. Clair District held in the Town Hall by R. W. Bro. Rich. Williamson of Watford, District Deputy Grand Master. A very pleasant and instructive time was enjoyed by the brethren.

The district convention of the Women's Missionary Society of the Methodist Church will be held in Strathroy on Nov. 1. Mrs. Childs, of London, will give an address in the afternoon, and Miss Lochner of Kitchener, returned missionary to Japan, will speak at the evening meeting.

An invitation for the members of Lambton's 149 I.O.D.E. to attend the opening of the Sick Children's Memorial Hospital, has come to the secretary and it is hoped a fair representation from the chapter will be there. The new hospital is on the corner of Colbourne St and Ottawa Ave, London, and the opening takes place at 2.30 p.m. Oct. 28.

Of all days of the year that should be particularly honored, Armistice Day occupies a premier position. This is the day when ceremonies are held to recall the proud part which Canadians in common with the rest of the Empire's fighting forces played in the greatest war in history. Armistice Day should not be regarded as a day of mourning, but rather one of great rejoicing and pride.

The Bishop of Huron has issued an appeal which was read in all churches of the diocese on Sunday last for funds for the relief of the diocese of Algoma, which suffered tremendously in the recent fire in Northern Ontario, having lost property to the amount of \$50,000 with only about \$12,000 of insurance. Contributions will be taken up in all churches of this diocese next Sunday.

Strathroy Age:—"Word has come from Mount Airy, North Carolina, U.S. announcing the death there on Oct. 4, of Thomas Fawcett, in his 81st year. Deceased was a member of a prominent Strathroy family in the early days of this town. He and his brother, William, were well known as contractors, conducting a planing mill and erecting many of our larger buildings in the memorable boom days. He was a brother of Mrs. Manfred Rapley of this town." Mr. Fawcett conducted a private bank in Watford for several years prior to 1888.

The week beginning on Saturday, October 28th, is Canadian Book Week. The Ontario Library Association asks all Public Libraries to assist, during this week, in directing the attention of readers to Canadian literature. The Watford Library has considerable Canadian literature on its shelves. Some recent additions are poems by Bliss Carman, Robert Norwood, Robert W. Service, Duncan Campbell Scott and Dr. Drummond; a life of Lord Strathcona by Beckles Wilson; Skelton's "Laurier"; and "Life and Times of Sir A. T. Galt"; "Correspondence of Sir J. A. MacDonald" by Pope; Grenfell's "Labrador Doctor." These, besides many books of fiction by Canadian authors, are recommended to readers for their use during Canadian Book Week.

The Lambton's 149 Chapter I.O.D.E. met at the home of Mrs. W.G. Connolly for the regular monthly meeting on Tuesday, Oct. 11. There were eighteen members present and the Regent, Mrs. Adams, presided.

It was decided to have the members of the executive meet the town council at its next meeting with reference to the War Memorial. The satisfactory report of the committee for local relief was read. Plans were made for a dance to be held in the Armory on the evening of Wednesday, Oct. 25th. It was decided to meet in the basement of the Public Library to make quilts and collect and pack articles of warm clothing for the fire sufferers in Northern Ontario. A committee was appointed to arrange for the High School prizes. Mrs. Luckham invited the Chapter to her home for the November meeting. Refreshments were served and the meeting closed with the National Anthem.—Sec.

Friday last was the day set by the Women's Institute to receive donations of clothing etc., for the fire sufferers of Northern Ontario. The response to the call was far beyond expectations. Two large boxes and a bale were packed. There were 11 quilts, 3 pairs blankets, pillows, 24 pairs shoes, 2 fur coats, 2 sets furs, also dozens of caps, scarfs, sweaters, mitts etc. A good supply of warm clothing of all kinds for men, women and children, and a particularly liberal supply for babies. Some of this was new and all in excellent condition. There were also towels, soap etc. The Institute thanks most sincerely every one who contributed to the work. A sum of money was handed in and this is being used to make up quilts to send. Several tops have already been donated and members of the Institute are asked to come to the Public Library on Friday afternoon of this week to quilt. Any articles of warm clothing which may have been overlooked before will be thankfully received at the Library on Friday and sent with the quilts.

After all bills are paid the Women's Institute have a small surplus from the School Fair.

Mr. Hubert Brent of Moose Jaw, Sask., and Mrs. Brent and son, Dannie, and his sister, Mrs. B. Pask and Mr. Pask and daughter, Dorothy of London, are visiting their aunt and uncle, Mr. and Mrs. J. W. Shaw, Front street.

An unbroken family circle, including three sons and two daughters, gathered around Mr. and Mrs. Geo. Thomson of Theford on Saturday, Oct. 14th, when they celebrated the fiftieth anniversary of their wedding day. The occasion was unique in another respect. The house was the one in which Mrs. Thomson's parents observed their golden wedding some twenty years ago.

BROOKE

A Hallowe'en social will be held in S.S.No. 10, 12 line east, Brooke, on Friday, Oct. 27, under the auspices of the Willing Workers Sewing Circle. Good program and light lunch. Admission 25c and 15c.

CHOP STUFF

Wyoming's tax rate for 1922 is 49 mills, one mill less than last year.

Peter J. Morrison, Glencoe, has been appointed a magistrate for five townships in the district.

Glencoe's one hotel has closed its diningroom to the public, the proprietor claiming that it cannot be conducted at a profit. The death occurred at the home of his daughter, Mrs. Heal, in Glencoe, on Monday evening, of Edward Archer, of Essex. Mr. Archer leaves his wife and three sons and two daughters.

Apple buyers at Cargill in Bruce County are offering \$4 per barrel for hand-picked Northern Spys, but the producer must pay for the barrel and the cost of packing, netting him about \$2.85 per barrel for the fruit.

Orvil Avery, who is employed on the provincial highway, was held up three miles east of Thamesville on the Longwoods Road at the point of a revolver by two men passing in an automobile and robbed of \$10.

Neil McPherson of the Gore of Norwich lost the greater part of one foot in a cutting box while silo filling. The blower got choked and in relieving the situation he slipped and his foot was drawn into the machinery.

Mount Forest clergyman are making a public appeal through the press to the business men of the province to petition the Legislature to pass a by-law fixing the summer half-holiday for Saturday instead of Wednesday or Thursday as at present.

Burns Wilkinson of the 5th concession of Mersea, had his car damaged by fire in an unusual way Friday noon while taking on gasoline at the Ford garage. The gasoline overflowed the tank and dropping down into the mixer was set fire by the exhaust.

Ray Boudy, 25 years old, manager of the Windsor Tiger baseball team, who disappeared from his home after his error in a game which lost the championship for his team, Monday pleaded guilty in Windsor police court to stealing automobile accessories.

Clarke Cameron the 14 year old son of Mr. and Mrs. Daniel Cameron of Botany had the misfortune to break both bones in his leg while at football practice Monday. He was in the act of kicking the sphere when another boy at the same moment, stepped on the side of Clarke's foot. The sound of the breaking was distinctly heard at the far side of the grounds.

At the lodge of instruction to be held in Parkhill on Thanksgiving Day, November 6, under the auspices of District No. 7 I.O.O.F. Royal Oak lodge, Forest degree team will exemplify the initiatory degree, Ivy Lodge Parkhill, the first degree; Saxton lodge, Ailsa Craig, the second degree, and Acorn lodge, Camlachie, the third degree.

Orville McKnight, at one time a resident of Wyoming, met with an accident while on duty in the S.S. George Washington, which resulted in his death. The ship had just left harbor in Germany when he fell down a short stairway. He was picked up unconscious and taken to the hospital, where he lived but nine hours. The doctor pronounced his death due to concussion of the brain.

After 36 hours illness little Frances Bayley, the 3-year-old daughter of Mr. and Mrs. Samuel Bayley, Camlachie, passed away on Friday morning at 4 o'clock. Wednesday afternoon she came in from play, apparently well, but later awoke from a sleep showing signs of illness. Dr. Brown was summoned during the evening and found that the child had developed acute laryngitis. Saturday he had Dr. Wilkinson of Sarnia, meet him, and the two physicians inserted a tube in the wind pipe to aid the patient's breathing, but despite all that could be done, death overtook her after a distressing illness. Her parents, Mr. and Mrs. Samuel Bayley and three sisters and one brother survive her.

The funeral was private owing to the nature of the disease. The sympathy of the community go out to the bereaved parents.

LAMBTON RURAL DEANEARY MEETING

One of the most successful meetings in the record of the rural deaneary of Lambton was that held Tuesday in St. George's Anglican church Sarnia attended by clerical and lay delegates from the parishes of the county. The Rev. F. G. Newton of St. John's church, rural dean, presided at the sessions.

The outstanding feature of the proceedings was the enquiry by the members of the laymen's association into the financial condition of the deaneary and the satisfactory announcement that the 1922 budget would be probably met one hundred per cent. Practically all parishes reported this gratifying condition of financial affairs, and in one or two minor exceptions assistance will be given.

There are fourteen deanearies in the diocese of Huron, and in the last three years Lambton deaneary has led in financial return, a state of affairs which is highly satisfactory to the parishes included and is due to the very excellent organization.

The laymen's session was held in committee with F. W. Willson chairman, and at the same time the clerical and women's auxiliary sections were in committees considering routine matters which come up for consideration at every annual meeting of the deaneary.

At 3 o'clock a joint session of the three sections met, and the following officers were elected: the Rev. Mr. Potter, Wyoming, secretary-treasurer of the deaneary, Mrs. F. G. Newton president of the deaneary auxiliary and Mrs. A. J. Chester treasurer.

Two very interesting papers were read, one by the Rev. Mr. Brown of Sombra, formerly engaged in missionary work in the Solomon Islands who gave the meeting an excellent idea of mission conditions prevailing in those parts, and another paper by the Rev. R. C. Pitts of Petrolia who was formerly associated with the mission work in Northern Ontario.

Mr. Pitts gave a graphic description of the fire of 1916 saying however, that the recent fire with its tragic results was far more appalling than its predecessor. From his familiarity with the fire-stricken area the speaker was able to give a most interesting review of the situation.

He spoke also of the potential wealth of New Ontario giving the opinion that the majority of the people of Ontario had not yet begun to appraise the vast resources of the northland.

Supper and lunch were provided in the parish hall by the members of the ladies' aid to whom a vote of thanks was recorded in hearty manner. At the supper a short toast list was given, the Rev. F. G. Newton giving the toast to the rural deaneary, Charles Egan of Petrolia responding with a pleasing address. The four members of the deaneary, the Rev. D. W. Collins, of St. George's church, the Rev. R. C. Pitts, Petrolia, the Rev. J. H. Hosford of Watford and the Rev. Mr. Larter of Alvington were toasted the Rev. Mr. Hosford and Rev. Mr. Pitts replying. George H. Gabler proposed a toast to the ladies and F. W. Willson responded.

The general opinion of clerical and lay delegates, expressed at the close of a busy day, was that the 1922 deaneary meeting was of the greatest satisfaction to all concerned.

NOTE AND COMMENT

Forty-six Germans were killed and 1900 wounded during every hour the world war was raging, according to German statistics.

"No truck or trade with the Yanks," evidently does not include the whiskey trucks we hear are passing over the line.

One wonders if all these fellows who write in the daily papers about "Going Back to the Land," intend to lead the way out of the cities.

Every one knows how wonderful a woman can look, but it is only the husband who knows how wonderful it is that she can look so wonderful. —Boston Transcript.

Marine men assert that the Gulf Stream is thirty miles nearer shore than it was ten months ago. To this they attribute the hot wave which recently swept the country.

Now that prohibition is in force marine men talk of doing away with the red light on the left side of vessels and substituting a pale blue one to be called the "pop" light, so as to avoid prosecution by O. T. A. officers for having "port" on board.

According to figures recently compiled the annual production of manufacturing industries in Canada now amounts to approximately \$400 per head population, whilst the exports equal \$150 per head, which is the highest export per capita in the world.

Lloyd George resigned the Premiership of Great Britain on Thursday after holding the office through seven of the most critical years in British history—three years of war and four of reconstruction. Andrew Bonar Law, a Canadian by birth, was summoned by the King to form a new government, on the advice of Lloyd George.

A move for the abolition of "home work" in the Brockville public schools on the grounds that in some instances it is oppressive and detrimental to the health of pupils, was made to the Board of Education which decided upon a trial of a system whereby all pupils below the entrance grade will not be required to do "home work."

Calgary Albertan—There need be no surprise or alarm if any conference with the Turks breaks up in disorder, not once but frequently. In the International game of bluff there is no nation on earth to equal the Turk, and in this instance it would seem with his international associations, that he has some very good cards.

The Calgary Herald says: "It is safe to say that in the self-governing Dominions, where we are free from the political cross-purposes that affect opinion in Britain, there will be profound regret that Lloyd George is no longer at the helm. We will prefer to believe that he will come back. He has a true genius for statesmanship and an unequalled gift of political divination.

Hamilton Herald—There is no danger of an over-supply of relief for the victims of the North Ontario fires. All that has been and will be sent to them will be none too much. The present situation of these people is desperate—on the threshold of winter, without money, shelter, clothing or food.

London Advertiser—A correspondent writes in rather sarcastic way about the reports of weddings. He claims that they are all beautiful or pretty, and in every case the bride looks charming. Well, why not? We haven't much patience with these critics. Of course, the bride is dolled up to look her best, and in the eyes of the man who is going to get her she's the prettiest person in the world. Therefore, in our columns marriages will continue to be beauti-

ful, and brides will likewise be referred to as blushing, handsome, pretty or any other superlative that the reporter can lay his hands on.

A patient investigator has discovered how much the discovery of America cost the Spanish Crown. Columbus, as a Spanish admiral, had a yearly salary which would be equivalent to about \$3,200 today. The voyage lasted about seven and a half months, so the item of the discoverer's salary would be little more than \$2,000. That of his captains' cost \$2,250 and the men received about \$21,250 for the voyage. The fitting out of the three ships was done at an expenditure of roughly \$28,000. America was therefore discovered at a cost of barely \$60,000.

Alliston Herald—A very sensational discovery was made by Clifton Kell a couple of weeks ago when hauling in clover. On loading a pile of the fodder and baring the ground under it mice scurried in all directions and tearing the nest to pieces with his fork Mr. Kell was startled to see bank notes turn up. He picked up the good ones and some of the larger pieces of others. In undamaged bills there were \$35 and considerable more had been chewed by the mice that it was almost like down. Where the money was stolen by the mice is a mystery as no one in the neighborhood has lost any money. The field is a considerable distance from any dwelling and how the mice could carry a roll of bank bills under a pile of hay is a mystery which is not likely to be cleared up.

JACK MINER AND HIS PHILOSOPHY

Wild geese are honking their way to the South before the winter, but at last reports a good many were using their stop-over ticket for a call at Jack Miner's bird sanctuary near Kingsville. There, as it were, they are welcome to food and lodgings as long as they care to stay. This curious work carried on in the midst of a thickly settled farming community in Western Ontario has attracted notice far and wide, and Mr. Miner's whimsical temperament has become known to many an audience through his homely lectures. He is a sort of "David Huxum" of the 20th century, having the same fondness for wild geese that the original type had for "hosses," and a somewhat similar original way of expressing himself. Norman S. Rankin, writing a character sketch in the current Canada Magazine, gives the following as "the philosophy of Jack Miner."

"Tell the truth even if you have to lie to do it."

"I like birds, but boys better—if we only understood 'em."

"I'm so happy I'm goin' to live a hundred years or die in the attempt."

"Never a man so good but a good woman'll make him better."

"Is life in the country worth living? It depends on the liver."

"There isn't enough real money in the world to buy my home."

"I've done no work. Work consists of doin' somethin' you don't want to do—yet I'm always as busy as a cow's tail in fly time."

"Did you ever notice that when you begin to work for others you get all kinds of help an' encouragement—everybody works with you and for you."

"I got nothin' to boast of. Back of old Jack Miner's been the powerful hand of the Unseen."

"He prayeth best who loveth best. All things, both great and small."

CRIPPLING PAINS OF RHEUMATISM

Cannot be Banished by Liniments —Is Reached Through The Blood.

Thousands of men and women suffer severely from rheumatism. Crippling pains in the muscles and joints make every movement a torture. Many people think rheumatism is due to cold or wet weather and they try to banish it by rubbing the painful parts with liniment. This is a great mistake; the rheumatic poison is in the blood and liniment and rubbing cannot do more than give temporary relief. If you are a victim of rheumatism or lumbago the way to rid yourself of it is by making the blood rich and pure, for only in this way can the rheumatic poison be driven from the system. To enrich and purify the blood, Dr. Williams' Pink Pills should be taken. They act directly on the blood, making it rich and red, and in this way the trouble disappears. Thousands of people have proved this, among them Mrs. H. King, Croydon, Ont., who says:—"I was attacked with rheumatism in my right arm and shoulder. It pained me so that I could not raise the arm to comb my hair or feed myself. I commenced taking Dr. Williams' Pink Pills and after taking three boxes I seemed all right again. About six months later, however, the trouble came on again, this time in my left arm. Again I took Dr. Williams' Pink Pills with the same beneficial results, and since then I have had no return of the trouble. Now I recommend Dr. Williams' Pink Pills whenever I get a chance."

You can get these pills through any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

HOG GRADING COMMENCES ON OCTOBER 30, 1922

The regulations under which the official grading of hogs will be undertaken have been approved by Council as submitted after final agreement by all interests represented by the Joint Swine Committee. The swine graders appointed through the Civil Service Commission following the grading examinations have reported for duty to the Dominion Live Stock Branch. The Honorable W. R. Motherwell, Minister of Agriculture, announces that the hog grading regulations will be made effective on October 30th, 1922. In the meantime the new hog grading staff is being given a thorough course of instruction at the Toronto Stockyards, so that the official grading regulations as established will be uniformly applied at all stockyards and abattoirs in Canada.

Standard grading equipment is being adopted and is already installed at several stockyards where preliminary grading tests are being conducted and the necessary adjustments to expedite the grading and movement of hogs being made. Experimental work in ear-tagging for co-operative shipments providing for the identification of individual farmer's hogs is in its final stage and the Live Stock Commissioner will announce an approved identification mark simultaneous with the inauguration of grading.

WHAT THE FARMS HAVE PRODUCED

Taken as a whole, the present year is one of the best that Canada has ever experienced as regards the quantity and quality of the crops. In the entire provinces the yield of wheat is estimated to be close upon 350,000,000 bushels, or some 100,350,000 bushels larger than last year, and yields of other grains are proportionately greater. The Province of Ontario probably never had a more splendid all-around crop than this year. The average has been considerably exceeded in practically every class of agricultural produce. Heavy crops have also been garnered in Quebec and the Maritime Provinces. British Columbia suffered from drought in the early part of the season, an unusual condition, which cut the yields to below average.

Here are some facts about our own Province: The yields of grains show an estimated average increase of 43 per cent over last year. Fall wheat is estimated at 18,250,000 bushels, last year 13,650,000. Spring wheat, 2,200,000 bushels, last year 1,450,000. Hay and Clover 5,670,000 tons, last year 3,950,000. Corn averages 10 tons per acre, same as last year. Potatoes average 150 bushels per acre, last year average 100 bushels. Other roots about same percentage of increase. Fruit crop much heavier than last year with exception of winter apples, which average only 80 per cent. of normal crop. Pasture in excellent condition all the season.

Why suffer from corns when they can be painlessly rooted out by using Holloway's Corn Remover. THE BREATHEABLE TREATMENT FOR COUGHS & COLDS EVERYBODY NEEDS PEPS! WHETHER it's a Cough, Cold, Sore Throat, or a revival of the old Bronchitis the Peps breatheable remedy, is the one most speedily effective. The Peps way is to strengthen the breathing passages and end the danger before it affects the chest and lungs. When a Peps tablet dissolves in the mouth powerful medicinal fumes are liberated. As the diagram shows, these chest-strengthening medicines mingle with the air breathed through the nasal cavity (1) and mouth (2) and are carried over the tongue (3) into the throat (4) whence they pass direct down the windpipe (5) into the lungs. Druggists' mixtures and syrups are ineffective because they go down the gullet (6) into the stomach. The Peps breatheable medicines however, deal directly, not only with immediate trouble in the throat and bronchial tubes, but they penetrate to the innermost recesses, where disease germs are thickest to be. Peps not only act as a powerful germicide but they speedily soothe and heal any soreness, irritation, or inflammation; they make breathing easy. There is no more valuable safeguard against throat troubles, chest weakness, bronchitis, asthma, pleurisy and pneumonia. Free from harmful drugs, Peps are perfectly safe for children. RECOGNIZED SERVICES OF GOVERNOR DODD

TORONTO, Oct. 22.—Hon. W. C. Nixon, provincial secretary, has forwarded the following letter to Governor J. N. Dodd, of the Sarnia jail:

"My Dear Sir: Now that the Wyoming bank bandits have been successfully disposed of and the two trained guards which we sent to your assistance from Guelph have returned, I wish to express to you the appreciation of the Government with regard to your prompt action and devotion to duty on the occasion of the attempted escape of prisoner McMullen."

"We have had a great many unpleasant instances within the last few years in connection with the jail situation and have found it necessary to discharge several jailers who had not performed their duties and in view of this it is a peculiar pleasure to me as head of this department and on behalf of the Government to recognize your act in a substantial way by sending you the enclosed check for \$250, which I trust, will be acceptable as a token of the attitude of this department under the circumstances."

"With every good wish for your future success in discharge of your duties, believe me,

Yours sincerely, "H. C. Nixon."

FIFTIETH ANNIVERSARY MASONIC LODGE OF INSTRUCTION

St. Clair district, No. 2, A.F. & A.M., celebrated its 50th anniversary of the lodge of instruction at Petrolia on Friday. Every lodge in the district was well represented, about 400 being in attendance. A unique feature was the attendance of Right Wor. Bro. John Sinclair, first district deputy of the district, who conferred all the degrees 50 years ago, also three other Petrolia men who have been masons over 50 years.

The speaker of the occasion was Rt. Wor. Bro. E. Shepard, grand chaplain of the Grand Lodge of Canada in the Province of Ontario. Much enthusiasm was manifested, it being the largest gathering ever held in the district. The banquet was given by the Ladies' Aid of the Methodist church.

Wor. Bro. C. J. Collins and officers of Petrolia conferred the first degree; Wor. Bro. W. Burns and officers of Alvinston conferred the second degree and Wor. Bro. Thomas Paul and officers of St. Paul Lodge conferred the third degree. Other speakers were: Rt. Wor. Bro. R. Williamson, D.D.G.M.; and Rt. Wor. Bro. Weir, P.D.G.M.; Rt. Wor. Bro. William Dawson, P.D.G.M.; and Brother William L. Stewart of London.

The session concluded at a late hour with an unanimous expression that it was one of the most successful and outstanding Masonic events of the year in St. Clair district number 2.

FOREST

Mrs. M. J. Roche is visiting her sister, Mrs. T. Becknor, in Port Huron.

Miles Hagle and wife of Flint, Mich., spent the past week with old friends in Forest and vicinity.

Mr. Graham of McCallill & Co's. Flour Mills has secured a similar position in the mills at Watford. The family expect to remain here for some time however.

C. May, chief of police, Forest, has been re-engaged until July 1st, 1923. There were six applications for the position with salaries ranging from \$600 to \$1500 a year.

The Anniversary services of the Presbyterian church, will be held on Sunday, Oct. 29th. Service at 10.30 a.m. and 7.00 p.m. conducted by Rev. K. J. McDonald, of Galt, a former pastor.

Mr. Joseph Sutcliffe has returned from a trip to Sanlac county where he visited Joseph, George and John Bell and families, formerly residents of the 12th line of Plympton. Mr. Sutcliffe found them all well and in a prosperous condition.

Robt. Craig, who went into the grocery department of Maylor's store in 1891, severed his connection with the firm last week. His 31 years of faithful service behind the counter entitles him to a well-earned vacation.

Miss Viola Wight of Thedford, who has been attending high school here and who leaves shortly to continue her studies at Alma College, St. Thomas, was tendered a farewell party in the Kinetto Theatre Monday evening by her many young friends. A most pleasant time was spent by all.

The Anglican Young People's Association of Christ Church at a social and business meeting held in the Sunday school room elected the following officers for the ensuing year: President, Richard Skinner; 1st vice President, Miss Costin; 2nd vice President, Miss Marjorie Jennings; secretary-treasurer, Miss Thornicroft.

FOREST and BOSANQUET

DEDICATION OF MEMORIAL AT FOREST

Impressive and beautiful was the dedication service held Sunday afternoon of the soldiers' memorial monument which the citizens of Forest erected in honor of their heroes who fell in the war. The occasion was favored with ideal weather and over 3,000 people from town and the surrounding country were present.

Lieut.-Governor Cockshutt dedicated the monument and in a brief but fitting address impressed on his audience that had it not been for such men as these Canada would not have had the freedom she has today.

"Canada has the brightest prospects of any country in the world and only by determination and grit of its people can it be made the biggest nation of the world. Canada played a big part in the late war, and if it had not been for the pluck of our boys and the sacrifices made by them we would not be enjoying freedom to-day," he said.

Among those present were: Col. Alexander Fraser, of Toronto; Lieut. Col. C. S. Woodrow of Sarnia, commanding the Lambton Regiment; Major Robertson, of Sarnia; second in command; Major Williams of Arkona, commander of the Forest Company, and Dr. J. P. Hubbard of Forest (chairman).

A procession headed by the band and composed of local veterans in uniform, boy scouts and school children assembled at the town hall and paraded through the main streets to the monument, which is erected on the main street.

On arrival at the monument the school children, with band accompanying, sang "O Canada." Prayer was offered by Rev. A. R. E. Garrett, of Christ Church, Forest, and following this, the assembly sang "O God Our Help in Ages Past." Rev. Geo. Jewett of Forest, read the Scriptures and gave an impressive address.

Dr. Hubbard introduced Col. Cockshutt, who dedicated the monument, and at the close the bugles sounded the "Last Post." The dedication prayer was made by Rev. John Murray of Forest. The audience sang "Abide With Me." Rev. Thomas Doolittle, of Forest, preached the benediction and the band played softly the dead march in "Saul." The service was closed with "God Save the King."

Following are the names of men of Forest who fell in the war and whose names are inscribed on the monument, which is a beautiful memorial, erected at a cost of \$3,000. Joseph W. Cole, C. E. Cole, Frederick Coe, Gordon Ellerker, Dr. A. E. Lloyd, John S. Patterson, Elsworth Rogers, Walter Benner, John S. Warwick, Orville Wilson.

THE FALL WEATHER HARD ON LITTLE ONES

Canadian fall weather is extremely hard on little ones. One day it is warm and bright and the next wet and cold. These sudden changes bring on colds, cramps and colic, and unless baby's little stomach is kept right the results may be serious. There is nothing to equal Baby's Own Tablets in keeping the little ones well. They sweeten the stomach regulate the bowels, break up colds and make baby thrive. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

GOLDEN WEDDING

On Saturday the 14th of October Mr. and Mrs. Geo. Thompson, 2nd con., Bosanquet, celebrated their golden wedding. They were married Oct. 15th, 1872. The members of the family were all at home for the event, Mr. Grinell, Toronto; Mr. Tom Thompson, of Saskatoon; Mr. Chester Thompson of Bosanquet; Mrs. McMillan of California, and Mr. Ray Thompson from Alberta. About 20 people sat down to dinner at 7 o'clock Saturday evening, the table was beautifully decorated. There was a three-tiered wedding cake with the years 1872-1922 on top. After dinner Mr. Richard Thompson acted as toastmaster and called on Rev. Wm. McInnis to propose the toast to the bride and groom. Each member of the family was called on to say a few words, and also Mr. J. Fuller, who offered his congratulations to the bride and groom. Mrs. Thompson, the bride of 50 years ago, gave a reading which was most enjoyed. The party broke up after singing "Auld Lang Syne," and "God be with you till we meet again."

Mr. and Mrs. Thos. A. Martin, 10th concession, Bosanquet, celebrated their silver wedding on Friday last, 13th ult. Their home was beautifully decorated in red, white and blue for the occasion, and guests were present from St. Thomas, Detroit, Sarnia, Forest, Watford, Copleston and Birnam. Both the bride-maid and groomsmen of 25 years ago were present, Mrs. Robert Hall and John Tremaine. The presents to Mr. and Mrs. Martin were numerous and beautiful. R.R. McFarlane of St. Thomas was toastmaster, and after the supper, C.M. Fitzgerald of Watford, gave a radio concert. Mr. and Mrs. Martin were married in Wyoming October 1897, by the late Rev. J. M. Gunn, and Rev. A.R. E. Garrett of Forest officiated on this auspicious occasion.

A mysterious affair occurred in the early morning hours on Thursday at the farm of Harry Craig in Moore Township, near Courtright, as a result of which Mr. Craig's barn was burned to the ground with its contents, the loss totalling \$3,500, and Mr. Craig himself was fortunate to escape death when one of two men whom he surprised emerged from the barn with a sack fired a revolver point blank at him. Mr. Craig became suspicious on hearing a car outside at the barn and grabbed his shotgun. When the men ran away he fired. One of the men turned round and with the words: "Now I'll get you," fired. The bullet passed through Mr. Craig's coat sleeve. The men re-entered the barn, and as Mr. Craig followed flames sprang up inside the building. They spread rapidly, and the whole structure burned, with about 1,200 bushels of grain and more than 100 chickens. The intruders, who are believed to have been chicken thieves from the American side, according to Mr. Craig, deliberately set fire to the barn as they passed through.

Winsome Soap

Here is reached the very pinnacle of achievement in toilet Soaps. Never have the world famous Vinolia Laboratories created a soap of which they are more proud than of this—the pure, white, dainty free lathering Winsome.

Make a lather in warm water with 'Winsome' Soap. Use both hands and gently massage every inch of the face and neck, work the fingers into the skin and take a little time to it. Then rinse thoroughly and dry with a soft towel. If your skin is naturally dry, use a little Vinolia Vanishing Cream before you wash, and a little after. If your skin is naturally oily, wash in warm water, but always rinse in cold.

Only the very choicest coconut and palm oils from our own plantations are used. And not only absolutely pure—but prepared after years of study of the water and climate conditions all over Canada—with a view of giving to Canadian women a soap made scientifically and exclusively for them.

Keep this up daily and neither rouges nor powder, rough winds nor hot sun, can injure your skin. 'Winsome' Soap "treatment" will make it naturally robust and glowing with color and beauty.

PETROLEA

Mr. W. P. Macdonald has returned from Lindsay, where he went as a delegate from Lambton County to endeavor to secure the Provincial Plowmen's Association to hold their annual match next year in this county.

A small blaze which for a time threatened the destruction of the entire plant, occurred at the new testing station of the Dominion Sugar Co. located on the Blind line.

The new golf club house was formally opened last week. It is most complete in every detail. A large reception or living room occupies the centre of the building, which with its broad fireplace and comfortable chairs furnishes a choice place in which the social function and hospitality of the club so essential to successful golf may be carried out with all the fineness of which Petrolea ladies are rightly capable.

The Methodist church, which has recently been painted and decorated, held their reopening services on Sunday, when large congregations were present morning and evening.

HALL'S CATARRH MEDICINE

Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions.

LIMIT TO FURS' MASQUERADE

Dealers Are Prohibited by Law From Giving Certain Names to Obvious Imitations.

Aesop's well-known fable of the ass in the lion's skin was not directed at the fur trade, but undoubtedly some people have thought of a possible application. The value of euphemisms has been recognized by fur dealers as by most other tradesmen, but Miss Agnes Lait, the most recent popular authority on furs, asserts that euphemisms in the fur trade have decided imitations.

America is now the world market for furs, but the code of the London chamber of commerce, along with the Canadian conservation report, is cited as authority for the nomenclature. According to these rules, Brer Rabbit, that ubiquitous little beast, is enjoined from masquerading as beaver, sable, ermine, chinchilla, fox or seal.

All this suggests an increased confidence that in the passing show upon the boulevard things are as they seem, at least below the neck. If complexions are not always what they seem, neither this nor the matter of mock blonds and blood brunettes seems one that can be regulated by law.

Humility.

"You never assume any airs of greatness despite the frequency with which you have been returned to Washington."

"No," replied Senator Sorghum. "I've got to be extremely deferential to everybody. When the good people out home elect a man to office they have a way of making him feel his inferiority."

Class for Museum Cases.

One of the trials of the museum curator is the fading of the colors of stuffed animals and various other kinds of museum specimens kept under glass cases. This is prevented to a slight extent by the use of the so-called "antifade" glasses.

As Angels Do.

"When I married you I thought you were an angel." "It's quite plain you did. You thought I could manage without either clothes or hats."—Karikaturen (Christiana).

Weddings

JOHNSTON—ACTON

A very pretty house wedding took place at the home of Mr. and Mrs. James Acton of Brooke Tp., near Watford, on Wednesday, Oct. 18th, at 3 p.m. when their daughter Bertha Rosená, was wedded to W. Harvey Johnston of Alvinston. The ceremony was performed by Rev. T. A. Steadman of Watford, in the presence of about 30 immediate relatives.

JENKEN—FOWLER

A pretty wedding was solemnized at the home of the bride's parents, Mr. and Mrs. J. E. Fowler, Watford, Ont., on Tuesday, Oct. 24th, when their daughter, Mary Velma, was united in marriage to Mr. Wilson Jenken, of Pt. Edward, son of Mr. and Mrs. H. Jenken.

Rev. W. K. Hager performed the ceremony in the presence of about thirty guests. At three o'clock the bridal party who were unattended entered the living room and took their places beneath an arch of autumn leaves and flowers. The bride, who was given in marriage by her father, looked charming in a becoming gown of white canton crepe. She carried a bridal bouquet of Ophelia roses.

Following the ceremony and congratulations, the guests retired to the diningroom which was daintily decorated in pink and white. Here the wedding dinner was served.

Later Mr. and Mrs. Jenken slipped off quietly, and motored to Sarnia, from whence they would continue by train and spend their honeymoon in Lapeer and Detroit, Mich., the bride travelling in navy tricotine. She wore a fox choker (the gift of the groom) and picture hat to match.

The bride and groom were the recipients of many beautiful gifts. Prior to her marriage, the bride was guest of honor at several showers where she received many useful gifts and the good wishes of her young friends.

Out of town guests were: Mr. and Mrs. H. Jenken, Mr. Howard Jenken, and Mrs. B. MacLaughlin, Pt. Edward; Mr. and Mrs. H. E. Fowler, Mrs. Bertie Palmer, Sarnia; Mr. and Mrs. Geo. Jenken and son, Detroit, Mich.; Mrs. C. Taylor, Inwood, Ont.; Mr. and Mrs. F. Powell Brooks, Ont.

TESKEY—GRAHAM

A pretty October wedding took place at the home of Mr. and Mrs. C. R. Graham, 327 Queen street, at high noon yesterday when their second oldest daughter, Christina Helena, was united in marriage to Alvin Teskey, Palmerston street, city. Rev. J. N. Clarry, pastor of Devine street Methodist church performed the ceremony. The bride, who was given away by her father, wore a costume of white canton crepe with an embroidered Spanish lace veil and carried a bouquet of Ophelia roses. Miss Myrtle Graham, sister of the bride, was bridesmaid. She was attired in jade green champagne with silver lace and carried a bouquet of American beauty roses. The flower girls were, Jean and Jeanette Rush of Inwood, twin cousins of the bride. The wedding march was played by Miss Edna Lyons, accompanied by Harry Hunter, cellist. During the signing of the register Miss Irene Kimball sang "O Promise Me." The groom was attended by George Lyons. The house was prettily decorated with evergreens and pink and white also entered into the color scheme. Many beautiful presents were received as well as two substantial checks. The bride's travelling costume was a poiret twill navy suit, grey pame velvet hat and grey squirrel fur neckpiece. After a wedding trip to Toronto and Niagara Falls, Mr. and Mrs. Teskey will reside in a new home on Kathleen avenue. Guests in attendance included the following from other points: Mr. and Mrs. W. Oak, Detroit; Mrs. Campbell and son, Mrs. E. Taylor and son, Petrolea; Mr. and Mrs. I. Rush, Mr. and Mrs. T. Lathers, Inwood; Mrs. J. Jackson and daughter, Watford.—Sarnia Observer.

When You See a Leader Ahead of a Crowd

you usually assume that he possesses qualities and merit above others. You are generally right.

McClary's Electric Range embodies two features of such unusual merit as to set it ahead of all others.

- 1. The Protected Element—a smooth disk of tough porcelain that nothing can injure—no dirt can get into it to damage the coils.
2. The Seamless Oven—round-cornered—welded—porcelain enameled—easily kept clean and sanitary and most economical.

HISTORY OF CORN.

It Was Discovered Here When Columbus Came.

Corn has long been cultivated in this country. Columbus in his report to Isabella, Queen of Spain, after his first voyage of discovery in 1492, stated that he had seen growing in the new land fields of corn 18 miles long.

European settlers early learned the use of this cereal from the Indians and, with them, too, it soon became the staple crop.

SIGNALS BY SMOKE. Fire-Tipped Arrows Used as Warnings of Danger.

The traveler on the prairies of Canada in the early days soon learned the significance of the spires of smoke which he saw rising from a distant ridge or hill.

Sometimes at night the traveler saw fiery lines crossing the sky, shooting up and falling. He might guess that these were signals of the Indians, but unless he were an old-timer he would not be able to interpret them.

The old-timer knew that one fire-arrow—an arrow prepared by treating the head of the shaft with gunpowder and fine bark—meant the same as the column of smoke puffs, "An enemy is near."

"Thus," writes George Ham in "Reminiscences of a Rascateur" "the unlettered savage could telephone fairly well at night as well as by day.

How Eskimos Live. One of the few places in the world where the temperature is the furthest from that of the globe inhabited by man—the home of the Eskimo.

The life of the Eskimo is a never-ending battle for existence, and their only occupation is the actual procuring of food either by fishing or hunting. The Eskimo is self-supporting by the time he is ten years old, and from then on his struggle continues until his death.

Food—raw meat—is the sole medium of exchange of these Eskimos. If an Eskimo wishes to buy a string of beads for his wife, he pays for it with meat.

When a young Eskimo woman is thinking of taking a husband, she does not consider, as some of our girls might, what kind of an igloo he has—or how many dog-power in his car, but does he bring home—not the bacon—but the bear-meat? She takes a very important part in the general scheme of living.

That automobiles travelling at over 30 miles an hour destroy the roads, is the charge made by Hon. Mr. Perran, head of the Quebec road department.

Within three months the ban placed by the Post Office Department upon the sending of postal notes to the United States will be removed. It could be done now but for the fact that all the postal note forms now in the use of the various offices in Canada have printed across them these words "not to be remitted to the United States."

Citizens at Woodbridge have planned the erection of a novel memorial to its men who gave their lives in the World War. The memorial will take the form of a watch tower, about 60 feet in height and which will be erected on an eminence of 200 feet, so that it will be visible many miles distant.

Mr. Fred Cable, who has been confined to his bed with a heavy cold is now slowly improving.

Miss Jennie Vance has had the pleasure of entertaining her sister, Miss Sarah Vance of Toronto this last week.

On Oct. 23rd at the home of Mrs. Freeman Birchard, Kingscourt, a bale was packed to be sent to India, consisting of seven pillow slips, two quilts and fifty-seven children's dresses. Bale valued at \$75.00.

Mr. and Mrs. Charles A. Smith were tendered a kitchen shower last Tuesday night, Oct. 17, at the home of the groom's parents, Mr. and Mrs. Geo. A. Smith, twelve side-road, when about sixty of the neighbors and friends gathered and spent a very enjoyable evening in music and games, after which a dainty luncheon was served.

An exceptionally fine crop of potatoes was harvested this year, by Messrs. John Scoffin and Fred Graham of Warwick. They have just finished digging their crop, and as a reward, they have 600 bags of the tubers. They are the Green Mountain and Carmen No. 1 variety and are excellent sample of potatoes. The yield was secured from a planting of seven and a half acres.

Mrs. Henry Curtis of Warwick had a narrow escape from serious injury when a horse she was driving attached to a buggy was frightened at a pile of shingles on the side of the road on the 6th line of Warwick, and became unmanageable. Mrs. Curtis was thrown out and the horse became separated from the buggy and was caught by Mr. D. Kernohan. Mrs. Curtis escaped any serious injury but received a severe shock from the accident.

Zion Cong'l church will celebrate its annual Thank-offering Day on Sunday with special services at 2.30 p.m. and 7.30 p.m. Special music by the choir, and special messages by the pastor, the Rev. T. DeCourcy Rayner, at both services. The evening topic will be: "Some Reasons why I believe that Jesus is Coming Again to Earth." Everybody invited to these services. "Bring an offering and come into His Courts."

"SHEPHERD OF THE HILLS" COMING TO WATFORD

Lyceum Theatre, Tuesday, Oct. 31st
Harold Bell Wright clings to tunes of yesterday in arranging musical accomplishments. The Shepherd of the Hills is a striking film drama. Mr. Wright has defied all standards of motion picture production. He has transferred to the screen the page of his famous novel, chapter by chapter, exactly as they are in story form. It is more than a masterpiece. It is an inspiration. This production played Massey Hall, Toronto, Christmas and New Year's week will be shown at the Lyceum Theatre, Watford, for one night only, Tuesday, October 31st. In the Shepherd of the Hills, Harold Bell Wright has produced what is probably a unique production within the memory of even the most ancient play goers.
