The copy filmed here has been reproduced thanks to the generosity of:

National Library of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Bibliothèque nationale du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

## ◆ Dedication ◆

In days of yore from Britain's shore  
Wolfe, the dauntless hero, came  
And planted firm Britannia's flag  
On Canada's fair domain.  
Here may it wave our boast, our pride,  
And joined in love together,  
The Thistle, Shamrock, Rose entwine  
The Maple Leaf forever.

SUPPLEMENTARY LIST.

THE BRITISH WHIG, of Kingston, in seconding Mr. Merrill's efforts, feels that the foregoing list inadequately fills the roll of the gallant men who shouldered arms at a critical period of Canada's history. But unhappily no list has been preserved in official quarters (or if retained is not accessible) of the volunteers of 1837, '38 and '39, and so names have had to be procured by asking for them through the newspapers. All the veterans have not yet responded; even while this little book has been in the printers' hands the subjoined additional names have been received. It is a trifling little work, but it contains all the names at the command of willing and enthusiastic friends of the volunteers, and it is the first list ever presented to the public of these men whose valour did credit to Canada. The list will forthwith be presented to Parliament, along with a memorial for recognition by the government of the serving of those who responded to their country's call. Further, without this list many of these names of gallant Canadians would have gone down to oblivion unrecognised; now their families are at least able to preserve a record of their service.

God preserve our native land, fair Canada the Free,  
 May His right hand protect our land and guard her liberty ;  
 Should foreign foes our land assail with desolation fell,  
 God guard the right and lend us might the invader to repel.  
 O, Canada, fair Canada, name ever dear to me,  
 A home for all who leave the shores beyond the bright blue sea ;  
 We love our land, tho' young it be, its sunshine and its storm,  
 Its faces fair and hearts sincere, affection's strong and warm.
