## Entrance into Theology.

I. Students who desire to enter upon a course of Theological study in this College, other than those who have completed their course of three years in its Literary department, must present to the Registrar for transmission to the Senate, before the 5th of October, 1887 :

- a. A Presbyterial Certificate.
- b. Evidence of having obtained the degree of B.A. at Queen's University, McGill University, the University of Toronto, Dalhousie College, or other recognized institution.
- c. A certificate of having passed at least one examination in Hebrew.

II. Regular students in the preparatory department, who have passed the sessional examinations of the third year in that department, are not again required to stand an examination for entrance into theology, but are entitled to take their place in the Theological classes on presenting the usual Presbyterial certificate, together with that of the Senate to their having passed the said examination.

III. Occasional students may be admitted to attendance upon a course of lectures, on presenting a Presbyterial order to that effect, or on payment of a fee of four dollars for each course, or of ten dollars for all the courses. Such occasional students are not required to pass the terminal or sessional examinations, nor are they eligible for the scholarships and other rewards open to regular students. Should they, however, desire to take the sessional examinations, certificates of their proficiency may be given them by the Professors whose lectures they have attended. The Senate may remit the fees in special cases.

## Theological Curriculum.

The course of instruction in Theology extends over three sessions of six months each. In addition to the ordinary subjects taught in the classes of the various Professors as prescribed for each year, in which every student must pass an examination at the close of the session, an honour course is provided, which is optional, and in which no lectures are given, but to which certificates of honour, scholarships, and medals are attached.

### Regulations for French and Gaelic Students.

All French students, and students preparing for French work, are required to attend the Lectures in Théologie Française, and English students who understand French are urged to do the same. Students taking this course, and passing examination in it, are exempted from examination in the Biblical History and Homiletics of the first year, the Apologetics and Sacred Rhetoric of the second, and the Exegesis and Architecture of the third. In the honour work they may also take the examinations in Latin, Greek, and Hebrew authors, and Calvin, Martensen, and Christlieb, in French instead of English. In the first year they may exchange Killen for De Pressensé, "Histoire des trois premiers siècles:" in the second year, Farrar and Shedd for De Pressensé, Les Origines and Vinet; and in the Post-Graduate course, Westcott for Reuss, "Histoire du Canon du Nouveau Testament." Students intending to exercise these options must give notice to the Principal or French Professor, at least three weeks before the sessional examinations.

French students are not required to give more than one of their College exercises in English, and at least two of them must be in French. These French exercises will be prescribed by the French Professor.

While French students are eligible for all the scholarships and other rewards of the Theological course, in consideration of the disadvantage at which they are placed by pursuing their studies in both languages, two scholarships are offered for competition to them exclusively. In addition to the ordinary work of their years the following work is prescribed to competitors:— F. Bonifas; Histoire des Dogmes.

Students taking the Gaelic course and passing examinations therein, shall be exempted from the Sacred Rhetoric of the first and second years, and from the Architecture of the third year.

The Hamilton (MacNab Street) scholarship of the value of Forty dollars for the same.

### Affiliation with McGill University.

The attention of students is directed to the special advantages afforded them in virtue of the affiliation of the College with McGill University. They have thereby access to the Library, Museum, and Lectures of that Institution, which stands in close proximity. By scholarships which are in the gift of benefactors they may enjoy exemption from College fees. In addition to these there are thirteen Exhibitions and Scholarships of from \$100 to \$125 each, annually offered for competition to students in Arts, and at the close of the curriculum, gold medals, prizes, and certificates of Honour, are awarded to successful competitors.

While it is desirable that students should complete their literary studies before entering upon their Theological course, the terms of affiliation allow them to combine these, exemptions in the University curriculum being granted to students of Affiliated Theological Colleges. Considerable extension in the matter of options and exemptions has recently been introduced into the regulations of the University. (See McGill College Calendar for 1887-88.)

EXEMPTION FROM UNIVERSITY FEES.

The students of this College are exempt from the class

fees of McGill College, in accordance with the following resolution of its Board of Governors, passed on the 26th of March, 1887:—

“Resolved that the Governors would give scholarships to those who are recommended by the Principals of the several Affiliated Theological Colleges as entering as Undergraduates or Partial Students, and in such numbers as the Board may from time to time determine.”

#### MATRICULATION AND ADMISSION.

The Senate of the Presbyterian College having full knowledge of the nature of the training given, and the religious influence exerted on students in the McGill University, confidently recommend parents to send their sons to it, whether they are designed for the Christian Ministry or for any other learned profession; and for the guidance of young men who may desire to enter the course in Arts, the following extract is made from the Calendar of the University:—

1. Candidates for matriculation as Undergraduates are required to present themselves to the Vice-Dean of the Faculty on the 16th of September for examination; they may, however, enter after the commencement of the session, if on examination, found qualified to join the classes.

Candidates unable to pass in Chemistry are required to attend such of the lectures on the subject as are open to them, and to pass an examination at the end of the second year.

Students of other Universities may be admitted on the production of Certificates, to a like standing in this University, after examination by the Faculty.

[Associates in Arts, who, at their special examination, have passed in Latin, Greek, Algebra and Geometry, are not required to present themselves for matriculation examination.]

Partial or occasional students, (see above) in the First year, who pass the April sessional examinations in one or more subjects, will, if Candidates for Undergraduate standing in the First year, in the following September be allowed to count these as advanced examinations under the above rule.

An advanced examination in any one or more of the subjects of the First year will be held for such of the candidates as desire it. Candidates who pass creditably in this will be entitled to such exemptions from the Lectures and from the Christmas examinations of the First year as the Faculty may determine. For the advanced examinations in Classics, two authors in Latin, two in Greek will be required, and the books fixed must be taken.

Candidates for advanced examination must send notice to the Vice-Dean of their intention before the day of examination, stating the subjects of the First year and the extent of reading they purpose to submit.

## Scholarships

### for Students taking the University Course.

In order to encourage students intending to enter Theology to proceed to a degree in McGill University, the following scholarships are offered for competition:—

The Sir George Stephen scholarship of Fifty Dollars for general proficiency in the work of the First year in McGill College.

The Stirling scholarship of Fifty Dollars for the same in the Second year.

The Drysdale scholarship of Fifty Dollars for the same in the Third year.

The Slessor scholarship of Fifty Dollars for the same in the Fourth year.

### The North-West Scholarship.

This endowed scholarship, the value of which for the present year is twenty-five dollars, will be awarded annually to a student of this College coming from Manitoba and the North-West Territory, or in the absence of such a student, to one preparing for Missionary labor in that field, on such conditions as the Senate may from time to time appoint.

### Presbyterial and other Certificates.

All regular students, whether in the Literary or Theological courses, must be certified each session to the College Senate by the Presbytery within the bounds of which they reside.

The Senate will certify students to the Presbytery to which they may belong or to which they may be transferred after the annual examination at the close of the session.

The Senate gives a certificate of Academic standing to every student in Divinity at the close of each Academic year, and a diploma on parchment at the termination of the Theological Curriculum. Other certificates may be given by individual Professors.

### Church Membership.

All students connected with the College are required, during the period of their studies, to unite in membership with one of the congregations of the Church in the city or its immediate vicinity. This regulation is not intended to interfere with their liberty to visit other churches.

## Residence.

The original College Building is a stone edifice, elegant and commodious, pleasantly situated on the rising ground above the city, commanding a view of the University grounds, the city, and the scenery of the St. Lawrence. To this has been added by the large-hearted generosity of the Chairman of the College Board, an elegant and much more extensive series of stone buildings, designated by the Board as the David Morrice Hall, including Convocation Hall, and Library, Dining Hall, Dormitories, and Offices, forming with the original building three sides of a large quadrangle. In external equipment the College is thus inferior to no Theological Institution on the continent.

In addition to its Halls, Library, Lecture Rooms, and Offices, it contains numerous Studies and Dormitories for resident students, together with bath rooms and other modern conveniences. The rooms are comfortably furnished, and the whole building, including the individual rooms, is well ventilated, heated with hot water pipes, and lighted with gas.

Resident students are furnished with rooms, heating, and light, with board and attendance by the Steward, whose fee will in no case exceed three dollars per week, and who is responsible to the Board of Management for the efficiency of his service.

Applications for vacant rooms must be made to the Dean of Residence, and these will be granted in the order in which applications are received. But in the choice of such vacant apartments, students having academic seniority will be entitled to a preference. Students will choose their rooms for the winter on the Friday after the opening of the session, at 7 p.m., at which date rooms will be held as vacated, unless the former occupants be present or claim their rooms by letter or telegram.

## Library and Reading Room.

I. The Library, to which additions are constantly made, embraces all the Greek and Latin Fathers and Ecclesiastical writers, with some rare fac-simile codices, and standard and recent works in Theology and cognate subjects. It is under the charge of the College Librarian, from whom books may be obtained, subject to the following rules:—

1. A student may receive from the Library only two volumes at a time, unless by special order of Professors.
2. During the session of College, all books shall be returned to the Library within two weeks of the date of issue.
3. Any volume or volumes lost or damaged by a student shall be paid for by him at such rate as the Senate may direct, having reference to the value of the book, and the set to which it may belong.

4. Professors and lecturers may receive from the Librarian any books required by them for their duties in the College, not exceeding ten volumes at *any one time*. Books so used must be returned at or before the close of each session.

5. Persons not connected with the College may consult books in the Library, or obtain them from the Librarian by special order from any of the Professors; such books to be returned within ten days.

6. No books of reference, including volumes of the *Patrologia*, are allowed out of the Library.

II. The Reading Room is under the management of the Librarian, and is furnished with Reviews and Magazines, Records of Ecclesiastical and Missionary Intelligence, Daily and Weekly Papers, etc. The following rules are to be observed in connection with it:—

1. Papers and Periodicals are not to be removed from the Reading Room.

2. Students are not to enter into discussions or other exercises that would disturb those wishing to study in the Reading Room.

## Devotional Meetings.

## I. THE WEEKLY LECTURES.

For the purpose of cultivating the interest of Professors and Students in one another and in their respective work, of fostering a devotional spirit, and of dealing with such matters of Christian and ministerial duty as do not come within the ordinary range of College prelections, an hour is set apart in the afternoon of each Monday during the session, the exercises of which are presided over by the Professors in rotation, when all students, Theological and Literary, are expected to be present.

## II. STUDENTS' PRAYER MEETING.

This meeting of a purely devotional character, is held every week, at an hour fixed at the commencement of the session, the exercises being conducted by the students in rotation.

## III. SABBATH AFTERNOON LECTURE.

A series of Lectures on apologetic and doctrinal topics, by members of the Senate and others, will be delivered next session, in the David Morrice Hall, at 3 o'clock.

---

## Mission Work.

During the Summer vacation, students may engage, and all Divinity students are expected to engage, in missionary work, in the numerous and extensive fields of labor provided by the thirty-six Presbyteries of the Church.

Students in Theology are also permitted to preach a limited number of Sabbaths during the session.

Students are thus early made acquainted with the practical work of the ministry and enabled to gratify their desire to preach the Gospel, while providing, at least in part, for their maintenance during the period of their study.
