Domestic and Foreign Missionary Society
OF THE
CHURCH OF ENGLAND IN CANADA.
ESTABLISHED 1883.

ANNUAL REPORT, 1890.

HANKFULNESS and hopefulness may well possess the hearts of all the members of the Society as they review the facts and the advance of which the Board can tell during the past year:—
1st.—The son of a Canadian family, born in Canada, and trained by the Church in Canada, has been accepted as a missionary of the Canadian Church and sent out to work in Japan under Bishop Bickersteth.

In accordance with the agreement made with the S. P. G. the name of Rev. J. G. Waller, a graduate of Trinity College, will appear on their list as a missionary of the Canadian Church. His stipend and other allowances will be those of the S. P. G. missionaries in Japan, and will be met by the Board of Management.

Mr. Waller's gifts and attainments are such as to afford, in the judgment of those competent to form an opinion, very bright hopes of his proving a useful and successful missionary.

The Board of Management have been looking and longing for the time when they could announce that the Domestic and Foreign Missionary Society had entered directly on the foreign mission field. It must be with great satisfaction that the Society finds that it is now in a position to send out a missionary to do work for God and the Canadian Church in a heathen land.

Mr. Waller has been preceded in the same field by Rev. J. Cooper Robinson, whose stipend, derived from the Wycliffe Missionary Association and other sources, is transmitted through the Board; and by the Rev. J. McQueen Baldwin, a graduate of Toronto University and of

Wycliffe College, who went out last year to Japan as a missionary at his own charges. May they be speedily followed by many other sons of our Canadian families!

Pray ye, brethren, unceasingly that the Lord of the Harvest would raise up in your homes—labourers fit and meet for the harvest which is everywhere throughout the world waiting to be gathered in for the Saviour of men—and as you pray, make large and costly offerings—the devotion of the best of your sons, and of the wealth which God has given you. Thus, even through your efforts, will the Redeemer see of the travail of his soul and be satisfied.

2nd.—Miss J. C. Smith has also been accepted as a candidate for woman's work in the foreign field. Miss Smith has been a school teacher at Sharbot Lake, Province of Ontario. Her intention is to pursue, at her own expense, in the hospital at Kingston, a two years' medical course and training as a nurse. The Board feel confident that Miss Smith will, in many respects, be admirably fitted for work among the women of India.

3rd.—The following words have been added to the first by-law of the Board:—

"Foreign Missions shall include the evangelization of Pagan races within the Dominion of Canada, other than the aborigines."

The purpose of this change is to enable the Society to take a part in caring for the large number of Chinese on the Pacific coast of Canada. The first appropriation under this change has been made of \$500 to help the Bishop of British Columbia in providing a clergyman to

labour among the Chinese within his jurisdiction. It is to be regretted that the amount placed at the disposal of the Board did not admit of a more adequate appropriation. The presence of these heathen in our own dominion should call forth earnest efforts from the whole Canadian Church, so that the appeal of our bishops on the Pacific coast may receive a more encouraging response. All we can send them from our nine dioceses this year is \$500.

4th.—Another gratifying fact is the steady increase in the annual contributions for Domestic and Foreign Missions.

The Board hope that the statements of the general treasurer which accompany this report, will be carefully studied by all. Every congregation in each of our nine dioceses can see at a glance what position is occupied by themselves and their diocese. The following points are of great importance and interest:—

(a) The total for Domestic and Foreign Missions during the past year is \$35,812.25.

(b) That for Domestic Missions is \$21,101.29.

(c) That for Foreign Missions is \$14,710.96.

(d) A comparison between the past four years shows a steady, if slow, advance—with the marked increase of \$7,406 during the year closed 31st July last.

5th.—The Board have taken the first step towards engaging all the children throughout our nine dioceses in a united effort for missions during the season of Lent in each year. It has been arranged to send a letter, to be read by direction of the Bishops, in all our Sunday schools on the Sunday before Ash Wednesday, and the Board hope that all the clergy, without exception, will recognize with them that the youth of our Church will grow up with a more intelligent, personal interest in missionary work, from taking part year by year in an effort that will be made simultaneously in all our Sunday schools. The letter addressed to the children, and read to them annually on Quinquagesima Sunday, can hardly fail to produce an impression which will endure through life. A knowledge of the great purpose for which the Church exists, namely, to send on to others the precious message and the blessed privileges entrusted to her, will take possession of them, and the missionary spirit will grow with their growth, until all our congregations are permeated and actuated by it.

6th.—The Board would remind all, that the expenses of managing the affairs of the Society—co-extensive with the church in this Ecclesiastical Province are limited to the actual outlay on account books, stationery and postage. There are no paid officials,—the General Secretary and the General Treasurer being honorary officers. The only outlay in connection with the officers is the travelling disbursements of the General Secretary and the General Treasurer, who are obliged to attend all the meetings of the Board of Management wherever they may be held.

The following is the Treasurer's statement:—
