CONSUMPTION.
DO NOT NEGLECT
CONSUMPTION.

Can and has been cured of thousands of cases by the only certain remedy.
J. L. Clark's Chemical Extract of
CHERRY AND LUNGWORT.
And no remedy has ever before been discovered that will so certainly cure CONSUMPTION.
The most strongly marked and developed symptoms of Consumptive Consumption, where the lungs have become diseased and ulcerated, and the case so utterly hopeless as to have been pronounced by physicians as incurable, have been cured by this wonderful remedy, and are now as healthy and vigorous as ever.

COUGHS AND CONSUMPTION.
Consumption is a mild, yet efficacious, remedy for the cough which creates so much difficulty, restores the cough, and assists nature to expel from the system all diseased matter by expectoration, producing a delightful change in the breathing and chest, and thus effecting the cure of the disease.

THOUSANDS OF CONSUMPTIVES.
Persons have been cured repeatedly in buying medicine when they were told that they were incurable. It is not only a palliative but a cure for ulcerated lungs. It contains no deleterious drugs, and is perfectly safe for the most delicate and infirm.
