OTTAWA, April 10 .- The feature of

the week has been the bringing down of

the Estimates on Thursday by Mr.

Fielding. A perusal of this small but

expensive blue book reveals the fact that the Government is not at all likely to

practice in power that economy which

they preached so persistently while in-

Opposition. The total amount required

by the Government is \$44,607,239, of

which \$38,111,663 is on account of Consolidated Fund and \$6,495,576 on capital

account. These, it must be remem-

bered, are only the main estimates, there

ing to a couple of millions or so.

As the estimates stand they show a de

crease on account of Consolidated Fund

1896-97 as submitted to the House, and

an increase of \$3,073,453 in capital ac-

count. As there is every probability that

the supplementary estimates for 1897-98

will be as large as, or larger than the

supplementary estimates for 1896-97,

which amounted to \$2,576,954. the pre

sent indication is that the total amount

which \$1,500,000 will be on account of consolidated fund and \$3,500,000 on capi-
