RIVET THE LAST PACIFIC RAIL!

BY GEORGE W. BUNGAY

Rivet the last Pacific rail, With a silver hammer and goldin nail For over the hill and over the vale, The iron horse is swiftly coming Along the praries wild flowers sweet, With red lips kiss his flying feet, Wild eagles his wild scream repeat :-His hymn of praise the bee is humming, Hail to the day and deed Hail to the iron steed! Hail to the iron rail! Hail to the West, all hail

Now the rising and setting sun Shall see the East and West are one, Wherever the steed of steam shall run, The Union shall be one forever. State linked with State with iron bands, Hearts linked with hearts, and hands with hands,

Hail to our broad free lakes and lands Hail to our free lands ! Hail to our free hands Hail to the gold nail l Hair to the last rail !

Over praries of gold and green, Over rivers that roll between, -Plumed mountains of richest sheen. The steam horse toils harder and harder, Now scaring the wild herds and flocks, Now thundering over granite blocks, Now climing the steep shelving rocks Now up to the Sierra Nevada. Hail to the plains below ! Hail to the peaks of snow Hail to the hammer's stroke Hail to the echoes woke!

From ocean to ocean the rail Runs over the mountain and vale. Which echoes with blows on the nail, Now heard by the list'ning races, Hail to the pathway of nations here, It runs to-day through the hemisphere, The good time coming must now be near, It shines on our hope-lighted faces. Hail to the age of steam! Hail to our iron bars ! Hail to our flag of stars !

The purchase of one was considered so great a transaction that distinguished persons were assembled as witnesses, and most terrible denunciations were pronounced by the church against those who should dare to steal or deface a religious work. This resolution seems so like The income per member in 1841 had fallen the dispensation which the Church of Rome off to 3c per member. There is also an item mistakes. In justice to our good brother, we doubt not that the seed so faithfully sown will gives to its begging friars, that on reading it entered, "Interest on Centenary Fund, £46 10s." we felt at once pained and thankful-pained, In 1842 the income averaged only 23c. per that men, whose strength had been given to member, although there had been an increase in God's cause, should have had such uncertain the membership of 2461, the total memberprovision for their support in their declining ship being 19,478. Here, then, we discover the origin of the Superannuated Preachers' Fund.
