CARD OF THANKS

I take this opportunity of expressing my sincere thanks to my many friends for kind remembrances and abundance of beautiful flowers donated which was very much appreciated during my recent illness.

George Dudley Bovaird a resident of this village, died suddenly at Smoky Falls, Ont., last Wednesday, heart failure being the cause of death. Deceased was in his 50th year and was a member of the Orange order for a number of years. The funeral will take place from his late home, Flamboro street, Saturday afternoon to Hamilton cemetery.

Greenville

Mrs. Newman of Hamilton is visiting her daughter, Mrs. Geo. Ofield.
 Mrs. Nellie Jackson is visiting her son in Toronto.
 Miss Cora Tunis returned from Ottawa last Saturday.
 Mr. and Mrs. J. N. Tunis spent Sunday at Burlington at Burlington.
 Mrs. Walter Nicholson has returned home after attending her father's funeral.
 Mr. Andrew Surerus who has been spending a few weeks visiting relatives here, has returned to his home in Windsor.

Land For Sale

The Soldier Settlement Board of Canada offers for Sale by Public Tender 40 acres, North halves Lots 21 and 22, Con. 2, N. D. S. Nelson Township Halton Co.
 The terms of sale are 20% of purchase price in cash on acceptance of tender, the balance in not more than nine equal annual instalments with interest at 6 per cent per annum.
 Each tender must be accompanied by an accepted cheque for 10% of the tender offered. This amount will be applied on the 20% if the tender is accepted.
 In the event of a tender of a returned soldier being accepted, no advances will be granted him for Stock and Equipment or permanent Improvements under The Soldier Settlement Act, 1919.
 Tenders will be opened Nov. 7, 1921. The highest or any tender not necessarily accepted. If the land is not sold on the date above mentioned, the Board will receive tenders to purchase until such time as it is finally disposed of.
 Tenders should be in plain envelopes marked "Tender for purchase of Land" and addressed to:
 Dist. Supt. Soldier Settlement Board
 Dated at Toronto, Oct. 22, 1921.

Trafalgar Day at the Public School

Trafalgar Day and the death of Nelson was fittingly celebrated at the Public school last Friday afternoon by the Navy League. The President, Rev. Mr. Leake, had his fellow workers, Revs. C. L. Poole and J. F. Wedderburn, present and they each gave splendid addresses. Mr. Leake gave a historical address and taught the children something that was really worth while. Mrs. A. M. Slater represented the trustees of the school and expressed her appreciation of the work of the teaching staff. The children sang a number of patriotic songs in chorus. The program was both instructive and entertaining and a very profitable hour was spent. These occasions create a good school and community spirit, and the Waterdown Public School makes a better showing than the average school when called upon to do their bit.

Locals

Mr. E. Gordon and son Ashur were in St. Catharines last Tuesday.
 Miss Isabel MacKay of Hamilton spent the week end with Miss Vera Nicholson.
 Rev. Mr. Daniels of Elora, was visiting his sister-in-law, Mrs. A. C. Sinclair, a few days this week.
 Rev. W. W. Prudham of Drayton visited with Chas. and Mrs. Everitt, Dundas street, during the week.
 Mrs. Edwards of New York and Mrs. Andrew Mitchell of Hamilton were the guests of Mr. and Mrs. Thomas Bowen, Dundas street.
 Miss Margaret Buttrum of the Hamilton Road spent the week end with her aunt, Mrs. J. W. Griffin.

Mrs. Geo. Willis is in Tilsonburg this week, having been called there by the death of her uncle, Mr. John Smith.
 Mr. John Buttrum and daughter Grace of Ancaster, and Mr. John Lewis and son James were Sunday guests of Mr. and Mrs. J. W. Griffin.

The A. Y. P. A. of Grace Church will hold their weekly meeting on Monday evening, Oct. 31st, instead of Thursday evening. It being Halloween all members will appear in costume.

The W. M. S. of the Methodist church intend to pack a bale on Monday afternoon, Oct. 31st. Any person having suitable clothing or bedding to dispose of kindly see that your donations are sent to the Sunday school room early in the afternoon.

Mr. and Mrs. W. S. Griffin have returned from a tour of Manitoba and the West including the Rockies and Vancouver. They were away two months, going by C. P. R. and returning by G. T. R. They visited scores of friends including many Waterdown "old boys."

Grace Church congregation will be the hosts of the Women's Auxiliary of Wentworth County on Thursday, Nov. 3rd. Holy Communion in the church at 11 a. m. with sermon by the Rector. Lunch and tea and meetings will be held in the Parish hall. Missionaries from foreign fields will deliver addresses.

Men's Choir Concert

Judging from the appreciative audience which filled every corner of the Methodist Sunday school on Tuesday evening the Men's Concert was a huge success. Every number seemed to bring a laugh and vociferous applause greeted the Lady from Persia and Peggy O'Neil the two "lady" performers. The Persian prima donna was most beautiful in the gorgeous costume of that country and her bright eyes more than made up for the fact that she must wear her veil when appearing in public. Her beautiful soprano voice was much enjoyed in the solo Rose of My Heart. And sweet Peggy O'Neil with her coy smiles and winning ways was all that the heart could wish. She was gownned in a most becoming white dress with over-blouse of mauve satin, and it is no wonder she had so many admirers suing for her favor, but it was Mr. Hemingway's smile which finally won Peggy's heart. Each of the songs given by the men's choir was good and the various other numbers were much enjoyed also. The English proposal and recitatives of a Tinker were novel bits of fun.

Then the debate which was a serious problem to one side and a huge joke to the other, created plenty of merriment, and the good natured slovenly wife was pronounced by the judges to have won the case, life with a crank not being worth the living according to the speakers. Rev. C. L. Poole made a most genial chairman, and altogether it was a good evening's fun and gratifying financially also, the proceeds being about \$50.

The entertainment is to be repeated in the Orange Hall at Carlisle on Tuesday evening, Nov. 1st under the auspices of the Carlisle Women's Institute. So, if you missed it at Waterdown go to Carlisle on Tuesday evening.

In making out the list of point winners of the Girl's Events on the High School Field Day the girl's obstacle race was erroneously omitted. Taking this into consideration the points won by the girls are as follows:

M. Fretwell 18, A. Vance 15, M. Everitt 8, M. Pearson 6, F. Mitchell 5, L. Richards 5, E. Everitt 5, L. Leake 4, J. Millar 3, B. Sheppard 2, M. Duncan 2, R. Featherstone 2, L. Gunby 2.

Results of Boy's Open Events
 Three Legged Race—Wilkinson and Sheppard, Shaidle and Slater.
 Tub Race—Eaton, Shaidle, Maxwell.
 Wheelbarrow Race—Cary and Green, Wilkinson and Eaton.
 Obstacle Race—Wilkinson, Eaton and Sheppard.

The regular monthly meeting of the Women's Institute will be held in the Bell House Tuesday afternoon Nov. 1st. After the regular business and program the ladies will pack a bale for the Hamilton Sanitarium. To those who read the daily papers it is not unusual to find letters to the Editor of real need. A letter of this kind which appeared in the Spectator recently was read at the last meeting of the Institute, and it was decided by the Society to take the afternoon of Tuesday, Nov. 1st to pack a bale for some of those needy cases, and this article is inserted for the purpose of getting everyone busy cleaning and mending their surplus clothing and having it on hand that day at the Bell House. Members and others are requested to bring fruit, pickles, etc. Empty fruit jars will be on hand to exchange for full ones.

Mountsburg

Miss Ruby Rutherford had the misfortune to fall and brake her arm.

Miss Winnie Mitchell intends leaving this neighborhood in the near future and will make her home in Morrison.

Mr. Mathew Patton was confined to the house for a few days with a lame back.

Mrs. Geo. Nicholson and daughter Ruby took tea with Mrs. Alex Campbell last Thursday evening.

Mr. and Mrs. Osborn Wingrove of Toronto spent the week end under the parental roof.

Mr. and Mrs. Albert Hewins motored to Hamilton last Sunday and visited with the his brother who recently underwent an operation.

Rev. Mr. Hendershot of Carlisle preached in the Methodist church here last Sunday.

Mrs. Emmons has returned to her old home here again.

Mr. Chas. McCarthy has purchased a Ford truck.

Miss Edna Mount of Hamilton is spending a couple of weeks at her home here.

Mr. John Gunby attended the Anniversary services at Carlisle last Sunday evening.

The Methodist church intend holding special services in the near future. The proceeds to go for the erection of a new lamp.

Some of the farmers around here who attended the Market last Saturday report having to bring their produce home again.

A couple of young men of this neighborhood becoming dissatisfied with the lonely life that a bachelor has to endure, and longing for the company of the fair sex they started out on a hunt. They decided to go north where "dear" are plentiful. After travelling for some time they became weary and faint, but presently they found themselves in a small town by the name of Acton. Here they took action by calling on a first class cafe where they did ample justice to their inner selves. Not finding the object of their adventure they journeyed on, finally landing in a place named Georgetown. Here they met with better success. Meeting with a couple of fair damsels they unfolded the desires of their hearts which had led them on their journey, and together they took in the sights of the town, but being unable to persuade these fair ones to accompany them on their return trip they bid adieu to the old town and departed. That same evening it is reported that two young men were found stranded in a small village in a different direction not many miles from home, which answered the description of the same two young men. We feel sure that these young men must have seen a great many sights, and we hope that they meet with better results the next time they take a hike, but for the sake of their friends we relate that they are suffering no apparent harm from their experience.

For Sale—One large Jewel Feeder with oven, and one No. 9 Treasure Range with reservoir. Price reasonable. Fred Poole, phone 38-13.

Farm Bookkeeping

Our three months' course on Farm Bookkeeping is purposely made for young men on the farm who cannot devote the time to one of our longer courses. It will cover Bookkeeping as planned for practical use—it is written by the Dean of one of the largest Agricultural Colleges on this continent.

It's easy to own the AMBEROLA

EVERYONE can afford Mr. Edison's New Diamond Amberola—the perfected musical instrument which is actually the world's greatest phonograph value.

Despite the fact that the Amberola actually surpasses in sweetness, and realism all of the so-called "talking machines", its price is unbelievably moderate. Because the permanent Diamond Point Reproducer does away with the bother and expense of changing needles, and because the Edison Amberola records are practically indestructible, the Amberola is the most economical phonograph to maintain.

If you enjoy good music, and if you have refrained from investigating the Amberola because you naturally believe it to be expensive, come in today, ask for full information. The low price of the Amberola will surprise you particularly when you hear the convenient payment terms which we will be happy to arrange.

Three Days of Good Music—FREE!
Ask us how you can have the Amberola in your own home for three days—no duty free, and without obligation to buy. If you can't come in—please phone or wire us a postcard.

The Vital Issue

"What we have to decide is this—Are we going to continue the protective system of this country or are we not? That is the question and that is the whole question. And the great, big, necessary thing is that every voter in this country from the Yukon to Halifax knows that this is the question he or she is deciding when he or she votes in this great contest."

—ARTHUR MEIGHEN

THE vital issue in the coming election—in fact, the only issue—is the Tariff, and to every clear thinking Canadian it should be readily apparent that a Protective Fiscal Policy is absolutely essential to stability, progress and development.

Every important country in the world upholds Protection as an essential economic principle. Even Great Britain—so long the stronghold of Free Trade—has now adopted laws that constitute Protection of the most effective kind. In fact, the present policy among most nations is towards raising their tariff walls, not lowering them. In the face of these facts it would be suicidal for Canada to do exactly the reverse and discard the fiscal system which has been responsible for its progress during the past forty-three years.

Free Trade would mean death to Canadian Industry. It would also result in the immediate closing down of Canadian plants of foreign firms, with consequent additional unemployment. There are to-day 650 American factories alone in Canada. Similar proposed ventures would be abandoned. New capital would refuse to come

to a Country lacking adequate protection and present industrial enterprise would be promptly strangled by foreign competition.

The preservation of the home market by a Reasonable Protective Tariff is vital to both city dweller and agrarian alike—now as never before. More capital is urgently needed for the development of Canada's enormous resources, which will result in a lessening of unemployment and an increased population. More work and more workers will produce an enlarged home market for products of both city and farm, and the exodus of Canadian men and women—and the dollars they earn—will be precluded.

The United States has slammed her trade door in the face of Canadian farmers by adopting the Fordney Bill, and the farmer is consequently now even more dependent upon the home market than in the past.

Yet Crerar asks you to destroy that home market by voting for Free Trade.

King's policy—if he has one—will result in the destruction of the Tariff.

Meighen stands four square for Reasonable Protection—Protection for all the people—and asks for an overwhelming mandate to give both industry and agriculture that assurance which will spell prosperity for all. Individual prosperity depends upon National prosperity. Your personal interests and Canada's very existence hang upon your vote.

To the Farmer:

The purchase of a Piano or Victrola is only purchased invariably once in a lifetime. Therefore it behoves the purchaser to get the best and make sure you have the best.

I have had 25 years experience in tuning and repairing musical instruments, therefore feel quite confident I can choose the best instruments on the market.

I shall be pleased to place any instrument in your home beside any other in fair competition and let you yourself be the judge, without you feeling under any obligations absolutely. I can also save the purchaser quite a few dollars on account of my expenses being so low. I will always give you my best personal service and devote the whole of my time to supplying the country people. A postcard or telephone call will oblige.

Yours truly,

Grain Smut Explosions

(National Crop Improvement Service.)

"In the Pacific Northwest, wheat smut spores live over winter in the soil and the ordinary treatment with formaldehyde is not effective unless there has been a rotation of crops which causes the smut spores to die.

"As a consequence, dense clouds of smut spores, which may be seen for miles, arise from the threshers and spread wheat contagion over the entire country," says Mr. P. Schloesser, Perth Amboy Chemical Company.

"Sometimes when this smut cloud is properly mixed with air, a piece of wire or nail will strike a spark in the separator and the result is an explosion worse than a thirteen-inch gun, blowing machines to pieces and often killing and injuring the crew.

"The wheat smut tax amounts to millions of dollars. It is in most instances entirely preventable by treatment of the seed, but so serious has it become that the American Department of Agriculture has a separate grade for smutted wheat."

"It will be well for the Canadian farmers to prevent smut from ever getting entrenched while it is comparatively easy."

Safeguarding Inspection

(National Crop Improvement Service.)

"Grain inspection has been reduced to a fine art. In order to avoid dispute, a sample is taken from the car of grain at the terminal market and is divided into two homogenous halves by means of an ingenious separator into which the sample is poured.

"This divides and mixes the grain so evenly that the two portions may be weighed without the variance of more than a few grains," says Chief Culler, of the Toledo Produce Exchange.

"The object of this is that when the grain arrives at its destination and the buyer should complain of its quality, a re-inspection can always be demanded from the identical sample from which the first inspection was made.

"These reserve portions are kept for several months and in case of export, they prove invaluable in settling all complaints as to quality.

"Inspection nowadays is all official and the inspector cannot be tampered with because he has no idea whose grain he is inspecting. Grain inspection is as reliable as the coinage of silver."

Merrifield, the Modest.

Pte. William Merrifield, now of Sault Ste. Marie, is, above all things, a modest man, though a V.C. wearer. It is recalled of Merrifield that when he was returning home on the troop train with his unit, the 4th Battalion, he was hunted up by a reporter who was intent on getting the tale of how he won the V.C. Merrifield simply wouldn't talk about it. Perhaps he couldn't. Anyway, the scribbler says that as he tried to get the soldier to "loosen up" the big drops of perspiration stood out on the hero's bronzed face. It was less of an ordeal to win the medal than it was to tell how it was won.

"For most conspicuous bravery and devotion to duty during the attack near Abancourt on the 1st of October, 1918. When his men were held up by an intense fire from two machine gun emplacements, he attacked them both single-handed. Dashing from shell hole to shell hole he killed the occupants of the first post, and, although wounded, continued to attack the second post, and with a bomb killed the occupants. He refused to be evacuated and led his platoon until again severely wounded.
