Town Council

New Members sworn in and Officers Appointed

The February meeting of the Council adjourned from Wednesday of last week, resumed on Wednesday evening at the Town Hall with Mayor Fitch and all the old Councillors present.

The Clerk read the detailed statement and report of the auditors for the year of 1921 which was on motion adopted after which the old council was dissolved.

The retiring mayor administered the oath of office to mayor-elect Sutherland who in turn swore in the new Councillors, Dr. Leslie Eaton, Messrs. C. R. Nowlan, D. G. Whidden, A. M. Young. The following standing committees and officers were elected for the ensuing year:

Presiding Councillor—Coun. Nowlan
School Commissioners—Couns. Eaton, Young and the Mayor.
Finance Committee—Couns. Cox, Whidden and Wheaton.
Streets Committee—Couns. Young, Cox and Nowlan.
Water and Fire Committee—Couns. Nowlan, Whidden and Wheaton.
Sewer Committee—Couns. Wheaton, Cox and Young.

Poor Committee—Couns. Eaton, Nowlan and Wheaton.

Police Committee—Couns. Whidden, Young and Eaton.

Appeal Court—Mayor, Couns. Nowlan and Cox.

Electric Commission—Mayor, Couns. Whidden and Wheaton. C. S. Fitch was appointed on the Commission in place of L. W. Sleep, retired.

Building Committee—Whole Council.
Board of Health—Whole Council.
Health Officer—Dr. G. E. DeWitt.

Supt. of Streets—A. C. Johnson.
Chief of Police—F. S. Crowell.

Board of Fire Escapes—J. F. Herbin, C. H. Wright and Ernest Eagles.

Surveyors of Lumber—E. Eagles and Percy Cook.

Surveyors of Wood—F. W. Woodman and F. S. Crowell.

Inspectors of Grain—H. A. Peck and S. R. Jackson.

Inspectors of Meat and Fish—F. S. Crowell and H. Y. Bishop.

Inspector of Flour and Feed—C. M. Vaughan.

Fence Viewers—E. C. Bishop and W. H. Evans.

Port Warden—R. E. Harris.
Town Keeper—Chief of Police.

Fire Wards—J. E. Hales, Percy Porter and C. S. Fitch.

Fire Constables—Ross Fraser, T. S. Sanford and F. W. Bartheaux.

Sanitary Inspector—F. S. Crowell.
Extra Constables—F. A. Leslie, S. R. Jackson and John Crowell.

Mrs. W. M. Black, representing the local V. O. N., was present and addressed the council in a very comprehensive and informal manner. She reviewed the steps taken in connection with the securing of a nurse for Wolfville and the good work that has been accomplished by Miss Harty. Mrs. Black asked that the Council vote the sum of \$300 towards the salary of the nurse for the present year, which amount was unanimously voted by the Council.

Mayor Sutherland with Couns. Nowlan and Eaton was appointed to represent Wolfville on the committee which has in charge the work of the County Nurse and was instructed to secure if possible the exemption for this town in the expenses incurred in connection with that nurse in view of the local work being done by Miss Harty.

Mayor Sutherland and Couns. Whidden, Young, Eaton and Nowlan gave brief addresses expressing their thanks to the electors and promising their best services in connection with town affairs. After which the Council adjourned.

WINDSOR AGAIN DEFEATS CANNING

Windsor hockeyists handed out a trimming to the Canning team in a Valley League contest played at Canning, Monday before 400 spectators, the score ending six goals to one. In the first period both teams played good clean hockey and at the end of this session the score stood three to one in favor of the visitors. The second and third frames, however, didn't have the earmarks of a "pink tea" and both squads showed a willingness to muss things up a bit. In the second period the Windsor boys sent the rubber into the local's net for three additional goals, while the Canning boys could not penetrate the stonewall defence of the visitors. No scoring was done in the final session. M. Smith refereed in a most impartial manner. The line up:

Windsor—Smith, goal; S. Macdonald, C. McCann, defence; Mosher, centre; Singer, J. Macdonald, wings; Clark, Hughes, Wigmore, subs.

Canning—Grant, goal; L. Lyons, Joudrey, defence; Bennett, centre; Eaton, H. Lyons, wings; Houston, Burns, Hogan, subs.

Hold Annual Meeting—Reports given and New Officers elected

The Sir Robert Borden Chapter, I. O. D. E. held its annual meeting in Parish Hall, Wednesday, Feb. 1st. A summary of the work of the Chapter is included in the Secretary's Annual Report, herewith.

To the already large membership, sixteen new names have been enrolled, making a total of one hundred and twenty four members. The loss of two valued members, by death, is recorded with deep regret—Mrs. A. J. McKenna and Mrs. E. P. Bowles.

The meetings of the Chapter were suspended during the summer months. Nine meetings were held during the year, with an average attendance of thirty-five members. Executive meetings were held in March and August. Several interesting "Programme meetings" were held, notably the "All Echoes" programme given in April, the subject matter having been taken from the March number of Echoes magazine.

The work of the Chapter has been greatly facilitated by the change of meeting from Town Hall to Parish Hall, the latter having proved in every way more desirable.

That Wolfville has secured the services of a Victorian Order Nurse is due in a very large measure to the persistent effort of this Chapter, which has placed itself on record for generous support to the movement. The Chapter presented a cheque of \$150.00 in December and has since voted to defray the expense of several minor operations. The members in a body are endeavouring to assist in the good work and have the utmost faith that it will be carried to a successful completion.

The appeal of Child Welfare met with our response, the Chapter having voted \$25.00 to the Children's Aid Detention Home. Mrs. Sutherland, matron of the Home, was present in January and addressed the members in behalf of the children in her care. She thanked the ladies for their assistance in her work.

The Chapter has manifested a lively interest in the schools of the town as evinced by the Two Prize Contests arranged by the Educational Committee the terms of which have already appeared in these columns. In all the Chapter has voted \$60.00 for prizes. Complimentary tickets to a Patriotic Lecture were also presented to the children of the schools. To broaden the Educational work of the Chapter \$5.00 has been voted to assist a young girl of Canso in completing her course at Normal School, Truro. The National I. O. D. E. War Memorial Scholarships Fund has received the generous support of the Chapter, \$250.00 having been contributed this year; making a total of \$500.00 to this scheme.

The Social Committee reports proceeds from Teas, Sales, etc., \$121.56. The Entertainment Committee reports proceeds from Lecture and Dance, \$95.20. We regret that these interesting reports can not be given in full.

Mrs. Laura Haliburton Moore, who for three years has been the faithful and efficient Regent of the Chapter, tendered her resignation. In appreciation of the excellent character of her work she was presented with an address expressive of the esteem in which she is held by the Chapter. Several members paid personal tributes and voiced regrets.

The Secretary, Mrs. A. D. Elderkin, upon her resignation was tendered a vote of thanks.

The outlook for the progress of the Chapter during the coming year is hopeful. Competent Committees are in charge of money making propaganda. The main effort at present appears to be directed toward a Community Hall in which several organizations may share.

The Treasurer's report will be given in full at a later date.

The staff of Officers for 1922-23 is as follows:

Hon. Regent—Mrs. Laura H. Moore
Regent—Mrs. Leslie Eaton.
1st Vice-president—Mrs. M. R. Elliott.
2nd Vice-president—Mrs. Edson Graham.
Secretary—Mrs. E. H. Johnson.
Treasurer—Mrs. F. C. Stuart.
Standard Bearer—Mrs. J. T. Roach.
Echoes Secretary—Mrs. A. C. Cox.
Educational Sec'y—Mrs. H. W. Davison.
Councillors—Mrs. W. H. Chase, Mrs. C. E. A. DeWitt, Mrs. A. J. Woodman, Mrs. R. Creighton, Mrs. L. H. Moore, Mrs. C. M. Chisholm, Mrs. Wheaton, Mrs. Ingraham, Mrs. Anderson, Mrs. A. D. Elderkin.

BORN

BILL—At the Private Pavilion, Toronto General Hospital, on February 1st, 1922, to Mr. and Mrs. J. Emerson Bill, 75 Homewood Avenue, a daughter.

The Halifax County Academy basketball team visited Wolfville last Saturday and played a return match with the Acadia Academy team. The game resulted in an easy win for the Halifax players, the score being 58 to 15.

Civic Elections

Eaton, Young, Whidden and Nowlan New Councillors

The town elections on Tuesday passed off quietly. This year there were two contests, one for the regular two year term in which there were four candidates for three seats; the other for the short term of one year created by the resignation of Coun. Sutherland, for which retiring Coun. Nowlan was opposed by Mr. A. J. Mason. The day was a most favorable one and considered interest was manifested particularly during the late afternoon. While voting was not general, a fair percentage of the registered vote was recorded. The best of feeling prevailed and the returns as given below show a fairly even vote.

For the two year term the result was as follows:

Dr. Leslie Eaton.....330
A. M. Young.....295
D. G. Whidden.....267
Mrs. Laura H. Moore.....228
For the one year term:
C. R. Nowlan.....228
A. J. Mason.....208

Acadia Defeats Kings

Local Collegians Outplay Visitors Score 12-5

The Acadia hockey team turned the tables on the Kings College players on Tuesday evening when they defeated them at Evangeline Rink by the overwhelming score of 12 to 5. At the start Elderklin made great stops after two Kingsmen were clear through the defence Acadia then took the puck and for a few minutes K. Harris was bombarded until finally Hurtle put the puck into the net for the first tally after three minutes of play. Conrad again scored for Acadia, and one minute later Morrison carried the puck through King's defence for the third tally.

In the second period Acadia kept the puck for first few minutes in King's territory and Morrison scored. Then King's braced up and after five minutes of fast playing MacCoy scored a pretty goal. In one of the prettiest plays of the evening Clark went the whole length of the ice for a score, and one minute later duplicated the feat. Conrad sagged the net on a rebound.

In the third period after three minutes Morrison took the puck down and scored on a hard wing shot. Another tally came a minute later by Morrison from a mix-up. King's then braced up and White scored. Morrison took the puck down for another tally and a minute later Hurtle scored from in front of King's goal. In three minutes Conrad again tallied. White scored for King's and duplicated on a pretty rush. MacCoy scored to make things interesting and the same ended 12 to 5. The college band was in attendance. The line up:

Kings: Harris, goal; Smith, Ernst, defence; MacCoy, centre; White, Gilbert, wings; Bisset, Ross, C. C. Smith, subs.
Acadia: Elderklin, goal; Clark, Crowdie, defence; Hurtle, centre; Morrison, Conrad, wings; McKay, Mason, Anthony, subs.

AT THE METHODIST CHURCH

Those who were present at the service in the Methodist Church on Sunday morning enjoyed a rare treat. It was a young people's service, an innovation which Pastor Hemmeon has inaugurated for the first Sunday morning of each month. The choir of boys and girls specially organized for this purpose furnished the music, assisted by Mrs. Hemmeon at the organ and the congregation.

There were two sermons, one to the "primaries" without a text the subject being "the two pools"—a humorous talk descriptive of Yellowstone park U. S. A., and an unflinching moral; the other was to the senior boys and girls on "Climbing and Coasting" based on a text from the Book of Numbers—"Lo! we will go up". It would be hard to tell whether the young people or the adults appreciated these sermons the most. There can be no coasting without climbing and it was the climbing that put the pleasure in the coasting. Some of the hills to be climbed mentioned were the "obey orders (or O. O.) Hill"; to all who were "sports" enough to go up this hill cheerfully, fetching wood and errands for mother, always obeying father and teacher—the coasting was fine! The best general always were those who themselves had learned to obey the orders they received, which was the best qualification for giving orders. Then it was hard to climb the Hill of studying but it was fine to coast after gaining the knowledge. The biggest Hill to tackle was that of Temptation to answer back rudely to act in play unfairly or dishonestly! But let them be sports enough to go up this Hill also and never to forget that the "boy" who had been tempted in every respect like themselves, was always near and ready to help them to climb this and all hills. That boy was Jesus—their best friend.

The collections for the Russian Famine made by the Wolfville and Greenwic' Methodists the previous two Sundays realized over \$75.00 and next Sunday the children of the two churches will contribute their mites for the same object.

A meeting of the V. O. N., was held at the Town Hall on Feb. 2nd. Miss Harry, the V. O. Nurse, read a most encouraging report. The lending cupboard has been installed in the Town Hall and the V. O. N. wishes to thank those who have already contributed to the cupboard. Any further donations, if left with Mr. H. E. Calkin, will be gratefully received.

IT seems too bad that

WE have not

MORE Associations and Clubs

SO that

WE could each

HAVE one of

OUR own,

WE thank you.

CIVIC CLUB MEETING

An important meeting of the Civic Club will be held at the Council Chamber on Tuesday evening, Feb. 14th, at which every citizen interested in the welfare of the town is invited to be present. Committees so far as possible are requested to report at this meeting of the work accomplished and anticipated. Everybody come and let us have a good meeting.

By order,
A. M. WHEATON,
Secretary.

Splendid Recital

Given by Faculty of Acadia Conservatory

The second recital given by the Faculty of Acadia Conservatory of Music and Fine Arts, which was held at the Baptist church on Friday evening last, was attended by an appreciative audience which enjoyed to the full the artistically arranged and presented program. The members of the faculty who contributed on this occasion were: Miss Beatrice Janet Langley, violinist; Miss Madeline O. Bridges, soprano; Miss Anne Bonnett, pianist; Miss Leah Bigelow Whidden, reader; with Miss Marion Gay and Mrs. J. D. Clark, accompanists; all of whom proved to be real artists. Miss Bridges, who is a recent addition to the staff of the Conservatory, has a most pleasing and well trained voice which delighted those who listened to her singing. The full program which follows gives a good idea of the character of the entertainment given:

Piano Soli
(a) Nocturne C sharp minor Chopin
(b) The Swan Palmgren
(c) Caarada MacDowell

Miss Bonnett
Soprano Soli
(a) L'Heure Hahn
(b) Aria "Deh vieni non tardar" from "Le Nozze di Figaro" Mozaert

Miss Bridges
Mrs. Clark at the Piano
Reading
"Guinivere" Tennyson

Miss Whidden
Violin Soli
(a) Hungarian Dance No 5 in G minor Brahms-Joachim
(b) Poem Fibich-Kubelik
(c) Tempo di Minuetto Pugnani-Kreisler

Miss Langley
Miss Gay at the Piano
Reading
"Rosa"—a story in Italian dialect Anon.
Miss Whidden

Soprano Soli
(a) The Nightingale and the Rose Rimsky-Korsakoff
(b) Sunset in the Desert Gertrude Ross
(c) From the Hills of Dream Cecil Forsythe
(d) Rain Pearl Curran

The Women's Institute of Grand Pre held a delightful meeting at the home of Mrs. F. H. Crane, on Friday afternoon last, the President Mrs. Charles Patriquin, in the chair.

It was resolved that the members of the Women's Institute of Grand Pre pledge themselves to educate, enlighten and talk up Grand Pre in order to uphold the traditions of our British forefathers, looking forward to establishing a Community Hall as a memorial to those who fought in the Great War.

The speaker of the afternoon was Rev. Douglas Hemmeon, his subject being "The Church and the Community". An expression of appreciation was tendered Rev. Mr. Hemmeon for his helpful and inspiring address which brought before us the sense of our personal responsibility in a way that will not soon be forgotten. A reading by Mrs. Kinney was enjoyed after which a social hour was spent over the tea cups.

Correspondence

A CORRECTION

To the Editor of THE ACADIAN:
Dear Sir:—Will you kindly publish the following statement:—

I have never affirmed or made any statement that the line losses or even the entire distribution losses of electric current over the Wolfville electric system are now, or have been for more than one year past, over forty per cent. Neither am I likely to make any such statement, because any electrical engineer on making a survey of this system, or any accountant on examining the Wolfville Electric Commission's books, could prove such a statement to be somewhat ridiculous.
CHAS. M. CHISHOLM,
Town Electrician.

February 6, 1922.

(Whatever Mr. Chisholm may have intended to say in his statement at the recent meeting of the Commission—and we have no wish to question his intentions—his remarks most assuredly could only be interpreted as indicating what we stated last week. He was evidently so understood by members of the commission and certainly so by others present. Further consideration has probably revealed to the writer of the above that he has not made himself clear. We are glad to give him an opportunity to explain.—Ed.)

APPRECIATES SUPPORT GIVEN

To the Editor of THE ACADIAN

Dear Sir:—I wish to express my thanks to the People of Wolfville for the support given me in the election last Tuesday. Whilst I was defeated, the majority was very small and we ran a close race. Personally, I believe the best man won, and I feel perfectly happy to have come so close to winning against such a man as Mr. Nowlan.

Participating in this election I observed that there does not seem to be the interest taken that is manifested in other elections. Now I think that above all things we should take the greatest interest in Civic affairs and elections. Every resident of Wolfville should consider it his or her duty to further the interest of our town.

There was on Tuesday last considerable dissatisfaction because of so many names not being on the voters' lists. These lists are posted in public places and notices giving instructions as to what to do in order to have names placed thereon. For the benefit of those who were disappointed let me suggest that you do not forget until next election but make it your business now to have our names sent into the revisors before it is too late.

Thanking you again I remain,
Respectfully yours,
A. J. MASON

DR. EATON THANKS ELECTORS

To the Editor of THE ACADIAN,

Dear Sir:—May I be permitted through your paper to thank the citizens of the town for the honor they have done me in appointing me to the Council? I believe we have the best Educational and perhaps the best residential town in Nova Scotia, and shall be glad if I can help to boost Wolfville on these lines for it seems to me it is there our strength lies.

HOCKEY NOTES

The standing of the teams in the Valley League is now as follows:

Team	Won	Lost
Windsor	6	1
Wolfville	4	2
Canning	0	7

The local boys have two more games to play and will need to win them both in order to tie with Windsor for first place. Canning plays here to-night and on Monday night the Wolfville boys play at Windsor. Play hard boys and you will win the champions' in yet.

PREVENTION OF INFLUENZA

(Issued by the Department of the Public Health, Nova Scotia.)

On account of the epidemic prevalence of influenza in England and France, and the fact that cases have been reported from a few localities in this Province, it is deemed wise to issue the following notes relative to this disease. While it is felt that there is no present cause for alarm, and that we need not dread such an experience as that of 1918, it is well that precautions should be taken in the interest of individual as well as of the public safety.

As is the case with any infectious disorder of the respiratory (breathing) system, influenza infection is usually if not always acquired by coming into contact with someone suffering from the disease.

The disease may exist in a grade of severity, but it is especially the milder cases which resemble an ordinary cold, and do not excite suspicion of the real nature of the trouble, which are responsible for the spread of infection. Those who do not feel ill enough to lay up are apt to go about quite innocently communicating the disease to others.

There is little danger of being infected in the open air, or in well ventilated houses, shops and offices where there is no crowding. But those who would avoid the disease should shun crowds, and especially indoor crowds.

The infective germ is given off in the discharges from the throat and nose, and in the spray which is ejected in sneezing, coughing and loud speaking. Discharges should be immediately destroyed by burning or be covered with a disinfectant fluid.

A handkerchief or preferably a small square of gauze or soft paper should cover the mouth and nose when one has to cough or sneeze. The cheaper articles may be destroyed at once by burning, or may be enclosed in a paper bag until an opportunity to burn them comes. Handkerchiefs should not be shaken when taken from the pocket, and it is an excellent idea to have a removable lining inserted in the handkerchief pocket, which can be boiled frequently and which prevents soiling of the pocket.

Keep out of range of anyone who does not "cover every cough and sneeze" for such a one is "sure to spread disease." One's power of resisting infection should be maintained by doing everything possible to keep the general health good. Houses, offices, etc., should be well ventilated. Get several hours in the open air daily. Have sufficient sleep in a well ventilated room. Do not overeat, but eat enough of plain nourishing, easily digested food. Keep bowels regular. Avoid chilling. Keep clothing and footwear dry.

Let everyone try to escape infection, and to avoid infecting others should he be unfortunate as to develop the disease.

Remember that ordinary colds are infectious, so that even if influenza did not threaten anyone suffering from a cold should endeavour not to infect others. Danger to life is from the complication of influenza rather than influenza itself. Hence it is most important to consult a physician at once on the appearance of symptoms, and to observe the doctor's orders carefully until recovery is assured, particularly in respect to remaining in bed.

TOURIST TRAFFIC PAYS BIG
Increase of Americans Into Canada Expected to Pay for Ontario's Highway System.

It is anticipated that American tourist traffic will pay for the installation and upkeep of Ontario's highways system. This traffic has increased remarkably since the Toronto-Hamilton highway was built, and already annual revenue from this source runs into millions of dollars. During 1920 approximately 37,500 American motorcars crossed the border into Ontario, remaining from one hour to six months.

One large can salmon, 2 eggs, well beaten; 2 tablespoons butter, 1-2 cup cracker crumbs, pepper and salt to taste.

Rub all into a paste, put into mold and steam 1 1/2 hours. Heat a can of peas in this liquor and pour around loaf on a platter. Make a sauce of 1 1/2 cups milk, 1 1/2 tablespoons cornstarch, 1 tablespoon butter, 4 tablespoons ketchup, dash red pepper, 1 egg, beaten, a little salt. Cook on stove, thicken with the cornstarch, and pour over loaf.

Makes a very attractive dish for dinner or supper.

CORN SCALLOP
Put in a casserole a layer of canned corn, then a layer of rolled cracker crumbs, pepper and salt, and dot freely with butter. Alternate with corn and cracker crumbs until dish is nearly full. Add more pepper and salt, and dot with butter. Moisten with milk. Bake one half hour.

WALNUT SANDWICHES
Cut very thin slices of bread and remove crusts; butter lightly and spread over each slice a layer of cream cheese, 1/8 of an inch thick, then a layer of English walnuts, chopped fine; sprinkle lightly with salt before putting together.

MIDNIGHT SANDWICHES
Neufchatel cheese, 12 olives stoned and chopped fine. Moisten with Worcestershire sauce. Use white or entire wheat bread cut very thin and buttered.

SARDINE SANDWICHES
Equal parts of hard boiled eggs put through the potato ricer or sieve, and sardines skinned and boned. Moisten with French dressing, using lemon juice instead of vinegar.

Spread between thin slices of bread.

UNFORSEEN SEQUEL

Willie had been instructed by his father to clean up the yard, and he had promised to do so to the best of his ability.

That evening, however, when his father returned from the office and took a look at the yard, he became very angry.

"Willie," he called, "I thought I told you to clean up that yard!"
"Well, dad, I did," said Willie, virtuously. "I fired everything over the fence as soon as I could; but the kid next door threw everything back when I went down town for mother."—Harper's Magazine.

Time may be a success as a wound healer, but it seldom removes the scars.

YOU AND YOUR WIFE SHOULD BUY IN WOLFVILLE

Let's suppose you are a business man. You have something to sell. You do not think it is fair for your neighbors who want what you have to sell, to send to distant cities for these things, and you are right. You know that it pays to buy at home. Does your wife do all her buying in Wolfville; does she help Wolfville business and therefore your business by buying what she needs in Wolfville?

Let's suppose you are an employed man. You know that employment is increased as the business of Wolfville is increased. If you and your wife buy in Wolfville everything both you and your children need, the tendency is to increase the business of Wolfville, and therefore to increase the number of employers who look for your service. Let's suppose you were a stockholder, officer or employee of a bank. You know that the more money that is put into circulation in Wolfville the more money spent in Wolfville, the more business the banks will do. Do you and your family buy what you need in Wolfville?

Whatever you are, whether it be minister, doctor, lawyer, laboring man, clerk, investor, capitalist, it makes no difference. If your interest is in Wolfville, it is to your benefit that Wolfville folk do their buying in Wolfville. This is merely simple arithmetic. If we all by out of town we have a half town. If one tenth of us buys out of town, we lack ten per cent of being the town we ought to be.

All this comes with special force right at this time because this is the very time when doing your spending at home is most needed. A man or woman in Wolfville who thinks business conditions could be improved and then buys several hundred miles away that which could just as well be bought right here at home is not helping Wolfville at all. The money that would increase the circulation of money here, that could pump the life blood of business faster, is sent away, and is gone for good. Spent here, it is turned over and over, getting into many pockets, making things easier for everybody. Spent away from home, it does no good for Wolfville, spent in Wolfville it does not stop its usefulness with that one spending.

SAD DEATH AT PORT WILLIAMS

A shadow was cast over Port Williams and surrounding community in the passing of John Emery Gates, oldest son of Mr. and Mrs. George H. Gates, aged 13 years. The summons came on Jan. 26th, claiming a young life for the higher service of heaven, for which service he had become eminently prepared by his devotion to high ideals on earth. Emery was a boy of more than usual promise, a favorite with all, and he leaves a blank in the home, that can never be filled. The funeral services were conducted by his pastor, Rev. O. N. Chipman, assisted by Rev. G. W. Miller. After a short service at the home, the remains were taken to the church, followed in procession by the scholars of the day school, the Boy Scouts and his class mates in Sunday School, four of whom acted as pall bearers. There were beautiful floral tributes from immediate relatives, employees of Mr. Gates, Sunday school, Sunday school class and Boy Scouts, school teachers and others. The stores were closed and the church was filled with mourning and sympathizing friends. His pastor took for his text, Num. 23:10 "Let me die the death of the righteous and let my last days be like his." A short time before his death he had sent for the response to his name at the annual roll call of the church, the passage of scripture found in Psalm 91, 2nd verse. Interment took place at the Oaks, where on a beautiful calm winter afternoon, as the sun was sinking in the western sky, the "Last Post" was sounded and his fellow scouts laid away all that remained of one of whom they said "He was a good scout."

Subscription Rates—In British Empire, in advance, \$2.00 per year. To U. S. A. and other countries \$2.50 per year.

Advertising Rate Cards and information respecting territory and samples of paper mailed upon request, or may be seen at the office of any advertising agency recognized by the Canadian Weekly Newspaper Association.

Advertisers must have copy in by Tuesday noon in order to insure changes for standing advertisements. New display advertising copy can be accepted one day later.

Correspondence—Letters addressed to the Editor and intended for publication must be short and legibly written on one side of the paper only. The longer an article, the shorter its chance of insertion. All communications must bear the name of the writer, not necessarily for publication. The publication or rejection of articles is a matter entirely in the discretion of the Editor. No responsibility is assumed by the paper for the opinions expressed by correspondents.

Editorial Notes

To the new Mayor and town Councillors THE ACADIAN takes the liberty of offering congratulations and at the same time tenders a little gratuitous advice. It is offered with the best of intentions and we trust will be accepted in the same spirit of friendliness. Give a little attention to the study of the town by-laws and regulations. Adhere as strictly as possible to the ordinary rules of parliamentary procedure. Come to the Council meetings with some well defined plans for the advancement of town interests. Take the citizens into your confidence and make them share with you full responsibility for the advancement of community interests. Here's to you and the best of luck.

A word to the citizens with regard to their responsibility for the success of the new Council may not be out of order. Let the Councillors know that you are behind them and are interested in their work. Be present at the Council meetings. Your advice might at times be appreciated and if the Councillors realize that you have an interest in the old town and its affairs it will be an incentive to them to be also interested. Here's to a bigger, brighter, happier and more prosperous Wolfville.

THE ACADIAN has frequently urged upon the town authorities the advisability of providing during the summer season a supply of sand for use on the sidewalks during the winter. No such provision has so far been made. Material suitable for such work is not difficult to secure anywhere in this vicinity but we noticed in a report at a recent Council meeting that on one day during the present winter thirteen loads of sand had been used for this purpose at a cost of one dollar per load. This service is a most important one in order to avoid accidents but it ought to be possible to secure suitable material at a less cost.

Contrary to the advice of THE ACADIAN last week there were quite a number who took advantage of "plumping" for some favorite candidate in Tuesday's election, so it is said. The practice is a bad one. The "plumper" is the meanest kind of a vote and ought to be discouraged by all who have at heart the interests of the town. In a former issue THE ACADIAN recommended a law which should require every voter to vote for the full number of candidates to be elected. Any ballot not so marked should not be considered. It is the duty of the voter and in the interests of the town that every citizen should take his or her share of responsibility in the selection of those who are to serve us in the transaction of town affairs. It is perhaps not possible to compel every voter so to do but it would be well if every person who votes were required to present a complete ballot.

THE NEW VOTERS' LISTS

The work of preparing the new electoral lists is now in progress. The preliminary lists for the town of Wolfville have been posted according to law and should be carefully inspected by citizens. Application to add to or strike from the lists should be made to any one of the revisors on or before Feb. 20th, and a court will be held on Monday, March 6th, for hearing with regard to the applications thus made. Now is the time to insure your name being placed upon the voters' list it will be too late when election time comes around. The revisors will be glad to furnish any information or assistance in their power, if applied to. Look the posted list carefully over and see if your name appears. If not it is your privilege to have the list corrected and your own fault if this is not done. Do it now.

The grafter's motto:—Never put off until to-morrow those whom you can do to-day.

A twelve-year-old boy always feels relieved when it comes time for him to eat.

A NEW CANADIAN BOOK

The Editor of THE ACADIAN
 Sir:—May I tell your readers about some books recently published by McClelland & Stewart, Toronto, the firm that has surely outdistanced all others in its propagation of a national literature for Canada?

The first is "Success" by Lord Beaverbrook. Nobody in this age has a better right to give the public a book on this subject. It has been criticised I believe because of the utilitarian viewpoint of the author but this is manifestly unfair. Why in Heaven's name should Lord Beaverbrook or any other good man not be utilitarian? What is our individual life but an isolated mass of sensations, perceptions, concepts, reactions, that moves about in a wonderfully shaped portion of "warmish albuminoid matter" and calls itself "I"? It has the care of itself inspired by a love of itself. In its highest spiritual impulse as well as in its desire to drive a hard money bargain it always seeks utility. Lord Beaverbrook in this series of fourteen essays confines himself to the material issues though he by no means ignores the fact that his subject might appeal to others or indeed to himself in a different way. "The mind of man" he writes "is shut off into separate compartments often capable of acting quite independently of each other. No one would dream of measuring the capacity of the individual for domestic affection by that of his power for oratory or his spirituality by his business instinct. I conceive that the power shut off in any compartment of a well ordered mind if brought to bear upon the question of success could treat of the subject adequately. The titles of these essays should tempt Canadians to buy the book. I have noticed that as a people we worship Success as a god. The successful man or woman is the one who has the real civilities from us; let him go under ever temporarily and he will get short shift from us until he struggles to his own feet again. But I am digressing; I intended to quote Lord Beaverbrook's titles: Success; Happiness; Luck; Moderation; Money; Education; Arrogance; Courage; Panic; Depression; Failure; Consistency; Prejudice; Calm. His style is brilliant and urbane, charming when he drops into personal reminiscence. I especially like the essay on Education. Lord Beaverbrook discusses the subject from the viewpoint of the self educated man certainly but he has none of the narrowness that refuses to recognize the value of academic opportunity. He relates how, when a strict adherence to duty would have found him in the little schoolhouse at Newcastle, New Brunswick, he was in the hayloft stealthily reading Scott and Stevenson. I am glad he was there and so will all be who read this book.

I have some other new books issued by the same publishers about which I am eager to write. I am very desirous however that we should honor the men from our own provinces who have achieved world wide fame that they may find it worth while to share their glory with their native land. For this reason I like that the review of Lord Beaverbrook's book should stand alone.

FRUIT CONFERENCE AT OTTAWA

The Nova Scotia Fruit Growers' Association have appointed the following Committee to attend the Dominion Fruit Conference to be held at Ottawa, Feb. 22-24: G. P. Raymond, Berwick, (Chairman); J. Howe Cox, Cambridge; E. H. Johnson, Greenwich; W. C. Spurr, Melvern Square.

The United Fruit Companies will be represented either by their President, Mr. F. W. Bishop, or Mr. A. E. McMahon, General Manager.

This Conference will have under discussion questions relative to the Fruit Marks Act, containers for all fruit, and transportation.

GENERAL DEWET DIES IN AFRICA

General Christian Dewet commander-in-Chief of the Boer forces in the war of 1899 died at his home in Dewetsdorp on Friday.

In the peace negotiations of 1902 he took a prominent part and later visited Europe with other Boer generals seeking without avail, a modification of the terms of peace concluded at Pretoria.

He was elected a member of the first parliament of the Orange River Colony in 1907 and was appointed minister of agriculture.

DEATH OF FORMER WOLFVILLE LADY

The following is clipped from the Cambridge (Mass.) Chronicle of Jan. 28th and refers to a lady formerly well known and highly esteemed in Wolfville:

Mrs. Annie F. MacVicar, wife of W. Mortimer MacVicar, who last year retired as master of the Roberts Grammar school, died last week Thursday at her home, 16 Broadway, Watertown. Although closely associated with Cambridge since he came here in 1898, to take a post-graduate course at Harvard and later as a master in the grammar school, Mr. MacVicar and his wife have made their home in Watertown since 1912. Before her marriage Mrs. MacVicar was Annie Pineo of Nova Scotia, where her ancestors settled in 1760 when Acadia was reopened for settlement. Her father's people were Huguenots who settled in the Connecticut valley after their flight from France and England during the religious upheavals of the seventeenth century.

Mrs. MacVicar received her education at Acadia Seminary from which institution she graduated in 1870. She grew up in that section of Nova Scotia famed in Longfellow's "Evangeline". She is survived by four children, Mrs. L. C. Harlow, of Nova Scotia; Mrs. G. W. Blen, of South Portland, Maine; J. E. MacVicar of Montreal; and G. M. MacVicar, of Germantown, Penn.; also one sister, Mrs. R. V. Jones, of Berwick, N. S., and two brothers, Joseph H. Pineo, of Canning, N. S.; and William S. Pineo, of Middleton, N. S. Funeral services were conducted from her residence Sunday afternoon at 2:30 by Rev. Dr. Worcester, of Immanuel Church, Boston. Four of the choir boys from the choir which she had heard so often loved so well, sang several selections. Interment was in the new cemetery, in Watertown. The flowers were abundant and very beautiful.—(Kentville Advertiser please copy.)

GASPEREAU NOTES

We are sorry to report Mr. and Mrs. Earl Duncanson on the sick list. We trust they may have a speedy recovery.

Mr. Russell Eagles returned home from Truro on Saturday last. His many friends wish him a speedy recovery to health.

Miss Mabel Westcott is visiting her sister Mrs. Percy Turner, New Minas. The Women's Institute meets with Mrs. Edwin Davison on Thursday Feb. 16th.

Owing to the storm on Monday evening last the invitations for "Sons of Temperance" to meet with the Lily of the Valley S. of T., was postponed until Monday, Feb. 13th.

The Women's Missionary Aid Society met with Mrs. Delight Goldwell on Wednesday afternoon of this week.

It is stated that the committee of the Municipality of Kings have definitely decided on purchasing the Pineo property at Waterville and proceeding with the erection of the county institution.—(Kentville Advertiser.)

NEW YEAR KNOCKS

The Knocker ventures the statement that unless paid for so doing no person has any business to butt in on a discussion in which he is not interested. If he does and gets the worst of the argument he ought not to squeal. It's bad sport. If he gets pay 'tils for services tendered and the drubbing is included.

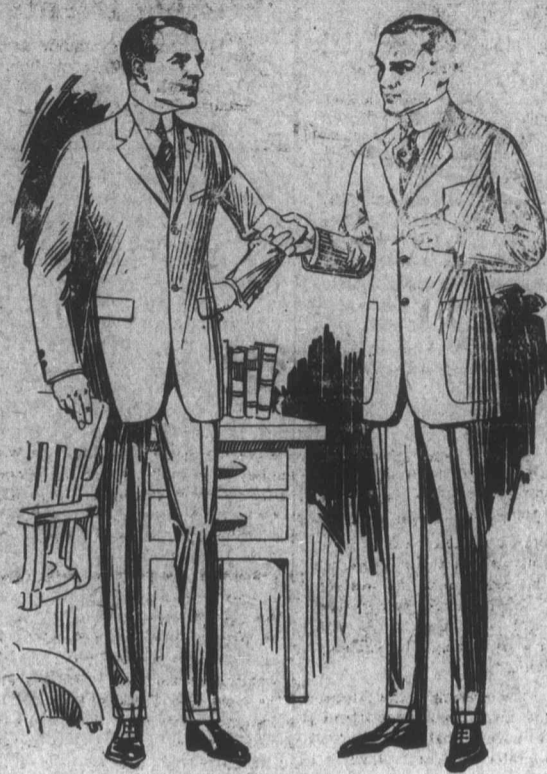

It'll soon be time to appoint a town weigher. We haven't had one for the past two years and the town scales is liable to get rusty. It cost considerable in the first place and we who paid for it ought to receive some benefit.

Evidently the Knocker must look to his laurels if he is to remain in the game judging from an effusion which appeared in THE ACADIAN last week from the pen of Mr. E. Percy Brown. Not content with knocking "the Knocker" Mr. Brown proceeds to administer a vicious knock at the local paper, an institution which common gratitude should protect from the spleen of Mr. Brown. However THE ACADIAN will probably be able to look after itself and with your permission Mr. Editor, the Knocker will undertake to look after Mr. Brown. Mr. Brown's chief characteristic is that having become a man he has not put away childish things. This qualifies him well for the splendid work he is doing among our young people but is no way fits him for the position he has assumed as critic and censor of our churches, our press and our amusements. The Knocker believes in doing honor to whom honor is due and has no desire to knock Mr. E. Percy Brown but his ego certainly needs a check.

It is hardly to be expected that Mr. Burpee L. Bishop, of Greenwich, would have agreed with the Knocker regarding the service received by the public from the Telephone Co. Mr. Bishop makes a matter of policy to disagree with most people about many things and he has a perfect right so to do. It's his long suit. However, a man who is perfectly content with a fifteen-perty line would hardly be considered as qualified to discuss a satisfactory telephone service. The Knocker has made no criticism of the "girls" in charge of the Wolfville Exchange. Under very difficult conditions they do the best in their power and are more to be pitied than blamed for the sort of service they are compelled to give. There are over six hundred phones in this exchange and there is no question but that the subscribers who pay well for it deserve a much better service that they receive—and then some. The Knocker.

OVER TWO THOUSAND MILES OF SALADA

Notwithstanding the much talked of depression in trade, the "SALADA" Tea Company had an increase in sales, in 1921, of 2,362,147 pounds, making their total output over 11,596,000 pounds. These packages were all placed in line and touching end to end, they would stretch for 2196 miles.

PRESENTATION TO J. W. WILLIAMS

The monthly meeting of the G. W. V. A. on February 1st was marked by an unusual and very pleasant ceremony the presentation to Comrad J. W. Williams of the Gold Past President's Pin. This decoration is reserved for those who have served as President for at least six months and in the present case was well earned as Mr. Williams has faithfully fulfilled the duties of that office for the period of two years.

The Presentation address was made by President Davidson in a few well chosen words and was feelingly replied to by Past President Williams.

THE SIMPLEX FARM RECORD

Is the most simple and complete way known for keeping a correct account of all farm operations, showing every item of income and expenditure, the actual cost of production of everything grown by him, whether farm produce or stock, and showing him at the end of the year just what has given best returns for the cost of production, and also just what has been done at a loss. He can then stop the leaks. It also supplies him with all needed information to correctly fill out Income Tax Return Forms, and is fully endorsed for that purpose by Mr. J. P. Edwards, Inspector of Taxation, Halifax. Prof. Cummings, of Truro, and Prof. Blair, of Kentville, also endorse it as the very thing needed. There is also a free supplement giving best information on most important farm problems. 100,000 copies already sold in Canada in four months.

Mr. Fred Graham, Avonport, has been appointed representative for territory east of Wolfville to Hantsport, and Mr. F. M. Vaughan, Port Williams, for the Port Williams section. They will carry a supply of records when calling on you in the near future, or will forward them to you at your request. Correspondence solicited.

TRIBUTE TO SCOUTMASTER

To the Editor of THE ACADIAN Dear Mr. Davidson:- I have been reading the Acadian and wish to congratulate the management of your paper on its appearance and fine assortment of news which it contains. It is a paper which should be in the home of every family in your community and will be read by many who formerly lived in Wolfville.

I am very much pleased to note the appreciation which the citizens of Wolfville have for the fine piece of work being done in their midst by Mr. E. Percy Brown. The results of such work as he is doing for the youth of his community can never be estimated in dollars and cents. Time alone will reveal the great value a man like Mr. Brown has been to the town of Wolfville and its coming citizen-ship. Those who receive the most direct benefit from such a piece of work very often do not appreciate its value and importance at the time, but I trust citizens of Wolfville will give Mr. Brown their support as I feel sure they will.

I also note the progressiveness of our town in many ways among which is the building of a new school. I can remember when starting to go to school myself that we had to climb away up to the third story of a building on Main St. Fortunately here was no accident happened to any of the small children at that time that I can remember. That was at the time when the building on Acadia St. was being completed.

The Winters here are not much different from what they are in Wolfville. There are a number of people from here who go to Florida to avoid the cold weather. Mrs. Woodworth, Frances and Mrs. Eaton are in Florida now. Remember me to your family, and friends and wishing you success with the publication of your paper.

Sincerely yours F. I. Woodworth Marysville, Ohio January 28, 1922

[The above private letter to the editor we take the liberty of publishing, referring, as it does, to a matter in which Wolfville people are keenly interested. The writer, who is a native of the town and a graduate of Acadia, is now filling the important position of secretary for the Young Men's Christian Association of Union County, Ohio, where we understand he is doing excellent work. Wolfville friends will join THE ACADIAN in wishing our loyal young townsman continued success and prosperity.—Ed.]

A GRUFF ANGEL

(From the Boston Transcript.) Tottie travelling on the train with her parents objected strenuously to being put in an upper berth, but on being assured that her guardian angel would watch over her all the time she finally quieted down. All was still in the car for a few minutes, then a small voice piped up, "Mamma, are you there?" "Yes, dear." "Papa, are you there?" "Yes, I'm here; now be a good girl and go to sleep." Quiet reigned again for a little while, and then the questions were repeated, till at last a fellow passenger lost his patience and roared out, "Yes, confound you, we're all here—your father, mother, brothers, sisters, uncles and aunts." After a brief pause the tiny voice piped up again, "Mamma!" "Well?" "Was that the guardian angel?"

PORT WILLIAMS NOTES

Our two school teachers, Miss J. M. Edmonds and Miss J. M. Coleman, were both away for the week-end, visiting friends in Wolfville and New Minas.

Miss Thelma Gates, teacher of the "Busy Bees" Class of the Baptist Sunday School, entertained her class at her home on last Friday afternoon and evening.

Miss Mary Vaughan entertained a number of her friends last Friday evening, in honor of her friend, Miss Muriel Reeves.

The old stork visited our town recently leaving Mr. and Mrs. Ivan Lantz, a son; Mr. and Mrs. Aubrey Rand a daughter; and Mr. and Mrs. Marsden McKinnon a son.

We are sorry to hear Mrs. Fred Wood is in Westwood Hospital, but hope she will soon be on the road to recovery.

Mr. and Mrs. Manning Ellis are expected home soon from Florida, where they have spent a few months.

Miss Edna Powers, of Wolfville, spent the week-end with her friend, Mrs. O. G. Cogswell.

A carnival will be held in the Port Williams Rink on next Thursday evening. The "Loyal Workers" Class of the Sunday School will serve lunch.

The Young People's Mission Circle held a public meeting in the vestry of the church last Sunday evening. An offering was taken for missions.

On account of the storm which occurred on Monday evening, Gaspereau Division had to postpone their fraternal visit to the "Lily of the Valley" Division.

The "Busy Bees" Class intend entertaining the "Live Wires" Class at a banquet to be held in Temperance Hall on Friday, Feb. 10th.

Miss A. M. Cogswell is relieving the nurse at Dr. Primrose's for a couple of weeks.

USE YOUR HEAD

If a man would be a winner whether he's a clerk or tinner, whether he's a butcher, banker or a dealer in rye-bread, he must show his brains are bulky, he must understand it fully that a man can't be an Eli if he doesn't use his head.—Walt Mason.

WINDSOR BLANKED CANNING

Score 3 to 0 in League Game at Windsor Friday Night.

WINDSOR, FEB. 3.—The Canning hockey team made its second visit this season to Windsor tonight and crossed sticks with the Windsor speedsters. At sharp 8:30 Referee C. K. Smith called the players to action and immediately the play went to Canning territory, and remained there for the most of the period, but the net guarding of Grant, for the visitors, was too good and the period ended with no score. The second period opened at a faster clip and in a few minutes J. MacDonald scored the first goal for Windsor, from a mix-up in front of the visitors' net. Shortly after the face off, the MacDonald, brothers played a nice piece of combination, from center ice, and John scored number two. This ended the scoring for the period.

The third period opened still faster, with Canning trying hard to score, but the Windsor goalie had little to do as seldom the puck got past the defence. After playing for about ten minutes John MacDonald scored the third and final goal for the local players. For Canning the stars were, H. Grant, in goal, and L. Lyons, on the defence and for the locals it is hard to pick a star, as all played hard and well, Mosher and J. MacDonald being the most effective in scoring.

The line-up: Canning:—H. Grant, Goal; F. Joudry, L. Lyons, Defence, H. Lyons, Centre; W. Bennett, Burns, Wings, Subs, Hewson, Hogan, Spicer

Windsor:—Goal, G. Smith; Defence, S. MacDonald, V. McCann; Centre, W. Singer; Wings, F. Poole, J. MacDonald; Subs, F. Clark, J. Hughes, E. Mosher, C. Wigmore.

THE MODERN GIRL'S WAY

The familiar story of the young man who goes West to build a new home for the little girl he has left behind is reversed in the case of Miss May V. Hazlett, a young English woman, who for four years has lived alone on a Saskatchewan farm, worked the land herself, "made good," and is now on her way to England to get married. After a three months' stay she will return with her husband to the Canadian West.

It takes a clever man to be successful in working other people for his living.

DEDICATION OF UNION CHURCH

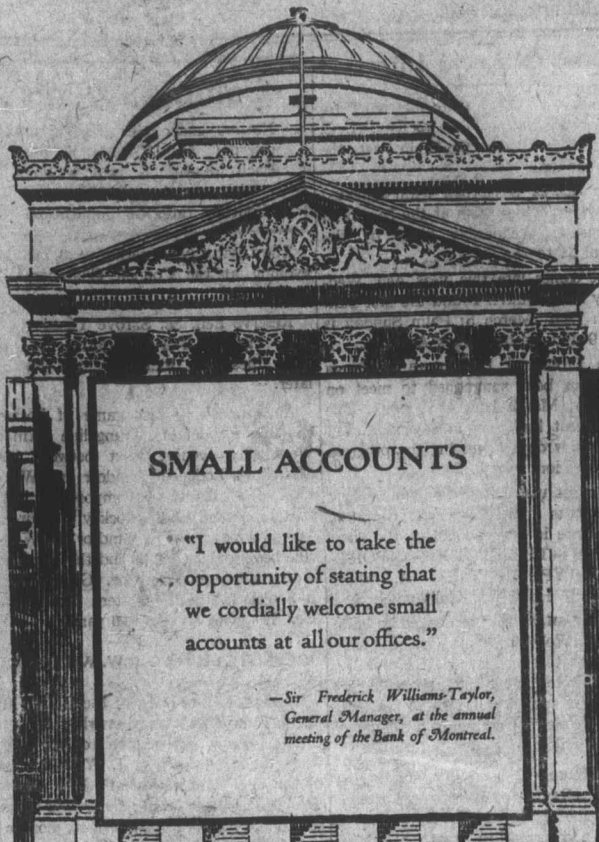

An event of special interest in religious circles, took place at Woodville on Sunday Feb. 5, when the new Union Church, (Methodist and Presbyterian) was dedicated and formally opened for public worship. There were three great services during the day; the morning service at 11; the service of Dedication at 3; and the evening service at 7:30. The special preachers for the day were the Rev. C. E. Crowell, B. D., Sydney, N. S., President of the Nova Scotia Methodist Conference; and the Rev. J. A. Clarke, D. D. Pastor of St. Mathew's Presbyterian Chrch, Halifax, N. S. They were assisted by Rev. A. R. Reynolds, Pastor of the co-operating congregations, and assistant pastor, Rev. F. Yates, Rev. R. B. Layton, Kentville, and others.

Woodville is justly noted for its splendid musical talent, and on this occasion a rare musical treat was provided. The choir consisted of over 30 voices and was assisted by three well-known artists; Mrs. Hector McGregor, Halifax, Soprano; Mrs. Gordon Embree, Kentville, Contralto; and Miss Marguerite White, Somerset, Soprano. The programme for each service included anthems, solos, male choruses and mixed quartettes.

The new church is a beautiful edifice in every respect, and is also one of the most modern and convenient church plants to be found anywhere, in city or country. It has its own electric light plant, and the whole equipment of the church generally is most efficient and up-to-date. A splendid clear toned bell, one of the best in the county, was donated by Mr. Orr, of Halifax. The members of the Union Congregation are to be congratulated on their vision and enthusiasm, which has produced such a beautiful and commodious church edifice. The structure complete, will cost something over \$15,000.

THE WALL OF CHINA

214 B. C., the Chinese commenced building the Great Wall, which isolated their country from the rest of the world and helped retard their national progress.

The business man who maintains a wall of "dignified reserve" towards the buying public is just as surely retarding his own business growth.

People like to buy from the store that shows its appreciation of their business, gives good values, and courteous, kindly service, with a "come again" invitation.

ANSWER THIS PUZZLE WIN \$1000.00 Special OVERLAND

How Universally Popular Are the Movie Stars? The question which the Movie Editor of the CANADIAN FARMER is trying to solve. We believe that the Movie Stars are just as well known in every village and farm community of the Dominion as in the big cities and just to prove it, our artist has devised this puzzle.

How To Solve The Puzzle In this picture the artist has depicted the inside of a Movie Theatre. The operator of the Movie machine is trying to do a play a joke on his audience as he shows these re-arranged movie players' names on the screen. To solve the puzzle, all you are required to do is rearrange the letters so that they will spell the correct actors' or actresses' names. For example: No. 1 is Charlie Chaplin. Can you guess the others? If you can you can win \$1,000 in cash or the "Special" Overland Touring Car which would otherwise cost you \$1,115. Don't give up too easily if at first you find it a little hard. Do your best and win the best prize. See the full list of names below.

WHO ARE THEY?

- 1. WAR IS NO SLOGAN 2. BALD MAN OR MEN 3. BET LUCY FAK RAT 4. MIGHTY HANSOME 5. SALA CHERRY 6. IDLE BAY CAR 7. FIND PURE RICE LAKE 8. DRY HOG IS HOT 9. PARCK MY FORD 10. PREACH ALL CHIN

Can You Solve this Puzzle?

Anyone living outside of Toronto is privileged to take part. Put on your thinking-cap and solve the puzzle and send in your answer. Probably you know the names of most of the famous stars, but just to refresh your memory we give below a few of the most popular ones.

Charlie Chaplin, Mary Pickford, Charles Ray, Fatty Arbuckle, Norma Talmage, Wallace Reid, Beverly Bayne, Thomas Meighan, Mabel Normand, Dorothy Gish, Pauline Frederick, Gloria Swanson, Douglas Fairbanks, Alice Brady, Dustin Farnum, Pearl White, Blanche Sweet, Theda Bara.

Wouldn't you be the happiest person in the world if you were the winner of the \$1,000 in a contest like this which took only a few minutes of your time? Well I should say you would be happy! And you can do it too. It's just thru such little opportunities as this that hundreds and thousands of common folks have obtained their start and have risen to be the great men of today. You probably know of some such cases yourself if you think. This is the CANADIAN FARMER's offer to YOU to give you a like chance. And it won't cost you one cent.

Only 185 Points Wins \$1,000.00 The answer gaining 185 points (which is the maximum) will win the \$1,000 in cash (or the beautiful "Special" Overland). Second highest will receive \$500.00 and so on down the list of 25 prizes.

For each Movie Name that you correctly arrange you will receive 10 points, or 100 points in all if you arrange all ten names correctly. Then you can get 50 more points by "qualifying" your answer. That is, by proving that you have shown a copy of the CANADIAN FARMER to three people during this Big Publicity & Booster Campaign. A qualification blank will be mailed you on receipt of your answer.

The final 25 points will be awarded by three prominent and independent judges on the neatness, style, handwriting and spelling of your answer. Strike while the iron is hot, and send in your answer today.

Rules of Contest 1. Write all ten Movie Names on one side of a sheet of paper.

2. Write your name and address plainly in the upper right hand corner of the same sheet.

3. If you wish to write anything else, use a separate sheet of paper and sign your name and complete address on it also.

4. Three prominent judges, having no connection with the CANADIAN FARMER, will judge the qualified answers and award the prizes.

5. The answer gaining 185 points, which is the highest number obtainable, wins First Prize. Ten points will be given for each correct name you send, or 100 points if you get all ten names correct. Sixty additional points are gained by qualifying your answer, and 25 points will be given for neatness, style, handwriting and spelling.

6. When the Movie Editor receives your solution, he will send you a letter telling you just exactly how many points your solution earned and also send you a sample copy of the CANADIAN FARMER to help you in "qualifying."

7. The Contest closes on Saturday, March 11, 1922 and announcement of Prize Winners will be made in the CANADIAN FARMER shortly after.

MARITIME RELIGIOUS EDUCATION COUNCIL

AT a recent meeting of the Executive of the Maritime Religious Education Council which is the Maritime Sunday School Association reorganized, an ambitious program was planned for the coming year. Under the auspices of the Council and in accordance with its plan of denominational co-operation the Denominational Secretaries, Frank M. Milligan, Presbyterian, H. S. B. Strothard, Methodist and Waldo C. Machum, Baptist, will unite their efforts with the Secretaries of the Council, A. M. Gregg, Boys' Work, Miss Mary R. Allison, Girls' Work and Miss Alice M. Harrison, Children's Division, to hold some 225 district conventions during the year, covering the entire Maritime territory.

During the past year the Council has taken over from the Y. M. C. A. the responsibility for the promotion of organized Boys' Work and the Canadian Standard Efficiency Training Program in the Church and Sunday Schools and now provides the Boys' Work Secretary, Mr. A. M. Gregg. In a similar way the promotion of the Canadian Girls in Training Program has been taken over from the Y. W. C. A. and Miss Mary R. Allison, the Girls' Work Secretary added to the staff.

For some time there has been a demand for an Elementary Secretary to give special help to workers with children. This has been met by the appointment of Miss Alice M. Harrison who is doing most efficient work.

The Officers of the General Board of the Council for the year are: Chairman, L. W. Simms, St. John, N. B., Vice-Chairman, Geo. D. Wallace, Halifax, N. S., Secretary, Rev. F. M. Milligan, Halifax, N. S., Treasurer, Robert Reid, St. John, N. B.

Headquarters have recently been removed from Moncton and are now located at 94 Prince William St., St. John, with Miss Kate R. Abrams as the efficient Office Secretary.

CANNING ITEMS

A monument has been erected by the citizens of Ward 1, Canning, to the memory of those, "Who fought and fell Over there." The monument, which stands on Army Green, consists of two bases. On the top base are the words: "Lest We Forget," and above is the main pedestal which consists of three pieces, on the top of which is inscribed, in a circle at the top, in large raised letters: "Their Name Liveth For Evermore." On the center of the pedestal, is a heavy bronze tablet, with a crown and cluster of Maple leaves beautifully carved.

The following names are inscribed: Pte. Austin Webster, Lens, Aug. 15, 1917.

Pte. Levi Woodworth, France, June 29, 1917.

L.-Cpl. Clifford Hiltz, St. Eloi, June 3, 1916.

Pte. Frederick Hubbard, Vimy Ridge, April 24, 1916.

Pte. Lorne Cummings, France, Jan. 2, 1916.

Sgt.-Major Alvah Carter, Passchendaele, Oct. 30, 1917.

Pte. James Parsons, Vimy Ridge, June 9, 1917.

Pte. Reginald Bennett, Vimy Ridge, Sept. 1, 1917.

Pte. Crandall Ward, Passchendaele, Oct. 3, 1917.

Pte. Carey Tupper, Ypres, June 3, 1916.

Below this tablet is inscribed: "Erected by the citizens of Ward 1, To the Memory of Our Heroic Dead, and in Honor of Our Valiant Heroes, who Served in the Great War." On the upper corner of each side pedestal are the dates, 1914-1918. The total height of the monument is 8 feet, width 7 feet at the top. It is constructed of New Brunswick grey granite, with polished front panel, the remainder being of a smooth finish and without gloss.

The work was done by J. A. Tingley and Sons, Amherst.

Canada has the world's richest nickel and asbestos mines.

SUDDEN DEATH OF O. S. DUNHAM, OF BRIDGETOWN

BRIDGETOWN, N. S., Feb. 3.—The death occurred here early this afternoon of O. S. Dunham, proprietor and editor of the Weekly Monitor. Mr. Dunham was taken ill on Monday last with influenza and later developed pneumonia, which terminated fatally today. The deceased was a well known weekly newspaperman and a native of Digby County. Over thirty years ago he entered the office of the Digby Courier and steadily advanced until he became editor and manager.

In 1917 he leased the Bridgetown Monitor and moved to Bridgetown, where he has stayed ever since. Mr. Dunham was a successful newspaper man and was also correspondent for a number of dailies. For some years he has been actively interested in Board of Trade activities and all other improvement organizations both here and in Digby. He was an enthusiastic Oddfellow, and both in his local Lodge and in Grand Lodge circles was very prominent. The deceased was in his 51st year.

General regret was expressed on the streets here today when his sudden death became known. He leaves a widow, who at present is ill with influenza, and one daughter, Mrs. Charles Innes, residing in Ponoka, Alberta.

Some of the party dresses that the young women are wearing this winter might better be called "partly" dresses.

NURSES IN OUR SCHOOLS

(Issued by the Department of the Public Health, Nova Scotia).

During the year which ended September 30th last, more than 44,000 Nova Scotia school children were examined for physical defects by the public health nurses working under the direction of the Department of the Public Health and the school nurses working under the school boards of several of our towns. Practically sixty per cent, of these children were found to be suffering from one or more defects, which in many instances were interfering with progress in school work and prejudicing the future health of those so affected. When defects were found, the parents were notified, and nearly twenty-five per cent. have been corrected.

No estimate can be made of what this means to the rising generation, but the removal of handicaps to school progress and to proper physical and mental develop-

ment must necessarily increase the prospects for a useful, successful and happy career.

Public health work is by no means limited to attempts at controlling the spread of infectious disease, but embraces all measures which tend to improve the general health of our people. The public health nurses are rendering us a service of which the importance can scarcely be over-estimated.

Team of Huskies for Quebec Visitors

One of the chief innovations at the Chateau Frontenac, Quebec, in connection with the winter sports programme is the introduction of a husky dog team. In order to secure the genuine animal a representative visited the North Country to select dogs suitable for this purpose. Previous to the journey telegrams were sent to all important fur posts, north of the Great Lakes, but owing to the unusual conditions prevailing during the fall of 1921, little success was met with. A variety of replies were received — one Hudson's Bay Post sent word that owing to the lateness of the "freeze up," and poor travelling conditions, Indian trappers were still far in the interior with their dogs, and were not expected out till the New Year. Another factor replied that strange sickness, the symptoms of which resembled distemper, was affecting most of the dogs in his vicinity, and that he would not advise their purchase. Another wired that fish was so scarce, dogs were extremely thin and wick-ed, and weaker members had been sacrificed to provide food for the larger and more useful dogs. The value of husky dogs in the Canadian northern expanse is very high and prices reach surprising proportions in the fall when each man sets out to secure a string for his winter's work. Due to the heavy expense incurred in equipping and maintaining a team, the purse for the race has been raised this year to attract the most exacting trailers. Last year pups were selling for \$200 for a string of five, whilst animals fully grown and trained brought from \$75 to \$100 each.

The husky dog has been a valuable servant to the men of the Canadian North, and his part in Northern development has been no small one. His services are still of inestimable worth in the transport over snow-clad areas where no other means of travel exist, where the

pioneers of civilization and progress are blazing trails, and securing the first fruits of a wealth which only time and the introduction of railroads will fully reveal for exploitation. The mounted police, trappers, miners, prospectors, all men of the snow-shoe trail, gallantly pay their tributes to the part the husky dog plays in their daily work.

The district north and west of Nipigon promised success in securing huskies, as just before Christmas the Indians bring their fall catch into the posts, where they trade them for fresh supplies, beads, firearms, and other articles which they may require. The representative of the Chateau on arrival found some 15 to 20 dog teams, but they were a motley assortment, only a few running true to type.

Teams were constantly coming and going, and finally with a burst of speed, a fast young outfit approached the Hudson's Bay Post, and at the command of "Ho!" from the Indian musher suddenly slowed up and came to a stop. The leader was a particularly young brown wolf-like animal, and was named "Nipmainghen," which translated means "Nipigon Wolf," and after various tests was selected as one of the proposed team. Finally the other four were purchased, as they proved to be one of the fastest teams in that part of the country. Exceptional care was exercised in the selection as they were to be used in the vicinity of the Chateau Frontenac, at Quebec, and naturally were bound to a certain extent by the guests and spectators. Not having been trained together, considerable trouble was experienced at first. The Indian who assisted in breaking them in said, "Take away the harness and let them make friends." No sooner was this done than a regular pandemonium ensued, followed by a glorious rough and

tumble fight, and it was with great difficulty they were separated. The Indian merely grinned and said, "They are all friends now," which seemed to be the case, because after a certain amount of sniffing and licking they were again tested and pulled much better. Ten to fifteen miles a day were made by the team without any individual loafing, and so fast were they that the Indian challenged a number of the other teams around to a series of races, and not once was the new team defeated. At last the animals were shipped by the Canadian Pacific to Quebec City, and arrived in excellent trim. The names of the dogs are somewhat interesting, being all Indian, and are as follows with the English translation:

- Nipmainghen. Nipigon Wolf
- Wabus The Rabbit
- Wabuska Whitey
- Keego Fish
- Muk From "Nakwa"

At the age of nine months or one year the education of the Husky begins in earnest. He is broken to harness learning, with older dogs, to pull his share of the load. At four years he has attained his full growth and strength, a stalwart wolf-build, half-wild, disdainful, powerful, perfectly proportioned, beautifully coated.

The harness is made of one long, continuous side-trace connected with a saddle, and belly-band around the middles, and to head-collars which rest on forehead and receive each dog's pulling weight. The Indians save particular cries in which to guide or incite the dog teams: "Mush, Toyfayr, Tukok," to coax them into a gallop. Then "Ah . . . Pecu," as some dog slackens in his traces. "Hu, Corni" (leader). If the lead-dog is wanted to turn to the right, or "Chac, Corni, Chaci" if to the left.

REDMAC

Redmac has become a household name—you cannot go out to spend the evening without hearing the name Redmac. People of society and those of humble life are to-day placed on the same plane, they are both human, both subject to the ills of life, Redmac heals them alike, and at the same price. No man or woman is too poor or too wealthy for Redmac.

THE CANADIAN INDIAN

Do you know how many Indians there are in Canada?

The population, according to the latest census, is 105,998. The number shows a steady, if slight, increase. They are found in every province, representing hundreds of tribes and branches, on 1625 reserves, and are the wards of the nation—"human nature bound in red." 12,196 Indian children attend the 339 reserve schools.

The Canadian Indian made a splendid record during the war, more than 4,000 enlisting out of 15,000 of military age, and that under voluntary system, and many wonderful records of heroism are to their credit. Indian cash gifts to war funds totaled nearly \$50,000.

The Canadian Indians on the reserves do a lot of farming, cultivating 221,800 acres of land last year, which produced two million bushels of grain and roots, valued at three and a half million.

They have a trust fund with the Government amounting to \$11,458,660. Their lands are estimated to be worth \$52,000,000 and their buildings \$5,100,000. The value per capita of their real and personal property amounts to \$682.

Canada's method of caring for the Indians—who are the original Canadians—has merited praise from other countries, and is regarded as superior to that of the United States.

INTEREST IN FOREST TREE PLANTING

Items are constantly going the rounds of the Canadian press setting forth various plans for replanting the forests of this continent. Some have found a solution in letting the squirrels and bluejays reforest cut-over tracts by their habit of secreting nuts and tree seeds in the ground, where, later on, if the animals or birds have forgotten about them, they will begin to grow. A more ambitious scheme is the enrolment of twenty thousand boys in a society the members of which are pledged to plant so many trees per year. It is naively asserted that a boy can plant and care for five acres of trees without interfering either with his school work, or his doing the "chores". While these schemes show a considerable lack of knowledge, both of trees and boys, not to speak of squirrels, they are nevertheless important in that they show that the public is waking up to the need of doing something to reforest denuded acres, where the soil is not fit for agriculture, but is suited to growing trees. The greatest power in securing reforestation is public opinion, and from the amount of discussion now going on it is evident that that power is being enlisted in this work.

The Dominion Parliament will be summoned to meet Wednesday March 8.

Wolfville Board of Trade

The postponed Annual meeting of the Wolfville Board of Trade will be held at the Town Hall on Tuesday, Feb. 21st at 8 p. m. This will be the meeting for the election of officers and the mapping out of activities for the coming year. The meeting will be an important one, and it is hoped that every member will make it convenient to be present.

THE EYE POLICEMAN. (concluded.)
On his way home, perhaps the Policeman will look in at the movies, and it he finds the same children there more than once a week, he'll have something to write in his note book about them. Pictures make your eyes cry, if you go too often, and when your eyes cry it means that you're working them too hard, unless of course you've been playing with the pepper pot.

Even if you go away on a journey the Eye Policeman goes with you. In fact most children keep him very busy on journeys, for they love to lean out of windows where they are in danger of getting soot and bits of coal in their eyes. That makes the Policeman frown and look for his pencil, for he knows that eyes are sometimes badly hurt that way.

You see what a busy person the Eye Policeman is. He goes about everywhere writing down these things in his note book, and then some day he has a grand reckoning-up, and if you're one of the careless ones he may send you a pair of spectacles, so be careful to keep your name out of the Eye Policeman's note book.

WALK AND LIVE LONG

Some put walking on the shelf with many others of the "lost arts". No one ever walks now excepting the Boy Scouts.

Dr. R. E. Castelow believes the body should never be tired after exercise. He says never walk to the point of exhaustion and never walk more than two miles at one time. The man who goes for a long mile walk for fun is not only a fool, but a man who is sure to get a headache upon a mild sort of laminitis, but really is one.

Surely the busiest business man has time to walk two miles each day! It would only take thirty minutes, and then he might never require a family physician. Even a walk once a week helps a great deal. Try it next Saturday.

Put on an old sweater and walk briskly, but not hurriedly, Dr. Castelow says. Stand erect and breathe through the nose. Air taken into the body through the mouth goes direct to the lungs while cold. Air taken in through the nose-passages is warmed by the time it reaches the lungs. Make the breaths long and deep.

Oxygen is a deadly poison to some things—chief among which are the tuberculosis and meningitis germs. Breathe deeply and kill them. Walking exercises every muscle in the body, except, possibly the muscles of the face. And if a man looks around at the beauties of Nature while he is walking, he will exercise those. Walk and you'll never have a cold, lung trouble, or tuberculosis.

"The people who walk the most live the longest."

SPECIAL FEATURES AT THE THEATRE

Next Monday and Tuesday Dug Fairbanks will appear in his latest and best picture, "The Nut", in which Dug appears as an eccentric resident of Greenwich Village, New York. Many are the gags pulled and new stunts added to the long list of this famous star.

Wednesday and Thursday patrons will be afforded a long looked for production in "The Sky Pilot", taken from that famous book written by Ralph Connor, whose real name is Rev Charles W. Gordon and whose steady occupation is not writing books but preaching the gospel in Winnipeg. Few authors can claim as interesting a film version of their work as can the Rev. Mr. Gordon. In the Sky Pilot you will see a cattle stampede outrilling all thrills and its just one of the breath-catching heart-hitting moments that sweep through Ralph Connor's great drama of Romance and Reality in the Canadian Rockies.

Friday and Saturday we shall present Mae Murray in the Paramount Lasky Production, "The Gilded Lily", a romance of New York and its gay night life and a girl whose dash and folly hid a heart of gold. By night she was a glittering salamander. She lived on the lights of Broadway laughing and playing with fire—and escaped. By day a simple-hearted wholesome girl as sweet as any that raised their brows at her name and as good always. Really folks we guarantee a host of joy and pleasure if you will spend the time and the cost is small.

Winter is wearing away. February will soon be over and we will be looking for spring.
