Technical and Bibliographic Notes/Notes techniques et bibliographiques

The Institute has attempted to obtain the best original copy available for filming. Features of this copy which may be bibliographically unique, which may alter any of the images in the reproduction, or which may significantly change the usual method of filming, are checked below.

L'Institut a microfilmé le meilleur exemplaire qu'il lui a été possible de se procurer. Les détails de cet exemplaire qui sont peut-être uniques du point de vue bibliographique, qui peuvent modifier une image reproduite, ou qui peuvent exiger une modification dans la méthode normale de filmage sont indiqués ci-dessous.

The copy filmed here has been reproduced thanks to the generosity of:

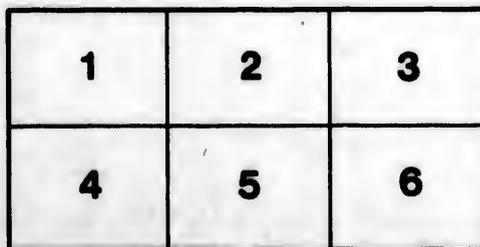

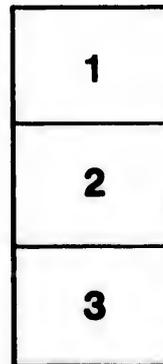

National Library of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Bibliothèque nationale du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

NEW YEAR'S VERSES
OF THE PRINTER'S BOY THAT CARRIES
THE QUEBEC MERCURY,

Most respectfully addressed to the Subscribers.

QUEBEC, 1st January, 1811.

Hail, Janus, with the double face,
 Thy backward view help me to trace,
 From past events, that I may chuse
 Fit subjects for an humble Muse,
 Whose duty 'tis news to expand
 'Mongst such as read and understand;
 Who true from false know to distinguish,
 And doctrines vicious to relinquish:
 Who, if the demagogue hold out
 His tinsel to the assembled rout,
 Howe'er his country's love he boast,
 See clearly, self is uppermost:
 Who keep, whate'er party may say,
 The even tenor of their way;
 And faction's sophistry eschew,
 To king and country ever true.
 Such fitted are to learn Fate's turns,
 Their own, and the wide world's concerns;

Does it hence follow that the blind,
 Unletter'd, uninform'd of mind,
 Have faculties for catoptics,
 Or what far worse is, politics?
 Can their blank intellects be bent
 Lectures to learn on government?
 Would it not more with sense agree,
 To learn them first their A, B, C,
 Than to begin at the wrong end,
 And make to cakes, order bend?
 Is this not nature to distort,
 And with mere matter mind assort?
 Of things their fitness to confound,
 Giving to blocks reason profound;
 And thus, by one fatal mistake,
 The demon Anarchy awake?

Thus late philosophers of France,
 Too early led round Holbein's dance;
 And the dire circle heedless drew in,
 Myriads to follow their undoing.
 And why? because they wildly hit
 On any thing but systems fit—
 Not for the many what would do
 They chose—but what would please the few,

A grand monarch to love and fear,
 His very errors to repeat;
 By habit, custom, taste, fashion,
 Deep-rooted prejudices and passion;
 By every bias that could bend,
 And make man's nature one way tend;
 By all of these, a Frenchman's soul
 Was moulded to the crown's controul,

Yet this, philosophers suppos'd
 Was of that ductile stuff compos'd,
 To take of any cast the shape,
 Bear, badger, mastiff, cur or ape;
 Or if they must retain the man,
 To take the form republican.

True 'tis that force may sometimes bend
 The stiffest bow, and make it tend
 From one strait line to a small curve,
 And from its nature somewhat swerve;
 But let that force its pow'r decline,
 The bow resumes its pristing line:
 So man, by an impulsive thrust,
 May ev'ry tie of nature burst;
 But take th' impelling pow'r away,
 Habit recovers its full sway.
 Thus Frenchmen's lips, by force might squeak,
 Like parrots, *Vive la Republique*;
 But then the heart—what says it? hark!
 Its cry is *Vive le grand monarque*.

Had Revolutionists been wise,
 And the heart's bias known to prize,
 And taken, when for charge full ripe,
 Great Britain for a prototype;
 What crimes, which Frenchmen now disgrace,
 Might thus have never taken place:
 Nay more, of happiness what store
 On France might providence then show'r;
 For arts renown'd and liberty,
 The suffering world she might set free;
 Such an example could not fail,
 O'er sway tyrannic, to prevail.

Now, sad reverse! power's iron reign
 Europe has link'd in one vast chain;
 Whilst, with Astrea, Freedom flies
 To seek a shelter in the skies.

But, heav'n be prais'd, Napoleon's sway,
 Britannia's thunders keep at bay;
 Hence, security is ours,
 Where-ever else the tempest lowers.

Enough—except one short word more
 From him who, weekly, to your door,
 In sleet, in snow, in rain, in hail,
 Has never yet been known to fail
 To bring the news, be't good or bad,
 Pleas'd when the best is to be had.
 Need I add more?—a word to the wise
 And generous, will here suffice;
 'Twere sin to doubt such can be civil,
 When in rhyme tempted by—*THE DEVIL*.
