## LAKE SUPERIOR.

## SAULT STE. MARIE.

The Convener reported that the Rev. W. Stuart had been ordained by the Presbytery of Bruce as missionary to this field.

## THUNDER BAY.

Rev. D. McKeracher still labours with acceptance in this important mission. Steps are at present being taken by the congregation to have him settled as regular pastor, the people guaranteeing \$500.00 per annum towards his salary.

## MANITOBA.

The Convener reported that at the urgent request of the Presbytery of Manitoba, he had appointed Rev. P. Straith to that Presbytery for three years on the usual terms, his field of labor to be at Battleford. The action of the Convener was sustained.

Letters were read from the Presbytery asking the appointment without delay of four additional laborers, including one to the Saskatchewan.

It was moved by Mr. J. M. King, seconded by Dr. Proudfoot, that in making further appointments to Manitoba the salary of \$900 and \$700 at present guaranteed to married and unmarried ministers respectively, should be regarded as including all ecclesiastical sources of income until otherwise instructed by the General Assembly.

It was moved in amendment by Mr. J. White, seconded by Mr. F. McCuaig, that the Committee in proceeding to make appointments for Manitoba, do so on the usual terms as to salary irrespective of income derived by applicants from the Temporalities Board; and that the question as to whether this Committee should take any account of such monies in making appointments or grants to any of our Mission Stations or Supplemented Congregations be referred to the General Assembly.

A vote being taken, the amendment was carried, and the Committee decided accordingly.

From this decision Dr. Proudfoot and Messrs. King, Torrance, and Bruce dissented.

Several applications from ministers of the Church for appointments to Manitoba were laid upon the table, and after lengthened consideration, the Rev. W. R. Ross of Pickering, and the Rev. Alex. Campbell of Montreal, were designated to this Presbytery for a term of three years at the usual salary.

These gentlemen intimated their acceptance of the appointment.

The other applications were not entertained by the Committee.

The Convener and Messrs. Laing and King were appointed a sub-committee to secure, if possible, without delay, a suitable missionary for the Saskatchewan, with instructions, if necessary, formally to call a licentiate to labour in this field for a term of three years, and to guarantee such a salary as to them may be deemed requisite.

To the same sub-committee were referred all matters requiring action prior to the next regular meeting of this Committee.

The Convener reported that the Presbyterian Board of the United States had agreed to aid in paying the salary of Rev. J. Scott, missionary at Pembina, etc.

The following resolution anent the payment of grants to missionaries in the Presbytery of Manitoba, was adopted:

The Committee taking into consideration the exceptional circumstances of the Manitoba fields, authorize the Convener to honour the drafts of the Manitoba Presbytery for the amounts due the respective missionaries for the quarters ending 30th June and 31st December, annually, on the basis of the grants made at this meeting; but require from that Presbytery as is required from all the other Presbyteries of the Church, a full report, on the schedules provided for the purpose, of work done in each field, and money due for the six months then ending, ~~at each of the~~ <sup>at each of the</sup> half-yearly meetings of this Committee, —viz.: April and October,—before the grants be paid and a settlement for the half-year made.

### REFERENCE FROM ROCKWOOD, ONT.

Mr. McCuaig appeared on behalf of the Rockwood congregation, as to a supplement claimed by said congregation and promised by this Committee. Mr. R. Torrance on behalf of the Presbytery of Guelph, stated that that Presbytery had not presented a claim for the payment of the supplement, on the ground that the Presbytery understood that the full salary had been paid by the congregation, and that the grant was desired by the people to aid them in the erection of a manse.
