PREFACE.

In compiling this work we have not tried to make simply a list of persons moving in exclusive social circles; our object has been rather to present a useful directory for home and social purposes as distinguished from business purposes. We have endeavored to include all names for which any lady in the city may have occasion to look, and to add such other information as will make this book as necessary in the home as the city directory is in the office.

"PERFECTION"

SELF-HEATING SAD IRONS.

I.
"I always dread the ironing days."
A tired woman said,
"And if I don't soon get relief
I'm sure that I'll be dead."

II.
Two little girls were puzzled
one day
To know what they would do
To iron Dolley's dresses out.
So that they'd look like new.

III.
Mamma, however, surprised
them.
She'd been the day before
And bought a "Perfection" Gas
Iron,
And brought it from the store.

IV.
The little "Tots" were delighted,
"It's just the thing," said they;
"It's not a bit of trouble
To iron with it all day!"

V.
No more sweltering over stoves;
The old way's a thing of the past;
So simple a child can use it,
Relief has come at last.

SPECIAL RATES

FOR LARGE QUANTITIES.

Recognizing the impossibility of getting Ice in or near the City free from impurity and the suspicion of sewage contamination, we have this year cut our supply from Lake Ontario, 21 miles from the City. It is entirely free from impurity and approved by the Medical Health Officer as unexcelled for all domestic purposes.

As we cater largely for the family trade, we give special attention to the selection of honest drivers. We employ only those who will look after our customers' interests as well as our own.

THE GREAT WONDER CATARRH DESTROYER.

The only remedy for Catarrh brought before the public. It has been thoroughly tried and is pronounced by those who have considered themselves incurable to be a remedy which is worth many times its cost. It speaks for itself and only needs a trial to convince the most skeptical. **THE CATARRH DESTROYER** is in the form of a coarse powder and is used in an ordinary clay pipe. It does not interfere with any ordinary occupation, nor with any course of treatment for any other complaint. **A CERTAIN CURE IS GUARANTEED** within four months from the beginning of treatment. Also for **CATARRH,**

**ASTHMA, DEAFNESS,
ENLARGED TONSILS,
COLD IN THE HEAD,**

caused from Colds and Bronchitis, and loss of smell and taste. Give it a trial and be convinced. Do not be deceived in buying some worthless compound which only irritates the nasal organs and effects no permanent relief, but buy the only genuine **CATARRH DESTROYER.**
